

Permit Me 1501

Chapter 1501 You're the only one who can calm my longing

This pilot was found by Xin Yang, and at this moment, Xin Yang was already a dead man in Liancheng Yazhi's eyes. The safety factor of the person he found was naturally not high.

They had said so much on the plane. Whether he heard it or not, he couldn't keep this person because he had seen him. Liancheng Yazhi, Jian Jie, and mu weibai were together.

Not only the pilot, Su He, Xin Yang, and the people Su He had brought with him must die. Anyone who had seen the three of them must not be allowed to live!

They had saved Kang Yu. This matter involved a lot of things and they had to be careful.

Humans were selfish. As long as they could survive, what did it matter if others died?

They were also a group of selfish people, not to mention that they were not good people who helped the world.

he would not put himself and his family in danger for the sake of a few lives.

Liancheng Yazhi looked at the big house in front of him excitedly and said to Jian Yi, "I'll leave it to you. Natsume is in that house over there. You can send Kang Zhen there. I'll be leaving first. You can spend the night in Natsume's laboratory. I'll get someone to clean up your house tomorrow."

Without waiting for a simple reply, Liancheng Yazhi ran away impatiently. He really felt like he was in a dream. The home that he missed so much, his lover, and his child were all in that house.

Liancheng Yazhi's feet were floating, and there was always a sense of surrealism. He was afraid that he was in a dream again, so he wanted to see Rong Yan as soon as possible. Only Rong Yan could give him a sense of reality and make him feel at ease!

He simply shrugged his shoulders. This guy really didn't care about anything else now that he had a wife.

He turned around and said to the pilot, who was drenched in cold sweat, "Alright, it's time to send you on your way,"

The pilot backed away. I trust brother yang. You can't touch me. You can't touch me.

Before he could finish his sentence, his vision turned dark. A simple and tall figure had already enveloped him. The next second, with a crack, his neck was twisted in an extremely strange shape, and his pupils quickly enlarged!

The simple hand was removed from his neck. After losing his support, he fell down like a broken puppet!

Jian Yi opened the wooden box and picked up Kang Zhen. Then, he dragged the dead pilot with one hand and walked towards Natsume's laboratory. He thought that he should not waste this dead person. It would be a good time for Natsume to dissect him.

He walked to the door with great effort and simply lifted his leg to kick it.

After a while, Natsume's impatient voice could be heard from inside, "who is it? why are you knocking on the door in the middle of the night?"

Natsume opened the door abruptly. He was about to get angry, but he was stunned when he saw the person standing at the door. His eyes were wide open, and he even forgot to speak.

Suddenly, something was thrown at him. He caught it subconsciously, but it was a dead man.

“A gift for you,” Jian Jie said with a smile.

After he finished speaking, he pushed Natsume away, who was still in a daze, and carried the car in Kang Zhen’s direction!

.....

Liancheng Yazhi didn’t walk through the main door. He didn’t want to wake the others up at this time. He just wanted to see Rong Yan as soon as possible and give her a surprise. Therefore, he climbed up from the first floor to the balcony. He wanted to push the balcony open and enter, but the glass door of the balcony was locked from the inside.

Rong Yan wasn’t in a particularly deep sleep to begin with. She didn’t know why, but she felt a little off the entire day. When she heard movement on the balcony, she woke up very quickly. Rong Yan’s heart tightened and she quickly sat up.

Chapter 1502 Hubby, welcome home

After Rong Yan got pregnant this time, she often felt thirsty. She left a small orange light on the head of the bed. Under the weak light, Rong Yan saw a figure reflected on the curtain. He was thinking of a way to open the door to the balcony.

Rong Yan was so scared that she clutched the blanket tightly, her heart spinning quickly.

who could it be? He wanted to break into her room in the middle of the night?

A thief?

Or did they have other motives?

If she jumped down from the bed now, opened the door, and called out, someone would come over and catch this bad guy who tried to enter her room. However, Rong Yan didn’t want to do that.

Because she realized another possibility!

