Chapter 1301-marriage before love

Rong nuo felt that Tang Zong did not have any concept of the word “marriage.” Perhaps it was just a word that he thought of on a whim, and he had no idea what it meant.

“Just like Liancheng Yazhi and your sister. Get married, have children, and live your life.” Tang Zong quickly replied.

Tang Zong’s simple sentence had completely summarized marriage. Wasn’t marriage just about giving birth to children and starting a family, and then living a peaceful and stable life? there weren’t so many connections, but it was so simple that there were always some people who didn’t understand.

Rong nuo was stunned for a moment. She didn’t expect that Tang Zong would say it so easily. Moreover, from Qianqian’s words, it seemed that Qianqian had some sense in it.

While Rong nuo was still in a daze, Tang Zong continued, “i’ve been at your sister’s house these few days. although they’re always showing off their love in front of me and i can’t stand it, i think it’s good to live like them. i want to live like them too.”

“after you’re released from prison, let’s get married and have a child. let’s see if we can have a child before your sister has a second child.”

Rong nuo felt as if a bolt of lightning had struck her ear. They had just been discussing marriage, and now they were proposing?

Rong nuo swallowed. She felt that this topic was too strong, and she could not accept it.

after all, yingluo was still an unmarried girl!

Although she often thought that she was more reliable than Tang Zong, who had a gaming life and was always playing around, she had no experience when it came to such a philosophical topic.

“Are you proposing?” Rong nuo asked.

“Ah, Zhenzhen is!” Tang Zong nodded.

After a moment of silence, Rong nuo kicked Tang Zong down.”Go to hell. I haven’t even agreed to be with you, and you want to get married? you’re dreaming.”

Feeling wronged, Tang Zong climbed up again. I heard that it’s very popular now. Love after marriage. Let’s get married before dating!

Rong nuo was surprised. This little rascal was reading a lot of things now.

“tsk, you know quite a lot. you even know about love after marriage.”

tang zong chuckled. he had really been cramming up a lot recently. ” i think this is pretty good. what do you think? When we bring the child to your sister, we’ll cook the rice. By then, your sister’s objection will be invalid!”

rong nuo was so angry that she laughed. ” not bad. you even know that raw rice is cooked rice. tell me, what else do you know? ”

“i know a lot now. i think we’re a perfect match. i took our birth characters to the temple and asked someone to measure them. the old monk said that we were a match made in heaven. really, i even asked for a fortune. it was a very good fortune. the old monk said that my love will only bloom once in my life. if i miss it, i’ll lose all my love. you see, i’m so good. i’ll never cheat on you in my life. you don’t have to worry about having a mistress or a mistress!”

Rong nuo covered her face. This fool, how much did he do behind her back? he even took his birth characters to a monk to test.”You, you, you, you, you, you, you ...”

Tang Zong leaned over and stuck to Rong nuo like an eight-horned octopus.”Nuo nuo, promise me first. We can slowly cultivate our feelings.”

Rong nuo shook her head decisively. that’s impossible. I want to see your sincerity. We’ll talk again after you’ve moved me with your sincerity.

Chapter 1302-childhood sweetheart

Tang Zong pondered for a while. Although Rong nuo did not agree, she did not reject him without giving him any leeway.

Rong nuo could only accept, but it still depended on his sincerity.

At least, he didn’t say that no matter what he did, he wouldn’t agree. This was already a lot better than when he first started.

Hmm, this is not bad, it’s pretty good. It gives him a goal and motivation to continue working hard.

Tang Zong grabbed Rong nuo’s hand and said in a serious tone, “Don’t worry, I’ll do better. You’ll be satisfied one day.”

Rong nuo sighed.

Alright, since he was willing to work hard, she wanted to see how hard this fellow could work!

.....

Early in the morning the next day, snowflakes were still falling from the sky. It had been snowing since midnight last night, and it seemed like it would not stop today.

In the afternoon, the snow outside was already ten centimeters thick. Seeing that the snow had stopped, Liancheng Yazhi took the impatient MeowMeow and winter to the yard to build a snowman.

Rong Yan quickly called Rong nuo and called the prison guard. The prison guard asked her to wait for a moment while she went to bring the person over.

