

Permit Me 1061

Chapter 1061 no one can hurt you, including me

lian Cheng yazhi gently turned Rong Yan's head. "Don't say that out of anger, I understand your Yingluo."

Although Rong Yan was very much like Yang Yan, she had never thought of killing her with her own hands. If Yang Yan was killed because of them this time, Rong Yan would not feel good.

Rong Yan leaned back. what else do we need to do? we can just throw her back to the prison.

"Do you think that the prison is absolutely safe?"

Rong Yan sneered. I don't care if she's safe or not. Since she wants to die so badly, let someone else fulfill her wish.

Rong Yan looked into Lian Cheng Yazhi's eyes. "don't try to persuade me. let's not talk about this lifetime, even in the next lifetime, we will never shake hands and make up."

I didn't ask you to shake hands with her. I just wanted to tell you that we might have to protect her for a while. In the future, whether she lives or dies is her business, but we can't let her die in our 'hands', right? "

"Alright, Yingluo, then we'll throw her back to the prison and let the prison Watch her more strictly."

"Alright, we'll do as you say."

.....

After returning home, none of them mentioned Yang Yan again. That was the topic Rong Yan hated to talk about the most. Lian Cheng Yazhi knew that, so he naturally wouldn't say it to annoy him.

However, just because you don't want to talk about it, it won't stop bothering you.

Yang Yan wanted to see Rong Yan and did not want to give up no matter what.

The person who transferred Yang Yan to the prison reported the situation to Lian Cheng Yazhi.

Helpless, Lian Cheng Yazhi could only ask Rong Yan, " she said she wanted to tell you about your family background. Are you going? "

Rong Yan shook her head without even thinking. I'm not going. There's nothing to say. I'm living very well now. I'm not interested in my background at all.

Rong Yan's condition wasn't good, and Lian Cheng Yazhi was very worried. He was afraid that she had something in her heart that she wouldn't say and would get sick from keeping it to herself, so he asked her, "In fact, you don't want to see her. It's not a simple matter of hatred, is it?"

Rong Yan smiled. that's right. It's not a simple hatred. It's because the hatred has seeped into her bones, as if she's been poisoned and can't be cured no matter what. I'm afraid that I'll kill her after I see her, and she'll want to kill me after she finds out that I killed her precious daughter.

That's right, the hatred between her and Yang Yan wasn't that simple. It was the hatred of two lives.

Before she was reborn, she had lived half of her life in a muddled state. From the moment she was born, she had lived a tragic life. It could be said that her death at that time had something to do with Yang Yan.

After a person died and came back to life, they would bring resentment with them. That kind of resentment was actually no less than the hostility of a malicious ghost.

Rong Yan still didn't know how to tell Liancheng Yazhi about this because it was too unbelievable and shocking.

She was afraid that after she said it, Liancheng Yazhi would not be able to accept it for a while.

If that was the case, she would rather keep this secret hidden until she died.

Or, when she was older, when she let go, she would tell Liancheng Yazhi frankly.

Liancheng Yazhi's heart ached as he held Rong Yan in his arms. He didn't know what kind of hurt had made Rong Yan hate Yang Yan to this extent, but he knew that he couldn't bear to see her like this. He lowered his head and kissed Rong Yan's lips. then let's stop thinking about her. I'll love you a thousand times more from now on to heal the wounds she's caused you. No one will be able to hurt you again, including Hanhan.

Chapter 1062 alright, your majesty!

Rong Yan's heart gradually warmed up. She pinched Liancheng Yazhi's ears with both hands. "Since you said it, you're not allowed to go back on your word in the future."

liancheng yazhi raised an arm that could still move and made a gesture of surrender. "absolutely, absolutely, absolutely ... i won't go back on my word."

He used three 'absolutes' on his face, and his meaning was naturally fully expressed.

Rong Yan's mood gradually improved. She lowered her head and nibbled on Liancheng Yazhi's face. "why are you so good at sweet-talking now? did you secretly dig up some secret manual on the internet? Hurry up and tell me!"

