

Permit Me 1801

Chapter 1801: It's not good to leave after winning!

Rong nuo said and laughed. When she was decorating the young man's room, Rong nuo didn't know his preferences, so this room was basically decorated according to MeowMeow's preferences.

However, he now felt that such a dreamy and childish room was not suitable for a gloomy teenager like Qin Zhuan Tyr to live in.

Children should be like

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow.

Rong nuo said to him, "I'll redecorate your room this afternoon. It won't be good if you don't feel comfortable and it affects your mood."

"Don't be angry. I'll be back tomorrow. Besides, you lost to me only because you rarely played Mahjong. Look, didn't you start to win money gradually?" Tang Zong chuckled. This means that you're starting to get used to it. Even though you've lost a lot today, you'll win once you're familiar with the rules."

"If I were you guys, I'd look at some information about this tonight and think about the techniques. Get ready and fight with me tomorrow."

"How about this? since you guys can't afford to lose, I'll just return the money to you guys." Tang Zong's mind spun twice before he said.

Tang Zong knew that these few people had a lot of self-respect and were very proud. It was precisely because of this that they could not tolerate him losing so much this afternoon.

However, if they said that they couldn't afford to lose, they could be provoked.

who do you think we are? " said Farnhill. What do you mean we can't afford to lose? it's just some money. Hurry up and take it. Tang Zong laughed out loud in his heart, "if it's really Qianqian, then I won't stand on ceremony." "Take yours," Leon's eyes were spitting fire. just you wait, " he added, " we'll definitely beat you tomorrow. As Tang Zong kept the money, he said, " alright, I'll be waiting. All the best to you guys tonight. Oh, you guys can contact each other by yourselves. The three of you can play too. Tang Zong carried the money he had won and left happily. After coming out, he pulled Rong nuo and started to run wildly. After getting into the car, he didn't even have time to fasten his seat belt. After starting the engine, he stepped on the gas pedal and drove out of the garden. After driving out of the manor, Tang Zong slowed down and asked Rong nuo to buckle up her seat belt. Rong nuo asked him, "what's wrong?" Why are you in such a hurry?" Rong nuo heaved a sigh of relief,"can I not be anxious?" Their eyes are red from losing and they haven't come to their senses yet. If we wait for them to come back to their senses, we won't be able to leave tonight." Although he was fine during the day, who knew what would happen when he fell asleep at night? he didn't want to stay with those perverts at night. Not long after Tang Zong left, Farnhill and the other two suddenly came to a realization. Farnhill slammed the table and cursed, " sh * t, I was tricked by that bastard Dunn. Lai ang rubbed his forehead and looked at the mess of mahjong

tiles. He gritted his teeth and said, "He's getting more and more cunning." "Then who's going to tell Tyr about this?" he asked. The three of them looked at each other, and finally, he said, "let's go together." During dinner, the three of them sat on the chairs and kicked each other under the table. However, no one was willing to be unlucky. In the end, it was still Leon who braced himself and said, "Tyr, I'm sorry. Our Chengcheng didn't stop Dunn today and let him take his fiancée back. But we'll definitely stop him tomorrow. Tyr didn't stop picking up food, but his eyes swept coldly across them. the three of them felt as if they had been shot and were in all sorts of discomfort. tyr still didn't say a word. after the meal, he got up and left. He didn't return to his room, but instead shuttled back and forth in the manor like a ghost. With his departure, the atmosphere finally relaxed. "Is he angry or not?" asked Farnhill. it's really hard to understand, "Leon sighed. you're always so quiet..

tyr still didn't say a word. after the meal, he got up and left.

He didn't return to his room, but instead shuttled back and forth in the manor like a ghost.

With his departure, the atmosphere finally relaxed.

"Is he angry or not?" asked Farnhill.

it's really hard to understand, "Leon sighed. you're always so quiet..

Chapter 1803: The most difficult person to get along with in this world

tang zong held rong nuo's hand and walked into the living room of liancheng's house. as soon as he entered, he laughed loudly and said, 'We're back.'

what's wrong? "Liancheng Yazhi raised his head and glanced at him. how was today?"

Tang Zong walked over and pulled Rong nuo to sit down. it's alright. We've finally made it. We'll work harder tomorrow.

