

Permit Me 1881

Chapter 1881: lost completely

At this moment, mo ding's father's psychological defense line was about to collapse. His entire body was trembling, and his face was pale. He stood there as if he was about to faint at any moment.

MO zhongkai was not any better. His face was gloomy and his heart was in turmoil.

it was only at this moment that mo zhongkai knew that he had been played by liancheng yazhi. he had been completely played.

Liancheng Yazhi had long guessed that he would look for old Yang, so he was prepared from the beginning. He had dug a hole for him, but he didn't know it and had foolishly jumped into it.

MO zhongkai was really regretful. He had taken the initiative to send the evidence to others. Even after handing over eavesdroppers all year round, they still recorded his transaction with old Yang.

MO zhongkai waited for Secretary Zhou in anger. Since they had this thing, it was enough to overturn everything from the beginning, but they still had to play them like a cat and mouse.

Liancheng Yazhi, you're really ruthless. Not only did you make them lose the lawsuit, but you also caused his father to go to jail.

This time, he wanted the mo family's reputation to be completely destroyed in front of the entire imperial capital. In the future, everyone would look at the mo family with disdain when they were mentioned.

This time, he had lost. He had lost completely!

after a while, the crowd finally reacted. the camera flashes in the reporters' hands kept flashing and all of them were aimed at mo zhongkai.

When the recording was played, mo zhongkai knew that there was no need for him to continue with this lawsuit.

No wonder that acquaintance from the court told him to return the original work to Liancheng Yazhi as soon as possible. As expected, Wanwan was a sure-lose lawsuit. Regardless of whether Liancheng Yazhi used his power or not, the evidence alone was enough.

MO zhongkai already regretted it now. He regretted being too confident, regretted that Wanwan wanted to challenge Liancheng Yazhi's power too much, and regretted that she wanted to climb up too much!

Old Yang suddenly shouted, "I want to revoke my testimony! Your honor, Chief Judge, I want to testify again! Everything I said just now was fake!!

I didn't take the real one. MO zhongkai gave me money and told me to say it. I gave him the real one. Our shop has never sold fake goods. This is something Mr. Gu has never allowed. Once we find a fake one, not only will we be chased out of the shop, but we will also never be able to stay in the antique industry again. My son hit someone and needed money. When they came to me, I was confused and listened to them. Your honor, everything I said now is true,

Qianqian.

Old Yang's sudden reversal pushed the trial to a climax.

The accused witness suddenly overturned his previous testimony and pointed the finger at the accused. This scene was definitely a classic in court.

After hearing old Yang's words, mo ding's father's legs turned to jelly and he fell to his knees with a plop.

The two bailiffs behind him quickly helped him up.

because mo huiling's father was just overly shocked and had a guilty conscience, his legs were weak from fear. he was not sick, so the trial did not stop.

Lawyer Qian gritted his teeth. The case was already beyond saving, but he was not willing to give up. He did not perform well during the entire debate. This was not good. Even if he lost, he had to make the people of the capital remember him.

Lawyer Qian stood up and said, "since you said that you gave old Mr. MO the authentic work, what proof do you have?" back then, there were only the two of you, who could help you prove it?"

Old Yang was anxious, "this"" don't be anxious, " Liancheng Yazhi's lawyer said. think back carefully.. What can you prove? "

Chapter 1882: No one can bully the Liancheng family

Old Yang grabbed his hair and thought about it. After five or six minutes, he suddenly said, " Oh, Yingluo, I remember now. When I first got the original work, Mr. Gu liked it very much, so he stamped a somewhat obscure private seal on the back of the original work. When I rolled up the scroll, the private seal happened to be exposed. There's a surveillance camera in the shop, so if you Zoom in, you should be able to see it.

MO zhongkai's heart trembled. It was a habit of collectors to stamp their own seal on their collection. When they encountered something they liked, they would leave their own seal on it to prove that it was their own. Even if it fell into the hands of others in the future, others would know who had collected it after seeing it.

mo zhongkai was annoyed. this was a big loophole, he actually forgot about it.

This time, there was really no room for redemption.

liancheng yazhi did not give him a chance at all.

It's over, it's over this time, Yingluo.