There were infrared surveillance cameras and many automatic alarm devices installed outside Liancheng’s house. If someone wanted to sneak into the house, there was no reason not to sound.

Unless there was another possibility-they were one of their own.

Thinking of this, Rong Yan’s heart started to beat faster. She looked carefully at the figure reflected in the curtain. The more she looked, the more familiar it felt. Her hand holding the blanket tightened. young master ya: look at how much my wife loves me. She can recognize me just by looking at my back on the curtain.

Rong Yan bit her lip hard. It hurt. If it wasn’t a dream, then the rustling must be real!

Rong Yan’s eyes were a little sore. She quickly took a deep breath, lifted the blanket, and got out of bed barefooted.

She was standing behind the curtain, her body trembling with excitement and nervousness.

With a click, Liancheng Yazhi unlocked the lock on the glass door. He gently pushed it open and stepped into the house.

As soon as he opened the curtain, he saw a black figure pouncing over. Liancheng Yazhi subconsciously caught her. The warm and soft body with a familiar fragrance made him instinctively hold her tightly.

In the next second, Liancheng Yazhi heard Rong Yan's lovely and happy voice. "Hubby, welcome home."

Liancheng Yazhi's body trembled violently. When he heard the long-lost voice and the long-lost form of address, Liancheng Yazhi finally had a feeling of 'I'm finally home'. He finally felt his feet on the ground, and the dream-like feeling just now was hazy.

Liancheng Yazhi did not say anything. In the darkness, he hugged Rong Yan tightly and lowered his head to kiss her lips accurately.

Her soft lips and sweet scent had been lingering in his thoughts and dreams for the past few days, making him want to go crazy.

Before he saw Rong Yan, he could still use his rationality to control his longing for her. However, after seeing her, he realized that not only did his longing not fade, but it also seemed to be on the verge of exploding. It was like a volcano that had accumulated lava for hundreds or thousands of years and was finally about to erupt.

Liancheng Yazhi's kiss was more invasive and possessive than ever. He hugged Rong Yan very tightly, almost crushing her into pieces and blending them into his blood.

Rong Yan didn't struggle. She was trying her best to cooperate with him. She didn't even remind him that she was pregnant. She just opened her mouth and let him invade her territory. She stood on her tiptoes and hugged his neck, trying her best to cooperate with his rhythm.

Although Yingying couldn't keep up at all, her lips were numb from the kiss, and the root of her tongue was a little painful from being stirred, she didn't move away at all.

She wanted to use her actions to tell him that she missed him as much as he did. She missed him and loved him, Yingluo.

Not only did Liancheng Yazhi need to talk about how much she missed him, but she also needed to reminisce about how deep her longing for Liancheng Yazhi was. Only she knew it best.

Chapter 1503 This is your second child

As Liancheng Yazhi kissed Rong Yan, he picked her up and walked a few steps to the side of the bed. He put Rong Yan down and moved away from her lips, putting some distance between them. He looked at her with greed and love in his eyes, carefully looking at every inch of her face.

It was this face that he could never get enough of. No matter how much he looked at her, he could never have enough of it. After leaving for more than two months, seeing her again now, Liancheng Yazhi felt that his love for Rong Yan had deepened and become stronger!

He lowered his head and kissed Rong Yan's eyes, eyebrows, nose, mouth, and forehead. He leaned over and hugged her tightly. "Baby, you seem to have gained some weight."

Rong Yan smiled, her eyes and eyebrows curved. She called out sweetly, "Hubby Yingluo"

Liancheng Yazhi replied softly, "I'm in Xuanji."

Rong Yan called out again, "Yazhi!"

Liancheng Yazhi still replied with a gentle voice, "I'm here."

The corners of Rong Yan's lips curled up, "Liancheng Zhenzhen."

Liancheng Yazhi grabbed his fingers and interlocked them with each other, their palms touching. "I'm here."

The two of them childishly played a game of question and answer. Neither of them was bored. After a long time of reunion, they could have such a warm moment. Neither of them wanted to interrupt it. In fact, they even hoped that this childishness could last longer, longer.

