

Permit Me 1011

Chapter 1011 The second bullet!

The LCD TV behind Secretary Zhou lit up again. As the opening scene was broadcasted silently, everyone could tell that they were in a hospital this time. There were only two kinds of people walking back and forth in the corridor, patients and doctors.

As the camera moved, it was aimed at a nurse who was walking by in a hurry.

A voice behind the camera asked her what she thought of the recent news on the internet. She wondered if Liancheng Yazhi's fiancée should fire aunt Lu.

In the end, the young nurse said without even thinking, "That goes without saying. That kind of person will be fired no matter where she goes. There's a bunch of morons online who don't know anything and start acting like a Taoist and criticizing everywhere. If that kind of employee were in their house, let's see how long they can tolerate it. Don't tell me that it's a doctor's duty to save the dying and heal the injured. Our hospital's treatment and saving people has nothing to do with her being fired. I'm only saying that in terms of how she conducts herself in society, What I did was completely unacceptable, Yingluo. I'm still waiting to change the patient's medicine, so don't follow me anymore, Yingluo."

The camera switched to a Ward. This time, it was a young mother who was holding her newborn child.

the pregnant woman's face was chubby, and when she smiled, her eyes would be gone. that aunt Lu, when she first came, I thought she was her mother-in-law. Otherwise, why would she be so arrogant? later on, I found out that she was just a servant, but servants are not like her. People gave her money to take care of a pregnant woman, but I didn't see her help with anything. All she did was order a pregnant woman who was about to give birth to take care of her. She even asked people to wash her clothes with cold water. She was so embarrassing. I couldn't bear to look at her directly. Once, I couldn't stand it and said, "in the end, she criticized us and scolded us for a few days. her voice was so loud that everyone on the entire floor knew about it. we could just ask anyone and everyone would remember her. the impression she left on us was simply too deep, yingluo."

"Even though death is the most important thing, we don't think it's wrong to fire her. No one can afford to use an Empress Dowager like her. After being fired, she was so angry that she couldn't even catch her breath. That's her fate. To be honest, I don't think it's her business, ran ran."

The middle-aged woman who was taking care of the pregnant woman was her mother. She said, "I'm here to take care of my daughter. I'll even boil warm water for her to wash her face, let alone wash her clothes with cold water. I'm afraid it'll get cold and hot. That aunt Lu is good. She'll pour tea, wash clothes, and wash fruits before she gives birth, but she just gave birth. It hasn't even been a day, and she's so weak that she can't get out of bed. She insists that Xiao Gu wash her shoes. If she doesn't, she'll carry the baby out of the house. The child was pinched a few times. She's not human. I'm suspecting if she's crazy."

"She wouldn't be sad if it wasn't her own daughter. I felt sad when I saw her. If ran xiaogu's own mother knew about this, she would be heartbroken! That old woman

brought this upon herself. Anyway, he's dead. We, who have seen all her actions in the hospital, don't feel sad."

After the LCD TV was turned off, the reporters present were silent. No one said a word, and they even forgot to press the shutter of their cameras.

Chapter 1012 It would only improve their relationship

Secretary Zhou smiled and asked them, "what are your thoughts after reading this?" or do you have anything to say?"

Still, no one said anything. Secretary Zhou continued to smile. Although the movie just now did not look too shocking, it captured two points: pregnant women and newborn babies.

These two were the most likely people to arouse people's sympathy. They were the starting point, revealing some small things, and slowly accumulating them, they could make people think of some images.

For example, aunt Lu's arrogant and domineering face.

Secretary Zhou said, "I'm sure everyone knows why our young Madam fired aunt Lu. We paid her to take care of a pregnant woman, but she treated herself like an Empress and asked a pregnant woman to take care of her. She even asked a pregnant woman who had just given birth less than a week ago to pour her tea and water. She even used cold water to wash her clothes. How could our young Madam not be angry when she found out?"

"Put yourself in her shoes. If your daughter had given birth and you found a nanny for her, but not only did the nanny not take care of your daughter, but she also ordered your daughter around like a servant, what would you do? Was she going to keep him, pay him, and let her continue to be the Empress Dowager? Or should we just chase them away?"

of course, if you don't believe me, you can go to the hospital to verify it. You can basically find out everything about aunt Lu.

Secretary Zhou stood up with a serious expression on his face. you're all reporters. Everyone has a scale in their hearts and should have the conscience of a reporter. You should report as it is and not blindly confuse the public and distort the truth.

