Chapter 1241-Tang Zong's trick

In the next second, the fruit knife in Tang Zong's hand slipped and the blade grazed his finger. Tang Zong hurriedly gasped in pain."Si si si ..."

Rong nuo quickly looked over and saw that there was a cut on Tang Zong's left and right index fingers, and blood was flowing out quickly.

Tang Zong's hands were very beautiful. They were slender but strong, and even fairer than a woman's. Every finger was like the scallion fingers that Chinese people used to describe women. That pair of hands was more beautiful than any pianist's hands in the world. It was precisely this hand that was cut while peeling an Apple, with blood hanging on the tip of his fingers. Just looking at it would make one's heart ache.

Rong nuo frowned. She snatched the knife and the Apple that had been peeled so badly from Tang Zong's hand. alright, don't try to show off if you don't know how to.

Tang Zong looked at Rong nuo with a wronged expression, his eyes watery. nuo nuo, it hurts, Yingluo.

As soon as she met Tang Zong's eyes, Rong nuo felt weak. The blood on Rong Tang Zong's fingers had already begun to drip down, and she felt very painful looking at it.

Rong nuo stood up. you press on the wound first. I'll get you a warning and a band-aid.

When Tang Zong heard this, he could not accept it. He had hit himself just to use a little trick of injuring himself to get closer to Rong nuo. What was the point of her going to the prison guards?

tang zong grabbed rong nuo with his uninjured hand. nuo nuo, I'm fine. The wound doesn't count, so there's no need to go to the prison guards. It's Christmas Eve, so don't bother them.

Rong nuo's eyes widened in shock. She couldn't believe that these words had come from Tang Zong's mouth.

Tang Zong would actually say that he didn't want to trouble others? Aiyo, my God, this is really a miracle!

Rong nuo looked at him for a while,"forget it, I'll go, Yingluo."

Tang Zong hurriedly pulled her back, and she happened to sit on his lap. This made Tang Zong very happy.

He wrapped an arm around Rong nuo and said coquettishly, " "Nono, there's really no need. You can just help me massage it."

"Let go of me first." Rong nuo struggled.

Tang Zong hugged Rong nuo tightly and said with a slightly aggrieved tone,"No, it's Christmas Eve tonight. I have no one to accompany me, and you have no one to accompany me either. Let's spend it together, okay?"

Rong nuo was stunned for a moment. Yes, it was Xuanji's Christmas Eve.

In the past, Xia Xuanmo had always accompanied ran ran.

On Christmas Eve with Xia Xuanmo, he would first peel a big and sweet apple for her and watch her finish it.

Xia Xuanmo's Apple-peeling skills were very good, much better than Tang Zong's.

tang zong was like a child who had not grown up yet. he could even hurt his own hand while peeling an apple.

Rong nuo suddenly shivered and felt uncomfortable from head to toe. Really, why did he miss that person? Why are you comparing him to Tang Zong!

When Tang Zong saw that Rong nuo was distracted, he raised his head and gently bit Rong nuo's earlobe. "Nuo nuo, my hand hurts."

rong nuo's whole body felt like it had been electrocuted, and she was numb. she moved her body. "Don't move."

She tried her best to ignore the feeling that Tang Zong gave her just now. She raised her hand and pressed on the wound on Tang Zong's finger.

Tang Zong pouted his lips and said, "I didn't move. You're the one who's moving on my body. You're not doing this right. I'm already having a reaction."

Rong nuo's face immediately turned red. This shameless little guy, he actually ran ...

Rong nuo lost control and used more strength, pressing Tang Zong down and causing him to cry out in pain. "Nuo nuo is in so much pain, you don't have to use so much strength!"

Chapter 1242 His eyes were too hot

rong nuo quickly let go a little. she felt a little guilty, but she refused to give in. "you deserve it. who asked you to be cowardly?" she said.

However, even as she said this, Rong nuo's hand that was pressing on Tang Zong's wound was gently stroking it.

Tang Zong said innocently, "but I'm not wrong. Look at Zhenzhen."

As he spoke, he moved a little, so that Rong nuo would feel it.

It was clearly a very vulgar action, but with Tang Zong's pure and innocent face, no one could say anything too harsh.