As new evidence had appeared, it would take some time to collect the evidence. Moreover, the recording had to undergo a final technical appraisal.

therefore, the presiding judge decided to adjourn the court and hold it again next week. at that time, it would be the final judgment.

however, as mo ding's father was a major suspect, the court decided to put him in custody first, along with old yang, who had committed perjury.

Although the final review would be held next week, everyone knew that the case had already been finalized.

The collection of the remaining two pieces of evidence only required going through legal procedures.

The truth of this case had been completely revealed, and there was no longer any room for trial.

At this time, all the judges who had seen the trial knew that the Mo family had bribed the shop assistant in an attempt to distort the truth and make a false accusation in order to misappropriate the priceless authentic works. After the presiding judge announced the recess, all the reporters instantly swarmed over.

Some of them surrounded Secretary Zhou and his team of lawyers, while the other group surrounded Mo Zhongkai and lawyer Qian tightly.

“Secretary Zhou, what are your thoughts on this case?” a reporter asked Secretary Zhou.

Secretary Zhou cleared his throat and said, “my opinion is what everyone saw just now. regarding this case, I believe everyone has seen it clearly. right and wrong, black and white, justice is in everyone’s heart. we did not wrong anyone, we just want to seek justice.”

It was a very official answer, but it also revealed that no one could bully the Liancheng family.

Another reporter asked, “then why didn’t Mr. Liancheng attend today?” Did he already know that he would win today?”

Secretary Zhou said unhurriedly, “before the verdict is out, no one knows what the outcome will be. The court is a fair and just place. Everything is based on the law. No one can predict the outcome.

Master Ya did not come because ever since this incident, Madam has been in a bad mood and has been afraid that it will affect Elder Rong’s reputation. In addition, Madam has been pregnant for several months. Master Ya is worried that something might happen to her when she watches the live broadcast at home today, so he has decided to stay at home to accompany Madam and Elder Rong. I hope everyone can understand.

Liancheng Yazhi’s explanation was reasonable. No matter how important the case was, it couldn’t be more important than his wife and unborn child, right?

“Today, you said that Mr. Gu and Liancheng Yazhi’s wife are father and daughter. Why didn’t anyone hear any rumors about it?”

Secretary Zhou smiled. He had already guessed that someone would ask this question after the trial was over. The reporters’ gossiping nature was the strongest..

Chapter 1883: I feel like a clown

That’s simple. Mr. And Mrs. Gu are both very low-key people. There’s no need to reveal their private lives to everyone.

Secretary Zhou was used to speaking in an official tone. No matter what the other party asked, he could answer without leaving a single drop out. However, on Mo Zhongkai's side, the reporters were not so gentle. The questions they asked were sharp and could be described as daggers.

Mr. MO, you and your father colluded to pass the fake Off as real and tried to put the blame on an innocent shop assistant. What are you doing against the law? „

MO Zhongkai's heart was filled with hatred and he said with a black face, ” ‘ I m sorry, I can't tell.”

mo, you bribed the shop assistant to give false testimony. Have you ever thought about what kind of legal responsibility you will bear? Will you feel guilty and feel sorry for the star on your shoulder? “

mo Zhongkai clenched his fist so tightly that he almost punched out. He said, ” “Who told you that it was me before the technical identification came out?

You'd better think before you ask questions, or I'll Sue you for slander.”

“Slander?” the reporter said disdainfully. I'm not as bold as Mr. MO!”

Mr. MO, your lawyer mentioned that Mr. Gu's shop was a fake. Was your original intention to take the real work for yourself and damage Mr. Gu's reputation without anyone knowing? ‘

MO Zhongkai really wanted to rush out, but these reporters were merciless the moment they opened their mouths. The questions they asked were so sharp and tricky that it made people want to kill them all.

“You're thinking too much,” mo Zhongkai said coldly.

“Am I thinking too much, or are you planning to be even worse than this? mr.

gu has always had a good reputation in the industry, and none of the things he deals with are counterfeits. If today's case is really as you wish and proves that there are counterfeits in Mr. Gu's store, then no one will dare to sell anything in his store in the future? Aren't you being too sinister to an old man?”

The veins on mo Zhongkai's forehead popped out, “I don't have a Kasaya.”

