

Permit Me 1311

Chapter 1311 My dear

Seeing that Rong Yan was so happy to win money, Liancheng Yazhi suddenly thought of the time when they were still lovers a few years ago. At that time, Rong Yan had said something in front of him that he had the deepest memory of: I don't lack men, I lack money!

No matter what, Rong Yan had never hidden the fact that she liked money in front of him.

However, Rong Yan's joy at seeing money now was different from the past. At that time, she was still very strong and thought that she had hidden her emotions well, but when she was happy, there was also a hidden sense of self-mockery and disdain!

but now, rong yan was simply happy. she was happy because she had won money in cards!

Such a face without a mask, lively and beautiful, was the one Liancheng Yazhi loved the most!

However, Liancheng Yazhi secretly said in his heart, This silly girl was so happy for this little money. Didn't she think about how he had such a huge Empire of wealth in his hands? how much money could she have?

Rong Yan looked at the pile of money in front of her and hugged Liancheng Yazhi's neck coquettishly."Hubby, I love you so much. You're the best, Yingluo!"

liancheng yazhi raised his hand and touched her nose."Silly!"

When Tang Zong came out, he happened to see the two of them flirting with each other lovingly. He was instantly displeased.

Tang Zong ruthlessly plucked off his green onion beard and said angrily, hey, don't go too far, you two. I'm preparing New Year's Eve dinner for you two, but not only did you not help, you even provoked me. Don't you know that I've given up time with my dear for you two? "

Rong Yan fell into Liancheng Yazhi's arms and laughed."you deserve to give up on being with your dear. it's your fault for not bringing her here. if you had brought her here, the two of you could have stimulated us by kissing each other! Don't you think so, hubby?"

"That's right!" Liancheng Yazhi nodded.

you ... You ... You ... You ... Tang Zong glared at Liancheng Yazhi fiercely, turned around, and went back to the kitchen.

Liancheng Yazhi clearly knew that it was impossible for him to bring Rong nuo here, but he still deliberately said that. He was too bad!

Tang Zong sighed. Little nuo nuo, I really miss you now. I shouldn't have come if I had known!

Tang Zong pulled himself together. He didn't care anymore, he had to quickly prepare their New Year's Eve dinner. He didn't want to stay here any longer, he had to hurry to find Rong nuo!

tang zong was fighting alone in the kitchen. he had stewed meat, boiled soup, stir-fried vegetables, and basically used all the stoves and pots!

It was only done when it was almost eight in the evening!

Tang Zong found a few food containers and packed the food he had specially prepared for Rong nuo. Then, he took off his apron and left with the two large food containers, without even having time to drink a mouthful of water.

the New Year's Eve dinner is ready. You guys can put it on the plates and serve it. I'm leaving!

"aren't you going to rest for a while before you leave?" rong yan asked.

Tang Zong didn't even straighten his feet as he walked out quickly."rest? look at how late it is. my baby must be waiting anxiously. it's all your fault. i have to go now, yingluo."

Rong Yan laughed out loud when she heard that. It seemed that this guy Yingluo was really interested in that girl.

She looked at Tang Zong's back and shouted,"Tang Zong, ask that lady if she wants to come over to my house for the new year. If she agrees, then bring her over quickly. If she's okay, I'll help you prepare for your wedding, Yingluo!"

When Tang Zong heard the word "wedding," his legs turned to jelly and he almost tripped. He pretended not to hear it and quickly ran away.

Chapter 1312 Nono, Happy New Year!

After Tang Zong got into the car, he quickly started the engine and drove straight to the prison in the suburbs.

It was New Year's Eve, the last day of the year. At this time, the pedestrians on the road were all rushing home.

When Tang Zong saw the people and the car outside the car, he became more and more anxious. He kept stepping on the accelerator!

The sky was already very dark, but fortunately, the moon was out tonight. It was not as gloomy as the previous two days. Although there was not much visibility, at least it made people feel a little brighter and not depressed.

Tang Zong rushed from the city to the suburbs. Under normal circumstances, it would take him two hours to get there.

But now that it was the new year, many foreigners who couldn't buy tickets drove home. Even if it was tonight, there were still many cars on the road.

