

Permit Me 1081

Chapter 1081 Are you two gay?

“Then be careful, don’t let anyone catch you.” The other party was silent for a while.

“If I don’t want to, will anyone be able to catch me?” Liancheng Yazhi’s lips curled up.

“If you manage to find out anything, let me know.”

“Alright, that’s it. Goodbye.”

“Okay, goodbye.” After hanging up the phone, Liancheng Yazhi deleted the call record before going out.

However, as soon as he walked out of the bathroom door, Liancheng Yazhi was shocked because Xuxu’s Rong Yan was sitting cross-legged on the bed with her arms crossed in front of her chest. She was looking at him with her big eyes and looked quite serious, a little like a married woman who had found out about her husband’s affair. [Rong Yan (hair): I’m already a married woman.]

Liancheng Yazhi’s heart skipped a beat when he saw Rong Yan, but he quickly calmed down and thought to himself, “It seemed like he had to go out the next time he called.

liancheng yazhi pretended to be very relaxed and walked over.”You’re awake. Are you thirsty? do you want some water?”

Rong Yan raised her right hand and curled her index finger.

Liancheng Yazhi coughed twice with his hand by his mouth and finally walked over obediently to sit down. “Wifey Yingluo”

“speak, who did you call?” Rong Yan spread out her hands and placed them in front of Liancheng Yazhi.

Liancheng Yazhi gently placed the phone in Rong Yan’s hand. Secretary Zhou.

Rong Yan weighed her phone in her hand but didn’t open it. She said with a pained expression, “You secretly called Secretary Zhou in the middle of the night. How can I, your wife, bear this? I really can’t help but suspect that you two are gay.”

the more rong yan thought about it, the more she felt that it was true. liancheng yazhi and secretary zhou had been together for more than ten years since they were young and frivolous. their relationship should have surpassed friendship, right?

All of a sudden, Rong Yan felt a lot of pressure because her ‘love rival’ was really powerful!

Secretary Zhou, who was still busy at the moment, felt a deep malice coming from behind him. It was as if a female ghost was standing on his shoulder and combing his hair. It was so cold!

Liancheng Yazhi almost choked on his own saliva when he heard that. He said righteously, “Rong Yan, you have to know that I’m a real man. Otherwise, where did MeowMeow come from? I just asked him to investigate the news today to see who was the one who allowed it to be reported.”

“Is that all?” Rong Yan looked at Liancheng Yazhi from the corner of her eyes.

“It’s just like that, so you can look through my phone as you wish?”

Hearing this, Rong Yan immediately threw away Liancheng Yazhi’s phone and said with a lack of interest, ” forget it. With your IQ, you won’t allow anyone to find something to use against you on your phone. Tsk, it’s a waste of time to look at it.

“Why did I look at it for nothing? There’s proof that I’m straight inside.” Liancheng Yazhi took the initiative to pick up his phone, unlock it, and then open the photo album for Rong Yan to see.

liancheng yazhi showed the phone to rong yan. “Come, take a look.”

rong yan was also curious and took a casual glance. the moment she saw it, she was immediately stunned. damn, why did the person in the photo look so familiar? I can see it every day when I look in the mirror, okay?

Rong Yan grabbed the phone and flipped through it herself. Her fingers flew through the pages, but it seemed like she would never finish reading them. There were many photos inside, nearly a hundred of them. All of them were photos of her and MeowMeow. It was simply a variety of secret photos.

All kinds of angles, all kinds of positions, all kinds of expressions, and even sleeping. Everything was there, and the face was dazzled.

Chapter 1082 If I let you know, is it still secretly taking photos?

Even Rong Yan herself didn’t know that she could have so many expressions on her face. However, no matter whether she was angry or happy, she was filled with a warm happiness.

Especially when she was asleep, the faint smile at the corner of her eyes and eyebrows reflected her mood even more!

Rong Yan raised her head and asked in surprise,”when did you take the photo? why do I know everything?”

there were so many photos, and some of them were taken on the same day, but she had no impression of them at all.

Liancheng Yazhi was very proud. if I let you know, “he said,” would it still be called secretly taking photos? ”

having successfully diverted rong yan’s attention with the photo, liancheng yazhi secretly heaved a sigh of relief. he was really afraid that rong yan would ask why her recent call with secretary zhou was yesterday when she looked through the records.

