

Permit Me 1691

Chapter 1691: I haven't seen him in a long time, I really miss him

Rong Yan nodded. sure. However, we have to ask for the teacher's permission first. If she's busy and doesn't have time to come, we can't force her, right? ' yes, MeowMeow. MeowMeow nodded.

Liancheng Yazhi gently touched second second's head."Then I'll give the principal a call and ask about the teacher's situation first."

Rong Yan said, "good Zhenzhen."

She actually knew in her heart that Liancheng Yazhi wouldn't be able to find Seven. If he could be found so easily, he wouldn't be the number one thief in the world.

However, Rong Yan really wanted to see him. She hadn't seen him for a long time and really missed him!

Liancheng Yazhi had already dialed the principal's phone and said, " I'm very grateful to that teacher for saving my daughter. My whole family hopes to thank her properly. Principal, please help me find her and ask if she's willing to come to my house as a guest. If she's not willing, we would like to thank her in person.

"Okay, okay. Please wait a moment, young master ya. I'll make a call for you," the principal said happily.

Liancheng Yazhi had carefully thought about yesterday's incident after calming down.

in yesterday's crisis, two very important people appeared.

Of course, it wasn't him, and it wasn't tang han.

the first one was the female teacher who risked her life to save meowmeow. in order to protect meowmeow, she lured the enemies away and jumped down from the ninth floor, then disappeared.

However, according to the people she had captured, she had kicked someone down the building before she jumped.

Liancheng Yazhi felt that it was not a coincidence. She probably wanted to use his death to alarm the people downstairs and him after kicking the man down. Then, they would definitely enter the building to check and find out that MeowMeow was inside. The doll and MeowMeow's clothes were the signals she left for him.

This teacher was definitely not an ordinary person.

the second person was the mysterious person who had shot and saved liancheng yazhi. liancheng yazhi had no way of investigating this person.

However, there were still clues about the female teacher. Liancheng Yazhi pondered. Could these two people be related, Imow each other, or were they together?

however, liancheng yazhi was disappointed very quickly because the principal called not long after he happily agreed to help him ask questions.

how's the principal? "Liancheng Yazhi asked. did you manage to find out?"

the principal stammered and said, "young master ya, the 'teaching order' is the best teacher in our kindergarten. she is also the most outstanding one. we have always valued her 'but' but'." the principal was sweating profusely on the other end of the phone. he kept wiping his sweat and finally decided to go all out. he closed his eyes and said, ' however, Hanhan accidentally broke her leg on her way to school yesterday morning. She didn't come to school at all and was only taken to the hospital. She hasn't been discharged yet, so Hanhan, so Hanhan.

Liancheng Yazhi was so shocked that he almost sat up from the sofa. This answer was even more shocking than the person who had been caught yesterday saying that the female teacher had jumped out of the restaurant and disappeared into thin air.

Liancheng Yazhi quickly realized that his expression had made MeowMeow nervous. He quickly lowered his head to kiss MeowMeow's little face and said with a smile, " so, she didn't even appear in school yesterday, and the female teacher Yingluo wasn't her at all.

On the other end of the phone, the principal kept apologizing, " I'm sorry, young master ya. Our ran ran, we didn't know either, ran ran..

Chapter 1692: You've always been a good father

Liancheng Yazhi silently hung up the phone. He frowned and did not say anything else.

This matter was too unbelievable. The female teacher was not a female teacher, and the person who saved him could not be found.

All of a sudden, Liancheng Yazhi felt that his surroundings were full of mystery.

There seemed to be a ball of thick fog in front of him, and he could not see what was in front of him.

although the person who pretended to be a female teacher had saved meowmeow, and the mystery at century square had also saved him, liancheng yazhi really couldn't believe it when faced with someone who had deliberately hidden their identity.

Rong Yan and MeowMeow were both looking at him.

"dad, where's the teacher? will the teacher come?"

liancheng yazhi turned around and quickly smiled at meowmeow."Baby, it's not confirmed yet. The principal is still in contact. When we get in touch with that teacher, I'll definitely bring you to see her, okay?" he didn't want to disappoint meowmeow, so he hid what the principal had said.

