

Permit Me 1341

Chapter 1341 Where's that kid, Liancheng?

Rong Yan took a look at the time. It was eight in the morning, and it was almost time to get up. next, she had to tell

as rong yan washed up, she was thinking about how to explain it to meowmeow.

Twenty minutes later, she went downstairs and saw Gu Hesheng, who had just finished his morning exercise.

seeing gu hesheng's face, he was a little embarrassed. he was already an old man, but he still woke up so early, " "You've gone for your morning exercise, so it's time for breakfast!"

"Alright, where's Liancheng? why hasn't he woken up yet?" Gu Hesheng laughed.

the smile on rong yan's face faded a little. "no, i was just about to tell you about him teasing him."

Gu Hesheng looked at Rong Yan's expression and knew that something had happened.

After the two of them sat down, Rong Yan told Gu Hesheng about Liancheng Yazhi going out for a while. However, she did not say what he had gone to do.

Rong Yan looked at Gu Hesheng awkwardly. because it happened at the last minute, Yazhi's matter is very urgent and serious. To the public, I can only say that he is recuperating at home. Mr. Gu, once Yazhi leaves, I have lost my pillar of support. So, I, Qianqian, would like to invite you to stay at my house for a while. If anything happens, I can at least find someone to discuss it with. Otherwise, I don't know what to do.

Rong Yan knew very well when to show weakness. Showing weakness was not cowardice, but a kind of wisdom.

Gu Hesheng used Rong Yan as a junior and his daughter. If a daughter showed weakness in front of her father, it would easily arouse his father's love. Therefore, this was the most effective way for Gu Hesheng, and it was also a very respectful way.

Gu Hesheng did not ask Liancheng Yazhi what he was going to do. He just laughed and said, "That's good, I don't want to go back yet, it's good to stay for a while longer."

Rong Yan said very seriously, "thank you, Zhenzhen."

"There's no need to thank me. I should be the one thanking you. In the past, I've always been alone for the new year. This year, I finally don't have to be alone. What a good thing."

While Rong Yan was dealing with Gu Hesheng, Secretary Zhou had already been sent to the prison.

There was news from the prison that Tang Zong had left the prison at almost eight o'clock.

Just yesterday, Secretary Zhou had returned to the capital at 11 am. In the afternoon, he had already arranged for Rong nuo's release for medical treatment. Now, he was going to pick her up.

before young master ya left, he instructed that tang zong must not find out. naturally, he had to be cautious. after confirming that tang zong had left, he personally led his men to the prison.

After arriving at the prison, Secretary Zhou came to the cell and called out, ” “Miss Rong nuo.”

Rong nuo had seen Secretary Zhou a few times before, so she was no stranger to him. Secretary Zhou, why is your Yueyue here? ”

Secretary Zhou didn’t want to waste too much time in prison. He said directly, ” “Young master ya told me to help you get medical release. I’m here to take you out.”

Secretary Zhou was very worried that Tang Zong would suddenly return.

“Why do you want me to be released on medical parole?” Rong nuo was extremely surprised. rong nuo suddenly remembered the note that liancheng yazhi had given her yesterday.

“Yueyue, get in the car first. I’ll explain it to you in detail on the way.” The cell door opened, and Secretary Zhou reached out.

Rong nuo still followed Secretary Zhou into the car. When she got into the car, she quickly asked,”What’s wrong? did something happen at my sister’s house?”

Secretary Zhou nodded. it’s Yingluo. Young master ya has something to do and won’t be home for a while. I hope you can accompany young Madam and tell her not to think too much.

Chapter 1342 i won’t feel wronged

Rong nuo was immediately nervous when he heard this. Secretary Zhou had deliberately made it sound very simple and not very serious. He was giving Rong nuo time to think.

just think about it, on the eve of the new year, her brother-in-law, who had always loved his wife as much as his life, suddenly wanted to leave home for a period of time. wasn’t this enough to show that he had to abandon his wife and daughter to deal with the matter on his own?

moreover, he suddenly asked her to leave the prison and go to liancheng’s house to accompany her sister. he must have been afraid that something would happen to rong yan when he was not around, so he found someone rong yan was familiar with and trusted to keep an eye on her.

The more Rong nuo thought about it, the more she felt that she understood the meaning of the note that Liancheng Yazhi had given her yesterday.

