

Permit Me 1031

Chapter 1031 This is my husband

“that’s true.” rong yan buried her head in liancheng yazhi’s arms. “It’s really annoying. This guy has made a group of people panic. What kind of injustice did he suffer in his previous life to make him so much trouble in this life?”

Liancheng Yazhi chuckled as he rubbed Rong Yan’s hair. ” although he’s quite a scourge, you have to know that he hasn’t harmed our family so far. on the contrary, he has helped us. although he said that he wants interest, i think the interest he wants shouldn’t affect us too much. ”

“I can only comfort myself like this, Yingluo.”

After the car returned to the city, Rong Yan looked at the time. It was 11 am. She said to Liancheng Yazhi, ” “why don’t we go to rong shenghai’s place instead of going home?”

Liancheng Yazhi agreed. alright. Since we’re here, let’s get everything done.

stop the car later, ” Liancheng Yazhi said to the driver. go and buy some fruit.

“Alright, young master ya.”

.....

When they arrived at the place arranged for Rong shenghai, Rong Yan rang the doorbell. Not long after, the nanny opened the door and was pleasantly surprised to see Rong Yan. young Madam, you’re here. Please come in. Uncle Rong has been talking about you every day yesterday.

The nanny was a woman in her 30s. She was almost 40 years old. She didn’t look very good and was a little fat. Although she was a little flattering sometimes, she was fast and careful when taking care of Rong shenghai.

When the nanny saw Liancheng Yazhi standing behind Rong Yan, she was stunned for a moment because he was so outstanding that no matter who saw him at first sight, they would feel a shock from the bottom of their hearts.

It was only after seeing Liancheng Yazhi that she had a feeling that such a person really existed in this world!

“Yingluo, who is this?” the nanny stammered.

Rong Yan held Liancheng Yazhi’s arm and entered the door, smiling faintly. “My husband.”

A faint smile finally appeared on Liancheng Yazhi’s face. When Rong Yan said these three words, he always felt an unprecedented sense of satisfaction.

Rong shenghai heard Rong Yan’s voice and quickly came out. Rong Yan, you’re here. Didn’t you say this afternoon? Zhenzhen, this one.

Liancheng Yazhi had this indifferent and distant smile on his face. He slightly nodded to Rong shenghai. “hello, i’m liancheng yazhi.”

lianqi Liancheng lianqi! Rong shenghai was so scared that his heart skipped a beat. He suddenly remembered the report from two days ago.

rong yan had never told him how she was doing or who her husband was, so he had no idea about liancheng yazhi before.

Even the recent negative news about Rong Yan, he had always thought that it was just a woman with the same name as Rong Yan. After all, the report only mentioned Rong Yan, the fiancée of Liancheng Yazhi, the president of Liancheng Group, but no photos were published.

Rong shenghai would never have thought that Rong Yan would have any relationship with the Liancheng family.

However, Liancheng Yazhi's sudden appearance had really frightened him, Xuxu.

Rong Yan said to Rong shenghai again, " "Uncle Rong, this is my husband, Liancheng Yazhi."

good Yingluo, good Yingluo. Rong shenghai's hands and feet were trembling, and so was his voice. He had always been a small figure struggling at the bottom. The most powerful person he had ever seen was only the factory manager of the unit. He had always thought that people like Liancheng Yazhi were just a legend living in other people's mouths.

Chapter 1032 then let her commit suicide!

Now that he had suddenly seen her, he was a little overwhelmed and a little scared. What was more, he didn't dare to think that Rong Yan, Rong Yan, and Rong Yan were actually Liancheng Yazhi's fiancée, Rong Yan. That future, Rong Yan.

Rong shenghai shivered again. He felt that the thing he wanted to talk to Rong Yan about today might not be successful!

in the tense atmosphere, rong yan shook liancheng yazhi's arm twice and said softly, " "You go sit there and wait for me. I'll talk to uncle Rong."

okay. Liancheng Yazhi strolled to a single-seater sofa and sat down. His every move was elegant and calm. No matter where he was, he could always give people the illusion that he was in a king's palace.

Rong Yan smiled and said, " uncle Rong, don't be nervous. He's not scary. What's the matter? please tell me.

I'm so nervous! Rong shenghai was so nervous that he couldn't speak.

