

Permit Me 1581

Chapter 1581: You 're my father-in-law too

On the way home, Rong Yan held the appraisal reports in her hand and asked Liancheng Yazhi, " "Is this Yingluo really the final result?"

Liancheng Yazhi touched Rong Yan's forehead. of course. Why do you think that I've done something to you, just like Lu guinong? you know that I've always thought that it doesn't matter whose daughter you are. What's important is that you're my wife. That's enough.

Rong Yan shook her head. no, it's just that I don't know why, but I feel that everything is too beautiful. Would my father be such a good person? '

Her childhood was a scar in Rong Yan's heart, and this scar could not be erased.

Later on, she had thought many times about what kind of person her father was and whether it was because of her father that Yang Yan was so violent and treated her so badly.

therefore, she had always thought that her father was a terrible person. she had never thought that he would be such a kind and kind old man like gu hesheng.

Liancheng Yazhi kissed Rong Yan's cheek with heartache."Silly girl, why can't you have a father like that? Back then, Yang Yan was entangled with Gu Hesheng and Lu guinong. Perhaps even she herself didn't know who the Father of the child was. You heard what Lu guinong said today. When Yang Yan went to find him, he definitely wouldn't admit it. Perhaps she mistook you as Lu guinong's child, and Lu abandoned her, causing her personality to change drastically, don't you think so?"

Rong Yan nodded. Liancheng Yazhi's analysis seemed to make a lot of sense.

lian Cheng yazhi let rong yan lean on him and adjusted her body to make her lie more comfortable."The results are out. The truth is that you are Gu Hesheng's daughter and he is your father. This can also explain why he is always so good to you. Don't think too much about it, this matter is over. In the future, you will definitely feel awkward when you face Gu Hesheng, but you will get along well with him slowly."

Rong Yan was conflicted. but if Yingluo wants to face Gu Hesheng, she must be honest about Yang Yan. I don't know what to say to him about Yingluo.

Liancheng Yazhi tapped Rong Yan's nose."I've already said, you don't have to worry about anything. I'll deal with this matter, I'll talk to Gu Hesheng. You only need to take care of the baby, don't think about anything else, I'll shield you from the wind and rain outside."

Rong Yan rubbed herself in Liancheng Yazhi's arms. hubby, you're the best. What would I do without you? "

"I'll always be by your side. You don't have to worry."

After returning home, Rong Yan and Gu Hesheng had a long talk in the study that night.

Liancheng Yazhi went straight to the point. since Rong Yan is your daughter, you're also my father-in-law. So, I have to be honest with you about some things about Rong Yan's past. Rong Yan isn't an outstanding person and she has many shortcomings. Moreover, she's not even the kind, sensible, and filial daughter that every father hopes for. You need to know all these. She said it, and she doesn't want to hide it from you.

he was very skilled with his words, and the way he addressed gu hesheng as father-in-law had truly struck a chord in gu hesheng's heart. making him especially happy.

As such, Gu Hesheng's mood improved, and he became more tolerant of many things.

liancheng yazhi pushed a stack of documents to gu hesheng. " this is all the information about Rong Yan in the past. You can take a look first.. If you have any questions or doubts, you can ask me!

Chapter 1582: As long as she's happy, I'll do anything for her

What kind of eyesight did Gu Hesheng have? he could tell the age of an item with just a glance, and the information placed in front of him was obviously left there for a long time, at least three years. Gu Hesheng said unhappily, "You investigated her?" liancheng yazhi smiled and nodded. yes, I've investigated her before, and I've investigated her very clearly. However, that was a long time ago. When we first got together, Zhenzhen didn't love me, and I didn't love her either. We were only together for what we needed. Perhaps you don't know, but rongyan and I started off abnormally. In layman's terms, we're ... Kept.

After saying these two words, Liancheng Yazhi saw that Gu Hesheng's face was very ugly. It was so ugly that he looked like he wanted to beat him up.

