

Peerless 5521

[Chapter 5521: Chen Feng's plan](#)

All the thoughts in Mokoro's mind were all at a glance.

Chen Feng couldn't help sneering.

"I know your Demon Sect of Ten Thousand Desires has long been completely closed."

"Except for a few elders who thought, the other Demon Sect disciples were only allowed to enter but not to leave."

...

He induced step by step and finally broke through Mokoro's psychological defense.

"A solid space channel?"

Chen Feng finally inquired a trace of the truth.

Zhong Li Yaoqin was also surprised when he heard this.

It turns out that this place is actually the junction of the Mystic Yellow Middle Thousand World and the Shura World!

Behind the huge skull that is so high that there is a huge space gap!

Chen Feng turned and looked at Sha Ye Mozun who was aside.

Soon, this was confirmed.

It is through this place that he enters the world of Xuanhuang Zhongqian!

Chen Feng looked at Zhong Li Yaoqin, his expression already extremely solemn.

"I don't feel right."

According to what Mokoluo had said in his mind, the Demon Sect of the Ten Thousand Desires really did something earth-shattering.

They have mastered a stable space channel, constantly controlling all the demons that cross the boundary.

Then, devour them!

The more they swallow, their own strength will continue to be strengthened.

Even the bloodline will bring some Shura bloodline!

"You really are crazy."

They thought they had swallowed the big demon, but in fact they were simply assimilated.

The blood flowing in the body is the Shura bloodline, and the practice is also the practice of the Shura world, and even a few have begun to appear as Shura.

"Huh, what do you know!"

Now that it was exposed, Mokoro sneered, and didn't hide it at all.

His eyes were shining, his complexion was rather mad, and there was a fiery excitement that made him unable to calm down.

"I wanted to sneak to the Shura Realm and fetch the Liangyi Biochemical Gate."

"After our Ten Thousand Demon Sect is extremely powerful, we will rush into the Shura realm and unify the two realms!"

"But it's all you!"

"It's all good things you broke me!"

Without waiting for Mo Ke Luo to roar any more, Chen Feng took Zhong Li Yaoqin directly and left the Jin Pagoda.

"The situation is not quite right."

Zhong Li Yaoqin also saw it.

The Demon Sect of Ten Thousand Desires seems to have been brainwashed by the blood of Shura!

They didn't realize that when they swallowed the painless Shura, they had gradually been led away by the nose.

How can a demon sect be able to conquer a huge Shura realm?

Zhong Li Yaoqin suddenly felt extremely grateful at this time.

"Fortunately, you have seized the Liangyi Biochemical Gate, otherwise, the Xuanhuang Zhongqian World is afraid that it will have been overwhelmed."

Chen Feng finally understood why the Lord of Heaven had given this trial task.

This is also the background of a war between humans and demons.

Once the Demon Sect of Ten Thousand Desires is destroyed, those space channels will be defeated and sealed again.

They will be able to prevent the Asura realm army from breaking into the Xuanhuang Middle Thousand World!

Thus changing the future of this world!

"what should we do?"

Zhong Li Yaoqin was also a little helpless.

Of course it is unrealistic to rush in.

Chen Feng lowered his eyes and thought quickly.

Soon, a crazy and bold idea gradually formed in my mind.

Chen Feng appeared in the golden pagoda again.

This time, he didn't come to find Mokorot.

Sha Ye Mozun showed pain on his face, and the magic strains in the depths of the spiritual world skyrocketed wildly.

He could barely stand still, and fell to the ground wailing in pain.

Chen Feng looked down at him condescendingly, spit out words coldly.

"How much do you know about the Demon Sect of Ten Thousand Desires?"

Sha Ye Mozun had already experienced the power of the Devil Heart before, so how dare to take it any more at this time.

"I don't know exactly, but I know that's the case."

Chen Feng's face was extremely cold.

What this person said is true.

In the Shura community, this seems to be a grand plan.

Although the specific actions are kept secret, many Shura demons know this. *novelusb.com*

At this moment, Mo Ke Luo on the side changed his expression.

He immediately got up, looked in the direction of Chen Feng, and asked in a deep voice.

"What do you mean?"

Chen Feng looked back and gave a cold glance.

"Your Ten Thousand Demon Sect has been corrupted by the Great Demon of Asura."

"Only you are still kept in the dark."

Sure enough, as soon as this remark came out, it was rebutted by Mokoro.

"I will not be fooled if I try to sow discord."

Chen Feng turned around and narrowed his eyes slightly.

"Why don't we make a bet?"

"I can let you out, but as a condition, you have to take the two of us into the Demon Sect of All Desires."

"At that time, you will know what the truth is."

Hearing this, Mokoro's heart immediately shuddered.

This is a great opportunity!

Regardless of his conditions, as long as Chen Feng and the two enter the Demon Sect of Ten Thousand Desires, that is his territory!

Mokoro almost burst into laughter.

However, thinking that Chen Feng was a scheming person, Mo Ke Luo resisted his emotions.

He looked carefully and probed Chen Feng.

"What are you going to do?"

Chen Feng looked indifferent, and looked at Mo Ke Luo calmly.

"I know what you are thinking."

"Actually, even if you don't cooperate, I can let you take us in."

"The reason for telling you is that I want you to see the truth."

As he said, he seemed to have thought of something and snorted coldly.

"I am afraid that when you go back, you will find that your father is no longer your father."

No matter how cold-blooded and brutal Mokoro was, he did not ignore human relationships.

Hearing this, he was furious.

"What are you going to do?"

...

After an hour.

The three breaths came quickly from a distance, approaching the huge skull where the Demon Sect of Ten Thousand Desires was located.

Ink black magic energy continuously poured out of the three of them.

"who?"

A thick and rough voice suddenly sounded.

Hundreds of miles in front of the huge skull, two men in black robes appeared instantly.

Both of them wore large capes and couldn't see their faces.

However, judging from the costumes, it can still be seen that this is a disciple of the Demon Sect.

Mokoro snorted coldly.

The next moment, a huge coercion suddenly came out.

"Open your eyes to see clearly, who am I!"

Hearing the voice of someone, the two of them immediately reacted.

They immediately knelt on one knee and lowered their heads.

"See Young Master!"

Mokoro stood with his hands in his hands, extremely cold, and said he was going in.

However, they were stopped by those two again.

"I don't know the identity of the person brought by the young master?"

"The Sovereign has a rule. Now, no outsider can enter."

Before the words fell, the devilish energy suddenly violently swallowed the two.

In an instant, there were only two black cloaks left in front of him.

Those two were actually swallowed by Moko Luosheng!

Mokoro looked awkward and snorted heavily.

"Father is really less and less able to pick people."

"A mere gatekeeper dared to control my affairs!"

As he said, he was full of demonic energy and waved back.

Signaled the two people behind to keep up.

The two behind them are naturally Chen Feng and Zhong Li Yaoqin.

[Chapter 5522: Break in!](#)

The three quickly approached the Demon Sect of Ten Thousand Desires.

However, the closer the closer, the more restless Shura bloodline in Chen Feng's body.

His brows jumped quickly, and the Supreme God Demonized Dragon Art was actually running on its own.

In my mind, voices kept ringing.

"Nine-Rank inferior."

"Eight-Rank is superior."

...

"Seventh-Rank Superior Bloodline!"

Chen Feng's heart became colder as he listened.

Those disciples of the Demon Dao sect of Xuanhuang Zhongqian World are all demon cultivators.

Magic repair, after all, is also a monk.

It is impossible to contain a large amount of Shura blood!

There is only one explanation.

I am afraid that the entire Demon Sect has been controlled and replaced by the Great Demon of the Shura Realm.

If they hadn't found it, I'm afraid it would take less than fifty years.

The fairyland of the Eastern Desolation will be reduced to a **** on earth!

He turned his head and looked at Zhongli Yaoqin.

The two exchanged glances quickly.

Soon they came to the main hall of the Demon Sect.

The main hall was located in the two eye sockets of the skull. Chen Feng tried to poke in, but found that it was unfathomable.

The surroundings are all dark temples, ancient and vicissitudes of life.

There was a lot of magic energy everywhere, even stronger than the aura of the Galaxy Sword Sect.

Worthy of being the No. 1 Demon Sect in the Eastern Wilderness!

The three of them walked for a long time, looking all the way, and quickly found the clues.

All the disciples passing by wore black cloaks, and they couldn't see their figures and features.

The entire hall was gloomy, and only the space cracks in the distance continued to hear huge noises.

At this time, even Moko Luo looked slightly different.

