

Permit Me 1351

Chapter 1351-I miss you!

there was a wet and numb feeling in her palm. rong nuo shivered and immediately let go of tang zong.

Rong nuo's eyes were red with anger. She scolded in a low voice, "Tang Zong, what are you doing? This is the Liancheng family's house, not a prison. It's not a place where you can do whatever you want!"

Rong nuo was very angry. She was at her wit's end when faced with Tang Zong's shamelessness!

She couldn't let her sister know about this. She could only let Tang Zong in. But, the consequences of letting this bastard in would be her!

tang zong snorted, hugged rong nuo, and lowered his head to kiss her face. there was a hint of childishness in his waywardness as he said anxiously, "I don't care where I am. I miss you, I miss you, and no one can stop me from seeing you, Hanhan."

rong nuo's breath was a little unstable from tang zong's kiss. she reached out and pushed his chest, trying to push him away. "Bastard, let go of me! Go back and take a walk!"

I don't want to! how could Rong nuo push Tang Zong away? he was willful, overbearing, and unreasonable. What he wanted, others wouldn't give it to him. He would snatch, snatch, pester, and use all kinds of means to get it.

Tang Zong hugged Rong nuo even tighter. Rong nuo was wearing a thin nightdress and was not wearing any underwear underneath. When she was struggling, her neckline had opened wide, revealing the marks left behind from the night of Chinese New Year's Eve. After Tang Zong saw it, his eyes became even deeper.

Tang Zong was a Wolf that had tasted meat. In the past, he had only seen other people eat meat, and did not know how delicious it was. Later, under Rong nuo's guidance, he had smelled the fragrance of meat and touched it. However, he had never tasted it himself. On the night of New Year's Eve, Rong nuo had accidentally drunk too much and personally delivered the meat into the mouth of Tang Zong's Wolf.

having tasted the taste of the meat, tang zong finally understood what kind of taste it was. it was soul-crushing and bone-devouring, a one-time addiction that one would never be able to get rid of. whenever he saw her, he would want to pounce on her, want to have her, taste her again and again, and keep this piece of meat in his mouth so that no one could covet it or snatch it away from him.

The desire of a little man who had tasted meat was like a flood that couldn't be stopped, nor could it stop the lustful.

Unfortunately, it was too late for Rong nuo to regret!

Tang Zong had already stripped Rong nuo half-naked, and was gnawing and sniffing her body like a Little Wolf Cub.

Rong nuo's body was gradually changing, but she was very worried. Tang Zong, stop it. Stop it. Don't go down anymore ... Stop it, stop it quickly ...

Tang Zong raised his head and pitifully said, "nuo nuo, I miss you so much. I miss you, Yingluo."

"Big sister will find out. Stop it, Yingluo!"

"she won't, she's already asleep!"

Tang Zong had just finished speaking when someone knocked on the door. "Rong nuo, are you asleep?"

It was three o'clock in the morning, the time when Rong Yan was ready to go back to her room to sleep after washing up MeowMeow.

Rong Yan's sudden voice made Rong nuo's body stiffen in fear. However, Tang Zong was not afraid at all. He took advantage of Rong nuo's moment of shock to strip her naked and carry her to bed.

While kissing her, Tang Zong whispered in her ear, "It's fine, just don't say anything, Yingluo."

Rong nuo gritted her teeth. Bastard, don't let her say anything. He can't touch everywhere, don't kiss randomly, don't, do those embarrassing actions!

The moans in her throat kept wanting to escape. Rong nuo was embarrassed, angry, and angry. In the end, she couldn't hold it anymore and bit Tang Zong's shoulder!

Chapter 1352-most shameless person

Outside the door, Rong Yan listened for a while but couldn't hear Rong nuo's voice. She muttered to herself, "are you asleep? But I really did hear someone talking just now! It's so strange, Yingluo."

Rong Yan shook her head and left, not thinking much about it. How could she have thought that at this time, Tang Zong would be so bold as to climb from the third floor to the second floor in the middle of the night and enter Rong nuo's room? This was right under her eyes!

