

## Permit Me 1521

### Chapter 1521-breaking up a pair of lovebirds

Gu Hesheng was in a particularly good mood. that's easy. It's just a small matter. I've already started thinking about it recently. When the child is born, I'll definitely give him a good name!

Liancheng Yazhi was especially respectful to Gu Hesheng, but he had a different attitude towards another person.

halfway through the meal, liancheng yazhi saw that tang zong quickly put some food into rong nuo's bowl while rong yan was not looking. he was quite bold, knowing that everyone knew about it anyway. it was just that rong yan had not caught any evidence. it did not matter if other people saw it, as long as rong yan did not see it.

Liancheng Yazhi's lips curled up. While taking care of Rong Yan, he asked Tang Zong, "I'm back. Why are you leaving? I don't think it's a good idea for you to stay in my house as a young man. '

Tang Zong immediately choked. He let out a few earth-shattering coughs, clutched his chest, and complained to Liancheng Yazhi. "Hey, Liancheng Yazhi, you can't be like this! In front of your wife, children, and your unborn son, you're burning the bridge after crossing it. Is that really okay?"

Liancheng Yazhi raised his eyebrows. you've been here for more than two months. I've let you take advantage of me. Why? " Could it be that something is wrong?"

The others understood very well what Liancheng Yazhi was referring to, especially Rong Yan. She turned her head abruptly and glared at Tang Zong, then looked at Rong nuo with disappointment.

Rong nuo touched her nose and lowered her head to eat. She muttered silently, It's none of my business, none of my business, I didn't hear anything!

Only "Eat your food obediently, Yingying."

"Winter, you take

Dong Tian's expression did not change. He calmly fed MeowMeow another mouthful of rice before saying, "Good Yingluo."

Rong nuo's face was red as she held her bowl and chopsticks. Under Tang

Zong's reluctant gaze, she quickly switched places with winter's meowmeowmeow.

At this time, Rong nuo was still more aware of the current situation. It was absolutely right to listen to her sister's arrangement, otherwise, she would die a terrible death.

rong yan looked at them and suddenly felt as if she had just broken up a couple.

however, she had a little evil thought. how could this kind of feeling be a little pleasurable? especially when she saw tang zong's clothes. he looked like he wanted to say something but didn't dare to. no matter how she looked at it, she felt a little happy.

I'm Chenchen, I'm not leaving. I'm staying at your house, Chenchen. Oh right, I almost forgot. There's a man next door. Why don't you say that he's a young man and is staying at your house? "

Tang Zong recalled that Jian Jie had been placed next to him, and he had even sneaked over to take a look!

He didn't have any impression of Jian Jie, because they seemed to have only met once, the day when Xia Xuanmo and Tang Ziyu got engaged. However, there were too many people on that day, so who could remember who they were?

After being reminded by Tang Zong, Rong Yan asked Liancheng Yazhi, "oh right, why hasn't jian jie woken up yet?"

Liancheng Yazhi picked up a small piece of stewed beef for Rong Yan. the effect hasn't worn off yet. Didn't Natsume say that it would only work at night? "

at night? we'll have to pay more attention to him. He's been sleeping for so long and hasn't eaten anything. He'll definitely be hungry when he wakes up.

Ask the kitchen staff to prepare some food for him.

Liancheng Yazhi nodded and said, "yes, alright."

The couple had suddenly changed the topic and was worried about the simplicity of the matter.. This made Tang Zong feel very disappointed!

Chapter 1522: He only has eyes for MeowMeow

He yelled, " Hey! hey, you two are so different. What's the difference between him and me? we're both men. Why can he stay here but I can't? I'm not leaving!

Liancheng Yazhi smiled and glanced at Rong nuo, giving him a faint threat."This is not up to you!"

When Tang Zong saw Liancheng Yazhi's look, the alarm in his heart went off, and he immediately shut his mouth and did not speak anymore.

Who knew what tricks Liancheng Yazhi was up to!

He wanted to stop the movement with stillness and respond to all changes with consistency. He wanted to see what other tricks Liancheng Yazhi had.

After lunch, Secretary Zhou left Liancheng's house and hurried to the company. His boss would return next Monday, so he had to make good arrangements.