Through Moxin, Chen Feng naturally understood his thoughts at the first time.

Before he came to Chen Feng for revenge, it wasn't so lifeless here.

The most important thing is-

A disciple of the Demon Sect of Wanyu, never wears a black cloak!

After all, they are the No. 1 Demon Sect in the Eastern Desolation!

For any disciple, being a disciple of the Demon Sect of All Desires is the supreme glory.

They can't wait to show the imprint of the Demon Sect on their forehead to everyone.

Why did you hide it on purpose?

"It seems that you also realize something is wrong."

Chen Feng's voice rang from Mo Ke Luo's mind.

Mokoro's face became increasingly ugly.

He immediately wanted to go over and opened the black cloaks of those people, but was stopped by Chen Feng.

"Why stop me?"

Mokoro was extremely upset at this time.

Chen Feng coldly reminded him.

"You better think about it, what will happen if you do this at this time."

"If I guess right, these people have been corrupted by the great demon of the Shura realm."

"Then have you thought about why they are still here?"

"Could it be that your father and your clan elders can't notice it?"

When Mokoro heard the words, his figure stagnated.

Although Chen Feng is always treacherous and cunning, he has to say that his remarks still make sense.

With the cultivation base of his father and others, he would not fail to detect it.

But if they noticed that these disciples were still here, it would be terrifying.

That means that what Chen Feng said earlier may have come true.

It's not that they swallowed the great demon of the Shura world.

But the great demon of the Shura realm, using the blood of Shura to completely erode them.

I am afraid that even the father and the elders in the clan...

When Chen Feng saw that he thought about these things clearly, he continued to remind.

"If your father and the elders in the clan have been corrupted, you will take action at this time and find the clues."

"Guess what they will do?"

Speaking of this, Chen Feng couldn't help but sneered

"You don't really think that by then, your father will still think of bloodliness?"

Mokoro had to calm down.

What Chen Feng said is true.

He immediately raised his eyes, his eyes bursting with **** fierce light.

Then, he turned his head and stared at Chen Feng.

"You said you could help me, is that really serious?"

Chen Feng smiled and nodded.

"It's not helping, but it's just getting what you need."

Mokoro nodded, immediately pretending to find nothing, and continued to rush forward.

They soon came to the side hall.

That was Mokoro's own bedroom, protected by a powerful formation.

That was the formation that my father and the elders in the clan laid together.

It is difficult for any one of them to break through.

As soon as Mokoro returned to the sleeping hall, he immediately opened the formation.

He was quite irritable at this time, turning his head and looking at Chen Feng.

"Now, what should we do?"

Chen Feng didn't panic and smiled slightly.

"First, we need to call a few disciples in."

Isn't it easy?

Mokoro waved his hand immediately.

Not long after, a few disciples filed in.

They also wore black cloaks and couldn't see clearly.

At the moment the formation closed, Chen Feng immediately stretched out his hand.

The powerful breath instantly suppressed several people, and they couldn't move at all!

Before the few people could struggle, they were torn off their cloaks.

In the next moment, Mokoro's expression changed abruptly.

I saw that the skin of those disciples was already covered by scales.

Their eyes have also become emerald green vertical pupils.

What's more, even a horn appeared on the head!

All are signs of the Shura Devil!

When Chen Feng and Zhong Li Yaoqin saw it, their hearts sank.

Unexpectedly, the Shura Demon has eroded to this point!

If they come later, I am afraid it will be too late.

Chen Feng immediately stepped forward, turning heaven and earth to overturn the reincarnation magic.

Soon, he learned some recent events from the minds of these ordinary disciples.

For example, there are several strange faces that have never been seen here.

The Sect Master of Wanyu Demon Sect personally announced that they are the new Supreme Elder.

The status is second only to the overlord himself!

For another example, behind the skull, the stable passage is still expanding.

The most important thing for these newly emerged elders is to consolidate the passage.

At the same time, people are constantly brainwashing.

The rhetoric is just as Mokoro said earlier.

Unify the two worlds!

"It's a good one to unify the two worlds."

Chen Feng's face was extremely cold.

He told Zhong Li Yaoqin and Mo Ke Luo about this.

Zhong Liyaoqin's face sank, and Mokoro began to feel restless.

In any case, this is his sect after all.

Being deceived to his own site, even his father arrived early to erode the ignorance.

This is not just a shame.

More fear!

They are the No. 1 Demon Sect in the Eastern Wilderness!

And he, but grew up under Zhongxing Pengyue since he was a child.

Even if he is rejected by the right way, his position in the Eastern Wilderness can still be said to be supreme.

Therefore, he is more proud than anyone!

But at this time, suddenly told him.

The sect had been exchanged for blood, and it was almost destroyed.

How does this make him choose?

Give up the struggle and sink together?

Then, has since become a **** in the Shura world?

Extremely ridiculous!

Mokoro became more irritable the more he thought about it.

He immediately wanted to kill all the disciples in front of him to vent his hatred.

However, this behavior was stopped by Chen Feng.

"Let me see if I can recover."

As soon as these words came out, Mokoro's heart suddenly raised a little hope.

[Chapter 5523: Shura Demon!](#)

"Can you recover?"

Speaking of him, it was rare to step aside to make room.

Chen Feng immediately moved forward.

The Supreme God Demonizes the Dragon Art, which works instantly.

"Roar!"

Almost in an instant, the Asura disciples in front of them were struggling with pain.

Pieces of jet black mist gushed from them.

He quickly rushed into Chen Feng's Dantian world, rushing to the thick Shura blood chain.

Zhong Li Yaoqin was a little worried beside him.

She could see that Chen Feng was absorbing these blood vessels, and she was worried that Chen Feng would also be eroded.

These disciples are all cultivated. It was hard to get into the eye, and it didn't take long.

The blood of Shura in their bodies was completely absorbed.

The Shura bloodline in the world of Chen Feng's dantian didn't even show any signs of rising.

He looked forward again.

Only a few corpses were left in front of him.

Only one person is still alive.

Chen Feng and Zhong Li Yaoqin looked at each other, remembering that this person was the one with the mildest symptoms of Shura's demon.

"It seems that as long as it is not completely asura, there is still the possibility of recovery."

"Once it changes completely, even if I can extract all of the Shura blood in their bodies, it won't help."

Before the words fell, suddenly, a loud noise came from a distance.

"My son, come to the main hall quickly."

Chen Feng's three expressions were stunned, and they all raised their heads and looked towards the main hall.

Mokoro panicked for a while and looked at Chen Feng subconsciously.

I don't know when, Chen Feng has become the backbone of the three of them.

"You go and take a look first, don't worry."

"Don't expose your flaws, what you usually do, what you do now."

"Anything, listen to my instructions."

Mokoro is not a good person, but at this time, his heart still instinctively rises to worry about his father.

So Chen Feng was not polite and used it.

"Go over and see if you can see how demonized your father is at this time."

"If there is any rescue, we will find a way."

Mokoro nodded.

Before leaving, he looked deeply at Chen Feng.

"If you can help me save my father, I'm Demon Sect..."

"I Mokoro, I owe you someone from now on."

After all, he hurriedly left and disappeared into the vision of the two.

After he disappeared, Chen Feng looked at Zhongli Yaoqin.

"I think I should know what the specific task is this time."

"Not to kill everyone in the Demon Sect of All Desires."

"It's a conspiracy to crush the Shura world."

"It's just that, looking at the current situation, in order to complete this task, this Demon Sect of Ten Thousand Desires is basically abandoned."

I don't know whether Mokoro can accept such a result.

Suddenly, Chen Feng felt San Ye Jin whispering in his body.

"Boy, did you just go to some treasure cave?"

"We feel the breath of cooking..."

Chen Feng looked happy when he heard what Jin Sanye said.

It can be regarded as awakening this Buddha.

He was about to quickly inform of the current situation, and then asked.

"What else can you do?"

Sure enough, I just listened to Jin Sanye lazily replying.

"How difficult is this?"

"We are the best at destroying channels!"

"It's just that you have to find a way to get rid of those troublesome elders."

"Can't let them do damage."

Mokoro hurried to the main hall.

As soon as he entered the hall, his eyes changed slightly and his figure stagnated.

I saw a figure standing on the high platform in front, beside the supreme throne.

The figure is tall, more than two meters.

The same black cloak makes it hard to see the true face under it.

However, the devilish energy in his body is extremely rich!

The huge coercion naturally revealed, although not deliberately, it was enough to scare people.

And beside this person, in front of the throne, a familiar figure stood proudly.

It's just that they are familiar, but also unfamiliar!