Suddenly, Rong Yan thought of a very important thing and said, "Hubby, let me introduce you."

Rong Yan took Liancheng Yazhi's hand and placed it on her slightly protruding belly. She looked into his eyes and their eyes met. "Yazhi, this is your second child, Hanhan!"

Rong Yan felt Liancheng Yazhi's hand suddenly tremble. Her eyes instantly widened, and she was dumbfounded.

She continued, "the little guy is now more than three months old. He's not good. A few days ago, he made me throw up everything I ate and even water. Yingluo is very picky. But now he's fine, but he's too naughty. When he comes out, you have to help me take revenge, Yingluo."

Rong Yan did not care that Liancheng Yazhi had turned into a stone statue in an instant and said to the little guy in her stomach, "Baby, this is your father. You're his biological son, so you should say hello to him! this is the first time you're meeting each other, so you have to be more formal. your dad is very strict, and if you don't behave in the future, be careful that hanhan will hit your butt when you come out!"

Liancheng Yazhi then hung into the bathroom like a gust of wind, and soon, the sound of running water could be heard in the bathroom!

Rong Yan was stunned for a moment, then she laughed out loud. Her laughter was very clear and clear, and it traveled all the way into the bathroom.

Rong Yan was so happy that she wanted to roll around on the bed. She knew it. She felt different today, Yingluo.

She knew that her husband was the best and would definitely return safely.

Ten minutes later, Liancheng Yazhi came out wearing his bathrobe. The clothes he had just worn had been thrown into the trash can.

After coming out of the bathroom, Liancheng Yazhi felt that his footsteps were starting to float again. He walked so fast that he didn't know which foot to take. He almost walked with his hands and feet together. However, it wasn't that it was unreal this time. It was just that he was so blissful that he felt that he must have accumulated too many good deeds in his previous life to have such a blessing in this life.

His chest was filled with immense ecstasy, an irrepressible ecstasy.

lian Cheng yazhi's hair was still wet and water was dripping down. he walked towards Rong Yan step by step.

Chapter 1504 I won't leave you guys again

Rong Yan lay on her side in the bed and frowned. "Your hair is still wet. Be careful of your headache tomorrow. Go get a towel and I'll dry your hair for you."

Lian Cheng Yazhi walked halfway and obediently turned back. He took a dry towel from the bathroom, walked to Rong Yan, and handed it to her.

His eyes were shockingly bright, exuding a scorching heat. When he looked at her face, it seemed as if he could melt her.

"Sit down," Rong Yan pursed her lips and smiled.

Lian Cheng Yazhi sat down obediently. Every command from Rong Yan and every action from him was very obedient!

Rong Yan sat up and dried Lian Cheng Yazhi's hair. Her movements were very gentle as she slowly dried his hair, not causing him any pain at all.

Time was quiet and peaceful. At this moment, the two of them were so warm that neither of them wanted to break it.

When she was almost done, Rong Yan threw the towel away and ran her hand through Lian Cheng Yazhi's hair. She rested her chin on his shoulder and called out softly, "yazhi."

mm, mm, mm. Lian Cheng Yazhi turned his head slightly and rubbed his cheek against Rong Yan's.

Lian Cheng Yazhi slowly turned around and helped Rong Yan lie down. He looked at Rong Yan's slightly protruding belly for a long time. He wanted to reach out several times, but he didn't dare to.

Rong Yan didn't move or say anything. She just smiled and looked at him!

After so many times, Xi Yazhi's hand finally took the initiative to place on Rong Yan's lower abdomen for the first time. Now, he still couldn't feel the baby's movements. However, at this moment, Xi Yazhi suddenly had the urge to cry. He missed it when Rong Yan was pregnant with MeowMeow, and this time, he almost missed it again. Xi Yazhi was happy, excited, and uneasy at the same time. He was afraid that he wouldn't be able to take good care of the pregnant woman. Moreover, he had another regret. After Rong Yan was pregnant, he wasn't the first person to know!

