

Permit Me 1891

Chapter 1891: Please show mercy

Liancheng Yazhi's question stunned mo zhongkai.

From the time he took over Tang Han's work until now, he had only met Liancheng Yazhi a few times. Every time, Liancheng Yazhi's attitude towards him was not good, but it was not bad either.

It could even be said that from the beginning to the end, Liancheng Yazhi only saw that he didn't like him, but he never really used his power to suppress others.

Even in the case, Liancheng Yazhi only played a little trick, but he did not cheat, bribe, or bribe the judge. He just spread the irrefutable evidence for others to see. Although there were some disgraceful means, such as listening in, there was no open bullying.

Therefore, it was indeed unreasonable for Tang han to say that Liancheng Yazhi would use his full strength to deal with him.

Although mo Wen's father's case was planned by Liancheng Yazhi, he didn't force him to change the original work. If mo Wen's father wasn't greedy and had a dignified attitude, he wouldn't have jumped into the pit even if he had dug.

Liancheng Yazhi had only taken advantage of their psychological weakness. This was the way smart people did things.

It could only be said that Liancheng Yazhi was a sinister and cunning person who had planned everything. However, it could not be said that he was bullying people because he could already take down mo zhongkai before he even started to use his power.

Liancheng Yazhi smiled at mo zhongkai and said, "If you're not satisfied with what I'm doing now, I can let you see what it means to bully people with your power."

These words sounded like a joke, but mo zhongkai knew that he had already angered Liancheng Yazhi.

MO zhongkai sighed in his heart. He couldn't win against Liancheng Yazhi as he hadn't even used his full strength. He lowered his head and said, "Mr. Liancheng, I'm very sorry. This matter was my fault from the beginning. I was too self-righteous, Yingluo. Please, Yingluo, be magnanimous. I've brought you this authentic work.

Liancheng Yazhi did not reach out to take it. He said, "You're the one who won the case today, so shouldn't I be the one saying this?"

MO zhongkai paused. That's right. If it was Liancheng Yazhi who had lost the lawsuit instead of him, he might have been even more ruthless than Liancheng

Yazhi.

MO zhongkai lowered his head that he had always raised, "Mr. Liancheng, I'm really sorry, Wanwan. I'm convinced of my loss. However, my father is old, so I hope you can be lenient. I'm willing to bear the responsibility for my father's mistake.

Liancheng Yazhi smiled and said, ‘bear it all? Then tell me, how do you intend to bear all the responsibility?’”

mo zhongkai was silent. no one knew what he was thinking. perhaps he was considering whether it was right to use simplicity in exchange for his father’s safety.

After all, the summary was held by the relevant departments and was a secret. If he said it out, wouldn’t he be betraying the national emblem on his hat? was this really a good idea?

Liancheng Yazhi waited for mo zhongkai for 15 minutes. When he saw that it was almost time, he reminded, ” Mr. MO asked my family to have dinner with me. It’s already dark. If there’s nothing else to say, you can go back. The case will be in court early tomorrow, so it’s better for you to prepare early.

Liancheng Yazhi deliberately mentioned the case tomorrow. He had to stimulate mo zhongkai when he was hesitating and make him understand that if he didn’t exchange simple information for it, he would have to wait for him to go to jail.

MO zhongkai gritted his teeth and made up his mind,”wait for a sound.” Liancheng Yazhi raised his eyebrows. See, he still had to say it.

“What’s the matter, Mr. MO?” he asked..

Chapter 1892: You’re the one begging me, not me begging you

MO zhongkai looked at Liancheng Yazhi’s calm and composed expression, as if everything was fleeting in his eyes and could not enter his eyes at all. Seeing him like this, mo zhongkai was even angrier and wanted to rush up and beat his face up.

On what basis could he, Liancheng Yazhi, be so stable like Mount Tai? on what basis could he stand high like an Emperor and look down on them, the ants who were running around in the world?

mo zhongkai really wanted to pull liancheng yazhi down from the altar and let him taste the heartache of ordinary people.

