

Permit Me 1291

Chapter 1291-love it

For Liancheng Yazhi, it was not easy to seize an opportunity, so he had to eat a few more times.

After a few rounds of testing the flexibility of the human body, Rong Yan finally lay on the soft pillow and pretended to be dead.

Liancheng Yazhi pressed on her back and slowly calmed his breathing.

The cold wind outside the window hit the window, and the room was full of enchantment!

Rong Yan wondered if he had brought MeowMeow back in winter. It's cloudy outside. Don't you remember to add clothes for MeowMeow in winter? however, after thinking about it, rong yan lifted her eyelids. it was impossible for winter to forget this. she was worrying for nothing.

liancheng yazhi pressed his face against rong yan's back and slowly kissed her back that was covered in a thin layer of sweat. he left his own marks on it before he revealed a satisfied smile.

rong yan's curves were very beautiful, and her skin was especially good. in addition, she paid attention to taking care of her skin, so her skin was white and tender. it was as if water could be squeezed out of it, and it was addictive to touch it.

Liancheng Yazhi was like this. Every time he touched Rong Yan's delicate and tender skin, he couldn't bear to let go and couldn't bear to let go.

There was an itchy and numb feeling on her back, but Rong Yan didn't want to move, so she let Liancheng Yazhi do it himself. After all, she wouldn't be able to see what would happen later no matter how terrible it was.

It wasn't until Rong Yan felt that she couldn't stand the pressure that she complained, " "It's very heavy, Yingluo."

Her voice was languid and had a seductive charm. Liancheng Yazhi felt that he could not stand it just by listening to it.

Rong Yan felt the change in his body and bit Liancheng Yazhi's wrist hard. "Don't overdo it, Yingluo. I'm very tired, Yingluo."

Liancheng Yazhi saw that Rong Yan looked tired and felt a little guilty. okay, I don't want it anymore, Zhenzhen.

Rong Yan was resting in Liancheng Yazhi's arms, her fingers poking his chest. "hubby, it's almost the new year!"

Liancheng Yazhi was stunned for a moment. He hugged her tightly and kissed the top of her head. that's right. We'll definitely have a good New Year this year!

"I also hope that we can have a good New Year and that nothing else will happen."

"I won't, Yingluo."

Liancheng Yazhi was calculating in his heart. In the past, he had always been with Kang Rong during the new year. However, this year, although two of his buddies were not in the capital and one

had to stay by his wife's side, his wife and children were all here. This was the most perfect year in his life.

Liancheng Yazhi secretly told himself that he would never allow the unforgivable mistake he made that year to happen again.

This year's new Year, he must make it up to Rong Yan. Not only this year, but next year, the year after that, and many years in the future, he must give Rong Yan a happy holiday.

rong yan mumbled in liancheng yazhi's arms, and as she spoke, she somehow started to talk about ye nuanyang.

She said regretfully, "nuanyang has been pregnant for almost four months. I don't know how she's doing now. Ever since our family kept getting into trouble, I haven't been to see her. As for Gu youran, although they would occasionally talk on the phone, they had not seen each other for a long time.

Liancheng Yazhi's hand seemed to be stuck to Rong Yan's skin as he slowly caressed her. He kissed Rong Yan's forehead. I've talked to the crazy woman on the phone. She's doing fine and is trying her best to keep the baby. The crazy woman doesn't dare to leave for even a minute. However, the doctor said that the bigger the month is, the more sensitive the position of the baby will be. If you want to visit her after the new year, I'll go with you.

Chapter 1292 don't call me young madam

Rong Yan grabbed one of Liancheng Yazhi's fingers and smiled. "This is good too, Yingluo."

She suddenly thought of something and looked up at Liancheng Yazhi. "Honey, let's go to the hospital to see dad."

Liancheng Yazhi was stunned for a moment. After a while, he realized that the 'father' Rong Yan was referring to was 'Liancheng Bo'.

Rong Yan used to say 'your father', but this time, she didn't say 'you'.

this showed that rong yan was completely tolerant of liancheng yazhi, all the good and all the bad about him, including his father, who he didn't like.

liancheng yazhi lifted rong yan up and held her face in his palm. well, there's no need to be so superficial. After all, he and I don't have any father-son relationship.

