

Permit Me 1701

Chapter 1701: I'm giving you my heart

After Rong nuo laid down, Tang Zong kissed her on the cheek and said, "I'm going to pay for the accommodation."

Rong nuo replied with her eyes closed,"en, Zhenzhen." tang zong left the room in a soft voice. however, he didn't go to the front desk.

he didn't need to pay any more fees.

He went to the diving service provided by the hotel, rented a set of diving equipment, and went out to sea in a motorboat.

Rong nuo woke up after more than an hour. When she woke up, she was the only one in the room. Tang Zong was not there, which surprised her a little.

This was because these days, no matter what time it was, day or night, as long as she was asleep, the first thing she would see when she woke up would definitely be Tang Zong's eyes. She had already gotten used to it. Now that he was suddenly not around, it made her feel a little awkward.

Rong nuo stretched her waist. After waking up, she felt that her energy had returned.

Before Tang Zong left, he very considerately drew the curtains. Rong nuo reached out and pulled the wide curtains open. The dazzling sunlight from the sea instantly shone in.

Rong nuo felt a little pain in her eyes and blocked it with her hand. After a while, she put it down after she had adapted to it.

However-

Outside the window, what was that thing hanging in front of her through the glass?

Rong nuo frowned as she looked. She saw a pearl shell in a very delicate and beautiful flower basket. The Pearl shell opened and closed, and from Rong nuo's angle, she could vaguely see a round pearl inside.

rong nuo was stunned on the spot. she looked at the pearl shell and did not know what to think.

Tang Zong's head gradually peeked out from under the flower basket. He held the flower basket with both hands and looked at her with a sincere and shining

the corner of rong nuo's mouth twitched. she reached out and pushed open the main window. tang zong came in from outside barefooted.

They were staying in a villa-style hotel. The beach was right outside the house, which was very convenient.

After Tang Zong came in, he took a few deep breaths, and then suddenly knelt on one knee on the ground, and said to Rong nuo,"Nuo nuo, I will take care of you for the rest of your life, give you a home, shelter you from the wind and rain, protect you from the wind and frost, and let you be a spotless Pearl forever. Please accept my true heart and bring me home."

Tang Zong had specially gone to a local seafood breeding base to fish out this Pearl blanket. After soaking in the sea for more than an hour, he finally found one that he liked.

His hair was still dripping with water, and he hadn't changed his clothes yet.

Tang Zong had wanted to propose to Rong nuo directly, but he did not have a ring now, and he did not want to be so hasty. He wanted to order a

one-of-a-kind ring.

tang zong carefully took out the pearl shell and placed it in front of rong nuo.

he gently opened the shell and saw a pearl the size of a thumb inside. it exuded a faint golden luster and was very beautiful. one look and one could tell that it had been formed after many years.

Pearl, sincerity. Tang Zong wanted to use the Pearl to convey a message, to give his heart to Rong nuo.

However, Rong nuo looked at the shell in Tang Zong's palm. The Pearl was really very beautiful.

Rong nuo did not doubt Tang Zong's sincerity at all, nor did she doubt his sincerity.

However, Rong nuo was not touched, nor could she be happy. She suddenly felt a heavy feeling in her chest, as if something was stuck in her throat. She raised her head and opened her mouth to breathe, but the feeling of suffocation was getting stronger and stronger..

Chapter 1702: You 're my treasure, the only one in my life

After a while, Tang Zong finally realized that there was something wrong with Rong nuo. He immediately stood up and asked, "nuonuo, what's wrong with you? Are you not feeling well?"

Rong nuo shook her head,"I'm fine, I'm fine, I'm fine."

Tang Zong saw that Rong nuo's face was extremely pale and was very worried.

you don't look well, I'll take you to the doctor.

rong nuo shook her head. she endured the pain of suffocation, and her voice trembled. "Let me be quiet for a while, take the shell away, and don't ever mess with it in front of me again."

Rong nuo's words made Tang Zong feel as if he had been splashed with cold water. His body was already wet, and the water stains on his skin had frozen into ice, making him very cold.

Rong nuo raised her head to look at him, her eyes glistening with tears. She said, "I beg you, Yingluo."

The shell in Tang Zong's hand fell to the ground, and the pale golden pearls inside rolled out and rolled to the corner of the wall. They were instantly abandoned.

