

Permit Me 1661

Chapter 1661: I only want to hear your heartbeat for the rest of my life

Perhaps the thing that Liancheng Yazhi regretted the most was almost pushing Rong Yan to Su Yu back then. As a result, he had another love rival. Even though they were married and had children, the other party was still coveting her.

Seven laughed. your business is just starting out. How long do you have to wait before you can compete with the Liancheng Group? ”

Su Yu pursed his lips and said with a face full of ambition, “I believe that I will have a chance sooner or later. Maybe Liancheng Yazhi will have an affair in a few years, or I might as well find a woman who is more special and better than Rong Yan to seduce him. When Rong Yan finds out, do you think she will continue to live with Liancheng Yazhi with her temper? At that time, my chance will come.”

Seven’s mouth twitched. To be honest, su ‘er’s idea was really despicable and evil. She would do anything to ruin someone’s relationship.

why don’t you keep a woman who’s better looking and more special for yourself? “seven asked.

“But she’s not Rong Yan. The woman I want is Rong Yan,” Su Yu said as he spread his hands.

Seven laughed. yeah, if you think that way, what about Liancheng Yazhi? ”

when he said this, Seven felt that he and su yu were really quite funny. they had fallen in love with the same woman, and they should have been love rivals, but they could still sit together and talk so harmoniously. the topic of discussion was actually about how to destroy rong yan and liancheng yazhi’s relationship?

Perhaps, it was because they both knew deep down that getting a beautiful face was just a wonderful dream that couldn’t be realized. Therefore, they both felt that they were in the same boat.

Su Yu paused for a moment. He had forgotten about that.

Liking a person didn’t mean that she was good. In your eyes, all the bad things about her would become good. Beauty is in the eyes of the beholder. This saying had been said for thousands of years, so how could it not make sense?

Su Yu’s heart suddenly ached. He liked Rong Yan. He really liked her and wanted to be with her for the rest of his life. He wanted to listen to her heartbeat and grow old.

However, Yingying might never be able to realize this dream.

su yue took a deep breath and tried to calm herself down.”it’s okay, i’ll get the chance one day, yingluo.”

Su Yue didn’t want to continue on this topic, so he changed the subject.”Oh right, don’t blame me for not telling you. Liancheng Yazhi has been in trouble recently, and it shouldn’t be small. Tang han just said that he’s very busy. Although he didn’t say what he’s busy with, I still know a little.

He's been protecting the people of the Liancheng family recently. Around the old Liancheng residence, on all the roads one kilometer from his house, Tang Han's men have been lying in ambush. There seemed to be an intense battle the night before. ”

Seven immediately asked, ” what's going on? even the troops have been mobilized, and it's even your cousin who's personally involved. Something big must have happened.

Su Yu shrugged his shoulders. I don't know, but it's obvious that someone is trying to harm Liancheng Yazhi, so he brought his troops to protect him. But from what I know, Tang Han's troops are mainly to protect Liancheng Yazhi and monitor him. It's possible that Tang Han will become enemies with Liancheng Yazhi after some time.

Seven frowned. Someone was trying to harm Liancheng Yazhi, and even the military was eyeing him covetously.. What kind of trouble did Liancheng Yazhi get into? would Rong Yan be implicated?

Chapter 1662: A good love rival in China

Seven asked suspiciously, ” “Su Yue, how did you know about this?”

Since Tang Han was unwilling to tell Su Yue, it must be a secret. Since it was a secret, how did he know?

Su Yue fiddled with the glass of water in front of her and said, ”Tang Han and I are Good Brothers. I have a good relationship with many of his subordinates. Not everyone is like my big brother, separating public and private matters to a perverted extent. All suspected confidential issues will not be disclosed at all.

He may not say it, but there are people who will say it!”

Just as Su Yu started playing, Seven suddenly stood up and walked out.

“Hey, where are you going?” Su Yue shouted.