Rong Yan rubbed her face against his palm twice. but it's the new year. After all, it's different from usual. If you go there, it'll be considered as you having the same blood flowing in your veins as him.

No matter what kind of feelings Liancheng Yazhi had for Liancheng Bo.

However, the traditional Chinese New Year was a Festival to bond with family and friends. It would not make sense if the father and son were still alive, but they ignored them.

Moreover, Lian Chengbo was already so old. Half of his body was paralyzed, he couldn't speak properly, and he had been in the hospital for a long time without seeing any relatives. Although it was hateful, Qianqian was also pitiful now.

Rong Yan was not a Saint, but Lian Chengbo was Liancheng Yazhi's father. She had to forgive him a little. Besides, he had already received the old man's punishment. There was no need to continue bickering.

He understood Rong Yan's consideration for Liancheng Yazhi and was very touched. He held her hand even tighter. "okay, but we're all in a good mood during the festival. if we go and see him, we might ruin the festive atmosphere. why don't we go tomorrow? we'll make a trip before the festival and go through the motions."

Rong Yan raised her head and kissed his chin. "Okay, does ran ran need to bring MeowMeow?"

Liancheng Yazhi thought for a moment and shook his head."Without Qianqian."

"Alright then!"

=====

The next day, in the afternoon, Liancheng Yazhi did not go to the company. He took Rong Yan to the hospital.

before she left, rong yan said to dong tian, " winter, don't go to school yet. Stay at home and look after your sister. It's cloudy outside today, so it might snow. If MeowMeow wants to go out and play, don't let her go. We'll go out for a while and be back soon.

"I'll keep an eye on her, young Madam," Dong Tian nodded seriously.

Rong Yan sighed and reached out to poke Dong Tian's chubby cheeks. "You silly child. I've told you to call me Auntie, not young Madam. It sounds so distant."

Dong Tian pursed his lips and did not speak.

He was young, but he knew his status.

Liancheng Yazhi reached out and took Rong Yan's coat from the maid. He put it on Rong Yan and then wrapped a thick scarf around her. "Alright, let's not make things difficult for him. Let's go."

The two of them left Liancheng's house hand in hand and got into the car to the sanatorium where old master Liancheng was staying.

the sanatorium was in the eastern suburbs, which had a good environment. it was the private sanatorium owned by the liancheng family.

When they arrived, the director quickly came to welcome them and sent them all the way to the ward where old master Liancheng was staying!

Outside the ward, the hospital director tactfully retreated!

Liancheng Yazhi pushed the door open. Inside the ward, Liancheng bozheng was sitting in a wheelchair with a tablet in front of him. From the sound of it, it seemed like Wanwan was playing a game!

Chapter 1293 Let's see if you're dead

rong yan felt that the voice was familiar. her daughter played this game almost every day. in the past, she played with meowmeow, but now it was winter.

Who did he offend? the two of them suddenly appearing made him so angry that his chest felt tight and he felt dizzy. He wanted to faint!

You bastard!

Liancheng Yazhi was in a good mood and left with Rong Yan.

Neither of them said anything nice. It didn't seem like they were here to visit at all. Instead, it seemed like they were here to take his life. The old master was almost angered to death.

Liancheng Yazhi and Rong Yan had always been very proud people. If they were to treat Liancheng Bo like a filial son, they really couldn't do it. Although this would make Liancheng Bo extremely angry, Wanwan had no choice. This was the way they got along with Liancheng Bo.

Presumably,

Even Lian Chengbo knew about it!

After the two of them left, the nurse who took care of Lian Chengbo came back. She quickly poured tea for Lian Chengbo and let him drink two pills to prevent his Qi from passing out.

the nurse said carefully, " old master, actually, xuanji and young madam came to see you because it's almost the new year. you don't have to be too angry, xuanji. i've already handed over the new year goods they brought. i'll move them over in a while. "

"Hmph!" Lian Chengbo's face looked better, but he was still angry.

seeing that lian chengbo had entered, the nurse continued, " "Old master, there is no such thing as an overnight grudge between father and son. No matter whether young master ya and young Madam came to annoy you on purpose or to see you, why didn't they come usually? why did they choose to come only when it was close to the end of the year? no matter what, they still have you in their hearts, which is why they came all the way here on such a cold day. Don't you agree?"