Rong Yan had seen a post on the internet before. The post said, ” Whether a man loved his girlfriend or wife or not, one could tell by looking at his phone.

She looked at three places on the phone: photo album, call records, and messages.

The number of photos, the frequency of the call records, and the number of messages could accurately determine the position of this woman in this man’s heart.

It was obvious that Rong Yan's position in Liancheng Yazhi's heart was like a secret photo that he had flipped through one by one. It occupied all of Liancheng Yazhi's attention because those photos were all of her and MeowMeow. A few of them were taken when Rong Yan was asleep, and Liancheng Yazhi was lying next to her. Other than that, there was not a single photo of the scenery.

Rong Yan's heart was filled with sweetness. She put down her phone and said to Liancheng Yazhi very solemnly, "Okay, I take back what I just said. The relationship between you and Secretary Zhou is a clear superior-subordinate relationship."

Liancheng Yazhi sighed. baby, you're really thinking too much. I think I have to reflect on myself for having such a problem.

"Why?" Rong Yan was puzzled.

because you have too much extra energy. That's why your thoughts are running wild. After Liancheng Yazhi finished speaking, he suddenly pounced forward and pressed Rong Yan down.

The gunshot wound on Liancheng Yazhi's left arm had not healed yet, so he could only use his right hand to strip Rong Yan's clothes. "We haven't been intimate since we slept in the same room. Don't you think it's a waste of time?" he asked.

Rong Yan's face turned red. How could this guy say this so naturally? she pressed down on Liancheng Yazhi's hand. "Don't mess around, your arm is still injured."

Liancheng Yazhi looked at his arm that was still wrapped in gauze in disdain. that injury is almost healed and it doesn't matter at all. Besides, didn't you say that the two of us should consider giving birth to a younger brother for MeowMeow? but how many years will it take for us to have a younger brother while we're covered in the blanket and chatting hand in hand every day? Come on, don't be shy, we're already an old couple."

Rong Yan glanced at Liancheng Yazhi from the corner of her eyes.

Liancheng Yazhi nodded vigorously. really? how can this kind of thing be fake? "

"alright then, since you're injured, i'll take care of yingying."

Liancheng Yazhi was speechless.

"don't be in a daze. hurry up, it's almost daybreak, yingluo." while liancheng yazhi was in a daze, rong yan had already turned over and climbed on top of him, quickly taking off his clothes.

After a long time, when the sky was about to turn bright and the bedroom was filled with an ambiguous smell, Liancheng Yazhi wiped the sweat from his forehead and secretly made up his mind. This 'grudge' would be avenged after his injuries recovered!

Chapter 1083 Mom and dad are lazy

Liancheng Yazhi glanced at Rong Yan, who had fallen asleep with her mouth pouted. He lowered his head and gently bit her lips. little rascal, you're not going to admit it after you've taken advantage of me. But, fortunately, I still remember it. We'll settle today's matter in a few days. Just you wait!

• • • • •

Meowmeowmeowmeowmeow woke up at 8:30 with caretaker Li's help, but her parents were still sleeping.

mom and dad are so lazy, " MeowMeow said to Butler li. they don't get up as early as I do.

” oh, alright then. let them continue sleeping. housekeeper auntie, can you take me downstairs for breakfast? i’m so hungry. ”

????????,?????: no need. I'm already an adult. I can't always let people carry me. Let me hold your hand.

downstairs, butler li carried “young miss, what do you want to eat? bread or toast?”

She deliberately emphasized the words ‘meat bun’, and her soft voice sounded especially cute.

“Alright, please wait a moment. I’ll bring it over right away.” The maid chuckled and went to the kitchen.

??????,?????,????????????,?????,????????????????

One of them was Secretary Zhou, and the other was Wanwan, another man.

When meowmeowmeow saw them, she was chewing on food. She raised her little hand and waved, saying incoherently, ” “zhou zhu zhu (uncle)

Secretary Zhou was very happy to see meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow.”I’m having breakfast. Where are your parents?”

“Still sleeping?” “Have you had breakfast?” MeowMeow asked while biting on her chopsticks.

secretary zhou shook his head and said pitifully, ” “No, I’ve been very busy recently. I don’t even have time to eat.”

