

Permit Me 1741

Chapter 1741: How did you become like this?

“What do we do?” Mrs. Tang continued to wipe her tears. are you going?” Father Tang could only let out a long sigh.

After he left the house, Tang han got into his car and drove out of the community.

After he left, Tang han drove his car and wandered aimlessly on the streets. When he stopped, he realized that he had unknowingly stopped in front of Gu youran’s cake shop.

Tang Zhen was very tired, very exhausted. The more he spent time with his parents, the more powerless he felt. He didn’t even have the strength to say a few words.

Tang Zhen wanted to find a place where he could catch his breath and rest.

but he realized that he couldn’t find it either.

Tang han sat in the car and looked at the ‘6:30’ shop. He wanted to go in many times, but he didn’t even have the courage to get out.

Separated by the glass window, Tang han saw Gu youran’s figure several times. Once, she was even carrying a child.

tang han stood outside the door and watched for a long time. just as he was about to leave, he suddenly saw a white sports car parked in front of the shop, and a familiar person got out of the car.

That face of his that deserved a beating, who else could it be but Tang Zong?

Tang Zong opened the door to the front passenger seat and helped a slim girl out of the car. The two of them held hands as they walked into the shop, chatting and laughing.

Tang Han’s hands gripped the steering wheel tightly!

That girl should be Tang Zong’s fiancée. But what was Tang Zong doing here at this time?

Tang Zhen pushed open the car door and took a step out, but he stopped again.

because gu youran, who was in the shop, inadvertently glanced over, tang Zhen was so scared that he quickly retracted his leg.

In the shop, Gu youran saw Tang Zong and asked with a smile, “Why are you guys here?”

Tang Zong pulled on Rong nuo and said a little shyly, ” sister youran, i’m not married yet. in two days, we will be engaged. we came today to invite you to attend.

“Really?” Gu youran quickly asked. Congratulations.”

Rong nuo secretly pinched Tang Zong. This guy didn’t even know how to introduce himself. He had even forgotten to say her name.

Rong nuo smiled and said to Gu youran, ” Hello, Sister youran. My name is Rong nuo. I’ve heard my sister mention you several times. I finally get to meet you today.

Gu youran's eyes widened in surprise.

"Ah, Zhenzhen, you're Rong nuo 'A. I didn't expect you two to be engaged. Tang Zong, you've really earned a lot."

Tang Zong scratched his head and said, "hehe ... Hehe ..."

When Gu youran heard that Rong nuo was Rong Yan's younger sister, she was obviously much more excited than before. don't worry, I will definitely go.

"How about I make your engagement cake?" she asked.

"Sure, sure. I was just about to tell you." Tang Zong and Rong nuo nodded.

my sister has said many times that the cakes in sister youran's shop are the best. I'll have to trouble you this time.

that's nothing, "Gu youran joked. I have to collect a fee anyway. I still have to thank you for taking care of my business.

"We'll come here often in the future. We'll look for you for the wedding cake,"

Tang Zong said happily.

"That's what I'm looking for."

The two of them exchanged a few words with Gu youran and were about to leave. When they were leaving, Tang Zong whispered to Gu youran, sister youran, do you see that car parked across the street? "

gu youran sneered. " of course he saw it. it was so eye-catching. he thought that no one else saw it. '

"Do you want me to help you chase him away?"

Gu youran shook her head. no need. As long as he doesn't come in, it has nothing to do with me where he is.

"Alright then. If you need anything in the future, just look for me." Tang Zong shrugged..

Chapter 1742: I'm the one who's happy in the end, you 're the ones who 'Il cry

"Okay, thank you." Gu youran nodded.

"Then we'll be leaving."

"Okay, goodbye."

Gu youran glanced at the car on the ground, sneered, and turned around to continue her work.

Tang Zong left with Rong nuo. He first opened the car door for Rong nuo to get in. Just as he was about to get into the driver's seat, Tang Zong stopped.

He said to Rong nuo, "nuonuo, wait for me for a while, I'm going to the other side." &Nbsp;

Rong nuo knew that Tang Zong was going to see his brother. do I have to go? ” “No, you don’t have to see him. I’ll be back soon.”

