

## Permit Me 1601

### Chapter 1601: Lady little white rabbit

Feng nongtang's legs went soft when he saw it, "damn, why are they together?"

"You know that little girl?" Liancheng Yazhi glanced at him.

of course I know her. That little girl is my wife's younger sister. She's the daughter of the ye family's close friend. She's the darling of the entire family. She's just like an ancestor's younger sister. I'll go and see what's going on. Feng nongtang pushed the people in front of him aside and walked over.

Feng nongtang asked carefully, "xunxun, what's wrong? why are you crying so much? tell me. Did he bully you?"

However, the little girl looked at him, lowered her head, and continued to cry. She looked really pitiful and cute.

Feng nongtang didn't know what to do with this kind of girl who was too pure in both person and heart. He didn't even dare to get close to her. He anxiously scratched his head and said to the surrounding onlookers, "It's nothing, everyone can leave, let's leave Yingluo."

After driving them away, Feng nongtang immediately asked, "Hey, what did you do to her?"

"I didn't do anything," Jian Jie said patiently.

Liancheng Yazhi walked over slowly and asked, "Did you bully her?"

"You think I'm the same kind of person as him?"

Liancheng Yazhi nodded seriously, "that's not Zhenzhen."

Jian Jie had never been close to women, so it was more believable to say that he killed people than that he bullied women.

Wind on Tang Zhenzhen

hey, don't criticize me, you two. I'm just saying that it's easy. If you didn't do anything to her, why would she be crying like this?"

"You're asking me, but who should I ask?" Jian Jie said in frustration.

When Jian Jie came today, Liancheng Yazhi and Feng nongtang had not come out of the elevator yet, so he had already walked around.

The hotel was very large and had a few indoor man-made landscapes. There was a pool and a fake mountain. He thought it looked nice, so he went over to take a look. In the end, he saw a few young girls trying to push a young aunt into the pool. He didn't say that he was deliberately trying to save her, but he just happened to pass by. It was just that the terrifying murderous aura on his body scared them away.

Then, the little girl began to follow him.

She followed him wherever he went, unable to shake him off. She simply said, "Don't follow me, she'll start crying.

This cry attracted a lot of people, and everyone thought that he had bullied her. Jian Jie really didn't know how to explain herself. He wasn't a talkative person to begin with, so he let those people misunderstand.

Jian Jie glanced at the little girl and said to Feng nongtang, "Since you know him, I'll leave him to you. I'm leaving."

However, just as he turned around, he felt his clothes being tugged by a light force.

He turned his head and looked down to see a small, fair hand timidly grabbing the corner of his clothes. That hand was really small, very white, and very beautiful. It simply felt like he could break a finger.

He looked up from his hand. Her small face with tears was as pitiful as a kitten that had been abandoned. There were no impurities in her eyes. It was the cleanest pair of eyes he had ever seen, innocent and ignorant of the world.

it was rare for her to have such a pair of unpolluted eyes at her age.

although jian jie's heart softened a little, he still said with a cold face, "Let go of Yingluo!"

He was simple and fierce. After being among the dead for so many years, he had a particularly terrifying aura. When he was angry, the scars on his face made him look even more terrifying. Ordinary young girls would have been scared away by him..

Chapter 1602: A woman must grasp her husband i s heart

However, the girl Feng nongtang called 'xunxun' only shivered a little, but she still held on to the simple clothes and refused to let go.

Feng nongtang looked at this scene and understood. It was the little girl who was holding Jian Jie and not letting him go, not Jian Jie bullying him.

Feng nongtang felt a little guilty about the misunderstanding just now. He whispered to her, "Xunxun, your sister nuanyang is upstairs. Can you go and accompany her? can i go and see the baby? nuanyang is looking for you."

She shook her head, her little hand still holding onto the simple clothes, not letting go.

Feng nongtang really had no choice. He looked around and finally found her brother and pulled her away.

When he pulled xunxun away, her brother looked at Jian Yi with a Savage look in his eyes, and he really wanted to swallow him up.

he heaved a simple sigh of relief. he had always had very little contact with women, let alone this kind of innocent and crying little girl. it was harder for him to be alone with this kind of little girl than to run ten thousand meters.