"Why don't we go to the balcony to talk?"

Rong shenghai quickly nodded.

"You can tell me now," Rong Yan said as they walked to the balcony.

rong shenghai nervously rubbed his hands together, not daring to look into rong yan's eyes. he didn't say anything, and rong yan didn't urge him.

Finally, after a few minutes, he stammered, " "rongyan is ... yingluo, you ... your yingluo's mother yingluo wants to see you. yingluo, can you go and see her? "

Rong Yan's mother, Yang Yan, was sentenced to prison for theft more than four years ago. Because she had stolen a large amount of money and attacked a police officer, she was sentenced to seven years in prison. Now, she would be out of prison in two years.

During Yang Yan's imprisonment, Rong Yan had never visited or mentioned her.

However, Rong shenghai would visit her once a month.

This time, it was the same. Three days ago, he went to the prison to see Yang Yan. As soon as they met, she told Rong shenghai to let Rong Yan come to see her. She had to see her.

if he couldn't let rong yan go over, she would commit suicide!

Rong shenghai had no choice. Although he knew that this request would probably make Rong Yan extremely disgusted, he still decided to say it.

rong yan wasn't surprised when she heard that. her expression didn't even change. she smiled faintly."My mother? Who are you talking about?"

"rongyan, although, qianqian has done a lot of things to let you down in the past and is not worthy of being a mother. after all, qianqian has been in prison for so many years. she has really changed a lot. if it wasn't something particularly important, she wouldn't have suddenly asked to see you. i'm begging you, please go and see her."

Rong Yan's expression was cold. uncle Rong, if you pity her, that's your business. It has nothing to do with me. If you want to beg or not, please don't say it in the future. I still have a lot of things to do at home. I'll be leaving first. Goodbye.

Rong shenghai quickly stopped Rong Yan. Rong Yan, wait. Just go and see her, okay? it'll only take a few minutes. I beg you, she said that if you don't go, she will kill herself, Qianqian.

Rong Yan sneered. suicide? Then let her commit suicide!"

Rong shenghai was so anxious that his forehead was covered in sweat. Rong Yan, you can't do this. She gave birth to you after all. She will really commit suicide. She suddenly wants to see you because there is something very, very important.

I have nothing to do with her, Zhenzhen. there was still no room for compromise in Rong Yan's words. No matter how much Rong shenghai begged, she would not be soft-hearted.

Chapter 1033 Her death is good for everyone

Rong shenghai was so anxious that he didn't have time to think too much. He blurted out, "rong yan, you're the future mistress of the liancheng family now. no matter what, it's the end of your suffering. can you forget about the past, huahua?"

Rong Yan turned around abruptly. according to you, I should thank her for everything I have now? "

Rong shenghai realized that his words had made Rong Yan very unhappy, so he quickly shook his head. "no, i didn't mean it that way. i meant yingluo."

But Rong Yan didn't want to hear it anymore. what kind of life I'm living now has nothing to do with you or her. I don't want to see her, in the past and in the future. Uncle Rong, I'll take care of you for Rong nuo's sake, but please don't say the same thing in front of me in the future. I ... Don't want to hear it.

In the end, Rong Yan threw down an even more ruthless sentence. "go and tell her that if she wants to die, she can die. for a person like her, it's better for everyone to die early!"

Rong shenghai staggered two steps, ” “She’s your mother. She gave you life, Hanhan.”

He had always thought that no matter what happened, family ties could never be cut off, let alone biological mother and daughter. Could there really be a mother and daughter who would kill each other?

However, he didn’t know that it was Rong Yan who had sent Yang Yan to prison. Although Yang Yan had cursed Rong Yan in front of him more than once, saying that she had been wronged, Rong shenghai really didn’t believe it.

Rong Yan curled her lips and sneered. “So what if you gave me life? I’m such a cruel and unscrupulous person. I’m cold and selfish. I can even put her in prison. Do you still expect me to have any mother-daughter feelings for her? Don’t be naive.”

Rong Yan left Rong shenghai behind and returned to the living room. She said to Liancheng Yazhi, who was still sitting on the sofa, ” “Let’s go,”

Liancheng Yazhi stood up. alright, it’s time to go home and eat. MeowMeow must be waiting anxiously.