Tang Zong was extremely anxious. He had been passing cars and overtaking cars all the way. Even if the road ahead was completely blocked, he would still try his best to squeeze through, regardless of whether his high-end sports car would be scratched or not.

Not only did Tang Zong overtake the car, he even ran the red light. No, it should be said that he didn't even look at the light, nor did he look at the cars in front and behind him. All he wanted to do was to get to the place as soon as possible.

All of a sudden, a car in front of Tang Zong drove past him. Tang Zong quickly turned the steering wheel, but because the speed was too fast, he still hit the back of the other car, causing the car in front to spin on the spot and slide forward for more than ten meters before coming to a stop.

Fortunately, it wasn't a major accident. At most, the car was damaged, but the people were definitely fine.

The car owner who was hit by the car came down from the car with his head in his hands. He walked over in an aggressive manner, pointed at Tang Zong who was in the car and scolded, "You motherf*cker, do you have eyes? Get down here! you hit my car like this, so you should at least pay for it!"

With such a thing happening, it would be too late to see Rong nuo again. Tang Zong's mood was particularly irritable, and his beautiful face had changed from its usual cute and innocent look to a very fierce one. Those eyes made people shiver.

Tang Zong pushed open the car door and got out. Just as the other party was scolding him with all his might, he punched him hard on the lower jaw. Then, he grabbed his neck, pressed it down, and pushed his knee up, hitting the other party's abdomen.

This series of actions only took a few seconds. It was so fast that people were overwhelmed.

The car owner, who had been clamoring just now, was now lying on the ground, curled up in a ball, holding his stomach and groaning in pain.

He begged, "Don't! Don't! Don't! Don't! Don't! Don't! Don't! I'm not looking for you anymore! I'm not looking for you anymore!"

Tang Zong was so angry that his eyes turned red. He stepped on the other party's face and arrogantly said, "So what if I hit your car? I'll kill you today, so what?"

After saying that, he took out a card from his wallet and pointed it at the man's face. "This is the little master's gift to you, Yingluo. You'd better spend all of it alive."

After he finished speaking, Tang Zong kicked the car owner away, turned around and got into the car. Before the traffic police could arrive, he drove the car far away.

After rushing all the way, they finally arrived at the prison. After Tang Zong stopped the car, he hurriedly tidied up his hair and clothes. Then, he carried two large food boxes with several layers and quickly ran into the prison. Panting heavily, he ran to Rong nuo's cell. Through the iron door, Tang Zong shouted, "nuo nuo, happy new year!"

Chapter 1313 Were you waiting for me?

Rong nuo, who was still in a daze, heard Tang Zong's voice and her body trembled. She turned around and saw Tang Zong's smiling face in front of the narrow window on the iron door.

At that moment, Rong nuo suddenly felt like crying.

The people of the country who were all alone on New Year's Eve were psychologically fragile.

This was because Yingluo and the others yearned for company. They yearned for someone to help them share their loneliness. If someone suddenly appeared by your side at this moment, your feelings for them would change, no matter if it was a man or a woman.

Perhaps it was the same for Rong nuo. Looking at Tang Zong's sudden appearance, she suddenly felt that Tang Zong and Huanhuan were not bad either!

Rong nuo waited for her mood to calm down a little before she walked over to open the door for Tang Zong. "It's already so late, what are you doing here?"

"I'm here to accompany you, of course. I told you I'd spend New Year's Eve with you." Tang Zong put down the lunchbox, and opened his arms to give Rong nuo a big hug. "Nuo nuo, my dear, Happy New Year!"

Rong nuo's face instantly turned red. She struggled twice, but did not use much strength. She said a little awkwardly, "Yingluo, you too, Yingluo, Happy New Year, Yingluo."

Tang Zong gave her a big smile. are you blaming me for being late? "This afternoon at your sister's house, the couple cheated and won a few rounds of cards. I thought I didn't see it. In fact, I just felt that our sister's cards were too stinky. I couldn't stand watching her lose, so I pretended I didn't see it when Liancheng Yazhi helped her cheat. Later, I went into the kitchen at five o'clock to prepare New Year's Eve dinner. It took me more than two hours to finish cooking. There was a traffic jam on the road, so I came late. Sorry, I'll definitely come early next year!"