Lawyer Qian saw that he was about to lose control and quickly grabbed his arm. He said to the reporter, ” sorry, we still have things to do. There's nothing else to say. Please make way.

Lawyer Qian pulled mo Zhongkai and walked out. No matter what the reporter asked, he would not say a word.

Finally, he broke out of the reporters' encirclement and got into the car. MO Zhongkai saw Secretary Zhou not far away raising his hand at him.

MO Zhongkai glared at him with hatred and got into the car.

Outside the car window, the reporters were still not willing to let him go. The flashes of the cameras almost blinded his eyes.

The car finally started to move slowly on the road. By the time the reporters were left behind, lawyer Qian was listless.

there's nothing more to be done about this case. the entire rhythm is controlled by them. i feel like a clown who has been played by someone. ‘

Lawyer Qian wasn't a fool. When the other party brought out the evidence bit by bit in an orderly manner, using the seemingly useless evidence to pave a way and gradually reveal the truth, lawyer Qian felt that he was too conceited. The lawyer hired by Liancheng Yazhi wasn't too aggressive, but Qianqian made people have no choice but to believe in her. This was the difference. In the end, he was still too inexperienced.

MO zhongkai gritted his teeth, ” it's okay. I still have one last card in my hand..

Chapter 1884: reaping the fruits of your own labor

The live broadcast had ended, and Rong Yan sighed with emotion. ” wow, yingluo is so wonderful. it's so much more wonderful than watching a movie! ”

Rong Yan hurriedly said to Gu Hesheng, ”father, your reputation in your later years has finally been preserved.” &Nbsp;

Gu Hesheng laughed and said, ” not bad. It's been saved. Liancheng has done well this time. It's pretty good.

Liancheng Yazhi said, ” father-in-law, you're too kind. I'm just afraid of messing up your reputation. I have to do my best. Besides, I have to get your painting back for you, right? ”

Liancheng Yazhi had already known about this ending. Since he had set up the trap, he would not let mo zhongkai retreat in one piece.

He wanted the painting, the simple landing, and dealing with mo zhongkai.

The current Liancheng Yazhi did not want to get into any unnecessary trouble. However, if anyone dared to touch his friends or his family, he would not let them have an easy time.

Rong Yan said excitedly, “when I saw mo zhongkai's expression at the end, it was simply too satisfying. I'll see how he can still be arrogant.” &Nbsp;

Rong Yan knew a little about what Liancheng Yazhi had been doing these past few days, but she wasn't too clear about the specific details, so she couldn't help but be a little worried.

however, after watching the entire court hearing today, rong yan's heart was completely at ease. her husband was indeed the best.

Not long after, Liancheng Yazhi received a call from Secretary Zhou. young master ya, can we put up the press release now? ”

Liancheng Yazhi saw that it was almost time and nodded.”Just release it.” “Alright, then I'll pass the message down, ” Secretary Zhou said happily.

After Secretary Zhou hung up the phone, he was very excited and immediately issued Liancheng Yazhi's order.

The entire public opinion was pressing towards the mo family with an absolute advantage. The mo family had almost become the most searched term on the internet in an instant, and everything related to the mo family had been dug out.

the speed at which netizens gained information was always unbelievably fast.

In a very short period of time, all the information about mo zhongkai's father, mo zhongkai's family members, including mo zhongkai's uncles and cousins, were all skinned.

For a time, the mo family had become the target of the entire city's crusade. Words like "mo father and son turning black into white", "insatiable greed", "despicable, shameless, and "dirty" could be seen everywhere on the internet.

At the same time, the name Gu Hesheng rose to fame as well.

As a leading figure in the antique industry, Gu Hesheng had always been low-key. In the past, only people in this circle would be very respectful when mentioning him. But now, Gu Hesheng's name was known to the whole world.

Different from the negative news that the mo family was constantly releasing, the news that Gu Hesheng was exposed to was all positive.

For example, how many times he had donated his treasured cultural relics to the country for free, how many schools he had donated to remote areas in the past few decades, and how Mr. Gu had dedicated his life to recovering the cultural relics that had been lost abroad.

Nowadays, the three words 'Gu Hesheng' were all very respectful when mentioned on the internet. and the more he respected gu hesheng, the more he despised the mo father and son.

