

Permit Me 1851

Chapter 1851: If you like it, just take it away

Before he left, he said, “we’ve troubled you with our sudden visit. We didn’t prepare anything good when we came because our schedule was too tight. Here’s a small gift. We hope you’ll accept it.

Tyr took out a palm-sized mahogany box from his pocket. The box was very beautiful and was inlaid with huge gemstones.

Lai ang reached out and took the box from Tyr’s hands, then handed it to Liancheng Yazhi.

Liancheng Yazhi glanced at it and did not reject it. you’re too polite. Thank you.

Tyr had been holding onto this item the entire time, so it must be very valuable. However, it would seem too petty if he were to reject it. The Liancheng family took it but did not open it immediately. Instead, they gave it to Rong Yan.

Lai ang bowed to Liancheng Yazhi. goodbye. I hope we’ll have the chance to meet again in the future. If you and your family are going overseas for a vacation in the future, please give us a chance to entertain you and your family.

Liancheng Yazhi nodded. definitely. If I go out to play in the future, I will definitely trouble you. Goodbye.

They all knew that this was just a courtesy. Even if Liancheng Yazhi went out to play, he would never look for them.

“Goodbye.” in the end, lai ang and the others still left.

Tang Zong had gone to see them off.

when they reached the door, leon said to tang zong in a very unfriendly manner, I used to hate you. You obviously don’t know anything and always like to cause trouble, but your position rose so quickly. You haven’t even been here for half the time I have, but you rose to the same position as us in such a short time. Why? ”

If this incident had not happened to Tang Zong, his position in the organization would have always been higher than Leon’s. It was already considered a very high position, and he would have been able to climb higher and higher in the future. Otherwise, he would not have chosen to retreat at the peak of his career after the incident when so many people were dispatched to deal with him.

He ran away from the power and wealth that was at his fingertips and chose to hold the hand of the woman he loved.

“I do love to get into trouble, and I don’t know many things. But, you don’t know what I Know.” ‘l’ang zong grinned.

Tang Zong shrugged his shoulders and teased himself. but you don’t have anything to be jealous of me for. I’m a penniless pauper now.

Leon glared at him fiercely. A penniless pauper, wouldn’t that make people jealous?

Wasn't Leon jealous of Tang Zong's courage to give up everything for the woman he liked?

"I hope that you will never appear in front of me again." Lai ang looked at Tang Zong and said.

Tang Zong nodded his head. I also hope that we will never have the chance to meet again in the future.

Nothing good would come out of seeing them.

Tang Zong naturally wanted to cut off all ties with them from now on.

Leon snorted coldly and turned to get into the car. Tang Zong stood still, watching the car drive away. Just like the road they were on, there was already a fork in the road and there would be no more intersection.

as they walked further and further away from the Liancheng family's villa, Lai ang stole a glance at Tyr. Tyr's expression was very ugly, and his golden eyes seemed to be covered in a thick layer of ice.

Leon laughed. "Then little aunt is indeed cute. If you really like her, you can find a way to get rid of her."

Farnhill sneered, "Do you think this is a foreign country? Liancheng Yazhi is not someone to be trifled with. There are so many people and traps hidden in his garden that you can't even think of them.."

Chapter 1852: They would never meet again

"but if we leave like this, we don't know when we'll be able to come back again," Leon said as he looked at the scenery on the side of the road.

As soon as he finished speaking, he felt Tyr's gaze on him. The look in his eyes made him feel extremely frightened and he quickly shrank his head back and stopped talking.

The next morning, before seven o'clock, the four Tyr members left the manor and went to the airport. Liancheng Yazhi only heaved a sigh of relief when he heard the news that they had already boarded and the plane had taken off.

He finally left.

and so, Tang Zong's matter had come to an end.

However, after they left, MeowMeow would ask about Tyr from time to time for many days. Most of the time, she would ask when the brother would come back.

Rong Yan would tell her the same thing every time. That brother won't come back. His home is far, far away. He might not come here again. Rong Yan hoped to plant a thought in

This way, MeowMeow would slowly stop thinking about him.

On the other hand, Liancheng Yazhi simply brought winter back. Children always forgot their memories quickly. With winter accompanying MeowMeow, they soon stopped mentioning Tyr.