Seven didn't turn around. Before he opened the door, he replied, ” “Rongyan is pregnant. I should go back to congratulate her.”

The door slammed shut, and Su Yue collapsed on the sofa.

He knew that Liancheng Yazhi was in trouble, and he was actually quite happy. If Liancheng Yazhi was not doing well, he would also be happy. After all, the two of them had always been at odds with each other. It was all because of that bastard that he was in this state today.

However, it would be better if Rong Yan was not by Liancheng Yazhi's side when he was in trouble.

After Su Yu received the news, he was initially very happy. However, after seeing the photo of Rong Yan's pregnancy, he felt a little uneasy.

The saddest thing in the world is when the woman you love is pregnant and the child's father is not you.

Su Yue had experienced the same sorrow once, and it was a second time. Each time, her heart ached more than the last.

The first time, Rong Yan had a child. At that time, she didn't have any feelings for Liancheng Yazhi. At that time, he could still comfort himself that it didn't matter. If they had a child, so be it. He also liked children.

But this time, Rong Yan had a child again. But at this time, Liancheng Yazhi was standing beside her. The couple was in love and lived in harmony. Even when she looked at the photo, Su Yu could feel that they didn't allow any man or woman to get in their way. There was no gap between them.

But this time, su Yue's heart ached even more.

but then again, rong yan was now liancheng yazhi's wife. if something really happened to that bastard, what would happen to rong yan?

su yue was worried. her stomach was already so big, and she might give birth in two months. this was the time when she needed liancheng yazhi the most. if something happened to liancheng yazhi, she would be depressed and sad. what if something happened? In the worst case, he might even kill two people.

that kind of situation was simply too terrifying. he didn't even dare to think about it.

Su Yu wanted to see something happen to Liancheng Yazhi, but he didn't want to see anything happen to Rong Yan.

However, Su Yu would definitely not appear in front of Rong Yan at this time. Besides, he didn't want to save Liancheng Yazhi himself. He was the number one rival in his life and his number one Love rival.

hence, after thinking about it, su yue felt that she should tell Seven about this. if that kid knew about it, he would definitely go.

that was why there was such a scene today.

Su Yue found Seven and told him about Rong Yan's pregnancy and the trouble in Liancheng's family. Seven took a plane back to the imperial capital that day.

Su Yue sighed. He could be considered a good love rival in China..

Chapter 1663: A jealous precocious young man?

Liancheng Yazhi naturally didn't know what happened to su mo. After he rejected Tang han, he didn't think about it anymore and turned around to go home to accompany his wife and child.

After Liancheng Yazhi returned, Rong Yan asked him, " "How is it? He's already gone?"

"After handing the person over to him, he naturally left." liancheng yazhi sat down beside rong yan. he smiled and glanced at the apple he had cut for rong yan before he left. there were still a few pieces on the plate. he pinched rong yan's cheek."You haven't finished eating the Apple. Is it not good?" rong yan hugged his arm. " i'm eating. i've already eaten a lot. '

Liancheng Yazhi used a small fork to pick up a piece and brought it to Rong Yan's mouth."eat the rest. the doctor said to eat more fruits."

Ever since Liancheng Yazhi had returned from abroad, he had always accompanied her to her prenatal examinations on time. He wished he could take out a small notebook and remember every word the doctor said.

After solving the danger of the night and sending Tang han away, Liancheng Yazhi heaved a sigh of relief. He knew that there would definitely be no problem today. At least, he would be fine during the day, so his tense nerves relaxed a little.

Liancheng Yazhi felt that recently, because he had been busy solving the crisis and taking care of Rong Yan, he had paid less attention to MeowMeow. Now that he finally had some time, he quickly communicated with MeowMeow.