Rong nuo lowered her head and didn't speak. Next year ... Yingluo was a little tempted, but who could say for sure what would happen next year?

At this time last year, Xia Xuanmo had also said that he would accompany her, but this year, they had already separated and were prepared to never see each other again in this life!

"We'll talk about next year's matter next year!" Rong nuo said lightly.

Tang Zong could tell that Rong nuo did not believe his words. He encouraged himself. It was okay, she did not believe him, but he would use his actions to prove to her that he was trustworthy, more trustworthy than Xia Xuanmo, and loved her more than he did.

Tang Zong took Rong nuo's hand and sat down by the bed. come and try the New Year's Eve dinner I made. I don't know if it's still hot. I even brought a bottle of red wine. We'll spend the night together.

Tang Zong opened the lunchbox and took out all the dishes you prepared.

The lunchbox had some thermal insulation effect, so the dishes were still warm!

Tang Zong seemed to be a genius in cooking. The dishes he made were getting more and more delicious. Even Rong nuo, who was not picky about food, was tempted.

tang zong passed the chopsticks to rong nuo, looking at her with anticipation.

Rong nuo took a bite and smiled at Tang Zong. "Yes, it's quite delicious, Yingluo."

Tang Zong's eyes immediately curved into two crescents as he laughed, and began to continuously put food into Rong nuo's bowl.

After a while, the atmosphere finally relaxed. Tang Zong asked Rong nuo, "I heard from the prison guard that there's a meeting at the prison tonight. Why didn't you go? Are you waiting for me?"

rong nuo's face changed, and she said awkwardly, "In your dreams. I just don't like crowds. I want to be alone."

Chapter 1314-it has to be you!

Tang Zong just looked at Rong nuo and smiled without saying a word. That pair of bright eyes seemed to be able to see through her heart.

rong nuo felt very uncomfortable being stared at. she turned sideways, picked up the glass, and drank all the red wine in one gulp.

Tang Zong quickly stopped her. do you think this is plain water? this is wine. Even if the alcohol content is low, you will still get drunk.

Rong nuo was about to speak when she noticed that there was a half-dried blood stain on the back of Tang Zong's right hand. She grabbed his hand and asked,"What happened? are you injured?"

Tang Zong lowered his head and realized that there was indeed a patch of blood on the back of his hand. He asked curiously,"Injured? I didn't know about that."

Tang Zong casually took out a piece of paper and wiped the back of his hand. Only then did he feel the pain.

He looked at Rong nuo innocently,"I don't know when it happened."

Tang Zong thought about it carefully and felt that it was possible. He guessed that it should have been accidentally cut somewhere when he was beating up that man.

Tang Zong moved closer to Rong nuo. I'm fine, don't worry. Look, it's such a small piece. It doesn't hurt at all. Really, I don't feel anything.

"Who's worried about you?" Rong nuo saw that the wound was indeed very small, only a little scratch. She was relieved in her heart and shook off Tang Zong's hand.

Tang Zong hugged Rong nuo and quickly kissed her on the cheek. I've realized it, you're Yingluo who has a sharp tongue but a soft heart. Yingluo, you're quite similar to your sister sometimes.

Rong nuo glared at him. you're the tofu-hearted one.

No matter what Rong nuo said, Tang Zong was happy. yes, I have a tofu heart. Let's not talk anymore. Let's eat, I'll pour you another glass of wine. Don't finish it in one gulp, or you'll get drunk.

Even though Tang Zong had repeatedly urged her, half of the bottle of red wine still ended up in Rong nuo's stomach.

as for rong nuo, after drinking her last breath, she didn't even turn red, nor did she say anything nonsense. she didn't look haggard at all. on the other hand, tang zong was flushed, and his eyes were a little blurred.

However, they were soon turned upside down.

rong nuo suddenly threw the empty glass. with a bang, the expensive crystal glass fell on the concrete floor and shattered.

Tang Zong's eyelids twitched. What was Rong nuo trying to do?

He found out very quickly.

