Chapter 1191-one only has one life

Seeing this scene, Rong Yan and Liancheng Yazhi's hearts tightened instead of relaxing. Rong Yan grabbed Liancheng Yazhi's arm tightly. Although her hand was trembling because of worry and fear, she was still very strong. She asked, "is it him?"

"We should go. Let's go over and take a look." Liancheng Yazhi pulled Rong Yan and walked over.

The man looked scared and panicked. He held a knife in his hand and shouted, "don't come over, don't come over. I'll kill myself if anyone comes over. By then, none of you will be able to find the girl. I'm the only one who knows where she's hiding, so don't come over and waste your time.

The police officer hurriedly said to Liancheng Yazhi, "Mr. Liancheng, it should be this person. Look at his right hand. Although there's a band-aid, there's a scorpion's tail exposed at the side. Also, look at his cotton-padded jacket, it's black on the outside but red on the inside. He should be wearing it in reverse. There's also the smell of a woman's perfume on him. Of course, the most important thing is that the police dog asked about your daughter's smell on him.

liancheng yazhi let go of rong yan and let her stand behind him. he walked past the police and went to the front."You took my daughter away, didn't you?"

this man could not be the main culprit. he should be a small fry under someone's orders. his main task should be to take meowmeow out of the mall and hand her over to the person behind the scenes. however, his luck was obviously not good. the mall had been sealed off by his hand just now, and even a fly could not fly out.

The man shivered even more when he saw Liancheng Yazhi, but he pretended to be calm. so what if it's me or Yingluo? let me tell you, your daughter is hiding in a place that can't be found except for me. If you don't want your daughter to die, you'd better let me go.

However, he did not expect Liancheng Yazhi to ask a completely unrelated question. He said, "Don't you think people only have one life?"

this question made the knife in the man's hand tremble, almost dropping to the ground. "What do you want to say?"

Liancheng Yazhi looked relaxed and elegant. He asked again, "It's Christmas in a few days. Have you thought about who you're going to spend Christmas Eve with? Of course, I want to be with my wife and daughter. There's only One Day Like This every year. Although it can't be compared to the traditional New Year, it's still a good time for a family reunion, isn't it?"

Liancheng Yazhi seemed to be chatting with him, talking about ideals, life, and values. The more they talked, the more confused the other party became.

Liancheng Yazhi turned to look at Rong Yan and smiled gently at her. Then, he turned back and continued to say to the man, "But if Yingluo doesn't have a wife and children, do you think it's fun to live alone? From then on, when such a Festival comes, it's the most painful to see other people's families reuniting while you're all alone. Don't you think so? Do you have a son or a daughter?"

The speed at which Liancheng Yazhi changed the topic was so fast that it made people confused. The person subconsciously said, ” “Daughter-in-law, son-in-law,”

Liancheng Yazhi nodded. Oh, Wanwan, I see. Alright, if you want to die, go ahead. After you die, I’ll let your son go down to take care of you and be filial to you.

don’t you dare touch my son! Don’t forget that your daughter is in my hands! If you dare touch my son, I’ll kill your daughter first! the man roared.

Chapter 1192 Just because I’m Liancheng Yazhi

Liancheng Yazhi shrugged his shoulders indifferently. it’s okay. We’re both still young. Even if we lose a child, we can still have another one in the future. But if you die, we’ll never be able to live again. Your son will go down to accompany you, and when the time comes, your family will be extinct. Isn’t that better? ”

Rong Yan’s heart twitched when she heard that. It wasn’t enough. She wasn’t stupid enough to really believe what Liancheng Yazhi said.

Liancheng Yazhi said this only to break the other party’s psychological defense. They could not let this qualified man die because he was the only one who knew where MeowMeow was at the moment. Therefore, Liancheng Yazhi used this method. His purpose was to make the other party feel that the weight in their hands was not equal.

As expected, Liancheng Yazhi’s ‘relaxed’ words made the man’s face gradually turn crazy, but he had not made up his mind yet.

