

Permit Me 1591

Chapter 1591: if there's no hatred, there's only a stranger

as gu hesheng spoke, rong yan kept staring at yang yan. she saw yang yan's expression change from dazed to sad, and then to mournful and bitter.

Rong Yan raised her eyebrows. It seemed that Yang Yan liked Gu Hesheng back then. Otherwise, she would not have such an expression.

A woman wasn't afraid of being hated by the person she liked, because there would only be hate when there was love. What was afraid was that there wouldn't even be hate, leaving only indifference and indifference. When he looked at you, it was like he was looking at a stranger.

A tear fell from Yang Yan's turbid eyes, but it soon rolled down and fell on the pillow.

the corners of rong yan's lips had been raised. she was very happy. all the unhappiness and depression caused by the lu family these days disappeared instantly when she saw yang yan in such pain and sadness.

Rong Yan thought that she was really a pervert.

Yang Yan closed her eyes, she did not want Gu Hesheng to see her in pain.

after a while, she opened her eyes. the murkiness in her eyes had dissipated a little. she looked at rong yan and just stared at her.

Liancheng Yazhi and Gu Hesheng did not understand what was going on and looked at Rong Yan.

Rong Yan lifted her chin. Her expression was cold and emotionless.

Because they hated each other so much, they understood each other!

Rong Yan knew that Yang Yan had something to say to her. She wanted to talk to her alone, but Liancheng Yazhi and Gu he were still alive. Besides, she didn't have the strength to do so.

After a long time, Rong Yan said, "ask the doctor to come over." &Nbsp;

"What's wrong?" Liancheng Yazhi asked it.

rong yan gently stroked her lower abdomen and did not explain. " "Ask the doctor to come over."

Seeing that she did not want to say, Liancheng Yazhi did not ask further and the doctor came over very quickly.

Rong Yan pointed at Yang Yan and asked the doctor, " is there any way to let her recover some strength quickly? at least, Huahua can let her speak. Any method will do.

The doctor hesitated for a moment, not knowing if he should say it.

Rong Yan said coldly, "if you do, then say it. I don't have time to waste with you." &Nbsp;

The doctor said awkwardly, " yes, we do have some. We have a kind of medicine here that is specially used for people who are about to die and can't be saved. After using this medicine, they

will quickly recover some energy, just like the final radiance of the setting sun. However, it can only last for a short time. When the effect wears off, they will die immediately.

Rong Yan knew that this kind of medicine was actually to quickly consume the last of one's life. For example, if one could live for a month before, they might only be able to live for half an hour after using this medicine.

Rong Yan turned around and glanced at Yang Yan, who was still looking at her.

Rong Yan didn't hesitate too much and said, "Let her use it."

Gu Hesheng and Liancheng Yazhi were both shocked. They did not expect Rong Yan to make this decision all of a sudden.

They didn't believe that Rong Yan wanted Yang Yan dead.

If Rong Yan wanted her to die, she wouldn't have been able to live until now.

Then what was Rong Yan doing?

Liancheng Yazhi put his arm around Rong Yan's shoulder and asked in a low voice, "Rong Yan, Zhenzhen, have you thought about it?"

Rong Yan nodded and said to the doctor, "Give her the medicine."

The doctor shivered a little. This kind of medicine was strictly controlled in their hospital. There were layers of checks, and there was a limited amount every year. At most, only two patients could be used each year.

He said, "although the patient is very weak, she has a strong vitality. Normally, it wouldn't be a problem for her to live past this year. However, after taking this medicine, Qianqian can only live for half an hour. Are you sure? if she's not a relative, Qianqian can't prescribe this medicine..

Chapter 1592-hatred to the bone, never stopping until death

Rong Yan interrupted the doctor and said coldly, "She's my mother, is that okay?"

The doctor was stunned for a moment before he said, "this Yingluo is good!" I'll apply for it.

He walked to the door of the ward and hesitated for a moment before asking, "Madam, is Qianqian really sure?"

"I'm sure," Rong Yan said firmly.

The doctor didn't ask any more questions and went out to apply to the director.

Liancheng Yazhi and Gu Hesheng looked at each other. They didn't understand what Rong Yan was thinking at the moment, but they knew that Rong Yan must have understood what Yang Yan wanted to express.

