

Permit Me 1151

Chapter 1151-call as you like

After Rong nuo came back to her senses, she quickly struggled. don't be like this, let go.

They were so close that her chest was pressed against his chest. Rong nuo was not used to the intimate friction between their breaths. This was too intimate. The temperature from Tang Zong's body seemed to be melting her.

tang zong hugged her even tighter. like a child, he said angrily, no, I won't. Look at how cold you are. You're as cold as ice. If I don't get it, you might freeze to death.

rong nuo raised her head slightly and saw tang zong's lips that were constantly opening and closing, as he kept on mumbling. the fresh and warm breath on his body wrapped her tightly, and she felt a little dizzy as if she had drunk too much.

"i saved your sister today. if it wasn't for my bravery, she would have been killed by now. so, your brother-in-law promised me that he would never stop me from coming to see you again!" You'd better be good too, and don't argue with me. "

Rong nuo anxiously asked,"what did you say?" My big sister was almost hit?"

Tang Zong nodded his head vigorously. that's right. You don't know how dangerous it was at the hospital today. A woman was driving a car and was about to hit her. I happened to be at the scene at that time. I immediately stepped on the accelerator and rammed into the car, causing it to deviate. That's the only way your big sister can be unscathed. Otherwise, you won't be able to see her again in the future.

Rong nuo's hand grabbed Tang Zong's inner clothes."Is she really fine now?"

Tang Zong lifted his chin. of course I'm fine. I'm doing great. They even invited me to their house for lunch this afternoon. Your elder sister is very nice to me now. Your brother-in-law also said that he won't stop me from visiting you in the future.

Rong nuo heaved a sigh of relief. That's good, it's good that everything is fine.

Although Liancheng Yazhi had agreed not to organize Tang Zong's visit, Rong nuo did not care about this matter. It did not matter as long as her eldest sister was fine.

When Rong nuo was distracted, she was obediently lying on Tang Zong's chest. She did not move at all, like a fake person.

The key was that she was lying on her stomach, and her full chest just happened to be pressed against Tang Zong.

In the beginning, Tang Zong didn't notice it. But as time passed, he started to feel it. That soft ball was pressing on his body. Oh, it felt so comfortable.

The clothes on Rong nuo's body were very thin, and holding her like this would inevitably make a very normal man's heart race.

Hence, Tang Zong's hands were still not obedient, and began to touch and pinch Rong nuo's body through his clothes.

Rong nuo was brought back to her senses by him and scolded coldly, "Let go, don't touch Yingluo."

Tang Zong pouted. You've already touched me, so why can't I touch you?" As he spoke, he sneakily touched Rong nuo's buttocks and said, "So soft!"

Rong nuo's face was so red that it was almost bleeding. She raised her hand and slapped Tang Zong's face.

However, it turned out that Rong nuo had still underestimated the extent of Tang Zong's shamelessness. He actually stretched out his face and said with a face full of anticipation, come on, hit me once. Let me touch you. Hit me however you want!

That sneaky expression was basically saying, "Hurry up and hit me, I'm waiting to touch it."

Rong nuo gritted her teeth in anger. What did the Tang parents do to give birth to such a son? why didn't God punish this evil?

"Tang Zong, can you be any more shameless?" she gritted her teeth in anger.

"Of course I can!" Tang Zong nodded his head vigorously. Do you want to see it?"

At the same time, he quickly went over and licked Rong nuo's lips.

Chapter 1152 who can play to the end?

Rong nuo pushed Tang Zong away, "Tang Zong, that's enough. What are you trying to do? if you want to play, go find someone else to play with. Don't bother me. I don't like anything that you think is fun."

Tang Zong's repeated pestering made Rong nuo really want to stop.

She didn't know what Tang Zong's motive was. The only thing she could be sure of was that a man like Tang Zong would never fall in love with anyone. Tang Zong probably didn't even know what "love" was. He was someone who loved to play and hated boredom. He was someone who looked for excitement and fun every day. Love between men and women was not worth mentioning to him.