Rong nuo's face was as red as a cooked shrimp. "You're provoking Tang Zong. You're messing around. I don't care about you anymore. Don't spend Christmas Eve with me either."

"Alright, alright. I won't say anything," Tang Zong hurriedly replied.

"Rong nuo is still in pain," said Tang Zong after a while.

Rong nuo glared at him. I said I'd get you some medicine. You didn't let me.

tang zong's face held onto rong nuo's neck and rubbed against her body like a little beast. it's too troublesome to find medicine. I've seen you for a few days, and I don't want you to leave for a minute.

The expression on Rong nuo's face changed, and her heart skipped a beat. She turned her head away from Tang Zong. "I'll wash it with clean water for you."

rong nuo stood up and went to get some water.

This time, Tang Zong did not stop her. However, his eyes were still fixed on her body.

When Rong nuo was pouring the water, she felt as if there was a hole in her back. Tang Zong's line of sight was really too hot!

Rong nuo secretly touched her face. It was really hot.

She let Tang Zong in today not only because he annoyed Yueyue but also because she was a little lonely! on a night like this, she also hoped that someone would be by her side!

Rong nuo took a deep breath and brought the water to Tang Zong. reach out.

Tang Zong obediently reached out his hand like a child.

she washed her hands twice with warm water. although the blood on her hands had been wiped clean, and the bleeding wasn't that bad anymore, she still felt a sense of relief.

However, this wasn't tang Zong's ultimate goal. He had to take it slow and steady, step by step, and strive to achieve his ultimate goal.

"Nono, will this cause inflammation?" Tang Zong held up his finger.

"When you go, just buy some anti-inflammatory water from the roadside pharmacy and apply it," Rong nuo said casually.

Tang Zong shook his head. no, I don't want to. The smell of anti-inflammatory water is too unpleasant.

"Then I'll just put on a band-aid." Rong Yan rolled her eyes.

Suddenly, Tang Zong's finger reached out to Rong nuo's face, less than a centimeter away from her lips.

"What are you doing?" Rong nuo was stunned.

Tang Zong raised his head and said matter-of-factly, you just have to help me suck it. Saliva can disinfect and stop the bleeding.

rong nuo's eyes widened. she licked yingluo's wound. she would not do such an intimate thing. besides, yingluo was too ambiguous. rong nuo rejected her flatly."Don't even think about it. Go away."

"I got cut when I was peeling the Apple for you. You don't even care about it. You don't feel sorry for me at all," Tang Zong said angrily.

"f * ck!" rong nuo didn't know what to say after tang zong's words.

Because what he said was right. He cut his finger while peeling an Apple for him, but Yingluo couldn't do such an intimate thing, right? However, the little Devil In Her Heart was saying, "

Kissing and touching, other than not doing the last step, you've done more intimate things, What is this?

Chapter 1243-Christmas Eve kiss

Tang Zong grabbed Rong nuo's arm and shook it. "Rong nuo, Rong nuo, please help me. Do you want the wound on my hand to become inflamed? it really hurts. This is the first time my hand has been injured since I was young."

Whether Tang Zong's words were true or not, Norb knew. However, this wasn't the first time she had seen Tang Zong's hands, and they were even more tender than a girl's.

Because Rong nuo had to work in prison, she couldn't take care of herself like that outside.

As a result, there were calluses on his hands and they were a little rough. However, this was already better than most people.

However, in front of Tang Zong's hands, Rong nuo felt that her hands did not even seem like a woman's hands.

Tang Zong's hands were so beautiful that they were comparable to his face.

Such a beautiful hand, with a cut, it really ruined the original beauty, making Rong nuo feel a little guilty.

Tang Zong was still babbling in Rong nuo's ear, his pitiful look really made one's heart ache.

As if she was possessed, Rong nuo opened her mouth and sucked on Tang Zong's injured finger.

Tang Zong's voice stopped abruptly, and his body trembled violently. A low groan came out of his throat, and his eyes looked at Rong nuo even more passionately. His long eyelashes fluttered, and he was like a tamed little beast, constantly wanting to get closer to his master.

After a while, Rong nuo realized what she had done. She gratefully let go of Tang Zong's hand, blushed, and turned her head to wipe her lips.