"Yes, aunt Lu is dead. Do you think she's pitiful? But does my young Madam really have to take full responsibility for her death? Don't tell me that she shouldn't be fired?"

once again, I would like to tell everyone not to be blinded by the unscrupulous media and not to believe in the current media. There are some media outlets that have completely lost their public morality. [rongyan: why do I feel so shy when I hear this?] it's as if we're particularly moral and "righteous" "? "

today's press conference will end here. Thank you for coming. Secretary Zhou bowed to the reporters and was about to leave.

However, he was stopped by a few reporters before he could get off the stage.

May I ask if this incident will affect Mr. Liancheng's feelings for his fiancée? ”

Secretary Zhou felt that this question could still be answered, so he said, no, young master ya will only believe in young Madam no matter what. This incident will only make their relationship better. excuse me, ” another reporter asked. how will you treat the media that reported the fake news about Mrs. Liancheng? ”

Secretary Zhou rolled his eyes. Uh, yes, this seems to be an answer.

He said righteously, ” our President cherishes the young Madam very, very much. He will not allow anyone to hurt her for no reason. Regarding this, we have reserved all means of investigation. As long as it is within the law, we will not reject any means of investigation.

Secretary Zhou's words made many people gasp.

These words sounded refined, but they were really domineering. As long as it was within the scope of the law, it did not exclude any means? how terrifying was that? There were many methods that were allowed by the law.

Chapter 1013 Revenge is a must!

Secretary Zhou's meaning was already clear. They would take revenge and would not let any of Wanwan off.

this made the media, who were involved in the defamation incident, feel uneasy.

As for those who didn't participate, they began to rejoice.

just as she was about to leave, someone asked another question that secretary zhou wanted to answer.

“May I ask why Mr. Liancheng didn't come out and explain himself today?”

Secretary Zhou laughed. our young Madam has been seriously hurt by the rumors that you have spread. Therefore, young master ya needs to compensate her. Are you satisfied with this answer? ”

“It's very late, I still have to go see my boss. Everyone, you can leave now and go back to write your articles. I hope that tomorrow's news will be based on the facts and the truth.”

After Secretary Zhou finished speaking, he asked the security guards to open the way and stop the reporters.

after leaving the venue, secretary zhou heaved a huge sigh of relief.

Damn it, Yingying finally finished her session. He was so nervous at the venue, really afraid that something out of control would happen!

At this time, as long as the press conference could be held smoothly, it was equivalent to winning half of the game!

Secretary Zhou quickly gave Liancheng Yazhi a call. young master ya, it's done. It's going smoothly. Now, it's up to the technical side to create momentum on the internet.

Liancheng Yazhi was satisfied. yes, I saw it. You did well this time. When this matter is resolved smoothly, I'll give you a few days off during the new year.

liancheng yazhi showed mercy, and secretary zhou almost jumped up in joy when he opened his mouth. he could finally have a holiday. this was what he had been thinking about for a long time!

“Thank you, young master ya. Thank you, Yingluo.”

Liancheng Yazhi had just thrown his phone away when Rong Yan pounced on him and grabbed his neck, asking, “hubby, were the clips that were played just now real?”

Secretary Zhou had asked someone to install a camera at the venue so that Liancheng Yazhi could directly see it, which was equivalent to a live broadcast.

The press conference was actually less than half an hour long, but during this time, Rong Yan's mouth was so wide open that she could barely close it.

Isn't this too shocking?

The words of those involved really made people feel cold in their hearts, and there was also some inexplicable anger (╯)#. They wanted to find someone to vent their anger on.

Liancheng Yazhi hugged her as they lay on the long sofa. maybe, maybe not. When you see Secretary Zhou later, ask him and let him tell you.

Rong Yan clenched her fists. if it's true, that aunt Lu really deserves to die. If it's fake, then Wanwan, Secretary Zhou, don't be your Secretary anymore. You might as well be a scriptwriter. You'll definitely be popular.

In any case, the press conference arranged by Secretary Zhou fully showed that he had the potential to be a director, scriptwriter, and actor. He could arrange the scenes in an orderly manner, deepen them layer by layer, make up short stories that were so deeply rooted in the hearts of the people, and even answer the reporters' questions without any flaws.

This press conference was basically turning Rong Yan's life around.

