

## Peerless 5431

### [Chapter 5431: News from the Great Desolation Lord's Palace!](#)

Everyone's eyes are like ridicule at the moment.

Gu Tianke has no place to show himself!

Without a word, he turned and left in embarrassment!

"Humph!"

Suddenly, Zhong Li Yaoqin let out a cold snort.

Everyone's gaze instantly came back from the distance Gu Tianke had left.

Qi Qi fell on Zhuang Wuchen.

The assassination against Chen Feng just now, he, as the Supreme Elder, knows the law and breaks the law, and the crime is even worse!

"Zhuang Wuchen, go to the Xingtang to receive the punishment yourself."

By this time, Zhong Li Yaoqin didn't need to say anything bad.

The eyes of the disciples around him were enough to make him feel ashamed!

Especially those disciples of the Heavenly Power Sword Sect, at this moment, they said nothing.

There was even some embarrassment on his face.

It seemed that Zhuang Wuchen's behavior made their faces dull.

This is more like one invisible slap after another, which swelled his face!

However, the matter has ended.

Since I made my choice at the beginning, I have to take its responsibility.

Zhuang Wuchen's face suddenly seemed to be tens of years old.

He let out a long sigh, then silently took off the star robe!

That is the star robe symbolizing the Supreme Elder!

Some commotion suddenly sounded around.

Everyone watched Zhuang Wuchen and left in embarrassment in the direction of Xingtang.

Tianquan Jianzong originally wanted to take Chen Feng's power this time.

Unexpectedly, it was counterproductive, but instead made Chen Feng famous!

More and more disciples rushed to hear the news, and after learning what was happening here, all of them were surprised.

At this moment, Chen Feng looked straight ahead.

Faced with Ji Lingxiao and others.

"You come here, do you want to fight me too?"

"I'm fine, let go."

As soon as these words came out, not only Yue Xinlan and Zhong Liyaoqin's complexion changed slightly.

Above the entire floating mountain, there was another uproar.

Chen Feng is too crazy!

He didn't even need to rest, and directly challenged the other ten true disciples.

The atmosphere suddenly heated up.

Many disciples who came to watch after hearing the news were even more interested.

But the expressions on Ji Lingxiao, Qiu Luolan and others' faces became extremely ugly.

"Chen Feng, I admit that your strength is really shocking."

"But, too arrogant, sooner or later will fall."

Ji Lingxiao said meaningfully.

However, these two sentences were enough to shock the audience.

That's Ji Lingxiao!

A militant madman who can do nothing without talking!

These words at this moment were tantamount to telling everyone that he was very afraid of Chen Feng!

Chen Feng sneered.

"You dare not do it with me."

As soon as these words came out, Ji Lingxiao's complexion was extremely ugly.

Between his neck, the green veins visible to the naked eye burst.

You can see the extreme restraint!

In this way, his fear and jealousy of Chen Feng has been confirmed!

Just when he couldn't bear it and took a step forward.

An extremely powerful breath suddenly struck from a distance.

Without any murderousness.

But like a Tianhe hanging upside down, crashing down!

Zhong Li Yaoqin first turned his head and looked in the direction of the main hall of the door.

"It's the doormaster's special envoy!"

The person here is so beautiful that he is extraordinary.

A long robe on his body is dotted with a Tianhe made of stars.

The breath is even stronger than the talented Zhuang Wuchen!

The doormaster's special envoy, although he is the elder Tianhe.

However, his strength is stronger than many elders.

This person came to Chen Feng from far to near.

Chen Feng is no stranger to it.

"Elder Qiu Wuji."

He clasped his fists and arched his hands, putting away his sharp edge.

The last time I saw the special envoy of the master was when he had just entered the Galaxy Sword Sect.

Qiu Wuji looked at Chen Feng, his expression calm, but a flash of surprise flashed in his eyes.

Since Chen Feng entered the Galaxy Sword Sect, news about him has continued.

But when he really saw him again, Qiu Wuji couldn't help being surprised.

The improvement of this child's cultivation level is simply a blast!

Most of the disciples who entered the Galaxy Sword Sect at the same time as him are still in the fifth and sixth floor of the Star Soul Martial God Realm.

Even among the true disciples, there are only a few people who can be stronger than him now.

"The Galaxy Sword Sect, I'm afraid it can't keep this peerless treasure..."

He sighed to himself.

However, Qiu Wuji quickly recovered and smiled.

"There is news from the Great Desolate Lord's Divine Palace, and the sect master wants you to see him.

Hearing this, the surrounding disciples suddenly felt like a frying pan!

The laurel award of the Broken Jade Conference is really enviable!

For a long time, the Great Desolate Lord's Palace has been said to be the most powerful and terrifying place in the Eastern Desolation.

In the past, some young talents had this opportunity to enter it.

After coming out, everyone's strength skyrocketed and became the overlord!

And it took Chen Feng three years!

Moreover, I heard that the great deserter himself will guide!

For a time, countless fiery eyes stared at Chen Feng.

But it is limited to this.

The performance at the Broken Jade Conference is somewhat heard by everyone now.

Indeed, only a genius like Chen Feng can do it.

Especially today, his performance against the sky has made everyone more convinced.

However, just when they were excited.

Chen Feng frowned.

It seems that the Great Desolate Lord's Palace is also here to urge him.

But if he goes this time, he will practice for three years.

I am afraid that before the completion of his cultivation, he will bring Zhongli Yaoqin to the top of the sky because he has not been able to introduce Zhongli Yaoqin within a year.

Thus was obliterated by the Lord of Heaven!

"It seems that the task must be completed before going."

Chen Feng secretly said in his heart.

Then, he suddenly remembered something.

When the Broken Jade Conference opened, the portal clearly had the aura of the top of the sky.

The Great Desert Lord seems to be inextricably linked with the top of the sky.

At this moment, the words Fairy Yu Heng said rang in Chen Feng's ears.

"The operation of the top of the sky is very complicated."

"And the will of the rule of heaven is about the reincarnation of the heaven and the natural laws."

If you want to naturally introduce the top of the sky, you need to let Zhong Li Yaoqin unintentionally gradually connect with the top of the sky.

Thinking of this, Chen Feng thought about it.

Isn't there a ready-made connection in front of you?

He turned to look at Zhongli Yaoqin.

"Sect Master Zhongli, go and see the Sect Master with me."

Chen Feng's words were very sudden, and even Zhong Li Yaoqin himself did not react.

However, seeing his eyes calm as water.

Zhong Li Yaoqin did not ask, nodded.

Chen Feng finally turned around and looked at Ji Lingxiao and others.

Then, a smile came up at the corner of his mouth.

"It's a pity, from now on, you will never be able to beat me."

In Ji Lingxiao's anger, Chen Feng laughed.

The three left.

Soon, the three of them arrived at the main hall of the door.

Compared with other Sword Sect's main halls, the main hall of the main gate is equally magnificent.

However, it will inevitably appear empty.

There are carved columns and jade, but there are few figures in sight.

Chen Feng and Zhong Li Yaoqin came to the hall together.

At the top of the hall, the current sect master sat impressively.

Luo Xingchen.

At this moment, Luo Xingchen sat on the galaxy constellation, slightly lazily supporting his cheek with one hand.

[Chapter 5432: plan! Lead Zhongli Yaoqin to the top of the sky!](#)

Looking down, looking at the two of Chen Feng in the audience.

"Zhong Li, why are you here too?"

Zhong Li Yaoqin has never been a happy person.

In many cases, she was extremely indifferent and didn't care much about anything.

Facing the doormaster's inquiry, she pointed at Chen Feng.

"You ask him."

Chen Feng immediately took a step forward, looking directly at Luo Xingchen.

There is no timidity on his face!

This made Luo Xingchen even more admired for him.

Although he was far away, he knew exactly what had happened to the Tianshu Sword Sect.

After Chen Feng's return this time, his strength really improved by leaps and bounds.

This kid can surprise him every time.

"The master called me to come, and the disciple knew what he meant."

"It must be for the Great Desolate Lord's Palace, right?"

Luo Xingchen nodded slightly.

"exactly."

"Today, the Desolate General of the Great Desolate Lord's Palace, Zhai Changzun, visited in person."

"Delivered to me the verbal message of the Great Desert Master."

Luo Xingchen couldn't help but recall the scene not long ago.

At that time, Zhai Changzun was standing where Chen Feng was now.

Listening to his words, the great deserter seems to...

A little urgent?

Dignified overlord of the Eastern Wilderness, eager to see Chen Feng?

This made him a little surprised.

This is also the reason why Chen Feng came here.

After hearing this, Chen Feng nodded calmly.

"Disciple got it."

Then, he changed suddenly.

"But before that, the disciple has something to ask the sect master."

