

Permit Me 1861

Chapter 1861: An injured person needs the most care

No matter how hard mo zhongkai was to accept, he had to pry open a crack.

simplehe had to save her.

it was time to meet mo zhongkai face to face.

Rong Yan asked Tang Zong. why would Tang han tell you this? I always thought that he would never reveal his internal secrets.

Tang Zong cupped his chin and thought for a moment before saying, I feel that Yingluo, my brother, seems to be a little different from before. It's as if he's no longer as conservative as before. It's as if Yingluo has changed a little, but it's not that obvious.

lian Cheng yazhi recalled the last time he met tang han. actually, at that time, tang han had already changed a little. people change. The key is to see if others can seize the opportunity to give him some guidance when necessary.

tang han was actually in a very complicated state of mind at this time. after a lot of recent events, he might have discovered that some of the things he had thought of in the past were actually not what he thought.

No matter how tough he was or how strong he looked, he was someone who needed care, especially when he was injured.

however, the tang family was used to seeing his tough side and thought that he was invincible. so even after he was injured, they took it for granted that he was not, but he would recover.

However, they had neglected the fact that the injured needed the care of their family members the most.

when tang han's sacrifice was not proportional to his concern, his mentality would naturally change. he would wonder if what he had done in the past was right.

Would he consider if it was worth it to sacrifice his love for the Tang family and lose the woman and child he loved?

"Wow! I'll visit him a few more times in the future then. I think I like my brother more than before. At least I don't hate him as much when I see him now." Tang Zong hurriedly said.

Lian Cheng Yazhi smiled and asked him, "what else did Tang han say besides drawing this for you?"

tang zong thought for a moment and said, "he said that mo zhongkai is a very scheming person. he likes to think in reverse and sometimes does things in a sinister way. it's best to prevent him from making any bad moves."

Lian Cheng Yazhi raised his eyebrows and laughed. "It is really rare for Tang han to say such words. He has indeed changed a lot in the past."

“Brother-in-law, does mo zhongkai really dare to do such evil things to our family?” Tang Zong asked Liancheng Yazhi.

Tang Zong was referring to “us.” From his point of view, he was already a part of the Liancheng family. No matter what happened, good or bad, he had the responsibility and the obligation to bear it.

Liancheng Yazhi wanted to teach Tang Zong some things, so he told him, ‘ whether a person dares or not depends on the reward he can get after doing this. if he thinks the reward is higher than the risk, why not do it? ’

“What do you think is the reason why mo zhongkai didn’t take action immediately after he disbanded Tang Han’s job?” Liancheng Yazhi asked him again.

Tang Zong pondered for a moment and said, “is it because Qianqian doesn’t know your limits? I wonder if she can go against you.”

Liancheng Yazhi nodded. that’s right. That’s one of the reasons. There’s another reason. His boss didn’t give him enough compensation to make him act without thinking..

Chapter 1862: It’s easy for him to mess with whoever he wants

Tang Zong finally understood. brother-in-law, you mean he is observing you while waiting for the higher-ups to give him more rewards.

Liancheng Yazhi nodded. He felt that mo zhongkai could simply be described as someone who would not wake up early if there were no benefits.

Tang Zong’s face was full of disdain. I don’t think mo zhongkai should be a soldier. He should be a businessman. He’s so clear about the benefits.

People like mo zhongkai were indeed very few in the Army.

it was just that he was too calculative and was really not very likable. perhaps he was promoted quickly now, but in the future, if he offended someone, he would have no foundation and would fall from the clouds even faster if he was so calculative.

“How do you plan to meet MO zhongkai?” Rong Yan asked Liancheng Yazhi.

Liancheng Yazhi put his arm around her shoulder. isn’t it too degrading to take the initiative to look for him? I have to make him take the initiative to look for me!

Rong Yan didn’t know what Liancheng Yazhi had done, but within two days, mo zhongkai took the initiative to call her, hoping to meet Liancheng Yazhi and say that he had something to ask him.

Liancheng Yazhi naturally agreed. This was the result he wanted.

After he hung up mo zhongkai’s call, Rong Yan asked excitedly, ” “How did you do it?”