After waiting for a while, Rong nuo came!

Before answering the phone, Rong nuo had prepared herself mentally for fear that she would say something wrong and spill the beans.

She was really afraid that Rong Yan would find out that she was entangled with Tang Zong. She was very afraid that Rong Yan would look at her with disappointment in her eyes. She was afraid that Rong Yan would never care about her again.

Rong nuo took a deep breath and called out sweetly, "Big sister, I miss you so much, Yingluo!"

Rong Yan's heart softened when she heard that. I miss you too. I wanted to visit you at least once before the new year, but Yazhi said that the weather has been bad recently. It's snowing and the temperature is low. If the road freezes again, I'm afraid it'll be dangerous to go out, so I probably won't be able to go before the new year. Rong nuo, don't blame me!

Rong Yan was making a call on her phone as she stood in the corridor and watched Liancheng Yazhi play with the two children.

????????,????????,????????????????????,????????,????????????,????????,????????????

Dong Tian was also having a lot of fun today. After all, he was only a ten-year-old child. No matter how mature he usually was, he still had the heart of a child.

MeowMeow was wearing thick gloves. She grabbed a handful of snow and sprinkled it on winter. After sprinkling it, she was about to run, but with a little push, she fell down in the snow. Stupid was like a roly-poly toy, unable to stand up no matter what. In the end, Dong Tian was the first one to rush up and carry her.

Looking at this scene, the corners of Rong Yan's mouth could not help but curl up.

It seemed that being childhood sweethearts wasn't bad either!

on the other end of the phone, rong nuo said, "it's okay. if it's snowing, you don't have to come. it's so far from the city to here. it's not easy to walk on the road, and there are many people driving home. if something really happens to you, how can i explain it to meowmeow and brother-in-law? sister, don't worry, everything is fine here, and the prison is also preparing for the new year. it's quite lively!"

Rong nuo tried her best to express that she was doing well, very happy, lacking nothing, and nothing happened!

Although she wanted to see Rong Yan very much, she was really afraid that Rong Yan would come at this time and discover something from her.

Chapter 1303 So what if I hit you?

Rong Yan was afraid that Rong nuo would lose her freedom and be depressed inside, so she said, "that's good. Don't think too much when you're in there. Just treat it as if you're recuperating in a sanatorium. I went to visit the old master of the Liancheng family yesterday. He stays in the hospital every day and doesn't have as much freedom as you do. At least you can move your hands and feet, but the old master can only sit in a wheelchair every day.

Rong nuo laughed. sister is right. I'm much better than old master Liancheng. Actually, I don't feel like I've lost my freedom at all. I'm very comfortable here. Although I can't go out, my heart is free.

Rong Yan heaved a sigh of relief. that's good. I'm relieved that you can think this way. By the way, the temperature has been dropping recently. Is the cell you're staying in cold? "Did you give me an extra blanket? How are the clothes on me? Are you warm?"

"I'm fine here. I'm not cold at all. Big sister, don't worry."

The two of them talked for a while, and Rong Yan decided to visit Rong nuo in prison after the new year.

after hanging up the phone reluctantly, the two of them heaved a long sigh of relief at the same time.

One was that she felt fine. Rong nuo sounded like she was in a good mood, and there was not much fluctuation in her mood. She should be in good spirits.

One was, Oh my God, at least big sister didn't hear anything strange. She had to be more careful in the future.

Rong nuo's forehead was full of sweat, and she raised her sleeve to wipe it.

"Thank you," he turned around and bowed to the prison guard.

it's fine, " the prison guard said with a smile. it's nothing. It's what I should do.

"Then I'll go back first." Looking at the prison Guard's gentle and kind smile, Rong nuo felt very guilty, because although Huahua's face did not know Tang Zong, this sister knew him very well!

Therefore, when this big sister looked at Rong nuo and smiled, Rong nuo always had a feeling that she had been seen through.

=====

On Rong Yan's side, she handed her phone to Butler li, gathered her clothes, took a deep breath, put a smile on her face, and rushed into the snow.

Rong Yan did not wear gloves, so she casually grabbed a ball of cold snow and threw it at Liancheng Yazhi. She did not expect her aim to be so good this time and it hit Liancheng Yazhi's chest.