Liancheng Yazhi ordered the bodyguard to help get the medicine so that he could save some time.

Not long after, the director personally came over with the medicine.

He carefully took out the syringe from the freezer. young master ya, Madam, you really have to consider this carefully. Once this injection is given, there's really no turning back.

“Go ahead.” Rong Yan nodded.

The director sighed and jabbed the needle into Yang Yan’s thin arm. The transparent and colorless medicine slowly entered Yang Yan’s body.

the hospital director said, ” the medicine will start to take effect in five minutes. you should hurry up and say whatever you want to say. it can only last for half an hour. ”

He packed up and left.

Rong Yan stood in front of the bed and looked at Yang Yan. The effect of the medicine was very obvious. Yang Yan’s spirit was getting better and better every second, and her consciousness was becoming clearer and clearer.

Rong Yan suddenly said to Liancheng Yazhi and Gu Hesheng, ” “You guys can leave, Yingluo.”

Liancheng Yazhi frowned. rongyan Xuanji.

He couldn’t let Rong Yan and Yang Yan be alone. What if this woman went crazy?

rong yan did not move. she said, ” you guys go out first. i’ll send her off for the last time. no matter what, she’s still my biological mother, isn’t she? ”

rong yan’s words were very cold. To her, these two words were just two simple Chinese characters.

Gu Hesheng and Liancheng Yazhi were helpless. Rong Yan was very insistent and refused to let them stay no matter what.

Liancheng Yazhi hugged Rong Yan. okay, let’s go out. We’ll be right outside the door. If there’s anything, just call us!

“yes, i know,” rong yan nodded.

Gu Hesheng patted Rong Yan’s shoulder and glanced at Yang Yan again. His lips moved a little, wanting to say something, but in the end, Huahua didn’t say anything. He and Liancheng Yazhi left the ward and closed the door.

“Tell me, what do you want to tell me?” Rong Yan asked expressionlessly. The medicine had already started to take effect. Yang Yan sat up with her skinny arms and pulled off all the tubes in her body. She asked Rong Yan, ” “Do you want to know why I dislike you so much and always torture you?”

“I don’t want to know,” many years ago, rong yan had indeed wanted to know. after all, she had fantasized about yang yan at that time. but now, she was really not curious at all.

“But I want you to know,” Yang Yan said with a strange smile.

“I don’t have time to listen to your nonsense,” Rong Yan said sarcastically.

yang yan was silent for a moment and suddenly said sadly, ” “Can’t we even spend the last half an hour together?”

Rong Yan looked at her and asked, ’get along well? Do you think it’s suitable for

Yang Yan laughed, the loose skin on her face looking particularly scary. yes, I can't. Even if I'm dying, I still hate you. I still hate you, Yueyue. You look exactly like me when I was young. When I was in college, I was a famous beauty in the school and there were countless boys chasing after me every day,

Yueyue..

Chapter 1593: The past, the dusty memory

Rong Yan said impatiently, "I don't have the time to listen to your love history."

Yang Yan seemed to not hear Rong Yan's words and continued, "but I didn't like any of them. They were too young, too impetuous, immature, not steady, and not responsible at all. After that, I met Gu Hesheng, who was a master's student. He was really charming when he was young, and I fell in love with him at first sight. Later, I dated him and got to know his roommate, Lu guinong.

"Lu guinong and Gu Hesheng were completely different people. At that time, Gu Hesheng was a very cold and quiet person. When I was with him, he didn't know how to coax girls. Sometimes, when I quarreled with him, it was Lu guinong who came over to talk to me. He would even give me some small things to make me like them. Gradually, I realized that I liked both of them at the same time, and neither of them wanted to let go of Yingluo."

Rong Yan looked out of the window. No one knew if she had heard Yang Yan's words.

the weather outside had already turned warm, and the tender green leaves were swaying slightly in the wind.