Rong Yan was a little worried. She had asked

Liancheng Yazhi raised his head and glanced at Rong Yan. He saw that she was thinking about something and was a little distracted.

He frowned slightly, and there was something on his face.

Liancheng Yazhi pinched MeowMeow's little face. baby, the weather's not bad and it's cool today. Come out with Grandpa and get some sun.

Gu Hesheng was carving a little thing with a yellow Rosewood for MeowMeow.

When he heard Liancheng Yazhi calling him, he looked up at him and then at Rong Yan. He knew that they had something to talk about, so he put down the things in his hands and asked Butler Li to put them away for him.

“Let’s go, Grandpa will take you on the swing.” Gu Hesheng walked over and carried MeowMeow.

When Gu Hesheng found out that something had happened to

After Gu Hesheng left with meowmeowmeow, Liancheng Yazhi reached out and pulled rongyan over. “what are you thinking about?”

rong yan came back to her senses and quickly held his chest to avoid pressing down on him. ” “Be careful, you’re injured!” liancheng yazhi wrapped her body in his arms. ” it’s okay. it’s the other side.

liancheng yazhi wrapped her body in his arms. ” it’s okay. it’s the other side.

you’re not leaning on this side. you were distracted just now. did you have something on your mind? ” rong yan shook her head and said, “no, i didn’t.”

Liancheng Yazhi tilted his head and bit Rong Yan’s earlobe. you’re still denying it? you’ve been daydreaming. Tell me.

Rong Yan perked up and leaned on Liancheng Yazhi’s shoulder. you’re injured, and MeowMeow can’t leave her side. She doesn’t dare to turn off the lights at night. I’m a little worried.

Liancheng Yazhi’s face darkened, and he blamed himself. I’m sorry, meowmeowmeow’s sleep. I was too confident in myself. I should have been by her side the whole time.

This time, the saddest person in

He had always thought that it was his carelessness and conceit that had brought danger to MeowMeow.

Rong Yan reached out and grabbed Liancheng Yazhi’s hand. She raised her head and kissed him on his chin, comforting him. ” it’s not your fault. you don’t know what those people will do. no one is a god. they can predict the future. i’m already very happy that meowmeow can return to us safely. don’t blame yourself. you’ve always been a good father. but after that incident, i, meowmeow, don’t dare to go to school again.. “

Chapter 1693: you’re welcome to punish me!

Liancheng Yazhi nodded. He felt that Rong Yan’s consideration was right. we have to change her school. She can’t go to her original school anymore. She’s still young. When she returns to school and sees the familiar environment, she’ll definitely remember what happened that day. We have to change to a school that’s completely different from her original school.

rong yan looked up at liancheng yazhi and asked, ‘are we taking meowmeowmeowmeow to see a psychiatrist? I’m afraid it’ll leave a shadow in her heart.”

“We’ll see how it goes in two days. If there’s no change, we’ll get the doctor to come over and take a look.”

“Good Yingluo.”

After a while, Liancheng Yazhi said to Rong Yan, “Rong Yan, do you know what the principal said to me just now?”

Rong Yan’s heart tightened. I didn’t hear it, “she said. how would I know?”

he told me that the female teacher who saved MeowMeow yesterday actually went to school yesterday. She fell on her leg on her way to school this morning and went straight to the hospital. So the female teacher who saved MeowMeow yesterday was not her at all. It was just that MeowMeow looked exactly like her. Don’t you think it’s strange? ”

Rong Yan pretended to be surprised. how’s that possible? could Yingluo be twins? ”

“no, she doesn’t have a twin sister. also, the female teacher from yesterday was not an ordinary person. she led the people who wanted to catch meowmeow to the roof and then jumped down from it. but her body was not on the ground. no one saw her. it was as if she had disappeared into thin air.”

Rong Yan’s hands clenched unconsciously. She smiled and said, ” this Yingying is too ridiculous. She disappeared into thin air. Is she playing with magic? ”

Liancheng Yazhi looked at Rong Yan and smiled. it’s quite ridiculous, but it’s true. Who do you think the teacher who saved MeowMeow is? ” he asked. Why did he save

Rong Yan shook her head, “I don’t know, I can’t think of Huahua.”

