Chapter 1711: I just wanted to give you guys a surprise

he replied to Liancheng master ya, we caught Yueyue.”

“Where are you Liancheng Yazhi clenched his fists. He wanted to kill that bastard immediately.

“Then, bi an.” Kui mu pointed to a place.

Liancheng Yazhi looked over, and this one look made him furious. He immediately rushed over like a gust of wind, clenched his fists, and greeted them, killing them with every move. He really wanted to beat them to death.

‘The person who was hit wailed in pain and shouted aggrievedly, “Hello, brother-in-law, What’s up? Why are you calling me as soon as you see me? ran ran, you clearly said that you were fine on the phone before. you must be lying to me again, Liancheng yazhi_”

‘The person Liancheng Yazhi saw was none Other than Tang Zong.

He and Rong nuo got off the plane in the middle of the night and came back by car. Rong nuo had initially said to knock on the door, but Tang Zong insisted on climbing the wall. In the end, not only did he trigger the alarm, but his palm was also cut by the glass on the wall.

that wasn’t the end Of it. as soon as he jumped down, before he could even stand still, he was pounced on by a group of bodyguards who came out of nowhere. he was even covered with a layer of net _ fortunately, kui mu came and saw that it was tang zong, so he let him go and opened the door to let rong nuo

Tang Zong did not know why Liancheng Yazhi was so angry and thought that he was lying to him again.

How could he know why Liancheng Yazhi was angry? he had pushed his daughter back into the darkness after she had finally walked out of the shadow. Liancheng Yazhi was so angry that he was about to explode. else would he hit if not him?

Tang Zong dodged as he asked, “Stop hitting me. Stop hitting me. Tell me clearly first. Why did you hit me?”

rong nuo, who was watching from the side, immediately jumped far away, afraid that she would be affected. although she did not understand why Liancheng yazhi hit tang zong the moment he saw him, but seeing how angry he was, it must be that tang zong had provoked him without his knowledge. Liancheng Yazhi punched Tang Zong’s face again. It was so painful that his facial features were almost deformed. Liancheng Yazhi roared, why did you climb the wall instead of the door?”

“I didn’t want to disturb you guys. I just wanted to give you guys a surprise.”

Tang Zong said With a wronged expression.

lian Cheng yazhi was so angry that he almost vomited blood. "surprise? Surprise my ass, we finally got

Tang Zong was puzzled. He felt that he had been wronged. What did I do? I'm just climbing a wall, right?'

Lian Cheng Yazhi swept his foot and said through gritted teeth, " "You triggered the alarm, so you're wrong,?

Tang Zong dodged it, but he was puzzled and said, "no, why are there so many things in the house? there weren't any of these things when we left.

Rong nuo felt that Tang Zong had asked a stupid question. If nothing had happened, Who would be Willing to install so many alarms in their house? something must have happened.

Rong nuo sighed and walked in front Of Tang Zong, blocking him. "Brother-in-law, are you so angry because Of MeowMeow? Did something happen to her?"

Lian Cheng Yazhi glared at Tang Zong. "Get the hell in here," he said angrily.

He turned around, entered the house, and hurried upstairs. MeowMeow, its fine. There's no bad guy. It's that stinky fellow Tang Zong who came back. He didn't learn from his mistakes and actually climbed over the wall. As a result, he bumped into the little robot on the wall and it rang. He's so disobedient, let's not learn from him.. Let's go, do you want to come down with daddy and beat him up together? "

Chapter 1712: I'm sorry, big sister

lian Cheng yazhi picked up meowmeow. "tang zong, he's a bad guy. he woke up our meowmeow_ he's so annoying, isn't he?"

"Tang Zong is back?" Rong Yan was very surprised.

Although he knew that they would return, he did not expect them to return so quickly. They had arrived tonight. This speed was much faster than she had expected.

Lian Cheng Yazhi nodded and said a little angrily, "yes, that's the kid. he came back in the middle of the night and climbed over the wall instead of knocking.

as a result, he triggered the automatic alarm on the wall."