Rong Yan knew what Lian Cheng Yazhi was thinking. She raised her hand and gently touched his cheek. don't feel regretful. He's still young, and he'll need you to accompany him for a long time. You'll be fine, right? "

Lian Cheng Yazhi nodded hard. He grabbed Rong Yan's hand and put it to his lips to kiss it gently.

"why didn't you tell me earlier? i just came back from outside and brought back all the viruses. i should have taken a shower as soon as i entered the room. did i hug you very tightly just now? How do you feel now? Do you feel uncomfortable? Is it a boy or a girl?"

After Liancheng Yazhi let go of the regret in his heart, he quickly focused his attention on the child, and he seemed to be unable to stop talking!

Rong Yan allowed him to continue without interrupting him. Listening to him say this non-stop, Rong Yan felt particularly comfortable. She could finally put down her worries that had been hanging for more than two months. It was great to be able to sleep while her husband was talking. She could finally be at ease!

Liancheng Yazhi couldn't remember how much he had said. When he stopped, he saw that Rong Yan had already fallen asleep. There was a sweet smile on her lips, and her whole body was filled with happiness.

Looking at her, Liancheng Yazhi smiled foolishly. He leaned over and kissed the corner of Rong Yan's lips gently. Then, he adjusted her body so that she could lie more comfortably.

Liancheng Yazhi picked up the remote control and raised the temperature in the room. His hands trembled as he pulled open Rong Yan's sleeping robe, revealing her beautiful body. His gaze stopped on her slightly protruding lower abdomen. He lowered his head and kissed Rong Yan's abdomen devoutly, murmuring in a low voice, "I'm sorry, I'll never leave you guys again, really Yingluo."

Chapter 1505 The best company is by his side

Rong Yan slept very well that night. It was so good that she had not slept so comfortably in a long time. When she woke up in the morning, she did not open her eyes and wanted to stretch. In the end, just as she reached out, she was pressed down by someone.

Rong Yan opened her eyes and saw the man lying beside her. In the morning sun, his handsome face was covered with a layer of Halo, making him look a little too handsome. Rong Yan tilted her head and looked at him for a while before saying, "Hubby, Good Morning, Yingluo."

Liancheng Yazhi leaned over and kissed Rong Yan's forehead. He said gently, "Good Morning, baby!"

Rong Yan rubbed her face against his body and raised her hand to touch his lower eyelid. She asked, "why do you have dark circles? did you not sleep well last night?"

Although Liancheng Yazhi had dark circles under his eyes, he was still in good spirits. He pulled Rong Yan into his arms and said, a little embarrassed, "it's not that i didn't sleep well. i was too excited and didn't sleep much!"

when he returned home last night, he was already very excited, happy, and excited to see rong yan. in the end, he was going to be a father for the second time. how could he still sleep?

After Rong Yan fell asleep, he sat by the bed and watched her for the whole night.

Liancheng Yazhi felt that his current mental state was so good that ran ran could even go a week without sleeping. He was really, really happy!

Rong Yan frowned. how can you not sleep? quickly close your eyes. Who can?"

Liancheng Yazhi grabbed Rong Yan's hand and placed it on his face. I'm not sleepy. I'm in good spirits. Are you hungry? have breakfast first.

He didn't know much about how to take care of a pregnant woman, but he was very clear that a pregnant woman couldn't go hungry. Eating was the most important thing for a pregnant woman.

Rong Yan thought for a moment. Liancheng Yazhi had been wandering outside for more than two months and had lost a lot of weight. He must not have eaten well and must have been hungry since last night. It was better to eat first.

Rong Yan nodded. that's good. Let's go and have breakfast first. You can sleep after breakfast.

Liancheng Yazhi said in a coquettish tone, " "then i want you to accompany me!"

"Alright, I'll accompany you." Rong Yan nodded.

After she finished speaking, she touched Liancheng Yazhi's face and said with heartache, although you've gotten a lot darker and lost a lot of weight, Yingluo, my husband is still the most handsome. My dear, I won't despise you! Rong Yan secretly thought to herself that from today onwards, she must make up for all the meat that Liancheng Yazhi had lost these days!

