

Permit Me 1551

Chapter 1551: Grand return

Liancheng Yazhi stood behind Rong Yan and held her shoulder. He looked at her pink and tender body in the mirror and smiled. "It's very good!"

In fact, Liancheng Yazhi was still a child deep down. He liked to pick very tender colors for Rong Yan's clothes-pink red, white, and tender yellow, the tender colors of little girls. He also liked to buy clothes for Rong Yan himself.

Sometimes, when Rong Yan saw the clothes he asked someone to send over, she would think that Liancheng Yazhi had actually raised her as his daughter.

Liancheng Yazhi liked how Rong Yan dressed up. He liked how she looked especially pretty when she dressed up. He liked how she looked especially delicate when she dressed up because she would look younger than her actual age.

It wasn't that Liancheng Yazhi despised Rong Yan for being old, but he was afraid that time would leave marks on Rong Yan. When those marks piled up, it would actually be the passing of life.

He liked to see her Forever Young, liked to see her always alive, so that she would never leave.

Liancheng Yazhi was wearing a black suit while Rong Yan was wearing a pink sweatshirt. The two of them looked like they were in opposite directions, but when they stood together, they looked harmonious and there was no awkwardness.

Liancheng Yazhi picked out a pink cap from the hat cabinet that Rong Yan had specially prepared for visitors and nodded in satisfaction. this is even better. Let's go downstairs for breakfast, then we'll go to the company.

The two of them packed up and went downstairs. The first person they saw was Gu Hesheng.

The old man was stunned for a moment when he saw their outfit.

Rong Yan smiled at Gu Hesheng and said, "Good Morning, Mr. Gu, Zhenzhen."

"Good Morning, Yingluo. What are you guys doing here?"

Liancheng Yazhi helped Rong Yan to sit down. I'm going to the company today. Rong Yan, come with me.

“oh, i see, yingluo, let’s hurry up and have breakfast.” gu hesheng understood.

“Did Rong nuo and Tang Zong not come down?” Rong Yan asked.

Gu Hesheng shook his head, ” Rong nuo did not come down. Tang Zong left in a hurry early in the morning. It seemed like something urgent had happened. He also woke up and practiced Tai Chi with me for a while. After that, he went to the gym to take a walk.

rong yan glanced at liancheng yazhi. ” don’t worry about him. if he can’t find a place to go, he can’t blame anyone else. ‘

After breakfast, it was almost nine O ‘clock. Liancheng Yazhi quickly took Rong Yan to the car.

in the car, liancheng yazhi let rong yan rest on his leg. ” if you’re tired, sleep for a while. i’ll wake you up when we reach. ” good zhenzhen. ” rong yan nodded.

After almost 40 minutes, the driver finally drove to a place 50 meters away from the group building.

It wasn’t that he didn’t want to move forward, but he couldn’t.

There was already a line of men and women at the entrance of the Qin Zhuan group building. When they were taken away, some of them were too pitiful.

The chauffeur opened the car door. Liancheng Yazhi got out first and then helped Rong Yan out of the car.

As soon as their feet touched the ground, they heard their company’s employees suddenly shout, ” welcome back to the company, President. Welcome to the president’s wife’s inspection of Huahua.

His voice was especially loud and seemed to be able to penetrate people’s eardrums. It was a little shocking to hear, and their faces were filled with anticipation.

Both Liancheng Yazhi and Rong Yan were stunned. This scene was a little grand. They had no idea how long so many people had been standing outside the door.

However, when they saw their boss in person, it was worth it to wait for so long.

Liancheng Yazhi said to Rong Yan in a low voice,”Secretary Zhou’s arrangements are really more Grand than I thought.” &Nbsp; Rong Yan pinched his arm and said,”look, Secretary Zhou is here..”

Chapter 1552: This is my wife's face

it was normal for secretary Zhou to make such an arrangement. Liancheng Yazhi had not returned to the company for many days. Although Rong Yan had stepped in some time ago to calm down the group of shareholders who wanted to rebel, everyone's heart was still drumming. After all, the big boss of Xuanji had not come to the company, and everyone still felt insecure.

Now that young master ya had finally returned, Secretary Zhou wished that everyone in the company could witness this moment and let everyone know that young master ya had returned!

