

Permit Me 1201

Chapter 1201 The ultimate contest

Zhu Mei's original plan was very good but she did not expect that Liancheng Yazhi and Rong Yan's reaction was too much. There was no way to transport the child out so he wanted to kidnap MeowMeow to threaten Liancheng Yazhi's wish. This time, he would probably suffer a huge discount.

Because Liancheng Yazhi still had Madam Xia in his hands.

Liancheng Yazhi and Rong Yan's faces flashed with disdain and ridicule at the same time.

His daughter had been kidnapped, and the kidnapper was right in front of him.

If they were to be successfully threatened by him at this time, then they would be complete idiots.

Liancheng Yazhi gave an evil smile to Zhu Mei, "I'm sorry, I didn't, hear, your, nonsense!"

Zhu Mei laughed with a confident look, why doesn't Mr. Liancheng love your daughter anymore? it wouldn't be good if such a beautiful girl had an accident, don't you think so? "

As he spoke, a military knife appeared in his hand. A cold metallic light flashed, and the already cold underground temperature dropped a lot in an instant.

The stiletto slowly pointed at the sleeping MeowMeow, and Rong Yan and Liancheng Yazhi's pupils constricted.

The next second, Rong Yan suddenly said something. She pushed Secretary Zhou away, grabbed Madam Xia, and pushed her in front of everyone.

She glanced at Secretary Zhou's godly hand, and Secretary Zhou hurriedly placed a dagger in her hand.

Rong Yan raised the dagger in her hand and pointed it at Madam Xia's neck."Move! If you dare to touch a single strand of my daughter's hair, I'll cut off a piece of her flesh. If you dare to cut my daughter once, I'll stab her twice. Let's see which one of us can take it, Yingluo."

The two opposing sides held important chips in their hands to suppress the other party. If one wanted to win, there was only one way-'ruthless' and 'cold'. One had to be able to be ruthless. If the other party was more ruthless than you, you had to be more ruthless than him. One had to be cold-hearted and be able to be cold-hearted to the weight that the other party was holding.

She had to imagine that she didn't care that much about her daughter, just like what Liancheng Yazhi had done when he faced that person on the second floor.

Zhu Mei did not think that this couple would be so difficult to deal with. She thought that as long as she captured their daughter, she would be able to force them to do everything but she did not expect that they would not fall for that.

Zhu Mei suddenly picked up MeowMeow and let everyone see that there was an explosive device tied to MeowMeow.

Madam Liancheng, this is your biological daughter. You've always loved her. Do you want to see her, a small flower bud, wither before it even blooms? "

Rong Yan's hand that was holding the dagger trembled, but she quickly calmed down and had a mocking smile on her face. That's right, she's my daughter, and I love her, but Yingluo won't be my only daughter. I'll have a daughter and a son in the future. Besides, I can even kill my own sister with my own hands, so don't expect me to be kind to her.

“Madam Xia, do you only want to know how my sister died?” Rong Yan turned to Madam Xia.

Madam Xia trembled in fear. I don't know, I don't know, I don't know, I don't know, I don't know.

Rong Yan's smile was especially cute. She said excitedly, "I used a dagger to pry out all of her teeth. Then, Qianqian used the Wolfhounds to tear her apart and eat her. Those Wolfhounds bit her bit by bit, causing her to scream in pain. That sound was really beautiful and beautiful. Now, several years have passed and I have always missed her. Today, Qianqian really wants to relive it.

Chapter 1202 A terrifying scene

Rong Yan smiled as she recounted the bloody and cruel scene. Madam Xia was so frightened that her face turned pale and her eyes were filled with deep fear.

[illegible]

Rong Yan ignored her and asked, "Secretary Zhou, didn't a lot of police dogs come today?" Bring him down."

“Yes, young Madam, get them down immediately.” Secretary Zhou looked a little excited.

In a short while, more than a dozen police dogs were led down.

Secretary Zhou even passed a bottle of medicine to Rong Yan.

Rong Yan used two fingers to hold the medicine bottle and turned to look at Zhu Mei, “Mr. Zhu, do you know what this is? I just need to make a cut on your sister’s body and sprinkle this medicine on her. The smell of blood on her body will instantly intensify, and the police dogs that smell it will pounce on her like crazy. If you don’t believe me, we can do an experiment.”

“The people from the experiment have been brought down,” Secretary Zhou quickly said.

