Chapter 1841: An incredible day

although Tyr's movements were stiff and half of the food was spilled on his clothes after five spoonfuls, this did not stop meowmeow's enthusiasm for eating. moreover, Tyr was a child with a strong learning ability. in a short while, his movements became much more proficient and he even took a tissue to wipe meowmeow's mouth.

Tyr didn't make a move immediately. His cold eyes seemed to be sizing up the shape and size of the omelet shrimp, considering what hand gesture and strength to use to pick it up.

After a while, he was done observing. He picked up the chopsticks and tried a few times before he finally picked it up. With a wooden face, he sent it to MeowMeow's mouth.

Tyr's eyebrows twitched slightly. He looked at MeowMeow's little paws, then reached out two fingers to pick up the cornbread, placed it on the plate, and continued to feed MeowMeow calmly.

however,

hence, meowmeow continued to lie on her stomach and brought the cornbread to Tyr's mouth. in the past, whenever she gave winter something to eat, he would happily eat it.

so in meowmeow's understanding, if she gave her brother something that she liked to eat, her brother would like it very much.

However, she had no idea that the brother in front of her was not in the winter.

The interaction between the two was really interesting. The group of adults watched from the side without interrupting.

The few of them had already started to bet silently on whether Tyr would eat the food given by MeowMeow.

The second time, Tyr calmly took the cornbread out of

However, MeowMeow jumped down from his lap and ran over with her short legs. She took the plate back and continued what she had done.

the two of them didn't speak, as if they were competing in endurance to see who was more patient.

The fifth time.

Looking at the Golden cornbread, Tyr's brows twitched. There was a hint of an imperceptible smile in his cold eyes.

Once again, Tyr made a shocking move. He lowered his head and took a bite on the head of the little nest that MeowMeow had scratched.

Rong Yan simply covered her face this time. She decided that she must get to know her daughter again in the future.

In the past, meowmeowmeow had always been a timid little girl who was afraid of strangers. Why was she getting bolder and bolder now?

leon and the other two secretly wiped the sweat off their foreheads. they hoped that nothing too outrageous would happen again. they were really afraid that after they returned from here, that ancestor would come to settle the score with them.

Tyr didn't move, so she reached out to grab him with the hand that she had just used to grab the cornbread. In the end, Tyr couldn't take it anymore and picked MeowMeow up with one arm..

Chapter 1842: No one can refuse such a cute child

Tyr noticed that meowmeow didn't like carrots, so he picked out a small piece for her.

Meowmeowmeowmeowmeow pursed her lips and refused to open her mouth. However, this time, it was Tyr's turn to refuse to compromise. If she didn't want to eat, he would continue to give her more.

Rong Yan was laughing secretly. When she heard MeowMeow calling her, she cleared her throat and said, "you don't need to be picky."

Meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow pouted.

"Good kids aren't picky," Liancheng Yazhi said with a smile.

In the end,

Tyr seemed to have found something funny and fed meowmeowmeowmeowmeow a few carrots in a row. In the end, the little girl decided to go back on her word and threw herself into Tyr's arms. She pressed her face against his chest and refused to eat, "Don't eat anymore, don't eat anymore, brother Yingluo is too bad Yingluo"

Rong Yan couldn't help but laugh out loud. She said to meowmeowmeowmeowmeowmeowmeow, "are you full?"

"I'm full,"

tyr card glanced at the messy hair on his chest and moved his fingers slightly, but he did not reach out in the end.

Rong Yan saw that MeowMeow's hair band was so crooked that it was about to fall off and said, "since you're full, don't disturb brother anymore. come to mommy."

Rong Yan touched her stomach. It was indeed almost done. She reached out and gently scratched her small nose, smoothed her hair, and put the headband back on. ' "

"Thank you, big brother,"

Tyr nodded his head slightly and remained silent. From the moment he sat down to the time he fed MeowMeow, he did not make a single sound.

but even if he didn't speak, just sitting there, he exuded an aura that couldn't be ignored.

Rong Yan saw the rice on MeowMeow's clothes and smiled. "butler, take meowmeow to change her clothes."

