

Permit Me 1161

Chapter 1161 who dares to touch my face?

“Yes.” Secretary Zhou glanced at Liancheng Yazhi and lowered his head in response. He knew that his boss was planning to lay his hands on the Xia family. Because of Xia Xuanmo, he had always left a line for the Xia family and did not carry out a full-scale killing. However, the two old things of the Xia family always wanted to challenge his bottom line.

Liancheng Yazhi waved his hand in frustration.

Secretary Zhou quickly left.

Liancheng Yazhi sighed. He was in a dilemma.

The question of how Tang Zong would deal with Rong nuo had become a big problem in his heart. By hiding it from Rong Yan like this, the relationship between Tang Zong and Rong nuo had become deeper and deeper. As for him, he seemed to have been in the position of ‘helping’ all this time. Every time, it was because of him, this ‘pushing hand’, that the two of them had become closer and closer.

Although his previous goals were to separate them, things always turned out contrary to his wishes.

Liancheng Yazhi rubbed his forehead, hoping that Rong Yan would not blame him too much when she found out in the future.

He really didn’t want to marry Guan Tang Zong and Rong nuo anymore.

liancheng yazhi focused on his work again, but not long after, secretary zhou, who had left the president’s office for less than ten minutes, ran back. ” young master ya, the woman who hit young madam has woken up. the police have already gone over and are questioning her. ”

Liancheng Yazhi immediately stood up. let’s go over and take a look.

“Young master ya, we don’t have to go anymore. I’ve already informed the police. They’ll let us know immediately after they’re done with the questioning.”

Half a day later, Secretary Zhou received the latest news from the police. young master ya, li Qianyi personally confirmed that it was Madam Xia who incited her. She said that Madam Xia told her that as long as she killed Rong Yan, she would definitely find Xia Xuanmo and marry li Qianyi. At that time, she was a little hot-headed after being scolded by young Madam, and in a moment of confusion, she hit the car with her car. But now that she has come to her senses, she has already regretted it.

Liancheng Yazhi’s eyes flashed with a cold light. “Hmph, Madam Xia,”

Madam Xia looked weak and had a good temper on the surface, but in fact, she was more vicious than anyone else. She must have played a lot of tricks behind Tang Ziyu’s assassination of Rong nuo. This woman was really rat sh * t.

Liancheng Yazhi instructed Secretary Zhou. request the police station to quickly file a case. This time, we will pursue this matter to the end.

“it’s hanhan. i’ll bring my lawyer to the police station immediately, then i’ll go to the court.” Secretary Zhou was very efficient. She immediately left the company with the company’s most elite team of lawyers.

After Zhou zhusu left, Liancheng Yazhi stood by the window and looked at the tall buildings outside, his eyes flashing with the flames of revenge.

xia xuanmo, it’s not that i don’t want to give you face, but your parents have gone too far. whoever dares to touch my face, i’ll make them pay with their lives!

.....

At this moment, father Xia stood up and said, ” “What did you just say? Li Qianyi bumped into Rong Yan because you listened to you?”

Madam Xia’s eyes were red from crying, and she looked pitiful. Her whole body was shaking. I, Yingluo, I was too angry at that time. Yingluo, that b * tch, said so much. She said that even if we died, no one would come to see us off, so I, Yingluo, I was so angry that I Yingluo.

Father Xia was so angry that he wanted to beat Madam Xia to death. He paced back and forth in the living room anxiously and scolded, ” “You bastard, you’re instigating a murder, do you know that?”

Madam Xia cried even harder. but Zhenzhen’s words have no proof. Zhenzhen, li Qianyi doesn’t have any concrete evidence.

Chapter 1162 Arrest Madam Xia

Father Xia clutched his chest in anger. He finally couldn’t take it anymore and slapped her. you’re lying, you’re lying. What do you know? Do you think that the police will let you go, and that Liancheng Yazhi will let you go? You wastrel, do you think it’s as simple as making a false confession?”

Madam Xia covered her burning face in disbelief. Yingluo, you hit me! Yingluo, you actually hit me!

They had been married for many years and father Xia had always been very good to Madam Xia. He had never hit her. Now that he had hit her so violently, Madam Xia could not accept it.

father xia gritted his teeth and said, ” i really want to beat you to death now. you really want to destroy the xia family’s many years of foundation. why did i marry a woman like you in the first place, zhenzhen?”