Yang Yan took out a comb from under her pillow and slowly combed her hair, which had turned completely white and fallen off. She calmly described what she had experienced that year."after that, i carried gu hesheng and continued to be in an ambiguous relationship with lu guinong, until one day when we went out to play, i had an argument with gu hesheng and he left first. i was very angry and drank a lot of wine. after that, i slept with lu guinong for the entire night. when the sun rose, i was very afraid. i was afraid that gu hesheng would find out, but lu guinong hugged me and said that he would take responsibility. last night, he couldn't control his emotions and said that he liked me. he said that he liked me since the first time yingluo saw me. Hmph, Yingluo has nothing but his mouth."

"But I was young then, and I just had to believe Yingluo, so once or twice. Even after I got back together with Gu Hesheng, I still maintained a relationship with Lu guinong until I found out that I was pregnant with Yingluo. Then, I went to look for Lu guinong. I thought that was his child, but he turned hostile on the spot and used all kinds of words that were the most difficult to hear to insult me. He said that who knew that I had illicit affairs with a few men, and who knew who the bastard in my stomach was? After he drove me away, he got someone to report me to the school that I was pregnant. He used all kinds of despicable means to get me expelled from

the school, but two days later, Yingluo and Gu Hesheng happened to not be in Yingluo, so I had no choice but to go home, Yingluo.”

yang yan glanced at rong yan, her eyes flashing with a somewhat crazy smile. ” but it didn’t end when I left school. The tragedy of my life had just started then. Because I was pregnant, I was kicked out of the house less than half a day after I entered the house. I didn’t have a single cent on me when I was kicked out.

Later, I found a job until I gave birth to you. In the beginning, I thought that Yingluo’s child was innocent. Since you were born, I had to support you, even though I hated you when I saw you back then. You remind me of how Lu guinong humiliated me, but I’ve never thought of mistreating you or abandoning you. ”

I wanted to work hard and support you. Later on, I met my first man after leaving school. He was very good to me and said that he wanted to marry me. However, when he found out that I had a child, the way he looked at me changed immediately. The next day, he broke off all ties with me. He said that he didn’t want to raise a child who was not related to him by blood. He didn’t want a child who was not related to him to call him father..

Chapter 1594-a rough life with nowhere to rest

After Yang Yan finished combing her hair, she pulled the White hair wrapped around the comb and gathered them together. She muttered to herself, ” at that time, I naively thought that I would meet a man who wouldn’t mind that I had a child. However, the world was cold and the people of that era weren’t as open as they are now. I got pregnant before marriage and was chased out of the family. In many people’s eyes, I deserved to die.

and then, the second man was the same, and the third man was still Qian Qian. I had three men in a year, and they all left me for the same reason. They didn’t want to raise a child that wasn’t even their own. After that, I finally realized that the root of all my tragedies was you, a burden.

a ferocious look flashed across yang yan’s face. she looked at rong yan and gritted her teeth. “it was because of you that i was despised and abandoned again and again. from then on, so many men came and went around me, but none of them were willing to marry me and give me a stable life. thus, the worse my life was, the more unhappy my life was, the more i hated you. that kind of hatred slowly grew in my heart, and as the burden of life increased and life became more difficult, every time i came home and heard your cries, i wanted to strangle you to death. if i hadn’t been drugged and raped by lu guinong, if i hadn’t had you, if i hadn’t had you ...” I’ve been married for a long time and have a normal family. I won’t be chased out by my parents, and I won’t be in this state now, Yingluo.”

Yang Yan suddenly sat up and shouted at Rong Yan, ” “the source of all my pain is you. it’s all the tears you brought to me.”

Yang Yan’s life had indeed been rough, but Rong Yan did not sympathize with her at all.

Rong Yan took a step back and looked down at Yang Yan. She said in disdain, ‘ your biggest mistake isn’t because of me, but because Yingluo, you didn’t understand. If you want to live well in

this world, don't think about relying on anyone. Unfortunately, I understood such a simple principle at a young age, but you didn't understand it even when you died.

Yang Yan laughed and looked at Rong Yan as if she was looking into a mirror. "You're so much like me. Not only do you look like me, but even your heart is so similar. So cold, so cruel, so vicious."

Rong Yan's lips curled up. they do look alike. Otherwise, how could they be called mother and daughter? it's all thanks to you that I'm like this today. Thank you for giving me a heart of stone.