That was his father, the master of the Demon Sect of Ten Thousand Demons, the mighty demon lord!

It is the existence that pretends that the entire Eastern Desolation Immortal Territory will be trembling everywhere.

Even with the great deserter, he dared to fight.

But he was such an invincible father, his expression was indifferent at this time, his eyes were blank.

It looks like a puppet!

What is even more frightening is that Haoqi Demon Lord does not wear a black cloak.

Mokoro could clearly see his body, and signs of Shuraization also appeared!

The skin turns blue, and there is a vague tendency to grow scales.

The figure is getting more and more burly, and at first glance, it can already be seen that it is different from ordinary people.

Especially his pair of eyes!

It should have been black, black and red eyes, but now they have turned into vertical eyes!

It's just that the original red color hasn't changed to aquamarine.

However, the most striking thing is the two convex hulls bulging on his forehead.

The horns of the Demon Shura!

If he comes one step later, I am afraid his father will completely complete the Shuraization.

In an instant, Mokoro asked quickly in his heart.

"My father can recover like this?"

Before he finished speaking, Chen Feng's voice sounded in his mind.

He did not hesitate to speak firmly.

"can!"

Hearing Chen Feng's reply, Mo Ke Luo felt calm.

He stopped, stood under the high platform, and looked at the two people ahead.

"Father, what are you looking for?"

Before he finished his words, Mokoro only felt his entire body terrified.

He could clearly feel it, and a gaze was looking at him.

That kind of feeling, like a tarsus maggot, nauseous and difficult to break free!

Mokoro's heart suddenly rose with unnamed anger.

But he calmed down in an instant.

Don't show your feet!

He raised his eyes and met the man's gaze lightly.

"Who is this person? The child has never seen it before."

Haoqi Mojun suddenly laughed, and the whole body's demonic energy kept oscillating.

"You have been away for a long time this time, naturally you don't know."

"Since you left, the Demon Sect of All Desires has made many major breakthroughs."

"Today, after hearing that you have returned safely, I will talk to you."

He seemed to have noticed nothing, and waved his hand to the man in the black robe.

"This is the newly promoted elder Taishang, Elder Xu Jun."

"From now on, you treat me as you treat him."

Mokoro almost crushed his teeth, wishing to explode on the spot and kill the man.

But in his mind, Chen Feng's voice reminded him.

"You can't beat people."

That elder Xu Jun actually had the cultivation base of the eighth cave of the Shifang Dongtian realm!

Even Chen Feng and Zhong Li Yaoqin couldn't deal with it.

At this moment, Elder Xu Jun suddenly asked him.

"I heard that you brought in two outsiders?"

Mokoro nodded.

"Yes, is there any problem?"

Elder Xu Jun suddenly sneered, his voice was extremely gloomy, as if he had come from Infinite Purgatory.

The next moment, he suddenly raised his head and took off his black cloak.

In an instant, a bright blue light directly met Mokoro's eyes.

[Chapter 5524: Shura blood! breakthrough!](#)

Chen Feng could see clearly through Mokoro's vision.

The so-called Elder Xu Jun is indeed a great Asura!

Moreover, it is definitely the level of the devil!

The powerful mental shock controlled Mokoro's spiritual world almost instantly.

"The Demon Sect of All Desires has new rules."

"No outsiders are allowed to come in, otherwise, there will be no mercy!"

Between the lightning and flint, Mokoro's life is hanging by a thread.

He could almost feel that in the next moment, he would be split into countless pieces by this gaze.

At this moment, Haoqi Demon swiftly flashed forward and stopped Elder Xu Jun.

"Elder Xu Jun!"

"He is my son after all!"

At this moment, Mokoro returned rationally.

He suddenly turned his head and looked on the high platform, staring at his father.

Inwardly, very happy!

Father has not been completely controlled!

Looking at the majestic and solemn expression of Haoqi Demon Lord, Elder Xu Jun seemed to be scrupulous.

He withdrew his raised hand, and also withdrew the endless demonic energy.

A smile reappeared on his face.

"After all, the ignorant is not guilty, so forget it this time."

"but....."

The next moment, Elder Xu Jun suddenly looked out of the hall.

His voice was extremely loud, and he rolled out.

"Come on, go to the young master's bedroom and take down the two uninvited guests immediately!"

Chen Feng's expression suddenly changed when he said this.

Within a radius of tens of miles, all the disciples of the Demon Sect of Ten Thousand Desires heard this order.

At the same time, they put aside the matter in their hands, exploded with magic energy, and rushed quickly.

Mokoro's face changed slightly, and he wanted to say something.

But at this time, Chen Feng's voice rang in his mind.

"Immediately lift the palace formation, I can deal with it."

boom!

The Supreme God Demonized Dragon Art was fully operational.

Almost instantly, the disciples of the Demon Sect of Ten Thousand Desires who rushed into the sleeping hall first disappeared.

At the same time, Chen Feng immediately called Jin Sanye.

"Wrap it on us."

In the next moment, those fragmentary Asura demon souls also poured into Chen Feng's body.

Engulfed by the three masters of Jin!

Chen Feng turned and looked at Zhongli Yaoqin.

"You are not good at demon energy, go to my urn to avoid it."

Zhong Li Yaoqin was a little worried.

"Then can you handle it?"

But Chen Feng smiled, with endless confidence on his face.

"This little thing doesn't bother me."

In an instant, Zhongli Yaoqin disappeared in the bedroom.

Without her, Chen Feng was more relaxed.

The Supreme God Demonizing Dragon Art has been turned to the extreme.

All the people who rushed into the sleeping hall fell down in an instant, and even a wailing was too late.

After a while, dark black smoke was floating in the entire bedroom.

And within a radius of tens of miles, there are no disciples of the Demon Sect of All Desires!

Chen Feng frantically absorbed those Shura bloodlines.

These blood vessels are thin and scattered.

It can be as many as possible into that Shura bloodline, but it has raised the Shura bloodline by several levels!

At this time, the lower-ranking Asura bloodline had been upgraded to the upper-ranking seventh-rank!

Thousands of Shura bloodlines gathered together to form such a battle.

In the main hall in the distance, the elder Xu Jun finally changed his face.

His complexion was rather ugly, and his green eyes suddenly shrank.

In the next moment, he looked back coldly and looked at Haoqi Demon Lord.

"Your son, you can do it yourself."

Before the words came to an end, Elder Xu Jun suddenly unfolded the fleshy wings behind him.

In the huge main hall, a powerful hurricane rose out of thin air.

In an instant, the Shura Demon Venerable disappeared in the hall.

Rush to Chen Feng with speed!

In an instant, Chen Feng made a decisive decision.

"Great Asura burial magic, the first level, against chaos Yin and Yang!"

boom!

In the side hall, a loud noise suddenly erupted.

Chen Feng could feel that every piece of flesh and blood in his body was changing.

The blue scales instantly covered it.

The body is steadily taller, breaking through to a height of five meters!

There was a sharp pain around his forehead.

The next moment, the magic horn appeared!

This made him couldn't help but roar.

"Roar!"

In the star sea world, more than ten stars burst out of vast power.

But in an instant, it was exhausted!

At this moment, Chen Feng only felt that he had endless power.

He dare to fight even if he faces the person of the seventh cave in the Ten Fang Dongtian realm!

The blood of Shura was constantly trembling.

Chen Feng opened his mouth and absorbed all the black magic energy in the entire bedroom.

When he opened his eyes again, his eyes were already green.

Elder Xu Jun arrived in a blink of an eye.

The green eyes flicked.

A punch!

The door of the sleeping hall was suddenly blasted to pieces.

The endless demonic energy rushed over.

Elder Xu Jun's complexion changed abruptly, and his murderous aura instantly dissipated.

"you are....."

Before he could finish speaking, Chen Feng's punch came.

He had to reach out to block it.

boom!

Elder Xu Jun stagnated, and was forced to take two steps backwards by this fist.

A dignified man in the Eighth Cave of the Shifang Cave.

He was actually pushed back by the power of the Seventh Cave Heaven in the Shifang Cave Heaven Realm by two steps!

This is incredible!

A hint of surprise flashed in Elder Xu Jun's eyes.

He suddenly looked forward.

"This is... the supreme magic power of the Shura world!"

"Dare to ask who is ahead?"

There was silence all around, and there was no sound.

Except for the creaking sound from a distance, the place can be described as the drop of needles.

But, at this time, a footstep suddenly sounded.

Boom!

咚咚!

Then, a hurricane came out of thin air.

In the next moment, only a tall and burly Asura Demon appeared in front of Elder Xu Jun.

