Chapter 1831: I knew you would win

Leon was the first to run over angrily and asked, "What's going on? how could you lose to him?"

Faern Hill looked at the rain falling from the sky. The raindrops were much smaller than before. He said lightly, "Why can't I lose to him? There's nothing that can't happen on the field. Didn't you also lose?"

Leon was furious. I lost, but you're different. Your riding skills are so much better than his. You were so close to winning. Why did this happen? "Did he use some kind of method?"

farnhill turned to look at him. "leon, a loss is a loss. you have to be able to accept your loss. he didn't use any tricks." because he wasn't the one who had used underhanded means.

impossible! Leon roared. I don't believe it. Why would a horse suddenly turn around? "Who else could it be?"

Farnhill said impatiently, "Leon, I said it wasn't him!" You can't blame others for your own failure, it will only make people look down on you even more."

I don't believe it! Leon was so angry that his features twisted. I won't let this matter rest so easily.

Farnhill frowned and said, "what else do you want? You've lost the game, so did halut, and I, but none of us are like you, a Shrew who keeps pestering us. We agreed before the game that if you want to go back on your word, we won't stop you, but Yingluo, you can't be with us anymore. We don't have a friend like you."

Leon's facial features twitched a few times, and he turned his head hard to not look at him.

Farnhill turned around and saw Tang Zong leaning against his horse and looking at them with a faint smile.

Farnhill opened his arms. are you still going to stay in the rain? "i've had enough."

"of course not," tang zong shrugged.

They threw the horses to the staff of the racecourse, then went into the locker room, took a shower, and changed into their original dry clothes.

While Tang Zong was taking a shower, Rong nuo ran back in a raincoat.

She panted as she ran to the stands and found that there was no one below.

Rong nuo was nervous and worried. She asked, "how is Tyr? how is he? How are they?"

the young man did not speak. he turned around and threw the umbrella to rong nuo, and then left. the young man's thin and proud figure in the thin rain and fog was like a beautiful scenery.

To be honest, there was really a bit of a profound mood that was difficult to understand.

Rong nuo grabbed the umbrella with a puzzled face. What did this mean?

At least say a word, lose or win? This wasn't the way to treat words like gold.

However, it was a good thing that Tang Zong came out very soon. On the first day he came out, he saw Rong nuo. He ran a few steps, jumped, grabbed the railing of the stands, and like a monkey, he flipped over from below.

Tang Zong jumped over the railing and rushed to Rong nuo. Then, he picked her up.

Rong nuo looked at Tang Zong's happy face and immediately relaxed. She grabbed Tang Zong's shoulder and asked, "You won, right?"

Tang Zong lowered his head and planted a kiss on Rong nuo's lips. "Of course I won. If I didn't win, I wouldn't have the face to see you."

Rong nuo cheered happily and reached out to hug Tang Zong's shoulder. I knew you would win. You're amazing.

Chapter 1832: Jealousy because I can't do it

Halut, who hadn't spoken much, suddenly said, "Actually, it's good to be like

Dunn. "What's so good about him?" Leon immediately retorted. He's just a pauper if he stays here.

Farnhill glanced at him and said, "Really? That's not necessarily the case. Do you think that a cunning person like him would not leave himself with a way out?"

He didn't want to talk to Leon anymore, so he said, "Where's Tyr? We should go find him.

I just saw him leave," Helute said. He probably went back to change.

Farnhill heaved a long sigh. If I have a choice in the future, I really don't want to be a coward anymore. He said.

He didn't say what he didn't want to say, but the other two knew that he hoped that he wouldn't have to serve such a difficult master again.

Let's go," Helute patted his shoulder. Let's ask him for his opinion.

The three of them left, and Leon was still indignant. He turned around and glared at the young couple who were kissing in the stands.

In fact, he could not tell if he was angry or jealous!

Perhaps, he was more jealous because he had never met a woman who loved him so much that he could give up everything.

He would also not be able to be like Tang Zong, who could so decisively give up the wealth and power that he could enjoy for a lifetime. He also did not have the courage to give it all like Tang Zong.

That was why he was envious and jealous of Qianqian!

Tang Zong held Rong nuo's hand as the two of them walked into the manor. It was drizzling, and Tang Zong was holding an umbrella. This kind of time made people feel happy and warm. The drizzling rain seemed to have washed away all the haze in their hearts.