It was just that when the little girl was dragged away by his brother, she turned her head and looked at him, which made his heart soften a little.

what happened? ” Feng nongtang grabbed the simple arm. what happened? “I don’t know,” he simply shook off his arm.

Feng nongtang persevered and caught up with him. hey, don’t be like this. Tell this bro, Qianqian has always been afraid of meeting strangers. Why is she clinging to you this first time? ‘

“I don’t know,”

“How could you not know? Tell me, what happened?” there’s nothing. he simply pushed Feng nongtang away. there’s nothing.

Feng nongtang didn’t care that he was being despised. look at you, you’re an old man in your thirties. What’s there to be embarrassed about? tell me.

Jian Jie suddenly stopped and gritted his teeth, ” “i don’t mind teaching you a lesson at your son’s one-month-old party.”

Feng nongtang immediately stopped. ah, Yingluo, I think I have some skills with this Yingluo. The banquet is about to start, I’ll go and get busy with Yingluo.

After Feng nongtang ran away, Liancheng Yazhi patted his simple arm. “I didn’t expect you to be so popular with women. It seems that you don’t need my wife to introduce you.”

“I already said that there’s nothing else.” Jian Jie gritted his teeth.

Liancheng Yazhi spread his hands innocently. I didn’t say you have anything.

In the hotel room, Rong Yan looked at Feng nongtang’s son and happily played with him with a small toy.

“Did you have a fight with Feng nongtang?” she asked as she played. Ye nuanyang bit his lip and said, “there’s no Zhenzhen.”

Rong Yan glanced at her. stop it. When we came in together just now, you didn’t pvpn Innle nt hinn

Ye nuanyang lowered his head and said pitifully, “I’m Yingluo. I’m just very angry. Yingluo didn’t really quarrel with him. Yingluo.

She told Rong Yan about how Feng nongtang was almost raped in her house. rong yan frowned after listening to him. ” nuanyang, you have to know when to stop some things so that you won’t have the opposite effect. this wasn’t feng nong tang’s fault in the first place. he was able to kick that woman off the bed when he was drunk and unconscious. it’s clear that he has changed a lot. ‘

however, you really should be angry about this. If it weren’t for Feng Lang’s past, those women wouldn’t have to keep an eye on him all day. It’s fine if it’s just a small fuss for two days, but if it goes on for too long, pushing him out is equivalent to giving other women an opportunity.. You’ve always been very smart, so you should be able to handle this matter well, right? “

Chapter 1603: No feelings that can I t be squandered

Ye nuanyang’s eyes reddened. He grabbed one of his son’s dolls and said, ” but Yingluo’s carefree temper hasn’t changed. He smiles at women who throw flirtatious looks at him on the road. I really hate his temper.

rong yan sighed. ye nuanyang's life had been so good recently that he had forgotten what kind of life he had lived with feng nongtang for the past two to three years.

It was also possible that after the son was born, ye nuanyang was too confident and thought that she would not be afraid of anything now that she had a son.

“Let me ask you something. Do you think that your life now is more difficult than the two years you were married?” Rong Yan asked her.

Ye nuanyang was instantly stumped by her question. “I’m Yingying!”

Rong Yan observed ye nuanyang’s expression and saw that she was gradually softening. She knew that she had almost recovered, so she continued, ” “Take advantage of the fact that Feng nongtang still feels that he owes you, and give him a way out. He will think that you are very good and will treat you better as compensation. If his patience runs out, you will only make him more annoyed if you want to get back together with him.’

Rong Yan patted ye nuanyang’s hand. the two of you may have feelings for each other now, but Wanwan must know that there’s no such thing as an endless relationship in this world. If two people want to be long-lasting, they must know how to protect it. Feelings are like sand between your fingers, slipping away every day. If you want the sand in your hands to never run out, you have to pour new sand into your hands every day.

“Yingluo, I need to tell you clearly that divorce rates are so high nowadays.

Having a child doesn’t mean having everything!”

Rong Yan’s words made ye nuanyang open up. After giving birth, women were naturally accompanied by a certain degree of postpartum depression. Some were serious, while others were mild. Usually, people would not pay attention to mild postpartum depression and would only think that it was because they were in a bad mood.