Yang Yan's eyes were filled with hatred as she looked at Rong Yan."do you know how annoying i am to see you like this? Why is it that my life is full of ups and downs, while you have all the happiness? even Gu Hesheng is so convinced that you are his daughter, what right do you have to get so much?"

A dying man's words were also kind, which obviously didn't suit Yang Yan.

When she was young, she was abandoned by so many men, and the reason was all because of 'Rong Yan'. She not only hated Rong Yan, but Rong Yan was also a stain in her life, a stain that she wanted to erase the most in her life.

He definitely wouldn't have a stain on his reputation and have good thoughts just because he was about to die.

Yang Yan's stubbornness could no longer be solved by death. She believed that since Rong Yan was his stain and caused her to suffer so much, she had to be careful.

He should have been like her, abandoned, tortured, and tortured by life until he lost his youth and beauty.

After that, he would live in the abyss of pain for the rest of his life, suppressed to the point where he couldn't lift his head, and finally die a miserable death.

He shouldn't have stood so high, being held in the palm of others 'hands and treated as a treasure.

Rong Yan raised her eyebrows and nodded. I understand. It's just like how I saw you struggling at death's door in pain. Now that you don't have much time left and are about to die, you're so excited and happy..

Chapter 1595: Thank you for teaching me what cruelty is

Rong Yan suddenly lowered her head and touched her protruding belly with a gentle smile. I also want to tell you that the child in my stomach is a boy. With him, I will have both a son and a daughter. I will enjoy all the glory in my life. My husband and my father will treat me like a Pearl or a treasure. As for you, you can only die alone. Your life has been unfair. Even if you die, you have to see where you will be buried. How will I feel? "

Under Yang Yan's ferocious gaze, Rong Yan continued, " "In a while, you can go down and reunite with Rong Jia. When you see her, remember to say hello to her for me and tell her to stay away from me when Yingluo reincarnates. Otherwise, if Yingluo falls into my hands, I'll kill her all the same." yang yan shouted madly,"how could you be so cruel?! she's your sister!

She really loved Rong Jia. Whenever Rong Yan mentioned Rong Jia, she would stab her in the heart.

Rong Yan's lips curled up. Hmph. Sister Yingluo, you can be so cruel to your own daughter. Why can't I be so cruel to her? "Yingluo learned all my methods from you. Thank you for teaching me how to be cruel. It's all because of you that Rong Jia fell into my hands. If she wants to hate someone, the person she should hate the most is you."

Rong Yan glanced at the watch on her wrist. It's almost time. Since we're mother and daughter, I'll send you off for the last time. I sincerely hope that you won't die in peace.

Rong Yan wished she could use all her viciousness on Yang Yan as a form of repayment for their mother-daughter status.

Rong Yan's continuous stimulation made Yang Yan go crazy. In the last few minutes of her life, her body could not hold on any longer. She suddenly remembered that she was the one who brought this stain into this world, so let her take this stain away. Rong Yan was already four months pregnant. If she hit her with force, she would definitely have a miscarriage or even bleed out.

He would take Rong Yan to death and disappear with her. Since he couldn't live, why could Rong Yan still live?

This thought quickly expanded in Yang Yan's mind and occupied all her thoughts.

She suddenly jumped down from the bed and pounced on Rong Yan. "I'll kill you, I'll kill you, I'll kill you!"

Rong Yan had been on guard against Yang Yan for a long time. She knew that Yang Yan would not hold back and not make a move. The moment he pounced on her, she turned her body to the side and dodged.

With a bang, Yang Yan fell to the ground due to overexertion and never got up again.

Rong Yan looked at Yang Yan, who was lying on the ground and twitching a few times without moving. She guessed that the time was almost up. Yang Yan had used all her strength to crash into her and had exhausted all her energy. She was afraid that she was already dead.

Rong Yan stood still at the side and didn't call for anyone. She just looked at Yang Yan.

After about ten minutes, Rong Yan slowly bent down and turned Yang Yan's body, which had started to turn cold, upside down. Then, she checked for her breathing. As expected, she was no longer breathing.

Just like Rong Yan's last blessing to Yang Yan, she really ... Died with everlasting regret.

Rong Yan's lips suddenly curled up into a smile. At first, it was just a silent smile, but then her laughter grew louder and louder.