This is all your father's fault. Who asked your father to arrange so much heavy work and never give more manpower? it wasn't easy to send one, but in the end, ran ran was still a ran ran. Forget it, it's all tears.

Chapter 1084 Good Morning, little princess!

"okay, zhenzhen." butler li nodded.

When Secretary Zhou heard this, his eyes suddenly felt a little sour. Oh my, it's been a long time since someone asked if he had eaten breakfast. She was really a little angel, a little princess. She was so heartwarming. He really wanted to kiss her!

The helper served Secretary Zhou milk, bread, and a few buns. There were both Chinese and Western food, so he could eat as much as he wanted.

MeowMeow glanced at the man sitting alone on the sofa. where's that uncle? ”

Secretary Zhou glanced at her and turned to smile at MeowMeow. don't worry about him. He has already eaten.

“Oh, then let’s not care about him.”

Meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
eowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeo
wmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow.

By the time the two of them finished eating, another 20 minutes had passed.

But at this time, Secretary Zhou was waiting for his boss and his wife to come down. He was very anxious and was waiting to see his boss scold that bastard. Boss, why are you still sleeping?

Secretary Zhou was so anxious that he kept pacing back and forth, looking at the watch on his wrist.

?????????:"Uncle Zhou, you don't have to be anxious. It's useless to be anxious. Sit down and wait. My parents will come out at 10 O'clock for a walk."

“Ten O ‘clock?” Secretary Zhou’s eyes widened. There were still so many things waiting for him to do. How could he waste so much time waiting until 10 O ‘clock?

Could it be that he left the kid behind? could it be that he didn't see his father scolding him today?

No, he had to look after this. He had to stay.

Secretary Zhou was in luck today. He had just dozed off when someone sent him a pillow. Just as he was thinking about how to stay, a call came in. After taking the call, Secretary Zhou's face changed instantly.

“Young master ya.”

Liancheng Yazhi nodded and asked Secretary Zhou, "What's the urgent matter?"

Secretary Zhou quickly walked to Liancheng Yazhi's side and whispered, " "Young master ya, it's not good, Yingluo!"

"what's the matter?" Liancheng Yazhi did not care too much.

"news from the prison. ran ran just half an hour ago." secretary zhou glanced at the maids around him and moved closer to liancheng yazhi. "A female criminal tried to strangle Rong nuo to death when no one was paying attention."

A cold glint flashed across Liancheng Yazhi's eyes. He raised his hand to stop Secretary Zhou from continuing. "Come out with me first."

"It's Yingluo."

When they were outside, Liancheng Yazhi asked the servants who were trimming the lawn in the courtyard to leave. His face was frighteningly cold. "continue, what happened?"

only then did secretary zhou let go and said, "the prison said that it was a female prisoner who took rong nuo to a public bathroom. then, she took the opportunity to tie rong nuo's neck with a piece of cloth that she tore from her bed sheet, trying to strangle her to death. fortunately, she was discovered in time and rong nuo was saved."

"Did someone die?" Liancheng Yazhi asked coldly.

Secretary Zhou shook his head. no, Rong nuo's neck was only strangled, and her throat may be a little injured. She may not be able to speak for the next few days. She has already been sent to the hospital.

"Where's the criminal who attacked us?"

Secretary Zhou hurriedly said, " that criminal has been specially detained. Oh, her injuries are even more serious than Rong nuo's. Because during the struggle, Rong nuo's fingers almost dug out her eyes.

Liancheng Yazhi thought for a while and said, " watch her carefully. Immediately find out her identity, when she was imprisoned, what crimes she committed, and who instructed her to kill Rong nuo.

yes, I'll go to the prison in a while and figure this out. Secretary Zhou knew that this was not a small matter. The sudden attack on Rong nuo at this critical moment must have been ordered by someone. Moreover, the real target might not be Rong nuo, but Liancheng Yazhi or Rong Yan.

The mess in front of them had not been cleared up, and now this matter had happened. It seemed that someone wanted to stir up trouble and fish in troubled waters!

zhenzhi, " Liancheng Yazhi said. keep this a secret from Rong Yan. Don't tell her.