If she didn’t receive treatment in time, it might have gotten even more serious. Ye nuanyang had been feeling unwell recently. In addition to the incident with Feng Leng Tang, it had caused her to have a bad temper. It was only after Rong Yan’s treatment that she finally felt better.

Ye nuanyang was very grateful to Rong Yan. thank you for letting you get pregnant and still telling me this.

nothing much. I just wanted to say a few words. You and your wife are doing well, so it’s better than anything else. The banquet is about to start. Get ready and give him a way out in front of others. Don’t quarrel over such trivial matters in the future.

mm, I understand. I won’t do it again, Yingluo.

ye nuanyang already knew what to do. she was glad that rong yan had explained things to her before feng nongtang got angry at her. if this continued, she really didn’t know what would happen. she really didn’t want to go back to the two years when they had just gotten married. she had begged so hard to get this marriage, so she had to cherish it.

Not long after, Liancheng Yazhi and Feng nongtang came to pick them up.

As soon as he entered, Feng nongtang said fawningly, " "Honey, the party has started. Let's go down."

Ye nuanyang was a smart woman. Instead of acting nice, he glared at him and said, " "Go and hold your son."

Although his attitude wasn't very good, Feng nongtang was still overjoyed. This was the first time ye nuanyang had responded to him since the two of them had started arguing. Feng nongtang ran over to carry his son. "Hey, wife, our son is asleep."

Ye nuanyang said angrily, "yes, she's asleep. Just like you, she's in a deep sleep and doesn't know anything. She doesn't even know that someone has taken her away..

Chapter 1604: Silly and innocent girl

Feng nongtang knew what she meant and quickly said, " no, you're here. No one can take him away. Our son and I will always be yours.

Ye nuanyang's face reddened. He reached out and pinched his arm. alright, don't be talkative. The banquet is about to start. You may leave.

Feng nongtang knew that ye nuanyang's anger had basically subsided. He quickly leaned over and, ignoring the fact that Liancheng Yazhi's face was present, lowered his head and kissed her on the cheek. "Let's go down together.

Mom and dad are waiting for us."

' what are you doing? " ye nuanyang patted his arm. " let's go.

She quickly turned around and said, " young master ya, Rong Yan. Let's go down. Today, you two have to sit in the main seats.

Feng nongtang stood behind ye nuanyang and silently thanked Rong Yan.

He finally heaved a sigh of relief. He had finally coaxed his wife. It was too difficult!

Fortunately, Rong Yan was here. This sister-in-law was really his great Savior.

When they went down together in the elevator, Liancheng Yazhi asked Rong

Yan in a low voice, " "Are you tired?"

Rong Yan held his arm. why would I be tired? I'm fine!

Liancheng Yazhi reminded her. at the banquet later, when the madman is toasting, there might be people coming and going. You should sit beside me. Don't go anywhere, in case you bump into them.

Rong Yan nodded gently. yes, I know. I won't run around. How can I not know my own situation? "

Rong Yan attached great importance to her child and would be very careful in everything. No matter what it was, she would not do it even if it was a little dangerous.

When she was young, she had never experienced the so-called motherly love. It was precisely because of this that she valued her children so much. Even if she was overly nervous at times, every

child was a gift from heaven to her. She was able to live again and have everything she had now. She especially cherished it.

Downstairs, Feng nongtang first arranged Rong Yan and Liancheng Yazhi to sit at the main table.

The two of them greeted Feng nongtang's parents and in-laws.

After the banquet started, Feng nongtang's father went on stage and gave an opening speech, probably to thank everyone for coming to his grandson's one-month-old celebration.

After that, it was time for the toasts. Feng nongtang held a glass of wine and toasted from table to table. Ye nuanyang carried the child and walked around the women's tables before getting someone to carry the child back. However, she couldn't relax because she had to follow Feng nongtang to the toasts.

As friends, Liancheng Yazhi and Jian an were called over by Feng nongtang. He was afraid that some people would deliberately want to make a fool of him and force him to drink, but with Liancheng Yazhi and Jian an standing there, no one dared to do so.

Although Liancheng Yazhi really did not want to, he still went.