MO zhongkai’s heart was filled with resentment. Now, he had been forced by Liancheng Yazhi to lose his initial calm. He looked at Liancheng Yazhi and said coldly, ” I think Mr. Liancheng is a person who cares about his friends. He wouldn’t leave your friend in danger and not help, right? ”

Liancheng Yazhi did not look surprised as mo zhongkai had expected. Instead, he smiled calmly, ” “Of course, I’ll do my best to help my friend, but what does Yingluo have to do with Mr. MO? I don’t have many friends, and Yingluo doesn’t seem to have you.”

“I’m not interested in being Mr. Liancheng’s friend,” mo zhongkai sneered.

“Then who are you referring to?” Liancheng Yazhi raised his eyebrows.

MO zhongkai took two steps forward and approached Liancheng Yazhi, lowering his voice, ” “I think Mr. Liancheng should be very interested in simple whereabouts.”

The smile on Liancheng Yazhi’s face gradually faded, and his eyes were distant with a cold light.

Liancheng Yazhi didn't speak immediately. He just looked at mo zhongkai like that, and he gradually felt cold. The heat on his body that was originally baked by the sun gradually subsided and was replaced by a cold chill. The surface of his skin seemed to be about to form a layer of frost.

MO zhongkai wanted to speak but his teeth seemed to be frozen. No matter how hard he tried, he could not open his mouth.

Just when mo zhongkai felt that he couldn't hold on any longer, Liancheng Yazhi suddenly laughed, and in an instant, he felt the coldness of mo zhongkai.

that's right, "Liancheng Yazhi said. I'm very interested in simple whereabouts. I wonder what Mr. MO means by this?" mo zhongkai immediately took a step back and said, "I can tell you a simple location,"

Liancheng Yazhi curled his lips and said, "and then?"

MO zhongkai put forward his conditions, "withdraw the charges against my father and clarify to the media that this is a misunderstanding. Restore the mo family's reputation.

Liancheng Yazhi chuckled. MO zhongkai was really demanding an exorbitant price. He asked for so much and even wanted to restore the mo family's reputation.

liancheng yazhi pointed into the distance. "goodbye, mr. mo. you can go back now. "

After he finished speaking, he prepared to go back without any reluctance.

MO zhongkai was panicking. Liancheng Yazhi's attitude was obviously a rejection. How could this be? shouldn't he have immediately discussed the conditions with him after hearing the simple news?

why didn't he even want to talk? And flatly refused his proposal? What was Liancheng Yazhi trying to do?

MO zhongkai opened his mouth and called out to Liancheng Yazhi, "Liancheng Yazhi, you keep saying that we're your friends, but now you're not helping us. Your friendship is really hypocritical."

Liancheng Yazhi slowly turned around. mo zhongkai, you have to be clear about one thing now. You are begging me, not me begging you. In business, everyone wants to fight for more benefits.. This is normal, but Wanwan has to be realistic, do you understand? "

Chapter 1893: He felt like he was trapped again

MO zhongkai was suspicious,"what do you mean?" You can withdraw the lawsuit and tell the media that it's a misunderstanding. It's just a matter of a word for you. Isn't it a good deal for you to use this in exchange for a simple location?"

that's a good deal for you, "Liancheng Yazhi said sarcastically. I can't see how it's a good deal.

'Why?'

Liancheng Yazhi smiled faintly. you're right. I can get your father to come out with just one word. I also care about Jian Jie very much. But, ran ran, why don't you ask me if I already know Jian Jie's whereabouts? "

"Impossible, how did you know?" mo zhongkai's expression changed drastically.

Liancheng Yazhi looked at him in disdain. "Why can't I know? Do you think I won't be able to find out even if you don't tell me? It's useless for me to get a

simple whereabouts because I already know Yingluo. Do you think I'm an idiot to exchange something I already know for so many benefits?"

mo zhongkai, you are indeed good at scheming, but you have never done business before. Your ridiculous conditions will not work with me. If I were you, if you have time to dawdle with me, you should think about how to comfort your father who is being sentenced tomorrow.

Liancheng Yazhi's face was full of impatience, as if he didn't want to continue wasting time with mo zhongkai. He turned around and planned to go back.

MO zhongkai panicked. Liancheng Yazhi actually knew Jian Jie's current whereabouts. Didn't that mean that he had lost his bargaining chip?