Liancheng Yazhi gently pinched Rong Yan’s chubby cheeks. “Your husband will always have a way.”

Rong Yan pouted. tell me. If you don’t tell me, I won’t let you go.

Liancheng Yazhi had a profound expression on his face. actually, I didn't do anything. They came to me of their own accord. Moreover, Wanwan, it's all thanks to you that I'm here.

"Me?" Rong Yan was surprised.

MO zhongkai's father loved calligraphy and paintings very much and often went to the antique store to buy them. Two days ago, he saw an ancient painting in the store that Gu Hesheng gave Rong Yan and liked it very much, but he couldn't afford it. He begged the staff in the store for a long time to leave a deposit and take the painting home to play with. However, Wanwan sent the painting back yesterday but gave a fake one. The staff in the store was of course unwilling and insisted on suing mo zhongkai's father. They had already sued him to the court.

After a while, mo zhongkai found out that the shop belonged to Rong Yan. Now that Rong Yan was pregnant, it was temporarily handed over to Liancheng Yazhi, so mo zhongkai came to find Liancheng Yazhi for his father.

As a son, he couldn't possibly let his own father go to jail. That Kasaya painting was priceless. If he was convicted, it would be enough for him to be in jail for many years.

The matter was that simple. As long as he caught a loophole in the other party, there would always be a chance.

MO zhongkai said that there were no flaws in his body, but it was enough for his family.

After hearing this, Rong Yan was surprised. wow, hubby, you even thought of this method. Qianqian, mo zhongkai's father really swallowed the painting himself. He can't be so stupid, right? how can he deceive others with a fake painting? "

MO zhongkai's father was not a fool. Even if he liked her, he would not be so brainless, right?

Liancheng Yazhi felt that Rong Yan's expression was too cute and lowered his head to kiss her. " fool, everyone is greedy. it's enough to let people talk to both sides. "

It wasn't difficult to control a person's heart. As long as Yingying liked it enough, it was easy.

Rong Yan swallowed. She felt that she didn't know Liancheng Yazhi's sinister nature well enough.

As long as he wanted to, it was as easy as flipping his hand to get rid of someone..

Chapter 1863: Truly despicable

Rong Yan nodded. go, go. When you see mo zhongkai there, don't be soft.

"Alright, I'll listen to my wife," Liancheng Yazhi said with a smile.

The place where Liancheng Yazhi and MO zhongkai had agreed to meet was a teahouse with a beautiful and quiet environment. It was a high level of privacy and was more suitable for a conversation.

When he arrived, mo zhongkai had already arrived.

Today, mo zhongkai was still not wearing his military uniform.

He was still wearing casual clothes and sitting there. Although he didn't look like a soldier like Tang han, he was still upright.

Liancheng Yazhi slowly walked over and nodded at mo zhongkai in a distant and polite manner."I'm sorry I'm late. I've made you wait."

MO zhongkai quickly stood up, "no, I'm early. Please have a seat.

he didn't arrive early, only a few minutes earlier than the agreed time. the point was that wanwan lian Cheng yazhi deliberately came late, and he was late by nearly half an hour.

lian Cheng yazhi wanted to let mo zhongkai know who was begging who.

"What would Mr. Liancheng like to drink?" mo zhongkai asked Liancheng Yazhi.

Liancheng Yazhi shook his head. it doesn't matter. I'm not particular about tea.

At home, my father-in-law instigates all kinds of tea knowledge every day.

When I drink tea, it basically has the same taste.

mo zhongkai's heart trembled. he habitually thought about other people's words several times in his heart. lian Cheng yazhi mentioned gu hesheng, and gu hesheng was the big dipper and mount tai in the antique world. his father loved to go to the antique shops because of gu hesheng.

MO zhongkai thought in his heart, Liancheng Yazhi suddenly mentioned Gu Hesheng, did he have any other meaning?

MO zhongkai couldn't quite understand now, so he followed Liancheng Yazhi's words, " "Actually, it's really enviable to be able to receive some pointers from Gu Hesheng." maybe, " Liancheng Yazhi replied perfunctorily. but I don't think I can stand it.

The two of them exchanged greetings for a while before Liancheng Yazhi went straight to the point."Mr. MO, is there anything I can help you with today?"