This was the effect that Liancheng Yazhi wanted. He continued, " we've been together for more than four years. at that time, i've done a thorough background check on her. aren't you curious why she chose to be with me? "

"Why?" Gu Hesheng asked with a cold face.

at that time, she said something that I still remember clearly. She said, 'since you're going to sell it, why don't you find someone that you like'. Until now, every time I think of this sentence, my heart aches. I want to give him the best in the world. This is why she chose a path that no one thinks has dignity.

gu hesheng took out two pieces of paper from the documents and passed them to gu hesheng, " "this is the reason, yingluo."

Gu Hesheng hesitated for a moment and picked up the two pieces of paper. His expression changed from confusion to anger and heartache. His body trembled and his eyes turned red. He almost could not hold the weight of the two pieces of paper.

Gu Hesheng's voice trembled, " these, Qianqian, are these all true? "

Liancheng Yazhi was very calm. He nodded."That's right, they're all real

Kasaya."

"Not just these, there are also these."

The thick stack of documents contained all of Rong Yan's experiences since she was young. She was beaten, abandoned, and abused. She had never smiled in her childhood.

Liancheng Yazhi said in a heavy voice, " Rong Yan didn't have a childhood. Her childhood was a nightmare that she couldn't bear to look back on. When she was young, her mother wanted to abandon her countless times. She grew up in fear and being beaten, but when she grew up, her mother began to calculate how much money she could be sold for. So, she and Yang Yan, or perhaps the Yan yang you all call Yan yang, have no mother-daughter relationship, only hatred.

it's my fault, i should have found her yingluo earlier, i should have found her yingluo earlier. " gu hesheng's voice was hoarse, his eyes were red, and tears

were flashing in his eyes. his chest was in great pain, as if it was being pressed down by a huge stone and he could not turn over!

Liancheng Yazhi was still smiling. I can't blame you for this. I'm telling you this because I want you to be clear about the entanglement between Rong Yan and Yang Yan.

Gu Hesheng trembled and said, "how did she become like this?" How could she be so vicious? no matter who the child's father is, she's still Rong Yan's biological mother, Yingluo. How could she be like this?"

Liancheng Yazhi did not reply to him. He said, Yang Yan is in prison now. She's not Living a Good Life. Back then, it was Rong Yan who personally sent her to prison. In anyone's eyes, they might think that Rong Yan has done an utterly heartless thing, but I think it's good. Whether she kills or harms others, as long as she's happy, I'll do anything for her..

Chapter 1583: Insignificant

Gu Hesheng looked at Liancheng Yazhi and suddenly felt gratified. Rong Yan could meet a man who loved her so much and did not care about her shortcomings or merits. He only loved her purely. This could be considered a kind of compensation from God.

gu hesheng hesitated for a moment before saying, "I, Hanhan, would like to go and see Yan yang."

Liancheng Yazhi did not hesitate and nodded. sure, but after you see her, don't teach Rong Yan that children should be filial to their parents. She doesn't listen to or believe in this. At that time, she and Yang Yan were already at the point of no return. It was either you die or I live. Rong Yan was a very simple person because she was very practical. She liked money and she also valued relationships. However, she was very emotional and it was very difficult for you to imagine it.

"She doesn't care about blood relations at all. She only cares about who is good to her. Rong nuo has nothing to do with her, but Rong nuo is good to her, so she will remember it for life. She could put Yang Yan in prison, but she would love and care for a sister who has no blood relationship with her. She is very conflicted, but it is also very simple."

Gu Hesheng sat there in silence for a long time. Liancheng Yazhi's words undoubtedly made him re-recognize Rong Yan.

the information had completely changed Rong Yan's image in his heart.

Rong Yan, who he had first met, was already a mother. Her character had become gentle, quiet, and gentle. Although she was sometimes willful and occasionally revealed a vicious side, these were not enough to affect her own character.

However, it was only just now that he realized how much pain and torture Rong Yan had experienced in her short youth.

All of this was given to him by her biological mother. It could be said that she became what she was now, unscrupulous and vicious, all because of Yang Yan's tantrum.

Therefore, even though he knew that she had personally sent his mother to prison, Gu Hesheng could not blame her.

