

Permit Me 1211

Chapter 1211 Tang Zong, you bastard

Rong nuo felt as if her pressure points had been pressed, and she couldn't move. Damn, this kid had learned a lot of new skills recently. It wouldn't be so easy to deal with him in the future!

Rong nuo lowered her voice and said, "you, Zhenzhen, get up first. Let's talk things over."

“Even if I don’t get up, we can still have a good talk.” Of course, Tang Zong would not get up at this time.

tang zong was getting more and more overboard. rong nuo reached out and tried to push him away."But I can't talk to you like this, Yingluo."

In the next second, his hands were pinned behind his back by Tang Zong.

Tang Zong raised his head. His face was flushed red from excitement, making him look even more beautiful. That's right, he was a very beautiful man. He was fair and clean, and looked obedient and quiet, but he could always do something crazy that no one could imagine. He grinned at Rong nuo and said, "Of course, why can't I do it?"

Rong nuo gritted her teeth. That old man, she really wanted to bite him to death.

“Hey, my hand hurts, let go of Yingluo.”

“Alright, Zhenzhen.” Tang Zong looked at her for a while, and after making sure that she was really in pain, he raised her hands above her head. “This way, it won’t hurt.”

After he finished speaking, he continued to bury his head and work hard. Tang Zong finally took off all the clothes on Rong Yan's upper body. He turned her over and over, kissing and gnawing on her body without any order.

He was like a little beast that was trying to determine its territory. He had to make sure that Rong nuo's entire body was filled with his scent. After the other beasts smelled it, they would know that Rong nuo was already taken. They were not allowed to touch her. If they dared to touch her, it would be equivalent to Tang Zong.

Rong nuo was not a wooden person, she was a normal woman, of course she would have a very normal physiological reaction.

She felt a familiar emotion on her body. She was very scared and quickly called out, ” “Tang Zong!!!! Tang Zong!!!! Stop!! Stop!!!

[illegible]

Unfortunately, her voice didn't have any intimidating power at all. On the contrary, it made Tang Zong even more excited after he heard her.

his hand finally reached below, and just as he was about to pull down rong nuo's pants, she quickly struggled and shouted, "Tang Zong, you're not allowed to touch your lower body, you're not allowed to touch it. I'm telling the truth, Yingluo!"

Tang Zong's hand straightened. His eyes were deep and dark, evil and innocent, like an angel who walked freely during the day and night. He lowered his head and kissed Rong nuo's flat stomach. He grinned, revealing his big white teeth."Alright, I won't touch Yingluo! I'm just looking, just looking!

For some reason, Rong nuo felt that Tang Zong's smile was like a beast baring its fangs at its prey.

Rong nuo was just about to speak when Tang Zong's hand suddenly pulled off his pants.

The cold air hit her, and Rong nuo shivered, then began to struggle violently."Tang Zong, you bastard! You said you wouldn't touch it! Get lost!!!!"

Rong nuo's violent struggle caught Tang Zong off guard.

Don't move, at least let him take a look.

Seeing that Tang Zong was unwilling, Rong nuo became anxious. She did not have her period, and if she was found out, she would definitely be finished.

In order to divert Tang Zong's attention, Rong nuo quickly faked a cry."Wuwuwuwu, Tang Zong, you liar!"

It was a fake cry, but when she opened her mouth, tears really flowed out. Rong nuo felt really wronged.

She had come all the way to the prison just to have a few days of peace and quiet, but why was it that her days in prison were even worse than when she was outside?

Chapter 1212 I am as beautiful as a flower

rong nuo had reflected on herself more than once. she really couldn't understand when she had provoked this living ancestor. they were actually not involved much at all.

Why didn't it develop to this point?

What were they now?

Boyfriend and girlfriend? Rong nuo couldn't help but swear. What kind of boyfriend and girlfriend were they? [Tang Zong: I can only say that this is not the ultimate goal of me developing a relationship with you.]