However, the kid was lucky that the bodyguards who caught him didn't shoot him. Otherwise, he would have been shot full of holes.

Rong Yan sighed This time, it was really an undeserved disaster for Miaomiao. The enemy had not come, but Tang Zong had triggered the alarm.

Did she blame him?

But he didn't know either. If he had known about advance, he would not have climbed the wall.

She didn't find it strange, but when she saw how frightened MeowMeow was, Rong Yan really wanted to kick Tang Zong_ Little brat, it's fine if you want to go back. are you going crazy and climbing the wall?

Rong Yan lowered her head and teased MeowMeow. baby, do you want to go down with Daddy and Mommy? aunty is back too.

Meow-meow-meow asked “little aunt Yingluo is back too Yingluo.”

rong yan nodded , “yes, aunty is back. are you going down?” Aunty is giving you a surprise tonight. She wants to see if our baby has become braver after What happened last tune.”

Liancheng Yazhi stood up with

rong yan lifted the blanket and wanted to get out of bed. liancheng yazhi quickly walked over to hold meowmeow with one hand and supported rong yan with the other. “be careful,”

rong yan put on her slippers and put on a coat. “it’s nothing, yingluo_ let’s go down and see them.”

Downstairs, Butler Li and Gu Hesheng had already woken up. ‘The two Of them told them what meowmeowmeowmeow had experienced a few days ago, Tang Zong immediately shriveled up when he heard it. He was so guilty that he did not dare to raise his head.

No wonder Liancheng Yazhi beat him up so ruthlessly the moment they met. If it were him, he would definitely be angry.

Rong nuo sighed as she looked at Tang Zong from the side. This matter was Tang Zong's fault, hut she had no reason to blame him. If she had stood firm and stopped Tang Zong, this would not have happened. She was also res ponsible.

at the end of the day, she didn't think that anything would happen, so she didn't Stop him.

Rong nuo blamed herself. She had always hoped to help Rong Yan do something, but she always caused her trouble.

Liancheng Yazhi carried MeowMeow and supported Rong Yan as they slowly walked downstairs _

Rong Yan saw Rong nuo and Tang Zong sitting on the sofa With their heads lowered, looking like primary school students who had done something wrong. She sighed and called out, ” ‘Yong nuo, you’re back:

The two of them stood up and stood in front of Rong Yan with their heads lowered, not daring to look up at her.

"Big sister," Rong nuo said.

“Sister. ?

Rong Yan sat down slowly with her hands on her waist, and Liancheng Yazhi sat beside her with MeowMeow in his arms.

Rong Yan looked at Tang Zong and Rong nuo who were still standing and are you so restrained? sit down.”

Neither Of them dared to do it. Tang Zong said guiltily, " big sister, Meow Meow, I'm sorry, Huahua?

Chapter 1713: Make her happy every day

Rong nuo stood up and said, "eldest sister, this is also my fault. I didn't stop him. If I could have stopped him at that time, he wouldn't have climbed over the wall. I'm really sorry.

Rong Yan didn't answer. She reached out to touch MeowMeow's head and meowed softly. "Little aunt Ying Ying"

Rong nuo immediately raised her head. This was the first time she had the courage to look at MeowMeow since she came back.

Meowmeowmeowmeowmeowmeow had stopped crying, but her eyes were still red and swollen. Her clear eyes made Rong nuo's heart ache and feel guilty.

Tang Zong's face was red with embarrassment, and his head was almost on the ground.

Rong nuo squatted down and looked at MeowMeow in the eye. She said,

Rong Yan quickly smiled and said, " that's right. Our meowmeowmeowmeowmeow is very brave. I'm testing you this time. Ask me

how many points you can get.

she gave rong nuo a look, hoping that she would understand and continue to speak.