Tang Zong was like a primary school student who had done something wrong, and he was at a loss. He asked Rong nuo,"Why? You don't like it?"

Rong nuo didn't answer. Tang Zong's mouth moved, revealing a very ugly smile. it's okay. Just tell me what you like, and I'll bring it to you no matter what you want.

rong nuo shook her head. " i don't want anything right now. give me some time, just a little, okay? "

tang zong did not know what he had done wrong. he had come to rong nuo with his heart, but she had let him take it away and never bring it to him again.

he did not understand, he was very hurt, what did he want to ask?

But looking at Rong nuo's eyes, which were completely different from usual, there was a suppressed pain in her eyes, and the tears that she was holding back, Tang Zong could no longer say anything.

He could feel his own pain, but he could not bear to see her in pain.

In the end, he could only say desolately, " "Alright, Yingluo, I'll go out first, Yingluo."

Tang Zong came with his heart full of anticipation, but he left with a heart that had fallen to the dust.

Rong nuo didn't want to treat Tang Zong like this, but she couldn't control herself.

The scene of Tang Zong's pearl shell appearing in front of her was all too familiar. It was as if it was a replay of the past.

In the winter two years ago, Xia Xuanmo finally had a few days of vacation and took her abroad for a vacation. It was also by the sea. He personally dived into the water and spent several days finding a Pearl that already had one pearl in it.

Which Pearl wasn't big? it was the size of a peanut, milky white, and especially cute.

At that time, he had held her and said, "baby, I only have this clam. You are the Pearl that I have spent so much effort to condense. You are the treasure in my palm. You are the only one in my life.

At that time, Xuanji and Rong nuo really thought that she was Xia Xuanmo's treasure, his only one, and that they could be together forever.

However, it didn't take long for the words he said to become the best irony.

rong nuo had thought that she had completely forgotten about Xia xuanmo. even if he stood in front of her, she would be indifferent.

but she didn't know why, but when she saw tang zong appear with the pearl shell and when he said those words, those memories broke out from the corner of the earth that she had forgotten and came back to her in an instant, catching her off guard.

It was only then that Rong nuo realized that she had not forgotten about Xia Xuanmo's past. It was just that she had been sealed in a corner with a strong lock..

Chapter 1703: When my long hair reached my waist, you married someone else

Rong nuo had thought that the memories that had been locked would never be unlocked in this life.

However, something that Tang Zong had done by chance had suddenly become the key to unlocking that lock, causing the memories in her mind to no longer be able to be sealed.

rong nuo's eyes were very sore, as if there were many tears that wanted to come out, but when she touched the corner of her eyes, not a single drop could come out.

rong nuo felt terrible. Xia xuanmo's face, Xia xuanmo's voice, and the years they had been together, day and night, from their first encounter to the end, everything flashed in front of her like a movie.

At this moment, Rong nuo realized that she had never forgotten about Huahua.

How could someone who loved her for so long stop loving Yingluo just because she said so?

from Xia xuanmo and tang ziyu's engagement to her imprisonment, she had always been very strong, and everyone thought that she was really able to let

however, they had never experienced the past when she was with Xia xuanmo!

They didn't know that Yingluo had once loved someone so much.

That man occupied so much of her life. He taught her to grow, to love, and to be cruel.

He had brought her many beautiful things.

Yet, she had personally torn those beautiful moments into pieces.

In the past, there was a saying on the internet-when my hair reaches my waist, can you marry me?

At that time, after Xia Xuanmo saw it, he stroked her shoulder-length hair and jokingly said, "When your hair reaches your waist, I'll marry you.

However, when her hair finally grew long, he turned around and wanted to marry someone else.

After Rong nuo heard the news that Tang Zong was going to marry Tang Ziyu, she thought for a long time, and then she took a pair of scissors and cut her long hair, which was like a waterfall, down to her shoulders.

Since the promise was already gone, there was no longer any meaning for her long hair to exist.

At that time, she was afraid of getting hurt and pain, so she deliberately hypnotized herself and told herself that she didn't like Xia Xuanmo that much, so she didn't care if he went his own way.

However, he would wake up one day from his self-hypnosis.

Outside the guest room, Tang Zong sat dejectedly at the foot of the wall. His head drooped, and his fingers dug at the high-end carpet on the floor.