Secretary Zhou felt that there was no need to do so. He said, "But even if we hide it from young Madam, when she goes to see Rong nuo next time, won't she still know?"

lian Cheng yazhi glanced at secretary Zhou. " then go to Rong Nuo and tell her that since she's fine and alive, don't tell Rong Yan to worry. Our people are protecting her in the prison, so her life is guaranteed. Since she's safe, don't come and make her sister worry. "

The recent events had happened one after another, and Rong Yan's spirit was already tense. If Rong Nuo's matter was exposed again, she would definitely not be able to sleep.

Chapter 1086 the boss's right-hand man

Secretary Zhou immediately understood and quickly said, " "Yes, I definitely won't reveal this to young Madam."

Lian Cheng Yazhi looked around and quickly said in a low voice, " also, get someone to arrest the reporter who reported yesterday's news. Don't let the outside world suspect anything!

Secretary Zhou's face was a little bitter,"it's Yingluo."

So many things are happening, young master ya, do you still want me to live?

Lian Cheng Yazhi probably felt that Secretary Zhou had indeed done too much, so he said, " "Forget it, don't ask about this. I'll let Xin Yang do it."

Secretary Zhou's eyes lit up and he flattered her. "Young master ya, you're so wise."

Lian Cheng Yazhi raised his foot and kicked Secretary Zhou. "Get lost."

"Yes, I'll go to the prison now." Secretary Zhou ran away happily!

Lian Cheng Yazhi was a little annoyed. It was not a good sign to hear this when he had just woken up. He rubbed his forehead and sobered up in the cold wind for a while before going back.

Rong Yan had already gone downstairs and was talking to Xin Yang.

Lian Cheng Yazhi walked over and said to Rong Yan, " "I'm going upstairs to wash up. You eat first."

Then, he gave Xin Yang a look, which meant that the referee told him: Come upstairs with me.

"Then hurry up."

"Alright, I'll take care of it soon."

.....

Xin Yang followed Lian Cheng Yazhi upstairs, into the bedroom, and then into the bathroom.

He stood obediently at the side and waited for Lian Cheng Yazhi to speak. Lian Cheng Yazhi brushed his teeth and said, " "Secretary Zhou must have told you about the news yesterday."

"Yes, I did." Xin Yang nodded.

Lian Cheng Yazhi did not say anything else and went straight to the point. go and get the reporters to report on this matter. Don't alert the outside world. As for what to do, you can think of it yourself.

Xin Yang looked at Lian Cheng Yazhi. After he had finished packing, he nodded with a little resentment. "it's xuanji ya."

Lian Cheng Yazhi picked up a towel and wiped his face. I don't want to.

Without waiting for Xin Yang to speak, he continued, ” “It’s no use even if you’re unwilling. Who asked you to come back?”

xin yang--!

“Young master ya, can I continue my vacation after this?”

“you’ve been on vacation?” liancheng yazhi looked at him as if he didn’t know!

Liancheng Yazhi threw the towel into Xin Yang’s hand. “If you weren’t on vacation, do you think I’d only ask you to do this? Look at Secretary Zhou and then look at your current state. Be content.”

Xin Yang looked at Liancheng Yazhi’s back as he left, sighing in sorrow.

“But not everyone is like Secretary Zhou, right?”

At least, he couldn’t do it like a robot. [Secretary Zhou (showing off): that’s why you’re overseas and I’m by my boss’s side, his most capable assistant!]

Liancheng Yazhi changed his clothes and said to Xin Yang before he went downstairs, ” ” hurry up and do it. i don’t want to hear any similar reports. ”

Faith nodded,”yes, I understand.”

After that, he left Liancheng’s house. That afternoon, there was a new piece of news on the internet. A taxi driver overtook a car and was hit because he didn’t see the car behind him. The driver and two passengers in the car were injured and hospitalized. It was reported that the two passengers were reporters from a media company. The two of them were in a hurry to get the news, so they let the driver overtake them, which caused the car accident!

The news was very short, with only a hundred words. Not many people paid attention to it, but Liancheng Yazhi knew that it was Xinyang’s doing. No one would suspect a seemingly normal car accident like this.

Chapter 1087 Unable to resist her charm

after turning off the computer, liancheng yazhi turned around and started playing with his wife and child.