The test subject was the man who had secretly transported MeowMeow out of the milk tea shop.

Rong Yan smiled and said, "it's a weekend book. Let Mr. Zhu and Madam Xia have a look at ran ran."

it's Chenchen! Secretary Zhou waved his hand, and two bodyguards walked up to the man and stripped him of his clothes, leaving only a pair of shorts.

Secretary Zhou made a few cuts on his thigh, arm, and arm. His screams suddenly echoed in the surroundings, so loud that people's eardrums were raised.

Secretary Zhou opened the bottle of medicine and quickly sprinkled it on the wound.

Almost at the same time, as the White was about to melt into the blood, a pungent smell of blood came from his body. It was as if the air around him was no longer air, and his whole body was soaked in blood.

Then, the crowd realized that the well-trained police dogs were still restless. Their eyes began to turn fierce and cruel as they looked at the man lying on the ground and wailing.

They all had one thing in common at the moment. They all wanted to break free from the person who was holding him and pounce on him.

as the smell of blood grew stronger, the police dogs became more and more agitated. their barks echoed in the surroundings, and their mouths began to salivate. their eyes became like those of their ancestors, wolves.

Finally, the biggest police dog struggled free and jumped out. Like a gust of wind, it pounced on the man and started biting the wound on his thigh. The man's heart-wrenching scream made Ren Jun's scalp numb.

This scene made everyone's heart throb and goosebumps all over their bodies. They didn't dare to look at it directly.

Secretary Zhou made a hand gesture, and those people let go at the same time. All the police dogs swarmed up, and the man's screams became more and more intense.

Rong Yan smiled and asked,"Mr. Zhu, how is Madam Xia?" Don't you think this voice is nice?"

madam xia did not know what to say. she was so scared that her legs went soft and she could not stand still. it was too scary.

Zhu Mei frowned as she looked at the scene in front of her and clenched her fist. Of course he knew why Rong Yan wanted him to see this scene.

she was warning him if he dared to do anything to her daughter.

Then, Madam Xia would be the one being bitten by the police dogs.

Chapter 1203-provoked someone you shouldn't have

However, Zhu Mei really did not expect that a mere Rong Yan would have such a vicious heart.

He looked at the man who was almost inhuman. He was being bitten by a group of police dogs, and his flesh was being peeled off piece by piece. However, he couldn't die immediately. He had to experience a long pain and a torture that was worse than death.

If all of these were really placed on his sister ...

Zhu Mei shuddered. If it really happened, then that scene was too terrifying. At this moment, he realized for the first time that the matter of him kidnapping Liancheng Yazhi's daughter today might be the most regretful and also the most wrong thing in his life. He thought that he had provoked someone he should not have provoked. [liancheng yazhi: it's too late!] [we're finished!]

Rong Yan smiled at Zhu Mei,"Mister Zhu, what do you think of this method of torture? if you don't like it, I still have many more. For example, I can peel off the skin on her face completely and use a small hammer to make her bones all Haggard bit by bit. Or there are better ways. You can provide the following!"

zhu mei did not speak. the way he looked at rong yan had already explained everything. he seemed to be saying that rong yan was a “pervert.”

Rong Yan shrugged her shoulders. Mr. Zhu, it's not good for you to hold my daughter like that. She doesn't like to be held like that. She will feel very uncomfortable.

Zhu Mei's hands tightened and he felt that his initiative was slowly slipping away.

rong yan closed in step by step, making him start to feel overwhelmed.

rong yan pulled madam xia and took a step forward. ” Mr. Zhu, if anything happens to my daughter in your hands, I have countless ways to torture her. It just depends on whether Mr. Zhu is willing to cooperate.

Liancheng Yazhi stood behind Rong Yan and watched everything she did, ready to give her the best protection at any time.

zhu mei said hatefully,”xia furen, you are a female who is already a mother. don't you feel that it is too cruel to do this?”

rong yan laughed,”cruel? you're actually talking about cruelty to me. you and madam xia are really a family, you all have cheap, cheap lives.”

If it was not for Zhu Mei kidnapping her daughter and Xiao Yao forcing them to drop the charges.

Would she do such a bloody thing before Christmas?

She was clearly the main culprit, yet she could still accuse others with such confidence. If she wasn't a b * tch, what was she?

