

Permit Me 1331

Chapter 1331 You were clearly very happy!

Tang Zong smacked his lips, as if he was reminiscing about something. His young voice was hoarse from the morning as he said, "Nuo nuo, you have a great figure."

Rong nuo's face immediately turned red like a cooked shrimp, and her teeth chattered.

The guilt she felt for what had happened last night had completely disappeared!

Rong nuo roared, "What are you looking at? if you look again, I'll poke your eyes."

Tang Zong hurriedly covered his eyes. but I've already seen it. If you feel that you've been taken advantage of, I'll let you see my tears too.

After he finished speaking, Tang Zong's feet lifted the blanket, and suddenly, his statue-like body was completely exposed in front of Rong nuo.

Rong nuo's face turned red and she immediately turned around, her back facing Tang Zong. She knew that this bastard's face had already surpassed that of a human.

"Tang Zong, get up and put on your clothes. We need to talk." She took a deep breath.

After a while, Rong nuo heard a rustling sound behind her. She was about to turn around when she was suddenly hugged from behind. Tang Zong's big head was pressed against her shoulder, and his face was rubbing against her neck. "Talk about what? I think we had a good chat last night. Nuo nuo, do you want to do it again? although it was my first time last night, I can still hold on if you want."

Rong nuo's face was burning. For the first time, for the first time ...

could this bastard not mention the word 'first time'? so what? Was a Virgin very precious????~>__<~?????,????????,????????????! However, there are even fewer people like Tang Zong who are born without any integrity and can still maintain his virginity!]

What made Rong nuo the most angry was that Tang Zong's words always gave people a feeling that everything was Rong nuo's fault. It was her desire that was too strong, and even a man could not stand it. Wasn't it too cruel?

Rong nuo took a deep breath, don't get angry, don't get angry.

Calm down!

Calm down!

"Tang Zong, let go!"

Tang Zong heard Rong nuo's voice and felt that something was wrong. what's wrong? "

"Let go first, I have something to tell you," Rong nuo said.

Tang Zong hesitated for a moment before releasing her.

Rong nuo turned around and almost fell down. What happened to wearing clothes? You're walking your bird around naked in the morning, is that okay?

Damn it, did he not know that this was a prison? It's not your home!

Rong nuo quickly turned her head away, picked up Tang Zong's clothes from the ground and threw them to him.

Rong nuo said coldly, "put it on, quickly, don't make me angry!"

Tang Zong scratched his head. He didn't quite understand why Rong nuo was so unhappy. Then, he slowly put on his clothes.

After he had put on his clothes, Rong nuo pointed to the only bed. "go and sit down."

tang zong listened to rong nuo's instructions and sat down obediently like a primary school student in the morning class. his eyes were filled with confusion as he waited for his form teacher to scold him.

rong nuo paced back and forth a few times, then organized her words and said, "Tang Zong, regarding what happened last night, I am deeply regretful. I admit that I was drunk and couldn't control myself."

Tang Zong did not wait for Rong nuo to finish and said, "Why would I regret it? You're clearly very happy, and you told me to hurry up. You even said it was very comfortable!"

When Rong nuo heard this, her legs went soft and she almost fell.

Chapter 1332 Don't even think about escaping if you've provoked me

Rong nuo didn't know if she should say that Tang Zong was shameless, or that she was shameless, because Zhenzhen did say those words!

However, these words sounded too awkward when they came from someone else's mouth.

It made Rong nuo feel like stabbing himself with a knife, asking for a beating, asking you to shut your mouth.

Rong nu took a few deep breaths and raised his head to face Tang Zong. yes, I did feel good and comfortable yesterday. But are you in so much pain that you wish you were dead? it seems like men are more comfortable than women in this kind of thing. Let's not talk about that. Even if that kind of thing happened, so what? we're all adults. It's normal for such things to happen. There's no need to be so entangled over an hour, right, Yingluo? "

Tang Zong's expression slowly turned ugly. A thin layer of ice seemed to have formed in his eyes. He asked, "So, you're not going to take responsibility for me?"

For a moment, Rong nuo did not dare to look at Tang Zong's glasses. She turned her head and did not look at him, and sneered. "Take responsibility? Child, how old are you? in this day and age, if you have to take responsibility for all one-night stands, there wouldn't be so many single people."

