

Peerless 5611

[Chapter 5611: oasis?](#)

In the space of repetitive reincarnation of heaven and earth, the third huge black vertical eye suddenly shot out a jet of dark light.

Light intertwined, invading the spiritual world of Evergreen!

Instantly condensed into a fist-sized magic heart!

A black light flashed in Chang Dongqing's eyes.

In the next moment, the devil's heart has been successfully implanted in the depths of its spiritual world.

"it is good!"

"Now it's our turn to kill back!"

Chen Feng laughed extremely cheerfully.

He controlled Chang Dongqing to kill back into the mountains, very fast!

At the same time, above the dark sky.

A full moon appeared quietly.

The bright moonlight was faintly tinged with blood.

Shine the whole mountain range!

Hum!

The void trembles, if there are countless hidden inscriptions in the mountains, they all light up at this moment.

In an instant, black and white rays of light passed by everyone!

That is the power of time and space!

The inscriptions around the mountains are flying up like a broad road!

Everyone's eyes looked over at the same time, and their hearts were shocked!

I saw huge green trees appearing on the other side of the road, looming!

In addition, there is a pool of emerald green lakes, and hills and basins have also emerged.

A vigorous and green scene!

An oasis really appeared in the depths of the originally barren fractured mountains!

At the same time, a light gate that wanted to reach the sky slowly appeared!

Amazingly, it is the road to the oasis!

Gong Licheng had exhausted all his energy before and barely held Zhang Feichong, his eyes suddenly brightened.

Unexpectedly, Zhang Feichong had already hit his palm during his negligence, and his palm was bitter.

Jiyu was trembling in the air.

Gong Licheng gritted his teeth and shouted loudly.

"Chen Feng, how long will you still have?"

Before he finished his words, he immediately looked towards Chen Feng's direction.

Then, the eye was surprised.

Beside Chen Feng, Chang Dongqing commanded a sword light and suddenly killed him.

The power of the stars around Jianguang was dazzling, exuding a terrifying force.

However, this sword of light actually killed Zhang Feichong!

Zhang Feichong's expression changed drastically, and he exclaimed.

"Elder Chang!"

Before he finished his words, he was blasted by the sword light, and he spit out a big mouthful of blood.

Yu Xukong suddenly fell.

boom!

A deep hole was smashed into the ground!

At this moment, Chen Feng immediately turned to look at Gong Licheng and smiled slightly.

Chang Dongqing's empty eyes also looked at Gong Licheng.

When the time was too late, Gong Licheng's pupils shrank suddenly.

"Chen Feng!"

He shouted angrily.

However, the next step was a leap, and the speed suddenly increased several times.

Without hesitation, even the sword intent behind him was ignored.

Go straight to the light gate!

Seeing this, Chen Feng was also slightly taken aback.

Gong Licheng responded fast enough.

He wanted to take the opportunity to clean him up.

However, it does not matter.

Chen Feng looked at Zhang Feichong.

At this time, Zhang Feichong was deeply wounded and bloody.

Chen Feng did not hesitate to plant another demon heart into the depths of his spiritual world.

Then, Chen Feng took the two into the broad road.

The sky was spinning around.

There was nothing in the sight.

Chen Feng walked forward step by step.

There are more and more black and white light in the eyes, almost occupying the line of sight.

Then, most of it disappeared in an instant.

A gleam of light appeared in his eyes.

And Chen Feng also stepped out.

The golden Tao Yun glowed brightly on her body, and she could sense the Tao of the void.

Looking around, Chen Feng's heart was shocked again and again.

"This is the real oasis?"

Chen Feng took a breath.

The green scene he had seen earlier was nothing at all.

Even in this "oasis", there is no trace of green at all!

As far as you can see, they are the bones of a huge beast!

There was a breath of death everywhere, which made people tremble.

Here, and the oasis seen outside, is like another world.

The next moment, Chen Feng frowned.

"Here, not only there is no spiritual veins of stars, there is even no spiritual energy in the air."

"Moreover, these bones have been dead for tens of thousands of years, and they still have a strong aura!"

Chen Feng looked at a huge bone skeleton.

After a long period of time, he could still perceive the terrifying breath from this skeleton.

It is not difficult to imagine that this bone corpse was so powerful and absolutely terrifying.

A guess arose in Chen Feng's heart.

He narrowed his eyes slightly.

"Here, I am afraid it is the ancient forbidden land!"

"The second chapter of the Hundred Ghost Night Calling Souls, the six reincarnation chapter, must be hidden in it!"

As soon as he thought of this, Chen Feng's eyes flashed brightly, followed by wry smiles.

Even if you enter here, the area is so vast that there is no boundary in sight.

If you want to find the Six Paths of Reincarnation, there is no way to start.

However, after a while, his eyes lit up.

He flipped over and took out the black paper he got from the jinta that day.

Hum!

Sure enough, once the black paper appeared, a faint halo appeared.

Then he trembled slightly.

It seems to be attracted by something invisibly.

A force of guidance, if there is no such thing, immediately spilled out.

"Sure enough!"

Chen Feng was overjoyed.

He followed the power of guidance, all the way forward.

At the same time, in Chen Feng's Star Sea World, the roaring Sirius Star Soul also trembled.

Sirius captures the moon universe Dafa!

Sure enough, it was when Chen Feng followed the black paper to advance hundreds of miles.

In his feelings, a familiar breath immediately emerged.

It was Gong Licheng!

"This guy really has a special ability to sense the six reincarnation chapters."

The killing intent flashed in Chen Feng's eyes.

Never let Gong Licheng get the six reincarnation chapters ahead of him!

Thinking of this, Chen Feng's golden Taoist rhyme flashed suddenly.

Huh!

He stepped out in one step, teleporting dozens of miles away!

In the next second, he was already behind Gong Licheng!

At this moment, Gong Licheng also stopped.

His face was dark and he looked ahead.

There is a huge abyss ahead.

It's a hundred feet wide!

A faint breath of terror spread from it.

Hum!

Seeing the abyss, the black paper in Chen Feng's hand trembled even more.

As if a voice rang in the ear.

The Six Paths of Reincarnation, just below this abyss!

Seeing that Gong Licheng was about to step into it, Chen Feng made a decisive decision and shouted a long drink.

"Stop him."

Behind him, the two Chang Dongqing who came quickly came out.

The figure turned into a stream of light.

The two mighty powers of the stars spread almost half of the sky, directly pressing Gong Licheng away.

Gong Licheng was shocked and uttered angrily.

"Chen Feng, how can you find me?"

He has a soul-locking ghost in his hand, which can cover his breath.

I thought Chen Feng could not find him at all, but he didn't expect him to find him so soon.

In desperation, Gong Licheng's figure flashed as he wanted to step into the abyss.

However, before he could move, the mighty star power of the two Chang Dongqing had already overwhelmed.

[Chapter 5612: Xuanhuang Town Yuan Beast!](#)

Just like a sacred mountain, suppress him by itself.

And Chen Feng's golden Dao Yun was once again shining, extremely bright.

Teleport!

One step out, already stepped into the abyss!

The black paper in his hand also emits rays of light at this moment, almost covering the palm of his hand.

It seems to be wise, extremely excited.

Chen Feng's eyes were full of smiles.

The response of the black paper just shows that he is getting closer to the location of the Six Paths of Reincarnation.

The whole body, the golden rhyme suddenly dazzled.

The figure instantly disappeared to the edge of the abyss, and fell hundreds of feet in an instant!

The next moment, Chen Feng opened his eyes and looked around.

Total darkness!

The gloom is to the extreme, and the silence is terrible.

There was only the sound of the robe being stirred by the wind and hunting.

While Chen Feng fell down, his spiritual sense was instinctively peeking around.

At this moment, the chill suddenly spread behind him.

A warning sign in my heart!

At the moment he looked down.

"Roar!"

A shocking roar suddenly sounded from the bottom of the abyss!

The next moment, a majestic killing intent gushed out, trying to pierce the world!

Hum!

Black air flew from below, condensed into a huge claw!

The sharp claw is as big as a mountain, and it is extremely powerful, and it comes straight to Chen Feng!

not good!

Chen Feng's pupils shrank slightly.

Turn your hand and take out the big Shura oven.

It was too late and then fast, and Luo Hong furnace was overhauled up against the storm.

At the same time, the Taishang Yuqing Nine Shou Zhen Jue was turned to the extreme!

Chen Feng stepped out!

The moment he waved his sharp claws, he flashed into the Great Asura oven!

boom!

The sharp claws fell, and the inner wall of the Great Shura oven lit up and trembled.

Fortunately, it resisted this blow!

Mei Wuxia and Chen Feng's complexion changed drastically in Luo Honglu.

At this moment, two glaring red lights lit up from the outside world, like the bright sun!

What kind of eyes are that!

"Xuanhuang Town Yuan Beast!"