Ordinary people could tell right from wrong. They had always thought that such a good old man wanted to ruin his reputation. Did he even have a conscience?

However, under Liancheng Yazhi's deliberate suppression, mo zhongkai and his son became famous, and Gu Hesheng's name also became famous.

However, there was almost no news about Liancheng Yazhi's family..

Chapter 1885: Saving dowry for meowmeowmeow

Regarding this matter, Liancheng Yazhi didn't want Rong Yan to be in the eye of the storm, and he didn't want the relationship between Rong Yan and Gu Hesheng to become a topic of discussion.

He selfishly wanted Rong Yan to belong to him, and he was the only one who could understand her.

As for the others, he was not willing to even look at Rong Yan.

Rong Yan naturally didn't know about this, and she didn't think about it in this way. However, a day after the trial, Rong Yan secretly glanced at the computer when Liancheng Yazhi wasn't paying attention. She found that Gu Hesheng's name had become the latest hot topic, so she quickly said to Gu Hesheng, dad, you're famous. the whole country knows about your great achievements now. "

Seeing that Rong Yan was so happy, Gu Hesheng also felt happy. "You're teasing your dad, girl."

Rong Yan sat beside Gu Hesheng happily and held his arm, "Dad, the store called just now. Our sales volume has soared a lot in one day."

“Everyone knows about you now. There are even many people who came from other places to buy antiques in that shop.”

Gu Hesheng put down the thread-bound clothes in his hands. Oh, is that so?

this is a good thing. I can leave you and MeowMeow some pocket money.

from gu hesheng’s point of view, all the money he earned now was for rong yan and meowmeow. although liancheng yazhi was not short of money, as a father, he was still afraid that his daughter would suffer after he left one day. he wanted to keep as much as he could.

Rong Yan smiled so much that her eyes narrowed.”Dad, you’re right. We have to earn more dowry for MeowMeow, Qianqian.”

The two of them talked for a while before Gu Hesheng asked Rong Yan, ” ‘What happened to the mo clan’s” tie Lian Cheng “at the end?”

Rong Yan shook her head. I don’t know. Liancheng has his own plans. Moreover, this case is not the key to their confrontation. Their final focus is not on this.

Gu Hesheng patted Rong Yan’s hand. tell him. If there’s anything he needs help with, he can just tell me directly.

Rong Yan nodded. don’t worry, dad. I’ll tell him. You don’t have to worry about him being embarrassed.

At night, Rong Yan said to Liancheng Yazhi, ” “Honey, what should we do next? Dad said that if you need his help, don’t be embarrassed.”

Liancheng Yazhi’s ear was pressed against Rong Yan’s stomach to hear his son’s movements. He heard Rong Yan’s words and said, ” “Next, we’ll wait for the trial and MO zhongkai to show his last card.”

rong yan was a little puzzled. ” the mo family has already been scolded to this extent. why don’t you think mo zhongkai is anxious at all? ”

it’s not that he’s not anxious. He knows that it’s useless to be anxious. He can only pretend to be calm.

Rong Yan pinched Liancheng Yazhi’s ear.”What do you think he’s doing now?”

Liancheng Yazhi stood up and hugged Rong Yan.”He, ran ran, look for help!”

“Reinforcements?”

just as liancheng yazhi had said, mo zhongkai was indeed looking for reinforcements. according to his previous plan, once he was about to lose the lawsuit, he would quickly ask his mother to find the ye family, ye nuanyang, and feng nongtang, and beg them to find liancheng yazhi.

Since mo Wen’s father was being held in custody, he could only bring mo Wen’s mother to ye nuanyang’s parents and beg them.

MO zhongkai was a flexible man. He and his mother acted pitifully. In addition, their family had a good relationship with the ye family, so they easily won the sympathy of ye nuanyang’s parents.

Hence, she successfully met ye nuanyang..

Chapter 1886: So heartless to perfection

Mrs. Ye grabbed ye nuanyang's hand and said, "Nuanyang, look at your aunt Mo's family. They're so pitiful now. Aren't you on good terms with Madam Liancheng? You go and tell her that this matter isn't that big of a deal. The Liancheng family is so rich, they wouldn't care about this painting."