Madam Xia wiped her tears and argued irrationally. Rong nuo didn’t do nothing at all that time. It’s obvious that he’s afraid of the Xia family.

Father Xia was so angry that he clutched his heart and sat on the sofa. that’s Rong Yan’s sister, not Rong Yan. Zhenzhen, you’re going to kill his wife this time. You’re going to kill the person he values the most. He won’t let you off. Just wait for the police to come and arrest you, Zhenzhen.

Madam Xia started to panic. hubby, then, then what should we do? I don’t want to go to jail! I don’t want to die!

how can I save you, Yueyue? the Xia family is in danger now, and you're doing this again, you bastard. Isn't this a good opportunity to give someone else something to use against us? the Xia family's Yueyue is finished! Father Xia closed his eyes helplessly.

Madam Xia sobbed and glared at father Xia. "Okay, you don't care about me, I'll go find my family. My brother and the others definitely won't leave me alone, Yingluo."

Father Xia didn't move. He knew that it was useless to find anyone this time.

Madam Xia had just made the call when the doorbell rang. The servant opened the door and let her in in fear.

Mr. Xia got up and looked over. This time, his eyelids twitched. 'Damn it, he's here. He just said that the police would come, but he didn't expect it to be so fast.'

This time, there were a total of six police officers, three women and three men.

One of the male police officers who seemed to be the leader said, Madam Xia, we are now arresting you on the charge of instigating murder. We hope you can cooperate. This is the arrest warrant.

Madam Xia screamed like a mad demon, "What right do you have to me? I didn't commit a crime! I didn't commit a crime!"

She was the madam of the Xia family and had always been high and mighty since she was born. Before she got married, she was a socialite, and after she got married, she was a noble lady. With her status, she could not go to the police station. What were the police? With such a lowly status, what right did they have to arrest her?

Father Xia couldn't bear to see his old wife suffer, so he stood up and said, "I'll call your chief first."

Mr. Xia, please cooperate with us. We won't arrest anyone without concrete evidence. It's useless to look for anyone now.

Father Xia's face suddenly became very ugly. Usually, with his status, the people in the police department would try to curry favor with him. Now, even a small police officer dared to speak to him like this. Is that so? I'd like to see what your chief has to say.

Then, he dialed the number of the director of the police department of Cha, but no one picked up.

The two female police officers had already walked to Madam Xia's side. One of them grabbed one of her arms. "Madam Xia, please come with us."

Chapter 1163 Hubby, save me!

I'm not leaving, I'm not leaving, Yingluo. Who the hell are you? What right do you have to touch me? Let go of Yingluo! Madam Xia screamed like a lunatic. She waved her hands, and the sharp nails that she usually took care of scratched the faces of the two female police officers.

Helplessly, the two of them had no choice but to use force and put her hands behind her back, handcuffing her.

Madam Xia felt as if her arm was about to break. She cried out, "Hubby, save me, Yingluo, hubby, Yingluo, save me, Yingluo, I don't want to go to jail, hubby Yingluo."

Father Xia wanted to stop them, but there were two tall and burly police officers in front of him.

“thank you for your cooperation, mr. xia. we'll be leaving now.”

after the arrest, the police left quickly without stopping for a second.

Father Xia had suffered too much today and finally collapsed. The servants at home quickly called 120 and busied themselves for a long time.

When Madam Xia was taken away, some of the neighbors living around the Xia family's house had seen it. Soon after, all the major media outlets and newspapers began to report on Madam Xia's incident, and the Xia family was pushed into the teeth of the storm.

People from all walks of life in the political scene were paying attention at this moment, and everyone was guessing that the Xia family's Wanwan was probably finished.

His only son, who was favored, could have entered the central government, but now he had jumped out of the core of power and gone to such a remote place. Even if he wanted to come back one day, it would be difficult because there was no one to pave the way for him.

after father xia woke up in the hospital, he didn't have time to rest. he started to make phone calls everywhere to ask for help. the result was obvious. it was human instinct to seek advantages and avoid disadvantages. who could help him at this time?