Tang Zong stood up immediately. His eyes were so hot that they seemed to be able to set people on fire. I don't care about other people, but you have to take responsibility for me. Yesterday was my first time. You are my first woman, and also my last. You ... Have to take responsibility for me for the rest of your life.

Rong nuo's brows were tightly knitted. Could it be that a woman who had slept with a man once had to tie the other party up for life?

Rong nuo was not a casual person, but she did not want to be casual about her marriage.

“Tang Zong, don’t be so childish,” she frowned.

In the end, Tang Zong, who had always been friendly to Rong nuo, actually turned his back to Rong nuo and said, “You don’t have to say anything. I refuse to talk to you about this!”

This was the first time Rong nuo had been rejected like this, and she suddenly felt a little unbearable. This bastard, good, he still dared to pout!

Rong nuo walked over and turned Tang Zong’s body around.”Tang Zong, I’m doing this for your own good. Do you know how rash your decision is? Do you think that a lifetime is as simple as the three words you can say in a second?”

Tang Zong glared at Rong nuo and suddenly pulled her into his arms. He turned over and pressed her tightly under his body. He was so strong that it seemed like he was going to break Rong nuo’s bones.

For the first time, Tang Zong spoke to Rong nuo in a mature man’s tone,”Why do you always think of things in such a complicated way? a lifetime means to live together for many, many years until we die and are buried in the same grave. You always think that I don’t know anything, but I do!”

Rong nuo was stunned, and he called out in a daze, ” “Tang Zong, Qianqian.”

tang zong lowered his head and kissed rong nuo’s lips for a while. he then pinched her chin, his eyes were persistent and cold as he said, “Regarding this matter, you don’t need me to tell me that we are all adults, so there is no need for me to take responsibility. Rong nuo, you are mine! I didn’t force you last night. You took me on your own initiative. I didn’t force you. At that time, I told myself that if you did it, you can’t escape for the rest of your life. I’m not someone you can mess with so easily.”

Rong nuo felt that there was something wrong with these words and said, “i don’t have yingluo.”

Chapter 1333 She doesn’t want to take responsibility for you, right?

Suddenly, Tang Zong’s phone rang and interrupted Rong nuo’s words. Tang Zong had intended to ignore it, but when he took a look, he realized that it was actually from Xuanji Liancheng Yazhi!

“liancheng yazhi?” he muttered.

When Rong nuo heard that it was Liancheng Yazhi, he shivered. He quickly pushed Tang Zong away. it’s a call from brother-in-law. Quickly answer it.

After last night’s incident, the person Rong nuo felt most guilty about was not Tang Zong, but Rong Yan. She felt that she had disappointed Rong Yan again, so when she heard Tang Zong say that the person on the phone was Liancheng Yazhi, she felt uneasy, as if she had been caught doing something bad. She felt guilty!

Tang Zong did not move. His eyes were fixed on Rong nuo as he said angrily,”Why are you so nervous about Liancheng Yazhi?”

Rong nuo raised her leg and kicked Tang Zong.”What nonsense are you saying? why are you jealous? get lost.”

Tang Zong saw that Rong nuo’s face did not look any different, and quickly kissed her on the cheek.

then, he picked up the phone and answered the call. ” “Hey, what’s up so early in the morning? don’t you know how to let people have a clear dream?”

Liancheng Yazhi did not waste time with him. if you’re in there, get out. I’m outside the prison.

Tang Zong was stunned. Did he hear it wrong? Liancheng Yazhi was not at home with his wife and child on the New Year’s Day, but he actually came to the prison to look for him early in the morning. Could it be that ran ran knew that he had sex with Rong nuo last night?

Tang Zong felt guilty. He bit his lip and thought for a while.”I’ll be out soon!”

Rong nuo Yazhi was paying attention to Tang Zong’s expression, and asked,”What’s wrong? What happened?”

“It’s fine. He wants to see me. I’ll be back soon.” Tang Zong did not tell Rong nuo that Liancheng Yazhi was now outside the prison gate.

Tang Zong quickly got up, put on his shoes, and leaned over to kiss Rong nuo.”Baby, I’ll be back in a while!”

After that, Tang Zong hurriedly left the cell.

Rong nuo sat up. Tang Zong had left in such a hurry. It would be strange if nothing happened. Could it be that something had happened to the Liancheng family?