Tang Zong crossed the road and ran to Tang Zhen’s car. He knocked on the window.

After the window was lowered, Tang Zong said, ” brother, the angle is not good. You should move back a little. You can see the whole store.

Tang Zhen was caught red -handed on the spot. He was a little embarrassed, but because he was a poker-faced person, he didn’t seem to have any abnormalities.

“Why are you here?” Tang han asked.

Tang Zong pursed his lips, “even you can come all the way here and secretly peep.” Why can’t I be here?”

“What are you looking for her for?” Tang han coughed awkwardly.

Tang Zong leaned back in the car. Aiya, where’s sister youran? no matter what, she’s still sister Rong nuo’s good friend, and she’s also on good terms with me. I’m getting engaged, so how can I not invite her? ”

Tang Zhen furrowed his brows. He didn’t expect Tang Zong to actually come to invite Gu youran.

This news made Tang Han’s mind go blank.

Tang Zong clearly knew that he and his parents had a grudge against Gu youran, but he still asked both of them to go.

Did he think that her engagement party was not lively enough?

Before Tang Zhen could speak, Tang Zong suddenly laughed and said, “Brother, there won’t be a next time.”

“What do you mean there won’t be a next time?” Tang Zhen was baffled. He still didn’t understand what was going on.

“What do you think?” Tang Zong asked with a half-smile.

Tang han was stunned for a moment before he understood. Tang Zong was talking about his parents who went to Liancheng’s house to look for him. Tang han sighed. believe it or not, I didn’t tell them Liancheng’s address. They went there on their own.

Tang Zong knocked on the car window.”I used to believe you, but I can’t say for sure now. Anyway, I’ve already said that I won’t look for trouble with you, so you’d better not mess with me. Even if I’m married, it’s not easy to change my temper. If you guys want to add some fun to my life, I don’t care. Anyway, I’ll be the one who’s happy in the end and you’ll be the ones crying.”

Tang Zhen’s chest was filled with anger. When he opened his mouth, he subconsciously wanted to teach Tang Zong a lesson. However, the moment he opened his mouth, all his anger disappeared. In the end, he could only say a simple sentence, “I will tell mom and dad.”

Tang Zong furrowed his brows as he sized up Tang Zhen. He felt a little strange. This didn’t match Tang Zhen’s image.

He should have been bombarding him indiscriminately first, so it was a little strange.

I hope you'll think about their safety and have a good talk with them. I still have something to do, so I'll be leaving.

Tang Zhen stopped him. Tang Zong, wait a moment. I have something to tell you. Liancheng Yazhi and I are currently in a relationship.

Tang Zong stretched out his hand to stop him from speaking. I know you two. Hehe Yingluo.

He had already said everything.

"Since you already know, don't be used by him," Tang han said.

[this is the third reminder. If you have seen the previous two pages that were repeated, please refresh them.. Please refresh more!]

Chapter 1743: She's my woman as long as I'm alive

Tang Zong turned around and smiled at Tang Zhen. His smile was filled with confidence as he said, "If I don't want to, no one can use me."

Tang han was stunned for a moment. When he came back to his senses, Tang Zong had already walked to his car.

Tang Zhen hurriedly chased after him. He had to have a talk with Tang Zong because if he were to reverse his words, it would be ... If he was willing, he would be happy to be used.

Tang Zhen thought about Tang Zong's attitude towards Liancheng Yazhi. He felt that it was very dangerous. He had to stop Tang Zong from having such dangerous thoughts.

Tang Zong opened the car door and was about to get in when a hand suddenly stretched out and blocked the door. "Tang Zong, let's have a talk?"

Tang Zong turned around and looked at Tang Zhen. He frowned and said, "Didn't we already talk about it?"

Tang han glanced at Rong nuo in the car and said, "The one just now doesn't count."

"I don't have the time now. I'm busy," Tang Zong replied unhappily.

He still had a lot of work to do when he got back. He used to think that getting married or getting engaged would be easy, but he only realized how difficult it was when he got back.

"Half an hour," Tang han said.

Tang Zong wrinkled his nose. ten minutes.

"25 minutes." "Seven minutes."