Liancheng Yazhi reached out to stroke her chin and jokingly said, ” “Baby, you don’t seem to be particularly surprised about this?”

Rong Yan’s throat was a little itchy. She coughed and said, ” “because i don’t really believe it. yingluo, what you said is too unreal.” liancheng yazhi looked at rong yan for a while, then suddenly lowered his head and kissed her lips, murmuring, ” “It’s quite a fantasy, but I’ll definitely find out. I’ll find that person.”

Rong Yan’s heart beat a little faster. She kept feeling that Liancheng Yazhi seemed to have noticed something from her expression just now.

Suddenly, there was a slight pain on his lips. Liancheng Yazhi laughed softly and stuck out the tip of his tongue to gently lick Rong Yan’s lips. if you don’t concentrate, Hanhan will be punished.

rong yan perked up and wrapped her arms around liancheng yazhi’s neck. ‘ sure, let me see what kind of punishment you’ll give, yingluo. ”

Because of Seven’s matter, Rong Yan was not in a good state of mind the entire day. She really wanted to see him and ask him where he had gone and if he was doing well.

However, Yingluo couldn’t find him.

Moreover, Rong Yan was a little worried. She was afraid that Liancheng Yazhi would find Seven.

At night, before going to bed, Rong Yan sat on the balcony with

“Daddy, just wait a little longer.”

As she said that, fireworks suddenly lit up in the distance. MeowMeow clapped her hands happily and Rong Yan glanced at Liancheng Yazhi. look, there are really fireworks this time.

A row of fireworks rose into the air and bloomed. It was actually a pattern of 1234567 Arabic numerals. However, the front of the Kasaya was red, and the last ‘7’ was golden..

Chapter 1694: i just wanted to tell you that i’m fine

Rong Yan was talking to Liancheng Yazhi when she saw the fireworks in the sky and was instantly stunned!

liancheng yazhi could not help but take a few more glances. although the fireworks had the number 7 in arabic, it was not strange. after all, people nowadays were very powerful. what kind of pattern could they not make?

However, why was the color of the last one different from the previous ones?

‘Eh, why is the last 7 different from the previous ones?’

Rong Yan came back to her senses and said with a smile, ” “Maybe Yingluo did it to look good.” that’s right. They’re all the same color, so I can’t see anything good about them. Maybe the person who set off the fireworks has something special to do with the number 7, so they’re marked in other colors. as he spoke, Liancheng Yazhi inadvertently turned around and saw a little sparkle at the corner of Rong Yan’s eyes. He stopped and took a closer look. It was actually tears. He hugged Rong Yan and asked with concern, ” “What’s wrong? Are you crying?”

Rong Yan quickly raised her hand to touch her eyes. In the end, she really felt something wet. It turned out that she had actually cried without her knowing.

Rong Yan quickly rubbed her eyes and asked, ‘did you cry? I was wondering why I felt so uncomfortable. I think a little bug ran into my eye just now. Help me blow it away. It’s quite uncomfortable. There are so many little bugs in summer.’

“Come, let me take a look at Yingluo.” Liancheng Yazhi was puzzled, but he still quickly blew on Rong Yan’s eyes. “Did the little bug really run in?”

Rong Yan pretended to be normal and pointed at a black little bug. “Of course it’s true. Look, Yingluo is here again.”

liancheng yazhi looked over and saw a little bug. he looked at rong yan carefully for a while but did not see anything strange.

Liancheng Yazhi didn’t say anything else. He just assumed that Rong Yan was feeling uneasy because she had almost been kidnapped and he was injured.

The number “7” in the sky only stayed in the air for a few seconds before it disappeared. After that, the fireworks were all ordinary patterns, and the number “7” never appeared again.

Liancheng Yazhi and Rong Yan accompanied MeowMeow on the balcony until the last firework disappeared before they went to sleep.

They were afraid that

Moreover,

After lying down, Liancheng Yazhi kissed Rong Yan and MeowMeow on their faces and said lovingly, ” “good night, my babies!”

“Good night, hubby. Good night, baby,” Rong Yan said to them with a smile.

The lights in the room went out, leaving only a small lamp on the bed.

