

Permit Me 1261

Chapter 1261 A man who learns how to cook!

Liancheng Yazhi couldn't help but kiss his daughter's face a few times. my daughter is so beautiful. Mom, did you prepare these new clothes? ”

meowmeow shook its head. “no, it’s not that. uncle tang prepared it for me. i really like it. mommy also said that i look very beautiful in it.”

liancheng yazhi raised his eyebrows. a gift from tang zong? no way, when did this kid learn to give such a high-end gift?

Moreover, why didn't he send Rong nuo to his daughter for no reason?

Did he take a fancy to their MeowMeow?

Liancheng Yazhi's face instantly turned cold and full of hostility-he dared!

MeowMeow grabbed Liancheng Yazhi's ear and asked, "Daddy, Daddy, are you unhappy?"

the twenty-four filial piety father quickly put on a smile. ” “Of course not. Daddy is very happy. Is uncle Tang at home?”

????,?????????????????:"Yes, he's in the kitchen,"

Liancheng Yazhi's eyebrows twitched.

Rong Yan happened to walk over and told him, "Learn how to cook, Yingluo."

Liancheng Yazhi almost dropped

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
eowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
wmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow? Tang Zong learned
how to cook? don't be a joke, yingluo.

“Really?” Liancheng Yazhi asked.

"If you don't believe me, you can go and see for yourself." Rong Yan shrugged.

liancheng yazhi stuffed meowmeow into rong yan's arms and quickly walked to the kitchen. then, he saw tang zong, a man wearing an apron with flowers, seriously learning how to make soup from the maid at home.

Seeing such a fantasy-like scene, Liancheng Yazhi felt a little dizzy. He felt that he was probably smoked by the oil and smoke in the kitchen, and he felt very uncomfortable!

Liancheng Yazhi rubbed his temples and asked, "Tang Zong, what are you doing?"

Tang Zong turned his head and saw Liancheng Yazhi. He immediately smiled, revealing his big white teeth, looking particularly obedient and cute. ah, you're back. I'm learning how to make soup. I'll be done in a while. Tell my sister to bring MeowMeow to wash her hands first. It'll be ready soon.

Liancheng Yazhi rubbed his chest. Not only was he dizzy now, but he was also starting to feel a little stuffy in his chest.

He felt that he must have missed out on some important plot. Who could help him fill in the gaps?

Wei Mao. Tang Zong called Rong Yan “my sister” so proficiently. When did they become so intimate? Although Tang Zong had called Rong Yan “sister” in the past, “sister” and “my sister” were only one word apart, but there was a fundamental difference.

The way Tang Zong addressed Rong Yan made it sound to Liancheng Yazhi as if Tang Zong and Rong Yan were a family, and he was an outsider.

This made Liancheng Yazhi unhappy, extremely unhappy!

Also, Tang Zong was sending clothes to What was he trying to do by being so attentive?

For Rong nuo’s sake, he’s starting to curry favor now? It can’t be!

Liancheng Yazhi walked over and pulled Tang Zong’s collar. “Wait, wait, wait, wait, wait, wait. How did my wife become ‘your sister’?”

Tang Zong was still holding a piece of green onion in his hand. He grinned and said, hey, don’t be so petty. You’re so easily angered. You’ll grow old quickly. Think about it, I saved my sister once, and then I saved little MeowMeow once. After these two times, my sister realized that I’m a very kind and nice person. So, he thinks that we can get closer.

tang zong poked liancheng yazhi’s chest with the green onion in his hand. “Besides, don’t you also have the same pronunciation? This is just a matter of time.”

Chapter 1262 I’m also a good man of high quality

Liancheng Yazhi understood Tang Zong’s words. He was saying that he and Rong nuo would be together ‘sooner or later’. So, their relationship would also be ‘sooner or later’. It was just a matter of time!

however, yingluo

Liancheng Yazhi felt uncomfortable listening to Tang Zong’s constant ‘my sister, my sister’.

Liancheng Yazhi glanced at Rong Yan who was talking to MeowMeow outside and did not seem to have any intention of coming here.

“You can leave first,” he said to the maid.

The maid quickly put down the spoon in her hand, bent over, and ran out.

Without the outsiders, Liancheng Yazhi’s face immediately darkened and he asked coldly, ” “You bought clothes for my daughter and came to my house to cook. What are you planning?”

