

Permit Me 1911

Chapter 1911: Don't insult my intelligence

Jian Jie nodded slightly.

MO zhongkai quickly went out and found the person in charge, asking, "so, you heard him. Do you want to do as he says?"

The person in charge was also in a difficult position. this Wanwan doesn't seem to be a good person. The higher-ups have stipulated that nothing can be left in

ms room. 'I'm wanwan ...

MO zhongkai said, "I know. That's why I'm asking you. We only have this chance. If we miss it, I don't know if he will still tell us.

MO zhongkai glanced at him and continued, "he's been in here for so long, and he's only softened a little. if i don't agree to him, i won't have another chance in the future. i've seen his body, and it's so weak that he can't even sit there. i don't think yingluo can withstand your improved truth-telling serum. what do you think we should do with yingluo's?"

The person in charge nodded. He was also worried about this.

It was indeed very tempting to simply agree to tell them what he knew, but it was very difficult for Yingying to leave the information and photos.

The higher-ups all knew how threatening the simplified version was. In his room, there was no blanket on the bed. The bed was connected to the floor, and the bedsheet was connected to the bed frame. There was no table, no stool, and nothing else.

It was all for the sake of turning anything into a simple weapon.

The person-in-charge hesitated for a moment. He didn't want to give up this opportunity, but he also didn't want to leave the photos and information to

Jian.

why don't I go in and tell him that he can leave as long as he says it, and that he doesn't care about the next few days? "

MO zhongkai shrugged his shoulders. then go in and tell him. Anyway, I don't think he will believe it.

"I don't care, I'll tell you first."

This time, the two of them went in together.

The person-in-charge entered and smiled. Mr. Jian, after you say it, you will be able to leave this place very quickly. By then, you will be able to reunite with their family. Actually, you don't need these photos and information. Why don't you let Qianqian keep the things now? '

Jian Jie looked at him and smiled disdainfully. His torch-like eyes shot out two sharp and cold lights. my body is weak, but my brain isn't. Don't insult my intelligence with your words.

“This is my condition. If you don’t agree, get out.”

The person-in-charge was instantly shut up. He didn’t even have the chance to say the words he had originally thought of. After he finished his simple explanation, he no longer looked at them and lay on the bed with his eyes closed, preventing him from talking to them again.

“Then, Wanwan, please let us think about it,” the person in charge said, embarrassed. “five minutes,” jian jie said without opening his eyes.

The person-in-charge almost fell when he heard that. Five minutes is too short. ”

He simply spat out four words,”expired.”

MO zhongkai quickly pulled the person-in-charge out. Once they were out, he quickly said, don’t waste time inside. Hurry up and think. He said that he won’t wait for you after the deadline. After five minutes, he won’t say anything even if you agree to leave these things behind.

The person-in-charge was in a difficult position. then what should we do about Wanwan? there’s not enough time even if we call the higher-ups to ask for instructions.

MO zhongkai glanced at his watch. anyway, make your decision quickly. If it really doesn’t work, I won’t waste my time here. I still have a lot of things to do outside.

The person in charge pulled mo zhongkai back. don’t, don’t. Who am I going to discuss this with if you leave? ”

MO zhongkai said, “what’s there to discuss? it all depends on your words..”

Chapter 1912: we still have a chance to meet again

The person-in-charge hesitated, “but Yingluo, this thing, Yingluo .

MO zhongkai patted his shoulder, ” actually, I don’t think there’s anything wrong with leaving it to him. Can these photos and information be used as weapons? This isn’t a gun or grenade, not even a paper cutter. Do you think he can shoot here with these things?”

The person in charge shook his head. He was very confident in the safety facilities here.”that’s not necessarily the case. i’m just afraid of yingluo. i’m just feeling uneasy. ”

MO zhongkai had been looking at his watch. there’s not much time left. If you continue to talk nonsense, there’s no need to talk about anything. If it’s not Yingluo, look at how weak he is. You can knock him down with one finger now, what else can he do? This is a good opportunity to make a contribution. If you miss it, it’ll be gone forever.”