Rong Yan grabbed Madam Xia's hair so hard that she wanted to pull her scalp off.

she pulled her hair and twisted her head, asking her to look at the person lying on the ground.

She smiled and said, ” Madam Xia, look over there. Look, one of that person's legs has been torn to the bone. If you don't want to be like him, then beg your good brother to return my daughter.

Madam Xia almost vomited when she saw the White bones. She was so scared that her whole body twitched.”I don't want Yingluo to be like this. I'll say Yingluo, I'll say Yingluo”

Madam Xia looked at Zhu Mei and started to cry,”second older brother sob sob second older brother, sob sob sob is so scary sob sob sob I am in so much pain. Second older brother sob sob I don't want to become like that, I don't want to be bitten by a dog. Second older brother sob sob sob, you, you return that girl to them. Second older brother sob sob is begging you, return her to them sob sob.”

when madam xia saw that zhu mei did not move, her forehead was full of sweat, I know this woman, she's too cruel. If you give it back to them, they will make me suffer the same fate as that man, ”

Chapter 1204 The last second

Madam Xia knelt down with a thud. second brother, my brother, you're kneeling. Second brother, Zhenzhen, please let her go. You captured her for my own good. Do you really want to see me die? Isn't this going against your original wishes, Yingluo?”

Rong Yan looked at Madam Xia's humble and desperate look and sneered. She was no longer the high and mighty Madam Xia. Now, she was just an old dog wagging its tail and begging for pity on the ground.

In all of Zhu Mei's memories, his younger sister had always been noble and proud, innocent and cute, and was the brightest Pearl in his world. But at this moment when he looked at Xia Furen, he suddenly

She felt so unfamiliar. Was she still his sister?

Zhu Mei looked at Xia Furen and did not speak. Xia Furen's cries were so miserable that his heart was in pain.

Liancheng Yazhi saw that he was not speaking and frowned. Mr. Zhu, we don't have that much time to give you. I'll give you one last minute. If you still can't make a decision, then don't blame us.

he raised his watch and started counting from 1 to 60.

"1 57,58,59 it's Mr. Zhu's turn. The last second is 60!"

In the dead silence, Liancheng Yazhi finished counting and put down his hand.

Zhu Mei's hands had started to tremble slightly as he was struggling.

This time, Madam Xia might die if they didn't let MeowMeow go. However, he could use MeowMeow to threaten them and escape.

if he let meowmeow go, he would definitely lose his life.

This was what Zhu Mei was struggling in her heart at this moment.

Liancheng Yazhi knew that Zhu Mei was already wavering and needed to add more firewood.

"Since Mr. Zhu still can't make a decision, we'll have to do it for you," he said.

Liancheng Yazhi suddenly raised his voice. someone, take off Madam Xia's clothes. Don't worry. We won't strip you naked since you're an old woman.

Immediately, a few more people surrounded Madam Xia and tried to take off her clothes.

Madam Xia screamed in fear, "no, no, no, I don't want to die. I don't want to be bitten by a dog. Help, help, please don't kill me. Please forgive me ^"

in a short while, madam xia's clothes were almost completely removed. her legs were white and her body was well maintained.

When Zhu Mei saw that Madam Xia was being insulted like this, her eyes were red,"stop it, Liancheng Yazhi, are you really not afraid that I will light the explosives?" "stop it!"

Rong Yan sneered. then order it. If you don't order it, you're not a man, Zhenzhen. Anyway, you won't be able to live after you order it. Then after you die, your mother, your sister, your brother, your nieces, and everyone else will die. If you don't believe me, just wait and see.

liancheng yazhi followed his husband's lead and commanded, "Continue."

Very quickly, someone cut open wounds on Madam Xia's legs, lower abdomen, arms, and neck. The wounds were not deep, only the skin was cut open, and blood flowed out.

madam xia screamed as if she was going to kill her. ” don’t cut me anymore. it hurts. it hurts so much, second brother yingluo. it hurts so much. second yingluo, please save me, yingluo. ”

Secretary Zhou took a bottle of medicine and sprinkled it on Madam Xia. Immediately, the smell of blood in the air became stronger.

The pack of dogs that were gnawing at the man, upon smelling the strong smell of blood, began to turn their heads and lock their bloodthirsty eyes on her.

Chapter 1205 Finally found her daughter

fortunately, liancheng yazhi had asked someone to grab the rope around the dogs ‘necks in advance. otherwise, they would have already pounced over.