Tang Zong grabbed the iron spoon that the maid had put down earlier and stirred the soup in the casserole. He didn’t care about Liancheng Yazhi’s bad attitude at all. After all, he had known Liancheng Yazhi for so long, and he had never seen him show him any good looks.

“I’m not planning anything!” Tang Zong shrugged. I’m completely sincere, and I’m MeowMeow’s elder after all, so it’s normal to buy her a gift.”

liancheng yazhi grabbed tang zong’s collar. it’s normal to buy a present. What’s abnormal is that with your brain, how could you think of buying a present like this? tell me, why are you trying to please my daughter? ”

Only then did Tang Zong realize what Liancheng Yazhi was trying to express and quickly clarified. hey, Yingluo, don't let your thoughts run wild. I'm not that much of a beast. Although my brain is more developed than you people, I'm not a pervert. Besides, I'm very devoted to my feelings, Yingluo.

tang zong's face was still a little red as he said, "i only like rong nuo, i don't like other women.

alright, liancheng yazhi believed for the time being that he had no evil thoughts about meowmeow.

"That's still not right. Your performance today was too good, Yingluo."

tang zong rolled his eyes at liancheng yazhi. " i've been thinking about what kind of gift to buy for girls. i'm not an idiot. it's normal to improve, okay? "

" besides, i've thought about it. i can't be too passive. i have to find a way to make a girl happy, so i've decided to try it on your daughter first. once i can make her happy, i'll go to rong nuo. what do you think? " Tang Zong looked at Liancheng Yazhi proudly. His smug look seemed to be saying, 'I'm very smart!' it's very powerful!

in the end, liancheng yazhi threw him away and asked directly, " "Who gave you that idea?"

Liancheng Yazhi absolutely did not believe that Tang Zong's brain could come up with this method of finding a real subject to experiment on.

"By myself." Tang Zong's eyes rolled.

don't force me to deal with you. Natsume is not the only doctor in our family. Liancheng Yazhi's threat to Tang Zong.

Tang Zong recalled the pain from the injection and shivered. He quickly said, "Okay, okay, I'll tell you. Yingluo is Yingluo, he's a friend of mine from abroad. He came to China to see me and then he said I needed to do a practical test. but i can't please other women, right? what if they pester me? i'm a very popular and good man, and i'm so good-looking! i want to be rong nuo's darling."

Chapter 1263 My future wife

Just as Tang Zong finished speaking, Liancheng Yazhi heard a female voice from behind him before he could even look down on him. "Keep your body like jade? Yo, Tang Zong, who are you keeping your chastity for?"

Tang Zong and Liancheng Yazhi both shuddered. The half of the green onion in Tang Zong's hand fell to the ground. His eyes rolled around. "Ah?"

Rong Yan appeared at the kitchen door and looked at Tang Zong with a smile. She didn't seem to be angry.

Tang Zong scratched his head and looked at Liancheng Yazhi anxiously. However, his brother-in-law turned his head and didn't even look at him. Tang Zong gritted his teeth and didn't help him at this time.

Tang Zong laughed embarrassedly, "that's for ... For my future wife, Yingluo."

Rong Yan was immediately excited when she heard that. you have a goal? Tell me who it is and I'll help you take a look. I have a good eye for people."

Liancheng Yazhi and Tang Zong both knew by now. Lava probably only heard the last four words and did not hear the first 'Rong nuo' clearly.

This made Tang Zong feel at ease. He chuckled and said, not yet. I'm just preparing to find a wife in the future. I see that you and brother-in-law are living such a happy life, so I think it's about time I find a wife. I'm looking for one. If I find one, I'll definitely let you have a look.

Rong Yan patted Tang Zong's shoulder and said, "that's more like it. Is the food ready?" "?????!"

"oh, okay, okay, it'll be done soon. sister yingying, you can go out first. leave this to me and my brother-in-law. you can go and play with meowmeow."

"Alright." Rong Yan went out happily.

Rong Yan felt that it was a happy thing to have someone cook for her without any help.

After Rong Yan left, Liancheng Yazhi and Tang Zong held their chests and panted. Thank God, thank God Huahua wasn't caught. Otherwise, they would have died today.

"Who is that friend of yours?" Liancheng Yazhi asked Tang Zong in a low voice.

he left. Don't worry, he did come to China to do something, but it has nothing to do with you and won't affect your family. He's leaving after he's done with his business.