Its fleshy wings are even larger, with a full spread of ten meters.

Muscle knots, blue-faced fangs.

Although his cultivation base was not as good as him, for some reason, Elder Xu Jun instinctively surged in awe.

That was... the fear of blood!

The blood of the Great Demon Shura in front of him is one level higher than that of Elder Xu Jun!

He immediately knelt on one knee and said respectfully.

"Down, Old Demon Xu Jun."

"I wonder who your son is?"

Chen Feng slowly lowered his head, looking at the old demon Xu Jun who bowed his head in front of him, and felt calm.

It seemed that he had bluffed the Shura Demon Lord in front of him.

"Who I am, you don't deserve to know."

The thick and rough voice sounded from Chen Feng's mouth.

He approached step by step.

With every step taken, the figure shrinks by one point.

All the signs of the Shura demon on his body retreated one point.

When he stood in front of Old Demon Xu Jun, he seemed to have returned to his original appearance.

Elder Xu Jun was stunned!

"I have heard that some powerful blood vessels can change their appearance freely."

"I saw it today, it really is!"

Chen Feng stood with his hands in his hands, his face full of shame.

All of this was already in his expectation.

It turned out that before setting off to enter the Demon Sect of Ten Thousand Desires, Chen Feng also interrogated the Sha Ye Mo Zun.

Because of this, all of this is now in his plan.

[Chapter 5525: Calculate!](#)

Compared to the human races of the Thousand Worlds in Xuanhuang, the Shura Demon of the Shura Realm pays more attention to blood.

Therefore, even if Chen Feng's cultivation is not as good as Xu Jun's old demon, the other party still dare not act rashly.

After all, once offended a junior of a big family.

I am afraid that the entire family will retaliate!

But at this moment.

But seeing Old Demon Xu Jun slowly raising his head, he asked with a shy smile.

"Then I don't know why the son is here, why?"

He is testing!

Chen Feng squinted and said indifferently.

"I know what you are thinking."

"But it's okay to tell you."

As he spoke, he slowly said what he had prepared.

"A while ago, a group of juniors from the mysterious and yellow world suddenly broke into our world."

"Some of them killed the prince of the Black Wisp Giant Flame Family and took away many important treasures."

"I came here precisely for this."

Hearing these words, how could Old Demon Xu Jun dare to doubt?

Able to tell major events in the Shura world, as well as accurate details.

This person must be of the same clan in the Asura world!

However, how could Old Demon Xu Jun think of it.

In addition to the same family, there is one person who knows this well.

That is, the culprit responsible for all this!

Chen Feng!

Old Demon Xu Jun got up, and the two walked side by side towards the main hall.

Along the way, he slowly expressed his intention to come here this time.

"...I saw the young master of the Demon Sect of Ten Thousand Demon Sect on the way, so I thought of your plan and wanted to come and see.

Old Demon Xu Jun smiled.

"Already cannibalized almost."

"It's just that, after all, that master cultivation base is above Lingxu Earth Wonderland."

"Although I injected a lot of Shura blood into it, it is still difficult to assimilate it completely."

The more I listened, the colder Chen Feng's heart became.

The preparation of the Great Demon Shura was more perfect than he had imagined.

At the moment, as long as the Sect Master is completely controlled, he can command all the people of the Demon Sect to expand that channel.

"However, I think that Young Sect Master is also a temperamental person."

"If he doesn't know each other, I will kill him."

With that, the two came to the main hall.

Mokoro looked at the scene in front of him in surprise-Chen Feng and Elder Xu Jun came side by side.

Not only that, Elder Xu Jun also respected Chen Feng.

What's happening here?

The next moment, Chen Feng's voice resounded in his mind.

"I used something to make him think that I am also the Asura Demon."

"You don't act rashly now, just follow my instructions."

Hearing this, Mokoro was shocked.

Although he hated Chen Feng so much, he had to admire it.

If it was him, it was absolutely impossible to do this.

On the high platform, Haoqi Demon looked at Chen Feng with a slightly surprised expression.

"Elder Xu Jun, this is..."

Elder Xu Jun looked at Haoqi Demon Lord, his expression and aura suddenly changed, becoming extremely arrogant again.

"This person is your own, don't worry."

The more Mokoro thought about it, the more things went wrong.

Since this elder Xu Jun could quietly erode their Demon Sect of Ten Thousand Desires to this level.

It shows that he must be a very cunning and cautious person.

So, what method did Chen Feng use to fool him?

unless.....

Mokoro instantly remembered the monstrous demonic energy that had just spread from afar.

He looked straight at Chen Feng.

Chen Feng heard what he was thinking and looked over.

"My identity cannot be revealed, otherwise, your father will definitely die."

Hearing this, Moko Luo's face sank slightly.

His eyes flickered.

I wanted to speak a few times, but endured it again.

Chen Feng continued to command in his mind.

"I will draw away the old demon Xujun, you take the opportunity to test your father."

"Look at how much he has the ability to think on his own."

"Regardless of the result, wait for the result to come out and listen to my instructions."

After speaking, Chen Feng clasped his fists at Haoqi Demon Lord.

"Under Chen Feng, I didn't get acquainted with Young Sect Master."

"I have long admired the name of the Demon Sect of Ten Thousand Desires, and came here today, wanting to offer advice and suggestions for the unification of the two worlds."

After speaking, he calmly looked at Old Demon Xu Jun.

I saw the old Demon Xu Jun understood it, and immediately reacted.

He raised his head to look up, and said a few words not only slightly.

"This child also has devil qi in his body, and the skill demonstrated just now is also a pure demon way."

"I think there will be no fakes."

Haoqi Mojun believed it now.

Even Old Demon Xu Jun was going to take Chen Feng to the back of the skull, the most secret place of the Demon Sect, he did not stop him.

Chen Feng and Old Demon Xu Jun walked side by side, and soon left the main hall.

After passing through the huge mountain of skulls, Chen Feng finally saw the scene before him.

Shocked!

The ultimate shock!

I saw a blood red between heaven and earth.

As far as I can see, there are space rifts everywhere!

Some are crackling and flashing with thunder, and some are even disappearing and reappearing.

And in those space rifts, there is a huge space passage!

The space channel is a hundred kilometers wide.

At a glance, it was full of blood and rich magic energy!

Accompanied by howling the wind and anger, the place was covered with dark clouds and thunder was rolling.

Inside the passage, it was like howling ghosts and wolves.

From time to time, some Shura demons came out of it.

It seems that this is the stable space channel.

Chen Feng's heart suddenly shrank.

The situation is worse than he thought.

The Shura Demon that came out of this passage is extremely powerful!

Some have even reached the cultivation base of the first and second caves in the Shifang Dongtian realm!

And just outside these large and small space rifts, there are a large number of Demon Sect disciples wearing black cloaks.

At this moment, the magic energy in their bodies is constantly pouring into the channel.

And there are a group of disciples who besieged every Shura demon who walked out of the passage.

After experiencing a fight, those Shura demons were captured without exception.

They roared in anger, struggled and roared.

Chen Feng looked at Old Demon Xu Jun, only a faint smile on his face.

As if he noticed Chen Feng's gaze, Old Demon Xu Jun turned his head.

"These Shura demons are actually clones I made at random."

"As long as they absorb these Asura demons, it is actually equivalent to absorbing my Asura bloodline."

"In the end, I will promote all the disciples, elders and even the sovereign of the Demon Sect of All Desires."

"Perform a blood sacrifice!"

Once the blood sacrifice is completed, the passage from the Shura realm to the Xuanhuang Middle Thousand World can be officially doubled.

Chen Feng asked.

"When the time comes, what kind of cultivation can come here?"

Old Demon Xu Jun smiled and said.

"At least the seventh cave in the Shifang Dongtian realm!"

When these words came out, Chen Feng keenly caught something wrong.

The old Demon Xu Jun in front of him has reached the seventh cave of the Shifang Dongtian realm.

How did he come here?

However, Chen Feng did not continue to question.

Daoist Xu Jun, the old demon took the initiative to speak, and told very eagerly.

[Chapter 5526: Hand over Chen Feng!](#)

It can absorb some disciples, and then create clones like him to flow his own blood into the bodies of a large number of Demon Sect disciples.

So as to achieve the effect of nourishing blood.

This is almost the same as the monster race in the endless killing advanced battlefield.

"Take me to completely control the mighty devil, and the blood sacrifice will officially begin."

"At that time, I will ask the son to show his face and participate together."

Chen Feng is worrying about how to do his hands and feet under all eyes.