MeowMeow pouted. aunty, where did you go? why didn't you take me? "

Rong Yan touched her little face. baby, I'm not going to play. I have something very important to do.

Rong nuo smiled and said, " next time, okay? the next time I go out to play, I will definitely bring you along. i*bütfii?fiR70 rong nuo's heart softened when she saw meowmeow like this. thinking of that young man again, she sighed, "Sure enough, our meowmeowmeowmeowmeow is the cutest." Rong Yan could tell that her words seemed to be a reflection of her feelings and asked, "What's wrong?" Rong nuo said, "it's the teenager that Miaomiao said had a pair of scary eyes yesterday. He's the most difficult person to get along with in the world." "I spent a day with him and we talked a lot, but he only said two words to me." Tang Zong looked at her in surprise. he even said two words to you. That's good. If he didn't call Farnhill's name yesterday, I would have thought that he couldn't speak at all. "What's your attitude towards the junior Division?" Liancheng Yazhi asked Tang Zong. Tang Zong thought for a moment and said,"Ignore it, as if it's nothing." Rong nuo smiled,"" these two words are very appropriate." Tang Zong shrugged his shoulders. I can't tell from his attitude at all because he's always like that to everyone. I really don't know how he managed to develop such a gloomy look at such a young age. Tang Zong nodded his head. yes, I understand. I will keep an eye on him. Since everyone had something to do tomorrow, they talked about flowers for a while after dinner and then went back to their rooms to rest. The next day, early in the morning, Tang Zong woke up full of energy. After breakfast, he said goodbye to everyone and continued to go to the top scorer to deal with the group of people who came to take his life. On the other hand, Liancheng Yazhi resentfully waited until it was almost time before he left home and went to the hospital to visit! Tang han was injured on the line of duty. Furthermore, he had made a great contribution that night. It was because of his good command that he did not let any of the criminals go. therefore, tang han's condition in the hospital was still very good. Liancheng Yazhi went to visit Tang han and was not stopped. After entering, he saw Tang han lying there alone. There were flowers around him, but there was no one beside Wanwan. To be honest, she seemed quite pitiful. So what if he was filled with glory? his heart was still as lonely as snow. Liancheng Yazhi did not knock on the door. He looked at the door for a while before calling out, " "Colonel Tang, how's your injury? Tang han turned his head and saw Liancheng Yazhi. A hint of displeasure flashed across his pale face. "What are you doing here?" Liancheng Yazhi walked over and sat on a chair by the bed. of course it's Yingluo who's visiting you. No matter what, we're deeply connected. It's only natural for me to visit you. "What kind of visit is this? empty-handed?" Tang han snorted. Liancheng Yazhi shrugged his shoulders and pointed at the table that was almost piled up into a sea of flowers."Do you still lack flowers and gifts?" Tang Han's eyes gradually darkened..

Chapter 1804: you're not that good, and i'm not that stupid

Yes, he didn't lack flowers, gifts, or honors now. After all the excitement, what was left for him was physical pain and loneliness in his heart.

his family was now alone, receiving congratulations from relatives and friends because he was going to be promoted after this.

But who would be there to look after him? who would take care of him when he needed someone to take care of him the most?

Thinking about it now, Tang Zhen only felt that he was quite pitiful.

He had fought a bloody battle on the battlefield, but the glory he had earned was actually given to others more than anything else.