Liancheng Yazhi shook his head decisively. absolutely not. Once a man is enlightened about this kind of thing, he naturally doesn't need anyone to teach him about it. It's because he only says what he wants the most.

liancheng yazhi would never tell rong yan that he actually had the skill to secretly go online to find out what to say to make his wife happy.

Of course, most of it was his own reflection. However, under the situation of dual cultivation, he had indeed improved a lot.

Rong Yan had a ruffian smile on her face and deliberately lifted Liancheng Yazhi's chin slightly frivolously. "Not bad, you have to maintain this state in the future."

thank you! Liancheng Yazhi saluted him. yes, Your Majesty.

.....

with liancheng yazhi's comfort, rong yan's mood was much better than when she had just returned from the hospital. however, this was actually a temporary solution because the root of the problem had not been solved.

Liancheng Yazhi's ambush was still under investigation, and there were not many clues that could be used at the moment. Secretary Zhou was still trying hard to draw the police's attention to su Yue. As for Rong shenghai, in less than two days, the nanny called him anxiously.

"Young Madam, I didn't want to disturb you, but I really don't have a choice. Uncle Rong hasn't eaten anything for the past two days. No matter what I say, it's useless. I knelt down and begged him, but he didn't eat. I'm just a part-time worker. What if, under my watch, uncle Rong stops eating? then, what if, I have to go to court? I still have a son in high school at home, young Madam Yingluo. I Yingluo, I want to quit. I don't dare to do it anymore, Yingluo!"

The nanny was crying on the other side. If it wasn't for the fact that she had no other choice, she really didn't want to quit this light job that could earn her a lot of money at the end of the month.

However, if she were to serve him to death, who would dare to hire her in the future?

After Rong Yan heard this, she was so angry that her lungs were about to explode. She gritted her teeth and said angrily, "if he wants to die, then let him die. Tell him not to go on a hunger strike. That'll kill him so slowly. If he wants poison, knives, or guns, I'll send someone to send them to him immediately.

the nanny on the other end was so frightened that she cried even harder. "boohoo, young madam, i was hired by you. i really don't dare to do it anymore. yueyue, you can find another one, yueyue. "

Rong Yan didn't want to say anything more. After hanging up the phone, she was so angry that she threw her phone on the ground.

He kept threatening her and Rong shenghai. Rong shenghai really wanted to kill him.

"Who the hell are you? if you want to die, you should just die a quick death. What's a hunger strike? there are so many ways to die in this world, but you have to use this to threaten me. Rong shenghai, you're a good man!"

Liancheng Yazhi, who had been listening at the side, sighed and walked over. He picked up the phone and teased, "although our family is rich, we can't waste it. Don't you like this phone? won't you feel bad if you break it? "

Chapter 1063 I've walked through heaven and hell with you

rong yan ruthlessly grabbed her hair. I'm so angry now that my lungs are about to explode, can I still care about the heartache?"

Liancheng Yazhi put his arm around Rong Yan's shoulder, sat down, and combed her hair with his hand."Don't be angry. This matter has to end. Let's just go and see him. Rong shenghai is like this. We can't keep watching him to prevent him from committing suicide all the time. Anyway, it's just a meeting. If you don't want to see him, you can talk to him through the door."

Liancheng Yazhi understood Rong Yan. He knew that although Rong Yan hated Rong shenghai to the core at this moment, she couldn't really watch him die.

Because she had promised Rong nuo, and since she had promised, she would do it.

Even if she hated him and wanted to kill him, Rong Yan would ensure his safety for the next two years. If she wanted to kill him, she would have to wait until Rong nuo was released from prison. She would only take revenge after she had fulfilled her promise.

If Rong Yan didn't make a decision at this time and caused Rong shenghai to die, then in the future, especially after Rong nuo was released from prison, Rong Yan would definitely regret it.

So, in that case, Liancheng Yazhi decided to help Rong Yan make a decision.

He wanted to prevent her from being hurt in any way, and this included letting her hurt him. Regret was one of them.