MO zhongkai tightened his grip on the teacup and thought for a moment before saying, " "today, i have a presumptuous request for inviting you, mr. lian Cheng."

Liancheng Yazhi took a sip of tea. This tea was really different from the tea that his father-in-law gave him every day.

"Really?" Liancheng Yazhi smiled and said. Then tell me. ' he only allowed the other party to speak, but did not immediately agree.

MO zhongkai was a little disappointed. However, he felt that a person like Liancheng Yazhi, who knew why he was looking for him but still pretended not to know, was really despicable.

If he had not begged him today, mo zhongkai really hoped that he could solve Liancheng Yazhi's problem in one fell swoop. At that time, he would not let him off easily.

MO zhongkai stood up with a guilty look and said, " Mr. Liancheng, I'm here today to apologize to you on behalf of my father. I'm really sorry.

Liancheng Yazhi still pretended to be confused."Apologize? do i have any grudges against mr. mo? I don't dare to accept your sudden apology."

MO zhongkai's heart itched with hatred. Liancheng Yazhi clearly knew what he was talking about, but he still wanted him to personally tell him about his father. How despicable.

However, he was in the wrong in this matter. He had come to see Liancheng Yazhi today to resolve this matter privately and not make it a big deal..

Chapter 1864: If you hit someone, hit their face

MO zhongkai took a deep breath, "I'm very sorry. My father took an ancient painting from your wife's antique shop and went home to enjoy it. However, when he returned it, the staff in your shop said that my father gave a fake painting. He had already reported the case to the court and filed a lawsuit. I'm very sorry for the trouble I've caused you because of this.

In fact, mo zhongkai was also very angry about this matter. His father had never been very bold, but why did he suddenly deduct the real painting that was of immeasurable value?

moreover, mo zhongkai had asked his father about this for a long time, but no matter how he asked, his father said that the painting he took out from the shop was the fake one he returned.

What did mo zhongkai do? he could tell at a glance that his father was lying.

However, that was his own father, he could not treat him like an interrogation.

Moreover, he didn't believe that his father couldn't tell whether the painting was real or fake. If it was fake, he wouldn't have taken it home and would have looked at it in the study the entire night, ignoring everyone.

MO zhongkai had no way to deal with his own father, so he hoped that Liancheng Yazhi, who was rich and overbearing, would drop the lawsuit and give him some time to solve it and get the painting from his father.

These were mo zhongkai's plans.

Liancheng Yazhi laughed disdainfully in his heart. This mo zhongkai's words were really cunning. He only said that the people in the shop said that his father returned the fake painting, but he did not say that his father had detained the real painting. In the end, he said that it had caused him trouble, but he did not say anything and returned the real painting.

Did this man, Yingluo, really think that everyone could be fooled by him? what he said was nothing more than to say that this was the fake painting that Yingluo's father took away back then, so there was no such thing as turning the truth back.

Even if he wanted to gain something for nothing, this was not the way to go. liancheng yazhi's fingers slid slowly along the edge of the teacup. he said unhurriedly, "oh, so it's about this. i was still wondering who the person who exchanged a fake painting that cost a few hundred yuan for the real paintings in my shop that were worth ten million yuan was. " It turns out that Qianqian is your father!"

Liancheng Yazhi's words exposed the truth that mo zhongkai was very unwilling to mention, instantly making him blush in embarrassment.

MO zhongkai said, "this matter still needs some work."

He wanted to say that this matter still needed to be investigated, but Liancheng Yazhi did not give him a chance to speak and said, " "Actually, it's just a painting. It doesn't matter if I give it to your father. My wife doesn't lack that painting. My father-in-law is very eager to make a move on Xiduo. However, isn't it too despicable to use this kind of underhanded method? I heard that your father is also a famous scholar. I really find it a little unbelievable that he would do such a thing."

Liancheng Yazhi looked up at Mo Zhongkai with an indifferent expression and smiled at him, " as long as you open your mouth, there's no harm in giving it to him. Why do you have to 'steal' it!

The word 'steal' was like a heavy punch to Mo Zhongkai's face. Although he was a meticulous and deep person, the more one wanted to climb up, the more one would pay attention to his face.

