Chapter 1761: bring your beautiful fiancée

The four of them turned their eyes to Liancheng Yazhi. When they looked at him, they sized him up and were on guard. "This is?"

Tang Zong lifted his chin. this is my brother-in-law.

The man who had praised Rong nuo just now immediately recovered. Hello,

Yingluo, this gentleman is really an elegant gentleman.

Liancheng Yazhi nodded slightly,"thank you, Yingluo."

it's getting late and the engagement party is about to end. My wife is pregnant and needs to rest, so I can't keep you company. I'll make Tang Sheng apologize to you all in the future.

What he meant was that he was going to bring his entire family home, and they could do whatever they wanted.

Liancheng Yazhi was probably too gentle and elegant, making people feel embarrassed to make a scene. Standing in front of him like this, one would subconsciously want not to ruin his calm and elegance.

After a moment of silence, the few of them looked at each other and said, " good. We'll play here for a few days. I think Yingying's place is not bad, so why don't we stay here?"

"it's just that zhenzhen will be here in a few days. dunn, you have to treat us well."

hotel is under my brother-in-laws name. But don't even think about staying here for free, " Tang Zong replied coldly.

Liancheng Yazhi smiled. manager, take the four of you to arrange the guest rooms. Tang Zong, you and Rong nuo can come home with us.

Originally, Liancheng Yazhi wanted to let Tang Zong stay and talk to them alone. But now it seemed that it was better to bring Tang Zong home and interrogate him first.

He decided to observe these people and see what their intentions were. The timing was too coincidental, and he couldn't help but overthink

liancheng yazhi's casual words made those people stop pestering tang zong for the time being. however, they did not seem to have any intention of doing anything too overboard. before they left, one of them said to tang zong, "dunn, the next time we meet, you must bring your beautiful fiancée and introduce us to each other."

"get lost! go home and get to know your mother!" tang zong cursed.

The man didn't get angry. Instead, he laughed and said, haha, Yingluo, I didn't expect Dunn to be so angry.

Tang Zong looked at Rong nuo a little worriedly, but she was looking at him with a very scary expression. Tang Zong shivered and quickly smiled at her.

Rong nuo didn't speak. She knew that it was best not to say anything or ask anything. Whatever she wanted to do, she could talk about it when she got home. Even if she wanted to clean up, she could settle the accounts after she got home.

If there was anyone who was the most shocked, it would be Tang Zhen. No matter what, Liancheng Yazhi had investigated Tang Zong, but Tang Zhen had never done so. Ten years ago, Tang Zong had left the Tang family for ten years and only returned last year.

Before this, everyone in the Tang family seemed to have forgotten about this devil incarnate. They were deliberately trying to forget about him. No one had even asked how Tang Zong, who was still an underaged teenager four years ago, had managed to survive in a foreign country.

What kind of life had he been living all these years?

Today, when Tang Zong's so-called friends appeared in front of everyone, Tang Zhen finally realized that although Tang Zong was his younger brother, he knew nothing about it.

After the four of them left, Liancheng Yazhi said, " "Alright, since we're almost done, let's go back."

"I didn't expect to make everyone unhappy in the end. I'm very sorry. I'll definitely apologize to everyone next time." Tang Zong said to everyone..

Chapter 1762: Stunning yet cruel eyes

Ye nuanyang said, 'It's fine, it's fine. I'm quite happy today. Congratulations. Remember to send us an invitation when you get married.

"Definitely," Tang Zong nodded.

After sending off the guests, Liancheng Yazhi bent down and picked up

MeowMeow. "

"Daddy, I want to walk on my own," MeowMeow said immediately. "Alright, our little princess is going to be a big girl," Li Liancheng Yazhi said with a smile.

Liancheng Yazhi put down meowmeowmeow and she immediately ran to grab

Dong Tian's hand. Dong Tian was unusually silent today, almost not saying a word, like an invisible person.