Secretary Zhou saw that Rong nuo’s expression changed so quickly and continued,”miss rong nuo, you know that our young madam has never had many friends. moreover, at this time, because of the importance of this matter, we can’t let more people know about it. young madam only trusts her younger sister and will think of you first for everything. she even argued with young master ya a few times. we also know that you may not want to leave the prison, but please be understanding for young madam and accompany young madam to help her get through this. please.”

Rong nuo quickly said, ” Secretary Zhou, you’re too polite. Of course, I have to help my sister. You should have come to me earlier. Is my sister alright now? ”

To Rong nuo, Rong Yan was the most important person in her heart, even more important than Tang Zong and Rong shenghai.

She treated Rong Yan as her mother and sister. No one else could understand the affection she had for her.

She was really happy to be able to do something for Rong Yan.

Secretary Zhou nodded silently. It was very easy to deal with Rong nuo. “Young master ya has just left, so young Madam must be in a bad mood. Please chat with her more when you arrive and try to make her happy.”

Rong nuo nodded, “yes, I understand, Zhenzhen.”

She was already thinking about how to make Rong Yan happy.

Secretary Zhou thought for a while and said, “there’s also something else, Wanwan. Because of the frequent accidents at home, Wanwan might not be able to go out often. I hope you can understand.”

Rong nuo laughed. that’s nothing. I’ve been in prison for so long. It doesn’t matter to me whether I go out or not.

“it’s been hard on you.”

rong nuo shook her head. “i don’t feel aggrieved. not at all. ”

She had never felt aggrieved. She had always been very calm!

Rong nuo suddenly thought of something. ah, by the way, Hanhan, Secretary Zhou, can you please buy me a set of women’s clothes? I’m not in a good position to meet the child like this.

ah, sorry, “Secretary Zhou quickly said. I almost forgot. These are your clothes.

he handed a paper bag to rong nuo, and then asked the driver to lower the partition!

Rong nuo was in the back seat of the car, changing her clothes. Other than her hair being a little awkward, she was basically a new person.

after driving for nearly two hours, secretary zhou successfully brought rong nuo to the lian family’s house.

The car stopped outside the gate of Liancheng’s house. Secretary Zhou got out of the car and opened the door of the back seat. “Miss Rong nuo has arrived. I have not informed young Madam of your arrival. Young master ya said that he wanted to give her a surprise.”

Rong nuo pinched her fingers nervously. I’m a little scared of Yingluo.

For some reason, Rong nuo was both excited and nervous at the thought of meeting MeowMeow and living with Rong Yan for a while.

Chapter 1343 Can I give you a hug?

Secretary Zhou smiled. that’s normal. But I’m sure young Madam will be even happier to see you.

He had a good impression of Rong nuo. Putting aside other things for the time being, her feelings for Rong Yan were really not fake at all.

Secretary Zhou smiled at Rong nuo and said, “miss Rong nuo, please follow me.”

Rong nuo took a deep breath and followed Secretary Zhou to the front door.

Secretary Zhou rang the doorbell. After a while, a maid came to open the door. When she saw Secretary Zhou, she quickly said, “Secretary Zhou, you’re here! Please.”

The maid was very surprised to see Rong nuo, but because she was someone brought by Secretary Zhou, she did not dare to ask more.

before entering the living room, rong nuo heard the child's cry. the little girl's cry was not too loud, but it made one's heart ache.

“Secretary Zhou, this Chenchen.”

After entering the door, Secretary Zhou asked Rong nuo to stand behind him. He was tall and could block Rong nuo. young Madam, miss Wanwan.

Hearing Secretary Zhou's voice, Rong Yan raised her head. Secretary Zhou, you're here. Is there anything? ”

Rong Yan had a terrible headache as she did not know how to coax her daughter. When she heard Secretary Zhou's words, she was very puzzled. At this time, she would only be happy if she sent Liancheng Yazhi back. Only then would her daughter be happy.

secretary zhou smiled and moved aside to let rong nuo show up.

rong yan was dumbfounded when she saw rong nuo, who was wearing a pink mid-length woolen coat and thick camel-colored snow boots. she was dressed in a fresh, sweet, and somewhat childish manner.

secretary zhou looked at the dumbfounded rong yan and smiled, but did not say anything to remind her. instead, rong nuo walked over to meowmeow, bent down, and squatted down. “meowmeow, i’m your aunt. do you know me?”