In fact, he had vaguely heard the conversation on the balcony just now, but he still seemed to be completely unaware of it as he left with Rong Yan in his arms.

After the door was closed, the housekeeper ran out of the kitchen and helped Rong shenghai up from the balcony.

uncle Rong, you’re really too much. You still have to count on Madam Liancheng to support you. You’ve offended her. What are you going to do? ”

Rong shenghai had suffered a blow today. how could she do this? that’s her biological mother. Even if she had thousands of faults in the past, she’s been in prison for so many years now. Can’t she just get rid of a little resentment? ”

The nanny didn’t know what Rong shenghai was talking about, but she said, ” “Biological mother? In this day and age, the most fragile thing is family love. Don’t be so conflicted. If she doesn’t want to see you, then there must be a grudge in her heart that can’t be resolved.”

“Don’t think too much, you should get up first.”

Rong shenghai looked sad,”what should we do?” how am i supposed to tell her?”

He was still thinking about how to tell Yang Yan. He was afraid that Yang Yan would commit suicide.

The nanny helped Rong shenghai back to the living room and asked him to sit down, ” just say what you need to say. If Mrs. Liancheng doesn’t want to go, she must have a reason. Don’t force it. It’s useless to force it. Sit down and I’ll pour you a glass of water.

Rong shenghai did not seem to hear what the nanny said, and said to himself,”Rong Yan, Oh Rong Yan, how can you be so cruel, Yingluo?”

Chapter 1034 accompanying her to the end

on the way home, rong yan was not in a good mood.

Liancheng Yazhi pinched her cheek and comforted her. "Don't be unhappy. It's not worth worrying about this."

"Did you hear that?" Rong Yan asked listlessly.

"the house is only so big, it's hard not to hear it." Liancheng Yazhi expressed that he really didn't do it on purpose. Although he had really listened with his ears perked up at that time, he couldn't be blamed. He could only blame the small house and poor sound insulation!

"then, do you think i should go?" rong yan raised her head.

She didn't expect that Rong shenghai would suddenly look for her to ask her to see Yang Yan.

Thinking of this name and this person, Rong Yan still felt all kinds of discomfort. She had already sent Yang Yan flying to the Pacific Ocean, but recently, someone had been reminding her of Yang Yan, intentionally or unintentionally.

Liancheng Yazhi smiled. I'll support any decision you make. I'll support it without any reason.

His meaning was obvious. If she did something wrong, he would accompany her to the end.

If she was right, then he would accompany her until the end of time!

Liancheng Yazhi's choice had always been very simple because there was only one, the only one, and that was to choose Rong Yan. He would choose everything she had chosen. There was no doubt, no hesitation, and he would be firm on what she had decided on!

Rong Yan hugged Liancheng Yazhi's waist and leaned on his chest as she said in a muffled voice, "You're so good, you're still the best, Yingluo"

of course, " Liancheng Yazhi said proudly. I'm a good husband who loves his wife.

"Be good, don't be unhappy. Didn't you say it? if you don't want to see her, then don't go. what if you get sick again after seeing her, don't you think so?"

I didn't plan to see her in the first place. I'm just annoyed because I feel that she's too persistent.

Liancheng Yazhi narrowed his eyes and said, 'lingering around? Then Yingluo, do you want me to help you get rid of her, Yingluo?"

Rong Yan shook her head and smiled. there's no need. I don't want to care about anything about her now. Forget it, we'll just ignore her.

Rong Yan's irritable mood improved a little.

In fact, she was also a little curious. Why did Yang Yan suddenly want to see her?

It must have been a big joke for them to talk about their mother-daughter relationship for so many years. Yang Yan didn't look for her because she suddenly found her conscience and felt that it was time to bury the hatchet with her eldest daughter.

Yang Yan might really have something to say to her, but she didn't care what she thought. In any case, Rong Yan had made up her mind not to see Yang Yan. She would never go.

that's right. It's good that you don't care. Our Madam Liancheng is busy with a lot of things every day, right? ”

Rong Yan raised her chin. of course. I'm so busy. I haven't been to the antique shop for a few days. I still have to go and inspect it. I don't have the time to visit her in prison.

yang yan and rong shenghai had nothing to do with her.

In the future, she would not come to Rong shenghai's place anymore. She could help Rong nuo take care of him, but it would not be like before!