This could instantly appease people's hearts. Liancheng Yazhi only needed to show his face, and it was better than any means.

Secretary Zhou rushed over and stood in front of them with an excited face.

Young master ya, young Madam, please come in. The employees of the company are very excited to know that you're here. They've organized a group to welcome you, Qianqian.

Liancheng Yazhi glanced at Secretary Zhou. Alright, let's disperse. It's time to go back to work.

Secretary Zhou quickly turned around and shouted, "Let's go, let's go. Work hard. If we can't complete this month's sales, don't even think about the bonus.

The staff standing at the door burst into laughter and ran away.

Perhaps it was because they had finally seen the handsome boss, everyone was relaxed and ran very fast. In just ten seconds, the group of people had all run away.

Young master ya, young Madam, please. Secretary Zhou reached out his hand.

Liancheng Yazhi put his arm around Rong Yan's waist. Let's go in.

After entering the door, the young lady at the front desk immediately prepared her sweetest smile and bowed to them. Good Morning, President, Madam, Good Morning, Wanwan.

Rong Yan had met them twice and said with a smile, "Young lady, it's time to say good morning."

"Good morning, Madam," the girls quickly corrected themselves.

Secretary Zhou stood in front of the elevator and pressed a button. The elevator opened, and after Liancheng Yazhi and Rong Yan walked in, Secretary Zhou quickly went into the elevator and closed it.

young master ya, " Secretary Zhou said to Liancheng Yazhi, " as you've instructed, the company's top management has already gathered in the auditorium.

"Then let's go to the main hall." Liancheng Yazhi tidied Rong Yan's coat and clothes.

"You want to meet those higher-ups? are you having a meeting?" Rong Yan asked.

It's not really a meeting. It's just a group meeting with them after I come back.

When they arrived at the floor where the company's auditorium was, the elevator stopped and the elevator doors opened automatically. Liancheng Yazhi walked out with Rong Yan in his arms, Secretary Zhou following closely behind.

The higher-ups in the hall had been waiting for a long time, but none of them dared to leave. This was because Secretary Zhou had told them that their boss had returned and that his boss wanted to see them!

How could they dare to move?

Liancheng Yazhi had just walked into the hall when someone shouted, " the boss is here, Chengcheng!

Then, the people who had been talking noisily instantly calmed down and stood up in unison.

After Liancheng Yazhi walked to the main stage, they shouted in unison, "Welcome back, President. Welcome back, Madam, Qianqian."

Liancheng Yazhi first helped Rong Yan to sit down. He still stood and did not give the people below the stage a seat.

The first thing he said to everyone was, " good morning, everyone. Let me introduce you to my wife, Rong Yan. She is your boss's wife.

Everyone was stunned. Many of them didn't understand. They already knew that Rong Yan was the company's lady boss during the last meeting. Why did the boss have to introduce her again?

Chapter 1553: your lady boss is pregnant

However, everyone soon figured it out because Liancheng Yazhi had never brought Rong Yan to the company officially before and had never introduced her identity to outsiders.

Even though everyone in the company already knew about Rong Yan, Liancheng Yazhi still felt that he owed Rong Yan to a certain extent. Therefore, he wanted to clear Rong Yan's name in front of all the company's senior management. He wanted to tell everyone that Rong Yan was his wife, his only wife.

After thinking it through, the crowd hurriedly applauded. The applause resounded in the auditorium and lasted for a long time like the tide.

After the applause gradually died down, Liancheng Yazhi continued, " " i've already transferred 15% of the shares under my name to my wife. from today onwards, she's one of the shareholders who owns the most shares in the company, just like me. from now on, she can participate in any major decision of the company. her status is equivalent to the president! "

Rong Yan's face was full of shock. She turned her head and looked at Liancheng Yazhi in disbelief. Why didn't he tell her that he had transferred 15% to her?

Wait a minute, does that mean I have 25% of the shares now? The Super major shareholder and super-rich woman of Wufu? a female ceo?

oh my god, the sudden addition of three names made rong yan feel a little dizzy.