“Go upstairs and change your clothes, understand?” she pinched After eating her fill, MeowMeow became obedient again. yes, I know.

The Butler pulled her upstairs to change her clothes.

Rong Yan smiled at Tyr and said, “you’re Tyr, right?” Thank you, this daughter of mine is almost spoiled. I’ve caused you trouble, please don’t take it to heart.”

tyr seemed to be in a daze. when he heard rong yan’s words, he sneaked in and casually flicked his crumpled clothes.

Leon saw that Tyr was not speaking and was afraid that the atmosphere would become stiff, so he quickly said, ” “It’s fine, it’s fine. Yingluo is your daughter. She’s too cute. No one can reject such a cute child. If she were looking for me,

I’d definitely be so happy that I wouldn’t be able to sleep tonight.”

When Leon said this, he didn’t think much of it. However, after he finished speaking, he felt Tyr’s cold gaze from the corner of his eyes.

Leon suddenly had the illusion that his throat had been cut.

He laughed awkwardly, then shrank his head and didn’t dare to say anything.

Hence, the atmosphere became stiff.

Rong Yan finally realized that with this kid around, it was impossible to communicate in a happy and friendly atmosphere.

Rong Yan looked upstairs, thinking that maybe ran ran should ask her daughter to take this kid away..

Chapter 1843: Another kind of breathtaking

Otherwise, it wouldn’t work if things continued like this.

caretaker li changed

She skipped down the stairs and ran straight to IYr. She grabbed his hand and pulled him up.

Tyr seemed to be playing with her on purpose. His arm was shaking violently, but his body was as still as a mountain. He started to get anxious. big brother, get up! Get up!

Rong Yan laughed secretly in her heart and silently praised her baby.

children were indeed a weapon to alleviate awkwardness.

Rong Yan smiled and said to ‘I’yr, ” she might be taking you to her playroom. MeowMeow likes to share her favorite things with the people she likes. Of course, Qianqian likes others to play with her more. You might have to work hard today.

Rong Yan’s words really sounded like she was gloating.

She probably also felt that something was not right, so she cleared her throat and said, ” we used to have a winter to play with her, but she has to study in the winter and she’s quite lonely. I finally

As for why he didn't go in, he wouldn't tell her now, because she wouldn't understand even if he did. He wasn't a person who liked to say what was in his heart.

Perhaps after a long time, if fate could continue, meowmeowmeowmeowmeow would understand why he didn't open the door today.

Tyr carried

However, Tyr wouldn't let go. MeowMeow was a little anxious and grabbed Tyr's ear. big brother , let me down. I'll get my baby Qingqing for you.

only then did tyr put her down. once they were on the ground,

When the two of them were in the toy room, Rong Yan had secretly come up to take a 100k once.

At that time, the two of them were sitting on the ground, playing with the building blocks that MeowMeow used to love and liked to pile in winter.

However, this time, it was a little different from the past. This time, they were drawing building blocks.

Meowmeowmeow arranged the jummies in rows and stacked them up. Tyr's hand started to pull the blocks out from the bottom layer, one by one. The top layer did not move at all, and it had also collapsed.

The two children did not speak, but the atmosphere was very harmonious.

Rong Yan originally wanted to see if they were playing well before going down, but after standing there and watching for a while, she realized that she couldn't see Tyes movements at all. His fingers were frighteningly flexible, and she almost couldn't see how he did it. He pulled out a building block.

Rong Yan was very surprised. She suddenly realized that letting

Fortunately, Tyr was leaving soon and would not be staying here for long. Rong Yan looked at it for a while and sighed silently before turning to go downstairs.

After she left, Tyr casually pulled out a building block while glancing at the door.

In the end, Tyr stopped. Out of the twenty-story tall building blocks that

MeowMeow had stacked up , only one was left at the bottom after Tyr's whipping. It was only one piece that held up the dozens of building blocks on

Chapter 1845: Destroyed without hesitation

Tyr raised his head and saw

Brother, I want to learn. I want to be as good as you, Yingluo."