"twenty minutes. "

"Five minutes," Tang Zong replied.

tang Zhen gritted his teeth. no matter what was said, he would never be able to gain any advantage in a verbal battle against tang zong. "Alright, ten minutes it is."

tang zong bowed to rong nuo in the car and said apologetically, "Nuo nuo, why don't you go in and eat a piece of cake and drink something first? can you wait for me for another ten minutes?"

Rong nuo nodded. okay, I'll go in and wait for you.

she got out of the car and slightly nodded at tang han. then, she turned around and entered the cake shop again.

Tang Zhen looked at Rong nuo as he entered and asked Tang Zong, this is the girl who caused trouble at Ziyu and Xia Xuanmo's engagement party with you that day.

Tang Zong's face immediately turned sour. Tang Zhen, what are you doing? I'm telling you, you're not allowed to look at her. She's my fiancée and she'll be taking advantage of my wife soon. Don't even think about it.

tang zhen's face darkened a lot, but he held back his anger and asked, "Do you really think she's suitable for you?"

tang zong proudly raised his head. "yes, she's suitable. very suitable. as long as i'm alive, she's my woman."

what about you? has she forgotten about Xia Xuanmo? " tang zong had met rong nuo once, and he had also witnessed the trouble that rong nuo had caused.

Tang Zong glared at Tang Zhen like a Wolf baring its fangs, " you can't care about yingluo if she has the time to care about my woman. you might as well think about whether you can get a wife in this life. "

Tang Zong had once again accurately attacked Tang Zhen.

He looked at the time. let me give you a warning. Three minutes have passed. If that's all you're talking to me about, then I'd advise you not to waste your energy, Yingluo.

Tang han once again felt powerless. There wasn't much time left, so he could only say, " okay, I don't care who you want to marry, but I'm warning you, you're not allowed to interfere in Liancheng Yazhi's matter. After you get engaged to her, you'd better leave the country immediately.

tang zong rolled his eyes. " i've told you many times. don't interfere in my business. don't tell me whether i'm staying or leaving. '

Tang han was so angry that he wanted to wake Tang Zong up."liancheng yazhi's matter this time is not a small one. not only him, but his family is also in a very dangerous position now. don't make fan muddleheaded.."

Chapter 1744-1've said enough, you 're on your own

"Confused?" Tang Zong chuckled. You should tell your parents about this when you get home. They're the most confused when they're old, but I won't. I, Tang Zong, am the smartest person."

Tang Zhen was infuriated by Tang Zong's nonchalant attitude. "Tang Zong, don't be childish anymore. I'm telling you something important this time. Liancheng Yazhi's trouble this time isn't a small one. It's not something you can afford to bear."

"Is that so?" Tang Zong asked with interest. That's good, I like trouble the most."

"Tang Zong!" Tang han raised his voice.

"I can hear you. You don't have to be so loud." Tang Zong rubbed his ears.

tang Zhen took off his hat and ruthlessly fanned it twice, trying to extinguish the fire in his heart, "You're about to get married, you should be more mature. Do you want Rong nuo to be like you and be involved in this danger?"

Tang Zong's expression turned serious. I don't want to, but we are not people who retreat. Rong nuo would not leave her sister and run away on her own. So, I will not either.

"I'm begging you. Can you leave after the engagement?" This was the first time that Tang Zhen had spoken softly to Tang Zong.

Tang Zong did not hesitate and directly rejected him. "No," you're really a coward! Tang han was so angry that he was trembling.

He clenched his fist. Alright, alright. Since you're so stubborn, I won't waste my breath.

"Let me tell you, if you really want to get involved, when I fight with Liancheng Yazhi in the future, I won't be polite to you. I've already said this. You're on your own."

Tang Zong raised his chin. His expression was serious and his gaze was cold. "Then I'll also say this. Rong nuo is my woman, and her family's matters are my matters."

"Dad and mom are your family." Tang han said with a pained heart.

tang zong smiled. "that's right. you guys are family. however, in my eyes, they are the 'family' in my heart."

He had many relatives, all of whom were his relatives.

They had very few family members. Only when they lived together every day and were willing to think for each other could they be called family.

After Tang han left in anger, Tang Zong brought Rong nuo out.