Luo Xingchen raised his eyebrows, looking interested.

"Oh? Just ask me to listen."

He wanted to see what medicine was sold in Chen Feng's gourd.

Luo Xingchen could see the reaction of Chen Feng just now.

Regarding the news from the Great Desert Lord, Chen Feng looked completely calm.

There is no sign of excitement at all.

This kid is calm.

Chen Feng was neither overbearing nor overbearing, and once again looked at Luo Xingchen.

He opened his mouth and asked.

"The disciple wants to know, when will Tianshu Sword Sect return to the Floating Mountain, the highest point of the Galaxy Sword Sect?"

"When can we stand side by side with the other four sword sects!"

If at this time, there are other disciples watching here, they will definitely be shocked by Chen Feng's words.

Chen Feng was facing, but the master!

The strongest existence of the Galaxy Sword Sect!

Even the Sect Masters of the Five Great Sword Sects have to respect him three points on weekdays.

If you ask questions so unceremoniously, aren't you afraid of being angry?

Even Zhong Li Yaoqin couldn't help but raise her eyebrows when she heard this, and looked at Chen Feng.

Since the Tianshu Sword Sect was weak, they were removed from the nearest place of the Nine Heavens Tongtian River.

Since then, the spiritual energy of the Tianshu Sword Sect has been thinner by three points than the other four Sword Sects.

It is even worse!

This is her heart knot for a long time.

But I never thought that today, Chen Feng asked out in public.

Luo Xingchen laughed in a low voice.

"You are focused on Tianshu Sword Sect."

He was not angry, even frankly told.

"If you want to return to the highest floating mountain, you can absorb the power of the Nine Heavens Tongtian River to the greatest extent."

"Three requirements are required."

Luo Xingchen said, he looked at Zhongli Yaoqin on the stage.

"The first is that the suzerain needs to have sufficient strength."

Chen Feng's heart moved slightly.

At this point, it seems that there is no problem.

"What about the second?"

Before Luo Xingchen could speak, Zhong Li Yaoqin on the side gave a light introduction.

"Second, there must be at least three of the Sword Sect's head teachers and elders, and the strength must reach the Shifang Dongtian realm."

"And the third one is the disciple of the sword sect, who will win the next sect competition!"

"Only when these three requirements are met at the same time can people be convinced."

Upon hearing the next two requests, Chen Feng suddenly understood the difficulty of returning. However, he thought for a while and nodded quickly.

"no problem."

With such a refreshing appearance, even Zhong Li Yaoqin couldn't help being surprised.

Luo Xingchen smiled and looked at him.

"Boy, so confident?"

Chen Feng smiled slightly.

"I believe I can solve all problems."

Confident enough!

Luo Xingchen nodded again and again, and looked at Chen Feng with a little appreciation.

However, what they don't know is.

There is another main reason why Chen Feng responded so readily.

He understands very well.

If it fails to allow the Tianshu Sword Sect to rise completely, return to the first sect of the Galaxy Sword Sect.

It is impossible for Zhong Li Yaoqin to let go of all this and go to the top of the sky with him.

The reason why he wanted to do this was not just for the Heavenshu Sword Sect.

At this moment, Zhong Li Yaoqin also obviously felt something wrong.

She looked at Chen Feng and opened her mouth lightly.

"Why do you do this?"

In her opinion, Chen Feng is not the kind of person who is dedicated to Tianshu Jianzong.

His ambitions are even greater.

Chen Feng said frankly without concealing it.

"I hope that after Tianshu Sword Sect returns to No. 1, Sect Master, you can go to the Great Desolate Lord Divine Mansion with me."

As soon as these words came out, even Luo Xingchen on the high seat changed his expression slightly.

Zhong Li Yaoqin frowned even more.

"I'm afraid you think too much."

"Although I don't know your plan, not everyone can enter the Great Desolate Lord's Palace."

In this regard, Chen Feng just smiled.

"He will let you go."

After that, he looked at Luo Xingchen again.

"When is the next Zongmen Grand Competition?"

Luo Xingchen replied.

"next month."

Chen Feng nodded.

"Then after completing the Zongmen Grand Competition next month, we will set off to the Great Desolate Lord's Palace."

His words seemed unremarkable.

However, it is very interesting to take a closer look.

Luo Xingchen chatted with a smile.

"You seem to have confidence in the next sect competition?"

Chen Feng nodded of course.

"There is still a month to prepare."

"With me, Tianshu Sword Sect will definitely be number one."

Hearing this, even a person as indifferent as Zhong Li Yaoqin's expression changed slightly.

She couldn't help but reminded her.

"Zongmen Grand Competition, there is no entry time limit."

"Except for those disciples who have already been out of the teacher, all true disciples can participate."

The implication of this remark is to let Chen Feng know that he should not speak big words.

Who knows, Chen Feng just nodded.

"I know."

Then it was gone.

Luo Xingchen seemed to be amused, couldn't help clapping and laughing.

"Very good! Young people should have such courage."

"One month later, I look forward to Tianshu Sword Sect's victory in the Zongmen Grand Competition and win first place."

Chen Feng clasped his fists and prepared to leave.

Just as they were about to leave, a voice suddenly came from above the high platform.

"By the way, I forgot to ask you something."

Luo Xingchen suddenly changed his expression and touched his nose.

It seemed embarrassing.

Chen Feng looked at him puzzledly, waiting for his question.

"Your kid... are you interested in my stupid girl?"

Chen Feng was also dumbfounded when he said this.

[Chapter 5433: Powerful formation!](#)

"what?"

Luo Xingchen saw Chen Feng's surprise, and his expression curled slightly.

The appearance is not as casual as before.

After all, it's his daughter.

Luo Xingchen's gaze received a little more scrutiny, and he spoke slowly.

"I punished her to face the wall and think about it, and occasionally visit him."

"My daughter has a simple mind, and all her thoughts are on her face."

"She has been thinking about the cliff, and she seems to miss you."

Speaking of this, he seemed to think of something, his eyes even brought some teasing.

Being able to become the master of the Galaxy Sword School is naturally extremely sensitive to many things.

What's more, he is still Luo Miaoyin's father.

He obviously noticed the changes in his daughter after the daughter went out and caused trouble.

In thinking about Ya, she always intentionally or unconsciously wanted to inquire about Chen Feng.

This kind of little girl's thoughts were simply placed there.

However, for Luo Xingchen's meaning, Chen Feng's expression was slightly dark.

Despite restraint, there was a clear flash of disgust in his eyes.

"Sect Master, the disciple has nothing to do with Miss Luo."

As soon as these words came out, the atmosphere in the main hall of the door suddenly changed!

"What a good one!"

"If you have no intention of treating her, why are you so frivolous than her!"

As soon as these words came out, even Zhong Li Yaoqin, who had always been indifferent, couldn't help showing a surprised look.

She raised her eyebrows and turned her head to look at Chen Feng.

However, when she saw Chen Feng, his face was also full of surprise.

Luo Xingchen seemed to be angry.

Although the coercion has never been released, the change of aura alone is enough to generate tremendous pressure.

Chen Feng suddenly felt that there was an invisible coercion, almost suffocating!

"Do you want to know, why did I know this?"

"Huh, my daughter can't hide her mind."

"When I asked, I knew everything."

"Boy, you are not brave."

Upon hearing this, Chen Feng finally reacted.

Then, his face suddenly became dumbfounded.

"Sect Master, things are not what you think."

He quickly explained.

"I lied to her. I didn't expect her to take it seriously."

In order to prove that he has never taken Luo Miaoyin lightly, Chen Feng swears.

He even repeated the scene verbatim.

Luo Xingchen was skeptical about this matter.

Seeing Chen Feng's posture, it didn't look like a fake, so I had to wave his hand.

"Don't scare her anymore."

Chen Feng smiled bitterly.

How dare you!

After such an episode, Chen Feng and Zhong Li Yaoqin left the main hall of the door.

Zhong Li Yaoqin looked at Chen Feng's expression, his mouth raised slightly.

There is also the meaning of ridicule.

Chen Feng sighed for a long time, then turned to ask.

"Sect Master, how is your strength recovered now?"

Now that he has boasted about Haikou, Chen Feng still wants to know what the current situation is.

I don't know how far Tianshu Jianzong is from returning.

Seeing that Chen Feng was talking about business, Zhong Li Yaoqin also became serious.

Light burst into her beautiful eyes.

In the next moment, Chen Feng felt an extremely vast force, rushing towards his face.

"This time out went quite smoothly."

"I not only recovered from Chen Ji, but also made a breakthrough."

Chen Feng can see her confident appearance.

In this way, the first request seems to be fine.

Chen Feng nodded, sure in his heart.