Young master Liancheng turned around and saw Rong Yan standing in the snow with a bright smile on her face. Her eyes were bright and her teeth were white. She was charming and moving. She was the only good color in this silver-white world.

Meowmeowmeow was shouting happily, " mommy is so good! Mommy is so good! Qianqian, mommy, hit daddy! Qianqian, mommy, go! Qianqian!

dong tian stood by her side to protect her. his eyes were filled with helplessness and pampering. 'little one, is it really okay for you to call me that?' your father will not be happy!

Liancheng Yazhi raised his hand and slowly dusted the snowflakes off his chest. He turned to look at MeowMeow, who was still alive and kicking, and glanced at her with a threatening look. Then, he lifted his long legs and walked towards Rong Yan.

liancheng yazhi deliberately pretended to look gloomy. " you've become more capable! "

Rong Yan was not afraid at all and did not run away. She raised her chin, looked at him, and said willfully, " "What's wrong? I can't hit you!"

liancheng yazhi gritted his teeth and walked in front of rong yan, pulling her into his arms. " "Why can't I? I have the lowest status in the family!"

He raised his hand and hit Rong Yan, then grabbed her hand and stuffed it into his arms. He reprimanded, " "It's so cold outside. Don't you know to wear thicker clothes when you come out? He wasn't even wearing gloves, and he was even wearing Cotton Slippers! You want Natsume to give you an injection or two, don't you?"

Chapter 1304 I can be your boyfriend now

rong yan's hand had just grabbed the snow and was particularly cold. after liancheng yazhi warmed himself in his arms for a while, he took off his gloves and put them on for rong yan, then carried her up.

Liancheng Yazhi said to Dong Tian,"let's go in first and come out later. Dong Tian, look after Dong Tian nodded,"yes, I know, Zhenzhen."

meowmeow waved at them and said,"mom, dad, come out!" the snowman isn't done yet."

"Don't worry, baby," Rong Yan shouted,"mommy will come and play with you soon."

as soon as she finished speaking, a gust of cold wind mixed with snowflakes blew over. the wind blew into her neck, and rong yan quickly stuffed her head into liancheng yazhi's arms.

Rong Yan felt the vibration in his chest and heard his happy laughter.

Back in the room, Liancheng Yazhi put Rong Yan down. He opened the closet and found a long white down jacket. He put it on Rong Yan, then a wool hat, a thick scarf, and a pair of extra thick snow boots. The whole set made Rong Yan fully armed.

Rong Yan stretched her arms and kicked her legs, feeling that she could not even bend her joints anymore. how can I play when I'm dressed like this? "

liancheng yazhi glanced at her. " what? " he asked. " do you still want to run out in a dress? "

Rong Yan quickly shook her head. no, absolutely not, Yingluo. Thank you, hubby. Hubby, you're so good. You really care about me!

Lian chengyazhi finally put on a pair of gloves for Rong Yan and pulled her down the stairs. He casually asked, " "you called rong nuo?"

yes, I did. I heard him talking. He's quite lively and seems to be in good spirits. He seems to be quite happy. I'm relieved now.

"It's not bad that she can be happy inside." Lian chengyazhi thought to himself, she can't be unhappy.

"by the way, you said you're looking for a husband for rong nuo. have you found a suitable one?"

Rong Yan let out a long sigh. Where can I find a suitable one? it's very difficult to find a rongruo. I don't have time recently, right? The brothers around you are either married or not around at all?"

liancheng yazhi nodded. "that's right. it's fine if we don't do the simple ones. it's a pity that we have a single person by our side. however, that kid is tang zong. let's forget about it!"

Lian Cheng Yazhi said that Tang Zong was no good on purpose. He wanted to test Rong Yan's opinion.

If Rong Yan did not want Tang Zong to be with Rong nuo, she would definitely agree with him.

Rong Yan hesitated for a moment. Tang Zong is teasing me. That's right. If only he wasn't so playful, teasing me.

Lian Cheng Yazhi raised his eyebrows. F * ck, could it be that Tang Zong's recent performance had made his wife change her opinion of him?