No, it can't be like this.

MO zhongkai was very flustered, but he thought that if he couldn't negotiate with Liancheng Yazhi today, his father would have to go to jail tomorrow.

MO zhongkai didn't have time to think about anything else. He only knew that if Liancheng Yazhi went in, he would lose his chance.

MO zhongkai opened his mouth and shouted, "wait, since you know, why didn't you save him?"

Liancheng Yazhi stopped again and said in disgust, "Are you done? why didn't I save him? Just because I know where he is doesn't mean that I can bring him out. Don't you know what's troubling you?"

Liancheng Yazhi wasn't sure where he was locked up. He had already asked people to check the locations that Tang han had drawn for him and eliminated two of them. He couldn't be sure of the remaining ones because the management and security measures inside were too strict. Outsiders couldn't get in at all.

He dared to tell mo zhongkai so confidently that he already knew the whereabouts of the simplified version because he knew that it was useless to have it. He had to get mo zhongkai, who was an internal person, to help him get the simplified version.

Since he couldn't get in, he could only start from the inside. MO zhongkai's Kasaya was a good choice.

This was a good game of chess that Liancheng Yazhi had planned. From the moment he schemed against father mo, he had been waiting for this moment to negotiate with mo zhongkai

What he wanted was a person, not a place to be locked up.

MO zhongkai had obviously believed it. If it was in the situation where his imperial concubine Chang was calm, Liancheng Yazhi might not have been able to deceive him easily. However, he

was exhausted today and time was pressing. He did not have so much time to think about other things, so he could only choose to believe in Liancheng Yazhi.

“Then what do you want?” mo zhongkai asked.

The moon was already out in the sky. Liancheng Yazhi stood under the moonlight, looking so beautiful that it was a little unreal. He said, “Don’t you know what I want?”

MO zhongkai’s heart suddenly trembled a little, he felt that he had been trapped again..

Chapter 1894: Exchange a simple for your father

She only heard Liancheng Yazhi’s voice slowly floating over. “If you want your father to be safe, then exchange it with me with something I don’t have right now. ”

MO zhongkai felt his heart skip a beat. He seemed to understand Liancheng Yazhi’s meaning, but he also seemed to not understand.

MO zhongkai felt that his throat was extremely dry and his hands were trembling slightly, ” you can say it more clearly.

“Am I not clear enough?” Liancheng Yazhi smiled.

MO zhongkai looked at Liancheng Yazhi and suddenly felt that he was very scary. He realized that his understanding of the man in front of him was too shallow. He had never really understood him and did not know the depth of his strength before he rashly rushed over.

Perhaps, it was the right choice to be like Tang han, who was injured in the middle of the mission and not carry out this mission.

MO zhongkai hesitated for a while and said, ” “I don’t quite understand.”

Liancheng Yazhi looked at him. His deep eyes were as dark as the endless night sky, and one could never see the end. One could never see his depth.

Liancheng Yazhi opened his mouth unhurriedly. “Take the simple and Exchange it for your father.”

MO zhongkai’s eyelids twitched a few times and he felt that his heart was beating faster.

MO zhongkai took a few steps back and shook his head, ” “Impossible! This can’t be!”

Liancheng Yazhi smiled gently and said very seriously, “you can do it. i believe you can do it.”

mo zhongkai’s voice suddenly became louder. ” impossible. it’s impossible. do you know what place that is? ”

Liancheng Yazhi spread out his hands in a relaxed manner. of course I know. It’s precisely because I know that I understand that my people can’t get in, so Wanwan came to you. Otherwise, Wanwan, do you think you have any conditions to negotiate with me? ”

Liancheng Yazhi’s words made mo zhongkai instantly wake up.

That’s right. If not, Liancheng Yazhi would not have given him the chance to stand here and speak.

if he could put his hand in, why would he negotiate with him?

This was the only thing that could move Liancheng Yazhi's heart.

However, Mo Zhongkai felt that this matter was very scary when he thought about it. He shook his head, " "no, I can't. I only have a moderate position in there. I can't bring him out. Do you know what the consequences will be if they find out, Yingluo?"