Rong Yan closed her eyes, and the meowing breathing in her ears gradually stabilized, but she could not fall asleep. It was difficult for Seven to enter the Liancheng family’s house now, but he knew that Rong Yan must be very worried about him now, so it was good for him to use this method to comfort

Rong Yan..

Chapter 1695: That person deserves a lot of happiness

rong yan really hoped that seven would have a good life. a good person like him deserved a lot of happiness.

rong yan really wanted to say ‘thank you’ to seven, to thank him for saving

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow.

However, this opportunity would probably be very difficult to come by.

Rong Yan opened her eyes to look at MeowMeow. Because of who was beside her and Liancheng Yazhi, the little guy was sleeping very soundly. His little mouth was open and he was even snoring slightly. He was so cute, like a little angel.

Rong Yan reached out and gently brushed away the hair on MeowMeow’s face. Seven loved MeowMeow so much. Perhaps he really hoped that one day, he could stand in front of MeowMeow with his real appearance and say to her, little guy, I’m your mother’s good friend and your uncle seven. I’ve known you since you were still in your mother’s stomach.

However, this possibility was not easy to achieve.

Seven didn’t want Liancheng Yazhi to know of his existence. He was very proud, and he liked Rong Yan. It was just a simple love. His love for her was different from Su Yu’s. It was pure and without any distracting thoughts. It was because of this love that he wanted her to be happy and didn’t want to destroy her family.

However, as a man, he hated Liancheng Yazhi and did not want him to know about him.

Rong Yan could only respect him. The only thing she could do for Seven was to help him keep it a secret before he was willing to let Liancheng Yazhi know about him.

Liancheng Yazhi’s hand went over MeowMeow’s and grabbed Rong Yan’s hand. He asked in a low voice,”what’s wrong? can’t sleep?”

Rong Yan was shocked but quickly calmed down. a little. I always feel uneasy when something happens to you and MeowMeow.

“Don’t worry, aren’t MeowMeow and I fine now? Things will clear up very soon. ”

“en, yingluo.”

In the second half of the night, Rong Yan finally fell asleep. After falling asleep, she and Liancheng Yazhi were still holding hands tightly.

At midnight, guarding the loneliness after the fireworks, there was a person in the night.

It was already very late, and there were no pedestrians or cars on the road. He stood there talking on the phone.

Seven, ” the person on the other end of the phone asked, ” did you see anyone? ”

“Who do you mean?” he asked.

“Of course it’s Rong Yan.”

After a while, he sighed. no, I saw meowmeowmeow. She looks so much like

Kong Yan. sne Will De a very, very Deaut1tL11 girl wnen sne grows up.

There was no more sound from the other end of the phone.

The woman he loved already had a family and children.

And his love had yet to be found, so how could she not feel disappointed!

After another two days, Liancheng Yazhi felt that his injuries were much better. The pain was not so intense, and the wounds opened and closed very quickly.

Liancheng Yazhi was only concerned about the ‘female teacher’ and the mysterious person who saved him in the square. After investigating some things, Secretary Zhou quickly came to see Liancheng Yazhi.

“Young master ya, we really couldn’t find out anything about that female teacher, but we did find out about that sniper rifle. It was secretly collected by a military fan in our city. However, it was stolen a few days ago. It’s illegal for him to keep guns, so he didn’t dare to report it to the police. There was also one bullet that was stolen. The bullets in his gun were not easy to match, so he used four out of five bullets. He only had one bullet left, and it was stolen along with it.”

Liancheng Yazhi smiled. There was only one bullet, but it had accurately killed the enemy and saved her.

These two days are a welfare day to give back to everyone. I wish everyone a happy reading..

Chapter 1696: Kid, come back if you ‘re done being crazy

How powerful was this mysterious man’s spear technique?

However, this theft?

Liancheng Yazhi flipped through the information that Secretary Zhou had brought. The lost gun had been kept in a secret compartment in the house that the owner had specially built. The secret compartment was embedded in the wall and the owner had used high-tech technology. To open it, the owner's fingerprint was required to enter.

However, the owner had no idea how he lost the gun. According to the information, the owner had been busy with work and had no time to open the secret compartment. He didn't even touch the fingerprint lock. So, how did the other party open it?