When the sound of Rong Yan's footsteps gradually faded away, Rong nuo finally heaved a sigh of relief. Fortunately, her sister had left! Otherwise, if she was discovered, she would be too embarrassed to face her elder sister!

Rong nuo took a deep breath and prepared to deal with Tang Zong, who was on top of her. "Tang Zong, you bastard, get up quickly!"

Rong nuo bit her lip in time to prevent herself from making an embarrassing sound.

Tang Zong lay on Rong nuo's body and snorted. I'm a bastard. Will a bastard listen to you? I won't get up!"

Rong nuo struggled. "get up, it's so heavy, you're not allowed to, wait, Tang Zong, stop ..."

However, it was already too late before he could finish his sentence. Tang Zong was no longer a young boy who knew nothing.

Men seemed to be very talented in this area. After their first time, they could quickly find the skills and then be self-sufficient, without the help of Rong nuo at all.

Tang Zong now knew what to do, how to eat the meat, and what Rong nuo had to do was to play the role of a good piece of meat for him to eat over and over!

Rong nuo's body was covered in a layer of sweat, as if she had just been fished out of the pool. She bit Tang Zong's arm, and her body was twitching violently.

Finally, it was over. Tang Zong did not feel uncomfortable at all with the sticky and wet clothes on their bodies. He hugged Rong nuo tightly and asked, "Baby, do you like Yingluo?"

The more afraid a person was, the more excited and sensitive their body would be. After one round, Rong nuo felt like she had run a marathon. All the strength in her body was exhausted. She said hatefully, "Like Yingluo your sister! Yingluo get out of here!"

Tang Zong, who was very satisfied and happy, was now in a very good mood. He rubbed against Rong nuo's body and said coquettishly, "If you don't get lost, Yingluo!"

Rong nuo raised her leg and gave Tang Zong a soft kick. "You're already satisfied now, Yingluo. Why aren't you leaving, Yingluo?"

Tang Zong acted shamelessly. I'm not leaving. It's only once. How can I be sent away so easily? let's clear up the fact that I said something wrong. One time is good enough. I want to sleep with you! I can't sleep if I don't hug you."

Rong nuo was so angry that she was panting heavily. are you going to get lost or not? "

Tang Zong looked at the beautiful white scenery in front of him and gulped. How could one time be enough? He was a hungry wolf that had just broken out of the cage! After knowing how delicious the meat was, how could it be so easy to fill one's stomach?

However, Tang Zong still had some self-control. He shamelessly said, I'm not leaving. Don't be angry. I'll carry you to take a bath first. You see, your body is too weak. You've only done it once and you're already sweating so much. You must train well in the future, or you won't be able to take it.

F * ck, that's why Tang Zong was said to be the most shameless person in the world.

He ran into the girl's room in the middle of the night and rolled around in the sheets without any explanation.

After they had sex, he even complained that she was weak. What was worse was that he bluntly said that he would have a long time like this in the future. In the future, he would not be sent away once every night. He was the famous man who could do it seven times a night!

Rong nuo had no more energy to say anything, so she closed her eyes and pretended to be dead!

Chapter 1353 Definitely can't get pregnant

After that, Rong nuo was so angry that she had given up. No matter what Tang Zong said, she would close her eyes and not say a word.

Seeing that Rong nuo was indeed angry, Tang Zong started to worry.

he very obediently gave rong nuo a bath, then wiped her body clean, and obediently hugged her to the bed and covered her with a quilt to sleep, not daring to make any other movements!

He gently patted da Rong nuo's back. nuo nuo, go to sleep. I will leave when the sun is about to rise. Don't worry, no one will find out!

Rong nuo frowned. Her lips moved a few times, but in the end, she did not speak.

She didn't want to bother with Tang Zong now. She was so angry that she didn't even want to look at him. Let him be. If he got caught, at most, she would just have to be taught a lesson by her big sister. When that time comes, she would seriously admit her mistakes and repent.

Rong nuo was really physically and mentally exhausted, and it didn't take long for her to feel exhausted and sleepy.

Just as she was about to fall asleep in a daze, a cold thought flashed through Rong nuo's mind. She was so scared that she shivered and woke up instantly.

Tang Zong was still awake. He could feel Rong nuo trembling and quickly asked, "What's wrong with Nono? are you cold?"