Hearing this, a clever plan came to mind.

He pretended to be high-profile and nodded slightly.

"That's great."

After a brief inspection of the current situation of the Demon Sect of Ten Thousand Desires, the two of Chen Feng walked back.

Chen Feng rejected Old Demon Xu Jun's sleeping arrangement, waved his hand and said that there was something to go to Moko Luo.

"This person also sneaked into my Shura world before and almost took the Liangyi Biochemical Gate."

"I can't move for now."

Hearing Chen Feng's instructions, Old Demon Xu Jun naturally nodded and said yes.

After the two separated, Chen Feng lowered his head and asked Xiang Sanye inside.

"What do you think?"

"If you want us to say it, just do it at the blood sacrifice ceremony."

"Never let that space passage continue to exist, directly destroy it."

Immediately plan one person, one bird.

Then, Chen Feng returned to the side hall.

Mokoro at this time has also returned to the side hall.

As soon as he saw Chen Feng coming back, he immediately rushed forward.

"What is the problem?"

"How did you hide that Shura Demon?"

Chen Feng naturally can't tell the truth.

He and Moko Luo were incompatible with each other, and at this time it was nothing more than profit and coercion that they stood on the same front.

If you let him know, his trip is to destroy the Demon Sect of Ten Thousand Desires.

I am afraid that the person in front of him will be furious immediately, and he will simply come to an endless stream.

Mokoro is different from Zhongli Changfeng and others.

The minds of the people of the magic way must be different, which is definitely not measured by common sense.

He only said indifferently that he had previously obtained some special magic weapons and supernatural powers in the Shura world.

It can reveal the aura of Shura blood and so on.

Mokoro was skeptical and put the topic aside for now.

"I already asked my father."

"He has already discovered that Elder Xu Jun has a problem."

"It's just that, by this time, the disciples and elders of the Demon Sect of Ten Thousand Desires are controlled by him, nine out of ten."

With that, Mokoro gritted his teeth even more.

A huge top Demon Dao sect would be defeated by several Asura demons.

Chen Feng was quite surprised.

"Your father already knows? Is that all just pretending?"

Things got interesting.

Zhong Li Yaoqin was released again, and Chen Feng briefly informed what he saw today.

Just as the three spies, suddenly, there was a loud noise from far away.

For a time, many disciples of the Demon Sect of the Ten Thousand Demon Sect looked towards the main entrance.

No one thought that at this time, there would be a foreign enemy hitting the door.

When everyone was surprised, only a loud voice came.

"The Demon Sect of Ten Thousand Desires, I am only one person waiting to come today."

"Hand over Chen Feng and we will leave immediately!"

Chen Feng's complexion sank suddenly.

People from Taiyi Immortal Clan actually move so fast!

The hiding place of the Demon Sect of Ten Thousand Desires is almost at the border of the Eastern Desolation.

It can be said to be desolate and lonely, and there is no life in the grass.

Mokoro rushed to the Galaxy Sword Sect as soon as he left the pass, and it took a long time during that period.

If it weren't for the teleportation array of the Great Desolate Lord, Chen Feng and the others would have to spend a lot of time going back and forth.

But the people from Taiyi Immortal Gate arrived so soon.

A thought suddenly flashed in Chen Feng's mind.

He rose into the sky and rushed in the direction of the clamor.

Sure enough, it appears here

It is also a projection.

Taiyi Immortal Gate Taishang Elder is also the only one who is strong in the fairyland of the virtual world, Gao Yi Taoist!

Just a touch of projection is enough to have the sixth cave of the ten-square cave realm!

It seems that it is also a can't wait.

Chen Feng looked at the old man in Taoist robe with white beard and hair.

He was as thin as wood, with a ravine face, but his cloudy eyes were as sharp as a falcon.

"It came just right."

Faster than expected.

At this moment, Old Demon Xu Jun and others have also arrived.

Haoqi Demon Lord even looked at Taoist Gao Yi ahead and snorted coldly.

"Tao Yi Gao, you came to my Wanyu Demon Sect to scream for no reason, but you don't think my Wanyu Demon Sect is in your eyes!"

Before the words fell, a terrifying aura instantly overwhelmed the world.

Actually intend to destroy it directly!

"Wait!"

The projection of Taoist Gao Yi disappeared into the spot in a blink of an eye, and when he reappeared, he was farther away from the Demon Sect of Ten Thousand Desires.

He stared at Chen Feng firmly, his eyes eagerly.

"Haoqi Demon Lord, the old man is not interested in provoking you today."

"But I must take this person away today."

Beside Haoqi Demon Lord, Old Demon Xu Jun had a trace of doubt on his face.

He looked at Chen Feng and seemed to look a little more.

Chen Feng is so keen.

"Hoqi Demon Lord, don't worry."

"Since I am a guest here, I will definitely not cause you trouble."

With that, he stared at the projection of Taoist Gao Yi fiercely.

"Ziwei Haotian Palace Huahao Xianjun will be a lesson for you."

At the beginning, against Shanghua Hao Xianjun, Chen Feng was not proficient in Taishang Yuqing's Jiushou Zhen tactic.

Therefore, they can only flee wildly.

However, what was in front of him at this time was still the projection of the sixth cave of the Shifang Dongtian realm.

But he is no longer the one he was that day!

Chen Feng laughed and walked out, turning his hand to reveal the Qingqiu Heavenly Sword.

Taishang Yuqing's Nine Shou Zhen tactics are the first, and the Shouhe state has been repaired to the Great Perfection.

Countless Daoyun appeared out of thin air, and quickly disappeared in place with Chen Feng.

Almost at the same time, he appeared in front of Taoist Gao Yi again.

"Today, I will slaughter you like a dog!"

Too much to kill God!

Chen Feng didn't give Taoist Gao Yi any room at all.

A bright silver-white light quickly disappeared in front of Chen Feng, and then suddenly appeared in front of the projection of Taoist Gao Yi.

boom!

Today's Chen Feng has reached the peak of the first cave in the Shifang Dongtian realm.

However, in terms of strength, he has long been able to fight against the powerhouse of the fifth hole in the Shifang Dongtian realm, and he will win the battle.

He now has enough confidence to kill the projection in front of him!

The huge breath spreads over the sky, like a stormy sea.

It spreads continuously in this void.

The terrifying air waves swept away, sweeping away the surrounding black magic energy.

Chen Feng roared and urged Luo Honglu to move forward quickly.

The big Xiu Luohong furnace was like a dull bell, and quickly slammed into Taoist Gao Yi.

He saw at a glance that it was a top-notch magic weapon that came on the head.

Its texture is particularly special, it seems that there are supreme magic patterns.

In an instant, he quickly retreated in the opposite direction.

And the old Demon Xu Jun in the distance saw that big Xiu Luohong furnace, his complexion changed slightly.

The slight doubt that had just risen in his eyes disappeared again.

This is exactly one of the effects Chen Feng wants to achieve.

At this time, Taoist Gao Yi was a little embarrassed.

[Chapter 5527: After three days, I will kill you!](#)

He never expected, but in just a few days, Chen Feng's cultivation level has actually improved!

This must be due to the inheritance of Yuxu Immortal Gate!

This undoubtedly made him even more jealous.

The dazzling beam of light from the nine days burst out with even greater power.

He instinctively sensed that the knife was dangerous, and chose not to meet it head-on.

However, at this moment, Chen Feng sneered coldly.

"Let you see the inheritance of the Yuxu fairy gate that you are thinking of."

The next moment, another light and shadow flashed in front of Taoist Gao Yi.

It fell into his chest instantly.

Taoist Gao Yi's figure suddenly froze in the air.

He almost couldn't believe it.

Slowly raised his head and looked at Chen Feng.

I saw Chen Feng smiling.

That light and shadow instantly came out through his chest and returned to Chen Feng.

Surprisingly, it is the long sword condensed by Dao Yun!

This is Chen Fengxin's hole card!

Watching the projection of Taoist Gao Yi gradually dissipated, his eyes were extremely cold, and a bloodthirsty smile broke.

"If you want to kill me, unless the body comes over."

boom!

The next moment, he punched out, completely defeating the last light and shadow.

In the void, only the last roar of Taoist Gao Yi remained.

"Three days!"

"After three days, I will kill you myself!"

The roar echoed away.

It spread to every corner of the world.

However, Chen Feng smiled and turned away.

From coming out of the battle to returning home calmly, it takes no more than a stick of incense!

Even Zhong Li Yaoqin felt shocked when she saw it.

Chen Feng returned to the crowd.