Since Liancheng Yazhi's meeting last night until now, Rong Yan had not asked him a single word about what had happened outside during this period of time.

It wasn't that she didn't care, but she knew what she should and shouldn't ask as a wife.

Since he was going out to do something important, it must be for her own good that he didn't tell her.

Besides, he was in so much danger and hardship outside. All he needed when he came back was the warmth of a family. Why should she let him talk about the dangerous days outside again? let him tell her personally and remember that this was not concern, but a kind of torture to him?

therefore, rong yan did not ask a word about what happened before yesterday. what she wanted to do was to let him eat well, sleep well, and accompany him well from today on!

This was enough!

Liancheng Yazhi kissed Rong Yan's palm."my wife's sunlight is naturally the best. let's go wash up."

Liancheng Yazhi carried Rong Yan directly to the bathroom. He picked up Rong Yan's toothbrush and squeezed some toothpaste on it for her. He had wanted to brush her teeth himself, but Rong Yan stopped him.

Chapter 1506 You have to listen to me from now on

After Rong Yan brushed her teeth, Liancheng Yazhi took a blanket with warm water to the side and waited for her to gargle.

she washed her face while he prepared a towel.

When she combed her hair, he would use a comb to comb it for her.

Liancheng Yazhi carefully combed Rong Yan's hair. He wasn't good at doing this kind of thing, but he sat very seriously, especially his eyes, which were surprisingly gentle. Every strand of Rong Yan's hair was his treasure, and he would be heartbroken if she lost even one.

After he was done, Rong Yan leaned back and leaned on him. it's really different to have a husband!

Liancheng Yazhi took good care of Rong Yan, but he only did a simple wash up, and his speed was amazing.

Liancheng Yazhi gently tapped her nose and said, "Of course, hubby is different from others. Let's go downstairs for dinner. It's getting late."

Rong Yan nodded and said, "yes, Zhenzhen."

After the two of them got dressed, Liancheng Yazhi carefully helped Rong Yan down the stairs.

Rong Yan smiled at his overly cautious attitude. "It's okay, I'm not made of glass. You don't have to be so careful."

How can I be careless? Liancheng Yazhi said sternly. You have to listen to me in the future.

Everyone downstairs had already woken up and were eating breakfast. No one was looking to the side, and only MeowMeow was the first to see Liancheng Yazhi. Her eyes lit up, and she smiled happily, shouting, "Daddy, Yingluo"

??????????,??????????

Everyone followed MeowMeow's gaze and was surprised to see that Liancheng Yazhi, who had disappeared for more than two months, had reappeared alive. He bent down and picked MeowMeow up. "My little princess, let daddy kiss you."

??????????,??????????,???,?????????: "Daddy, Daddy, I miss you so much, Yingluo, daddy Yingluo"

Liancheng Yazhi kissed MeowMeow's little face. "Dad missed you too. Did you listen to mom?"

MeowMeowMeowMeowMeowMeowMeow bit her finger and stole a glance at Rong Yan. "I do. I always listen to my mother and never make a fuss."

Rong Yan smiled and gently patted second second's back. "

"Yes, daddy, mommy, hurry up and eat. Otherwise, it's going to get cold, Yingluo."

The family of three came to the dining table. Under the gazes of the crowd, who had not gotten used to it, Rong Yan held Liancheng Yazhi's arm and said, "From today onwards, my husband has fully recovered, Yingluo!"

The second day after Liancheng Yazhi left, Rong Yan announced to the public that he was sick and needed to recuperate.

The day after he returned, he naturally had to announce to the public that Liancheng Yazhi's illness had been 'cured'.

Tang Zong blinked his eyes. 'Damn it! He left without a sound and returned without any movement. It's so early in the morning, and he's already standing in front of them as if he's descended from the sky. This is too mysterious.'

Tang Zong asked, "when are you going to do your tidying?"

Rong Nuo, who was at the side, kicked him and interrupted him, brother-in-law has recovered. It's a great thing. We should celebrate.