Next to Chen Feng, Mei Wuxian could not help but exclaim.

I saw a huge beast that was a hundred meters long, leaping up.

Two ferocious giant claws clung to the abyss wall.

At this moment, its eyes are red, staring at the Great Asura oven in the void.

The behemoth has a hideous face, and there are millions of purple-black barbs all over his body!

On his body, there is still a black mist shrouded, exuding an extremely cold air.

It is an ancient alien beast in the legend!

"How can the Xuanhuang Town Yuan Beast guard here?"

Chen Feng's eyes sank, and he looked at the Xuanhuangzhen Yuan Beast outside coldly.

"Roar!"

The giant beast suddenly jumped up, and its hideous and terrifying claws came along with its murderous aura.

A halo lit up behind him!

Under the roar, it slapped the big Shura oven with a straight claw.

boom!

There was a loud noise, and the Great Asura oven was hit on the abyss wall, blasting a big pit!

The light on the Great Shura oven dimmed for a few minutes.

If there is another blow, I am afraid... it will not hold it!

This is one of Chen Feng's most powerful cards.

It is more likely to be transformed into Taoism in the future.

He definitely won't let it be destroyed.

Chen Feng's complexion was solemn to the extreme.

The previous halo was the power of the original beast of Xuanhuangzhen.

"This strange beast has already condensed the soul?"

Even if one breaks into the Spirit Void Land Wonderland, it is not easy to condense the soul.

There are six levels in the Lingxu Land Wonderland, which are also called six calamities.

As the name suggests, every time a breakthrough is made, one needs to experience a catastrophe.

These six calamities are: Wind Tribulation, Fire Tribulation, Thunder Tribulation, Huangquan Tribulation, Yuanshen Tribulation, Heart Demon Tribulation

Only by spending all the six great tribulations, can you set foot in the more powerful Saint King Realm.

The two Chang Dongqing before, although they are also the strength of Lingxu Earth Wonderland, they have not survived the catastrophe.

Otherwise, with Chen Feng's current strength, I am afraid it will be difficult to subdue.

The Xuanhuang Town Yuan Beast in front of him had already passed the first tribulation and successfully condensed the Yuanshen.

Undoubtedly, it is stronger than Evergreen duo!

Even though Chen Feng has the strength of Lingxu Land Wonderland, it is extremely difficult to deal with it.

But, anyway, if you don't go out again, the result will be shot dead here.

As soon as he gritted his teeth, Daoyun light all over his body lit up.

The next moment, he stepped out one step at a time and suddenly appeared in the abyss!

Chen Feng's Qingqiu Tianlong Sword appeared in Chen Feng's hand, with a bright light.

boom!

Cut it down!

In the Star Sea World, the two star souls of the Candle Jiuyin and the Howling Sirius lit up almost at the same time.

Roars again and again!

"Too high to punish God!"

In the roar, endless murderous aura and fighting spirit converged in a silver light.

Go forward, go quickly!

Xuanhuang Town Yuan Beast roared immediately.

"Roar!"

Rolling sound waves are coming out!

Even Chen Feng's figure was affected by it, slowing down a lot.

And the silver light that was cut out was even more stagnant in an instant, and only less than half of its power remained.

Click!

The Yuan Beast of Xuanhuang Town leaped up from the wall, and the stone wall under its feet suddenly collapsed.

Facing the knife light, it actually did not retreat but instead moved forward!

The big claw waved again!

On him, the power of the stars immediately spread out dozens of miles away, crushing the burst of blade light directly!

Immediately afterwards, there was no sign of stagnation, and he headed towards Chen Feng!

boom!

The speed is extremely fast, directly on Chen Feng!

The golden Tao Yun lit up in an instant, and instantly condensed into a layer of "armor", blocking most of the offensive.

However, the injury is still serious.

"puff!"

Chen Feng opened his mouth and spit out a big mouthful of blood, his figure kept retreating.

"Roar!"

Seeing this, the Yuan Beast of Xuanhuang Town seemed to be even more excited, constantly roaring!

Kill Chen Feng again!

withdraw!

Chen Feng turned around and left immediately.

At the same time, fully urge Taishang Yuqing Jiu Shou Zhen Jue!

The golden Daoyun's rays were like clouds and mist, covering him in an instant.

At the moment when the claws hit, Chen Feng's figure disappeared.

In the next moment, he took the great Xiu Luohong furnace and reappeared beyond the abyss.

Chen Feng's face was pale.

In Xinghai World, all the stars are starting to light up!

Each one is born with golden Taoist rhyme.

They are spinning!

The speed is fast and slow.

There is no aura in the ancient forbidden land.

The source of all the power of the stars can only rely on the Xinghai World!

Those stars that interact with the stars in the depths of the universe are becoming brighter at this moment.

A cloud of haze was also lit up around it, and little light was generated in the haze.

If you look closely, you can even see that a galaxy seems to have gradually emerged in the haze.

However, at this time Chen Feng had no intention of rejoicing.

The roar of the Yuan Beast in Xuanhuang Town still sounded behind him...

and many more!

Chen Feng was surprised, stopped immediately, turned and looked back towards the abyss.

Xuanhuang Town Yuan Beast did not catch up!

In other words, it seems that it cannot leave the abyss.

Chen Feng was stunned.

Then he let out a long sigh of relief.

Escape from the dead is considered a life.

At this moment, there was a burst of laughter not far away!

"Hahaha!"

Following the reputation, I saw Gong Licheng being subdued by Chang Dongqing and kneeling on the ground, describing it as extremely embarrassed.

But she sneered on her face.

[Chapter 5613: vow!](#)

He looked at Chen Feng.

"Even if you are one step ahead of me?"

"Only you can't break into the abyss."

When Chen Feng heard the words, his brows couldn't help but frowned, and his face became dark.

What Gong Licheng said is true.

With his strength at this time, it is absolutely impossible to deal with that ancient alien beast.

The situation seems to be in trouble.

At this moment, in Chen Feng's star-sea world, the roaring Sirius star was restless.

Sirius captures the moon universe Dafa!

Upon investigation, Chen Feng's pupils shrank suddenly.

In the extreme distance, many powerful monks and monsters appeared, coming straight here!

Chen Feng was a little puzzled.

The Southern Desolate Immortal Territory is already a dead place, why are there so many monks and monsters?

And, obviously, they are all coming to the abyss.

As if seeing what Chen Feng was thinking, Gong Licheng couldn't help but sneered.

"The news that Nanhuang has a strange treasure, even I know."

"What's more, it's someone else in the world of Xuan Huang Zhong Qian?"

Chen Feng frowned deeper when he heard the words.

If it is as Gong Licheng said, then things will be troublesome.

He looked at Gong Licheng, lost in thought.

Gong Licheng came from the top of Lei Xuan, and he was a very prestigious sect on the top of the sky.

Occupies a lot of second-grade and below fairy mountains.

As one of the elders, Gong Licheng's status is fairly high and his background is profound.

He thinks there must be more methods than Chen Feng.

Thinking of this, Chen Feng looked at him with a calm tone.

"Elder Gong, you and I are all people from the top of the sky."

"Since this is the end of the matter, it is better to cooperate sincerely once and join hands to win the six chapters of reincarnation."

"In any case, you can't give the Six Paths of Reincarnation to others."

Gong Licheng couldn't help but smile coldly when he heard the words, and was about to speak.

But Chen Feng smiled faintly, and then persuaded.

"Besides, Elder Gong has done his best for the six reincarnation chapters."

"There must be someone who wants to be resurrected?"

"In this case, after we get the six chapters of reincarnation, we can share it completely."

Before he finished speaking, Gong Licheng's complexion changed again.

He looked at Chen Feng coldly.

After a while, he nodded slowly.

"I am willing to promise you, but you have to let me go first."

Chen Feng smiled slightly.

"Elder Gong has agreed?"

"Then please swear in the name of the Lord of Heaven."

Gong Licheng was taken aback for a moment, then took a deep look at Chen Feng.

He spoke in a deep voice.

"Heaven is the ruler..."

As soon as the words were spoken, a green light suddenly lit up.

It fell on Gong Licheng like a heavy hammer.

I saw him twitching all over.

The body has been shrouded in coercion.

This coercion is extremely powerful, monitoring his words and deeds in the oath at this time.

If there is any violation, it will be directly bombarded and crushed to pieces!

"I, Gong Licheng, swear here..."

After completing the oath, Gong Licheng looked at Chen Feng.

"Chu Pingsheng has been killed by you?"

Seeing Chen Feng nodding, Gong Licheng was not surprised.

Now that he can find himself, it has already proved that Chu Pingsheng's plan has failed.

Gong Licheng looked at the young man in front of him and snorted softly.

"Since you and I have formed an alliance, I might as well tell you."

"You killed Chu Pingsheng, his father will definitely not let you go."