The more he was afraid of the negative news affecting his career.

if you hit his face, it would be the same as stabbing a knife into his wound.

Mo Zhongkai hurriedly said, "I'm sorry."

Liancheng Yazhi cut him off again. "my wife was very angry after hearing it. she said bluntly that this matter must be dealt with severely and that the whole city must know about it. otherwise, in the future, everyone will go to her shop and take the real things and send the fake ones.. then, how can she continue to operate her shop?"

Chapter 1865: reversal of right and wrong

Liancheng Yazhi looked at Mo Zhongkai's expression that was almost too ashamed to show his face and said, " "My father-in-law's treasure wasn't obtained for nothing. Besides, if others know that my father-in-law's shop has fake goods, his reputation will be destroyed by your father, right? Mr. Mo."

Mo Zhongkai felt that his face was about to be slapped swollen. He wanted to take care of his own face, so he had always been very strict with himself when facing outsiders. For so many years, whether it was in the Army or outside, he had his own set of ways of dealing with things, and it was effective. In the eyes of outsiders, he was neither humble nor arrogant.

This was the first time he had been slapped in the face, and he had no way to refute it.

Especially since Liancheng Yazhi had raised this matter to Gu Hesheng's reputation, then Xu Xu's situation was even more serious.

In the antique circle of the imperial capital, everyone knew that the words 'Gu' were like gold and Jade. The things in his shop were never 'fake'.

Mo Zhongkai gritted his teeth. While he blamed his father in his heart, he also hated Liancheng Yazhi to the extreme. He said, " " mr. liancheng, i'm very sorry about yingluo's matter. please withdraw your lawsuit and let's settle this privately, okay? "

Liancheng Yazhi nodded. of course you can. I still have to give Mr. MO some face.

Mo Zhongkai was happy and was about to speak, but Liancheng Yazhi said, ' but I hope that your father can send the original work back to the shop today and apologize to my wife. My father-in-law planned to give the painting to someone else, so I can't give it to your father.

MO zhongkai was suddenly put in a difficult position. His father refused to tell him the whereabouts of the authentic work and was not willing to take it out. He really had no other way. He would definitely not be able to take it out by today.

Besides, mo zhongkai also did not want to let liancheng yazhi catch his weakness in this matter.

MO zhongkai suddenly thought of his father's words: "at that time, there was only me and that shop assistant in the shop. No one else could testify. He gave me this painting. He said that I returned a fake painting and was slandering me. He was framing me. I even planned to Sue them.

MO zhongkai's palm was covered with a layer of sweat.

There was only his father and the shop assistant, and no one else to testify. Who could say for sure whether the Kasaya was real or fake?

If the saleswoman had secretly swallowed the original work and slandered his father, it would make sense.

Once evil thoughts were formed, it was easy for them to expand.

MO zhongkai sat there and thought for a while, feeling that this method was not impossible.

Even 11 there were surveillance cameras In the store, the Images capturea DY the surveillance cameras were not very clear. It could be used to identify an individual, but it was completely impossible to determine the authenticity of an ancient painting.

this Lao Ai made fun of Mr. Liancheng today, "he said. actually, I think this matter still needs to be investigated.

Liancheng Yazhi sneered. They're finally here. MO zhongkai really lived up to Tang Han's evaluation of him. His actions were sinister.

Liancheng Yazhi raised his eyebrows and said, "Oh, Zhenzhen, check?" What does Mr. MO want to say or investigate?"

MO zhongkai quickly arranged his words and said, " Mr. Liancheng, please don't be angry. It's like this, my father has always been a cautious person. I don't believe that he replaced the priceless authentic work in one go. I think ran ran might have misunderstood something.

"Misunderstanding?" Liancheng Yazhi asked.. then tell me first, what kind of misunderstanding could it be?"

Chapter 1866: Framing up

MO zhongkai saw that Liancheng Yazhi's expression was calm and there was no reaction. His heart was beating like a drum as he said, " I think, ran ran, could it be that the employee in your store had some selfish motives and urged ran ran to use a fake painting to make a fake one and then frame my father? I think this ran ran is a very suspicious person and should be investigated.