The day before yesterday, he finally had some free time, so he opened the secret compartment to take out the gun. However, he was dumbfounded when he opened it. The high-quality Gu inside had become a toy gun.

Secretary Zhou guessed that Liancheng Yazhi was probably thinking about how that person had stolen the gun. He said, "Young master ya, this person is really amazing. He entered someone's house as if he was playing around and took a gun. The owner didn't even know when it was lost. The point is, where do you think the fingerprints came from?"

"He must have had a very close contact with the owner, got his fingerprints, and made a fingerprint film." There was no other way to open the fingerprint lock except for the owner's fingerprint. Therefore, this person must have been in contact with the owner in advance.

Secretary Zhou sighed with emotion. tsk tsk. Not only is your marksmanship good, but your thievery is also amazing. Young master ya is really not an ordinary person.

Liancheng Yazhi threw the documents to Secretary Zhou. "of course it's not ordinary. if it's ordinary, yingluo wouldn't have attracted his attention."

"Continue to investigate, as much as you can. Just find out who the owner of the Kasaya was in contact with a few days ago."

it's ran ran, " Secretary Zhou thought to himself. That person had contact with so many people every day. It would be a difficult task to investigate.

"Is there anything else? if not, you can leave. Oh, Yingluo, I almost forgot. Help me find a kindergarten in the capital. It has to be the kind with a beautiful environment and very responsible teachers. You don't have to worry too much about the quality of teaching."

this time, liancheng yazhi's criteria for choosing a kindergarten was a good environment and the teachers were responsible. he did not consider the quality of the teachers 'education or the school admission rate. he only hoped that the child would be happy and forget the impact of the last incident on her. he did not care about whether her studies were good or bad.

okay, I'll get it for you tomorrow. Young master ya, about Wanwan, " Secretary Zhou hesitated, not knowing if he should say it.

"what's the matter?" asked liancheng yazhi.

“young master ya, yueyue, there’s one more thing.”

“What’s the matter?”

“Tang han wants to see you.”

Liancheng Yazhi raised his eyebrows and said, “he’s embarrassed.”

Tang han only looked for him for that small matter.

Liancheng Yazhi laughed. tell him that I’m weak. It’s hard for me to even walk. I have to stay at home to treat my injuries. I really can’t see him.

Secretary Zhou’s mouth twitched. He really couldn’t see that young master ya was weak.

‘Yes, I will tell Tang han the truth.” He nodded.

before secretary Zhou left, lian Cheng yazhi asked, ” “Where is Tang Zong now?”

” he’s having a vacation by the beach. that kid is having the best time now. ‘ Secretary Zhou’s words were very sour. He looked at the other party and then at him. It was like heaven and earth.

“Alright, Yingluo, you can go back.”

after secretary Zhou left, lian Cheng yazhi picked up his phone and dialed a number. after the other party picked up, he said leisurely, ” “Hey, kid, have you had enough of being crazy outside? It’s time to come back..”

Chapter 1697: Let me be affectionate for two more days

Liancheng Yazhi estimated that it was about time to call Tang Zong back. A few days ago, he did not call Tang Zong because, firstly, he felt that the time was not right. Secondly, he also hoped that Tang Zong could use this time to stabilize his relationship with Rong nuo. Once Rong nuo’s matter was settled, Rong Yan would be able to let go of a big matter in her heart.

Tang Zong was lying under a parasol on the beach. As he was applying sunblock on Rong nuo, he said, “No, I haven’t had enough fun. I’m not going back.”

Tang Zong felt that he was living like a god now. With Rong nuo by his side, he was very happy every day. If there was nothing to worry about, he would not want to go back and be tortured by Liancheng Yazhi.

Liancheng Yazhi laughed out loud and said, ‘you’re really not coming back?

Alright then, you can have fun outside. I’ll ask Rong Yan to call Rong nuo back. I think Rong nuo will be very happy to do so and will come back soon.”

lian Cheng yazhi was not worried that tang zong would not come back. he did not need to do anything. as long as rong nuo came back, that kid would come back on his own obediently.

“don’t, don’t, don’t. i’ll go back, alright?” tang zong immediately said anxiously.