Rong nuo's two eyes stared at the ceiling in a daze. A few seconds later, she suddenly sat up and turned to push Tang Zong. "Hurry up, go out and buy me some medicine. Hurry up, Yingluo."

Tang Zong was frightened. He asked anxiously, "nuo nuo, what's wrong? where are you feeling unwell? why did you buy medicine?"

rong nuo's strength seemed to have returned. she kicked tang zong and said angrily, bastard, it's all your fault. Go get me some birth control pills!

They didn't have any protective measures at all just now, and it wasn't the safe period now. What if she got pregnant?

"A female prisoner in a prison who got pregnant during her sentence. Whose child can enter the female prison? damn it, will this grab the news headlines?

Most importantly, if she was really pregnant, then it would be impossible to hide it!

Big sister would definitely find out.

Rong nuo didn't even dare to imagine what would happen if Rong Yan found out that not only was she having an affair with Tang Zong, but Yingluo was also pregnant with him. Wouldn't that anger her eldest sister to death?

On the night of New Year's Eve, she didn't take any protective measures, and she didn't take any medicine after the deed. She couldn't do it again this time.

Tang Zong saw how afraid Rong nuo was of getting pregnant and felt very sad.

"Nuo nuo, do you really not want to get pregnant?" he asked, feeling wronged.

Rong nuo was so angry that she was about to cry. This was no longer a matter of whether she was willing or not, but a matter of whether she could not.?

"Tang Zong, do you think I can get pregnant at this time? I'm a criminal and I'm still in prison. If I get pregnant and this gets out, how many people will be involved in this matter? do I still want to be a human?"

Tang Zong pursed his lips. I'm here. I won't let such a thing happen. This is just a small matter. Do you think that I can't even handle such a small matter? "

If she was really pregnant, he could get Rong nuo out without letting anyone know.

Rong nuo rubbed her forehead. She really felt that she was going crazy. then how will you make my sister look at me? to make her completely disappointed in me? Don't talk nonsense, you can't get pregnant at this time. Hurry up and get the medicine. Yingying didn't take the medicine last time, I don't know if something will happen."

Under Rong nuo's strong request, Tang Zong had no choice but to climb out of the window unwillingly. He walked back and forth a few times in the cold wind, but did not go out.

Chapter 1354 Oh, vitamins!

Tang Zong really did not want to buy any birth control pills for Rong nuo. He really hoped that Rong nuo would get pregnant and have a child, so that she would not be able to escape even if she wanted to.

but rong nuo's temper was stubborn, and she had no choice but to buy it for her.

However, Tang Zong's brain was good. He immediately thought of Natsume, who gave him an injection the last time.

Hence, Tang Zong quickly ran to the small building behind the big villa, where Natsume's laboratory was located.

After much effort, Natsume finally knocked on the door of the laboratory after he was annoyed by the people. When Natsume saw that it was Tang Zong, his expression turned ugly. what are you doing? "

It was Tang Zong's first time entering Natsume's laboratory. He looked around and smelled the pungent smell of various medicines in the air. He sneezed, rubbed his nose and said,"Go do your thing and don't mind me. I'm here to get some medicine."

natsume was not in a good mood,"what medicine?"

Tang Zong touched his chin and thought for a while before saying, give me some of that crickets. Vitamin B, vitamin A, whatever. It's for nourishing the body, but it's harmless.

Natsume stopped his experiment. He pushed aside the bangs that were covering his eyes and looked at Tang Zong with a strange expression. "What's wrong with you, coming to me in the middle of the night to ask for vitamins? do you have any other ulterior motives? Wait a minute, master ya, we've just left, what do you want to do?"

Tang Zong hurriedly waved his hand. no, no, you've misunderstood, I really didn't. I really came to you to ask for some vitamin tablets. I don't have any other intentions, and I don't have any clandestine plans. I stayed at the Liancheng family's house because I promised Liancheng Yazhi to help him protect his wife and daughter. I definitely have no other intentions.

Xia mu sized Tang Zong up."Then tell me clearly, why are you looking for vitamin tablets in the middle of the night? I see that you're too well-nourished, so you don't lack anything!"