Tang Zonghe quickly ran out of the door. Sure enough, he saw a black, cool sports car parked there. He walked over, opened the door of the front passenger seat and got in.

Tang Zong glanced at the watch on his wrist,”today is the first day of the Lunar New Year. It’s only eight o’clock right now, Zhenzhen.”

Liancheng Yazhi ignored him and said directly, ” I have to go out for a while, and the date of my return is uncertain. Before I come back, help me protect my wife and child!

Tang Zong’s eyes widened. He could not believe what he had just heard.

New Year’s?

Liancheng Yazhi, who had always been a slave to his wife and a good father, was actually leaving home?

“Are you sure? You’re not joking?”

Liancheng Yazhi turned to look at him and said with certainty,”You just need to tell me if you agree or not!” Suddenly, he raised his brows and glanced at Tang Zong’s neck.”How many times did you come with Rong nuo last night?”

Tang Zong instantly became embarrassed. He fidgeted for a while and scratched his chin. ” hehe, qianqian only did it a few times. cough, cough, qianqian, you’re teasing me. if i agree to your request, what do i get in return? ”

Liancheng Yazhi did not answer but said, ” “Rong nuo doesn’t want to be responsible for you.”

Tang Zong blinked his eyes and looked around.”So what if it’s Yingluo? I’ll make her take responsibility.”

“As long as you protect my daughter and wife well, you can marry Rong nuo directly after I come back. Whether Rong nuo agrees to it or not, I will make her agree,” Liancheng Yazhi said slowly.

Chapter 1334 Help me protect them

Tang Zong’s eyes suddenly widened as he looked at Liancheng Yazhi in disbelief. He seemed to have not digested his words.

The corners of Liancheng Yazhi’s lips curled up with a hint of mockery. “Why don’t you want to marry Rong nuo?”

Tang Zong immediately shook his head. of course not. I’m just trying to confirm the authenticity of your words!

“Do you think it’s true or false?” Liancheng Yazhi asked in return.

Tang Zong thought about it seriously for a while. He looked at Liancheng Yazhi’s face to see if he was telling the truth. Finally, he nodded hard.”Alright, it’s a deal.”

“i’ll help you protect your wife and daughter, and when you come back, i’ll marry rong nuo!”

The smile on Liancheng Yazhi’s lips instantly disappeared. “Deal, but during this period, if anything happens to my wife and daughter in your hands, don’t talk about marrying Rong nuo, you will never see him again in your life.”

“Alright, but if you come back in a week or two, I can still marry Rong nuo?” Tang Zong clenched his fist.

Liancheng Yazhi smiled. sure. It’s not difficult to get her out of prison.

“That’s good. Let’s high-five each other for this matter!” Tang Zong extended his hand.

Liancheng Yazhi patted Tang Zong’s hand and gave him a final knock.”Tang Zong, this isn’t something you can play with. You have to ensure their safety. If anything happens to them after I leave, I will not spare you.”

tang zong nodded his head. ” of course. if i don’t have the ability, it’s only natural that you won’t spare me. however, when i want to protect qianqian, no one can touch her qianqian. ”

“It’s good that you have this confidence!”

Liancheng Yazhi didn’t talk much with Tang Zong. Before he left, he wrote a note to Rong nuo. Tang Zong stretched his neck and couldn’t see what was written on the note.

“bring this to rong nuo. of course, you can also take a look at it. however, i believe that if you don’t want rong nuo to hate you, you’d better take a look at it after she has seen it.”

The corner of Tang Zong's mouth twitched. He snatched the piece of paper, gritted his teeth and said, "I know."

Tang Zong snorted, got out of the car, and left. As soon as he got out of the car, Liancheng Yazhi started the car, turned around, and left!

Tang Zong turned around and looked at Liancheng Yazhi's sports car that was speeding away. He said gloomily, "I really don't know what he's going to do during the new year. He's not even going to accompany his wife and daughter? What life-threatening matter?"

Although he was very curious, he knew that this matter with Liancheng Yazhi was probably very important and could not be disclosed to the outside world!

tang zong shrugged his shoulders, turned around, and returned to the prison.

Along the way, he wanted to read the note several times, but he resisted it. He couldn't let Rong nuo hate him more!