Upon hearing this, Chen Feng's expression was overwhelmed.

There was an unexpected look on his face.

Chu Ping was not an aboriginal on the top of the sky.

Moreover, he has always regarded himself as the owner of Ningyilou.

When Chen Feng first met this person, he was still a little puzzled.

Chu Pingsheng's strength was considered top at the time, but looking at the entire sky, it was definitely not powerful.

However, the strength of Yin Yi Lou is not low.

Although there are not many people in it, the resources of the fairy mountain are not too abundant.

Although it is completely incomparable with Zhong Li Shijia.

But at the top of the sky, it is also quite prestigious.

Before, Chen Feng also guessed that there might be other backers behind Chu Ping's life.

Unexpectedly, it was his father.

Moreover, listening to Gong Licheng's tone, Chu Pingsheng's father seemed to be able to bear it.

Thinking of this, Chen Feng narrowed his eyes slightly.

This, you need to beware at all times.

He stretched out his hand to let the two of Chang Dongqing loose the restriction on Gong Licheng.

"Thank you Elder Gong for letting me know."

Gong Licheng slowly got up and looked at Chang Dongqing.

"Your means, I didn't expect it."

"Can manipulate others."

Gong Licheng looked at the far-reaching distance and sighed.

Immediately, Yoyo spoke.

"A long time ago, I visited Xuanhuang Zhongqian World once."

Hearing this, Chen Feng's eyes were full of surprise.

Then, he immediately remembered what the Great Desert Lord said when he was in the Great Desert Lord's Divine Mansion.

In every world there will be a huge mountain to connect the top of the sky.

And the mountain peaks of Xuanhuangzhongqianworld are in the Eastern Desolation.

This news was originally not known to everyone in this world.

Back then, it was accidentally learned by a strong man in the Western Wild Immortal Territory.

In order to erase this trace, the top of the sky has delegated a task to let the immortal encircle and suppress that person.

In order to protect himself, the strong man actually informed several super-grade immortals in the Western Wild Immortal Territory of this news!

In the end, the mission failed!

Chen Feng briefly mentioned the matter.

Gong Licheng raised his eyes.

"I didn't expect you to know this."

He nodded slightly.

"Yes, we were the ones who were selected back then."

"At that time, our task was to go to the Western Wild Immortal Territory to block the battle between two super-grade immortals."

"But accidentally came to Nanhuang, and... came here."

Having said that, his eyes turned to the abyss again.

A wry smile appeared on his face.

"At the beginning, we discovered that there was a strange treasure hidden under the abyss."

"But I didn't think that the strong man heard the conversation between us and learned of the existence of the top of the sky."

"The Lord of Heaven sent additional tasks temporarily, let us immediately punish him, but he escaped."

Gong Licheng seemed to think of the terrifying past, his expression was extremely complicated.

"In order to protect himself, he quickly spread the news."

"The people from the Super Grade Immortal Clan joined forces and killed many of us."

"The mission failed. In order to avoid being obliterated by the Lord of Heaven, I paid a huge price."

Speaking of this, Gong Licheng took a deep breath.

The painful color in his eyes flashed past, his tone was low.

"And this time I have prepared for so many years, and then return to Xuanhuang Zhongqian World."

"It's just to get back that strange treasure back then."

Chen Feng knew what had happened, but his brows wrinkled deeper.

He looked at Gong Licheng.

"Elder Gong, those cultivators are already approaching."

If they do not take action, they will not be able to seize the opportunity.

Gong Licheng also gave a long sigh and smiled bitterly.

"The Yuan Beast of Xuanhuang Town back then was extremely powerful."

"Now that my strength has risen to another level, I don't have a good way."

Chen Feng, who was on the side, suddenly raised his eyes after a period of contemplation.

A gleam of light flashed in his eyes.

[Chapter 5614: Sneak attack!](#)

"In that case, I have a good way."

When the words were over, Chen Feng turned around and quickly started to arrange.

Mei Wuxia guessed his intentions, and immediately stepped out of Luo Honglu to help him.

It didn't take long for the edge of the abyss to be outlined with complicated formation patterns.

A mysterious and mysterious aura suddenly exhaled.

Then disappeared.

Chen Feng took out his soul-locking ghost wood.

At the next moment, the golden Dao Yun suddenly lit up around the three of them.

The figures of the three instantly disappeared in place.

Before long, at the horizon, those monks had already arrived!

It seems that this group of monks should belong to two camps.

The group of about a dozen people on the left hand side were all dressed in purple robes with a cloud dragon embroidered on their right sleeve.

The leading monk looked quite young.

He is full of vigor, with sword eyebrows and star eyes.

Between the eyebrows, there is still a lingering arrogance.

What is shocking is the momentum on his body!

Very powerful.

Compared with the Profound Desolate True Essence Beast under the abyss, I am afraid it is even more equal.

Chen Feng looked from a distance, his eyes suddenly sinking.

This person's cultivation is far above Gong Licheng.

I am afraid, it is already the immortal of the Second Tribulation!

The group of monks on the right all wore blue and white robes, with a mysterious gossip picture embroidered behind the robes.

The number of them is much larger than that on the left.

However, the strength is much weaker than the left.

At this moment, among the cultivators on the right, an old man with a square face walked out slowly.

The beard and hair of this person are all white, and the cultivation base is estimated to have the first calamity immortal.

He looked at the young monk

"Xia Xuanfeng, are you sure this time?"

Xia Xuanfeng smiled faintly, his gaze staying half an inch from the abyss, but full of arrogance.

"If it hadn't been for the evil animal to have a big formation under the abyss, it would have been successful several times before."

"And this time, we have a way to deal with the evil animal."

"Elder He can rest assured."

"Since my Yunlong Pavilion has accepted your Yuannan Daozong entrustment, I will never fail."

The dozen or so monks on the left smiled confidently when they heard this.

Yunlong Pavilion is a special existence in the Western Wilderness.

They have been entrusted by the major forces and have been in development for thousands of years. It can be said that they have a very deep foundation and many strong ones.

Today, it has been able to match the ordinary Yipin Xianmen.

The Yuannan Daozong where the square-faced old man was located was indeed weak by more than three points.

If he only relied on the square-faced old man He Haicheng himself, he would definitely not be able to break into the abyss.

Therefore, they paid a great price to hire Yunlong Pavilion to help.

Xia Xuanfeng is powerful, and he is also a rare Tianjiao among Yunlong Pavilion.

However, his character is extremely strong.

Even this action should be led by He Haicheng.

However, apparently he did not take this to heart.

He Haicheng took a deep breath and looked back in another direction.

"That group of monsters, here again!"

Rumble!

On the plain, there was already a monster beast with an extremely huge body, rushing swiftly.

The strength of these monsters is also extraordinary.

Even the weakest has the strength of a half-step Lingxu Land Wonderland.

Powerful monster beasts such as Xuanhuo Fiery Phoenix Beast, with a pair of wings nearly a hundred meters long, spread out, and their power is straight down the void.

Even the first robbery is invincible.

It seems that the strange treasure under the abyss is not only coveted by the cultivators, but the monster beast is also fanatical for it.

Of course, Xia Xuanfeng raised his eyes and smiled coldly.

"A group of beasts who remember to eat or not to fight, still want to die?"

"We will fulfill them this time!"

After that, everyone from Yuannan Daozong ran the exercises together.

A wave of stars rushed out of them, and then they condensed together.

As if the sea was tilting upside down, it rushed toward the monster beast that was coming!

"Roar!"

"Wow!"

Various long howling roars sounded one after another.

The demon beast that rushed is not low in intelligence, and it is also fighting together to kill everyone.

The power of the stars came out with great strength, and it was not much weaker than He Haicheng and the others.

Huh!

Xia Xuanfeng broke through the sky.

A sword light flew up in his hand and pierced the Profound Fire Blazing Phoenix Beast straight away!

The power of the stars surged instantly.

But in the next instant, a sharp sword light was condensed, and it was killed in the blink of an eye.

Jianmang's speed is amazing!

The Profound Fire Blazing Phoenix Beast couldn't react at all.

Accompanied by a whine, the sword light exploded.

There was only a rain of blood in the sky.

Xia Xuanfeng let out a cold snort.

"Don't shoot yet?"

Before the words were over, more than a dozen monks from the Yunlong Pavilion all shot together.

For a while, the mighty breath emanating from them covered the sky and the sun.

Yuannan Daozong and others can't compare with it at all!

A group of monster beasts had been completely cut off in less than an hour.

Flesh and bones are everywhere by the abyss.

From a distance, it looked like Shura Purgatory, extremely tragic.

But Xia Xuanfeng was holding a wolf-shaped monster beast corpse at this moment, but suddenly jumped into the abyss.

At the same time, on his other hand, a red spirit grass appeared, emitting bursts of fluorescence.

A look of surprise passed in Chen Feng's eyes.