Tang Zong chuckled. The wound on his finger was not deep to begin with, and the bleeding had completely stopped. His finger was wet and glistening. Tang Zong pounced on Rong nuo from behind, hugging her and shaking her gently. He said in a coquettish manner, "Rong nuo, it's so good to have you to spend Christmas Eve with me. This is the first time someone has accompanied me on Christmas Eve. You're so good!"

Rong nuo's heart trembled. This was the first time he had someone to spend Christmas with? How is this possible? this film! He just wanted to say nice things to deceive her.

Tang Zong seemed to know what Rong nuo was thinking. He lowered his head and kissed the tender skin on Rong nuo's neck. "It's true, I'm not lying to you. When I was in the Tang family, no one liked me. They spent Christmas together as a family, but no one paid me any attention. After I went abroad, there was no one else."

A soft and itchy feeling came from her neck, and Rong nuo twisted her body to hide. "Don't kiss me randomly. I told you not to kiss my neck again."

"hehe, i forgot, i won't kiss the neck anymore, yingluo."

The next second, Tang Zong turned Rong nuo around and quickly lowered his head to kiss her lips. Rong nuo had wanted to resist, but she did not push Tang Zong away after pushing him away. Tang Zong's words just now flashed through her mind, and she did not push him anymore. Instead, she wrapped her arms around his shoulders.

They had already seen each other so many times, and compared to kissing, it was quite pure. Rong nuo simply did not act pretentious.

Tang Zong's kissing skills were basically taught by Rong nuo. However, his disciple's learning ability was obviously very strong. Now, when it came to kissing, Rong nuo did not have any advantage at all. From the beginning to the end, he was being suppressed by Tang Zong.

tang zong's kiss was just like his personality-playful.

rong nuo couldn't keep up with his rhythm at all and was controlled by him all the time. in the end, when she was out of breath, she patted his shoulder.

however, tang zong became even more excited. he hooked his little tongue around hers and refused to let go.

Chapter 1244-I am very brave

in the end, rong nuo couldn't bear it anymore and pinched his ears. tang zong groaned twice, his body softened and let go of her.

The ear was the most sensitive part of Tang Zong's body. It would turn soft with a pinch, just like a power switch. With a pinch, it would cut off Tang Zong's power.

Tang Zong pouted his lips unhappily and pressed himself softly on Rong nuo's body.

Rong nuo pushed him. you get up first. It's very heavy.

no, I can't move. You pinched my ear, so I can't move now! Tang Zong was very childish, no matter what.

Logically speaking, it was easy to be unlikable to act like a child at such an age.

However, Tang Zong wasn't like that. Who asked him to have a fair and clean face like a Little Prince, with big, limpid eyes and a bright smile? even when he was acting shamelessly, people couldn't bear to be ruthless.

Rong nuo suddenly thought of something and smiled. "Can't move? You have such a big weakness. What if you fail in the future?"

Rong nuo looked at Tang Zong with a meaningful look, a smile on her lips.

"in the future?" tang zong was curious.

rong nuo leaned over and whispered something in tang zong's ear. then, tang zong jumped up and covered his ears with his hands as he looked at rong nuo vigilantly. "Yingluo, you're so bad, Yingluo"

Rong nuo laughed as she lay on the bed. Her laughter was particularly pleasant and clear.

tang zong glared at her angrily. his cheeks were red and his lips were slightly swollen. he looked like a pretty little boy who was only seventeen or eighteen years old.

Rong nuo had just told him, "once I pinch your ears, you'll go soft. If in the future, when you're making love with a woman, your ears are pinched, you'll wither on the spot!"

Rong nuo's words were straightforward and explicit, which made Tang Zong embarrassed and angry. However, Rong nuo had given him a big wake-up call.

If he wanted to roll around in bed with Rong nuo, he had to prevent Rong nuo from pinching his ears at the critical moment.

Rong nuo couldn't stop laughing. Tang Zong's face was getting redder and redder. A burst of anger rushed up from his heart and he pressed Rong nuo down and began to tear his clothes.

"I'll let you see how brave I am today, Hmph!"

Rong nuo's shirt was quickly torn apart, but this time, Rong nuo was not in a hurry. She had basically grasped the rules of her interaction with Tang Zong. In his heart, he was a little boy who especially needed to be loved and cared for. Rong nuo gently patted Tang Zong's head, ruffled his hair a few times, and kissed his forehead. She said in a soft voice, "Be good, don't mess around! I haven't eaten yet."