"What's wrong?" Lian Cheng Yazhi quickly asked. You agreed just because he's not playful?"

Rong Yan shook her head. it's not that. I just feel that Tang Zong doesn't look so annoying now, and he's not that unreliable anymore. It seems that Yingluo is almost ready to be a boyfriend, but ... If it's a husband, he still can't. He still needs to continue cultivating.

Liancheng Yazhi thought to himself, " this is already very good. Rong Yan was very disgusted with President Tang at first. Now, she even thinks that he can be a boyfriend. This is a huge progress!

After getting the answer he wanted to hear, Lian Cheng Yazhi's questions ended.

The two of them went downstairs and the family happily made a snowman for

After they were done, Rong Yan let

Chapter 1305 Happy New Year, hubby!

The first few days of the new year were short. In the blink of an eye, the last day of the year had arrived!

Tonight would be the 'New Year's Eve' for all the people of the country!

it was the day of the traditional family reunion! the spring festival was for the whole family to be together.

On the morning of the 30th, Rong Yan woke up very early. The sound of firecrackers could be heard from afar outside the window. Rong Yan saw that Lian chengya was still sleeping and pursed her lips into a smile. She got out of bed gently and stood barefoot in front of the window. She pulled open the curtains a little and looked out.

The snow from two days ago had not completely melted, and the snowman they had built that day was still standing in the courtyard. Rong Yan could see it from where she stood.

perhaps it was because it was new year's eve, but rong yan felt that today's weather seemed better than usual.

Moreover, the feelings that she used to dislike and reject the Spring Festival were completely gone this time. Instead, they were replaced with joy.

Just as she was thinking about this, a pair of arms hugged her from behind. A familiar and warm aura came over, and Rong Yan relaxed her body and leaned back!

Lian chengyazhi lowered his head and kissed Rong Yan's forehead."good morning, baby."

rong yan turned around, stood on her tiptoes, and kissed the corner of lian chengya's lips. "Good Morning!"

"What are you looking at?" Lian Cheng Yazhi asked softly.

He grabbed Rong Yan's thin waist with his big hand and lifted her up forcefully, landing her feet on the back of his feet.

Rong Yan rubbed her face against Lian chengya's chest twice. "The weather looks good today!"

Lian chengyazhi rubbed Rong Yan's hair and smiled. "It's not bad!"

Rong Yan raised her head and smiled at him. Happy New Year, hubby!

Liancheng Yazhi's heart was instantly filled with warmth. Suddenly, he felt that he would be the happiest person in the world if he could hear Rong Yan say these words on the morning of the last day of the new year.

Lian Cheng Yazhi lowered his head and kissed Rong Yan's lips, turning all his love for her into six words. He murmured to her, "Happy New Year, my wife!"

The two figures were entangled together in front of the window, like two branches growing together. No matter what the reason was, it could not make them separate.

This time, neither of them had any lust in their kiss. There was only love and warmth!

After a long time, Rong Yan laid in Lian chengya's arms and said, "I want to set off some firecrackers."

Lian chengya's slender fingers slowly combed Rong Yan's long hair, and he said dotingly, "alright, i'll go with you."

lian cheng yazhi had already accepted his fate. rong yan was his destiny. he couldn't escape and didn't want to escape. he just wanted to be trapped by him.

"We can't get up too late this year. Look, they're already busy outside. Let's hurry down." Rong Yan pulled Lian chengyazhi's hand and walked towards the bathroom.

wait a minute. Put on the slippers. You're like a child. You always like to be barefooted. Lian Cheng Yazhi pulled Rong Yan, took her slippers to her feet, and put them on for her.

When Lian Chengzhi put the last slipper on for Rong Yan, she suddenly hugged his neck and kissed him hard on the face. "I suddenly feel that I've earned a lot by abducting you!"

In the past, Liancheng Yazhi was indeed a scumbag, but the current Mr. Liancheng was so good that Rong Yan couldn't find any fault with him.

Although he was a little jealous and possessive, this was not a bad habit. A man should be like this to his woman because he liked her!

If he didn't like her, why would he be jealous? Was there a need to be possessive?