Rong nuo was stunned for a moment and quickly smiled."Yes, I'm testing you this time. Our Miaomiao is a big girl now. I didn't expect you to be so brave. I've also brought you a reward. Only brave children can get it. Miaomiao, you're so good. This reward is yours."

Rong nuo hurriedly opened the box and pulled out everything inside. Finally, she found a red velvet jewelry box. She took it to MeowMeow and opened it.

look, do you like this reward? "

There was a pearl brooch in the box. It was a silver accessory inlaid with pearls. It was not a very expensive piece of jewelry, but it looked very beautiful and exquisite.

In the middle was a big pearl, surrounded by many small pearls of the same size. Rong nuo had bought it because she had liked it at first sight. "Wow, it's so beautiful. Is it a treasure?" Rong Yan quickly said.

"Come, stand here and let aunty give you the award. Let him bring it to you personally."

Liancheng Yazhi put MeowMeow on the glass coffee table in front of him, as if he was standing on an award stage.

Rong nuo gently pinned the brooch on

Rong Yan heaved a sigh of relief, as if she had redeemed herself a little by doing this.

She and Liancheng Yazhi looked at each other and saw relief in each other's eyes.

"I'm sorry, I've made a mistake. You can punish me if you want," Tang Zong said to the finger.

Rong Yan sighed and touched

When Tang Zong and Rong nuo heard this, they were filled with hope. They said happily, "yes, of course. we will make meowmeow happy every day."

Chapter 1714 - 1714: diligent (15)

However, he didn't expect Rong Yan to be so easy to talk to this time. Tang Zong suddenly felt that Rong Yan was such a kind elder sister that he could not wait to treat her like his own sister.

tang zong scratched his head. " big sister, thank you. "

"What are you thanking me for? didn't you say that you're going to be my brother-in-law soon?" Rong Yan teased.

Tang Zong blushed and looked at Rong nuo. Then, he reached out and grabbed her hand, and said with a little shyness, "l, Yueyue, we've decided. We're going to get married."

As he said this, Tang Zong's heart almost stopped. He was afraid that Rong nuo would disagree.

Rong Yan looked at Rong nuo and asked, "Rong nuo, have you decided?"

"Me?"

Rong nuo smiled at him and then said to Rong Yan, " sis, I've thought it through too. The past is the past. I want to start on a new milestone.

Rong Yan didn't stop him. okay, I'll respect your opinion. Your brother-in-law and I were still talking about it today. If the two of you have no objections, we'll hold a wedding banquet or an engagement banquet for you. You two can decide on this.

Tang Zong was so happy that he was about to speak, but Rong nuo elbowed him.

Rong nuo said before he could, "sister, there's no rush for our matter. Now that there's something at home, and you're already so pregnant, let's postpone our matter.

"Don't you think so, Tang Zong?" rong nuo smiled as she looked at tang zong. when no one else could see, she pinched tang zong's waist.

Tang Zong laughed bitterly. yes, that's right, Zhenzhen. We can. We can postpone it.

He knew that Rong nuo felt that now that the Liancheng family was in trouble, she couldn't be selfish and do their thing.

Liancheng Yazhi had already decided. He said, although it's not a good time to do it now, it's better to settle the marriage first. There's no need to make it a big deal. Just call the elders of both parties for a meal and talk about it.

According to the rules of the older generation, confirm your relationship.

Liancheng Yazhi had just finished speaking when Tang Zong nodded his head repeatedly. His eyes were shining and his expression was excited. alright, alright, alright. Brother-in-law will do as you say. Let's decide on it first. Brother-in-law, you're so wise.

The key was to settle the person down.

Tang Zong felt that Liancheng Yazhi was about to become his second parent. Why didn't he realize that he was so good, so thoughtful, and considerate before? those words had completely hit the bottom of his heart.

At this moment, Tang Zong had already forgotten all the unbearable memories of being tricked by Liancheng Yazhi many times in the past. He didn't even remember the pain on his face.