However, he knew that today’s matter was far from over. The waves had not calmed down yet.

When playing the game with “You seem a little absent-minded today? Is there something on your mind?”

Liancheng Yazhi laughed. no, I’m not. I just think that I’m too childish to play with my daughter at such an old age.

“Tsk, stop hiding it from me.” Rong Yan pushed him back.

“You really want me to tell you the truth?”

“Of course I am! Do you think I’d want to hear you lie?”

I’m thinking about when you’ll be easy to get pregnant, ” Liancheng Yazhi said seriously. it’ll help improve efficiency.

you Qianqian. Rong Yan blushed and quickly looked at

Liancheng Yazhi laughed bitterly. I'm telling the truth. I'm not lying at all.

"Continue making up stories," Rong Yan pouted.

"Really, I wouldn't dare to lie to you." Lian Cheng Yazhi said sincerely.

"I'd be a fool to believe you." Rong Yan didn't believe him.

After a while, Lian chengyazhi reflected on the painful experience and finally expressed his unwillingness, " " fine, i'll tell you. i just feel that last night, the fact that i was suppressed by you was not manly enough. it hurt my pride as a man, so i'm thinking about how to fight back. "

Rong Yan laughed when she heard that. My child's father, you'd better recuperate from your injuries before you counterattack."

Rong Yan's eyes turned and she moved closer to Lian Cheng Yazhi, smiling like a female Bandit. She reached her hand under Lian Cheng Yazhi's clothes and touched his waist. Taking advantage of him was something she was very good at.

Rong Yan even threw Lian chengya a flirtatious look. " mr. liancheng, i felt great last night. i have a few new ideas. why don't we try them tonight? "

Lian Cheng Yazhi swallowed, feeling his throat dry and on fire.

Rong Yan hadn't called him that for a long time. He suddenly remembered that many years ago, she was still shameless and wanted money but not face. She kept calling him " sugar daddy " Rong Yan. At that time, Rong Yan was really a beauty that could bring disaster.

However, she was still the same now, even though she was acting more like a good woman now.

However, when an innocent woman becomes alluring, she becomes even more alluring.

liancheng yazhi looked straight at rong yan. " "This isn't very good, is it?"

rong yan's hand pulled out from under lian chengya's clothes, her slender fingers sliding across his face from his eyebrows to his eyes, then over his high nose bridge and slowly falling on his thin lips. her fingers gently rubbed his lips and she said in a low voice, " "What's not good about it? you said it yourself. We're already an old couple. What's there to be shy about?"

liancheng yazhi's breathing gradually quickened. he really had no resistance to rong yan's seduction."I just feel that it's not a good idea for Yingluo to go for a walk at night."

Rong Yan gently blew into Lian Cheng Yazhi's ear. "Why? Don't you want to?"

Lian Cheng Yazhi felt like his body was on fire, and his voice was hoarse, " "Of course not, I just think Yingying is better now."

Chapter 1088 Wife, is it really good for you to be like this?

Rong Yan's hand on Liancheng Yazhi's lips suddenly turned and pinched his face. She chuckled and said, " "Now, I can give you this!"

Lian Cheng Yazhi gasped in pain and looked at him sadly. you can't do this, Yueyue.

“Who asked you to think so much? go play with MeowMeow.” Rong Yan looked at Liancheng Yazhi’s slightly aggrieved expression and felt that it was very fun. She couldn’t help but pinch him again.

his skin was smooth and elastic like it had been a few years ago. He didn’t feel like his skin had aged.

as expected, this face was blessed by god!

The first time she saw Liancheng Yazhi face to face, Rong Yan felt that she might have been bewitched by his face. Otherwise, why would she really dare to take such a big risk and jump in?

Now that he thought about it, he was really full of courage back then.

Perhaps at that time, it was not only because she was inspired by the courage to take revenge, but also because this man was too outstanding. Any woman who saw him would not let him go!

Rong Yan was a little glad that the decision she had made back then was really wise!

Liancheng Yazhi tried to explain himself. if I think so, then ran ran was also seduced by you. You can’t blame me! Your husband is a normal man, and his needs are already very strong at this time. Not only do you starve me all day, but you also often seduce me. After you’re done, you don’t even feed me. Honey, is it really good for you to do this?”

liancheng yazhi felt wronged. he blinked his eyes and looked at rong yan accusingly. his burning eyes made rong yan feel a little guilty.