Rong nuo's smile was particularly friendly. then, can you let aunty hug you? ”

rong yan's eyes suddenly felt a little sour. liancheng yazhi had thought of everything for her before he left. he was afraid that she would overthink things at home, so he had gotten rong nuo out of prison to accompany her.

Rong Yan held back her tears and put her arm around Rong nuo's shoulder."You can freeload food and drink at my house. If it's not enough, you have to help me cook and take care of the child."

"Alright, leave MeowMeow to me," Rong nuo said immediately.

Rong Yan pinched meowmeowmeow's little face. hurry up and take this little bad guy away. His temper is getting worse recently.

rong nuo picked up because we're princesses. Of course, we can't be so easy to please.

”

Rong nuo's sudden change made MeowMeow forget that she was looking for her father. She called out obediently, "I remember Yingluo, aunt Yingluo."

When Rong Yan saw Gu Hesheng, she remembered her loss of self-control just now and was very embarrassed. She quickly straightened up and introduced him to them, " "Mr. Gu, this is my sister, Rong nuo. She just came back from outside."

"Rong nuo, quickly call for someone to come."

Rong nuo put down meowmeowmeow and stood up. Mr. Gu, I've seen you on TV before.

Gu Hesheng nodded and said to Rong Yan, " "Haha, this kid is not bad, Yingluo."

Rong Yan said to Rong nuo,"it's winter. MeowMeow's brother, this child doesn't talk much."

"Winter, this is sister Rong nuo, Huanhuan."

"Hello, winter." Rong nuo waved at Dong Tian.

Dong Tian stood up and hesitated for a moment. Rong Yan could guess how he was addressing Rong nuo. Dong Tian, this child, had his own personal experience in addressing adults.

Rong Yan suddenly felt a little anticipation. She guessed that Dong Tian would address Rong nuo as miss or sister.

Dong Tian was silent for a moment before he lowered his head."Hello, Sister Rong!"

Chapter 1345 the lovely winter!

this form of address made rong yan feel a little jealous. he had been at home for so long in the winter, but he still called her young madam and liancheng yazhi young master, while he called rong nuo 'sister' when she had just arrived. the relationship between them was too obvious.

Rong Yan held her face and made a sad expression."Dong Tian, are you sure you want to do this?"

"Why not?" Dong Tian asked.

you call me young Madam, and you call me sister. Is that okay? "

Dong Tian was silent for a moment before he lowered his head and said shyly,"I won't, Auntie!"

The smile on Rong Yan's face instantly brightened. "good boy, ask the kitchen to add more dishes this afternoon. tell butler li what you want to eat. "

mm, mm, mm. Dong Tian still lowered his head and gave a soft " mm.

Rong Yan looked at Dong Tian and felt that he was so shy and a little aloof. He really looked so cute. She also wanted a son like him.

Rong Yan could not help but pounce over and pinch Dong Tian's face like a child."He's so cute, Yingluo."

Dong Tian's face was very red. He had never had such close contact with an elder before. He had never been treated like this before, so he was not used to it. He was shy and shy!

Secretary Zhou saw that the atmosphere at home had become lively and suddenly felt that their young master ya was too wise. Bringing Rong nuo over was really a great idea.

secretary zhou said to rong yan, " young madam, i've brought her here. i'll leave miss rong nuo to you. i still have something to do. i'll leave first. "

"Okay, thank you for your hard work, Secretary Zhou. If it's not urgent, you can take a break and have a cup of tea before you leave, Hanhan."

"thank you, young madam, but it's fine."

"Alright, I'll send you off." Rong Yan stood up.

Secretary Zhou wanted to say that he didn't dare to let her send him, but when he saw Rong Yan's meaningful gaze, he didn't say anything. It seemed that the young Madam had something to say to him.

Rong Yan lowered her head and instructed Rong nuo. look after MeowMeow and talk to Mr. Gu. I'll be back soon.

Rong nuo nodded,"yes, good Zhenzhen."

Rong Yan and Secretary Zhou walked out of the living room together. When they reached the courtyard, the cold wind made Rong Yan shiver. She asked Secretary Zhou, " "Do you know where Yazhi is now?"