Liancheng Yazhi shivered. Tang Zong looked at him with his shining eyes as if he was looking at a piece of fat meat, which made him feel uncomfortable all over. This kid really wanted to marry Rong nuo so much that he was going crazy.

Liancheng Yazhi said disdainfully, " alright, stop flattering me. Rest well for the next two days. The day after tomorrow, I'll take you to see your brother, Tang han, and tell him about you and Rong nuo. He's your elder in the capital, after all. You have to let him know.

Liancheng Yazhi finally got to the point.

Tang Zhen. This name was the key.

Chapter 1715: I won't go west if you tell me to go east

Regarding the matter with Liancheng Yazhi, he had indeed plotted against Tang Zong.

however, at the same time, liancheng yazhi really wanted to settle the matter between rong nuo and tang zong.

However, if he could bring Tang Zong along and make Tang han so angry that he blew his beard and glared at him, this seemed to be a very good deal.

Who asked that brat Tang han to always give him trouble recently!

When Tang Zong heard that he was going to see Tang Zhen, he pouted and unhappily said,"tell him not to."

tang zong was indeed a strange person. he seemed to have the blood of the tang family flowing in his veins, but he was not a member of the tang family.

he rejected anyone from the tang family, even his own surname.

If blood transfusion really existed in this world, he would probably be happy to do it.

Liancheng Yazhi raised his eyebrows and said indifferently, " "sure, you don't have to get engaged. i don't mind."

Tang Zong instantly pounced over at an astonishing speed. He hugged Liancheng Yazhi's arm and blinked his eyes, acting cute."brother-in-law, don't, don't, don't, i'll listen to you, okay? I'll go with you to see Tang han, but you must get us engaged."

Tang Zong's appearance was simply too flattering and comical, causing

MeowMeow to laugh out loud. He turned around and smiled at MeowMeow, ”

“Meowmeowmeowmeowmeowmeow, tell your father to settle the matter between me and your aunt. Then, I’ll be your uncle-in-law and I’ll buy you a lot of beautiful clothes and jewelry. I’ll get you anything you want, okay?”

Liancheng Yazhi pulled his hand away in disgust and patted Tang Zong’s head. don’t try to please MeowMeow. It’s useless. You just need teacher to cooperate and not cause trouble.

tang zong raised his hand and said in a serious tone, “Don’t worry, I’ll definitely cooperate. If you tell me to go east, I won’t go west.”

Liancheng Yazhi kicked Tang Zong. then go and rest. Before the engagement, you two should sleep in separate rooms. Don’t climb through the window at night.

Tang Zong’s face immediately turned bitter. I don’t think so. I’ll be very lonely like this.

They weren’t even allowed to climb through the window, and they could only use the phone to express their love. It was very unpleasant.

Liancheng Yazhi’s lips curled up. Seeing Tang Zong like this, his mood instantly improved. Then bear with it, this is your punishment for tonight.”

When Liancheng Yazhi said this, Tang Zong instantly wilted.

Alright, tonight was his fault.

Rong nuo held back her laughter and picked Tang Zong up. alright, stop messing around with brother-in-law. It’s late. Let big sister and MeowMeow rest.

“Oh ho Ho.” Tang Zong hurriedly stood up and honestly said, “Sister,

Liancheng Yazhi helped Rong Yan up and then picked up MeowMeow. remember the day after tomorrow. Remember to pack up well on that day.

When you have time tomorrow, go and fix your hair. Don’t embarrass me then.

After Liancheng Yazhi finished nagging, Rong Yan smiled and said, ” “Wrong, Zhenzhen. ”

He was puzzled, ‘wrong? Where did I go wrong?’

Rong Yan corrected him. Tang Zong is a member of the Tang family. You are representing Rong nuo. If Tang Zong wants to lose face, he should lose face for the Tang family.

Liancheng Yazhi’s careless mistake just now had already shown that he might have already treated Tang Zong as family from the bottom of his heart.