Ye nuanyang's head ached. This wasn't a problem with the painting. The mo family had simply let it go. It was useless for her to say anything more.

MO Huiling's mother's eyes were red and swollen from crying. nuanyang, you're the only one who can help us now. If your uncle is sentenced, how is our family going to live? "

Ye nuanyang sighed. She really wanted to say: Did you all ask for this scolding? He actually wanted to steal the day and provoke Liancheng Yazhi.

Ye nuanyang sighed again. mom, it's not that I don't want to help, but there's nothing I can do. Feng nongtang has already told me. Before the court session, young master ya told him that if the mo family comes to find me or him one day, he won't allow us to agree. If we dare to speak up for the mo family in front of them, his Brotherhood with Feng nongtang will be broken.

Mrs. Ye was shocked. no, it can't be, right? "

MO zhongkai clenched his fists tightly. Liancheng Yazhi had been sure that he would lose from the beginning and had blocked his only way out.

Good, he really did a good job.

It was so heartless that it was perfect.

Ye nuanyang rubbed his forehead and said, "young master ya never jokes. Back then, how could his relationship with Xia Xuanmo be worse than his relationship with Tang?" Didn't it break just like that? Why don't you guys understand that this isn't a matter of a painting? It's young master ya who will never allow his family to be bullied."

the person young master ya values the most is Rong Yan. If I go to Rong Yan after my death and annoy her, there will be no future for Qianqian.

Ye nuanyang knew that if he wanted to spend a long time with Feng nongtang in the future, there would be friction. At the same time, he would have to ask Rong Yan or Liancheng Yazhi to help him reconcile.

She wouldn't be stupid enough to risk her relationship with Rong Yan for the mo family.

Mrs. Ye didn't think it was that serious. then, is Wanwan really not allowed to? Just say a few words." nuanyang, " mo Huiling's mother cried. can't you just take pity on us? "

Ye nuanyang was in a difficult position. mom, Auntie, I really can't help you. If I can, I'll go even if you don't say anything. But young master ya has already told me about this. Even Feng nongtang didn't dare to say a word. What can I do? " Isn't it because of Feng nongtang that Rong Yan can talk to me? If I'm not the Feng family's daughter-in-law, what am I?"

Seeing ye nuanyang as her last Hope, MO ding's mother cried and said, "Nuanyang, I'm begging you. Please take into account the fact that your uncle and I have doted on you since you were young and take pity on us, okay? I'll kneel down to you, I'll kneel down to you!"

Seeing that mo ding's mother was about to kneel down, ye nuanyang was so frightened that he quickly went to help her up.

However, at the crucial moment, mo zhongkai held back his mother, who was about to kneel down in front of ye nuanyang. mom, forget it. Let's not make things difficult for nuanyang. If the Liancheng family really wants to exterminate us, then Yueyue can just blame it on our bad luck.

MO ding's mother cried so hard that she almost fainted. "but your dad, you can't just let him go to prison like this, right?"

MO zhongkai's eyes were dark,"I'll think of another way.."

Chapter 1887: He preferred to put them in a desperate situation

when he heard ye nuanyang say that liancheng yazhi had already called feng nongtang before the court session, mo zhongkai knew that ye nuanyang's path would not work.

No matter how good the relationship between the two families was, ye nuanvanq would not offend Lianchenq Yazhi for their sake.

She was now the Feng family's daughter-in-law first, and she would only think of other things after that.

mo zhongkai could not tell if he was disappointed or desperate. before he met ye nuanyang, he did not have much hope.

Even if ye nuanyang could really go and invite them, Liancheng Yazhi, who liked to kill everyone, would not agree. He would rather Wanwan force their family into a corner.

MO zhongkai bade farewell to ye nuanyang's mother and left with his mother.

In the car, mo ding's mother cried. zhongkai, what else can we do? what else can we do? "

what else can we do? your dad's school called and told us not to let him go to class anymore. Your dad, Hanhan, likes to be a teacher so much, but I don't even dare to tell him now.

mo zhongkai sighed. at this time, it was useless to blame him. if he had listened to him, he would not have ended up like this.

Now, the mo family was notorious in the capital. Everyone wanted to beat them up, and they were afraid of being recognized when they went out.

in the future, it would be really difficult to live a good life here.