Sex friends? Rong nuo was deep in thought. It seemed that they were really developing towards this step by step. If Qianqian didn't stop Tang Zong this time, it was very likely that they would really be sex friends in the future. [Tang Zong] <: you're too despicable. Sex friends? you, you, you should at least let me have a real shot with real guns, right?]

rong nuo felt that she was just a playmate of tang zong.

Yes, it was to provide him with playmates to pass his boring days. "Tang Zong, playmate your head! Have you ever seen a man so obedient to his playmate?" why don't you go and ask who i've been so indulgent to? "

Rong nuo gritted her teeth. Tang Zong, this bastard, if he wanted to play, he shouldn't have come to her, okay? She was not a casual person. [tang zong: i'm not happy. qiao, you're making it sound as if i'm a casual person. if i were a casual person, would i have been able to keep myself pure for so many years?]

When Tang Zong saw Rong nuo crying so miserably, he instantly compromised. " don't cry, don't cry. alright, i'll put it on for you, but you have to help me deal with hanhan. "

"Wuwuwu, you bastard!" Rong nuo cried for a while, weighing between the two for a moment."Alright, I promise you, Yingluo!"

And so, the matter ended without a hitch.

Tang Zong unwillingly put on Rong nuo's pants again, and then vented on her half-naked upper body for a while.

Finally, he took Rong nuo's hand and served him for a while before he was done.

Rong nuo thought that after Tang Zong had his fun, he would leave.

It's a pity that this kid is someone who specially quarreled with you. Before Rong nuo could drive him away, he took off his clothes and lay on the bed, saying shamelessly, "It's too dark outside. I'm not going. It's dangerous for a beautiful young man like me to drive alone at night."

Rong nuo (_<-)

you, my lord!

alright, stop looking. No matter how much you look at me, it won't change the fact that I'm as beautiful as a flower. Hurry up and sleep. It's so cold. Tang Zong pulled Rong nuo down and wrapped his arms around her body like an octopus.

rong nuo looked at the cement roof above her head. after a few internal struggles, she sighed and closed her eyes. sleep!

She was thinking about a very philosophical issue. She felt that she was getting weaker and weaker in her battle with Tang Zong. What should she do now?

.....

The next morning, Rong Yan slowly woke up to the chirping of sparrows outside the window. She opened her eyes and saw a familiar scene. She was stunned for a long time before she regained her senses.

She turned her head and saw her daughter's flower-like face leaning against her shoulder, sleeping very well. On her daughter's right was Liancheng Yazhi.

The family of three slept quietly on the same bed and welcomed the arrival of a new day.

In such a peaceful and warm morning, the great turmoil yesterday seemed to be a nightmare. Now, the darkness was dispelled, and the sun was shining on the world.

A blissful smile appeared on Rong Yan's face. She turned her head and gently kissed meowmeowmeowmeowmeowmeow's little face.

Chapter 1213 Good Morning, Mrs. Liancheng!

Before she could raise her head, she heard Liancheng Yazhi's voice in her ear. "Honey, you have to be fair to us. I also want to kiss you!"

Rong Yan looked up and met Liancheng Yazhi's gentle and doting eyes. She smiled."Good Morning!"

“Good Morning!” Liancheng Yazhi stretched out his long arm and carried Rong Yan to his side through the MeowMeow.

He looked up at the morning sun and kissed her on the forehead.

“Good Morning, Mrs. Liancheng,” he said with a smile.

Rong Yan pursed her lips into a smile and similarly kissed Liancheng Yazhi’s forehead. Good Morning, Mr. Liancheng!

This form of address was completely different from the past.

three years ago, she was liancheng yazhi’s mistress. at that time, in order to constantly remind herself of her identity, she had clearly separated herself from liancheng yazhi. no matter when, even when she was the most delirious in bed, she would call him ‘mr. lian’ and never call him by his name.

At that time, Mr. Liancheng was the most distant form of address.

However, things had changed with the passage of time. When Rong Yan called out this name, everything else had changed except for the title.

Now that she had called out these four words, she was saying that Liancheng Yazhi was Rong Yan’s teacher. In this era, the word ‘teacher’ was equivalent to ‘husband’ at certain times!