A garden-style house was erected in front of them, waiting for their final test. Tang Zong stopped outside the house and asked Rong nuo, "Nuo nuo, do you despise me for being poor?"

Rong nuo didn't think much and nodded. if you don't like Yingluo, I don't have anything either. We're the same.

Tang Zong hugged her tightly. you're the best. Don't worry, Yingluo. I won't let you suffer. I won't let Nini suffer either.

Rong nuo gently patted Tang Zong's shoulder. "Let's go in. I want to go home quickly."

"Alright," he said.

Tang Zong held Rong nuo's hand tightly and the two of them walked in together.

After they entered, Tang Zong said to them, "Thank you for showing me mercy today. I hope we can all keep the promise we made before the game." of course, "Farnhill nodded. we can afford to lose.

The corners of Tang Zong's lips curled up. thank you very much. If there's nothing else, we would like to go home. Our family is still waiting for us. In the future, when Rong nuo and I get married, I hope you can all come.

I hope you're being sincere, "Farnhill laughed. you really want us to come.

Tang Zong raised his brows and laughed frankly. of course I'm sincere, but if you're just here to attend my wedding, I don't really welcome you.

of course we won't come and mess up your wedding, " said Farnhill. but we plan to go back the day after tomorrow. We'll be staying at your brother-in-law's Manor for the next few days, so we'd like to visit him before we leave to thank them for taking care of us these past few days.

Tang Zong furrowed his brows. Their sudden request made him feel uncomfortable. "I'm afraid this is Yingluo.."

Chapter 1833: The rain has stopped, let's go home!

Rong nuo held his hand. I'm sorry. We'll have to go back and tell brother-in-law first. If he agrees, we'll inform you, okay? " she said.

"Of course you can," said Farnhill.

Rong nuo nodded at them. then we'll go back first. What do you want to eat for lunch? you can ask the kitchen to make it. Goodbye.

When he came out of the room, the rain had stopped.

The rain in summer came quickly and left quickly. The rain had just stopped, and it was already showing signs of clearing up.

Tang Zong took a deep breath of the fresh air and put his arm around Rong nuo's shoulder."let's go home."

"yes, let's go home."

Dunn allowed nuo to go home hand in hand, and both of them had completely relaxed smiles on their faces.

The moment they entered, they said, "brother-in-law, big sister, we're back."

Liancheng Yazhi did not express much welcome or surprise at their return. He just smiled as usual and said, "You came back at the right time. It's almost time for lunch."

"Hehe, we were just rushing back." Tang Zong laughed.

"the rain was quite heavy just now. did you two get wet?" rong yan asked them.

"A little," Rong nuo said as she sat beside her.

"Then I'll get the kitchen to prepare two bowls of ginger soup for you. Tang Zong has just recovered from his cold, don't let it happen again."

"Thank you, big sis," said Tang Zong with a chuckle.

After talking for a while, Tang Zong hesitated for a moment before saying, brother-in-law, they said that they've been staying there for the past few days thanks to your care. They hope to come home to thank you. They plan to go back the day after tomorrow.

"thank you?" liancheng yazhi's eyebrows moved.

Tang Zong knew that he didn't like people coming to his house at this time. He hurriedly said, "But I told them that you don't like outsiders coming into the house. If you don't want to, I'll just tell them not to come."

Liancheng Yazhi's fingers twitched and he immediately laughed. "sure, come on then. "

Tang Zong's matter was finally resolved, and now they suddenly wanted to thank him. He didn't know what they were up to. Although Liancheng Yazhi didn't like outsiders coming into the house, he had to make an exception this time to avoid any more changes.

Tang Zong felt very touched. brother-in-law, you can totally reject this. They can't say anything anyway.

Liancheng Yazhi smiled. forget it. Since they've already said it, we can't reject it. Tell them to come tomorrow.

tang zong's mouth twitched as he wanted to say a lot, but he couldn't.

At this moment, all the words of gratitude were useless.

The ginger soup in the kitchen was ready and the servant brought it to Tang Zong and Rong nuo. Rong Yan said, "You guys should drink it while you can."