Liancheng Yazhi slowly walked in front of Mo Zhongkai, "you're such a cautious person. As long as you want to do it, you'll do it. I've always believed that human potential is limitless. If you need my help, I can help you. But if I help Yingluo, I can only help you with half of the two conditions you mentioned before.

Liancheng Yazhi was a businessman, and he was very stingy. Mo Zhongkai helped him once, why should he help him with two things!

Mo Zhongkai didn't have time to think about this now. He was struggling whether he should make this deal with Liancheng Yazhi and help him get the simplified version. This was not a small matter. If he didn't handle it well, Qianqian would kill him and his future would be ruined.

Liancheng Yazhi knew that it was impossible for Mo Zhongkai to make a decision immediately. He looked at the watch on his wrist and said, "I know it's not easy for you to make a decision, but I can give you time to think about it. You can call Secretary Zhou before 10 o'clock tonight. I won't wait for you if you don't think about it..

Chapter 1895: I hope to hear good news from you

Mo Zhongkai's heart was suffering. He felt that the time Liancheng Yazhi had given him was too short. It was impossible for him to make such a huge decision in such a short time. Time is too short. I can't do it.

Liancheng Yazhi smiled and said, "is it short? If you really want to save your father, you don't even need to wait for 10 o'clock. You can make a decision now. Yingluo doesn't care about the time, but how important your father is to you."

He looked at the watch on his wrist and said, "it's getting late. You should go back and think about it. I hope I can hear good news from you before 10 o'clock. I look forward to working with you. Goodbye.

Liancheng Yazhi turned around and left, leaving Mo Zhongkai standing alone outside the door with a struggling face.

He heard a clear child's voice coming from the door, "daddy, Yingluo, why did you only come back now? I'm hungry, Yingluo."

Mo Zhongkai heard Liancheng Yazhi's happy laughter, "Little guy, why did you come out?"

"Mom told me to come and see dad. She asked you to go back. We should eat."

Mo Zhongkai suddenly remembered that when he was young, his family was very excited and warm.

Every night, his family would wait for his father, who was teaching at school, to come back and have dinner together. His father would always give him and Xunxun their favorite food, and he

would also like to hold him up and let him ride on his neck. He would also take him out to play. Those happy childhood scenes were still vivid in his mind.

In the end, the happiness of his childhood faded away, and his father's old appearance replaced it.

MO zhongkai felt bitter in his heart. His father was already old. If he was sentenced this time, he did not know how he would be sentenced. If it was theft, the painting would be converted into money and he would be sentenced to many years.

Was he really going to let his father go to jail at such an old age?

MO zhongkai was very confused now. He did not know what to do. He wanted to save his father, but he did not want to listen to Liancheng Yazhi's advice.

If he really helped Liancheng Yazhi save his son, then in the future, Liancheng Yazhi would have his biggest weakness in his hands.

MO zhongkai grabbed his hair hard. He got into the car dejectedly and drove aimlessly on the street. In the end, he unknowingly drove back home.

The lights in the house were already on. In the past, this place was filled with laughter and it was warm to go out. But now, there were only her mother's tears.

MO zhongkai sat in the car and did not get out immediately. He was thinking about something.

The Liancheng family was having dinner at the moment.

Rong Yan asked Liancheng Yazhi, "how is it?" Have you finished talking to mo zhongkai?"

Liancheng Yazhi nodded. I've already said what I need to say. Now, we're just waiting for mo zhongkai to make his own decision.

"Do you think he will agree to your proposal?"

Liancheng Yazhi was very certain and said, "yes, definitely!"

for the sake of his family, mo zhongkai would definitely agree to liancheng yazhi's proposal.

However, he was currently struggling. He just needed some time.

Liancheng Yazhi could give him time.

however, it was limited.

Rong Yan sighed. I hope the simpler version will come out soon.

Liancheng Yazhi patted his hand. it'll be quick. Don't worry. This time, mo zhongkai is here. We'll definitely be able to get it out.

Tang Zong's face suddenly lit up with realization. "Brother-in-law, you created the case of mo zhongkai's father just for this?"