Liancheng Yazhi secretly gritted his teeth. If it wasn’t for the fact that MeowMeow’s whereabouts were still unknown, he would have definitely broken this person’s neck.

before you did this, you should know what kind of person I am. Our Liancheng family has nothing but money. You did this for money, right? how much your master gave you, I will give you ten times more. As long as you return your daughter to me, I will give you a hundred million. How about it, Yingluo? “Liancheng Yazhi smiled. “US dollars!”

Liancheng Yazhi was smiling. There was no murderous intent or fierceness on him. When he wanted to appear gentle, he would definitely be a graceful, gentle, and elegant noble son. He would give people the feeling of being bathed in the spring breeze, making people involuntarily let down their guard. At the same time, they would think that he was harmless. However, no one knew how terrifying and cruel he was behind that gentle and elegant facade.

Sure enough, such an astronomical figure had moved that person. In front of such a huge sum of money that could kill people, no one could not be moved.

But the man didn’t believe it so quickly. He waved his knife and said, ” “Why should I believe you?”

Liancheng Yazhi raised his head and said, ” “Just because I’m Liancheng Yazhi!”

this 100 million is right in front of you. Choose to take the money and leave this place to live a good life, or wait for your son to go to hell with you. These two paths, one is heaven, the other is hell. It’s up to you.”

Liancheng Yazhi’s words were like Satan’s bewitchment, making that person start to struggle.

However, he did not think that the two paths that Liancheng Yazhi had given him were almost the same. Whether it was to go to heaven or to the netherworld, there was only one end for the living-death!

Only after death would one know if one's soul had ascended to heaven or descended to hell.

Liancheng Yazhi had dug a deep trap for this man from the beginning, and the trap was filled with all kinds of delicious food, just waiting for the beast to jump in by itself.

After struggling for a while, the man asked, "What if you don't give me the money after urging me to return your daughter to you?"

"that's easy. i can open a bank account for you overseas right now under your name. as long as you agree, you won't be able to transfer the money immediately."

Liancheng Yazhi's expression was very sincere. He looked like an honest and reliable person, not fake at all.

However, the man was still worried. what if you don't let me go when you find your daughter? "

Chapter 1193 At worst, we'll just die together

Liancheng Yazhi smiled and took a step forward."If you're worried, how about only my wife and I go with you? I'll ask all the police and bodyguards to leave. You have a knife in your hand, and Hanhan should have a bomb on her, right? I can't help but want to die with you."

Under such circumstances, Liancheng Yazhi was still able to make such a joke. It made everyone wonder if there was something wrong with this guy's brain. He could actually joke with his daughter's kidnapper.

only rong yan knew that although liancheng yazhi was smiling at the moment, he must really, really want to kill this person in his heart.

The man touched his bulging waist. Indeed, just in case, he had tied a bomb to his waist. With this amulet, he should be able to come and go as he pleased. [Rong Yan: you're too na?ve if you want to move!!]

In the end, the man made up his mind. okay, Qianqian, tell them to leave. I'll take you to find your daughter, Qianqian. But you have to do what you say. Otherwise, I'll light the explosives on my body and die with you.

Liancheng Yazhi heaved a sigh of relief and nodded in agreement."Good Yingluo."

"Mr. Liancheng," said the mall manager anxiously.

"no need to say anything more. take the police and security guards and step back. "

"Rong Yan." Liancheng Yazhi turned around and reached out his hand.

Although Liancheng Yazhi didn't want Rong Yan to be involved in this dangerous situation, he knew that she wouldn't agree.

Tears welled up in Rong Yan's reddened eyes, and she smiled for the first time since MeowMeow had disappeared. She reached out and placed her hand on Liancheng Yazhi's palm.

No matter what danger it was, their family had to stay together.

Liancheng Yazhi said to that person, "let's go, Yingluo."

So, the couple followed the kidnapper and finally stopped on the fourth floor of the shopping mall after several turns.

there was no one on the fourth floor now. all the guests and staff had been driven to the first and second floors.