The sun was pretty good outside today, and the temperature was very warm. Liancheng Yazhi held Rong Yan's hand and walked around with MeowMeow, while MeowMeow held winter's hand in her other hand.

from behind, the four of them looked like a family of four. coupled with the baby in rong yan's stomach, it was especially warm. because of their existence, the old house that had always been very cold in liancheng yazhi's memory was rejuvenated.

from a young age, liancheng yazhi could remember that he had many family members, but they were very, very cold. when you came back from outside, sometimes you even felt that no one had lived here.

It wasn't until Rong Yan appeared that he felt that he and This Old House had a different kind of life.

Gu Hesheng pulled Tang Zong to set up a Go board in the courtyard to play Go. Or rather, it was Gu Hesheng who was one-sided in beating Tang Zong.

Tang Zong's mind was not focused, and he kept trying to get closer to Rong nuo, because Rong nuo was sitting not far away, playing on a tablet on the swing that Liancheng Yazhi had asked someone to build for MeowMeow.

"Are you envious?" Gu Hesheng asked him with a smile.

"huh?" tang zong was stunned.

"Are you envious of their family?" Gu Hesheng repeated.

that Yingluo, I, I, Yingluo, I will also have such a good wife and child in the future. Tang Zong said embarrassedly, and even stole a glance at Rong nuo. He really wanted to marry her!

"then you'll have to work hard," gu hesheng said with a smile.

It was a warm and peaceful day for the whole family. It was the most comfortable moment since the beginning of the new year.

Meowmeowmeowyang looked up and asked Liancheng Yazhi, "dad, are you really not going out again?"

In the past two months, MeowMeow didn't make a fuss, but that didn't mean she wasn't sad. It was just that she had become more sensible and knew that if she was troubled, her mother would be even sadder, so she was so quiet.

Liancheng Yazhi bent down and picked her up. from now on, daddy will be by your side, mommy's side, and our future baby, Yingluo.

Liancheng Yazhi gently pinched her little nose. "No, you don't have to protect your brother. Let him protect you. You're a girl and he's a boy. Boys should protect girls ! "

After saying that, Liancheng Yazhi realized that he seemed to have been more involved than MeowMeow. She was so sure that it was a younger brother, causing him to directly say that the little bean in Rong Yan's stomach was a younger brother!

dong tian was walking quietly at the side. children grew up very fast. he was much taller than when he first entered the lian Cheng family. however, his temper did not change much. the only change was that his eyes, from the beginning where no one was around, now only had meow meow, a daze..

Chapter 1523: childhood sweethearts, how cute

After listening to Liancheng Yazhi's words, Rong Yan felt a little pitiful for her baby. "Hubby, you shouldn't be saying this. The child isn't even born yet. If you say this, he'll get angry."

Liancheng Yazhi put down MeowMeow and turned to support Rong Yan. if it's really a boy, then you can't pamper him anymore. A man has to bear responsibility, so you can't raise him like you raise a girl.

rong yan felt that it made sense. although liancheng yazhi had always said that the liancheng family would belong to meomeow in the future, they all knew that no one would be willing to let meomeow manage such a big company because it was too tiring. however, she asked, " "But, what if it's a girl?"

liancheng yazhi had already thought about it. " if it's a girl, then she'll be as delicate as meowmeow. she'll be the second princess in our family and let meowmeow play with her. meowmeow is the older sister. when she goes to school, i can take her with me. if her classmates bully her, i can also protect her. "

Rong Yan nodded, "if that's the case, it's good this way too, Yingluo."

Liancheng Yazhi lowered his head and said to MeowMeow, "if mom gives birth to a little sister this time, you have to protect her. If it's a little brother, I'll let him protect you in the future. ""

Meowmeowmeowmeowmeow nodded, "yes, I'll remember that, Chenchen."

After walking for a while, Rong Yan saw that Miao Miao had been looking at the swing. She knew that the little guy wanted to find Rong nuo to play with the swing, so she said to Dong Tian, " "winter, take meowmeow out to play."

"Alright, I'll take good care of her," Dong Tian nodded.

"auntie has always believed in you," rong yan smiled.

Since winter came, Rong Yan basically didn't need to worry about

Although he had never been interested in making his presence known, it was to the extent that many people in the family would ignore him at times. However, Rong Yan had always paid attention to him.