The two of them hugged each other tightly, enjoying the calm after the storm. No one spoke.

“It was Tang Zong’s men who saved us yesterday, right?” after a long time, Rong Yan asked.

“Yes, ran ran is his woman.” Liancheng Yazhi nodded.

Regarding yesterday’s incident, Liancheng Yazhi still had many doubts. For example, how did Tang Zong know that the person who kidnapped MeowMeow was Madam Xia’s brother?

Also, Madam Xia’s brother ... There were many suspicious points about this person. Liancheng Yazhi felt that if this matter was investigated in detail, it would not be over.

Rong Yan heaved a long sigh. sigh, I owe him another big favor. How can I return it? ”

Previously, she had been saved by Tang Zong. This time, Tang Zong’s men had saved the mother and daughter. The debt of gratitude was higher than the sky. This time, it was impossible to repay it.

Liancheng Yazhi was the least worried about what Rong Yan was worried about because he was very clear about the ‘favor’ that that kid wanted from the beginning to the end. However, he could not tell Rong Yan that the person Tang Zong wanted was ‘your sister’!

Liancheng Yazhi patted Rong Yan’s shoulder.”About this, don’t worry. I will talk to Tang Zong about it. If he wants to do business, I will agree to any conditions he has.”

then we have to meet him in two days. We have to thank him in person for this matter.

Liancheng Yazhi nodded. sure, this is a must. I’ll arrange this, okay? ”

“Yes, good!”

oh yeah, has MeowMeow woken up since yesterday? ”

lian Cheng yazhi quickly said, ” it’s okay. i’ve asked Natsume. she said that it’s a mystery this time. ” The medicine is too powerful. MeowMeow’s body is small, so the medicine will stay in her body for a long time.”

He didn’t dare to tell Rong Yan what the doctor had said yesterday. Otherwise, she would be extremely upset after hearing those words.

“Did Natsume say when he would wake up?” Rong Yan asked Lian Cheng Yazhi.

Lian Cheng Yazhi shook his head. he’s not too sure about that. He’ll have to see how strong MeowMeow’s body is in breaking down the medicine.

Chapter 1214-sin in the past life

Afraid that Rong Yan would worry, Lian Cheng Yazhi added, ” however, Natsume also said that this is a normal phenomenon. It’s not a big deal.

Lian Cheng Yazhi’s explanation made Rong Yan feel a little more at ease. She turned to look at MeowMeow and said in a distressed tone, ”

Lian Cheng Yazhi suddenly felt very guilty. “I won’t do it again, really.”

The couple talked for a while more before they got up.

During breakfast, Lian Cheng Yazhi turned on the TV to watch the news.

As expected, she saw the report about the shopping mall incident yesterday.

However, this time, Under Secretary Zhou’s arrangement, the authenticity of the report about yesterday’s incident had been completely changed.

The news anchor on the TV was calmly reciting the words he had written in perfect Mandarin.

our city’s Public Security Bureau, according to reports from the public, has dispatched a large number of police forces yesterday to surround a large shopping mall in the city center and successfully took down a den for child trafficking. This den is a small milk tea shop in the shopping mall, next to a small children’s playground in the shopping mall. A large number of children play here every day, which also provides opportunities for criminals. Comrades of the Public Security Bureau have done a thorough investigation in advance. When the child trafficking gang kidnapped a three-year-old girl, they quickly reacted and sealed off the mall. They conducted an inch-by-inch search and finally found the bandits. They caught all of them in one fell swoop and successfully rescued the little girl, avoiding a family tragedy.”

the person in charge of the Public Security Bureau who organized this operation said that the situation at that time was special. The residents who came to shop were all blocked in the mall. However, after explaining the situation to everyone, everyone was very understanding and cooperated with the police. I would like to thank all the residents and apologize for the inconvenience caused yesterday. I also guarantee that we will increase our efforts in cracking down on such cases in the future. All the suspects this time will be held legally responsible.

rong yan was a little dumbfounded as she watched the broadcaster’s passionate report on the television!