"Red Blood Spirit Primal Grass!"

Gong Licheng looked over, obviously he didn't know this thing.

Chen Feng's voice was calm and explained briefly.

"This is a kind of spirit grass that can trap monsters. It's extremely rare."

"It will release a special breath, attracting monsters to swallow it."

"And once the monsters below the Holy King Realm are swallowed, they will immediately lose consciousness and fall asleep."

When the words were over, that Xia Xuanfeng already threw the corpse of the wolf demon in his hand along with the scarlet blood spirit essence grass.

"Roar!"

The next moment, the long howl of the Yuan Beast from Xuanhuang Town suddenly spread.

However, the voice gradually decreased.

When Chen Feng heard this voice, he had a certain number in his heart.

The Yuan Beast in Xuanhuang Town hadn't seen blood for many years, and I was afraid that it would swallow the body of the wolf demon together with the scarlet blood spirit original grass.

It was counted!

Xia Xuanfeng said with a smile on his face.

"Success, get into it soon, we only have one hour."

At this point, he frowned suddenly and scanned the surroundings.

Seems to be aware of something.

Seeing his reaction, Elder He immediately became vigilant.

"what happened?"

But Xia Xuanfeng just frowned.

"Nothing, let's get down now."

Immediately, he walked forward.

He Haicheng and others followed him, preparing to enter.

At this moment, a sudden change occurred!

A bright light suddenly lit up under everyone's feet!

"what happened?"

"It's a killing array!"

The messy voice sounded immediately.

The rays of light rushed from the ground to the air, and the complex mysterious patterns brightened.

In the great formation, a series of sword lights suddenly emerged, fierce and powerful!

They are intertwined and densely covered into a net of heaven and earth, and they will kill everyone in the big formation!

The next moment, Chang Dongqing and two flew away.

Actually plunged straight into the abyss!

The power of the stars came out from the two of them, fiercely blasting towards the only fish that escaped the killing array.

Xia Xuanfeng suddenly turned his head, his eyes seemed to explode with anger.

"I just said, there seems to be some influential waste watching, it turns out it's you."

[Chapter 5615: The strength of the Second Tribulation Earth Immortal!](#)

"This is your own death!"

As he said, he threw a punch!

boom!

The power of terror surged out in an instant.

Both Chang Dongqing fell into the abyss immediately.

Xia Xuanfeng was reluctant.

He waved his big sleeves, his eyes were cold.

"Dare to attack me? I don't know whether to live or die!"

Xia Xuanfeng flipped his hand to take out a long sword, and blasted Chang Dongqing with a sword, his killing intent was extremely cold!

However, under Chen Feng's manipulation, Chang Dongqing showed no fear.

The power of the stars rushed out, actually wanting to forcibly resist this sword!

Xia Xuanfeng's complexion changed, and the anger in his eyes erupted like a volcano!

In his opinion, this is a provocation!

Zhang Feichong took this opportunity to enter the crowd and committed suicide towards He Haicheng who was trapped in the killing array!

He Haicheng's anger was hard to hide.

While dealing with the endless killing intent in the killing array, he waved his hands and shouted loudly.

"Who are you guys?"

No one noticed that at this moment, not far from them, a golden light flashed.

Chen Feng was full of golden Taoism.

In the blink of an eye, Gong Licheng was also enveloped.

Gong Licheng was taken aback for a moment, and then he heard Chen Feng's voice.

"Don't resist."

Before the words were over, Chen Feng, Mei Wuxia and Gong Licheng quietly disappeared in place!

At this moment, Xia Xuanfeng seemed to be aware.

He suddenly looked.

But it happened to see Chen Feng disappearing.

"There are still fish that slip through the net!"

He was extremely angry, the long sword in his hand flew up, and the sword light slashed out.

A series of complicated and mysterious lines suddenly lit up from the sword.

boom!

Chang Dongqing was actually pierced!

No bones left!

However, it was precisely because of this moment that the three of Chen Feng had successfully left!

In an instant, he teleported thousands of miles away and appeared under the abyss!

As soon as the three of them appeared, Chen Feng suddenly raised his head.

This abyss is too big.

It was dark all around.

However, he could still feel Xia Xuanfeng's gaze in the dark!

This person is too strong!

"With Zhang Feichong alone, he certainly cannot contain this guy."

"We still have to rely on Xuan Jue instant to kill the formation!"

"I hope I can hold back for a while."

Chen Feng's complexion became more solemn, and his hands quickly formed complex handprints!

Above the abyss, Xia Xuanfeng roared again and again.

He just planned to rush directly into the abyss regardless of the people behind him.

However, Elder He shouted.

"Xia Xuanfeng, save us quickly!"

Xia Xuanfeng gritted his teeth, his eyes full of murderous intent!

But still turned around.

The moment he approached Xuan Juesun's killing formation, the formation suddenly shattered.

Chen Feng once again activated the kill formation!

This time, the scope of the big formation expanded again, and it directly enveloped Xia Xuanfeng.

The Xuan Jue instant killing formation was a powerful formation that Chen Feng had seen from Elder Wu.

Enough to suppress the first robbery!

At the beginning, his strength was too weak to watch.

Unexpectedly, it just came in handy now.

The sword beams that were born from the lines of the formation, immediately flew up and condensed into one.

In the blink of an eye, it turned into a huge sword light!

Boom Xia Xuanfeng!

Xia Xuanfeng's complexion changed slightly, and then he hummed softly.

A touch of disdain passed from his eyes.

"Small bugs, still want to trap me? It's just wishful thinking!"

When the words fell, the long sword in his hand had already flown out, and the power of the stars was constantly surging.

The long sword flew into the air, seeming to expand countless times in the blink of an eye.

boom!

The sword light condensed by Xuan Jue Instant Killing Array was instantly shattered!

Under this sword, the entire big formation broke apart every inch!

Click!

The formation pattern that originally exuded endless killing intent, cracks appeared constantly, like a spider web.

However, in the blink of an eye, the entire Xuan Jue instant killing formation was completely smashed by Xia Xuanfeng!

The aura surging, completely dissipated!

Xia Xuanfeng retracted his gaze and looked at the abyss with a gloomy expression

"Dare to ruin my plan, knowing how to live and die!"

After the words, his figure has disappeared from the place.

At the same time, in the abyss, the three of Chen Feng were getting closer to the bottom.

The surroundings became darker and quieter to the extreme.

As long as the Yuan Beast in the sleepy Xuanhuang Town snored like thunder.

In Chen Feng's hand, the black paper kept trembling.

The faint light emitted by it fluctuates constantly, guiding them in the direction.

Near!

Very close!

Beside Chen Feng, Gong Licheng's face also had a touch of excitement that could not be suppressed.

He looked around and was about to say something.

His complexion changed suddenly.

"No, that Xia Xuanfeng killed him!"

Chen Feng's complexion changed slightly before he finished his words.

The inheritance of howling Sirius Star Soul has now become his instinct.

Before Gong Licheng spoke, he had already sensed Xia Xuanfeng's breath.

So fast!

Xia Xuanfeng was indeed the immortal of the Second Tribulation, and even Xuan Jue Instant Killing Array couldn't stop him at all!

"I think you'd better suffer to death!"

"Just rely on you, you haven't even arrived in the fairyland of Lingxu, and you want to count me!"

The sound waves roll, like Hong Zhong Dalu.

As that person rushed, he seemed to tear the void apart!

Chen Feng's face was extremely solemn, and he gave a low voice.

"go!"

Huh!

The golden Dao Yun lighted up again, and in the next instant, they disappeared in place again!

Then, once again appeared thousands of miles under the abyss.

Even Mei Wuxia exclaimed.

She looked down and murmured.

"It's not the end."

At this moment, the black paper in Chen Feng's hand suddenly floated up.

Hum!

Excitedly guided Chen Feng to continue down!

Chen Feng came in a blink of an eye, and then raised his eyes to see, his heart shook slightly.

Gong Licheng also exclaimed.

"Where is this?"

The mountain wall in front of them has been hollowed out.

In front of me is a grotto!

In the grotto, the walls are engraved with mysterious runes one after another.

At this moment, it is clearly visible under the fluorescence of the black paper.

Not only the walls of the grotto, but even from the hollowed out, mysterious runes pervade.

It seems that the whole mountain wall is covered.

Those mysterious runes give people a sense of incomparable simplicity.

Just looking at them from a distance, the three Chen Feng couldn't help being in a daze, as if seeing the ancient scene.

I saw a picture of a powerful monk in the southern wild fairyland.

However, they quickly recovered and looked at each other.

"Elder Gong..."

Just as he was about to speak, Chen Feng's expression suddenly changed and he turned to look.

I saw a magnificent sword light, which was already cut away.

Xia Xuanfeng's figure appeared instantly!

Kill it quickly!

A look of surprise passed in Chen Feng's eyes.