Secretary Zhou followed behind Rong Yan. I don't know. Young master ya's actions this time will definitely be kept a secret.

rong yan stopped and faced secretary zhou. " " secretary zhou, you'll start working after the annual leave next week. you'll probably be very busy then, and it'll be very difficult for you to get through this period. thank you for your hard work. "

secretary zhou quickly lowered his head. " young madam, what are you saying? this is what i should do. young master ya transferred two people back from overseas in advance this time. with them, i feel much more relaxed. they have already arrived this morning, and i will bring them to visit you tomorrow. "

Rong Yan nodded and said,"sure, Yingluo."

“Young Madam, this time, young master ya has asked Tang Zong to help protect you and young miss. He will probably come over soon. Young master ya said that you don’t have to treat Tang Zong coldly and just order him around. Young master ya has a deal with him, so you don’t have to feel that you owe him anything.”

Secretary Zhou guessed that Tang Zong would soon know that Rong nuo had left the prison.

He did not deliberately hide Rong nuo’s whereabouts because he wanted Tang Zong to know that she was a guest at the Liancheng family’s house.

I believe that Tang Zong will be here very soon.

Rong Yan smiled and nodded. yes, I know. Yazhi told me before he left. I’ll order his Yingluo around.

Chapter 1346! Tang Zong is jealous

After Secretary Zhou left, Rong Yan stood in the courtyard, feeling a little sad. In the past, it was too difficult for Liancheng Yazhi Bai to go to work in a European style and he could only accompany her at night. At that time, she didn’t feel anything.

Now, he had only left for one night, but Rong Yan felt that this huge Liancheng house was missing a lot of things.

Even though she had her daughter by her side, and it was winter, and there were Gu he Sheng and Rong nuo had moved in, Qianqian still felt empty!

Rong Yan only stood in the courtyard for a short while before going back.

Rong Yan, who had returned to the living room, was talking and laughing with Rong nuo, discussing the current antique market with Gu Hesheng, and watching winter and MeowMeow play. Time slowly passed in peace.

In order to celebrate Rong nuo’s arrival at noon, Rong Yan suggested having a barbecue for lunch. She asked the maids at home to prepare it on the grass outside and held a barbecue party with everyone. The entire courtyard was filled with laughter and seemed to be even more lively than when Liancheng Yazhi was at home.

Just as they were enjoying their meal, Tang Zong suddenly appeared with an extremely anxious expression on his face.

Rong Yan was not surprised to see him. She waved at him.”tang zong, you’re here. since we’re having a barbeque, let’s eat together. you’re so good at cooking, so it’ll definitely be good for you to barbeque. come over quickly.”

Because Tang Zong had rushed all the way here, his breathing was a little rushed. His eyes swept across the crowd and soon saw someone holding

Rong nuo also saw him, but Rong nuo’s reaction was particularly calm. She only glanced at him lightly and did not look at him again. She continued to lower her head and speak softly to MeowMeow.

Rong nuo was very patient with children, even more so than Rong Yan.

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
eowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
wmeowmeowmeowmeowfather, Rong nuo always had a way to make

In her heart, she felt that Rong nuo was too bad. On the night of Chinese New Year's Eve, she was so mean to her. After eating, she did not take responsibility. Now, she simply pretended not to know her. She was too bad.

However, Liancheng Yazhi was even worse.

Liancheng Yazhi had left in a Huff, but he still wanted to set him up ruthlessly. He was too sinister!

Rong Yan realized that there was something wrong with Tang Zong's resentful eyes and called out, "Tang Zong, What are you looking at?"

Rong Yan said to Tang Zong, "Oh right, my younger sister will be staying at my house in the future. I won't be introducing her to you guys."

He really wanted to say, “we already have a basic understanding of each other and really don’t need you to introduce us!”

Chapter 1347-taking advantage

After Tang Zong arrived, Rong Yan just waited for her food. In the beginning, she had secretly paid attention to Tang Zong and Rong nuo's attitude. After all, they used to live as neighbors when they were in the police station. At that time, Tang Zong had even snuck out with Rong nuo.

However, after observing for a while, Rong Yan realized that Tang Zong was not looking at Rong nuo and was focused on roasting the food. Rong nuo, on the other hand, was seriously feeding MeowMeow and only glanced at Tang Zong a few times. There was nothing strange about it.

Only then did Rong Yan relax. However, she remembered that she had discussed with Liancheng Yazhi before that Tang Zong could be her boyfriend if he continued to develop like this.

therefore, rong yan decided to observe tang zong's recent performance. if they were similar, it would be fine for him to be with rong nuo!