Did this Yingluo happen yesterday?

It was actually beautified to such an extent?

lian Cheng yazhi, on the other hand, was very calm. he poured a glass of milk for Rong Yan and put it beside her hand. "This is the only way to benefit us. Secretary Zhou, you've done a good job."

He didn't mention them at all. No, it wasn't exactly not mentioned at all. Their three-year-old daughter had indeed been kidnapped.

The ones that were completely not mentioned were Xia Furen and her second older brother Zhu Mei.

Rong Yan came back to her senses and nodded. yes, it's really well done. However, if it's really him, those who don't know the truth will believe it completely.

"It's just news. You have to learn to pick which ones you can believe and which ones you can't."

Rong Yan took a sip of milk and remembered something. "Madam Xia's case?"

Lian Cheng Yazhi smiled coldly. there won't be any problems with the normal trial. The punishment she deserves will not be any less.

Madam Xia had brought everything upon herself. She was a prodigal. She had ruined her husband, her son, and her own family. The Xia family had really sinned in their past life by raising a daughter like this.

Rong Yan let out a long sigh. first, it was Tang Ziyu, then it was Madam Xia. She made a false confession and framed Rong nuo. Now, she has fallen into the same situation as Rong nuo. I really believe in karma now.

Chapter 1215 The judgment on Christmas Eve

Lian Cheng Yazhi touched Rong Yan's hair. "everything she has now is the retribution she deserves. a woman like her should spend the rest of her life in prison and reflect on her actions. "

Rong Yan nodded in agreement. After a while, she suddenly said, " I suddenly feel sorry for Xia Xuanmo.

From the moment he was born, his parents had arranged everything for him. He had always given his all for the Xia family. In order to take up the responsibility of the Xia family, he had given up his love under the pressure of his parents.

When he found out that he was doing this for his parents and family, his parents had pushed the woman he loved deeply into a prison where she could not see the light of day.

between choosing the woman he loved or protecting his mother.

He had done it again. At this time, his guilt towards Rong nuo had reached the point of no return.

Xia Xuanmo was struggling in all kinds of pain. He had let Rong nuo down, and he had let himself down even more. When a person found out that everything he had been pursuing was actually a joke, he could only choose to escape.

However, even after he escaped, things did not stop moving.

His parents were divorced, and his mother was going to jail!

The entire family was in pieces.

Now that Rong Yan thought about it again, she really felt that Xia Xuanmo was quite pitiful. However, although he was pitiful, she would not let him get back together with Rong nuo just because of that little bit of sympathy. She would also not drop the charges against Madam Xia.

The smile on Liancheng Yazhi's face faded. he, ah, Yingluo, is pitiful. However, these things should be fine for him. Once he has seen through everything, these things will not be as impactful as a Blizzard on the plateau.

Through the last call, Liancheng Yazhi discovered that the current Xia Xuanmo seemed to be an outsider who had seen through the secular world. His heart was as still as water, and nothing could stir up his Inner Waves again.

Just as Liancheng Yazhi had said, Xia Xuanmo had not left the most remote and highest border post on the plateau.

He inspected and consoled the ordinary soldiers who guarded the border of the country and could not see their families all year round.

In the raging storm, Xia Xuanmo looked at the distant land that could not be seen clearly. The cold wind whistled in his ears, and the strong wind seemed to be blowing the mountains and rivers dark, but the soldiers on duty remained unmoved. At this moment, Xia Xuanmo's heart was the calmest it had been in so many years.

Not long ago, he had just learned that Madam Xia would be hearing the court hearing in two days. Of course, he had also learned the truth that Liancheng Yazhi had specially asked someone to tell him.

But these things could no longer affect his mood.

Xia Xuanmo was very satisfied with his current life, much more satisfied than when he was an official in a prosperous place. He liked this kind of life that could fill the void in his heart. In a difficult environment, he had never suffered before, and he had a feeling of slowly atonement.