"I really regret agreeing to Rong nuo now, why didn't I have a brain in the first place?" Rong Yan was so angry that she knocked her head.

liancheng yazhi quickly grabbed her hand. "Don't knock. Even if you don't feel pain, my heart aches for you. Who would have thought that Rong shenghai would do such a thing in the future? who would have thought that Yang Yan would suddenly want to see you? Don't you agree? We're not gods. What we can do is to live well in the present and try to prevent any mishaps in the future."

"Are you really going to see that woman?" It was as if all the strength in Rong Yan's body had been sucked away, and she leaned sideways on Liancheng Yazhi's thigh.

Liancheng Yazhi's big hand gradually touched the top of Rong Yan's head. that's right, we really have to go. I'll be with you. No matter what, whether it's heaven or hell, I'll be with you.

Rong Yan took a deep breath. alright. Since she's dying so slowly, why can't I go and provoke her?!

after deciding to see yang yan, liancheng yazhi asked the maid at home to call rong shenghai's nanny to inform her. of course, he also told her what he needed to say.

If he were to use this method again, they would have countless ways to make him disappear from this world without a trace. Even the gods would not be able to find him.

.....

After deciding to meet Yang Yan, Liancheng Yazhi would not go out so rashly this time. He asked people to check the routes and secretly arranged many inconspicuous cars on the road to act as passers-by. If there was no sudden situation, they would be passers-by and would immediately attack.

A large number of people had also been arranged in the prison to ensure that there would be no accidents after Rong Yan and Liancheng Yazhi arrived. Even if they did, they would have the ability to deal with it.

now, a trip out required a large number of people.

The prison where Yang Yan was held and the prison where Rong nuo was held were not in the same place. It could even be said that they were very far apart, at the two ends of the city.

There was no smile on Rong Yan's face from home to the prison gate.

Before they got out of the car, Liancheng Yazhi pulled Rong Yan back and smiled at her. "Baby, don't be like this. You're making me so scared."

Chapter 1064 Do you want me to help you collect your corpse?

Rong Yan had been brewing her emotions all this time, but because of Liancheng Yazhi's words, she broke down and buried her head in his arms, smiling.

liancheng yazhi grabbed rong yan's hand. "let's go. you can go down now. the more nonchalant you are, the biggest blow to her will be."

Rong Yan nodded. I know. I'll let her understand that Rong Yan is living very well and is very happy, Yingluo.

liancheng yazhi helped rong yan tidy up her hair and clothes and nodded in satisfaction. then, he got off the car and stood in front of the car door. he stretched out a hand like a gentleman."My wife, please get out of the car."

Rong Yan's lips curled up and she stretched out her right hand to put it on Liancheng Yazhi's big hand, holding his hand.

.....

Everything had been arranged in the prison. Yang Yan had been locked up in a single Ward because of her physical condition and her current special situation. There were prison guards at the door 24 hours a day.

The alarm opened the iron gate and then made way for them.

Rong Yan saw the situation inside through the narrow window on the iron door. There was only a bed and a table. Other than that, there was nothing else.

Yang Yan had lost too much blood from the cut of her wrist, which made her very weak. She had too many negative emotions, which made her recovery even slower. Now she had to rely on oxygen to maintain her life.

Liancheng Yazhi held Rong Yan's hand tightly and encouraged her to go in.

Rong Yan smiled at him, pushed open the iron door, and walked in while holding Liancheng Yazhi's hand.

Yang Yan, who was lying on the bed with an oxygen mask on, turned her head with great effort when she heard the sound of the iron door being pushed open. When her weak eyes, which could barely open, saw that it was Rong Yan, she suddenly widened and her eyes instantly became ferocious.

His hand, which was injected with a needle, was as thin as a stick. He grabbed twice in the air, as if he wanted to grab Rong Yan.

After so many years, Yang Yan had aged so much that she was almost unrecognizable. Her hair was white, she was as thin as a mummy, and the wrinkles on her face were terrifying.

Even so, Rong Yan could still recognize her at a glance, because her eyes, which were filled with hatred and hatred, had never changed.