Rong nuo slowly turned around and pushed the hair that had grown over her ears behind her ears. She then slowly took off her thick cotton-padded coat and threw it on the ground. After that, she said to Tang Zong, "what are you looking at? can't i take off my clothes when i'm hot?"

Tang Zong nodded, "yes, yes, yes."

Rong nuo raised a hand and slowly placed it on Tang Zong's shoulder. Her face looked very calm, but her eyes were blurred by the alcohol. She asked, "Do you really like me that much?"

Tang Zong swallowed his saliva and nodded, "yes, I really like it that much!" It has to be you."

Rong nuo's hand gently pushed, and Tang Zong fell backwards.

Rong nuo sat on his waist and asked him with her head tilted, "is there a moon outside today?"

this question of hers was very strange. however, tang zong still answered it very seriously. "Yes, the crescent moon is very bright and beautiful! It's like your eyes."

Rong nuo chuckled. well, you seem to be quite pretty too. Your face is so red, like an Apple. Yingluo really wants Yingluo to swallow Yingluo.

Tang Zong's heart was beating very fast. Could it be that the day he had been waiting for had finally arrived?

"Then, Yingluo, you can just swallow me!" He said, trembling.

Chapter 1315 Big sister will love you well!

rong nuo chuckled, looking a little silly because of the alcohol. "So obedient, not bad, I like Yingluo."

Tang Zong's face was flushed red due to shyness and nervousness. His eyes were filled with desire, and they were watery, like two streams of clear spring water. His lips were the cherry color that all the girls envied. When all these appeared on a boy's face, it would bring about a kind of magic, a magic that made people want to get close to him.

Rong nuo suddenly seemed to be very interested in his face. She looked down at him. Her head was very low, and her face was very close to his.

Her breath, which reeked of alcohol, blew onto Tang Zong's face, causing his face to turn even redder.

Rong nuo smiled coyly and pinched Tang Zong's face. "Shy? So cute!"

Actually, Tang Zong wasn't that shy. He was more nervous, anticipating, and there was a thirst that was exuding from his bones and blood. It was a thirst for her. He ... Wanted her!

However, Tang Zong did not dare to make any rash moves. For this matter, Rong nuo had to take the initiative for the first time. Only after he woke up would Tang Zong not feel guilty and be able to confidently let Rong nuo take responsibility. Because this was the first time for Zhenzhen! Tang Zong's voice trembled a little. "Yes, yes, yes, yes, yes."

Tang Zong's appearance was on the younger side, and his age could easily deceive the eyes of others. In addition, his appearance was the standard of an obedient and beautiful young man. When he called Rong nuo's name like this, it was even easier to provoke others to bully him!

Rong nuo was now a drunkard, and her rationality had disappeared. She was basically in a state of semi-insanity, so everything she saw with her eyes had a direct impact on her brain, making her do many things that she did not know how to do.

And the message that Tang Zong was sending to Rong nuo at this moment was: Come and bully me, come and devour me!

Then, Rong nuo decisively followed the instructions of her brain and extended her demonic claws to Tang Zong!

Rong nuo laughed a little madly. little brother, don't be afraid. Sister Qianqian will take good care of you!

Tang Zong's head was covered in cold sweat. Why did Rong nuo look like this after getting drunk? Little brother Qingqing sounds so scary!

However, if he could get what he wanted, it would be worth it.

He was looking forward to what would happen next.

In the end, it was proven that the drunk Rong nuo was extremely bold, and she was completely a tough woman.

There were more and more clothes on the ground. Men's thick coats, wool sweaters, shirts, pants, and underwear. They were thrown down like garbage, followed by women's clothes.

the man and woman's clothes were stacked on top of each other, looking at the young bodies that were still entangled together.

The intertwined figures reflected on the wall, like a flower blooming in the middle of the night, a flash in the pan, and a moment of beauty.

This was a simple and crude prison cell. However, to Tang Zong, this place would be the most beautiful heaven in his life!

The moonlight outside the window was just right. Inside the iron window, the fire was burning and the firewood was dry. The steam seemed to be able to melt the cold of the entire winter.

The night was still long, and tomorrow would be a brand new day, the beginning of the new year.

To them, the days ahead were still long and long!

tonight was not the end, but a new beginning.

