

Permit Me 1271

Chapter 1271 I'm such a good man, you have to hold on to me

After Liancheng Yazhi heard Secretary Zhou's words, he suddenly remembered something.

Wait a minute ... It was as if Tang Zong had suddenly been enlightened in the aspect of pursuing women. That improvement was simply at a tremendous pace.

Just like what Secretary Zhou had said, an ordinary person like him would not be able to wake him up. Was the friend Yingluo that Tang Zong was talking about this thousand-faced Guanyin?

Liancheng Yazhi hurriedly asked Tang Zong, "has Tang Zong been going to prison frequently recently?"

secretary zhou nodded. "yes, he often goes there. every time he goes, he will bring miss rong nuo his own dishes, and some small gifts are all personally made by him. it's as if he has eaten an immortal pill, and his words are much better than before. now, miss rong nuo's attitude towards him is much better than before."

The more Liancheng Yazhi thought about it, the more suspicious he became. He waved his hand. "I know, you can go ahead."

"Young master ya, what about the Yingluo that I just mentioned?"

"Don't even think about it," Liancheng Yazhi rejected.

"Young master ya, you can't be like this. You have a wife and daughter, but I don't have anything yet. Please show some concern for your subordinates, Yingluo!"

"You've been too idle recently." Liancheng Yazhi's face turned cold.

no, no, ran ran. Secretary Zhou quickly covered his face and ran out.

After Secretary Zhou ran out, Liancheng Yazhi quickly called Tang Zong.

After the call went through, Liancheng Yazhi directly asked, "Tang Zong, I have something to ask you."

In the end, Tang Zong fearlessly said, I'm in prison now. Don't disturb my good time with nuo nuo. I'll go to your house to cook tonight. If there's anything, we can talk at your house.

liancheng yazhi (_)#

Before the eldest young master could get angry, Tang Zong quickly hung up the phone.

Liancheng Yazhi, who had been hung up on, clenched his phone tightly and gritted his teeth. "I'll beat you to death tonight."

At this time, Tang Zong, who was in the prison, was holding Rong nuo and showing him the video he had taken at Liancheng's house.

In the video, he and

it didn't look out of place at all. those who didn't know would think that they were a real family.

Although this was not the first time Rong nuo had watched a video of Tang Zong and

rong nuo glanced at tang zong. why did she feel that this guy was still so stupid and a little silly?

He ... Is he using external hacks?

Tang Zong hugged Rong nuo and shook her. nuonuo, look, your sister and Miaomiao like me very much now. Your sister also said that I am a good man. So, you will not be at a disadvantage being with me! i'm such a good man, you have to hold on to me!"

Tang Zong's eyes were so clean and beautiful. When he said those words, it was as if everything he said was from the bottom of his heart. Even if it was fake, it seemed to be real when he said it.

Rong nuo's face sank and said seriously, "Tang Zong, my sister truly treats your friend as her family. I don't know what you're thinking in your heart, but since you've made them treat you with sincerity, you should put away your playful attitude. If you dare to turn around and use their trust in you to plot against them, I'll kill you."

Chapter 1272 Your family is my family

Although Rong nuo's attitude towards Tang Zong had improved recently, she had never truly opened up to him. She was still wary of Tang Zong's intentions.

This was not Rong nuo's fault. Any woman who had experienced her relationship with Xia Xuanmo would be careful with the man who would approach her in the future and would not let other men invade her heart so easily.

Rong nuo's carefulness and defense were only because she didn't want to get hurt again.

rong nuo didn't know what tang zong was thinking about when he was trying to get close to rong yan's family. therefore, she was even more afraid that tang zong would successfully get close to them and then use them because of her.

If that was the case, Rong nuo would definitely kill Tang Zong.

Tang Zong hurriedly raised a hand, raised three of his fingers, and swore. "i swear, i approached them because i wanted them to accept me better after i told them the truth. i had no other intentions."

Tang Zong rolled his eyes at Rong nuo. nuo nuo, don't worry. Your sister is my sister, your brother-in-law is my brother-in-law, and your little niece is also my Yueyue. I will definitely treat them well. I'm sincere. Other than Liancheng Yazhi, who I don't really like, I like your sister and MeowMeow very much, really.

Rong nuo looked at Tang Zong carefully for a while, and felt that he was serious and did not seem to be lying, so she let him go.