MeowMeow, little princess, tell Daddy how school has been. How are the teachers, classmates, and the school environment? ”

Dong Tian, who was sitting opposite him, said as if he was sleepwalking in the middle of the night, "They're all little boys,"

Rong Yan thought to herself that something didn't sound right with this Yingying's voice. Was she jealous? She's so young and she's already jealous? She really matured early!

rong yan realized that something was wrong and lowered her head to sniff the air."baby, what about the girl? Are there no little girls?"

Rong Yan hugged meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
meowmeowmeowmeowmeow.”I’m not playing with you? why?”

MeowMeow lay in Rong Yan's arms and shook her head. I don't know. I wanted to play with them, but no one paid me any attention.

Rong Yan instantly thought of the young girl playing games happily with her, and her daughter standing there alone, helpless and lonely..

Chapter 1664: It's not that you 're bad, they just don't know how good you are

It was just like when she was in elementary school. She wanted to integrate into the class, but she was always rejected.

She had never been liked by the girls in her class since she was young.

Don't think that a child's world is pure and innocent. Children have their own small society. Their world may not be as complicated as an adult's, but the simpler it is, the more direct and hurtful it is.

Girls didn't like girls who were prettier than them. This seemed to be an innate talent. Besides, in MeowMeow's class, all the students were from rich families.

the more wealthy a child was, the more mature they matured. the things they understood far exceeded their age. in comparison, meowmeow was actually more naive than them.

Rong Yan kissed

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow meow's little face. it's okay. When I was young, I was just like you, even worse than you. But don't be discouraged, don't be sad. You have to remember that it's not that you're bad, it's that they don't know how good you are.

"If I let them know that I'm fine, will they play with me?" MeowMeow asked innocently.

Rong Yan's eyes turned sour, and she tapped "My silly girl, if you can do it, then do it. However, if you find that they still reject you after you've tried so hard, then you don't have to do anything anymore, because they're not worth it. You don't need to please anyone."

In fact, Rong Yan knew that MeowMeow's efforts were mostly useless. Children were sometimes more stubborn than adults when they had decided on something. It was harder to change their minds. Once MeowMeow realized that it was useless after trying hard, she was very likely to be hurt.

however, as long as

"Yes, Yingluo's mother, I know."

Rong Yan hugged meowmeowmeowmeow and shook her gently. after my younger brother is born, mommy will send you to school. Mommy will send you to school when I have time in the future.

MeowMeow nodded happily. sure, sure. I saw many of our classmates have parents sending them off. Mom, mom, can we go tomorrow? ‘

liancheng yazhi had been listening to the mother and daughter's conversation just now, and now it was finally his turn to speak. "baby, i'm afraid we can't do it tomorrow. little brother hasn't come out yet, so mommy can't go out now.

after little brother is born and mommy's body has recovered, i'll send you

there, OKayg ”

“That’ll take a long time!” MeowMeow was a little disappointed.

Rong Yan poked meowmeowmeow’s little face. then let daddy send you. Daddy will send you, okay? ”

“Alright, Yingluo’s father can go too.”

MeowMeow grabbed Liancheng Yazhi’s hand and shook it. “Tomorrow.. Can we go tomorrow, dad?”

Chapter 1665: A request that can not be refused

Faced with

On the first day of school, he was the one who sent MeowMeow and winter to school. He took them to see the principal and the teacher of their class. He thought that everything would be fine after he made arrangements to not let anyone bully his precious daughter. From then on, he rarely sent MeowMeow to school. He did not expect that MeowMeow’s life at school was not so good.

At this moment, Liancheng Yazhi felt that he owed his daughter too much.

He lowered his head and kissed MeowMeow’s forehead. He smiled and said, ‘

“Of course not tomorrow, ”

“Why?”

Liancheng Yazhi quickly carried her. “My silly girl, you’re going to cry. Have you forgotten that tomorrow is the weekend? your school doesn’t have classes.

On Monday, I’ll send you to school. I’ll pick you up after school.”