Dong Tian's face was slightly red as he pulled MeowMeow away.

The two children's backs were especially cute. Rong Yan held Liancheng Yazhi's arm. look, they're childhood sweethearts. They're so cute.

yes, I'm fine. Are you tired? do you want to rest? "

Rong Yan shook her head. no need. I'm fine today. I'm almost four months old now, and it's not the laziest time yet. I'll get lazier and lazier in the future.

"then let's walk for a while more."

"Alright, Yingluo."

It was currently the warm spring season, and the large courtyard was more lively than ever.

Gu Hesheng pulled Tang Zong to play Go and would scold him from time to time. There was also Meow Meow's cheerful and clear laughter at the side. Dong Tian and Rong nuo each pushed her gently and cuddled.

On the cobblestone path in the courtyard, the young couple was deeply in love.

In the afternoon, before the sky turned dark, he woke up easily. He slept for an especially long time, from the night before to the afternoon of the next day.

When he woke up, his brain was still a little groggy. Furthermore, his body was sending out a strong signal-hungry!

Jian Yi covered his head and sat up. He looked around. The room was very unfamiliar, but it was also very nice and warm. From the curtains to the bed sheets to the sofa and furniture, they were all in warm colors. Most importantly, Hanhan remembered that he wasn't here before he fell asleep.

He simply rubbed his forehead. He remembered that he seemed to be tidying himself up. Yes, in Natsume's laboratory, he was lying on that very uncomfortable little bed!

The bed was too small, and his legs drooped down as he lay there. It was extremely uncomfortable..

Sorry for the inconvenience. Thank you very much!

Chapter 1524: I will become your brother-in-law

However, this bed was different. It was very comfortable and he could sleep very well.

Jian Jie didn't feel that he was in any danger at Liancheng's house. It was just that his position had been shifted unknowingly in his sleep. This made him, who had always advocated for a sense of crisis, a little uncomfortable!

he simply lifted the blanket, stood up, and pulled open the curtains. outside was the liancheng family's courtyard, and servants walked around occasionally.

He simply stood there and watched for a while. When he was starving, he went downstairs!

At this time, everyone was still in the living room.

Gu Hesheng almost made Tang Zong cry. He said that he would never have another child with Gu he. However, old people only had that kind of hobby. In the end, he changed to Rong Yan.

Liancheng Yazhi watched from the side. When Rong Yan was about to lose, he would help her. It could be said that the two of them were the young ones bullying an old man.

However, Gu Hesheng was not angry. Instead, he was rather excited.

MeowMeow was still playing with wintertime. Rong nuo was watching TV, and Tang Zong was watching Rong nuo's whine.

In short, if one were to look down from above, they would find it really fun.

As Jian Jie's body was weak now, he felt that his two feet were quite heavy. Therefore, when he walked, his steps were a little heavy. Everyone soon saw him.

"Uncle Jian."

Then he turned around and shouted, "daddy, mommy, uncle Jian Jian is coming down, Yingying!"

Rong Yan and Liancheng Yazhi had already seen it. Rong Yan quickly said to Butler li, "Hurry up and heat up the simple dishes prepared by the kitchen." Butler li nodded and entered the kitchen.

Liancheng Yazhi stood up and walked over. He thumped his chest. “you woke up earlier than natsume told you to.”

of course. I’ve been knocked out by his medicine for so long that I feel weak. Jian Jie’s face was a little pale, but with a slight smile, the murderous aura on his face was much less.

A simple bow to Gu Hesheng,”Hello, Zhenzhen.”

Gu Hesheng nodded his head and sized him up, “Your injuries aren’t light, recuperate well. ”

“It’s alright, it’s not heavy.”

“have a seat first. the food will be ready after you heat it up,” rong yan said to jian yi.

“Alright, I’ll have to trouble you,” Jian Jie said politely.

Liancheng Yazhi glanced at him. that’s enough. If you keep acting like an outsider, I’ll get someone to throw you out later.

Tang Zong immediately jumped up. I’m not treating you as an outsider? then why are you chasing me away? ‘

“Are you two the same?” Liancheng Yazhi replied.

Tang Zong gritted his teeth and glared at the two of them, “why?” What’s the difference between us? maybe Yingluo and I will be closer than you and him in the future.”