When Rong shenghai said those words, it was destined that the relationship between him and Rong Yan would be frozen.

He was a good man at such an old age. He saw everyone as good, and he felt that no matter how big the mistake was, no matter what crime they had committed, they could be forgiven.

However, Rong Yan was different. She was ruthless and remembered everything Yang Yan had done to her. She was already being merciful by not killing Yang Yan with her own hands.

Chapter 1035 Meowmeowmeowmeow's housewarming joy

When she got home, Rong Yan planned to forget what Rong shenghai had said. Yang Yan would never enter her life again.

If anyone wanted to destroy the happiness that she had worked so hard to obtain, she would not hesitate to push the other party into a situation that was beyond redemption.

.....

A week after that day, Rong shenghai didn't look for Rong Yan again, and this matter was considered to have come to an end.

During this week, MeowMeow's small room had been renovated and left to dry for a few days. Rong Yan and Liancheng Yazhi planned to 'move' MeowMeow.

in order to celebrate

At six O 'clock in the afternoon, Gu Hesheng and Kang Xi arrived. Both of them had brought gifts.

Kang Yi's gift was nothing new. It was just a set of dolls. It was already good enough that a man like him thought of giving dolls to a little girl. Oh, he also gave meowmeowmeowmeow a tank model.

Compared to the doll, MeowMeow preferred the tank model!

gu hesheng's gift was still as luxurious as before. a pair of white porcelain pillows, a boy and a girl, were of the same design. they were both hugging their arms and lying on the bed. their chubby round faces looked innocent and naughty, and their eyes were particularly vivid and lively.

Although it was a new modern porcelain, the texture of the color glaze was of the best quality, whether it was the firing process or the shape.

Such a pair of modern porcelain could not be bought without a million or two.

this gift was really high-end and children liked it. moreover, it was definitely done with a lot of effort.

Rong Yan was really afraid that ”

“Then, mom will put this pillow away for you first, okay?” Rong Yan quickly asked.

[illegible]

When she finally took the pillow from Miaomiao's hands, Rong Yan heaved a small sigh of relief and quickly asked Butler Li to put the porcelain pillow back.

Rong Yan sighed secretly. Old master Gu was really very generous to MeowMeow. He gave her a housewarming gift and such a good thing. Gu Hesheng knew that it was not appropriate to give her antiques at this time, so he found someone to buy this pair of new porcelain. He had really put in a lot of effort.

What Rong Yan didn't expect was that just as Miaomiao pulled Kang Yu and Gu Hesheng upstairs to visit his room, the servant actually said that Feng lang had arrived.

Rong Yan and Liancheng Yazhi were both quite surprised that Feng nongtang had come and that he was still alive. The two of them quickly looked towards the door.

What he saw made it even harder for him to digest and understand the situation in front of him.

Because it wasn't just one person at the door. Yes, it wasn't one, but two, a man and a woman!

feng nongtang walked over, dressed like a man and a dog. there was a woman beside him, holding his arm. the two of them looked quite compatible from the outside!

However, he didn't know which generation of Feng nongtang this woman was.

Chapter 1036 a wife of young master feng

rong yan and liancheng yazhi looked at each other and saw confusion in each other's eyes.

However, he still dared to bring his little lover over at this time. He was really bold. Moreover, he even brought her to Liancheng's house. Was he really looking for death?

didn't she see that liancheng yazhi's face was already very ugly?

He used to tell Feng nongtang that it didn't matter how he played outside, how crazy and indulgent he was, but he must never bring any indecent woman into his house and pollute the eyes of his wife and daughter.

Feng nongtang walked in front of the two, not daring to look at them. He raised his head and touched his nose, then said after a while, "let me introduce you to Wanwan. She's my ... You know, ye nuanyang."

Liancheng Yazhi was slightly stunned when he heard the name ‘ye nuanyang’. Rong Yan was confused.”What do we know? We don’t know!”

Ye nuanyang, who was holding onto Feng nongtang's arm, let go of his arm and glanced at him from the corner of his eyes. He took a step forward and nodded at Liancheng Yazhi and Rong Yan generously. He smiled and said, "Hello, I'm Feng nongtang's wife, ye nuanyang. I should have come to see you earlier, but I didn't have the chance to do so until now. Please don't take offense.

ye nuanyang wasn't the particularly beautiful type, but she was very dignified. her facial features carried a heroic spirit that was rare for most women. she wasn't short, standing at about 1.7 meters, and had a rather impressive aura. one look and one could tell that she was a proper empress. she was a person from a completely different world compared to feng nongtang, who liked to let loose on the surface.