"Really?"

Tang Zong hurriedly expressed his loyalty. it's absolutely true. It's from the bottom of my heart. I won't lie to you. If anyone dares to harm them, I will definitely help.

"Alright, I'll believe you for now." Rong nuo nodded.

After a while, Rong nuo still said the words that she had been hesitating for a long time,"Tang Zong, I, Yueyue, don't quite understand. You treat your own family like that, would you really like my family?"

Tang Zong did not try to hide anything and replied seriously, "It's different. Blood doesn't represent everything. It's too complicated between me and the Tang family. We've been entangled for so many years and can't be explained clearly with a few words. Just like you and rongyan, Yingluo, you two really don't have any blood relationship, right? But you two are even better than those sisters."

Rong nuo did not speak, but she had already silently agreed with this point of view.

Indeed, blood relations could not represent everything.

Tang Zong took out a small Buddha statue that was tied up with a red string from his pocket. I brought you a small Jade Buddha statue. I carved it myself. The lines are still very rough, but I will make it better in the future.

Rong nuo held the little Jade Buddha that was entirely green. The Jade was of good quality, but the carving was too poor. The statue was like a clown, but Qianqian had made it herself. Rong nuo's hand gently stroked the Jade Buddha, and she was still touched. She looked at it for a while and said, "thank you.

Tang Zong hugged Rong nuo and smiled. it's good that you like it. I'll help you wear it.

"Alright!" Rong nuo did not refuse.

Tang Zong happily took the small Buddha statue and put it on Rong nuo's finger. His movements were very careful and careful. After putting it on, he even deliberately adjusted the position of the Buddha statue.

Rong nuo did not pay much attention at first, but when she saw Tang Zong's hand from the corner of her eye, she subconsciously grabbed it.

Tang Zong blinked his eyes. He was so thick-skinned that he couldn't be any more brazen. "Nuo nuo, what's wrong? Do you think I'm really good, so you want to hold my hand?"

.....

Chapter 1273 I can't change the fact that I like you

Rong nuo didn't pay attention to him at all. She grabbed his hand and looked carefully.

rong nuo had seen tang zong's hands many times before. his hands were slender and beautiful, even more beautiful than those of pianists. they were also very soft, without any scars or calluses. looking at his hands, rong nuo felt a little inferior.

But now, if one were to look closely, they would find many small scars on Tang Zong's hands. There were new wounds, old scars that had already opened and closed, and even burn marks. Moreover, there was a thin layer of calluses on his palm and fingers.

When she touched it, Yingying was much rougher than before. Although Yingying was still slender as usual, Rong nuo knew that it was different.

Rong nuo suddenly felt a little sad. For the first time, she realized that Tang Zong had really done so much for her.

And these were things that Xia Xuanmo had never done before.

“Don’t do these things in the future.” Rong nuo let go of Tang Zong’s hand.

The sudden change in Rong nuo’s mood made Tang Zong very anxious. He quickly asked, “What’s wrong? You don’t like it?”

“Yes, I don’t like Yingluo,” Rong nuo said coldly.

“but weren’t you still fine before?” tang zong was so anxious that his face turned red.

“I don’t need what you’ve done, and you don’t have to do it anymore.” Rong nuo suddenly raised her voice.

Tang Zong felt very wronged. He did not know what he had done wrong. Why was Rong nuo so angry all of a sudden? he wanted to comfort her, but he did not know what to say. Rong nuo was really angry now. He wanted to shamelessly cling onto her like he did in the past, but when he saw Rong nuo’s annoyed eyes, he was afraid that he would make her even more unhappy.

At this moment, all the tricks that Tang Zong had learned from his friend seemed to be useless. He couldn’t remember any of them.

Tang Zong lowered his head and said, ” nuonuo, I don’t understand what a girl is thinking. If I did something wrong and made you angry, can you tell me? I will change. But if you ask me to leave and never come to you again, that’s impossible. I will never change this, Zhenzhen.

Tang Zong felt a little angry as he spoke. It was true that he loved to play, but he loved to play pranks on others. He didn’t want a moment of peace in his world, but at the same time, he had a pure heart. When he fell in love with a woman, he made a decision. Even if he wanted to play, he would play with her for a lifetime!

suddenly, tang zong was pushed down by rong nuo. he had not even reacted to what had happened. Her lips were bitten by Rong nuo, and she kissed him hard. Rather than a kiss, it was more like a bite!