On the way home, Rong nuo teased him, " was this conversation also held in a happy and friendly atmosphere? "

Tang Zong didn't feel embarrassed at all. He answered very seriously, "Of course, Yingluo is very happy and very friendly!"

"But when I saw your brother leave, he was so angry that his face turned black."

Rong nuo had been watching the situation outside while she was in the store.

Although she could not hear what they were saying, she could tell from Tang Han's body language that he was very angry. There were a few times when he wanted to go crazy. She had seen him almost swing his fist, but he still held back.

Tang Zong grabbed the steering wheel and turned left. He looked straight ahead and said, "baby, you must have seen wrongly. The weather is so hot outside. The sun is so hot. He must have gotten tanned after standing there for so long.

Rong nuo had no more energy to complain about his reason. She asked, "Then why didn't you get tanned?"

after turning the corner, there were not many cars in front. tang zong turned his head and said to rong nuo, "That's because I'm a natural beauty," rong nuo sighed.

When they reached home, Tang Zong drove the car all the way to the garage.

Before he got out of the car, he took out a rose from somewhere and presented it to Rong nuo, saying, "Happy engagement, my dear."

Chapter 1745: Congratulations, you 're about to get rid of your single life

Rong nuo was stunned for a moment, but soon her heart warmed. She reached out to take the flowers from Tang Zong and smiled. "You too, Mr. Tang.

Congratulations, you're about to get rid of your single life."

In fact, Tang Zong was not a romantic person. In this aspect, he could not compare to Xia Xuanmo.

However, it was also because of this that Tang Zong's actions today were even more precious.

it was also easier to make rong nuo's heart beat faster. "It's my honor." Tang Zong looked at her seriously.

"That's true!" Rong nuo smiled.

Before entering the house, Tang Zong suddenly asked,"Nuo nuo, do you want to live abroad?"

"Overseas?" Rong nuo was puzzled.

She turned her head and asked Tang Zong, " why do you ask this? in the past, I did want to study abroad. But I'm not used to life. A short vacation is fine. If

Yueyue is staying in the country for a long time, I still prefer it. What's wrong?

“It’s nothing. I’m just thinking, should we go to China or abroad for our honeymoon in the future?” Tang Zong smiled. Why don’t we make a trip to both the country and the outside world?”

“Alright, I have no objections to that.”

The day of Tang Zong and Rong nuo’s engagement had finally arrived. Taking care of everyone’s time, he arranged it to be at night.

Tang Zong and Rong nuo went first, and Liancheng Yazhi’s family followed behind.

Before they left, Liancheng Yazhi reminded Rong Yan more than once, I’ll be by your side in a while. You can’t leave my sight!

It was destined to be an unusual night, so Liancheng Yazhi had to personally protect Rong Yan’s safety.

“Then can’t Yingluo go to the bathroom?” Rong Yan asked him while holding her face.

The longer the pregnancy period, the more frequent they would go to the toilet. This was another pain for pregnant women.

Liancheng Yazhi looked into her eyes and said very seriously, ” “Right, we can’t!”

After he stopped, he reached out and pinched Rong Mo’s cheeks with a cheeky smile. “we’re already an old couple, why do you still care about this?”

Rong Yan’s face turned red. although we’re already an old couple, I still want to be reserved.

Liancheng Yazhi stood up straight, crossed his arms, and walked around Rong Yan in a serious manner.”Reserved? Honey, are you sure you’re not joking?”

Rong Yan raised her foot and kicked Liancheng Yazhi. “You’re so annoying. Of course I’m telling the truth.”

Liancheng Yazhi smiled and teased,”really?” i thought that i had already eaten the two words when we first met.”

Rong yanmo glared at her. you’re not just eating my reserve.

Liancheng Yazhi smiled ambiguously,”and to ran ran.”

Jj\$DjéDjét@jG: “Mom, dad, why aren’t we leaving yet?”

Liancheng Yazhi bent down and picked up MeowMeow. we’re leaving now. Our little princess is getting anxious.

Liancheng Yazhi said to MeowMeow, " baby, when you get there later, don't run around. You have to stay by daddy's side. Do you understand? "

Meowmeowmeow nodded. I know. There are bad people outside. I want to follow daddy.