Chapter 1316 Our New Year's wish

At night, Lian Cheng's house was very lively. After Tang Zong left, Rong Yan saw that it was almost time, so she brought Liancheng Yazhi to the kitchen and placed all the dishes that Tang Zong had prepared on the table.

Rong Yan praised Tang Zong, "Tang Zong is quite powerful, isn't he?" He made so many dishes, and the Yingying is also very delicious."

Liancheng Yazhi didn't say anything after hearing this. He silently put the dishes that Rong Yan had already placed on the table.

When Rong Yan finished serving the last dish, Liancheng Yazhi took it and said to her very seriously, ” “I’ll cook for you next year’s New Year’s Eve dinner.”

Rong Yan was stunned for a moment. When she came back to her senses, Liancheng Yazhi had already walked out of the kitchen.

Rong Yan didn’t know why she felt happy, very happy. She didn’t care if Liancheng Yazhi could really make a sumptuous New Year’s Eve dinner next year. The fact that he could say this was enough to make her happy. However, when she thought about the day when her Mr. Liancheng would wear an apron and cook in the kitchen with a spatula, she seemed to be looking forward to it.

Rong Yan was about to turn around and leave when Liancheng Yazhi, who had walked in again, suddenly hugged her from behind. Mrs. Liancheng, everyone is waiting for you. If you don’t come, who would dare to eat? ”

The smile on Rong Yan’s face deepened. She raised her chin and stretched out a hand. “alright then, help me out.”

okay! Liancheng Yazhi cooperated and held her hand!

At the dining table, there were a total of six people, including Liancheng Yazhi’s family of three, winter, Mr. Gu, and Butler li, who had not left. It was quite a lively scene.

Halfway through the meal, Rong Yan asked everyone about their New Year’s wishes. The first one she asked was winter. this winter is the first New Year since you came to our house. Do you have any New Year’s wishes? ”

dong tian turned to look at meowmeow, who was eating happily, and his mouth twitched. “I’ve already made a wish with Qianqian around!”

Rong Yan looked at Dong Tian and knew that the little guy was not willing to say anything. “Alright, it looks like you don’t want to say it! then i won’t ask you anymore!”

“What about you, Mr. Gu?” she asked.

Gu Hesheng chuckled and took a sip of white wine from his wine cup. He then took a breath of relief, “My wish has been fulfilled.”

At Gu he’s age, he did not lack anything. He had everything, but he did not have a complete family. Now that Rong Yan had given it to him, his New Year’s wish was given to him by Rong Yan. Furthermore, it had brought him a lot of warmth and touched his heart!

After Rong Yan asked Butler li, Liancheng Yazhi asked her, ” “You always ask others, what about you?”

Rong Yan put down her chopsticks, put her hands together, and said very piously, ” ” my wish is for yingluo to spend every year like this, and we’ll be together every year! ”

Liancheng Yazhi’s big palm wrapped around her hand. this is simple. I definitely know how to do it!

Rong Yan’s New Year’s wish was his wish. Whatever Rong Yan wanted to do, he would spare no effort to help her achieve it!

But sometimes, things don't always go as you wish. Reality will always force you to make some choices that you have to make.

At the end of the New Year's Eve dinner, Rong Yan suggested, "Let's go to the rooftop to set off some fireworks after dinner. Tang Zong has brought a lot of fireworks today!"

"sure, sure, brother winter, grandpa, let's go and light some fireworks!"

Liancheng Yazhi was about to speak when the phone in his pocket suddenly rang.

Chapter 1317 I only want to be with my family

Liancheng Yazhi frowned. Who would be so stupid to call at this time? could it be a New Year call from Feng nongtang and the others?

Liancheng Yazhi pursed his lips. How could that be? they never played around with such empty words.

Rong Yan grabbed Liancheng Yazhi's hand. hubby, we're going to light the fireworks later. You have to help me.

Liancheng Yazhi nodded with a smile and said dotingly, "Alright, you can do whatever you want."

Rong Yan heard his phone ring and said, "Hey, your phone is ringing. Why aren't you picking it up?"

