

Permit Me 1961

Chapter 1961: he must be better looking than tyr

Liancheng Yazhi and Rong Yan didn't take it seriously that they were stopped from returning from the prenatal examination. They threw the matter to the back of their minds when they got home and focused their thoughts and energy on preparing a small room for their unborn baby.

MeowMeow was the most excited. Ever since she knew that her younger brother would be born next month, she woke up especially early every morning and ran into Rong Yan's bedroom to say good morning to Rong Yan's stomach.

He even wanted a good morning kiss.

She also wanted him to prepare a gift for the little fellow.

That day, she ran over early in the morning again. After kissing Rong Yan's stomach, she said happily, "Mom, mom, I had a dream last night."

Liancheng Yazhi picked up MeowMeow and let her lie between him and Rong Yan. "Oh, tell Daddy and Mommy what dream it is."

Oää—üih, —iübt%lJü: "I had a dream about little brother last night. He's so good-looking, so pretty, Yingluo. His eyes are black and big, and he's so cute when he smiles."

Rong Yan laughed. really? Our ßääiAÄä5RjJk7—Fk "Yes, I will definitely be a very, very good sister." She looked up at Rong Yan and asked, "mom, little brother will definitely look very good, right?"

Rong Yan kissed meowmeowmeowmeowmeow's soft little face. of course, our baby

Liancheng Yazhi and Rong Yan were both stunned by what MeowMeow had suddenly said. Neither of them had expected MeowMeow to say Tyr's name.

It had been a while since the incident with Tyr. No one had mentioned it for the past few days, so they all thought that MeowMeow had forgotten about it.

He didn't expect him to mention it again, and to say it so smoothly. He could already pronounce the word 'Tyr' so accurately at such a young age.

This didn't seem to be what they had expected.

"who's meowmeowmeowmeowmeowmeowmeowmeowtyr?" rong yan asked tentatively.

rong yan and liancheng yazhi looked at each other. it seemed that it would take some time for meowmeow to forget about Tyr.

Rong Yan patted

Llancneng yazm and Rong yan were more or less a little worried because of this name that had suddenly appeared early in the morning.

However, even if MeowMeow remembered, it didn't matter. They wouldn't meet again.

In the afternoon, the family did some simple exercises after lunch as usual.

Gu Hesheng was reciting a poem to MeowMeow.

Rong Yan and Liancheng Yazhi tang zong pulled rong nuo out of the door and went to his company.

At two O'clock in the afternoon, the doorbell rang. Caretaker Li Ran to open the door and soon ran back like a gust of wind.

Her face was full of fear, "young master! !"

Liancheng Yazhi saw that her expression was not right and asked, "What's wrong? Who was it? Could it be that the police and the military are here again and want to force their way in?"

Butler li quickly shook his head. it's not ran ran. She's not a policewoman. She's not from the Army either. This time, ran ran only brought two people.

Liancheng Yazhi laughed. it's only two people.. Who is it? why are you so scared? "

Chapter 1962: love the house and its Crow

Caretaker li gestured for a while and said a little excitedly, " it's that old man

Wei. I've seen him on TV before.

"old man wei?" liancheng yazhi was suspicious.

Caretaker li hurriedly said, "it's that Yingluo, that old Yingluo."

She gestured for a while. She wanted to say it, but because there were some words that she shouldn't say, she was very anxious.

However, Liancheng Yazhi suddenly remembered that old man Wei was the one he had seen on TV countless times. When he was in school, he had met old man Wei twice when he went to Kang Yu's house to play-Kang Yu's grandfather.

That was an extraordinary person!

he was a legendary figure who had spent half his life in the military. although he had retired, no matter who saw him, they had to call him elder wei with respect.

Liancheng Yazhi suddenly thought of the person who stopped him after the prenatal examination that day. Was he Wanwan last time?

Thinking of this, Liancheng Yazhi smiled. No wonder that person said he would regret it.