In the end, father Xia thought of his son. He hoped that Xia Xuanmo would call Liancheng Yazhi and persuade him to withdraw the lawsuit and absolve Madam Xia of her crime.

At that time, Xia Xuanmo was standing on the plateau of the world, looking up at the blue sky. His thin back was lonely, as if he could be blown up by the wind on the plateau at any time. He said lightly, ” “Do you think I still have any camaraderie that can be consumed in front of Liancheng Yazhi now?”

Xuan mo, no matter what, you can't just watch your mother go to jail. Her health is not good, and she can't stand the torment!

Listening to his father's pleading voice on the phone, Xia Xuanmo sighed. I know.

Xia Xuanmo's fingers fumbled around the mobile phone. Seeing the familiar string of numbers, he was hesitating whether to call it.

because he knew that even if he did, it might not be of much use.

However, in the end, he still dialed Liancheng Yazhi's phone.

“Liancheng, it's me, Yingluo.”

After receiving Xia Xuanmo's call, Liancheng Yazhi was stunned for a moment. Then, without giving him a chance to speak, he directly said, ” “Don't plead for mercy. It's useless. The Xia family was involved in the ambush last time. I'm already giving you face by not arguing with them about this matter. She shouldn't have touched Rong Yan.”

Unexpectedly, Xia Xuanmo said, ” I'm not pleading for mercy. I apologize to you on behalf of my mother. People should be punished for their mistakes. Otherwise, they will only make more mistakes in the future. I was too naive in the past, Yingluo.

Liancheng Yazhi didn't expect Xia Xuanmo to say this, so he didn't know what to say.

After a moment of silence, Liancheng Yazhi said, "I accept your apology, but I will not forgive your mother."

"Yes, I know." Xia Xuanmo's voice carried a desolation that came from the plateau, "

Chapter 1164 The little demon is jealous

After hanging up Xia Xuanmo's phone call, Liancheng Yazhi's heart had been faintly hiding an inexplicable sadness.

No one wanted to see you end up like this with a friend, but fate would always stab you in the back!

Ever since Xia Xuanmo went there, Liancheng Yazhi had never asked for any news about him.

From the voice just now, he could hear that Xia Xuanmo's breath was a little weak. That kind of attitude that seemed to be indifferent to everything made people really afraid. He would walk into the temple, like those devout pilgrims, head straight into the Buddha land without looking back.

Liancheng Yazhi sighed. Why were there so many changes in life?

.....

In the prison, the television was broadcasting the news of Madam Xia's arrest.

Tang Zong stuffed a peeled grape into Rong nuo's mouth. wow, that old witch has finally been caught. Your brother-in-law is really straightforward.

Rong nuo looked at the TV and fell into deep thought. Madam Xia was caught and staggered.

Suddenly, she felt a sharp pain on her lips. When she regained her senses, she saw that Tang Zong's face was already very close to her.

"what are you thinking about?" tang zong said angrily. You're not allowed to miss him."

He thought that Rong nuo had seen Madam Xia and thought of Xia Xuanmo. Therefore, he was very angry and unhappy. If Rong nuo dared to say that she was really thinking about Xia Xuanmo, then Tang Zong would immediately leave the prison and ask his ghost-like woman to kill Xia Xuanmo. He would never allow another man to take Rong nuo away from him.

rong nuo was his, could only be his, and would only be his!

Rong nuo glanced at him and turned around, ignoring him.

She just thought that this guy was having a stroke from time to time! She didn't want to bother with him.

Rong nuo was thinking about Madam Xia, who she had just seen. Compared to the madam she had seen before she was imprisoned, she had really aged a lot. It seemed that Xia Xuanmo's departure had really hit them hard.

Tang Zong pouted. He was sitting right in front of her, but she was always distracted, which made him very unhappy.

In the past, no matter when, as long as he appeared, he would always be the focus of everyone's attention, but only Rong nuo rarely looked at him.

“Rong nuo, are you saying that I’m not good-looking?” Tang Zong leaned closer to Rong nuo.

rong nuo was stunned for a moment. she looked at tang zong from the side and met his beautiful eyes, which were eager to be praised. she raised her hand and lifted his chin. “yes, yingluo is pretty.”