Liancheng Yazhi said, ” Mr. Zhu, you light the explosives. You light the explosives. I’ll put the dog’s rope. We’ll do it at the same time.

With that, he personally led a dog to Madam Xia. The dog was tall and big, and at this moment, it no longer had the gentle appearance of a dog. It was almost like a Wolf whose wild nature had been aroused.

The dog was very close to Madam Xia, only a few centimeters away from biting her.

The dog’s breath hit Madam Xia again and again, and she was so scared that her voice changed.

second brother, second brother, I don’t want to! I don’t want to! Second brother! Sob sob sob sob second brother, have you forgotten who brought you food every time you were punished when you were young? ”

Xia Furen’s words had finally poked the softest part of Zhu Mei’s heart.

He ... Finally wanted Madam Xia to compromise. He put MeowMeow in the children’s car.

Zhu Mei said heavily,”good Zhenzhen, I will let your daughter go but you must also ensure that she is fine.”

He knew that when he made this decision, it was equivalent to giving up his life. Liancheng Yazhi would not let him off.

Liancheng Yazhi and Rong Yan were happy at the same time, but they didn’t dare to let their guard down since MeowMeow hadn’t been returned yet.

of course, ” Liancheng Yazhi quickly replied. as long as you let my daughter go, I won’t let the dog bite her. I mean what I say.

“good zhenzhen.” zhu mei did not raise the matter of letting him leave smoothly because he knew that it was useless as he would not even step out of this shopping mall.

Zhu Mei removed the explosive device on MeowMeow’s body, “One of you can come and pick up the child.”

Liancheng Yazhi would not forget his brain when he was happy. He said, “You push the child between us, and then you step back.”

Zhu Mei did not refute anything and really did as Liancheng Yazhi said. She pushed the children's carriage to the middle and then retreated to the position she was standing at before.

"I'll go," Liancheng Yazhi immediately said.

Rong Yan took his hand and shook her head. "I'll go."

If Zhu Mei still had a backup plan, then with Liancheng Yazhi watching from the outside, they could still save their lives. But if Liancheng Yazhi was tricked and there was no information from Rong Yan, they could protect him and MeowMeow.

Liancheng yazhi understood the meaning in Rong Yan's eyes. "Rong Yan is stunned."

"I'm off." Rong Yan smiled, turned around, and walked forward. Liancheng Yazhi gave Secretary Zhou a look, and Secretary Zhou immediately led the group to be on guard.

Rong Yan walked to the front of the cart and did not push it back directly. Instead, she picked up Miaomiao and checked that there were no explosive devices on her body before turning around and walking back. As for the children's cart, who knew what Zhu Mei had done to it.

Liancheng Yazhi's eyes were focused on MeowMeow and Rong Yan while staring at Zhu Mei in a daze.

Suddenly, he saw that Zhu Mei's left hand seemed to have a faint blue reflection. Liancheng Yazhi did not think at all and immediately raised the gun in his hand, aimed at her left hand and pulled the trigger.

After the collision, Zhu Mei's left hand was shot but she laughed because at this moment her right hand had shot out a few silver needles and the speed of the needles was extremely fast.

Liancheng Yazhi was shocked. Damn it, Zhu Mei's earlier move was a feint. His real weapon was in his right hand.

Liancheng Yazhi immediately rushed forward and pounced on Rong Yan, pressing on top of her and Miaomiao.

The moment he pounced on Rong Yan, a black shadow flashed past like a ghost. With a few clattering sounds, all the silver needles fell to the ground.

Chapter 1206 A knife through the throat

Liancheng Yazhi turned around when he heard the voice and saw an even more shocking scene.

He only saw the cold light of the metal flash past Zhu Mei's neck and then his eyes widened with a face of disbelief. He slowly raised his hand to cover his neck and in the next second, blood spurted out from his fingers like a goddess scattering flowers.

Then, he swayed a few times before falling to the ground.

It was only then that Liancheng yazhi saw that there was a very fine wound on Zhu Mei's neck. He had been slit in the throat with a knife!

Following Zhu Mei's fall, the person who was standing behind her was revealed. That red haired female was like a ghost as she appeared out of thin air. In her hand was a very short but extremely sharp dagger and the dagger was dripping with blood.