Only by treating Tang Zong as one of their own, as if he was their younger brother, would they bully him again and again without any qualms. When it came to beating him up, there was no pressure at all..

Chapter 1716 -the time when our hearts are the closest

Liancheng Yazhi came back to his senses. that’s true, I should say this to Rong nuo.

Tang Zong was very happy. He was a smart child. Of course, he had thought of what Rong Yan had thought of. He was very happy that Liancheng Yazhi had treated him as family. Didn't that mean that his chances of winning Rong nuo's marriage were higher?

tang zong patted his chest and said, "it's alright, brother-in-law. i'm actually from the liancheng family. don't worry. i won't embarrass you. "

liancheng yazhi cleared his throat. "ahem, ahem, ahem. anyway, you can do as you see fit. rong nuo too. "

rong nuo pulled tang zong and nodded, "yes, i understand, brother-in-law, i will look after him ..

"go back and rest. don't care about them," liancheng yazhi said to rong yan.

Rong Yan lowered her head and said gently, "okay, go back and rest.

MeowMeow, say good night to aunty and uncle Tang." &Nbsp;

"Good night, aunty and uncle Tang,"

meowmetime.

Rong nuo lightly tapped

Tang Zong rubbed his hands and said to MeowMeow, little

As soon as she finished speaking, she was hit by Liancheng Yazhi again. it's not that cheap. You should prepare a red packet first.

Tang Zong pouted. just you wait, MeowMeow. Uncle will prepare a red packet for you tomorrow.

little brat! Liancheng Yazhi laughed and scolded.

he ignored rong nuo and tang zong. with one hand holding his wife and the other holding his daughter, he went back to his room to sleep.

After the two of them left, only Tang Zong and Rong nuo were left in the living room.

Rong nuo packed up the luggage that she had just messed up and said to Tang

Zong, "Don't just stand there, go back to your room and rest."

Tang Zong hurriedly lifted the box and carried it into her bedroom. Although he wanted to stay, he couldn't ignore the long-term happiness for the short-term benefits.

Tang Zong pestered Rong nuo for a while before she chased him out.

standing at the door, tang zong held rong nuo's hand and said, "Nuo nuo, I'll miss you tonight."

Rong nuo held back her laughter and said,"Oh Yingluo."

"Don't you have anything to say?" Tang Zong pitifully asked.

Rong nuo laughed out loud. She stretched out her hand and poked Tang Zong's forehead."We see each other every day, but you're talking as if we're going to part forever. Hurry up and go back to sleep. Brother-in-law just told you to pack up and rest well for the next two days. When you go to

see your brother, be more alert. Don't embarrass brother-in-law." tang zong hurriedly said, " bah! what victory? we are going to be together forever.

alright, alright. you should go back and rest. don't cause any more trouble. be careful not to make brother-in-law unhappy and the engagement will be canceled. ‘

Tang Zong immediately nodded. that's right. Then I'll hurry back. You should rest early.

"Yes, yes, Zhenzhen, go back." rong nuo pushed tang zong back a step. if she did not push him out, he would definitely be here talking for a long time.

Tang Zong reached out to hold Rong nuo's head and gently kissed her on the forehead. He said, "Good night," she said.

"Good night." Rong nuo smiled.

"You're still not leaving?" she asked when she saw that Tang Zong was still not moving.

"I'll leave after you close the door."

"Alright, Yingluo." Rong nuo felt sweet in her heart and closed the door with a smile.

Separated by a door, she and Tang Zong were standing opposite each other.

At this moment, even though they were standing in front of each other and couldn't see each other, it was the closest spiritual distance between them since they had known each other..

Chapter 1717: I wish you good night as your husband

Tang Zong looked at the door and did not move.

He silently said in his nuo, I look forward to the future where I can say good night to you every night in the name of my husband."

Next to Rong nuo's room, Liancheng Yazhi and his wife were still not sleepy.