After Tang han came back to his senses, his attitude towards Liancheng Yazhi was a little better than before. However, it was not much better. He said coldly, "I'm no longer in charge of your matters, so why are you still looking for me?" Liancheng Yazhi smiled. you've protected me for such a long time. At least so far, what you've done is to protect my family. There's no harm done, don't you know? " Just based on this friendship, I had to come and see you, or else it would be too unreasonable." Tang Zhen closed his eyes. don't give such a Grand reason. You're not that kind. I'm not that stupid either! Liancheng Yazhi laughed out loud. I suddenly realized that your IQ has improved a lot since we were neighbors. Tang han gritted his teeth and waited for Liancheng Yazhi. Liancheng Yazhi, I'm injured now. However, if Wanwan wants to beat you up, I have more strength than that. Liancheng Yazhi shook his head. tsk, tsk. Look at your temper. It's not good for you to recuperate. "If you don't speak, my injuries will heal very quickly, " Tang han said coldly. "that's a pity. i thought that even if i didn't come to you, you wouldn't be in a good mood when you thought of mo zhongkai. are you willing to let mo zhongkai take over your position?" Liancheng Yazhi seemed to be joking and instantly changed the topic to mo zhongkai. tang han immediately glanced at him. his eyes shot out two sharp cold lights and said, "I can't accept this." But the next second, he said, "because I haven't dealt with you personally." &Nbsp; Liancheng Yazhi shrugged his shoulders. I'm also quite regretful that I didn't join forces with your brother to deal with you. It's really a big shock in my life. "You came to find me today for mo zhongkai, right?" Tang han sneered. Liancheng Yazhi shook his head. no, mo zhongkai has nothing to do with you. Besides, I already know everything I need to know about his background. "What do you want to know?" Tang han looked at Liancheng Yazhi vigilantly. Based on his understanding of this guy, nothing good would happen to him. He must have other plans. liancheng yazhi's smile was bright. " of course, it's just a simple visit to see how miserable you are now. it's just as i thought. you have so many people in your family, but none of them are by your side to take care of you. you're really pitiful! " Liancheng Yazhi glanced at Tang Han's injured abdomen and said seriously, " however, compared to your current appearance, i still admire you more when you're on the battlefield." These were Liancheng Yazhi's true words. Tang han, who was lying on the bed, was really sad. Tang han was silent and didn't speak. He could still understand the sincerity of Liancheng Yazhi's words. However, it was really annoying to be sympathized with by one's former enemies! "are you done?" tang han said with a cold face. Let's go after you're done..

Chapter 1805: Don't be so heartless!

How could Liancheng Yazhi's face be moved by his words? he said, "how can i be done? i have so many things i want to tell you. don't be so heartless. you don't have anyone to keep you company anyway. isn't it good that i'm here to talk to you?"

"Thank you, but I don't need it." Tang han closed his eyes and said stiffly.

Liancheng Yazhi was all smiles. that can't be right. I clearly heard you say in your heart that you really need it.

Tang han was injured at this time and he lacked monsters. What he needed the most was someone to talk to him. However, he did not lack glory. He only lacked someone who could sit down and accompany him.

Although Tang han really hated Liancheng Yazhi, he actually agreed with Liancheng Yazhi's words deep down in his heart. His arrival had dispelled some of his loneliness.

Liancheng Yazhi's fingers moved gently as if he was playing a piece of music without strings. His fingers did not move at all as he slowly said, "I originally wanted to go to Gu youran to buy you a box of cake, but I suddenly felt that a tough guy like you definitely wouldn't like to eat desserts that young girls like, so I didn't go.

Tang han suddenly opened his eyes and glared at Liancheng Yazhi. He almost shouted, "i like to eat, i like to eat.

Tang han was so angry that he was panting heavily. He felt that the wound on his abdomen was being affected, so he tried his best to calm himself down. "tell me, what do you want to do? if you have something to say, just say it. don't beat around the bush. "

Liancheng ya spread her hands. I just said that I'm just here to see you. Why don't you believe me?"

"Don't lie to me like I'm a three-year-old. I'm not that stupid." Tang han would never believe Liancheng Yazhi again.

Liancheng Yazhi sighed helplessly. Sometimes, being distrusted like this was also a kind of ability.

"I just suddenly realized that compared to mo zhongkai, I seem to prefer you to be my opponent. It's a pity that Qianqian has no chance."

Speaking of this, Tang han was also a little sad. He originally wanted to use this matter to compete with Liancheng Yazhi, but Wanwan had already completed an ordinary task, but something went wrong halfway.

liancheng yazhi's tone changed. "however, i do have something to ask you. during the battle the night before yesterday, did the other party escape?"

"No." Tang han shook his head.

He had nothing to hide from Liancheng Yazhi.

"Can you guarantee that?" Liancheng Yazhi asked.

Tang han glared at him and said word by word, "Absolutely not!"

"okay, i believe you. how many people has that pi xiu killed or injured?" almost 30 people who came are all dead. There are less than five who survived.