The leading police officer was quite happy to hear that. "Thank you so much for coming. I was really worried. I don't know how to explain such a big scene. We'll be leaving then."

as the bodies in the mall were cleaned up, the security and police left one after another. the mall was unsealed.

At this moment, outside the mall.

A red Maserati was parked there. Inside the car, Tang Zong was waiting in boredom.

After a while, the red-haired woman opened the car door and got in.

"How is it? is everything done?" Tang Zong hurriedly asked.

The red-haired woman nodded. yes, young master. The Liancheng couple has already brought their daughter home. However, the little girl is still in a coma.

Tang Zong touched his chin, a shy yet excited smile appearing on his face.

Wow, it's settled. He can go back to prison to eat meat.(^O^)/

Tang Zong chuckled foolishly. Then, he cleared his throat and said,"hmm, not bad. but you're a little too slow. you made me wait for so long."

"You're right, young master. I'll complete the mission as soon as possible next time," the redhead nodded.

Tang Zong waved his hand. Alright, alright. You can leave now. I didn't call you. Don't come looking for me.

He couldn't wait to go back to prison now. Oh, oh, oh, oh, Rong nuo was going to give him meat to eat. That was great.

The red-haired woman's face quickly turned gloomy. She got out of the car, closed the door, and stood outside the car to bow to Tang Zong.

Tang Zong didn't even look at her. He quickly started the car and impatiently rushed in the direction of the prison.

Originally, Tang Zong should have taken the lead in saving people and winning the favor of his future sister and brother-in-law's family. He should have shown his hand at the critical moment to win Liancheng Yazhi's gratitude.

But this time, Tang Zong was afraid that after saving her, Rong Yan would drag him back to eat again. So, Huahua sent a subordinate to do it.

because right now, he was not thinking about eating, but being fed meat by rong nuo.

=====

liancheng yazhi looked at his wife and child who were in a coma and was really anxious. he wished he could suffer all the pain for them.

when they finally arrived home, liancheng yazhi shouted, " "Quickly call Natsume, call Natsume over, ran ran."

Butler li was shocked. Even the young Madam and young miss were unconscious. This was fatal.

Natsume jogged all the way to Liancheng Yazhi's bedroom with the suitcase and saw an adult and a child lying on the bed. They were looking at Liancheng Yazhi, and their panicked and scared looks were really shocking.

Natsume showed both of them once, and then injected Rong Yan with a light green Medicine that he did not know who it was.

Liancheng Yazhi grabbed Natsume's hand. "how is it? how are they now?"

Liancheng Yazhi's strength was surprisingly strong, and Natsume cried out in pain, " my hand, my hand, my hand, my hand is broken. Who's going to treat your wife and child? "

liancheng yazhi quickly let go.

your wife is mentally and physically exhausted. She'll be fine after a short rest. I gave her an injection so that she can recover quickly in her sleep.

Oh? "Natsume paused for a moment. it's just that ran ran, your daughter has a little problem.

"What do you mean by that?" Liancheng Yazhi's eyes suddenly became fierce.

Natsume quickly laughed. don't be like this, don't be so nervous. Listen to me first. It's not a difficult task, ha Yingluo. Don't look at me like that.

Chapter 1208-nauseating form of address

Natsume really could not bear Liancheng Yazhi's murderous gaze. " relax, relax. you know that yingluo is in poor health and her blood is special. every time i give her medicine, i'm very careful. i only dare to drug her after i've done countless experiments and accurately determined the medicine. but this time, the knockout powder used by the other party is a large amount, and it's a new generation of knockout powder. although she didn't inhale much, she's still young and her body is weak. so i'm not sure how long she will wake up! "

Liancheng Yazhi looked at Natsume and said word by word, " "Say that again."

Natsume took a step back and scratched his head. but, it doesn't matter. Ahem, ahem, ahem, I'm a genius. I'll quickly come up with this antidote, don't worry. But, I'll have to take the shop's MeowMeow's blood, ahem.

In the end, Natsume shivered as he drew a little of MeowMeow's blood.

" you must be tired after a long day. have a good rest. today's situation is special, so the medicinal bath will be suspended. "

Natsume was about to leave with the medicine box.

"Are you really alright?" asked Liancheng Yazhi.

I'm fine. I'm just not sure when the effects of the knockout powder will disappear. I'm leaving now. You take your time to rest.

Natsume heaved a long sigh of relief and quickly left.