As expected, Tang Zong was completely helpless against Rong nuo's simple move. He stopped and tilted his head to look at Rong nuo for a while, before nodding his head obediently. "Alright then, Yueyue, eat first. I can't let you go hungry."

"Oh, I bought you a gift today. Let's take a look at it first."

Tang Zong took out the pair of ruby earrings as if he was showing off a treasure, and looked at Rong nuo with eager eyes. "Does this look good?"

"Yes, it looks good." Rong nuo nodded.

In fact, she was really not interested in gemstones.

"Let's each wear one. I'll put it on for you, okay?" Tang Zong happily said.

Facing Tang Zong's eyes that were filled with anticipation, Rong nuo suddenly felt that she could not refuse him.

She nodded her head, and Tang Zong excitedly hugged Rong nuo and gave her a big kiss. This was the first time he had put jewelry on a woman. His originally dexterous hands were now extremely clumsy. He carefully poked Rong nuo's ears until they were red before he put it on for her.

Chapter 1245 Rong nuo, you're really good-looking!

After putting it on, Tang Zong tilted his head and looked at it for a while. Then, he leaned forward and kissed Rong nuo's face. He smiled like a little fool. "Really good looking?"

In fact, the pair of ruby earrings that Tang Zong had bought wasn't very good-looking. The design was very ordinary, and the gems were just a little bigger. Who asked him to buy female jewelry for the first time? so, don't expect him to have a better aesthetic sense in this aspect.

Rong nuo glanced at the remaining one. you don't have any ear holes. How are you going to wear them? "

rong nuo had thought that tang zong had bought these for her, but she did not expect that he would say that they would each have one.

Tang Zong touched his ear, took a deep breath and made up his mind. "I'll go to the corner and call one,"

Rong nuo laughed out loud. forget it. Your ears are like that. Do you still want to make ear holes? "

Tang Zong was instantly dejected. He didn't want to poke a hole in his ear either. The ear was his most sensitive and fragile place. If a hole was pierced in his ear, wouldn't he be lying there and never get up?

Tang Zong leaned forward, and his whole body was on Rong nuo's thighs. His hands were wrapped around her slender waist, and his face was pressed against her lower abdomen, like a spoiled child."Then can I wear the Kasaya around my neck?"

"Whatever!" Rong nuo pushed Tian Tian.

Tang Zong suddenly stopped talking and looked at Rong nuo. nuonuo, you look really good.

good looking? Rong nuo didn't think that she was very good-looking. She was at most above average in terms of looks, and was much worse than Rong Yan. However, her temperament could easily captivate men.

rong nuo lowered her head and looked at tang zong. his eyes were bright and sparkling as he looked at her without blinking. rong nuo's heart skipped a beat because tang zong was looking at her as if she was the whole world. he could only see her alone. in his eyes, there was no one else but her.

This kind of gaze, to be honest, would really bring a little pride to people. Rong nuo leaned over and her fingers gently slid across Tang Zong's face, finally falling on his neck, stroking his Adam's apple, and flirtatiously teased him,"How good?"

Tang Zong's Adam's apple bobbed up and down as he felt a little nervous. Every time Rong nuo looked at him with those mesmerizing eyes, he couldn't help but ask,"very, very, very pretty. you're the most beautiful woman."

Rong nuo laughed out loud. and you said you've never played with other women before. You're so good at talking!

"I've really never played with other women before. I'm so good with my words only because I'm facing you," Tang Zong replied seriously.

rong nuo's mood was suddenly much better. although tang zong loved to play, it was really fun to tease him occasionally. after having tang zong, rong nuo's life had obviously become much more interesting."Didn't you say that you have another gift? Where is he?"

tang zong quickly sat up and handed another beautifully wrapped gift box to rong nuo."oh yingluo, here, here yingluo"

When Rong nuo was opening the gift, Tang Zong seemed a little shy. He held his red face and said embarrassedly, I saw it by accident after I bought the earrings. I think Yingluo, I think you'll definitely look especially beautiful in them!

Rong nuo raised her eyebrows. Would she look especially beautiful in it? Clothes?