The reason why Tang Zong kept pestering her like this was because he felt that her attitude was not up to his expectations. In addition, Liancheng Yazhi's obstruction had aroused his challenging heart, so he always came up to her from time to time.

after being rejected, tang zong's eyes flashed with anger. however, he still maintained a smile on his face as he pressed forward again. as long as I think it's fun, that's enough. You all know that I'm not a person who would think for others, don't you think so? "

As he spoke, Tang Zong bit Rong nuo's ear, and his long arms wrapped around her slender waist, pressing her against him.

Rong nuo's brows were tightly furrowed. This could not go on. She had been at a disadvantage time and time again in the face of Tang Zong's shamelessness. He had to change this situation.

Rong nuo bit her lip and recalled what Rong Yan had once said. In the face of such a thick-skinned person, one could only defeat him by being more shameless and thick-skinned.

Alright, you want to play?

Then, he would play big!

After Rong nuo made up her mind, her face that was originally full of anger gradually melted like ice, turning into a pool of spring water. That clear change made Tang Zong a little lost in his thoughts, because when Rong nuo's eyes were no longer cold, they were filled with a warm and soft light, and they were exceptionally beautiful.

Rong nuo opened her mouth and called out, "Tang Zong Zhenzhen."

Her voice was soft and gentle like a feather. It was like a breeze, blowing through one's heart and skin, making one's heart itch. One always wanted to reach out and scratch it, but after scratching, one would find that the itch was even more intense. One would then look forward to what she would continue to do.

Tang Zong blinked. He was a little unaccustomed to Rong nuo's sudden change. hmm ...

Rong nuo's hand was slender and soft as if it had no bones. She slowly caressed the back of Tang Zong's hand, and then slowly moved up her arm to his neck, and tapped his Adam's apple. do you really want to play? "

Tang Zong's Adam's apple felt numb. He felt that Rong nuo had returned to the way she had been when she had teased him the last time. However, he was really looking forward to it. However, he refused to admit that he was just playing around. He shook his head and said, "i'm not playing yingluo."

tang zong had always thought that it was fun to face rong nuo.

Who told her to get into the gift box he gave Tang Ziyu?

What she said that night gave him a strong feeling again.

Later, they happened to stay in the same police station. He thought it was a fun fate and wanted to continue. [everyone in the police station: hey, we are the dignified police station. Why do you sound like you are talking about the same hotel?]

Rong Norb ignored Tang Zong's words. She raised the corner of her eyes and said in a low voice, "Then let's see who can play till the end."

Before he could finish his words, Rong nuo suddenly pushed Tang Zong against the wall.

Chapter 1153-turning into a tomboy in one second

A weak and delicate young lady had transformed into a violent and tough lady within a second. This caused Tang Zong to be dumbfounded for a moment. However, very quickly, he felt a sense of joy in his heart. This was because he had never experienced something like this before. Hence, he had no idea what would happen next. Tang Zong was always very interested in the unknown. Just thinking about it made him feel a little excited.

Tang Zong blinked his eyes and looked at Rong nuo, as if to say, "whatever you want to do, I'll do my best to cooperate."

Facing such a shameless Tang Zong, Rong nuo almost gave up. She took a deep breath and tried her best to persevere. If she did not succeed this time, she would be useless to Tang Zong next time.

Rong nuo moved closer to Tang Zong and whispered into his ear, don't be in a hurry. This kind of thing can't be rushed. It's only interesting if you slowly play with Yingying.

Tang Zong felt all the hair on his body stand up. He shivered.

Rong nuo's lips curled up. She was not an innocent girl who did not know anything. After being with Xia Xuanmo for a few years, she knew a lot about love.

In comparison, Tang Zong was much more unfamiliar with her.

Rong nuo sat on Tang Zong's body. As she smiled, one of her hands slipped under Tang Zong's clothes. The slightly cold hand pressed against his burning hot skin, causing Tang Zong to shiver. That little hand was like a soft little snake, slowly crawling up his abdomen, causing him to shiver. It gave him a whole new experience, and made him want more.

"Are you ready?" Rong nuo's forehead was pressed against Tang Zong's cheek as she asked softly. As her hands fondled and fondled his chest nimbly, Tang Zong's breathing became more rapid, and Rong nuo could even hear him swallowing his saliva from such close proximity.

Tang Zong's reaction was very genuine. At the same time, it also proved one thing. When it came to matters between men and women, he was indeed a newbie. He knew very little about such things.