Inside the cell, ronnuo was eating. The prison's breakfast consisted of steamed buns and boiled cabbages. It looked appetizing, but ronnuo did not seem to care at all.

"Why is my brother-in-law looking for you?" Rong nuo asked without looking up.

Tang Zong sat down beside Rong nuo. he said something strange. Here, this is the note he asked me to pass to you.

Rong nuo was surprised. Liancheng Yazhi actually had something to say to her. This was so strange. Although the two of them knew each other, they were still very distant.

Rong nuo was suspicious. She took the note and opened it, only to see one sentence written on it-no matter what happens in the future, you can't go wrong by listening to your sister!

Rong nuo was instantly stunned. What did this mean?

Why did he write her such a sentence out of the blue? what would happen in the future?

Tang Zong had been curious for a long time, and when he saw the change in Rong nuo's expression, he became even more curious and came over to take a look!

Chapter 1335 the winning magic weapon to control tang zong

"What did he write on it?" Tang Zong asked as he looked at it.

In the end, when he saw those few words, he was also stunned. What was going on with this sentence that had no beginning or end?

the two of them looked at each other and shook their heads. He didn't know!

Of course, Liancheng Yazhi would not just write a sentence. He just wanted to give Rong nuo a psychological hint, to make her listen to Rong Yan and completely believe in any arrangement made by Rong Yan.

that was because as long as rong nuo listened to rong yan, it would be the same as tang zong listening to rong yan!

After leaving the prison, Liancheng Yazhi called Secretary Zhou again on his way back.

At that time, Secretary Zhou was 20 minutes away from boarding the plane back to the capital.

Although Tang Zong had already promised him to protect Rong Yan and her daughter, Liancheng Yazhi did not trust him completely. It could be said that he would not completely trust anyone in this world except himself.

Hence, he had to think of a way to restrain Tang Zong.

Liancheng Yazhi told Secretary Zhou, "Secretary Zhou, I went to look for Tang Zong just now and asked him to protect Rong Yan and her daughter after I leave. The matter with Tang Zong and Rong nuo is Rong Yan's trump card to control Tang Zong. Remember, if Tang Zong is obediently protecting Rong Yan and MeowMeow, don't tell Rong Yan about him seducing Rong nuo in secret. If you find out that Tang Zong is up to something or has other thoughts, tell Rong Yan immediately.

This was the card that Liancheng Yazhi had left for Rong Yan, the card to control Tang Zong.

Secretary Zhou nodded his head repeatedly. alright, I understand. I will definitely monitor Tang Zong closely.

lian Cheng yazhi continued. "the supervision of rong nuo must be stricter. if it's really not possible, he can be released on bail for medical treatment. you take rong nuo back to the lian Cheng house and arrange for her to live with rong yan."

This was the idea that Liancheng Yazhi had thought of after seeing Tang Zong. He was going to release Rong nuo for medical treatment and let her live in the old house so that Rong Yan and Rong nuo would be inseparable!

Secretary Zhou felt that it was a good idea. young master ya, medical parole is a good idea. Let miss Rong nuo stay by young Madam's side and eat and live together. This will strengthen their relationship. As long as Tang Zong wants to see Rong nuo, he must go to the Liancheng family's house. Moreover, if young Madam is in danger, Rong nuo will also be in danger. Tang Zong can't possibly watch Rong nuo get hurt, right? "

The corners of Liancheng Yazhi's lips twitched. This was what he was thinking. that's right. You'll handle medical parole in secret. Remember, don't let Tang Zong find out. Once it's done, when Tang Zong is no longer in prison, immediately send Rong nuo back to the old residence.

Secretary Zhou admired Liancheng Yazhi very much at this moment and kept saying, "Yes, Yingluo, I'll definitely do it well."

"Go pick up Rong nuo personally and brainwash her in the car. Make Rong Yan's concern and love for her more touching, and tell her tactfully about this matter. Just say that there's no one at home, and I'm afraid that Rong Yan will overthink it. There's no one to talk to, and she'll be overly worried. I hope she can accompany Rong Yan well."

If Liancheng Yazhi wanted to pull Tang Zong, he had to pull Rong nuo first, and to pull Rong nuo, he still had to rely on Rong Yan.