Xia Xuanfeng's speed was even more terrifying than he had imagined.

Worthy of being an immortal of the Second Tribulation!

Thinking of this, Chen Feng narrowed his eyes slightly.

Nowadays, one can only take one step at a time.

He made a decisive step and took Gong Licheng and Mei Wuxia into the grotto.

At this moment, the mysterious runes on the walls of the grotto lit up!

I saw black and white rays of light gushing out of the void, passing quickly in front of them.

[Chapter 5616: Wuya Taoist!](#)

The power of time and space!

The next moment, a light suddenly lit up before Chen Feng's eyes!

He stepped out one step, and his heart was shocked!

It is not as dark as the abyss, but it is also dim.

In Chen Feng's field of vision, everything he could see was full of debris.

Many buildings have completely collapsed.

However, we can vaguely see that this is an ancient city!

There are collapsed houses everywhere, dead!

Compared with the outside world, it is like a new world.

Just as the three of Chen Feng stepped into it.

On the streets and above the broken walls, there was suddenly a light.

It is a mysterious rune no different from outside.

At this moment, ray of light swept out of it and quickly dispersed.

However, in an instant, Chen Feng, Gong Licheng, and Mei Wuxia were already involved, exuding a primitive and mighty meaning.

Chen Feng's complexion changed slightly.

Here, there is a special suppression!

The power of the mighty stars emanating from his body was reduced by half in an instant.

In his star-sea world, more than 300 stars seemed to be cast a heavy shadow.

His cultivation has been infinitely suppressed!

"What a powerful suppressive force!"

He fell from mid-air and landed on the ground, his feet on the ground.

The same goes for Gong Licheng and Mei Wuxia.

"The high altitude here is restricted, you can't take it away!"

Chen Feng said in a deep voice, looking around, a glimmer of light flashed in his eyes.

"I'm afraid, we think that the ancient forbidden land is inside the oasis, but it is actually wrong."

"...This is the ancient forbidden place!"

Both Gong Licheng and Mei Wuxia were taken aback.

Afterwards, Gong Licheng was about to speak.

At this moment, a violent shout suddenly sounded from behind the three of them.

"No matter where you are, today, you must die!"

Chen Feng and Gong Licheng turned their heads at the same time, looking away.

A fierce sword light came head-on!

However, at this moment, mysterious runes lighted up again in the ancient forbidden ground.

Hum!

As soon as Hua Guang came out, he directly swallowed the sharp sword light.

Xia Xuanfeng was taken aback.

The next moment, his face changed drastically.

"Here actually..."

The majestic star power exuding from his body was quickly and severely suppressed.

Xia Xuanfeng suddenly fell down in the void.

Fortunately, he reacted extremely quickly, landed steadily on the ground, and soon calmed down.

He looked at the three of Chen Feng and sneered.

"Unexpectedly, there is such a restriction here."

"But even so, the three of you are definitely not my opponents."

When Chen Feng heard this, he also gave a cold smile.

A touch of fine light flashed in his eyes.

He stepped forward and smiled.

"If we are outside, we must die."

"But here, you will only die..."

Hearing this, Xia Xuanfeng laughed wildly and his face became hideous.

His eyes were full of contempt.

"A trash who has not broken through the fairyland of Lingxu, how dare to speak such a wild word in front of me?"

"I don't know how high the sky is!"

Before the words fell, Xia Xuanfeng's muscles bulged quickly.

The next moment, his feet slammed on the ground, and his body suddenly ejected.

Clenched a fist and blasted towards Chen Feng.

In an instant, Chen Feng also took the initiative to blast forward with a palm, the palm wind was extremely harsh.

boom!

A fist and a palm collided in the air, making a muffled noise!

The two go back a few steps at the same time!

Xia Xuanfeng was a little surprised and looked at Chen Feng.

"Your physique..."

Before the words were finished, suddenly, a trembling sounded!

Hum!

Several people followed the prestige subconsciously.

A dazzling light suddenly lit up on Gong Licheng's body.

The light source comes from a piece of jade in his hand!

The whole body of Yu Jue is white, with extremely complicated lines on his body, and the whole body also exudes an extremely simple atmosphere.

That breath seems to come from thousands of years ago!

Not only that, but this breath seemed to fit well with the mysterious runes around him.

As if born to be one.

Gong Licheng looked towards Chen Feng, and passed the sound into secret:

"This jade jue was originally obtained by accident near the abyss."

"It is guiding us, the strange treasure is just ahead!"

After saying these words, Gong Licheng shot out suddenly and followed Yu Jue's guidance into the abandoned city in front of him.

At the same time, Chen Feng glanced at Mei Wuxia.

Mei Wuxian knew immediately, and did not hesitate to follow in Gong Li's footsteps.

After a few moves, they also stepped into the abandoned city.

"Don't want to run!"

Just as Chen Feng turned and left, Xia Xuanfeng shouted violently.

Another punch came.

Chen Feng avoided the punch sideways, turned around and followed in the footsteps of Gong Licheng.

Xia Xuanfeng looked at the abandoned city, his expression extremely cold.

"This horrible place, even the cultivation base can be suppressed..."

He gritted his teeth.

But, there is no doubt that what he wants should be right ahead.

Xia Xuanfeng decisively followed and stepped into it.

Even if there is a strong cultivation base suppression here, Chen Feng's speed is still extremely fast.

A few jumped and followed Gong Licheng.

The three soon came to the end of the main street of the abandoned city.

In front of them, there was a huge turret!

The whole body was pitch black, full of cracks, and shaky.

I always feel that it will completely collapse in the next moment.

Chen Feng looked over, frowned slightly, and said in a deep voice.

"This turret is a bit weird."

The entire abandoned city, the entire ancient forbidden land, is covered by mysterious runes.

But the turret in front of him, although full of cracks, did not have any runes on it.

This is so unusual!

Gong Licheng and Mei Wuxian nodded again and again, their eyes full of fear.

At this moment, Yu Jue in Gong Licheng's hand suddenly flew up and went straight to the turret.

It seems to want to penetrate the turret.

At this moment, a ray of light lit up in the turret.

This ray of light rushed out from the boundless cracks on the surface of the turret and condensed in the air.

boom!

In the dark, five people, including Xia Xuanfeng, stopped all together.

They can feel that an extremely strong pressure is slowly coming out!

The next moment, the light bursts!

Very bright in an instant.

All five of them closed their eyes subconsciously.

When I opened it again, I saw a figure in a black robe floating above the void in front of the turret.

That was an old man who was dying.

He was lean, with white beard and hair, and even his eyelashes were hollow.

But it was this old man who raised his hand at this time and gently held the flying Yu Jue.

"After so many years, someone finally appeared."

At this moment, Chen Feng looked at the figure, a look of surprise flashed across his eyes.

"senior!"

That black figure is indeed the master of the Golden Pagoda, a Taoist without a cliff!

However, the real Wuya Taoist has long since passed away.

What appeared here was just a clone.

Even so, the power of this clone is strong enough to shock everyone.

Hearing Chen Feng's voice, the clone of Taoist Wuya glanced over.

He saw the black paper in Chen Feng's hand at a glance.

A look of surprise flashed across his face.

"It's you!"

His voice is low.

Then, he raised his eyes to look at Xia Xuanfeng who was chasing him, and snorted softly.

[Chapter 5617: test!](#)

"People from Yunlong Pavilion? After so many years, you are still so arrogant."

"But it's okay."

Xia Xuanfeng frowned with a look of surprise in his eyes.

Before he could say anything, Wuya Taoist waved his sleeve.

A ripple suddenly lit up in the turret.

"The old man knows why you are here."

"But, since I'm here, I have to pass my test if I want to take away the second chapter of the Hyakki Yakku Soul Calling Scripture."

Before the words were over, there was a sound of Hongzhong and Dalu in the turret.

It suddenly became dark in front of everyone.

Even Chen Feng has not yet reacted.

After a while, the eyes finally lit up.

When he opened his eyes again, Chen Feng was already in an open space.

He looked around subconsciously.

No one was around.

Gong Licheng, Mei Wuxiao and others were all absent.

"What a big handwriting!"

Chen Feng frowned slightly, raised his eyes to look forward, and a figure walked step by step.

It is a clone of Taoist Wuya.

At the moment, he is smiling.

Above the old face, his eyes sparkled, and he spoke in a deep voice.

"If you want to get the Six Ways of Reincarnation, you must at least have the strength of Lingxu Earth Wonderland."

However, Chen Feng smiled slightly.

"Senior, how strong the junior is, you have to explore it yourself."

Hearing these words, Taoist Wuya was taken aback, and then he burst into laughter.

"OK!"

"Then let the old man see, where does your confidence come from!"

Before the words fell, the old figure in front of him suddenly disappeared, leaving only the voice echoing.

There was a ripple in the air.

Chen Feng's pupils shrank slightly.