Rong Yan let go of Liancheng Yazhi's hand and walked over by herself. She stood by the bed and looked down at Yang Yan.

Yang Yan smiled, bright as a summer flower, and the first thing she said was, “i’m really happy to see you like this. thank you for finally lifting my spirits.”

yang yan's emotions were particularly agitated. her body was struggling, but because she was too weak, she could only make simple syllables with her open mouth. "You, you, you, you, you, you, you ..."

Rong Yan walked around the bed to the other side and touched the oxygen tube. “Tell me, why did you want to see me? do you want me to collect your corpse? if that’s the case, then don’t even think about it. i’d rather throw your corpse into the sea and let the fish eat it. ”

Just like before she was reborn, she was thrown into the water. After she died, there was no corpse left!

[illegible]

rong yan shrugged her shoulders indifferently. "yes, i'll get my retribution. but you'll be dead by then. it's a pity that you won't be able to see it!"

“However, did you come here just to let me admire your miserable appearance?”

Gu ‘Gu’ Gu ‘he’ Sheng ‘you’re’ TV’.

Rong Yan pretended to be enlightened. “Oh, so the reason you wanted to see me so badly was because you saw the video of Gu Hesheng on TV.”

Chapter 1065 I'm quite cheap

In fact, Rong Yan had already guessed why Yang Yan suddenly wanted to see her. The time she asked to meet happened to be after Gu Hesheng spoke up for Rong Yan on TV. It was very likely that Yang Yan had seen the video of Gu Hesheng on TV when she watched the news every day in prison.

Yang Yan's body wanted to sit up, but she was too weak. She could only move like a worm. Her turbid and lifeless eyes glared at Rong Yan fiercely, as if saying, "Hurry up and answer me, hurry up and answer me, what's your relationship with him?"

Rong Yan was like a cat who was deliberately teasing a mouse. She rambled on and on but refused to answer the main question. In the end, she said, "just like what gu hesheng said himself, we are master and disciple!"

Yang Yan reached out to grab Rong Yan, but every time, she was just a little bit away from grabbing her. After a few times, she was so tired that she couldn't move.

Yang Yan muttered a few unclear words from her throat, "How did you and him get to know each other?"

Rong Yan's lips curled up, "is that any of your business?" whether i call him master or father outside, it has nothing to do with you. as for you, he will never know who you are."

If the hatred in Yang Yan's eyes was poison, it must be the most powerful poison in the world.

Her hatred for Rong Yan had already reached an extremely terrifying level. She gritted her teeth and two clear words jumped out of her throat. "Bitch, bitch, bitch!"

Rong Yan, who was scolded by her own mother, was not angry at all. Instead, she was very happy and nodded in agreement. "yeah, I'm quite cheap, but no matter how cheap I am, I didn't get pregnant when I was in college. In the end, Hanhan was expelled from school, don't you think so?"

Yang Yan's pupils suddenly contracted, and her incredulous expression seemed to ask, "How did you know?"

Rong Yan leaned over and whispered into Yang Yan's ear, "Yang Yan ... Yan yang, isn't it better to say it the other way around?"

Yang Yan = Yan yang. Yan yang was Yang Yan. Rong Yan had almost understood Yang Yan's true identity after seeing the duck-like graffiti behind Gu Hesheng's painting. Later, after Rong nuo's case was pronounced, she went to see Rong shenghai and saw the same graffiti behind the photo frame of Yang Yan and Rong Jia. At that time, she had already determined Yang Yan's identity.

Rong Yan didn't know what Yan yang, who had become popular among many male students in school, had experienced to stimulate her and make her become like this.

however, to rong yan, this was not important, not important at all.

She did not want to know at all!

The anger on Yang Yan's face was taken away again. Rong Yan's words had dealt her a heavy blow. She thought that the past that she didn't want to mention the most had been sealed away and no one would remember the Yan yang from the past. However, she didn't expect Rong Yan to know about it!

Her gaze turned from malevolent hatred to dullness. "you ... you ... you even know how to embarrass yourself?"