The frustration on MeowMeow’s face disappeared as soon as she heard that. She hugged Liancheng Yazhi’s neck and kissed him on the cheek as fast as she could turn the page of a book. “Daddy’s the best, I knew daddy’s the best, Yingluo”

After playing around in Liancheng Yazhi’s arms for a while, winter dragged MeowMeow to the yard to play.

“Brother dongtian, dad is sending us to school next

Monday. ”

“Mm,” Dong Tian nodded.

MeowMeow lifted her chin. Brother Winter, I’ll be able to let my classmates see my daddy next Monday. My daddy is much more handsome than their daddy.

“Mm,” Dong Tian nodded.

Suddenly, MeowMeow changed the topic. Brother Winter, Yan Mingming from my class said that he brought me a cake made by his chef. He said it was delicious. I wonder if he will bring it for me next Monday.

Winter of this year did not nod. He was silent for a few seconds before asking, ” “That little fatty.”

Winter was silent.

In the end, a sentence popped out of his stone-like mouth, ” “Don’t eat it. If you eat too much of his cake, you’ll end up like him.”

MeowMeow seemed to understand instantly. Ah, yes, will Yingying become like him? ”

“Yup, Xuxu knows how to do it.” Dong Tian nodded.

MeowMeow immediately shook her head. then I don’t want it. Girls don’t look good if they get fat.

Dong Tian nodded hehe.”

The two children were playing outside. Rong Yan said worriedly, ” isn’t it not safe recently? the day after tomorrow, what if something happens? ‘

liancheng yazhi put his arm around her shoulder and comforted her. “It’s fine. I’ll arrange for our people to be in school in advance and have them protect MeowMeow at all times.”

In the situation just now, Liancheng Yazhi had no way to reject MeowMeow.

If rejecting

Therefore, Liancheng Yazhi would rather take a little risk than leave any shadow in MeowMeow’s heart.

“Okay, then you must arrange for more people.” Rong Yan nodded.

Liancheng Yazhi hugged Rong Yan tightly. don’t worry. I’ll make arrangements for everyone. I’ll make sure that MeowMeow is always in their sight..

Chapter 1666: Accompanying her daughter to school

liancheng yazhi suddenly laughed. “if it really doesn’t work, i’ll just accompany meowmeow to class before coming back. ”

Rong Yan seriously considered it. “This idea is feasible.” liancheng yazhi

Liancheng Yazhi had already made arrangements for the school’s people in advance-the gatekeepers, the cleaners, the security guards, the cafeteria chef, and two teachers who had suddenly been transferred to the school. He had arranged everything that could be arranged. Only after making sure that

The day before he sent MeowMeow to school, he went to Natsume’s laboratory.

he had already informed natsume that the danger was temporarily lifted, and he was asked to open the second door from the inside.

After entering, Liancheng Yazhi looked at Kang Zhen and sighed. At this time, only Kang Zhen was the most comfortable.

“how have you been these past two days?” he asked natsume, “are there any signs of waking up?”

Natsume handed Liancheng Yazhi a colored picture that was densely packed with small cells. Liancheng Yazhi pushed it away after taking a look. "Don't make me look at this. I don't know what it is even if I see it."

natsume rolled his eyes at him as if he was looking at an illiterate. this is the cell division diagram in his body. It has already begun to divide and reorganize, just like metabolism. After his genes are reorganized, the cells in his body will undergo countless changes and reorganizations until they are reorganized into the most suitable form for his body condition.

"And then? I'm asking if there's any possibility of him waking up."

Natsume coughed. I'm not sure yet. After the cells in his body divide and reorganize, they will have to stop for a while. If it's suitable for his body, it will stop. If it's not suitable, it will continue.

Liancheng Yazhi's forehead was filled with black lines."So, you're saying that you still can't tell me the exact time?" that's probably what Yingluo means, but soon. The longer the cell division stops, the closer it is to the form that is most suitable for his body. This means that it won't be long before he awakens.