However, he really did not regret it. Old man Wei was old man Wei. Liancheng Yazhi would only feel that this old man did not live up to his name if he were to hold it against him because of what happened last time.

Liancheng Yazhi stood up. it's not good if I don't go out to welcome such a Big Shot. Father-in-law, can you come with me? "

gu hesheng, on the other hand, was very happy. "i've long heard of this elder wei. it's a blessing to be able to meet him today. let's go, i'll go with you." The father-in-law and son-in-law went to the door together. This was the grandest time their family had received guests.

when Liancheng Yazhi saw Old Man Wei, he first bowed slightly to him as a form of respect from a junior. Then, he said, "Hello, I haven't seen you for many years. You're still so energetic."

Liancheng Yazhi didn't apologize for making you wait for so long or say any polite words like 'why are you here'.

Instead, he went straight to the point and pulled their relationship closer, just like how a junior and an elder had not met for many years. There was no awkwardness or politeness.

Old Man Wei was in a good mood. He laughed and said, "You're so arrogant. You're only willing to see me when I personally visit you."

He was already over eighty years old, but his voice was loud and clear. However, he still walked with a straight back, and each step was very firm. It was enough to see that this was the mark of many years of military life.

Liancheng Yazhi touched his nose. "You can't blame me for this. How did I know it was you last time? If you had told me clearly, I would've definitely gone over."

These words were a direct blame. It was obvious that he was saying, "Who asked you not to say it? If you don't explain clearly, how can I go?"

The person behind Old Man Wei was the one who stopped Liancheng Yazhi last time.

He was very surprised to hear Liancheng Yazhi's words. He didn't expect Liancheng Yazhi to speak to Old Man Wei so casually, and Wanwan seemed to be very close.

He had been by Old Man Wei's side for many years, and even the younger generation of the Wei family rarely dared to do this.

What surprised him the most was that Old Man Wei was usually dignified in front of others. The dignity he had built up over the years made people afraid to approach him, but he didn't put on any airs when he spoke to Liancheng Yazhi.

Could it be that Old Man Wei loved Major General Kang the most, so he also liked his friends?

If that was the case, the Wei family's descendants were quite pitiful. Their own old master was so distant from them, but he was kind to no one at all.

Chapter 1963: What a beautiful little girl

Liancheng Yazhi introduced Gu Hesheng to Xu Lao. "Elder Wei, this is my father-in-law."

Even Gu Hesheng was only a junior in front of Elder Wei. He quickly said, "Hello, Elder Wei. I'm Gu Hesheng."

Facing an elder who had also made great contributions to the country and had even influenced an entire era, Gu Hesheng was very respectful, much more respectful than Liancheng Yazhi.

Old Man Wei looked at Gu Hesheng and laughed. "Hello, I know you. You're quite good at looking at old things. Do you think it's hard to be Liancheng's father-in-law?"

Gu Hesheng laughed. "It's a good thing that Yingluo doesn't have to work too hard. Liancheng's a good person and he's good to his family."

Gu Hesheng was really satisfied with Liancheng Yazhi. As a father, he only had one requirement for his son-in-law, and that was to treat his daughter well. On this point, Liancheng Yazhi's actions were impeccable.

Old man Wei squinted at Liancheng Yazhi in surprise. In his memory,

Liancheng Yazhi still looked like him when he was in school with Kang Yu.

At that time, the few boys were particularly good at causing trouble. They were eager to see the world in chaos, and each of them was full of bad ideas. "Really?" elder Wei asked. It seems that this kid has grown up and knows how to behave. In the past, he would always look down on everyone." Liancheng Yazhi smiled. "you don't have to expose me. let's go in first."

"Sure, let's go in and see what your house looks like," elder Wei laughed.

They all knew why the old man had come, but no one said anything. They still looked happy and harmonious.

Lian Cheng Yazhi led elder Wei into the house. Rong Yan didn't go upstairs and was playing with MeowMeow.

When Rong Yan saw old man Wei come in, she immediately recalled the scenes she often saw on the news when she was young.