The blood in the body surged rapidly, and a chill spread from behind.

He suddenly turned around.

Whoosh!

The sound of breaking through the air suddenly sounded, and Taoist Wuya missed!

"Hehe, the response is pretty good!"

"But if this is the case, it is not enough!"

The next moment, a whip kick came brutally.

No one could imagine that such a terrifying offensive would erupt from a seemingly dying old man.

Chen Feng gritted his teeth immediately and did not avoid it.

Instead, he blasted a punch head-on.

His punch strength is also good.

However, at the moment when the two collided, an overwhelming force directly knocked Chen Feng away!

Wuya Taoist, too strong!

Even if it's just a clone, it's still too powerful!

I am afraid, it is close to the Holy King Realm...

Up to this point, Chen Feng had already guessed.

Regardless of how many levels are being tested, at least this first level should be a test of the strength of the challenge.

Without waiting for Chen Feng to continue thinking about it, Taoist Wuya had already killed him again.

His speed is amazing!

Even though Chen Feng reacted extremely quickly, he still failed to avoid the punch in time.

Click!

At the shoulder, the sound of bone cracking sounded.

Chen Feng's face turned pale, and the cold light narrowed into his eyes.

He stepped forward, his shoulders full of blood, and he hit the Taoist Wuya!

Physically fighting, he is not afraid!

Taoist Wuya passed a touch of appreciation in his eyes, and smiled faintly.

"Fighting experience is also rich!"

Before he finished his words, his body suddenly disappeared and appeared behind Chen Feng again.

Chen Feng had expected it, and suddenly turned around and threw a punch.

boom!

In this punch, it fell on Wuya Taoist!

The face of Wuya Taoist is as usual, as if not affected at all.

On the contrary, the color of appreciation in the eyes is stronger.

He raised his hand and beat Chen Feng back again and again.

Chen Feng spat out a mouthful of blood.

However, the cold light in the eyes is even worse!

His body trembles slightly, and he has just stopped, and he has already shot out again.

At this time, the voice of Taoist Wuya sounded flat.

"The physical body is indeed strong enough to be called invincible within the territory of the Shifang Dongtian."

"Even the immortal cultivator in the fairyland of Lingxu, who fights for physical strength, may not necessarily be your opponent."

As he said, it was another punch.

Taoist Wuya easily suppressed Chen Feng, and then shook his head.

"Unfortunately, your strength is still too weak."

"Even the Spirit Void Land Wonderland hasn't arrived, even if I give you the Six Paths of Reincarnation, you can't protect it."

Chen Feng's eyes sank.

He refused to accept these words of Taoist Wuya!

However, he didn't want to say a word, just killed Xiang Wuya Taoist again.

The result was naturally easily knocked out.

Wuya Taoist shook his head repeatedly.

There was a touch of helplessness between his brows.

"Give up, your current strength is not qualified for the six reincarnation chapters."

"If the old man gave you the Six Ways of Reincarnation, I am afraid that the world will be in chaos again, and even harm you."

Chen Feng was **** and trembling slightly.

After guarding the tomb for five years and digging up Master Yan Qingyu's tomb by himself, Chen Feng's dictionary has not given up!

What he wants, must get!

Thinking of this, Chen Feng roared, and the weather broke out again.

He raised his eyes to look at the Taoist Wuya ahead, with unprecedented determination in his eyes.

"I, Chen Feng, will never give up!"

At this moment, Chen Feng's faces suddenly passed by.

Jiang Yuechun, Baishanshui, Hua Ruyan...

Five friends killed by Chu Shaoyang!

Even for them, he will definitely get these six reincarnation chapters!

boom!

At this moment, bursts of golden light suddenly lit up on his body.

Taishang Yuqing's Nine Shou Zhen Jue worked hard!

Although his cultivation base was suppressed, he could not use the power of the stars.

However, Dao Yun can motivate part of it!

Chen Feng was overjoyed immediately.

Then he threw a punch without hesitation.

The golden light overflowed, and the punch was covered with golden Dao Yun.

Compared with before, the power is actually a few points stronger!

A touch of surprise passed in the eyes of Taoist Wuya.

While raising his hand, he blocked Chen Feng's fist.

But before he spoke, another punch came.

The light of golden Taoist rhyme became more and more bright at this moment.

Chen Feng's eyes became brighter, and there was even a smile on his face.

Taoist Wuya blocked Chen Feng's punch again and chuckled softly.

"Unexpectedly, you still have these hole cards."

"Also, let me see how strong your combat power is."

Before the words fell, the two fought fiercely again.

This battle is completely different from before.

Previously, Taoist Wuya's clone strength was too strong.

Chen Feng didn't even have the slightest strength to fight back.

However, as time passed, the light of golden Daoyun on his body became brighter.

After that, he not only was able to resist the successive offensives of the Taoist Wuya, and even had a tendency to evenly match each other!

Chen Feng suddenly realized.

"In the Jade Xubaojian that day, Senior Buddha Spiritual had said."

"As long as you thoroughly master the Taishang Yuqing Nine Shou Zhen tactics, you can directly rise to the fairyland of the spiritual virtual land."

"But that's not the point at all!"

At this time, the golden Daoyun turned into a golden light fist, and as he blasted out with one punch, it actually made Wuya Taoist step back for the first time!

The doubt in Chen Feng's heart must be solved at this moment!

The astonishment in Taoist Wuya's eyes became stronger, but he laughed out loud.

"You kid, really impressive!"

[Chapter 5618: The seventh step of the Supreme Yuqing Nine Shou Zhen Jue is to guard Qingjing!](#)

Then, another palm blasted out!

This palm is more direct and neat than all previous moves!

But also more powerful!

Obviously it is only the power of the flesh, but it seems to be able to cover the sun and the moon!

He wants to use this palm to completely shatter Chen Feng's confidence!

However, Chen Feng smiled slightly when he saw this, and his golden Dao Yun suddenly burst into bright light!

"The power of Tao Yun is far more than that!"

"My Taoist rhyme can transform all things and remove all kinds of offensives!"

"As long as I am strong enough, I can even condense a certain range of domains, which belong only to my domain!"

Chen Feng whispered softly, and then, the sharp light in his eyes suddenly lit up.

At this moment, his understanding of Tao Yun finally made a breakthrough!

The Great Perfection of Shou Yi Jing!

He stepped forward.

Officially enter the seventh stage of the Supreme Yuqing Nine Shou Zhen Jue, Shou Qingjing!

At this moment, Taishang Yuqing's Jiushou Zhen Jue worked to its extreme.

The golden rhyme of Taoism is scattered outwards from Chen Feng as the center.

Condensed into a space instantly!

Although it is only ten meters in radius, within these ten meters, there is only Chen Feng's own rhyme!

This is his domain!

In this domain, the prohibition of the ancient forbidden land suddenly disappeared.

Chen Feng's cultivation has been restored!

More than three hundred stars in the Xinghai World all lit up, and the power of the stars burst out wildly.

The Supreme God Demonizing Dragon Art also operates autonomously.

Taoist Wuya was already close to Chen Feng's punch, but suddenly he took it away.

He was extremely surprised.

"This...you actually have the supreme blood?"

With a long sigh, he suddenly drew back several tens of meters to face Chen Feng.

The face of Wuya Taoist is extremely complicated and seems to have thoughts.

Chen Feng was taken aback for a moment, and then he was shocked.

"Senior, do you know my blood?"

Although he knew he had the supreme blood, he didn't know the specific situation.

The Taoist Wuya nodded slightly, and his voice was extremely solemn.

"The supreme bloodline is the strongest bloodline of the heavens and all realms!"

Hearing this, Chen Feng's heart was shocked!

The strongest blood of the heavens and all realms!

His life experience is probably more complicated than he thought!

Just about to continue to inquire, but at this moment Chen Feng's mind was tingling, and his eyes suddenly went black.

When Chen Feng recovered, he had already reached his spiritual world.

He was dragged into his spiritual world by Wuya Taoist clone!

How powerful is this Wuya Taoist!

Chen Feng was extremely shocked.

In the spiritual world, the golden spiritual power is surging like an endless ocean.

Wuya Taoist stood with his hand in his hand, standing not far away.

He looked at the sleeping Immortal Mo Rin and the Bihai Ziluocao with only one branch, his eyes filled with sigh.

"As expected to be... the son of that man, even if..."

"But it's terrifying to be able to do this!"

Upon hearing this, Chen Feng's mind was slightly shocked.

These words of Taoist Wuya clearly know who his parents are!

However, before Chen Feng could ask any questions, Taoist Wuya had already looked into the distance and shook his head.

"Don't ask me, with your current strength, knowing more is not good."

"Even, it will cause death!"

Chen Feng had long expected this remark.

He looked at Taoist Wuya and smiled bitterly.

"In the old days, there was an old man named Huanglin Old Man who made the same statement."