Liancheng Yazhi sat by the bed and looked at MeowMeow's good face. He slowly closed his eyes. Recently, danger had come one after another, but they had not been able to take the initiative. They really could not drag this on any longer.

He must create an absolutely safe environment for Rong Yan and MeowMeow so that they would no longer need to be afraid!

=====

At that time, Tang Zong impatiently ran to the prison.

He leaned on the iron door and reached out to Rong nuo."Nuo nuo, open the door, I'm back!"

When Rong nuo heard him call out the word ‘nuo nuo’, she shivered fiercely, and the hair on her whole body was about to stand up. Nuo your sister! bastard!

“where’s

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
wmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow?"

that little girl has been successfully rescued. She's now going home with her parents. You said that I wasn't allowed to come back until MeowMeow is rescued. Of course, I have to wait for her to be rescued before I dare to come to see you! after tang zong finished speaking, he blinked his two watery eyes that were filled with desire and licked his lips.

Rong nuo's tensed heart finally relaxed a little."Really?"

Tang Zong nodded his head vigorously. of course it's true. I've been of great help this time. If you don't believe me, you can go back and ask your eldest sister. I reckon that the two of them will invite me to their house for a meal in two days. I'm now their distinguished guest.

The proud look on Tang Zong's face suddenly changed into a shy smile, and his face was still blushing. Rong nuo, little nuo nuo, you have to keep your promise. I'm back, hurry up and feed me!

Rong nuo's hand trembled. She really wanted to hit him. She really didn't want to hear such a mushy address a second time.

She stretched lazily, "what did I say before?" I don't remember. I'm very tired today and I want to rest. You should go back too."

Tang Zong's eyes widened. What? Shyness, shyness, all of that was gone.

the matter of feeding meat didn't count anymore? Based on what!

Young master Tang never made a losing deal, and this time was not an option either. He had put in a lot of effort, and he could not let something he had been looking forward to fail.

Chapter 1209 I've finally caught you

“You can’t go back on your word. Otherwise, I’m going to get angry,” Tang Zong said angrily.

rong nuo looked at tang zong's angry face and felt very good. she said, "I didn't go back on my word, because I don't remember saying that."

Tang Zong did not expect Rong nuo to be so shameless.

Rong nuo slowly walked to the door, stretched out a hand and quickly touched Tang Zong's face. "Alright, Yingluo, let me see how you're going to get angry."

Tang Zong pounded on the metal door. you can do whatever you want. Just you wait and see. I must eat it today. It's useless no matter how you refuse.

After saying that, Tang Zong turned and ran away.

Rong nuo looked at Tang Zong's back, and felt a little uneasy in her heart. Would this guy let it go so easily?

The answer was very certain-of course not!

Tang Zong had always wanted to eat Rong nuo's flesh. How could he give up the opportunity that he had fought for?

He was always the one who cheated, no one else could cheat with him!

In less than ten minutes, Tang Zong came over with an electric saw.

Across the iron gate, he shouted to Rong nuo, "Let me tell you, Rong nuo, there are many ways to open this door. I've already sent someone to get the explosives. Even if this saw can't cut it open, I can use the explosives to blow it up."

"Hey, don't mess around." Rong nuo widened her eyes.

Tang Zong raised his chin. I didn't do anything. Who asked you to go back on your word? "

rong nuo watched as tang zong started to saw the metal door with an electric saw. the ear-piercing sound and the sparks from the friction were very frightening. rong nuo could tell that this guy was serious. she quickly said, I didn't do it. Hey, don't cut it. I'll open the door for you, okay? "

in the end, tang zong pursed his lips. "it's too late. today, i will definitely use my own efforts to get in. hmpf, just you wait. "

rong nuo slapped her forehead. damn, this bastard. I'll open the door for you, I'll open it for you. Don't be angry with your Yingluo and put away the saw.

Tang Zong refused to give in. I already said it's too late. Hmph! I'm not that easy to coax.

Rong nuo's eyes widened in anger and she shouted, "Hey, Tang Zong, don't go too far. I've already said that I'll open the door for you. Why are you still making a scene? if you continue to make a scene, even if you open the door, don't even think about taking advantage of me. If you dare to try to force yourself on me, I'll tell my sister tomorrow and ask her to hide me. Let's see if you can find me."