Liancheng Yazhi put down MeowMeow. we should celebrate. Thank you for taking care of Rong Yan during this time.

gu hesheng was the calmest person. he guessed that liancheng yazhi had returned last night. there's no need to thank me. Hurry up and sit down to eat. Adults can be hungry, but children can't!

Liancheng Yazhi smiled as he helped Rong Yan to the chair and sat down. He then took a pillow from the living room sofa and placed it behind him. what do you want to eat? ”

Chapter 1507 It's so annoying to show off your love

Rong Yan touched her stomach. I'm fine now. I can basically eat everything.

“Butler li, please serve the food,” Liancheng Yazhi said.

it's ran ran. Butler li saw that Liancheng Yazhi had finally returned and was relieved. A woman was pregnant, and it was really not good for her husband to not be at home.

he quickly asked the maid to bring out the breakfast that the kitchen had specially prepared for rong yan.

In order to match Rong Yan's taste, Gu Hesheng had found some chefs last time. As long as they suited Rong Yan's taste, he would record them down and let them take turns to come to the Liancheng family's house to make breakfast for Rong Yan. Basically, each person would cook for two to three days. In short, it was to ensure that Rong Yan ate different dishes every day.

Rong Yan's sumptuous breakfast was served one after another. She said to Liancheng Yazhi, ” you prepare a lot of breakfast for me every day. I can't finish it, so let's eat together.

Liancheng Yazhi nodded and said,”alright, Yingluo.”

He tested the temperature of the shrimp congee. It was too hot, so he took a spoon and stirred it gently. When the temperature was about right, he put it in front of Rong Yan.

Liancheng Yazhi's movements were very gentle and he didn't communicate much with Rong Yan at the dining table, but he always showed all kinds of care and love for Rong Yan.

He would place everything that Rong Yan ate in front of her and only continue to take another one after he was sure that she would eat it and not feel uncomfortable. As for himself, he would wait until Rong Yan was done eating before he started to eat.

Liancheng Yazhi had returned after more than two months, and everyone at the dining table had a stomach full of questions to ask. However, when they saw the couple stuck together and loving, they were embarrassed to interrupt.

Rong nuo, who was watching from the side, could not help but feel envious. She glanced at Tang Zong. This guy, Yingluo, might never be as meticulous and considerate as her brother-in-law!

Tang Zong looked at Liancheng Yazhi from the corner of his eyes. This guy, he's showing off his love as soon as he's back. How annoying. His eyes were hot. The couple could be so openly loving, but he and Rong nuo had to be sneaky. How sad!

Tang Zong sneaked a glance at Rong nuo, and their eyes met.

He secretly held Rong nuo's hand under the table.

When he reached the courtyard and saw Natsume's laboratory, Liancheng Yazhi suddenly remembered that he did not come back alone yesterday. [simple: you don't have to explain anything. i am already disappointed in you!]

Liancheng Yazhi supported Rong Yan as they walked towards Natsume's laboratory. I was so happy that I forgot about simplicity. Let's go and see how he's doing.

"you brought jian yi back too?" rong yan was surprised.

yes, "Liancheng Yazhi joked with a smile. without him, it'll be hard for your husband to come back.

Rong Yan's heart tightened. She deliberately pretended not to care and said, " "Then why didn't I see him at breakfast today? where did you leave him?"

"I left him to Natsume."

Liancheng Yazhi knocked on the door of Natsume's laboratory. how about simple? "

Natsume acted as if he had just woken up. He turned sideways and pointed inside. There was a single bed lying simply on it. there, he's over there. I gave him an injection last night to let him rest well, so he's still sleeping there. I was wondering what you guys did this time. You guys got so many injuries on your bodies, and you didn't even treat them properly. Although they seem to be open and close, they might tear again if you do any intense exercise in the future. Hanhan.

Rong Yan's heart clenched fiercely, and the hand holding Liancheng Yazhi's hand tightened. Even Jian Yi had suffered so many injuries, so Liancheng Yazhi was stunned.