Liancheng Yazhi didn't want Rong Yan to mention Secretary Zhou again, so he said, in another five minutes, the technical team will upload the first video that was secretly recorded on the scene onto the internet. We have to make good use of this time. It can't be too early, and we can't let others get ahead of us. When the video is released, the internet will be in chaos.

“Then, Yingluo, can we win like this?” Rong Yan's eyes flashed with excitement.

Chapter 1014 i will protect you forever!

Liancheng Yazhi kissed her forehead. of course you can. We won't lose. We will always be blessed by victory! No, I'll always protect you.”

Rong Yan smiled, and her eyes seemed to contain thousands of stars. Her smile filled her face. I believe you, Yingluo.

Suddenly, Liancheng Yazhi changed the topic. “I've asked someone to take a look. The 21st of this month is the 19th of October in the lunar calendar. It's an auspicious day. Let's go and get our marriage certificate, shall we?”

The smile on Rong Yan's face instantly froze. She didn't understand what was going on at all. "Eh? Register for marriage? Why so suddenly?"

what do you mean by suddenly? didn't you already promise me? "

"I agree? When? why didn't I know about it?" Rong Yan thought hard, but she still couldn't remember when she had agreed to Liancheng Yazhi.

"You promised me before you went to bed last time." liancheng yazhi said it matter-of-factly and did not mention what the situation was at that time.

"Did I?" Rong Yan

"Of course I do."

"But, are we going to register our marriage now?" liancheng yazhi's suggestion was too sudden. rong yan was not ready for it, so she was a little confused now.

Liancheng Yazhi tried to persuade her. we're only short of a marriage certificate and a wedding. We won't hold a wedding for now, but we have to get the marriage certificate, right? otherwise, I won't feel at ease.

But in the end, it would still make him feel that it was real and nameless. He would not be at ease if he did not put every step into practice.

Especially when su Yue ran out earlier.

This rang an alarm bell in Liancheng Yazhi's heart. He had to get this done as soon as possible. As long as he had the marriage certificate in his hand, no matter how many people came, he could swagger and say, " This is my wife. Don't you dare try to steal my wife. I'll kill you!

rong yan glanced at him and said,"what's there to worry about?" we're no different from how we were after we got married."

In any case, Rong Yan felt that her current life was pretty good. Her child already knew how to play soy sauce, and she was living a proper 'married life'. Whether she had a marriage certificate or a wedding, it was no longer important to her.

She had been reborn from the tragedy of her previous life and was lucky enough to have a second chance. It was heaven's blessing that she could have the happiness she had now.

Therefore, Rong Yan was very satisfied. She wouldn't ask for more Huahua.

Liancheng Yazhi continued to whisper in Rong Yan's ear, " I'll have to collect it sooner or later anyway. I might as well collect it this month. What do you think? "

Rong Yan wasn't very interested in this matter. let's talk about it later. We have to solve this matter, right? "

"It's okay, I'll be done in a few days."

Liancheng Yazhi kept talking endlessly into Rong Yan's ear until he said, " "Baby, you can't wait until after our second child is born to talk about marriage, can you?"

Chapter 1015-shocking reversal

Rong Yan was stunned for a moment and looked down at her stomach. Although she had not had a second child yet, she and Liancheng Yazhi had already tacitly put the second child on the agenda. If there were no accidents, it should be very soon with their future efforts.

When Meowmeowmeow was born, she was still in Liancheng Yazhi and didn't know about it. The child naturally looked like a fatherless child to outsiders. When she was born, there was no name in the Father's column.

If the second child was born, then Wanwan would have to let Liancheng Yazhi write his name in the column when he was born.

"Alright, I'll listen to you." Rong Yan nodded.

.....

After the video of the press conference was released on the internet, coupled with the operation of the Liancheng group's technical department, a large wave of ordinary people who stood on Aunt Lu's side gradually began to move to Rong Yan's side.

However, the other side's camp had obviously increased their strength, and the two forces had launched a tug-of-war on the internet.

However, at 9:31 am the next morning, the most well-known portal in the country published a one-minute interview video of Gu Hesheng. This short video instantly reversed the situation.

In the interview, Gu Hesheng was dressed in a black and solemn Tang suit. His expression was gentle, but there was a trace of sternness in his eyes. He said, Liancheng Yazhi's fiancée is my last disciple. I've never accepted a disciple when I'm over fifty years old, but I made an exception when I'm old. It's not because she's outstanding or how big the Liancheng Group behind her is, but because everyone knows that my eyes are used to appraise treasures. It's the same for people. My eyes automatically appraise everyone who walks past me. Rong Yan was the first girl to let me see her and feel that she's a treasure. Her quality is unquestionable.