He sneaked a glance at Rong nuo and whispered, "Can't Yueyue wait for two days? at least let me cuddle her for two more days."

"Tomorrow night should be about right," Liancheng Yazhi said slowly.

Tang Zong jumped up. hey, Liancheng Yazhi, do you have to be so ruthless? "

His voice was a little loud, and it woke Rong nuo up. She turned to look at Tang Zong, and Tang Zong quickly smiled and said, it's fine, it's fine. Xuanji, you can continue to sleep and catch up on your sleep.

Rong nuo was too lazy to pay attention to him. It was very hard for her to do it at night. Today, she was so sleepy that she couldn't even open her eyes. She had no strength at all.

Tang Zong walked a little further away and said gloomily, "Do you really have to be so brutal?"

Liancheng Yazhi smiled. it's up to you whether you want to go back or not.

Rong nuo is by your side, right? why don't you let her answer the phone? Rong Yan really misses her after not seeing her for so long.

Liancheng Yazhi's words had completely crushed the last bit of hope in Tang Zong's heart.

while tang zong was thinking about how to beat up liancheng yazhi, he said, no, no, no. Tomorrow night. I'll definitely come back to your house tomorrow night, okay? "

"Yingluo, did something happen to you again?" he asked after a while.

Tang Zong had a certain understanding of Liancheng Yazhi. He knew that this man had always been cunning and would not look for him unless there was something important.

"Yes, I have something to do," Liancheng Yazhi replied easily.

Tang Zong immediately focused his attention to face Liancheng Yazhi. He asked with great vigilance, "What is it?"

On the other end of the line, Liancheng Yazhi chuckled. I think it's time for you and Rong nuo to fall out. Rong Yan and I are both Rong nuo's parents, so we think we should discuss this with your parents. For example, your brother!

Liancheng Yazhi was really looking forward to Tang Zhen's expression when he found out that Tang Zong was going to marry Rong nuo. It would definitely be very fun.

Tang Zong was stunned for a moment. He couldn't believe that such a good thing would fall into his lap one day. After he recovered from his shock, he immediately jumped up and said,"Really? That's great, Yingluo."

tang zong realized that something was amiss. " wait, are you really that kind? "

Tang Zong was very suspicious. He was not sure if this was true or not because he really did not believe in Liancheng Yazhi's character. Would he be so kind-hearted? this was still open to discussion..

Chapter 1698: As long as we get married, you I ll be my brother

Anyway, he had suffered so many losses at Liancheng Yazhi's hands. Tang Zong did not dare to trust him easily anymore.

Moreover, wasn't this matter a little too good?

It was so good that it felt a little unreal!

Would Liancheng Yazhi be so kind as to let him and Rong nuo be together so easily?

There was also Rong Yan. That big sister was even more difficult to deal with.

Recently, Tang Zong had been thinking about how to marry Rong nuo from Liancheng Yazhi and his wife. He had thought of all kinds of difficulties, but he had never thought that one day, Liancheng Yazhi would take the initiative to discuss his marriage with Rong nuo.

Tang Zong suddenly felt that the sun by the sea today wasn't hot at all. It was very warm, just like the spring breeze. Why did it feel so warm that it made him feel like he was floating?

While Tang Zong was floating, Liancheng Yazhi told him, I've met your brother, Tang han, recently. I think he's a good person. If you really want to get married, it's not a bad idea to let him know. After all, you're a member of the Tang family. When the time comes, you can discuss the wedding without being too abrupt.

of course, liancheng yazhi was not that kind. he called tang zong back only to push tang zong in front of tang zhen. however, qianqian was also happy to see tang zong and rong nuo's relationship. tang zong was able to run so far to meet his former love rival. although he did not see qian, he had been chasing after rong nuo's footsteps and used all kinds of means. it could be said that he had shamelessly won rong nuo's heart. all of this was enough to prove that tang zong was sincere.

He felt that if he handed Rong nuo to Tang Zong, perhaps Huanhuan would be a good choice.

if tang zong and rong nuo had no more objections after this, he really wanted to hold an engagement party for them.