Tang Zong didn't go far. He felt that he should go far away. After all, he was full of sincerity, but it had been beaten into the dust.

However, Yingluo had no backbone. He still stayed, at the place closest to Rong nuo.

There was no dignity when one fell in love with someone.

although tang zong was very hurt, his ability to take a blow was really beyond ordinary people. after being sad for a while, tang zong began to think. why did rong nuo's face suddenly change before she left?

Was his way of courting wrong?

Or did he open the Pearl the wrong way? was it too simple and crude? Not romantic?

Tang Zong denied all these speculations. Since it was not these, there was only one possibility left. When Rong nuo saw the Pearl shell, she recalled some bad memories.

Besides that man, Tang Zong could not think of another man who could make Rong nuo lose her composure and make her feel so sad in the face of his love.

Tang Zong gritted his teeth and accidentally tore a hole in the carpet on the ground. The high-end carpet that the carpet-style hotel had specially ordered from abroad was very sturdy. Even if it was burned, it would not be easy.. But Tang Zong had torn a hole in it!

Chapter 1704: He gave me all the good things, but he personally tore them apart

The amount of strength he used represented how angry he was.

Tang Zong immediately stood up and punched the wall. He didn't even feel the skin on the back of his hand being cut.

no, he couldn't take this lying down. he had to find rong nuo and ask her. zhenzhen, he had to ask her if zhenzhen still had that stinky man in her heart.

Tang Zong turned around and opened the door. The moment he entered, he saw Rong nuo sitting on the ground, her back against the glass window. Her head was slightly raised, and there was no expression on her face. Her eyes were empty, and it was unknown what she was thinking. She did not even make it when he came in.

tang zong clenched his fists. rong nuo was so dazed and sad. was it all because of that man?

When he thought of this, Tang Zong felt a sharp pain in his heart. This was even worse than Rong nuo's rejection.

Tang Zong walked towards Rong nuo and asked in a heavy voice, "Rong nuo, you rejected me, is it because of him?"

rong nuo did not move. she said lightly, "didn't we agree to let me be quiet for a while?"

Tang Zong didn't move. He insisted on asking, "tell me. Do you still like him?"

do you still love him? "

Tang Zong's voice could not help but grow louder. He wanted to hear it from Rong nuo's mouth so badly. He had always told himself that he could not force Rong nuo to say it, but this time, he could not control himself.

Rong nuo suddenly looked at Tang Zong and saw his aggressive eyes. "Yes, I like him. I love him very much. I love him very, very much. Can you understand how a girl feels when she's been helped by a man from her youth to maturity, from her naivety to her cruelty? From 17 to 22 years old, I was by his side for four years. My first kiss, my first night, the first person I loved, all of it was him.

Rong nuo's voice gradually became softer, and she looked at him with eyes full of vicissitudes. just like a flower, being protected and watered by him every day, enjoying the rain and dew, feeling the sunlight, and finally blooming for him alone.

Rong nuo laughed at herself, and that laugh made one's heart ache."But in the end, he was the one who personally destroyed it."

Hearing Rong nuo's words about Xia Xuanmo with his own ears, Tang Zong was so jealous that he went crazy. His jealousy had overshadowed his sadness and the pain in his heart. Tang Zong suddenly regretted it. He should not have come back directly. He should have killed Xia Xuanmo. He should have killed him.

The years that Xia Xuanmo had spent with Rong nuo were exactly the time when a young girl was about to blossom and bloom quietly. That was the most critical and best age for a girl to transform into a woman.

All of this, Tang Zong knew that he couldn't do it. He was too late, too late by many years!

In the past, the only thing that Tang Zong was glad about was that no matter what happened between Xia Xuanmo and Rong nuo, it was a pity that time was not right, and the love was not long. No matter how deep the relationship was, no matter how beautiful the love was, sometimes it could not overcome the heavy pressure of the secular world.

The Xia family's parents had personally separated Xia Xuanmo and Rong nuo, and at the same time, they had also indirectly helped Tang Zong.

However, he was not sure now, because just now, Rong nu had said that she loved Xia Xuanmo, and that she loved Yingluo very much. This was the biggest blow he had suffered since he fell in love with Rong nuo.

Tang Zong was lost for a moment. He did not know if he would get a response if he continued to persist. He only knew that Xia Xuanmo and Rong nuo had occupied such an important time in her life after Rong nuo told him about it..