Tang Zong's features were particularly exquisite and good-looking. His eyebrows, nose, lips, and curvature seemed to be carefully compared. When he only smiled and did not speak, he was simply like an angel who had descended to the world. He was well-behaved, clean, bright, and beautiful.

However, when he opened his mouth, people would see that he was just a little devil in the coat of an Angel!

“That’s right, I’m so good-looking. You won’t be at a disadvantage, Zhenzhen!” Tang Zong said proudly.

tang zong's appearance actually made it easy for women to have a good impression of him. it wasn't necessarily the kind of love between a man and a woman. they simply felt that this child was fun to play with. not bad, and they wanted to get closer to him. who asked him to be so obedient and beautiful? humans were also visual animals.

looking at tang zong in this state, rong nuo suddenly felt an urge to tease him.

So, Rong nuo opened her mouth and said, i want to eat grapes, yingluo.

Tang Zong glared at her. He then peeled a large and plump grape and stuffed it into her mouth.

Chapter 1165 Don't push your luck

But in the next second, Rong nuo suddenly put her arms around Tang Zong's neck and pressed down, sending the grape into Tang Zong's mouth.

[illegible]

Rong nuo's fingers gently scratched Tang Zong's neck. She tilted her head and asked, "Is it good?"

Tang Zong chewed foolishly while nodding his head. “Good, let’s eat!”

“Sweet?” Rong nuo was amused by his appearance.

“Sweet and juicy.” Although Tang Zong was a little dumbfounded, his reaction was still very fast. After a short moment of daze, he quickly recovered and immediately said, “But it’s not as sweet as you. Compared to eating grapes, I like your mouth more.”

As she spoke, she pounced forward. As for the result, there was naturally no need to say more.

rong nuo couldn't break free, and could only let tang zong gnaw on her body like a dog.

However, she also had a bottom line. When Tang Zong was no longer satisfied with just kissing, and wanted more greedily, Rong nuo stopped Tang Zong's hand that was moving further down.

"It's almost enough. Don't think of taking an inch and pushing a foot," she said unhappily.

Tang Zong's face was flushed with lust. He looked at Rong nuo for a while, and after making sure that she was really angry, he took a step back and said, "then let me kiss you more.

rong nuo turned over and ignored him. tang zong pulled down her clothes, revealing half of her round and white shoulders. because she had been in prison for a long time, rong nuo's body no longer had the healthy white skin. it was a slightly pale white, giving people a feeling of weakness.

Tang Zong held her shoulder and carefully stamped his seal on it, just like the peach flower that Rong nuo had left on his abdomen that day.

Tang Zong said as he nibbled on it,"in the future, I'll have to give you a good supplement for your crickets."

Rong nuo closed her eyes and bit her finger to prevent herself from letting out embarrassing moans.

There was a place in her heart that was very flustered and very messy.

This was because she realized that with her identity, she did not reject Tang Zong from getting close to Yingluo.

.....

When Liancheng Yazhi returned home at night, it was past three in the morning. The two of them finally finished their daughter's work and lay in bed.

although they were tired, the couple still made out a little.

Liancheng Yazhi's hand caressed Rong Yan's back patiently. you don't have to attend the court hearing later. Let the team of lawyers solve it.

Rong Yan's face was pressed against Liancheng Yazhi's chest and she rubbed it twice. that's great. I'll really lose my appetite if I see Madam Xia's face.

"We don't want to see her." Liancheng Yazhi smiled and kissed Rong Yan.

"By the way, can you be convicted of instigating murder? After all, it's just li Qianyi's side of the story."

don't worry, I already have absolute evidence to deal with her. It's impossible for her to make a comeback!

After talking about Madam Xia for a while, Rong Yan said, " "It's been much more peaceful outside recently. I want to see Rong nuo. I haven't seen her in a long time, and I miss him."

sure, " Liancheng Yazhi said. I'll go with you tomorrow if you're ready.

He also wanted to see how Rong nuo was doing recently. Had he been exhausted from Tang Zong's pestering?

Rong Yan thought about it and shook her head. it's fine. You should go to the company for now. I'll bring more bodyguards with me. It should be fine.

Chapter 1166 Who did this?

no! Liancheng Yazhi disagreed. I still have to go with you.