MO zhongkai said, " mom, work is not important. Dad is not young anymore. Even if this didn't happen, it's time for him to retire. The most important thing now is to get him out of prison and not let him go to jail.

MO ding's mother reacted immediately. yes, it's fine if he doesn't want to be an Associate Professor with ran ran. The most important thing is to prevent him from going to jail. Zhongkai, what other ways do you have? ”

MO zhongkai thought for a while and said,”mom, can you go and see dad and ask him where the painting is?”

“And then?”

“I'll take the authentic Kasaya to see Liancheng Yazhi.” MO zhongkai's voice was very heavy. It was necessary to see Liancheng Yazhi, but this time, even if Liancheng Yazhi didn't say anything, it would be the biggest insult to Wanwan if he took out the authentic work.

MO zhongkai cared about his face, but only now did he know that face was the least valuable.

MO ding's mother was surprised when she heard that and said, “ah?” If you go and see him, what if he embarrasses you and insults you?”

MO zhongkai smiled bitterly. mom, these are not important. As long as dad can come out, it doesn't matter what we do.

mo ding's mother started to cry again,”zhongkai, it's all your father's fault, ran ran. ”

“It's fine. We're a family, so let's not talk about this.”

“I'm going to see your father today. I'll definitely find out where the real work
“

MO zhongkai nodded and drove the car home.

He was thinking about what to say when he saw Liancheng Yazhi.

How could he win the most benefits?

The only thing that mo zhongkai was glad about at this moment was that he had some simple information in his hands.

He did not believe that Liancheng Yazhi would not be moved by this.

If it really didn't work, he would

After the mo family's mother and son left, Mrs. Ye spoke to ye nuanyang again, telling him to look for Rong Yan.

Ye nuanyang sighed and said, “mom, they're reaping what they sow. Do you understand?” Who could he blame when he was too greedy and ended up in this state? Do you really think that with your daughter's face, you can help them get it?”

Mrs. Ye was shocked.. Nuan yang, Qianqian! How can you say that? they're Qianqian!

Chapter 1888: Wait for him, he 'Il come looking for you

mom, be more careful, “ye nuanyang said weakly. if they win today, they’ll be able to take the Liancheng family’s priceless authentic work for themselves without spending a single cent. When that happens, will you still say that? Do you really want your daughter to offend Liancheng Yazhi and his wife for them? In the future, if I argue with Feng nongtang again, who can help me?

Who else can stir up trouble for Tang?”

“But Wanwan and the rest are really pitiful!” Mrs. Ye shrieked.

there must be something hateful about the pitiful. You can comfort them and help them, but don’t ask me to plead for mercy. I won’t go if I can’t.

Ye nuanyang consoled his mother a little more before sending her off.

Ye nuanyang stood at the door to send Mrs. Ye off. Feng nongtang walked out of the house. He had been at home the whole time, but he had been hiding from mo zhongkai and his mother.

If he was here, they definitely wouldn’t have left so easily.

Feng nongtang came to ye nuanyang’s side and said carefully, ” “Let’s go in, it’s hot outside , ”

Ye nuanyang didn’t look at him. He turned around and entered the house, as if he didn’t exist.

Feng nongtang scratched his head and sighed, looking at the sun in the sky. He thought bitterly in his heart, “fine, I’ve brought this upon myself.”

Just like what Liancheng Yazhi had said before, ‘you’ll regret it sooner or later’ , he was regretting it now.

Now that he thought about it, he really didn’t know what was wrong with him back then. Why was he so foolish?

Feng nongtang took a deep breath. It shouldn’t be too late for him to repent now.

feng nongtang roused himself and ran into the room, shouting, ” let’s go out to eat tonight, wife. Don’t cook at home.

Feng nongtang told Liancheng Yazhi that mo zhongkai had come to find him. I listened to you. When they came, I asked my wife to deal with them. I didn’t even see them.

liancheng yazhi smiled and said, “hmm, what was mo zhongkai’s expression like when xuxu left?”

“What other expression could it be? it’s quite lonely, but Yingluo doesn’t seem particularly disappointed. I think that mo zhongkai is quite capable. Even at this time, he can still be so calm. Just based on this point, I think he’s not simple.”

it’s not simple, “Liancheng Yazhi said. I’m still not disappointed. It seems that I should work harder.