Rong Yan was really shocked. Who would have thought that Feng nongtang would suddenly come over with his wife?

the divorce had been going on for so long, and in the end, it was a drunken sex. everyone thought that feng nongtang was dead for sure, but he had appeared with his wife in broad daylight. the changes in this situation were really unexpected!

After Rong Yan recovered from her surprise, she quickly said, "ah, Yingluo, it's no wonder. It's good that he's here. Please take a seat, Yingluo." "Butler li, hurry up and get someone to pour tea."

Rong Yan took the time to ask Liancheng Yazhi in a low voice, " "she's feng nongtang's wife, don't you know? Didn't you attend the wedding that year?"

I did, but so many years have passed. How can I still remember a woman I've only met once? it's not enough for me to only think about you. How can I have time to think about other women? "

Rong Yan's face turned red and she secretly glared at him.

He was really not afraid of being heard by others by saying such things at this time!

Rong Yan pushed Liancheng Yazhi and said to ye nuanyang, " "Come, sit here. Thank you for coming. MeowMeow will be very happy today."

Ye nuanyang smiled. nongtang always says at home that

”

Ye nuanyang nodded. sure. I still have a small gift for MeowMeow.

"Are you going?" she looked at Feng nongtang.

Feng nongtang was still a little embarrassed, probably because he suddenly appeared in front of his brother with his wife. He said, " "I'll have a cup of tea first before going to Yingying."

Ye nuanyang looked at him indifferently.

Feng nongtang laughed dryly, " uh, it's the same to drink tea after you come down, Yingluo.

Chapter 1037 Uncle Feng, you're actually still alive!

When Rong Yan saw this scene, she suddenly wanted to laugh, but she was afraid that laughing would embarrass Feng RUO Tang, so she turned around and tried hard to suppress her smile.

Who would have thought that Feng nongtang, the famous Playboy who had always been ranked first on the imperial capital's Playboy list, would one day fall to this point?

The smile on ye nuanyang's face quickly widened when he saw MeowMeow. He bent down and carefully stroked MeowMeow's head. she's such a beautiful little princess that it's hard not to like her. No wonder nangtang always talks about her. She's so cute!

this is a gift from Auntie. I hope you like it! Ye nuanyang hurriedly took out a square, flat, velvet box from his bag. She opened the box and inside was a hair band with a small crown. The crown was inlaid with tiny diamonds, and there were only three pink diamonds of the same size on the top of the crown. It was sweet and cute, very suitable for young girls.

It's so pretty, I like it very much. Thank you, Auntie ye."

While ye nuanyang was talking to MeowMeow, Feng nongtang was already at loggerheads with Kang Zheng.

He really hated this bastard who had hit him when he was down and threw him back to house Feng. He even caused him to fall into this state.

Chapter 1038 Having the strength to fight after eating

Kang Yu tilted his head slightly and looked at Feng nongtang from head to toe."Yo, you're doing well! you're still alive, that's good."

Feng nongtang grinned, gritting his teeth and saying, " "Hehe, sorry to disappoint you. You didn't expect me to not only be alive, but also live quite well, right?"

"I didn't expect it. Why aren't you getting a divorce?" Kang Yu deliberately poked at the most important thing in Feng nongtang's heart.

He felt that it was not enough and added, " "I'm still waiting to drink your Bachelor wine."

you! Feng nongtang grabbed Kang Yu's collar and wanted to beat him up.

however, before his fist could land, he heard ye nuanyang call out, " "mess with tang qianqian."

After Feng nongtang heard this, his arrogance was immediately extinguished, like a balloon filled with air, suddenly pierced by a needle, and instantly deflated.

Ye nuanyang walked up to Feng nongtang and pulled him away. Then, he pushed him behind him."Thank you. Mom and dad want to treat you to a meal. Thank you."