The people below the stage were shocked. How big was the entire Liancheng Group? Who didn't know how rich he was? but their boss was actually willing to let Qianqian give so many shares to a woman. In a marriage of a rich family, didn't husband and wife have some secrets that weren't disclosed to each other? didn't they always have their final guard up against each other?

Wasn't the boss afraid that one day, their relationship as husband and wife would break down? so many shares and so much money would turn into bubbles.

Secretary Zhou stood behind Liancheng Yazhi expressionlessly. He looked very calm because he had personally handled everything.

When he did it, he was also a little hesitant. After all, he had given too many shares to Rong Yan. This had never happened in the history of the Liancheng family.

In the past generations, even as the matriarch of the Liancheng family, they had never gotten any shares of the family.

However, Rong Yan had made a big exception!

at that time, Liancheng Yazhi had only said one sentence to him, "she's my wife. I'll share everything I have with her!"

Liancheng Yazhi did not intend to explain this to the people below. He said, "I was sick a while ago, and I've troubled everyone with the company's Affairs. I'll double your bonus at the end of this year, but I have some bad news to tell you. I might not come to the company to take a look for a long time."

The audience immediately sighed. Why isn't he here yet? Didn't he already 'recover' from his illness?

What was the boss planning? Is there a big change in Qin Zhuan company?

While everyone was guessing, Liancheng Yazhi laughed and said, "because your boss's wife is almost four months pregnant. I have to stay at home to take care of my wife. After the child is born, I will give everyone red packets. When it's one month old, I will treat everyone to a one-month celebration."

When Liancheng Yazhi said this, his entire face was filled with happiness. His whole body emitted a very gentle light, and his chin was slightly raised. His proud look of 'I want to be a father' made everyone feel his little joy!

These words made the higher-ups heave a sigh of relief.. So this was the reason!

Chapter 1554-instantly transformed into a rich woman

The company's matters were important, but his wife was pregnant and had given birth to a future heir. To a certain extent, this matter was more important!

Besides, seeing how his boss took care of his wife so carefully and lovingly, he couldn't wait to give all his assets to her. It was reasonable for him to die early when he returned home!

Liancheng Yazhi continued, "when I was sick, it was Madam who took care of me. Now that she's pregnant, it's my turn to take care of her. So, I hope everyone can understand. In the future, the company's matters will continue to be handed over to Secretary Zhou. I will come to the company to check on the company from time to time. Everyone, Qianqian, don't be lazy!"

Liancheng Yazhi said it in a relaxed manner as if he was joking with everyone, but everyone knew that their boss was warning them. They could not relax just

because he was not around because they did not know when their boss would come.

Liancheng Yazhi's meeting did not last long, and it was done in about ten minutes.

What he wanted to do was very simple. He only had to tell everyone a few things.

First, I'm back!

"Number two, my wife will enjoy all the rights with me in the future. Listening to her is the same as listening to me.

Third, I'm going to be a father again.

Fourth, I will continue to stay at home to take care of my wife.

Until she left the company, Rong Yan's mind was still in a daze. She still couldn't react to the sudden appearance of a few more names.

It was not until they got into the car that Rong Yan asked in a silly manner, why do you want the shares? give them to me. I don't need them anyway. Besides, didn't we agree that What's Yours Is Mine? why do you have to do something so unnecessary? aren't you afraid that I'll take your money and run away after we fall out? "

liancheng yazhi hugged rong yan and poked her forehead, joking with him. "I won't. I'm giving you these so that I can tell myself that I have to treat you well in the future. Otherwise, if you run away, I'll be left with nothing."

Rong Yan had a look of agreement on her face. that's true. Zhenzhen, what if when I'm old and frail, you take a fancy to a more beautiful and young girl? I'll have money to protect myself!

Liancheng Yazhi frowned and scratched her nose."You, why are you so unconfident? your husband already has you, would he still like another woman? Even if you're old, I'm old too. When I'm old, I don't need a pretty little girl. "

Rong Yan suddenly blinked and asked Liancheng Yazhi, " "Hubby, Yingluo, am I very, very rich now?"

Liancheng Yazhi was amused by his appearance."Yeah, very, very high."

"The exact number?" Rong Yan loved money. Whether it was in the past or now, she liked it a lot. She had never hidden this.