Liancheng Yazhi was in a daze. He had been thinking about how to explain to his daughter the reason why she didn't let him run around. He was worried that if he told her that there were bad people, she would be frightened. He didn't expect her to know it herself.

"Baby, who did you hear this from?" Liancheng Yazhi asked MeowMeow.

MeowMeow raised her head and said innocently, "Brother Winter, he said he would protect me and not let bad people get close to me.."

Chapter 1746: I'll be watching you from here

Today, Liancheng Yazhi had also brought Dong Tian back. This time, there were a few more scars on his face, obviously from scratches. However, when MeowMeow asked him, he said that he fell and injured himself.

MeowMeow could not tell, but Liancheng Yazhi could see that it was a scratch mark from a beast's claws.

It seemed that winter's lessons had already reached the stage of fighting wild beasts.

It was a very cruel course.

"Are you afraid?" Liancheng Yazhi asked her.

Liancheng Yazhi looked down and saw that MeowMeow's chest was still wearing the brooch that Rong nuo had used to loosen her.

liancheng yazhi smiled with relief. it seemed that the encouragement from that time had a great effect on meowmeow. he patted meowmeow's little head. that's right, our baby is the bravest child. Bad guys are nothing, they're not scary at all!

Meowmeowmeowmeow nodded. that's right. It's not scary at all.

Rong Yan looked at the father and daughter with a smile. After making sure that their conversation had come to an end, she asked, " "Can we set off now?

Young master, young miss?"

Liancheng Yazhi turned around and reached out his hand in a gentlemanly manner. "Of course you can, Mrs. Liancheng."

The family left Liancheng's house with many bodyguards.

In the car, Rong Yan looked at the night sky outside and was a little worried. "Will something happen tonight?"

Liancheng Yazhi nodded. yes, it will. Rong nuo and Tang Zong are getting engaged tonight. How can nothing happen? ” This is the same thing.”

Moreover, although there weren’t many guests invited today, the key was the relationship between these guests. If they were connected, it could be drawn into a spider web.

Liancheng Yazhi grabbed Rong Yan’s hand. don’t worry. Block a of the Empire has better security measures now. I dare to let you and MeowMeow participate because of Qianqian’s confidence.

Rong Yan sighed, “I hope it’ll be effective. What if they don’t come?” Or what if they take advantage of the fact that we’re not at home?”

Liancheng Yazhi smiled. so, Tang han is effective this time? ”

Soon, they arrived at the entrance of block A. The manager was already waiting for them. As soon as the car stopped, he opened the door.

The manager laughed exaggeratedly. young master ya, Madam, and young miss, welcome. It’s an honor to have you here tonight.

Liancheng Yazhi was in a good mood and teased, ” “Pengzhan? Are you saying that block a of my Empire is shabby?”

The manager was so frightened that he quickly said,”no, no, no, I didn’t mean it that way. It’s not Yingluo.”

Before he could finish, Liancheng Yazhi laughed and walked over with his wife and daughter.

Only then did the manager realize that he was joking. He wiped the sweat off his forehead and quickly chased after him.

There were not many people invited for the engagement party this time.

Therefore, the venue was arranged to be a small banquet hall on the third floor.

After entering, Rong Yan saw that Gu youran was already there, talking to Rong nuo.

Oh, ye nuanyang and Feng nongtang were also there, but where were they?

“i’ll go talk to them,” rong yan said to liancheng yazhi.

“Go ahead, Zhenzhen, I’ll be here watching you,” Liancheng Yazhi said gently..

Chapter 1747: Tang Zong and Rong nuo l s engagement day

“Yes, Yingluo knows.”

Rong Yan walked over with meowmeowmeowmeow. When Rong nuo saw him, she quickly ran over with her skirt and supported him. “Sister Yingluo, you’re here.” iM: “Wow, aunty is so pretty today!”

“Do you remember what you wanted to say?” Rong Yan asked MeowMeow.

”

Her movements were a little clumsy, but she looked even cuter, which made the others unable to smile.

Rong nuo squatted down, hugged

"Of course I do, aunt Gu," MeowMeow replied immediately. Ye nuanyang smiled and asked, "what about me, Yingluo?"