Lian Chengbo was silent. He looked at the gloomy sky outside the window.

Although Liancheng Yazhi and Rong Yan's last words weren't pleasant to hear, when Xuxu thought about it carefully, they all told him to take care of his health and live a few more years!

He heaved a long sigh,"I'm getting old, Huanhuan."

Chapter 1295 no matter how she was, he would like her

The two of them took the car home. On the way home, Rong Yan rested her head on Liancheng Yazhi's legs and said with some emotion, " "I've been back for less than a year, but it feels like Yingluo has been back for a long time."

Liancheng Yazhi's hand gently caressed Rong Yan's cheek. "Is there? I feel like Yingluo's incident happened yesterday when you came back." Liancheng Yazhi would always remember the feeling of finally seeing Rong Yan after three years. It was indescribable, and no words could describe it.

He seemed to be unable to get enough of looking at Rong Yan's face. No matter how she was, he would like her.

Liancheng Yazhi's eyes were a little too hot, and Rong Yan's face couldn't take it. She cleared her throat and sat up. I came out for a while. Let's go to Mr. Gu's house. I feel sorry for him. He treated

MeowMeow and me so well, but ever since the end of the promise, I rarely went there. I haven't been to see him recently.

Liancheng Yazhi grabbed his hand. that's good. We're free this afternoon anyway. We'll go wherever you want to go.

"Aren't we going to buy something first?" they couldn't just go to someone else's house without taking anything, right?

After saying this, Rong Yan shook her head again. forget it. He has everything at home. I haven't been there in a long time. If I go with a gift, I'll feel too distant. I guess he won't be happy.

Liancheng Yazhi smiled at the side and looked at Rong Yan. He would let her decide everything herself.

When they arrived at the gate of Gu Hesheng's house, Liancheng Yazhi got off the car first and then helped Rong Yan down.

The driver went to knock on the door, and the door opened very quickly. When the person who opened the door saw Liancheng Yazhi and Rong Yan, he was stunned at first, but he quickly smiled."Mr. Liancheng, Mrs. Liancheng, why did you come all of a sudden? oh my, Mr. Liancheng will definitely be very happy. Please come in."

They passed through the front yard and arrived at the backyard where Gu he lived. Before they entered the house, the person who opened the door shouted, " "Sir, Sir, look who's here?"

Gu Hesheng was wearing reading glasses and was reading an old book bound by thread. He casually asked, " "Who's here?"

"Mr. Gu, it's me, Rong Yan." Rong Yan stopped after entering the house and smiled.

Gu Hesheng quickly raised his head and was surprised to see Rong Yan, " why are you and the child here? it's been so cold recently. Wasn't there snow today? "

He didn't blame Rong Yan for not coming for a long time. Instead, he said that the weather was bad and Rong Yan shouldn't have come on a cold day.

Gu Hesheng put down his book and beckoned to the two of them, " "Don't just stand there, you two. Come and sit down."

Rong Yan's heart warmed and she felt even more guilty. "I should have come to see you long ago, I'm really sorry!"

Gu Hesheng waved his hand,"what's the big deal, aren't you still thinking of this old man?" how is " Rong Yan thought about it and decided to tell Gu Hesheng some things. She wanted to let him know that she really had something on and could not come. She did not want him to feel cold.

Gu Hesheng was holding a cup of hot tea that had just been served. When he heard Rong Yan's words, his hand trembled and the teacup fell, shattering with a bang. The hot water spilled all over the ground and the Emerald green tea leaves were spread all over the ground.

“But meowmeowmeowmeowmeowmeow is fine now, so you don’t have to worry,” Rong Yan quickly said.

Chapter 1296 we are fated

Gu Hesheng’s expression was not very good, as if he had been frightened and his soul was unstable. After a while, he looked at Rong Yan with a sorrowful expression and said, ” “My poor MeowMeow, why did she have to suffer like this?”