The Secretary walked over and whispered, " Secretary Xia, the weather forecast said that the blizzard might stop tomorrow. Let's go back tomorrow.

Xia Xuanmo nodded,"good."

.....

Two days later, on the day before Christmas, Madam Xia's case finally went to court.

The judge had taken this into consideration. Although Madam Xia had instigated the murder, she had not caused any serious repercussions. However/she had committed a serious crime. Hence/the judge had been lenient when sentencing her. In the end/she was sentenced to six years in prison without depriving her of her political rights.

Chapter 1216 We're doing well

Rong Yan had no dispute over this result. Six years was indeed enough. The court was not biased, and it did not increase the crime too much because of Liancheng Yazhi's power.

It had been six years. It was such a long time. To Madam Xia, it was already a great torture. She was a pampered person. How could she bear such a punishment?

"Mom, Yingluo, that grandma, Oh Yingluo"

The first thing the little guy said after waking up was, "Mommy Yingluo is so hungry Yingluo"

However, after waking up that day, Rong Yan realized that MeowMeow had become very fond of dozing off. She could fall asleep even while eating. When she was talking, she would fall asleep again if you weren't paying attention.

Rong Yan was quite worried, but Natsume said that she was fine. It seemed that the effects of the knockout powder in MeowMeow's body had not been completely resolved, and she would be fine after some time.

????????,????????,????????????????,????????????????,????????

If there was only one thing to be happy about this kidnapping, that would be this.

Rong Yan was stunned for a moment. She didn't remember bringing MeowMeow to meet Madam Xia before."Do you know her?"

meowmeowmeowmeowmeow opened her mouth and yawned delicately."I saw her on the day of mommy and daddy's engagement, Hanhan."

Rong Yan was shocked. It had been so long, but

?????????????"Mom, it's Christmas Eve tonight. Are we going to eat a lot of delicious food tonight?"

"Yingying's mother and the aunties at home will prepare a lot of delicious food for MeowMeow."

Speaking of this, Rong Yan quickly called Liancheng Yazhi."Yazhi, give Tang Zong a call and ask him to come over for dinner tonight. We haven't thanked him for what he did last time."

"Sure, I'll call him and ask." Liancheng Yazhi felt that Tang Zong would not go, and it was very likely that he would go to Rong nuo. However, since his wife asked him to ask, he naturally had to ask first.

just as lian Cheng yazhi had expected, after tang zong received the call from lian Cheng yazhi, he didn't have any time to think about it and said, "I won't be going tonight, I'm going to accompany Rong nuo. I'll go after Christmas tomorrow."

Liancheng Yazhi pursed his lips. it's up to you whether you want to come or not. However, this matter has a time limit. It's only tonight. Don't think about it after tonight.

After a pause, Liancheng Yazhi finally couldn't help but start lecturing. however, you better be careful. As someone who has been through this, I'm warning you, don't force Rong nuo, don't force her to do anything she doesn't like. Otherwise, your end will be no different from Xia Xuanmo, who is now far away in the sky.

Tang Zong was not happy. He snorted. it's impossible that I'm better than him. We, Rong nuo, we're good.

Liancheng Yazhi pouted and said, 'good? i heard that rong nuo hasn't seen you for the past two days, and even asked the prison guards to change her cell. she's now living in the prison's strongest password room, right?'

Chapter 1217 Bet ten apples

Liancheng Yazhi said another sentence that was extremely harsh on Tang Zong. "Ah, by the way, it's Christmas Eve tonight. It's still uncertain if you'll be able to see Rong nuo. Aiya, sometimes it's useless to be so thick-skinned and shameless."

Liancheng Yazhi knew very well about Rong nuo's situation in prison.

He was not only concerned about Rong nuo for Rong Yan's sake, but also for Huanhuan, who wanted to know Tang Zong's movements.

tang zong was very real in front of rong nuo. if he really liked rong nuo, then qianqian had actually pulled him to their side.

Just like how he would stand beside Rong Yan without any principles, Rong nuo was the same. They would believe in Rong Yan without any principles when they treated her.