“I can’t estimate!” Liancheng Yazhi shook his head.

To be honest, it was a little difficult to calculate the total assets of the Liancheng Group. Therefore, it was also difficult for him to give Rong Yan a specific number.

“I suddenly feel like a nouveau riche.” Rong Yan bit her nail and smiled foolishly. Liancheng Yazhi pinched his cheek. silly. You only feel like a nouveau riche now? ”

Rong Yan hugged Liancheng Yazhi’s arm. “hehe, yingluo feels different today. she suddenly has so many shares. i’m a little excited just thinking about it!”

Suddenly, Rong Yan inadvertently saw the road outside and felt that it was a little unfamiliar. She said, ” yingyingluo hubby, that’s not right. We’re not on the way home..

Chapter 1555: You have a grandson

Liancheng Yazhi nodded and pulled Rong Yan back. “Right, let’s not go home yet. Let’s go somewhere.” “What place?” Rong Yan asked him.

“Guess!” how could I have guessed? you’re always like this, always making people guess Yingluo. Rong Yan lay lazily on Liancheng Yazhi.

Zai Xi’s big hand covered Rong Yan’s face, his fingers gently rubbing her face.”No matter what, I have to tell him that I have a grandson.”

Rong Yan was stunned for a moment, but she quickly understood who Liancheng Yazhi was talking about. “You’re right, we should tell him!”

When the two of them arrived at the sanatorium, the young nurses in the hospital were helping the old man slowly practice walking. They walked very slowly and with great difficulty. The old man looked annoyed, and the nurse beside him patiently persuaded him.

old man, you see, your body’s indicators have recovered quite well recently. If you continue to exercise, you might be able to walk.

The old man didn’t say anything, but from the look on his face, it was obvious that he wasn’t happy.

Liancheng Yazhi and Rong Yan stood there and watched for a while. They didn’t see them until the nurse helped the old master turn around and walk back.

“Young master ya, young Madam, you’re here to visit the old master!” The nurse greeted them.

Old master Liancheng’s face turned even uglier when he saw them. He urged the nurse to help him to the wheelchair.

The young nurse was very perceptive and quickly said, “Then I’ll take my leave first.”

Liancheng Yazhi first helped Rong Yan to sit down on the sofa in the house, then turned around and asked, “The old man’s health has been good recently, his face is ruddy.”

“Aren’t you dead?” old master Lian Cheng said unkindly.

liancheng yazhi smiled. “you’re not dead yet. how can i bear to do that? i have to send you off first.

Rong Yan’s lips curled up. The way this father and son communicated was always different from ordinary people.

Even though the old man had said ‘aren’t you dead’, he still cared about him from the bottom of his heart.

The last time, at the shareholders ‘meeting, the old master had spoken up and stood on her side. No matter what his purpose was, he had acknowledged her and helped it.

The old man wanted a grandson so much. Now that he had one, he should tell him.

The old man’s face turned red with anger. you unfilial son! You might as well die outside.

Liancheng Yazhi smiled unusually happily. how can that be? no matter what, I have to wait until my son is born and I’ve raised him into an adult. Then, I’ll follow you to Meet the Ancestors of the Lian Cheng family.

The old master was stunned. Liancheng Yazhi’s words didn’t sound right, could it be?

Before the old man could figure it out, Liancheng Yazhi said again, “Old man, it’s my son’s one-month birthday party this year. If you’re willing to attend, I’ll come and pick you up.”

Liancheng Yazhi helped Rong Yan up. we won’t disturb your training. We’ll leave first.

rong yan stood up and said, " take care of your body. we'll leave first. i said i'd bring meowmeowmeow to see you before, but the situation now is not quite the same as before. i'm afraid this matter will have to be postponed. please forgive me. '

Rong Yan paused for a moment before continuing. I really hope that I can see you at the full-moon banquet in October this year. Goodbye.

It wasn't until the two of them left that old master Lian finally understood. The two of them had suddenly come over recently to tell him that they had a grandson, Yingluo.

The old man's tightly furrowed brows slowly relaxed, and his usually serious and harsh face actually revealed a smile.. "Stinky brat!"