The two of them thanked Rong Yan and silently picked up the slightly pungent ginger soup and drank it slowly. Even Tang Zong, who used to be so afraid of taking medicine, did not say anything this time.

"In the future, you will be staying in the country, right?" Rong Yan asked Tang Zong.

"Yes, I'll be with Rong nuo in the future." Tang Zong nodded his head.

Rong Yan smiled and teased, “then have you thought of how to support my sister?” i’m a person who likes the rich and dislikes the poor, and i don’t want my sister to suffer.”

Tang Zong smiled slyly. hehe, big sister, you don’t have to worry about this. Although Qianqian has nothing now compared to the past, I’m not so poor that

I’m penniless..

Chapter 1834: I forgot to tell her

Tang Zong scratched his head and said with a little embarrassment, “Although I didn’t care much in the past and I was muddleheaded, in my line of work, who doesn’t have a backup plan? I have money saved for myself in the banks of many countries. Adding it up, it’s enough for the two of us to spend for a long time.”

Tang Zong wasn’t a fool. On the contrary, he was a very intelligent person. This was because he was often unwilling to use his intelligence on serious matters.

however, tang zong was especially clear-headed now. sometimes, when he suddenly recalled the past, he would randomly find a country with a stable economy, get a local passport and identity card, open a bank account, and then fill in some money.

All these years, he could barely remember how many banks he had filled in money in several countries.

He really needed to go back and sort it out.

The only thing that Tang Zong regretted now was that he should have saved more money overseas.

at night, rong yan thought of those people coming tomorrow and was worried. “Should they come to Xuanji?”

Liancheng Yazhi shook his head. it’s fine. It should be fine. Even if something happened, mo zhongkai’s presence is not just for show.

mo zhongkai was indeed not as open and honest as tang han. his tactics were very subtle, and at the same time, it made liancheng yazhi feel disgusted. mo zhongkai’s surveillance of the liancheng family was much tighter than tang han’s. although they could not enter the liancheng family’s house, the encirclement was much smaller than that of tang han’s.

MO zhongkai was monitoring all the vehicles and people entering and leaving the vicinity of Liancheng’s house unless he was sure that the other party was not suspicious.

To put it bluntly, mo zhongkai was like a dog that didn’t bark. The danger he brought was far more severe than what Tang han brought.

At the mention of mo zhongkai, Rong Yan felt very unhappy. She asked, ‘ hubby, has mo xunxun found any clues yet? if she has, she will tell us.

Liancheng Yazhi gently patted Rong Yan’s back. even if she found him, mo xunxun wouldn’t tell us so quickly. She would have to struggle for a while before she can confirm it. Don’t forget, that’s her brother.

“Sigh, I’m really scared. This matter won’t be over by the time my child is born.” it won’t happen, “Liancheng Yazhi comforted him. it’ll be over soon.

The two of them talked for a while and were about to fall asleep in a daze. Suddenly, Rong Yan opened her eyes and exclaimed, ” “Ah, I forgot something.”

liancheng yazhi woke up in shock and thought that something had happened.

he quickly asked, ” “What’s wrong?”

Rong Yan grabbed his hand and said, ” that golden-eyed young man is coming tomorrow. I haven’t told MeowMeow about this yet. If she suddenly sees it, will she be afraid? ”

Liancheng Yazhi also remembered. He patted Rong Yan’s back and said,”Ah, I forgot to tell MeowMeow about this. You go to sleep first, I’ll go see

MeowMeow. If she’s not asleep, I’ll let her know. You go to sleep.”

After a while, Liancheng Yazhi came back. MeowMeow is already asleep, and she’s sleeping very soundly like a little pig. I didn’t bear to wake her up. I’ll tell her tomorrow. It should be fine. That little guy is not afraid anymore, right? ‘

“Tomorrow morning is fine too.” Rong Yan yawned.

Both of them wanted to tell MeowMeow at dawn, but ...

It was dawn, and the people were here, so it was useless to say it.

The next day, at ten O ‘clock in the morning, the sun was very bright and the temperature was very high. There was a knock on the door of the Liancheng family’s house. Tang Zong was the first to stand up. I’ll go and see Yueyue..