Rong Yan laughed mockingly, "I don't know. I don't know anything. I don't want to know either!" You don't have to seek death by asking me to come over and talk to me about my background or whatever, because even if you tell me, it's useless. I won't remember the things I don't want to know even if I hear them."

—

Chapter 1066 My heart has been eaten by a dog

Yang Yan looked at Rong Yan in disdain. "Hmph! Yingluo, do you think Yingluo is Yingluo's daughter?" You Yingluo and Yingluo are just Yingluo."

Rong Yan glanced at Yang Yan coldly and Yang Yan was so scared that she immediately fell silent.

Rong Yan smiled gently at her. "it doesn't matter whose daughter I am. I'm already an adult and don't need a father. The key is you, Lu guinong?" Gu Hesheng, Lao Ai, or someone else? tsk, tsk, i didn't expect you to have such a colorful college life!"

"rong linyi, rong yan, you're handsome."

“Oh, I almost forgot. Do you want to know how Rong Jia is doing?” Since Rong Yan was here, she would not let Yang Yan off so kindly. Didn’t she love Rong Jia? she would stimulate her to death.

at the mention of rong jia, yang yan’s most beloved daughter, she suddenly felt much better. her gaze was like a knife as she stared at rong yan and scolded her angrily.

“You animal, you animal, what did you do to her? what did you do?”

Rong Yan shrugged. I didn’t do anything to her. She did something to herself.

Rong Yan’s hand touched the oxygen tube a few times. “If you pull this out, you might be able to see her in a few hours. Do you need my help? I’ll let you enjoy your last moments.”

Yang Yan was stunned for a while before she understood Rong Yan’s words. She pointed at Rong Yan with her skinny finger and said, “You’re a beast, you’re not as good as Yingluo”

Rong Yan chuckled and didn’t care about Yang Yan’s abuse. it’s good that you know it yourself. Don’t talk anymore. Next time, if you want to die, don’t cut your wrist. It’s so painful and you die very slowly. The success rate is too low. You should have told me. I guarantee that you can die several times in a second!

Yang Yan’s eyes became complicated, with panic and fear. The previous hatred had faded a lot at this moment. Perhaps she never thought that one day, her eldest daughter, who had been abused by her since childhood, would one day swell up into such an uncontrollable behemoth. She was no longer the person in her memory, nor was she the person she could order around.

The man behind her supported her entire world, and the power in his hands was so great that he could cover the sky.

Yang Yan called out, “Rong Linyi, Rong Yan, you’re tidying up your heart.”

Rong Yan raised her eyebrows and looked at her. my heart has been eaten by a dog. So, don’t expect me to have any good intentions for you and your mother.

Among those dogs, the leader was Yang Yan. She ate away at Rong Yan’s kindness again and again, swallowing it clean.

Rong Yan flipped her hair. alright, I’ve seen it. I still have a lot of things to do, so I can’t waste my time with you. I hope this will be the last time we meet. Oh, of course, I hope that the next time I hear news of you, it will be news of your death. If you feel that there’s nothing left to live for, you can tell the guards outside. I guarantee that you will die an easy and happy Death so that you can reunite with your precious daughter soon.

Rong Yan turned around and smiled like a flower. She held Liancheng Yazhi’s arm and said, “Honey, let’s go.”

good Yingluo. Liancheng Yazhi stood there without saying a word, but his eyes never left Rong Yan.

Rong Yan suddenly remembered something and pulled Liancheng Yazhi to turn around. I forgot to introduce you. This is my husband, Liancheng Yazhi.

Chapter 1067 The devil who wanted to collect debts from her

Rong Yan raised her chin and said rather proudly, " it's that young master ya whose name is well known throughout the capital. I have a daughter who is three years old this year. She's very smart and cute. In the end, I have to thank you for forcing me to make a decision that will benefit me for the rest of my life.

If Yang Yan didn't insist on selling her off to pay off her debts, Rong Yan naturally wouldn't have thought of finding a more capable and more powerful man. Naturally, Xuxu wouldn't have been able to scheme against Liancheng Yazhi.

The marriage of men and women in the world, no matter how you talk about it, always had a cause and effect!