“You’re Auntie ye,”

Gu Ye and

Rong Yan asked Rong nuo,"how is it?" Are you nervous?"

Rong nuo shook her head. it's alright. Yingluo doesn't feel nervous at all.

Rong nuo was wearing a white wedding dress, which revealed a little of her shoulders. It was a very simple style without any extra fancy decorations, and it suited Rong nuo very well.

When she stood there, Rong Yan felt a sense of sourness as if her daughter was finally getting married.

"That's good. Have Tang Zong's parents arrived yet?"

Rong nuo shook her head, "there's no Zhenzhen."

Rong Yan was a little angry. Although she didn't have a good impression of the Tang family, their absence was another form of contempt for Rong nuo, which made him very angry.

Rong Yan comforted him. it's good that he didn't come. It'll save me from being annoyed when I see him.

“Oh right, where’s your father?”

“Dad, he has caught a cold these few days. Tang Zong is talking to him. He will be out in a while!”

rong yan smiled. "tang zong, uncle peirong, this wanwan really can't imagine the scene of the two of them together. "

Rong nuo remembered the last time she had brought Tang Zong to see Rong shenghai. She couldn't help but laugh."It doesn't matter. They won't say anything."

While they were talking, the Tang family finally sent a Tang Zhen.

Tang han glanced around the banquet hall. There were not many people, and the place was not big. The decorations were very warm. When his gaze fell on Gu you, who was chatting and laughing with Rong Yan and the others, he could not move his eyes away.

Tang Zhen had already prepared for this, but when he thought about Gu youran coming, he couldn't muster up the courage. He finally cheered himself on downstairs for a long time before coming up.

After looking at her for a while, Tang han lowered his head weakly. Even if he were to look at Gu youran face to face, he did not have the courage to walk over.

Once a person made a mistake and didn't make up for it in time, the mistake would snowball and get bigger and bigger!

in the end, it was so big that there was no way to make up for it.

Just as Tang han was distracted, he suddenly heard someone say, "I thought no one from your Tang family would come."

Tang han turned his head and saw that it was Liancheng Yazhi. He was holding a glass of fruit juice and drinking it slowly.

Tang Zhen didn't answer his question but asked, "How's your place?"

liancheng yazhi shrugged his shoulders. "it's okay. at least there will be an alert if someone is going to attack in qingqing."

Tang han knew that block a of the Empire was a famous hotel in the entire Imperial City. The security measures here should not be too bad.

"Aren't you afraid that someone will go to your house when you brought so many people here?" Tang Zhen asked again..

Chapter 1748 -gorgeously ignored

Liancheng Yazhi nodded. I'm afraid. But with Colonel Tang around, I think there should be no problem. However, if I were you, I would send reinforcements on both sides to avoid any accidents, right? "

"You don't need to worry about this. I will do it myself." Tang han coldly looked at him.

Liancheng Yazhi shrugged. I really don't have to worry about this. However, seeing my brother get engaged earlier than me? And how does it feel to see your ex-fiancée?"

bang bang! " tang han really wanted to pick up a bottle of wine from the table and smash it on liancheng yazhi's head. he had to stab a knife into the heart when he spoke to tang zong. [Tang Zong: no, brother, you are wrong. We are not like that. We usually sprinkle a handful of salt after we stab each other.]

Liancheng Yazhi whispered into Tang Han's ear, " i don't know if gu youran brought her son here today. my meowmeow likes that little brother a lot.

"Liancheng Yazhi, that's enough." Tang han clenched his fists in anger.

Today, Tang Zhen was wearing casual clothes. He was wearing an ordinary suit that was a little dull gray and black. If it wasn't for Tang Zong's engagement banquet today, he would have vented all the anger that he had suppressed for so long and ruthlessly beat up Liancheng Yazhi.

Liancheng Yazhi shrugged his shoulders and said indifferently, "I'm telling the truth. Besides, I'm doing this for your own good. I want you to have the courage to face the harsh truth and your miserable life.

His words were clearly infuriating, but he said it so seriously. He stabbed her and even wanted her to thank him. How could this kind of person not be angry?

"I don't want to cause trouble today, so don't always come and provoke me." Tang han gritted his teeth.