The fourth floor of the mall was dedicated to selling bedding. The kidnappers brought the couple to a shop that only sold bedding items used in ancient traditional weddings. There were two very festive AFU dolls in front of the shop. The two dolls were very big and chubby. One was sitting cross-legged, while the other was standing!

Liancheng Yazhi and Rong Yan exchanged a look. Could it be here?

The kidnapper said, "let's take a walk here."

As he spoke, he stood in front of the Ah Fu doll who was sitting cross-legged, stabbed the knife into the top of the doll's head, and cut it down along a tiny, almost invisible slit.

Very quickly, the child was split into two, but the inside of the Kasaya was empty.

The kidnapper's face changed and he knelt on the ground. His hands were grabbing at the empty shell of Lilia's doll. He seemed to have gone crazy and shouted, "impossible, how could there be no one? how could there be no one? i clearly left the little girl here."

Liancheng Yazhi frowned, his eyes flashing with a deadly flame. He grabbed the kidnapper and knocked him to the ground. "Are you sure you hid my daughter here?"

The kidnapper's mind was already unclear, and he repeated without listening, "I'm hiding here. I was the one who put her in here, Yingluo."

The hope in her heart was shattered once again. Rong Yan almost couldn't hold on. She felt that her heart was in great pain.

However, before she found her daughter, Rong Yan would never collapse. Suddenly, she saw a very small note in the Ah Fu doll that had been pried open.

Chapter 1194 You'll regret not talking to me

Rong Yan gritted her teeth and bent down to pick it up. When she opened it, she saw a string of numbers on it. It seemed to be a phone number.

Rong Yan's heart skipped a beat. Was this a clue? she quickly called out, "Hubby, look at this!"

Liancheng Yazhi stood up and took the note from Rong Yan. He glanced at it and immediately took out his phone to dial a number.

The call went through very quickly, and before Liancheng Yazhi could speak, a male voice sounded. Mr. Liancheng, first of all, I would like to apologize to you for inviting your daughter over without your consent. However, don't worry, your daughter is fine and sleeping soundly.

Liancheng Yazhi's face was as cold as three feet of ice. "Who are you? what do you want? what do you want? speak!"

Mr. Liancheng, you're indeed very bold. Actually, it's nothing much. I just think that your daughter is very cute. Think about how long she'll be staying here. Don't worry, I won't do anything to her. I'll definitely get someone to take good care of her. I'll contact you again in two days. Goodbye.

After saying that, the person hung up the phone and no matter how many times Liancheng Yazhi tried to call him, he could not get through.

This person clearly had something on, but he didn't say it and insisted on waiting for two days. His intention was obvious. He wanted the young couple to suffer for two days and make them go crazy for their daughter. He wanted them to wear away all their thoughts of revenge and only want their daughter to be safe.

At that time, no matter what conditions he proposed, they would quickly agree.

This person really knew how to torture other people's minds.

However, his words also indirectly sent a message to Liancheng Yazhi that MeowMeow had left the mall.

Rong Yan asked anxiously, "how's hubby, Yingluo?"

Liancheng Yazhi hugged her tightly. it's okay. MeowMeow is currently healthy. This phone call is not bad news. It's good news. Because the person behind the scenes had finally appeared.

After careful analysis of what that person had said just now, Liancheng Yazhi thought that there were two possibilities.

One,

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
eowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow.

Second,

Liancheng Yazhi took Rong Yan downstairs, found Secretary Zhou, and threw him his phone number."Find out this number and where the call was from."

.....

just as liancheng yazhi and his wife were so anxious to find “rong nuo, don’t be like this, let me in!”

rong nuo sat in the cell with her back facing tang zong, not intending to bother with him at all. for the past few days, rong nuo had been in charge of locking the door, while she locked it from the inside. she did not go out herself, nor did she let tang zong in.

As a result, every time Tang Zong came, he had to look at Rong nuo through the iron gate, but he could not kiss her. It was a torture!

Tang Zong glared at him. hey, if you don't see me or talk to me, you'll regret it. Yueyue will really regret it.