The person-in-charge was so anxious that his forehead was covered in sweat.

that’s true, Qianqian. But Qianqian, is your thing really okay? ”

MO zhongkai’s face turned cold, ” there’s only one minute left. Forget it, there’s not enough time. I’m leaving. Let’s not ask anyone else. I’ll take my things.

After he finished speaking, mo zhongkai was about to leave when the person in charge pulled him back. He gritted his teeth and made up his mind, ” “We’ll leave Yingluo to him later. However, we can’t let anyone know about this.”

MO zhongkai was happy,”sure, only the two of us will know, but the surveillance cameras are ...”

“Don’t worry, I’ll just do something to it later,” the person in charge said in a low voice.

MO zhongkai hurriedly said, “then hurry up and go in. There’s not much time left. He said that we won’t wait until the deadline. We can’t be late even by a second.

The person-in-charge pulled him. you go in and talk to him. I’ll go over there and watch. Since the person-in-charge decided to take a risk and make a

contribution, he could not let others know that he and MO zhongkai had agreed to leave the things outside in the simple room.

he had to go and keep a watch. he couldn’t let anyone know.

MO zhongkai nodded,”yes, yes, yes.”

Mr. Jian Yi, “he said to Jian Yi,” we agree to your request. We can leave all the information and photos for you.

He simply opened his eyes,”paper, pen, pen, pen, pen.”

MO zhongkai found a pen and paper and handed them to Jian Jie.

It took him a long time to draw a map on the paper with his soft hands.

It seemed like Yingying was the Liancheng family’s map, and it marked Kang Xi’s location.

MO zhongkai looked at the map and sighed in his heart. If he was not forced to stand with Liancheng Yazhi, he would be very happy to see this map.

But now, mo zhongkai’s mood was very complicated.

However, mo zhongkai knew that this painting was definitely fake. Jian Jie would not tell them the truth. This painting, at most, just looked like real.

MO zhongkai was feeling regretful and a little glad at the same time because Wanwan didn’t choose to be enemies with Liancheng Yazhi and the others in the end. This way, Wanwan wouldn’t let him lose miserably in the end.

MO zhongkai kept the map and stood in front of Jian Yi, reaching out his hand, thank you, Mr. Jian. I’m happy to work with you, Yingluo.

He simply cast a glance at his weak body and closed his eyes, no longer saying anything.

Drawing a map had almost exhausted all his strength. He didn’t even have the strength to raise his hand.

have a good rest, “he said meaningfully. I’ll be leaving first. I believe we’ll have a chance to meet again..

Chapter 1913: overbearing

MO zhongkai knew that no matter what he said, he would not open his mouth, so he left directly after he finished speaking.

“How is it? how is it?” the person in charge ran over.

MO zhongkai waved the things in his hand, ” of course I’m telling him. People like him always keep their word and never lie.

scan a copy of this and leave it behind. I’ll take a copy with me.

the person-in-charge looked at the picture and said happily, ” good, good Yingluo, that’s great. We finally managed to get something out of him.

MO zhongkai hesitated for a moment and asked, ” “Then do we still use the improved truth-telling serum?”

The person in charge sighed. the higher-ups want us to continue using

Youyou.

“Why?” mo zhongkai was very surprised.

The simplified version was already drawn, and they didn’t know if it was real or fake, so why did they still use the truth-telling liquid?

The person-in-charge secretly pulled mo zhongkai to the side and whispered, he went abroad to bring Major General Kang back. He knows a lot about the secret that the higher-ups have been keeping. Also, the higher-ups want to know what he saw when he saved Major General Kang.

MO zhongkai sighed secretly. It seemed that he could not slack off on the

Kongtong plan. He had to get the simplified version out as soon as possible. Otherwise, it would be too late when the improved potion was completed.

MO zhongkai said to the person in charge: ” that’s fine. There’s nothing else for me here. I’ll take my leave first.

The person-in-charge pulled mo zhongkai back,”alright, you can go. Old MO, please take a look at the decision we made today.”