"It's understandable that you're trying to please my daughter, but what about cooking? Why are you learning to cook?" Liancheng Yazhi still didn't understand why Tang Zong came to the kitchen to learn how to cook.

Tang Zong flicked his bangs. isn't there a saying that if you want to keep a woman, you must first capture her stomach? I'm preparing to keep Rong nuo. When I become the master chef of a generation and make her picky, she will never be able to leave me.

Liancheng Yazhi-_-!

"Who taught you this?"

tang zong took a piece of green onion and washed it, then cut it into chopped green onions."Ah? I saw this on TV. What's wrong? I think it's right, and I think that if I cook and bring it to Rong nuo, it will slowly show my sincerity, and she will definitely be touched by me. "

Tang Zong scooped out the soup from the earthenware pot and sprinkled the spring onion on it.

"Alright, you can take it out," he instructed Liancheng Yazhi.

The young master of the Liancheng family looked at the steaming carp soup in the bowl and sighed. He didn't say anything, silently picked it up, and walked out of the kitchen.

today, when he returned home and saw tang zong, the shock he had given him was already huge.

In the end, this kid's ability to create surprises was no less than his ability to cause trouble. Even now, Liancheng Yazhi still felt a little dizzy.

Chapter 1264-can't bear to let him go

Tang Zong stood up and waved at Rong Yan. “Big sister, I’m leaving. I’ll be back in two days. Don’t miss me too much.”

“Drive slowly when you get back.” Rong Yan laughed.

yes, I understand, Zhenzhen. Tang Zong agreed readily. He looked like a well-behaved and obedient younger brother. He didn’t look like a rebellious Chuunibyou or perverted crazy at all.

As he walked out of the living room, a gust of cold wind blew. Tang Zong shrunk his neck and hurriedly put on the hat on his head.

“Su ‘er has left the capital,” he casually asked.

Liancheng Yazhi’s big hand covered half of MeowMeow’s face and even her ears to help her block the cold wind. He smiled and said, ” “Yeah, I’ve returned to my hometown.”

“His father was in a car accident,” Tang Zong asked again.

Liancheng Yazhi nodded. that’s right. I got into a car accident.

Tang Zong smiled,”what a coincidence, Yingluo.”

Liancheng Yazhi glanced at the dark sky.”Yeah, what a coincidence.”

At this point, the two men already had a tacit understanding. There was no need to say some things clearly, since they both knew it.

Chapter 1265 Let’s work hard, honey

Tang Zong leaned over and kissed MeowMeow in front of Liancheng Yazhi. “Uncle

?????????:”okay, uncle, you have to come.”

Tang Zong laughed,”of course.”

Liancheng Yazhi glared at Tang Zong. Bastard, how dare he kiss his daughter. But he couldn’t get angry in front of MeowMeow. He carried MeowMeow and took a step back. “MeowMeow, let uncle go. It’s dark and it’s not safe for uncle to drive. We have to go back early.”

“Goodbye, uncle!”

Tang Zong waved his hand,”goodbye, Zhenzhen.”

Watching Tang Zong get into the car and leave, Liancheng Yazhi turned around and carried MeowMeow back. His fingers wiped MeowMeow’s face, and there was a rage in his chest that he had nowhere to vent.

He actually dared to kiss his daughter. I’ll find a chance to beat him up next time.

Tang Zong, who was driving, shivered violently. He looked at the car window and saw that it was closed. How could there be any cold wind?

tang zong looked at the endless night sky in front of him and suddenly sighed. liancheng yazhi was going to officially start a war with su yu. sigh, he didn’t know what the situation would be like in the future.

=====

After Liancheng Yazhi carried

Liancheng Yazhi found Rong Yan. She was sitting on the bed, thinking about something.

He walked over and hugged her. wifey, what's wrong? what are you thinking about? "

Rong Yan leaned against him. I think it's time to give Miaomiao a younger brother or sister. She's too lonely.

Liancheng Yazhi nodded. that's right. It's good to have such an idea.

Rong Yan looked at her flat stomach and said in disappointment, " "But, why isn't there any movement yet?"

Liancheng Yazhi thought about it seriously. we haven't worked hard enough for this Wanwan. So, we have to work harder in the future. Honey, you can't say that you're tired.

Rong Yan raised her head to look at him and met Liancheng Yazhi's serious and sincere eyes.

She felt a little helpless. Was it appropriate to say such words in such a dignified manner?

Liancheng Yazhi pushed him away and said,"wifey, let's work hard, Yingluo."