Liancheng Yazhi laughed sarcastically, but he did not look angry or worried at all. Mr. MO is really unscrupulous in order to exonerate your father. MO zhongkai's heart tightened. He suddenly regretted making this decision because Liancheng Yazhi's smile just now made it seem like Qianqian had already expected him to do this.

If that was the case, then he must have left evidence to prove the authenticity of the painting.

However, the words had already been said and MO zhongkai could not redeem himself even if he was going to die. He could only brace himself and continue, ‘ it’s too early to conclude that Mr. Liancheng is the one who framed my father. If my father really did it, then I will not cover it up. But if my father is innocent, then as his son, I can’t let him be slandered. I hope Mr. Liancheng can understand the painstaking efforts of a son. I think you also feel the same way about your father.

Liancheng Yazhi’s lips curved into a cold smile as he stood up. if that’s the case, then there’s no need for us to continue this discussion, Wanwan. I’ll see you in court. Goodbye.

MO zhongkai became nervous and quickly shouted, ” “Mr. Liancheng, please.” However, Liancheng Yazhi ignored him and walked straight out.

MO zhongkai wanted to chase after her, but before he paid, he quickly ran to the front desk to pay.

However, the young lady at the front desk, who was wearing a red welcoming cheongsam, said, ” “Sir, the gentleman from earlier has already paid the bill.” MO zhongkai turned around and wanted to run out, but the girl stopped him.

“Sir, please wait a moment. That gentleman left you a message.”

MO zhongkai stopped, ” what did he say?

Oh, ” the lady at the front desk said after some thought, ” that gentleman said he’ll pay for this. You should keep your money as compensation.

The bad feeling in mo zhongkai’s heart grew stronger. He really felt that he might have made a very stupid decision.

If that was the case, all the reputation he had built up in the past would be destroyed by Liancheng Yazhi.

When mo zhongkai was thrown out of the teahouse, Liancheng Yazhi’s car had already disappeared.

MO zhongkai gritted his teeth in anger. He was still too conceited and had underestimated Liancheng Yazhi.

He had never tasted Liancheng Yazhi’s true power and did not know what his means were. Ever since he took over Tang Han’s work, no matter how his gentle attacks progressed, Liancheng Yazhi had never taken any countermeasures.

This caused mo zhongkai to be careless.

This time, mo zhongkai realized that this matter was the beginning of Liancheng Yazhi’s counterattack.

It wasn’t that he didn’t move, but he was waiting. He was waiting for the right opportunity to give him a heavy blow.

After mo zhongkai got into the car, he slammed the steering wheel.

However, he quickly calmed down.

Since Wanwan’s matter couldn’t be salvaged, he couldn’t just sit around and wait for death if she had to go to court.

If Liancheng Yazhi had evidence, he would make his evidence become a pile of waste paper.

MO zhongkai's eyes flashed with ruthlessness. He also had to quickly start planning, he must win this lawsuit..

Chapter 1867: It's more than enough to deal with him

Perhaps it was not a bad thing. As long as he could win, not only would he be able to recover his losses, he would also be able to deal a heavy blow to the Liancheng family. At least, Lao Ai would destroy Gu Hesheng's reputation in a day, which would be a big blow to the Liancheng family.

Even if he was really forced into a corner by Liancheng Yazhi in the end, he still had a trump card in his hand.

Thinking of this, mo zhongkai felt a little better.

However, mo zhongkai didn't know that Liancheng Yazhi was waiting for him to fall out with him and not admit to his debt. This way, the matter would be blown up. It would be boring to solve it in private.

What Liancheng Yazhi wanted was to blow this matter up, the bigger the better. It was best if the whole process and everyone knew!

It would be best to destroy mo zhongkai's face and make it impossible for him to be promoted.

Liancheng Yazhi gave Secretary Zhou a call in the car. Secretary Zhou, let the media write a draft in advance. When it's published, let it be published. When the time comes, let the whole city be drowned by this news.

yes, young master ya! Don't worry! I've prepared everything! I've even written an article myself! Zhou Wushu said excitedly.

prepare the evidence for me, " Liancheng Yazhi said again. there can't be any mistakes.

also, inform old Yang in the shop. Tell him that if mo zhongkai bribed him and made him admit that he swallowed the fake painting, he should temporarily accept it.