MO zhongkai smiled. don’t worry, you and I know about this. I will never let anyone else know. I’m not a fool. I don’t want to be punished just because I’ve made a contribution.

“That’s right, that’s right. That’s exactly how it is.” The person in charge smiled.

“i’ll be leaving then.”

MO zhongkai took the so-called map and left.

after he got in the car, he threw the thing away.

MO zhongkai gave Secretary Zhou a call. He wanted to see Liancheng Yazhi. He needed to discuss the specific actions with Liancheng Yazhi face to face.

Liancheng Yazhi did not ignore him this time and quickly arranged a time to meet with him.

it was still the teahouse where they had had tea that time.

MO zhongkai arrived earlier than Liancheng Yazhi, and Liancheng Yazhi arrived soon after.

The two of them did not have any extra pleasantries. Since things had already come to this, there was no need to pretend to be polite. After sitting down, mo zhongkai said directly, "I've already given him the simplified version. He should have understood it by now. Now, it all depends on the specific time of action

Liancheng Yazhi heaved a sigh of relief. When that thing was sent to Jian Yi, it was equivalent to giving him a knife to cut off the ropes binding Jian Yi. As long as he recovered his strength, Jian Yi would no longer be controlled by others.

"When do you plan to act?" Liancheng Yazhi asked mo zhongkai.

MO zhongkai had already considered it, but he was still hesitating about the exact time, "In two days, Yingying, or four days."

Liancheng Yazhi frowned slightly. why did you choose these two days? I remember that there will be light rain in two days and heavy rain in four days.

The weather forecast said that it will be accompanied by Thunder and wind. Why did you choose such a weather? "

MO zhongkai laughed, "it's indeed young master ya. I only mentioned the time and you immediately thought of the weather. In addition, I need you to help me with something, a very important thing.

"Speak," he said. Liancheng Yazhi's words were domineering. His look of "no matter what you say, I can do it" really made people jealous and envious..

Chapter 1914: Everything is unknown after four days

MO zhongkai raised his head and looked at him,"I want the whole city to have a power outage that night."

"The simple location of the detention center is in the city and it's in the bustling downtown area. Part of the electricity here is used by the city's power system. Once the whole city is cut off, it will inevitably affect the area there.

Even if they use the backup power, it will take at least two to three minutes. This is our only chance to leave this place."

As it was in the bustling area of the imperial capital, it was impossible for there to be a power outage. That was why their Department had chosen to place one of their secret strongholds there.

MO zhongkai paused for a moment. also, I hope that you will release my father after I help you save Jian Jie that night. I hope that my family will leave that very night.

As long as he saved Jian Yi, it wouldn't take long for the people above to find him. By then, he might never be able to get out even if he delayed for a second.

A blackout in the entire city was a crazy idea, but Liancheng Yazhi did not hesitate and nodded. "Yes, Zhenzhen. If you can successfully rescue Jian Yi, I can arrange for your family to leave."

"Thanks." MO zhongkai smiled.

After saying these two words, mo zhongkai was a little dazed. He actually said thank you to Liancheng Yazhi. It was really incredible.

Logically speaking, he was the one who had caused him to be in this state, so he should hate him very, very much.

However, mo zhongkai discovered that he could not hate her anymore. He didn't have the energy to hate now.

then, " Liancheng Yazhi asked him, " do you plan to take action in two or four days? "

MO zhongkai told him truthfully, " it depends on the weather. It will be drizzling at night in two days 'time. If there is no lightning, it will be difficult to move. I think it might be better in four days. At that time, I can bring in some electromagnetic interference devices and instantly place some things on the top of the building that can attract lightning. After the power is cut, even if they can turn on the backup power, it can also play a certain interference effect.

furthermore, thundersky will interfere with many of their electronic devices. Most importantly. You you and the others can't use aircraft to investigate and search.

Liancheng Yazhi nodded. It was indeed a Thunderbolt. Although there were some difficulties in saving people, it was relatively safer.

Moreover, mo zhongkai's method was quite good, and Liancheng Yazhi's evaluation of mo zhongkai's IQ rose a little.