"I was just about to pick it up." Liancheng Yazhi took out his phone that had been ringing non-stop from his pocket. He did not care at first, but when he saw the string of numbers on the phone, he immediately frowned.

rong yan noticed that his expression didn't seem to be good and asked, "What's wrong?"

Liancheng Yazhi shook his head. it's nothing. It's an unfamiliar number. I don't know who it is.

A stranger?

That's right, it wasn't saved in the phone's contact list, but Yingying wasn't unfamiliar with this number. He had called this number several times before.

Liancheng Yazhi tightened his grip on his phone and looked up at Rong Yan. She had been pulled away by the Meow Meow and was talking to her about how to set off the fireworks later!

Liancheng Yazhi hesitated for a moment. Finally, he stood up with his phone and walked to the side.

"hello, yingluo." liancheng yazhi's voice was not very good.

"it's me. happy new year."

"Alright, I've received your blessing! I'm still having New Year's Eve dinner with my family. I'm hanging up." Liancheng Yazhi did not intend to say much to him.

The other party called out to Liancheng Yazhi. wait a minute. I'm outside your house. I have something to talk to you about!

Liancheng Yazhi's expression changed drastically. "What are you doing outside my house? I'm telling you, I'm going to have a good New Year. Don't give me any trouble. I don't care who it is, but I won't forgive anyone who makes my family unhappy this New Year!"

The other party paused for a moment and let out a long sigh. I don't want to, but this is a serious matter. I don't know who Qianqian is looking for, so I can only look for you!

lian Cheng yazhi's brows were tightly furrowed. "i don't want to know about your matters, and it has nothing to do with me. the most important thing for me now is to spend a good new year with my family!"

The other party's self-deprecating laughter came from the phone. "if it's possible, yingluo, i want to celebrate the new year too, yingluo."

after rong yan finished talking to meowmeow, she realized that lian Cheng yazhi was gone. she turned around and found him not far away. "yazhi, who's calling? come and drink the soup."

Liancheng Yazhi quickly turned around and smiled at Rong Yan."alright, i'll come over to take a look."

with that, he didn't care what the other party said and directly hung up the phone. he even turned off his phone!

Liancheng Yazhi walked back and sat down. Rong Yan asked him, " "Who was that?"

"It's nothing, Secretary Zhou just called to wish me a Happy New Year," he said.

Oh, Secretary Zhou. I almost forgot about him. Is there anyone in his house? "

Liancheng Yazhi scooped a bowl of soup and handed it to Rong Yan. no, I gave him a few days off this year. He's on vacation now.

Secretary Zhou had indeed been thrown away by Liancheng Yazhi for a vacation. However, as for what vacation Wanwan was on, whether she was having fun, and where she was, only he knew!

rong yan nodded. " vacation? that's good. he's been busy for a year. it's time for him to take a good rest. "

yes, yes, Wanwan. Liancheng Yazhi's expression did not change at all. He was talking about Secretary Zhou to Rong Yan, but he kept thinking about the phone call just now!

Chapter 1318 With you around, every day is wonderful

the new year's eve dinner was finally over. under meowmeow's anticipation, rong yan and lian Cheng yazhi prepared to take her to the rooftop.

Caretaker li didn't plan to go. She said, "young master, young Madam, you can go and light the fireworks. I'll clean up the place.

Rong Yan wanted to ask her to go with her, but Liancheng Yazhi held her hand and said, " "Alright, thank you for your hard work, Yingluo."

Caretaker li was the caretaker of their house. They had spent money to hire him as a Senior Housekeeper.

Therefore, it was her duty to do these things. If you didn't let her do it, she might feel uneasy.

“It’s my duty,” caretaker li quickly said.

“Let’s go,” Liancheng Yazhi lowered his head and said to Rong Yan.

“Okay, Yingluo, let’s go get some fireworks.”

liancheng yazhi put his arm around her shoulder and went to look for the fireworks that tang zong had brought. I don’t need you. Your husband can take care of everything by himself.

tang zong brought two boxes, and liancheng yazhi took care of them all by himself.

When they reached the rooftop, they could clearly feel the wind getting stronger.

rong yan was relieved to see that winter had put on a hat and thick clothes for meowmeow. she looked at winter with satisfaction. not bad, this kid knew how to take care of people now.