Big brother, teach me, please teach me!"

Tyr grabbed onto it was so soft that it seemed to have no bones and would break with a light His hands, fingers, palms, and purlicue had already grown calluses. Compared to MeowMeow's hands , they were already very rough.

Tyr came back to his senses and reached out to grab meowmeow looked at it with a little pity. if it were anyone else, they would definitely want to take a photo or something. it could even break the world record.

He stacked the building blocks again, then took MeowMeoWs little hand and started to draw from below.

rong yan sat beside liancheng yazhi and glanced at the clock on the wall. it was past 11 in the morning. she had to ask Tyr and the others to Stay for lunch at home, so it was time to prepare the meal.

She didn't want such a dangerous young man to stay with MeowMeow. It was not a good thing for MeowMeow.

They talked for a while more, and it was almost time.

Sorry for the disturbance,” Leon quickly said.

brother-in-law, Why don't i go and get them?" tang zong stood up.

tang zong secretly swallowed his tongue. how could

Liancheng Yazhi helped Rong Yan up the stairs. Instead of immediately looking for MeowMeow, he brought her into the bedroom.

Liancheng Yazhi asked Rong Yan. What's wrong? I saw that you've been feeling uneasy since you went upstairs just now. Did something happen?

Rong Yan told Liancheng Yazhi about the scene she had just seen. hubby, that child seems to be very powerful, He doesn't look like a teenager at his age at all. The speed of his attack is unbelievably fast. I'm suddenly a little worried. I don't know Why, but I just feel uneasy. I keep having a feeling that it's not good to let MeowMeow be so close to him..

Chapter 1846: brat, let go of my daughter!

Liancheng Yazhi's expression became a little serious. If it's really as you said, that kid's skills must be very powerful. But you don't have to worry too much. He'll leave tomorrow.

“i hope so,” rong yan sighed.

In fact, what Rong Yan was thinking was that even though they were a few countries away, it was not appropriate to be a few planets away. In an era where technology and transportation were so advanced, this was really not a big distance.

However, she thought about how

Just as Liancheng Yazhi and Rong Yan were talking in the bedroom, Tyr, who was in the toy room, was already planning to go downstairs with big meow Meow because he heard the sound of Liancheng Yazhi and Rong Yan going upstairs.

he pulled

Tyr glanced outside the door and did not hear Liancheng Yazhi and the others coming in. A strange light flashed in his golden eyes.

He knelt down and took off MeowMeow's left shoe, then her baby, revealing a small foot. It was white and chubby, with no toes, round and cute, as if it had been carefully carved.

Tyr reached out and grabbed meowmeowmeowmeowmeow's foot. A few seconds later,
meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow

Tyr looked up and met MeowMeow's eyes. She smiled sweetly at him. "I think a little bug bit my foot just now, but it doesn't hurt anymore."

The corner of Tyr's mouth moved slightly. He then lowered his head and helped

He stood up, rubbed MeowMeow's bangs, bent down to pick her up, opened the door and walked out.

When she went out, she bumped into Liancheng Yazhi and Rong Yan.

MeowMeow immediately called out happily, ” “Daddy, mommy, Yingluo”

Liancheng Yazhi walked over and asked her, "did you have fun?" Did you make big brother angry?"

Liancheng Yazhi pinched MeowMeow's face. then don't let brother carry you anymore. Come down and walk on your own, okay? " You're still very heavy, little chubby."

"I'm not heavy," MeowMeow pouted.

however, nannan Tyr did not let go. he nodded slightly at liancheng yazhi and rong yan as a form of greeting, then walked around them with meowmeowmeowmeowmeow in his arms and went downstairs.

Liancheng Yazhi was so angry that he almost shouted on the spot, " Hey, kid, that's my daughter. Put her down.

Fortunately, Rong Yan stopped him from rushing forward to snatch her precious daughter back.

Liancheng Yazhi gritted his teeth. this stinky brat. He really thinks that he can pretend to be profound and mature just because he doesn't speak and has a poker face. He dares to snatch my daughter away from me.

think that Tyr kid doesn't listen to anyone. But you have to get used to it. Sooner or later, someone will carry your daughter away like this.