If it wasn't for this matter, perhaps mo zhongkai would have a better development in the Army in the future, but now everything was just empty talk.

After four days, everything about mo zhongkai was unknown.

Liancheng Yazhi cast these thoughts aside. " is four days too long? your people are making the improved drug. if it's done and used on the simplified version, it would be too late. "

MO zhongkai shook his head, " no, I understand the process. Even if the improved drug is completed tomorrow, it can not be put into use immediately.

There is still a series of clinical trials. These will take time, at least five days. We still have enough time.

MO zhongkai's explanation made Liancheng Yazhi feel at ease. If that was the case, then he didn't have to worry about the delay.

Liancheng Yazhi agreed to mo zhongkai's proposal. in that case, we'll wait for four days before we take action. I'll arrange for Secretary Zhou to handle the power outage. Just give him the signal then.

alright, I'll contact him when the operation begins..

Chapter 1915: a brief encounter, how can you decide on a lifetime?

MO zhongkai thought for a moment. He had already discussed other things with Liancheng Yazhi, but it seemed that there was one thing he had not said, " however, when the time comes, arrange for a car to pick him up. Once he comes out, send him out immediately. The route must be determined. It would be best if there is more than one Yingluo.

liancheng yazhi smirked. " don't worry. there's no problem with this. as long as you can make it simple, no one will be able to bring him back. " If these words were said by someone else, they might be a little arrogant.

however, when liancheng yazhi spoke like this, it made people feel that they were instantly intimidated by the aura on him.

It would make people feel convinced from the bottom of their hearts, without any doubt.

MO zhongkai smiled. okay, then I have nothing more to say. I'll go first. I still have something to prepare. Goodbye.

liancheng yazhi nodded slightly.

This time, mo zhongkai left first, and Liancheng Yazhi stayed behind to drink a cup of Biluochun before leaving.

After reaching a consensus with mo zhongkai, Liancheng Yazhi found that after getting along with mo zhongkai for a few days, he didn't seem to be so annoying anymore.

Although he was still capable and wanted to climb up, Yingying still had her own principles at critical times.

After Liancheng Yazhi returned home, he told Rong Yan, " "The simplified version will be out in four days."

Rong Yan exclaimed happily, "ah, Yingluo, really?" That's great, the day I've

been waiting for is finally here. After suffering so much in there, I can finally come out."

Liancheng Yazhi let out a long sigh. yes, I can finally put in some effort. I think mo zhongkai's plan is reliable. If there are no accidents, as long as he can bring the Jian out, I will send him abroad that night.

"Will mo zhongkai have another accident this time?" Rong Yan asked Liancheng Yazhi.

Liancheng Yazhi shook his head. he won't. He's already prepared. He'll send his family away that night. I'll help him out when the time comes.

Liancheng Yazhi decided to help mo zhongkai send his family out. When he first came, he felt that mo zhongkai had not been so annoying recently, so he decided to help him out on account of his simple help.

Secondly, he was also afraid that if something happened to mo zhongkai again, at least he could control his family and grasp his weakness.

This way, he would not have to worry about mo zhongkai changing sides.

When Rong Yan heard this, she suddenly remembered another thing. "His family is leaving too? then Xuanji and MO xunxun are leaving too?"

of course, ” Liancheng Yazhi said. we’ll definitely leave together. MO zhongkai will definitely not agree to let his sister stay.

Rong Yan frowned. ah, Yingluo, then Yingluo is simple. Doesn’t that mean we won’t even have the chance to meet like Yingluo in the future? what a pity.

Liancheng Yazhi was stunned for a moment. That’s right. In the future, they would find a way to return to the border easily. How would Wanwan have the chance to meet again in the future?

liancheng yazhi kissed rong yan’s lips. silly, the most important thing now is to save hanhan. it’s still dangerous for mo xunxun to stay in the country. the two of them have just started to develop a relationship. even if they can’t meet or be together in the future, they shouldn’t be too sad. maybe hanhan and the others are from different worlds. it’s just a short encounter. how can they be set for life? ‘

A Canary in a cage would still be a Canary in a cage even if it was brought to another place by its owner.