Rong Yan saw that Gu Hesheng was so concerned about MeowMeow and felt even more guilty. She comforted him, ” don’t worry, she’s doing great now. She was drugged when she was kidnapped. She was still awake when she was rescued. She didn’t know about it at all and didn’t have any trauma.

Gu Hesheng heaved a long sigh,”fortunately, we’re really fortunate, haha ...”

yes, it’s a good thing. Otherwise, Yueyue, I’d have the urge to cut those kidnappers ‘families into pieces. Even when Rong Yan thought about it, she still felt a lingering fear. If meowmeowmeowmeowmeow had been hurt that day, she would have killed the entire Zhu family.

Liancheng Yazhi watched from the side and did not say a word. When he saw that Rong Yan’s body would still tremble uncontrollably when she mentioned that

He did not implicate the Zhu family last time, but he felt that he could not let the Zhu family off the hook.

Liancheng Yazhi grabbed Rong Yan’s hand and comforted her silently. Rong Yan turned her head and smiled at him.

gu hesheng looked at rong yan with heartache, ” ” it must have been hard on you, girl. you must have suffered a great shock. it’s really kind of you to still remember me after such a thing happened. ”

Rong Yan felt even more embarrassed when Gu Hesheng said that.

She kept feeling that something was wrong with Gu Hesheng’s concern.

Gu Hesheng was really concerned about her and MeowMeow, and treated them like family.

however, there was still a barrier in her heart that she could not overcome, and she did not completely let down her guard against gu hesheng,

Liancheng Yazhi immediately helped Rong Yan out of the situation. Mr. Gu, you’re too polite. You’ve taken such good care of MeowMeow and rongyan, how could we forget about you? rongyan and I came here this time because, first, we wanted to see you. Second, rongyan feels that the new year is coming soon. She hopes that you can come to my house on the night of the New Year’s Eve.

Rong Yan took over and said with a smile, yes, it’s so boring for you to spend the new year alone. There are only the three of us in our family. Oh, by the way, Yazhi found a playmate for MeowMeow. He’s a ten-year-old boy and a very good kid. MeowMeow hasn’t seen you for a long time and misses you very much. Why don’t we spend the new year together and have some fun? ”

Gu Hesheng was touched. He felt a warm current flowing through his heart. Ever since his parents passed away, he had been spending New Year's Day alone every year. It had been a long time since he had celebrated New Year's Day with his family.

gu hesheng nodded his head, " alright, if you guys don't mind an old man like me, then i'll go to your house to disturb you guys. "

Rong Yan smiled. how are you disturbing me? other people can't even invite you over.

After settling down, Gu Hesheng saw that the sky outside was very gloomy, so he quickly urged them to leave, afraid that it would be dangerous to drive if it really snowed.

gu hesheng sent liancheng yazhi and rong yan to the gate and watched them get into the car before he went back.

After closing the door, the servant who was taking care of Gu Hesheng said, " Sir, I really didn't expect Mrs. Liancheng to still miss you. This year, you finally don't have to come alone for the new year. It would be great if Mrs. Liancheng was your biological daughter.

Gu Hesheng was in a good mood, he shook his head and said, " "You're wrong. I'm fated with this girl. This fate is much better than blood relations."

Chapter 1297 Thank God you didn't come!

Gu Hesheng walked briskly with his hands behind his back. go and pick out the best of the items we got a few days ago.

"If it's Yingluo, I'll definitely make the necessary preparations."

The servant thought to herself, Sir, how much do you want to give before you think it's enough? But he had already planned to give all of his family's assets to that little kid!

=====

After going out this afternoon, Rong Yan had seen Lian Chengbo and Gu Hesheng. Two of the things in her heart were gone, and she finally felt a little more relaxed.

Rong Yan leaned against the window and looked at the early street lights outside. the sky is so gloomy today. I hope it snows heavily. The last time it snowed, I couldn't build a snowman. MeowMeow was so disappointed.

Liancheng Yazhi hugged Rong Yan from behind. the weather forecast said that the snow will turn from light to medium tonight. It should be able to get heavy. Judging from the weather, it should be heavy too.

The two of them snuggled up to each other and whispered.