"I'm such an idiot to talk to you." Liancheng Yazhi's words pierced Natsume's heart and then he said, "I'll be at home less tomorrow. You can go inside and close both doors. Other than me, don't come out if anyone else looks for you."

"Where are you going?" Natsume quickly asked.

Liancheng Yazhi threw him a sentence. accompany my daughter to school tomorrow.

The next morning, Liancheng Yazhi woke up early because MeowMeow's morning class was at 8:50 A. M.

Therefore, he had to get up more than an hour earlier. Liancheng Yazhi got up at 7:30 in the morning, and Rong Yan had also made an exception and gotten up two hours earlier today. She had specially picked out a set of very handsome clothes for him.

liancheng yazhi hadn't dressed up so carefully for a long time. after he changed, he first helped rong yan downstairs."Sure. Let'S go downstairs for breakfast. I'll go see MeowMeow." however, they did not expect that after breakfast, she urged liancheng yazhi to go to school.

"Daddy, Daddy, let's go, don't be late."

Liancheng Yazhi let MeowMeow pull on his sleeve like a good father who had no temper. baby, don't be in a hurry. It's still early. Say goodbye to mommy..

Chapter 1667: Mom, don't miss me!

MeowMeow obediently hugged Rong Yan's leg and said, "Goodbye, mommy."

Rong Yan wanted to take the pill and kiss her little face, but in the current situation, Yingying could only touch her head.

Liancheng Yazhi picked up "mom, i'll be back by noon. don't miss me."

“Go, Yingying. Have fun at school. Remember what mommy said yesterday.” “We’ll be leaving then. I’ll be back soon,” Liancheng Yazhi said to Rong Yan.

Rong Yan nodded. go. Be careful on the road.

‘With my daughter around, I will definitely do it.” Liancheng Yazhi carried MeowMeow in one hand and pulled Dong Tian into the car with the other.

He had brought two cars with him this time, one in front and one in the back. They were all bodyguards from the family. There were many students from rich families in the school that MeowMeowv attended. Many students went to school with a grander display than this, so it was not too eye-catching for him to bring two cars.

On the way,

When they arrived at the school, this time, Liancheng Yazhi was not in a hurry to go back. After he asked the driver to park the car, he took MeowMeow’s hand and sent her to the classroom.

When the teacher who was picking up the students at the door saw Liancheng Yazhi, her face instantly turned red and she said a little nervously, ” “mr.

liancheng, yingluo, why did you come here personally? Has our dear Liancheng Huang ‘er’s body recovered?”

Liancheng Yazhi was warm, distant, and polite. my daughter has recovered a little. She wants to come to school, so I came to see where my daughter is teaching.

okay, please take a look. Don’t worry, student Liancheng Huang ‘er is a very well-behaved and helpful child. The children all like her. All the teachers knew that parents loved to hear others praise their children, so she kept praising MeowMeow.

However, when Liancheng Yazhi heard him say that the children liked her very much, he frowned and interrupted the teacher. what’s the first class today? ”

the teacher quickly said, ““today’s first period is an extra-curricular activity class. usually, this class is held in the afternoon, but you see, the temperature has been rising steadily recently. i’m afraid that the children can’t stand it, so i changed it from the afternoon to the first period in the morning. the temperature outside isn’t too hot at this time and it’s just right. the morning air is also fresh, don’t you think so?”

‘That’s good,” Liancheng Yazhi nodded.

Mr. Liancheng, today’s first lesson is an extracurricular activity. If you have time, you can stay and play some games with Huang ‘er. There should be many parents who will stay.

\$NQL4*: “Daddy, Yingluo”

Liancheng Yazhi met his daughter’s innocent eyes and his heart softened instantly. okay, daddy will stay and accompany you for a lesson.

At 8:50 am, class started on time. Liancheng Yazhi took a look at the large outdoor activity field. There were many sports equipment suitable for children, and there were also parents who stayed behind to play with their children.