Lion Pi Xiu walked out of the cage and ran towards his vast world..

Chapter 1916: Discovering big brother’s big secret

The simple and difficult situation was different from Liancheng Yazhi and Rong Yan’s. The difference between them couldn’t be solved overnight.

Even if they were together, could Jian Yi give up his wings, give up his heaven and earth, and live an ordinary life in the busy city with mo xunxun?

In other words, could a weak and delicate flower like mo xunxun follow him to his Kingdom and live a life of constant gunfire, facing blood and death at any time?

This was a fundamental difference in living environment, not a difference in personality, nor a difference in class.

Rong Yan thought about it and realized that Liancheng Yazhi was right. Fortunately, they didn’t have a deep relationship and had only met Wanwan

once.

However, Rong Yan still felt a little regretful.

Perhaps it was because women’s thoughts were always different from men’s. Rong Yan still had a faint feeling that mo xunxun and Jian Jie were actually quite compatible with Huahua. MO xunxun needed protection, and a strong man like Jian Jie could be her backing.

simplicity required a woman’s love, a little warmth, and some sunlight after the bloodshed and killing. mo xunxun just happened to give it to him.

Liancheng Yazhi touched Rong Yan’s cheek. forget it, don’t think about giving it to me. Let’s wait until it’s safe before we talk about their relationship problems.

Rong Yan nodded. That’s right. She wasn’t safe yet, so it wasn’t appropriate to think about this.

It was better to wait until they were all rescued and there was no need to worry about their safety.

rong yan had originally thought that if there was a chance in the future, she would see if she could help mo xunxun make it simple.

No matter what, mo xunxun had also done A Simple Favor.

However, Rong Yan did not know that mo xunxun had already discovered his brother's Secret while he was thinking about it.

mo xunxun found out that mo zhongkai seemed to be particularly busy for the past two days and was very mysterious in his work. he kept bringing things in from the outside but did not allow anyone to see him. he also fired the servants at home.

He had told Mrs. MO that they were going overseas and did not need any servants. He had told the servants that something had happened at home and they were not in a good financial situation, so they did not need any servants.

However, as mo xunxun watched from the side, she felt that her brother was afraid that the things in his study would be seen by others. Before he dismissed the servants, there was an Auntie who wanted to clean his room, but she was shouted out by him.

MO xunxun felt that her brother's study and bedroom must be hiding some big secret.

hence, mo xunxun sneaked into mo zhongkai's study room when he was out.

MO zhongkai had a sister complex. The password to the safe in his study was mo xunxun's abbreviation + birthday. After opening it, mo xunxun saw some electronic devices that she did not recognize on the top of the safe and a stack of paper on the bottom.

MO xunxun took it out and looked at it suspiciously. She was shocked when she saw it. The Kasaya was clearly a detailed escape plan.

The main character of the prison break was simple.

MO xunxun's heart was beating very fast. Her first thought was that her brother had caught her in her simple escape plan.

no, no. mo xunxun quickly denied it.

She read the plan carefully again and finally confirmed that her brother was going to help with a simple Prison Break.

MO xunxun shook her head fiercely. 'Why would my brother Wanwan help you?'

However, Yingying had clearly written on it that they had to follow the route to get out and where to go, and then hand the manual over to the person who was receiving them..

Chapter 1917: I want to see him one last time

The person who received them? The person who received them?

MO xunxun's heart suddenly skipped a beat. Could it be Yingluo?

MO xunxun's palm was a little hot. Could Huahua be Liancheng Yazhi?

MO xunxun was just too well-protected by her family, and she was also too introverted, so she was a little autistic. However, this did not mean that she was stupid.

she quickly recalled that her brother had said a few days ago that her father would be out soon and that he would immediately arrange for them to go abroad.

mo xunxun felt that perhaps brother wanwan and liancheng yazhi had come to some kind of exchange. otherwise, with her brother's personality, he would not have taken the initiative to help her.

MO xunxun bit her lip. It would be great if her brother could help her out, but brother Wanwan's plan mentioned that she would be taken abroad immediately after she was out. Didn't that mean that she would never see him again?