Liancheng Yazhi kissed Rong Yan's earlobe. "Did you still go to see Rong nuo before the new year?"

Rong Yan felt a little itchy and smiled as she tried to avoid it. of course I'm going. I have to go see her no matter what. I definitely won't be able to go during the new year. I'll go once before the new year if I have the time.

Rong Yan realized that she seemed to have to meet a lot of people today.

Counting on his fingers now, it seemed that there wasn't enough time.

However, Rong nuo was her sister, and she had not seen her for a long time. It was almost the new year, so she had to see her no matter what. Otherwise, she would be so lonely and sad to spend the new year alone inside! [young master ya: [(-_-)], wifey, you're overthinking it. She will not be lonely or sad. Tang Zong will not give her time to be lonely, nor will he give her the mood to be sad!]

Liancheng Yazhi calculated that Tang Zong had already moved in recently. If Rong Yan went over, although she would not meet Tang Zong, she would definitely find something wrong with Rong nuo. If she wanted to find out the truth, who could hide it from her master?

Hence, Liancheng Yazhi thought about it and came up with a very good reason to stop Rong Yan. but it's snowing these days. I've seen the weather forecast, and it's not very good until New Year's Eve. The temperature is still low. If the snow gets heavy, the road conditions will definitely not be good. If something happens, how are MeowMeow and I going to spend the new year? can't we live our days together? ”

Rong Yan thought about it. That was true. It was snowing heavily, so the road was definitely not easy to walk on. If the temperature was low and the road froze again, it would definitely be dangerous!

Thinking about how their family had not been very peaceful recently, Rong Yan lost her confidence!

His sister was important, but his family was more important!

“that's true, ran ran. what should we do about this?” rong yan was in a difficult position.

Liancheng Yazhi had already thought of a way and said, ” don't worry. How about this? give her a call tomorrow and tell her that you're going to visit her after the new year. I'll get someone to send some things over. She'll definitely understand.

Rong Yan bit her lip and thought for a while before nodding. “Ye Zhenzhen can only do this.”

It couldn't be helped. The weather was bad, and it was almost the new year. Safety was the most important.

So, sister, I won't be visiting you for the time being.

At this time, if Rong nuo knew, she would definitely put her hands together and say in her heart: Thank the heavens!

Chapter 1298 Brother-in-law, thank you!

After returning home, Liancheng Yazhi called Tang Zong when Rong Yan was not paying attention!

“She's with Rong nuo again!” Liancheng Yazhi asked the moment he opened his mouth.

Hearing Liancheng Yazhi's unfriendly tone, Tang Zong said unhappily, ” “What do you care? You can spend all day with your wife, but I can't spend time with my woman!”

Then, Liancheng Yazhi heard Tang Zong's painful gasp, and he immediately felt better.

“Just now, Rong Yan wanted to go to the prison to see Rong nuo, but I stopped her. Otherwise, you would have been caught red-handed by Rong Yan. Let’s see if you can be smug.”

On the other end of the phone, Tang Zong’s expression changed. “It’s true, it’s true!”

Liancheng Yazhi chided Tang Zong. even if you use your brain to think, you’ll know that it’s going to be Chinese New Year’s Eve in a few days. Rong Yan hasn’t seen Rong nuo for a while. Would she not go to see her? ”

“Will she still be going in the next two days?”

“She wanted to come no matter what, but I’ve already stopped her for you. The weather has been bad for the past few days and it will snow. I’m afraid it’ll be dangerous, so I didn’t let her go. Tell Rong nuo that rongyan will go to see her again after the new year.”

Tang Zong immediately heaved a sigh of relief. He hugged Rong nuo and called, “Brother-in-law Yingluo, thank you Yingluo.”

Liancheng Yazhi’s hand trembled, and he almost dropped his phone.

Although it wasn’t the first time Tang Zong called him brother-in-law and it disgusted him, Liancheng Yazhi still felt his hair stand on end every time he heard it.

just like him and tang zong, if rong yan and rong nuo weren’t here, it would be fine if they didn’t know each other. but once they knew each other, they would definitely not like each other.