"I just heard that your brother-in-law's little princess, Yingluo, was kidnapped! Since you don't want to know, then I'll be leaving."

As he spoke, Tang Zong was really about to leave.

However, Rong nuo suddenly jumped down from the bed and rushed to the old gate like a gust of wind. She reached out from the iron bars and grabbed Tang Zong, who had already retreated a little, and pulled him forward.

Tang Zong's body slammed against the metal door, causing him to cough in pain. "Ahem, ahem, ahem, ahem, Rong nuo, be gentle, ah,"

Rong nuo glared and said, "you better explain it clearly."

Chapter 1195 I'll tell you if you have some meat

tang zong knocked on the metal door. "cough cough cough cough cough cough cough say, yingluo, you first let go of me ah yingluo."

rong nuo let go of tang zong and said, "hurry up and tell me about zhenzhen."

tang zong clutched his throat and looked at rong nuo with a sad expression. how are we going to talk about this through the streets? it's such a serious matter. Of course, we have to sit down and talk about it face to face!

Rong nuo glared at him and took the key to lock the cell door from the inside.

As soon as the lock was unlocked, Tang Zong hurriedly opened the old door from the outside, rushed in, and hugged Rong nuo in a familiar manner. "You've been hiding from me for so many days, hurry up and let me hug you."

rong nuo raised her hand and patted tang zong's arm. "Let go. Tell me what happened."

Rong nuo even suspected that Tang Zong was suffering from skin hunger, and that every time they met, he would stick to her body.

Tang Zong did not let go. He even grumbled. it's not like you're holding onto me. You're too petty.

Rong nuo struggled. you won't say it, right? get out.

it was not easy for him to finally hug her, and of course, tang zong would not let go easily. he rested his chin on rong nuo's shoulder and said, haven't you heard of 'don't let the Eagle go without seeing the rabbit'? you should at least give me some benefits!

"Speak!" Rong nuo looked at him with disdain. He pulled down his shirt, revealing half of his shoulder. His Valiance was already far beyond that of a tomboy.

Tang Zong swallowed his saliva and gave Rong nuo a silly smile. Then, he pressed his face against her half-naked shoulder and rubbed it.

today, your sister's family went to the mall to buy something. In the end, they were not careful and their little darling was kidnapped. They've been looking for him for a few hours now, but they still haven't found him. Fortunately, they reacted quickly and sealed the mall, so I think the child must not have gone out yet, Yueyue.

"What else do you know? tell me honestly," Rong nuo said as she unbuttoned her shirt.

She knew what this bastard Tang Zong wanted. It was just a little bit of meat, it was no big deal.

Tang Zong bit his lips. After the buttons were unbuttoned, a perfect body was revealed. He rubbed his nose and said, "I just so happen to know a little bit about Yingluo."

However, he was actually just making a wild guess and did not know if it was true or not!

"If you know, why don't you tell me, Zhenzhen?" Rong nuo's expression did not change. She grabbed Tang Zong's hand and placed it on her left chest. This time, she didn't care about her face, appearance or anything else.

Tang Zong's big hand felt a burning sensation on the soft palm of his hand, and he couldn't help but want to pinch it. It felt really good!

Rong nuo pressed down on Tang Zong's big hand to stop him from moving. She said with a cold face, "That's enough, right? now, speak!"

Tang Zong lay on Rong nuo's neck, kissing her ear as he mumbled, "I'm guessing it's probably Yingluo."

If this bastard Tang Zong dared to eat for free and not do anything practical, she would deal with him.

Rong nuo's expression changed. She pushed Tang Zong's head away, pulled up her clothes and pointed at the door. hurry up and go help me. If MeowMeow isn't found, you don't have to come to see me.

Tang Zong was unwilling to give up. you can't do this. You've aroused me. You can't just leave me alone.

Rong nuo pushed Tang Zong out again, and quickly locked him again. She reached out to the iron bars, grabbed Tang Zong's neck, and pulled him closer. She stood on her tiptoes and kissed Tang Zong's lips through the iron bars. after you help me find MeowMeow and make me happy, I'll reward you with a few mouthfuls of meat.