While he was on the phone with Feng nongtang, Secretary Zhou called again, and Liancheng Yazhi said, ” “I won’t talk to you anymore. I have to take this call. ”

He cut off the conversation with Feng nongtang and picked up Secretary Zhou’s phone. “what is it?”

Secretary Zhou said, " young master ya, Mrs. MO went to see mo zhongkai's father. I guess she went to ask about the whereabouts of the authentic work. When she left, she was in a hurry. It seemed that she had something important to do. I guess she got it.

Liancheng Yazhi raised his eyebrows and asked, 'really? That's not bad, I can finally get my father-in-law's painting."

mo zhongkai must have sent mother mo to find father mo to ask about the whereabouts of the original work.

If mo zhongkai wanted the authentic work at this time, he must have wanted to get some bargaining chips and come to see him to carry out another round of negotiations.

The reason why mo zhongkai was not in a hurry and not disappointed was that he knew that the last card in his hand was the most effective and would definitely work on him.

and this was exactly what liancheng yazhi wanted. he had created mo zhongkai's father's case to throw out a bait, a simple bait to lure mo zhongkai to take the initiative to say it.

What he had to do now was to wait, wait for mo zhongkai to come to his door..

Chapter 1889: I don't have time to waste on you

The day before the second court session.

MO zhongkai contacted Secretary Zhou and said that he had something to discuss with Liancheng Yazhi.

But Secretary Zhou had already picked up Liancheng Yazhi's comrades and said very politely, " I'm sorry, Mr. Mo. Young master ya said that he doesn't have time to see you, and he has nothing to say to you. If you have something to say, you can wait until the second court hearing tomorrow.

Liancheng Yazhi clearly told Secretary Zhou that he had to see mo zhongkai, but Wanwan wanted mo zhongkai to know that Liancheng Yazhi wasn't someone he could meet just because he wanted to.

At this time, mo zhongkai was not the one who was anxious.

Since he didn't know what was good for him back then, then he would let him know what it meant to be in a difficult position today.

After mo zhongkai heard this, he was so angry that he almost smashed the phone. However, he knew that this was the time to bow and kneel. He took a deep breath and said, " "Secretary Zhou, please tell Mr. Liancheng that I have something important to talk to him about. I hope he can give me a chance to meet him again."

Secretary Zhou smiled and said, " young master ya has already given you the opportunity. It's you and your father who didn't know how to grasp it. Our young master ya is not someone that just anyone can meet. He doesn't have so much time to waste on you. Mr. MO, please don't come and disturb young master ya. Everything will come to an end after the court hearing is over tomorrow.

After that, Secretary Zhou hung up the phone. He was very satisfied with what he said and had long been unhappy with mo zhongkai's appearance.

Secretary Zhou wasn't worried at all. It really made mo zhongkai so angry that he didn't plan to look for Liancheng Yazhi.

He believed in Liancheng Yazhi's words. If he ran into a wall with Secretary Zhou, MO zhongkai would have no choice but to find Liancheng Yazhi and block the door of the Liancheng family.

After Secretary Zhou hung up on mo zhongkai, he was so angry that he clenched his teeth and smashed everything in the room.

after smashing it, mo zhongkai clenched his teeth and said, " i can't be angry. i can't be angry. i have to calm down. "

He had to see Liancheng Yazhi at this time. The court hearing was tomorrow, and he had originally wanted to fight for more benefits for himself, so he chose

to see Liancheng Yazhi today.

When he saw Liancheng Yazhi, he would spread out the simplified cases and tell Liancheng Yazhi to start on the simplified cases if he did not withdraw his father's case. This way, time would be limited, and Liancheng Yazhi would definitely be the one who would be flustered.

However, he didn't expect that the other party didn't intend to see him at all, which made mo zhongkai confused.

If she could not see Liancheng Yazhi, so what if she had a simple message in her hands?

MO zhongkai regretted it again. He should have met Liancheng Yazhi two days earlier. Otherwise, he would not have had no buffer time.

MO zhongkai walked back and forth in the room a few times. Finally, he grabbed the sandalwood box that contained the authentic work and quickly went out.