MO xunxun's eyes turned red. She was very sad.

She didn't want to never see it easy in the future.

MO xunxun wiped her tears and placed mo zhongkai's proposal in the same order as before. Then, she closed the safe.

She returned to her room, struggling internally. She didn't want this to happen.

MO xunxun looked at the time, gritted her teeth, and made a decision.

At this time, mother mo was taking an afternoon nap, and there were no servants at home. MO xunxun secretly went downstairs to call Lian Cheng's house.

Soon, the call was connected.

I'm Qianqian, "mo xunxun said softly. I'm looking for Madam Liancheng. My surname is Qianqian mo.

"Alright, please wait a moment."

rong yan hadn't taken her afternoon nap yet and heard the maid say that a miss with the surname mo had called to look for her.

Rong Yan was shocked. Since his surname was mo, it must be mo xunxun.

but why was mo xunxun looking for her at this time?

rong yan picked up the microphone with doubt. "hello, this is rong yan. is this qianqian, xunxun?"

"Yes, it's me. Can I ask you something?" mo xunxun asked timidly.

"Sure, go ahead." Rong Yan nodded.

After a while, mo xunxun asked, "my brother is preparing to help Jian Jia out. Is the person he's working with Jian Jia or Mr. Lian Cheng?"

Rong Yan was shocked when she heard that and immediately asked, "How did you know?"

mo xunxun said softly, "i sneaked into my brother's study and opened his safe. i saw yingluo."

Rong Yan heaved a sigh of relief and reminded mo xunxun, "xunxun, don't tell anyone else what you saw, okay? Your brother is indeed busy rescuing Jian Yi. If the secret is leaked, both Jian Yi and

your brother will be in danger. Also, don't let anyone else know about the secret in your brother's room. You must stay at home and help to look after him."

MO xunxun nodded her head vigorously. yes, I know. I won't mention it to anyone else. I won't let anyone else enter my brother's room either. Even my mother won't let her in.

that's right. Remember, don't let anyone else know before you can simplify it. MO xunxun was silent for a while before she gathered her courage and said, "madam liancheng, can i see him after i'm done? I really, really want to see him.

"I know that Hanhan might not have another chance after I leave the country. I want to see him one last time, can you help me? Please."

Hearing mo xunxun's words, Rong Yan suddenly felt a wave of sourness. She could imagine how much courage mo xunxun had to muster to dare say these words..

Chapter 1918: It's hard to like such a person

How much did such an introverted, shy, and timid girl want to see the person she liked? that was why she dared to ask for help from others.

However, Rong Yan recalled Liancheng yaishu's words. She knew that she couldn't be swayed by her emotions, so she had to reject mo xunxun.

Rong Yan could only harden her heart and say, "xunxun, I know what you're saying, but I really can't promise you this. Time is of the essence for this matter. After we're done, we can't stay here any longer and have to leave immediately. The same goes for you and your family. The longer you stay, the more danger you'll be in.

MO xunxun was so anxious that she was about to cry. I know Hanhan very well, but if Hanhan doesn't meet him this time, he won't have another chance in the future. As long as I see him once, I can stay and let my parents go first.

I'm not afraid of danger.

with a heavy nasal voice, she held back her tears and said, " Mrs. Liancheng, I'm begging you, Qianqian. I really, really want to see him. I want to see how he's doing now, even if it's just from afar.

"But," Rong Yan sighed."Okay, I promise you, but I can't guarantee that you'll really see her. I can only tell Yazhi. Anyway, I'll try. If it doesn't work, there's nothing I can do. When the time comes, you should go abroad with your parents. You can't stay here anymore." rong yan knew that she should reject mo xunxun completely and not give him any hope.

But when the words reached his mouth, he couldn't help but change his meaning.

Rong Yan felt that there was probably no one in this world who could refuse the plea of mo xunxun, a child who was as pure as a piece of white paper.

Especially when you heard her soft sobs, you would feel that it would be cruel to reject her.