Chapter 1196 You're not allowed to go back on your promise

Tang Zong's face was filled with excitement. you said it yourself. You're not allowed to go back on your word. When I return, if you're still locked inside, I'm going to blow this door up with explosives.

Rong nuo gritted her teeth. yes, I said it. You go now!

"I'll go now, don't worry!" Tang Zong ran away happily.

Rong nuo held the door frame and silently prayed in her heart: Please don't let anything happen to

=====

The mall was still under lockdown.

Liancheng Yazhi asked someone to get food and drinks for Rong Yan. She was both mentally and physically exhausted now and could not hold on much longer. Liancheng Yazhi's heart ached for her.

He squatted in front of Rong Yan and comforted her. be good and eat well. I promise you that we can still sleep with meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow tonight.

Rong Yan's face was frighteningly pale. can I really? ”

Liancheng Yazhi kissed her lips.”It's really okay. Trust me, come and get some hot water.”

He watched Rong Yan drink a mouthful of hot water before saying, ” “You eat first, I'll find the manager to arrange something for him.”

Rong Yan nodded, stunned.

Liancheng Yazhi called the mall manager to the side. “You better think carefully, where else in this mall can you hide someone.”

After talking to the mastermind on the phone, Liancheng Yazhi calmed down.

His mind had already started to clear up several ideas!

Now, he planned to use the process of elimination to sort out his thoughts and determine one.

the manager shook his head,”without yingluo, i can't remember yingluo.”

However, he said again, ” young master ya, I've only been working here for three years. I'm really not very familiar with the buildings here.

Liancheng Yazhi immediately ordered, “go and bring me all the drawings for the construction of the mall. Also, who is the designer and who was the contractor of the building at that time? find them all for me.

this large shopping mall had seven years of history. in such a large place, the manager might not know about some hidden places.

“Yes, I'll check it out immediately.” The mall manager wiped the sweat from his forehead and quickly got to work. He had been running for a few hours, but he still had not found the little princess of the Lian family. If he really could not find her, it was a small matter to lose his position. The key was that he had offended the Liancheng family!

Secretary Zhou waited for the manager to open the door before he came to Liancheng Yazhi.

“Young master ya's phone call just now was too cunning. In the short time after you were on the phone with him, he made two more calls, but the locations were all different. They were far away from each other, and neither of them was in the capital. I even thought that his phone number was simulated by a software.”

liancheng yazhi raised his hand. “there's no need to check. i guess he's still here.”

Although he had been flustered for a while, he had now regained his calm and confidence.

After the child disappeared, they blocked all the exits of the mall in a short time. Then, a large number of police officers came to help. There were so many pairs of eyes.

Therefore, Liancheng Yazhi was now sure that MeowMeow was definitely still here and that the person was just fooling him with those words.

“Young master ya, what should we do now?” Secretary Zhou was distressed.

Liancheng Yazhi was silent for a while before asking, ” Secretary Zhou, if you have a grudge against me or want to force me to do something, what do you think you want me to do now? ”

.....

Chapter 1197 A gift from our young master

Secretary Zhou thought about it very seriously. since he took Missy away, he must know that she’s your and young Madam’s weakness. Just because he didn’t say what his condition was, it doesn’t mean that he’s not anxious. Perhaps Wanwan just wants to use your feelings of longing for young Madam to drink with her to torture you for two days. When the time comes, she’ll raise her condition. This way, she’ll be able to easily achieve her goal. However, Wanwan, we didn’t make any enemies in the past two years. We’ve been using normal methods and proper channels, so it shouldn’t be because of work.

“If it’s a personal matter, Yingluo, but you were ambushed in October and the case hasn’t been solved yet. Is this related to Yingluo? By the way, young master ya, where does that man look from? do you have an accent or something?”

Liancheng Yazhi broke down the man’s words one by one.

although your man’s Hanhan speaks fluent Chinese and I can’t tell where he’s from, when I heard the last syllable of his sentence, I felt that Hanhan was not an analogy. It sounded like the nanhan of the South.