Chapter 1835: Young man, I’ll take your silence as consent

Tang Zong stood up and quickly walked out. Rong Yan nudged Liancheng

Yazhi. it can’t be that she’s here so soon, right? is

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow

meowrneowmeowmeowmeowmeowmeowmeowmeowrneowmeowmeow meowmeow?

Liancheng Yazhi was also a little puzzled. I don’t think ran ran is.

It was only ten O ‘clock, and they had just woken up.

Therefore, they didn’t dare to meow.

Just as the two of them were feeling puzzled, Tang Zong came in with four people. It was the same as the last time they saw each other. Leon and Farnhill walked in front, Tyr walked in the middle, and halut walked behind him on his right.

When he saw them, Liancheng Yazhi helped Rong Yan up and wondered why theywere here so early. However, he still had a calm and elegant smile on his face. welcome to my house today.

Leon bowed like a gentleman and said, "We're the ones who took the liberty to visit. Sorry for the disturbance."

Leon's performance today was completely different from yesterday's. It seemed that a night's adjustment had allowed him to recover.

Liancheng Yazhi stretched out his hand. no, it's nothing. Please sit.

After sitting down, Liancheng Yazhi asked them, "what do you want to drink?

Is coffee okay?"

"Of course," Leon nodded.

"this child shouldn't drink coffee. is milk okay?" rong yan frowned and said.

Tyr probably didn't expect Rong Yan to talk to him directly. He raised his eyebrows slightly but didn't say anything.

Rong Yan didn't mind. She smiled. young man, if you don't say anything, I'll take it that you agree.

For some reason, Rong nu0, who was watching from the side, felt that Tyr seemed a little lost now, but he was somewhat Cute.

Leon sneaked a glance at Tyr and saw that he wasn't angry, so he said, your Manor is very beautiful, and we've been very comfortable these days. Thank you for taking care of us.

Liancheng Yazhi teased, "it's nothing. You're too polite. You're Tang Zong's friends. It's only right for you to be received here. Moreover, Qianqian's garden is my wife's. To be exact, it's my daughter's garden. It's just that she's still young and is now under my wife's name. If you want to thank someone, you should really thank my daughter.

At first, the atmosphere was really a little awkward, but Liancheng Yazhi's words eased the atmosphere a lot.

The smile on Leon's face deepened. "We've seen your daughter once. She's really pretty and cute. Can you ask her out? we'll thank her in person."

Rong Yan looked upstairs and hid the worry in her heart. then we'll have to wait for a while. We're a little lazy pig. We're still in bed.

She wondered if she should go upstairs to see MeowMeow, so that she wouldn't be scared when she saw the young man downstairs.

As she was thinking, MeowMeoWs soft and confused voice came from the direction of the stairs. "Daddy, Yingluo"

Liancheng Yazhi and Rong Yan turned their heads almost immediately when they heard the sound. They saw their baby in a white nightdress, barefooted, rubbing his eyes and staring at his messy hair as he clumsily walked down the stairs.

If an adult had been in such a sorry state, they would definitely have felt that it was very unkempt. However, if it was a beautiful little doll, it would only make people feel that it was cute and adorable. They would want to rub her into their arms and mess up her hair a little more.

However, both Liancheng Yazhi and Rong Yan silently said in their hearts at the same time-no!

Chapter 1836: But I want mommy!

the two of them looked at each other, and liancheng yazhi stood up almost immediately. he rushed

shoes. Be careful, mommy will spank your butt.

“Mommy won’t,” meowmeowmeowmeowmeowrneow pouted.

Her face seemed to be a little itchy, and she leaned her head against Liancheng Yazhi's chest and rubbed it.

Liancheng Yazhi's heart softened when he saw his daughter. He pinched MeowMeow's cheek. why did you get up by yourself?

Meowmeowmeowmeowmeowmeow looked up , her big eyes still carrying the confusion Of waking up. She wrapped her arms around Liancheng Yazhi's neck and said, "Dad, I'm hungry!"

“Little lazy pig, it’s no wonder you’re not hungry after waking up so late,” Liancheng Yazhi laughed.

“Heat up MeowMeow’s breakfast,” he instructed the maid.

The maid nodded and quickly walked into the kitchen.

Rong Yan had been worried that Tong “butler, take meowmeow to change her clothes and wash up.”