No matter how far the red string that was tied between the two of them was, no matter how many twists and turns it took, it would eventually come together.

Yang Yan's eyes were as wide as copper bells. Rong Yan's bragging made her hate her to the bone. Rong Yan's existence constantly reminded her of a shameful past that she didn't want to talk about. She had always hated Rong Yan, as if her past stains would not exist if she didn't exist.

However, Rong Yan's vitality was always so strong. She had wanted to throw her away countless times, but she couldn't. She wanted to starve her to death or freeze her to death, but she couldn't die.

Later on, she realized that every time she abused Rong Yan, she would feel a little better. Over time, it became a habit.

Now, her biological daughter was enjoying a life of luxury, while she could only lie in a cold cell and live on oxygen.

Back then, she and Rong Yan were completely reversed, and Rong Yan stood at a place where she couldn't reach even if she tiptoed.

She was clearly her biological daughter, but Yang Yan felt that she was a devil who was born to collect debts from her!

She had been tormented even before she was born. Her entire life had been ruined because of her looks.

In the end, Rong Yan still ruthlessly provoked Yang Yan. She held Liancheng Yazhi's arm and left the oppressive prison cell.

Walking out of the cell's iron door, Rong Yan heard Yang Yan's cries coming from inside. The cries were particularly desperate and desolate, like a trapped beast making its last sound at the moment of death.

Rong Yan sneered. Rong Jia's influence on Yang Yan was really great. She could make her, a sharp, mean, and vicious person, so sad.

If that good sister of hers knew about this in hell, she would be satisfied!

..

after leaving the prison and getting into the car, liancheng yazhi asked him, " "How do you feel now?"

rong yan took a deep breath and leaned back against liancheng yazhi. she closed her eyes and said, "It's pretty good, very good. Yingluo feels a lot more relaxed now."

Seeing that Yang Yan was in such a bad state now, Rong Yan's mood was very good.

All the pent-up anger in her heart that had been suppressed for many years had finally been vented today. She had also finally told Yang Yan about Rong Jia. Seeing her in so much pain really made her feel very happy.

"i'll wait for her death letter," rong yan smiled.

She deeply thought that after this heavy blow, with Yang Yan's weak body, she would definitely die in a few days.

Liancheng Yazhi touched Rong Yan's head. if I had known that it would make you so happy, I would have brought you here earlier!

rong yan raised her head. "aren't you going to ask? yang yan, gu hesheng, what's the relationship between me and huahua?"

"If you want to say it, then naturally say it." Liancheng Yazhi wanted to know, but he would not force Rong Yan to tell him.

"do you still remember the painting that i took home from gu hesheng?"

Chapter 1068 Time is a butcher's knife

Liancheng Yazhi nodded and said awkwardly, "i remember. the person in the painting is yang yan, right? I really can't see any similarities. This reminds me of a popular saying on the internet, 'time is a pig slaughtering knife'."

Liancheng Yazhi deliberately said some funny words to make Rong Yan feel better.

Rong Yan laughed for a while. that's right, it's indeed a pig slaughtering knife. When I was very young, as long as I can remember, Yang Yan's face had always been covered in flirtatious and heavy makeup. It was as if she had put a mask on her face, so I couldn't see her original appearance. I guess she just wanted to use heavy makeup to cover her face at that time.

liancheng yazhi was curious. "then you don't remember what she looks like. how did you recognize her?" he asked.

Rong Yan laughed, "with her temper, do I still need to remember her face?" From her voice, her footsteps, and her terrifying aura, I could sense her. As for her appearance, it's not important at all."

Liancheng Yazhi's heart ached as he pulled her into his arms. "I don't need to see her again."

rong yan lightly punched his chest and said coyly, "You're so annoying, I'm changing the topic."

"I was surprised when I first saw Gu Hesheng's painting. How could there be such similar people in this world? but when I accidentally saw a black graffiti like a duck on the back of the frame of the painting, I was shocked because I had some impression of it. After all, it's not easy to make a small ball exactly the same. I saw that pattern in Yang Yan's book when I was a child."