"I understand, I understand. Young master ya, this arrangement of yours is simply a magic weapon to seize control of Tang Zong," Secretary Zhou said excitedly.

Liancheng Yazhi was driving, his eyes looking at the road ahead. If he had not been forced to, why would he let someone else do the task of protecting Rong Yan and MeowMeow?

At this moment, Tang Zong and Rong nuo, who were still studying the note in prison, did not know that they had already fallen into Liancheng Yazhi's trap.

Chapter 1336 Time to have breakfast together

Liancheng Yazhi only returned home after he had finished explaining everything he needed to.

It was already ten in the morning when he walked into the living room of the old residence. It wasn't long before Wanwan would leave at night!

Rong Yan was in the living room watching Gu Hesheng and Dong Tian play with MeowMeow!

When she saw Liancheng Yazhi's figure appear at the living room door, she immediately stood up, smiled, and walked over to hold his arm. hubby, you're back. You haven't had breakfast yet, have you? I asked the Butler to leave some food for you. Just wait for a while and heat it up.

Rong Yan did not ask where Liancheng Yazhi had gone so early in the morning, nor did she ask when he would leave. She did not want to give him any pressure.

Meowmeowmeowmeow saw Liancheng Yazhi and called out 'daddy'. She pounced over and let Liancheng Yazhi kiss her before continuing to play the game.

Gu Hesheng was the oldest and the most meticulous person. He had noticed that there was something wrong with Rong Yan early on. Moreover, Liancheng Yazhi was not at home on the first day of the new year and had run out early. This Wan Wan did not seem to make sense. At first, he thought that the young couple had quarreled, but now, looking at the intimate way they were acting, it did not look like they had quarreled at all. He felt that he might have been wrong.

Liancheng Yazhi pulled Rong Yan to the dining table. can you eat with me? "

Rong Yan nodded. mm, okay. I wasn't too hungry for breakfast, so I didn't eat much. But now, I kind of want to eat something.

The two of them had a breakfast that was not any different from usual. Other people were particular about eating without talking, but they were not particular about this. They still talked when they should talk, and they still showed their love when they should show it!

Gu Hesheng, who was watching from the side, nodded his head secretly. That's right, it's good that they didn't quarrel!

After dinner, Liancheng Yazhi grabbed Rong Yan's hand."Let's take a walk in the garden. The sun is shining today."

Rong Yan rubbed her stomach. I'm going to go, I'm full!

She knew that Liancheng Yazhi was leaving tonight, and she might not have time to eat with him for a long time. Therefore, Rong Yan especially cherished the time they could still sit at the same table and eat sweet meals together.

????????????,???:"Mom, dad, where are you going? I want to go too!"

“Mommy and daddy are going to take a walk in the courtyard. Do you want to come?”
Rong Yan turned around.

I want Huahua. MeowMeow immediately stood up and ran to Rong Yan with her short legs, abandoning winter and her Grandpa Gu.

Naturally, Dong Tian stood up, tidied his clothes, and followed them silently.

Liancheng Yazhi asked Butler Li to set up tables and chairs on the grass in the courtyard, make tea, and let Gu Hesheng sit there to bask in the sun.

Soon,

Before he left, he still had a few words to say to Dong Tian.

I have something to do and have to leave the house for a few days, ” Liancheng Yazhi said. after I leave, can you take good care of your aunt, MeowMeow, and Huahua? ”

dong tian was stunned for a moment. after a while, he raised his head and said seriously,”I can do it!”

The young man’s gaze was very firm and there was no hesitation. His young face, slightly evil eyes, and persistent expression did not ask much. He only said very seriously that he could be the Dao.

Chapter 1337 hubby, you’re so handsome!

Liancheng Yazhi smiled and reached out to mess up winter’s hair.”Good, not bad, Yingluo, take good care of them. A ten-year-old boy is already a man! Before I come back, you can stop your classes. The Secretary from China Central Union will arrange another class for you at home, and you can continue your class when I come back.”

“Yup, Yingluo, I’ll study hard,” Dong Tian nodded.

?????????:”Brother Winter, come quickly!”

“Go!” Liancheng Yazhi patted winter of winter.

Wintertime ran over to flirt

The happy laughter of his wife, daughter, and the little guy who had just come to the house passed through, and the gloominess in Liancheng Yazhi’s heart gradually dissipated.