Liancheng Yazhi nodded. That meant that the five injured people had all been captured. He had set a small trap for Tang han with his words just now. If he directly asked how many people they had

captured, he probably wouldn't say anything. But if he asked about the casualties, he wouldn't think of this at the moment.

Liancheng Yazhi was afraid that Tang han would react and continued to ask, ‘ “Then, do you think there's anyone still hiding in any corner of the imperial capital?”

Tang Zhen shook his head. there are, but it's definitely very few. The police have already gone to search for them. You don't have to worry about this,

Wanwan.

from the police station? ” tang Zhen didn't think much and replied, “Yes, I do..”

Chapter 1806: Digging a pit for you to jump into

Liancheng Yazhi smiled. Oh, Yingluo, I know you, Yingluo.

Tang Zhen instantly realized that he had said the wrong thing and revealed something he shouldn't have. However, Qianqian felt that something was wrong. He knew Kang Zhen, and mu weibai was Kang Zhen's subordinate. So, it shouldn't be a surprise if he knew him.

However, he had been tricked by Liancheng Yazhi many times. It was not that Tang han did not have a good memory. He now felt that Liancheng Yazhi seemed to be plotting against him again.

Therefore, Tang han immediately raised his spirits and guarded against him.

to be honest, although he had to be on guard against liancheng yazhi now, tang han felt that his mental state had returned. compared to liancheng yazhi's depression before he came, he liked this more. the military should always maintain a fighting posture.

A soldier who had lost his will to fight was destined to die.

liancheng yazhi seemed to be chatting and said to lian tang han, ” ” speaking of mu weibai, i miss him quite a bit, but i haven't heard from him for a long time. it's really worrying. hey, tang han, is your relationship with mu weibai good? ” Tang han didn't think much about this question and said, ”No, it's just a simple acquaintance. ”

Liancheng Yazhi nodded. Oh, that's right. Mu weibai has an older sister. Have you seen her before?
”

Tang han frowned, “sister?” He only has one younger sister, where did he get an older sister Yingluo?”

Realization dawned on Liancheng Yazhi, 'Oh, ran ran, so he has a sister? tsk, mu weibai and i can be considered to have gone through a storm of bullets together, but i didn't know that yingluo had a sister. tang han, how did you know?”

tang han shook his head. damn it, liancheng yazhi, this bastard. he made another trap for him to jump.

“How would I know? you don't know.” He turned his head and gritted his teeth in anger.

Liancheng Yazhi had asked so many questions just for this one sentence, but in the end, he still managed to get it out.

Tang Zhen was now stepping into the chain of traps that he had made. It wasn't so easy to jump out. he was asking about mu weibai, but both mu weibai and jian jie's disappearance were caused by the military, so asking mu weibai was the same as asking jian jie.

as for the two of them, with mu weibai's name, it would be easier for tang han to be caught off guard and fall into the trap.

Liancheng Yazhi's face was full of distress. the last time I came back with mu weibai, he told me that if he died, I should go and take out what he had hidden. However, I'm not sure if Wanwan is dead or not, so I'm struggling to decide whether I should take it out. Since you also know mu weibai, why don't you help me think about it? ”

tang han was already regretting it now. he felt that he had stepped into liancheng yazhi's trap and could not turn back. now, he just wanted him to get lost.

“You don't need to ask me, I don't know anything.” Tang han said with a cold face.

Liancheng Yazhi smiled. I was just asking you if I should go and take the thing out. I'm not asking if he's dead or not. Why are you so nervous? unless you're guilty, ran ran.

Tang han was so angry that he wanted to hit him. Liancheng Yazhi, are you done? I already said that I don't know. I don't know anything about all the questions you asked. Hurry up and leave.

Liancheng Yazhi shrugged his shoulders. let me go, Zhenzhen. Alright then. Since you want me to go, I don't have to tell you about the big things that have happened to Gu youran recently.

Silently floating past, the girl who still had tickets in her hand threw two over, okay?

Chapter 1807: She's in love again

When Tang Zhen heard Gu youran's name, he knew that it was Liancheng Yazhi's bait, but he still shouted, ” “Wait, Yingluo.”

Liancheng Yazhi stopped getting up and teased with a smile, ” “What's wrong? You can't bear to see me leave again?”