At that time, she felt that this old man was an unattainable figure. She really didn't expect to see him up close one day.

Rong Yan wanted to stand up, but Liancheng Yazhi quickly jogged over and helped her up. He introduced her to old man Wei, " "Old man Wei, this is my wife."

He said it very casually, using the word 'wife' instead of formal words like 'Madam, wife, lover'. This way, it would sound familiar and casual to the other party.

Rong Yan bowed slightly to old man Wei, "Hello."

Old man Wei smiled kindly at Rong Yan. Liancheng, you're blessed. Not bad, not bad. It looks like the child is about to be born.

"Yes, the expected date of delivery is next month." Rong Yan nodded.

"Daddy, who is this old man?"

Liancheng Yazhi picked up MeowMeow and proudly showed it off to old man Wei, " "Old man Wei, this is my daughter,

He pinched meowmeowmeowmeowmeow's face and said, "meowmeowmeowmeow, call me old grandpa." oh my! old man Wei's eyes lit up when he saw

The people who saw it really wanted to carry it into their own homes.

Old man Wei's face bloomed into a smile when he heard that. He said joyfully, " Aiya, Yingluo, look. What a cute little girl. It would be great if we had such a baby in our family.

old man wei looked at meowmeow and then at rong yan's second child, who was about to be born. he immediately remembered that kang yu had not found his wife yet.

The difference between them made him sigh. I don't know if I'll be able to see that Rascal give birth to a grandchild for me in my lifetime..

Chapter 1964: you can do it, but not this one

A faint smile flashed in Liancheng Yazhi's eyes. The old man had already started.

However, he didn't reply to him. Instead, he said, "Please take a seat." "I still have some tea here, please have a taste," Gu Hesheng said.

Elder Wei laughed and said, "Aiya, how can the tea leaves that you've collected be bad?" Alright, I'll try it today."

After the few of them sat down, Gu Hesheng took out his good tea and placed it on the tea set, making a cup of tea for old man Wei himself.

Gu Hesheng personally picked up a small and exquisite teacup and brought it to elder Wei, "Please have a taste."

"I'll try it," elder Wei took it and said with a smile.

After taking a bite, he nodded. mm, not bad, Yingying, not bad. It's a good tea. The soup is clear and the taste is rich. Very good. It's already very good that we can get this kind of tea now.

After old man Wei sat down, he discussed the art of tea with Gu Hesheng for a while, then talked about antiques and the like. He even hugged MeowMeow and talked for a long time. In short, he did not mention Kang Zhen, and

Liancheng Yazhi did not even mention a word.

dozens of minutes passed, but the conversation was very harmonious, and laughter continued.

Rong Yan glanced at Liancheng Yazhi, who smiled gently at her and patted her hand to comfort her.

Even if Kang Zhen's grandfather came, this was his home. It would be useless for him to do anything.

Besides, the old man only brought one person with him today, so it was obvious that he came in his own name, so there was nothing for Yingying to worry about.

Seeing that it was already late, elder Wei patted MeowMeow's head and said, '

"Aiya, it's getting late. Liancheng, you can send me out."

Liancheng Yazhi glanced at Rong Yan and smiled. 'Look, she's here.'

"Sure, I'll send you out." Liancheng Yazhi stood up.

"you brat," elder wei chided him, "you look so reluctant. come and help me. '

Liancheng Yazhi said to him, "look at what you're saying. How am I unwilling? it must be that you're old and your eyes are not good.

The person behind old man Wei wiped the sweat off his forehead. He actually dared to say that old man Wei's eyesight was bad due to his old age.

Liancheng Yazhi walked over to help old man Wei up. After he stood up, he smiled at MeowMeow and said,

Is it fun?"

"Yes, it's beautiful and fun." Elder Wei nodded.

it's a deal then. Let's make a pinky promise. old man Wei reached out his hand childishly and made a formal pinky promise with MeowMeow.

The old man and the young man were making a serious pinky promise, which made people unable to help laughing.