Rong Yan rubbed her foot against Liancheng Yazhi's calf and said coquettishly, "There are so many things to do recently, you should go and do what you need to do. It's not a big deal for me to go and see Rong nuo. If you accompany me every time, I will be too embarrassed to go in the future."

In the end, Liancheng Yazhi couldn't win against Rong Yan's coquettishness and agreed not to go with her.

However, the next day, he got up half an hour earlier than Rong Yan and personally selected 20 bodyguards to make way for Rong Yan to protect her.

When Rong Yan was about to go out, she saw two rows of bodyguards standing at the door and immediately swallowed.

She suddenly felt as if she had become the boss of the underworld.

This made Rong Yan's heart flutter a little.

After Rong Yan got into the car, she realized that the bodyguards were driving this time. There were only three people in her car. She sat alone in the back while the two in front were bodyguards.

The remaining 18 bodyguards were divided into four cars, with Rong Yan's car sandwiched in the middle!

When they finally arrived at the prison, Rong Yan asked the remaining bodyguards to stay outside and only brought four of them in.

When she came to the room where she often met Rong nuo, the bodyguards were outside, and the Rong Yan sisters were talking inside.

It had been a long time since she had seen Rong Yan, and Rong nuo was still very excited to see her. sister, you're here. I saw the TV, are you okay? "

Rong Yan smiled and pulled her to sit down."It's okay. It was all thanks to Tang Zong. If it wasn't for him, I really wouldn't be able to take a break now." As Rong Yan spoke, she suddenly stopped because she saw a few red spots on Rong nuo's neck. Two cold rays of light shot out from Rong Yan's eyes. She held Rong nuo's shoulder and stopped her from moving. She turned her neck and pointed at the red spots on her neck, asking,"What is this? Who did this?"

Who didn't know what this meant? Rong Yan DU's matter was very clear, and he could tell at a glance that this was man-made.

Rong Yan was furious when she saw it. She subconsciously thought of the darkness in the prison and that someone had bullied Rong nuo during this time.

At the thought that Rong nuo might suffer some inhuman torture, Rong Yan wanted to kill him.

Rong nuo was stunned for a moment, and her heart trembled. She cursed Tang Zong's three generations of ancestors, and then quickly smiled and said, "Oh, you say, this, it's nothing much.

There's a flea on the bed I'm sleeping on, it bites me all over and it's uncomfortable. Look at my arm, it's so itchy, Yingluo."

Rong nuo rolled up half of her sleeve for Rong Yan to see, to prove that she was not lying!

There were indeed two red dots on her arm. It looked like Yingying had been bitten by a human, but it also looked like she had been bitten by an insect.

When Rong Yan heard this, she frowned and looked at it carefully for a while, carefully observing Rong nuo's reaction.

Slowly, she became uncertain. Rong nuo was in prison, and most of the people there were women. Moreover, Liancheng Yazhi had already informed the prison that no one would make things difficult for Rong nuo. Besides, Rong nuo's expression did not seem to be fake at all, so Rong Yan's doubts were slightly relieved.

there are fleas. I'm asking the prison guards for pesticide. Are there still fleas at night? "

"i've washed the blanket and bed sheets and changed them into a new set. i feel much better now."

Rong Yan narrowed her eyes and looked at Rong nuo for a while. Seeing that she was indeed in good spirits, and that her eyebrows and eyes were relaxed, she did not seem to be depressed, she said, that's good. Don't push yourself if you need help. You must find the prison guards.

Chapter 1167 She must've missed me

Rong nuo's expression was very natural, and she smiled. yes, don't worry. I'm not that stupid. I'll find them the next day and spray them with pesticide. I'll spray every corner of the cell.

by the way, big sister, can we really win over Madam Xia this time? "

Rong Yan nodded. your brother-in-law said yes. Why? do you want to plead for her? "

Rong nuo hurriedly waved her hand. of course not. I was just thinking if I could become her cellmate.

"Maybe." Rong Yan blinked at her.

The two of them changed the topic to Madam Xia, and the ambiguous marks on Rong nuo's neck were thrown aside.

Rong nuo happily chatted with Rong Yan while sighing in her heart. Fortunately, she reacted fast enough. Otherwise, Yingluo would definitely be interrogated by her elder sister now.