Chapter 1306 No one loves you more than I do

"yes!" liancheng yazhi nodded seriously. "i think so too. no one in this world loves you more than i do!"

“You’re right!” Rong Yan smiled. Other than Liancheng Yazhi, who else could indulge her like this? Who else would dare to support such a heartless and gold-digger like her?

.....

after washing up, the two changed into different clothes and went downstairs hand in hand.

There were two rows of maids standing neatly downstairs, waiting for them to make their move.

the two of them walked down the last step and heard them shout in unison, ” “young master and young madam, happy new year!”

Rong Yan had a smile on her face. you too, everyone. Happy New Year.

“Caretaker li, have you given out the red packets?” Lian Chengzhi asked.

“Young master, everyone’s rich!” Caretaker li quickly said.

It was the custom of the Lian family to give red packets to the maids at home during Chinese New Year and holidays.

Rong Yan said to everyone, ” everyone, it’s been hard on you today. After you’re done with your work, I’ll give you a day off and let you go home to celebrate the new year with your family. However, Wanwan still has to come back to work tomorrow.

Even though the servants of the Lian Cheng family had a high monthly salary, they did not have any holidays.

It was the new year now. Rong Yan felt that they had been busy for a year and needed to go home and have a reunion dinner with their family. Anyway, she would let them clean the house and prepare the ingredients for the New Year’s Eve dinner. She would just let Tang Zong prepare them before he left. They did not need to do anything, so she might as well give them a holiday.

“thank you, young madam, thank you, young master,” the crowd said happily.

The maids went off to do their own things. Rong Yan asked Butler li to stay behind and took out the red packet she had prepared in advance.”Caretaker li, this is for you.”

“Thank you, young Madam.” Butler li received the gift with both hands.

“After you’re done with your work, you can go back too,” Rong Yan said.

“Thank you, young Madam, but I don’t have to go back,” Butler Li said gratefully.”I’m the only one at home. It’s the same no matter where I go.”

Rong Yan was very surprised. She had always thought that Butler li was married and that his children should be in middle school and high school. She didn’t expect that she was actually alone.

Rong Yan quickly smiled. since that’s the case, you can stay and spend the year with us. Let’s have a good time tonight.

“Thank you, young Madam.” Steward li finally revealed a smile.

Not long after, winter came downstairs with
meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmenew
clothes.

?????????:”Happy New Year, mom and dad.”

lian Cheng yazhi hugged her and kissed her on the forehead. baby, Happy New Year.

“Little princess, Happy New Year.” Rong Yan also kissed her.

?????????:”Mom, dad, where’s the red packet?”

Rong Yan laughed out loud. This little fellow was about to become a little money-grubber.

Rong Yan hung the small red packet she had prepared for

Rong Yan didn’t let MeowMeow open the small bag to see what was inside, saying that he could only open it at night.

Lian Cheng Yazhi gave

Of course, the two of them naturally would not miss out on winter. Now that this child had entered their house, she was a part of their family. How could she miss out on winter?

—

Chapter 1307 This kind of life is really wonderful!

“Mommy, I want to set off firecrackers,” MeowMeow said coquettishly to Rong Yan.

Rong Yan shook her head. you can’t. You’re still young. You can’t put it, but you can watch mom put it.

“Why?”

“Mother is an adult!”

After saying that, Rong Yan immediately held Lian Cheng Yazhi’s arm. “Hubby, let’s go and light some firecrackers.”

“Alright!” Lian Cheng Yazhi put MeowMeow down. it’s winter. Look after MeowMeow. Don’t let her get too close when you set off the firecrackers.

Dong Tian stepped forward and held MeowMeow’s hand.”mm, i know!”

It was only when Lian Cheng Yazhi and Rong Yan left hand in hand that MeowMeow realized that she had been ‘abandoned’ by her parents. The little girl pouted and shouted, ” “Daddy, mommy, Yingluo, you can’t do this!”

“Let’s go, we’ll follow them.” Dong Tian held

In the courtyard, the maid took out the firecrackers that had been prepared.

Looking at the long firecrackers, Rong Yan swallowed her saliva and said to Lian Cheng Yazhi, ” “Hubby, I’ve never told you that I’ve never set off firecrackers before.”