Rong nuo and Tang Zong did not know what Rong Yan was thinking at this moment, and they had different thoughts.

Rong nuo was thinking, "that bastard Tang Zong, now he doesn't dare to come to find me, it's finally quiet. Hmph, he deserves it!"

and tang zong was thinking about another matter!

Because Tang Zong and Rong nuo were behaving normally, the atmosphere at lunch was quite lively, and the dark clouds in Rong Yan's heart were blown away.

Ever since Tang Zong arrived in the afternoon, he had not left for the entire afternoon.

In the afternoon, Rong nuo played with

Meanwhile, Rong Yan was playing Go with Gu Hesheng. The two of them were drinking tea while playing Go. Rong Yan's go skills were not very good, so she was listening to Gu Hesheng's advice while playing, and did not have time to look at Rong nuo's situation.

Therefore, Tang Zong was very well-behaved at first. Later, when he realized that Rong Yan was not even looking in his direction, he began to take advantage of Rong nuo.

Meowmeowwinter lowered his head to pick up the building blocks, and he quickly stretched his head to kiss Rong nuo on the face.

Or, he would reach behind Rong nuo, get into her clothes, and touch her waist!

He made Rong nuo so annoyed, and his actions became more and more obscene, and in the end, he even dared to pinch her chest when no one was paying attention!

this angered rong nuo to death, but she didn't dare to make a sound, afraid of being seen by others, afraid of being discovered by meowmeowmeowwinter.

No matter how fiercely Rong nuo glared at him, Tang Zong did not look at her and continued to touch her!

he even raised his chin at rong nuo smugly, as if to say: I'm touching my woman, what can you do about it?

But Rong nuo was so angry!

The afternoon slowly passed by with everyone's attention on different things.

After a few rounds of chess, the sky outside had darkened. Rong Yan put down a white piece. I really can't match Mr. Gu's chess skills even if I practice for another 20 years!

Gu Hesheng laughed, "you ... It's mainly because you didn't put your mind on playing chess, Huanhuan."

Rong Yan's expression darkened slightly. All her thoughts were on Liancheng Yazhi now!

you're right. I'll pay more attention to Yingluo next time. Rong Yan chatted with Gu Hesheng for a while before standing up to look for Tang Zong to ask him to start preparing dinner.

In the end, she found that Rong nuo's face was especially red, and she quickly asked, "Rong nuo, what's wrong? Do you have a fever?"

Rong nuo hurriedly said, "no, no. I'm in good health. Maybe it's because the temperature in the room is high. I'm wearing a little thick.

Chapter 1348-burning gaze

as rong nuo said that, she hated tang zong to death in her heart. this bastard, it was all his fault!

if she was found out, she would definitely teach him a lesson.

Rong Yan raised her hand and touched Rong nuo's forehead."Is that so?"

"It's a little hot!"

Rong nuo took a step back. big sister, it's okay. It's okay. I'm really okay. I'll be fine after I take off my clothes.

Rong Yan was worried,"you must tell me if you're not feeling well!" there's a doctor at home, so it's very convenient to see patients."

"yes, i'll remember." rong nuo nodded.

rong yan pulled her over. " come, have some fruit first. tang zong has already gone to cook. that kid, although he looks a little childish and unreliable, his cooking is really delicious. "

Rong nuo responded randomly,"en, Zhenzhen."

Her eyes were a little flustered and she did not dare to look into Rong Yan's eyes. She accidentally saw Dong Tian and saw that he was looking at her with curiosity. This made Rong nuo feel guilty. It was over. Dong Tian must have seen her.

Did he really think that children were so easy to deceive?

Dong Tian calmly turned his head and pulled MeowMeow to eat some fruit. As he walked, he lowered his head and said something to MeowMeow. Then, MeowMeow turned back to look at Rong nuo.

Rong nuo's heart skipped a beat. Did MeowMeow see it too?

She gritted her teeth and glared at the kitchen. Bastard!

In the kitchen, Tang Zong sneezed violently.

Dong Tian had indeed seen Tang Zong making a move on Rong nuo. He was a child who matured early, and if he had not sensed that Rong nuo and Tang Zong knew each other, he would have already beaten Tang Zong up.