One day, when the two of them were bathing “Hey,

“Is there? Let me take a look?” Liancheng Yazhi moved closer to take a look. There was really a small red mole. Lying quietly on the sole of her foot, it looked quite cute. The chubby little foot looked very nice.

Liancheng Yazhi looked at it for a while and shook his head. “I really didn’t notice that.”

Neither of them had noticed this. Even adults would grow a mole unknowingly, not to mention children.

Almost a week later, Tyr had completely disappeared from MeowMeow’s life.

No one in the house mentioned him, not even Leon and the other two. It was as if it was just a ripple on the surface of the water that would never appear again after it disappeared.

The life of Liancheng Yazhi’s family still had to continue. Their crisis had not passed yet, and MO zhongkai was quietly increasing his pressure. Liancheng Yazhi did not take any action. He was waiting.

He was waiting for the other person to make a move.

Just as he and Rong Yan thought that person had no chance, one day, the phone in the living room suddenly rang in the middle of the night.

in order to make it more convenient to answer the phone at night, the phone in the living room was connected to butler li’s room. she answered the call first, but no one spoke.

Hello, this is the Liancheng family. May I know who you are? ”

Caretaker Li said it for a long time, but there was no sound. She thought it was a prank and was about to hang up when she heard a trembling female voice from the phone. “i’m qianqian. i’m looking for qianqian. i’m looking for madam liancheng, qianqian, rong yan!’

Butler li was stunned for a moment. To be honest, it was a little scary to hear such a trembling voice in the middle of the night. She asked, ” “I’m looking for the young Madam. May I know who you are?”

“My surname is mo Qianqian.”

Her voice was so shaky that caretaker li even suspected that the phone in her hand was about to fall to the ground.

alright, “Butler Li said. please wait a moment. I’ll inform the young Madam right away.

“Please, ran ran, please hurry up!”

Chapter 1853: Over-protection

“Alright, please wait a moment.” Caretaker li thought for a moment. Since he was looking for the young Madam, she would just transfer the phone to the master’s bedroom.

After all, it was already so late. It would be a little troublesome to ask the young Madam to answer the phone downstairs.

Caretaker li pressed the '1' key and connected the phone to Liancheng Yazhi's bedroom.

After a while, the call was connected, and Liancheng Yazhi's slightly hoarse voice sounded. "Hello, Yingluo."

"Young master, a lady with the surname mo is looking for young Madam," Butler li quickly said.

Liancheng Yazhi's sleepiness was instantly lifted by more than half. "What's your surname?"

"MO Qianqian said her surname is mo," Butler li repeated.

liancheng yazhi was already certain that the other party was mo xunxun. he sat up. okay, I got it. Take her phone.

Beside him, Rong Yan had also been woken up by the phone. She looked at Liancheng Yazhi with a confused expression. "What's wrong? Who's on the phone?"

Liancheng Yazhi helped her sit up and handed her the phone. "It was probably mo xunxun. She was looking for you."

Rong Yan's sleepiness instantly disappeared when she heard that. She took the microphone and put it to her ear, saying softly, "Hello, Yingluo." MO xunxun's trembling voice rang in her ears, "It's me, Yingluo."

"MO Xun Xun Xun Xun, is it?"

"Yingluo, it's me."

Rong Yan glanced at Liancheng Yazhi and asked, "Why are you calling me so late at night?"

MO xunxun's voice sounded like she was about to cry as she said, "My Hanhan, I called you secretly. My Hanhan, I don't know who to talk to, Hanhan"

Rong Yan guessed that mo xunxun must have discovered something.

Otherwise, she would not have called her secretly in the middle of the night.

Rong Yan said, "What's the matter? don't panic, don't be anxious. Speak slowly."

MO xunxun mustered up her courage. a few days ago, I found out that Huahua found out that I found a simple photo in the safe in my brother's study.

"Whose?" Rong Yan was shocked.

MO xunxun bit her lip and cried, "simple photos! It's a simple Kasaya."

"Are you sure you're not mistaken?" Rong Yan immediately asked.

mo xunxun shook her head. "no, i'm not mistaken. it's him, yingluo. it must be him."