Liancheng Yazhi knew that he might have had some psychological trauma because of the lesson on fighting beasts, but he needed to rely on his strong willpower to get through it. If he could get through this, the lessons in the future would be even more cruel. How could he get through it?

The group of people took the elevator down to the first floor. As soon as they came out, they saw that the four people had already checked in and were about to go upstairs.

In the end, they saw that

The blonde foreigner's eyes lit up when he saw MeowMeow. "I didn't expect that there would be a beautiful little kitten hidden here."

Dong Tian's expression was cold. He opened his arms and used his thin body to protect MeowMeow. He looked like a Wolf Cub, ready to pounce on her and tear off a piece of her flesh at any time.

rong Yan's voice was very gentle. her temperament was getting gentler by the day, and facing such a person, the person was embarrassed. he stood up. "sorry, huahua, i just thought she was cute and wanted to play a joke on her."

MeowMeow said in a low sorry, Yingluo.” Rong Yan nodded at the man and left with winter of the year, MeowMeow.

Liancheng Yazhi bent down and picked her up. what's wrong? didn't you just

[illegible]

raised her head to take a peek and saw the young man turn around. His gaze was as sharp as a sword. MeowMeow quickly lay on Liancheng Yazhi's shoulder and did not dare to look up again.

It was this pair of eyes that scared MeowMeow so much that she didn't dare to look at the Golden things for a few days.

As soon as she walked out of block A's Gate, the driver had already parked the car at the entrance.

The manager came to open the car door for them, but Rong Yan heard the sound of an argument in front of her. She also seemed to have seen Tang han..

Chapter 1763 - 1763: That figure just now was so familiar

rong yan asked, "what's going on over there?"

the manager quickly replied, “madam, the tang family’s parents are quarreling with a guest you invited today.”

"It's Gu youran," Rong Yan frowned.

The two parents of the Tang family really couldn't save any trouble. They were afraid that Tang Zong would be able to hold on until the end in the hotel.

He didn't expect that the moment he stepped out of the store, he would start to target Gu youran.

I really don't understand how a person can be so outrageous. Rong Yan said, "go and tell Tang Han's parents. Does my friend have any objections?" If you have any objections, please take them back." The manager nodded, "yes, I'll go take a look now." Rong Yan didn't want to listen to their argument, but she couldn't see Gu youran alone and helpless, so she said, "arrange for a car to send Gu youran back. If she tries to stop you, ask the security guards to pull her away. After Rong Yan got into the car, Liancheng Yazhi closed the door and got in from the other side. He took the opportunity to ask the manager, "Have you sent him away?" The manager knew that he was asking about Xia Xuanmo, so he quickly said, "Let's go, Zhenzhen." Liancheng Yazhi heaved a sigh of relief. It was good that she had left. He could only do this much for Xia Xuanmo now, and he couldn't do anything more. Rong nuo had already started a new life. He hoped that Xia Xuanmo would do the same. Self-exile was a form of punishment, but punishment would always come to an end. Since there was no way to make up for her mistakes, she should start a new journey with guilt. For a person like Xia Xuanmo, if he didn't give up on himself, his future career would not end here. Even though he could no longer rely on the Xia family, he was a capable man. As long as he worked hard, he would not stay in that barren land forever. This was the only blessing Liancheng Yazhi had for Xia Xuanmo. He hoped that when they met again in the future, he would be able to see a different Xia Xuanmo. after liancheng yazhi got into the car, the car started slowly. Tang Zong and Rong nuo sat in the car behind them. Rong Yan asked Liancheng Yazhi, "what do you think about Tang Zong's matter?" Those friends of his are truly shocking." Liancheng Yazhi reached out and pinched Rong Yan's slightly swollen legs."I'm quite surprised. However, let's talk about Tang Zong's matter when we get home. There's no rush now. It's already very late. You should rest. You've had a long day." Just as he finished speaking, he saw a taxi flash past the window. Liancheng Yazhi was stunned for a moment and immediately turned his head to take a look. As expected, the green taxi was parked in the same place. It was almost invisible in the shadow of the tree. The location was very close to block A of the Empire, and it was the road they had to pass through to get out. Liancheng Yazhi shook his head and sighed. He still hasn't left, Yingluo. "What's the matter?" Rong Yan asked him. "I'm fine, maybe my eyes are playing tricks on me." In the car behind them, Rong nuo was talking to Tang Zong. Rong nuo crossed her arms and asked, "speak, who are they?" Don't tell me it's really a touch, I won't believe it. ' Tang Zong thought for a while and said, "It's ran ran, it's ran ran, it's a colleague." "Colleagues?" "That's right, my colleague ran ran is really one." Tang Zong nodded. Rong nuo turned to look at the window, a little angry. "Do you think I'm a three-year-old child?" She happened to see the taxi outside the window, and the figure in the back seat flashed by. Rong nuo felt her vision go blurry, and then she could no longer hear Tang Zong's voice. just now, That figure just now was so familiar!