Gu Hesheng's words were worthy of scrutiny. Firstly, he did not mention any negative news about Rong Yan at all, and he did not blame anyone.

However, it was clear that everyone was conveying a message: He, Gu Hesheng, had kept a low profile for most of his life, but he had stood up for Rong Yan. This was enough to show how much he valued this brother of his. Moreover, he said that his eyes were used to identify treasures. He identified Rong Yan as a treasure with an unquestionable quality. At the same time, he was also saying that he completely believed in Rong Yan and would not allow anyone to belittle or slander her.

Because of Gu Hesheng's authority in the academic world and his low-profile character, many authoritative figures in the academic world stood on his side and supported him.

Every authoritative figure had a certain amount of influence. When these influences were gathered together, they formed a force that could not be ignored.

Therefore, after this short video had fermented, the situation on the internet began to reverse.

The comments section was almost completely occupied by Rong Yan's side, and all of them joined in the ranks of condemning aunt Lu.

[you won't even let go of your own daughter-in-law. You animal, you deserve to die.]

[I'm also a pregnant woman, and my whole family cares about her. If my family hired such a nanny, my family would beat her to death before she died.]

[you deserve it, old witch. Death is not enough for you.]

[the people of xxx province have sent an order of commendation. Thank you-Mr. Liancheng's fiancée-for getting rid of such a scumbag for our people!] you have made a contribution to the maintenance of social order, and are hereby commended!

Chapter 1016 I can't be jealous of my father-in-law

rong yan laughed after reading all the comments below. she wasn't laughing because those comments were funny, nor because they were all speaking up for her.

Instead, he felt that the netizens who were manipulated by public opinion were actually quite pitiful. Many people on the internet couldn't even tell the truth from the lies.

however, rong yan was still very touched after watching gu hesheng's one-minute video. his words were so calm, but the trust he had in her was extremely firm.

Rong Yan asked Liancheng Yazhi. why did you even find Gu Hesheng and trouble him? aren't you afraid that you won't be able to pay him back in the future? "

"I didn't look for him, he came to look for me. Although ordinary people don't know much about him, he's not a person who's easy to deal with. However, he has a lot of authority in the upper echelons. If he can speak up and help, it will indeed calm this battle of public opinion very quickly. You see, the effect is very obvious, isn't it?"

The smile on Rong Yan's face faded a little."He's Qianqian, and he's looking for you!"

If that was the case, then she would owe Gu Hesheng a lot more. The guilt in her heart accumulated all at once.

Because Liancheng Yazhi's back was facing Rong Yan and playing with MeowMeow, he did not see the change in Rong Yan's expression. He laughed and said, " "Yeah, he cares so much about you that I'm starting to get jealous Again. What should I do?"

"Why don't I see you being jealous?" Rong Yan walked over.

Liancheng Yazhi blinked at her. because I'm always consoling myself that it's okay, just treat his concern for you as a father's love for his daughter. I can't possibly be jealous of my 'father-in-law', right? "

Liancheng Yazhi's unintentional words made Rong Yan's heart skip a beat.

hehe, Yingluo. Rong Yan chuckled and didn't say anything else.

.....

in the women's prison of the capital in the suburbs, it was the room where Rong nuo often met Rong Yan. the television in the room was playing clips of Gu Hesheng.

However, this time, it was not Rong Yan who was meeting Rong nuo, but ... Tang Zong.

Tang Zong put his arm around Rong nuo's shoulder like a good brother. "You see, I told you that your big sister is much more powerful than you. There are many people who want to help her and can help her. I don't even need to do anything, and others will fight to do it."

Rong nuo coldly glanced at the claw on her shoulder. "Put it down,"

Tang Zong shrugged his shoulders. you're so petty. To think that I've helped you so much.

"Did I ask for your help?" Rong nuo glared at him.

Tang Zong leaned on the table and drew a circle with his finger. He said resentfully, alright, I was bored, so I asked you to help me. Didn't you get a lighter sentence this time? how much longer do you have? "

"There are still two and a half years left."

Tang Zong sighed. two years. Isn't this Suan ni a little long? "

Rong nuo glared at him again. it's none of your business whether it's long or not.