"It's okay, my hands are just itching for a fight," Kang Yu replied nonchalantly.

ye nuanyang laughed and said in a very familiar tone, " "You really haven't changed at all. You're just like before,"

"You've changed quite a bit." Kang Yu glanced at ye nuanyang.

the conversation between the two left feng nongtang dumbfounded. they knew each other, they actually knew each other. this didn't make any sense!

Ye nuanyang smiled. that's right. If a woman goes with the flow, she'll have to change her personality according to the environment.

Feng nongtang suddenly interjected and said angrily, " "Wait, you guys know each other."

Ye nuanyang rolled his eyes. that's right. We've known each other for many years.

Her grandfather was a retired general. Ye nuanyang had grown up in a military compound when he was young, so he naturally knew Kang Zheng. Although they weren't very good friends when they were young, they were still playmates.

Feng nongtang looked at ye nuanyang coldly. "Why didn't you say that?"

That accusatory tone and those resentful eyes were clearly saying, how could you hide it from me?

Ye nuanyang laughed sarcastically. With a cold look on his face, he said, "You're asking me why I didn't tell you? we've been married for a few years, and you've been at home several times. we've even exchanged a few words, and you still have the cheek to ask me? what right do you have to question me now?"

Suddenly, Feng nongtang felt embarrassed. His arrogance slowly subsided, and he silently shrank his head back.

He had had so many women in the past, and for the past few years, he had treated ye nuanyang like air. What right did he have to criticize ye nuanyang now?

Feng nongtang remembered what Rong Yan had said before, "You'll regret it. Sooner or later, the love history you've bragged about today will become your sin in the future!"

Feng nongtang turned to look at Rong Yan. She was looking at him with interest. When she met his eyes, she even winked at him, as if to say, "See, see, you didn't listen to my advice back then, and now you regret it!"

Seeing that it was about time, Rong Yan stood up and said with a smile, "since you're done with the tour, let's go down. It's time to prepare dinner."

Mr. Gu, who was standing awkwardly on the side like air and background, was the first to stand up and respond, "Aiya, it's time to go down. I'm feeling a little hungry. MeowMeow, come down with Grandpa."

"sure, yingluo." meowmeow was in a daze as she watched from the side. she pulled gu hesheng's hand and went downstairs first.

Rong Yan looked at them and smiled. let's go, three of you. You'll only have the strength to fight after you're full, right? "

Chapter 1039 Fate came just in time!

She glanced at Feng nongtang and added, "But, even if you become 300 pounds, you still won't be able to defeat Kang Zhen."

She didn't expect that Kang Yu would actually walk up to Rong Yan in a very serious manner. thank you.

This made Rong Yan a little surprised.

hey, you guys can't gang up on me like this! Feng nongtang shouted. what right do you have to say I can't beat him? I've been trained before, okay? " In the past, this young master had also beaten ten Wushuang by himself."

ye nuanyang tugged at his sleeve. "that's enough, stop bragging. let's go down and eat. they're not wrong. you've long been hollowed out by wine, women, and wealth. who can you beat? "

Rong Yan burst out laughing.

It seemed like ye nuanyang was really not going to give Feng laotang any face. He could even say in front of outsiders that his body had been hollowed out by wine, women, and wealth. Ye nuanyang had really completely controlled Feng laotang.

rong yan's impression of ye nuanyang increased greatly. she felt that this woman was not bad!

However, ye nuanyang's words were not something any man would be happy to hear. It was a matter of pride for a man.

Feng nongtang shouted, " what do you mean by 'sucked dry'? I'm clearly in good health. Who was the one who begged me to stop wailing last night? "

Before Feng nongtang could finish his sentence, ye nuanyang covered his mouth and dragged him down the stairs. He even threatened, " "I dare you to spout nonsense again!"

Rong Yan couldn't stop laughing as she stood behind them. It was really funny to just look at Feng nongtang and his wife.

Fate was important between people. If it wasn't meant to be, they wouldn't have feelings for each other even if they spent a lifetime together. If it was meant to be, it would only take one night. It was just like Feng nongtang and ye nuanyang. They had been married for three to four years and treated each other as ice. They saw that they had to get a divorce, but who would have thought that they would return to where they started?

Liancheng Yazhi walked up and took Rong Yan's hand."You're so happy. Are you happier than seeing your husband?"

Rong Yan hugged Liancheng Yazhi's arm. "Don't you think it's funny looking at them?"