Hearing Rong Yan's laughter, Liancheng Yazhi and Gu Hesheng rushed in from outside. Liancheng Yazhi immediately ran to Rong Yan and helped her up. He asked worriedly, "What's wrong with Rong Yan?"

Rong Yan laughed so hard that her tears flowed out. She shook her head and said, "It's fine. I'm very happy that she's dead.."

Chapter 1596 -ending love song in time

Rong Yan was really happy. Yang Yan was finally dead. She had witnessed her death with her own eyes.

To Rong Yan, it was as if the inner demon that had been haunting her heart and making her crazy and twisted had finally died, and she was finally free. Her entire person instantly relaxed.

However, with Yang Yan's death, Rong Yan also felt a sharp pain in her heart. The sharp pain made it difficult for her to breathe.

It was like a thorn in her heart that had been there for years and had not been pulled out. It had already grown with her flesh and blood. One day, it was suddenly pulled out, but at the same time, her flesh that had grown with the thorn was also taken out. After the thorn was pulled out, it was bleeding.

Liancheng Yazhi pulled Rong Yan into his arms. "It's fine now. Be good, Yingluo, let's go home, Yingluo."

Rong Yan snuggled up against his chest and said, "I'm fine. I'm fine, really!"

Liancheng Yazhi picked Rong Yan up and walked out.

Rong Yan stopped him, "wait, Yingluo."

"What's wrong?"

Rong Yan broke free from Liancheng Yazhi's arms and bent over to squat beside Yang Yan with some difficulty. Looking at her dead face, she smiled very beautifully.

"Look, you still died in front of me. Go down and reunite with Rong Jia," she said.

After that, Rong Yan reached out and slowly touched Yang Yan's face, closing her eyes.

Rong Yan looked up at Liancheng Yazhi and reached out to him. She smiled and said, "Hubby, let's go home."

Liancheng Yazhi smiled, his smile like a spring breeze. He gently held Rong Yan's hand. okay, let's go home and take a walk.

Liancheng Yazhi carried Rong Yan and lowered his head to kiss her forehead. I'm leaving.

"you don't have to worry, i'm fine," rong yan said softly as she leaned against his words.

Liancheng Yazhi laughed happily. I know. How could anything happen to you?

what are we having for dinner? " i suddenly feel like eating fish. how about asking the kitchen to cook some fish? Braising or steaming?"

Liancheng Yazhi talked as he walked. He suddenly changed the topic to dinner.

It was a very abrupt change, but he said it so naturally without any awkwardness as if he really just wanted to discuss what to eat for dinner with his wife.

Rong Yan thought about it very seriously. sure, Yingluo. Let's eat braised pork. I suddenly want to eat braised pork.

Liancheng Yazhi walked very slowly with Rong Yan in his arms, leaving the hospital step by step.

Perhaps he would never bring Rong Yan here again.

Gu Hesheng stood in the ward and looked at Yang Yan's body. After a long time, he sighed and turned to leave.

His love in the past did not bloom as a beautiful flower under the tempering of time.

The most beautiful time that had been sealed in his memory had come to an end!

Yang Yan's death had a far-reaching impact on Rong Yan. She was the one who changed Rong Yan.

Her existence was undoubtedly the one who had the deepest thoughts about Rong Yan in her life. This was something that no one could deny.

Liancheng Yazhi handed Yang Yan's funeral matters to Secretary Zhou. Secretary Zhou found a remote Cemetery and buried her that day without any delay.

Yang Yan's funeral was very simple. One could even say that there was no funeral.

Because no one had come to see her burial, Rong Yan would not care, and would not go over to tease her.

Yang Yan's ashes were buried alone. There was no epitaph on her tombstone, only a simple date of birth and name, and no one even knew who had set it up..

Chapter 1597: Congratulations, you I re finally a father

There wasn't even a single photo on the tombstone.

they had only found a photo of yang yan when she was in prison.

If he were to use such a photo, he might as well not use it.

After Yang Yan was buried, Secretary Zhou reported to Liancheng Yazhi.

Liancheng Yazhi only replied with three words, "I know, Zhenzhen."

As a result, Yang Yan's matter completely came to an end. This person would never appear in Rong Yan's life again.