"He also told the younger generation that in the future, he can go to the Xihuang Guixian Xianzong to get a glimpse of the truth."

The Taoist Wuya in front of him seemed to raise his eyebrows when he heard the name of the old man in the deserted forest.

It looks like something has been thought of.

"He was right."

"When your cultivation base is higher, you can indeed go there."

Having said that, Taoist Wuya laughed.

"As early as a million years ago, Guixu Xianzong was already a super grade immortal door!"

"Time has changed, and I don't know how much it has grown."

"If you can enter the inner sect and become the strongest disciple of the inner sect, then you are qualified to see the truth."

Upon hearing these words, Chen Feng trembled fiercely in his heart.

Only by becoming the strongest disciple of Guixu Xianzong will you be qualified to see the truth!

What level of news is this!

Is the world so unattainable?

Chen Feng was silent for a long time.

When he raised his eyes again, his face once again showed determination and confidence.

Since even Taoist Wuya said so, this Guixianzong is definitely going to go.

However, thinking of what the Great Desolate said that day, Chen Feng couldn't help but smile.

The top of the sky issued a task.

Within fifty years, it is necessary to prevent the powerhouses of the three super-grade immortal gates of the Western Regions from rushing into the Eastern Desolation and breaking through the top of the sky.

Among these three super-grade immortal gates, one of them is Guixu Xianzong!

He and Guixu Xianzong must be hostile!

There is only one way to catch the news and complete the mission of guarding the top of the sky.

That is to become stronger!

Strong enough that Guixu Xianzong had to pay attention to it!

So strong that even if it is revealed afterwards, he is still strong enough to stop the three super-class immortal masters!

There is a long way to go.

Chen Feng smiled, and then returned to his senses.

Suddenly, he thought of something and looked at Taoist Wuya.

"Senior, come with me."

Before the words were over, Chen Feng led Taoist Wuya to the depths of the golden spiritual world.

That is an undeveloped place.

There is only a golden chaos.

However, passing through this chaos, a huge wall appeared in front of you!

It was a golden seal that looked like a huge one!

Complex and mysterious lines are all over it.

The oncoming simplicity and solemnity made Chen Feng feel uncomfortable every time he approached.

This continuous golden seal is extremely thick and tall.

It is so majestic, as if eternal life is difficult to cross.

This is Chen Feng's memory seal!

At the beginning, he defeated the golden seal very hard.

But found that after one layer, there is another layer!

Chen Feng pretended to be calm.

"Since the predecessors are here, why don't you help me break this seal?"

Taoist Wuya raised his eyes to see this sealed wall, and a moment of shock flashed in his eyes.

Hearing what Chen Feng said, he came back to his senses.

"You kid, don't think that the old man doesn't know your thoughts."

"But the old man still said that, let it be."

"With your current strength, knowing too much will hurt you"

Hearing this, Chen Feng knew he couldn't force it.

But, one day, he will personally reveal all the secrets in his body.

Taoist Wuya glanced at this golden spiritual world again, and nodded in satisfaction.

The next moment, the two returned to the turret again.

Chen Feng glanced.

On the ruins of a broken wall not far away, the three of Mei Wuxia are struggling.

Everyone was surrounded by a layer of silver gods.

Mei Wuxia was swinging a sword, Gong Licheng hugged his head in both hands, shouting in pain.

And Xia Xuanfeng has a hideous face, sometimes fearful, sometimes desperate...

Before he could speak, Taoist Wuya said lightly beside him.

"The old man took away the six reincarnation chapters just to avoid chaos."

"Therefore, now it is natural not to fall into the hands of others at will."

[Chapter 5619: The Six Paths of Reincarnation, get it!](#)

Chen Feng heard the words and looked over.

I saw the avatar of Taoist Wuya standing with his hands in his hands, looking at the four people not far away, his expression indifferent.

"I arranged a triple test."

"The first level is combat strength."

"Without enough strength, how can you protect this thing?"

"The second level is a test of mental power."

"The cultivation of these six reincarnation chapters requires a strong mental power. The spiritual power is not strong enough, and it is useless to give it."

"The third level is xinxing."

"If the character is bad, how can the old man feel relieved to hand over this thing easily?"

Speaking of this, he smiled slightly and looked at Chen Feng.

"Since you have a clue that the deity stayed in the Hundred Ghosts Soul Recalling Pagoda."

"I must have seen the old man's original body."

Chen Feng nodded.

"Senior's original body used to be in the Golden Pagoda, talking to me over a million years."

"At that time, I promised to resurrect seniors in the future."

Hearing this, Taoist Wuya smiled slightly.

He seemed to have expected it, and waved at Chen Feng.

"When I saw you for the first time, the old man saw that you have a lot of cause and effect."

"Sure enough."

The next moment, a loud noise suddenly rang in Chen Feng's ear.

boom!

The turret in front of you collapsed!

That huge turret turned into star-dotted black light in an instant.

And those weird rays of light flocked to Wuya Taoist clone!

Hum!

In an instant, I saw a scroll of black ancient books suddenly appeared in the hands of Taoist Wuya.

The surface of the ancient books is pitch black.

The whole body exudes an extremely evil feeling!

This turret turned out to be...

Taoist Wuya stretched out his hand and handed it to Chen Feng.

His face was solemn and his voice was low.

"This is the second chapter of the Hyakki Yexing Soul Calling Scripture!"

"Six Paths of Reincarnation!"

Chen Feng was extremely excited.

He stared at the ancient book stubbornly, and his extended hand trembled slightly.

ecstatic!

After working hard so far, I finally got the second chapter of this Hundred Ghost Night Calling Souls, the Six Paths of Reincarnation!

This article is deduced by Wuya Taoist with great supernatural powers!

On the basis of the original Hyakki Yexing Soul Calling Scripture, it went further.

It is also what he has been searching for for a long time!

Finally got it!

The reincarnation of five relatives and friends is just around the corner!

Chen Feng couldn't wait and looked down.

As soon as I opened the ancient book, a series of extremely hideous fonts fell into my eyes.

The font is extremely evil.

Upon closer inspection, there are countless ghosts roaring between the sketches!

However, as soon as he read it, the smile on Chen Feng's face weakened.

The more he looked down, his complexion became heavier.

Although I got the Six Paths of Reincarnation, it is still extremely difficult to reincarnate!

Because, in this second article, the most important thing is to arrange a big formation!

Zhenwu Chiyang returns to the soul!

But if you want to set up this soul formation, you need a lot of materials!

Each piece is extremely rare!

Celestial profound spirit stone, holy yuan soul fruit...

Chen Feng has never heard of it!

I don't know if there are any of these things in the giant towers of the Buddhist scriptures on the top of the sky.

In addition, we also need the blood sun nourishing soul flower, the blue sea purple Luo grass...

Chen Feng does have these.

But, not enough!

There is only one branch of Bihai Ziluocao now, which is not enough to reincarnate five relatives and friends.

What's more, Immortal Mo Rin also needs it!

It is also needed to revive Taoist without cliff!

Thinking of this, Chen Feng couldn't help smiling.

The road to rebirth is too difficult.

There is still a long way to go before returning relatives and friends to life.

However, he quickly regained his confidence!

After all, he has completed the most difficult step-to get the second chapter of the Hyakki Yakou Soul Calling Scripture!

He found all the six reincarnation chapters, and those treasures of heaven and earth will be found sooner or later!

Chen Feng temporarily left those things behind.

He suddenly thought of something, looking at the avatar of Wuya Taoist, his brows were slightly frowned.

It's strange.

The Six Paths of Reincarnation was created by Wuya Taoist.

The one in front of me, even if only a clone, is much stronger than Chen Feng.

To resurrect, why not do it yourself?

Could it be that there are hidden secrets?

Thinking of this, Chen Feng asked tentatively.

"The Six Paths of Reincarnation Chapter was created by the predecessors."

"Can't seniors do it by themselves?"

Hearing this, Taoist Wuya's clone was taken aback.

Then he smiled bitterly and shook his head.

Looking into the distance, he sighed.

"Back then, the original mind and body knew that he was about to die, and ordered me to guard the Six Paths of Samsara."

"After a while, I watched the Southern Wasteland collapse with my own eyes, and everything I passed was barren and destruction."

"At that time, I paid a great price, but I just protected an oasis."

Chen Feng took a breath as soon as he said this.

The big formation under the entire oasis was also arranged by Taoist Wuya!

"My clone has been recuperating for countless years, but I can only guard it here."

"And the entire Southern Wilderness, there is no longer any necessary materials."

Hearing this, Chen Feng's doubts were dispelled.

That's it.

Taoist Wuya smiled slightly and looked at him as if he had seen through his thoughts.

"Now, since you have passed the test, you have got the six reincarnation chapters."

"There is no need for others to test."

"Just leave by yourself."