In the past, Rong Yan had never had the opportunity or mood to set off firecrackers. No one would believe it, but she had never touched these things.

She was afraid that she had followed Yang Yan to the Rong family later. At most, she had seen Rong shenghai set off a string of firecrackers during festivals, but she had never touched it herself.

Liancheng Yazhi could see how nervous Rong Yan was now. He grabbed her hand. I've never heard you say that. Don't be afraid. I'm here. Nothing will happen.

Rong Yan scratched Liancheng Yazhi's palm. hubby, I believe you.

Someone had already hung a long string of firecrackers on the short thicket. Liancheng Yazhi grabbed Rong Yan's hand with one hand and put the other around her waist. don't be afraid, Yingluo.

liancheng yazhi grabbed rong yan's hand, which was holding a lighter.

Rong Yan's hand didn't use any force at all. Under Liancheng Yazhi's control, a small flame appeared on the lighter.

liancheng yazhi held rong yan's hand and moved it closer to the fire line. he felt that rong yan's hand was trembling a little and he smiled as he hugged her tightly. " don't be nervous. it'll be over soon. "

As he said that, Liancheng Yazhi grabbed Rong Mo's hand and pushed it forward. The flame lit up the line of the firecrackers in just 0.01 seconds. Liancheng Yazhi carried Rong Yan and retreated quickly. As he retreated, the loud crackling of the firecrackers sounded in the courtyard.

Liancheng Yazhi quickly covered Rong Yan's ears. how is it? are you still afraid? "

Rong Yan shook her head and jumped around excitedly with her arms around his neck.

tang zong happened to walk over. " ah, since you guys are already having fun, why didn't you wait for me? yingluo, i brought a lot of fireworks. we can set them off tonight, yingluo. "

Rong Yan's eyes lit up when she heard that. sure, sure. Let's go to the roof to set off fireworks tonight.

Tang Zong said to Rong Yan,"sister, I want to set off firecrackers too."

Liancheng Yazhi asked for more firecrackers, and Tang Zong quickly started playing with MeowMeow and Dong Tian like a child.

Rong Yan looked at her husband, her daughter, and then at Tang Zong, who was playing with the children in the new winter. Rong Yan felt that even if there was still snow outside that had not melted, her mood was as bright as the summer sun.

Rong Yan sighed. This kind of life was really wonderful!

Her New Year's wish was for her family to be happy together forever!

Chapter 1308-grandfather is here!

Rong Yan waited for everyone to be done playing before she called MeowMeow and winter into the house for breakfast.

At the dining table, Rong Yan said to Liancheng Yazhi, " "it's almost time. send someone to bring mr. gu here!"

Liancheng Yazhi nodded. yes, okay. I'll get the driver to go in a while!

meowmeow heard their conversation and said happily, " "Dad, is Grandpa coming?"

Rong Yan rubbed

?????:??,?????,?????????"

"you'll be able to see grandfather soon," rong yan said with a smile.

An hour later, Gu Hesheng was picked up by the driver sent by Liancheng Yazhi. Before they reached the gate, MeowMeow was already shouting that she wanted to pick him up.

Rong Yan saw that it was almost time, so she let Dong Tian pull MeowMeow and followed her and Liancheng Yazhi to the main door.

although it was too serious for the whole family to welcome him at the door.

However, Rong Yan felt that this was what they should do. Gu Hesheng had done so many things for her. Regardless of whether Rong Yan really had that kind of relationship with him, he was still a senior worthy of their respect.

Not long after, two cars came from afar and stopped at the entrance.

The driver got out of the car and opened the back door to let the ancient crane give birth.

gu hesheng had just steadied himself when meowmeowmeow ran out from dong tian's hands and pounced on him, shouting happily,""Grandpa, Grandpa, Yingluo"

Gu Hesheng looked down at MeowMeow and felt very happy. He bent down and picked MeowMeow up,""My good granddaughter, do you miss Grandpa?"

MeowMeow nodded vigorously. yes, I miss you so much. I want to go and see you, but mommy said it's not safe outside. She doesn't let me go out.