Rong nuo's hand was on the left side of Tang Zong's chest, her eyes rippling. She stuck out the tip of her tongue and licked his Adam's apple. "My heart is beating so fast! Are you nervous?"

No Qianqian, no Qianqian. Tang Zong stammered. He was a little shy, but he was looking forward to what Rong nuo would do next. In the past, there had been women who tried to seduce him, but he had never had any reaction. However, Rong nuo had just started, and he was already a little unable to stand it.

The current Rong nuo was like a Banshee, and he was like a silly scholar who was about to be swallowed by the Banshee.

Rong nuo looked at Tang Zong's awkward reaction and hesitated. She suddenly felt that it wasn't a good idea to do this. Tang Zong loved to play and was heartless, but at least when it came to matters between men and women, he was pure. Wouldn't she be destroying the last clean spot in his heart by doing this?

However, this doubt only existed in Rong nuo's mind for a few short seconds and was quickly pushed away.

"Do you still want to continue playing?" Rong nuo asked Tang Zong.

In the end, Tang Zong straightened his blushing face and cleared his throat. "Tsk, your order is even worse than water. What is this?"

Rong nuo gritted her teeth. She had wanted to tell Tang Zong to be tactful and leave quickly. Fine, since he said so, she would give him a good lesson today.

"Alright, since you're so courageous, let's continue."

Rong nuo's fingers slid down from Tang Zong's chest and fiddled with his belt. She didn't know if she did it on purpose or if she really didn't have the strength, but she couldn't untie it for a long time.

Chapter 1154 Do you want to like her more?

Her actions made Tang Zong's face blush even more, and he did not even dare to look at Rong nuo. Rong nuo gently bit Tang Zong's lower lip, his soft and coy voice sounding like a spoiled child. "It's so hard to take it off, so annoying! you didn't do it on purpose?"

Tang Zong's face was so red that it was almost smoking. The blush had spread to his neck, making his handsome face look even more shy and delicious. Rong nuo instantly thought of a phrase: His face was like a peach blossom!

Tang Zong's eyes flickered, and he did not dare to look at Rong nuo. His tongue seemed to be not listening to him, and his pronunciation was not very clear. "No Qianqian, no Qianqian."

Rong nuo lay on his body as if she had no bones and giggled. "you're shy already? What else was there? Can you still hold on?"

Tang Zong puffed out his chest. nonsense. I'm a man and my body is in good shape. What can't I do? if you have any other means, just use them. Tang Zong's words, coupled with his actions, seemed to be saying: I don't care what kind of torture you use, I'd rather die than submit.

Rong nuo's heart ached from anger, but she still had to pretend that she was fine. Not only that, but she also had to smile seductively. Her smile was of a certain standard, and it could make men lose their souls.

Rong nuo pouted. is that so? then I'll continue! she said.

Tang Zong twisted his body. "let's continue, zhenzhen."

His voice had already changed. His eyes, which had always been clear and bright, were now like boiling water. Even his entire body was so hot that it seemed as if it was on fire. That strange feeling of desire swept over wave after wave, making Tang Zong a little helpless!

Rong nuo looked at Tang Zong and smiled. Her hands slowly pushed up the wool pullover that Tang Zong was wearing inside. She bent down and under Tang Zong's gaze, she opened her mouth and bit a little of his skin on his abdomen. The moment her lips and teeth touched his abdomen, Tang Zong trembled violently.

Rong nuo's bite was just right. There was a little pain, but it was more of an unbearable torture, and she even wished that she could bite harder.

She took a bite and moved to another spot. Slowly, she moved up. Every bite brought double the ecstasy to Tang Zong. He clenched his hands tightly and let out a series of low moans.

Tang Zong shyly wondered why he had never felt this way before. thinking about it, the women in the past were too disgusting. only Rong nuo closed his eyes.

Rong nuo had only been doing it for a short seven to eight minutes, but to Tang Zong, it was as if he had been in a new and strange world, as if he had experienced a long spring, summer, autumn, and winter!

When Rong nuo raised her head and the tip of her tongue gently swept over the last part of her body that she had bitten, Tang Zong growled and turned over, pressing Rong nuo under him. His eyes were already starting to turn red.

however, he only pressed rong nuo tightly, panting heavily, and did not do anything else.