Every time Tang Zong appeared, Rong nuo was like a Porcupine, afraid that he would accidentally fall into his trap.

Tang Zong did not answer, but instead changed the topic. hehe, Yingluo, by the way, didn't I help your sister the last time? I think it's about time to get some interest.

Rong nuo's body leaned forward, and she stretched out a finger. She glared at Tang Zong and threatened, "What interest? Don't mess around."

Tang Zong chuckled. His dark eyes were as clean as two pools of spring water. When he smiled, he looked warm and beautiful. He took the opportunity to touch Rong nuo's hand and said, "don't worry, i won't mess around, yingluo."

Chapter 1017 I don't leave my name when I do good

Rong nuo retracted her hand in disgust. do you think I'm an idiot? do you think I'll believe you? "

Tang Zong shrugged his shoulders innocently, "alright then, since you don't believe me, i'll just do whatever i want."

"Don't you dare!" Rong nuo shouted.

Tang Zong reached out and pressed Rong nuo down. why are you in such a hurry? I haven't done anything yet. Speaking of interest, I really should collect it. A few days ago, I helped your sister solve a temporary problem. However, I did a good deed without leaving my name, so she doesn't know yet. Do you think I should tell her and collect interest together? this way, I can get more."

"you're that kind?" Rong nuo looked at Tang Zong with suspicion.

She didn't believe that Tang Zong would have such a kind heart. There were only two reasons why he was willing to help Rong Yan.

First, it was a coincidence that Rong Yan's trouble happened to be something he didn't like, so he helped her by accident.

Second, he must be pregnant with his own purpose.

Tang Zong looked at her with a hurt expression, and his eyes said, [complaint]

tang zong spread out his hands and said, " of course. although i'm not that kind-hearted, i'm still willing to help others occasionally. i'm doing good every day. at the very least, i'll accumulate some merit so that i don't die too early. "

Rong nuo's mouth twitched. She never thought that she would hear such words from Tang Zong's own mouth.

"So you know that the things you do are immoral? then tell me, what trouble did you help my big sister solve? Is it very serious?"

Tang Zong shook his head. I can't tell you about this Yingluo. I really can't tell you that Yingluo is a secret. Perhaps in the future, when this trouble revives, your big sister will realize it herself.

Rong nuo slammed the table. don't play this trick with me. I don't believe in mystery. What exactly is the trouble? hurry up and tell me.

Tang Zong helplessly shook his head. I really can't tell you. I've already promised someone else. Sigh, you've been in prison recently. Why haven't you been cultivating and calming yourself down? instead, you're getting more and more irritable.

"If you don't want to say it, I'm leaving." rong nuo stood up and was about to leave.

In the past, Rong nuo would be very guarded when chatting with Tang Zong. She spoke very little, for fear that she would fall into a trap.

but now that they had spent more time together, her temper was also increasing bit by bit. this kind of behavior was actually a sign of familiarity.

Everyone knew that when you were facing a stranger, you would definitely not talk a lot with them, let alone lose your temper.

It was only after they were familiar with each other to a certain extent that they would start to reveal their True Temper, and this process of revealing it was often unconscious.

Perhaps you don't even know when you've become so familiar with someone you don't actually like.

Tang Zong reached out and grabbed Rong nuo's wrist. "Look at you, you're throwing a tantrum when you can't hear what you want to hear."

Rong nuo shook off his hand. who's angry with you? are you going to tell me or not? "

"I can't say." Tang Zong hesitated for a moment and felt that he should not say it.

"Then there's nothing to discuss." rong nuo glared at him and left.

Tang Zong sighed and asked her back, "What are your thoughts on Xia Xuanmo's departure?"

Rong nuo's footsteps did not stop, and she did not even turn her head. Before she walked out the door, she replied, "When he left, his matters had nothing to do with me."

"Ohoho!" Tang Zong let out an emotionless monosyllabic sound!

Chapter 1018 The feelings that have passed away will never come back!

After Rong nuo returned to the cell, she lay on the bed and did not speak anymore.

This was the second time she had heard that Xia Xuanmo had left the capital. The first time, it was Rong Yan who told her about it. This time, Tang Zong asked her again.

This caused a little chemical reaction in her heart.