After opening the box, Rong nuo's face instantly turned from white to red, from red to black, and the veins on the hand holding the box almost popped out.

tang zong had been waiting for rong nuo to speak, but she had already opened it but did not speak. tang zong asked, "nuo nuo, isn't it really nice?"

Chapter 1246-Tang Zong is kicked

Rong nuo raised her head and said through gritted teeth, "Yes, it's good looking, especially good looking, Yingluo."

After saying this, Rong nuo suddenly roared, "Pretty your sister, you pervert!"

then, rong nuo suddenly kicked tang zong off the bed, and the things in her hands were thrown at tang zong, who was being kicked for no reason.

Rong nuo was so angry that her chest heaved up and down quickly. That's right, Tang Zong had indeed given her clothes.

However, Yingluo

What's the point of buying a set of sexy underwear? why are you so embarrassed?

Tang Zong was completely unaware of what he had done wrong. He rubbed his aching butt and stood up aggrievedly. Even now, he still did not understand how he had angered Rong nuo. Why did she kick him out of the blue? could it be that she did not like this gift?

He had carefully selected these. The sales lady had also said that they looked very good and that his girlfriend would definitely like them very much. She even said that they would look very charming and beautiful in them.

But why would Rong nuo be unhappy and kick him?

Tang Zong's hand picked up the thin piece of cloth from the gift box and asked, "what's wrong? This is beautiful!"

Rong nuo was so angry that she almost vomited blood. She really didn't know if this bastard was doing it on purpose or not. Rong nuo said angrily, "If you want to wear it, you can wear it yourself."

tang zong felt very innocent. "but i bought this for you. besides, i can't wear this!"

This really bad Tang Zong. He had not spent much time in the past to understand women. He did not know what women were thinking in their hearts. Although he had only begun to try to understand Rong nuo recently, this little time was not enough.

today, when he came out of the jewelry store, he happened to pass by the women's products section. rows of women's undergarments were hanging there. when tang zong saw them, his face immediately turned red. he felt a little embarrassed.

He was about to leave, but after thinking about it, he realized that Rong nuo's undergarments were not very nice and [too conservative]. He might as well buy one for her. After that, Tang Zong took his time and left.

The saleswomen in the shopping mall all had a sharp tongue. The moment they saw Tang Zong, they immediately asked if he was buying underwear for his girlfriend.

Tang Zong nodded his head, and the sales lady began to step on the bed. She said that Tang Zong was so gentle and considerate. If he bought underwear for his girlfriend, she would definitely be very happy.

Then, Tang Zong was confused. After that, the sales lady began to introduce him to all kinds of products.

However, there were so many of them that Tang Zong's eyes were dazzled.

He didn't even know which one to look at, let alone buy it.

In the end, it was the saleswoman who helped him decide. She introduced him to a special lingerie set. She said a lot of flowery words, and then Tang Zong was tempted. He picked a set, and the one that he looked good, and got someone to pack it.

tang zong had originally thought that rong nuo would be happy to see this. he had never thought that rong nuo would be so angry. he was really confused.

Moreover, Rong nuo had even called him a pervert. How was he perverted?

He didn't even touch her today?

"Rong nuo, why are you so angry? if you don't like my gift, I won't buy it in the future." Tang Zong felt wronged.

Rong nuo looked away again. The fabric was so thin that it made one's hair stand on end. She pushed Tang Zong out."you go out, go out for a walk."

Wasn't giving a woman lingerie the same as saying that he wanted to have sex with her tonight?

Would Rong nuo be happy?

Chapter 1247-freezing outside for a night

Just as he was about to be pushed out, Tang Zong grabbed the door frame and refused to let go."Why do you want me to go out? I'm not going out. If you don't explain it clearly, I won't go out."

Tang Zong turned his head and saw that Rong nuo's face was blue with anger. He asked pitifully,"Why are you so angry? you have to at least tell me a reason!"

rong nuo gritted her teeth. " why are you asking me why i'm angry? "

Bastard, she bought that kind of thing. Tonight, he was only thinking about that.

However, this guy still acted as if he was innocent and wronged, which made people very angry.

As expected, when a man pursues a woman, his ultimate goal is to abduct her and have sex with her.

Tang Zong was no exception.

no, he was not a good person to begin with.