Chapter 1556: Tell me, hubby will help you

Liancheng Yazhi was not a filial son, and he also knew that he could not be a filial son.

It shouldn't be said that their Liancheng Yazhi didn't have the true meaning of 'filial piety' since their ancestors. TO none Of the heirs Of the Lian family, their 'filial piety' was to carry forward the Lian family and make it a bigger family financial magnate, not the kind of courtesy, righteousness, honesty, and filial piety that everyone praised!

Therefore, Liancheng Yazhi wouldn't do anything to the old man that would move people. It was enough that he could do what he did now and specially ran over to tell him that the Lian Cheng family had a grandson. Their family didn't need too much kinship!

rong yan grabbed liancheng yazhi's hand. " hubby, if you want, we can bring the old master back to live with us. "

Liancheng Yazhi shook his head and touched Rong Yan's cheek. no, he can't come back. It's just right to maintain our relationship at this level. It can't be close or far. This is enough.

old master liancheng was not an ordinary old man. he had been prejudiced against liancheng yazhi for so many years, and it was not something that could be resolved in a day.

He didn't like Liancheng Yazhi from the bottom of his heart, and Liancheng Yazhi didn't like him much as a father.

so, it's already not bad that they're like this now, Yingluo.

Rong Yan shrugged and said, "alright then, Yingluo."

At the mention Of her father, Rong Yan thought Of Gu Hesheng. She hesitated and said to Liancheng Yazhi, 'Oh right, Yingluo, I'm Yingluo'

"I'm Yingying!"

Rong Yan hesitated and did not know if she should say it. She was getting along very well with Gu Hesheng now. If Yingluo really exposed those past events, she did not know what would happen in the future.

This was the first time Liancheng Yazhi had seen Rong Yan like this. He asked, "What's wrong? is there something difficult?"

Rong Yan nodded and buried her head in Liancheng Yazhi's arms like an ostrich. Her face was pressed against his chest and she said in a muffled voice, "Honey, there's something I don't know what to do."

Liancheng Yazhi hugged Rong Yan and shook her a few times. He said softly, "What's so difficult? Tell me and I'll help you."

rong yan said slowly, "hubby, my relationship with huahua, gu hesheng, and huahua doesn't seem to be that simple."

Liancheng Yazhi was stunned for a moment. yes, there's still more, Yingluo.

rong yan leaned against liancheng yazhi's chest and listened to his heartbeat.

she gradually calmed down. "Do you still remember the woman who looks exactly like me in the painting that Gu Hesheng gave me?"

Liancheng Yazhi raised his eyebrows. He could vaguely guess what Rong Yan wanted to say. I remember. Why? "

that woman, Qianqian, is actually my mother, Yang Yan. She knew Gu

Hesheng, Lu guinong, back then. I might be Gu Hesheng's daughter. Of course, Qianqian might not be Qianqian. I don't know Qianqian myself. Rong Yan was even more confused after saying these words.

Liancheng Yazhi smiled and patted her shoulder."Do you want to acknowledge him?"

I didn't know that Qianqian, Gu Hesheng, was very good to me. He was so good that I thought it would be great to have a father like him. However, I'm a little worried. If this matter is exposed and Gu Hesheng finds out that Yang Yan is Yan

yang, and that I, his biological daughter, have sent my own mother to prison, what will he think of me when that happens?

After saying this, Rong Yan raised her head and looked at Liancheng Yazhi, her eyes filled with hesitation..

Chapter 1557: Hubby, you're amazing

Liancheng Yazhi held Rong Yan's cheek and said softly, "it's okay, you're thinking too much. I'll get Natsume to secretly do a paternity test for you two. If you really are father and daughter, then we'll find a way to let him know that you had nothing to do with Yang Yan being sent to prison. If he really loves you, he'll love you even more after knowing what Yang Yan did to you back then.

"of course, if you're not, then we'll just pretend that this never happened. we'll live the same way we did in the past and in the future. what do you think?"

Rong Yan bit her lip, still a little worried. "But Xuanji and Gu Hesheng first liked Yan yang, then Xuanji."