Chapter 1764 - 1764: Reliving an old dream

"Nuonuo, I was wrong. But they are really my colleagues." Tang Zong pulled Rong nuo's arm and said.

rong nuo regained her senses. " hmph, i'll teach you a lesson when we get home. "

She thought to herself that she must have seen wrongly. How could he possibly appear here? she must have seen wrongly.

The fleet of cars moved away like flowing water. The taxi driver sighed and said, "it's so nice to be rich. Look at that car, it's so much better than mine. You're my brother? Oh, where are you going, Yingluo?" after a long while, a very hoarse voice came from the back seat. "airport huahua." "alright, brother. Does your throat hurt? your throat is so hoarse."

"Yeah, a little." the green car went in the opposite direction of the convoy, getting further and further away.

The night finally calmed down. No, I haven't! it should be said that the most dangerous part was at the back. today, they were on a roller coaster. until the car stopped, they were in a high state of tension. Liancheng Yazhi had originally wanted to use Tang Zong's engagement banquet to lure the snake out of its hole, but those snakes never appeared. Liancheng Yazhi had been on high alert ever since he got into the car. He guessed that the hotel's security measures were too good, so those people did not have a chance to enter. So, Yingying would probably choose to wait for them on their way back. Liancheng yazhi had already thought about this before, so he quickly called secretary Zhou. "Secretary Zhou, let's start Plan B." "Will Yueyue be in danger?" Rong Yan asked Liancheng Yazhi. Liancheng Yazhi shook his head. we'll have to see if Secretary Zhou's smokescreen will work. For the absolute safety of you and MeowMeow, we have to do one more thing. "What's the matter?" Rong Yan asked. Liancheng Yazhi blinked at him. "You'll know when the time comes." After getting out of the car, MeowMeow sat in the elevator and saw a familiar poster on the elevator. She pointed at it and asked, "Dad, why are we back here?" "dad doesn't think it's fun for us to stay at home all day," Liancheng yazhi said. "how about we stay here today?" When they were still one floor away from the top floor, the elevator stopped. Liancheng Yazhi said to Tang Zong and Rong nuo, "the two of you will stay on this floor. the room with the waiter at the door is your room for today. remember, don't leave the house before i tell you to come out tomorrow." "Brother-in-law, does this mean that I can be with Rong nuo tonight?" Tang Zong asked excitedly. "you can also choose not to stay," Liancheng yazhi teased. "No, no, no, I'll stay. Of course, I'll stay." after tang zong finished speaking, he pulled rong nuo and ran out of the elevator. "Brother-in-law, thank you," he did not forget to shout. When the elevator reached the top floor, Liancheng Yazhi brought MeowMeow and Rong Yan to the door. He entered his fingerprint and unlocked the door. He pushed the door open and let MeowMeow in. "Baby, what do you think? is this nlace beautiful?" "Are we staying here today?" MeowMeow looked around curiously. Liancheng Yazhi hugged Rong Yan and entered the room. "This is where your mother and I met. Tonight, we're here to reminisce about old dreams." Liancheng yazhi brought rong yan and meowmeow back to block a of the empire. He was very worried. What would he do if he encountered an ambush on the way back? He was fine, but Rong Yan and meowmeowmeowmeowmeowmeow couldn't stand any danger. Therefore, he decided to turn back to block A of the Empire on the way..