He stood with his hands behind, standing proudly in the void.

Looking at everyone, he spoke at will.

"It seems that I can't stay here any longer."

"These people chased me all the way, just to take the treasure from me."

"I can't hurt you."

Mokoro's face changed as soon as he said this.

He was just about to speak, but saw Old Demon Xu Jun step out faster.

"Where is Master Chen?"

"Our Demon Sect, can't we still protect you?"

After that, he turned and looked at Haoqi Demon Lord.

Those eyes suddenly turned green, and a mysterious light burst from the vertical eyes.

"It shouldn't be too late. Please also ask the sovereign to invade the Shura realm three days later."

"Begin to unify the two worlds!"

Haoqi Demon Lord stood there, his expression in a trance.

He looked at Old Demon Shang Xujun's gaze and nodded blankly like a puppet.

"All the disciples of Wanyu Demon Sect listen to orders!"

"From now on, assimilate all the Asura demons imprisoned!"

"We, three days later, kill to the Shura realm!"

The shouts of the disciples almost shook the clouds.

Old Demon Xu Jun looked at Chen Feng eagerly.

"Master Chen, time is running out. I will be in the space channel for the next three days."

"If you have any matters, please send someone to find me."

After that, he got up and left.

Chen Feng nodded, and after watching him leave, immediately looked at Moko Luo.

"Let your father follow us."

"I will help your father get out of the control of Old Demon Xu Jun."

Everything was calculated just right by him.

His cultivation level skyrocketed, causing Gao Yi Taoist people to panic.

Soon, the three top immortals will know that if Chen Feng is given more time, who knows how much inheritance he can inherit.

Must kill and then fast.

Therefore, the cruel words that killed him in three days are reasonable.

At this time, the old Demon Xu Jun, after seeing the great Xiu Luo Honglu, did not dare to doubt Chen Feng's identity.

In order to please Chen Feng, he is bound to speed up the progress.

Never let a son of a big family in the Asura world die here!

At least not to die in front of him.

Otherwise, promotion is hopeless!

Therefore, he will personally prepare for the blood sacrifice.

What Chen Feng wanted was these three days!

Mokoro did not hesitate.

He looked at his father, and the two looked at Chen Feng together and nodded.

Soon, the four of them returned to the main hall of the Ten Thousand Demon Sect.

Haoqi Demon Lord led everyone to walk on the high platform.

"There is also a secret room here."

He was quite emotional.

"This is the secret door left by my Demon Sect of Ten Thousand Desires when it was destroyed."

"Unexpectedly, it would come in handy today."

With that, he looked at the throne full of skulls.

He stretched out his hand and poured endless magic energy into it.

The earth began to shake.

In the entire spacious hall, there was an endless array of power immediately.

After a while, I saw the throne reversed direction.

An underpass appeared in the original position.

Four people stepped down.

As soon as he entered, the entrance of the secret tunnel was closed.

The cyan ghost fire instantly lit up from both sides, illuminating the passage ahead.

Passing through a long corridor, the eyes suddenly opened up.

It is another hall no less than the main hall!

And here, there are many thrones of skulls arranged around the main hall.

On each throne, there is a pair of black devil bones sitting cross-legged!

Seeing Chen Feng and Chen Feng looking at it, Moko Luo explained lightly.

"This is the remains of the suzerain."

Through Moxin, Chen Feng could understand clearly without his introduction.

Every suzerain in the past, whoever is not in the ashes, will come here to sit down.

Then, all the inheritance left will be passed on to the next generation of suzerain.

They came here just to wait for Chen Feng to remove the Shura bloodline from Haoqi Demon Lord in order to restore his cultivation.

Chen Feng suddenly stopped.

He raised his eyes and looked at the two people in front of him.

"Before helping you, I think it's better to make one thing clear."

Upon hearing this, the Sect Master and Young Sect Master of the Demon Demon Sect in front turned around.

They looked at Chen Feng, quite polite at this time.

Chen Feng's eyes met the Haoqi Demon Lord, and said lightly.

"You can think about it. If you resolutely pull out of Shura's bloodline, it is equivalent to breaking with the old Demon Xu Jun."

Hearing this, Haoqi Demon's expression frowned.

He asked in a deep voice.

"Is there any problem with this?"

Chen Feng nodded immediately and stared at him.

"Of course there is a problem, and the problem is big."

"At the moment, the entire Demon Sect of Ten Thousand Desires has almost been completely Shuraized."

"What is complete Shuraization, Mokoro should have already told you."

When Haoqi Demon Lord heard this, his face was a little bit ashamed.

He lowered his head and nodded.

"I understand what you mean."

The top demon sect that has been inherited and developed for nearly a million years has now been destroyed by several Shura demons.

If he insists on drawing off the blood of Shura at this time, he will be free.

The only thing that can be saved is him and his son.

But if he gave up resistance and directly surrendered to the old demon Xu Jun, he would be immersed in the dream of unifying the two worlds.

Then, at least nominally the Demon Sect of All Desires will rapidly expand and rise.

Even if it turns out to be occupied by the strong in the Shura world, at least the name can be retained.

As the sovereign of a top Demon Sect, can he really let go of all his honor?

[Chapter 5528: breakthrough!](#)

Zhong Li Yaoqin on the side also moved slightly.

She asked herself what would happen to her if the Galaxy Sword Sect was in the same situation.

Before she could come up with the result, she suddenly laughed when she saw the mighty demon in front of her.

The laughter kept echoing in the huge underground magic hall.

He looked at Chen Feng and suddenly burst out a very powerful aura.

A supreme aura rose to the sky.

Almost overturned the entire magic temple.

Zhong Li Yaoqin suddenly recovered, subconsciously trying to protect Chen Feng, but saw him wave his hand.

The mighty demon in front of him was not murderous at this time.

He stood with his hand in place and looked at Chen Feng with a smile on his face.

"I have already made this choice."

Hearing this, Chen Feng had the answer in his heart.

Yes.

If you can't let go of the so-called reputation, I'm afraid Haoqi Demon Lord has already given up resistance.

He is still sober now. On the surface, dealing with the old demon Xu Jun, isn't he just giving a choice?

"I understand."

Before he finished speaking, Chen Feng flipped his hands and took out the golden pagoda.

He is not very relieved of this place, but within the golden pagoda is his territory.

I couldn't be more relieved to draw blood from it.

The four quickly disappeared in the Demon Temple.

Hum!

On the first floor of the Golden Pagoda, Sha Ye Mozun only felt his eyes light up.

Then, four figures appeared in front of him.

When he saw Haoqi Demon Lord, he immediately laughed.

However, before he could speak, countless intent to kill suddenly appeared out of thin air, intertwined into a net, and quickly rushed over.

Screams sounded.

"Sect Master Zhongli, you protect me."

"it is good!"

Chen Feng immediately activated the Supreme God Demonizing Dragon Art.

In an instant, the blood qi in the body began to rise gradually.

In the world of dantian, the seven-rank inferior Asura bloodline was touched and began to tremble constantly.

The next moment, Haoqi Mojun immediately showed pain on his face.

"what--"

He screamed directly.

The blood of Shura has been integrated into his limbs.

If you want to peel it off, you almost have to endure a thousand cuts!

Soon, the thick black fog quickly gushed from his body.

Qi Qi plunged into Chen Feng's body.

It was the first time that Zhong Li Yaoqin saw Chen Feng absorb the blood of Shura in this way, and her beautiful eyes couldn't help but frown.

However, at this moment, she is not easy to ask anything.

And Mokoro on the side frowned.

I don't know what I am thinking.

Haoqi Demon Lord kept wailing, almost rolling on the ground, but he gritted his teeth without interruption.

Gradually, the Shura bloodline in Chen Feng's body began to grow again.

The thick black fog poured into his dantian world and merged with that Shura bloodline.

"Seven-Rank is medium."

"Seven-Rank is superior."

"Six-Rank is inferior."

...

In Chen Feng's mind, loud voices kept ringing.

At the same time, as this bloodline strengthened, he could feel it.

There was a force that almost filled his whole body.

The cultivation base of the peak of the first cave of the Ten Fang Dongtian Realm had been made, but at this time, he broke through silently.

It's like a thin film, being punctured at this time.

boom!

Chen Feng unexpectedly made a new breakthrough at this time!

In the star sea world, another star began to burst out with bright light.

A ray of Dao Yun appeared from his body, lingering around him constantly.

Then, suddenly disappeared.

At the same time, in the depths of the outer universe, a ray of Dao rhyme appeared in a huge star.

With this mysterious Taoist rhyme, the induction of this star is almost effortless.