Liancheng Yazhi looked over and happened to see ye nuanyang twisting Feng nongtang's ear. In that instant, their positions seemed to have switched. Not long ago, Feng nongtang was not willing to mention his wife at all. He was not even willing to say her name. But now, he seemed to be under ye nuanyang's strict control and did not dare to complain at all.

" it's quite funny. the good days of being a playboy are over. he's been fooling around for so many years, and it's time for him to return to the right path. he's already an old man, and since he can't control himself, he can only find a wife who can. "

"I think I'm fine now." Rong Yan lifted her chin.

Liancheng Yazhi nodded and said,"it's pretty good, Yingluo."

seeing that his brother could finally get rid of those drunken days and float in the air, and could return to normal life with his feet on the ground, liancheng yazhi was really comforted.

Halfway through the meal, Rong Yan picked up the wine and said, " "Feng nongtang, congratulations."

"Congratulations on what?" Feng nongtang was a little listless.

His recent days had been very bad. It could be said to be the lowest point in the history of human life. He didn't think he had anything to congratulate him on.

.....

Chapter 1040 Congratulations, you won't be able to find another woman

"Congratulations on finally living a normal life," Rong Yan said.

Liancheng Yazhi also raised his glass. congratulations on stepping on solid ground. Stop floating.

"Congratulations, you can't find another woman in the future," Kang Zhen added.

Gu Hesheng chuckled. since everyone has said so, I'll also say something. Congratulations to you, Qianqian. You're a good husband.

The child's unintentional words, however, sounded meaningful to the adults.

He had been married for several years and had never looked at his wife. It took him more than a thousand days and nights to finally turn around and see the woman who had been standing behind him. This could be considered as him finally finding his wife again after being lost for a few years!

Feng nongtang felt a little embarrassed. He smiled awkwardly and picked up his glass of wine to finish it in one gulp. He didn't dare to look at ye nuanyang, who was beside him!

.....

It was a happy night, and everyone was in a good mood. Although Feng nongtang looked a little listless, he was still quite happy.

Rong Yan's good mood continued until the next day, but it didn't last long. Only three days after that night, Rong Yan received a call from Rong shenghai.

Seeing Rong shenghai's phone number flashing on the screen, Rong Yan frowned unhappily and hung up, not wanting to listen.

However, it didn't take long before the phone rang again.

Rong Yan simply threw her phone to the corner and ignored it, but the ringtone kept ringing.

"Mommy's on the phone." MeowMeow tugged at Rong Yan's hand.

"Oh, don't worry about it," Rong Yan smiled.

Liancheng Yazhi asked her,"who called?" You're so unhappy."

"Rong shenghai's Kasaya"

"It can't keep ringing like this. If you don't want to pick up, I'll pick it up. I'll tell him not to come and find you again."

"alright," rong yan nodded listlessly.

Liancheng Yazhi walked over and picked up the phone. "Hello, Yingluo."

as soon as she answered the call, she heard rong shenghai's anxious voice from the other end. "rong yan, why did you only pick up now, ran ran?"

Liancheng Yazhi frowned slightly.”Mr. Rong, I’m Liancheng Yazhi. If there’s anything you need, just tell me.”

Liancheng Yazhi’s calm voice suppressed Rong shenghai’s anxious words. After a while, Rong shenghai said nervously, ” “Mr. Liancheng, can you please ask Rong Yan to answer the phone? I’m looking for her for something, Yingluo.”

Liancheng Yazhi refused decisively. no, she doesn’t want to hear it. If you have something to say, just say it. If not, I’m hanging up.

Rong shenghai was an honest man. He didn’t know what to say to Liancheng Yazhi, but for Yang Yan, he mustered up his courage and said, ” Mr. Liancheng, wait for me. I, Huahua, AM Rong Yan’s mother. Huahua committed suicide in prison and is now in the hospital. Can you let Rong Yan see her? she really has something to tell Rong Yan. Please, let Rong Yan go over. She will definitely listen to you, Huahua.

Rong shenghai went to the prison two days ago and told her that Rong Yan would not come to see her.

Yang Yan immediately scolded Rong shenghai, saying that he was useless and couldn’t even call Rong Yan over. Of course, she also scolded Rong Yan.