"The second request shouldn't be too much..."

However, before finishing speaking, Zhong Li Yaoqin's complexion changed.

Halfway through, it stopped abruptly.

Chen Feng showed a look of surprise.

"The Heavenly Scroll Sword Sect has a glorious history, why are there not even three elders above the Ten-square Cave Heaven Realm?"

Zhong Li Yaoqin's face was slightly bitter.

"After I fell silent, Tianshu Sword Sect plummeted."

"Elders and disciples are even more lost."

"I can't tie them, let them go?"

Chen Feng was dumb.

Finally accepted this bleak fact.

"Well, how many elders are still missing?"

Zhong Li Yaoqin stretched out a green jade finger.

"Xinlan went out with me this time and also made a breakthrough."

"Besides, there is also a Supreme Elder in our sect who has been in retreat for many years."

Looking at her outstretched finger, Chen Feng was speechless for a moment.

He didn't know what to say, but there were still two elders who met the requirements.

Or should I feel sad for only two elders above the Ten-square Cave Heaven Realm.

One elder is still missing!

Chen Feng's mind moved, and a figure immediately appeared in front of him.

He looked up at Zhongli Yaoqin.

"I wonder which sword sect belongs to Elder Wu?"

The old Wu Wu was very enthusiastic about him, and he came forward several times to help Chen Feng get through the siege.

Not only that, when Chen Feng first entered the Galaxy Sword Sect, he wanted to accept Chen Feng as a disciple.

Chen Feng was deeply impressed by him.

However, Zhong Li Yaoqin's expression immediately became a little strange when he saw what he meant.

"He doesn't belong to any sword sect."

She smoothly pointed to the side of the main hall of the door.

Chen Feng looked in the direction of her fingers and caught a glimpse of a small floating mountain.

"Elder Wu is actually adjacent to the main hall of the door!"

This surprised him.

He knew that Old Man Wu was very powerful, but he still underestimated him.

The countless floating mountains of the Galaxy Sword Sect, from bottom to top, go straight to the sky.

In the huge space of 100,000 miles, the more important the existence, the higher the floating mountain.

The Floating Mountain where the main hall of the door is located is already the highest point of the entire Galaxy Sword Sect.

Even the other four great sword sects can only succumb to the main hall of the sect master.

Unexpectedly, the old man Wu actually sat on an equal footing with the master.

As if seeing his mind, Zhong Li Yaoqin retracted his finger.

"Although Elder Wu has a strange temperament, he is not good at educating his disciples."

"But he has his special skills."

"Moreover, the cultivation base is indeed only under the sect master and a few people."

Hearing these words, Chen Feng suddenly became more interested in the old man Wu.

Seeing that Zhongli Yaoqin didn't intend to go with him, Chen Feng folded his fists and said goodbye.

Before leaving, Zhong Li Yaoqin seemed to have something to say.

But in the end, she just said a word without beginning and ending.

"It's okay. Go ahead."

Chen Feng didn't take this to heart, and quickly flew towards the floating mountain not far away.

boom!

Chen Fengren hadn't approached the Fukong Mountain for five kilometers, and suddenly his figure stagnated.

In the void, there seems to be some weird restriction!

At the next moment, Chen Feng suddenly felt that huge rocks were hitting him in all directions!

"This is... a thousandfold gravity restriction!"

His complexion changed suddenly.

Then, under the clothes, the muscles bulged up instantly.

The physical strength was brought to the extreme at this moment!

But without waiting for him to move on.

There was another deep buzzing in the ears.

Under a thousand times the gravity, the sharp murderous aura came quickly from the floating mountain.

Extremely fast!

Every murderous aura is full of the power of the first cave of the ten square cave world!

#### [Chapter 5434: Win over the old man](#)

In this way, Chen Feng is absolutely sure of—

Outside the floating mountain of Old Man Wu, a huge formation was arranged!

The range is enough to cover the entire huge floating mountain!

"This formation was arranged by the old man Wu himself?"

Chen Feng was secretly surprised.

At the same time, he was overjoyed.

The old man Wu is a friend and not an enemy to him.

The stronger he was, the more naturally Chen Feng was happier.

At this moment, he also understood what Zhongli Yaoqin said before leaving.

Apparently, she knew about it a long time ago.

However, it was certain that Chen Feng would be fine.

"Sect Master trusts me so much, I naturally can't let her down."

Thinking about this, Chen Feng showed a warlike smile on his face.

Isn't it just a serial killing array.

He wanted to see the formation ability of the old man Wu.

boom!

The hand interrupted the knife suddenly appeared.

In front of that thousand and ten thousand fierce murderous auras, Chen Feng was not afraid.

Waved and slashed forward.

Too much to kill God!

Break the law in one fell swoop!

The dazzling white light cut through the void almost instantly.

Like the Changhong, illuminating the sky.

At the highest point, the upside-down waterfall of the Jiuxiao Tongtian River seems to have been affected.

The flow of the core power of the stars aroused thousands of splashes at this moment.

There was a loud noise, one after another.

In front of Taishang Zhu Shenzhan, those pure murderous auras had almost no power to parry.

Before coming to the front, it dissipated into the air like ice and snow melted.

However, without waiting for Chen Feng to relax.

It's a shocking array, and it has changed again!

The next moment, the blue veins between his neck and forehead violently!

The gravity restraint in the void has actually doubled!

At the same time, an extremely high hurricane appeared out of thin air.

Within a few miles above the head, the clear sky suddenly dimmed.

Storm clouds are surging!

The wind is like a knife cutting, full of extremely powerful force!

Hum!

At the next moment, the surroundings burst out again with terrifying murderous aura.

And this time of murderous aura, it is enough to have the third cave of the ten-square cave realm!

Chen Feng immediately couldn't avoid it, and his expression changed drastically.

boom!

Intense loud noises sounded one after another.

And on many floating mountains below, some onlookers and deacons appeared from a distance.

Even the elders.

When seeing Chen Feng's figure, everyone's complexion changed.

"Why is he going to provoke Elder Wu again!"

Chen Feng turned his hand and took out the large Xiu Luohong furnace, gritted his teeth.

With an extremely tough attitude, he rushed to the floating mountain ahead.

Who knows, just a few miles away, the formation changed again!

Chen Feng immediately filled his throat with a fishy sweetness.

Don't move forward any more!

"This formation is too complicated, you can't hold it."

"Let me come."

Even Immortal Mo Rin took the initiative to speak at this moment.

However, at this time.

The shocking formation that was ready to go, suddenly stopped!

The monstrous pressure disappeared!

All the murderous auras in all directions are also at this moment, without a trace!

"Hey, it's your kid!"

On the floating mountain in front of him, the voice of Old Man Wu immediately sounded.

The next moment, a bohemian figure rushed out of the floating mountain.

The man was less than Chen Feng's shoulders, and he was lean and didn't have much muscle.

The hair is messy and gray, with few sparse hairs.

He was wearing the star robe of Elder Tianhe.

He came to Chen Feng in a blink of an eye.

Who else can he be if he isn't the old man?

However, this old man's eyes gleamed, as if he had seen some diluted treasure.

As soon as he rushed over, he surrounded the large Xiu Luohong furnace.

"Good boy, actually got such a baby."

Chen Feng couldn't laugh or cry.

This old witch is really straightforward.

When I saw the Great Asura Hong Lu, I didn't even look at him.

Just a few kisses with the big Xiu Luohong furnace.

"Tsk tut... good stuff!"

"Chen Feng, this is a good thing!"

The old man Wu pulled Chen Feng excitedly.

"Go, go sit there with me."

"Take your baby, lend me research."

The old man Wu came in a storm, and dragged Chen Feng away.

The gazes below who wanted to find out, had to retreat.

However, Chen Feng's prestige was passed on again.

You know, even most elders don't dare to forcibly break into the mountain protection circle of the old man!

And Chen Feng not only dared, but actually broke into a lot of distance!

But at this time Chen Feng didn't care about those.

At this moment, he made waves in his heart calmly.

The old man Wu is actually a powerful formation!

The entire floating mountain is filled with various lore formations.

Chen Feng's heart moved slightly and thought of a guess.

"Elder Wu, every time the Galaxy Sword Sect evaluates the formation of the beginner disciples, don't you also come up with it?"

The elder Wu at this time can't wait for his eyes to grow on the great Xiu Luohong furnace.

He didn't even think about it, and nodded.

"Yes, what's the matter?"

Although he had eight points in his heart, it was obvious that Old Man Wu admitted that Chen Feng was still very shocked.

"What about the guardian formation of the Galaxy Sword Sect?"

Hearing this, Old Man Wu finally straightened up and looked at him.

There seemed to be some contempt in his eyes.

"If the old man can have that formation skills, can he still be here?"