The teacher allowed the children to move around freely and asked the parents to wait for a while.

Liancheng Yazhi saw from afar that the little girls were playing with the ladder. MeowMeow wanted to go over to play, but the girls always pushed her away.

Liancheng Yazhi hid the coldness in his eyes and walked over. He bent down and took Miaomiao's hand.. He smiled at the little girl and said, "Let's play together, okay? You want to play with my Huang 'er?"

Chapter 1668: The most beautiful angel in his life

Liancheng Yazhi's voice was very gentle and pleasant to the ears. Coupled with his dazzlingly handsome face, from an 80-year-old aunty to a one-month-old baby, he would probably be able to charm them.

humans were born to be visual animals. in the face of such a stunning person, no one could not be moved.

the little girl instantly quieted down. her hands were clasped together nervously, and she was a little shy. she nodded her head slightly.

Liancheng Yazhi was actually not a person who liked children. He was born Cold and selfish. In addition, he had been trained by the old master through extraordinary means. The degree of his ruthlessness was far beyond what ordinary people thought.

Gentleness and love, these two things, originally did not belong to him. However, God left him the last trace of emotion. Rong Yan appeared in his world like she was born out of nowhere. After going around in circles for so long, he brought a miniature version of her. The moment the mother and daughter appeared in Liancheng Yazhi world together, he really felt that God had sent the most beautiful angel into his life.

Hence, he gave them all his patience, gentleness, and love.

For them, he was willing to do many things that he was unwilling to do.

For example, right now, he didn't have the patience to talk to other girls 'children. He wasn't really loving. He was very angry when he saw those girls reject MeowMeow so much.

However, Liancheng Yazhi suppressed his anger and said to the girl with a smile, " Don't reject my daughter, play with her!

The Liancheng family was indeed the largest financial magnate in the entire imperial capital, but there were some things that couldn't be solved just because you had power and influence.

Liancheng Yazhi wanted his daughter to have a normal child's childhood. He wanted her to be happy and didn't want her to be unhappy because of her classmates 'rejection.

"What's your name?" Liancheng Yazhi asked the little girl.

"I'm Yingluo, and my name is Liu Manman," the girl said in a low voice.

Liancheng Yazhi smiled and praised,"what a nice name. You'll be friends with my Huang 'er, right?" Huang 'er is a little shy, can you take the initiative to play with her?"

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeovvme
eowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeovvme
owmeowmeowmeowmeowmeowmeowmeow, ‘Yes, I will be friends with Liancheng and Huang ‘er,
Yingluo.”

Liu Manman nodded. Yingluo, I'm a good kid. Good kids don't bully others.

After that, Liu Manman pulled Meimei to the slide and said to the other girls arrogantly, "Get out of the way, let her slide first."

He had looked for the little girl just now because he could tell that this Liu

other children seemed to listen to her, so Liancheng Yazhi had looked for her directly. With her and MeowvMeow, he believed that they would soon integrate into the children.

Chapter 1669: She's not my mother

Liu Manman and a little boy were in the same group during the art class. They had basically done all the homework, including MeowMeow•s. They were very good to her, completely different from before.

The school's washrooms were very reasonable, and there were different washrooms for children of different ages.

MeowMeow nodded. I am. Who are you, Auntie? ”

The woman bent down and smiled. I'm your mother's friend. Your mother and father are having dinner outside. They asked me to come and take you there.

MeowMeow took a step back. you're not my mother's friend. I've met all of my mother's friends. Aunt Gu and aunt ye, they're not like you.

The woman was stunned for a moment. She probably didn't expect that a child would be so hard to fool.

She took a step forward and reached out to hold meowmeowmeowmeowmeow•s hand. “What Auntie said is true. You’ll know when you come with me, Yingluo.”

“I’m not going with you. I have to go to class.”