Gu Hesheng looked at MeowMeow dotingly. mommy said that it's really dangerous out there now. I didn't let you out to protect you. You see, you can't come to see me, but I can come to see you ~"

rong yan walked up."old sir, let's go in first. don't carry her anymore. this little girl is much heavier now."

Gu Hesheng was very touched when he saw Rong Yan and Liancheng Yazhi welcoming him at the door. He suddenly felt that even if he had a son and a daughter, they were nothing. He said to Rong Yan, " it's fine, it's fine. Yingying, our MeowMeow isn't heavy. I can still carry her. It's so cold outside. There's no need to go outside. Hurry and go in.

The group of people entered the living room, and Rong Yan quickly asked the maid to serve tea.

After sitting down, Gu Hesheng saw Dong Tian and asked, " "Is this the child you were talking about?"

Without waiting for Rong Yan to speak, MeowMeow broke free from Gu Hesheng's arms and pulled Dong Tian's hand, coming to him."Grandpa, this is Brother Winter, Yingluo."

“Dong Tian, this is Grandpa Gu,” Rong Yan said from the side.

rong yan wanted dong tian to address gu hesheng as grandfather, but dong tian was clearly too opinionated. he stood in front of gu hesheng and bowed respectfully, “hello, mr. gu!”

Rong Yan was stunned.

She covered her face. What she didn’t want to hear had appeared. This little guy, why was he always like this!

rong yan was afraid that gu hesheng would be unhappy, so she explained, ” “Old master, this child is just like that. He doesn’t call me and Yazhi ‘uncle’ or ‘aunt’, he calls us’ young master ‘or’ young Madam’, and he doesn’t listen no matter how many times I tell him!”

Gu Hesheng was not angry, instead, he was a little impressed, ” “This child has a bit of a temper, he needs to be sculpted!”

Chapter 1309 this is more like a home!

Gu Hesheng’s eyes had been trained to have a pair of sharp eyes among tens of thousands of antiques. He judged people like he was appraising treasures, and the word ‘sculpted’ was his best evaluation of winter!

Dong Tian calmly replied,”Thank you, Mr. Gu!”

rong yan turned her head and exchanged glances with liancheng yazhi. this old man was indeed an extraordinary person!

Rong Yan then pointed at Tang Zong and said, ” this is Tang Zong’s younger brother. He’s a little playful and not very reliable. If he has offended you in any way, please don’t take it to heart.

Tang Zong smiled at Gu Hesheng and said,”Mr. Gu, nice to meet you.”

gu hesheng looked at tang zong and said,”hmm, this kid yingluo has quite the personality. not bad.”

The few of them chatted and the atmosphere was quite good.

However, as Gu Hesheng took out the gift for MeowMeow, the entire living room of the Liancheng family became a treasure exhibition hall.

Rong Yan and Tang Zong looked at the antiques displayed in various styles and did not know what to say.

In fact, she really wanted to say, ” Old master Gu, the food in our house is really not that expensive. If you bring so much food for a meal, we won’t dare to invite you over again in the future!

Liancheng Yazhi sat there and sighed silently. He rubbed his forehead. He felt that humans could no longer stop Gu Hesheng from giving his treasure to MeowMeow.

liancheng yazhi wanted to stop him, but he was already powerless. whatever, this old man could give happily and

????????????,????????,??????,????,????????

Perhaps to her, these things were just a little magical, beautiful, and interesting. Yingluo, as for their value, did she need to know?

When she finished looking at the last treasure, Rong Yan couldn't help but say, " " mr. gu, you can't pamper meowmeowmeow like this anymore. you'll get her pregnant. if you only bring so many things for a meal at our house, we won't dare to invite you again in the future! "

Gu Hesheng was very happy and was in high spirits. His face was red and he waved his hand, " "Hahaha, it's okay. If you don't invite me, I can come uninvited!"

Since it was like this, Rong Yan didn't say anything more. "That's good, why don't you just stay at our house?"

MeowMeow shook Gu Hesheng's sleeve. that's right, that's right. Grandpa, you can stay at our house. You can stay with me so that you can see Grandpa every day.

Gu Hesheng's smiling eyes were squinted,"Even if you didn't tell me, I was prepared to stay for a few more days."