"I'll see who dares." Liancheng Yazhi glared..

Chapter 1847: A bone-piercing coldness flashed in her eyes

Rong Yan laughed out loud. there's already one in this movie? "

Liancheng Yazhi glared at the people downstairs. Hmph, since he's a guest today, I won't argue with him. I'll never let him get close to MeowMeow again.

Rong Yan's mood became better. She patted Liancheng Yazhi's arm and said, let's go downstairs. Whoever said that he would leave tomorrow will not see MeowMeow again.

Liancheng Yazhi put his arm around Rong Yan's shoulder. you and MeowMeow are both mine. I will never allow a little brat to snatch you from me.

Rong Yan lowered her head and looked at her stomach. "But there's also a little brat inside. "

Liancheng Yazhi glanced at it and shook his head. It's okay, Yingluo. I'll teach him a good lesson since he's young." rong yan found it funny, "you're really zhenzhen."

Rong Yan comforted Liancheng Yazhi for a while before she pulled him downstairs.

Downstairs, meow was sitting obediently on Tyr's lap. She had no idea how the people around her were looking at her.

After Rong Yan sat down, she waved at MeowMeow. Meow Meow, come to mommy's place to tidy up your hair. Mommy will help you tidy it up.

"Mom, mom, I was so good at learning from brother just now."

Rong Yan glanced at the maid and asked her to get a comb. The maid quickly brought it over and Rong Yan took it over to gently let MeowMeow's hair down and comb it slowly.

“Oh, really? Then, did you thank brother?”

“Of course,” MeowMeow nodded.

Rong Yan raised her head and looked at Tyr. this child is really getting more and more noisy. Tyr thanks you for playing with him for so long. She hasn't been this happy since she left home in the winter. rong yan said this on purpose. she mentioned winter on purpose. for some reason, she suddenly wanted to test Tyr's reaction.

When she took it, Rong Yan was shocked to find that when she mentioned winter, a bone-piercing coldness flashed across Tyr's golden eyes.

But he was too fast, and he returned to normal in an instant.

Fortunately, Rong Yan was only deliberately observing, or she would not have noticed it at all.

rong yan turned her head slightly to look at her daughter, who did not know anything. she sighed in her heart and hoped that she would really be like liancheng yazhi. after today, she would never have any more interactions with this young man.

rong yan still liked to stand beside

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow metime.

No one present knew about Rong Yan's thoughts, and she didn't show any signs of abnormality.

Soon, it was time for lunch.

“Baby, you had breakfast so late. Can you still eat now?” Rong Yan asked MeowMeow.

MeowMeow bit her finger and looked at the sumptuous food on the table. She sniffed and looked at it with eager eyes. Then she looked up and said to Rong

Yan.

“Yes, mommy Yingluo can eat less.”

rong yan laughed out loud at “Little serval, but remember, don't eat anymore after you're full. You'll feel very uncomfortable if you're too full. Don't sleep in the morning after eating. You have to exercise a little, understand?”

Chapter 1848: the black-bellied young man with deep thoughts

Liancheng Yazhi asked everyone to sit down and have lunch. This time, Rong

Yan specially arranged for

Rong Yan thought to herself that no matter what, she couldn't let Tyr feed meowmeowmeow in the afternoon. She had to reduce the time MeowMeow spent with Tyr as much as possible.

However, no matter how much she thought about it, Rong Yan did not expect her daughter to be so silly.

After they sat down, Tyr did not show any reaction. He did not even look at meowmeowmeowmeow, as if he did not know that this was Rong Yan's arrangement.

Liancheng Yazhi casually said a few symbolic words and then began to eat with Rong Yan while preventing their daughter from being taken away again.

However, it was less than ten minutes after dinner.

Eh.....ftäüßEniEü/EE7Tyrfiäjo

Hence,

She ran up to Tyr without saying a word and just hugged his leg while looking at him innocently.