“What happened to Gu youran?” Tang Zhen didn't want to talk nonsense with him.

Liancheng Yazhi looked at him and did not speak. He waited until Tang Han's patience ran out before he said, ” ” if you want to know about gu youran, then you'll have to exchange it with mu weibai. ”

This time, Liancheng Yazhi did not beat around the bush with Tang han.

Anyway, it had already come to this point, and everyone knew it.

tang han gritted his teeth. ” you're saying that i don't know about mu weibai? ”

Liancheng Yazhi spread his hands and said innocently, ” I don't know about Gu youran either.

Tang han was so angry that he struggled to get up,”Liancheng Yazhi!”

Liancheng Yazhi stretched out his hand and pressed on his shoulder to prevent him from affecting his wound. Although he and Tang han had never liked each other, it was still impossible for him to bully an injured person until his wound opened again.

“Whether you want to know or not, the decision is up to you,” Liancheng Yazhi said with a smile.

“You’re really shameless.” Tang Han’s face turned red with anger.

Liancheng Yazhi’s face did not turn red, and his heart did not beat fast. He nodded and said, ” “thank you. i’ve always known that i have such a good character.”

Tang han clenched his fists and wanted to hit Liancheng Yazhi. “You, you, you, you, you, you, you ...”

Liancheng Yazhi smiled and said, ” don’t be anxious. Let’s talk it out. I can tell you whatever you want to hear. However, things like secrets need to be exchanged.

Liancheng Yazhi said, ” it’s okay. You can think about it. I’m not in a hurry. I don’t have time now anyway. Instead of going back to see mo zhongkai’s face, I think I’d rather come here to see you.

Tang han was silent. He thought for a long time.

In the end, he gave in. Perhaps it was because he had thought a lot while lying here, and his mental defense was not as strong as before.

Hence, it was broken by the cunning Liancheng Yazhi.

Tang han said, ” I really don’t know about mu weibai’s matter. I don’t have the right to know either. I, Zhenzhen, only know that he has been taken away and is currently very safe. The higher-ups have no intention of punishing him. If he wants to be released, he will have to wait until this matter has passed.

“What will happen after this matter is over?” Liancheng Yazhi asked.

Tang Zhen looked at him seriously. whether it’s mu weibai or Kang Zhen, they are both meritorious officials of the country. The country will not forget them, nor will it do anything to hurt them. This is something that no one can change.

Liancheng Yazhi believed Tang Zhen’s words. Kang Zhen and mu weibai didn’t do anything against the country’s law, and they had made so many contributions. If they were to be touched, how many people would be disappointed?

However, there was one other person who was different.

Liancheng Yazhi said, ” okay, I believe you. But what about Jian Jia? mu weibai and Kang Yu are also part of the National Army like you, but Jian Jia isn’t. What will he do? ”

Tang han turned his head and did not look at Liancheng Yazhi. I’m not sure about the Simplified Chinese Kasaya. You only asked mu weibai just now, and I only told you about him. Now, can you tell me about Gu youran? ”

Liancheng Yazhi's lips curled into a sly smile. you're lying. You clearly know where she is, but I can also tell you about Gu youran. From what I know, Gu youran has recently fallen in love again..

Chapter 1808: The one you can 't forget is you, not her

This news made Tang han turn his head abruptly. In his extremely shocked and disbelieving eyes, Liancheng Yazhi continued to throw a mental bomb at him.

"Moreover, it seems that Yingluo is about to get married."

"congratulations, tang han. your son is about to call another man 'daddy'." liancheng yazhi said with a happy face.

"impossible! zhenzhen would never do that! she would never marry another man!" tang han shouted sternly.

The smile on Liancheng Yazhi's face slowly turned into a sarcastic one. He said, why not? she left your life a long time ago and started a new life. there's nothing wrong with that. Could it be that you think that she will keep her chastity for you? what right do you have to do that? with such a deep hatred between your two families, do you still expect her to wait for you forever?"

Tang Zhen, I think you should be clear about one thing first. The one who can't forget is you. Gu youran has already walked out of the shadow that you and your Tang family brought to her. She is still very young now. Isn't it very normal for her to find a husband? "

Tang Han's eyes were gradually dyed with a layer of seriousness. This was the first time Liancheng Yazhi had seen him like this since he had known him. He said,"Who is it, Yingluo? who's that man?"