He had planned to go back after dinner, but after staying here for a while, he really liked the feeling of home. He suddenly didn't want to leave, so he decided to stay a few more days.

"That's great. I'll ask the Butler to quickly clean up the house for you." Rong Yan was delighted.

"Butler li, find two people to clean up a house facing the sun for the old master," she said to Butler li.

There were a few more people in the house than before and it was much more lively. Rong Yan felt that this was more like a family with elders and children. However, every time she saw Gu he, the secret in her heart would feel a little bitter.

She didn't know if she should continue to investigate her background.

Chapter 1310 as expected, hubby is the best!

However, this thought didn't linger in Rong Yan's heart for long. This was the first time her family had such a reunion during the new year. No matter what, she had to spend it happily!

As for the problem of her identity, Rong Yan thought about it and decided to talk about it after the new year.

Moreover, with Gu Hesheng's current situation with his family, it's not a bad idea.

.....

Rong Yan didn't know how other people played on New Year's Day, but their family was already going crazy.

In the afternoon, all the maids at home had finished their work and left. Rong Yan left Miaomiao to winter. She, Liancheng Yazhi, Gu Hesheng, and Tang Zong made up a total of four people, just enough to form a table of Mahjong!

Among the four people, except for Rong Yan, the other three were all good sparrows, so Rong Yan basically lost every time.

Seeing that the chips in front of her were almost gone and that Rong Yan had lost so much that grass was about to grow out of her hair, suddenly, her thigh was touched. Rong Yan didn't pay attention at

first. She was in a bad mood and was thinking about how to win the cards. When she looked down inadvertently, she saw a big hand holding a card against her thigh, and that card was exactly what Rong Yan needed.

Rong Yan's eyes instantly lit up. She glanced at the owner of the hand and thought to herself, "As expected, her husband was the best!"

Other than his husband, Liancheng Yazhi, who else would help him cheat!

Rong Yan cleared her throat and quickly changed the cards, then said happily, "I won, I won! I finally won! Hurry up and give me the money!"

Tang Zong and Gu Hesheng had already seen through Rong Yan's little tricks. However, neither of them said anything and just let Rong Yan have her way.

Tang Zong even said regretfully, "Aiya, we were so close. Yingluo, it's such a pity. This time, it's really such a pity, Yingluo."

"I'm afraid Rong Yan's luck is coming, we have to be careful!" Gu Hesheng added.

After finally winning once, Rong Yan's interest was even higher, and her eyebrows were almost flying.

With Liancheng Yazhi's help, Rong Yan won a few more times!

In front of her was a pile of money she had won, and Rong Yan was overjoyed.

After a few more rounds, Tang Zong pushed his cards and shouted, "I can't, I can't. Sister Yingluo must be blessed by the God of Fortune. If I continue playing, I'm going to pawn my pants. I'm done. It's almost time. I'll go cook for you guys. I still have something to do tonight."

Gu Hesheng stood up with his hands on his waist, "that's right, it's almost time. I've been sitting here for the entire afternoon. Although I've had a lot of fun, my old arms and legs can't take it anymore. I have to take a walk in the courtyard!"

Rong Yan nodded. that's good. You can take MeowMeow and Dong Tian to the courtyard for a walk. But don't walk too long. It's cold outside!

"Alright, I know, Zhenzhen."

Gu Hesheng brought MeowMeow and winter of the year out of the living room!

Tang Zong put on his apron and ran into the kitchen.

Rong Yan looked up. It was already five o'clock in the afternoon. Although it wasn't too late, it wasn't early either.

Liancheng Yazhi rolled up the sleeves of his woolen sweater and put his arm around Rong Yan's shoulder. "How was it? did you have fun?"

Rong Yan was counting the money when she raised her head and kissed Liancheng Yazhi's jaw. "i'm happy, i'm so happy. hubby, you're the best! You're amazing!"

If it wasn't for Liancheng Yazhi, Rong Yan would have lost everything today.

Since Rong Yan was so happy, Liancheng Yazhi was naturally happy as well. He said dotingly, ”
“As long as you’re happy!”

He pushed the pile of money he had won in front of Rong Yan.”My money is yours! Honey, I’ll
have to trouble you to keep it!”