After that, Liancheng Yazhi helped old man Wei out and did not let anyone else come out.

After they left, elder Wei said to Liancheng Yazhi, "Kid, take me to Kang Yu."

Liancheng Yazhi didn't move. He smiled and said, "old Wei, what identity do you have to visit him? "

Elder Wei glared at him. kid, you're still trying to beat around the bush. What do you mean? "

Liancheng Yazhi had an innocent look on his face. I'm not being bureaucratic. I'm asking very seriously.

Old man Wei was so angry that he lifted his foot to help Liancheng Yazhi, but he was dodged by him. He said angrily, "Brat, can't I go and see my own grandson?"

This meant that he was visiting Kang Yu as his grandfather and not representing the government.

Liancheng Yazhi nodded. yes, of course. Please follow me. But ran ran, you can't..

Chapter 1965: i will not let anyone take him away

how can I do that? "the man quickly said. I have to follow old man Wei.

Without waiting for Liancheng Yazhi to speak, old man Wei waved his hand. "I'm fine. What can this little rascal do to me? you can go out first and wait for me in the car."

That person had a difficult expression, "but Yingluo." leave! elder Wei's face turned cold. don't waste any more time.

It was still fine when he was smiling, but when he wasn't smiling, it instantly made people feel pressure. It was a great pressure, making people unable to lift their heads and dare not say anything.

"Yes, sir," old man Wei's Lackey quickly replied.

Then, he quickly left the courtyard.

"Are you satisfied now?" asked old man Wei. "I'm satisfied," he nodded.

"Then hurry up and leave," elder Wei kicked him.

Liancheng Yazhi did not dodge this time. After all, old man Wei did not really kick him lightly.

He helped Mr. Wei to Natsume's laboratory and asked Natsume to open the second door.

After entering, Liancheng Yazhi brought old man Wei to Kang Yu. “Elder Wei, Kang Yu is here. You can take a look at him. Natsume said that he’s about to wake up.”

Elder Wei’s eyes reddened when he saw Kang Xi lying there motionless with her eyes closed. how did this happen? ”

This was his most beloved grandson. He treated everyone in the Wei family equally, but he doted on his God-grandson.

Because he always felt that Kang Yu had his shadow in him. He was very much like him when he was young. He was born to command thousands of troops and horses, a talent for commanding generals on the battlefield.

How could the old man not feel sad when he saw his grandson, who he had watched grow up, in this state?

Liancheng Yazhi touched his nose. you’ll have to ask the people who sent him on the mission. But he’s fine now. Natsume has improved his physical condition a lot. When we first brought him back, his body temperature and breathing were very low, and his body was almost stiff.

After all, elderly man Wei had been on the battlefield for a long time and had experienced many storms. Although he felt sad, he quickly calmed down and said to Liancheng Yazhi, ” “Liancheng, I’m very grateful that you brought Kang Xi back. I want to take him away. I want to find the best doctor in the country to treat him.”

Liancheng Yazhi shook his head without even thinking. “Elder Wei, I’m sorry.

Please allow me to be presumptuous in front of you. You can’t take him away. Mu weibai and I will bring Kang Yu back to the country. Before he wakes up, I won’t let anyone take him away, including you.”

Old man Wei’s face darkened. I won’t hand Kang Zhen over to someone else. I

will cure him. I can find the best doctor and the best medical conditions for him. It’s better than staying here.

Natsume rolled his eyes. What was wrong with him?

He felt that his place was very high and mighty.

Liancheng Yazhi smiled. He could understand old man Wei’s affection for his son, but he was willing to let old man Wei come to see Kang Rong because he was Kang Rong’s grandfather and respected him. If it was someone else, he would not have let him step into the Lian Cheng family.

Liancheng Yazhi pointed at Natsume and said, ” old man Wei, please believe me. No one is better than Natsume. He’s the best doctor. If it was someone else, Kang Yu would not be able to be saved. I believe that only he can wake Kang Yu up.

Natsume immediately lifted his chin like a proud rooster.