Rong Yan was stunned.

She rubbed her forehead.

"Just wait for MeowMeow to sleep?" Liancheng Yazhi immediately asked.

"....."

"wait a minute, i'll go and coax meowmeow."

Liancheng Yazhi left Rong Yan, stood up, and went to MeowMeow's room.

After about half an hour, Liancheng Yazhi came back. As soon as he entered the door, he shouted, " "Honey, it's done. MeowMeow is asleep. We can start now."

Rong Yan was stunned.

"Let's go take a shower first." Liancheng Yazhi picked up Rong Yan and walked into the bathroom.

Rong Yan pushed Liancheng Yazhi and asked, " "Tang Zong, what do you think?"

Liancheng Yazhi paused for a moment. it's not a bad thing for him to be close to our family. Let him be. We'll see what happens.

"Although he has helped our family twice, if he wants to do something to harm you, don't you have to tolerate him?" Although he was her Savior, between her Savior and her husband, Rong Yan decisively chose the latter.

I know, honey. Other than you, no one can do anything to me.

"Did I do something bad to you?"

"No, my wife is the best, Yingluo, take a bath first, Yingluo."

“Give me a massage, my shoulders are a little sore.”

“alright, yingluo, is this strength okay?”

“Oh, okay, just a little heavier, Yingluo.”

Chapter 1266 An appetite that has been spoiled

Ever since Tang Zong had arrived that day, he had been coming over quite often. Sometimes, he would come three times a week. Sometimes, he would come twice a week. In short, he would come twice no matter what.

Basically, the little one would like all the gifts that Tang Zong had chosen for her.

However, to MeowMeow, those gifts were not important. The important thing was that Tang Zong was here, and there was someone to play with.

Furthermore, Tang Zong’s culinary skills had improved so quickly that it surprised everyone.

The first time he cooked, it was basically the ordinary kind of food made by ordinary people. The second time, there was a big piece, which belonged to the kind of delicious Chinese food made by ordinary people. The third time, he was basically a beginner chef, and he became better and better with each try.

this directly led rong yan to feel that the maids at home were no longer as good as tang zong’s cooking. so, before tang zong came, she began to grumble.

This made Liancheng Yazhi feel a deep sense of crisis.

Every time he saw Tang Zong, his eyes would be filled with ferocity.

However, Tang Zong did not care about this at all.

It was dinner time again. Tang Zong asked Rong Yan, “Sister, do you think that the food I, Yingluo, am cooking now can whet one’s appetite?”

It had been almost three weeks since he first came to Rong Yan’s house to cook. He was working very hard to learn how to cook.

Rong Yan sighed. you’ve already spoiled our family’s appetite. Tang Zong, how about you stay at my house? ”

“No,”

“no!”

Liancheng Yazhi and Tang Zong denied it in unison.

One of them was to prevent others from invading their home, and the other was afraid that it would be difficult to see Rong nuo after they moved in.

Liancheng Yazhi hurriedly said, “wifey, Tang Zong isn’t someone who has nothing to do. He has a lot of things to do every day. Where would he find the time to come to our house to cook?”

Rong Yan nodded and said with a little regret, ” “that’s true. but darling, it seems like you’ll have to find two more chefs who can cook really well. otherwise, meowmeow and i won’t be able to eat without tang zong.”

meowmeowmeowmeowmeowmeow nodded in agreement.

Liancheng Yazhi rubbed his head. alright, leave this to me. I’ll definitely find two dishes that are more delicious than Tang Zong’S.

Tang Zong heaved a sigh of relief.

Rong Yan thought of something and said,”Oh right, Tang Zong, the new year is coming in a few days. If you don’t want to go back to your house, come to my house.”

after christmas, it was followed by the new year. this was a festival that truly belonged to the people of the country. although rong yan didn’t like the new year in the past, especially when she had a fall out with liancheng yazhi a few years ago, the word ‘new year’ had simply become a shadow in rong yan’s heart.

However, it was different now. She now looked forward to every holiday because now it was a family celebration.

Tang Zong didn’t expect Rong Yan to call him ‘Happy New Year’. He blinked his eyes and felt a little warm in his heart. He immediately smiled.”Okay, then I’ll come to your house to make trouble. But I have something to do on New Year’s Eve.”