Tyr's eyes, which were covered by his hair, flashed with a faint smile.

he didn't go to hold

Meowmeowmeowmeowmeow immediately pouted her lips and clutched at Tyr's clothes with her tiny hands. Her face was written with the words "I want to eat, I want to eat Yingluo

When Rong Yan and Liancheng Yazhi saw this scene, they didn't know what words to use to describe their feelings.

Rong Yan cleared her throat and said, "MeowMeow, come over quickly. Don't delay your brother's meal, Yingluo."

As soon as she finished speaking, Tyr picked up another piece of shrimp with his chopsticks and sent it to MeowMeow's mouth.

MeowMeow's eyes lit up and it swallowed it.

When she wanted to eat it, her expression was as cute as a cat that had stolen a fish.

Meowmeowmeowmeowmeow said to Rong Yan as she ate, "Mom, I want to stay here. Big brother has good food here!" Leon lowered his head silently, and Farnhill also felt a little cold.

Rong Yan and Liancheng Yazhi might not have noticed it just now, but they did. Tyr was not supposed to be sitting here. He should be sitting in Lai ang's seat, but for some reason, he glanced at Lai ang, scaring him so much that he sat down and stood up again, sitting next to him.

At first, they didn't know why, but now they finally understood.

That was because there was a row of prawns on Yingying's side, which was exactly what the little guy liked.

Once again, Leon was impressed by Tyr's ability. In such a short period of time, Tyr was able to understand a child's preferences without saying a word. His observation skills were truly shocking.

However, there was one more thing that he didn't expect. He didn't expect that Tyr would share a pair of chopsticks with

liancheng yazhi and rong yan looked at each other. they took it as an accident and sighed in their hearts that they had already paid attention to the details. if they had known earlier, they would have put the prawns in front of them.

at this point, rong yan couldn't bring herself to drag meowmeow back in front of so many people. besides, Tyr had already picked meowmeow up and placed her on his lap.

rong yan knew that she could not get her child back for the time being.

He could only sigh in his heart, this glutton.

The two of them consoled themselves that it was alright. They would be leaving soon after lunch..

Chapter 1849: Always prevent my daughter from being snatched away

After they left, MeowMeow would not remember him anymore.

Or, she could call winter back and let him spend more time with her. She would definitely forget about Tyr and all that.

The two of them had a sumptuous lunch without tasting anything.

Rong Yan glanced at

Moreover, this time, Tyr's actions were obviously more skilled than the last time. When he was feeding MeowMeow, he didn't spill any on his clothes and still wiped the corners of MeowMeow's mouth with a napkin.

however, when rong yan found out that he and meowmeow were using the same pair of chopsticks, she was not very calm.

Even in the winter, she would not use the same set of utensils as MeowMeow most of the time.

The bad feeling in Rong Yan's heart grew stronger and stronger. She really couldn't wait for time to pass quickly.

Rong Yan was puzzled.

Maybe Yingying just found after lunch, liancheng yazhi and rong yan both felt very tired.

It didn't feel good to be constantly on guard against his daughter being snatched away!

after lunch, it was about time to leave.

But

Liancheng Yazhi and Rong Yan wanted to stop him, but it was too late. Tyr carried her and walked very quickly.

Lai ang and the rest felt that it was not good to face Liancheng Yazhi, so they could only smile awkwardly. "The relationship between these two children is improving really fast."

"he's just a child," liancheng yazhi replied indifferently. "he can play very well. '

Leon could tell that his father was unhappy and did not like Tyr and

MeowMeow to be too close.

Whenever he said that children had a good relationship, people would say that as long as it was a child, their daughter would be able to play well with other people. Tyr was just one of many people and it was nothing.

Lai ang wiped the sweat off his forehead. He had already begun to feel the deep malice from Liancheng Yazhi.

At this time, even if Liancheng Yazhi did not chase him away, he actually wanted to leave and could not sit still.

Although Liancheng Yazhi still had a gentle and refined appearance, the malice behind his gentleness was becoming more and more intense. The way he looked at him made him suddenly understand what it meant to hide a knife in a smile.