Tang Zong’s lips were numb and in pain. He finally regained his senses.

Rong nuo was willing to kiss him, no, she was willing to bite him. That meant that she did not hate him, and might even like him.

tang zong’s heart was filled with joy. the pain on his lips was no longer important. the key was that he felt that he might have understood rong nuo’s thoughts a little.

Tang Zong hugged Rong nuo’s body and responded to her intense kiss!

After a long time, the two of them separated. Rong nuo was still on top of Tang Zong. She whispered, don’t do those things again, Qianqian. Your hands shouldn’t be covered in scars. Your fingers should not be touched by the sun, like a Prince who didn’t have to do anything.

the rest of the words were stuck in rong nuo’s throat, she could not say it!

However, she really hoped to see Tang Zong’s beautiful hands in the past, and not the hands that were full of scars now.

Chapter 1274 You’re feeling sorry for me!

Tang Zong was stunned. He tried to recall what had just happened.

Rong nuo seemed to have lost her temper after looking at his hand. Tang Zong raised his hand and looked at it. After seeing the scars on it, he instantly understood.

Tang Zong was so happy that he almost jumped up. He said happily, "You're crying, nuo nuo. You're feeling sorry for me, aren't you?"

"No..." Rong nuo replied in a muffled voice.

tang zong was so happy that he didn't even care about the wound on his lips. he hugged rong nuo and shook her. "Liar, you have it, you have it."

tang zong understood. rong nuo's heart ached for the wounds on his hands. she did not want him to get hurt again, so she did not let him do these things again.

He had never been so happy before. Rong nuo's heart ached for him. Didn't this mean that what he had done had been effective? Rong nuo's attitude towards him had changed, and it had changed a lot!

Tang Zong couldn't suppress the joy in his heart, and suddenly picked Rong nuo up and started to spin on the bed.

Rong nuo cried out in shock and quickly hugged Tang Zong's neck."Are you crazy? put me down."

Tang Zong happily turned the corner and ignored her. Rong nuo angrily pulled his ear and said,"Bastard, I'm dizzy, let me go, let me go!"

Hugging Rong nuo, Tang Zong rubbed his face against her chest. nuonuo, I will be careful in the future. I won't get hurt again. If you don't like the scar on it, I will do some laser surgery to remove it, or have plastic surgery on my hand or something. I promise you that I will still be as beautiful as ever.

Rong nuo was so angry that she twisted his ear. I told you not to do it. Are you deaf? don't you understand? "

Tang Zong shivered, as the strength in his body was sapped away by this twist. He lay on Rong nuo's body and laughed."I'm not deaf. I'll listen to you, Yingying. But I can't change my cooking. Your sister and MeowMeow have been spoiled by my cooking. I have to cook for them tonight."

Rong nuo nodded. alright. You're not allowed to do anything else.

"Yes, I won't do anything else. Nuo nuo, you're so good to me," Tang Zong said obediently.

Rong nuo rolled her eyes. who's nice to you? I just like to see beautiful things. Just like if one day you disfigure yourself, I won't even bother with you.

Tang Zong knew that Rong nuo was just too embarrassed to admit it, so he simply lied. He smiled and said,"Alright, I got it! I'll definitely make myself beautiful in the future!"

after a while, tang zong said to rong nuo, " the last time i went there, your sister said that she would let me spend the new year at her house. you see, your sister has completely treated me as a family now. do you think i should go and tell her now? "

rong nuo lifted his chin,"tell her what?" She said that you've always thought that you wanted to please her just because you wanted to be her brother-in-law? my sister is going to tear you apart."

Tang Zong swallowed his saliva. uh, alright. Let's wait a little longer. Actually, Qianqian, I think our sister is quite gentle!

The corner of Rong nuo's mouth twitched. In the blink of an eye, your sister had become 'our sister'. This guy was really a coward.

gentle, that's because she's a mother now. If you dare to mess with her before she gives birth to MeowMeow, you'll be dead.

Tang Zong pursed his lips. Fine, he actually felt that the two sisters were quite scary when they had a bad temper.

At four o'clock in the afternoon, Rong nuo urged Tang Zong to leave. It would take at least two hours to return to the city from the prison in the suburbs. Tang Zong still had to go back to cook, and he could not let his sister and little niece go hungry.