Rong nuo believed that Rong Yan would help Rong Yan in all matters without hesitation.

This also meant that Tang Zong would help Rong Yan. Just like that time when he saved Rong Yan, and this time when he saved MeowMeow, the reason behind all of this could only be described with one word-Rong nuo.

Tang Zong bit his nails when he heard that. He wanted to add insult to injury and laugh at him!

Ever since the night

In addition, it was normal for Tang Zong to have a reaction when he opened his eyes and saw the woman he liked lying naked in his arms.

So he couldn't help but do that.

seeing that he was really about to enter, rong nuo was awakened by him, and then kicked him under the bed.

Rong nuo was very angry. After driving him away, she asked the prison guards to change the cell. The prison's strongest and most high-tech cell was for the most high-level criminals.

Even if it was a saw, explosives wouldn't be able to break it.

No matter how Tang Zong apologized and acted like a spoiled child, Rong nuo would not let him in.

This had already troubled him for two days.

however, being ridiculed by liancheng yazhi like this ignited tang zong's fighting spirit. he angrily said, " Hmph, just you wait. I'll definitely see her. We're going to spend Christmas Eve and Christmas together sweetly.

Liancheng Yazhi said leisurely in the office, " "Let's wait and see. I bet ten apples that she won't meet you."

Tang Zong gritted his teeth on the other end of the phone. Ten apples. Bastard, he was looking down on him.

I'll bet 100000 apples that she'll definitely meet me, " he said hatefully. just wait to lose.

lian Cheng yazhi whistled. " it doesn't count if you're forcing her. it only counts if she's willing to open the cell and let you in. i'll wait for you to deliver the 100000 apples to my house. fortunately, i bought a shopping mall that day. otherwise, your 100000 apples will really give me a headache. you can discuss it with the experience in the shopping mall. "

Tang Zong wanted to beat his chest like a Gorilla.

"Yeah, I'm looking down on you,"

Tang Zong was repeatedly suppressed by Lian Cheng Yazhi. "Lian Cheng Yazhi, I'm your wife and daughter's Savior. How can you treat your Savior like this? I'm going to tell on you to your wife."

Lian Cheng Yazhi said indifferently, " okay, I don't care. You can go. If you don't want to never see Rong nuo in your life, you can do whatever you want.

Dark clouds loomed over Tang Zong's head. He silently squatted down and drew circles in the air.

Chapter 1218 I'll beat you up very badly

Tang Zong thought to himself that he had swept across the world in the past few days. He was basically invincible, and no one dared to stand in his way.

Whoever dared to stand in his way was dealt with. Whoever dared to be rude to him, he would make them unable to stand up again.

however, ever since he returned to the country and met rong nuo and lian Cheng yazhi's family, he felt that he had been suppressed.

although he had been ridiculed, ridiculed, and laughed at, especially by rong nuo, who would often resort to violence when he was unhappy, qianqian had never had the intention to kill tang zong even though he was angry.

even tang zong himself found this very strange.

It was fine if Rong nuo treated him like this, who asked him to like her! If Rong nuo hadn't nibbled at him from time to time that day, he would have been uncomfortable.

However, why did he still tolerate Lian Cheng Yazhi's outrageous behavior? after tolerating it, he even helped him involuntarily! [Lian Cheng Yazhi: sigh, it's your fault for wanting to marry my sister. Of course, you have to subconsciously please our family. After all, this is your future brother-in-law, sister, and my niece!]

After Tang Zong was vexed for a while, he slammed the table. "I don't care, I'll see Rong nuo anyway, just wait to lose ten apples to me!"

Lian Cheng Yazhi sighed in distress. oh my, I'm so troubled. I'll inform the mall's manager first and not let the apples from outside be put on the shelves for sale these two days. Tang Zong, hurry over and prepare the apples first. I'll wait for you to send them over tomorrow.

Tang Zong's face instantly wrinkled up like a bitter gourd. Liancheng Yazhi was so certain that he would not be able to see Rong nuo, and this made Tang Zong feel very, very depressed.