She silently counted with her fingers. It seemed that ran ran had indeed let Liancheng Yazhi be a vegetarian for too long recently. Alright, in that case, she would feed him meat a few more times in the future!

Rong Yan’s hand that was pinching Liancheng Yazhi’s face changed to caress it. be good, I’ll try to feed you more in the future.

“Really?” Liancheng Yazhi’s eyes lit up.

Rong Yan nodded. I’ll feed you well. That way, I won’t have to be afraid if someone tries to poach you in the future.

Liancheng Yazhi teased her. Alright, he wouldn’t say anything. It was also good to let Rong Yan feel a little threatened. At least, teasing could eat meat.

Liancheng Yazhi gave him a flirtatious look.”Go play with MeowMeow first. I’ll play with you tonight, Yingluo.”

yes, my dear wife! Liancheng Yazhi immediately perked up. I’ll definitely complete the task.

.....

For the rest of the time, Liancheng Yazhi was looking forward to the arrival of night.

However, as the night fell, the waves rolled up again.

At eight o'clock in the evening, Secretary Zhou finally walked out of the prison gate. He had a Bluetooth headset in his ear. As he wiped his hands with a wet tissue, he said, "young master ya, it's all clear. That woman confessed everything!"

Liancheng Yazhi took the phone and walked outside, asking in a low voice, "what's the situation? who ordered this?"

the female criminal was imprisoned five years ago for murder. She was supposed to be sentenced to death, but because she turned herself in, her sentence was changed to life. She said that a few days ago, someone contacted her through her family and promised to give her son five million Yuan so that he wouldn't have to worry about money. However, she wanted to kill someone, and then she agreed. Secretary Zhou threw away the wet tissue and got into the car. The car lights came on, and under the light, the White wet tissue was dyed a bloody red.

.....

Chapter 1089-the mastermind behind the contract

After Secretary Zhou got into the car, he closed the door and looked at his hands. They were basically clean, but there were still some red marks under his nails that couldn't be wiped off. He could only wait until he got home and take a shower.

secretary zhou continued, " " the female criminal said that she felt that she was sentenced to life imprisonment and that she would never be able to get out of it. she felt that she was no different from being dead. she also felt that she had let her son down for not being a mother and that her son had been looked down upon by others because of her. she wanted to make it up to him. now that there was a way to earn so much money for her son, she had no reason not to use it. she felt that it was not easy to have such a thing happen once, so she agreed. "

Liancheng Yazhi did not care about what Secretary Zhou said. who gave the money? "

she didn't know who gave the money, but we found out from her family and the account that transferred the money to her son that the killer seemed to be related to the Tang family. I'm not sure now, but the information is still being verified, and we will be able to confirm it in an hour at most. But, I think if that's the case, it might be Tang Ziyu!

The Tang family? why was the tang family involved again?

"Tell me your reason," Liancheng Yazhi asked.

"didn't tang ziyu always like xia xuanmo? but he only had rong nuo in his heart. later, when the matter was blown up, xia xuanmo left the capital and went to such a far place. naturally, tang ziyu transferred all his anger to rong nuo. "

"let me know when the results are out," said liancheng yazhi.

Suddenly, Secretary Zhou's other phone rang. Secretary Zhou said, " "Ah, ran ran's results are out. Young master ya, please wait a moment, I'll take a look at the email, ran ran."

secretary zhou opened the email and quickly browsed through it. then, he said, " young master ya, i've confirmed it. it was tang ziyu who did it. she hated rong nuo and thought that xia xuanmo did not love her because of her. since xia xuanmo left the capital, tang ziyu's mental state has been

abnormal. there were several times when she wanted to chase after xia xuanmo, but she was stopped by her family. this time, she could not stand it anymore, so she bribed a female prisoner and asked her to attack rong nuo. she was the one who transferred the money to the female prisoner's family. we have found the transaction record. Also, the bank staff saw her at that time."

All in all, Tang Ziyu's means were not brilliant. He was reckless and did not care about the consequences.