In the future, when he married Rong nuo, he would be Liancheng Yazhi’s brother-in-law and would be considered a relative. Naturally, ran ran would be much closer than the two of them.

However, it would be a little difficult to achieve this goal!

However, he would work hard.

Liancheng Yazhi and Rong Yan looked over at the same time. One of them was watching the show with a little contempt, while the other was cold as if to say, I dare you to try having any crooked thoughts!

Tang Zong’s neck shrunk and he looked at Rong nuo pitifully.

Rong nuo gave him a helpless look!

Not only that, but she even had a hint of ridicule in her voice. Tang Zong felt very aggrieved when he saw this! rong yan said to jian yi, ” go and sit down first. you haven’t eaten for a long time. you definitely can’t stand it! ”

Jian Jie smiled, “I can still hold on..”

Sorry for the inconvenience. Thank you very much!

Chapter 1525: rong yan l s trick

The food was served quickly. Jian Jie did not stand on ceremony with them. He picked up the chopsticks and began to eat in big mouthfuls. Although he ate quickly, his actions were not rough at all.

lian Cheng yazhi held Rong Yan's hand and sat opposite him. Tang Zong was playing chess again.

As Lian Cheng Yazhi peeled the skin of a grape and fed it to Rong Yan, he asked, "How's your body now?"

Jian Jie nodded. "Yes, it's good. Natsume's medicine must be good. When I first woke up, I felt a little dizzy, but I'm much better now. My body is much lighter."

Rong Yan said, "Thank you for taking care of Yazhi this time. You can stay at our house to recuperate. Don't stand on ceremony with us."

His simple eating process slowed down a little. He felt that it was not good for him to live here. "My ran ran."

He didn't mention my place, so Lian Cheng Yazhi said, "By the way, do you still remember the bet we made?" He coughed simply.

"What bet?" Rong Yan asked curiously.

Lian Cheng Yazhi reached out and put his arm around Rong Yan's shoulder. "We had a competition once. I said that if he won, I would ask you to introduce him to a beautiful wife when he came back."

Lian Cheng Yazhi casually said that it was just a competition between him and Jian An, but he did not tell Rong Yan that that time, it was actually not the two of them competing, but they were competing against death.

Rong Yan smiled, and her eyes curved into crescent moons. "Ah, that's great, Yingluo. I'll definitely help you find a pretty, good-looking, and virtuous Yingluo."

His simple bronze-colored face was a little red. That was just Yingluo's joke.

Rong Yan immediately said seriously, "How can you say that I'm joking?" "You're not young anymore, and it's time for you to have a family. Look at our

Lian Cheng, and he's always teasing Tang. Oh, Yingluo almost forgot, his child is about to be born. You should be a father at your age."

Jian Bu was talking on the mountain, and he kept a certain distance from Rong Yan. When he spoke, he was a little restrained. "But I'm scared!"

Alright, it's settled then. I'll help you keep an eye out later. After saying that, Rong Yan's eyes turned, and she turned her head and said loudly, "Rong Nuo, I'm a little thirsty, can you get me a glass of water, Yingluo?"

Rong Nuo put down the remote control. "Oh, okay Yingluo."

Tang Zong gritted his teeth and turned his head to look at Rong Yan with his needle-like eyes. He was scratching his ears and cheeks in his heart. Rong Yan was so sinister. What did she mean by asking Rong Nuo to pour a glass of water? She was clearly asking Rong Nuo to go over and give her a simple look.

Young Master had seen through Rong Yan's trick at a glance. She wanted to marry his Nuo Nuo to that tall and dark guy. Hmph, that guy Yingluo. Although

Yingluo looked a little scary, she was definitely not as handsome as him, young master Tang.

Tang Zong couldn't care less about the chess game, his eyes and ears were all on Rong nuo.

When Rong nuo brought the water to Rong Yan, he saw that Rong Yan had pulled Rong nuo to sit next to him.

Tang Zong immediately bit the Jade chess piece in his hand into his mouth. He knew that this was what Rong Yan was planning. See, see? he won't let Rong nuo go.

gu hesheng sat opposite him and did not remind tang zong. he thought that it

was quite fun, and just 100K1ng at tang zong's race maae mm nappy.