See, Lianchenz Yazhi had good taste!

Chapter 1966: hold on to me tightly and don’t let go

Old man Wei was so angry that he wanted to beat someone up, but he was old after all. Once he got angry, his blood pressure would rise. He knew that since Liancheng Yazhi said this, he really couldn't take him away. It was useless to say anything more.

on one hand, old man wei was happy for kang yu to have a brother like liancheng yazhi, but on the other hand, he felt that liancheng yazhi was really infuriating.

He stood up for a while and asked, "you, Qianqian, tell me the truth. Why is

Kang Yu like this? what injury did he get?" Liancheng Yazhi glanced at Kang Yu and sighed. "He's not injured."

"If it's not an injury, is it poison?" asked elder Wei.

"Poisoned? It seems that Yingying is also one of them." Being injected with a drug that was harmful to the body and was very likely to kill people, what was it if not poison?

Old man Wei was even more confused and asked, "considered?" What do you mean? explain yourself."

I can tell you, " Liancheng Yazhi said. but please promise not to tell anyone.

Old man Wei was so angry with Liancheng Yazhi that he was about to faint. you Rascal, you're still telling me this? I promise you that I won't tell anyone. Hurry up and tell me. I promise not to tell anyone.

Liancheng Yazhi smiled, then his expression turned serious. Kang Zhen wasn't injured. He was injected with a drug that can cause genetic recombination. This drug is very potent. Nine out of ten people who are injected with it will die. Fortunately, Natsume has studied biomedical science before. With him around, coupled with Kang Zhen's strong physical fitness and perseverance, we have been able to persist until now.

Old man Wei's body shook a few times, "so that's what ran ran is like. No wonder ran ran.

Liancheng Yazhi quickly helped old man Wei to sit down. you don't have to worry. Kang Rong's condition is much better now. In the near future, Natsume will do his best to wake him up.

He wanted to say that he would wake up soon, but he decided against it.

Although old man Wei was worried, he knew that Liancheng Yazhi would not let him take her away, so he looked at Kang Zhen for a while more before leaving.

After he left the laboratory, he said to Liancheng Yazhi, " "I thought you were more mature than when you were young. I didn't expect you to be so arrogant."

Liancheng Yazhi laughed. thank you for your sincere evaluation. This means that I'm still young. It's just that, Wanwan, you seem to have aged.

Old man Wei laughed out of anger,"you, Yingluo!"

Liancheng Yazhi sent old man Wei to the door and watched him get into the car. He said very respectfully, " "Take care!"

elder wei waved his hand. " that's enough. you can go back now. i know you don't like me. "

Liancheng Yazhi smiled. what are you saying? I wouldn't dare.

After watching the car leave, Liancheng Yazhi went back.

In the car, old man Wei's follower asked, "Old man Wei is urging young master Kang to urge him to do something!"

Old man Wei sat in the back seat and closed his eyes, "I'm already an old bag of bones. It's time for me to rest. Kang Yu is doing well in the Lian family. This is all I can ask. Go back and tell them that this matter is over. We'll wait for Kang Yu to wake up and see what he wants.

[in response to everyone's request, I'll write a simple paragraph and look for a
Side Story.]

MO xunxun learned how to cook and almost set the small bamboo house on fire. The back of her hand was also burnt.

With red eyes, she stood in front of Jian Yi like a primary school student who had walked the wrong way and whispered, "I just wanted Yingluo to help you cook.

jian yi caressed her delicate hands. "you only need to hold me tightly with your hands. don't do anything else.. "

Chapter 1967: they didn't dare to go against the old master's wishes

Liancheng Yazhi returned to the living room and sat next to Rong Yan. "you've sent elder wei away?

Liancheng Yazhi picked up a glass of water for Rong Yan and brought it to her lips to feed her. "Yes, I sent him off. Before I left, I brought him to see Kang Yu." rong yan was a little surprised. He didn't say anything about taking Kang Xi away?