“do you like it?” rong nuo asked with a smile.

As if he had been bewitched, Tang Zong nodded his head.”I like Yingluo.”

“Do you want something you like more?”

“I want to run.”

“Be good, get up first.” Rong nuo’s fingers slid across Tang Zong’s face.

As expected, he got down from Rong nuo’s body, and his obedient look was very cute.

Rong nuo’s lips curved into a seductive smile. Her fingers unbuttoned the top three buttons of her shirt, just enough for Tang Zong to see the most beautiful part of a woman’s body.

Her snow-white skin was like the snow on the top of Tianshan mountain. It would melt if the temperature here was a little higher.

tang zong swallowed his saliva and subconsciously touched his nose. he kept feeling that his nose was going to bleed.

Chapter 1155 I don’t like it anymore

Rong nuo laughed to herself. Her voice was soft and delicate, as if she was whispering to her lover. She stretched out a finger and pointed it at Tang Zong’s lips.”What an obedient child! Do you know what you should be doing under normal circumstances?”

Tang Zong felt that his usually intelligent brain could not react in time at this moment. He did not know what to do and could only say in a silly manner,”No, Zhenzhen knows.”

Bit by bit, she tore at Tang Zong’s flesh on his neck. It was as if an electric current was spreading through his entire body. After the piercing pain and numbness, there was only a feeling of ecstasy.

Rong nuo muttered in a low voice,”you should ... Urge Rong nuo to hold Tang Zong’s hand like this.” Is it comfortable?””

She grabbed one of Tang Zong’s hands and lifted the lower hem of her shirt, letting his shockingly hot hand touch her slender waist.

Rong nuo bit Tang Zong’s neck again.”just like me just now.”

Tang Zong was stunned. The skin under his palm was smooth, soft, and slightly cool. He felt as if he was touching a piece of top-grade Jade.

Rong nuo leaned on Tang Zong and laughed. This guy really knew very little about the matters between men and women. what a silly boy. You don’t even know this? ”

rong nuo grabbed his hand and started moving. under rong nuo’s lead, tang zong quickly knew what to do. he broke free from rong nuo’s hand and continued to explore upwards.

Under Tang Zong’s rough caress, Rong nuo’s own body began to have a normal physiological reaction. She let out a series of low moans and groans, and lay on Tang Zong’s body, biting her lips and panting.

“Is it comfortable?” Rong nuo asked Tang Zong while panting.

Tang Zong’s voice was dark and hoarse, “so comfortable, Yingluo.”

Tang Zong felt that everything was new and interesting. The soft body under his palm seemed to be boneless. This was the first time he felt that a woman’s body structure was so strange.

It was so nice to touch. Yingying really wanted to do something. He felt like his body was about to explode.

Tang Zong’s hand finally touched the edge of Rong nuo’s underwear. He tried to get in, but it was very difficult!

Tang Zong was anxious, but the more anxious he was, the more he couldn’t untie it. He had never studied the structure of a woman’s underwear before. Not long after, he was so anxious that a few beads of sweat appeared on his head.

As Rong nuo chuckled, Tang Zong was both embarrassed and angry. He pressed Rong nuo down and suddenly tore open her shirt with both hands. The buttons fell off and fell to the ground.

The scene that was completely exposed in front of his eyes made Tang Zong lose control. Like a little beast, he pounced over and began to gnaw on Rong nuo’s half-exposed chest.

Tang Zong didn’t know how to control his strength at all. It hurt a little, and his hand was no longer satisfied with a simple touch.

When Tang Zong’s hand touched her lower body, Rong nuo felt as if she was about to lose control. If she didn’t stop him, she might really end up rolling around with this young boy here tonight.

Rong nuo took a few deep breaths and tried to regain her rationality. She had originally wanted Tang Zong to back off, but the situation was getting more and more out of control.

Rong nuo took a deep breath and suddenly pushed Tang Zong away. She quickly got off the bed and stood barefoot on the cold ground.

Rong nuo slowly pulled up her shirt. The buttons were already gone, so she could only hold it together and grab it with her hands.