Chapter 1275 i want a 'home'

Before leaving, Tang Zong was extremely unwilling. Today was the first time that he had clearly known Rong nuo's feelings. It was a good thing that only happened once in a thousand years, so he wanted to stay a little longer.

however, rong nuo was unwilling and insisted on chasing him back.

Tang Zong was slowly pushed to the door of the cell, and he turned around to hug Rong nuo. "Nuo nuo Qianqian, tell me, are we already together now?"

"No!" Rong nuo's face darkened.

Tang Zong pouted. why not? I think you're my girlfriend now.

Rong nuo pushed him. if I say no, then No. Hurry up and go back. Didn't my brother-in-law say that he has something to ask you? hurry up and go back.

At the mention of Liancheng Yazhi, Tang Zong was not too happy. your brother-in-law has never come to me for anything good. You don't have to worry. No matter what he asks me, I'll tell him everything I know, okay? "

let's go, let's go, Yingluo. Rong nuo continued to push.

Tang Zong acted shamelessly,"then give me a kiss. I'll leave after you give me a kiss. Really, I'm not lying to you, Yueyue."

As soon as he finished speaking, his face softened, and Rong nuo quickly kissed him."Alright, I've kissed you. Let's go, Yingluo."

tang zong's eyes widened. how could it be counted if it was over so quickly without even feeling it?

no, the time is too short. I didn't even feel you kissing me. The face doesn't count. Kiss here, too.

Tang Zong pointed to his lips.

Rong nuo burst into laughter. She had bitten Tang Zong's lips earlier, and they looked extremely red and swollen. She raised her finger and gently stroked Tang Zong's lips. don't you feel any pain? "

Tang Zong shook his head. I'm not afraid. I'll be more than happy to see you bite me.

Rong nuo pursed her lips into a smile, and her mood instantly improved. She stood on her tiptoes, pulled down Tang Zong's neck, and kissed him on the lips.

This time, Rong nuo's kiss was as light as a feather, very gentle and loving.

"Alright, we can go now." Rong nuo released Tang Zong.

Tang Zong touched his lips and laughed foolishly. and you said we didn't do it again? look at how well you're kissing me.

Rongruo ()

"Still ... Not ... Leaving!" She said word by word.

Alright, alright. I'll go. I'll go now. I definitely won't let our sister and her family go hungry. Tang Zong reluctantly left the prison.

He touched his burning lips with one hand while driving. Although the wound was very painful, it was worth the pain. It was worth it!

Tang Zong pressed a red button, and a small drawer popped out. Inside it was a palm-sized booklet. He took it out and saw the words "plan to attack Rong nuo" written in large letters.

This was a special plan that Tang Zong had asked his friend to help him write. It was a comprehensive strategy to deal with Rong nuo.

He took a look and saw that he was almost halfway through. He had to work harder for the rest.

and the ultimate goal of this booklet was to marry a beautiful wife and have children!

This goal was changed by Tang Zong himself. The ultimate goal that his friend had set for him was to make Rong nuo fall in love with him.

However, Tang Zong felt that this was not right, so he changed it.

Tang Zong had no concept of the two positions of family, wife, and husband. However, after staying in the Liancheng family for a long time and integrating himself into it, he slowly began to understand them.

In particular, he felt envious every time he saw Liancheng Yazhi's family having such a happy and heartwarming scene.

Slowly, he also wanted to have such a 'home'.

Chapter 1276 The trick to picking up girls

After Tang Zong returned to the city, he did not go to Liancheng Yazhi's house first. Instead, he went back to his residence and changed his clothes.

When he looked in the mirror, he saw the bite wound on his lips and smiled foolishly.

After changing his clothes, Tang Zong prepared to go to Liancheng's house.

But he ran into red blade, who had been waiting for him.

Red blade saw that Tang Zong's lips were red and swollen, and there were obvious bite marks. Her pupils contracted, and she asked in a hoarse voice, "Young master, you're injured, Yingluo."

Tang Zong glared at her. what injury? don't spout nonsense if you don't know anything. I have something to do and need to go out for a while. Don't follow me.

Tang Zong took his car keys and walked out.

"Young master, it's almost the end of the year. The headquarters is busy."