Rong Yan looked at Tang Zong suggestively. I understand. For a young man like you, you must be looking for a young lady to stay up with you on New Year’s Eve. Go ahead. Remember to come on the first day of the new year.

at the side, liancheng yazhi was wiping his sweat. wife, the little girl you’re talking about is your sister?

Liancheng Yazhi glanced at Tang Zong, who had basically become a part of their family, and sighed helplessly.

Aiyaya, what’s going on!

Chapter 1267 Su ‘er’s biggest crisis

The days were approaching the end of the year. Although there were more things to do at Liancheng Yazhi’s company and he was busy, his overall mood was still good.

Although Tang Zong often went to his house to cook, his purpose was to capture Rong nuo and to please Rong Yan in advance.

however, all of these were actually developing in a better direction than before.

Tang Zong’s current methods were all normal, and Liancheng Yazhi was more optimistic about it.

Although Tang Zong had raised Rong Yan and MeowMeow’s appetites to be picky, Yingluo’s appetite was not a big deal. She could solve it by inviting a few more famous chefs later. It was not a big deal.

Also, two weeks after Liancheng Yazhi sent Xinyang to the South, he finally got the accurate news he sent.

The goal that old master su had always wanted was finally snatched away by the Yu family.

Xin Yang didn't mention how he had helped the Yu family snatch that piece of land. Liancheng Yazhi's grandfather didn't need to know. He only needed to know that the piece of land was lost in su Yue's hands!

Just as Liancheng Yazhi had guessed, he was furious that su Yue had lost the land that old master su had his eyes on.

One must know that it was very difficult to find a piece of land with good feng shui that could be used to build a Cemetery in today's highly urbanization modern society. If one missed this opportunity, it would even be difficult to find the next best option.

Furthermore, old master su had always thought that he wouldn't live for long, so this piece of land was very important to him.

Hence, he had entrusted this task to his grandson, who he had always valued the most. However, Qianqian's good grandson had not been able to get the land. Instead, it had been taken away by the Yu family, who had always had a grudge against their family. Especially when the Yu family had gone to the SU family's great-grandfather to show off after getting the land, the old master had almost fainted from anger.

old master su valued that piece of land as much as he was angry at losing it. at the same time, he was equally disappointed in su yue.

This failure had caused old master su to berate su Yue in front of the SU family. He didn't give her any face at all.

He even said one last sentence,"if you can't even handle such a small matter, how can the SU family be handed over to you?"

Old master su might have said those things in a fit of anger, but it was a different story in the ears of the people around him.

This meant that su 'er's position as the first-in-line successor to the SU clan's old master had wavered. This was a rare opportunity for them, and it might even be their only chance.

The other descendants of the SU family, who had lost their competitive spirit, reignited their competitive spirit.

To su 'er, this was the biggest crisis he had ever faced since he won the power struggle.

Because of this crisis, su 'er had no time to care about other things.

At that moment, su Yue was in a terrible fix. She was drinking with her friends in a famous nightclub in S city.

The handsome man sitting opposite su Yue asked,"Your old master is so disappointed in you now. Your uncles and cousins are eyeing you covetously. Your situation is so bad now. What do you plan to do?"

It was interesting to say that su PEI didn't have many friends, and even fewer close friends.

Moreover, this person's identity was quite special. This person was su PEI's opponent in the battle for the cemetery-Yu shaochen.

Chapter 1268 My little brother is the most sinister one

Yu shaochen was the second son of the current head of the Yu family. In essence, he was su Yue's enemy.

However, he had never been liked by his parents because he did not have any big dreams or ambitions. He just wanted to muddle through his days and be an idle young master. He also did not want to participate in the family business. In the face of such an unmotivated son, his parents were disappointed that he did not live up to his expectations. As time went by, they would definitely not like him.

However, he met su Yue in the first year of high school and they had a few fights.

In this fight between the SU and Yu families, one side was his family, and the other was his friend. Therefore, he couldn't help either side, so he had to be an outsider.

Su Yu swirled a glass of red wine in his hand, his face filled with hostility. I have to win back!

"How do I pull it?"

"My grandfather wants a grave, so I'll find another place with good feng shui for him. It'll be even better than that one."

Yu shaochen shook his head. don't joke around. This piece of land was obtained by the heir of the Yang family, the most powerful family in our city. It took them several years to find it. It's not that easy to find another good piece of land.

"do you believe in fengshui?" su yue asked.

"I don't believe you." Yu shaochen shook his head.

"Fengshui is a matter of words," su Yue chuckled.