Chapter 1765: The flower finally has its mistress

the original plan b was for secretary Zhou to prepare an identical team and set off in front. then, they would replace the car and use a smokescreen to deceive those people.

However, Liancheng Yazhi was worried that it would still be dangerous.

After all, they had passed the journey safely, but what about at home?

His family was not that peaceful, so in comparison, it was better for him to return to block a at this time.

Returning to the room she had stayed in back then, Rong Yan's heart was filled with endless emotions. This was indeed the place where she and Liancheng Yazhi had started.

The decorations and decorations hadn't changed for many years. It was still the same as before, even the curtains, bed sheets, and small decorations.

There was also a small vase on the table. There was a rose in the vase. It was red, like a flame.

"Why is there a flower?" Rong Yan asked curiously.

they had decided to come here at the last minute, so liancheng yazhi should not have asked people to prepare in advance.

However, Rong Yan didn't know that this was indeed prepared in adval had been prepared several years ago and would change every day. Ever would be the freshest flower.

liancheng yazhi hugged rong yan. " the flowers here are always the fre today, this flower finally has its mistress. " rong yaws eyes heated up and she glared at liancheng yazhi.

Meowmeowmeowmeowmeowmeowmeowmeowmeow ran out and hug

Liancheng Yazhi's leg."Daddy, I like it here, Yingluo!"

Liancheng Yazhi flicked MeowMeow's head gently. "of course you like I place. if it wasn't for this place for me to meet your mother, you little b knows where you would be?"

Meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmec

Rong Yan said, "alright, don't make a fuss. It's getting late. Rest. Othen won't be able to get up tomorrow.

after taking a hot shower, rong yan and meowmeow were already lyinf bed and didn't want to move.

Seeing that Rong Yan was talking to meowmeowmeow, Liancheng Yaz out his phone and answered the call.

The call was from Secretary Zhou. He said excitedly, young master ya, guess is really accurate. If you follow the original route back home, YOI attacked at xxx Street. They have also set up time bombs along the roa passed. The explosives will only destroy the car but not kill the person.

liancheng yazhi laughed. of course, he didn't dare to blow someone up. if he really did, who would they go to for kang yu?

"What about at home?" Liancheng Yazhi asked again.

Secretary Zhou said, " Tang Han's men have already exchanged fire with them. However, their attack this time is very fierce. I don't know where they got their new weapons from. They have a new type of rocket cannon. It's very powerful.

Liancheng Yazhi's eyes were cold. they are using double insurance. They are attacking from both sides at the same time. As long as one of them succeeds, it will be enough. Now, the ambush on the road must have failed. They will put all their focus on the other side. What about Tang han? "

Secretary Zhou shook his head. I don't know. I don't think he's at the scene.

I understand. Keep an eye on the situation and let me know at any time. Liancheng Yazhi hung up the phone and immediately called Tang han.

tang Zhen was standing at the door at half past six. he was waiting for gu youran.

his phone rang and he saw that it was liancheng yazhi. he wanted to hang up, but when he remembered that something was probably going to happen tonight, he picked it up.

then, he heard liancheng yazhi say, 'where's colonel tang? You won't be able to salvage the situation even if you try now. You should think about your job first..

Chapter 1766: Liancheng Yazhi, that old fox

"Why do you say that?" Tang han asked coldly.

Liancheng Yazhi chuckled. your subordinates are fighting for their lives. It doesn't seem very good for you to be busy with a love that you can't salvage at this time.

"Did something happen?" Tang han immediately became alert.