Tang Zong's footsteps did not stop as he continued to walk towards the entrance."i'm busy this year, so i won't be going back."

Hearing this, red blade's face turned anxious,"young master!!!"

Tang Zong was getting impatient. He turned around abruptly. if you continue, you can go back on your own.

The door closed with a bang.

Red blade stood in the room for a long time, his clenched fists slowly loosening.

.....

When Liancheng Yazhi returned home from work, he happened to meet Tang Zong at the main entrance.

Hence, Xuanji Liancheng Yazhi stopped him from entering.

"Come down, let's have a chat."

"Why? I'm going to cook." Tang Zong was not happy.

Liancheng Yazhi glanced at the watch on his wrist."It's still early, so we can cook dinner later. I have something to ask you."

Tang Zong got out of the car unwillingly. what? ask whatever you want to ask.

if you're asking about the SU family, then I have nothing to say. I've told you everything about the SU family. Didn't you destroy the SU old master's grave? what else is there? "

liancheng yazhi leaned against the car and elegantly took off his gloves. " "It's not about the SU family. It's something else."

Tang Zong pulled up his collar to resist the cold wind."Something else?" Then quickly ask!"

Liancheng Yazhi tilted his head and looked at Tang Zong. After staring at his mouth for a while, he smiled knowingly. tsk, it seems like you're making good progress today!

Tang Zong's body swayed, and his expression was proud and a little shy. "That's Yingluo."

liancheng yazhi smiled and said, "my secretary has commented that you've been improving like you've eaten an immortal pill. your flirting skills have improved by leaps and bounds. tell me, what's the trick?"

Tang Zong pursed his lips,"you stopped me just to ask this?" It's so boring."

"tell me."

Tang Zong turned his head and sized up Liancheng Yazhi. "what, yueyue, you still want to go behind my sister's back and pick up girls? great, you dare to have such thoughts. just watch how i'm going to complain about you later."

liancheng yazhi immediately glared at him. " stop talking nonsense. if you dare to say it, i'll beat you to death, yingluo. "

"Then why are you asking this?" Tang Zong said with disdain. If you don't have any evil intentions, why are you asking how to pick up girls?"

Liancheng Yazhi raised his foot and kicked Tang Zong's calf. "I can't be bothered to talk nonsense with you. You know Guanyin in front, right?"

Tang Zong rolled his eyes. who's Qianqian the Guanyin? I don't know her, and I've never heard of her.

Liancheng Yazhi kicked him again. how dare you say you don't know him? look at you. I can tell that you're lying. You've become so good at chasing girls recently. He must have taught you that, right? "

tang zong bent over and rubbed his legs. he jumped to the side. "Don't slander me. I don't understand what you're saying. I don't know. Also, if you kick me again, I won't be polite with you."

Chapter 1277 Seeing him in pain makes me happy

Liancheng Yazhi ignored him and said, " " speaking of this thousand-faced guanyin, i only found out about it recently. you know old master su's youngest daughter, right? she's considered a successful career woman. she recently divorced and returned to china. then, she met a man. within five hours, su nanjing fell head over heels in love with him. within ten hours, she made it clear that she would not marry anyone else but him. now, she has already declared in front of old master su that if he doesn't agree to their marriage, she will commit suicide. how lethal do you think a man like this is? "

Tang Zong swallowed his saliva and nodded his head.

He could only watch in the dust at this speed. After fighting for so long, he had only made a little progress like water dripping through a stone.

Liancheng Yazhi laughed and hooked his arm around Tang Zong's. "Yes, he's very powerful. Hey, do you dare to let him get close to Rong nuo?"

Tang Zong immediately shook his head like a rattle-drum. "I definitely won't!"

He wasn't/fool. This kind of human-shaped killing machine that was comparable to/nuclear weapon would definitely not let him get close to Rong nuo.

Liancheng Yazhi patted his shoulder. at least you know what's good for you. This time, he's the one who taught you how to woo Rong nuo, right? "

Tang Zong stammered. He still didn't want to say it. "I, that, that Yingluo"

“I’m telling you, don’t hide it for him. This guy is The Public Enemy of all men. If you don’t want Rong nuo to be cheated by him one day, you’d better tell me the truth.” Liancheng Yazhi’s words were threatening.

tang zong immediately denied it. ” i don’t want to, i don’t want to. i didn’t even tell him that i was pursuing rong nuo, and i didn’t even let him see rong nuo’s person. i didn’t even let him see her photo. i’m not an idiot, i wouldn’t have let my guard down! ”

Liancheng Yazhi heard the answer he wanted to hear.”That means it’s really him.”