"Alright, I'll get it done right away," Secretary Zhou replied.

Liancheng Yazhi had set up a trap and was waiting for mo zhongkai to jump into it himself.

actually, everything was very simple. it was all because father mo's hobby had risen to an uncontrollable greed. no one had forced him to jump in. he could not control himself.

MO zhongkai chose an even worse way to hide this mistake because he wanted to succeed too much.

People who were too eager for quick success would lose their calm.

lian Cheng yazhi returned home in good spirits and recounted his meeting with mo zhongkai. he then stood up and bowed to gu hesheng, " father-in-law, I'm going to use your reputation as a bet this time. I'll apologize to you. Don't worry, after this matter is resolved, your reputation will definitely rise to another level.

Gu Hesheng waved his hand, "I'm old, what's the point of having that bit of reputation, it's not of any use .." gu hesheng was becoming more and more open-minded. after having a daughter, he felt that his life had been fulfilled. fame and money were just worldly possessions, nothing was better than having children and grandchildren around him.

Rong Yan smiled and teased, "dad, you can't say that. In the future, your things will belong to our MeowMeow. If your reputation is ruined, then when MeowMeow takes over in the future, won't it be very difficult for her to manage the business?"

Gu Hesheng laughed out loud. that's right, that's right. You have to think for our MeowMeow. Liancheng Chengcheng, you have to protect my reputation well so that my MeowMeow doesn't have to worry about running the company.

Liancheng Yazhi glanced at MeowMeow, who was ignorant of everything. "Of course, I can't leave my daughter with a mess."

At night, Rong Yan asked Liancheng Yazhi, "hubby, how confident are you to get mo zhongkai?"

Liancheng Yazhi lowered his head and kissed her on the cheek. "Don't worry, it's more than enough to take care of him."

This time, mo zhongkai was a little rash.

He really wanted to use this opportunity to defeat Liancheng Yazhi and advance in one fell swoop. Unfortunately, he had met a bad person!

He was unlucky to have met Liancheng Yazhi.

It's Mid-Autumn Festival now.. Girls, Happy Mid-Autumn Festival!

Chapter 1868: If you lose, it'll all be destroyed

Compared to Liancheng Yazhi, who was as steady as Mount Tai, mo zhongkai was not so calm.

His sudden decision made him have to spend a lot of effort to reverse the black and white.

Compared to Liancheng Yazhi, who was well-prepared, he had a lot of things to do.

The first thing he had to do was to return home and tell his father the same story.

As soon as mo zhongkai entered the house, his parents asked nervously, "zhong kai, how's ran ran? Did that Liancheng Yazhi promise not to appeal?"

MO zhongkai's expression did not look good. He sat down and said, "The negotiation failed. Liancheng Yazhi asked me to show the original work today." mo zhongkai glanced at his father who was as anxious as an ant on a hot pan, "But Yingluo's father, are you willing to give it to her?"

Father MO's expression changed. His eyes flickered, but his tone was very firm. "My Kasaya, I didn't see the real one. They gave me the fake Kasaya."

MO zhongkai sighed. dad, this is the last time I'm asking you. Where did you hide the real work?" he said.

Father mo stammered, " I didn't hide Qianqian. I didn't see Qianqian. father mo turned around and didn't look at him. However, his guilty look was self-evident, but Qianqian still refused to take it out.

MO ding's mother was so anxious that her eyes had turned red. his father, don't be so cowardly. If you want to take it out, then take it out. It's just a painting.

Do you really want to go to jail? "

father mo was very stubborn. " you're just a woman. what do you know? i didn't take it. i don't believe that they will slander me without any evidence! "

MO zhongkai nodded. okay, dad, since you have said so, then keep saying it. In the future, no matter who you are talking to, no matter when, just say it. Just insist that what they gave you was a fake!

I don't care if you're hiding the real thing or not. Since you've chosen to do this, then as your son, I'll help you. I'll take care of the rest. You just need to go to court, face the judge and the other party's lawyer, and tell them what you said to me today that you didn't hide the real thing. They're slandering and framing you.