“In a while, take

Dong Tian nodded. yes, I know.

He had been holding onto

liancheng yazhi took out the fireworks from the box and arranged them in a row in front of him.

Then, as if he was setting off firecrackers, he hugged Rong Yan and lit them up one by one.

With a bang, the first firework rose and bloomed in the sky. The bright fireworks bloomed into a beautiful flower in the night sky and lit up the sky above them. Rong Yan leaned in Liancheng Yazhi’s arms.

“hubby, isn’t this a wonderful life?”

Liancheng Yazhi nodded. yes. Every day is wonderful when you’re here!

Liancheng Yazhi had said before that with Rong Yan and MeowMeow, he finally felt like he was living like a human!

?????????:”????,???,???,????.....”

“good yingluo!” rong yan turned her head and called out to meowmeow.

After that, Rong Yan played to her heart’s content. She lit up a box of fireworks herself. The roof of the Liancheng family’s house was like a fireworks party. Colorful fireworks bloomed, embellishing the night with beauty and liveliness!

Even Mr. Gu, who had no intention of playing with the younger generation, could not help but start playing!

It was already 11 O ‘clock at midnight when the few of them had been fooling around on the rooftop for more than an hour.

Staying up on New Year’s Eve was a Chinese tradition, but children couldn’t stay up. This was already the last time MeowMeow went to bed. After playing for an entire day, the little fellow’s energy was used up and she was starting to feel tired. Rong Yan asked winter to take her to bed first.

Gu Hesheng was old and couldn’t stand such a long torment. After saying a few words to Rong Yan, he went downstairs to sleep.

Only Rong Yan and Liancheng Yazhi were left on the roof!

Rong Yan was still in good spirits. She hugged Liancheng Yazhi's arm. "Hubby, let's stay up for the new year tonight!"

Liancheng Yazhi picked up the thick blanket on the sofa and wrapped it around Rong Yan."alright, yingluo."

Chapter 1319 We will be very happy

They could go to sleep after 12 in the morning, and the two of them had only stayed on the rooftop for an hour!

In that hour, none of them spoke. They sat quietly on the rooftop, hugging each other.

The wind blew past his ears, and the sound of firecrackers could be heard around him. In the distance, he could even see the fireworks rising from a corner from time to time.

This city built with steel and concrete only seemed to be particularly human tonight.

When the midnight bell rang, Rong Yan turned her head and kissed Liancheng Yazhi. She smiled and said, " "Hubby, we've hugged for an entire year! We'll definitely be very happy in the coming year."

Liancheng Yazhi hugged her tightly. that's natural. No one can stop us from being happy together.

It was already past midnight, and they were ready to go downstairs to give

Everything was ready for summer's eyes. Originally, summer's eyes would be indispensable at home for the new year, but he recently said that he was in the important stage of tackling key problems and did not want to be distracted or waste time. Therefore, the new year holiday was no different from the days spent in the laboratory in the past.

rong yan felt that she owed natsume a little.

She picked up MeowMeow and put her in the hot water that had a strong smell of Chinese medicine. Rong Yan turned to look at Liancheng Yazhi, grabbed his hand, and said, " "Did you call me for something? if it wasn't something important, I wouldn't have come to you at this time! If it's important, you can go do your work."

liancheng yazhi's hand moved. he thought that he didn't show anything wrong, so how did rong yan see through him? he smiled and said, "It's fine. It's Secretary Zhou. It's not important."

Rong Yan glanced at him. I've been lied to. If it was Secretary Zhou calling or if it wasn't something important, you wouldn't have hidden to make the call.

I'll f * ck you! Liancheng Yazhi did not know what to say for a moment!

Rong Yan smiled. I guessed it right. Actually, it's fine. Look at this belief. We're living very well. It's already the first day of the new year.

None of them knew what would happen every day. Now that something suddenly happened, it was actually unexpected and reasonable. Rong Yan didn't want Liancheng Yazhi to feel that he hadn't promised Rong Yan that he couldn't give Rong Yan a perfect New Year because of his Affairs.

Liancheng Yazhi sighed and hugged Rong Yan. "if you marry a wife who's too smart, you can't hide it from Yingluo even if you want to."