In this regard, Chen Feng is not only dumb.

"Let's talk about it, what's the matter with me?"

Now that Elder Wu had asked, Chen Feng quickly informed him of his intentions.

I thought Old Man Wu would have some scruples, but who knows, Old Man Wu readily agreed.

"However, it's just a name."

"I still have to be here to facilitate the study of formations."

Chen Feng naturally has no opinion on this.

"Boy, do you want Tianshu Sword Sect to return?"

"I am ambitious, I am worthy of my fancy."

Old Man Wu smiled and patted him on the shoulder.

"However, even if Zhong Li's baby girl recovers, the three elders will be complete."

"The next sect big competition, that can't be solved by you alone."

Upon hearing this, Chen Feng immediately clasped his fists to enlighten him.

Old Man Wu was in a good mood and was not stingy, and immediately introduced him to the Zongmen Grand Competition.

Zongmen Grand Competition is divided into three projects.

Individual competitions, team competitions, and challenges.

The three will eventually accumulate and settle in the form of points.

The Jianzong with the highest total score is the number one in the Zongmen Competition.

"Only in the challenge, you can play a wheel war with one enemy and one hundred."

"In the previous individual match, you can only score one point at most."

"The team competition requires a team of five people to qualify."

Old Man Wu said, shaking his head again and again.

Although Tianshu Sword Sect now has some disciples.

But those who are just getting started can't get it.

He didn't think Chen Feng alone could turn the tide on the challenge alone.

Chen Feng thought about this for a moment.

After a long while, he raised his eyes again to look at Old Man Wu.

"Can I go to other Jianzong to dig some disciples?"

Hearing this, the old man Wu immediately became happy.

"Boy, clever enough, he deserves to be someone the old man fancy."

#### [Chapter 5435: Dig the foot of the wall](#)

"As long as you have the ability, all the disciples of the Four Great Sword Sects can dig over."

Hearing this, Chen Feng immediately clasped his fists.

"Thank you Elder Wu."

He turned around and left.

As soon as Chen Feng broke into Elder Wu's residence, the news spread.

Many people came after hearing the news.

It didn't take long for them to see Chen Feng in the floating mountain of Elder Wu.

"It really is him!"

For a while, the nearby people crowded and discussed.

"Where is he going?"

"It seems to be going to open Yang Jianzong."

"By the way, why did he find Elder Wu?"

Everyone was chattering, and the discussion was in full swing.

However, none of them will result.

In the end, they followed Chen Feng and came to Kaiyang Jianzong.

The Floating Mountain where Kaiyang Sword Sect is located is directly below the Floating Mountain such as the Sect Master and Elder Wu.

It is also very close to the Jiuxiao Tongtian River.

The Milky Way hangs upside down, and the aura is so strong that it almost gushes out.

The pavilions above, the carved columns and jade masonry are all three points more refined than the Tianshu Jianzong!

Cranes flew up and down.

White smoke hovered around.

What a beautiful scenery.

As soon as Chen Feng stepped into Kaiyang Jianzong, he released his spiritual consciousness.

"Chen Feng, what are you doing in Kaiyang Jianzong?"

As soon as Kaiyang Jianzong's disciples saw Chen Feng, they quickly surrounded him.

His face was alert.

Chen Feng was straightforward.

"Where is Brother Que Yuanzhou?"

Que Yuanzhou and Que Yuanyi were disciples of Kaiyang Jianzong.

However, because the two were practicing the way of alchemy, they didn't have a deep relationship with Kaiyang Jianzong.

Upon hearing Chen Feng's words, the disciples in front of them were relieved.

It seems to be fortunate that he is not going to make a big fuss about Kaiyang Jianzong.

After the Broken Jade Conference, the entire Galaxy Sword Sect did not know that Chen Feng had a good relationship with the Que Yuanzhou brothers.

"Brother Chen Feng, why are you free to come to us?"

"Is there something wrong?"

It's a coincidence that the brothers Que Yuanzhou and Que Yuanyi happened to pass by.

When I saw Chen Feng, he flew over with a big smile.

Seeing this, the disciples watching from behind felt boring.

"I thought I was going to make trouble."

Many people turned their heads and left.

However, Chen Feng's next sentence successfully stopped everyone.

"It's really something, I want to invite you to join the Heavenly Scroll Sword Sect."

As soon as this remark came out, everyone present was shocked at the same time.

Especially those disciples of Kaiyang Sword Sect who just breathed a sigh of relief!

"What happened?"

Brother Que Yuanzhou immediately put aside his smile and asked seriously the reason.

They could see that Chen Feng was not joking.

"Yes, why suddenly let us go to Tianshu Sword Sect?"

Chen Feng didn't hide it, shrugged.

"I want to return the Tianshu Sword Sect to the highest point and stand shoulder to shoulder with the other four sword sects."

"The master said that three conditions must be met."

"One of them is to win the Zongmen Grand Competition next month."

He spoke very lightly, with a sparse and ordinary tone.

But everyone behind him took a breath of air.

They stared at each other and stared at each other.

At the same time, a thought came into my mind——

Is it because of this that he just rushed to the elder Wu's residence?

Chen Feng's appearance does not seem to be joking!

The Que Yuanzhou brothers also exchanged glances.

"Brother Chen Feng, you are really..."

"Always impressive!"

The two couldn't help sighing.

Seeing their appearance, the disciples of Kaiyang Sword Sect on the side suddenly felt a bad feeling.

"Two brothers, you won't..."

"no problem."

Before the words were over, the two of them gave an answer readily.

Que Yuanyi looked at Chen Feng with a smile.

"The Sword Sect of Tianshu can produce talents like you, and we also want to breathe in your aura."

"Hahahaha..."

Chen Feng was determined in his heart and smiled on his face.

Brother Que Yuanzhou was already a god-level alchemist, and Kaiyang Sword Sect could not give them more help in alchemy.

And swordsmanship is taught everywhere.

Because of this, he came here first.

Honestly dig the wall!

Air-conditioning sounded one after another behind him.

The juniors of Changyang Jianzong were even more panicked.

However, before more Kaiyang Sword Sect disciples arrived, Que Yuanzhou spoke again.

"Zongmen Dabi also knows the rules."

"Sword Sect Tianshu is still short of people, right?"

Chen Feng nodded.

"I'm still going to the Heavenly Jade Sword Sect."

After hearing these words, the female disciples of the Heavenly Jade Sword Sect behind them changed their expressions immediately.

They didn't even have time to shock.

Instinct drove them to turn around immediately.

Rush back to the Heavenly Jade Sword Sect!

"Don't let Chen Feng poach Junior Sister Jiang Yunxi away!"

Who doesn't know, the relationship between Chen Feng and Jiang Yunxi is ambiguous!

To go to the Heavenly Jade Sword Sect, undoubtedly to recruit her!

Chen Feng came to Kaiyang Jianzong without saying hello, turned around and left.

Many disciples of Kaiyang Jianzong didn't even react.

When he arrived, Chen Feng had already rushed to Heavenly Jade Sword Sect.

However, when he came to the Floating Mountain where the Heavenly Jade Sword Sect was located, the situation was different.

The female disciples of the Heavenly Jade Sword Sect in light-colored long skirts each hold a sword in their hands.

Qingcheng's pretty face was now resentful and decisive.

"Chen Feng, you better know each other."

"We will never let Jiang Yunxi leave with you!"

Chen Feng looked at the ten handsome disciples in front of him, and he couldn't laugh or cry suddenly in his heart.

"You misunderstood."

"I didn't come to find Jiang Yunxi."

Jiang Yunxi's bloodline is special, once close to him, it will be stimulated.

After the endless slaughter advanced battlefield missions, Chen Feng's bloodline is even stronger.

Right now, it was too late for him to avoid Jiang Yunxi.

How could she be allowed to join Tianshu Sword Sect?

What's more, the elders of the Heavenly Jade Sword Sect are very kind to Jiang Yunxi, and they can't wait to give them all.

Even if he invites, Jiang Yunxi will definitely refuse.

However, apparently no one believed his words.

The nuns who blocked the way were even more disdainful.

"Apart from Jiang Yunxi, who else in the Heavenly Jade Sword Sect will follow you?"

At this moment, Chen Feng's gaze passed over them, and his expression was happy.

"Yin Haoran, long time no see."

"Do you want to join Tianshu Sword Sect?"

Everyone was shocked immediately.

He... really didn't come to dig Jiang Yunxi?

Yin Haoran came with a sword with a solemn face.

As soon as they saw him, the female cultivators of the Sword Sect of the Sky Jade changed their expressions.

Why did they forget!

As a man, Yin Haoran has been in an awkward position ever since he came to the Heavenly Jade Sword Sect.