Liancheng Yazhi gently knocked on Rong Yan's forehead. "I said you're stupid, and you're really stupid. It seems that pregnancy really makes you stupid for three years, Yingluo."

have you forgotten? since Gu Hesheng has given you the painting that he has kept for many years, it means that he has long let go Of that relationship. The person he likes is the Yan yang in his memory, not the Yang Yan who has become a criminal.

"At his age, Gu he has already seen through wealth and glory. He has already reached the point where he is unaffected by favor or disgrace, watching the flowers bloom and wither in front of him. It can be said that he has no more desires now. The only thing he wants now is to live the life of an ordinary old man with his children and grandchildren around him. He doesn't want to be alone for the rest of his life."

"to gu hesheng, having a child is the most important thing right now. as for yan yang or yang Yan, is that important? "

Liancheng Yazhi said so much at once that Rong Yan was confused and looked at him dumbly.

"Why are you looking at me like that?" Liancheng Yazhi pinched Rong Yan's face.

Rong Yan tilted her head, her face full of admiration. hubby, I suddenly realized that you're so amazing. You're so knowledgeable, Yingluo.

Liancheng Yazhi did not know why he suddenly felt a little embarrassed. He was a little shy to be praised so directly.

Liancheng Yazhi cleared his throat, puffed out his chest, and said very seriously, "of course, your husband is omnipotent. what can't he do and what can't he understand? "

"Hubby, were you also very powerful when you were in school?" Rong Yan suddenly asked.

Liancheng Yazhi hesitated. of course! he replied. this Wanwan is powerful.

He silently muttered in his depends on which side."

"Are you good at studying?"

"It must be powerful!"

"What about sports?"

"Of course it has to be powerful!" "are you fighting with boys from other schools?"

"Is there a need to doubt this?"

"Isn't it amazing to be wooed by a female classmate?"

of course, ran ran. after saying that, Liancheng Yazhi suddenly realized that he had said the wrong thing. He seemed to have been fooled by Rong Yan.

rong yan was pouting as she looked at him, her face clearly saying, 'i'm not happy, i'm very angry, yingluo'.

Liancheng Yazhi thought to himself, who just said that pregnancy makes me stupid for three years? Such a clever way of digging a hole and setting up a trap to lure him into the trap was so meticulous. How did it look like a fool?

On the way home, Liancheng Yazhi tried to please her all the way and finally coaxed her when they reached home.

After returning to Liancheng's house, Liancheng Yazhi started to do a paternity test for Rong Yan and Gu Hesheng.

However, Gu Hesheng was an Old man who loved to be clean. It took him four days to get a single strand of hair. He brought Rong Yan's hair along and sent it to Natsume.

However, Natsume was busy, so he directly said, "I don't have time to make it today. You guys don't have to rush. Come and get the Hanhan tomorrow.."

Chapter 1558: Meowmeowmeowmeowmeowmeowmeo

however, there was no result even after waiting for several days, because natsume was developing a kind of medicine that was specifically targeted at kang yu.

Once it was successful, it would help Kang Xi quickly convert the genetic recombination drugs in his body and bring forward the date of Kang Xi's awakening.

Therefore, in this matter, helping Rong Yan and Gu Hesheng to do a paternity test did not seem so important.

after waiting for a few days, natsume still did not have time. liancheng yazhi also knew that it was not a good time to rush him.

Hence, he asked Secretary Zhou to send Rong Yan and Gu Heshengs hair to the hospital. After all, this kind of paternity test was not a technical job.

However, Liancheng Yazhi felt that he had let Rong Yan down since this matter had dragged on for so many days and was still not settled.

he said to rong Yan, "i'm sorry, baby. it's going to be a day late. natsume is so busy that he can't find time. i asked secretary Zhou to take it to the hospital outside. secretary Zhou will personally deliver the results tomorrow."

Liancheng Yazhi knew that this matter had to be kept a secret, so he told Secretary Zhou that after he got the results, he did not need to call and could wait a night to send it over.

Rong Yan shook her head. it's okay. This matter isn't as important as Xuanji and Kang Yu's matters. It's not like I'm in a hurry.

"Don't worry. No matter what the result is, you have to relax."