I was shocked when I heard it, but I wasn't sure. Later, I got some information about 'Yan yang' from Gu Hesheng. When Rong nuo's case was over, I went to Rong shenghai's hometown and found two photos of Yang Yan and Rong Jia from her things. On the back of the photos, there was the same graffiti. At that time, I was completely sure that Yan yang was Yang Yan. Yan yang was expelled from school because of her pregnancy. After leaving school, she probably changed her name. Look at Yang Yan's name, read it backwards, isn't it Yan yang?"

This was the picture Rong Yan had pieced together. Yang Yan and Yan yang were the same person. However, in Rong Yan's eyes, they were two completely different people.

After leaving the school, Yan yang died. There was no longer a woman who stood under the sycamore tree with a bright smile on her face. There was only Yang Yan, who had a twisted heart and was willing to degrade herself, and who looked disgusting.

"Do you want to find out what happened back then?" Liancheng Yazhi asked her.

"I don't." Rong Yan shook her head.

She wanted to put an end to Yang Yan's matter and didn't want to mention it again.

After listening to Yang Yan's words today, she seemed to want to tell Rong Yan that Gu Hesheng was not her biological father. However, this was no longer important to Rong Yan. Yang Yan might have said this simply because she didn't want Rong Yan to have a good life.

she no longer needed fatherly love or motherly love.

She only needed to give her motherly love to her children so that they could grow up healthily and happily, and not let her childhood repeat itself. That was enough.

Rong Yan leaned on Liancheng Yazhi's shoulder. "This matter ends here, I don't want to mention it again."

liancheng yazhi was still so easy to talk to and said dotingly, " "Alright, I'll listen to you, Yingluo."

Chapter 1069 It's convenient and safe!

rong yan went to see yang yan. no matter what she said or what she did to yang yan, it didn't matter. in short, it was more important that she went. because of this, rong shenghai finally started to eat.

rong yan called the nanny and asked him to pass some of her words to rong shenghai.

Of course, it would not be anything good. She had run out of patience with Rong shenghai. From today on, she would not ask anything about him except to ensure his life.

After hanging up, Rong Yan asked Liancheng Yazhi curiously, " "Where did you put Rong shenghai? why do I feel like I heard a group of people shouting one, two, three, four on the phone?"

Liancheng Yazhi was reading the newspaper. There was an article on the gunfight in the city center that day, and it said that according to the information provided by the police, they had found major clues. At the moment, they could not reveal the contents of the clues, but they would tell everyone if there were any new developments in a few days.

Liancheng Yazhi guessed that Secretary Zhou's plan to lure the police to su Yue was starting to take effect.

He put down the newspaper and reached out to Rong Yan, asking her to come over. did you hear that? ”

Rong Yan walked over and sat beside him. that’s right. It sounds a little strange to me. Why would there be such a sound? where is she? ”

Liancheng Yazhi tapped Rong Yan’s nose.”take a guess, yingluo.”

Rong Yan frowned and thought for a while. I think Yingluo sounds a little like Yingluo. When I was in college, the school would organize morning exercises every morning and shout slogans like ‘one, two, three, four’ all day long.

liancheng yazhi laughed,”it’s almost the same, yingluo.”

Rong Yan was even more curious. then, where exactly is it? Do you need to run?”

“The Army’s camp.”

“ah?” rong yan exclaimed.

“many family members of the army live in the houses allocated by the army. i asked kang zhen to get one for them and arranged for rong shenghai to live there. think about it, everyone there is a soldier. the security is so strict. it will not be easy for anyone to go in and cause trouble for rong shenghai.”

Liancheng Yazhi looked at Rong Yan smugly, as if to say, ” Hurry up and praise your husband. Am I very smart?

After Rong Yan reacted, she hugged Liancheng Yazhi’s neck and shook it. hubby, how can you be so smart? you actually thought of that. It’s so convenient and safe.

If he left Rong shenghai in the military camp, nothing would happen to him.

Furthermore, there was no need to send anyone to protect them. Every soldier there could transform into a bodyguard at any time.