In the face of Rong nuo's anger, Tang Zong felt really bitter. You were fine just a moment ago, why did you suddenly turn hostile?

Rong nuo said angrily,"Tang Zong, get out of here now. You are not allowed to come back in the future."

Tang Zong saw that Rong nuo was really angry and asked, "Nuo nuo, Qianqian, why?"

Rong nuo threw the box containing the emotional underwear out. "Go if you want to."

She touched the ear studs on her ears. In the end, she didn't do it too hard. Forget it. Since he had put them on with so much difficulty, she would keep this for now.

Tang Zong now basically understood that Rong nuo was unhappy because of the second gift he had given.

However, he still didn't understand the specific reason.

It seemed that he really had to find someone to ask how to pursue a woman.

In the end, Tang Zong was still pushed out by nuo. After the iron door was closed with a clang, Tang Zong leaned against the door and shouted, "Rong nuo, don't forget to eat. You have to eat that jianjia Apple too!"

No one inside paid attention to him. Tang Zong sat at the door pitifully for a while, and silently packed up the things that had been thrown out.

However, he did not leave. He said to Rong nuo inside, go to sleep. I said I'd stay with you on Christmas Eve this year. I won't leave.

Rong nuo was lying on the bed, tossing and turning. He knew that Tang Zong had not left and was just outside the door.

Could he, Yingying, withstand such cold weather?

Thinking of this, Rong nuo covered her eyes and shook her head fiercely. What was the point of thinking about this?

After that, Rong nuo fell asleep in a daze. She woke up in the middle of the night, hesitated for a while, and slowly walked to the door. She looked out through the narrow window, only to see Tang Zong sitting on the ground. He had already fallen asleep, but his body was shivering from the cold.

this scene made rong nuo's heart soften instantly. she turned around and took a blanket from the bed, quietly opened the door and went out. she covered tang zong with the blanket and then quickly went back.

When the sky was almost bright, Tang Zong woke up. The first thing he saw when he opened his eyes was the blanket wrapped around his body. He was stunned for a moment. Tang Zong looked at the cell door, and then laughed foolishly. He knew that Rong nuo would not leave him alone.

She still had him in her heart, and her heart ached for him.

tang zong sniffed. his nose was a little stuffed. he had already caught a cold.

He glanced at the watch on his wrist. It was four o'clock in the morning. It was time to leave and talk about his bet with Liancheng Yazhi yesterday.

Tang Zong wrapped himself up and bent over to pick up the culprit who had been driven out last night. Then, he leaned against the iron door and whispered, "Good Morning, I'll be going."

Chapter 1248 A hundred thousand apples

After Tang Zong left, Rong nuo opened her eyes. She slowly sat up and turned to look at the food that Tang Zong had brought last night. She had not eaten any of those things yesterday.

Rong nuo looked at it for a while, then sat down and slowly ate.

After being frozen for an entire night, no matter how delicious the food was, it was as if he was chewing on wood. There was no taste at all.

.....

Tang Zong coughed as he left the prison. As he walked out of the main door, a cold breeze blew over. Tang Zong shivered and wrapped the blanket around him tightly.

It was four o'clock in the morning in the winter. The night was still very dark, and visibility was almost non-existent.

Last night was the first snow of the winter. It was not heavy, and the ground was covered with a thin layer of snow. When the wheels ran over it, only a pool of water was left.

After Tang Zong got into the car, he quickly turned on the air conditioner in the car. After the temperature rose, he threw away the quilt.

After the car was on the road, Tang Zong made a phone call while driving. get me 100000 apples and send them to Xuanji Liancheng Yazhi's house!

After hanging up the phone, Tang Zong rubbed his nose and turned his head to look at sang's lonely box in the front passenger seat.

He sighed. Women were really hard to understand!

=====

Liancheng Yazhi had woken up at seven o'clock this morning. He quickly got up and opened the curtains a little to look outside.

Seeing the layer of white snow outside, Liancheng Yazhi was overjoyed. He could build a snowman with MeowMeow today.

He put on his clothes and went downstairs to take a look. He found that the snow last night was not heavy and only a thin layer of snow was covered. This made zaixi Yazhi's good mood disappear by half.

At the thought of his daughter being disappointed today, Liancheng Yazhi's mood was not very good.