When they were eating the fruits, Rong Yan even said to Rong nuo, why don't you just stay here this time and don't go back? I'll help you find a good man. You're not young anymore. You should get married.

Rong nuo nodded and smiled. alright, I'll listen to you. However, when brother-in-law comes back, I still want to go back. Anyway, it won't be long.

Rong nuo did not object to Rong Yan's suggestion of finding a good man for her. Her feelings for Tang Zong had not yet reached the stage of love, and she did not want Rong Yan to worry.

"you're so stubborn." rong yan poked her forehead.

The sisters were talking intimately, and no one noticed that Tang Zong, who had just come out of the kitchen, happened to hear this sentence. Then, the look in his eyes changed instantly. The way he looked at Rong nuo was as if he wanted to burn her.

Rong nuo felt a burning gaze behind her, which made her feel uncomfortable. She knew who it was, so she did not turn back!

"Dinner's ready. We can eat now." Tang Zong glared at him for a while.

Rong Yan said to Dong Tian,"Dong Tian, take your sister to wash her hands!" Then, come over for dinner."

Dong Tian nodded and pulled MeowMeow to wash her hands!

at the dining table, tang zong was very calm. as he listened to rong nuo and rong yan speak, he would interrupt from time to time, and he did not seem to be acting strange at all.

The atmosphere of the meal was quite good. Dong Tian was focused on feeding

He ate so fast in winter that Rong Yan had told him several times not to eat so fast. It was bad for his stomach, but it didn't seem to work.

Dong Tian put down his chopsticks and stood up. aunty, I'm taking MeowMeow out to play.

"Go." Rong Yan nodded.

Chapter 1349 If he wanted to die, he shouldn't drag her along

Rong nuo said to Rong Yan, "eldest sister, with winter, you don't have to worry about MeowMeow at all. This child has done a great job.

rong yan nodded. "that's right. that's great. i'm a little disappointed!"

Winter had done too well, and MeowMeow was also very dependent on him. The little fellow was very happy to have an additional brother at home who could play with her. If it was not for winter, she would have cried for the next few days after Liancheng Yazhi left.

all of a sudden, tang zong spoke, sister, Qianqian, when your husband left, the girl told me to take care of you and your daughter while he was away. I agreed to it. You see, you've been in trouble recently, and MeowMeow is in trouble too. It's not very peaceful, so I've decided to move in with Qianqian. That way, if something happens, I can help at the first moment. What do you think? "

Rong Yan didn't think much of it and nodded. "Hmm, sure. The more family members I have, the happier I am!"

Now, there were two children, an old man, and two women in the family. The old, the young, the women, and the children, the disadvantageous group!

If something happened, she really couldn't deal with it. Since Tang Zong had taken the initiative to bring it up, Rong Yan naturally wouldn't refuse.

however, rong yan did not see rong nuo's sharp eyes. the sharpness of her eyes was comparable to the kitchen knife.

tang zong turned a blind eye to rong nuo's glance and smiled at rong yan."Don't worry, I'll protect you, MeowMeow, and everyone else. I'll do what I promised."

Rong nuo lowered her head and poked the rice in her bowl with her chopsticks, as if she was treating Tang Zong's rice as Tang Zong's, and poked it with all her might!

The thought of living in the same place as Tang Zong in the future, and in her sister's house at that, and the danger of being discovered at any time, made Rong nuo feel all kinds of bitterness!

Rong Yan asked Butler li to arrange a house for Tang Zong. There were many houses in the house anyway, so she could just get him one.

Butler li thought for a moment. Tang Zong was a man after all, and he could not let him stay on the second floor. So, he arranged for him to stay on the third floor, and Rong nuo's room was on the second floor!

Rong nuo heaved a sigh of relief after learning about it. The house she lived in was not too far away from Rong Yan's bedroom, so it was relatively safe.

However, Rong nuo was too naive.

At night, after everyone had fallen asleep, Rong nuo did not fall asleep because she had suddenly changed her place and had not slept on such a soft bed for a long time. Her mind was filled with thoughts.

However, just as she was about to fall asleep, she suddenly heard a knock on the window. It was not very loud.

rong nuo didn't care at first, but the sound continued and finally woke her up. it felt like there was a fly flying over her head.

Rong nuo fretfully lifted the blanket and pulled open the curtains. Then, she saw Tang Zong's magnified face leaning against the window, smiling at Rong nuo.