Ye nuanyang knew that he was worried about Rong Yan, so he found someone to keep her company.

rong yan, this is a little sister of mine. Xing mo's name is mo xunxun. can you let her accompany you for a while? ”

Rong Yan glanced at mo xunxun and nodded. not bad. I didn't expect you to have such a cute little sister.

ye nuanyang patted mo xunxun's head. ” this is my uncle mo's baby. she's been spoiled silly and naive. but she's a very good girl. ”

she said to mo xunxun in a soft voice, ” xunxun, sit here. i have a task for you.

this sister has a baby. sit here obediently and take good care of this sister. if anyone comes to bully you, you have to call us quickly.. don't let anyone touch this sister, okay? ‘

Chapter 1605: I'll see who dares to touch her!

MO xunxun stole a glance at Rong Yan. After meeting her eyes, she quickly lowered her head and nodded at her fingers.”Yes, Yingluo, I know, Yingluo.”

There were very few people at the main table, and now they were basically all serving guests.

Only Rong Yan and MO xunxun were left.

Rong Yan felt that this little girl was quite cute. She was not the kind of innocent girl who pretended to be innocent. She was really like a piece of white paper, simple-minded, and Xuxu was afraid of meeting strangers.

Rong Yan guessed that this little girl used to have autism and should be much better now, but she was afraid of seeing strangers. This did not change much.

“Since you’re called mo xunxun, can I also call you xunxun?” Rong Yan asked with a smile.

MO xunxun nodded and replied, “yes, Yingluo.”

Rong Yan did not deliberately pretend to be gentle. Instead, she asked very naturally, ” “My name is Rong Yan. I have a younger sister who is 22 years old this year. How old are you?”

MO xunxun did not say anything. Twenty silently stretched out two fingers.

“Twenty years old?” Rong Yan smiled.

MO xunxun nodded in a daze.

She was like a little cute rabbit, in a state where she could be frightened at any time, looking particularly pitiful. Rong Yan said, ” “You look younger than me.” although rong yan was the one talking to mo xunxun, she responded to all of rong yan’s questions. she nodded, shook her head, or gestured with her hands.

this was already a miracle for her. mo xunxun had never paid attention to strangers she met for the first time before.

The two of them were chatting in a very strange way, but neither of them felt awkward. On the contrary, the atmosphere seemed to be getting better.

However, it might be better if no one came to destroy it.

a few gorgeously dressed girls who looked to be eighteen or nineteen years old, with heavy makeup on and looked like bullies, walked over unsteadily with wine glasses in their hands. they sat down beside mo xunxun.

One of them was quite good-looking and dressed the most normally among them. He looked at mo xunxun in disdain and said, ” “MO Mixi, isn’t this the little mute from your family? I didn’t expect that she would take advantage of the fact that there was no one here to secretly come to the main table to sit. She’s really uneducated and has thrown her face here. How did your mo family raise such a shameless daughter?”

The girl she called mo Mimi shook her legs and said, humph, she pretends to be innocent all day, but she’s actually full of bad ideas. what is she? i don’t have a cousin like her, yingluo. “Hey, who let you sit here? get lost.”

mo xunxun swayed violently from the push, but she did not move. she sat there with her head lowered, her hands trembling as she clutched her skirt and bit her lip hard.

MO Mixi raised her leg and kicked mo xunxun’s calf. She spat, ” you’re like that again. Damn it, I hate it when I see you. You always pretend to be pitiful and make the whole family revolve around you. What’s so good about you? ‘ the girl who spoke first smiled and said, ” “I think she’s just being cheap, just

give her a few slaps.”

The girl next to him said in a low voice,”it’s not good to be here, it’s house

Feng’s one-month celebration, if we’re seen, Yingluo.”

MO mi waved her hand, “pull her away.” &Nbsp;

When they reached out to grab mo xunxun, a slender and fair hand suddenly pressed on her shoulder. The voice was cold and emotionless. “I’ll see who dares to touch her..”

Chapter 1606: Either you ‘re dead or you don’t have hands

The few bad girls turned around and their gazes finally landed on Rong Yan, who was sitting beside mo xunxun.