Yu shaochen's eyes widened, "Don't mess around. If your old master finds out about this, he'll really kill you."

Su Yue didn't mind. that's right. At worst, he'll just slip away. He wouldn't want my life.

Yu shaochen sighed. since you think so, I won't try to persuade you anymore. Seeing that you are in such a difficult situation now, I will give you a warning. This time, it was my younger brother who did it. My elder brother is just a mere formality in front of you.

"Your brother?" Su Yu suddenly raised his head.

"that's right. among the three of us, my younger brother is the most sinister. my older brother qianqian might be ruthless, but she's not good at scheming. as for my younger brother, qianqian, forget it. i can't tell you too much. he's still my family. "

"I know, thank you."

"Don't thank me, you should get over this first, Yingluo."

=====

Su Yue started to prepare in the South. She hoped that she could give it to her grandfather as a gift during the new year.

After Xin Yang received the news, he quickly told Liancheng Yazhi, ” “Young master ya, su Yue is starting to play tricks again.”

“his uncles and brothers still haven’t made their move?”

“Yes, but no one wants to be the first to attack.”

Liancheng Yazhi gritted his teeth. This group of cowards was too useless. It was such a good opportunity, but they still didn’t make a move. No wonder they couldn’t beat Su Yu. They were a bunch of pigs for not knowing how to seize the opportunity.

He had already given them the opportunity, and they all ate the meat that was right in front of their mouths. Who knew what they were thinking?

Liancheng Yazhi said sternly, ” then tell them that Su Yu is going to make a comeback. Let them know that there’s only this one chance. If they miss it, it’ll be too late when Su Yu re-establishes her prestige in front of their old master.

Xin Yang hurriedly said,”it’s Zhenzhen.”

“How are the two people I asked you to contact?” Liancheng Yazhi asked again.

“The two of them are very cautious now. But this time, they did something when su Yue got into trouble. I think they’re trying to trick Yueyue.”

“Continue to work hard. You must make them take action! Any means can be used to threaten or bribe.”

Chapter 1269 Young master ya, are you going to use the beauty trap?

Liancheng Yazhi had always been a person who didn’t care about the means and only cared about the results.

he didn’t think that there was a need to use any fair and just methods to deal with su ‘er.

Xin Yang brought up another matter. yes, I definitely won’t let you down. There’s one more thing. Su Yue has invited his little aunt, old master SU’s youngest and most pampered daughter, back. It seems like he wants this woman to help him plead for mercy in front of old master su.

Liancheng Yazhi frowned. Su Yu had asked for help.

He had read the information on the SU clan’s old master’s youngest daughter.

Her name was su Nanjing, and she was old master SU’s daughter. As a daughter, she wasn’t afraid of fighting for the right of inheritance, so old master su doted on her a lot. He couldn’t ignore the weight of a woman like her. She could act coquettishly in old master SU’s ear and change his opinion of su ‘er with just a few sweet words.

liancheng yazhi stood up and walked back and forth for a while before saying,”Didn’t this woman get a divorce last year? She’s in her 30s now, the age where she’s like a tiger or a Wolf. Check what kind of man she likes and find one for her. ”

On Xin Yang's end (^) was surprised, " "Young master ya, are you asking me to seduce her with my looks?"

"Do you think there's a better way than this?"

the way to turn a woman into a fool was to make her fall in love. since she didn't have a man now, she would find one for her.

Let su Nanjing fall in love with a man and then obey Him!

since su jue wanted su nanjing to put in a good word for him in front of the old master ...

In that case, Liancheng Yazhi would find a man to control su Nanjing and make her badmouth Su Yu in front of the old master.

Xin Yang hurriedly said,"no, no. Your idea is very good."

She did not expect Liancheng Yazhi to say, " "Hurry up, if you really can't do it, you can go on stage yourself."

Xin Yang almost choked when he heard this. no, no, I definitely can't do it. I'm not suitable for su Nanjing. I've looked at her information. He seems to like a man with a strong body, handsome and masculine, with handsome features.

"aren't you one?" Liancheng Yazhi laughed and teased.

"i'm old, and she likes men who have a melancholic aura, are quiet, and look like they have a story. i'm just a little talkative, but she likes young, fresh meat, so i'll find a model for her."

don't dawdle. Hurry up. You do it yourself. You don't know how to act yet. I'll give you two days to settle that woman quickly.