Tang Zong sneezed again. I'm not eating it. I'm Yingluo's food for someone else!

"Why? for whom?"

Oh, don't ask me about that. I want vitamin tablets, not poison. Why don't you give it to me? "

Natsume still shook his head. if you don't want to tell me, then I won't give it to you. It's my medicine. We have to find out who it's for and what it's for.

Natsume kept asking, and Tang Zong finally had no choice but to say, "Okay, okay, I'll tell you. This is for my girlfriend, Yingluo."

"Damn, you have a girlfriend? which girl is so unlucky?" Natsume found it hard to accept.

Tang Zong was unhappy. f * ck, what do you mean by this? why are you asking so many questions? hurry up and give it to me!

Natsume casually took out a small bottle of vitamin tablets from a pile of medicine bottles and threw it to Tang Zong. highly concentrated. One piece a day is enough.

"Thank you, Zhenzhen!" Tang Zong happily opened the medicine bottle and poured out a pill. The pill was slightly yellow and not pure white. Furthermore, there were small words "vitamin B" printed on it. "Can you remove the words on it?"

Natsume was confused and immediately asked, 'what exactly do you want? What kind of medicine are you trying to pass off as this vitamin? What are you planning?"

Having his weakness pointed out, Tang Zong felt guilty and said, "no, i'm not pretending to be anything, yingluo. i just want to remove the words on it."

"Not telling? Alright, then you don't have to take it. " Natsume snatched the B vitamin tablets back from Tang Zong's hands. go ahead. The medicine I use must have a clear purpose. Don't try to fool me. It's useless.

Chapter 1355 The feeling of wanting to be a father

It wasn't that Natsume was suspicious. Liancheng Yazhi wasn't at home, and Tang Zong was living here alone. It was too strange that he came to him in the middle of the night to ask for vitamins, but he even wanted to grind off the words on the pills. So, this matter had to be clarified!

Tang Zong tried his best to persuade Natsume, but Natsume did not fall for his tricks and refused to give him anything.

in the end, tang zong could only helplessly say, " hey, don't be like this. i'm really giving this to my girlfriend. i don't have any other intentions and i don't have any bad intentions. i just want yueyue to take the morning-after pill. you know what i mean. "

Natsume rolled her eyes. I know! You're trying to use vitamin tablets as birth control pills! She doesn't want to give birth to your child, yet you're playing dirty."

His thoughts had been exposed. Tang Zong hurriedly denied. "No, Yingluo, no, I'm Yingluo. I'm just afraid that taking too many birth control pills won't be good for my health! I'm doing this for her own good!"

Natsume looked at Tang Zong with disdain. His eyes seemed to be saying: Like I said, which girl would like you? she doesn't want to give birth to your children at all, and that's right!

after figuring out tang zong's thoughts, natsume could not be bothered to argue with him any longer. he took out another box of medicine and threw it to tang zong."Alright, no need to explain, take it!"

This time, Tang Zong took a look at it. Hmm, it's pretty good. It's a small white pill, and there was nothing on it!

"Is this a vitamin? Is there really no danger after eating it?"

Natsume was annoyed to death by him. no, no. There's nothing else, ran ran. Go on and leave. Don't disturb me.

"Thank you," he said. Tang Zong took the medicine bottle and left Tang Zong's laboratory.

He climbed back up the same way he came. Rong nuo left a window open for him, and Tang Zong quickly climbed in.

at this time, rong nuo had already fallen asleep. tang zong shook her awake. " nuo nu, wake up. come, take your medicine. "

Rong nuo's eyes were drowsy, and she muttered,"You've bought the medicine?"

"Yes, I've bought it. Be good and open your mouth!" Tang Zong replied softly.

After hearing his words, Rong nuo opened her mouth. Tang Zong fed Rong nuo a white pill, and then water.

Half-awake, Rong nuo drank some water and swallowed the pill. Tang Zong placed the cup of water on the coffee table at the head of the bed, then took off his clothes and lay back down. He gently held Rong nuo's body in his arms."Alright, let's sleep!"

Very quickly, Rong nuo fell into a deep sleep, and the sound of her steady breathing rang in Tang Zong's ears.