Liancheng Yazhi laughed, and his laughter was a little devious. "Can you not say it? However, if I don't let him take it away, what can he do even if he gets angry? In the end, I'll still be the one to send him away!"

Rong Yan was amused by Liancheng Yazhi's expression and laughed. "Then what is Yingluo's purpose in coming here this time? is it a private act or is it for Yingluo?"

Liancheng Yazhi pinched her nose. silly girl. For someone who has reached such a high position in power and status, it doesn't matter whether his actions are for personal or public reasons. It's impossible to distinguish what he represents.

if old man wei wanted to take kang Zhen away by force, liancheng yazhi would really be in trouble.

after all, this was kang zhen's grandfather and he was a very respectable old man. if he used his power, liancheng yazhi might really have to watch kang Zhen be taken away.

Fortunately, the old man didn't force it. Perhaps he also felt that it was best to stay here before Kang Xi woke up.

"Will the people from that side still send people over after old man Wei goes back this time?" Rong Yan asked Liancheng Yazhi.

Liancheng Yazhi shook his head. at least not for the time being, but after all, the old man is now in power and has retired from the top. No matter how influential he is, he may not be able to decide the overall situation. However, the current situation is not chaotic, and the old man's contributions are still there. They don't dare to go against the old man's will too much, so their best choice is to wait for the time being and take action after a while.

Rong Yan heaved a sigh of relief. Oh, is that so? ran ran, it's best if we can wait until Kang Yu wakes up before they make a move.

the two of them were talking when the doorbell rang again.

They were very surprised. Why was there another person?

could it be that those people couldn't hold themselves back after elderly man wei left? if that was the case, they didn't put elderly man wei in their eyes.

Caretaker li quickly went to open the door, but he came back soon with a package in his hand.

Caretaker Li's face was a little dazed. She said to Liancheng Yazhi, " "Young master, someone sent you a parcel?"

Liancheng Yazhi's expression instantly relaxed. So it was an express delivery. He knew that no matter how bold those people were, they wouldn't be so disrespectful to old man Wei, a veteran.

Liancheng Yazhi asked Butler li. Oh? who's it? mine? "

Caretaker li shook his head, "it's not Yingluo."

"my wife's?" liancheng yazhi looked at rong yan.

Butler li continued to shake his head.

Rong Yan was puzzled. It was neither Liancheng Yazhi's nor hers. then who does it belong to? "

Butler li still shook his head.

liancheng yazhi had run out of patience and said, " "Tell me, whose is it?" Caretaker li took a look at the name on it. "It's miss Wanwan's." Rong Yan and Liancheng Yazhi said in unison, "what Yingluo?"

"Yes, it's for the young miss," Butler li repeated.

The two of them looked at each other and saw the surprise in each other's eyes. Liancheng Yazhi quickly took the package from the Butler and opened it quickly.

It had a layer of plastic on the outside and a hard box on the inside. It was square and about 30 centimeters tall. When he opened the box, he saw an exquisite ivory heart-shaped jewelry box..

Chapter 1968: angelic eyes

Liancheng Yazhi took out the jewelry box but didn't open it immediately. Instead, he glanced at Rong Yan.

"Open it and take a look." Rong Yan pushed his arm.

The two of them were really puzzled. Who would send
“then i’ll open the kasaya,” liancheng yazhi said.

“Yes, open it.” Rong Yan nodded.

Liancheng Yazhi slowly opened it, and the moment he opened it, there was a bright light in front of him.

After a while, when the light faded a little, Rong Yan and Liancheng Yazhi could finally see what was in the jewelry box.

It was a whole blue gem, in the shape of a drop of water, as big as MeowMeow’s fist. It was cut exquisitely, and every small section reflected a dazzling light. When you looked at it carefully, it was as if you could see an endless blue sea, and there seemed to be seawater flowing inside the gem.

At first glance, this huge gem looked good, but it was not stunning. However, if you looked at it carefully, you would find it more and more charming, as if it had a spirit of its own. It made people who looked at it want to keep it for themselves and not let others get it again.