There are differences between men and women. Although he is a sword idiot, it is not convenient for him to fight with women and practice swords.

Although the suzerain has always had the intention to change.

However, it is very difficult to implement.

At this time, Chen Feng came to solicit, for Yin Haoran, it was undoubtedly a great temptation!

"can."

Sure enough, Yin Haoran nodded and agreed.

Everyone was shocked again!

"It's not... the last one!"

[Chapter 5436: Where is Sikonghao?](#)

"He can only recruit Jiang Yunxi again, right?"

Everyone knows that Tianji Sword Sect and Tianquan Sword Sect hate Chen Feng even more!

However, something unexpected happened!

Chen Feng bid farewell to Yin Haoran, turned and rushed towards...

Heavenly Sword Sect!

"Is he crazy?"

"How could someone in the Heavenly Power Sword Sect be poached by him!"

"Even if it is dug, it can only be those with extremely weak strength?"

Those onlookers who followed Chen Feng from Elder Wu, all the way to the Heavenly Jade Sword Sect, began to argue fiercely.

They couldn't figure it out.

How dare Chen Feng go to Tianquan Jianzong to dig people!

You know, the Heavenly Power Sword Sect from top to bottom, whether it is the master, elder, or disciple.

For a long time, everyone looked down on Tianshu Sword Sect!

Especially for him, even more hatred!

Ever since Chen Feng entered the Galaxy Sword Sect, he has already dealt with many disciples of the Heavenly Sword Sect!

Ji Xingyuan, Yi Changkong...

Even the parent and child of Elder Tianhe, Murongzhe, almost died at his hands!

"Things are getting more and more interesting!"

"Quickly, follow up and have a look."

In this way, the group of disciples onlookers grew larger and larger.

When Chen Feng came outside the Tianquan Sword Sect, he followed nearly a hundred people behind him!

Among them, there are many deacons.

Even the elders!

Everyone wants to witness the next good show.

"stop!"

Sure enough, Chen Feng was stopped by someone before he even entered the Heavenly Power Sword Sect.

This time, the person who stopped him was worse than the Heavenly Jade Sword Sect!

There are dozens of people!

Among them, Ji Xingyuan's generation is impressively listed.

They all looked extremely ugly, staring at Chen Feng.

His hands even tightened their respective magical weapons.

Ready to fight Chen Feng at any time!

For a time, the place was quite silent.

Murderous!

Many people who followed behind were even whispering.

"He's here to hit the ground, right?"

"Guess so."

"Is there anyone in Tianquan Sword Sect who has a good relationship with him?"

"never heard of that."

Chen Feng turned a deaf ear to these trivial and detailed voices.

He glanced forward coldly.

I have to say that the Floating Mountain where the Heavenly Power Sword Sect is located is the most majestic among the five great Sword Sects.

Looking far away, the rolling mountains look like a giant beast glaring.

That is the back mountain that Tianquan Jianzong is proud of.

Many disciples in the clan do not need to go out to experience, and can fight against many monsters here.

However, this only made Chen Feng take another look.

He didn't see the person he wanted to see here, so he asked coldly.

"Where is Sikonghao?"

As soon as this remark came out, many onlookers were at a loss.

"Who is Sikonghao?"

"Is there such a person in Tianquan Sword Sect?"

"I seem to remember... he seems to have entered the Galaxy Sword Sect at the same time as Chen Feng."

"Yes, his strength was second only to Chen Feng at that time!"

After some inquiries, the disciples of the other Sword Sects finally knew this person.

But soon, they frowned.

"The strength is second only to Chen Feng, why haven't you heard of his name?"

This is very abnormal!

Chen Feng also thinks so.

Especially, he saw Ji Xingyuan's reaction.

He was not familiar with other disciples of the Sword Sect of Heavenly Power.

But Ji Xingyuan and Si Konghao entered the Galaxy Sword Sect in the same group as him.

Sikonghao's potential is definitely far beyond Ji Xingyuan!

Chen Feng had only suddenly thought of this person.

At the time of the selection and assessment, Si Konghao was different from Ji Xingyuan and others, so proud.

Today, Tianshu Jianzong is still one person short of it.

He just wanted to take a look at the situation. If Si Konghao is now strong, he will find a way to dig him over.

If it doesn't work, I will return to Heavenly Jade Sword Sect.

Go to Yun Wan'er to make up the number.

However, when a sneer appeared on Ji Xingyuan's face, Chen Feng's heart moved slightly.

The situation seems not quite right.

"You want to dig Sikonghao to your Shujian Sect that day, I am afraid you will be disappointed."

"He has a very good life in Tianquan Sword Sect."

Sure enough, Ji Xingyuan stepped forward with a rather strange tone.

In response, Chen Feng only sneered.

He didn't even bother to talk nonsense, and immediately started reincarnation of heaven and earth!

In his eyes, a black light flashed by.

Where is Ji Xingyuan now his opponent?

An inky black magic heart quietly implanted in the depths of the spiritual world.

All Ji Xingyuan's thoughts are at a glance.

The next moment, Chen Feng was furious!

"Your Heavenly Power Sword Sect, you are really capable!"

The monstrous coercion burst out in an instant, rushing forward like a huge wave.

The disciples of the Sword Sect of All Heavens' Power suddenly changed their colors!

Where can they stop Chen Feng's anger!

I saw Chen Feng strode forward, as if entering and leaving no one's land.

Some dozens of disciples tried to step forward, but he was punched one by one.

Fly upside down for thousands of meters!

"Your Heavenly Power Sword Sect, this is the climate!"

"Sikonghao's talent is far above your trash."

"You \*\*\*\* group, you are going to be inflamed by yourself and hug the thighs of those seniors with a shy face, that's fine."

"Unexpectedly, he changed the law to torture him because he refused to confuse him!"

When Chen Feng said these words, even the other Jianzong disciples in the distance were in an uproar.

No one thought that there is such a hidden secret!

No wonder just now, I heard people say that Si Konghao was second only to Chen Feng in the selection assessment.

But for so long, I have never heard of his name.

They actually believed what Chen Feng said.

After all, it is well known that there are several small teams of true disciples in the Tianquan Sword Sect.

However, Chen Feng's next words made everyone even more eye-catching.

"Ji Xingyuan, you are so capable."

"You can't deal with me, so turn around to deal with Sikonghao?"

As he said, he even sneered.

"But you never expected that under all kinds of oppression, his cultivation level will still skyrocket!"

"And you, you don't want to work hard to make up for your weaknesses all day, it will always be just a waste!"

From Ji Xingyuan's spiritual knowledge, Chen Feng unexpectedly learned.

Today's Sikonghao has actually reached the twelfth floor of the Star Soul Martial God Realm!

This speed can be said to be progressing fast!

However, all of this was a while ago.

"You see no hope of catching him, you actually framed him!"

"Let him fall into the back mountain forbidden area of your Heavenly Power Sword Sect!"

This is the reason for Chen Feng's real anger!

Just after the Broken Jade Conference, Chen Feng was suffering from being chased by everyone.

At the same time, in the Heavenly Power Sword Sect, the same situation also appeared.

Ji Xingyuan and others tried their best to make Sikonghao enemies everywhere!

In the end, he was forced into the forbidden area of the back mountain.

Ji Xingyuan's face suddenly changed when he heard this.

He blurted out.

"You... how do you know this!"

As soon as he said it, Ji Xingyuan immediately opened his eyes and closed his mouth.

He's gumbled!

However, it was too late.

With so many eyes, he clearly saw his reaction.

[Chapter 5437: You are not Sikonghao!](#)

What Chen Feng said is true!

The Heavenly Power Sword Sect was really messed up to this point.

"That's the Forbidden Land in the Back Mountain!"

"I heard that the disciple who broke into it by accident has never come out again."

"It's a pity this Sikonghao."

Chen Feng has fire in his heart.

He immediately strode forward and rushed towards the back mountain of the Heavenly Power Sword Sect.

The disciples of the Sword Sect of Heavenly Power immediately changed color.

At this moment, a figure came from afar.

"Who dares to break into the back mountain of my Heavenly Power Sword Sect!"

The voice of the incoming person was deep and deep.

The vast voice constantly echoed in this sky.

The disciples of the Sword Sect of Heavenly Power, when they saw the incoming person, they immediately showed joy.

I saw the man wearing a robe with a seven-star pattern.

The second star is particularly prominent.

This is the star robe symbolizing Elder Tianhe!

"Elder Murong!"

Murong Han.

Chen Feng's complexion was calm, and his eyes were extremely pale.

Chen Feng is no stranger to this person.

His biological son almost died by Chen Feng.

Murong Han has a stern face, solemn expression, gray beard and hair.