Liancheng Yazhi quickly whispered something in Rong Yan's ear, and Rong Yan immediately repeated it to mo xunxun. "Then, when you saw it, was there anything else besides the photo? Can you take a picture with your phone and send it to me?"

MO xunxun said in a low voice, "no, there's nothing else other than a photo. I've already taken a photo, but I don't dare to send it to you. My big brother saw me in his study the other day. The local area network in the house is under my big brother's control. He will find out, Hanhan.

"my phone is with him too. if i want to call hanhan, i have to tell him. he also wants hanhan to look after hanhan in front of me."

rong yan instantly felt that mo xunxun's life at home was no different from a prison. every move, every word, and every action of hers had to be watched. this kind of protection for wanwan was too much, and she was almost sick. mo xunxun's current personality was perhaps not her true nature, but something that her family had developed.

"Then how did you take the photo?" Rong Yan asked her.

MO xunxun was very nervous. She was probably afraid of being found out. She was clearly very scared and worried, but she still spoke very quickly, "I took the photo with a digital camera, and I took the memory card off. Yingluo, can you come out and see me just once? I'll give you the memory card.."

Chapter 1854: was it love at first sight?

Rong Yan agreed without much consideration. "Sure, you can decide on the time and place."

MO xunxun whispered, "tomorrow afternoon at two O'clock. I'll accompany my mother to buy some clothes. We often go to the city center's XX International Mall, Yueyue.

Rong Yan's mind quickly turned. okay, see you tomorrow, but it's not convenient for me to go out now. I'll ask my sister to go. At that time, she will take the initiative to look for you. Don't worry, she will take the initiative to look for you.

Rong Yan thought that her current appearance was too eye-catching. Moreover, mo zhongkai would definitely find out very quickly that she had come into contact with mo xunxun. He wouldn't even need to use his brain to think that it was simple.

therefore, rong yan and liancheng yazhi could not go, but rong nuofan was the most suitable person.

First of all, mo zhongkai did not pay much attention to her. Even if he knew her, he would not pay special attention.

Since Madam mo didn't know him, it wouldn't be suspicious if they had a short interaction.

MO xunxun paused for a moment before she said, "Okay, I'll give her the memory card tomorrow."

yes, give it to her. She'll definitely bring us Hanhan. Also, thank you. Rong Yan's thank you was sincere. She really didn't expect mo xunxun to help him like this after only meeting Jian an once.

no, there's no need for that, "mo xunxun said nervously. it's just that I don't want anything to happen to him.

“As long as we have some simple information, we will definitely save him.” Rong Yan smiled.

MO xunxun’s voice sounded a little sad. I, Wanwan, can only ask you guys to help him. You guys are his friends. You’ll definitely help him, right? ”

“Yes, we will.”

MO xunxun’s mood improved slightly. “then i’m relieved. i don’t dare to say more. i only dared to sneak out to make a call because my brother wasn’t around tonight. if my mom and the others find out, i definitely can’t go out tomorrow. i’ll hang up first, hanhan.”

“Bye-bye, you!”

After hanging up the phone, Rong Yan looked up at Liancheng Yazhi.

it seems that the simplified version is really in mo zhongkai’s hands. I suddenly feel that he’s a very scary person.

he was simply a hidden venomous snake. although he usually looked gentle, when he really got into action, his methods were very powerful.

He had actually monitored the LAN in his own home. It was clear how snsnci011s he was- Tt also indirectly showed how much security was valued in his job. His sense of security was so strong.

Even his family members didn’t trust him 100%.

Liancheng Yazhi’s dark eyes were so deep that one couldn’t see the bottom, and there were very complicated emotions hidden in them. He put the microphone back and hugged Rong Yan, gently patting her shoulder and comforting her.

it’s fine. This isn’t bad news. It’s good news. At least we have some simple and accurate information, right? ”

He had been searching for a long time without any simple news, but now he finally had one. Whether it was good or bad, at least he had some hope.

Rong Yan nodded. you’re right. Now, Qianqian only hopes that mo zhongkai didn’t use any punishment on Jian Yi. I hope he’s well.