If Rong Yan wasn't strong and vicious enough, he might not have been able to see her now.

Gu Hesheng's heart ached. He blamed himself and regretted it. If he had gone to find her earlier, instead of longing for a child when he was old and lonely, perhaps Qianqian would not have to go through all that.

Gu Hesheng did not speak and Rong Yan did not rush him. She knew that Gu Hesheng had learned too much this time and he needed time to digest it!

"Did she ask you to tell me all this?" Gu Hesheng asked after a long while.

Liancheng Yazhi shook his head. She only asked me to tell you what she had done before. As for these words, I wanted to tell you myself.

Rongyan said that if you are still willing to acknowledge her after knowing this, she will take good care of you in the future and take care of you when you are old. If you are not willing, she will not force you to stay and you can go back at any time.

Gu Hesheng laughed, "This child doesn't have to be so honest, Yingluo." Liancheng Yazhi thought for a moment and said, "There's one more thing. I'll tell you frankly. Rongyan said that she doesn't yearn for a father's love because when she needed it the most, her father wasn't around. When she grew up, she didn't need Qianqian even more."

This sentence was undoubtedly a huge blow to Gu Hesheng, but he understood Rong Yan's thoughts. He steadied his shaking body and his face was a little pale. He nodded and said, "I know, I know Hanhan should do this. I wasn't there

when she needed me the most, but now, she doesn't lack anything. I'm here, and what I can give her is insignificant..

Chapter 1584: You are indispensable to me

Liancheng yazhi secretly heaved a sigh of relief. he had guessed it right. gu hesheng cared about rong yan and not yang yan.

He said to Gu Hesheng,"no, you can make it up to Yingluo. Although she says she doesn't need it, but in her heart, Yingluo should still desire it .."

she'll feel awkward in front of you now and doesn't know how to get along with you because she has never been with a father before. If she does anything wrong in the future, please forgive her. If you want to accept her as your daughter, please do your best to tolerate her. I thank you on her behalf.

Gu Hesheng waved his hand. it's me, as her father, who has let her down. It's only right that she can't accept me with the time she has. I will try my best to be a good father and fight for her to accept me.

Liancheng Yazhi stood up and bowed slightly to Gu Hesheng. "Thank you,

Chengcheng."

He had been proud and conceited all his life, and had never bowed his head to anyone before. It was already surprising that he could treat Gu Hesheng like this.

Gu Hesheng shook his head. no, I should be the one thanking you. You appeared at her most difficult time and prevented her from falling into an even more tragic state.

Liancheng Yazhi's expression was serious. no, she gave me far more things than I can give her. I'm lucky to be loved by her. It's late, you should go back and rest. I'll arrange for you to meet Yang Yan in two days.

"Good Yingluo, you should comfort Rong Yan and don't let her think too much about Yingluo."

"I will, Yingluo."

When Liancheng Yazhi returned to the bedroom, Rong Yan was still awake. She was very nervous because she did not know if Gu Hesheng would still treat her as his daughter after knowing everything.

When the door opened, she immediately looked over and saw Liancheng Yazhi walking over. She quickly asked, "Hubby, how is it?"

Liancheng Yazhi took off his coat and walked over to sit by the bed to hug Rong Yan. "Can't your husband do it? The person he cares about is you, not Yang Yan. He's old and values reality more. The passion he had when he was young can only be left with you as his daughter. He wants to have children and grandchildren around him when he's older and play with them."

Liancheng Yazhi gently patted her shoulder. the most important thing is that he wants to make it up to you. He wants to make up for all the pain you suffered when he was by your side.

The worry in Rong Yan's heart eased a little. "Did he say anything about Yang Yan?"

Liancheng Yazhi nodded. I did. He wants to meet her, and I agreed. I'll arrange for them to meet in two days. You don't have to worry about this. It doesn't mean much for them to meet. I'll send someone to follow them, and nothing will go wrong.