MO zhongkai saw mo xunxun as soon as he left the room. These days, the family had been busy with mo father's Affairs and had not paid much attention to mo xunxun. She did not look too good and had lost a lot of weight.

"Big brother, where are you going?" mo xunxun asked softly.

MO zhongkai looked at his sister and felt a little sour in his heart. He touched mo xunxun's hair and said, " I have something to do outside. You stay at home and don't go out, okay? "

MO xunxun nodded gently and replied, "yes, Yingluo."

"Brother, will Papa be alright?" she asked softly, biting her lip.

MO zhongkai was stunned for a moment. He had thought that mo xunxun did not know anything and did not expect her to ask this. He looked at her and said, " he won't. Believe me, big brother is here. Daddy will come out..

Chapter 1890: Forced him into a corner

MO xunxun watched mo zhongkai leave, and her entire face darkened. No one had told her that something had happened at home.

However, she knew that her father had a lawsuit with the Liancheng family.

MO xunxun's heart was a little complicated. He hoped that Liancheng Yazhi could save her, but he also did not want anything to happen to his father.

Now, she only hoped that this matter could be resolved satisfactorily, that her father would not have to go to jail, and that he could simply be safe!

MO zhongkai drove directly to Liancheng's house. When he arrived at the door, he stopped the car, got out, and rang the doorbell.

After a while, Butler li came to open the door.

When they saw that it was mo zhongkai, their expressions turned a little ugly. They had all seen the court hearing on television and treated mo zhongkai as if he was their enemy.

"Mr. MO?" Butler li asked expressionlessly. Is there anything I can help you with?"

mo zhongkai had already gone all out, he said directly, "I want to see Liancheng Yazhi. It's very important."

Butler li was even more unhappy. He was not polite at all and still wanted to see their young master. I'm sorry, Mr. Mo. Our young master doesn't see guests. Please go back.

Liancheng Yazhi told Butler li that if it was mo zhongkai, he could leave him alone and there was no need to be so polite.

MO zhongkai's expression was very ugly, "tell him that if he doesn't want anything to happen to his good friend, he doesn't have to come to see me .."

"Please wait a moment." Butler li frowned.

After he finished speaking, he closed the door and entered.

When he saw Liancheng Yazhi, Butler Li said, "Young master is mo zhongkai. I wanted to close the door, but he said that if you don't want anything to happen to your good friend, you can not see him."

Liancheng Yazhi sneered, "I'm so desperate." &Nbsp;

MO zhongkai was a very calm person. For him to say such anxious words, it could be seen that he was very impatient.

"Are we going to see him now?" Rong Yan asked.

Liancheng Yazhi smiled and shook his head. the sun is so good outside. Let him bask in the sun. It'll kill the bacteria on his body.

He had to make mo zhongkai suffer a little. He was a scheming person. If he felt that he cared about simple safety, then mo zhongkai would put forward very harsh conditions and raise the price. It would be difficult to deal with then.

He had to force mo zhongkai into a corner and break his mental defense so that he would not have the strength to scheme.

they waited from one in the morning until the sun set in the afternoon.

Liancheng Yazhi saw that the sky was almost dark and walked out slowly. Just like the last time he saw mo zhongkai, he was alone at the door.

When the door opened, Liancheng Yazhi saw that mo zhongkai was still standing outside and smiled, ” “I thought you’d already left. I didn’t expect Yingluo to be so persistent.”

MO zhongkai’s face seemed to have been suntanned and was scarily red. His lips were dry and his eyes were red. He was in a very sorry state and glared at Liancheng Yazhi with hatred. “Liancheng Yazhi used your power to bully people. Do you feel so good about it?”

He hadn’t had any water for an entire afternoon, so his voice was very hoarse. He almost couldn’t make a sound, but at the same time, it was full of hatred.

this was the first time mo zhongkai was so harsh and uncool-headed in front of liancheng yazhi.

Seeing him like this, Liancheng Yazhi was satisfied. What he wanted was for mo zhongkai to not be calm.

Compared to mo zhongkai’s sorry state, Liancheng Yazhi was refreshing and pleasant. He was full of smiles and did not seem angry at all.. He said, “Suppressing others with power? MO zhongkai, may I ask when I have used my ‘power’ to suppress you?”