He sighed. Although he was old, he was still happy to see the young people so lively.

Tang Zong bit his chess piece hard. He wanted to rush over immediately.

rong nuo actually smiled at that big guy.. how could she smile?

Chapter 1526: Bad woman!

Tang Zong's heart was currently being scratched by tens of thousands of cat claws, making him feel extremely uncomfortable. How was he going to get there? how was he going to be by Rong nuo's side? how was he going to stop that big guy from falling in love with his nuo nuo?

Tang Zong was crunching on his chess piece. He thought to himself, 'our nuo nuo is so good. She's so beautiful and that big guy, Qingqing, must have fallen in love with her at first sight.'

Just look at him, his eyes were clearly fixed on his Nono, he was simply a lecherous bastard!  
[simple: my eyes have been looking at the food all this time.

Which eye of yours saw me looking at the person?]

In addition, Rong Yan, the bad woman, was playing matchmaker, and Liancheng Yazhi, the accomplice, was also there.

It's over, it's over, ran ran's Nono is definitely going to be sold!

Tang Zong suddenly felt an overwhelming sense of danger!

On the other side, Rong Yan pulled Rong nuo and said to Jian Yi, "This is my younger sister. You should have met her before, right?"

Jian Jie knew what Rong Yan wanted to do, so he nodded gently. "Yes, I've seen you once, Yingluo."

He met Rong nuo at the engagement party of Xia Xuanmo and Tang Ziyu.

rong yan held rong nuo's hand like a mother and praised, "Our Xiao nuo is an honest child. He has a good temper and is pretty. Do you think a simple Kasaya is pretty?"

Jian Jie's face was burning. He sneaked a glance at Liancheng Yazhi, but the other party's expression said that he was very happy to watch a good show. This made Jian Jie hate him!

although it was hard to answer, he had already asked the question. if he didn't give an answer, he definitely had to.

Jian Jie could only nod vaguely, "yes, it's nice," right? you think he looks good too, right? I've doted on nuo nuo since she was young. I looked at her as if she was my other daughter. I've always wanted to find her a mature, responsible, and responsible man to be her husband. That way, when they get married in the future, he can take care of nuo nuo, Qianqian.

Tang Zong really wanted to shout out loud, "I'm the one you're looking for. I'm mature, reliable, responsible, and I have everything. I'm the most suitable for Nono. Please, let us be together!"

rong yan naturally knew that there was a pair of eyes staring at her from behind. however, she didn't care about yingluo. she only cared about the expression on his face when he turned around.

Rong Yan continued to say to Jian Jie, " Jian Jie, look at you. You're already an adult. You should find a young and beautiful girl. Otherwise, you'll be so boring with such a dull personality.

"Oh, by the way, you're injured, so you need someone to take care of you. The servants at home aren't careful enough. I should have taken care of you myself to thank you for saving our Liancheng, but you see, I'm pregnant now, so I can't take care of you myself. But it's okay, let Rong nuo take care of you. She's much more meticulous than me and knows how to take care of people the best.

I'll be at ease if she takes care of you."

Jian Jie almost fell from his chair. Fortunately, he had been through many strong winds and waves, so he was able to stay calm.

When Jian Jie heard this, he said anxiously, "no, no, no, there's no need. In the past, no matter how badly injured I was, I always took care of myself.

Moreover, I've basically recovered now. I don't need anyone to take care of me. Moreover, she's your sister. You can't let her suffer too much.

Jian Jie had never let a woman take care of him. If a woman suddenly appeared by his side, he would not know what to do every day..

Chapter 1527: Big sister, you sold me?

Rong Yan immediately rejected his words. the past is the past. You're in our house now, not at the border. In the Liancheng family, you have to listen to me. Yazhi also has to listen to my arrangements. Don't you agree, hubby? " Rong Yan looked at Liancheng Yazhi with a smile.

Liancheng Yazhi nodded and gloated, " "Yes, I'll listen to my wife at home! simple, just listen to rong yan's arrangements and let yingluo go."

also, there's nothing to feel wronged about. Yazhi's friends are my friends, and my friends are my sister's friends. It's my duty to take care of my friends. Besides, my sister expressed her gratitude to you on behalf of her sister and brother-in-law. This is human nature. Don't reject it. It's settled.