As he said this, a thought flashed through Liancheng Yazhi’s mind, but before he could grab it, it disappeared.

At this moment, the manager of the mall ran over, panting. “Young master ya, take a look. This is the blueprint of the construction.”

His words made the thoughts that Liancheng Yazhi had just found run away.

the designer back then was already 70 years old. It was the last work of his life and he retired after that. However, I’ve already found him. This is his address. The manager had a handwritten address in his hand.

Liancheng Yazhi said,”Secretary Zhou, please.”

“i’ll get someone to bring him over immediately.”

Liancheng Yazhi threw the drawing on the ground and looked at it carefully. The design drawing was very rigorous and did not pursue excessive style and fashion. It emphasized on practicality and tried to save materials in construction to build a strong building.

After looking at the whole side, Liancheng Yazhi did not find any hidden places!

He was a little disappointed, but he couldn’t be sure of the final conclusion. Everything still depended on the designer.

However, Secretary Zhou received a call very quickly. After hanging up, he happily said to Liancheng Yazhi, ” ” young master ya, you’re right. this architect used to be in the military

construction industry for many years, which made him have a habit of considering military attacks even when designing civil buildings. so, there is a very hidden air defense facility below the site, which is not marked on the map. he also said that only he, the investors, and the contractor know about it. ”

Secretary Zhou’s words confirmed Liancheng Yazhi’s guess and brought them real hope. He asked anxiously, ” “Who was the investor? and who’s the chief contractor?”

Since there were very few people who knew about this, how did the person behind the scenes know? There must be a connection.

Before Secretary Zhou could say anything, there was a commotion not far away. A red-haired woman passed through the dense crowd and pressed down on a man wearing a black hood.

Liancheng Yazhi was stunned. Wasn’t that the woman behind Tang Zong?

The red-haired woman came to Liancheng Yazhi and said coldly, ” “Our young master asked me to give you a small gift. He said that this person might be useful to you.”

.....

Chapter 1198 The secret entrance

As she spoke, the red-haired woman reached out and took off the black Hood on the man’s head. Rong Yan saw the half-dead man under the hood and immediately stood up. She asked Liancheng Yazhi, ” “What’s going on? why is she here?”

Liancheng Yazhi grabbed Rong Yan’s hand and squeezed it gently. this is indeed useful to us.

“Please say thank you to him for me,” he said to the red-haired woman.

Liancheng Yazhi glanced at Secretary Zhou and said,”press it over.”

When Tang Zong sent the person over, Liancheng Yazhi confirmed his previous suspicion.

But why was Tang Zong so sure?

Liancheng Yazhi didn’t have time to think about this now. He pulled Rong Yan. let’s go and save MeowMeow.

With his own people and the weight in his hands, Liancheng Yazhi and the others arrived at the underground parking lot.

“Where is the entrance?” Liancheng Yazhi asked Secretary Zhou.

Secretary Zhou found the parking space through a phone call with the old architect. However, the parking space was already occupied by a black car.

Secretary Zhou quickly got someone to push the car away.

He followed the architect’s instructions and knocked on the wall with a fire hammer.

Finally, he knocked on a different spot at the foot of the wall. It seemed to be empty. He excitedly said, ” “It should be here.”

Secretary Zhou held the fire hammer and knocked on it for a total of 10 to 20 times before a small crack appeared on the wall. Secretary Zhou continued to work hard and finally knocked out a

square hole in the wall that was 10 centimeters in length and width. There happened to be a red button inside.

“Young master ya, this is the place.” Secretary Zhou was overjoyed.

“hurry up and press it,” liancheng yazhi immediately said.

Secretary Zhou’s finger pressed hard on the red button, and then a rumbling sound came from the empty parking space. Very quickly, a crack appeared in the middle of the parking space. The madman slowly expanded, and a flight of steps leading down appeared.

“Let’s go down.” Liancheng Yazhi only wanted to save MeowMeow as soon as possible, so he pulled Rong Yan and walked down.