Liancheng Yazhi shook his head. I can't say this. If you want to know, give me some simple information in exchange.

I won't force you. You can tell me after you've thought it through. Let's call it a day. I'll come to see you another day. I hope you'll be able to think it through by then.

Tang han knew that he had said enough. It was time to let Tang han think about it before giving him an answer.

He got up and was about to leave, but he didn't expect to hear Tang han say, " "You can ask MO zhongkai for simple matters. Perhaps Zhenzhen knows better." liancheng yazhi was surprised and turned to ask, "him?" Why?"

"you should go and check which department mo zhongkai previously worked in. "

Liancheng Yazhi filtered through all the information on mo zhongkai in his mind. Finally, he remembered that he had been transferred to a Security Department a few years ago.

Could it be there?

"What else do you know?" Liancheng Yazhi continued to ask.

Tang han closed his eyes. I have never seen him before. However, I can only confirm that his life is in danger for the time being. I don't know anything else.

It was not easy to make Tang han, who had always been impartial and upright, say these words. Liancheng Yazhi thought that it was probably impossible to say more.

So he said, "that man often goes to her shop to buy things. He runs a medium-sized company and is a very good person. He also treats Gu youran very well. Tang Zhen, I advise you not to disturb her if you can't give Gu youran happiness. I've checked on that man. He's really good.

Liancheng Yazhi casually broke off a banana from the fruit basket beside the bed. After peeling it, he placed it in Tang Han's hand. this Yingluo is my gift to you. Take care of your injuries. Goodbye.

After Liancheng Yazhi left, Tang Zhen looked at the peeled banana and couldn't help but feel sad. There were so many people who came to visit him, but no one peeled a banana for him. His parents and relatives all came to say a few words to recuperate and then left. No one peeled a banana for him or peeled an Apple for him.

On the other hand, the person he usually hated the most had given him a trace of ordinary care. It was really ironic..

Chapter1809: can I t turn back once you miss it

Other people only saw his strength, but not his weakness.

She only saw his honor, but not the scars all over his body.

sometimes, tang han really felt tired of his current life. he really wanted to put down everything and escape.

However, while this was an easy task for Tang Zong, it was the most difficult task for him.

Tang Zhen had been taught to be the eldest in the family since he was young. He would carry the entire Tang family in the future. Many people kept telling him that he could not ignore the Tang family for his own selfish reasons.

However, Yingluo those people, however, always wanted him to keep contributing to the tang family, and to keep getting what they needed from him. However, who had ever truly cared about him? Tang Zhen closed his eyes. Liancheng Yazhi's words kept repeating in his ears. It was impossible between him and Gu youran. He could not let go of the Tang family, and Gu youran could not let go of the enmity between the two families. They had missed each other, and it was a lost cause. However, if he really had to watch Gu youran marry another man and watch his son call another man 'father', would he really be able to accept it? So what if he was unwilling? Can we still snatch it back? In fact, Tang han knew better than anyone that it was impossible. It was completely impossible! The only thing he could do was to do as Liancheng Yazhi had said, let go, let go forever, and not disturb her peaceful life. Liancheng Yazhi hurriedly walked out of the hospital. He was very worried. Just now, Tang han said that Kang Zhen and mu weibai were meritorious officials and the country wouldn't do anything to them. However, wasn't it simple? tang han said that it would not be dangerous for the time being. then, how long would it be for? This didn't mean that there wouldn't be any danger to his life, but it didn't mean that torture wouldn't be carried out. As long as he was still breathing, there wouldn't be any danger to his life. Liancheng Yazhi walked