As soon as Rong Yan opened her mouth, everyone felt dizzy. A friend's friend was a friend. This logical theory was explained by Rong Yan particularly smoothly.

He said simply and awkwardly, “but, this still isn’t too good, Wuwu.”

Simple wasn’t a really stupid big man. Although he was tall, he wasn’t stupid. What Rong Yan wanted to do was already obvious. It could be called rough and simple. She just wanted to match them together and make them both together!

However, if he didn’t say it so directly, it would be awkward for two young people who were not familiar with each other!

Moreover, he had never thought of going on a blind date, so he was at a loss and did not know what to say. He had asked Liancheng Yazhi for help many times, but he did not know how to do it even once.

after rong yan complimented rong nuo, rong nuo suddenly realized that she had been on a blind date because of her relationship.

Did big sister want her to go on a blind date with this tall man?

Moreover, it wasn’t just a blind date. Big sister had directly asked her to take care of this simple task. Was she selling her out before she even realized it?

Rong nuo’s eyes widened as she looked at Rong Yan. ‘Big sister, don’t ...’

Rong Yan grabbed Rong nuo’s hand and squeezed it, but the smile on her face did not change.

Rong nuo pursed her lips. Big sister, you’re really ruthless!

She sneaked a glance at Tang Zong. This glance made Rong nuo shiver, and she did not dare to look back. it’s just that the look in tang zong’s eyes at this moment is too beautiful. i can’t bear to look at it directly.

When Tang Zong heard Rong Yan say that Rong nuo should take care of Jian Yi, he immediately couldn’t sit still and stood up to snatch her away. He decided to go all out and see who would be the first one to chase.

however-

Gu Hesheng said, ” go on, it’s your turn. It’s useless for you to rush over like this. Rong Yan will only look down on you even more. Look at that young man, Jian Jie. He’s such a steady person. He doesn’t do anything but he makes people feel steady. Look at how impatient you are. How can you let Rong Yan hand her sister over to you with ease? if I were Rong Yan, I would also choose Jian Jie and not you!

Tang Zong looked at them with his eyes wide open, his two hands on the corner of the table. “But Qianqian is teasing me. I’ve already set a new image in her heart. How am I supposed to rebuild it?”

Although his image in front of Rong Yan wasn’t good, no matter what Tang Zong did, Rong Yan couldn’t change her initial impression of him. His personal image could not be reversed.

Gu Hesheng laughed, it was really good to see the young man making such a fuss!

Tang Zong bit his finger, his eyes spitting fire as he looked in Rong nuo’s direction.. Every time Rong nuo smiled or said something, his eyes would narrow a little!

Chapter 1528: old man, i’ll really beat you up!

Tang Zong was like a little Porcupine who had always wanted to protect his fruit. Unfortunately, he was surrounded by a Wolf, young master ya, and a Fox, Rong Yan. He was guarding the fruit and trying to bring it back to his cave. This road was full of ups and downs!

Gu Hesheng teased, "I think that little girl Rong nuo has a good impression of Jian Jie. She's the same age as Jian Jie. She's calm and charming. Any young girl will like her.

When Tang Zong heard this, he almost stomped his feet in anger. He shouted, "There's no calmness, no charm, he's clearly perverted and perverted. He's so dark, did he come back from mining coal? And that scar on his face, one look and you can tell he's not a good person."

In Tang Zong's eyes, anyone who wanted to become his, or had already become his enemy, would automatically be regarded as a bad person. Furthermore, his radar's line of fire would always be focused on the other party.

Gu Hesheng chuckled and put down a white chess piece, "How is it perverted?

"You're the one who's perverted. You're perverted when you look at people.

Look at how he's sitting upright. Even when he's eating, his back is straight. This shows that he's an upright person. Look at his eyes. They're open and honest, which shows that he doesn't have any evil thoughts. Besides, his skin. A man's skin is dark. That's what makes him manly and gives people a sense of security. And that scar. Not only did it not damage his face, it added masculinity. From the beginning to the end, I feel that this young man is really not bad. If I had a daughter, I'd definitely want to marry her to him. Such a person would never cheat on me or flirt with other women. Although he wouldn't say sweet words, he would definitely be reliable."