Tang Zong glared at Liancheng Yazhi fiercely. In the end, he still managed to trick him out of his answer. alright, you’re Qianqian. It’s him, Qianqian. However, he rarely comes to China. He said that he likes to deceive foreigners more because he can’t bear to do it when he’s looking at his own people.

Yingying’s words were really funny. She liked to lie to foreigners!

Liancheng Yazhi patted Tang Zong. that’s enough. Let’s just make things clear. However, you have to list this person in the high-risk group and strictly prohibit him from getting close to all the women around you.

Initially, he just wanted to find out if Tang Zong was related to the thousand-faced Guanyin. Since he knew about it, he knew what to do.

In short, you have to be on your guard, in case you don’t know when your wife and daughter have been kidnapped.

“Of course I know that.” Tang Zong pursed his lips.

alright, ” Liancheng Yazhi said. let’s go in and cook.

Tang Zong

As they were walking, Tang Zong asked,”did you almost kill su Yue?” If the cemetery is lost and the reinforcements he hired are useless, his old master will definitely discipline him to death!”

Liancheng Yazhi looked around and said in a low voice, ” “Shut up. Once you’re in, don’t say that name again.”

alright then. I won’t tell you his name. Did you almost kill him? ” Tang Zong asked again.

Liancheng Yazhi glared at him fiercely. no, he’s not a good-for-nothing.

Tang Zong sighed. sigh, su Yue is also quite pitiful. After being pranked by you, he will definitely not have a good time during the new year this year.

Liancheng Yazhi raised his chin. nonsense. I just want him to have a bad life. I’m happy to see him in pain.

Chapter 1278 I bit it myself

As soon as Liancheng Yazhi and Tang Zong entered the door, Tang Zong shouted, ” “meow meow, uncle tang is here. where are you?”

Tang Zong's lips were red and swollen, and the place where he had been bitten looked a little scary. He covered his mouth with a red face and said, "You didn't tease me, I accidentally bit you!"

Rong Yan bent down with a smile and hugged Liancheng Yazhi's arm. hubby, did you bite yourself?
”

Liancheng Yazhi touched his chin. I, Xuanji, don't think I've cultivated to such a level.

Tang Zong's face turned red from their teasing. He pretended not to hear their words and reached out to rub MeowMeow's head.”

The smile on Liancheng Yazhi's face instantly disappeared. He glared at Tang Zong.”You don't have to come here often. The playmate I found for MeowMeow is almost here.”

“What playmate?” Rong Yan's smile also disappeared and she was surprised.

“To put it simply, there's a child that's quite suitable. I got someone to send him to the capital for me to take a look.” Liancheng Yazhi did not avoid Tang Zong and simply said.

Chapter 1279 Little Big brother!

tang zong took off his coat and threw it on the sofa. it's past six. I'll go to the kitchen to cook. Sister, find a few maids to help me wash the vegetables!

“then i'll help you!” rong yan said.

Tang Zong hurriedly said,”there's no need. Sister, you must not come. Otherwise, we won't be able to cook today's meal.”

“why?” rong yan was puzzled.

Tang Zong glanced at Liancheng Yazhi, who was teasing his daughter. just sit there and wait for the food. Let the aunties do the hard work of washing and cutting the vegetables!

After he finished speaking, Tang Zong went into the kitchen.

Liancheng Yazhi pinched MeowMeow's soft little face and smiled foolishly at MeowMeow. You're tactful!

“You said you were looking for a playmate for MeowMeow. What's that about?” Rong Yan remembered that Liancheng Yazhi seemed to have mentioned it before, but there had been no news about it. Why did it suddenly happen?

Liancheng Yazhi put down MeowMeow and let her play on her own. He reached out to hug Rong Yan. I didn't find this. I had a phone call with Jian Jie a few days ago. He said that he had seized some spoils of war, like tusks or rhinoceros horns. He had no use for them and planned to send them over for MeowMeow to play with. However, that matter was put on hold within two days. After that, he called me again. This time, along with those things, there was a child. He said that he should meet the conditions that I had for MeowMeow to find a playmate.