After Rong nuo had finished speaking, Tang Zong immediately turned off the saw and threw it on the ground. The rebellious look on his face was gone. He leaned on the door frame again and looked at Rong nuo with a smile like an obedient child. "I won't cut it anymore, you should hurry up and open it."

Rong nuo rolled her eyes. This bastard's transformation between a ruffian and a good child had really reached the point of perfection.

Rong nuo unwillingly opened the door. As soon as she opened it, Tang Zong immediately rushed in. As soon as he came in, he hugged Rong nuo, and then he locked the door.

Tang Zong picked Rong nuo up. I've finally caught you. Let's see how you can run this time.

rong nuo exclaimed and quickly patted his shoulder. "Hey, Yingluo, what are you doing?"

tang zong snorted. " (^) what am ^doing? of course we agreed on this.^'m eating meat. otherwise, do i have to be a monk ^abstain from eating meat ^and pray to buddha all day? "

Chapter 1210 You say your thing, I'll kiss mine

Tang Zong walked to the side of the narrow bed and threw Rong nuo on it. Then, without waiting for her to get up, he quickly pressed her down.

Tang Zong took off his shoes with both feet, and with his feet in socks, he clamped Rong nuo's calf and kicked off her shoes.

He pressed down on Rong nuo, like a Wolf that had caught a rabbit, drooling, rubbing his hands, and looked at the rabbit from head to toe, nodding in satisfaction."Very good. Now, you can eat to your heart's content,"

Tang Zong's naked and invasive eyes made Rong nuo feel uncomfortable. She was a little scared and quickly called out,"Tang Zong, Tang Zong Zhenzhen, wait a minute, wait a minute Zhenzhen."

Tang Zong pressed down on Rong nuo's four limbs, lowered his head and kissed her on the mouth."Speak. If you have any opinions, just say them. However, it's useless even if you say them. However, it's useless no matter what you say now. Who asked you to promise me before?"

His words stopped in Rong nuo's ears, and the meaning changed a little. She felt that he was saying: If you have any last words before you die, just say it, it'll be too late.

rong nuo's heart was still in a panic. she licked her lips."Tang Zong, that Wuwu ..."

Her pink tongue unconsciously licked her lips. To Tang Zong, this action was an undisguisable seduction. He swallowed his saliva and said,"Yes, Yingluo?"

however, his eyes began to roll randomly, and he secretly glanced at rong nuo's towering chest, and then down, down, down, and down.

Tang Zong made a decision in his heart. Today, he was going to rip off Rong nuo's pants.

Rong nuo didn't know what Tang Zong was thinking, but he shivered when he saw the look in his eyes.

Rong nuo thought for a while and said,"Tang Zong, I'm sorry today. It's not that I'm not keeping my word. It's just that I'm not feeling well today ..."

Tang Zong retracted his gaze and hurriedly asked,"not feeling well?" Why are you uncomfortable?"

actually, there's nothing much about Huahua. It's just that women have a few days of Huahua every month, " Rong nuo stuttered.

"A few days what?" Tang Zong had a look of confusion.

"It's that one." Rong nuo's heart was burning with anger. Was this bastard pretending not to understand, or was he really not?

"What's that?"

Rong nuo simply closed her eyes and did not look at him, and said in a bad mood, it's your period. Do you know about your period? "

"Ah, Yingluo's period, I know." Tang Zong finally understood.

"So, we can't waste time today."

"It's alright, I don't mind. It's fine as long as I don't go in," Tang Zong said.

Rong nuo's face instantly turned red. Go in, go in, go in!

This guy

While Rong nuo was still bashful, Tang Zong's hands had already started to move, and he began to unbutton her shirt. I'll just kiss and touch you, just like before. If you have anything else to say, just continue. You can say what you want, and I'll kiss and touch what I want.

Rong nuo's face was against the pillow!

She wanted to bite him to death. What should she do?

Tang Zong smoothly undid Rong nuo's shirt and looked at the naked body in front of him. His face turned red, but his shyness did not stop him from wanting to eat meat.

this time, tang zong's hand touched rong nuo's back, and after some effort, he finally undid her bra.

rong nuo felt a chill in her chest, and her body immediately tensed up. she was crying in her heart.'damn it, how did this kid know how to solve it?'

his eyes were wide open, for fear of missing a single scene. he lowered his head and rubbed his face against rong nuo's chest, and said in a hoarse voice, "Rong nuo, you're so beautiful, Yingluo."