After Yang Yan's death, although Rong Yan kept saying that she was happy, she was still depressed for two days. However, she soon became happy with the arrival of another piece of news.

because liancheng yazhi suddenly received a call from feng nongtang. he hung up the phone and said to rong yan with a smile, "feng nongtang is here to tell me the good news. his child has been born, and it's a son. he invited us to attend the baby's one-month-old party next month."

rong yan was very excited when she heard this. "ah, the child is already born.

time really flies. i really have to congratulate nuanyang. her position in the feng family is now stable. "

Although everyone was talking about gender equality Now, in some big families, sons were still the foundation for a woman to gain a foothold. This was not just another form of regression.

Liancheng Yazhi pinched Rong Yan's cheek. "Our son is almost five months old. If their son isn't born soon, they'll be with us. Honey, what do you think I should give you?"

To attend a one-month-old party for a friend's child, a congratulatory gift was bound to be indispensable.

Rong Yan thought for a moment and said, "it's simple to give a child a gift. I'll just give him a longevity lock and some auspicious little things. Why don't I ask Dad later? he must have a lot of good things. Also, I'll prepare some gifts for nuanyang.

Liancheng Yazhi nodded. yes, sure. I'll get someone to prepare it. It's just for show. You're a pregnant woman yourself, so don't worry about this.

Liancheng Yazhi thought of something and handed a portfolio to Rong Yan. "Oh, Rong nuo sent back some photos yesterday. I developed them. Take a look. "

Liancheng Yazhi forbade Rong Yan from touching the computer and mobile phone. He had to get someone to print out the photos that Rong nuo had sent back before Rong Yan could see them.

"Oh, really? "Let me see Yingluo." Rong Yan was still quite worried about Rong nuo. She had gone out to play for a while, and she didn't know how she was doing.

Rong Yan took out the photos and looked at them carefully. they all look very happy, Yingluo.

Liancheng Yazhi wrapped his arms around Rong Yan's shoulders. xuanyu said that she's in a good mood. Don't worry.

Rong Yan nodded. yes. She's happy. Naturally, I'm not worried.

When Rong Yan was five months pregnant, it was time for Feng nongtang's son's one-month-old party.

Although Rong Yan's body was not out of shape, her stomach was already bulging. It was impossible for her to wear a dress. She could only sigh and wear a loose dress to go with Liancheng Yazhi.

When they arrived, Liancheng Yazhi looked at the tables and said to Rong Yan,

Don't worry, our son's one-month celebration will definitely be better than theirs, Yingying!"

As they were talking, Feng nongtang left the group of guests and walked quickly towards Liancheng Yazhi. "Oh, you two are finally here."

Liancheng Yazhi punched Feng nongtang's shoulder. "Congratulations, you're finally a father."

Feng nongtang let s mouth was almost at the back of his head. hehe, congratulations too, congratulations too. I haven't congratulated you too. You're going to be a father for the second time, Yingluo..

Chapter 1598 -philandering deeply rooted in the hearts of people

Liancheng Yazhi's smile deepened. That's right, it was his second time being a father. This time, he could witness the birth of his child with his own eyes.

Feng nongtang hesitated for a moment and said to Rong Yan, "sister-in-law, nuanyang has been missing you. This time, you should have a good chat with her and talk to her more to ease her worries.

"What did you do this time?" Rong Yan raised her eyebrows and asked immediately.

Feng nongtang waved his hands. I didn't do anything. After what happened last time, I wouldn't dare to do it again. I'm not stupid. I don't dare to mess with any of the women outside.

Rong Yan nodded. so you don't dare to. It seems that you still want to.

feng nongtang quickly denied it. "no, no, absolutely not, i wouldn't dare to. i don't want to be a father now, i can't be the same as before. my parents and nuanyang's parents are all watching. i really don't have the heart and courage to do it anymore. "

Rong Yan smiled. come on. You're making it sound nice. Is it because nuanyang has been pregnant for so long that your flirtatious personality has appeared again? "Otherwise, why did you ask me to relieve the warm sun?"

Feng nongtang pulled a long face. sister-in-law, no, definitely not. Yingluo, you have to believe me. Go talk to nuanyang, she'll definitely be willing to talk to you.