He glanced at the sun in the sky. Although the sun in winter was not warm, it could at least bring light to people.

A moment’s cold is not eternal. After the spring Festival, spring will not be far away, Xuxu.

Liancheng Yazhi took a deep breath of the cool air. It was just to save someone. It was no big deal. When he was in his teens or twenties, he had experienced many dangerous days. When did he not return safely?

It was the same this time. He still had his wife and daughter at home, so he would naturally do his best to survive!

Liancheng Yazhi curled his lips and walked over. If it was a game between his daughter and wife!

That day, Liancheng Yazhi was no different from usual. He played with his daughter and whispered to his wife.

He hugged Rong Yan, took advantage of her, said sweet nothings, and enjoyed the relaxing first day of the new year!

This joy lasted until 10 O'clock in the evening. MeowMeow and winter went to bed, and Mr. Gu played with the children for the whole day before returning to his room to rest.

liancheng yazhi and rong yan finally had time to be alone.

Rong Yan sat on Liancheng Yazhi's lap and faced him. She wrapped her arms around his neck and lowered her head to kiss his lips. From time to time, she would bite his lips gently with her teeth. "When are you leaving, hubby?"

Liancheng Yazhi's big hand reached into Rong Yan's clothes and was pressed against her slender waist, slowly stroking it. "In half an hour."

Rong Yan raised her head and exposed her beautifully curved neck in front of Liancheng Yazhi. She asked playfully, "Is one time enough?"

Liancheng Yazhi lifted Rong Yan's nightgown, his expression a little ugly. "Barely!"

"Then let's not waste any more time." Rong Yan smiled and hugged him tightly.

Liancheng Yazhi nodded seriously, "I'm talking about Yingluo."

More than 20 minutes passed. After the two of them were entangled, Liancheng Yazhi's expression didn't look good. The time was too short, and it was a little embarrassing. He helped Rong Yan put on her clothes, then gave him a very serious kiss and said, "I'll make it up to you when I come back."

Rong Yan allowed Liancheng Yazhi to serve her, and she even said very cheekily, "Then you have to keep your word and come back soon. It's said on the internet that women my age have the greatest needs!"

liancheng yazhi's face darkened. "don't worry, i can satisfy you alone! I'll deal with you properly when I come back."

"sure, i'll be waiting for you." rong yan smiled charmingly at him.

She lay lazily on the sofa in the bedroom and watched as Liancheng Yazhi put on a dark blue windbreaker and custom-made military boots. He looked extremely sharp, just like the military dagger in his hand, unlike his usual elegant outfit.

His handsome facial features were filled with a sharp aura at this moment. He said with a smitten expression, "hubby, you're so handsome, yingluo!"

Chapter 1338 You're not allowed to mess with peach flowers

Liancheng Yazhi put on his clothes. It was almost time, but he was not in a hurry to leave. Instead, he turned around and walked to Rong Yan. He squatted down and lifted Rong Yan's chin with his slender fingers that were as white as Jade. "with such a handsome husband like me, would you still like anyone else?"

Rong Yan's eyes rolled around and she shook her head. "I can't. I'm used to your Manchu Han Imperial Feast. I don't even like other plain congee and side dishes."

This answer really made Liancheng Yazhi happy. He stretched his head and kissed Rong Yan. be good and stay at home. Don't cause me any trouble.

Rong Yan pouted and snorted. then you're not allowed to attract bees and butterflies either.

you ... Liancheng Yazhi looked aggrieved. I have a fierce wife like you at home. Do I dare? "

Rong Yan glanced at Liancheng Yazhi from the corner of her eyes, then slowly lifted her pajamas, revealing her half-naked body. She held her cheek with one hand, her eyes charming and misty, and said lazily, " "Am I very fierce?"

liancheng yazhi's eyes greedily looked at rong yan's face and body, and his voice was hoarse. " "Not fierce, not fierce at all, gentle like water, my gentleness village"

Liancheng Yazhi's eyes looked at Rong Yan with infatuation and he leaned over to kiss her.

Rong Yan pushed him away, pulled up her clothes, and sat up. She raised her chin and said, " "You want to kiss me? then we'll talk when you're back. Aiya, I'm tired today, I don't want to play with you anymore, Yingluo."