Rong nuo was wearing her pajamas at this moment. Tang Zong wanted to take off her clothes, but he was worried that she would get angry when she woke up. After thinking about it, he decided to settle for the second best. He put his hand under her clothes and slept on her skin.

Tang Zong's hand slowly touched Rong nuo's lower abdomen. That flat abdomen and slender waist, it was as if he could break it with a little force.

However, this was the place that could give birth to life.

Tang Zong thought to himself, Baby, I Don't Care if you're a man or a woman, I still hope that you can come out quickly!

.....

The next day, when Rong nuo woke up, it was already nine in the morning. She was shocked. This was the latest time she had woken up in more than a year.

Tang Zong's figure was no longer beside her. However, there was still a dent on the pillow, and she could still smell his scent.

Rong nuo recalled what had happened last night, and her face instantly burned. She bit her lip and punched the pillow next to her a few times to vent her anger.

It was all that bastard's fault. If he had come to make a scene in the middle of the night, she would not have woken up so late!

Chapter 1356 Almost exposed

Rong nuo got up and washed up. Standing in front of the mirror in the bathroom, he could clearly see the marks left on his body from last night. There were many of them, and after a night, they had begun to turn purple. On his fair skin, it was particularly eye-catching, and it was particularly dense, causing people to Revere.

Rong nuo's face was burning. She quickly lowered her head and turned on the tap, splashing cold water on her face.

After she calmed down, she quickly washed up, then took off a turtleneck sweater and put it on tightly. She covered her neck tightly, and it was only then that she was relieved.

The clothes in Rong nuo's wardrobe were all winter clothes that Rong Yan had picked out from her wardrobe. As Rong Yan had not known in advance that Rong nuo would be coming, she had not prepared any clothes.

Rong Yan thought that in two days, she would either take Rong nuo out to shop or get someone to send the clothes home!

After putting on her clothes and making sure that nothing would be seen, Rong nuo went downstairs.

Downstairs, Rong Yan was having her breakfast. It was obvious that she had also woken up quite late. MeowMeow and Dong Tian had gone somewhere to play. Tang Zong and Gu Hesheng were nowhere to be seen!

Rong nuo walked over. big sister, I'm sorry. I got up late.

"It's fine. I just got up. Come and sit." "Butler li, bring up Rong nuo's breakfast," Rong Yan said to Butler li.

rong nuo sat opposite rong yan. " why are you alone? where are the others? "

"Everyone went off to do their own things." after rong yan saw rong nuo's face, her eyes lit up."Rong nuo, you look very good. If I didn't know that you don't have a boyfriend now, I would have thought that you had a good night's sleep last night. Look at your face, and your eyes that are full of love. Those who don't know would think that you have a boyfriend."

A woman with a man would have an uncontrollable charm on her face, which was obviously a kind of spring color that could only be found after being nourished by a man.

Rong Yan didn't think much about it at that time. She had only said it casually, but it had frightened Rong nuo. Her heart thumped fiercely."Ah? Was it Yingluo? I didn't notice it myself. Oh, I know I'm here. It must be because the bed I slept on in prison was too hard. Now that I'm here, I can finally sleep in a soft bed, so it's very comfortable and I'm sleeping very well!"

This excuse that Rong nuo came up with at the last minute was reasonable. After all, besides herself, no one knew that she had been dragged into the bed by Tang Zong last night.

Rong Yan's face was full of tenderness. you've suffered. Come and eat more and nourish yourself. You've lost a lot of weight during the half a year in prison!

Seeing that Rong Yan's attention had been diverted, Rong nuo secretly heaved a sigh of relief. I didn't suffer. You and brother-in-law have been taking care of me. I'm much better than the others inside. I'm just enjoying life.

you ... I really don't know what to say. Oh right, Wanwan, when I passed by your door at three o'clock last night, I seemed to have heard some sounds from your room. What happened? were you still awake at that time? "

rong nuo had just heaved a sigh of relief when she suddenly heard rong yan mention what had happened last night. she was so frightened that her hands trembled and almost spilled the milk. she quickly put it down."Ah? How could that be? my Yingluo went to bed early last night. Maybe I was talking in my sleep. When I was in the same cell as other people, they all said that I liked to talk in my sleep!"