However, was it really a good idea to send such a rare and priceless gem by express delivery? wasn’t he too assured and taking this too lightly?

Did he really think that the gemstone was made of plastic?

Liancheng Yazhi slowly closed the box and turned to look at Rong Yan.

The two of them had a complicated look in their eyes. This Kasaya was for MeowMeow. This Kasaya was too shocking, right?

Rong Yan took a deep breath. let’s see who sent the express delivery. What’s the address? ”

Liancheng Yazhi glanced at it. there’s no sender or address. There’s nothing.

gu hesheng put on his glasses and said to liancheng yazhi, ” “Come, let me see.” Liancheng Yazhi quickly passed the gemstone to Gu Hesheng.

After all, Gu Hesheng was a professional appraiser, so he was naturally involved in jewelry. He put on white gloves and slowly picked up the heavy gems, and looked at them with a magnifying glass for a while.

After a few minutes, Gu Hesheng put down the magnifying glass, with a look of surprise on his face. He said to them, ” if I’m not wrong, this gemstone is the legendary ‘angel’s eye’.

Liancheng Yazhi was surprised. He lowered his head and looked at it for a while. He knew a little about this legendary angel’s eye.

It was said that if one wore this, they would forever be blessed by an Angel and could live a blessed life.

It was mined about 50 years ago and shocked the world when it appeared.

however, it disappeared not long after. later, there were rumors, but no one had ever seen its ‘true appearance’.

Now that this legendary gem had appeared in his own home, it really made him feel a little overwhelmed and even a little horrified.

Rong Yan felt uneasy. He said, "let's put this gem away first. When we find the person who sent it, we'll return it to him. MeowMeow can't take this."

Liancheng Yazhi nodded. alright. I'll listen to you. Put it down first.

This sudden express delivery made everyone feel uncomfortable. There was no other reason. This gift was for

liancheng yazhi and rong yan already had an answer in their hearts, but neither of them wanted to admit it.

There were some things and some people that were better left unsaid. They decided not to let MeowMeow see the gift for the time being..

Chapter 1969: The mysterious kid

At night, when only Liancheng Yazhi and his wife were left, the lights were turned off. The two of them were very silent and no one spoke.

Rong Yan couldn't sleep and wanted to turn over, but her body was very heavy, so it was particularly difficult to turn over. Liancheng Yazhi reached out and gently patted his back. "You can't sleep?"

"Aren't you the same?" Rong Yan said.

Then, the two of them sighed at the same time.

In the dark, they looked at each other for a while, and then said in unison,

“Meow meow meow meow meow”

Rong Yan sighed again, “meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow.”

Liancheng Yazhi pulled her into his arms and said, “This has nothing to do with meowmeowmeow, the key is Yingluo.” the key was the mysterious kid-tyr!

What was he trying to do?

Very few people would send things to MeowMeow from abroad, although it might be someone else.

However, their first reaction was that it was definitely Tyr without any hesitation.

When she woke up this morning and heard meowmeowmeowmeowmeow say ‘Tyr’, Rong Yan felt uncomfortable.

But after thinking about it, it was nothing. They wouldn't meet anyway, so it was understandable.

But now, he had sent a gift to his house, and it was such a rare and precious gem.

That precious stone was now pressing down on their hearts. It was so heavy that it made them feel very uncomfortable.

Rong Yan finally couldn't help but ask, "what do you think he's planning?" Why did you give this to MeowMeow?"

At first, they thought that they wouldn't have time to see each other again after they were separated. Children were young and forgetful. After a few years, they would grow up and have new playmates in school. They would forget about each other.

However, the current situation really made them very worried.

Liancheng Yazhi comforted Rong Yan. it doesn't matter. Since he didn't write the address and the name of the sender, we'll just pretend that we don't know. In the future, we'll block all gifts for MeowMeow in advance and not let him see them.

Rong Yan nodded. Although this method wasn't very good, at least it wasn't a good thing to completely wipe out MeowMeow's right to know, but this was the only way for now.