After coaxing MeowMeow to sleep, Rong Yan asked Liancheng Yazhi, " "Are you really going to bring Tang Zong to Tang han to discuss his marriage with Rong

of course it's true. However, I also have some selfish motives. I want to go and make candy feel uncomfortable. I want him to see that his younger brother has become my brother-in-law. When that time comes, don't you think Tang Han's expression will be very good? ‘

Rong Yan smiled and shook her head,"you're really a Zhenzhen."

however, rong yan changed her tone and smiled a little evilly. " however, I'm also quite interested to see. The Tang brothers, Tang Zong and Tang han, are like enemies. Do you think Tang han will agree? "

Liancheng Yazhi laughed. it doesn't matter if he agrees or not. The key is not him, it'S Tang Zong. With Tang Zong's Devil's temper, if Tang Zhen doesn't agree, will he be able to settle the matter? meeting Tang Zhen is just a formality.

This would make Tang han even more afraid of the Liancheng family when he did things in the future.

They still didn't know how the alarm would affect MeowMeow.

[illegible]

Rong Yan nodded. yes. What I hope most is that this stimulation can free MeowMeow from the shadow of shock.

"Then you should sleep too." Rong Yan lay down.

The clamor of the night finally died down with the last light in Lianchengs house going out.

The next day, when Tang han went to work, the person in charge of monitoring the Liancheng family came to report. reporting to Regiment commander, did the alarm go off at night? ”

I'm not sure. The alarm didn't go off for long, less than five minutes. Also, there were no gunshots, so there didn't seem to be a fight. We observed that after about an hour, all the lights in Lianchengs bedroom went out. I think he's asleep again. It's very peaceful.

tang han took a few steps and ordered, ” “Call Secretary Zhou and continue to meet with Liancheng Yazhi.” “But he kept pushing it away.”

The staff officer who made the call thought that it was over again. He didn't expect Secretary Zhou to be so easy to talk to this time. He actually said that he wanted to talk to Tang han.

“Regimental commander, Secretary Zhou said that she wants to talk to you,” the staff officer said to Tang han.

tang Zhen frowned and took two steps forward. he grabbed the microphone and coldly said, “hello, this is tang han..”

Chapter 1718: This is your only chance

“Good Morning, Colonel Tang,” Secretary Zhou said with a smile.

When Tang han heard Secretary Zhou’s voice, he was very unhappy. He directly said, “i want to see liancheng yazhi. it’S very important.”

this time, secretary Zhou actually said, ” “Colonel Tang, you also know that our young master ya’s body has not recovered yet. It’s definitely not possible to see him now. What do you think about the day after tomorrow? Our young master ya’s health will be better the day after tomorrow.”

Tang han was silent for a moment before he said, “good.”

Then, without giving Secretary Zhou any time to speak, he hung up the phone.

A few days ago, after so many phone calls, Secretary Zhou’s mouth was tightly sealed like a gourd, and he did not leak any information at all. This time, he actually asked him to meet Liancheng Yazhi the day after tomorrow.

this must have been instructed by liancheng yazhi.

However, why did Liancheng Yazhi suddenly agree to meet him?

Tang han did not believe that Liancheng Yazhi was really unwell.

although he was puzzled, he could not find the reason now. he would wait until he met liancheng yazhi the day after tomorrow to talk about it.

Tang han didn’t know that the gift that Liancheng Yazhi had prepared for him this time was exceptionally unique.

Yesterday, Liancheng Yazhi and Rong Yan had discussed and decided not to look for the mysterious female teacher who had saved MeowMeow.

So the next day, Liancheng Yazhi took a letter he had written and came to MeowMeow.

After what happened last time, Liancheng Yazhi decided to train hard for winter. He had already left home for a few days.

because tang zong had accidentally triggered the alarm at night, liancheng yazhi was afraid that it would affect meowmeow, so he had brought him back from the training place in the winter and let him play with meowmeow. There were good scars on winter’s body, but he endured it and acted normal in front of MeowMeow.