Just as he was about to go upstairs to continue hugging his wife and sleep for a while longer, Butler li suddenly came over in a hurry.

"young master!"

Butler li had always been very calm, but it was rare to see him so anxious. Liancheng Yazhi asked, "What is it?"

Caretaker li pointed outside. just now, a group of people drove a truck to the gate. Without a word, they unloaded a truck full of apples and left.

Liancheng Yazhi was stunned. A cart of apples?

Very soon, Liancheng Yazhi knew what was going on. It must be that Tang Zong did not see Rong nuo last night, so he came early in the morning to give him the one hundred thousand apples he lost to him!

But Yingluo, why did you send it to my house?

Are you here early in the morning to make a scene?

“Let’s go out and take a look,” Liancheng Yazhi frowned.

Steward li hurriedly led the way.

Standing at the entrance of his house, Liancheng Yazhi looked at the mountain of apples and his mouth twitched!

if rong yan saw this, how would he explain it?

Caretaker li was worried and asked, “young master, is someone trying to harm the Liancheng family?”

liancheng yazhi smiled. “this is nothing. someone sent an apple early in the morning, which means that our family will be safe this year. let everyone move in.”

it was impossible to finish eating such a large pile of apples. liancheng yazhi planned to keep some and sell the rest.

Back in the living room, Liancheng Yazhi gave Tang Zong a call.

After the call went through, Liancheng Yazhi gloated and said, “I was right, you can’t get in.”

Tang Zong was still driving. However, he had already gone home to change his clothes. They would arrive at their destination very soon. He huffed and said, “Who said I didn’t go in? I clearly went in, Yingluo, it’s just Yingluo”

Chapter 1249-stay away from me

Tang Zong’s voice became softer as he spoke. Liancheng Yazhi picked up a cup of hot tea and smiled. “Then you were chased out, right?”

liancheng yazhi knew that it was impossible for tang zong to have a good night with rong nuo last night.

Tang Zong was unconvinced. Hmph, so what if Yingluo was chased out? anyway, I went in. I’m not done cooking.

“if you didn’t lose, then why did you give me an apple?”

Tang Zong straightened his neck and shouted, “I’m so happy!”

Liancheng Yazhi knew what he was thinking about. He was a little boy, so it was easier to understand.

tsk, since Yingluo didn’t give me a lost bet, then Yingluo is a gift. What’s there to be afraid of? tell me, what do you want to know by giving me a gift so early in the morning? ”

In the end, Tang Zong said, “I’m at your house. Let’s talk inside.”

Then, Liancheng Yazhi heard the sound of a car braking from the other end of the phone, and then the call was hung up.

Liancheng Yazhi turned his head and looked out of the door. Not long after, Butler Li came in with Tang Zong, who was wearing a white down jacket.

Although he was wearing a bloated down jacket, Tang Zong didn't look fat. On the contrary, it made people feel that he was a little weak.

Tang Zong's nose was red, and he had been sneezing the entire way.

Upon seeing him like this, Liancheng Yazhi could basically guess that he had been there last night. you must have caught a cold outside the cell last night.

liancheng yazhi asked butler li to bring a cup of hot coffee to tang zong. tang zong sat lazily on the sofa, holding the coffee cup and looking a little depressed.

It was past eight o'clock in the morning, and the lady of the house and the little girl were still not up yet, but he had come over and sat there without the slightest sense of leaving the guests.

After being exposed by Liancheng Yazhi, she did not blush or anything.

Liancheng Yazhi sized him up. it's Christmas today, and my daughter is very happy. You're making such a sad expression early in the morning. It's very unlucky. If this goes on, I'm going to kick you out.

Tang Zong glared at Liancheng Yazhi. I've given you so many apples. Is this how you treat me? "

"I didn't ask you to send me." Liancheng Yazhi shrugged.

Tang Zong suddenly stood up and went to Liancheng Yazhi's side."I just want to ask you something."

Liancheng Yazhi stepped back. sit further away. Don't infect me with the virus. I still want to hold my daughter.

Tang Zong sat back down angrily,"stingy Zhenzhen!"

"tell me, what's the matter?" liancheng yazhi asked.