Liancheng Yazhi gently kissed Rong Yan's forehead. "okay, go to sleep. don't worry. actually, yingluo is fine. as long as we protect meowmeow, he won't have a chance. it's still a little difficult for him to extend his hands to china.

"En, Yingluo."

After a while, Rong Yan still couldn't fall asleep. She discussed with Liancheng Yazhi, "hubby, I was thinking that when

Liancheng Yazhi nodded. sure, that's not a bad idea. Ran ran and the others can get married early and have children early. We don't have to do anything and can take care of our little grandson.

Liancheng Yazhi recalled old man Wei's heartache when he saw Kang Yu today and couldn't help but feel a little emotional.

Rong Yan laughed at Liancheng Yazhi's words. sure, Zhenzhen.

The two of them were in a better mood as they talked. They both thought that as long as their daughter was married, everything else would be fine.

However, Liancheng Yazhi had forgotten one thing. There were always some people who were too paranoid in this world, just like him..

Chapter 1970: all lies

If the second time he saw Rong Yan, she had a child and was already married, would he be able to let her go?

No, he would never. Not only would he not let go, but he would also use all means to get Rong Yan back.

Overbearing men always had a beast living in their hearts. The woman they liked was their prey for life, a prey that they could never escape from.

it was just like the simplicity and inscrutability of the present.

Even though mo xunxun was the one who had taken the initiative to throw herself into his arms and was willing to follow him foolishly.

But would this change the simple nature of the game?

No, since mo Xun had entered his territory, he was his. From head to toe, every strand of hair on mo Xun's body was his.

It did not matter whether mo xunxun would regret it one day in the future. Since he had accepted her into his life so easily, it meant that he had entered another 'cage' that he had set for her. It was absolutely impossible for her to get out.

However, to mo xunxun, she liked the simple cage that was set up for her. The name of the cage was 'happiness'.

He could be overbearing, brutal, or chauvinistic, but all of these could actually complement mo xunxun's shortcomings.

He gave her safety, gave her strong arms, and let her rely on him.

The two of them complemented each other when they were together.

Since a man like him had agreed to accept mo xunxun, he would never give her the slightest chance to leave.

In some ways, he was actually the same as Liancheng Yazhi. It was just that people would often think of others and forget their own temper.

The appearance of the angel's eye caused the Liancheng family to be shrouded in dark clouds for several days. However, for many consecutive days after that, the house was very quiet. No one came to disturb them, and there were no more express deliveries or gifts.

only then did liancheng yazhi and rong yan gradually relax. they told each other that perhaps wanwan was just acting on a whim and wouldn't do it again in the future.

Although this felt like a bit of bullying, he had to live on. He couldn't be troubled every day because of this.

Two things had happened in the past few days. One made Liancheng Yazhi happy, and the other gave him a headache.

it was a headache. secretary Zhou called him early in the morning to complain.

Once the call went through, Secretary Zhou quickly said, "young master ya, mo zhongkai is now making a fuss about coming back. The hospital abroad can't hold him back anymore and can't wait to give him a tranquilizer. The doctor in the hospital even suspects that he has a mental illness and said that they would consider transferring him to the psychiatry department for treatment.

liancheng yazhi immediately sighed and rubbed his forehead. he knew that mo zhongkai would not let it go so easily.

MO zhongkai was a sis-con!

As expected, sis-con ... And whatnot were the most annoying.

Liancheng Yazhi said to Secretary Zhou, "give him a call and comfort him." &Nbsp;

Secretary Zhou said with a bitter face,"ah? I've already talked to him on the phone and MO zhongkai scolded me badly, saying that we didn't keep our word.

We agreed to send our family out, but in the end, his sister was lost.”

If mo zhongkai was so easy to appease, he would not have called Liancheng Yazhi.

A few days ago, he had also spoken to mo zhongkai on the phone. He had indeed appeased him for two days, but now, he did not believe his words and said that everything he said was ‘nonsense’ to deceive people..