Fortunately, Rong Yan didn't take off her clothes to look at her body. Otherwise, if Rong Yan saw the marks on her body that were like flowers in full bloom, she would beat her up.

When she thought of this, Rong nuo wanted to bite Tang Zong to death.

It's all that bastard's fault, he was born in the Year of the Dog.

Ever since Rong nuo had opened up a new world for him that day, he had begun to explore her body tirelessly. Every time he came, he would strip her clothes without a word, and then kiss her wildly, making her drool all over!

Although it was not the end every time, and the clothes below were still on the ground, Rong nuo felt that they would not be able to hold on for long.

Tang Zong had almost gotten rid of his passive state and had begun to adopt an offensive and invasive mode.

Every time, it made Rong nuo gasp for breath, and her whole body was weak.

She seemed to be unable to resist anymore. This was a very dangerous signal.

Rong nuo cursed Tang Zong many times in her heart. This guy almost made her expose herself in front of Rong Yan. Next time, he would definitely bite him to death.

Tang Zong, who was far away in the city, sneezed violently. He rubbed his nose. A smile suddenly appeared on his originally dissatisfied face. Ah, it must be that Rong nuo misses me Yingluo, I knew it, how could she not miss me!

“What happy things did you think of?” the man sitting opposite him asked.

“Why should I tell you?” Tang Zong immediately frowned.

He was like a child, protecting the secret in his heart. He would never let a second person know, because this belonged to him alone.

The other party glanced at Tang Zong’s neck.”The battle in Xuanji last night was intense!”

Tang Zong’s face gradually turned red. He clutched his neck, raised his head and said angrily,”Is that any of your business?”

“I’ve always thought Yingluo that you wouldn’t get close to women. I didn’t expect you to be enlightened.”

Tang Zong picked up his wine glass and took a sip,”tsk, I’m a clean and honest man, unlike you.”

“I have nothing to say to you. I still have things to do, so I’ll be leaving first!” Tang Zong put down his wine glass, stood up, and left.

.....

In the prison, Rong nuo finally sent Rong Yan away with a trembling heart. Looking at Rong Yan’s back as she left, she held her chest and heaved a long sigh of relief.

However, before she could relax, Rong Yan suddenly turned around. Oh, right, ran ran, do you still lack any daily necessities? ”

Rong nuo was so scared that her heart skipped a beat, and she quickly put down her hand. there’s no more, Zhenzhen. Brother-in-law asked someone to send it over regularly.

Rong Yan mumbled to herself,”he’s quite careful.”

She waved at Rong nuo. alright, ” she said. I’m leaving.

“Big sister, goodbye Yingluo.”

Chapter 1168 I’m just biting your face

Rong Yan left with doubts. Sitting in the car, she frowned and looked out of the window, her eyes constantly glancing at Rong nuo's neck. Why did she feel that it didn't look like it was bitten by a bug now?

Rong Yan sighed. She still felt that it was a little man-made!

No, after going back, I have to ask Liancheng Yazhi to send someone to the prison to check.

Rong Yan's eyes were fixed on the scenery outside the window. Suddenly, a blue sports car flashed past. Rong Yan raised her eyebrows. Although it had just flashed past her eyes, it seemed a little like the car that Tang Zong had driven the other day.

This thought only appeared in Rong Yan's heart for a while before it quickly disappeared.

However, Rong Yan's guess was right. That was Tang Zong's car.

As soon as she left the prison, he followed her impatiently.

When Rong nuo saw Tang Zong, she thought about how she had almost exposed herself in front of Rong Yan just now, and the anger in her heart surged up. She turned around and sat with her back facing him, not looking at him or paying attention to him.

Tang Zong chuckled and walked forward. He hugged her and rubbed his face against hers. "Rong nuo, did you miss me?"

The moment Tang Zong opened his mouth, it was like lighting a fuse, instantly making Rong nuo explode. She broke free from his arm and gritted her teeth, yes, yes, I miss you. I want to strangle you to death now. It's all your fault!

Tang Zong felt aggrieved. He had been wronged. He hadn't done anything, and he was being yelled at again!

Tang Zong pouted, "what did I do?" Why are you so fierce?"

Rong nuo pointed at her neck, "look, look for yourself, look at my neck ..."