Liancheng Yazhi nodded. yes, something has happened. Those people are trying to tear down your line of defense with their firepower. It doesn't seem good that you're not at the scene at this time. It's your turn. If you rush over now, you should be able to make it in time.

Tang Han's heart trembled. I know.

He didn't say anything more. He hung up the phone and prepared to get into the car. but at this time, the hotel car that was sending gu youran to her had also arrived.

When he saw Gu youran coming down, Tang Zhen stopped and said to Gu youran, " youran, I'm sorry. In the future, I won't let my parents cause you any more trouble.

Gu youran turned a blind eye to Tang han as she walked past him. She completely ignored his person, his words, and his guilt.

Tang Zhen gritted his teeth, turned around and quickly got into the car. He stepped on the accelerator and rushed out.

Gu youran did not seem to see him. Whether he came or left, he was like air to her.

Tang han didn't even care about running red lights as he drove. He was on the phone as he rushed over.

He must not let those people cross his line of defense. This was not only related to the order from his superiors, but also his dignity as a soldier. He could not let Liancheng Yazhi laugh at him.

Tang Zhen called the people he had stationed around the Lian Cheng old mansion, but they couldn't get through.

He felt that the situation was not good, so he called the headquarters first. "It's me, Tang han. Immediately send 7th company to line 1 as reinforcements. Be quick and remember to bring some powerful weapons. When you arrive, you don't need to accept any combat orders. Just speak when

you see the enemy.” after tang han made the arrangements, he quickly rushed into the encirclement. from afar, he could see artillery fire, and the sound of gunfire shook the sky.

Some police officers had already sensed it, but the other party’s firepower was particularly strong. In comparison, the pistols in the police officers’ hands were too thin.

tang han didn’t stop his car as he drove into the crossfire between the two sides.

Tang Han’s luck was good enough. The cannonballs landed next to the car almost every time, but the car only shook and didn’t explode. A few bullets passed through the windshield, but no one was injured.

Finally, they arrived at their position. Tang Zong immediately stopped the car and jumped out.

“what’s going on? why didn’t you call me?” he asked.

That person was already slightly injured. When he saw Tang han, he looked like he had seen his own father. Regiment commander, the other party used radio signal shielding on us and hacked our computers and mobile phones. We wanted to send someone to inform them, but the other party’s firepower is too strong. It’s difficult to rush out.

“Tell everyone to hold on, the reinforcements will be here soon.”

These Mad Dogs had launched such a powerful attack in a peaceful city. If they didn’t end the battle in a short time, only death would await them.

At this time, the longer Tang han and the others dragged on, the more they were already moving towards it.

tang han looked at the fierce attack in front of him and thought of what liancheng yazhi had said. he gritted his teeth and said hatefully, ” liancheng yazhi, this old fox, had calculated everything..

Chapter 1767: i’m relieved that you’re not well

Liancheng Yazhi, who was being greeted by Tang han, was now lying comfortably on everyone’s bed. The family of three was extremely warm.

There was a small yellow light at the head of the bed.

Back then, she and Liancheng Yazhi had started here. Thinking of that time, Rong Yan suddenly felt that it was a very distant thing for her to be resurrected.

When Liancheng Yazhi returned from the phone call, Rong Yan told him, ” I thought tonight would be a rough night. I didn’t expect it to pass so peacefully.

liancheng yazhi smiled. “calm? Do you think tonight’s events can be considered calm?”

Rong Yan was stunned for a moment before she recalled what had happened at Tang Zong’s engagement party that night.

Rong Yan laughed on her own. indeed, tonight was the most exciting. Those who should have come and those who shouldn’t have come, everyone is here. It’s even more lively than the show on the stage. Even without what happened later, it can’t be called calm.

speaking of the people who had come tonight, rong yan thought of tang zong’s four ‘friends’.