Rong Yan was really a smart woman. She knew that her husband's future was dangerous, but she didn't say a word about it. She didn't even say things like " you have to take good care of yourself, " " be careful, " and " don't get into an accident. she even acted so relaxed, as if Liancheng Yazhi was just on a business trip.

She only said one simple sentence,"I'll wait for you at home!"

These few words were enough for her and Liancheng Yazhi!

Because I'm waiting for you at home, no matter how dangerous or difficult it is, you have to come back!

Liancheng Yazhi naturally understood what Rong Yan meant. She was always too smart, making him want to love and dote on her more.

Liancheng Yazhi hugged her forcefully and patted her butt."You little rascal, you always like to tease me, and you're not even taking responsibility!"

rong yan pouted. " hmph! yingluo, that's because your will isn't strong enough! "

"In front of you, why do I need willpower?" Liancheng Yazhi hugged Rong Yan tightly and pressed his forehead against hers."I'm leaving, don't cry, wait for me to come back, Yingluo."

"Hurry up and go. You're so annoying. Do I look like someone who would cry?" Rong Yan rolled her eyes at him. She seemed to be speaking rather impatiently, but that look was so flirtatious that it was like a hook. No matter how far Liancheng Yazhi went, it could still hook his heart tightly!

She wanted him to miss her forever!

Liancheng Yazhi got up and kissed Rong Yan's forehead. "Baby, good night, sweet dreams!"

Liancheng Yazhi still left. His footsteps were getting further and further away, but Rong Yan did not say goodbye to him!

In her mind, they would be together forever, and there was no need to say goodbye!

Rong Yan didn't even send him to the door because she knew that Liancheng Yazhi didn't like it. He didn't want to see her sad. He didn't want to see her stand in the dark and watch him get further and further away!

Liancheng Yazhi walked to the courtyard and stood downstairs to look back. The lights in his and Rong Yan's bedroom were on, and the curtains were drawn, but there was a figure on the curtains!

Chapter 1339 I dote on my wife, what does it have to do with you?

Liancheng Yazhi's lips curled up, and his smile was like a spring breeze that melted ice and snow. This was the first time he had not smiled so warmly in front of Rong Yan.

With a woman occupying his entire heart at home, how could he not come back? How could he bear to let himself die outside? He still wanted to live for a long, long time, Yingluo.

Rong Yan hadn't given birth to a son for him yet, and she hadn't even done such an important thing.

Liancheng Yazhi suddenly felt full of fighting spirit. The family still needed him to take care of them, his future son had not yet appeared in his mother's womb, and he had not yet seen his daughter get married. Liancheng Yazhi deeply felt that as a husband and a father, he had a great responsibility on his shoulders!

Liancheng Yazhi walked out of the old residence's Gate. There was an off-road vehicle without a license plate parked outside. Mu Weibai was sitting in the driver's seat. When he saw Liancheng Yazhi walk out, he heaved a sigh of relief and opened the door to get out. He didn't come to send you off? "

Mu Weibai didn't specify who he was talking about, but Lian Chengya knew very well that he was asking why Rong Yan didn't come to see him off!

Liancheng Yazhi opened the door to the front passenger seat and got into the car. It's late. She needs to rest. Otherwise, she'll have a headache tomorrow!

Mu Weibai was dumbfounded by Liancheng Yazhi's reason. Just because he didn't want her to have a headache tomorrow, he didn't let her send him. Wasn't he spoiling her too much?

Didn't he know how dangerous the situation they would be facing was?

Liancheng Yazhi closed the car door and urged, "Get in the car!"

Mu Weibai looked at the Liancheng family's old house, turned around, and got into the car. He started the car, turned around, and drove all the way to the road.

On the way, Mu Weibai found a topic and asked, "Don't you pamper your wife too much?"

He had always felt that women could be pampered, but they could not be overdone. Otherwise, they would become arrogant and annoying.

Liancheng Yazhi had been resting with his eyes closed since he got into the car. He only opened his eyes when he heard mu weibai's words. "I dote on my wife, what does it have to do with you, Yingluo?"

Mu weibai still wanted to say something, but when he met Liancheng Yazhi's eyes, he simply stopped talking.