Immediately afterwards, a ray of Dao Yun appeared on Chen Feng again.

Then the third and fourth...

More than a dozen Taoist rhymes appeared one after another, almost engulfing him.

"this is....."

Mokoro couldn't help but look surprised.

A look of greed flashed in his eyes.

But it was fleeting.

Chen Feng also didn't expect that at this moment, Taishang Yuqing's Nine Shou Zhen Art would also start to operate on its own.

With the blood of Shura in Haoqi Demon Lord's body, it continuously poured into his body.

One star after another is lit, and it has a reaction with the stars in the outer universe.

Then it becomes fulfilled.

What's more special is that after these stars are lit, there is a ray of rhyme around them.

It was precisely because of the appearance of these mysterious Taoist rhymes that Chen Feng felt a little strange.

These newly induced stars are different from the previous ones.

The induction between the two seems to be closer.

Moreover, that Dao Yun continued to revolve around the stars, driving a ray of cyclone.

The entire star also began to rotate slowly.

After the last ray of Asura's blood was drawn away, the breath of the Haoqi Demon Lord was extremely decadent.

And the Shura bloodline in Chen Feng's body finally stayed at the sixth rank.

"This can be regarded as the highest grade of the blood that I have absorbed."

Chen Feng couldn't help but be overjoyed.

However, at the same time, he was very impressed by the dominance of the Shura bloodline.

Under the operation of the Supreme God Demonizing Dragon Art, it can stand firmly in the center.

At that time, it was just the lowest level 9th-Rank inferior bloodline.

No wonder the Demon Sect of All Desires will be planted in its hands.

Chen Feng stopped and slowly opened his eyes.

A gray wave of air came out of him, swiftly rippling towards the surroundings.

It is also thanks to the determination of the Dao Qi Demon Jun Dao heart, always contending with this Shura bloodline.

Otherwise, with this intensity, he has already completed the demonization.

Just absorbing this Asura bloodline, Chen Fengshengsheng broke through to the second cave of the Shifang Dongtian realm!

And in his star sea world, there are already thirty stars, and the induction has been completed.

Among them, most of them have mysterious Tao Yun rotation.

And these rotating stars are brighter and brighter.

The power of the stars brought is more powerful, pure, and continuous.

At this moment, Chen Feng only felt that there was endless power in his body.

If you encounter the projections of those who are strong in the virtual world, you can quickly kill them!

"Did you break through?"

Zhong Li Yaoqin's voice suddenly sounded.

Chen Feng nodded.

"However, it is still not enough to deal with the old Demon Xu Jun."

As he said, he looked at the crowd and asked.

"How many days have passed?"

Moko Luo answered lightly.

"Two and a half days."

This speed was in Chen Feng's expectation.

It seems that the time is just right.

He turned his head to look at the mighty Demon Lord who was slightly embarrassed.

The Haoqi Demon at this time has completely restored its original appearance.

The cyan skin, scales, the vertical eyes and the magic horns on his forehead have all disappeared.

Apart from some lack of energy, there is nothing wrong with the whole person.

He looked at Chen Feng and spoke lightly.

"Thank you little friend, please send us out now."

Upon hearing this, Chen Feng nodded.

The next moment, the light rang.

However, Chen Feng and Zhong Li Yaoqin were the only ones who appeared in the Underground Demon Hall.

The entire magic hall was empty, and all the magic energy disappeared.

[Chapter 5529: Kill the demon servant!](#)

It was quiet and silent, and there was no one.

Zhong Li Yaoqin was a little surprised not seeing Mo Ke Luo and Hao Qi Demon Lord.

She looked at Chen Feng with doubts.

However, Chen Feng's mouth was grinning open, revealing his signature smile.

"You don't trust them?"

Chen Feng looked over and met Zhong Li Yaoqin's gaze.

"Do you trust them?"

Zhong Li Yaoqin fell silent immediately.

Chen Feng said again.

"Look carefully at the circle of devil bones around you."

"These devil bones are not sitting corpses at all!"

"They are not dead at all!"

Before the words fell, the entire underground magic hall suddenly made a loud noise.

The black devil bones sitting cross-legged on the thrones of the skulls all raised their heads.

Looking at the two of Chen Feng from the black hole.

A huge killing intent suddenly broke out.

Only then did Zhong Li Yaoqin suddenly react.

"This is not a sect master of the past, but... the eighteen demon servants of the Demon Sect of Ten Thousand Demons!"

Mokoro is very smart.

He already knew that Chen Feng could understand his thoughts.

Therefore, when he came to this underground magic temple, he was always empty.

In this regard, Chen Feng has indeed been calculated.

However, he still underestimated Chen Feng.

When the only entrance was blocked, Chen Feng instinctively felt a little bad.

He went to look at Moko Luo again, and soon found out the clues.

Mokoro has been in a state of self-suggestion.

This will cause his thinking to become extremely simple, and his reaction will be much slower.

"...I'm just going to count it."

There must be a special way of communication between Mokoro and Haoqi Mojun.

You can even avoid the spiritual world directly.

After realizing this, Chen Feng quickly realized something was wrong.

When I think about it again, I understand everything.

Everything that Haoqi Demon Lord said before is true.

He was really arrogant, he didn't want to surrender to the old demon Xu Jun, and he kept his original fame and sank.

At the same time, he really intends to make a comeback.

It's just that with Chen Feng's flesh!

This conjecture was confirmed after he quietly implanted another demon heart into the spirit world of Haoqi Demon Lord.

But now is not the time to think about those.

The surrounding devilish energy continued to erupt, and the eighteen demon servants slew all the way.

This is one of the most powerful cards of the Demon Sect.

Each of the eighteen demon servants has the strength above the sixth hole in the ten-square cave.

Even more terrifying is that their spiritual world is one!

There are more than the seventh cave of the Ten-square cave realm!

Once defeated by their mental attacks, the physical body will quickly become in a state of no ownership.

Then you can be taken advantage of.

Haoqi Demon Lord predicted that after he was stripped of his blood, his cultivation would be ineffective.

Unexpectedly, Chen Feng would suddenly take out the gold pagoda.

So before entering the Golden Pagoda, a sneak attack has been arranged.

"Roar!"

Countless voices were mixed together and roared.

The Eighteen Demon Servant quickly stopped the two and surrounded them round and round.

For a time, magic sounds continued to flow from all directions.

The devilish energy was pressing, and Zhong Li Yaoqin immediately felt that his whole body's cultivation base was running slowly.

She and Chen Feng shot together.

The two turned their backs to their backs, and they were about to explode to the extreme.

But seeing the Eighteen Demon Servant getting closer, the two of them were struggling more and more.

Especially Zhongli Yaoqin.

The influence of devilish energy on her is too great.

If I don't go out, I'm afraid I'll die here today.

Chen Feng suddenly made up his mind.

He looked at Zhongli Yaoqin.

"I have a practice in the Shura world, which I used to deceive the old demon Xu Jun."

"Perhaps, that is the only chance we can escape."

Zhong Li Yaoqin's complexion changed slightly, and he looked over.

Seems to be waiting for him to continue.

Chen Feng looked at her.

"I have the blood of Shura in my body. Once I use this method, it will show the image of Shura."

Hearing this, Zhongli Yaoqin suddenly shocked.

In an instant, Zhong Li Yaoqin reacted to everything.

No wonder that Old Demon Xu Jun is so steadfast.

It turned out to be because of this.

However, seeing that the eighteen demon servants around are about to rush to kill, there is no extra time to think.

The next moment, Chen Feng only heard a rant.

"Inverse chaos Yin and Yang!"

boom!

Shura bloodline suddenly manifested!

The dozens of stars suddenly lit up in the star sea world burst out with a steady stream of power.

As soon as those forces appeared, they rushed forward like a flood.

Between the lightning and flint, Chen Feng began to gush out monstrous devilish energy all over his body.

Almost the power of the whole body has been concentrated into these Shura devil qi.

Then, his cold eyes lit up in the dark devilish air.

boom!

The devilish energy invaded the surrounding eighteen demon servants instantly!

The violent aura and coercion around him disappeared almost instantly.

The situation suddenly reversed.

Although the eighteen demon servants have no flesh and blood, their black demon bones all turned into death in an instant!

And those "magic energy" that spewed out were all eroded by Chen Feng's magic energy.

"what!"

Screams sounded one after another.

Those dead spirits began to corrode the remaining souls.

They began to struggle and wailing, but their souls were locked in their skeletons.

Chen Feng's body began to change constantly.