Chapter 1705: I'm already covered in dust when I fell in love with her

Could he erase those long years?

Jealousy and pain were madly biting his heart. He could not see the future. Tang Zong suddenly wanted to run away together with her again because he did not dare to face Rong nuo. He did not dare to wait until she told him to leave and not to stay in front of him.

But he suddenly saw Rong nuo's shoulders shaking. She was ... Crying!

Tang Zong was about to leave, but he stopped before he could lift his foot. Regardless of whether Rong nuo had him in her heart, he could not let her go anymore.

tang zong slowly squatted down and asked, "can i stop liking him?" Could she not love him anymore? Can you try to like me a little? I can't be like him, accompanying you from youth to maturity, but I can always be by your side until we grow old. Even if you don't have me in your heart, I'll still work hard.'

Tang Zong had used the most humble posture in exchange for staying by Rong nuo's side.

He thought of a saying that was just like his portrayal at the moment: When I fell in love with her, I was already covered in dust, and my pride was gone.

rong nuo did not speak, but she gradually cried out.

Tang Zong lowered his head helplessly. can't I even do this? ”

there was a fire burning in his throat, making him feel that he could no longer make a sound. he did not know what to say, and did not know what else to say!

Tang Zong wanted to reach out and hug Rong nuo, but he stopped halfway. She was crying so sadly for another person, and her tears had nothing to do with him.

Tang Zong hardened his heart. He needed some time alone to calm down.

He slowly retracted his hand and wanted to stand up. However, before he could stand up, Rong nuo suddenly hugged Tang Zong's neck and kissed him on the lips when he was disheartened. Her lips were cold and there were bitter tears, but she said, I loved her, I really liked her, but Hanhan is already in the past. This time, Hanhan is really in the past.

Xia Xuanmo was like a bulldozer, crushing Rong nuo's heart heavily, razing all the city wall debris in her heart before she was 17 years old to the ground, and then building a new city that was completely built according to his own will.

Rong nuo had once thought that she could live happily in the city that Xia Xuanmo had built for her. However, she did not expect that it was Xia Xuanmo who had personally destroyed her city.

tang zong's appearance was when Xia xuanmo had injured her city defense. he had used his own way to repair rong nuo's broken heart bit by bit. perhaps, his method was not suitable for rong nuo, but he had tried hard. he was very serious about trying to make her like him.

Rong nuo was very happy with the time she spent with Tang Zong. He had brought her happiness.

After experiencing these two men, Rong nuo understood one thing. Sometimes, people who were suitable for each other might not necessarily be happy together.

Those who were not suitable might be able to live together.

In life, there were always some obstacles, and only by slowly getting used to each other could they always be together.

Xia Xuanmo's matter had always been a hidden danger. The matter had been suppressed in her heart, but she had not found the right time to release it. The Pearl shell that Tang Zong had brought had become the trigger, and it had awakened Rong nuo from her self-hypnosis.

He wanted her to officially say goodbye to her past relationship.

She had to figure out her own heart. She had to let go of Xia Xuanmo before she could really start a relationship with Tang Zong. Otherwise, if Qianqian waited for a few years and suddenly woke up, that would be unfair to Tang Zong..

Chapter 1706: Chapter 1706-connected minds, interlocking fingers

Rong nuo cried out all the love and resentment that had been suppressed in her heart for a long time. In this way, the feelings for Xia Xuanmo in her heart could be considered to have really been let go.

Rong nuo's sudden kiss made Tang Zong dumbfounded. He lost his balance and sat on the ground. Rong nuo's tears fell on his face. She raised her head, and although her eyes were full of tears, she smiled. "Let's go home."

Tang Zong stupidly blurted out a single word, "good yingluo."

Rong nuo buried her head in Tang Zong's chest and wiped all the tears on her face on his clothes. She asked, "Will it be late to go to the airport now?"

"It's still possible to chase them away!" Tang Zong was still a little dazed.

Rong nuo stood up and extended her hand to Tang Zong. "Then let's go."

Tang Zong looked at the fair and slender hand in front of him. After a while, he reached out and grabbed it. Then, after a second, he suddenly increased his strength and grabbed it very tightly.