"You only understand now?" Rong nuo glanced at him..

Chapter 1896: I won 't make you angry

Liancheng Yazhi's lips curled up. what else? do you think I have so much free time to make life difficult for a university teacher? ”

Tang Zong swallowed his saliva and leaned closer to Rong nuo.

He felt that Liancheng Yazhi was really too scary. He could actually play with people like this. When he saw him, he could only remember that sentence: They would do anything to achieve their goals. What did that mean?

liancheng yazhi knew what tang zong meant. he smiled and said, “Don't worry, as long as you don't do anything to make me angry, I won't scheme against you.”

Tang Zong immediately raised his hand. brother-in-law, I will definitely not make you angry. I will also take good care of Rong nuo and live a good life with her.

Liancheng Yazhi smiled. that's right. Let's eat.

tang zong nodded his head repeatedly and quickly buried his head in his food.

Rong Yan nudged Liancheng Yazhi's arm. “Don't scare him,” “Tang Zong, did I scare you?” Liancheng Yazhi asked.

tang zong immediately shook his head. ” no, no, absolutely not.

brother-in-law has always been very kind and gentle to me. ” liancheng yazhi put his arm around rong yan's shoulder. ” you heard it. i'm very good to him. ‘ rong yan rolled her eyes.

Fortunately, she knew Liancheng Yazhi well. Otherwise, she would have been completely tricked by him.

MO zhongkai waited outside the house for more than an hour without entering.

In the end, mo xunxun saw the parking lot outside the courtyard from upstairs and sneaked out of the room.

The sound of knocking on the window woke mo zhongkai up.

He raised his head and saw mo xunxun's small and delicate face leaning against the car window, looking at him.

mo xunxun's eyes were very clear. they were eyes that had not been polluted by the secular world. they were very beautiful. if a lost person saw them, they would feel as if they were looking in the right direction.

MO zhongkai's heart softened and he opened the car door.

“Brother, why don't you go in?” mo xunxun asked.

MO zhongkai stretched out his hand and rubbed its head. I was just thinking about something. Why did you run out? ” mo xunxun pointed to the window upstairs, “i saw your car upstairs. brother, have you had dinner?” Mom saved it for you.”

“No,” mo zhongkai shook his head.

MO xunxun reached out to pull his arm. then, Yueyue, go in and have dinner. It's already very late. Why haven't you eaten yet? ‘

It's late?

MO zhongkai's heart trembled and he quickly asked, "What time is it now?"

mo xunxun did not understand why mo zhongkai's expression suddenly turned so ugly. she said, "It's almost nine O'clock,"

MO zhongkai's heart relaxed again, "nine O'clock, Yingluo."

"Let's go in and eat," he said with a long sigh.

MO xunxun knew that mo zhongkai was definitely hiding something in his heart, but he would not tell her, so she simply did not ask.

Everyone in the family treated her like a three or four-year-old child, as if she didn't know or know anything.

Actually, Yueyue already knew everything.

As soon as mo zhongkai entered the door, he saw his mother sitting in the living room, wiping a photo of her and her father.

MO zhongkai's parents had always had a good relationship. The two of them had been married for decades and had almost never fought. In mo zhongkai's memory, his parents were the most harmonious couple he had ever seen.

In the past, mo zhongkai was also very glad that there were not so many terrible things in his family.

MO zhongkai's mood suddenly became heavy. He walked over to take a look and saw that mo Wen's mother was wiping their family portrait.

"Mother, why did you think of taking this photo?" mo zhongkai asked softly..

Chapter 1897: She was already in despair

MO ding's mother sobbed. your father said that he doesn't know if Wanwan will have a chance to come out in the future. He hopes that I can bring this photo to her at the court hearing tomorrow.

MO ding's mother raised her head, full of hope, and asked, "Zhongkai, you're tired today."

She had wanted to ask if there was a way to save her father, but she stopped before she could finish. forget it. You don't have to work too hard. You've tried your best. It's your father's fault for being greedy. I know that you can't blame anyone for Hanhan's current state. I just hope that when the sentence is given tomorrow, Hanhan's sentence will be reduced by two years.