very quickly. After he got in the car, he immediately asked the driver to drive home. He wanted to quickly re-read mo zhongkai's information. However, it would take thirty to forty minutes to get home from the hospital. Liancheng Yazhi could not wait any longer and quickly called Secretary Zhou. "Secretary Zhou, quickly send all of mo zhongkai's work information to my phone, hurry up." secretary Zhou was puzzled. what was going on? why was he so anxious all of a sudden? " what happened to young master ya? " I told you to post it quickly, so don't dawdle. Also, check all his previous work information again to see if there's anything that was missed or hidden. Although Secretary Zhou was not very clear, he did not dare to ask more when he heard Liancheng Yazhi's anxious tone. "It's Yingluo." Secretary Zhou quickly sent the information that he had already arranged to Liancheng Yazhi. Liancheng Yazhi re-analyzed and checked mo zhongkai's information on the phone. As expected, he found something wrong. Before mo zhongkai took over Tang Han's position, he was a combat staff officer, and he had been in office for less than a month. There was a vacancy before his last transfer, so what was he doing before that? Liancheng yazhi closed mo zhongkai's information. it seemed that he really had to get to know this guy better. Liancheng Yazhi guessed that mo zhongkai's previous work was probably related to the military's security and confidential work. He was involved in some things that could not be exposed to outsiders, and perhaps one of them was the simple disappearance. If he thought about it now, Jian Jie's disappearance happened to be on the night of Feng nongtang's son's one-month-old party. That night, mo zhongkai and Jian Jie had a brief encounter, so it seemed that Jian Jie's disappearance was not just a coincidence..

Chapter 1810: it's hard to take back spilled water after hurting people twice

and that day when mo zhongkai had pulled mo xunxun away for the first time, the look in his eyes was not just a warning. it was also a judgmental scrutiny and vigilance, as if he was looking at something very dangerous and afraid that his own child would come into contact with it.

however, that was clearly the first time he had seen siyi. if he had only met him once, how could he be so sure that this person was not a bad person? Was it just based on looks and intuition?

The more Liancheng Yazhi thought about it, the more suspicious he felt. If he were to make an even bolder guess, it was very likely that mo zhongkai was the one who attacked Jian Yi that day.

Liancheng Yazhi pondered for a while before calling Feng nongtang. He asked,

Crazy, on the day of your son's one-month-old party, did you invite mo zhongkai when you sent the invitation to mo clan?"

feng nongtang was confused as to why he asked, " "Ah? Why are you asking about this? it's been so long, I've long forgotten about it. " "If you've forgotten, then remember it again," Liancheng Yazhi said coldly. Feng nongtang then realized that something was wrong with Liancheng Yazhi. He thought hard for a while. the invitation was sent by my parents. They only wanted to invite a few elders. I didn't expect mo zhongkai to come. He didn't even come when I got married to nuanyang. Who would have thought that he would come to my son's one-month-old party? also, I heard from my parents that mo zhongkai wasn't at home when they sent the invitation, but he came back on the day of the one-month-old party. Maybe he was afraid that his baby sister would be bullied. And then he followed us here." "Alright, I got it." Liancheng Yazhi was about to hang up when he heard Feng nongtang ask, " "What's wrong? did something happen? do you need my help?" Liancheng Yazhi

frowned and paused for two seconds before he finally said, “Just take care of yourself. You already have a son, so don’t mess around anymore.” Feng nongtang stammered. I didn’t mess around. Did you hear something? ” Liancheng Yazhi shook his head. He was very busy now and didn’t have much time to care about Feng nongtang’s family affairs. He only said, ” ” you should know for yourself whether you’ve been fooling around or not. life is for yourself, not for others to see. your wife will not always be yours just because you have a son. you can coax her back once, but it’s impossible for you to do it a second time. it’s your business if you can’t think it through. this is all i can tell you. it’s up to you if you want to stop at the edge of the cliff. ‘ After Liancheng Yazhi finished speaking, he hung up the phone without giving Feng nongtang a chance to speak. now, he had to figure out if it was mo zhongkai who took the kasaya away that day, and if the kasaya was now in huang ‘er. When he came back from abroad, he was the one who brought Jian Yi back and let Jian Yi live in his house. Now that there might be danger, he couldn’t just sit by and do nothing. Liancheng Yazhi rubbed his forehead. The more chaotic it was, the more annoyed he was. More and more people were involved now, but it was also getting closer to the end. No matter how upset Liancheng Yazhi was outside, he had endless patience and gentleness when he returned home. The moment he stepped into the house, the comfort and happiness that came from his bones exuded from his body. Liancheng Yazhi was very puzzled. This kind of life was clearly very good, but why did Feng make Tang cause so much trouble? The only woman who could be good to you was the wife who truly cared about you. Everyone else was only thinking about your money..