After he finished speaking, old man Gu was not afraid of Tang Zong's hateful eyes as he added, when a woman looks for a man, she doesn't look at his face. Fair skin and good looks are all what a woman wants. For her future husband, their only request is the same as what I said just now-he's reliable!

Tang Zong's fists were tightly clenched, and his eyes were spewing fire. He couldn't help but want to flip the table and blow his top.

Can I beat this old man up? Can I? Can I?

Was there a need to give him such a blow?

why did he feel that this world was filled with deep malice towards him?

Could it be that he was unreliable just because he had fair skin and good looks? He could have been a good husband, so why didn't they believe him?

Tang Zong really seemed to be going crazy. He really wanted to go berserk.

He had been running amuck for more than 20 years, but ever since he met Liancheng Yazhi's family, he felt that his good days had come to an end. He had never won a battle and was suppressed every time. He was really unwilling to accept it.

Tang Zong's hand that was grabbing onto the table was so tight that the veins on the back of his hand were bulging. His eyes were wide open and he was panting heavily. No matter how one looked at it, Qianqian was already extremely angry!

But old man Gu didn't mind at all. He picked up the purple clay teapot, took a sip of tea, and sighed comfortably.

Tang Zong was angry for a while before he said fiercely, "Old man, don't mess with me. I'll really beat you up."

Old master Gu put down the purple clay teapot and met Tang Zong's eyes. He smiled kindly and said, "Is that so? then come at me. You don't respect the elderly and even hit them. Aiyo, I can't even imagine how Rong nuo will see you at that time. Rong Yan will definitely not let his sister marry you.. Who knows if you have violent tendencies after marriage?"

Chapter 1529: I can not give up on myself

Gu Hesheng's words instantly made Tang Zong listless.

That's right, he had to cross so many ravines, climb over the mountains, and then marry a wife. He couldn't be angry. If he beat up old master Gu in the Liancheng family, not only would Rong Yan and Liancheng Yazhi drive him out, even Rong nuo would definitely wonder if he really had violent tendencies when she saw him in the future.

Tang Zong pouted and lay down on the chessboard. Many of the chess pieces fell to the ground, making a clattering sound.

Gu Hesheng patted Tang Zong's shoulder and said, "little brat, what are you doing? look at how Rong nuo is looking at you. Your dispirited look is a perfect contrast to simple. The more you look like this, the more Rong nuo feels that simple is better.

After hearing Gu Hesheng's words, Tang Zong instantly felt as if he had been enlightened. He was suddenly enlightened.

He stood up. yes, you're right. I can't give up on myself. I want to turn over. I want to work hard, Yingluo.

"I'm planning on how to flip through the Kasaya." Before Gu Hesheng could finish his sentence, Tang Zong had already run off like a rabbit, running upstairs, leaving everyone baffled!

There was a little disappointment in Rong nuo's eyes that she could not hide. In fact, she was still a little disappointed in her heart. Tang Zong could rush out and run to Rong Yan to say that it was fine. What else could he say? no matter what he said, eldest sister would definitely not agree.

Rong Yan saw that Rong nuo was a little disappointed. She sighed slightly in her heart. It seemed that Rong nuo had also fallen for Tang Zong.

initially, she did not really want to introduce rong nuo to jian jie. she just wanted to provoke tang zong. if he really liked rong nuo that much, he would be able to bring out his courage and use all his passion to pursue rong nuo. rong nuo was a good girl, and he was worth it.

Of course, it would be a good thing if the two of them liked each other. She really felt that Jian Yi was more reliable and responsible than Tang Zong. He would be a good husband in the future.

However, from the looks of it now, it seemed that this wish of Yingying's would not come true.

however, it was still necessary to continue provoking tang zong.

Rong Yan continued to hold Rong nuo's hand and talk to Jian Jie. She acted like a professional matchmaker and talked so much that Liancheng Yazhi, who was listening at the side, kept wanting to laugh. Even Jian Jie, who had always been unsmiling, could not help but laugh!

After a simple meal, everyone sat around and chatted.

As they were talking, everyone fell silent. Each of them had a different expression as they looked at Tang Zong, who was walking down the stairs with his head held high.

rong yan was the first one who could not help but laugh out loud. she pointed at tang zong and said, "Tang Zong, are you going to travel back in time to 30 years in the last century to film a spy drama?"