Rong nuo had long known that she matured earlier than others. From the first day she decided to follow Xia Xuanmo, she never thought that they would one day really get married and have children.

now, they were going their separate ways, and when they met again a few years later, they would be like strangers. perhaps, they would end up in a daze.

People would change, especially people like Xia Xuanmo who played tricks in politics. Every time their titles changed, their mentality would also change greatly. A person who stayed the same would not be able to stay in politics for long.

Don't expect someone to be forever in love with another person. There is no such thing as a heart that will never change.

Perhaps, everyone was now guessing whether Rong nuo was really indifferent to Xia Xuanmo's departure and was so calm that it was as if she was listening to another person's story.

Then Rong nuo could now answer that she was listening to someone else's story.

However, that other person had once walked through her heart and occupied the most important years of her life from her youth to maturity.

Rong nuo couldn't erase the traces of him, so the only thing she could do was to remain calm.

Those traces were still there, but it was already in the past, and they would never return!

Rong nuo took less than an hour to reflect on Xia Xuanmo. She spent the rest of her time thinking about Tang Zong and the words he had said.

Anyone who knew Tang Zong would know that one should never believe a single word of truth from his mouth.

This guy had no sense of responsibility, nor was he a man.

in his world, there was only one sentence: Wherever there is trouble, I, Tang Zong, will be there!

Naturally, he wasn't there to help others solve their problems. If he went over, he would only maximize the trouble!

Today, Tang Zong had mentioned the interest on the two occasions. He might not be the type to talk, but sometimes, when you don't believe his words, you have to analyze them carefully to distinguish which ones are useful and which ones are useless.

Rong nuo kept thinking about it. She felt that Tang Zong was probably going to do something. Although she could not guess it, he had mentioned 'interest' twice, so this matter must be related to Rong Yan.

Rong nuo felt that it was necessary to inform Rong Yan about this matter, but how should she tell her?

She could directly say that Tang Zong had come to her and mentioned it. No, she couldn't say that. It would make Rong Yan extremely anxious. Her impression of Tang Zong was even worse than his.

moreover, rong nuo felt that she really could not open her mouth to say in front of rong yan that she knew tang zong, and that huahua's current familiarity with her seemed to be quite high?

Rong nuo scratched her head. How should she put it?

While she was thinking hard in prison, Rong Yan was discussing with Liancheng Yazhi at home. They would go to Gu Hesheng's place this Saturday to thank him.

Gu Hesheng had really helped a lot this time. If it was not for his interview, the storm would not have subsided so quickly.

It had only been less than a day since the video was posted, but the situation on the internet had completely reversed. There was almost no condemnation against Rong Yan at all.

Chapter 1019 To him, you are the most precious

It was reasonable for them to go and express their gratitude in person for helping them with such a big favor!

Liancheng Yazhi had no objections. sure. I'll listen to you.

"then, what gift should i give you?" He couldn't go to someone's house to thank them empty-handed, so he had to bring some gifts that could express his heart!

However, for people like Gu Hesheng, who had everything and had a very high-end taste in life and spiritual level, 'giving gifts' was really a matter that burned the brain cells. Rong Yan herself could not think of anything, so she wanted to throw the problem to the child's father.

In the end, the child's father said something out of line, "I think if you and MeowMeow go, it'll be better than any gift to him."

"Say something useful," Rong Yan walked over and kicked him.

I'm telling the truth. He didn't help me for a gift. We all know that he likes you, MeowMeow. He helped us because he wanted to. He didn't want any gift.

Of course, Rong Yan knew. but we can't just not give it to him just because he doesn't want it. It's his business whether he wants it or not. It's our duty to give it to him or not.

"Of course, of course. You're right." Liancheng Yazhi pulled Rong Yan to sit down. how about this? I'll prepare the gift. Let's invite him out for a meal on Saturday afternoon. The location will be at jinrong house in Feng nongtang.

well, sure, we'll do as you say. Do you still want to find two people to support us? won't it seem too lonely with only the few of us? " Rong Yan asked Liancheng Yazhi, but he didn't say anything. After saying what he had just said, he stopped talking and his expression was very serious.

"What's wrong?" Rong Yan asked, a little worried.

"I suddenly remembered something that I haven't done," Liancheng Yazhi said in a daze.

"What is it? Is it important?"

"it's quite important." Liancheng Yazhi scratched his chin. after this incident happened these few days, I forgot about another thing. Wait a moment, I'll make a call first.