Liancheng Yazhi kissed Rong Yan’s forehead. “You’ll know when you see the photos tomorrow.”

Rong Yan heaved a sigh of relief. I’m quite curious. Did mo xunxun fall in love with Jian Yi at first sight? ” Her family will never agree to her being with Jian Jie.”

Liancheng Yazhi smiled. it doesn’t matter if it’s good or bad. It’s a simple fate. What happens in the future depends on him..

Chapter 1855: I wonder if it’s a miracle or a disaster

However, mo xunxun had told them about her brother's Secret for Jian Jie's sake. Hence, Jian Jie owed her a favor. According to Jian Jie's personality, she would have to return the favor in the future.

However, the difference between the two of them was too great.

they were not people from the same world. they were like carnivorous beasts that could never be together with their canaries.

MO xunxun's family would not allow her to get close to Jian Jie. MO zhongkai was a very suspicious person. He probably already knew about his sister's strange behavior towards Jian Jie from the one-month-old banquet last time. He would definitely be very guarded.

if the two of them really fell in love one day, it would be a miracle or a disaster.

Liancheng Yazhi sighed. He hoped that simplicity could help him find his own happiness, but would it be the best place for simple happiness if he didn't search for it?

Liancheng Yazhi patted Rong Yan's shoulder gently. be good and sleep. Don't think too much. The doctor said that you still need to pay attention to the quality of your sleep.

Rong Yan leaned closer to Liancheng Yazhi. "Yes, I know,"

liancheng yazhi lowered his head and gently kissed rong yan's forehead. "are you hot?"

"It's alright." The bigger Rong Yan's pregnancy was, the more afraid she was of the heat. Usually, she would not go out in the morning, except when the temperature had not completely risen. She would basically not go out in the afternoon and afternoon. She was very afraid of the heat now.

After a while, Rong Yan's breathing gradually stabilized. Liancheng Yazhi looked at her sleeping face and a doting smile appeared on his face.

After settling Kang Yu's matter, Liancheng Yazhi didn't want to get into any other trouble. He didn't want anything else now. He only wanted his wife and daughter to be healthy and happy, and his son to be born safely.

From now on, he would focus on being a family man and raise his son. When he was older, he would hand over the Liancheng family and MeowMeow to him.

After that, he gave all his energy and time to Rong Yan.

the next day, at around eight o'clock in the morning, when the family was having breakfast, rong yan told rong nuo that she hoped that rong nuo could go and see mo xunxun and get the memory card from her.

Rong nuo was very excited when she heard this. She felt that this was like a secret meeting and was immediately eager to try. sure, but I've never seen her before? "

Tang Zong quickly raised his hand and said, "I'm going too! I want to go to

Huanhuan too!" rong nuo tapped the back of his hand with her chopsticks. "Why is this your business? shut up and let big sister finish."

Rong Yan smiled. Tang Zong can go with you too. It's more natural for you two to go shopping together as a couple. Your brother-in-law has her photo. I'll show it to you later. Remember to look for her memory card. Don't let her mother find out, and don't let anyone else find out.

tang zong patted his chest. "don't worry, big sister. i'm the best at this. i've done this many times in the past. i guarantee that everything will be resolved without a sound. "

After he finished speaking, Tang Zong realized that he seemed to have said something wrong. It had been a long time since he had mentioned what he had done in the past.

However, it was a good thing that no one cared.

Rong Yan seemed to have ignored his words and said with a smile, "that's good. if you can do this well, i'll push your wedding date with rong nuo forward a little."

Tang Zong's eyes lit up,"really?" That's great. Then, brother-in-law, big sister, if you have anything else to do, leave it to me. I promise I'll do it quickly and well.."

Chapter 1856: it's winter, my daughter wants a betrothal gift

If the wedding date was pushed forward when he did one thing, then if he did many things, wouldn't it be pushed forward by a lot?

"In your dreams," Rong Yan teased, "we'll talk about it after you've earned enough of our Rong nuo's betrothal gifts."

The little girl didn't know what 'betrothal gift' meant, but when she heard the word 'gift' in it, she thought it was a gift.