It was only after they left the hotel and got into the car at the airport that Tang Zong finally came back to his senses.

he turned his head to look at rong nuo and tried to call out, "Nuo nuo Qian

Qian." mm ... Rong nuo raised her head. Her eyes were still a little red and swollen, but there were no tears. Her expression was very relaxed. There was no

Depression, no pain, and no sadness.

tang zong licked his lips and said, "we're chencheng."

"We're going home." Rong nuo grabbed his hand and interlocked her fingers with his.

Tang Zong nodded in a daze, "good Zhenzhen."

After Tang Zong digested the information in his mind, he came to a conclusion.

Rong nuo had said that she had loved Xia Xuanmo, but that was all in the past.

It was really in the past.

Rong nuo even took the initiative to go home?

Did this mean that after Rong nuo had cried that night, she had already let go of Xia Xuanmo and officially accepted him?

Finally, he had recovered. Tang Zong was so excited that he almost fainted. Happiness came too suddenly, and the impact was too great. It made him feel like he was floating.

The short tens of minutes felt like a roller coaster ride. His mood fluctuated so much that he felt that his heart couldn't take it.

Tang Zong gulped. then, let's make up our minds in the future.

Rong nuo interrupted him. if you let it go, there won't be any more.

Tang Zong looked at Rong nuo seriously. After confirming that what she said was true, he pulled Rong nuo into his arms, held her face, and kissed her hard.

Rong nuo was silent for a second before he wrapped his arms around Tang Zong's neck and replied to him seriously.

This was the most lingering, most willing, and most joyful kiss they had ever had.

The driver was a little embarrassed. The two people in the back seat were kissing so hard that they couldn't bear to part. This wasn't good!

After a while, the driver hesitantly said, "Um, you two, you two can, can I send you back to the hotel?"

"We're not going back to the hotel, we're going home," Tang Zong took the time to reply.

"Then where do you two live? I'll send you there."

"The capital," Rong nuo said.

The chauffeur swallowed the rest of his words. well, you two can kiss for a while more, as long as it's not too intense. I'll call you when we reach the airport. the chauffeur did not look back anymore. rong nuo blushed and pushed tang zong.

However, Tang Zong did not let go of her. He said, nuo nuo, if we're similar, let's strike the iron while it's hot and get married. You'll make me feel at ease too, right? "

Tang Zong didn't ask for anything else now.. He only wanted to quickly get married!

Chapter 1707: She had never doubted his feelings

At the very least, he could feel at ease and not be on edge every day. he was afraid that rong nuo would reject him, so he quickly said, "Well, if you think it's too early to get married, why don't you get engaged first?"

"Why are you in such a hurry?" Rong nuo glanced at him.

"yes, zhenzhen is in a hurry." tang zong nodded heavily.

Rong nuo didn't refuse, but she didn't agree either. I can't be anxious. I won't agree if there's nothing. Moreover, I have to ask my sister about this.

As soon as Tang Zong heard this, he knew that there was a chance. Rong nuo meant that as long as Rong Yan had no objections and he had prepared everything, she would agree.

Tang Zong excitedly said, " don't worry. Brother-in-law told me today that I won't give you any opinions on your marriage. This is your own business. You have to make the decision.

Rong nuo tilted her head. alright, then I'll make the decision. As for whether you get married or engaged, that will depend on your performance when you go back.

While they were waiting for their flight at the airport, the couple's phones kept playing songs on loop.

The first two lines of the lyrics were-

Hehe, when my long hair reaches my waist Hehe, come back and marry me, okay?

I've forgotten to smile while waiting for you.

Hearing this, the smile on Rong nuo's face froze a little. Was it because she was too fated to hear this sentence today? but she quickly recovered. This sentence had lost all meaning to her.

Rong nuo turned her head and teased. this song sounds good. It also seems quite romantic. Then, do you want to wait until my hair reaches below my waist before you consider marrying me? ”

“wait for your hair to reach your waist?” Tang Zong looked at Rong nuo's head with a little disdain, and then shook his head decisively. “I'm not stupid. How long do I have to wait? The length of my hair has nothing to do with whether I marry you or not.”

Tang Zong's simple words made Rong nuo seem to understand everything in an instant.

Yes, if a man used all his heart to love a woman, he would not be able to love her.

He would definitely be eager to marry her, so how could he have anything to do with other insignificant things?

at the end of the day, Xia xuanmo might not have realized that his love for rong nuo had been deeply rooted at that time.

rong nuo had never doubted Xia xuanmo's love for her.