She also knew that this matter was difficult to handle. Her son had been so busy these days that his feet didn't even touch the ground. It was already hard enough. She didn't want to put her son in a difficult position.

mo zhongkai's heart was pressed by a big stone, dull and painful. he said in a low voice, "Mother!"

MO ding's mother shook her head and raised her hand to wipe the tears on her face. I'm fine, I'm really fine. I've thought it through. At most, I'll visit his father every day. When I saw him today, he said that his biggest regret was not listening to you. His biggest regret now is that he doesn't know if he can ever have a family reunion dinner together again.

MO Wen's mother's words slowly shattered the final struggle in mo zhongkai's heart. He frowned tightly and clenched his fists, the veins on the back of his hands throbbing.

As mo zhongkai's mother sobbed, the things that mo zhongkai had been holding on to were slowly being crushed. After a long time, his brows relaxed and he let go of his hands. He sat beside mo zhongkai's mother and put his arms around her shoulders, "mom, you don't have to worry about Xuxu and dad. They won't go to jail. I've already talked to Liancheng Yazhi. Dad's case will be fine. He'll be out soon.

after saying these words, mo zhongkai's heart seemed to have suddenly lightened, but also seemed to be heavier.

He didn't know if his decision was right or wrong, but Yingluo knew that as a son, he couldn't watch his mother cry in front of his father's photo every day. He couldn't bear to see his old father lose his freedom behind the bars.

after hearing what liancheng yazhi had to say, mo ding's mother looked at him in disbelief. "really? really?"

MO zhongkai nodded. yes, it's real. It's real. I just came back from the Liancheng family!

MO ding's mother laid in mo zhongkai's arms like a child and wailed. This was the best news she had heard in so many days.

mo ding's mother cried as she said, "i knew that my son would definitely be able to do it. you would definitely save your father, hanhan."

MO zhongkai took a deep breath and hugged her gently, "mom, Wanwan, after dad comes out, you two should go abroad. Don't stay in the capital anymore. Go abroad and live a more relaxed life.

MO zhongkai didn't know if he could succeed or not, and he didn't know if he would find out in the future even if he made the simplified version.

For the sake of his family's safety, the only thing he could do was to arrange for them to go abroad as soon as mo ding's father was released.

When they were overseas, even if something happened to him, they would not be implicated.

MO xunxun's face turned pale when she heard this.'Going abroad?' She didn't want to!

MO ding's mother did not care about anything else now. As long as her husband could come out, she was willing to do anything. She kept nodding her head. Alright, alright, ran ran will listen to you. Zhongkai, we'll all listen to you. It's good as long as your father can come out safely..

Chapter 1898: Can I stay to accompany you?

Mo zhongkai took out two pieces of tissue paper from the tissue box on the table and wiped his mother's tears, " " then i'll make the arrangements for you guys first. once dad comes out, you guys

can leave immediately. our family's reputation is finished. you won't have so much pressure overseas. ”

MO ding's mother nodded. it's good, Wanwan. Anything is good. As long as our family is together, that's better than anything else.

MO xunxun stood at the side, not saying a word. She had her head lowered, and no one knew what she was thinking.

MO zhongkai comforted his mother for a while and saw that it was almost time, ” mom, I'm going upstairs to change. If you have nothing else to do, go and prepare your things and pack your luggage.

MO ding's mother nodded her head repeatedly. that's right. If we're going overseas, we'll have to bring a lot of things.

She stood up happily and hurried upstairs to pack her luggage.

MO zhongkai heaved a sigh of relief in his heart. Forget it, let's just leave it at that. He couldn't be a good soldier, but it was enough as long as Qianqian could be a good son.

MO zhongkai was about to go upstairs to make a call when he turned around and saw mo xunxun. He asked, ” “Xunxun, what's wrong? I'm not happy.” “Big brother, Wanwan, are you going overseas too?” mo xunxun raised her head and asked.

MO zhongkai was stunned for a moment. He did not expect mo xunxun to ask this question. He said, ” “Brother Yueyue still has work and might not be able to go for the time being.” a person like him who had done confidential work would never go abroad in his life. even if he retired one day, he would not go abroad.