The moment she said this, everyone burst into laughter.

Tang Zong had originally been standing on the stairs, maintaining a posture that he thought was very handsome. But after being laughed at by everyone, he could no longer continue. He walked down the stairs with heavy steps.

Tang Zong stood in front of them and said angrily, "What are you laughing at?

what's so funny? I know you think I'm handsome, but you don't have to laugh like this!" tang zong was panting as he looked at the long black trench coat he was wearing. there was a three-piece suit inside, and it was also black his hair was combed with men's hair oil, and it was shiny and shiny, revealing his forehead. his entire appearance was messy, how should one describe it? he wasn't ugly, right? but, when he looked at it, he was exceptionally comical.

in fact, tang zong was not suited for this kind of mature and serious look. who asked his face to be too tender? however, in order to make himself look mature and steady, he ruined himself. however, he didn't seem to know about it..

Chapter 1530: He was clearly a Black-bellied and cunning fellow

However, after he said that, everyone laughed even harder. Tang Zong was so angry that he wanted to stomp his feet. He asked MeowMeow, "

He thought that children had the brightest eyes and were the least likely to lie. MeowMeow would definitely think he was handsome.

Unfortunately,

Tang Zong gritted his teeth. His face immediately turned red. He braced himself and said, "if i'm not handsome, then who is?"

"My dad and Brother Winter!"

Winter of the year blushed and lowered his head to rub MeowMeow's hair!

tang zong did not get any praise from meowmeow, so he put his hope on rong nuo and looked at her eagerly.

in the end, rong nuo laughed when he saw this. this was the last bit of tang zongs confidence. he snorted, turned around and ran upstairs. he quickly changed into his usual clothes.

When he came down again, Tang Zong lazily sat on the sofa. And this time, he was more daring. He specifically sat next to Rong nuo, and then stared at the simple design.

Jian Jie was unusually calm when she faced him, and the atmosphere was very relaxed when she spoke to Liancheng Yazhi and Rong Yan.

Tang Zong was so angry that he gritted his teeth, but he couldn't do anything!

However, Tang Zong wasn't someone to be trifled with. If the mountain doesn't come, I'll go. If you don't find trouble with me, I'll find trouble with you.

Hence, Tang Zong pretended to exchange simple pleasantries and said, "My name is Tang Zong. I can be considered a merchant. What do I do?"

"Simple, mercenaries!" Jian Jie said indifferently.

In the end, Tang Zong caught hold of something that could be used against him. With an expression of "oh no, I'm very surprised," he said, being a mercenary is such a dangerous job. You're always following guns, cannons, bombs, and all sorts of answers. It's too dangerous. You could die at any time.

If I were a woman, I'd definitely not marry you. Who knows when I'll become a widow? what do you say, rongruo?"

Rong nuo suddenly felt a little embarrassed. Can't you at least act a little better? Don't you know that your acting is terrible?

She coughed and said in a low voice, "shut up, Yingluo."

Rong Yan secretly tugged at Liancheng Yazhi's clothes. Neither of them said a word. Instead, they were looking forward to what would happen next.

Jian simply glanced at him. it's quite dangerous, so I have a plan. I quit. I'll start a company with Liancheng.

Liancheng Yazhi held back his laughter and immediately ?I told you, it'd be great to go back to the capital. You've left so much money, even if you don't start a company, it's enough, Hanhan."

Rong Yan agreed. that's right. When you were young, you did a dangerous job and treated it as an adventure. But when you're an adult, you should get married and have children. You should live a good life and enjoy it. Look at our Liancheng, he's so good now.

liancheng yazhi put his arm around his shoulder and the two of them looked at each other sweetly, making the people around them envious, jealous, and hateful.

Rong nuo lowered his head. He felt that it was best to remain silent now.

Tang Zong gritted his teeth. This bastard, he's clearly a two-faced and cunning fellow. How did leader Gu see that he's an upright and honest person?

hmph, i'm getting old, my eyes are indeed not that good.

I can't listen to him in the future.

The key was still to rely on himself. It seemed that the plan to make nuo nuo pregnant had to be carried out. He did not believe that this guy would be willing to be the Father of someone else's child..