Rong Yan was not surprised that Gu Hesheng wanted to see Yang Yan. She thought for a while and said, "I'll go too, Yingluo."

liancheng yazhi frowned and asked, 'why? You don't have to see her. She's not in a good condition right now, and Yingluo has a lot of diseases. If you go to see her and get infected with some unclean bacteria, it won't be good."

Rong Yan's lips curled up into a cruel smile. it's okay, I'll be careful. No matter what, there'll finally be a day when Yingluo's family is 'reunited'. How can I not

liancheng yazhi smiled and pinched her nose. "okay, i'll go with you. i can't say much, but i'm also considered a member of your family, right?"

Rong Yan raised her head and kissed the corner of Liancheng Yazhi's lips."Of course. You're an indispensable part of our family. Of course you have to accompany me.."

Chapter 1585: this family will become more and more blissful

After the DNA test, Rong Yan's life was considered to be a little quieter. The Lu family did not come to disturb her again. However, when she faced Gu Hesheng, she felt a lot more awkward.

Gu Hesheng was trying his best to treat Rong Yan well. He wanted to make up for the fatherly love that Rong Yan had lost all these years.

However, Rong Yan couldn't accept it so quickly when she suddenly had a father.

However, she did not reject it. She was also trying to accept it. It might be a little slow and difficult, but she was also working hard. She believed that her relationship with Gu Hesheng would improve after some time.

Everything was developing in a good direction, and this family would become more and more blissful.

Three days after the paternity test, Liancheng Yazhi called Secretary Zhou to come to the house.

When Secretary Zhou arrived, Liancheng Yazhi and Jian an were training in the gym.

He had originally wanted Rong Yan to watch, but then he thought about it. It wouldn't be good if he and Jian Jie were to fight fiercely and scare her.

Secretary Zhou came to the gym and happened to see Liancheng Yazhi receiving a simple punch. Although it did not hit him, he still subconsciously hissed and took a small step back.

Secretary Zhou walked over and said, "master Jian, please show some mercy. If my young Madam sees this, what if she introduces you to an ugly and fierce woman in the future?"

Liancheng Yazhi glared at him when he heard that. This guy made it sound as if she had to give in easily to win.

"Stop talking nonsense and wait for Yingluo there."

Jian Jie laughed out loud. don't worry. I'll show mercy. I won't hurt your boss.

Secretary Zhou shrunk his neck and didn't say anything else. After about five minutes, the two finished fighting and came down from the table. He quickly brought water and a towel."Young master ya, why did you ask me to come?"

Liancheng Yazhi took off his boxing gloves and picked up a towel to wipe the sweat on his face."Make some arrangements. My father-in-law wants to meet his old lover."

“Young master ya, Mr. Guts ex-lover?” Secretary Zhou was stunned for a moment.

“It’s yang Yan. She’s not dead yet, is she?”

Secretary Zhou nodded. not yet. That woman can hold on a lot. She’s sick all over and needs a lot of medicine to maintain her life every day. If it were anyone else, they would have died long ago. It’s indeed a miracle that she’s still alive. When do you think it’s appropriate to let them meet? ‘

Liancheng Yazhi considered it for a while. these two days then. It’s best if it’s within this week.

okay, I’ll go back and arrange the time and let you know. By the way, young master ya, what do you think the Lu family should do? ” To Secretary Zhou, the person young master ya hated was the person he hated. After the paternity test, Liancheng Yazhi had not said how to deal with the Lu family. Secretary Zhou was afraid that he would forget, so he could not help but remind him.

liancheng yazhi stopped what he was doing and smiled. “the lu family, yingluo. if you didn’t mention them, i would have forgotten about them.”

Liancheng Yazhi glanced at Secretary Zhou. what do you think is the best way?

“Yingluo has to listen to you, young master ya.” secretary Zhou smiled ingratiatingly.

Liancheng Yazhi lifted his leg and kicked his calf. Secretary Zhou usually looked very honest, but he was actually full of bad ideas.

He did not shy away from saying in front of Jian Jie, ” isn’t lu Xueli in the late stage? she’s already been notified of her critical condition several times. She’s going to die next time.