Rong Yan saw that he really looked very innocent. "Alright, where is Yingluo?" she's feeding her son now, in case the child cries when she takes him out. I'll Take You There.

Feng nongtang's one-month-old party for his son was held at their family's hotel. Ye nuanyang was in the guest room upstairs. He brought Rong Yan to the door and knocked."Nuanyang, open the door."

Soon, the Feng family's housekeeper opened the door and Feng nongtang brought Rong Yan in. As soon as he entered, he immediately rushed to ye nuanyang and said, "Nuanyang, look who's here."

ye nuanyang glared at him, but when he saw the face behind him, he stood up happily. "Rong Yan, you're here. I was just talking about you. I haven't seen you in a long time. I've missed you so much. Come and see my son.

"I miss you too," Rong Yan said with a happy smile.

Although Liancheng Yazhi didn't want to leave, he couldn't stay in this situation, so he said to Rong Yan, "Then you two stay here and talk. I'll pick you up later."

Rong Yan nodded,"go. What can I do here, Yingluo?"

Liancheng Yazhi and Feng nongtang left, leaving the two women to talk inside.

Feng nongtang heaved a long sigh of relief after he left.

The two of them walked towards the elevator, and Liancheng Yazhi asked him, what's wrong? Your wife doesn't look at you with good eyes. What did you

“You really can’t blame me this time,” Feng nongtang said with a wronged expression.

Liancheng Yazhi glanced at him, as if to say, “You think I’ll believe you?”

Perhaps his image as a philanderer had been etched deeply into people’s hearts, so much so that whenever he got into an argument with ye nuanyang, people would immediately think that he had found another woman.

feng nongtang hugged liancheng yazhi’s arm pitifully. “you really can’t blame me. I was really happy when my son was born. Many relatives and friends came to congratulate me every day. My mother’s friends, my father’s friends, and my wife’s family. Some of them who were close to me came, so they definitely stayed for dinner. We had to drink when we ate, and I accidentally drank too much once.

Liancheng Yazhi pushed Feng nongtang away in disgust. “You slept with another woman after you drank too much..”

Chapter 1599: Young master Feng’s painful history

‘no,” feng nongtang immediately said, “what kind of person do you think i am? how can i be so casual?”

Liancheng Yazhi smiled and said, ‘am I wrong? I always thought that you’re not a human when you’re casual.”

Feng nongtang glared at him angrily. Yueyue is too angry talking to you. This time, it’s really not my fault. I was too drunk and couldn’t walk. I couldn’t find the direction to the bedroom, but I knew that there was no one living in our guest room, so I just opened the door and went in.

Liancheng Yazhi looked at Feng nongtang’s disgusting expression as if he had swallowed a fly. He found it funny and waited for him to continue.

Feng nongtang gritted his teeth and said, in the end, not long after i laid down, i felt a hand touching me. it even grabbed my hand and placed it on her. i realized that something was wrong very quickly. she wasn’t wearing any clothes. the point was, i touched it. it wasn’t warm sunlight. in order to protect my chastity, i used the last bit of my rationality and kicked the woman away.

she fell to the ground and probably cried out in pain. then, she called over the people in the house and guests. in the end, f * cking hell, that b * tch. In front of everyone, she said that I pulled her by force, took off her clothes, and said that I was going to rape her. That damn bitch Yingluo, I was so drunk that I couldn’t even recognize my own father. My limbs were as weak as a dead pig, how could I rape her?”

After Liancheng Yazhi heard this, he laughed out loud. “that was in your house.

you actually fell into someone’s trap in your own house. you’re really stupid.

however, according to the good things you’ve done in the past, there should be many people who believe you. ‘

In many people's eyes, Feng nongtang was still a flirtatious young master, so it was entirely possible for him to do such a thing.

Feng nongtang sighed. a lot of people did believe it, but fortunately, my mother was smart. She knew that I was drunk and unconscious, so how could I

have the extra energy to rape a woman, let alone accurately unbutton a row of buttons on that woman's body. Even if I wanted to rape her, I would definitely tear her clothes while drunk. My mother was terrified on the spot and scolded the woman. Then, she drove the whole family out.