Liancheng Yazhi knew that Rong Yan's heart had been tense these days. From the fact that she always woke up when she went to bed at night, he knew that she was not as relaxed as she looked on the surface.

rongyan nodded. "yes, i know, yingluo. i'm fine. i'm fine. "

The only thing Rong Yan was nervous about was that she would be nervous whenever she saw Gu Hesheng!

if he was her biological father, Rong Yan didn't know if she could open her mouth and call him 'dad'.

if not, then she would be even more embarrassed to accept anything from Gu Hesheng in the future.

Liancheng Yazhi didn't want Rong Yan to pay more attention to this matter, so he helped her find something to do. He said to Rong Yan, by the way, didn't you say two days ago that you wanted to let MeowMeow enter the school? I picked a few kindergartens. Do you want to take a look? "

As soon as Rong Yan heard about her daughter, she became spirited. "sure, let me see."

Liancheng Yazhi took out a booklet. inside it were some pictures of relatively good kindergartens.

Liancheng Yazhi pointed to the first one. this is Sheng 'an kindergarten. This kindergarten has the highest comprehensive score in all aspects in the past two years. The teachers there are of good teaching quality and are patient with the students. I've investigated where the students are and 90% of them like their teachers to go to kindergarten.

"What about the remaining 10%?" Rong Yan asked.

the remaining 10% are due to the students themselves. Some are bullied by their classmates, some have low self-esteem, and many other reasons.

Rong Yan thought about it, shook her head, and continued to 100k at the next shop.

Liancheng Yazhi's investigation was very detailed in the imperial capital. No, it should be said that all the elite kindergartens were in this book. From the principal and the forces behind them to the parents of the students, all the details were investigated clearly.

For his daughter's sake, he couldn't wait to check every single tile in the school toilet..

Chapter 1559: Don't let the child be bullied

But in the end, Rong Yan chose a school that was average in strength and had average scores. She said to Liancheng Yazhi, " let MeowMeow and Dong Tian go to school together. In the same school, Dong Tian can take care of

MeowMeow. If MeowMeow goes to school alone, I'll never feel at ease. With Dong Tian around, he's older and can protect MeowMeow and help MeowMeow fight.

When Rong Yan thought of the little princess that she had gone through so much hardship to give birth to during her ten months of pregnancy and was now about to enter school, she suddenly felt very sad and wanted to cry.

She then thought of her baby

Rong Yan didn't know how other parents felt when they sent their children to school for the first time. In any case, she was very sad. She was a mother who was particularly protective of her children and loved them very much. If anyone dared to touch a strand of her baby's hair, she would fight them to the death, regardless of whether her child was right or wrong.

She would never allow the same thing that happened to her child to happen to her.

Liancheng Yazhi nodded and had no objections. "okay, this one it is then. i'll talk to the school and ask the teachers to take good care of our meowmeow. if our baby is bullied in school, i'll make them close down. "

Rong Yan nodded, "Yes, we can't let her be bullied, Yingluo."

As the two of them were discussing, there was a knock on the door.

"Sister, brother-in-law, it's me, Yingluo. Can I go in?"

Rong Yan was a little surprised. It was Rong nuo. She rarely came to her room at this time.

"Come in, the door is not closed," Rong Yan said.

Rong nuo walked in. Liancheng Yazhi knew that she probably had something to say to Rong Yan, so he got up. "You guys talk, I'm going out for a while."

Unexpectedly, Rong nuo actually called out to Liancheng Yazhi.

brother-in-law, can you wait a moment? I have something to tell you two.

Liancheng Yazhi was stunned for a moment. His first reaction was to look at Rong Yan as he was really afraid that Rong Yan would misunderstand.

Rong Yan was really quite surprised, but she didn't think about it in any other way.

Liancheng Yazhi sat down again next to Rong Yan, and Rong nuo stood in front of them. In comparison, the two of them really looked like parents.

Rong Yan slowed down her voice and said to Rong nuo, " what's the matter? sit down and talk. It just so happens that I have something to say to you too. You can take a seat first.

Ever since Rong nuo had lectured Tang Zong that day, the relationship between Rong nuo and Tang Zong had not been right. A few days ago, on the morning that Rong Yan and Liancheng Yazhi went to the company, Tang Zong had not returned after leaving Liancheng's house.