“Don’t disgust me. I’m telling you, you’d better take it easy. My wife’s eyes are sharp. Last time, Rong nuo was lucky enough to escape. If this happens again and she sees some clues, it won’t be so easy to continue hiding the relationship between you two.”

“Don’t worry, I’m very careful now. I won’t leave any marks on Rong nuo’s neck and above.” Tang Zong said confidently.

Before he could finish, Tang Zong was kicked by Rong nuo.

He grabbed Rong nuo’s feet that were not wearing socks and looked at her aggrievedly.

rong nuo’s face turned red, not knowing if it was from anger or embarrassment. she bit her lip and glared at tang zong.

this bastard, he said everything. she had already lost all her face.

Liancheng Yazhi heard the sound of Tang Zong getting beaten up again and his mood improved.

He had never been clear about the relationship between Tang Zong and Rong nuo. However, from the looks of it now, Rong nuo had the upper hand.

At the very least, he wouldn’t be suppressed by Tang Zong and be unable to resist. This way, he wouldn’t be at too much of a disadvantage.

In the future, if Rong Yan knew about it, she could at least say that Tang Zong was controlled by Rong nuo and was not afraid that he would cheat on her and find a mistress.

there's one more thing, "Liancheng Yazhi said. Rong Yan will call the prison tomorrow. Tell Rong nuo.

"I know, I'll tell her, Yingluo."

"You don't have to return the favor this time. I owe you."

After he finished speaking, Liancheng Yazhi hung up the phone, not caring about what Tang Zong would say later.

he laughed and shook his head. compared to others, rong nuo's prison was too new. have you ever heard of someone falling in love in a women's prison?

liancheng yazhi turned around and said,"still not coming out?"

Dong Tian's thin figure slowly walked out from behind the thick corridor pillar. He was a little depressed because he had been caught. He looked at Liancheng Yazhi and said, " "I didn't hear anything."

Chapter 1299 They look like father and son from behind

Liancheng Yazhi looked unhappy and asked him, " "Why are you here?"

Dong Tian lowered his head, his thin and weak body looking especially weak in the night."Young Madam asked me to call you for dinner!"

Dong Tian was also quite annoyed. He should have walked slower, but he did not expect to hear Liancheng Yazhi on the phone.

Although Dong Tian was confused and did not know what Liancheng Yazhi was talking about, the only thing he could be sure of was that this matter was hidden from young Madam.

Liancheng Yazhi walked over and ruffled Dong Tian's head."Then let's go!"

Dong Tian followed behind Liancheng Yazhi silently. After a while, he mustered up his courage."You won't send me away, will you?"

He was very worried that he had heard Liancheng Yazhi's Secret. Then would he teach him a lesson?

Liancheng Yazhi was stunned for a moment and asked with a smile, " "Where do you want to go?"

"I don't want to go anywhere. I want to stay here," Dong Tian said hurriedly.

He wanted to stay by meowmeowmeowmeowmeow's side and protect her.

In the beginning, winter's feelings for MeowMeow were very subtle. He liked her, but Yingying also wondered why she had to protect her.

It was not until Rong Yan showed him the medicinal bath that

That was why he wanted to protect her and not let her get hurt! This was the whole meaning of living in the future!

Liancheng Yazhi sized up Dong Tian. This kid had put on a little more weight than when he had first arrived. Perhaps it was because he was with MeowMeow every day, but the evil in his eyes had unknowingly disappeared. He looked more pleasing to the eye than when he had first arrived. Liancheng Yazhi said, "Alright, what are you thinking about? didn't you say you didn't hear anything?"

Although winter had overheard his phone call with Tang Zong, Liancheng Yazhi did not think that it was a big deal.

Moreover, he did not tell Tang Zong any secrets, so it did not matter if winter accidentally heard it.

Moreover, he believed in this kid. He was not the kind of person who talked a lot, so he would not tell Rong Yan.

however, winter was obviously overthinking it.

Dong Tian was stunned, but he quickly realized that this was Liancheng Yazhi giving him a way out. He immediately said, "Yeah, I didn't hear anything."

"Since you don't even know, why should I send you away?"

A faint smile appeared on Dong Tian's face. "thank you, young master ya!"