However, he was stopped by Secretary Zhou. He said, “Young master ya, I’ll walk in front!”

After she finished speaking, she took out a gun from her waist and ran away without waiting for Liancheng Yazhi to speak for the first time.

It would be a lie to say that Liancheng Yazhi was not touched. No one knew what kind of ambush the people who kidnapped MeowMeow had set up below. The first person to go down was the most dangerous.

“Are you afraid?” Liancheng Yazhi turned to look at Rong Yan.

“I’m not afraid.” Rong Yan shook her head.

“Alright, let’s go down.” Liancheng Yazhi held Rong Yan’s hand tightly and walked down the steps.

Behind him, the police, bodyguards, and security arranged a team to follow him.

It was empty and dark Below, without a trace of light. The air was dark, damp, and moldy due to not seeing sunlight for years.

“Is there no one?” Rong Yan asked in a low voice.

“Impossible, it must be here.”

Since the other party wanted to play hide-and-seek with them, then he would force him out. Let’s see who had more weight and weight.

Liancheng Yazhi suddenly raised his voice. I know who you are and I also know what you want me to do. I also know that you are really here. Since I have come, why not be honest with me and thank you for taking care of my daughter for a few hours. However, now I have to bring her back. In order to express my gratitude, I have specially brought you a gift. I think you will like it. Don’t you think so, Zhu Mei, Mister Zhu!

Chapter 1199 even you don’t want me anymore?

after he finished speaking, liancheng yazhi said to secretary zhou in a very low voice, ” “Tell those security guards not to just stand there. Turn on all the lights in their hands.”

In the end, the security guards were not as good as the well-trained police. In the face of this kind of situation that they had never encountered before, they even forgot that the electric batons they carried with them had a lighting system. In such a dim place, they didn't even know to turn on the switch.

Secretary Zhou quickly went to inform them.

Soon, the lights on the electric batons lit up one by one, dispelling a part of the darkness.

Liancheng Yazhi pulled the person that the red-haired woman had brought in front of him and said, "Mr. Zhu, I think you know better than me who this person is. In front of your family, you should at least come out and say hello, right?"

No one around them dared to speak, and even their breathing was very light.

However, after Liancheng Yazhi waited patiently for a while, the other party still did not come out. A murderous intent flashed in his eyes.

"Alright, Mr. Zhu, since you insist on pretending not to be here and refuse to come out to meet me, then this guest that I've invited is useless."

Then, he pushed the person he had brought over to Secretary Zhou. "Kill him!"

"Yes." secretary zhou grabbed her and pressed her against the dust-covered concrete floor. then, he pointed the gun between her eyebrows and was ready to pull the trigger.

The person who was pressed to the ground begged, " "No, no, don't kill me, don't kill me, don't kill me, don't kill me, don't kill me, don't want to die, don't kill me!"

Secretary Zhou sneered. it's useless to beg us. You know who you should beg. As long as Mr. Zhu can come out, you can live on.

"I can, I can call him out, he's my second brother who loves me the most, let me try Hanhan"

Secretary Zhou asked, "young master ya, look at ran ran."

"let her try," liancheng yazhi waved his hand.

secretary zhou didn't move his gun. " go ahead. "

Then, she shouted in a trembling voice, " " second brother, second brother, i know you're here. you've always loved me so much, you won't watch me die. i'm very scared, i don't want to die, yingluo, second brother, please come out. "

"Second brother, I'm begging you, Yingluo, I'm begging you to save me, please Yingluo."

After a while, there was still no movement. Thinking that she was going to die, she wailed like a child, " "Second brother, second brother, second brother, second brother, don't tell me that even you don't want me anymore?"

Unexpectedly, this time, with a sigh, the wall in front of them automatically opened from the middle to reveal a door. Then, a man in his early 60s walked out. He took good care of himself and looked like he was in his 50s. He walked very calmly. Although his sideburns were white, he was in good spirits. His back was very straight and his back was very straight.