Last night, she was so focused on talking to him about the child that she forgot to ask if he was hurt.

Liancheng Yazhi put his arm around Rong Yan's shoulder and said to Natsume, " "It's just a small injury, it's not that serious, Yingluo."

He entered with Rong Yan in his arms and saw that she was lying on a simple bed. Her upper body was naked, but she was wrapped in a lot of bandages. She was almost as good as a mummy.

"What's going on with him?" Liancheng Yazhi asked Natsume.

I'm fine. Natsume shrugged. while he was asleep, I cleaned up all the wounds on his body!

"Then help Yazhi take a look too," Rong Yan quickly said.

Liancheng Yazhi did not want to be wrapped like a mummy so easily. He said,"I'm fine. All my injuries are superficial. Nothing serious. The most serious one was blocked by Jian Yi. Really. If you don't believe me, you can help me check on Hanhan when we get back."

Rong Yan didn't say anything. Her hand that was holding his didn't move as she looked at him with red eyes.

Liancheng Yazhi's heart instantly softened and he immediately surrendered. "Okay, okay, I'll get him to check. Be good, your husband is really fine, Yingluo."

Chapter 1509 the best happiness is calmness

Liancheng Yazhi obediently took off his shirt and let Natsume check.

There were indeed some scars on his body, and many of them were injured. However, they had already recovered. It was just as he had said, they were all superficial wounds.

you're fine, "Natsume said. it's not a serious injury. I'll give you some ointment to apply on your scar before you go to bed. It'll make the scar grow better.

Liancheng Yazhi put on his clothes and smiled at Rong Yan. “See, I told you I’m fine.”

Rong Yan’s eyes turned red when she saw the wounds on his body, but she held back her tears. “But there are so many scars.”

liancheng yazhi quickly put on his clothes and stood up to hug rong yan. ” “How can a man not have a scar?”

Jian Jie knew that he had a wife and daughter at home. Furthermore, the child was still young and could not live without his father. Thus, along the way, when there was danger, he had always walked in front of him and helped him block a lot of danger.

Rong Yan sniffled. it’s easy. I’ll get someone to clean up his house. He can’t stay here all the time.

Natsume hurriedly said, ” Alright, alright. Hurry up. Once you’re done, get someone to carry him away. I’m not used to him being here.

“Then let’s go over first. I’ll get someone to come in a moment.” Liancheng Yazhi held Rong Yan’s hand and walked out!

The two of them walked silently in the garden. Rong Yan was not in a good mood. Liancheng Yazhi wanted to comfort her, but he was afraid that the more he said, the sadder she would be.

In the end, Rong Yan raised her head and said a little fiercely, ” “You’re not allowed to go out again.”

Liancheng Yazhi nodded. yes, I’ll listen to you. I won’t go out again.

When she saw Butler li, Rong Yan said to her, ” Butler li, quickly get someone to clean up a guest room. The bedding, bed sheets, curtains, and toiletries must all be new. Oh, and get someone to send some men’s clothes over.

“Alright, Yingluo.”

The two of them walked around outside for a while before Rong Yan pulled Liancheng Yazhi back to their room to rest. She still remembered that he had not slept last night and wanted him to catch up on his sleep.

However, lying on the bed, Liancheng Yazhi was still not sleepy. I’m not sleepy. Can you talk to me? ”

okay, Yingluo. Rong Yan nestled in Liancheng Yazhi’s arms and told him all the trivial things that had happened at home after he left. Rong Yan only told him the trivial things, but Liancheng Yazhi listened very carefully.

“I asked Mr. Gu to give Rong Yan looked at him expectantly.

Liancheng Yazhi nodded, his fingers gently pressing on the back of Rong Yan’s neck. He smiled and said, ” very good, very nice. Mr. Gu is very knowledgeable. How could the name he gave be bad? in a few days, I’ll go to the household register and officially register MeowMeow’s name.

the couple really didn’t know what to do with the child’s name, so they could only ask for help from others. liancheng yazhi thought that the name sounded pretty good. besides, since rong yan had already decided on it, it must be a good name.