Before Liancheng Yazhi could finish, Secretary Zhou completely understood the leader’s meaning. I understand. The next critical condition notice will be her last..

Chapter 1586: Never to wake up again

Liancheng Yazhi threw the towel at Secretary Zhou. “You know everything, don’t you

The weekend book pulled off the towel and said seriously, ” “I know it’s one thing, but your order is another.”

Liancheng Yazhi shook his head. Secretary Zhou knew everything but still waited for him to speak. Sometimes, he really wanted to beat him up.

“Do you know what to do next?” Liancheng Yazhi asked him.

Secretary Zhou nodded with a smile. don't worry, young master ya. I understand. After that, Lu Xuli didn't make it out of the emergency room. Her parents, who loved their daughter dearly, learned of their daughter's death and were extremely sad. They were in so much pain that they wished they were dead. After that, everything went naturally, aww.

A simple laugh came from the side, and Liancheng Yazhi glared at Secretary Zhou. “I know, just do it.”

yes, I'll go back first. I'll report to you after I'm done with the matter. secretary Zhou handed the towel to Lian Chengya with both hands and then left the gym.

He simply smiled and said, “your Secretary Zhou is really getting more cunning the older she gets, Yingluo.” Liancheng yazhi pouted, “that guy has always been very cunning.”

“I'm still not as good as you,” Liancheng yazhi said after a simple and large explanation.

Liancheng Yazhi lifted his chin. thank you. I know I'm very wise. I don't need your praise.

“tsk, simple, are you almost done?”

Yingluo is almost fully recovered. Why do you have a problem? ”

Liancheng Yazhi threw down the towel and said to Jian Yi, ” “Since you're done, let's have another round. I won't let you win this time.”

Jian Jie waved his hand. no, I'm not coming. What if I really hurt you and your wife really introduced me to an ugly and fierce woman? ”

Liancheng Yazhi looked at him in disdain. “You're already so fierce. If I really introduce you to a woman who's as gentle as water and as soft as a rabbit, you'll scare Yingluo to death. She'll have to find you a fierce one.” He simply raised his eyebrows, “that might not be true.”

“Don't talk nonsense. Hurry up and get on.”

Two days after Secretary Zhou left the Liancheng family's house, at about two o'clock in the morning, Lu Xueli's condition worsened again. The doctor who came to check on her quickly sent another notice to the Lu couple.

This time, Lu Xueli was sent to the emergency room for emergency treatment. However, this was the last time she was sent to the emergency room in her life, and she never woke up again.

Half an hour after he was pushed into the emergency room, the light of the emergency room went off. The doctor walked out with a heavy expression. Then, Lu Xueli was pushed out, and a cold white cloth covered her head.

the lu couple didn't even look at the body that was covered by the blanket. they grabbed the doctor and asked him again and again, " Doctor, Doctor, is my daughter alright? how is she? "

The doctor said to them, " I'm very sorry. My condolences. The patient didn't make it this time. Her heart and breathing have stopped. I'm sorry, we've tried our best.

Lu guinong flung the doctor away and shouted, " " impossible, you must be lying to us. my daughter must be alive and well. she had her fortune read when she was young. she had a rich and noble life. how could she die? where did you hide my daughter? "

" mr. lu, we can understand your sorrow of losing your daughter, " the doctor said patiently, " but your daughter has already reached the final stage of blood cancer. she can't be saved by human or medicine.. "

Chapter 1587: Life is priceless, be careful

Lu guinong's consciousness was already unclear as he shouted madly, " "you're lying. you've survived the previous few times, so why didn't you survive this time? It's you guys, it must be you guys who harmed my daughter. Return her to me, return my daughter to me!"

Lu guinong's words angered the doctors and nurses who had just rescued Lu Xueli.

The nurse said unhappily, " Sir, please don't shout in the hospital. The doctor has done his best. Every time the patient is in critical condition, it's a battle with the god of death. No one knows if they can make it. If it's not this time, it may be the next time. What you're saying is irresponsible. If everyone is like you and the patient isn't carried out of the emergency room, it's the doctor Who killed the patient. Our hospital would have gone bankrupt long ago.