In a blink of an eye, the height has soared to five meters or ten meters.

The complexion turned green, and the scales instantly covered.

The eyes turned into blue vertical pupils, the forehead had horns, and the whole person looked terrifying with green faces and fangs.

He roared, but his body was faint.

But, the only thing to be thankful for is that those eighteen demon servants were vulnerable to the Great Asura Funeral Art.

Worthy of being a ninth-rank Hong-level magical skill!

Chen Feng supported his body, gritted his teeth and began to absorb the primordial spirits trapped in the skeleton.

boom!

A large amount of Shura devilish energy suddenly burst.

A steady stream of pouring into Chen Feng's body.

Soon, Chen Feng clearly felt that the Shura bloodline in his body began to grow stronger again.

"Five-grade inferior."

When this word rang in his mind, Chen Feng couldn't help but

There was a smile.

He stood proudly in the center of the underground magic hall, constantly exhaling demon energy.

Then, gradually began to return to the original state.

This great Shura burial art is truly extraordinary.

Not only can it make up for a certain Shura bloodline, but it can even refine and absorb all the souls.

At this time Chen Feng, even his physical strength was a little stronger.

Zhong Li Yaoqin watched this scene from beginning to end, her beautiful eyes flickering.

If it weren't for Chen Feng to inform in advance, I am afraid she would really misunderstand.

In fact, even with the advance notice, when she saw Chen Feng's appearance, she still couldn't help feeling suspicious.

Is it possible for a human cultivator to appear innocent as a Demon of Shura?

Chen Feng had already received magical powers at this time.

The surrounding devil bones fell to the ground, almost all turned into powder.

He turned to look at Zhongli Yaoqin.

"let's go."

Zhong Li Yaoqin temporarily retracted his mind and nodded to Chen Feng.

[Chapter 5530: New mission!](#)

The two quickly left the underground magic hall.

As soon as he came out, he saw a familiar figure standing before him.

Surprisingly, it is the old demon Xu Jun!

When he saw this person, Zhong Li Yaoqin's heart became tight subconsciously.

The body tightens instinctively, ready to shoot at any time.

However, her shoulder was gently held by a hand.

Chen Feng's complexion was as usual, and he spoke in an unusually calm manner.

"Old Demon Xu Jun, is the blood sacrifice ready?"

Hearing this, Old Demon Xu Jun looked even more ugly.

He stepped forward two steps, and reluctantly spoke with anger.

"The blood that I have cultivated in Haoqi Demon Lord has been withdrawn by you?"

It seemed that Old Demon Xu Jun had noticed this early on.

Chen Feng thought about it and nodded.

He deliberately showed a feeling of being extremely superior and despising everything.

Speaking unfailingly.

"The two of them have other thoughts, but they also want to take away from me, so I stripped of their blood."

"Why, are you dissatisfied?"

Old Demon Xu Jun watched Chen Feng's complexion recover from cyan.

I felt the blood qi in him even more, and it became more and more vigorous.

All this seemed to be something that only the demon of the Shura realm could do.

Although Old Demon Xu Jun always felt something was wrong, there was no evidence.

Therefore, I can only dare to be angry but dare not speak.

At this moment, a horrible light suddenly burst out from thousands of miles away from the Demon Sect of Ten Thousand Desires.

Almost the entire sky was shining brightly.

In the main hall, the three Chen Feng almost turned their heads and looked into the distance.

Zhong Li Yaoqin reacted the fastest.

"The people from the three top-level first-grade immortals are here."

"This time, come stronger!"

The entire void in the distance was shaking.

The sky seemed to be burned through by the fire, spreading more and more.

Constantly approaching the direction where the Demon Sect of Ten Thousand Desires is located.

They could feel that in the team that came this time, there were at least three powerhouses in the seventh hole of the Ten-fang Dongtian realm.

Whether it is Zhong Li Yaoqin or Chen Feng, there is no hope for them.

Old Demon Xu Jun's expression sank suddenly.

He never expected that these people would come so fast.

Turning around, he looked at Chen Feng in secret.

I don't know how the son of which family provokes them.

But, he can't afford to offend!

Chen Feng spoke immediately.

"Old Demon Xu Jun, although I have recovered a lot of strength, it is not enough to deal with the reptiles outside."

"You go and stop."

"For the blood sacrifice, I can come."

As soon as this remark came out, Old Demon Xu Jun instinctively wanted to refute.

But when Chen Feng's indisputable gaze was met, he felt a chill in his heart.

After all, he was just sent to perform a task.

There is no noble identity.

Right now, a son of a powerful family wants to occupy his bloodline puppet, he can only bear it.

The young man still wants to occupy his merits, and he can only bear it.

"Yes....."

With that, Old Demon Xu Jun turned and left.

The endless magic energy instantly surged out of his body.

He is now full of resentment and has nowhere to vent, just to use it all against the individual monks.

As soon as the old demon Xu Jun left, Chen Feng immediately looked at Zhongli Yaoqin.

Shouhe magical power came out.

In the next second, they were already behind the huge skull.

The huge Demon Sect of Ten Thousand Desires almost completely isolated this piece with a skull.

And at this moment, most of the disciples and elders of the Demon Sect of Ten Thousand Desires have gathered here.

Tens of thousands of people wore black cloaks.

At first glance, this place is like purgatory on earth, with demonic energy everywhere.

And above the high altitude in front, the huge spatial fissure has already shown an enlarged posture.

It is like a huge vertical pupil.

Wu stands in the void, constantly absorbing endless magical energy.

When Chen Feng and Chen Feng appeared, a huge circle centered on it had been completed!

Even if it is covered with devilish energy, it is difficult to conceal its terrifying aura.

Originally, Old Demon Xu Jun had to do very simple.

He only needs to urge his own Shura bloodline to control everyone in the circle.

Then, these people will suddenly realize that their bodies and cultivation are completely out of control.

They will die one by one.

A large number of Asura bloodline drops down, and this huge magic circle will be inspired.

Then, this sea of blood of Asura will flood into the space channel in the center.

In this way, this channel can be expanded by a circle!

Enough to accommodate more powerful people over!

However, this matter is different to Chen Feng.

Although he has the blood of Shura in his body, in most cases he just lay quietly in the world of dantian.

Chen Feng couldn't move as he pleased.

Looking ahead, he suddenly spoke.

"You protect me and help me stare at Old Demon Xu Jun."

Zhong Li Yaoqin nodded.

At the next moment, Chen Feng appeared a few lines of Taoist rhyme all over his body.

The figure disappeared, and then instantly appeared in front of the spatial passage.

The same is the exact center position.

There was already a loud noise from far away.

Without further ado, Chen Feng immediately took a deep breath.

After that, he started to run his magical skills frantically and shouted.

"The Supreme God Demonizes the Dragon Technique!"

boom!

Between the world, the color suddenly changed!

Within tens of thousands of miles, there was no trace of light.

The day was like night in an instant, with no fingers in sight.

In Chen Feng's body, the Supreme Demon's Demonized Long Jue went crazy to the extreme.

The whole circle began to whisper.

In the space channel behind him, it seemed that there was still some sound heard from a distance.

All the black cloaks were lifted off.

The screams kept ringing.

All the blood of Shura was peeled off, showing a large black fog in the air.

Then, he hurried away in the direction of Chen Feng.

The old Demon Xu Jun at this time felt a little bit.

His brows frowned slightly, and he always felt something was wrong.

However, a large number of blood vessels are indeed swiftly leaving in the direction of the space channel.

Moreover, the speed is faster than he thought!

But at this moment, what he was facing was the siege of the three top-ranked immortal gates.

There is no room for him to have half a leisure time!

boom!

The black wind howled, lightning and thunder.

The endless blood of Shura crazily poured into Chen Feng's body.

"Five-grade inferior."

"Five grade is medium."

...

The blood of Shura is still escalating.

At the same time, his power is constantly skyrocketing.

And that monstrous devilish energy also surged over, all submerged in his chest.

There, Jin Sanye opened his mouth and swallowed, extremely fast!

"So cool! More!"

Under the cover of demonic energy, Jin Sanye quietly appeared from Chen Feng's body.

Then, it flapped its wings and quickly flew into the space channel.

This piece of sky is about to break apart.

At this moment, a loud voice suddenly rang in Chen Feng's ear.

"The Celestial Celestial Apprentice, Chen Feng, takes over the fourth-level trial task left by Xuanhuang Zhongqian."

"The fifth mission of B requires the destruction of the Demon Sect of Ten Thousand Desires and smash its conspiracy.

Hearing this, Chen Feng was overjoyed.