" don't go to class, " the woman said as she pulled. " auntie will take you to have

Just as she was about to pull MeowMeow away, she suddenly heard a voice, ” “Liancheng, Huang ‘er, what’s wrong?”

[illegible]

MeowMeoWs teacher, the female teacher who was talking to Liancheng Yazhi at the classroom door today, walked over.

A hint of panic flashed through the woman's eyes, but she quickly said, "This is the teacher. I'm MeowMeoWs Qianqian's mother. I'm here to take her home."

The teacher smiled and lowered her head to sniff.

meowmeowmeowmeowmeovvmeow, is this your mother? ”

MeowMeow immediately shook its head. no, she's not my mother. She's a bad person. She said she's my mother's friend and now she's saying she's my mother. Teacher, I don't know her.

The woman lowered her head and glared at MeowMeow. teacher, this child is at loggerheads with me. I just said a few words to her, but I didn't expect her to be so hot-tempered at such a young age. I'm really her mother.

The teacher's expression did not change as he said, "yeah?" But Yingluo, as far as I know, Liancheng's Huang 'ers mother is already six months pregnant. May

I know where you hid your stomach?"

the woman knew that she couldn't hide anymore. she slowly reached into the bag and said fiercely,
" "Since you already know, then you better not stop me.

Otherwise, I'll make you regret it!"

However, before she could finish her threat, she fell to the ground with a thud.

The teacher slowly lowered his hand. There were a few silver needles in the woman's head.

Meowmeowmeow looked at her teacher, who was much taller than her, with admiration.. wow, teacher Momo, you're so amazing!

Chapter 1670: This is a secret between us

The teacher bent over and smiled at MeowMeow, ‘ this is teacher’s Secret. Can you help teacher keep it a secret? ’

MeowMeow nodded. yup! Yingluo can!

The teacher reached out and touched “Then, this will be a secret between the two of us, okay?”

Meowmeowmeowmeowmeowmeowmeowmeowmeow’s eyes were sparkling.

“then, teacher, call the security and ask them to take this bad woman away.”

The teacher took out his phone and called the school security room.

child’s thoughts could jump very quickly. One moment, they were calling him a bad person, and the next second, they could happily say that they had a younger brother.

After the teacher called the security room, she asked, ” “Do you like it?”

The teacher’s eyes were fixed on MeowMeow. She reached out and touched MeowMeow’s little face. “yes, she will definitely be the cutest and prettiest.

however, meowmeow is the cutest.”

“Little brother is the one, Yingluo.”

The teacher was stunned for a moment. She had actually called out “it’s not yingluo.”

“ah, teacher, how did you know?” MeowMeow was very naive. She thought that the teacher who had just saved her must be a good person. So, even if she didn’t know how the teacher knew her nickname, she was just curious and not suspicious.

the teacher’s eyes flashed with a bitter smile. i‘ i knew it when you were born. ”

MeowMeow’s eyes widened in surprise. wow! When I was born, teacher ran ran must have known my mother? ” she asked.

The teacher nodded, the smile on her lips hiding an unrivaled bitterness. ‘ten, yingluo.”

#hen can I tell Mom? Teacher, can you come home with me?”

The teacher shook her I’m taking a walk with my classmates in school.”

Meowmeowmeow was a little disappointed. yes, yowyowyowy.

The security guards outside happened to arrive at that moment. The teacher asked Liu Manman to leave first, and she took MeowMeow to deal with the rest of the things.

The principal quickly found out that Liancheng Yazhi’s daughter had almost been kidnapped and rushed over in shock.

the teacher said to the principal, ” principal, i think that our school should

solve the problem of the parents' identity verification as soon as possible. In the future, everyone who enters the school will have to verify their identity. We can't let unidentified people in. If the child is really taken away today, can our school bear the responsibility? "

The principal wiped the cold sweat off his forehead. Yes, yes, you're right. This matter is too important. I'll get someone to do it now. Have you informed the parents? "