Rong Yan was a little worried and asked, “yes, Tang Zong. Then, Huahua

Liancheng Yazhi patted her shoulder. it’s his business. He can solve it himself. However, the capital is getting more and more lively.

the appearance of tang zong’s four mysterious friends made the already turbulent imperial capital even more chaotic.

whether their appearance was coincidental or premeditated, time would tell.

Rong Yan’s hand gently scratched Liancheng Yazhi’s neck. hubby, when I look at those four people, I feel like I’m touching them.

Rong Yan couldn’t tell what she was feeling. She just felt that something wasn’t right.

“There’s something strange about them, isn’t there?” Liancheng Yazhi asked.

“maybe, yingluo.”

“When we get home tomorrow, we’ll ask Tang Zong and we’ll know.” Liancheng Yazhi placed Rong Yan’s hand under the blanket.

“What do you think Tang Zong does for a living? don’t tell me he’s doing something even more dangerous than Tang Zong? Then wouldn’t I be pushing

Rong nuo into the fire pit?”

Liancheng Yazhi patted her back. don’t think too much about it. Sleep first.

We’ll talk about everything after we ask tomorrow. Be good and go to sleep. Go to sleep.

Rong Yan thought in a daze, ‘it’s over, I’m already engaged.’

Even if what Tang Zong did was more dangerous than simple, Qianqian would not be able to pull Rong nuo out of the fire pit.

That night, Tang Han’s battle did not stop. That night, Liancheng Yazhi’s side was safe and sound.

It was dawn, and the smoke of war on the battlefield was blown away by the morning wind. The injured Warriors were sent to the hospital for a walk.

After everything had calmed down, Liancheng Yazhi brought his family out of block A of the Empire.

The extended version of the car was parked at the entrance of the hotel. Liancheng Yazhi’s family of three got in first, and Tang Zong and Rong nuo got in last.

However, just as Tang Zong helped Rong nuo into the car, he heard the strange accent of a foreign language again.

Hi, Dunn. Good Morning. I saw you as soon as I left the house. The weather is really good.

this jumbled up chinese language made people who heard it feel disgusted.

Tang Zong glanced at the sun that was already starting to heat up above his head and cursed silently. Good weather your sister.

Tang Zong turned around and saw the deep dark circles under the other party's eyes. One look and he knew that she did not sleep last night. He smiled and said, "I'm relieved to see that you didn't sleep well last night.."

Chapter 1768: Daddy, that person's eyes are so scary

These words were nothing to Chinese people, but for a foreigner who had a poor grasp of Chinese, it was a little difficult to understand because the words were twisted a little too hard.

The other party's golden hair was shining under the sun, like gold, extremely dazzling. However, the smile on his face was even more radiant than the sun. His slightly charming facial features were extremely bright at this moment. He smiled and said, "Thank you for your concern, Yingluo. I really didn't sleep well last night. Are you planning to entertain us today?"

Tang Zong glanced at the few people who were slowly walking over from behind him and said, "It's Yingluo. It's today."

however, I have to go home first. I'll look for you guys after I go back. Tang Zong pondered in his heart. The documents would have to chase these people away sooner or later. It was better to solve this problem as soon as possible.

to be honest, tang zong had never expected that they would come over. he had no idea what they were up to by sending out four of them.

"Don't, the weather is so good today, why go back? it's our first time here, can you show us around?" he even bowed and greeted Rong nuo in the car. "Hi, beautiful lady, what's your name?"

Tang Zong pushed him away and stood in front of the car door. He said coldly,

"I'm telling you in advance, the women here are different from those overseas. If you casually hit on someone on the street, you'll probably be taken to the police department. At that time, I won't protect you."

The man's golden hair trembled. Oh my God, it's so scary, Yingluo. "wait for me at the hotel, i'll be there soon," tang zong impatiently replied.

"Remember to bring your fiancée along. We really want to get to know her." Tang Zong cursed,"get lost, Yingluo."

That person didn't care about Tang Zong's curses at all. He mumbled something in a foreign language to the three people behind him.