However, the most eye-catching thing was that he was pushing a children's bicycle. There was a beautiful little girl sleeping in the bicycle. The little girl was MeowMeow.

his eyes were filled with pity and regret."If I really didn't care about you anymore, why would I come to the capital and do all this?"

Rong Yan glanced at meowmeowmeow and subconsciously wanted to rush up, but she was stopped by Liancheng Yazhi."don't be rash."

Rong Yan bit the tip of her tongue hard. The pain made her calm down very quickly. Yes, she couldn't be impulsive at this time. Fortunately, she finally saw MeowMeow.

liancheng yazhi's nervousness, impatience, and killing intent were no less than rong yan's. however, he knew that he was fighting with an old hunter, so he had to be very, very, very careful.

Chapter 1200 Madam Xia's life is cheap

Liancheng Yazhi took a step forward and smiled. "mr. zhu, you came all the way from the south to the capital and took care of my daughter. as the host, i really should thank you. why don't you make it before madam xia's court hearing? Madam Xia, aww!"

After Liancheng Yazhi finished speaking, he lowered his head and glanced at the person whose forehead was pointed at by Secretary Zhou with a gun.

The gift that Tang Zong had asked the red-haired woman to send was Madam Xia. Her maiden family's surname was Zhu, and they were considered a large family in the South. It was said that in the early years, her maiden family had a marriage alliance with the Tang family.

And the person who kidnapped MeowMeow was called Zhu Mei. Mei was the name that would bring glory to the family and he was Madam Xia's second older brother.

madam xia was pampered when she was in her mother's family. she was the only girl in the whole family, and all the people above her were her brothers.

Moreover among all the older brothers, Zhu Mei loved Xia Furen the most. That kind of pampering had already reached the point where there were no principles, no right or wrong, no good or evil, good or bad. As long as she liked and wanted, he would help her complete it.

This had directly led to Madam Xia's seemingly innocent and ignorant character, but in reality, she was the most selfish and independent. The Zhu family's many years of upbringing had made her think that as long as she wanted it, her brothers would help her complete it.

So, when she found out that father Xia had an affair, she went home and cried. She knew that even if she didn't say or ask for anything, his brothers would help her solve the problem.

As expected, father Xia's lover and illegitimate son had been killed.

This time, Madam Xia also wanted to do the same. She did not want to go to jail. She wanted to live a good life, so she definitely could not go to jail.

Madam Xia couldn't count on father Xia, so she asked her maternal family for help.

However, the person she had offended this time was not at the level of father Xia's little lover. This was a behemoth that could not be shaken in the capital.

Even if it was the Zhu family, it would be impossible to use normal methods.

Hence, they turned their attention to MeowMeow.

Zhu Mei sighed and looked pitifully at Xia Furen who was on the ground, Mr. Liancheng is very powerful to find this place in such a short time. You are a very good opponent. However, I had no intention to hurt your daughter. I just wanted to help my sister survive.

Liancheng Yazhi sneered. He had no intention of hurting her, but he had already knocked out MeowMeow with the knockout powder. Kidnapping was kidnapping. Even if he said it so arrogantly, it could not hide his ugly nature.

Liancheng Yazhi's gentle appearance changed and he coldly mocked, "no one wants her cheap life. She's the one who's been looking for death.

Everything that Madam Xia had today was all her own doing.

The word "cheap life" ruthlessly hurt Zhu Mei and Xia Furen. They had always lived in a Castle that was built with luxurious clothes and jaded food and had always been looked up to by others. Everyone said that they were born with a noble life and this was the first time in history that someone said Xuanji, Xia Furen, had a cheap life.

Liancheng Yazhi looked at Zhu Mei, "today you will obediently hand my daughter over to me and I will leave you a way out Yingluo."

zhu mei's eyes had a trace of viciousness, "mister lian cheng's request for me is very simple. as long as you drop the lawsuit and make a promise that you will never pursue this matter, we will release your daughter. you know better than me what to do to exchange for your daughter." "yes."

he had come here in hopes that madam xia would be spared from prison and continue to be an old princess.