Tang Zong saw the bite marks on his neck and chuckled. "What's wrong? it's very good!"

"Good? Do you know that because of this, I almost gave myself away in front of my big sister? if she finds out that you and I are flirting with each other, you'll be the one to do it!" Rong nuo was so angry that she didn't know what to say.

only then did tang zong understand why rong nuo was angry. he quickly put his arm around her shoulder and said, " alright, i won't bite your neck anymore, okay? i'll kiss other places, yingluo."

"Get lost!" Rong nuo pushed him.

"If you don't die, then open the door." Tang Zong wrapped around her again and lowered his head to kiss Rong nuo.

Rong nuo reached out to block his mouth. don't touch me again. Otherwise, I will really strangle you to death.

Tang Zong snorted. He grabbed Rong nuo's hand and placed it on his neck. He then said, "Strangle me, strangle me, if you can't strangle me to death, let's continue what we were doing just now,"

Rong nuo really didn't know what to say. She was so angry that her hands were trembling. Finally, she turned over and got off Tang Zong. She put on her shoes and was about to go out.

"Where are you going? didn't we agree that if you didn't strangle me to death, we'll continue?"

rong nuo bit down on tang zong's face. she wanted to see if his face was as solid as an iron wall!

Clearly, it wasn't Yingluo.

Tang Zong yelped, " Rong nuo, my face is so pretty, don't use too much force. Can you bite somewhere else? "

Rong nuo's bite was ruthless this time, but fortunately, there was no blood. However, it was true that the gums had been on her face for a few days.

Rong nuosong opened her mouth and saw a round bite mark on Tang Zong's face. Then, the anger in her heart was relieved!

Tang Zong saw the faint smile on Rong nuo's face, so he covered his face and asked,"Have you cooled down?"

Rong nuo casually replied,"yes, Zhenzhen."

"Then let's continue, okay?" young master Tang asked.

Rong nuo ()

Chapter 1169 Please forgive her

When Rong Yan returned home, it was already 12:10 in the morning. Butler li took Rong Yan's bag and the coat she had taken off and asked the servant to pour her some tea. young Madam, the food in the kitchen is almost done. When will the food be served? "

Rong Yan looked at the time. let's wait a little longer. We'll wait for Yazhi to come back.

"The young miss is reading a fairy tale in her room."

"I'll go upstairs and take a look."

rong yan originally thought that liancheng yazhi would be back in a short while, but half an hour later, she received a call from liancheng yazhi.

Rong Yan, I can't go back for dinner today, " Liancheng Yazhi said. you and MeowMeow don't have to wait for me.

"What's the matter?"

well, a little. Xia Xuanmo's father came to find me. I want to talk to him.

Rong Yan was very surprised when she heard this. She immediately remembered why father Xia was looking for Liancheng Yazhi. alright then. Remember to eat.

yes, I won't forget how to eat it. Tell MeowMeow, I'll go back and accompany her tonight ...

"Alright, I'll tell her."

The two didn't talk for a long time. It was a very ordinary conversation between husband and wife. However, in this ordinary and ordinary conversation, there was an endless warmth that people could reminisce about.

Liancheng Yazhi smiled and put the phone in his pocket. old Mr. Xia, it's time for lunch. Why don't we find a place to eat and talk? ”

This afternoon, father Xia suddenly came to the company. Liancheng Yazhi was not very surprised. It was useless for father Xia to ask Xia Xuanmo to come to him. For his old wife, he could only thicken his face and come.

In just a few days, father Xia had aged by more than ten years. His hair was white, and there were many more wrinkles on his face. He walked with a hunched back, no longer looking like a high-spirited man.

father xia was here to ask for help, so of course, he would not put on any airs. he nodded and agreed to liancheng yazhi's proposal.

Liancheng Yazhi said to Secretary Zhou, "Secretary Zhou, you should come over too, ran ran."

it's Wanwan. Secretary Zhou put on his clothes and glanced at the document bag on the table. After hesitating for a moment, he grabbed it and stuffed it into his bag, quickly catching up with Liancheng Yazhi.

.....

Liancheng Yazhi found a big hotel nearby. It was a hotel in the prime location, and they were not eating vegetables, but gold!