Her expression was cold as she placed one hand on mo xunxun’s shoulder. She had an imposing aura that no one dared to ignore.

However, she was pregnant now, and she didn’t dress up much when she came in. She didn’t look like someone of high status.

They sized up Rong Yan, trying to guess who she was.

Rong Yan’s lips curled into a mocking sneer. “who gave you the guts to take away the guests that young madam feng has personally arranged for you? How much ability does your family have to bear the consequences of offending house Feng for ruining the one-month-old banquet of house Feng’s eldest grandson?”

Rong Yan had been watching them coldly from the side. She was not a kind person and did not stop them from the beginning. She was watching to figure out what was going on between them.

Also, she wanted to see if mo xunxun was worth saving.

However, perhaps it was for ye nuanyang’s sake, she still spoke.

However, those few bad girls obviously felt that Rong Yan wasn’t an important person. The girl who had been encouraging mo Mixi to find trouble with mo Xun raised her chin and said in disdain, “ Auntie, Hanhan has nothing to do with you. Mind your own business and be an old hag. Don’t bother with us.

Rong Yan gritted her teeth.’Old my \* SS.’ She was still a beautiful young woman now.

pregnant people’s emotions changed quickly, and rong yan’s mood was instantly ruined by them.

you’re so young, yet you’re so rude. You’re still saying that other people’s upbringing is bad. Your family has a daughter like you, which is a disgrace to the family. Look at all of you. Those who know and understand that you’re here to attend the one-month-old party might think that you’re all from the red-light district. You’re so shameless, yet you still have the cheek to criticize others. Did your parents teach you this since you were young? ”

MO mumi slammed the table. you old woman, how dare you scold our Wanwan? ”

Before she could finish speaking, her vision suddenly darkened as if something was floating over. She subconsciously wanted to Dodge, but before she could Dodge, that thing hit her face.

In an instant, her entire face felt sticky, hot, and spicy. It was so painful that she covered her eyes and immediately screamed.

Rong Yan slowly put down the plate in her hand and grabbed a napkin to wipe her fingers that were stained with soup. While the women were still in a daze, Rong Yan said slowly, " anyone who dares to point their finger at me is either dead or without a hand. You're lucky that you've only lost your face.

The entire plate of mapo tofu that had been splashed onto mo mumi's face was untouched. Only those who had tasted it knew how spicy it was. At this moment, her eyes were so hot that she couldn't open them. Her entire face was burning to death and she was in so much pain that she was like a headless fly.

She screamed, "Beat her, beat her to death! How dare this stinky woman splash vegetables on me! Kill her!!"

Before the few of them could make a move, mo xunxun suddenly stood in front of Rong Yan.

rong yan was stunned. this rabbit-like girl still remembered ye nuanyang's words before he left-to protect her.

Rong Yan's lips curled up into a smile. Although she couldn't protect her at all, it was already very good that she could do this.

rong yan calculated the time and felt that it was almost time. mo mixi's scream was so loud that they should have heard it.

MO mumi covered her face and screamed, " my face! My eyes! Damn b \* tches! Hurry up and catch them! Hurry up and beat them to death! Beat them up!

Chapter 1607: the feeling of an itch

Following mo Mixi's shout, a few of the girls who were with her really reached out to grab Rong Yan.

However, before they could touch anyone, two people suddenly rushed out from behind them. One of them hugged Rong Yan, while the other grabbed the collar of the girl who wanted to grab Rong Yan. He lifted her up and threw her out forcefully. She fell to the ground with a bang and hit two chairs.

lian Cheng yazhi's face was full of anger. he hugged rong yan and lowered his head to comfort him. "It's alright, Yingluo."

When he heard the sound, he immediately rushed over. In the end, he saw a group of women dressed like butterflies trying to harm Rong Yan. He was so scared that his heart almost jumped out.

The person who threw him out asked with a cold face, " "What's going on?"

MO xunxun immediately raised her head when she heard the simple sound. Her eyes lit up when she saw him, as if she had seen her Savior. She rushed to his side almost immediately, crawled behind him, and grabbed his sleeve.

The corner of Jian Jie's mouth twitched. Did he just happen to appear?