Tang Zong hesitated for a moment and said, " it's just that last night, I got along well with Rong nuo. She also liked the first gift very much. But after I took out the second gift, she started to get angry. She was really angry and chased me out.

"First, tell me what your second gift is." Liancheng Yazhi had already guessed that there would definitely be a problem with Tang Zong's gift!

"this zhenzhen." tang zong was a little embarrassed as he took out a plastic bag from the big pocket of his down jacket. there were things inside.

Liancheng Yazhi took it in confusion, opened the bag to take a look, and then burst into laughter.

Tang Zong's face was burning from the laughter. He stomped his foot in anger."What are you laughing at? Liancheng Yazhi, you're not allowed to laugh anymore. Why are all your family members like this?"

After laughing, Liancheng Yazhi took a breath and said, ” “You really didn’t let me down when you gave this Qianqian Tang Zong. If Rong nuo was still willing to let you stay after seeing this, that would be strange.”

Chapter 1250 Who asked you to be so silly!

Young master Tang was very unhappy to be ridiculed, but when he remembered that he was here to ‘learn’ and had to put on airs, he forcibly suppressed the urge to beat Liancheng Yazhi up.

“Why?” Tang Zong bit his fingernails and asked. Is there anything wrong with the Yingying I bought?”

After Liancheng Yazhi laughed, he returned to normal.”Do you think this is normal?”

Feeling wronged, Tang Zong’s face was filled with doubt. I thought it was normal. The woman who sold the items also said that if I were to give it to my girlfriend, she would definitely like it. However, when rano saw it, he flew into a rage and kicked me off the stage.

After he finished speaking, Tang Zong even rubbed his buttocks, as if he could still feel a faint pain.

Liancheng Yazhi laughed. it’s normal for her to kick you. You can never trust the mouth of a seller. Who asked you to be so stupid!

tang zong puffed up his cheeks in anger.”Tell me first why Rong nuo would be angry if you gave this to him.”

“You’re pursuing Rong nuo now, right? we haven’t officially confirmed our relationship yet. Rong nuo is still in a state of indifference towards you. It’s too frivolous for you to give her such sexy lingerie at this time. It’s disrespectful to her. How can she not be angry?”

I’m not being disrespectful. I’m being respectful enough. Otherwise, I would’ve slipped away a long time ago. Tang Zong did not finish his sentence, but Liancheng Yazhi knew what it meant.

you might be too stupid to understand what it means, but in the eyes of others, you’re basically ... Having sex-You’re treating Rong nuo as a casual woman, so he’s very angry. Aiya, your previous efforts have been in vain. In the future-when Rong nuo sees you, he won’t smile at you anymore. My condolences!

ah!!!! Tang Zong let out a cry. Then, he grabbed the sofa in Liancheng Yazhi’s house with a dispirited look on his face. He looked like he had nothing to live for, which was a little funny.

However, Tang Zong suddenly said, ” I don’t care. I’ve already given you a gift, and you’ve already accepted it. Anyway, no matter what, you have to save me!

The smile on Liancheng Yazhi’s face grew deeper.”Why should I help you? I can’t wait for the two of you to be like this. As for the gift, I can return it.”

Tang Zong immediately sat up. no way. Qianqian can’t return a gift after receiving it. I definitely can’t do that. If you dare to return it, I’ll make a ruckus every day and make your family restless.

Liancheng Yazhi had already planned it out. I can help you, but ran ran, you have to exchange questions with me.

“Alright, go ahead.”

To Tang Zong, he was even willing to kill a person, let alone ask a question, as long as he could solve his problem.

Liancheng Yazhi's fingers picked up the small plastic bag and dangled it in front of Tang Zong to provoke him. After a while, he asked, “I'm asking you two people. Do you know Su He and Su Qing?”

Tang Zong was stunned. Su He? Su Qing?

“I know. Why? Why are you asking about them?”

su 'er was tang zong's older cousin, and su he and su qing were both cousins of su' er. they were still somewhat connected, so tang zong knew more about them than lian Cheng yazhi.

“Tell me about these two people!” Liancheng Yazhi's smile was especially gentle.

Tang Zong could already feel the strong sense of danger coming from Tang Zong's body. He narrowed his eyes and asked, “What do you want to do?”

Tang Zong spread out his hands and said, “you don't have to tell me. But ...”