Lu guinong didn't listen to a single word. All he knew was that his daughter was dead, and she shouldn't have died.

After Xue Li's disappearance, the extremely accurate fortune-telling master had said that Xue Li would live to a hundred years old. She would bring the Lu family to its peak of prosperity and bring him endless fortune.

His and Xue Li's fates were connected. If his daughter died, he would never be able to turn things around. So, why did Xue Li die just like that? it must be fake.

Lu Guinong shouted hysterically, "that's impossible! my daughter won't die!

Qianqian is a doctor like you! what did you do to her?"

The doctor was getting impatient and said, "Mr. Lu, if you think I killed your daughter, you can call the police and let them investigate. I still have other operations to do, so I'm sorry I can't accompany you.

Then, he left with the nurse behind him.

Madam Lu was crying so hard that she was no longer human. She pulled Lu Guinong and advised, "Old Lu, just accept your fate. Yingluo's daughter is already in the late stage, and she might pass away at any time. The doctor is right, we didn't find her bone marrow in time. You can't blame the doctor for Xueli's death.

Lu Guinong seemed to have caught onto something as he muttered to himself, "that's right, you can't blame the doctor for Yingluo's bone marrow. We couldn't find the bone marrow, and Yingluo's Rong Yan. She was the one who didn't want to donate her bone marrow, and she caused my daughter Yingluo's death.

With that, he rushed out like a madman. No matter how Mrs. Lu shouted behind him, it was useless. The next day, the imperial city's 7 am morning news broadcast a piece of news.

The content was as follows:

At 3:14 am this morning, a man was killed in a car accident on the road near the city's first hospital. After a police investigation, it was found that the man's daughter was in a critical condition with blood cancer last night. The first hospital's emergency rescue was ineffective and she had passed away. Due to excessive grief, he was in a daze and had a mental breakdown. He accidentally ran into the middle of the road and was hit by an oncoming truck, resulting in an accidental death.

After some investigation, the man was once the famous artist, Lu Guinong. Many professionals had analyzed that the market for Lu Guinong's paintings would probably increase in value after his death.

This station would like to remind the general public to pay attention to Traffic Safety and avoid such traffic accidents from happening again.

Secretary Zhou brushed his teeth as he watched the news. After watching it, he turned off the TV and went back to the bathroom to rinse his mouth.

After tidying up, he picked up a pen and wrote a row of words on the paper-drive carefully and pay attention to Traffic Safety.

then, he went to the garage with the note and stuck it on the car. as he started the car, he said, " "Aiya, there are so many traffic accidents every day. We really should be careful.."

Chapter 1588-things remain the same but people have changed

the lu family's matters were already far away from rong yan's life. she didn't pay attention to any news, so she didn't know about these things.

Whether it was Liancheng Yazhi or Gu Hesheng, after they heard the news, they both tacitly chose to keep their mouths shut about Rong Yan. They both hoped that Rong Yan would be well. As for those things that would affect her mood, they should not mention them again. The Lu family had completely become a thing of the past.

however, there was still something that was inevitable.

Because the day to see Yang Yan had arrived.

Before he left, Liancheng Yazhi asked Rong Yan again, " "Can I? Why don't we just not go?"

Rong Yan flicked her hair. She was obviously more interested in seeing Yang Yan than the last time she went to do a paternity test. She curled her lips and said, of course I can. I'll go see her and let her see that I'm glamorous and happy. I have a handsome husband and a warm family. I'll make her mad but she can't do anything to me. Just thinking about it makes me happy.

Rong Yan didn't care about exposing her perverted and twisted thoughts in front of Liancheng Yazhi.

She hated Yang Yan. She really hated her. She hated her so much that she would be happy to see her in a bad state.

as a mother and daughter, they had done this. the heavens were really blind when it came to arranging things!

lian Cheng yazhi tapped Rong Yan's forehead and said dotingly, "Yingluo, you can go."

When they arrived downstairs, Gu Hesheng was already waiting for them. Rong Yan hesitated for a moment and said, "dad, let's go, Zhenzhen."