Rong nuo’s hand trembled a little. Her body had already begun to move, but she couldn’t, she needed to be rational.

She tried her best to calm herself down and said expressionlessly, “Tang Zong, that’s enough. I don’t like what’s going to happen next.”

Chapter 1156 you’re a bad woman

Tang Zong’s eyes were bloodshot as he locked his gaze on Rong nuo. but I like it, I want it!

Tang Zong’s current appearance was completely different from the past. He had a hint of savagery to him, and he would not stop until he ate.

rong yan turned her body slightly and did not look at tang zong, “you want?” if you leave the prison now, there will be a group of women waiting for you.”

Tang Zong's face was still flushed red. He bit his lips and said hatefully, "But I want you. You seduced me, you bad woman. You made me like this and you don't care about me. You're so bad, Yingluo!"

Rong nuo chuckled. yes, I did seduce you. I'm really bad. You'd better stay away from me.

Tang Zong's hand grabbed the bed sheet under him. His mind was spinning fast. If he were to force himself, grab Rong nuo and throw her on the bed, then let her finish the rest, she would definitely not be able to escape.

However, it seems like she'll be very angry this way, Yingluo.

Tang Zong's ferocious expression suddenly changed into one of grievance and pain. "Rong nuo, I'm very uncomfortable. I feel like I'm dying. You have to save me." Rong nuo.

Tang Zong's eyes turned red, and a layer of moisture appeared on his face. He looked so pitiful as he acted coquettishly and pleaded.

His face had always been the kind of cute and handsome young man, so clean that it was hard to bear destroying it. At this moment, his cheeks and lips were red, and his eyes were filled with tears. He looked so pitiful that it was enough to move people's cold hearts.

Rong nuo couldn't harden her heart for a moment, and she looked a little pitiful.

Although Rong nuo's heart was a lot colder now, compared to Rong Yan, she still lacked maturity. She was like many women, sometimes sympathy would pop out.

tang zong was begging rong nuo for help.

Rong nuo knew what he meant by "help," but, could it be that he really wanted to help her?

After hesitating for a while, Rong nuo gritted her teeth. okay, I'll help you, but you're not allowed to move.

Tang Zong nodded his head repeatedly, "yes, yes, Zhenzhen."

"Lie down," Rong nuo said as she walked over.

As expected, Tang Zong obediently lay down, his eyes fixed on Rong nuo.

His eyes were so hot that Rong nuo's face began to burn.

She pulled over the thin blanket on the bed and covered the two of them. Under the blanket, her hand moved down from Tang Zong's abdomen and started to stroke him.

After about ten minutes, Tang Zong finally calmed down after trembling for a while. A smile appeared on his face. He was satisfied. He had never experienced such a comfortable feeling before.

Rong nuo quickly got up and grabbed Tang Zong's coat to wipe her hands. Her red face was filled with regret.

"If you're comfortable, then go," she said coldly.

Tang Zong hugged Rong nuo from behind, like a child who was attached to his mother. He pressed his cheek against her back and rubbed it a few times. Rong nuo!

Rong nuo struggled, "let go of Yingluo."

Tang Zong snorted. I won't let go. You've already treated me like this. You can't abandon me after having sex with me.

Rong nuo frowned. She felt that today was a complete mess. Perhaps she should not have used such a stupid method.

She said, "Tang Zong, not long ago, I was still able to follow Xia Xuanmo. Now, I can seduce you without any pressure. You can see that I'm such a woman. I'm cheap and shameless. I can sleep with any man/want. Don't bother me anymore. You can enjoy what happened today with many other women in the future. There's no need to come and find me.

Chapter 1157 everything i like will be mine

An unusually fierce anger suddenly surged up in Tang Zong's chest. He lowered his head and bit Rong nuo's neck without a care. His arms hugged Rong nuo even tighter. He gritted his teeth and said, "I won't allow you to say that. I don't care what you were like in the past, but you can only be mine from now on. If you dare to say anything about that man again, I'll send someone to kill him today."

this was the first time that tang zong had shown such a fierce side to rong nuo. although his tone was like a child throwing a tantrum, rong nuo's heart trembled when she heard it.

She had a feeling that what Tang Zong said was true!