When Tang Zong heard Liancheng Yazhi's words, he felt as if he was not stepping on sand but cotton instead. This was simply a pie that fell from the sky. Did he have to be so lucky? Did Liancheng Yazhi change?

Liancheng Yazhi didn't hear Tang Zong speak and said, "Hey, kid, did you hear what I said? If you don't think it's possible, then forget it. Just pretend I didn't say anything."

Tang Zong immediately regained his senses and said nervously, don't, don't. I heard you. Yingluo, are you telling the truth? "

Liancheng Yazhi raised his eyebrows and said, 'you can just ignore it. It's fine.'

"No, no, I'm serious, I'm really serious. If you can let me marry Nono, you'll be my biological brother," Tang Zong hurriedly said.

Tang Zong was feeling dizzy. He was happy and nervous at the same time. He felt that no matter what, he would rather believe in such things than not.

No matter how much Liancheng Yazhi tricked him, he would not take his life. As long as he was still alive, Rong nuo would be his sooner or later.

Liancheng Yazhi laughed. I won't fight with Tang han for my brother. I can't do without a brother-in-law.

"Hehe, I don't need my brother, but I must have you as my brother-in-law. However, I will make the decision for Rong nuo and I. There's no need to tell the Tang family." Tang Zong laughed foolishly.

"You're from the Tang family? Whether you're engaged or married, he'll definitely know. If we don't tell them, what if they come to make trouble? in order to avoid any accidents, it's better to tell him in advance. In short, you just have to hurry back with Rong nuo."

Liancheng Yazhi made it sound as if he was telling the truth. It was as if they could get married immediately once Tang Zong returned..

Chapter 1699: Make her agree to marry you

tang zong felt that what liancheng yazhi said seemed to make sense. after all, the tang family did not get along with him. what if they came to make trouble on such an important day?

Tang Zong nodded his head repeatedly, "alright, let's go back as soon as possible. Brother-in-law, you must keep your word, Qianqian."

Liancheng Yazhi told Tang Zong very clearly, "Don't worry, as long as Rong nuo agrees, Rong Yan and I will immediately hold an engagement party for you two. Of course, if you want to get married directly, it's not impossible!" What Liancheng Yazhi said was the truth. In the case where Rong Yan did not interfere, as long as Rong nuo agreed, he would persuade Rong Yan to do it for them.

Tang Zong was so happy that the corners of his mouth were almost touching the back of his head. it's really that good. What if Yueyue, Yueyue, my sister doesn't agree? "

liancheng yazhi laughed. tang zong was really an interesting guy. he knew when to yield and when to hold back. when he was rude and unreasonable, anyone who saw him would want to beat him up. when he was thick-skinned and shameless, his skin was impenetrable. when he was flattering, he was like a lackey.

However, people like this were sometimes easy to deal with. At least, they were quite trustworthy.

Liancheng Yazhi laughed and teased Tang Zong. you're already calling her 'my sister'. You've changed your mind so quickly.

"isn't this just a matter of time?" tang zong said with a smile. Brother-in-law, that Yingluo I asked about just now ..."

Liancheng Yazhi told him, " Rong Yan will not interfere in this matter. It all depends on whether you can make Rong nuo marry you willingly. This is a girl's lifelong happiness. You have to let Rong nuo think about it clearly.

Liancheng Yazhi was very serious. Rong Yan would not tell Rong nuo and not let her be with Tang Zong. At the same time, she would not force Rong nuo to agree to marry Tang Zong.

Marriage was not a small matter. If it was just a moment of confusion, there would definitely be hidden dangers in the future.

When Tang Zong heard this, he instantly felt relieved and said, "Okay, I understand your efforts. I will work hard."

"alright, keep working hard. i'll be waiting for your good news."

Tang Zong was full of confidence. alright, just wait for the good news of my victory, Yingluo.

"Then I'll be fine. You guys can come back on your own." Liancheng Yazhi knew that even if he didn't rush him now, Tang Zong would be eager to come back.

"Okay, Bye Bye Bye, ran ran!"

Tang Zong happily hung up the phone as if he was on steroids. He took the phone and kissed it several times.

He suddenly sighed. Liancheng Yazhi was not bad. He shouted at the sea and then said with a silly smile, " "Seeing that you've agreed to let me marry Nono, I'll let go of all the things that happened in the past."