He didn't want Rong Yan to be unhappy because of him.

So, he tried his best to hide it. Even though he knew that person was outside the door, he didn't care. However, he was still a partner who he would spend the rest of his life with. She could still tell.

Liancheng Yazhi said to Rong Yan, "wifey, I've made a mistake. Just now, the one who called wasn't Secretary Zhou.

He hesitated for a moment. Hanhan is half a friend of mine. When I called, he was outside Hanhan's door. I don't know if Hanhan is still there! he said.

A few hours had already passed, so perhaps Yingying had already left!

Rong Yan's eyes widened in surprise. ah? he's already outside the door. Why don't you let him in? "

"I'm afraid he'll ruin the atmosphere if he comes in." Seeing him, Liancheng Yazhi was afraid that he would feel stifled. It was definitely not a good thing to come over during the new year!

rong yan nudged liancheng yazhi. " seriously, go and take a look, yingluo. it's not an important matter. who would be willing to come and find someone else today? "

Chapter 1320 A top-secret document

Rong Yan didn't want Liancheng Yazhi to be busy with other things during the new year, but she didn't want to put him in a difficult position either!

The girlfriend could be very willful, but after marriage, the relationship between husband and wife could not be so indulgent. She had to know how to think for her husband!

liancheng yazhi hesitated for a long time. "alright, then. ran ran. i'll go and take a look."

"go, yingluo. if he's still here, bring him to our house."

"Okay, Yingluo, I'll go out now." Liancheng Yazhi kissed Rong Yan's forehead and stood on the spot for a second before turning to leave!

When Liancheng Yazhi walked out of the room, his steps were heavy, and his mood started to turn bad.

When he reached the door, he stood inside for a while before opening the door and going out.

Outside the door, there was an old police car. The car was dirty and covered in dust. The wheels were even dirtier.

A tall figure wearing a black leather jacket was leaning against the car door and smoking. The light from the cigarette butt flickered in the night. He heard the door open and turned around, smiling at Liancheng Yazhi. "He's out!"

He opened his mouth and a ball of white air came out. It floated into the night, making the winter night seem even colder.

He didn't seem surprised at Liancheng Yazhi's appearance at all, as if he knew that he would definitely appear.

Liancheng Yazhi's face was very gloomy, darker than the night. He put his hands in his pockets and slowly walked over. From the corner of his eyes, he looked at the pile of cigarette butts at his feet.

From the looks of it, he had been waiting here since Liancheng Yazhi received his call and had not moved a single step.

Liancheng Yazhi's tone was unfriendly. why aren't you leaving? ”

He laughed, "if you don't come out, how am I supposed to leave!" After he took out the cigarette box, he realized that he had finished smoking all the cigarettes inside. He smiled and clenched the cigarette box into a ball, "I'm sorry, there's nothing else!"

"Are you so sure that I'll come out?" Liancheng Yazhi asked coldly.

The other party smiled, "I'm not sure, but you'll be going out sooner or later, won't you?" You'll always be able to wait."

Liancheng Yazhi glanced at his old and dirty police car in disdain. why do you have to come to my house during the new year to make people hate you? ”

He opened the car door, took out a thin file from inside, and handed it to Liancheng Yazhi. "I'll show you a document."

Liancheng Yazhi took it and saw clearly in front of the car lights that there was a blood-red Seal on the folder with two words written on it-Top Secret!

It was obvious that this document came from the highest level of the military.

Seeing this, although he didn't know what the content was, Liancheng Yazhi felt a chill run up his back. It was a very bad feeling!

"Where did you get such top-secret documents?" Liancheng Yazhi asked.

"You'd better take a look first,"

He hesitated for a moment and opened the file. He saw a few cold black words-the list of sacrifices for the death plan.

The first name on the list was a name that Liancheng Yazhi was very familiar with-Kang Yu.
Military rank: Major General!

Seeing this, Liancheng Yazhi's hand trembled and he almost dropped the thin piece of paper in his hand!

Liancheng Yazhi's expression changed so quickly that before anyone could figure it out, he had already returned to normal, but his eyes were as cold as three feet of ice!

Liancheng Yazhi closed the document and said, " "Let's talk inside!"