Tang Zong's bite just now was really painful. Rong nuo endured the pain and said, "Stop fooling around, it's late, you should leave. Don't come looking for me again, I don't want to see you."

Tang Zong dragged Rong nuo over and pressed her down on the bed. He lowered his head and kissed her all over, while saying, "I don't care if you want to see me or not, I just want to see you!"

He kissed Rong nuo's lips and said, "I like it here, Yingluo."

He kissed her face again, "I like this Yingluo."

She then turned to her neck, "I like this Yingluo."

He continued to kiss her. I like this place, I like this place, and here, Yingluo. I like you everywhere, Yingluo.

Tang Zong's eyes looked at Rong nuo's lower body, which was still wearing his pants. I like everything that I haven't seen.

Rong nuo was so angry that her face turned red. She raised her hand and wanted to hit him again, but she was stopped by Tang Zong. He grinned at Rong nuo, grabbed her hand and patted it on his face. Then, he kissed the back of her hand and all five fingers. "And I like this place too."

Tang Zong pressed down on Rong nuo, and his eyes were bright again. He blinked and said, "The things I like will all belong to me. You, here, here, all of these Pixiu will be mine!"

Rong nuo gritted her teeth, "I'm not a thing ..."

Tang Zong nodded his head, "of course. You're a human. You're the woman who took advantage of me. I won't let you off so easily. You can only follow me from now on. You've just whined and whined.

tang zong wriggled a little, his red ears twitched."I can forgive you for what you did to me just now, but Yingluo, you have to promise that you will only do it to me in the future."

Without waiting for Rong nuo to object, he continued,"You don't have to say anything. Even if you do, I won't listen."

rong nuo was so angry that she turned her head and did not look at her. tang zong lowered his head and kissed her cheek for a while. " i will let you know. "

Suddenly, Tang Zong heard footsteps coming over. He quickly took a coat and put it on Rong nuo, then picked up the thin quilt on the bed and wrapped it around her.

Finally, he slowly tidied up his pants. When the prison guard came over, he saw Tang Zong's hand on his belt.

The prison guard was stunned for a moment. He then looked at Tang Zong's satisfied face, the teeth marks on his neck, and Rong nuo wrapped in the quilt. Her hair was messy, her cheeks were flushed, and her lips were red and swollen. Even a fool knew what had happened.

The prison Guard's hands trembled a little. She swallowed her saliva. Damn it, how cruel are these two people? they're too bold. This is a prison. How can you guys do such a thing here?

if the higher-ups knew about this, yingluo

The prison guard trembled. well, it's getting late, Yingluo, Mr. Tang.

Chapter 1158-seeking death

tang zong cast a sidelong glance at her and said impatiently,"I know."

The prison guard didn't dare to say anything more and ran away quickly. She felt that she should just pretend that she didn't see anything!

tang zong leaned over and said to rong nuo,"i'm leaving, i'll come to see you tomorrow."

"Don't come again." Rong nuo did not look at him.

Her mind was in a mess right now, because everything did not go as she had expected. Tang Zong's reaction was also different from what she had expected. This made Rong nuo feel very upset, and she did not know what to do from now on.

Tang Zong hit Rong nuo through the blanket."that won't do, yingluo. i have to come and check, i want to check! Hmph, Yingluo, don't think you can escape after doing this to me. If you dare to escape, I'll definitely make your sister's family suffer."

Rong nuo glared at him and shouted angrily,"Don't you dare. If you dare to harm my elder sister and the others, Tang Zong, I will never forgive you in this lifetime."

Tang Zong hurriedly said, " Alright, alright. Don't be angry. I was just saying. As long as you don't avoid me, I'll pretend that I don't know how to do anything.

Rong nuo closed her eyes,"why aren't you leaving yet!"

then I'll be leaving, Zhenzhen. Tang Zong reluctantly walked out of the door. He did not leave immediately, but leaned against the door and peeked inside. When he saw Rong nuo lying on the

bed, not moving, he pouted unhappily. She did not even want to say goodbye to him, nor did she look at him. She was so sad.

Tang Zong was not happy, so he rushed back, held Rong nuo's face and nibbled on it for a while, kissing her until her face was full of saliva, and then left in satisfaction.

After Tang Zong left, Rong nuo angrily hit the bed.