"Liancheng Yazhi, just you wait. I'll fight with you sooner or later. I'll beat you up very badly, very badly. Just you wait, just you wait for me."

Tang Zong set himself a very lofty goal. He must beat up Liancheng Yazhi in the future, knock out his front teeth, and give him a good beating.

liancheng yazhi laughed out loud. his laughter was very happy. " is that so? that's great. i've been itching for a fight recently, and i can't find anyone to vent my anger on. i'll be very happy if you let me hit you. "

Tang Zong

Why was it that no matter what he said, Liancheng Yazhi could always say things that made him so angry!

"hmpfh, you're already old, but i'm still young. it's still hard to say who's going to be the one to beat who!"

This hit Liancheng Yazhi's sore spot. He actually said that he was old!

He threatened in a gloomy voice, " "tang zong, do you believe that i will make sure that you will never be able to find rong nuo again!"

Tang Zong > <

Bastard, bastard Yingluo. Others said that he was sinister, cunning, and shameless, but he really felt that he was as kind as a little white rabbit compared to Liancheng Yazhi.

Tang Zong's hand ruthlessly scratched the leather sofa beneath him. He said angrily, "Liancheng Yazhi, what else can you do other than threaten me? You promised me before that you would not stop me from seeing Rong nuo."

He wasn't very confident because what Wanwan's family said was right. He could see Rong nuo now because he had gotten permission from Liancheng Yazhi.

If Liancheng Yazhi were to fly into a rage and hide Rong nuo, it would be difficult for him to find her!

Chapter 1219 A way to please a girl

It was like the Queen Mother drawing a Galaxy in the sky, not allowing the Cowherd and the Weaver Girl to meet. Tang Zong really felt that he was very miserable. He and Nono had been bullied by the bad guy Liancheng Yazhi.

Liancheng Yazhi chuckled. yes, I promised you. I won't stop you from seeing Rong nuo, but the premise is that Rong nuo is willing to see you. Believe it or not, if I just casually talk to her, she will immediately take the initiative to ask me to hide her from you.

There were many explanations for Liancheng Yazhi's promise.

tang zong clenched his fists in hatred. but in the end, he had no choice but to let go. ” you’re so stubborn. that’s all you can do! If it wasn’t for Yingluo and Rong nuo, I wouldn’t be so easy to bully.”

of course, I will do a lot. I can make Rong nuo not see you, and I can also make her accept your love. Liancheng Yazhi knew that to catch a big fish like Tang Zong, he could not keep hitting on him. He had to give him a little hope occasionally.

If Liancheng Yazhi had always wanted to separate Rong nuo and Tang Zong, then now that he realized that he could not separate them, he had changed his mind.

He wanted Rong nuo to completely capture Tang Zong’s ‘playful’ heart, and make Tang Zong completely hers.

As long as the relationship between Tang Zong and Rong nuo was determined, it would be as if they had effortlessly pulled in Tang Zong as a huge help.

Tang Zong’s heart was moved. He bit his finger and said,”Really? Would you be so kind as Yingluo?”

of course, I’m not that kind. But if you beg me, I might be happy and tell you a way. After all, I’ve been through it. After several years, I have a happy wife and daughter and a happy family. I know much more than you, who knows nothing.

Tang Zong raised his chin, straightened his neck and said, dream on! I’d rather die than submit! There’s no way I’ll beg you!

Liancheng Yazhi was not surprised by this answer. If Tang Zong had begged him so easily, he would have found it strange. alright, since you have such a backbone, there’s no need for us to continue this discussion. That’s it. Don’t forget about my 100000 apples.

Seeing that Liancheng Yazhi was about to hang up the phone, Tang Zong became anxious and quickly said,”Hey, wait a minute, Yingluo.”

Liancheng Yazhi felt that it was actually quite fun to chat with Tang Zong. He asked,”What?”

Tang Zong’s fingers dug on the sofa. He fidgeted for a while before saying,”i’ll beg you for a little bit. can you tell me a way first?”