Rong nuo gritted her teeth. This bastard, do you want to die? if I want to die, I shouldn't drag her along. This place is so close to Rong Yan's room. If she finds out, she will definitely be finished.

Tang Zong blew a breath of hot air towards the glass outside. Very quickly, a layer of mist covered that piece of glass. Then, Tang Zong wrote a word on it: "Open!"

The corner of Rong nuo's mouth twitched, and she gestured to him to turn around, then turned around and ignored him!

But just as she turned around, Tang Zong began to knock on the window again, and his voice was even louder than before!

Rong nuo gritted her teeth and turned to Tang Zong."Let's go, Zhenzhen!"

Chapter 1350 Climbing through the window in the middle of the night

Of course, Tang Zong would not leave so easily. He had waited for an entire day, and finally, he had an opportunity to be alone with Rong nuo. Of course, he would not give it up. At this time, even if Rong nuo were to cut him with a knife, he would not leave.

Rong nuo chased after him for a while, but Tang Zong still did not leave. She was angry and scolded in a low voice, "Get lost!"

In the end, outside the window, Tang Zong opened his mouth and slowly mouthed three words. "I won't get lost!"

This really made Rong nuo very angry. She really regretted how she had provoked such a devil incarnate in the first place, and now she was stuck to him like glue.

Tang Zong stealthily opened the window with his hand and said, "open the Kasaya and quickly Kasaya."

Finally, he took it out and typed in a few words. The content was as follows: Nono, it's very cold. It's -6 OR -7 degrees Celsius outside, and my hands and feet are almost numb from the cold!

Rong nuo frowned after seeing it. She found a piece of paper and a pen from the room and quickly wrote a few words: If you're numb from the cold, hurry up and go back!

Tang Zong looked at her with an aggrieved expression, as if he was accusing her of being so cruel!

Tang Zong hurriedly typed another line of words, "I'm not leaving. If you don't let me in, I'll lie here for the night."

Rong nuo was so angry that her chest felt a little tight-whatever, I'm not the one freezing to death anyway!

She pasted the paper she had written on the glass for Tang Zong to see!

Tang Zong was so anxious that his hair was almost turning white. He couldn't continue to stay outside like this.

In the end, Tang Zong's eyes widened as he thought, are you going to open it?

Rong nuo rolled her eyes, "no!"

Helplessly, Tang Zong had no choice but to use his final trump card. He did not believe that Norb would give in. He furiously typed another line of words on his phone: If you don't open the window, I'll scream and wake your sister up. I'm going all out. At most, I'll just die. I'm not afraid. You know that when I'm naughty, even the heavens can't stop me.

Rong nuo's eyes widened and she cried out, "don't you dare!"

Tang Zong raised his chin. Who didn't know that in this world, there was nothing that he, Tang Zong, didn't dare to do? that face of his that deserved a beating really made one feel like beating him up!

Tang Zong raised his rootless fingers, and then looked at Rong nuo bending them one by one.

Rong nuo knew that this was her Final Countdown. She was anxious, afraid that she would be found out, but she did not want to let Tang Zong in. But as she watched Tang Zong's fingers bend down one by one, she was so anxious that her forehead was covered in sweat.

Tang Zong retracted his last finger and watched as she slowly opened her mouth. She took a deep breath and was ready to shout out.

At this time, Rong nuo opened the window and pulled Tang Zong in. Then, she covered his mouth tightly, not letting him shout.

the window was suddenly opened, and the cold wind from outside came in instantly, blowing up the wide curtains like a sail that was instantly full. rong nuo, who was wearing thin clothes, shivered.

Tang Zong was happy that he had succeeded. He could feel that Rong nuo had turned cold. He stretched his long arms behind him and closed the window with his hands behind his back!

Then, the only thing left to do was to hug Rong nuo and roll her to the ground.

Rong Yan was a thoughtful person. Afraid that Rong nuo would feel cold, she had specially asked the servants to lay a carpet on the floor of Rong nuo's bedroom. So, when the two of them fell, there was only a muffled sound and no pain.

Rong nuo's hand was still covering Tang Zong's mouth. He stuck out the tip of his tongue and licked her palm twice, just like when he kissed her body. It was eager, greedy, and infatuated, like a person who had been thirsty for a long time and finally had a sweet spring water.