Rong nuo was secretly sweating. Last night, when her sister passed by the door, it was exactly when she and Tang Zong were rolling around in a ball.

Chapter 1357 They're a little compatible

Rong nuo silently cursed,"damn you, Tang Zong!"

That bastard Tang Zong had left after eating his fill, leaving her trembling in fear. Every time her elder sister opened her mouth, her heart would tremble!

after rong yan finished eating, she sat there and looked at rong nuo. she had not slept much last night. during the day, it was still fun to talk to everyone, but at night, when she was alone, the surroundings became quiet, and liancheng yazhi kept appearing in her mind.

She didn't know where he was now, whether everything was going smoothly, and whether he was eating well. how long before he could return!

in the past, when liancheng yazhi was by her side, rong yan didn't feel that there was anything special about her life. now that he had suddenly left, she realized that every minute and second without him was so difficult to bear.

Rong nuo's hair stood on end under Rong Yan's gaze. She felt that Rong Yan seemed to have seen through the little schemes in her heart. She carefully asked,"Big sister, what are you thinking about?"

Rong Yan came back to her senses. it's nothing. I was just thinking that the New Year's holiday hasn't passed yet, and there aren't any new models on the market. I'll take you out shopping in two days and buy more clothes and makeup. You'll be staying there for a few months. You can't let yourself age. Oh, and get your hair done.

rong nuo nodded. "sure! i also want to go shopping."

Rong nuo had just finished speaking when she heard Tang Zong's voice, "Shopping? I want to go too. I'll carry your bags for you."

The Rong sisters turned around at the same time. One of them looked calm, while the other had a fierce look!

Rong Yan nodded. that's possible. It's not a bad idea to bring free labor to carry things.

She saw that Tang Zong was wearing a white tracksuit and was sweating profusely. Her hair was wet and she asked,"You went to the gym?"

Tang Zong walked over and sat beside Rong nuo as if he had not noticed it. He drank the water that Butler li had just placed beside Rong nuo's hand without any hesitation, and did not even look at Rong nuo from the beginning to the end. I was going to the gym, but I saw Dong Tian hitting the target at the shooting range. My hands were itchy, so I played a few rounds. Sister, this Dong Tian that your family has been raising is really a little beast that has not grown up. This kid is a genius in design, he is even more accurate at hitting a moving target than a fixed target. When he held the gun, that look in his eyes ... It's as if your entire person has changed."

Rong Yan proudly raised her chin. of course. The child my husband picked is naturally powerful. Otherwise, how can he protect my MeowMeow in the future? "

Rong Yan looked at Rong Yan and Tang Zong, who were sitting opposite her. She suddenly felt that from their facial features, Yingluo seemed to be a little compatible.

As she thought about it, Rong Yan suddenly realized that Tang Zong did not even look at Rong nuo. However, he had taken Rong nuo's glass of water and drank it directly. Qianqian seemed to be too familiar with that action.

Although the two of them didn't say a word, the atmosphere between them seemed to be particularly familiar to Yingying.

Rong Yan smiled. Really, what was he thinking? How could the two of them be together?

Rong Yan quickly threw this thought to the back of her mind and stopped thinking about it.

"I'm going to the kitchen to make a cup of honey water. Do you want it?" Rong Yan got up and asked.

the two of them shook their heads at the same time. "No need,"

as soon as rong yan entered the kitchen, rong nuo immediately turned around and kicked tang zong.

rong nuo was just about to curse when she saw the two little guys standing not far away, looking at them hand in hand, their innocent big eyes full of curiosity.

.....

Chapter 1358 Youngest aunt kicked uncle Tang Zong

Rong nuo was stunned. She smiled very gently at winter and meowmeowmeowmeow, and then slowly retracted her foot as if nothing had happened!

"Winter, MeowMeow, where did you go to play?" Rong nuo said to the two little guys.

"i went to the gym with brother dongtian. aunt, what were you doing just now?"