Seeing him standing with his hand held, Chen Feng didn't seem to have any intention of leaving.

Thinking quickly for a moment, he stepped forward and asked.

"Senior, why don't you walk with us?"

"In this way, not only can you continue to guard the Six Paths of Reincarnation, but you can also continue to supervise the younger generation."

Hearing this, Taoist Wuya was taken aback for a moment, and then laughed out loud.

He looked at Chen Feng, and he appreciated a little more at this time.

"You kid, you are smart enough."

He looked at the entrance of the ancient forbidden area, his eyes filled with jokes.

"That little guy is about to wake up."

"There are still many immortal cultivators from the Western Wilderness who are groping for the entrance outside the grotto at this moment."

"If there is no old man, I am afraid you will not be able to get out alive at all."

This is indeed what Chen Feng considered.

The little guy in the Wuyadao population is an original beast in Xuanhuang Town.

He Haicheng and others naturally broke into the abyss with the collapse of the killing array.

At this time, it hasn't appeared for a long time, and it must be the protection of Taoist Wuya.

"Well, that old man will walk with you temporarily."

"I hope you don't let the old man down."

After all, Wuya Taoist waved his hand.

The silver halo that enveloped Mei Wuxia and others' bodies suddenly disappeared.

Puff!

Three dull sounds.

The three of them staggered to the ground, and the expressions on all of their faces gradually recovered.

Taoist Wuya looked at the figures of those few people and said lightly.

"You can go now."

The cold light in Chen Feng's eyes was restrained, and the Qingqiu Tianlong Sword in his hand was already in his hand.

"Before I leave, I have one thing!"

Before, Xia Xuanfeng was even better than Chen Feng, no matter outside or inside here!

It is almost impossible for Chen Feng to kill him!

But now is a good opportunity!

Just look at how strong Dao Yu is!

[Chapter 5620: escape!](#)

In an instant, Chen Feng's murderous intent surged out.

The avatar of Taoist Wuya knew what he looked like.

He smiled faintly, standing aside without any movement.

Chen Feng's golden Dao Yun suddenly lit up.

Hum!

Self-centered, it instantly condenses into a golden space!

Dao domain!

At the moment when Dao Domain was formed, more than 300 stars in Chen Feng's Xinghai World instantly lit up!

The power of the majestic stars surged out and poured into the knife in his hand in the blink of an eye.

"Too high to punish God!"

Chen Feng stepped out and came to Xia Xuanfeng in an instant.

Cut out in one fell swoop!

The mysterious runes in the ancient forbidden ground suddenly lit up.

It seems that Chen Feng will continue to be suppressed.

But, useless!

The white blade light passed in an instant, and it had already blasted towards Xia Xuanfeng.

Who knows, at this moment, Xia Xuanfeng opened his eyes suddenly!

Originally, he was about to pass the third test.

Unexpectedly, the picture before him suddenly disappeared.

But when I opened my eyes, I saw Chen Feng's sharp sword light attack.

Xia Xuanfeng's pupils suddenly shrank!

"Ant, you dare to kill me!"

His roar has not yet fallen, his hands instinctively shoot two palms.

But, he forgot!

There is a strong suppression here!

At this time, Chen Feng was able to resist the restriction.

"puff!"

The silver light suddenly exploded.

Xia Xuanfeng's body was almost split in half, bloody!

He flew out, spit out a big mouthful of blood, and his breath suddenly slumped.

"how is this possible....."

Xia Xuanfeng stared at Chen Feng, his face full of surprise.

The anger in his eyes seemed to swallow him alive!

"Why don't I dare?"

Chen Feng yelled, but a look of surprise passed in his eyes.

Unexpectedly, Xia Xuanfeng's physical body was actually so powerful.

Under suppression, he could not die with a single blow with all his strength!

Worthy of being the immortal of the Second Tribulation

But, despite this, this man will kill today!

In Chen Feng's eyes, endless killing intent shot out again.

He stepped out, and the golden Dao Yun once again illuminated the powerful Dao domain.

If you don't die, you can get two!

"Today, you must die!"

Looking at Chen Feng coming with a knife, Xia Xuanfeng's heart was chilled.

The situation is extremely bad for him!

Xia Xuanfeng retreated violently, suddenly turned his head to look at Taoist Wuya, and shouted.

"Senior, I will be tested together, now he wants to kill me, don't you care?"

Hearing this, Wuya Taoist is still unmoved.

Standing with his hands behind, he looked over and smiled coldly.

"He passed the test, but you failed."

"He wants to kill you, what does he do to me?"

Hearing this, Xia Xuanfeng's heart trembled.

Before the words of Taoist Wu Ya, Chen Feng blasted out again.

boom!

When it was said that it was too late, Xia Xuanfeng almost crushed his teeth.

At this moment a certain decision was made.

In the silver light, he flipped his hand and took out a scroll.

This scroll is purple-red and exudes a breath of incomparable mystery.

On its surface, you can see a pattern of black and white lines.

That is the power of time and space!

Click!

With a crisp sound, the scroll was opened and quickly shattered into powder.

However, there was a sudden wave in the void.

A purple ray suddenly surged out of his hand.

Condensed into a light gate in midair!

Xia Xuanfeng dragged the remnant body, speeding up to the extreme and stepping into it.

Before leaving, he suddenly turned his head and looked at Chen Feng.

Killing in his eyes seems to freeze everything.

"Chen Feng, right? You wait for me!"

"I am not going to die, it will be you who will die in the future!"

What responded to him was a huge golden light fist.

boom!

The light gate disappeared instantly at this moment.

Only echoes were left.

As soon as Chen Feng punched out, only a piece of blood was spilled on the spot.

Escaped!

With such great supernatural powers, he can escape from this ancient forbidden place.

He looked at the direction where Xia Xuanfeng had disappeared, and smiled.

"Next time we meet, I will never die."

Chen Feng's eyes were full of confidence.

"Brother Chen Feng!"

At this time, Gong Licheng and Mei Wuxia finally rushed over.

Mei Wuxia ran quickly.

Gong Licheng was looking at the scene just now, and his heart trembled.

Obviously, Chen Feng has broken through again!

He looked at Chen Feng and was about to speak.

Chen Feng smiled softly.

"I have already got the Six Paths of Reincarnation..."

Before he finished speaking, he flipped his hand to take out the six chapters of reincarnation, and was about to show it to Gong Licheng.

Hearing this news, Gong Licheng was immediately ecstatic.

Everything else is temporarily forgotten.

Who knows, he was about to take it, but a dark shadow dangling in front of him.

Wuya Taoist clone appeared and came between the two.

He said with a cold face

"Only Chen Feng has passed the test. Only he can read my reincarnation technique."

Hearing this, Gong Licheng's heart sank cruelly.

His complexion was immediately extremely ugly.

Chen Feng also did not expect that this happened.

He frowned.

The atmosphere suddenly became extremely tense.

Gong Licheng's face gradually became gloomy.

He stood still, his body gradually tightening.

Although he didn't say a word, Chen Feng understood.

The reason why Gong Licheng agreed to cooperate with him was because of Chen Feng's promise.

He promised to share these six reincarnation chapters to help Gong Licheng also resurrect those who want to resurrect.

For this reason, he even made an oath in the name of the Lord of Heaven...

Thinking of this, Gong Licheng gritted his teeth.

If Chen Feng leaves at this time, or kill him like Xia Xuanfeng.

He can't even fight back!

However, unexpectedly, Chen Feng met Gong Licheng's gaze calmly.

He pondered for a moment, then seemed to have made a certain decision and smiled slightly.

"The Six Paths of Reincarnation cannot be read by you, which is really unexpected."

"But, I can help you resurrect those who want to resurrect."

"what do you think?"

In fact, after Taoist Wuya said those words, Chen Feng thought of this.

Anyway, he is going to be resurrected, there are already six people.

Not bad for Gong Licheng's.

Moreover, in this way, Gong Licheng will surely become his closest ally.

In order to help Chen Feng successfully resurrect those people, he will do his best to ensure Chen Feng's life is safe.

The Taoist Wuya on the side raised his eyebrows when he heard the words, without stopping.

Gong Licheng didn't expect Chen Feng to be like this.

He pondered for a moment, seeming to have some doubts about the assurance of the person in front of him.

Chen Feng saw his hesitation and said lightly.

"I, Chen Feng, do what I say."

"As long as I live, I will definitely help you resurrect those who want to resurrect."

Having said that, Gong Licheng could only nod his head.

"So, in the future, I will find the materials I need to protect you."

Gong Licheng never knew what Chen Feng said.

But there is no other way.

If not, the two would have turned their faces.

He would be killed by Chen Feng on the spot, let alone resurrecting others?

Chen Feng smiled slightly.

"Then, first of all, I have something that needs your cooperation."

As he said, he turned his head to look at Taoist Wuya, his eyes flickering.