At the dinner table, father Xia finally confessed his purpose for coming to Liancheng Yazhi. He first put down his status and apologized to Liancheng Yazhi, asking for forgiveness. Then, he begged bitterly, " Mr. Liancheng, please forgive her this time on account that she's already over 50 years old. I'll agree to any condition you have.

Father Xia's eyes were filled with tears. At this moment, all the pride he had in his life disappeared in front of the young man in front of him. The waist that he had straightened all his life was finally bent down.

Liancheng Yazhi smiled slightly and did not say a word. His eating action was elegant and calm, and he was not affected at all. On the other hand, Secretary Zhou put down his chopsticks. Mr. Xia, if you finish reading this, I'm sure you won't be willing even if our young master ya agrees to withdraw the lawsuit. Secretary Zhou took out a document from her bag and pushed it in front of father Xia.

"let's not talk about forgiveness first," liancheng yazhi said. "mr. xia, you should take a look at this first!"

Father Xia's face was full of doubt. His hands trembled slightly as he opened the file and pulled out a stack of information and a few old photos.

Soon, his expression became more and more unsightly, and his breathing became heavier and heavier. The speed at which he opened the book suddenly increased.

Chapter 1170-wife becomes enemy

In the end, father Xia clutched his chest, his whole body twitching, and the documents in his hands fell to the ground.

Seeing that he was about to fall ill again, Liancheng Yazhi and Secretary Zhou did not move and let the old master suffer by himself.

Fortunately, after a while, father Xia finally caught his breath. His old face seemed to have lost all life. He asked in a trembling voice, "Are these kasayas real?"

Liancheng Yazhi was almost done eating. He put down his chopsticks, picked up the tea, and took a sip gracefully. "It's useless for me to tell you whether it's true or not. You already have the answer in your heart, don't you?"

The documents that Secretary Zhou showed father Xia were both new and old. The photos were old and had already turned yellow. Two of them had two corners burnt off. One of them showed a very young woman holding a child who was about two or three years old. Although the child was young, he looked very similar to the young woman. One look and one could tell that they were mother and son.

There was also an enlarged photo of the ashes of a house after a fire!

The other one was a small villa in good condition. It was a very old bungalow, but the surrounding environment was the same as the one that had been burned. The angle was also similar. It should have been before and after the fire.

Liancheng Yazhi lifted his teacup and smiled. I'm sure you're more familiar with the person in the photo than I am. It was a murder case from more than 20 years ago. The police's files have records that a fire broke out at night and no one managed to escape. At that time, it was said to be an accident, but it's too late. As for whether it was an accident or not, you should have a conclusion by now.

Father Xia grabbed the photo of the young woman and her child and suddenly burst into tears. His voice was mournful, and it really hurt anyone who heard it.

However, seeing father Xia cry like this, Liancheng Yazhi also knew that he believed that the case was man-made and not an accident.

After father Xia was done crying, Liancheng Yazhi said patiently, "As the saying goes, do not give what you do not want to others. Similarly, if you can forgive the murderer who killed your son and the woman you love, then perhaps I will not pursue the matter.

This time, Liancheng Yazhi dug up an old case. It was about a woman that father Xia liked when he was young, and the child in the photo was naturally his son. After Madam Xia found out, she went back to her parents' house. Not long after she came back, the mother and son were burned to death.

All these years, father Xia Yazhi thought it was an accident and never suspected Madam Xia. But when the bloody evidence was placed in front of him, he had no choice but to believe it.

At this moment, he realized that the person who had been sleeping next to him for so many years was actually a poisonous snake. He had thought that she was a kind White Rabbit.

Liancheng Yazhi didn't believe that with this, father Xia could still be the Holy Father and continue to plead for Madam Xia.

He stood up and said, " I think we can end our conversation now. It's getting late and I still have to go to work. Goodbye, Mr. Xia.

Father Xia sat there and grabbed the photos, tears streaming down his face.

Although it was a crushing blow to show these things to an old man, Liancheng Yazhi wanted to solve it all at once so that he would not have to come looking for him every day in the future.

Liancheng Yazhi left with Secretary Zhou, leaving father Xia alone.

at this time, he still needed some time alone to think about how to face the fact that his wife, who he had lived with for many years, had suddenly become an enemy!