Liancheng Yazhi knocked on the table and said,”didn’t you rather die than submit?” didn’t you say there’s no way?”

On the other hand, Tang Zong did not blush at all for what he had just said. He said in a self-righteous manner, ” didn’t you say that god will open a window when he closes a door for you? i can close the door and walk through the window. ”

Liancheng Yazhi was already used to Tang Zong’s logic. alright, since you’re so sincere, I’ll be generous and tell you a way to please a girl. You have to be careful and considerate. For example, tonight is Christmas. Have you thought of buying a gift for my sister-in-law? ”

On the other end of the line, Tang Zong couldn’t help but nod his head. That’s right, that’s right. How could he have forgotten that such a Festival was meant to buy gifts for girls?

Chapter 1220 Buying a gift for the first time

Tang Zong had never wooed a woman before, and his attitude towards women was extremely bad. Even if he was trying his best to please Rong nuo, Qianqian was seriously lacking in experience. This was not something that could be achieved with just imagination. Tang Zong felt that Liancheng Yazhi was actually not that bad.

However, Tang Zong suspiciously asked Liancheng Yazhi, ” “You’re so kind to tell me this method. Aren’t you afraid that Rong nuo will be happy that I bought a gift? she’ll open the door and let me in to take a walk.”

“I’m not afraid! at most, i’ll lose ten apples.”

however, liancheng yazhi did not believe that he would lose, even though he told tang zong that he had to buy a gift.

However, this weirdo could do anything. Liancheng Yazhi would never believe it. With Tang Zong’s alien brain, the gift he bought for Rong nuo must be very ‘amazing’!

on the contrary, liancheng yazhi really hoped that tomorrow would come soon. 100000 apples would be a small sum of money if he sold them!

Although Tang Zong was suspicious and he did not believe that Liancheng Yazhi would be so kind, the method he gave was the right one and it was very normal. Therefore, after he got this method, Tang Zong could not wait to hang up the phone.

Although it was still a few hours away from night, he had never bought a gift for a girl before. He had to hurry and pick a gift.

And so, Tang Zong confidently left the house.

When he went out and saw the red-haired woman in his living room, he suddenly realized that he might have a question to ask. “Red blade, what do women like?”

Tang Zong had never known what women liked. He had sent things to Rong nuo before, but they were all food.

So, he felt that he should ask a woman to see what they liked.

In the end, the red-haired woman, who was also red blade, was stunned for a moment. She said, ” young master, I don’t know. I don’t have anything I like.

“Forget it, it’s useless to ask.” tang zong held the car keys in his hand and walked out.

Seeing that Tang Zong was about to leave, red blade hurriedly said, young master, it’s not very safe outside recently.

it’s not safe. Go and ask around. Who would dare to bump into yours truly? ”

ever since tang zong had “hooked up” with rong nuo, he rarely had anyone accompany him. he especially liked the feeling of going alone to find the girl he liked. at this time, if there was someone following him, he would feel like he was working.

The door closed. Red blade stood in the empty living room, looking unusually cold and lonely.

.....

On Liancheng Yazhi's side, Secretary Zhou knocked on the door and came in as soon as he hung up the phone.

Secretary Zhou quickly walked to Liancheng Yazhi's office desk and placed a few enlarged photos in front of him. "Young master ya, look! The Public Security Bureau just sent us some internal information!"

lian Cheng yazhi scanned the photos one by one, "what kind of kasaya is this?"

Secretary Zhou pointed at the first photo from the left, "this photo was found when Zhu Mei was examined. This tattoo was found on the sole of his left foot but the tattoo seemed to have been washed and was not too obvious. After the recovery, it was this photo." "Yes, it is this photo."

After he finished speaking, Secretary Zhou pointed to the second piece of paper. The restored tattoo was a totem of a blue-black python with its bloody mouth open and long venomous fangs. The snake's body was twisted, and there were a few sharp swords stabbed into the snake's body about seven inches away. Two drops of blood were dripping from the tip of the swords.