It was just that at that time, his heart was not only filled with the love between a man and a woman. There were many other people in his heart and his future great career.

Rong nuo leaned sideways on Tang Zong's shoulder. Compared to an hour ago, she had calmed down a lot when she thought of Xia Xuanmo.

Although there were still some ups and downs in her heart, it was no longer important.

In the future, she would slowly walk out of the influence Xia Xuanmo had on her, and she would live a life that only belonged to Rong nuo.

The plane took off twenty minutes later.

Their destination, the imperial capital!

On the other side, Liancheng Yazhi hung up the phone with Tang Zong and went to look for Rong Yan. Seeing that she was massaging her legs in pain, he quickly walked over and put Rong Yan's legs on his.

As the months of her pregnancy grew longer, Rong nuo began to lack calcium. Her legs were swollen, and she would have cramps from time to time.

Liancheng Yazhi massaged Rong Yan's legs as he said, ” wifey, Rong nuo and Tang Zong will be back by tomorrow night at the latest.

Rong Yan frowned, ‘asking Rong nuo to come back at this time? wait a minute, zhenzhen. your target is tang zong, right?’”

Liancheng Yazhi leaned over and kissed Rong Yan on the face. “I can't hide anything from you, baby. I really want to get Tang Zong back. I'm injured now and don't have time to deal with Tang Zhen. Let Tang Zong come back and help

Zhenzhen..”

Chapter 1708: When he likes someone, he will give them the purest of feelings

Rong Yan pouted and sized up Liancheng Yazhi. “mr. liancheng, it’s not just like this, right?”

Liancheng Yazhi, who was exposed, did not feel embarrassed. He chuckled and said, ” “By the way, Zhenzhen’s relationship with Rong nuo is more or less stable now. I think that although Tang Zong is not very good at it, he really likes Rong nuo. Why don’t we just fulfill their wish? what do you think?”

Rong Yan sighed and said after a while, ” “This ... Actually, I’m not that insistent on Zhenzhen anymore. It’s up to Rong nuo to make her own choice. If she really thinks that Tang Zong is not bad and can spend a long life with him, then let’s just be together. It’s better to do it earlier, so that Zhenzhen won’t have any more dreams.”

If Xia Xuanmo and Rong nuo had gotten married earlier at that time, perhaps ran ran would not have had those things.

Forget it, it was too late to say anything now.

Once a relationship ended, she couldn’t continue to indulge in it. Only by starting a new relationship could she walk out of the shadow of the past.

During the few days that Rong nuo was not at home, Rong Yan had also thought a lot. Rong nuo was already very old, and she was already an adult. In fact, there was no need for her to make decisions for her at all.

Liancheng Yazhi heaved a sigh of relief. He had already prepared a long speech and had a good discussion with Rong Yan. He didn’t expect Rong Yan to be so easy to talk to this time. He said happily, “Alright, let’s wait for them to come back and ask for their opinions. It’s almost done. The atmosphere at home has been a little tense recently. It’s not bad to have a happy occasion to ease the tension. When that kid Tang Zong knows about it, he’ll definitely be overjoyed.”

Liancheng Yazhi had used Rong nuo’s matter to bait him several times before, but he had never gotten what he wanted. But this time, he really wanted to fulfill his wish.

that’s because you’ll only understand how cute tang zong is after seeing tang zhen. these two are obviously not brothers!

Rong Yan could imagine how happy Tang Zong would be. She smiled and said, “I still think that Tang Zong is too childish and doesn’t have any rules.”

Liancheng Yazhi hugged Rong Yan. being childish doesn’t mean that she’s irresponsible. At least, when such a person likes someone, she gives her the purest feelings, right? ”

“That’s right. Once you like him, he’s your only one. I don’t doubt this point. However, your opinion of Tang Zong has changed quite a bit.” rong yan reached out and pinched liancheng yazhi’s face teasingly.

Liancheng Yazhi coughed twice. ahem, ahem. Did he? my opinion of him before wasn’t bad either!

Rong Yan thought for a moment. just say that the teacher is busy and doesn't have time, or that ran ran's teacher left his job and went home because something happened in his hometown, ran ran.