He quickly came to the crowd.

A pair of cold eyes stared at Chen Feng.

"Chen Feng, I didn't come to you, but you came here by yourself."

He spread his hand and his tone suddenly increased.

A majestic coercion rushed towards Chen Feng.

"Since it's here, good."

"My son, the immortal seal of Tianquan Town that you robbed, come back!"

"Then, get out of the Heavenly Power Sword Sect!"

At this moment, who is present hates Chen Feng the most.

That is undoubtedly Murong Han!

His beloved son Murongzhe was originally a well-known disciple of the Sword Sect of Heaven.

If it weren't for Chen Feng, there is even hope to become a new three hundred and sixty true disciple!

But it happened that I met Chen Feng.

Since then, not only Aiko almost fell, but also seriously injured.

More importantly, Chen Feng took away the treasure of the Zhenzong of the Heavenly Power Sword Sect.

Tianquan Town Immortal Seal!

On that day, Quan Zhen Xian Yin was not even his own!

Because of this, the elder who lent the treasure also had a gap with him.

All this is because of Chen Feng!

Unexpectedly, the culprit had the courage to come to him.

"Want to revive your Tianshu Sword Sect, but you want to dig someone from my Tianquan Sword Sect?"

"Chen Feng, I think you are impatient!"

Before he finished his words, Murong Han shook his sleeve fiercely.

The monstrous breath rose wildly.

The disciples watching behind Chen Feng changed their colors after seeing and hearing.

They scrambled to retreat frantically.

I was afraid that Elder Murong's anger would affect them.

No one thought that Elder Murong would actually disagree, saying that he would do it.

"Is he not afraid of being accountable to the Xingtang?"

Among the disciples onlookers, someone asked in a low voice.

However, at this moment Chen Feng has no time to care about those.

Murong Han's cultivation is extremely strong!

There is the third cave in Shifang Dongtian realm!

After reaching the Shifang Dongtian realm, the gap between each level is huge.

Even if Chen Feng has a large Xiu Luohong furnace, he can guarantee the defense is basically not a problem.

But what he has to do is more than just defense.

Now that he knew Si Konghao's situation, he also knew that his cultivation base had increased rapidly.

It is a talent worthy of winning.

Then he must break into the back mountain of Sword Sect of Heavenly Power today!

"You can't stop me!"

Chen Feng shouted violently, and Xinghai World suddenly released a bright light.

The huge star map has gradually formed two rounds of big sun, ten square big moon and countless bright stars.

In the hand, the broken knife appeared immediately.

Facing Murong Han who was rushing over, Chen Feng was not afraid.

Raised the broken knife high.

In an instant, the sound of Jinshi sounded.

The broken knife continued to tremble slightly!

A terrifying aura with monstrous blood, suddenly burst out of the knife!

Roar!

At that moment, everyone seemed to hear the roar of the armored soldiers.

This makes them terrified!

That is the breath that can only be contaminated by Soul Blades who have truly experienced the battlefield of death.

Even Murong Han couldn't help but change his face slightly.

However, soon he adjusted again.

Keep glaring at!

"Smelly boy, today the Tianquan Town Immortal Seal can return to my Tianquan Sword Sect."

"Your broken sword must belong to my Heavenly Power Sword Sect!"

The next moment, the murderous aura has come.

boom!

With a loud noise above the sky.

The energy aftermath became a terrifying wave of air, which quickly swept toward the surrounding area.

Many disciples onlookers retreat again and again.

For fear of being involved in that blast.

With their strength, even if it is just the aftermath, it is possible that they will be seriously injured.

Even directly corpse on the spot!

"Chen Feng is dead!"

"Yes, that's Elder Murong."

"Not necessarily. I have seen that Chen Feng has a top-level magic weapon."

"With that magic weapon, it can be said to be invincible defense!"

"Yes, I saw him take it out just now when he broke into Elder Wu's residence."

"Really unscathed!"

...

Quite a few disciples talked about.

However, at this moment, from that wave of air, a black shadow suddenly burst out!

"Chen Feng actually lost?"

Everyone's eyes widened immediately, and Qi Qi looked in the direction of the figure.

They didn't seem to believe that Chen Feng, who had that top magic weapon, would be injured!

However, when they took a closer look and recognized the man who had come out, the audience was silent.

The needle falls!

Everyone was deeply shocked.

They stared at each other, blankly looking in the direction of the battle.

"Fa... what happened?"

"how is this possible?"

"That's Elder Murong..."

They couldn't believe that Chen Feng would lose, but they didn't believe that it was Elder Murong who lost!

Moreover, only one blow!

"Ahem..."

Elder Murong's face was gray and his hair was messy.

He opened his mouth and spit out red blood.

The eyes that were originally extremely solemn were also full of horror at this moment.

"you....."

His trembling hand pointed in the direction where Chen Feng was.

Everyone in the audience was already terrified.

Many people have forgotten to close their mouths for a long time!

However, above the sky, Chen Feng stood still.

Not even the hair is messed up!

The ability to do all of this naturally depends on the fusion of Immortal Mo Rin.

At this moment, Chen Feng looked down proudly and looked at Elder Murong contemptuously.

In his eyes, a black light flashed.

In the next moment, he turned into a long rainbow, heading straight towards the back mountain of the Heavenly Sword Sect.

No one dares to stop him!

After Banzhuxiang's work, Chen Feng appeared outside the forbidden area.

Without hesitation, he stepped in.

"This is the forbidden area of the Heavenly Power Sword Sect?"

Chen Feng looked around as he walked.

There is always silence around.

No trace of monsters or human shadows can be seen.

Yes, it's just a lush, towering giant tree, straight into the sky!

"It's a bit weird indeed, be careful."

Immortal Mo Rin reminded in his mind.

However, just half an hour after Chen Feng went deep into it, a figure suddenly appeared in front of him.

[Chapter 5438: Want to take me away? Just rely on you?](#)

"Sikonghao?"

Sitting cross-legged in front is indeed Si Konghao!

What surprised Chen Feng even more was that his body was actually releasing the breath of the third cave of the Shifang Dongtian realm!

Hearing the sound, Si Konghao turned his head and looked over.

His face suddenly showed surprise.

"How did you come?"

The next moment, Si Konghao stood up to welcome him.

Just as he was about to approach, Chen Feng's eyes suddenly changed.

The hand interrupted the knife and swiped it instantly.

"You are not Sikonghao!"

"who are you!"

Chen Feng's suspicion did not come out of thin air.

Therefore, when this knife was swung out, he almost used his full strength!

Too much to kill God!

The knife slashed hard.

Ling Ling's white light shot out, almost piercing the void.

The endless killing intent converged and condensed into a thread.

Fast as lightning, coming in an instant!

But the next moment, that shocking slash, was actually torn apart by a punch.

The powerful power of the second cave of the Shifang Dongtian realm has never hurt Sikonghao!

Chen Feng's face sank.

"Chen Feng, what do you mean?"

Si Konghao in front of him was still the big man.

He is eight feet long, with a waist wide of ten circumferences, and his eyes burst into light.

After defeating Chen Feng's shocking slash, he strode towards Chen Feng.

His expression was still angry.

"You and I have almost never met since the entrance examination."

"But I thought we should be friends."

Such a reaction is like a fake replacement.

If Chen Feng hadn't known everything in advance, I'm afraid he would have been blinded by the person in front of him.

It's a pity that he knew a few things before he stepped into the Forbidden Area of the Back Mountain.

In this forbidden area, there is a person imprisoned.

That was learned through a peeping from Elder Murong's spiritual knowledge.

Just now, Chen Feng used the power of Immortal Mo Rin to defeat Elder Murong.

Before leaving, he quietly operated the heavens and the earth to reincarnate in heaven and earth.

Chen Feng is an extremely cautious person.

Since it is a forbidden area, it must be dangerous.

If he is capable, he naturally needs to know.

What is the danger he is about to face.

So he searched the mind of Elder Murong without hesitation.

So I learned a secret belonging to the Heavenly Power Sword Sect!

The back mountain of Tianquan Sword Sect stretched for hundreds of miles, but a piece of it was circled out and designated as a forbidden area.

The reason is that a criminal is imprisoned here——

The former Supreme Elder of the Sword Sect of Heavenly Power, Li Wenxuan!

Li Wenxuan is a great joy for the Galaxy Sword Sect.

It is also a disaster.

When he first entered the Galaxy Sword Sect, Li Wenxuan was just a disciple.

In the cognition of Elder Murong, Li Wenxuan was almost similar to Chen Feng.

A real genius!

As soon as he entered the Galaxy Sword Sect, his cultivation level skyrocketed for thousands of miles!

When the disciples in the same period were still suffering from the bottleneck of the Shifang Dongtian Realm, he had already been able to beat the dust.