In the end, the three of them nodded their heads. Hence, Tang Zong said goodbye to them, got into the car, and left.

Just now, when Tang Zong was talking to that person, Liancheng Yazhi had been sitting in the car and watching.

His sharp eyes noticed that although they seemed to be joking with each other during the conversation as if everyone was the same, if one looked closely, they would realize that each of the four should have their own division of labor.

For example, a very gentle-looking foreigner who was used to communicate with others, the one who had been talking to Tang Zong.

One was to pay attention to defense, the person who suddenly stood beside

Rong nuo last night. He probably did not do it on a whim, but was testing Tang Zong, and also to see if there was anyone in the field who harbored hostility towards them.

The remaining two people were silent.

however, the four of them had an unfair division of labor. their positions were also different. they all looked the same, but one could vaguely notice that the youth had the highest status after the four of them. although he didn't speak, the person who spoke the most would subconsciously glance at the youth every time he spoke about the right to decide on a matter. although it was very short, it was obvious that he was seeking his opinion.

This Tao Wu made him even more curious.

lian Cheng yazhi was very interested in the identity of the four people.

it was very quiet in the car. no one spoke, and the atmosphere was a little awkward.

"Daddy, that person's eyes are so scary!" MeowMeow suddenly said..

Chapter 1769: Golden eyes, as warm as the sun

Meowing sounds broke the silence. Liancheng Yazhi picked her up and asked with a smile, "Which one?"

"It's that golden Suan ni."

Liancheng Yazhi thought for a moment. Those few people had blond hair and blue eyes, and their golden eyes seemed to only belong to that young man?

he asked meowmeow,"golden?" Are you talking about the shortest youth? You saw his eyes?"

Foreigners develop their bodies earlier than Chinese people. A 15 or

16 -year-old might not be that old at all. The young man looked like he was 15 or 16, but his actual age was probably only 12 or 13 years old.

meowmeow nodded,"yup, yingying is scary."

Liancheng Yazhi hugged her and shook her gently. He said softly, " "It's fine. How could it be scary? he didn't even get close to you, and he didn't do anything to you, right? baby, what color do you think the sun is?"

Liancheng Yazhi asked him. that's right. The golden sun released such warm sunlight. Are you afraid of the sun? "

MeowMeow shook its head. I'm not afraid. The sun is very warm.

yeah, ” Liancheng Yazhi said. the sun is very warm. How can an eye that has the same color as the sun be scary? ”

‘C ES, fjRih?5,

“Of course, is what Dad said wrong?”

Liancheng Yazhi coaxed MeowMeow very quickly. Tang Zong looked at him with admiration. brother-in-law, you’re amazing. Do you think I’ll be a good father like you when I have children in the future? ”

Liancheng Yazhi raised his head and glanced at Tang Zong. “This Yingluo.”

“It’s hard to say,”

Tang Zong was a little dejected, but he quickly added, I will work hard, really Xuanji, xuannuo. Believe me, I will definitely be a good father.

Rong nuo’s face was red as she pinched Tang Zong’s arm. what are you saying, the child is not even here yet.

“We can work hard,” Tang Zong blinked his eyes.

Rong nuo was even more embarrassed, “don’t say anymore, Zhenzhen.”

Along the way, they only talked about the children. No one asked Tang Zong about the four people.

However, they all knew that they could only ask these questions after they had returned home and sat down.

when they passed by the encirclement that tang han didn’t know about, liancheng yazhi made the car slow down a little. he saw that there were a lot of potholes on the ground, which were obviously damaged by the artillery shells.

this place had been completely cleaned up. besides the bullet marks on the ground, the other places were completely invisible.

The cars that were originally parked here were probably damaged, so they were all replaced with new cars. The people inside must have been replaced as well.

“it seems like the fights here at night are very intense!” tang zong shook his head.

“It’s quite intense,” Liancheng Yazhi said.

“Why don’t we stop the car? I’ll go down and ask the people in the car about the situation,” Tang Zong suggested.