"Young master ya, you can't! Young master ya, Yingluo!"

alright, it's decided then. Two days. I'll wait for your good news.

After he finished speaking, Liancheng Yazhi hung up the phone, leaving Xin Yang bitterly mumbling " hey hey hey hey "

Xin Yang looked at su Nanjing's information saved in his phone. I was only 29 years old, but that woman is already over 30. I can't just lose her, right? what if she insists on having a physical relationship with me? Isn't this what she's doing to me?"

Xin Yang trembled fiercely. In order to protect his 'chastity', he decided to disobey young master ya's order. Anyway, he only cared about the results and the details.

Wasn't it good to find a handsome man who was good at acting to act with su Nanjing? he used the most understandable and vilest hero to save her life at the beginning.

Xin Yang found the third young master of the Yu family, who was cooperating with him this time, and asked him to help him collect some childish fresh meat in the shortest time possible. After setting up the plot, he was just waiting for the shooting to start.

Chapter 1270 How to make a woman fall in love with you in one day

Liancheng Yazhi gave Xin Yang a two-day time limit. He did not let down his boss's instructions and quickly hooked su Nanjing.

secretary zhou took the message from xin yang and ran to liancheng yazhi to complain. " young master ya, Xin Yang didn't listen to you. He didn't seduce su Nanjing himself. He asked Yu laosan to help him find a male liar.

"Oh, did you catch it?" Liancheng Yazhi did not look up.

Secretary Zhou nodded. it's true that Xuxu managed to catch him, but he didn't listen to you. He disobeyed your orders. Aren't you going to punish him? "

Liancheng Yazhi smiled. Secretary Zhou and Xin Yang did not see eye to eye with each other. They were just like children making a fuss and even wanted to complain about such a small matter.

"I knew he wouldn't do it himself. We'll talk about this later. Who did he find? Is he reliable?"

Secretary Zhou took a look at the information. I don't know if he's reliable or not, but it's true that he has some skills. You also know that third brother Yu's family used to be involved in the underworld, but they haven't completely cleared their name yet. The person he helped find is definitely not a good person. I heard that he's a guy who specializes in scamming people for their money and sex. He's a guy who can cheat anything. I heard that the people in the underworld call him the 'thousand-faced Guanyin', but I don't know what his real name is.

Thousand-faced Guanyin, this name was really vulgar.

However, it was easy to understand.

Thousand face meant that this person was adept at changing his face. He could quickly switch between all kinds of personalities and characters!

guanyin is so pretty!

As a high-level swindler, he naturally had to be a talented person who could do everything. He couldn't lose face.

Otherwise, how could he have cheated her so quickly?

Just by listening to the speed at which su Nanjing fell into the net of love, one would know that this guy's face and means were a woman's fatal weapon.

"what's the progress?" asked liancheng yazhi.

Secretary Zhou said excitedly, " after this guy met su Nanjing, it only took him five hours to make su Nanjing fall in love with him. Ten hours later, she wanted to marry him. Now, she brought him to the SU old master and swore in front of the old master that she would only marry him. If the old master didn't agree, she would kill herself. At that time, su 'er said something. It wasn't against it. She just wanted su Nanjing to calm down and think about the marriage carefully. Then, she made su Nanjing angry in front of the SU old master. She's going to scold Su Yu and hate su Yue."

After Liancheng Yazhi finished listening, he put down his pen. As expected, there was a specialization in the art of Xuanji!

Those who specialized in this line of work were truly awesome!

Perhaps, he should ask Tang Zong to look for this thousand-faced Guanyin and let him learn how to make a woman fall in love with him so quickly.

“Young master ya, can I see this person later?” Secretary Zhou asked, trying to please him.

“What do you want to do?” Liancheng Yazhi asked with a frown.

Secretary Zhou smiled in embarrassment. I heard that he has written a teaching material on how to pick up girls. It’s called ‘how to make a woman fall in love with you in one day.’ I want ran ran to get to know him. You see, I’m so old, but I still don’t have a suitable girlfriend. I think I need to learn. What do you think? ”

Liancheng Yazhi glanced at him. what are you doing? with that brain of yours, even the gods can’t save you.

secretary zhou was unhappy and complained in a low voice, ” “Why can’t I save him? even Tang Zong’s brain can be enlightened. Now that miss Rong nuo’s attitude towards him is much better, if I’m enlightened, I’m sure I’ll be better too, Zhenzhen.”