For the first time, she doubted Rong Yan's words. Big sister, didn't you say that you have to be more shameless than him to win?

Why can't I scare this bastard away even though I'm so shameless? On the contrary, he seemed to be sticking even tighter to her. [rong yan: ahem, ahem.] [it's not that my truth is wrong, but that you've met a lunatic. my truth is aimed at normal people. sister, my condolences!]

In the past, although the Tang column's Rong nuo would occasionally touch her, it was very rare. At most, they would hold hands or hook shoulders.

at that time, tang zong did not know much about the matters between men and women, so he would not go overboard.

However, everything that Rong nuo had done today had opened up a new door for Tang Zong. She had taught him a lot, so much. Hence, he would no longer treat Rong nuo like he did before.

Rong nuo felt that her seduction today was really a big failure in her life, and could already be classified as a major strategic mistake.

In the future, the facts would also prove that what Rong nuo thought today was right, completely correct.

She had opened up a new world for Tang Zong, a new world that had completely invaded her!

Later, when Rong Yan found out, she gave Rong nuo four words-self-destruction!

.....

After walking out of the prison, Tang Zong sat in the car and looked at the prison gate for a long time. He missed Rong nuo so much, can he go in again?

He touched his mouth, touched his neck, lifted his shirt to look at his abdomen, and then shyly peeked down. Then, he chuckled and bit his finger on the steering wheel. His eyes were bright and his face was red.

today, rong nuo had really given him a vivid experimental lesson, letting him know that men and women could be like this, that kind of thing could be so comfortable.

Chapter 1159-can't sleep

Today was the first time that Tang Zong understood the meaning of the phrase that he used to read in school,"the spring night is short and bitter, and the days rise high. From now on, the Emperor will not attend court early."

He was now almost the same as described in this poem, wishing he could stick himself into Rong nuo's body and never get up again.

in the past, tang zong despised men who liked to play with women. he always thought that it wasn't fun to use money to play with women. not only that, but he would also lose money. tang zong had never liked such a losing business.

However, he now understood that it was not that those women were boring, but that he had not met the one he was interested in.

today, rong nuo had wanted to use this opportunity to completely push tang zong away and scare him away. but what she didn't know was that today, it had caused tang zong's feelings towards her to undergo a qualitative change. it was too late for him to cry and regret.

Tang Zong stayed outside the prison gate for more than two hours before he finally calmed down a little. He pouted his lips and started the car to leave.

When she returned to her residence, she saw the person standing in the living room as soon as she turned on the light. She had red hair and cold eyes. She was a little scared when she saw her. young master, Wanwan.

However, Tang Zong was not frightened at all. He glanced at her and said, " yes, I'm back. Is everything settled? "

"it's done,"

"You may leave."

She hesitated for a moment. Tang Zong wasn't wearing a coat. He only had a white pullover on, and it was wrinkled. There was also a Kasaya around his neck.

"are you injured?" she asked.

Tang Zong immediately clutched his neck and glared at her. He coldly shouted,"What are you looking at? get out."

She glanced at an ran, lowered her head, and retreated.

tang zong kicked off his shoes, walked into the bathroom, and closed the door.

he looked at himself in the mirror. it was the same face, but his expression was completely different from usual. his eyebrows were raised happily, and there were more emotions in his eyes. his lips were still red, and he could feel the numb feeling from rong nuo's kiss. he stretched out his tongue and licked it.

Tang Zong took off his pullover and unbuttoned his shirt. Then, he took off his shirt and revealed his upper body in the mirror.

Tang Zong looked at himself in the mirror. His abdomen area was very interesting. Little by little, it looked like a peach blossom tattoo. One by one, it bloomed there, enchanting and gorgeous.

Tang Zong suddenly covered his face and wailed, " I hate you, I can't think about it anymore. Rong nuo, you're too annoying, Yingluo.

After taking a shower, he put on his pajamas and lay on the bed. Tang Zong closed his eyes, and Rong nuo's extremely charming face kept floating around in his mind.

half an hour later, tang zong suddenly opened his eyes. " i can't sleep. "

I can't sleep, I can't sleep, I can't sleep, what should I do! i really miss rong nuo!