Defeat the top ten true disciples and challenge countless elders.

In the end, he became the elder of Tianhe of the Tianquan Sword Sect under the circumstances.

Not long after, he became the Supreme Elder again!

At that time, the Tianshu Sword Sect was in decline.

Zhongli Changfeng disappeared.

The new lord Zhong Li Yaoqin started to fall into silence for some reason.

There are rumors that she was seriously injured.

It was at such a moment that the Heavenly Power Sword Sect suddenly appeared such a peerless genius.

For a time, the entire sect rose with the tide.

Soon it replaced the leading position of Tianshu Sword Sect!

However, it is precisely such a genius elder who is of great significance to the Heavenly Power Sword Sect.

But later, embarked on an evil road!

The Sect Master of Tianquan Sword Sect at that time united several elders to do it together.

That battle was almost broken.

In the end, they sealed and imprisoned Li Wenxuan here.

Never step out of this forbidden area forever!

At the same time, Tianquan Jianzong also expressly stipulated.

No one is allowed to enter the forbidden area without permission.

Otherwise, regardless of life or death, at your own risk!

For a long time, this forbidden area has indeed become a special feature of Heavenly Power Sword Sect.

Many disciples of Tianquan Sword Sect, if they offend someone who can't afford to offend.

It is very likely to be exiled by design.

Anyone who accidentally stepped into it has never come out.

It is conceivable that for so many years, the Li Wenxuan inside has never disappeared!

however!

It is such a terrifying existence, imprisoned here.

Chen Feng entered all the way, but the surroundings were quiet.

There was no sound, and there were no signs of struggle or fighting.

The more it looked normal, the more alert Chen Feng was.

Then, he saw Si Konghao intact.

With Chen Feng's cautious and careful thinking, he felt something in his heart almost the moment he met.

The Sikonghao in front of him definitely has a problem!

"I know you are Li Wenxuan."

Chen Feng looked calm and looked at "Sikonghao".

The voice is extremely calm.

As soon as he said this, the anger on "Sikonghao"'s face disappeared instantly.

Instead, there was a look that didn't belong to Si Konghao at all.

Smile but not smile, like crazy.

When he spoke again, Chen Feng heard another voice from Si Konghao's mouth.

A voice that didn't belong to Si Konghao at all.

"You are not a disciple of the Heavenly Power Sword Sect, you actually know me."

"Boy, which Sword Sect are you from?"

Chen Feng held the broken knife tightly in his hand.

"Skyshu Sword Sect."

"right."

"In this kid's memory, you do have a connection with that day Shu Jianzong."

When Li Wenxuan mentioned Si Konghao, Chen Feng's expression sank again.

It seemed that Si Konghao was completely seized.

Can I just give up?

Although, Chen Feng's sense of Si Konghao was pretty good.

But it is not enough to avenge him.

But at this moment, Li Wenxuan stared at Chen Feng suddenly.

He said "Huh" in his mouth.

"Your physical body, and your blood..."

"So special!"

"It's like it was tailor-made for me!"

In an instant, Chen Feng's hairs stood up.

Li Wenxuan's gaze was like a cold, poisonous tongue, staring at him firmly.

His eyes did not hide the meaning of greed!

Chen Feng's eyes became deeper and deeper.

He snorted coldly.

"Why, with your current strength, you still want to take my house?"

Before the words fell, a violent hurricane rose to the ground.

It was accompanied by a wild laugh that almost pierced the eardrum.

Chen Feng only felt black before his eyes.

The next moment, Li Wenxuan's cold voice suddenly sounded in his mind.

"The tone is so big, it's kind of like an old man back then."

"Very well, I appreciate it."

"From now on, I will use your body to preach for you."

"Give up struggling..."

At the moment when the voice fell, Chen Feng only felt a buzz in his mind.

[Chapter 5439: Forbidden land? But so!](#)

An extremely powerful mental shock suddenly invaded his golden spiritual world!

boom!

In the golden spiritual world, there was a great uproar immediately.

Li Wenxuan's powerful soul instantly condensed and appeared in front of this golden ocean.

"This... is actually the golden spiritual world!"

His eyes widened, and he was deeply shocked by the golden world in front of him.

This is the spiritual world he has never seen before!

However, he didn't wait for him to recover from this shock.

A gentle and elegant voice sounded slowly from behind him.

"You finally came."

"Little friend Chen Feng asked me to wait for you for a long time."

The voice came from behind.

But it is like crossing the void, stepping over the rolling river of years.

It seems to be vicissitudes, but elegant and easy-going, it sounds like only thirty or forty years old.

Li Wenxuan suddenly turned around, with a look on his face.

He never expected that in the special spiritual world of the Tianshu Sword Sect disciple in front of him, there was actually something hidden in the world!

"Who are you?"

Li Wenxuan originally had the talents of Tian Zong.

When he was sealed in the Forbidden Land of Houshan, he was still very ambitious.

Three thousand ink hair, sword eyebrows and stars.

It looks like only twenty or thirty.

But now he has been sealed in the forbidden area for a long time.

The cultivation base has dropped extremely severely!

Facing Immortal Mo Rin's gentle appearance, he actually looked even older.

However, appearance can be different due to different cultivation bases.

But those eyes are not deceiving.

At the moment of meeting his eyes, Li Wenxuan was very sure.

The half-virtual soul in front of me is probably of extraordinary origin!

Through his eyes, you can see the eternity!

How long is this old monster?

"you are....."

Before he could speak, Immortal Mo Rin interrupted him with a smile.

"Boy, it's not scary to go astray for a while."

"If you can rein in the cliff and make up for it, it is not too late."

"such a pity....."

Immortal Mo Rin looked at Li Wenxuan, his expression a bit regretful.

"Wrong again and again, the sin is unforgivable!"

As soon as the voice fell, an extremely powerful pressure suddenly dispersed from the golden spiritual world.

The golden spiritual power turned into an uproar.

The wind blows!

Li Wenxuan's face changed drastically.

At this moment, he finally realized what stupid he had done.

Chen Feng didn't stop him from "robbing the house" just because of his confidence!

In his spiritual world, there is a ray of ancient spirits hidden!

"how is this possible!"

Li Wenxuan screamed out of silence.

But at this moment, everything is too late!

Facing the ancient spirits that have survived countless years, Li Wenxuan is not worth mentioning.

I have to say that it was Li Wenxuan's greed that directly led to his demise.

It is even convenient for Chen Feng.

At the beginning, when he first saw the fake Sikonghao, he had already thought about it for a long time.

He wanted to drive Li Wenxuan's soul out of Si Konghao's body.

Unexpectedly, when the other party saw his physical body, his eyes lightened directly.

No need for him to do anything!

In the golden spiritual world, the powerful aura erupted from Immortal Mo Rin directly suppressed Li Wenxuan.

Then, he swallowed it in one bite!

In the next moment, Immortal Mo Rin's soul burst out with bright light.

Chen Feng immediately noticed that Immortal Mo Rin's soul had grown a bit.

The phantom, which was almost invisible, is now a little thicker.

"Congratulations senior."

He opened his mouth to congratulate him.

When Immortal Mo Rin opened his eyes again, his aura was obviously stronger.

His eyes showed light, and the corners of his lips couldn't help but rise.

"Haha, it's a mismatch."

"I can also be regarded as eliminating a hidden danger for you Galaxy Sword Sect."

Li Wenxuan never thought that he had been struggling for so many years.

In the end, they did nothing but wedding dresses!

Chen Feng retracted his consciousness and fixed his eyes on Si Konghao who fell to the ground in front of him.

He knelt down and quickly looked at Si Konghao.

"Brother, are you still alive?"

With that said, Chen Feng immediately released his spiritual consciousness.

Even so, he didn't have much hope in his heart.

Although Li Wenxuan has been sealed for many years, his repair base has been seriously drained.

But that is, after all, the power of the third hole in the Shifang Dongtian Realm!

When Si Konghao fell here, he was only the twelfth floor of the Star Soul Martial God Realm.

The strength gap between this is really too big!

However, something unexpected happened.

At this moment, Si Konghao's brows wrinkled slightly!

He actually reacted!

This made Chen Feng overjoyed.

Sikonghao's soul was not directly swallowed!

"brothers!"

Accompanied by a painful low groan, Si Konghao finally opened his eyes.

"Chen...Chen Feng?"

He saw Chen Feng as soon as he opened his eyes and didn't even recognize it.

Two words popped out with difficulty in a hoarse voice.

A violent cough followed.

Chen Feng's expression was extremely serious.

Although Sikonghao's soul was not swallowed, his injuries were too serious!

Still have life worry!

Chen Feng pondered for a moment and quickly made a decision.