He lowered his head and looked at the girl who was standing behind him. From his angle, he could see her snow-white hands and her fair and smooth forehead. For some reason, he felt a slight itch in his heart, as if a light feather had brushed across his skin.

Jian Jie turned his head and coughed softly, but he did not break free from mo xunxun.

when the few girls who looked like bad girls saw liancheng yazhi and the jian, they immediately didn't dare to move. only mo mumi, who couldn't see the situation clearly, was still shouting.

Rong Yan grabbed Liancheng Yazhi's hand and said with a wronged expression, " hubby, she said that I'm old and frail. She even said that she's going to kill your son and me. What do you think we should do? "

Rong Yan didn't take them seriously at all and just treated them as a way to pass the time.

Liancheng Yazhi knew that it was Rong Yan's doing when he saw the girl whose face was covered in food. However, he also understood Rong Yan. If the other party had not gone too far, she would not have bothered with them at all. liancheng yazhi glanced at the girls and said in disdain, " "Just these few things are worth you haggling over with them. Aren't you afraid of lowering your status?"

However, his tone changed and his killing intent instantly soared. "Whoever dares to touch my wife and son, I will make their entire family pay with their lives."

The girls were so scared that they almost burst into tears. Only the girl who scolded the old man kept rolling her eyes. No one knew what she was thinking.

feng nongtang saw the commotion and ran over, " "What's the matter, what's the matter, Yingluo?" lunatic! Liancheng Yazhi said in disgust. is this the one-month-old party you're holding? you put all kinds of flies in there? "

Feng nongtang looked at the girls who were dressed like gangsters and instantly understood. "Who let these people in?"

Feng nongtang's assistant hurriedly said, "mo Mimi is from the mo family. She brought the others in." &Nbsp;

Feng nongtang gritted his teeth and kicked him, " if she wants to bring you in, let her in. Any cat or dog can come to my son's one-month-old party. Hurry up and chase her out. I'll settle the score with you later. Also, tell the mo family that they can forget about the entertainment projects on Xuanji West Street.

Feng nongtang had just finished speaking when mo Mimi's parents rushed over.. The two of them ran over, one hurriedly helping mo Mimi up, the other fawningly said to Feng nongtang, " what's wrong with young master Feng? what happened? it's all because of the child's insensibility!

Chapter 1608: Get her to dig out her eyes and match them to me

MO Mixi's father rubbed his hands together and said, "Qianqian, you're a magnanimous person. Don't lower yourself to her level. Our mi has always been very obedient and sensible. Qianqian has never caused trouble on her own initiative. Qianqian, did you have a misunderstanding today?"

They were mo xunxun's eldest uncle and eldest aunt. They were in charge of the mo family's business. After working hard for more than half a year, they finally got the Feng family to agree to the two families opening a few entertainment cities on West Street.

When they heard that Feng nongtang wanted to end the cooperation, they were so scared that they almost fainted.

However, they were too stupid. At the moment, they were not trying to exonerate their daughter, but instead, they were trying to quickly apologize to Rong Yan with their daughter.

what? "Liancheng Yazhi sneered. do you mean that Wanwan is my wife bullying your daughter on purpose?"

When mo MI's father saw Liancheng Yazhi, he was so scared that his legs went soft and he almost fell to the ground. Cold sweat instantly appeared on his forehead. "You and your wife are looking for her, she is looking for her." only now did he realize that his daughter had offended the person she could not afford to offend.

He had just said that his daughter would not cause trouble and that there was a misunderstanding? Doesn't this mean that everything was started by Madam Liancheng? we're finished, we're finished, Xuanji.

He suddenly felt like giving his daughter a few tight slaps. If he had known earlier, he wouldn't have let her come.

MO Mixi's father didn't dare to beg for mercy from Liancheng Yazhi, so he could only plead with Feng nongtang in a low voice, " "Young master Feng, young master Feng, Qianqian, can you let this matter go on account of the friendship between our families? I will definitely educate Mimi well when I get back. Please, Mimi is really just a child. Besides, the children's mistakes won't affect our cooperation, don't you think?"

He kept saying that mo mi was still a child, but he didn't open his eyes to look at her. His daughter was already 19 years old this year. She was already an adult. Was she still a child?