“Then, can I stay and accompany you?” mo xunxun bit her lips.

MO zhongkai's heart softened. He thought that mo xunxun had said that she would stay because she was afraid that he would be lonely. He ruffled mo xunxun's hair. ” silly girl, what can you do? i'm in the army all day. after you leave, i might not come back to stay. you'd better go live abroad with your parents. a new environment is not a bad thing for you.

“But brother, I don't want to go abroad,” mo xunxun mustered up her courage and said.

MO zhongkai did not think too much about it. He thought that mo xunxun was only afraid of the foreign environment, ” “Go, this place is no longer suitable for our family to live in. Listen to your brother and pack your things in the next few days.”

MO xunxun lowered her head. Her family had never asked for her opinion, nor did they care.

The clock on the wall showed that it was almost 9:30 in the evening. MO zhongkai did not have much time to comfort mo xunxun.

After saying a few words to mo xunxun, he quickly went upstairs and called Secretary Zhou.

secretary Zhou received mo zhongkai's call and was very happy. he said, ” “Mr. MO, have you thought it through?”

MO zhongkai said calmly, "I agree to Liancheng Yazhi's proposal, but I want to talk to Zhenzhen. There are some things I have to tell him clearly in person." &Nbsp;

"Sure, I'll ask for young master ya's opinion," Secretary Zhou replied readily.

MO zhongkai held his phone and waited for ten minutes. The screen suddenly lit up and the phone rang.

MO zhongkai looked at the phone number on the screen and struggled for a few seconds, but he still picked up.

"Hello, Yingluo."

Liancheng Yazhi's gentle, pleasant, and magnetic voice rang in mo zhongkai's ear, "What does Mr. MO want to talk to me about?"

At this moment, mo zhongkai was still very angry when he heard Liancheng Yazhi's voice. However, at the same time, he also felt a deep sense of powerlessness in the face of Liancheng Yazhi's 360-degree internal strife.

I agree to your suggestion, " he said. but I can't do it on my own. You must help me..

Chapter 1899: Happy cooperation with Mr. MO

Liancheng Yazhi agreed readily. you can try to persuade me, but I can only help you complete half of the two requests you made. You can only choose one. Do you want your father to come out safely or do you want to restore the mo family's reputation? "

liancheng yazhi had never let himself suffer losses when doing things. mo zhongkai asked him to help, so his request had to be halved.

MO zhongkai did not hesitate, " I choose the first option, to let my father come out safely.

To their family, if father mo continued to be locked up in prison, what was the point of restoring the mo family's reputation?

What their family needed was a father and a husband, not a reputation that was empty.

Anyway, he had already decided to send his family abroad. When the time came, he would not be able to hear the abuse in the country.

MO zhongkai was no longer in the mood to think about his reputation. He only wanted his family to be safe in the future.

liancheng yazhi was not surprised at mo zhongkai's choice. good, Mr. MO is such a filial son. It is your father's fortune to have a son like you.

His father, old master Liancheng, was quite unlucky to have a son like him. She couldn't control her son from being suppressed by her son all day long. She really didn't feel good about Yingying!

"When can you let my father out?" mo zhongkai asked Liancheng Yazhi.

This was what he was most concerned about.

Liancheng Yazhi's answer was even simpler. it depends on when you're ready to get the summary out. I'll give you three days. The trial will be postponed for three days. If you can't get the summary in exchange, then your father's sentence will be passed as scheduled. You can do as you see fit, Wanwan. MO zhongkai frowned and refused flatly, " no, three days is too short. I need a lot of preparation. Don't you know what kind of place that is? " i don't have enough time to do anything in three days .

"Then how long do you want?" Liancheng Yazhi asked him.

MO zhongkai thought for a while and in order to be safe, he said, " "Ten days."

This time, Lian chengya didn't agree. no, ten days is too long. Liancheng Yazhi recalled the last time he had seen a simple photo. The longer he had seen it, the more suffering he had suffered.

MO zhongkai considered for a moment and said: " then one week it is. This is the shortest time I can accept. Any less and it will not do.

mo zhongkai felt that it was a particularly crazy thing to get jian yi out of their secret prison.