Because Liancheng Yazhi's eyes were clearly saying: I dare you to say bad things about my wife! mu weibai simply stopped talking and drove all the way to a remote abandoned factory. from afar, he saw a helicopter parked there.

when they boarded the plane, liancheng yazhi saw that there were two other people in the plane. one was the pilot, and the other was the co-pilot.

Mu weibai introduced them to him. they're all Kang kun's old subordinates. They're brothers who have gone through life and death situations together. The pilot's name is Chen Li, and the co-pilot's name is Qian Feiyue.

After they greeted each other, the helicopter took off.

Mu weibai took out their mobile devices and opened a satellite map. I can't determine his exact location now, but I only have a rough area. Now, let's set off for country T and transfer to another flight from the airport in country T's capital.

"no, i'm going to find someone first." liancheng yazhi shook his head.

"Who?"

"We don't have enough people, but we need help,"

"Who are you looking for?" mu weibai asked.

"Simple," Liancheng Yazhi said.

"Simple?"

"He's my brother, and also Kang Yu's brother." In order to increase the chances of finding and saving Kang Yu, as well as to increase his own chances of survival, Liancheng Yazhi thought for a while and decided that he had to drag Jian into this matter.

the first one was a veteran mercenary who had been on the battlefield for a long time. his personal abilities were particularly outstanding, and his detection ability was strong to the point of being abnormal.

Chapter 1340 I'll wait for you to come back and hold a wedding ceremony for me

Moreover, he was a free mercenary, and he was the boss himself. He was not bound by too many rules, so his success rate would be higher than theirs.

"Where is he?" mu weibai asked.

"It's at the border between the M Nation and the T Nation," Liancheng Yazhi said.

Mu weibai looked at the time. alright. Lead the way. We'll be there tonight.

After that, Liancheng Yazhi did not talk to them anymore. He closed his eyes and went to sleep.

Liancheng Yazhi was very clear that for a long time to come, the rest time might be very short, so he would rest as much as he could now!

On the first day of the new year, when many families in the country were still immersed in the New Year's atmosphere of family reunions, a helicopter took off from the capital. In the dark night sky, it flew over one city after another.

=====

Rong Yan stood in front of the window for a long time that day. She could vaguely hear the sound of a car starting up from the door, and then the sound disappeared very quickly.

Rong Yan's hands clutched the curtains so tightly that she didn't even notice that her fingers had broken.

The person who had been by her side every night was suddenly gone one night. His aura was still in the empty room, but he had already gone far away and was going to go even further.

Rong Yan's chest felt heavy and she couldn't breathe. Her nose was sore and her eyes were dry.

She really wanted to cry, but she held it in.

She had just told Liancheng Yazhi that she wouldn't cry and couldn't go back on her words. Even if she were to cry, she had to wait for him to come back. If she cried in front of him, his heart would ache.

Rong Yan gritted her teeth. A woman's tears were not so cheap. They had to be worth it!

A woman who was not secretly wiping her tears away was too weak. This was not the style of her appearance.

Rong Yan stood in front of the window until midnight before going out. She carried

Rong Yan had wanted to sleep with

Rong Yan returned to the room where she was alone. She took off her pajamas and put on Liancheng Yazhi's shirt, letting his Scent Surround her. She lay down while hugging his pillow. She had thought that she would not be able to sleep that night, but she did not expect that after more than an hour, Rong Yan would fall asleep in a daze.

Although she was asleep, Rong Yan obviously didn't sleep well. She had a dream, and in her dream, Rong Yan's brows were tightly furrowed and she shook her head uncontrollably. Then, she suddenly sat up and shouted, "liancheng yazhi, you bastard. you haven't even had a wedding with me yet, yingluo."

After she shouted, Rong Yan was completely awake. She looked out of the window. The sun shone in and a new day had begun.

Rong Yan panted and raised her hand to rub her face. She was the one who had shouted in her dream just now.

She dreamed of Liancheng Yazhi. In fact, it wasn't a dream. She just recalled the entire process of her and Liancheng Yazhi's one night stand from the beginning until now.

Rong Yan hit Liancheng Yazhi's pillow hard. "Bastard, I was almost fooled by you. You brought this old lady to get the marriage certificate, but you haven't even given me a wedding. For some reason, we actually got married in secret and even gave birth to a child."

rong yan gritted her teeth. "when you come back," she said, "i want you to make up for it with a wedding of the century that everyone envies."