“Of course, who is your husband?” Liancheng Yazhi raised his eyebrows proudly.

After being intimate with him for a while, Rong Yan asked, ” “What were you looking at just now?”” look at the newspaper. There’s an article about the gunfight that day.

Rong Yan immediately expressed her concern. is there any progress on the matter that day? ”

” it says that the police have made a major discovery, but they didn’t say what it was. ” Liancheng Yazhi did not care about what he said. The news on the news could not be completely trusted. It was enough to just take a look. The people above would only release the public’s public news, and there were many that could not be known.

Rong Yan was a little disappointed. “So, have we found anything on our side?”

Xi Yazhi patted her shoulder. Secretary Zhou is still searching, so we can’t be too anxious about this. The area covered is too big, and it’s a little difficult to narrow down the search area. However, if we’re anxious, others should be the ones who are anxious. We have to calm down.

Chapter 1070-trouble

Of course, it was not that there was no progress at all when Liancheng Yazhi told Rong Yan this. It was just that there were some things he didn't want her to worry about, and there were some things that were inconvenient for her to know, such as the fact that ran ran was in Yin sujing.

Although Liancheng Yazhi did not go to work these days, Secretary Zhou would report the latest progress to him every day and listen to his latest instructions.

Most of the time, Liancheng Yazhi had been hiding this from Rong Yan.

He felt that this kind of thing was done by a man, so he should be the one to bear it.

Secretary Zhou was very good at handling matters and could maintain the quality at the right time. Pushing the blame on Su Yu wasn't an easy task, and it was even more difficult to make everyone think that they were the ones behind it. Hence, Secretary Zhou spent a lot of effort to spread the cobweb-like clues to the police officers. After a few days of hard work, there were already some results.

Su Yue's sister-in-law would probably have a headache in a few days!

.....

Just as Liancheng Yazhi had guessed, the police came to su Yue within two days.

At that time, su Yue was still staying in the hotel. She heard someone knocking on the door. When she opened it, she saw two unfamiliar men standing outside. One of them was young, while the other was middle-aged.

The younger one was about 1.85 meters tall. He had a crew cut and a pair of bright eyes. His eyebrows and eyes made him look like an ordinary person, but he was particularly outstanding and very eye-catching.

"You're su Yue, right?" he asked.

"it's me. who are you?"

One of the young men with a crew cut took out his id from his pocket and said, " we're from the Public Security Bureau. We have a case that we would like to ask you to assist in the investigation.

He said in a gentle tone, not directly saying that they suspected that you were related to the shooting in the city center not long ago, so they wanted to take you back for investigation.

However, it was obvious what he meant, and su Yue understood what he meant.

"I think you've got it wrong. I don't think I can cooperate with you."

you don't have the final say, " the young policeman said. the case has the final say. I still hope you can take the initiative to cooperate.

Su Yue was staying in a five-star Presidential Suite. Everyone knew that anyone who could stay in such a place was either rich or powerful. However, this young police officer didn't show any signs of cowardice or trying to please her. His expression, actions, and words were neither humble nor overbearing. It seemed like Xuanji had a powerful background.

“Sure, Yueyue, please come in.” Su Yue looked at him.

He opened the door to let the two in. The older police officer was stunned when he saw the gorgeous decorations in the room, while the younger one was calm and seemed to be used to this situation.

“May I know your surnames?” su Yue asked after they sat down.

the young police officer leaned back on the sofa casually and said simply, ” “Mu weibai,”

“My name is Chen minqiang, and this is the captain of our Criminal Police unit,” the older one quickly introduced himself.

Su Yue looked at the young policeman in shock.”great captain? But I remember it was Yingluo.”

“I was transferred last week,” mu weibai looked at him and said.

“Oh, officer mu, you’re a local?”

Mu weibai nodded,”it’s Yingluo.”

He didn’t intend to argue with su Yue and asked,”Let’s talk about the case. Seven days ago, which was the week before last, at 11:00 p.m. On October 29th, where was Mr. Su? what are you doing?”