Tang Zong saw that the atmosphere was starting to turn cold. He quickly came out and asked, 'What time is your flight tomorrow?'

Lai ang glanced at Tang Zong and replied, "the flight will be at 8 am tomorrow."

it's so early, " Liancheng Yazhi immediately said. then I should go back earlier today to pack my luggage.

Rong Yan secretly tugged at Liancheng Yazhi. Hubby, even if S wants to chase me away, he shouldn't be so obvious. This doesn't suit your style.

Leon replied vaguely, " yes, I mean Zhenzhen. Leon sweated silently. He also wanted to go back, but the ancestor upstairs refused to come down. What could he do?

Time seemed to pass very slowly in this stiff and cold atmosphere.

Three O 'clock in the afternoon had already passed, and it was almost four o' clock. Rong Yan couldn't sit still when the two little ones still hadn't come down..

Chapter 1850: one day, he would take it back

"I'll go up and take a look," Rong Yan finally couldn't help but say.

Liancheng Yazhi held her hand, his expression not looking good."No need, I'm coming down."

Rong Yan looked up and saw Tyr coming down the stairs with MeowMeow in his arms.

However ,

Liancheng Yazhi immediately walked over and reached out to carry MeowMeow.

this time, Tyr gave it to him.

However, when Tyr handed the meow meow meow meow meow meow to Liancheng Yazhi, he looked at him deeply and then lowered his head slightly. Then, he brought MeowMeow to Liancheng Yazhi with both hands.

it was unknown if Tyr's actions and expression were too serious or if Tyr had really sent out some kind of message.

All in all, it made Liancheng Yazhi feel very bad. It felt as if Gong Jie Tyr had left something with him and he would take it back one day. Yes, that kind of feeling.

liancheng yazhi hugged his daughter tigh tly. the child's soft body was still emitting the fragrance of milk. he did not dare to use too much strength in his arms for fear of hurting her.

Liancheng Yazhi squinted his eyes at Tyr and finally laughed."Kid, thank you for taking care of my daughter."

At this moment, Liancheng Yazhi was a little peeved, and he said ‘my daughter’ very heavily.

The others did not know about the turbulent undercurrent between the two, but Rong Yan could vaguely guess it.

She stepped forward. let’s take MeowMeow back to her room to sleep. She takes a nap at noon every day. She’ll get a headache if she doesn’t sleep well.

Liancheng Yazhi restrained his offensive and smiled.”Alright, I’ll send her back to her room.”

Liancheng Yazhi strode upstairs and carried MeowMeow out of Tyr’s sight.

after a while, he came down in a better mood and smiled at leon and the others. i’m sorry, i’ve embarrassed myself.” it’s nothing, ” Leon quickly said. which parent doesn’t love their child? ”

Liancheng Yazhi looked at the hand Rong Yan was holding. we only have one precious daughter, and she has been in poor health since she was young. My wife has put in a lot of effort to raise her up to this age. In the future, she will have to be taken care of with even more care. Even if we have other children, she will still be our most beloved baby.

Rong Yan had already guessed what Liancheng Yazhi wanted to say, so she went along with his words. that’s right. It’s really too much of a waste to raise a little fellow. We’ve always thought that one day, when our daughter gets married, we’ll definitely be heartbroken.

“So, brother-in-law, don’t tell me that you’re raising Dong Tian to be your son-in-law? are you planning to let Dong Tian marry into our family?” Tang Zong said with a look of sudden realization.

Liancheng Yazhi gave Tang Zong a look that said, “at least you’re tactful.” He smiled and said, “I do have that idea, but it depends on the children’s wishes in the future. If winter and MeowMeow are still so close when they grow up, there’s no reason not to let them be together, right?”

This family had already made it clear in a few words that they had already decided on their future son-in-law. The rest of them had better quickly leave.

by “others,” he was obviously referring to Tyr.

However, it seemed like Tyr wasn’t listening to them at all as he was in a daze.

Or perhaps he simply didn’t care about these things.

seeing that it was almost time, leon and the others had no reason to stay any longer.

When it was close to four o ‘clock, Leon said goodbye..