Liancheng Yazhi spread his hands. alright, let's change the topic. Aren't your parents coming? "

The corner of Tang Zhen's mouth twitched. This was a pleasant topic.

This was clearly a very heavy and cruel topic!

He said coldly, "I don't know."

Lian Cheng sighed and said, "Not coming? It's such a pity that his son's engagement party and his wife is so beautiful. Tsk, tsk, it's such a pity that his parents can't witness it!"

Tang Zhen turned his head, picked up a glass of red wine, and took a big gulp.

She didn't know if his parents would come because he didn't go home at all. He didn't answer the call from his mother either.

Tang han actually didn't like his parents to come.

That was because Gong Jie, Gu youran, was there.

Once Gu youran saw his parents, she would definitely be very angry. And when his parents saw Gu youran, he wondered if they would say some harsh words.

Although the two of them didn't get along, they continued to chat.

Until Tang Zong came out with Rong shenghai, and Gu Hesheng was next to him.

"it's about to start. let's go," liancheng yazhi said to tang han.

After Tang Zong saw Liancheng Yazhi, he let go of Rong shenghai and walked over in a few steps."Brother-in-law, you're here. Can we start now?"

Tang han was startled.

He didn't ignore it, he was ignored.

Tang Zong went straight to his 'brother-in-law', completely ignoring his own brother!

He was clearly the one who was the real kiss!

Liancheng Yazhi raised his hand and patted Tang Zong's sword eight. "What do you mean we can start now? boy, today is a good day for you and Rong nuo.

Whether we start or not, it's up to you two!"

Tang Zong scratched his head. hehe. It's all the same. Most of the people from the Kongtong Sect have arrived. Let's start..

Chapter 1749: I just want to see her one more time

As soon as he finished speaking, he finally saw Tang han beside him. Tang Han's head was covered in black mist. He had a frightened expression on his face, "ah, brother, you're here too. When did you arrive?" Since you're here, you can just be my background." Tang han shook his head.

When did he arrive?

He had clearly been standing here all along!

Liancheng Yazhi held back his laughter and said, "then let's start. We're family anyway. There's no need to be so particular." &Nbsp;

"Eh, alright, I'll get everyone to take a seat." Tang Zong was so happy that he ran away like a child.

Liancheng Yazhi extended his hand to Tang han and made a gesture of invitation. let's go. We're really Xuanji's relatives now.

tang han coldly snorted and turned around.

To hell with his relatives. He did not want to have anything to do with Liancheng Yazhi at all.

Tang han had just turned around when Liancheng Yazhi's phone rang. He took it out and was a little surprised by the number on it.

Liancheng Yazhi did not expect him to call at this time.

He hesitated for a moment and glanced at Tang Zong. He and Rong nuo were smiling as they invited everyone to their seats.

Liancheng Yazhi took two steps away and picked up the phone. "Hey, why are you calling me at this time?"

"i want to see her," the voice on the other end of the phone sounded tired.

Liancheng Yazhi was stunned for a moment. what do you mean? You want me to take a picture of you?" no, I hope you can arrange for me to meet him at a place where I can see her.

liancheng yazhi was extremely surprised and said in a low voice, " "You're back?"

The person on the phone was none other than Xia Xuanmo. When Liancheng Yazhi told him the news of Rong nuo and Tang Zong's engagement that day, he did not expect that he would have the courage to come back. Moreover, he was so far away, and he would not come back.

However, on the phone, Xia Xuanmo said, " yes, I thought I might never come back again. I-I still couldn't hold back. I still want to see her again. Can you help me this once? "

When he left the imperial capital, Xia Xuanmo once said that he might not return for a long time, and that perhaps Xuanji would never step into the imperial capital again.

However, after more than a year, when he heard that the girl he liked was going to marry another man, he could no longer remain calm.

in the end, he couldn't hold back and came back here again.

Liancheng Yazhi quickly digested the news of Xia Xuanmo's return. well, tell me honestly. Did you just take a look at her or do you have other thoughts? ”

If Xia Xuanmo had other intentions, Liancheng Yazhi would not help him this time.

Liancheng Yazhi agreed with the marriage between Rong nuo and Tang Zong and was happy to see it happen. He even regarded Tang Zong as one of his own. However, if Xia Xuanmo wanted to interfere again, then he could not.