The whole family immediately laughed out loud. Rong Yan reached out and pinched meowmeowmeowmeowmeowmeowmeowmeow's little face."little girl, you're still so young and you're already asking for a betrothal gift. aren't you embarrassed?"

MeowMeow pouted. why should I be shy? "

Liancheng Yazhi smiled and teased Dong Tian,"Dong Tian, did you hear that?" Hurry up, my daughter wants a betrothal gift."

Thus, everyone's eyes turned to winter of the year. His fair and delicate face was so red that smoke could be seen coming out of it. He lowered his head and said, "I, Yingluo, will work hard."

When Rong Yan saw Dong Tian's shy look, she suddenly felt that he was more like a child of his age. Tyr's gloomy look flashed across her mind, and her love for Dong Tian increased.

Rong Yan touched her face and teased him. winter, then you have to work hard, work hard, work hard. My daughter's betrothal gift is a lot.

dong tian blushed and nodded his head seriously. "yes, yueyue, i will. "

Rong Yan's cuteness was instantly touched by winter. She pulled Liancheng

Yazhi's hand and shook it. "So obedient. Why are you so cute?"

Liancheng Yazhi reached out and touched Rong Yan's nose."Silly girl, no matter how cute she is, she's still our family's."

Liancheng Yazhi didn't like to be too noisy in the past and liked the quiet, but now he enjoyed this kind of noisy moment.

Wasn't this how a family should be when they were together? if they only nodded and greeted each other, they would be no different from strangers walking on the street.

A home ran ran should be like a home.

In the afternoon, Rong nuo had already dressed up and left the house with Tang Zong.

Before they left, Rong nuo said to Rong Yan,"sister, don't worry. We'll come back immediately after taking the memory card."

Rong Yan instructed, "there's no need to be so anxious. Buy more of what you want to buy. Be careful on the road.

"Yes, I know."

After Rong nuo and Tang Zong left, the rest of the time for Liancheng Yazhi and his wife was to wait.

Liancheng Yazhi would only know the current situation after seeing the photos. Only then would he be able to find out the location where they were being held.

Before seeing the photo, Liancheng Yazhi had no idea.

After Rong nuo reached the place, she held Tang Zong's hand and began to stroll slowly. The speed at which she swept the goods was very uniform.

they entered every store and strolled from the first floor to the fourth floor.

Then, she finally saw the person in the photo that Rong Yan had shown her-mo xunxun.

Rong nuo gently pinched Tang Zong.

tang zong put his arm around her shoulders. "don't look at her. look at her clothes. let's go over. you have to listen to me later."

Rong nuo nodded, then lifted her chin, putting on a smug look, and walked into the shop with Tang Zong.

After the two of them entered, they did not approach mo xunxun directly.

Instead, they chose and tried on clothes like normal customers.

After ten minutes, Tang Zong brought a White Princess dress with bubble sleeves for Rong nuo to try on.

Rong nuo suddenly felt a chill when she saw it. She would never wear this kind of pink Princess dress..

Chapter 1857: The princess dress

“You won’t go wrong if you listen to me. Go and change,” Tang Zong said in a low voice.

Rong nuo looked at Tang Zong’s serious face and did not say anything. She went into the dressing room to change. When she came out, she was no longer there. She pulled her clothes, and it felt awkward no matter how one looked at it.

The shop assistant quickly said, “miss, you look really good in this dress. It’s so pure and noble.”

Rong nuo looked left and right and felt that something was wrong. really, Yingluo? but why do I feel that Yingluo? ”

before she could finish, tang zong hurried over and tugged at rong nuo’s dress. is this dress a little too big? the waist is almost one size bigger.

Rong nuo forgot what she wanted to say and nodded. “Yeah, it’s a Little Big.” [Are there any smaller sizes for this dress?/Tang Zong asked the saleswoman/

The saleswoman was a little embarrassed. I’m sorry. This dress is only two sizes. We only have two in our store. However, Yingluo was just taken by another lady to try it on. Look, she’s out. Why don’t I help you ask her what size she’s wearing? if she’s wearing the smaller one, it’ll be a good time to change with you.”

Rong nuo turned around and was surprised to find that the person the saleswoman was talking about was mo xunxun.

MO xunxun wore the same dress as her and walked out.