When Dong Tian saw Liancheng Yazhi walking over, he politely called out, “Uncle,” he said.

Meowmeowmeow was young and could not see the abnormality of winter, but Liancheng Yazhi could.

It was the same as the winter for him back then. He had gone through it all the same, and it was even more intense than the training in the winter.

Liancheng Yazhi could tell at a glance that winter had a slight limp in his left leg when he walked. If he did not pay attention, he would not have noticed it.

Liancheng Yazhi asked Dong Tian first, "can you bear it these few days?" If you can't, I'll bring you back."

Dong Tian immediately raised his head and said seriously and firmly, "I can, I can hold on."

The young man's eyes were more passionate than the sun in the sky. His persistent expression made Liancheng Yazhi suddenly remember himself in the past.

liancheng yazhi did not treat dong tian as a child. he treated him as a man like him. he looked at dong tian and said, " okay, i believe you. but you have to know that this is your only chance. if you don't want it, the training will get more and more intense in the future. even if you can't hold on in the future, you'll have no chance to say it back. "

Dong Tian clenched his fist, his eyes burning. "I won't. I'll persevere and be the best."

He wanted to protect

[illegible]

For winter, the most difficult thing was not the devil training, but that he could not be with MeowMeow every day.

this would make him miss many beautiful moments in meowmeow's life.

However, in order to better protect her

Dong Tian knew that he had to learn to give and take..

Chapter 1719

Liancheng Yazhi nodded, very good. I'm very pleased that you can say these words. Have fun with Meow Meow today, and I'll send you back tomorrow.

Dong Tian had the ferocious blood of a wild beast in his bones. If he was trained well from a young age, he might be more lethal than Jian de when he grew up.

This way, Liancheng Yazhi would be more at ease to hand over Meow Meow to him.

"Okay, I understand." Dong Tian gritted his teeth and nodded.

Meowmeowmeowmeow was listening to their conversation at the side. She was confused at the beginning, but she understood the last sentence. She pouted and asked, "Dad, brother dongtian, are you going to school tomorrow?"

Liancheng Yazhi nodded. that's right. Brother dongtian is old. If he doesn't go to school, he will be laughed at by children his age.

when he had sent dong tian away, liancheng yazhi had told meowmeow that he was sending dong tian to school.

Meowmeowmeowmeowmeow was a little sad. but I didn't go to school either?"

Liancheng Yazhi patted MeowMeow's head. you're okay. You're still young. When you grow to Brother winter's height, daddy will send you there.

Liancheng Yazhi picked up Meow Meow and let her sit on his lap. He said, " "baby, daddy has something to tell me today. after you hear it, you can't cry, okay?"

喵喵挺起小胸脯,她胸口还别着做晚上,容诺送给她的胸花,她很骄傲 "I'm a brave person now. I won't cry."

After making up for it with Rong Yan and Liancheng Yazhi at night, Meow Meow was in a better state than yesterday, perhaps because the reward was very appropriate.

This made Rong Yan's family, who had been on edge the whole night, finally feel a little relieved.

liancheng yazhi pinched meowmeow's xiao lian." "Yes, our

He hesitated for a moment and said, "MeowMeow, I'm sorry to tell you something. Although the teacher who helped you at school has found her, I haven't seen her. The school said that the teacher had something important to do in her hometown, so she has gone home now. However, she left you a letter. Do you want to take a look?"

喵喵刚一听非常失望,后听见连城雅致说有信立刻伸出小手: "I want to kiss you!"

Liancheng Yazhi took out the letter that he had spent hours preparing. here, this is a letter from my teacher. Open it and take a look.

喵喵赶紧接过来,笨拙的打开信封,取出里面的信。

The 'teacher' had left her a greeting card that she had drawn herself.

There was a young lady in a princess dress, sunflowers, the sun, a green grass field, big trees, and white clouds.

Although it was a very childish painting, the colors were all very good. They were all very bright colors. After seeing it, one would feel at ease without any sense of depression.