The Butler replied in a low voice, "it's Yingluo."

Caretaker li walked in front of MeowMeow and said softly, ‘Young miss, let me bring you to wash up, okay?’

MeowMeow shook her head. but I want Mommy's Baby. people who had just woken up would be a little grumpy. MeowMeow's behavior was already very good. She had been pampered by her family and did not develop a bad temper. She was still obedient and sensible, which was already very rare.

Moreover, the person MeowMeow relied on the most was Rong Yan. Since she had not been hugged by Rong Yan after she woke up, she would always feel that something was missing in Yingluo.

liancheng yazhi did not carry meowmeow over. if he did, he would let meowmeow see the young man, which would be a little too much of a shock.

It was like a little kitten that had just woken up and was still attached to the warmth of its parents. Who would have thought that it would open its eyes and see a fierce leopard standing in front of it? it would be instantly frightened.

Liancheng Yazhi hugged MeowMeow and shook her gently. mommy’s body isn’t in a good condition to carry you right now. Be good and go wash up with you eat without washing your face and brushing your teeth? ”

Meowmeowmeowmeow blinked. but I miss mommy, Yingluo.

Rong Yan saw that Liancheng Yazhi couldn't handle it and smiled at them. "i'm sorry, it's hard to coax a child who just woke up. i'll go first."

Rong nuo quickly helped Rong Yan up.

Rong Yan smiled at

Rong Yan hugged her and kissed her gently on the cheek, but she did not take her from Liancheng Yazhi's hands.

"sister, i'll carry meowmeow upstairs, let's go wash her up," rong nuo said.

Rong Yan nodded and said, "sure, Yingluo."

"can you let me hug you?" she asked

Rong nuo took meowmeowmeow from Liancheng Yazhi's arms and carried her upstairs. She lay on Rong nuo's shoulder and reached out to grab one of Rong Yan's fingers. Rong Yan smiled gently and said, "Let's go. Mom will take you to wash up."

When they reached the top of the stairs, MeowMeow wanted to talk to Rong

Yan, but when she leaned on Rong nuo's shoulder and looked back, she saw the young man sitting downstairs. His golden eyes were the same color as the sun that Liancheng Yazhi had mentioned.

Chapter 1837: A big brother with beautiful eyes

It seemed like Yingying wasn't as scary as last time. It was as if she really saw warm colors.

Rong Yan saw that MeowMeow was looking behind her and she was shocked. Did she see it?

Rong Yan turned around and saw Tyr turning around. She turned back to look at

When they arrived at "Baby, we have a guest today. You have to be sensible and polite later, okay?"

yes, I saw it. There's a big brother with beautiful eyes.

Rong Yan reached out and gently scratched meowmeowmeowmeowmeow's nose. yo, you've become a big brother with beautiful eyes. Didn't you say it was scary last time? "

when I saw that big brother today, I felt that what Daddy said was right. He wasn't that scary anymore. He really had the warmth of the sun and looked like sunflowers. Mommy, aren't sunflowers so beautiful?"

Rong Yan heaved a sigh of relief. Fortunately, MeowMeow was no longer afraid. This was the best.

others. He was better at hiding his true thoughts than an adult. It was too difficult to know what he was thinking. Such a person was so terrifying at such a young age. No one knew how far he would grow in the future.

At the table, Rong Yan asked MeowMeow, "baby, can you eat by yourself today?"

Although “Mommy, Yingluo.”

“Be good. Didn’t you say you wanted to learn to eat by yourself?” Rong Yan said gently.

She looked at the chopsticks and suddenly did something that surprised Rong Yan. She actually grabbed the chopsticks, jumped off the chair, and ran out. Just as Rong Yan was wondering what she was going to do, “Big brother, Hello.”

Tyr looked at the chopsticks in his palm and then at the little hand that was holding one of his fingers. his usually expressionless face gradually revealed a look of surprise.

Chapter 1839:

[illegible]

The sudden situation surprised everyone. Liancheng Yazhi sighed. It was said that a woman's mind was difficult to guess, but sometimes, a child's mind was even harder to guess.

"But all my brothers fed me in the winter."

Rong Yan happened to hear this when she walked over. She rubbed her forehead. Perhaps Yingying understood what MeowMeow was thinking.