Rong nuo was shocked. She quickly glanced at Tang Zong and exclaimed in her heart: ‘Damn, is this guy a fortune-teller? Was it a coincidence or had he really predicted that mo xunxun would wear the same dress after she wore it?’

Tang Zong winked at her.

Rong nuo hid the surprise in her heart and said to the sales lady, “i quite like this dress. let’s go ask her ourselves.”

This dress had become the link between her and MO xunxun.

rong nuo walked in front of mo xunxun and smiled. ” “Miss, I also like this dress, but Yingluo’s dress is a little too big for me. Can we change it?”

MO ding’s mother quickly walked over. I’m sorry. Our xunxun likes this dress very much too. This small size is just right for her. We want to buy this one. We can’t exchange it with you.

However, mo xunxun tugged at her mother and whispered, ” ” mommy, yingluo, i feel that my waist is a little tight. why don’t yingluo let me try this size? ”

When mo ding’s mother heard this, her expression changed immediately. She smiled at Rong nuo and said, ” “It’s a little tight, Yingluo. Alright, you guys can try changing it.”

Rong nuo smiled. that’s great, Zhenzhen. We’ll be satisfied with this.

Hence, Rong nuo and MO xunxun entered the changing room again. She changed into her own clothes and came out, then exchanged the dress with the other person.

holding mo xunxun's clothes, rong nuo entered the changing room again. she immediately unfolded mo xunxun's neatly folded dress and found a small memory card.

Rong nuo's heart jumped. At this time, she did not feel that the princess dress was not twisted. She quickly put it on, put the memory card away, and then walked out with a smile on her face. "Just right, it fits me perfectly. I'll take this one," the saleswoman happily took the dress to the bill. rong nuo waved her hand at mo xunxun. "Thank you, Yingluo."

MO xunxun blushed and lowered her head, nodding her head lightly.

after that, rong nuo and tang zong left together, hand in hand.

After leaving the shop, Rong nuo looked at two more bag shops and bought a bag for Rong Yan before leaving leisurely.

As soon as they got into the car, Rong nuo pounced on Tang Zong. how did you know that mo xunxun would definitely wear that dress? hurry up and tell me, hurry up and tell me Yingluo..

Chapter 1858: I hope you can be fierce to me forever

Rong nuo grabbed Tang Zong's arm and shook it. don't keep me in suspense.

Tell me quickly. How do you know that she'll definitely wear that dress? ‘

"I told you, your husband is amazing!" Tang Zong laughed a little smugly.

Rong nuo pounced on him, grabbed his shoulder and shook him."tell me, tell me yingluo."

Tang Zong pulled Rong nuo into his arms."Then give me a kiss and I'll tell you."

As soon as he finished speaking, Rong nuo kissed him on the face."Hurry up and tell me."

The speed was a little too fast, and Tang Zong had yet to react. He pointed at his own team chat. "Baby, how can this be considered a loss? you have to kiss me here."

Rong nuo pinched him, pinched his chin, and gently bit his lips. "Are you done?

if you don't say anything, i'll kick you off the stage and you can walk home on your own."

Tang Zong said pitifully, "the real murderer, Zhenzhen."

Rong nuo snorted,"it's too late to feel fierce now."

Tang Zong hurriedly smiled. it's not too late now. I hope you can be fierce to me for the rest of your life.

rong nuo poked his chest. " don't be talkative. tell me the truth. ‘

"alright, alright, i'll tell you, okay?"

Hence, Tang Zong told Rong nuo how he knew that mo xunxun would wear that dress.

As soon as he saw mo xunxun, Tang Zong knew that she did not have any right to choose. Her clothes, shoes, jewelry, and the baby were all chosen by mo xunxun's mother.

MO xunxun stood there like a puppet, being dressed up by her mother.

When he saw the clothes that mo xunxun had worn when she entered the store, Tang Zong could tell that mo xunxun's mother had the kind of style that liked to dress her daughter up like a princess.

Therefore, Tang Zong chose a princess dress and let Rong nuo wear it. As long as she looked good in it, mo ding's mother would definitely give it to her daughter.