Xia Xuanmo laughed at himself. I have a lot of thoughts. I want to take her away. I want to go back to the past. I want to take her to a place where it's just the two of us. But now, I know that even if I take her away, it won't help. I've lost her, completely lost her. I just still like her, I still love her, and I just want to see her.

as long as she's living well and happy, I'll be at ease.

Liancheng Yazhi didn't continue. He said, “Alright, I'll believe you this time. Where are you now?”

“At the entrance of the hotel,” Xia Xuanmo told him, “in a green taxi..”

Chapter 1750: Congratulations on getting your wish

Liancheng Yazhi said in a low voice. alright, you wait there. I'll get someone to bring you in. I'll arrange a place where you can see the banquet hall.

“Liancheng Zhenzhen thanks you,” Xia Xuanmo said.

“No need to thank me. Just don't get a fever after you're done reading.” Liancheng Yazhi was not a person who would say nice things to anyone. He could help Xia Xuanmo this once because of their past relationship.

Moreover, he was really starting to sympathize with him.

However, Liancheng Yazhi was a little worried that Xia Xuanmo would not be able to control himself when he saw Rong nuo wearing the wedding dress and the ring.

It seemed that he would have to arrange for a few more people to keep an eye on him.

no, “Xia Xuanmo smiled bitterly. I won't.

Liancheng Yazhi heard someone calling him from the other side and said, ‘

“let's do this.”

He hung up the phone and quickly called a male waiter over. He said a few words to him in a low voice, then deleted the call record and quickly walked to sit down next to Rong Yan.

Rong Yan pulled on his sleeve and asked, ” “What did you do just now? I was waiting for you.”

Liancheng yazhi smiled at the people around him and whispered to Rong Yan, “i have something to do.”

“what is it?”

“A small matter, Zhenzhen.”

Rong Yan pouted. don't lie to me. Why would a small matter take so long? ‘

it's not convenient to tell you now, ” Liancheng Yazhi said. I'll tell you after I get there.

After he said that, Rong Yan stopped asking. However, she still couldn't help but worry if something had happened.

At this moment, Liancheng Yazhi was sighing in his heart. Although the number of people who came today was limited, or even very few, it could be said to be very deserted compared to Liancheng Yazhi and Rong Yan's engagement banquet.

However, this relationship was really complicated.

Those who should be here had already arrived, so he hoped that it would not be too lively.

just as he was thinking, he saw tang zong wave at him.

“What's the matter?” Liancheng Yazhi asked.

“Brother-in-law, today is my engagement with Rong nuo. Why don't you say something? you have to give us an opening.” Tang Zong said in front of the crowd.

“but .” liancheng yazhi glanced at tang han, who was being used as a background, and the nervous rong shenghai. he didn't say anything else.

Liancheng Yazhi stood up and smiled. everyone here today is our own people, so I won't say much. First of all, I would like to congratulate Rong nuo and Tang Zong on finally getting married. I've been watching their relationship sprout and grow along the way, and I've been quite touched. At first, Rong Yan and I both felt that Tang Zong was not suitable for Rong nuo, but he was still very sincere. Now that our wish has finally come true, we should congratulate him the most.

Liancheng Yazhi turned around and said to Tang Zong, “Tang Zong, congratulations on getting what you wanted. Treat our Rong nuo well in the future. Otherwise, your sister and I will not let this go so easily.

“Don't worry, brother-in-law, I will definitely take good care of Rong nuo, just like you, Qianqian.” Tang Zong's face flushed with excitement.

Before Tang Zong could finish his sentence, a group of people suddenly appeared at the entrance of the banquet hall. There were at least seven or eight of them. The ones walking at the front were Tang Zong's parents, while the men and women behind them were all his uncles and aunts.

A chubby woman came in and shouted, ” “Why did it start? You're not treating us as guests?”

Tang Zong's eyes were immediately filled with anger. Fine, he had told them to behave themselves earlier. How dare they treat her words like air? since a group of people had come to die, there was no need for him to be polite.

When Tang han saw this, a deep sense of helplessness immediately surged in his eyes..