After reading it, MeowMeow turned the back of the card over. There were only a few simple sentences written on it.

happy, brave, strong

Be a child who doesn't cry!

Be obedient. smile. and don't be afraid of the dark.

Teacher believes in you, all the best! Smiling face liancheng yazhi pondered for a long time before writing these words.

Furthermore, it had to be simple and clear.

Hence, after weighing for an hour, Liancheng Yazhi finally wrote down these few lines.

Chapter 1720: Do not be afraid of the dark

There were still some words that MeowMeow didn't know, so Liancheng Yazhi guided her to read them word by word.

Liancheng Yazhi said to MeowMeow, "baby, you see? teacher said it. You have to be happy, brave, and strong. Don't Be Afraid of the Dark.

MeowMeow nodded seriously. yes. I will do what teacher says.

Liancheng Yazhi opened the card and pointed at the childish painting. this painting is telling you that you have to face the sun. Use your smile to dispel all the dark clouds. Also, as long as you are happy, every day is as bright as the sun.

"Thank you, teacher. Thank you,

Daddy, Wanwan." liancheng yazhi reached out and patted meowmeow's little hand. " you're welcome. '

He heaved a sigh of relief. It was not easy being a father.

When he was in the company, he would pick up a pen and draw on a document. It could be a project worth hundreds of millions.

now, for the sake of his daughter, he had to pretend to be a teacher and draw children's paintings. it was really tough.

However, as long as MeowMeow was happy, it was all worth it.

He was going to see Tang han in a day.

tang zong started to buy a lot of clothes. after he put on a set, he ran to liancheng yazhi. " brother-in-law, do you think i look good in this? "

Liancheng Yazhi raised his eyes. this style is too old-fashioned. Change it.

Tang Zong ran back to the third floor and changed into another set.

Liancheng Yazhi glanced at it. the color doesn't work. Change it!

Tang Zong continued to run to the third floor and quickly changed out.

"How about this?" he asked, panting.

Liancheng Yazhi sized it up. a tie. It doesn't match your temper. Change.

Hence, Tang Zong made another trip up and down the building.

After changing seven or eight sets in a row, Liancheng Yazhi still said no. Tang

Zong panted and asked, "Brother-in-law, can't you just do this?"

Liancheng Yazhi gave Tang Zong a warm smile. When he was done with his act, he cruelly said,"The buttons on your sleeves aren't up to standard, change them."

Tang Zong changed into another two sets. He was about to collapse from exhaustion. He held onto the handrail. what about this set of Zhenzhen's? '

Liancheng Yazhi glanced at him and continued to play chess with Gu Hesheng. I can barely do it. Let's do it this way.

Tang Zong squatted down on the stairs. Lian ... Liancheng Yazhi, Zhenzhen, tell me the truth. Are you ... Are you playing with me? ‘

Liancheng Yazhi looked at him and teased, ” “Wow, you’re so smart. You’ve found out.”

Tang Zong

His head was smoking, did you see that?

He was very angry now, did you see that?

If he wanted to kill someone, no one could stop him!

tang zong bit his nails in anger. ” yingluo, you’re too despicable. how could you do this? ”

Liancheng Yazhi put down a black piece and said to Tang Zong,”I didn’t do

anything wrong. It’s all for your own good. If I didn’t see you try on a few more sets, how would I know which one you look better in? Don’t you think so?”

His expression said, “I’m trying my best to persuade you for your own good.” This really made Tang Zong so angry that he gritted his teeth. However, there was nothing he could do. Who asked his happiness for the rest of his life to be in the hands of this person?

Who asked him to be her brother-in-law?

What’s there to be afraid of?

It’s not like it’s the first time.

What if he continued to be abused?

Then he would continue to endure it.

Tang Zong was a little worried and asked, “Then, Yueyue, do I really look good in this?”

Liancheng Yazhi did not look at him and nodded. “hmm, not bad!”

“Really?” Tang Zong asked again..