Liancheng Yazhi touched Rong Yan's head and asked, okay, let's do that then. Yingluo, why don't we write a letter to MeowMeow in the name of that teacher and let her feel at ease? what do you think? ”

Rong Yan nodded. yes, Yingluo. This one's not bad.

“then it's decided. i'll tell come and have some fruit. The doctor said that you need to take in more vitamins. He said that our son is too invigorated.

Speaking of their son, the two of them decided to forget about the unpleasant incident just now. Rong Yan smiled and said, ” he must be a very quiet little guy. He'll be easy to raise when he's born. He won't cry or make a fuss.

The little guy in Rong Yan's stomach was alive and not noisy at all. Unlike other fetuses, the bigger the fetus was, the more obvious the fetal movement would be. He only moved occasionally to remind his parents of his existence! He also told the doctor not to doubt his health.

The couple's topic of conversation continued to revolve around their child, as if they had never mentioned the 'mysterious female teacher' before.

However, Rong Yan knew that Liancheng Yazhi was probably already a little suspicious..

Chapter 1710: Daddy will chase the bad guys away

That day, the two of them kept their thoughts to themselves and didn't mention it again until they fell asleep at night.

Liancheng Yazhi sighed silently as he listened to the sound of Rong Yan and MeowMeow sleeping. Although he felt that Rong Yan might be hiding something from him, he did not want to force Rong Yan to say it. It would only make things worse.

besides, she was already by his side. she had given birth to a daughter for him and was now pregnant with a son. what was there to be picky about? if she made rong yan angry at this time, it would only be bad for her and the child.

rather than that, it was better not to ask.

Liancheng Yazhi told himself that nothing else was important as long as he was the one in Rong Yan's heart.

after consoling himself, liancheng yazhi felt much better.

he turned sideways, hugged his wife and daughter with his long arms, and closed his eyes to sleep.

However, tonight, someone deliberately made things difficult for them and refused to let them have a good sleep.

Liancheng Yazhi only fell asleep after midnight, but he was woken up by a shrill alarm before he could even sleep for two hours.

Liancheng Yazhi was the first to wake up. As soon as he heard the alarm, he was on alert and immediately covered Rong Yan and MeowMeow's ears.

However, it was of no use because the noise was so loud that MeowMeow and Rong Yan woke up almost at the same time.

Rong Yan was fine. She was an adult. Although she would be worried when she heard the alarm, she would at least be calm.

However, MeowMeow was different. When she was almost kidnapped a few days ago, the school alarm had already been planted in her mind. As soon as she heard the sound, she immediately remembered the school experience that she had forgotten with great difficulty. She immediately snuggled into Rong Yan's arms, her small body trembling as she cried, "dad, mom!

Upon hearing this, even Cheng Yazhi's heart ached.

Rong Yan hugged MeowMeow and shook her. baby is fine. We're at home. Look, mom and dad are both here! she said. Don't be afraid, mom is always by your side."

what meowmeow had learned from her experience at school was that the alarm meant that bad people were here.

Rong Yan's eyes were sour. She kissed meowmeowmeowmeowmeowmeowmeowmeowmeowmeow's little face. don't be afraid of the bad guys. Daddy is here. With daddy here, no matter how many bad guys there are, they will all be beaten away.

Liancheng Yazhi hugged the two of them. mommy's right, baby. Don't cry. Daddy will go down and beat up the bad guys. You and mommy will wait here for daddy to come back.

Rong Yan looked at Liancheng Yazhi and said, "go and see what's going on." I will take good care of MeowMeow."

"I'll be back soon." After Liancheng Yazhi finished speaking, he hugged the two of them tightly and got up to quickly go downstairs.

Once he was out of the door, Liancheng Yazhi's face was as fierce as an evil spirit that had crawled out of hell. He really wanted to kill someone now. Damn it, who would dare to come and court death?

After he caught him, he would definitely kill him.

Finally,

When Liancheng Yazhi went downstairs, the courtyard was already full of bodyguards. The alarm at home had suddenly sounded at night, waking everyone in the house. Not only the bodyguards, but even the maids who had nowhere to go were probably all leaning on the window and looking out.

"Where is she? did you catch her?" Liancheng Yazhi asked fiercely.

The words 'he is speechless' were written on kui MU's face. He was not as alert and on guard as he had been when he caught the sneak attacker.. He did not even have any killing intent on him!