Rong Yan had been thinking about the problem between her and Gu Hesheng for the past few days, so she paid less attention to Rong nuo.

now that rong nuo was standing in front of her, she didn't seem to be in good spirits. rong yan suddenly realized that she had neglected rong nuo these days!

Rong Yan felt a little guilty. Tang Zong had left for a few days, and Rong nuo must be very sad, but she did not comfort her. She should not have done that.

Rong nuo did not do it. She grabbed her fingers and lowered her head. She was a little nervous and said, sister, brother-in-law, I've been away from prison for a long time. Do you think I should go back now? after all, I'm a prisoner now. I shouldn't be living outside all the time.

"What did you just say?" Rong Yan originally thought that Rong nuo was looking for her to talk about some emotional problems. She did not expect that she actually wanted to go back to prison..

Chapter 1560: Young master ya turns into a caring brother

Rong Yan's voice instantly turned sour. A pregnant woman's temper changed very quickly, so when Rong Yan was angry, her voice suddenly became a little fierce.

Rong nuo was so scared that she trembled. She was afraid of Rong Yan, and most afraid of her getting angry.

Liancheng Yazhi quickly comforted her. don't be angry. Rong nuo just said one sentence. Look at you. You scared her.

Rong Yan pointed at Rong nuo in exasperation, "If she didn't say those words, would I be angry?

Rong nuo had been out on medical parole for nearly three months. Rong Yan had long made up her mind not to let her go back, but she did not expect her to actually bring it up herself.

“Sister Yingluo, I’m not Yingluo. My current identity Yingluo”

“What identity? What was that thing? Don’t talk to me, I don’t want to talk to you now.” rong yan interrupted rong nuo’s words childishly.

liancheng yazhi had always remembered the doctor’s advice to try not to make the pregnant woman angry as it was not good for the child and the adult to be angry during pregnancy.

He coaxed her like he was coaxing a child, ” Okay, okay, ignore her. Don’t get angry if you ignore her. Come and have a drink first. I’ll talk to her.

As Rong Yan was drinking water, Liancheng Yazhi turned to Rong nuo and smiled gently.”Rong nuo, sit down first. If you have anything to say, say it slowly. Your sister is pregnant, and pregnant women have very strong emotional reactions. What she said was just out of anger, don’t take it to heart.” Rong nuo nodded,”I know, I won’t, Zhenzhen.”

“Why do you suddenly want to go back? what if you don’t live well at home? Or is there something you’re not used to?” Liancheng Yazhi sat there in a relaxed manner and spoke casually. He had restrained his aura very well and did not have any pressure.

Rong nuo quickly shook her head. no, no, I’m fine at home. I don’t feel uncomfortable at all, really, Yingluo.

Liancheng Yazhi smiled and became even gentler. “Then what did your sister and I do wrong?”

rong nuo glanced at rong yan and immediately shook her head.

brother-in-law, that’s even more impossible. My sister is so good to me, how could there be anything bad about you two? ”

After a round of discussion, Liancheng Yazhi returned to the main topic. “Then why do you want to go back? Don’t say that you’re a prisoner. You know that these are not reasons.”

“I’m Yingying!”

Once Rong nuo opened her mouth, she did not know how to continue.

Liancheng Yazhi said unhurriedly, "is it because of Tang Zong?" He suddenly left, and you're sad, Yingying."

Rong nuo bit her lip, not daring to look at them. "There's no Zhenzhen."

Liancheng Yazhi smiled. actually, you don't want to go back to prison. You just want to go to a quiet place to think about your own affairs. In that case, I have a suggestion. Why don't you go on a trip? go wherever you want to go, relax, and think about your feelings for Rong nuo.

"Don't talk about going back to prison anymore. Since you're already out, your sister won't let you go back. Can you give in to her since she's pregnant?"

Liancheng Yazhi was very warm, and his tone was completely non-negotiable. However, when those words were put together, Rong nuo had no idea how to reject him.

Liancheng Yazhi had only left two paths for Rong nuo in this gentle conversation.

First, she couldn't even go to the Cheng family's house. Otherwise, she would feel uncomfortable at home and it was Rong Yan who didn't take good care of her..