Rong nuo didn't know what to say. She glared at Tang Zong, then turned to MeowMeow and said, "I didn't do anything. I just stretched my legs and did some exercise."

As he spoke, he even gestured a few times to prove that he was indeed exercising.

“??????:”“???,?????????!”

a faint smile appeared on Dong Tian’s face, which had always been stoic at a young age. Although Meowmeow was a three-year-old child, was a child Yingluo so easy to deceive?

The corner of Rong Nuo’s mouth twitched. Don’t you know that children nowadays are so hard to fool?

She glared at Tang Zong and he hurriedly nodded his head. “No, she’s really just exercising, Yingluo.”

As they were talking, Rong Yan came out with the honey water.

“??????:”“Mommy, Yingluo.”

Rong Yan quickly held onto Meowmeow. baby, be careful. Mommy is holding a glass of water. What if it splatters on you? ”

Dong Tian walked over and took the glass of water from Rong Yan’s hand without a word.

Rong Yan bent down and picked up little guy, after a while, mommy won’t be able to carry you anymore. In the future, you can only walk on your own!

Rong Yan paused for a few seconds before she continued.

She had wanted to say,”you can only let daddy carry you when you go out in the future.”

however, Rong Yan had to stop the car. at this time, she had to try not to mention Liancheng Yazhi in front of This type of question.

“??????:”“Mom, mom, I just saw the little Auntie kick Uncle Tang Zong!”

The child’s childish voice suddenly rang out, making Rong Nuo, who had been tense just now, shiver. Her first reaction was: It’s over, this time it’s really over!

When Rong Yan heard this, she thought, damn, this is a big deal!

“What happened?”

Her gaze moved back and forth between Tang Zong and Rong Nuo, but the expressions on both of their faces were still calm, as if there was nothing strange about them. Finally, her sharp eyes landed on Tang Zong.”tang zong, did you take advantage of my absence to bully my sister? let me tell you, anyone who dares to bully my sister will not have a good ending.”

although Tang Zong really wanted to confess everything in front of Rong Yan so that he would not have to be so sneaky in the future, the moment she said this, Tang Zong knew that he would have to wait a while before he could say it. hence, he smiled helplessly.”Sister, how would I dare? I just stayed here for a night, and I haven’t spoken much to Rong Nuo. Even if I wanted to bully him, I wouldn’t do it now. I would definitely find a place with no one around. Just now, you were in the kitchen and could come out at any time. Even if you lend me two guts, I wouldn’t dare!”

Chapter 1359 Don’t touch my sister

Rong Yan’s expression relaxed slightly. Indeed, this was her house. Tang Zong should not be so bold! [young master ya: wife, you’re wrong!]

Rong nuo had also calmed down at this moment, and explained very calmly, sister,

“It was really an accident?” Rong Yan was skeptical. Both of them seemed to be right, but Rong Yan still felt that there was something wrong. She asked, “Winter, what did you see just now?”

Winter was still expressionless. He was in a dilemma.

He had also seen that Rong nuo’s kick to Tang Zong was not an accident.

However, he couldn’t tell them if they wanted to hide it from him.

However, he was

dong tian nodded, “what i see is the same as what meowmeow sees, hehe.”

Rong Yan asked again, “did Rong nuo deliberately kick it when she was provoked, or did she accidentally kick it?”

This winter, he simply played dumb and said the longest sentence he had said since he came to Liancheng’s house, “i only saw that sister rong did kick him, but whether you said it was intentional or not, i don’t know yingluo.”

Rong Yan sighed. That’s right, winter was just a 10-year-old child. Although he looked cold on the outside, he was still a child after all. How could he see too deeply?

Since that was the case, Rong Yan didn’t intend to continue stripping him. She would just continue to observe him in the future.

rong yan cleared her throat and said, “if that’s the case, that’s for the best. tang zong, i know that you’re full of bad ideas. however, rong nuo is my sister. if you have any bad ideas, don’t touch her. otherwise, i won’t let you off.”

Tang Zong’s face was instantly filled with injustice. sister, look at what you’re saying. Even if I’m full of evil tricks, have you ever seen me use them on your family? ”

Rong Yan nodded. Tang Zong had not mentioned this yet. I’m just telling you. Anyway, don’t touch my sister.