A few days ago, she had already called Gu Hesheng 'daddy'. Although it was very awkward, she knew that she had to do it. If she did not say it, her relationship with Gu Hesheng might not improve for a long time.

his voice was especially soft, as if he was afraid that he would scare Rong Yan. In the past few days, he had been trying to get close to Rong Yan. This kind of effort was almost like currying favor with her. He desperately wanted to make up for the lack of Rong Yan in the past.

Although it was not the first time that Gu Hesheng heard Rong Yan call him father, he felt like crying every time he heard it.

When a person had been alone for half his life and had a child calling him 'father', that feeling was indescribable if one had not experienced it personally. This time, Gu Hesheng and Lian Cheng Yazhi were sitting in the same car to see Yang Yan.

The car was an extended model, and they sat face to face.

Lian Cheng Yazhi introduced Yang Yan to Gu Hesheng, "Yang Yan tried to commit suicide some time ago. Her physical condition is extremely bad, so she has been receiving treatment in the hospital. Otherwise, she would have been dead long ago."

"She's completely different from you when you were young. You might not be able to recognize her at all," Rong Yan said.

Gu Hesheng sighed. It's different. After so many years, Xuanji must have changed. Actually, I'm no longer the Gu Hesheng of the past.

Back then, he liked Yan Yang. After she disappeared, he had been worried about her for many years.

He had always thought that he was too deeply in love with Yan Yang. In fact, after some self-reflection, he realized that when he was young, he just hated being bound and restrained. He liked to be in love and hated marriage!

And Yan Yang had left him when he was still in love with her, which was why she had left such a deep impression in his heart..

Chapter 1589: Yesterday's lovers

As he grew older, he yearned for family and children even more. He had long become indifferent to the passion for love. Rong Yan's appearance was just right to fill the void that he yearned for the most. Therefore, he did not hesitate to tilt his balance to Rong Yan's side.

When a person likes another person, the other party's strengths and weaknesses are all good.

It was the same for Gu Hesheng. He liked Rong Yan. He liked this daughter of his. Therefore, whatever his daughter did not like or hated, he would also hate! When they arrived, they arrived at the door of the ward unimpeded.

"Dad, she's inside," Rong Yan said to Gu Hesheng.

The nurse said to them, "the patient is very weak. Try not to provoke her when you talk to her. Don't let her emotions fluctuate too much. Otherwise, it will be dangerous.

Rong Yan smiled. Not to provoke Yang Yan? That would really be difficult for them!

Gu Hesheng's appearance was a great shock to Yang Yan.

as for her, it was rare for her to come here, so how could she let yang yan have her way?

Rong Yan's lips curled up, and her smile was particularly sinister. "We'll try not to agitate her to death, Yingluo."

how can you guys be like this? "before the nurse could say anything, she was pulled away by the doctor Who had just arrived.

"Don't talk nonsense if you don't know," the doctor whispered. "Do you know who the patient is?" Don't cause any trouble, hurry up and do your ward rounds elsewhere, Yingluo."

Rong Yan raised her head and said,"let's go in, Yingluo."

Liancheng Yazhi pushed the door open and then moved to the side to let Gu Hesheng enter first, but he hesitated.

Seeing that Gu Hesheng did not move, Rong Yan pulled Liancheng Yazhi into the house.

Yang Yan's entire body was connected to tubes, which were her lifeline. Pulling one of them out was equivalent to taking her life.

yang yan felt that someone was coming and opened her eyes with great difficulty. after seeing rong yan, she immediately struggled, but she was too weak and her struggle was of no use. her turbid eyes were filled with anger and hatred.

"I brought an old friend of yours over today. You'll probably be very happy to see him," Rong Yan said with a smile.

father, come in, " he turned to Gu Hesheng and said, " since you're] have to meet him, don't you? "

hearing rong yan call 'dad', yang yan's eyes sobered up a little and with surprise. she tried very hard to look at the door, but she could]

Gu Hesheng walked in slowly and saw Yang Yan lying on the bed. H believe that the ghostly woman he was looking at was the campus yang.