And Tang Zong specially took a large size for Rong nuo to wear. This way, after mo xunxun put it on, she would have a reason to look for her to change her dress.

When she changed into the dress, the memory card was naturally replaced.

In fact, this was not a very impressive feat. It was just that Tang Zong's observation was very detailed, and he also happened to know mo xunxun and MO ding's mother's personalities. That was why he was able to succeed.

Rong nuo's eyes lit up as she looked at him. She reached out and patted Tang Zong's shoulder."Not bad, I didn't know you had this ability."

Tang Zong was a little proud. your husband has many impressive moments. For example, Yingluo.

He leaned close to Rong nuo's ear and whispered two words, "On the bed."

rong nuo's face instantly turned red. she glared at him and pinched his arm hard.

"Could it be that I'm wrong?" Tang Zong hugged her tightly.

Rong nuo bit her lip and blushed.

"Looks like I'll have to work hard tonight," Tang Zong heaved a long sigh.

The two of them returned home and quickly handed the memory card to

Liancheng Yazhi.

Liancheng Yazhi put the card into the laptop and nervously opened the photos inside.

There were about ten photos, but half of them were repeated. Some of them were blurry because the hands were shaking when they were remaking the photos, so they had to take a second one.

After Liancheng Yazhi finished reading, he deleted the repeated photos, leaving four photos that were still relatively clear.

Out of the four photos, three of them were unconscious, and only one was awake.

All of the pictures showed the same location. There were white walls around him and no decorations. There should be a very bright light above his head..

Chapter 1859: You can definitely save him

of the three unconscious photos, the man's face was pale and he had lost a lot of weight. the only clear-headed photo showed him sitting on a chair without handcuffs.

However, from his eyes and fingers, Liancheng Yazhi felt that he was not weak at that time. He might not even have the strength to stand up.

Looking at the simple photo, Liancheng Yazhi's hands gradually clenched, his eyes turned red, and the murderous aura around him made people not dare to approach him.

Tang Zong hurriedly said, "brother-in-law, don't be anxious. Don't go looking for mo zhongkai. We still don't know where Jian Jie is being held. If we alert mo zhongkai, what if he changes the place where Jian Jie is being held?"

With a 'pa' sound, Liancheng Yazhi pressed the button on the computer and turned around to leave without saying a word.

Tang Zong looked at Rong Yan and said, "big sister, Zhenzhen."

After looking at the simple photo, Rong Yan felt terrible. She said to Tang Zong, it's fine. He's just feeling bad. He'll get better. You two must be tired. Go and rest first. I'll go and see him.

Rong Yan stood up and slowly walked out.

The temperature outside was hot, and the sun was very glaring. Liancheng Yazhi stood under the sun, his lonely figure looking particularly lonely.

Rong Yan slowly walked over and grabbed his hand.

"At the very least, Jian Jie is still alive, right? You can definitely save him, right?"

liancheng yazhi's body trembled and he grabbed rong yan's hand. he said it to her as if he was saying it to himself."Yes, Yingluo will definitely do it, Yingluo."

The simple person that Liancheng Yazhi knew was always strong and fierce. Even if he was injured, he was still a beast. The weak appearance in the photo made Liancheng Yazhi feel like a big stone was pressing on his heart.

Jian Jie had followed him back, but he had been missing for so long, and there was only news of him today.

Liancheng Yazhi was very remorseful.

After a while, Liancheng Yazhi's mood finally calmed down. He turned around and saw Rong Yan's face that was red from the sun. He quickly carried her and walked into the house."Go back. The sun is so bright outside. What are you doing out here?" he asked.

"I'm out for some sun," Rong Yan said with a smile.

When they returned to the house, they saw that Tang Zong and Rong nuo were still sitting in the living room.

Liancheng Yazhi put Rong Yan down and asked the maid to bring the juice over. Then, he took a fan and gently fanned Rong Yan.

Seeing that Liancheng Yazhi had calmed down, Tang Zong carefully asked, ' brother-in-law, what's the place on the photo? why don't I take the photo and ask Tang han if he knows? "

Liancheng Yazhi shook his head. even if he knew, he wouldn't tell you. Besides, I don't think he knows about it.