Tang Zong hugged the blanket and rolled around on the bed. What happened today had subverted his view of men and women that he had held for more than twenty years!

There was a saying that men loved because of their desires. This saying was actually quite true. Humans were all sensory animals. He was first interested in Rong nuo and felt that it was fun. He wanted to get close to her. After he fell deeper and deeper, Rong nuo suddenly gave him such intimate contact. This allowed him to completely plant a root in Tang Zong's heart, and it was a very deep one.

It made him even more reluctant to part with her. He was an indulgent person, but at this moment, he wanted her even more. He wanted to kiss her, touch her, and love her.

tang zong suddenly got up and took his laptop. he opened it and started to download things from the internet.

as a man, he was too passive. he had to strengthen his learning skills.

Chapter 1160 You have to be responsible for me

After downloading it, Tang Zong lay on the bed and patiently opened it with an open mind.

However, after watching for less than ten minutes, Tang Zong couldn't hold it in any longer. He suddenly jumped up from the bed and rushed into the bathroom with a pained expression. He vomited in disgust and smashed the computer when he came out.

Tang Zong threw the laptop into the trash can. It was too disgusting. He felt disgusted when he saw those women, and even more disgusted when he heard the moaning. It was simply polluting his ears and eyes.

After Tang Zong smashed the computer, he ran into the bathroom and washed himself from head to toe, as if he had just looked at it for a while and his body was stained with something dirty.

he came out of the bathroom drenched. tang zong fell onto the bed, hugged the blanket, and cried out, "Rong nuo."

In the prison, when Tang Zong saw Rong nuo's half-naked body, he only felt that he was completely dumbfounded. His blood was boiling, and there was something that he could not control in his body. He wanted to swallow her in one bite, and rub her into his body.

When he was being teased by her, Tang Zong's heart was beating so fast that it was almost jumping out!

It was completely different from the video he had just watched!

Tang Zong pounded his pillow. it's all your fault. You've caused me to be unable to look at other women. You have to take responsibility for me.

.....

The next day, after Secretary Zhou reported to Liancheng Yazhi about the day's work, he started to gossip with him. "Young master ya, Tang Zong went to the prison yesterday and stayed there for a long time before he came out."

Liancheng Yazhi didn't care. Oh Yingluo.

Tang Zong had not seen Rong nuo stay inside for a long time, but it was nothing.

Secretary Zhou walked forward and continued, "I heard from the prison guards that Tang Zong did not wear his jacket when he came out. The shirt he was wearing was wrinkled, and there were two teeth marks on his neck."

Secretary Zhou's face was filled with the same words: Young master ya, Tang Zong and Rong nuo must be having an affair. Do you want to interfere?

Liancheng Yazhi raised his head and glanced at Secretary Zhou, who had a gossipy look on his face.

"You're very free!"

As a man, Liancheng Yazhi had already guessed what Tang Zong would do. There was no beast in this world that did not eat meat. Tang Zong would eat Rong nuo sooner or later.

Since Liancheng Yazhi had already chosen not to stop her, he would also pretend that he did not know about Wanwan.

Secretary Zhou quickly shook his head and said, "No."

lian Cheng yazhi knocked on the table. "that woman who knocked into rong yan. has jiali investigated her?"

"Ah, ran ran, that's clear. Look, this is the information." Secretary Zhou quickly took out two pieces of paper from the folder.

Liancheng Yazhi looked through the information. The woman was called li Qianyi, the only daughter of the family. She had been doted on since she was young and was a pampered girl.

she doesn't have any deep hatred for Rong Yan. Why must she kill Rong Yan?"

Secretary Zhou shook his head. I'm not sure about this Zhenzhen. She hasn't woken up yet, so the police can't question her. However, her family background is very simple. Her parents are teachers. Oh, her father was also Xia Xuanmo's tutor when he was a graduate student.

It was for this reason that li Qianyi knew Xia Xuanmo and fell in love with him.

"where's madam xia?" lian Cheng yazhi asked.

secretary zhou shook his head. "nothing happened to hanhan. she was just a little frightened. she's already been discharged."

Liancheng Yazhi was silent for a while. last time, Kang kun said that the Xia family had a hand in my ambush. You can use this as a lead and continue to investigate.