“what's your condition?” rong yan asked, hooking his finger.

Liancheng Yazhi's conditions sounded simple, but it was not easy to do. He said,”I can protect her, I can risk my life for her.”

The person Liancheng Yazhi had found for his daughter was not so much a playmate, but more like a Knight guard by the princess 'side. He would always be loyal to her, always listen to her, and always kneel at her feet.

rong yan knew that this was liancheng yazhi's good intention. she called meowmeow in front of her and asked her gently, " "

"Little brother?"

"Is Yingluo a child like me?"

"Yes!" Rong Yan nodded.

MeowMeow was very happy. that's great! Are you staying at our house? "

rong yan thought for a moment and said,"take a look at that little brother first. if you like him, you can let him stay in our house. if you don't like yingluo,"

After all, they had not met the child yet, so they did not know if Yingying was really suitable to protect MeowMeow. So, everything had to wait until they met!

two days passed by very quickly.

It was already evening when the child arrived. It was winter, and the sun set very early. The night came very quickly.

Meowmeowmeowmeowmeow had been waiting at home for the whole day. She asked Rong Yan to dress herself up beautifully, wearing a snow-white Princess dress and an exquisite hairband on her head. When she sat there motionless, she looked like a delicate little angel.

After she woke up in the morning, she asked Rong Yan, " "Mom, where's the little brother you were talking about? why isn't he here yet?"

Liancheng's house was too big. Although there were many servants in the house, very few of them dared to play with MeowMeow. Therefore, in MeowMeow's heart, she always hoped that there would be more people at home.

She was looking forward to meeting this little brother whom she had never met before.

Rong Yan combed MeowMeow's slightly messy hair with her fingers. don't worry. Daddy said that we'll be there soon. You can ask Daddy.

Chapter 1280 Their first meeting

Liancheng Yazhi was feeling depressed. His daughter wanted to see another little man so much now. This made him feel that his daughter had been snatched away, and he was very unhappy!=(???)=

?????????:"Daddy, is little brother here soon?"

Young master ya was in a bad mood. He raised MeowMeow and asked her, " "

?????????,????????????????????,?????:"Of course it's daddy! No one can be compared to daddy."

this sentence resurrected a father's lost heart.

That's right, his daughter was his. No matter what, it was only natural for Yueyue to be close to him.

meowmeow grabbed liancheng yazhi's arm with both hands. " "but dad, why isn't that brother here yet?"

Liancheng Yazhi ()

Finally, Secretary Zhou brought the child over amidst meow's nagging.

Secretary Zhou came in with a boy about ten years old. As soon as he entered, he threw the child aside and said, " young master ya, this is the little brat that young master Jian sent over. He's like a Wolf Cub. Look at how he bit my hand.

Liancheng Yazhi and Rong Yan didn't have time to look at the child. They first looked at Secretary Zhou's hand. Aiyo, Yingluo had really bitten her hand hard. There was a bloody tooth mark, and they could tell at a glance that the child had better teeth.

Liancheng Yazhi looked at Secretary Zhou with a little disdain."You're not a good-for-nothing, won't you beat him up if he bites you?"

Secretary Zhou snorted a few times and said,"I'm just not going to argue with this Wanwan because he's a child, Wanwan."

Rong Yan smiled and turned to look at the child. When she looked over, she realized that

????????????????????,"??,?????"

The boy was stunned for a moment before he turned his head.

????????????????,????????????,????????????

The boy was shocked. Although he was much older than MeowMeow, he was still young and his body was very thin. MeowMeow's sudden pounce made him take two steps back and fall on the floor.

??????,????????????????????

"Big brother, is it delicious?" she asked.

Their actions were actually quite ambiguous at the moment, but no one thought much of it because they were children.

However, the little boy was obviously not used to such intimate contact with others. He wanted to push MeowMeow away, but MeowMeow's cute appearance made him unable to do so. His fair face was flushed, and the cold and unapproachable aura he had just now had faded a lot.

The two children's actions were too fast, and the group of adults took a while to react.

liancheng yazhi was the first to walk over with a dark face and lift meowmeow up.

This little guy was too bold. How could a girl be like this!

It seemed that he couldn't just dote on her in the future. He had to educate her so that she couldn't just end it with other boys, not even holding hands!