MO ding's father was so frightened that his face turned pale, "what?" Or does ran ran want to ... Want to file a lawsuit?"

MO zhongkai laughed in anger at his own father, " "That's an authentic piece of art. There's only one of it in this world. Do you think that people will believe you just by saying a few words? What kind of person do you think Liancheng Yazhi is?"

MO ding's mother asked nervously,"zhongkai, can our ran ran win?"

MO zhongkai rubbed his forehead with a headache, " I don't know. Before going to court, everything is unknown. I'll do my best and leave it to fate. If I win, my father can have that authentic work forever, and I can also be promoted.

MO ding's mother's heart skipped a beat. what if Wanwan loses? "

MO zhongkai closed his eyes. if we lose, Zhenzhen, our family's reputation will be ruined. My future will also end here. If Liancheng Yazhi is more ruthless, our family will no longer need to stay in the capital.

"No, it can't be that serious, right?" mo ding's father said carefully.

MO zhongkai opened his eyes. why not? who do you think Liancheng Yazhi is? even feng nongtang can't act rashly in front of him, much less our family?"

MO ding's mother thought of ye nuanyang. then, Zhenzhen, why don't we look for nuanyang? she's a good friend of Liancheng Yazhi's wife.. If she steps in, will Zhenzhen give her face and let us off? "

Chapter 1869: Cut off your hand if you don't pay

MO zhongkai thought for a while. we'll talk about this in the future. If Xuanji really loses the lawsuit, we'll go and ask ye nuanyang for help.

If he could win against Liancheng Yazhi this time, the temptation that it would bring to mo zhongkai would be too great. He did not want to let it go easily. MO zhongkai was a person who placed great importance on benefits.

If he could win, he would trample on Liancheng Yazhi to death.

If he lost, he would get his parents to beg the ye family and ye nuanyang.

“Mom, how much money do we have left?” mo zhongkai asked his mother.

MO ding’s mother lowered her head and said softly, “our Qianqian doesn’t have much. No, Qianqian doesn’t even have ten million.”

MO zhongkai was very surprised, “why is there so little?” Didn’t you say that the company’s year-end bonus was 20 million Yuan?”

The mo family had a company, but the company was not in their hands. They only had shares and did not participate in the company’s operation. They only had annual dividends.

MO ding’s mother looked very ashamed. your uncle’s wife is short on money. I’ll just let her go.

With a bang, mo zhongkai slammed the table, ” “Mother!” mo zhongkai’s sudden anger scared his parents so much that they trembled. In this family, the eldest son was the most authoritative. If he were to really get angry, everyone would be afraid.

MO zhongkai was so angry that he wanted to smash things, “mom, you used money to pay off his gambling debts again. I told you long ago that he’s a bottomless pit that can never be filled. What did I say last time? if you pay off his debts again, don’t blame me for arresting him to the police department for interrogation.

Every family had its own problems. Although mo zhongkai’s family was simple, they were usually very harmonious, and the relationship between parents and children was quite good.

However, no matter how harmonious a family was, there would always be some cracks.

MO ding’s mother was so anxious that she wiped her tears. even so, I can’t let your uncle’s finger get chopped off. I only have one younger brother. They said that if you don’t give them the money, they’ll chop off one of your uncle’s hands.

MO zhongkai didn’t want to say anything more. His mother was soft-hearted, especially towards her younger brother who didn’t grow up. For so many years, the amount of money she had subsidized from the family was so much that there was no specific amount.

In the past, mo zhongkai didn’t want to care about it, but now he wanted to win against Liancheng Yazhi. He wanted to make arrangements and deploy troops. Which one of them could be short of money?

But this was his own mother, so he couldn’t say too much.

MO zhongkai said, ” give me all the money at home. Mom, you don’t have to manage the accounts. I will give you living expenses every month in the future.

MO ding’s mother stopped crying. how can you do that to ran ran? You’re in the Army all day, how are you going to manage the house?”

mo zhongkai sneered. "I'm in the army, not on an alien planet. If I continue to let you manage this family, I will really have no food to eat by the end of the year."