They were not in the same Department. Moreover, mo zhongkai's workplace was too confidential. Other than the people in the same Department, no one else might know.

Tang Zong scratched his chin. however, I feel that even if he doesn't know, he should at least know more about it than us. At the very least, Qianqian should be able to draw out a range.

"Can you get him to draw out the approximate area?" Liancheng Yazhi asked him.

Tang Zong patted his chest and said, "don't worry. I'm definitely capable. I'll go and visit the patient tonight. You guys can wait for my good news.

"Then don't let him know that we've already gotten the photos from mo zhongkai," Liancheng Yazhi reminded him.

"I understand. I won't be that foolish." Tang Zong nodded..

Chapter 1860: Brother, you're too pitiful!

At half past eight in the evening, Tang Zong arrived at the hospital. He didn't even knock on the door before pushing it open and entering.

As soon as he entered, Tang Zong didn't look at Tang Zhen. He looked around the ward and said, tsk, tsk. Brother, you're a hero. How can you be treated like this? you don't even have anyone to take care of you. It's so pitiful.

Tang Zhen could already get off the bed. He was holding his stomach and pouring himself a cup of water. When he saw Tang Zong, he frowned and said, "What are you doing here?"

Tang Zong walked over and picked up the glass of water that Tang Zhen had poured for him. He took a sip and said, "Of course I'm here to see you, to see if you've yet to recover from your serious injuries,"

Tang Han's face instantly darkened. then I'll have to disappoint you. My injuries are healing very quickly.

"That's true. I thought you would be lying on the bed with an oxygen tube inserted into your body." Tang Zong nodded his head in a serious manner.

"Get lost!" Tang han immediately shouted angrily.

Not only did Tang Zong not roll away, he even rolled in front of him. "Hehe, brother Xuxu, don't be so fierce. Didn't the doctor tell you that injured people should stay in a good mood? have you had dinner? I brought some for you, do you want to eat?"

Tang Zhen glanced at the thermal container in Tang Zong's hands. He felt a little touched.

Of the people who came to see him, Tang Zong was the first to bring food over.

However, would Tang Zong be so kind?

Tang Zong saw that Tang Zhen didn't say anything, so he opened the lunch box. There was chicken soup, rice, and two dishes.

The fragrance of the perfume instantly filled the ward, dispersing the smell of the disinfectant.

tang zhen's throat rolled twice. he had been eating the hospital's food every day for the past few days, and he had almost lost his taste buds.

the food that tang zong brought made him feel as if he had come back to life.

Tang Zong carried the bowl of chicken soup and waved it in front of Tang

Zhen, "brother, do you want to eat? It's delicious, I made it myself."

Ten minutes later, the food that Tang Zong brought had been devoured by Tang Zhen.

"Brother, how hard must your life have been?" Tang Zong sighed.

Tang Zhen's stomach was satisfied, and his mood was better. He no longer felt that Tang Zong was an eyesore.

"Tell me, what do you want to know?" he asked.

Seeing that Tang Zong had sent him dinner, Tang Zhen felt that if he knew anything, he could choose the appropriate time to tell him.

Tang Zong hooked his arm around Tang Zhen's shoulder,"This is what you said, Yingluo."

an hour and a half later, tang zong rushed back home. he took out a piece of paper from his pocket. " brother-in-law, this is the general scope of the simple imprisonment. "

Liancheng Yazhi opened it and saw a simple military map drawn on a small paper. It was obvious that it was written by Tang han.

Tang han marked the suspected locations and divided them into a, B, C, and D.

although it was simple, it was clear at a glance.

"he actually told you?" liancheng yazhi was a little surprised.

"That's true. I didn't let him eat the dinner I brought over for free." Tang Zong lifted his chin.

Liancheng Yazhi pointed to a spot on the paper."Where is this C?"

Tang Zong took a look and said, " this is an ordinary office building in the downtown area.

However, Tang han said that he had heard by chance that this place seems to be the secret office of mo zhongkai and the others. Everyone who goes in and out of there is dressed casually and has the work identity of an ordinary person. However, he is not too sure.

Liancheng Yazhi narrowed his eyes and did not speak for a long time."It seems that I have to go and see mo zhongkai again, hehe.."