As a mother, she could despise her son, but she would never allow her son to be framed by others.

although feng nongtang didn't know why his mother had been so terrified, when he woke up and heard the servant describe the scene, he almost hugged madam feng's thigh and cried.

As expected, it was very important to have a strong mother. Otherwise, he would be the one to be blamed.

"Is that woman a relative of yours?" Liancheng Yazhi asked casually.

Feng nongtang shook his head. not really, she's the daughter of a friend of my mother's. She came to congratulate me that day. They shouldn't have stayed for dinner, but they refused to leave. My mother was too embarrassed to drive them away, so that happened. Don't you think I'm innocent? But my wife thinks that I was too fickle in the past. Otherwise, those women wouldn't keep staring at me. So, she got angry with me. "

Liancheng Yazhi smiled. of course I'm angry with you. If this kind of thing happens once, there will be a second time. If we don't put an end to it from the root, it will happen again in the future.

"eliminate it from the root? How can I put an end to this? how can I control those women?"

Chapter 1600: Stay awake and put an end to bed-climbing

Feng nongtang had an unusual headache. If it was in the past, when he was laid by a woman, if the woman was good looking and hot enough, maybe he would go with the flow. But now, he really didn't want to have anything to do with those women.

Why did those women still have their eyes on him when he had already performed so well?

' you can't control them, but you can control yourself. if you don't want such things to happen again, you have to stay clear-headed at all times. " After Liancheng Yazhi finished speaking, the elevator door opened and he stepped out.

Feng nongtang was stunned for a moment. Before the elevator door closed, he quickly stretched out one foot. When the elevator door opened again, he ran out and came to Liancheng Yazhi's side."ah, so you're telling me to quit drinking?" liancheng yazhi pointed at the guests in front of them and said, " "Just like tonight, there are so many guests, and you have to toast each table. If you drink until you pass out, will there be a second daughter of your mother's friend?"

Feng nongtang recalled that day and felt a little scared. “Then, Yingluo, what should I do? I can’t not drink this, can I?”

Liancheng Yazhi hooked his finger at Tang Gou and he immediately leaned over obediently. we’ll serve red wine to these guests today. Find some high-quality black tea. The color of the black tea is similar to red wine. It’s up to you whether you can handle it.

Feng nongtang was overjoyed. this is good, this is good. As expected, you should be more careful. Red tea doesn’t smell of alcohol.

“can you be any dumber?” liancheng yazhi said in disdain. You won’t forget to pour some wine on yourself?”

Feng nongtang looked at Liancheng Yazhi with admiration. “Yes, yes, Yingluo, young master ya, you’re really my Savior, Yingluo!”

” f * Ck off! ” liancheng yazhi scolded him mercilessly.

If his wife had looked at him with such cute eyes, he would have felt a great sense of accomplishment, but it was fine if he was being teased by the wind.

Feng nongtang called his assistant over and gave him a few instructions in a low voice.

After the assistant left, Feng nongtang put his arm around Liancheng Yazhi’s shoulder. “young master ya, where’s jian jie? my son is one month old. how can he not come?

Liancheng Yazhi took Feng nongtang’s arm away disdainfully. “He said he would be late. Yingluo should be here by now.”

Feng nongtang looked around. what could be wrong with him? is he not coming? if he dares not come, I’ll teach him a lesson.

“Are you sure you want to teach him a lesson?” Liancheng Yazhi asked.

as he was speaking, he suddenly saw a group of people gathered not far away from him. he had no idea what was going on.

This was Feng nongtang’s son’s one-month-old party. No matter what happened, as the host, he had to go and take a look. He had to ensure that his son’s one-month-old party went smoothly.

In the end, the two of them came to the front of the crowd and after pushing the crowd aside, the scene in front of them stunned them.

He simply crossed his arms, and in front of him stood a little girl who was just as tall as his chest. His expression was very bad, and he stood there like a demon. From head to toe, he had the words ‘strangers stay away’ written all over his body, and the people around him did not dare to get close.

The little girl standing in front of him was wearing a white dress and was dressed like a doll. She had a doll-like appearance and white skin. She had big eyes and a small mouth. When she cried, she would ftvitch and big tears would roll down her face. She looked very pitiful..