In the next moment, in the golden spiritual world, a masterpiece of golden light!

The golden mental power turned into a golden bare hand, and it reached the Bihai Ziluocao.

Today there is only the last branch of Bihai Ziluocao.

The whole branch is used to save people, it is a little overkill.

Chen Feng picked a small leaf from above.

As soon as that tender leaf entered Si Konghao's mouth, it quickly turned into a ray of purple light.

Within a radius of more than ten miles, suddenly fragrant!

And Si Konghao's soul quickly recovered at a speed visible to the naked eye.

Even stronger than before!

However, with the work of a cup of tea, Si Konghao's body suddenly burst into a very powerful aura.

He stood up, eyes deep and deep.

A body of tendon meat is even stronger, strong and powerful!

The breath of the third cave in the Shifang Dongtian realm!

After all, Li Wenxuan was still too arrogant.

When he seized Chen Feng, he never thought that there would be an accident.

Therefore, the only remaining cultivation bases are still temporarily in Sikonghao's body.

The result was completely absorbed by the current Si Konghao.

Chen Feng thought it was hopeless to recruit him.

Unexpectedly, there will be such a dramatic reversal.

Si Konghao stood up and clasped his fists.

He bowed deeply at Chen Feng.

He said gruffly.

"Chen Feng, thank you very much."

"From now on, my life will be yours."

Chen Feng laughed loudly and quickly held him up.

"It's just a matter of effort."

"Besides, when I came to you, I had something to ask for."

Having said that, he would tell his intention.

Sure enough, Sikonghao agreed without saying a word.

Looking around the Heavenly Power Sword Sect, Si Konghao made no secret of his disgust on his face.

"The Heavenly Power Sword Sect has been abolished from the root!"

"If it weren't for being framed and falling into the forbidden ground, I would have wanted to leave."

[Chapter 5440: you are dreaming!](#)

"Even if I was driven out by the Galaxy Sword Sect, I would never want to join the Heavenly Sword Sect again!"

The two of them laughed, and talked about how Si Konghao was taken away by Li Wenxuan.

On one side, walked towards the outside of the forbidden area.

At this moment.

There is already a circle of people outside the forbidden area.

Since Chen Feng entered, many people have been waiting here.

Ji Xingyuan triumphed.

"Don't think about it, you will definitely die if you enter the Houshan Forbidden Land!"

Time passed by every minute.

Many other disciples and elders of Jianzong also rushed to hear the news.

Even Yue Xinlan arrived in a hurry.

When she learned that Chen Feng had really stepped into the forbidden ground, her face was as cold as frost, and she was furious.

"Murong Han!"

"I think you deliberately lured him into it!"

Tianshu Jianzong had such a ghost as Chen Feng, Yue Xinlan was overjoyed.

Who ever thought that he actually stepped into the forbidden ground!

However, at this moment.

A familiar voice suddenly sounded.

"Heaven's power forbidden land? But so."

Outside the forbidden area, there was no sound in an instant!

Ji Xingyuan's triumphant expression directly froze on his face.

Even the sneer on Murong Han's face suddenly stagnated.

Among the disciples onlookers, after returning to their senses, they exclaimed.

"Oh my God!"

"Look, that's Chen Feng!"

"He really came out alive!"

"Wait, there seems to be someone beside him..."

Many disciples' eyes were sharp, and they immediately noticed something strange.

Everyone looked at it together.

Even Yue Xinlan kept an angry face and looked at the entrance of the forbidden area.

It wasn't who Chen Feng and Si Konghao were who came swaying in front of you!

"He actually brought Si Konghao back!"

"Master Patriarch is here, this...this is unprecedented!"

"It's the Ten Great Disciples who came here, but they may not be able to do it."

...

For a while, the periphery of the forbidden area was completely boiling like a pan.

Even Yue Xinlan trembles slightly at this moment.

The cold state of the past has long since disappeared!

She flickered and appeared in front of Chen Feng instantly.

Grasping Chen Feng's jade hand, couldn't help shaking.

"Chen Feng, are you okay?"

"is it you?"

Looking at Elder Yue Xinlan's panicked appearance, Chen Feng laughed.

"Elder Yue Xinlan, it's me."

"Replace it like a fake!"

As he said, he raised his eyes, and coldly glanced at Ji Xingyuan and the others like Heavenly Power Sword Sect.

The noise around him suddenly became quieter.

Everyone could see that Chen Feng had something to say.

as predicted.

"This forbidden area of the Heavenly Sword Sect will no longer be a forbidden area from now on."

"The elder who was sealed here is dead."

As soon as these words came out, even Murong Han was shocked.

He blurted out.

"how is this possible!"

That's Li Wenxuan!

Even after being sealed for countless years, the remaining strength is definitely not comparable to Chen Feng.

In an instant, Murong Han suddenly recalled the previous scene.

Just when he killed Chen Feng, the terrifying power that burst out suddenly...

"What hole card does this kid have?"

At this moment, Murong Han was startled secretly.

If it is an outbreak, it may be a coincidence.

But several times in a row, I did things that others couldn't.

There must be other players behind!

But at this moment, Si Konghao looked sideways and saw Ji Xingyuan in the crowd.

At the moment of being stared at, Ji Xingyuan was on his back.

Sweat all over!

A fierce anger stared at him.

Si Konghao stopped and looked at Chen Feng.

"and many more."

Before he finished his words, a burst of flames burst out of his body.

Cold eyes burst out.

The ink hair danced without wind.

I saw him throw a punch unsuspectingly.

The target was Ji Xingyuan.

A violent hurricane rises from the ground!

Ling Yu's extremely murderous, accompanied by the fist wind, rushed towards Ji Xingyuan vigorously.

Many onlookers nearby were unable to dodge.

They were swept by the aftermath of this shocking punch, and wailed and fell to the ground.

boom!

The loud noise was deafening.

The powerful pressure of the third cave of the Shifang Dongtian Realm was not something that the disciples present could resist.

Ji Xingyuan didn't even have a chance to escape.

A punch hits his pubic position!

"puff--"

He opened his mouth and spouted surging blood.

Was knocked into the air in an instant, without a trace!

Everyone was deeply shocked.

There is no doubt that even if Ji Xingyuan does not die, his cultivation will definitely be abolished!

Completely reduced to a waste!

The audience fell silent again.

In everyone's hearts, they were terrified.

I thought that it would be a miracle just for the two of them to live out of the forbidden land.

Unexpectedly, Sikonghao actually...

There are windfalls!

Even Murong Han suddenly changed his color when he saw this.

"not....."

An incredible thought suddenly appeared in his mind.

At this time, Si Konghao had already looked at Chen Feng again.

"Okay, let's go."

Seeing that the two were about to leave, the disciples onlookers gave way to the two.

At this moment, a shout sounded again.

"You can't go."

Murong Han strode forward and stared at Chen Feng.

"The Immortal Seal of Tianquan Town is the treasure of my Tianquan Sword Sect."

"It can only be used by disciples of Tianquan Sword Sect."

"Must come back!"

Chen Feng stopped.

Hearing these words, he raised his eyebrows.

"Can only be used by disciples of the Heavenly Power Sword Sect?"

He flipped his hand and took out the immortal seal of Tianquan Town that had been silent for a long time.

The next moment, it was directly given to Si Konghao.

"I don't think the Heavenly Power Sword Sect has given you anything."

"Before you leave, just accept this."

"Otherwise, you will suffer too much."

These words were like a crackling slap in the face, slapped Murong Han's face.

His face was so ugly that he could almost bleed.

However, he couldn't say a word.

"Hahaha... also good!"

Sikonghao didn't hesitate at all.

When Chen Feng dares to give it, he dares to accept it!

Even if Elder Murong stopped in front of him, he still dare to speak and do!

"Brother Chen Feng said absolutely right."

"Since I entered the Heavenly Power Sword Sect, there have been several female guns coming to win Lao Tzu."

"Tell you, Lao Tzu never bothered to slap a horse!"

"As a result, all sorts of trouble for Lao Tzu!"

"Poisoning, sneak attack, rumors..."

Si Konghao's voice grew louder and louder.

The huge accusation continued to echo above the sky.

"...From today, Lao Tzu is not a member of your Heavenly Power Sword Sect!"

"The Heavenly Power Sword Sect has been abandoned!"

As soon as this remark came out, an uproar was naturally set off again.

Until now, all the people present suddenly realized something in their hearts.

Sword Sect of Tianshu is really about to rise!

Si Konghao clearly wanted to join the Tianshu Sword Sect with his departure.

In this way, Tianshu Sword Sect has already met the three requirements for returning.

Moreover, the Que Yuanzhou brothers, Yin Haoran, and Si Konghao are all masters!