The car stopped and Tang Zong jumped down. He knocked on the window and said, hey, brothers, you must be new here. Did you participate in the battle last night? ”

The man’s face was cold. we don’t know what you’re talking about.

Tang Zong stretched out his hand and pushed his shoulder. “Come on, why are you beating around the bush with me? where’s your boss, Tang han?”

The man sat in the car, but his back was very straight.. He still repeated the same three words, I don't know,"

Chapter 1770: Even such a strong-willed person could get hurt

Tang Zong said disdainfully, " this is so boring. You won't be able to find a girlfriend like this. If you don't tell me, I'll go and ask Tang Zhen directly. Humph!

Tang Zong turned around and was about to leave, but the person in the car called out to him, wait a minute. Colonel Tang was injured in last night's battle and is still in the hospital. If you want to go, can you come back and tell us? we don't know his condition yet.

these people were all tang han's subordinates. they were on duty here and couldn't leave their posts. furthermore, they didn't contact anyone casually, so they were all quite worried about tang han.

Tang Zong was stunned. Tang Zhen was injured?

Tang Zong furrowed his brows. He really couldn't imagine how Tang Zhen would look like when he was injured. A strong and cold man like him was actually injured.

Tang Zong's emotions were a little complicated. He nodded. "Good Yingluo."

He thought of something and asked, "Oh, that's right. Tang han is injured. Who are you guys listening to now?"

The man shook his head, "we can't say Yingluo."

Tang Zong chuckled. my name is Tang Zong. I'm tang Zhen's younger brother. Even if you don't tell me, Tang Zhen will tell me.

The person in the car looked at the others and then told Tang Zong, we don't know yet. Our Regiment commander was injured last night. If his injuries weren't serious, we might not change him. If his injuries were serious, the higher-ups would have to figure out who to send over. This would take time, at least two days.

"that's fine. i'll come back in two days after i've seen tang han."

Tang Zong turned around and got into the car. After closing the door, he told Liancheng Yazhi, last night's battle didn't seem to be as intense as usual. Even Tang han was injured and hospitalized.

Liancheng Yazhi was a little surprised. he was injured and hospitalized? " Secretary Zhou had not informed him of this news yet.

Liancheng Yazhi was silent for a while before he said, " "It seems that we'll have to change this time."

If he really had to choose an opponent, Liancheng Yazhi would rather that person be Tang han. Besides him, it was estimated that no one else could do it. He would be able to distinguish between public and private interests and be open and honest.

If it was someone else, he didn't know what methods they would use, but he was sure that they wouldn't follow the rules like Tang han.

The news he had heard so early in the morning was not good.

However, it seemed that his illusion of fighting Tang han head-on was going to be destroyed again.

“you should go to the hospital to check on tang han’s condition,” liancheng yazhi said.

“Yes, I will.” Tang Zong nodded.

When they finally returned home, Tang Zong was about to go upstairs to change his clothes when he was stopped by Liancheng Yazhi. “Don’t rush upstairs, sit down and let’s have a good chat about Yingluo.”

Liancheng Yazhi took off his coat and threw it to the maid. He smiled and said,

I think you also have a lot to tell us.” tang zong secretly cursed him for being an old fox. ” hehe, brother-in-law, everyone has been worried for the whole night. let’s get some rest first. ”

Unexpectedly, Rong nuowen gently said, ” ” it’s okay. we’re not tired. did you tire yourself out last night? ”

The corner of Tang Zong’s mouth twitched. It’s over, it’s over. Even Rong nuo was not on his side.

rong nuo’s words made tang zong not dare to say that he was tired. she had already said that she was not tired. if she said that he was tired, wouldn’t that mean that she was admitting that she was not good enough and that she was not as good as a woman? of course not.

“Tired?” Tang Zong laughed. How is that possible? I’m in good spirits.” Tang Zong sat down. a chat? sure.. What do you want to chat about? “