Moreover, Rong Yan had always felt regretful about mo xunxun's simple matter. Now that mo xunxun had called her to ask for help, she agreed after struggling for a while.

However, Rong Yan really wasn't sure if she could help.

In order to ensure the maximum safety, Liancheng Yazhi would probably not let mo Xun find him.

MO xunxun was so happy that she cried, 'Yes, thank you. Madam Liancheng, thank you, Wanwan.'

She knew that as long as Rong Yan agreed, she would definitely see Jian Yi because that Mr. Liancheng loved his wife the most.

Rong Yan smiled. you don't have to thank me. It's best if I can help. If I can't, you won't be too sad. she paused for a moment and asked, "you're looking for something. do you like simplicity?"

Rong Yan heard mo xunxun reply softly, " "Yingluo likes it very much."

Love at first sight might be a little fake, but sometimes it did exist, and it could be very romantic.

this was how mo xunxun treated simplicity. when she had almost been pushed into the pool by the girls, simplicity had suddenly appeared to save her. it was as if god had sent her to save her.

It made the weak mo xunxun feel as if she had seen a tall mountain, a big tree, and a sense of safety.

The act of a hero saving a beauty might be too cliché, but you can't deny that this is the best way to quickly win a girl's heart.

It was just simple and MO xunxun.

One was too pure, so she fell in love with him at first sight, while the other was too hard-hearted. His world was filled with cruel killing, blood, and smoke, but there was no love.

It should be hard to like such a person.

Especially girls like mo xunxun..

Chapter 1919: I like it when you are like this

perhaps yingluo would know that her love for jian yi was just an impulse after she spent some time with her.

She shouldn't be able to continue living that simple life.

It's good to meet her once to resolve her regrets. In the future, her regrets will not be so heavy, and she will have less longing for simplicity.

Rong Yan chatted with mo xunxun for a while more before hanging up.

after putting down the microphone, rong yan sighed and rubbed her forehead.

a gentle voice came from behind her. " "What's wrong? What did mo xunxun tell you?"

Rong Yan immediately turned around and saw Liancheng Yazhi. She glared at him coyly. "What are you doing here? you scared me, Yingluo. How dare you eavesdrop on my phone?"

Liancheng Yazhi held Rong Yan's body and said with a smile, "I'm innocent. I really didn't eavesdrop because I couldn't hear it."

Rong Yan tilted her head and asked him, "then can you guess what mo xunxun said to me on the phone?"

Liancheng Yazhi smiled and hugged Rong Yan as they walked to the sofa and sat down. "let me guess!"

I'm guessing that ran ran told you that he hoped you could help ran ran get him to meet him after he's done with the absolution? "

Rong Yan raised her hand and hammered Liancheng Yazhi. "You said you didn't eavesdrop, but you heard everything."

Liancheng Yazhi spread out his hands innocently. I didn't. I really didn't. Qianqian suddenly called me at this time. I don't need to think to know what she wanted to say.

MO xunxun could only have called them for one matter or one person, and that would be simple.

Last time, she had only told them a simple situation. This time, Wanwan probably already knew about her brother's plan and that their family was going abroad, so she suddenly called.

This was because mo xunxun knew very well that after that night, it would be almost impossible for them to meet again.

Rong Yan sighed, "that's right, this is the matter, Zhenzhen."

"Then, did you agree?" Liancheng Yazhi asked.

Rong Yan looked into his eyes and lay on his chest. what do you think? "

Liancheng Yazhi reached out to touch his face, which was a little plump and cheap compared to before he was pregnant, and teased, "do i still need to guess?"

Rong Yan pursed her lips. I'm just saying to help her. If it can be done, she shouldn't be happy. If it can't be done, she shouldn't have any regrets. I don't care if you're willing or not.

Liancheng Yazhi's heart itched at Rong Yan's slightly arrogant and coquettish look. He lowered his head and pressed his forehead against hers, murmuring, "You really don't care?"

Rong Yan rolled her eyes and wrapped her arms around Liancheng Yazhi's neck. "I still believe in my husband. You'll agree, right? right, Yingluo?"