“Don’t worry, don’t worry, I won’t touch Yingluo.” Tang Zong lied against his heart, and no one could tell that there was something wrong with it. It was as if he was speaking from the bottom of his heart.

Rong nuo looked on from the side and expressed her deep disdain!

=====

after liancheng yazhi left home, there were no special changes in rong yan’s life. it was almost the same as before. the only difference was that there was one less man at the dining table who always complained that she ate too little, one less warm embrace when she slept at night, and one less husband who always liked to pester her and roll around in the sheets!

With Rong Yan’s anticipation every day, a week passed quickly. It was the seventh day of the first month of the lunar calendar. On Monday, the employees of Liancheng Group began to return to

work after a break from the new year holiday. The New Year's atmosphere in the entire city was diluted a lot.

Rong Yan used a black marker to draw a circle on the 7th of the first month of the lunar calendar. Today was a new beginning.

the peace of the past few days was likely to be gradually broken in the days to come as long as Liancheng Yazhi did not return!

She would have to face a lot of things!

At night, Rong Yan opened the closet and ran her fingers over Liancheng Yazhi's clothes. Hubby, where are you now?

Chapter 1360 the unruly young master ya

As Rong Yan's longing for Liancheng Yazhi grew stronger by the day, Liancheng Yazhi was already on an uninhabited island on the other side of the earth, thousands of miles away from her.

It was an isolated island in the vast ocean. It had lost all contact with the outside world, no communication signals, and there was a serious shortage of fresh water and food. There was no means of transportation to leave. This place was very far from the sea route of passenger ships and freighters. Even fishing boats rarely came here to fish. It was possible that even after waiting for a year, there would not be a single passing ship. It seemed that Yingying was completely trapped here.

There was an abandoned military fortification, a heavily damaged helicopter, and five isolated and helpless men on the island.

Although the situation was extremely difficult and dangerous, and they might not be able to leave for their entire lives, the five men who survived on the island did not become dispirited or lose their fighting spirit. To them, this situation was not the worst. At the same time, they had hope and desire in their hearts. So, they had to survive. They had to survive and see through it.

Without food, they could hunt. Without fresh water, they could think of ways to desalinate seawater, collect morning dew, and collect rainwater. This was an Island, not a desert, so there must be a way to collect drinking water. Without transportation, they could build. On this road, the only thing that was not lacking was wood.

The sound of logging came from the forest. This was the sound that rang punctually every day at dawn, just like an alarm clock.

The five men held military daggers in their hands and cut down trees that were as thick as buckets. The daggers were too small, and although they were sharp, it would take a long time and a lot of physical strength to cut down such thick trees.

however, no one said a word. this bit of work was nothing to them. as long as they could get out of here, everything was worth it.

Finally, after a series of mechanical chopping, a tree fell with a bang.

After cutting down a tree, one needed to rest for half an hour. Otherwise, one's arm would not be able to take it. If one's arm repeated the same action, the force used would be too singular. Usually, after cutting down a tree, the entire arm would be numb and could not feel anything.

during the break, no one spoke.

“What are you thinking about?” he asked Liancheng Yazhi.

“What else can I think of?” Liancheng Yazhi smiled.

He was wearing a dark green mercenary’s military uniform and sitting under a tree. His hair was messy, his face was thinner, and his skin was darker. Due to the lack of water, there was a layer of dry skin on his lips. His hair was wet with sweat, and beads of sweat rolled down his face.

Rong Yan had never seen Liancheng Yazhi like this before. If she saw him, she would definitely hug him and cry, then pull him home and never let him out again.

However, although Liancheng Yazhi looked like a mess, he was not dispirited at all. His eyes were always bright and his lips were burnt with a smile. Such a difficult day did not make him lose any hope.

He sat under the tree, not as elegant and charming as before, but more unruly, looking more charming.

Simply raising his eyebrows, he said, “your wife, daughter Yingluo.”

Simba’s situation was not much better than Tang Zong’s. However, he was more adapted to this environment than Tang Zong. This was because his life in the past was not much better than his current one. Out of the 365 days in a year, he would be playing Simba for 300 days.