Liancheng Yazhi was silent for a while before asking, " "Then, do you think this has anything to do with me being ambushed?"

Secretary Zhou didn't think so. I don't think these two things have much to do with each other. Maybe it's just a coincidence. Tang Ziyu's action is completely a personal revenge, and the target is only Rong nuo. It has nothing to do with us.

"Xia Xuanmo has been away for so many days, why did he wait until today to take revenge on Rong nuo? Moreover, it happened so suddenly? Since she was mentally unstable, why didn't her family send someone to keep an eye on her? also, if she wasn't clear-headed, how could she have found a life imprisonment female criminal so clearly, knew her family's situation so clearly, and accurately judged that she had broken through the guilt she felt for her son? This would at least take a few days to prepare, right?" liancheng yazhi asked a series of questions in one breath.

There seemed to be no flaw in this matter, but after thinking about it carefully, there were still many questions that could not be explained.

Chapter 1090 Women are strange animals

after secretary zhou heard liancheng yazhi's series of questions, he also had some doubts in his heart. however, he still felt that these were not actually problems.

young master ya, women are very strange animals. When they are angry, they are very scary. Also, Tang Ziyu is just a little abnormal in the brain, she is not completely confused. She has received higher education abroad, so this kind of contract killing is not difficult for her.

In fact, Secretary Zhou had already sympathized with Tang Ziyu a little, because her feelings for Xia Xuanmo were really very deep.

She didn't even hesitate to follow his footsteps and follow him to the ends of the earth.

Unfortunately, Yingying's parents stopped her.

And with that, the marriage between Xia and Tang, which had once been glorious in the capital, had finally disappeared.

"I hope you're right." More than anyone else, Liancheng Yazhi hoped that this murder case against Rong nuo was just a simple case of jealousy and that it would stop at the emotional entanglement between Tang Ziyu, Xia Xuanmo, and Rong nuo. It was not deliberately created by someone at this time to make them so busy that they had no time to care about anything else.

young master ya, since Tang Ziyu has made a move, should we teach her a lesson, or simply give the Tang family a warning? ” secretary zhou knew that liancheng yazhi wasn’t someone who was willing to suffer losses. although this incident was targeted at rongruo, the person she touched was rong yan’s sister, which made liancheng yazhi unhappy. if he didn’t teach them a lesson, it wouldn’t fit young master ya’s temper.

In the end, Liancheng Yazhi really didn’t let him understand. no need. You don’t have to do anything for now. I think Yingluo might have someone to clean it up for us.

secretary zhou was even more surprised when he heard this,”someone’s helping us?” Who’s so kind?”

“Don’t worry about it for now. If there’s no movement in two days, it won’t be too late to make a move.”

Since she wasn’t allowed to care about it, Secretary Zhou felt that it would save her a lot of trouble. alright, I won’t care about this matter for now. The doctor on Rong nuo’s side said that her vocal cords are injured, and she will probably need to rest for a week before she can recover. Since you don’t want the young Madam to know, then don’t let her visit the prison during this period.

“i understand this. you go back and rest. i will let xin yang catch two reporters. you go back and ask him about the interrogation.”

When Secretary Zhou heard this, he was happy. ? He could go home and rest; ? his mother, that Xin Yang guy finally did something.

He really wanted to cheer. Young master ya, you’re so mighty!

Secretary Zhou said excitedly,”alright!!!!”

After hanging up the phone, Secretary Zhou took off his tie from his neck and threw it on the passenger seat. He started the car and went home happily.

On the way, he kept thinking about it. Lian Cheng Yazhi said that someone would help to deal with Tang Ziyu, but he didn’t believe it.

However, this suspicion completely disappeared when he received a phone call after he returned home and had not even sat down.

Listening to the report from the phone, Secretary Zhou’s eyes were dazed and his gaze was dull. Then, he said in a daze, ” “There’s really someone who’ll help you if you rely on Yingluo?”

The person on the phone was saying,”Secretary Zhou, the female criminal is dead. Before she died, she left a letter of blood, accusing her of hiring someone to kill someone, Wanwan.”

“how did he die?” That was what Secretary Zhou was concerned about. Why did he suddenly die? and why did he die under the watch of so many people?

whether she wanted to commit suicide or someone wanted to silence her, it would not be so easy!