Liancheng Yazhi looked at her coquettishly. you're going to be a mother for the second time. Is it okay for you to be coquettish with your husband? "

Rong Yan pouted and let go of Liancheng Yazhi's neck. She turned her head and said, "I can't? alright then, i won't act coquettishly with you anymore. you don't like it anyway."

Liancheng Yazhi quickly grabbed her arm and put it back on his neck. don't, don't, baby Wanwan. I like it when you're like this. Every time you act coquettishly, I feel like I can't do anythinz.

Rong Yan had discovered this problem of Liancheng Yazhi not long after she started following him. He enjoyed her coquettishness very much. Every time she used this trick and said some nice words to please him, his anger would subside no matter how big it was..

Chapter 1920: I don 't want to see her disappointed expression

It was impossible to say that he didn't like it. Rong Yan would not believe it.

A few years ago, when they were still in a relationship, this guy still knew how to hide it. Now, Yingying didn't hide it at all.

Rong Yan rested her chin on his chest and asked, "Is it really that effective?"

Liancheng Yazhi nodded hard. "Yes, it's very effective."

Rong Yan laughed out loud, her expression a little sly.

Rong Yan pinched Liancheng Yazhi's ears and raised her head to kiss his lips.

She stretched out the tip of her tongue to gently trace his lips and said softly, "

"then, will you help mo xunxun once?"

Liancheng Yazhi's Adam's apple bobbed, and his heart was itching like a cat's paw. that depends on whether you're willing to work hard, Yingluo.

This hint was already very obvious, so how could Rong Yan not understand it? it was clear that this guy had lustful thoughts again.

Rong Yan snorted softly and continued to try. "I'm working hard right now! Do you like it?"

of course I like it, " Liancheng Yazhi said in a hoarse voice. but, baby, you still need to work harder.

Ever since Rong Yan was pregnant, Liancheng Yazhi had basically been living the life of a monk, and it was the kind of life where he could only look and smell the meat that was full of color, fragrance, and not even take a bite.

this was a huge test and torture for liancheng yazhi.

Rong Yan said in a delicate voice, "I hate Yingluo."

With Rong Yan's efforts, although Liancheng Yazhi did not eat any meat, he managed to drink the meat soup.

Rong Yan pinched his cheek and asked, "what about now?" Are you willing to help?"

Liancheng Yazhi hugged her and kissed her hard on the face. "My wife is already working so hard. If I say no, are you going to kick me down?"

"so you agree?" rong yan was overjoyed.

Liancheng Yazhi quickly hugged Rong Yan to stop her from being too excited, lest she fell down accidentally. "On account of my wife's hard work, can I not agree? i'll look at the time, yingluo. if time permits, i'll let mo xunxun see him once. if the other party finds out about it early after we rescue him, then i won't be able to do anything even if i want to."

Rong Yan nodded. yes, yes. I understand, Yingluo. Just do your best. I believe that my husband can do it.

after liancheng yazhi agreed to rong yan's request, he actually regretted it a little.

This was because this was a life-threatening and dangerous matter to begin with. He was not completely sure if he could save Jian Jie. He still had to arrange for mo xunxun to meet with Jian Jie. Aiyoyo, this was really a little difficult.

However, since he had promised his wife, he had to do it.

Liancheng Yazhi did not want to see Rong Yan's disappointed expression at all.

He hoped that Rong Yan would always be full of trust and expectations for him.

Liancheng Yazhi gave Secretary Zhou a call. on the night of the operation, Mrs. MO will definitely go and pick up her husband first. When Xuxu gets back, send someone to pick up mo xunxun and arrange for her to be in the first pickup car. After they meet, send mo xunxun to the airport to meet her parents.

Secretary Zhou didn't quite understand. "Young master ya, what do you mean by" Yingluo "?"

It was rare for Liancheng Yazhi to have the patience to explain to him, " it means that it's easy for Yingluo to meet her. Do you understand? "

Secretary Zhou seemed to have cleared his mind. I understand. I understand.

But, I understand.

"Any other questions?"