Hence, MeowMeow thought that if Brother Winter could feed her, this brother would definitely do the same.

To put it more clearly, she missed winter so much but she couldn't find winter. The moment she saw Tyr, she wanted to find comfort from him, or rather, find winter.

In fact, Rong Yan was half right. The other half was that

Rong Yan walked over and touched "Baby, let's go eat, okay? this brother is a guest here, Yingluo."

"Can't the guest be like Brother Winter?" MeowMeow asked.

rong yan was stunned by this!

"MeowMeow, it's not good to let the guests feed you."

MeowMeow shook her head. don't whine. I want this brother to feed me.

"You're disobedient, aren't you?" Rong Yan sighed and asked with a tense face.

MeowMeow's eyes turned red and she cried out pitifully, "Mommy, Yingluo."

"Sister, Yingluo, don't be so serious. Actually, Yingluo is not a big deal, right, Yingluo?"

but she's too tired. Rong Yan saw that Tyr did not look impatient. His eyes were looking at MeowMeow's soft little dough-like hand, and one of his fingers was being grabbed. With his ability, MeowMeow's feather-like strength was nothing to him. It would be effortless for him to shake her off, but he did not move.

Leon and the other two were a little surprised. This was also why they had not said a word since MeowMeow had run over. They wanted to see what Tyr was up to.

Rong yanjian didn't seem to be tired of it and said, "alright then. If you can convince this big brother to feed you, then go ahead. I'll give you ten minutes. If you can't, Yingluo, then go and eat by yourself. The time starts now.

After Rong Yan said that, MeowMeow bit her lips and ran away again. No one knew what she was going to do.

rong nuo and tang zong, who had seen Tyr's cold and silent side, felt that this was impossible. they looked at each other and sighed. meowmeow was definitely going to be disappointed.

After a while,

Then, under everyone's surprised gaze, the little guy hugged onto Tyr's leg and climbed up..

Chapter 1840: The only time in a lifetime

HEti-, 68±55, iB: “Hey

Yingluo, hungry Yingluo.”

Rong Yan sat next to Liancheng Yazhi and held her forehead. She suddenly felt that she still didn't know much about her daughter. Why didn't she know that her daughter had such an overbearing and willful side?

What if Tyr ignored

Children also had pride. If MeowMeow was sad, it would not be easy. However, it did not seem good to let a guest, a very mysterious and distinguished guest, feed them the children. What a headache.

No one spoke. It was as if they had all forgotten about the topic they had been talking about. They were all looking at the two children.

“Brother, hello, hello

Yingluo.”

Tyr lowered his head and looked at her. even though no one knew what he did in the past, everyone knew that this must be his first time and perhaps the only time in his life.

Tyr's body stiffened. His golden eyes met

Tyr still did not move.”Big brother Yingluo is very hungry Yingluo”

MeowMeow's Red eyes were enough to make anyone's heart ache. Rong nuo couldn't help but say softly, ” “MeowMeow, why don't I feed you?

läss}+k,

Everyone sighed in their hearts. Little girl, don't even think about it. He can't feed you. You'd better get someone else as soon as possible.

Just when everyone was feeling pessimistic, Tyr made a move. He slowly reached out his hand, picked up a spoon, and scooped a spoonful of fruit porridge. His movements were very stiff and unfamiliar as he brought it to MeowMeovv's mouth.

“bro ther, continue to tease.”

This scene immediately made the surrounding people draw in a cold breath.

Leon rubbed his eyes frequently, afraid that he was seeing things. He was afraid that he was hallucinating.

Farnhill and halut looked at each other and gulped in surprise. This world was beyond the comprehension of ordinary humans. It was too incredible.

lian Cheng yazhi and rong yan were still fine. after all, they had only met this teenager twice. the two of them started to feed meowmeow with Tyr and heaved a sigh of relief in their hearts.

However, Tang Zong and Rong nuo's side was not quiet. Rong nuo placed her hand on Tang Zongs thigh and pinched it unconsciously.

Was this for real?

Tang Zong's mouth twitched in pain. He said in a daze, "It hurts, it's real."

To be honest, the scene in front of her was quite beautiful. However, as soon as she thought about the person being Tyr, she felt that the scene was too beautiful and didn't dare to look at it..