"You think I'm stingy?" Feng nongtang said in disgust. idiot, i'm saving you? If you think that I'm ruthless, fine, then let young master ya do it. At that time, your family will not only lose a few money, but he will also take your lives."

Feng nongtang waved his hand and stood to the side, no longer asking about this matter. He was really depressed. A good full-Month celebration was ruined by the mo family. Even if Liancheng Yazhi didn't teach them a lesson, he wouldn't let them go.

MO Mixi's mother hugged her daughter and cried to the heavens. lust now. the girl who had scolded her for being old and frail had secretly pinched mo Mixi.

MO mi suddenly cried out loudly, " dad, mom, my eyes ... I can't see ... Sob ... It's all that b \* tch's fault. She splashed vegetables on me. Sob ... I'm blind ... I'm going to be blind .

These words caused mo MI's father to fall to the ground in fear.

Liancheng Yazhi had a cruel sneer at the corner of his mouth. Rong Yan leaned on him with an indifferent expression, as if she was not the one being called a 'bitch'.

MO Mixi's mother didn't even realize who they had offended and was still helping them, " "My dear daughter, it's fine, Yingluo. You won't become blind. Let them compensate you. Let them compensate your eyes."

With her mother around, mo mi felt that she had someone to back her up. She continued to shout without thinking, " where's that b \* tch? I can't see, so dig her eyes out and give them to me. Mommy, dig her eyes out! MO mumi's father rushed over and slapped her across the face..

Chapter 1609: Developing the body, not the brain

MO MI's father roared in anger, "bastard Yingluo, shut up." &Nbsp;

He was extremely regretful now. He had been pampering his daughter for so many years, and in the end, he had spoiled her to such an unruly state. This time, she was really going to kill the entire family.

Unfortunately, it was too late for Yingying to call him now. What was she doing earlier?

MO MI's mother pushed her husband away. what are you doing? You're crazy. Your daughter is being bullied like this, yet you don't even know how to stand up for her and even hit her. Are you still her father?"

MO MI's father was so angry that his head was about to explode, " what do you know? She's almost killed her entire family."

He turned around and quickly begged for mercy from Liancheng Yazhi. "I'm sorry, I'm sorry, young master ya. It's my daughter's fault for being insensible and spouting nonsense. She has eyes but failed to see and offended your wife. I will definitely educate her properly when I return. Please forgive her this once on account that she's still young and still a child."

Rong Yan frowned as she listened from the side. Did this man have a brain? he was almost twenty years old, yet he kept repeating that she was a child. Should a child's mistakes be forgiven? besides, Yingluo's daughter was a brain-dead person, not a child.

Liancheng Yazhi looked at mo mi, who was still crying. that's right. She has eyes but can't see. Since Yingluo is like this, then her eyes are useless.

When mo Mixi's father heard this, he was so frightened that he knelt on the ground and begged for mercy, " "Young master ya, young master ya, Qianqian is still young. Look at how small she is. Please, I beg you, spare her. I beg you, Qianqian!"

Rong Yan interrupted her impatiently, "are you done? she's an adult, and you keep calling her a child?" Is your family full of idiots that she taught you like this? Was she still not weaned off milk, or could she not walk? He's already twenty years old, but he's only developed his body, not his brain."

rong yan's words made mo mi's father not know what to say. " "Madam

Liancheng, my daughter Qianqian is Qianqian."

Rong Yan sneered,"how old are you?" A full month old or two years old?"

"If you don't, she'll do it."

“She wants to dig out my eyes. Let her do it. Let me see how Yingluo will do it.” MO Mixi’s father’s body was on the verge of collapse. His face was pale and he was sweating profusely. He didn’t know what to say.

He wanted to defend himself and say that his daughter was young and insensible, but what he said was completely unconvincing.

lian Cheng yazhi quickly comforted Rong Yan. “calm down. you can’t be angry now. leave the rest to me. you should have a good rest.”

it’s dirty here, “ye nuanyang said. let’s change a table. Why don’t we go upstairs?”

Ye nuanyang was actually the most embarrassed person because the Mo family was her family’s friend. She felt very embarrassed to have such a quarrel. He had never had a good impression of the Mo family and usually only hung out with Mo Xunxun’s group. He had only invited them because of his parents.