He had never thought that he would do such a thing one day.

He had worked there for a few years and had never seen anyone come out after going in.

Liancheng Yazhi calculated the time. Seven days was about right. After all, that place was not a place that could be entered and exited easily. It was not so easy for mo zhongkai to get the person out.

Liancheng Yazhi agreed to his suggestion. okay, one week it is then. Your father's trial will be postponed to seven days later. During this period, I will have someone give your father special treatment and not let him suffer. But after seven days, if you can't come up with a simple verdict, your father's case will be reviewed and carried on as usual

MO zhongkai was silent for a moment, "alright, it's a deal.

"If you need any cooperation during this period, you can go to Secretary Zhou."

"I know," mo zhongkai said.

Mr. MO, I'm glad to be working with you. Goodbye.

"Goodbye."

This was the most peaceful conversation the two of them had ever had since they met.. There was no tit-for-tat, no obvious sarcasm!

Chapter 1900: a new beginning and a new challenge

After hanging up the phone, mo zhongkai threw his body heavily onto the bed. He knew that he would regret the decision he had made sooner or later.

However, he really couldn't care about that now.

He couldn't bear to see no more laughter at home in the future, and he couldn't bear to see his mother cry every day. He was very weak, and he couldn't be a soldier who contributed to the country and the people, so he hoped that he could keep his family safe.

Perhaps it was because he finally made a decision after struggling, mo zhongkai fell asleep not long after lying on the bed. He slept until the sun rose the next day.

That night, on the contrary, was the best sleep he had had in so many days.

When he opened his eyes, mo zhongkai saw the sunlight shining in from the window.

He lay down for a while before standing up. Today's Xuanji was a new beginning and a new challenge.

In the next seven days, he had a lot of things to do.

MO zhongkai got up and went to the bathroom to take a shower. He changed into his military uniform and went downstairs.

Downstairs, mo ding's mother had already prepared breakfast. When she saw mo zhongkai coming down, she quickly said, "zhongkai, come and eat quickly. Just now, xunxun told me that you didn't eat last night. Why didn't you tell me? you must be starving.

MO zhongkai's heart warmed. He walked over and sat down, "I'm alright, I'm not too hungry.

Halfway through the meal, mo ding's mother hesitated for a while before finally asking, "Zhongkai, today's court hearing is Huanhuan." mo zhongkai put down his chopsticks. "there won't be a court hearing today. if there are no accidents, father will be out in seven days. "

MO ding's mother was so happy that her eyes turned red again. She kept saying, "really? that's great! That's great, Yingluo!

mo zhongkai thought for a while and said,"mom, let me tell you something very important."

MO ding's mother nodded. yes, Yueyue. Go ahead.

Now mo zhongkai was the backbone of the family. No matter what he said, mo ding's mother would listen.

MO zhongkai said very seriously, " don't tell anyone that dad might come out. Don't tell anyone either. If we are going abroad and someone asks you, even if it's someone close to you, even if it's my uncle, don't tell them. Just say that you don't know. You don't know anything.

mo zhongkai knew that what he was going to do next was dangerous and difficult. all the people working there were more careful than others.

They would immediately conduct an investigation once they found something wrong with someone.

If others knew about our family's situation, they would definitely be suspicious. MO zhongkai didn't want to cause more trouble.

He wanted mo ding's father to come out quietly and leave the country as soon as possible. It would be best not to give anyone any time to suspect him.

"Why?" mo ding's mother did not understand.

MO zhongkai looked at his mother's eyes and said very seriously, "mom, if you still want dad to come out and live with him in the future, you'll have to listen to me. If you tell others about this, you might not be able to see dad again.

MO ding's mother nodded. okay, Wanwan, okay. I won't tell anyone. I definitely won't say anything about Wanwan.

MO zhongkai was afraid that he would be soft-hearted and reveal everything to others, so he reminded him again, "mom, I'm not joking. You have to remember this. Think about dad. Think about how you can't be soft-hearted in the future.

mo ding's mother did not know why mo zhongkai was telling her this, but she subconsciously chose to listen to her son, "Don't worry, I won't go out these days. I won't go anywhere and see anyone.."