As soon as he turned around, Tang Zong ran to Rong nuo, held her face, and kissed her. He blinked his eyes and said,"nono, let's go home."

"Go home?" Rong nuo opened her eyes and asked.

"That's right, I'm going back to the Liancheng family's house in the capital." Tang Zong nodded his head seriously.

It was as if the 'Liancheng family' was his home.

rong nuo laughed and poked tang zong's forehead. "When did it become your home?"

Tang Zong gave a silly smile and said, " it will be soon. Let's go back. It was brother-in-law who called just now. He said that sister misses you, and so does your little nephew.

Tang Zong knew that even if Rong nuo did not go back, as long as Rong Yan was mentioned, Rong nuo would immediately nod in agreement.

Sure enough, the receptacle sat up. yes, it's time to go back. Big sister is almost seven months pregnant now, Yingluo..

Chapter 1700: Let me down

Rong nuo lowered her head and counted with her fingers. There weren't many days left until Rong Yan's due date. If she didn't go back now, when would she be able to wait? No matter what, she might not be able to help when her sister gave birth, but she had to be there. Besides, she had been out for long enough.

rong nuo looked at tang zong, who was looking at her eagerly, and the corners of her lips curled up. she had been out for so long, and her mood had almost dissipated.

at least, she was very relaxed and carefree now.

she didn't think of any unhappy things. everything in the past seemed to have happened a long time ago!

"Alright, let's go back." Rong nuo smiled at Tang Zong.

Tang Zong happily carried Rong nuo up. then I'll go and book the plane tickets now. Let's go back quickly.

tang zong's crazy actions made rong nuo's face turn red. the tourists around also looked over, and she quickly said, "Quickly put me down."

"I won't let go, I won't let go, I won't let go for the rest of my life." Tang Zong lowered his head and kissed Rong nuo's cheek. He carried her and ran impatiently in the direction of the hotel. The hotel they were staying in was directly facing the sea, and it was very close to their home.

Tang Zong had always thought that he would have a long way to go before he could marry Rong nuo. Now that he had finally seen the light of hope, how could he not be excited?

Rong nuo's blushing face was smiling as she secretly pinched Tang Zong. "Hey, there are so many people looking at you. Put me down."

Tang Zong wasn't someone who would care about what others thought. He proudly raised his chin and said, "Let them see, they're just jealous, Yingluo."

Rong nuo saw that she couldn't convince him, so she buried her face in his chest and pretended to be an ostrich.

after returning to the hotel, tang zong's actions could be said to be swift and decisive. his speed was so fast that it was shocking.

It took him less than ten minutes to book the flight to the capital. He had even packed his luggage.

While Tang Zong was busy, Rong nuo did not do anything. She just sat on the sofa and looked at Tang Zong's unbelievable movements with wide eyes.

It wasn't because she needed help from Norb, but because Tang Zong had said that she didn't have to do anything. She just had to sit there and let him see her at all times.

This kind of unintentional sweet talk could really make a girl's heart move.

Rong nuo looked at Tang Zong as he finished packing up. When he finally stopped, she handed him a glass of water and asked, "Tang Zong, I've asked you to go back a few times before, but you always refused. What's wrong this time?"

Did my brother-in-law tell you something?"

Tang Zong immediately shook his head. no, our brother-in-law only asked about your situation and didn't say much. He just said that if you're done relaxing, you should go back. Big sister misses you, and so do I. They're all my family. I can't let them worry, can I? I'll go back with you as soon as possible. Rong nuo poked Tang Zong's chest. you sound so considerate. This is not like you!

Tang Zong grabbed Rong nuo's finger and said in a serious tone, "I've always been so considerate, really Yingluo."

Rong nuo pursed her lips. if you don't say it, then what time is the flight? " "The plane will take off in four hours. We'll leave for the airport in two hours."

Rong nuo pulled her hand away from Tang Zong's and yawned. okay, I'm a little sleepy and want to sleep for a while more. Wake me up when it's time.

Tang Zong hurriedly helped Rong nuo to the bed to sleep. then you should go to sleep. I will wake you up in two hours..