Liancheng Yazhi pinched his fingers. To be honest, Rong Yan was right. Every time he heard this kid call them 'young master ya' and 'young Madam', he felt very awkward.

Liancheng Yazhi had already treated him as half an adopted son by letting winter accompany MeowMeow.

If it was proven that he was indeed very capable, was absolutely loyal to

After all, Liancheng Yazhi felt that it might be more reliable to raise a child himself.

However, this boy was too stubborn. No matter how many times they asked him, he refused to call him and Rong Yan by a more intimate name, which made them feel helpless.

Liancheng Yazhi glared at Dong Tian. why aren't you leaving yet? MeowMeow is waiting to eat.

mm, sob, sob. Dong Tian quickened his pace and followed Liancheng Yazhi.

From behind, Yingying really did look like father and son.

Chapter 1300 Tell me, what is marriage?

In the prison, Tang Zong told Rong nuo, "Liancheng Yazhi said that your sister will call you tomorrow. She was going to come, but she was stopped by Liancheng Yazhi. There have been a lot of things going on in their family recently. The weather has been bad recently, and it will snow. She is afraid that the road conditions will not be good, so your sister is preparing to see you after the new year.

Rong nuo nodded. that's good. If they really came to see me, I really don't have the face to see them.

Tang Zong shamelessly went up to her and hugged her waist. He leaned his head on her shoulder like a little bird leaning on a man. "This way, we won't be discovered."

Rong nuo did not pay attention to him at all. She sighed and said with a little disappointment, "Actually, I really miss my sister. I haven't seen her in a long time."

The smile on Tang Zong's face faded a little. He had always thought that since he was with Rong nuo every day, she would not miss anyone else. It seemed that his position in Rong nuo's heart was still not as high as Rong Yan's. Well, he had to continue working hard to push Rong Yan away.
[Rong Yan: stop dreaming. Your position in Rong nuo's heart will never be comparable to mine!]

"He'll be here after the new year, not for long," said Tang Zong, the owner of the circle, Rong nuo.

I'll be with you every day. I won't leave you alone. You don't have to be afraid of being lonely.

"Do you have nothing to do every day?" Rong nuo glanced at him.

Tang Zong raised his head. His two watery eyes were as clear as water. He said seriously, of course. My business is you. What's more important than you? "

"You ..." Rong nuo sighed. Forget it, she won't say it. It's no use saying it, this guy!

Tang Zong gently bit Rong nuo's ear and asked, "On the 30th, I'll go to my sister's house in the day and come to accompany you at night. Do you have anything you want to give them?"

Tang Zong had already promised Rong Yan that he would go to Liancheng's house during the new year.

Rong nuo pushed Tang Zong away with two fingers. "There are so many things I want to give you, but I don't know what to give you."

Rong nuo's feelings for Rong Yan were not just like her sister's. Rong Yan had appeared when she was very young and had given her a lot of maternal love that she lacked. She had a kind of admiration for Rong Yan.

Tang Zong leaned forward again. then I'll give her whatever I see fit. She likes everything I give her recently.

As long as he was beside Rong nuo, Tang Zong felt that he would feel uncomfortable if he did not hold her, as if his illness would act up the moment he saw her, and his medicine was Rong nuo!

Rong nuo nodded. well, it's good that my sister's family has been going through so many things recently. I hope they can have a peaceful and Happy New Year.

Tang Zong pressed his face against Rong Yan's neck and rubbed against it. " oh right, yingluo, do you need me to go see your father? "

Rong nuo shook her head. no need. Don't go. Sister will take good care of him.

"Okay, Yueyue, I won't go. You can take me there when we get married."

Rong nuo's mouth twitched. Married? Did this guy know what he was saying? why did these two words suddenly pop out? He had never talked about it before.

Rong nuo pushed Tang Zong away and asked in a serious tone, "Do you know what marriage is?"

Tang Zong felt that his intelligence had been despised by Rong nuo, and he quickly said, " of course i know. i'm not an idiot. i'm just smarter than others. "

Rong nuo rolled her eyes. Smart? Why didn't she notice?

"Then tell me, what is marriage?" Rong nuo asked.