Rong Yan touched her lower abdomen. we don't know the gender of this little guy yet. Should we go for an ultrasound sometime? ”

After she got pregnant, Natsume had always been in charge. Before she had officially gone to the hospital to see him, she had thought back then that if she wanted to see the baby's gender, she would have to be with Liancheng Yazhi.

“It doesn't matter if it's a boy or a girl. I like both. But for the sake of the child's health, I'll ask Secretary Zhou to arrange a time this week. We'll go to a proper hospital for a re-examination.”

at the mention of secretary zhou, rong yan remembered something and asked him, ” “Have you informed Secretary Zhou about your return?”

Chapter 1510-absence makes the heart grow fonder

Liancheng Yazhi rubbed Rong Yan's hair. I already informed him after you fell asleep last night.

after a pause, he cupped rong yan's face in his hands and pressed his forehead against hers. ” “I'm sorry, I've made you suffer!”

At the thought of how Rong Yan had to go to the company to deal with all those messy things during the most difficult period of her pregnancy, Liancheng Yazhi felt guilty and heartbroken. If anything happened to Rong Yan because of this, it would be a regret that he would never be able to make up for in his life.

Last night, Liancheng Yazhi had told Secretary Zhou directly that even though most of those people had been sent to prison by Rong Yan, they couldn't be let off. They should just let them die in an accident in prison one by one.

“He told you everything,” Rong Yan grabbed his hand.

“En, Yingluo.”

Rong Yan smiled and raised her chin proudly. then he should have told you that I wasn't being wronged. I went there to show off my power. You won't blame me for cutting off all your shareholders, right? ”

Liancheng Yazhi pampered her and scratched her chin. no, why would I blame you? I'll only feel sorry for you. I'll only blame myself for not getting rid of them before I left, leaving you with so much trouble, Yingluo.

Rong Yan stretched out her arms and wrapped them around Liancheng Yazhi's neck. it's not your fault. Don't blame yourself. I did that for the sake of myself, MeowMeow, and the little one in my stomach. I don't want our family to be poor after the child is born. I'm afraid of living a hard life. Without you, of course, I have to protect our wallets.

Liancheng Yazhi's heart warmed. Rong Yan had deliberately said that she was a gold digger to not let him blame himself. The more he loved her, the more he cherished her.

He hugged Rong Yan's shoulders tightly. don't worry. Now that your husband is back, you don't have to worry about this anymore, Yingluo. I will give you and our child the best.

“Yingluo, I’ve always believed you.” rong yan patted his back gently like she was coaxing a child.”go to sleep. you didn’t sleep all night. your body won’t be able to take it.”

Liancheng Yazhi was indeed starting to feel sleepy. He said a little childishly, ” “Then you’re not allowed to leave.”

Rong Yan nodded. I’ll stay here with you. Go to sleep.

Liancheng Yazhi put one hand on Rong Yan’s shoulder and the other on her waist. He didn’t dare to use too much force and leaned his head against her neck. He closed his eyes and sleepiness gradually came over him. His breathing gradually became stable and he was in a daze.

Rong Yan only dared to move a little after Liancheng Yazhi had fallen asleep, for fear of waking him up.

Rong Yan turned her gaze to the side so that she could look at him better.

She gently pushed aside Liancheng Yazhi’s slightly long bangs and looked at his handsome face. She was a little smitten. Although his skin was a little darker than before, Huahua was more manly now. Unlike the elegant and graceful man from before, he seemed to exude an alluring charm from head to toe.

Moreover, after this time, Liancheng Yazhi seemed to be more considerate.

When they were together, even if they didn’t talk, she could clearly feel the strong love coming from him. Rong Yan thought to herself, ‘is it true that absence makes the heart grow fonder?’

Uh, no, they weren’t married yet! You can’t say that.

speaking of newlyweds, rong yan quickly counted the good days with her fingers. she wondered if she should just hold a wedding. otherwise, something would be missing.

however, after calculating the date, she looked down at her stomach and sighed. for the time being, she decided to forget about it.