Under Rong Yan's worried gaze, Liancheng Yazhi quickly found his phone and dialed a good number. "Did you get out of my house?"

A cheerful voice came from the phone, " "Get lost, when the time is up, get lost, Yingluo."

The corners of Liancheng Yazhi's mouth twitched as he scolded, " "Bullsh * t, the phone you're holding right now is the landline of that place. Where the hell did you answer the phone? i'll give you a chance to leave this place before tomorrow morning. don't wait until i come to my door to kick you out."

Liancheng Yazhi really wondered what was going on in this fool's head. Even if he was an idiot, he was not as idiotic as him!

" hey, don't be so heartless. after all, didn't my people help sister-in-law this time? you can't just leave her in the lurch! "

liancheng yazhi snorted. " you're just borrowing the rent for a few days. don't talk to me about not helping. i don't have any friendship with you now. if you don't get out of there, we'll stop our friendship temporarily. "

"Also, you're a man who slept with your own wife. Do you have to be so afraid? Don't blame me for describing you to your wife and your parents if you're still such a grandson. If you're a man, then do something manly."

"then just treat me as if i'm not a man. i didn't sleep with my wife this time. i slept with yingluo, yingluo."

Chapter 1020 It's a bomb that's sleeping!

The voice on the phone stuttered and couldn't say anything in the end, but the fear in it was still deeply rooted.

Liancheng Yazhi was rather disdainful and asked, 'what are you sleeping with? even if it was a bomb, you should at least give me an explanation."

The other party pitifully said, “young master ya, you’re right. The Yingluo that I slept with that night was not a human but a bomb. Look at me now. I don’t even dare to show my face. Can you take me in for a few more days?”

Liancheng Yazhi scolded, “go to hell. You’re a coward. You’re the only one who thinks that this is a big matter that will kill you. In fact, they don’t even take you seriously. You’re the only one who’s scaring yourself.

“What’s the meaning of this Kasaya?”

Liancheng Yazhi’s fingers moved a few times and he said without changing his expression, ” your wife asked me to bring you a message. Tomorrow at 10 am, at the entrance of the Civil Affairs Bureau, it’s up to you if you want to go or not.

“Really? Why did you see her? what did she mean by 10 am tomorrow at the Civil Affairs Bureau?”

“Why do you care how I know? I’ve already told her that you want a divorce, right? she took the initiative to divorce you and doesn’t care about what happened that night at all. Why are you still being so pretentious? I’ll make it clear for the last time. Before tomorrow morning, you must get lost.”

Liancheng Yazhi hung up the phone decisively, not listening to the other party.

Rong Yan, who was listening from the side, understood a little and asked, ” “You’re calling?”

Liancheng Yazhi stretched out his long arm and pulled her into his arms. Feng nongtang. At that time, I asked him to stay in that house for a week, but a week later, this matter suddenly popped up. I was so busy that I forgot about him. When I mentioned jinrong house just now, I thought of him.

then what did you mean when you said you met his wife and said you would meet her at the Civil Affairs Bureau at 10 am tomorrow? ”

Liancheng Yazhi laughed. it’s nothing. I’m just teasing him.

“Ah? If you lied to him, then why did you lie to him like that?”

“He’s hiding so carefully because he’s afraid that after his wife finds him, she’ll use this opportunity to pester him, right? Then I’ll just say it casually to let him know that he doesn’t care at all. I’ll also use it to poke him. That kid is really annoying, he’s just a pig’s brain.” liancheng yazhi sighed with deep hatred. he felt that his emotional intelligence and iq could really beat that fool tang by a few streets.

“I think you’re right, but is it useful to stab like this?”

Liancheng Yazhi thought for a while and shook his head.”I don’t know. That’s why we’re chasing him out first. He’ll be isolated and helpless. I’ll have to inform Kang Zhen. Don’t worry about him,”

Liancheng Yazhi called Kang Yu again. After a simple communication, the two of them exchanged opinions and both agreed with each other.

In conclusion, the purpose was to never help the wind mess with Tang, and to torture him to death!

In Liancheng Yazhi's house, Feng nongtang, who was lying on the sofa and thinking of a way to stay, suddenly felt as if his whole body had fallen into an ice cave. It was very cold.

Feng nongtang shivered and quickly got up. He ran to the bedroom to find a blanket and wrapped it around himself. He complained, " it's so cold, so cold. Why is it so cold all of a sudden? is there something dirty in this house? "