At this moment, Yang Yan was so thin that she was only a handful of bones. Her eyes were sunken and her skin was loose, so that one could clearly see the bones all over her body. Her hair was all white, without a single black hair. She should only be in her fifties this year, but now she looked like an old woman in her eighties or nineties.

Gu Hesheng stood in front of the bed, and he looked into Yang Yan's eyes, which were filled with shock and panic, and said, "Yan yang, do you still recognize me?"

yang yan seemed to want to dodge. she knew how scary her ghostly appearance was, and she did not want gu hesheng to see her like this, but she was powerless.

Rong Yan raised her eyebrows and looked at Yang Yan. You should be very happy that I've found my father.. You didn't expect that in this life, the three of us would still be standing together, did you?

Chapter 1590: The love of the past, leaving and staying heartless

as soon as she called out " mom, " the smile on rong yan's lips became extremely cruel. she saw yang yan's pupils suddenly shrink and her body tremble. was it excitement, anger, or fear?

Rong Yan didn't want to know any of this.

At this moment, standing in front of Yang Yan with Gu Hesheng, Rong Yan really felt very refreshed.

A family of three!

this was the most ironic word in the world for them.

rong yan thought that their 'family' must be the strangest family in the world.

the mother and daughter turned against each other and hated each other to death. they were really weird.

Yang Yan wanted to speak too much. She did not dare to look at Gu Hesheng. All her attention was on Rong Yan. The way she looked at Rong Yan was very complicated, with all kinds of emotions.

She tried hard for a long time, but her throat could only make a few simple syllables, " "You, you, you, you, you, you, you ..."

Rong Yan's lips curled up. She knew what Yang Yan wanted to say, but seeing her in so much pain and unable to scold her, it really vented her hatred.

Gu Hesheng watched from the side. Although Rong Yan and Yang Yan did not say a word to each other, he could still see the terrifying hatred in their eyes. Originally, Gu Hesheng thought that perhaps the biological mother and daughter would not fall out with each other to the point of being like fire and water. Perhaps, there was still a way to salvage the situation.

However, after seeing it today, Gu Hesheng realized that he had thought too simply.

The hatred between Rong Yan and Yang Yan had long gone beyond the scope of normal hatred.

It was just a few short eye contacts, but it surprised him.

Gu Hesheng took a small step forward and said calmly, " " yan yang, i've been looking for you all these years, but unfortunately, i couldn't find you. i regret it very much. if i could have found you and rong yan earlier, she wouldn't have to suffer so much. you are the mother of the child. no matter what you do to her, i have no right to blame you, because i'm not even as good as you. for so many years, i wasn't by her side when she needed her father the most, and i didn't protect her. however, thank god for finally finding her when i was in the prime of my life. i will treat her well. i'll give her everything i have and try my best to make up for the pain she suffered in the past."

I came to see you today just to tell you that I'm Rong Yan's father and Lu Guinong isn't. We've already done a DNA test. Also, Qianqian, I really want to thank you. After all, you gave her life. No matter how you treated her later on, you were the one who brought her into this world, so I thank you.

Gu Hesheng bowed to Yang Yan after he finished speaking.

His words were very sincere and came from the bottom of his heart, but Yingying was also very distant. It didn't seem like he was saying it to his old lover at all. It was as if Yingying was just expressing her basic gratitude to a strange woman who had given birth to his daughter.

Other than that, there was no other mist.

Liancheng Yazhi looked on coldly from the side. He curled his lips and thought to himself, "Gu Hesheng was really cold and emotionless. When it came to making decisions, he was so calm that it was shocking.

If it were an ordinary person, they would probably feel sympathy for their former lover who was in such a miserable state now. However, after he found out about the hatred between Rong Yan and Yang Yan, he knew that it was impossible for the mother and daughter to make up, so he stood on Rong Yan's side without hesitation.

However, this was also good. The more determined Gu Hesheng was to Yang Yan, the better he would be to Rong Yan..