However, they had caused her such trouble and caused her son’s one-month birthday party to fail. It really made her very angry, so she would definitely not interfere in this matter, and she would not make Rong Yan unhappy for them.

Lian Cheng Yazhi kissed Rong Yan’s cheek.”Go, Yingluo.”

Ye nuanyang took Rong Yan’s hand. Rong Yan, I’ll Take You There. Leave the matters here to the men to handle.

Rong Yan nodded and prepared to leave with her. However, just as she lifted her right foot, she suddenly heard a trembling voice..”Don’t go, Yingluo!”

Chapter 1610: who dares to kill my son?

everyone looked in the direction of the voice and saw that it was Mo Xunxun.

she was standing beside Jian Yi, her body trembling, and her small hands were gripping the corner of Jian Yi’s clothes tightly.

“What’s the matter?” Rong Yan asked her.

MO Xunxun stretched out her trembling hand and pointed at Rong Yan’s feet.

Rong Yan looked down and saw a large puddle of water under her feet. because the floor was dark, the puddle of water couldn’t be seen if she didn’t look carefully.

In order to be more comfortable on her feet after she got pregnant, Rong Yan wore flat shoes with soft soles. Although these shoes were comfortable to wear, they were not very anti-slip.

If Rong Yan had stepped on it just now, there was a high chance that she would have slipped. She was now five months pregnant. Once she fell, her five-month-old son would have a miscarriage and it was very likely to cause massive bleeding. At this time, abortion was extremely harmful to the uterus, and it would be almost impossible to get pregnant in the future.

Rong Yan was so frightened that she sucked in a breath of cold air. Fortunately, Mo Xunxun had stopped her. Otherwise, she did not even dare to think about the consequences.

The next second, she was pulled into Liancheng Yazhi's arms. His eyes were fixed on the puddle of water on the ground, and the murderous aura around him scared the people around him so much that they did not dare to move.

Jian Jie walked over, bent down, and dipped his finger into the water. He sniffed it, "It's Red wine, Yingluo. It's the red wine provided by the hotel today."

Feng nongtang's heart skipped a beat. who accidentally dropped this Kasaya on the ground? " he asked.

he stood up easily. mo xunxun, who had been following him, was like his little tail. when he bent over, she bent over. when he stood up, she stood up too.

He simply sighed. Forget it, I'll just ignore her. He stood up and said, " it can't be an accident. This is the main table. None of you are here. Who would specially bring wine over? the hotel staff wouldn't be so careless. If someone knocked over the wine glass on the table, there must be someone else on the table.

It was obvious that someone had deliberately fallen to the ground, and it had flowed to Rong Yan's feet. It could be concluded that they wanted Rong Yan to fall.

It had to be said that his mind was a little too vicious.

He simply glanced at the Round Table, and his fierce eyes swept across the crowd."all the wine glasses on the table are here, only these two are empty.

who poured the wine on the ground?"

Everyone lowered their heads and no one dared to speak.

Liancheng Yazhi's bloodthirsty eyes swept over them. if you step out now, I can spare your lives. If I find out by myself, it'll be too late for you to regret it, Yingluo.

Liancheng Yazhi's words made people shiver. Originally, he was just a group of self-righteous young children making trouble, but now it seemed that these people simply wanted to take his son's life.

After a while, no one spoke. MO xunxun gently tugged at her simple clothes and said in a low voice, "I ran ran, I saw ran ran"

Jian Jie lowered her head and looked at mo xunxun seriously. "What did you see? Say it out, Zhenzhen."

Everyone's eyes were on mo xunxun. Her face turned even paler and she kept trying to Dodge. She simply grabbed her shoulder and asked, "tell me, what did you see?" mo xunxun raised her head. her eyes were filled with tears, and they were shockingly bright. she looked at the simplicity and did not look at anyone. she slowly raised her finger and pointed at someone. I saw her. She poured the wine on the ground when no one was looking.

The person mo xunxun was referring to was the girl who had initially scolded her for being old and frail. She was the prettiest among the group of bullies.. She immediately screamed, "mo xunxun, don't you slander me!"