MO Ding's mother had no choice but to take out the passbook and cards. "Then, Yingluo, what are you doing with so much money?"

MO zhongkai put the passbook and cards into his pocket, "Is this a lot? Any random company in Liancheng Yazhi has a monthly profit more than this. Do you think you don't have to spend money to file a lawsuit against Liancheng Yazhi?"

"I have something to do, so I'll go out first. Don't wait for me for dinner."

MO zhongkai turned around and was about to leave when he saw mo xunxun coming down the stairs. She looked at him timidly, "GE! GE! GE!"

When mo zhongkai saw mo xunxun, the anger on his face disappeared. He revealed a smile and raised his hand to rub mo xunxun's hair.

Chapter 1870: I won't give him a chance

MO zhongkai reminded mo xunxun, don't go out for the time being. It's very chaotic outside. When I take my annual leave, I'll take you out to play.

MO xunxun nodded and replied, "yes, Yingluo."

She watched mo zhongkai go out and heard the sound of a car engine in the garden. Then, she turned around and went upstairs.

Father mo and mother mo were in the living room with gloomy clouds hanging over their heads. No one noticed that mo xunxun had sneaked into mo zhongkai's study at this moment.

Just as Liancheng Yazhi had expected, mo zhongkai had indeed gone to old Yang in the antique shop and promised to give him five million Yuan. He wanted him to admit that he had swallowed the authentic work and push the blame to mo zhongkai's father for fear of taking responsibility.

Old Yang agreed according to Liancheng Yazhi's instructions. MO zhongkai paid him half of the money in advance and promised that the rest would be discussed after the lawsuit was over,

Not only that, mo zhongkai even sneaked into the antique shop in the middle of the night. He wanted to find evidence in the shop to prove that mo zhongkai's father had taken the authentic work.

This was something that Liancheng Yazhi did not expect. He did not expect that mo zhongkai would even do such a sneaky thing in order to win. This made Rong Yan have a new understanding of mo zhongkai.

He couldn't underestimate the level of shamelessness of this person.

However, this was more interesting. The more powerful the other party was, the more effort Liancheng Yazhi would put in to deal with him.

After Liancheng Yazhi told this to Rong Yan, she was very disdainful. "This mo zhongkai is really willing to do anything to win. However, a person like

Qianqian wouldn't stake everything on one throw, right? if he loses, would

Qianqian do something crazy?"

Liancheng Yazhi nodded. that's possible. However, I won't give him that chance.

rong yan sighed. " oh, xuanji. ye nuanyang's maternal family has such a good relationship with the mo family. do you think she knows that mo zhongkai is such a person? "

Rong Yan had mentioned ye nuanyang unintentionally, and this made

Liancheng Yazhi's heart skip a beat.

the mo family-ye family-ye nuanyang-feng nongtang- these people were connected into a network of connections. mo zhongkai was now going all out to fight a lawsuit with him. a person like him would definitely leave a way out for himself.

Liancheng Yazhi guessed that once mo zhongkai lost, he would ask his parents to find the ye family, which would be the same as finding ye nuanyang and

Feng nongtang.

Liancheng Yazhi sneered. MO zhongkai's plan was really good.

There was no such thing as a free lunch in the world.

Liancheng Yazhi lowered his head and kissed Rong Yan on the cheek."Honey, thank you for reminding me Yingluo."

"What did I remind you of?" Rong Yan was puzzled.

Liancheng Yazhi stood up. I'll tell you later. I'll go and make a call first!

"To who?"

"The wind toyed with Tang!"

Liancheng Yazhi went to the study room and called Feng nongtang.

hey, young master ya, what have you been up to recently?

Liancheng Yazhi jabbed at him. it hasn't been that long. Didn't I tell you not to mess around the last time? "

Feng nongtang instantly lost his confidence. I didn't, I really didn't. I'm already solving it.

Liancheng Yazhi interrupted him. you don't have to tell me this. It has nothing to do with me. I have something to tell you now. MO zhongkai is going to file a lawsuit with me. After he loses, if his parents look for you and ask you or your wife to plead for mercy, you don't have to come to me. If you dare to come to me because of him, we don't have to see each other anymore..
