

Permit Me 1971

Chapter 1971: You I re satisfied, 1 1 m not

Liancheng Yazhi's head hurt even more when he heard this. "just tell him that it has nothing to do with us. his sister ran away on her own. we can't control her feet." secretary Zhou felt wronged. " i told him. i told him very seriously that when our people went to pick her up, his sister was no longer around. however, he didn't believe me. he said that his sister would never do such a thing. he also said that the email was fake and that we made it up. '

However, mo zhongkai had guessed correctly. That email was really made up by Secretary Zhou himself.

Liancheng Yazhi gritted his teeth in anger, "then tell him about ran ran."

What was he saying? What could be said had already been said, what else could be said?

Secretary Zhou was at a loss and asked, "young master ya, what are you going to say? you can't tell him that his sister eloped with master Jian, right?" Just now, we received a call from the hospital. MO zhongkai sneaked out of the hospital ten minutes ago and was caught by them. Now, Hanhan has really been injected with tranquilizer. They think that mo zhongkai really has some mental problems and are planning to do a check on him."

liancheng yazhi's head hurt even more when he heard that. he paced back and forth in the room but still could not think of a better solution. he could not help but curse, " "Jian Jie is Living a Good Life now. He's throwing all the trouble to me." mo zhongkai definitely could not come back now. although the military was no longer watching him 24 hours a day, they had not completely given up. now, they were waiting to find his faults. if mo zhongkai came back, he would be caught immediately.

therefore, no matter what, liancheng yazhi could not let mo zhongkai come back. otherwise, if mo zhongkai were to cause such a ruckus, he would not care.

Liancheng Yazhi said, " I know about this. I'll send it out. Tell the hospital to keep a close eye on mo zhongkai. They can't let him run out.

Secretary Zhou heaved a sigh of relief when he heard that. Fortunately, young master ya didn't leave this to him. He quickly said, " "Alright, I'll inform them." after hanging up the phone, liancheng yazhi was annoyed for a while. in the end, rong yan reminded him, for example, to ask mo xunxun to call his family and let them communicate with their own family.

Liancheng Yazhi felt that this was a good idea, so he quickly made a phone call.

Why was it that the kid was living a comfortable life over there while he was here cleaning up his mess?

It was not very convenient for him to make a simple call, so Liancheng Yazhi had to call a few times before the call got through.

Hello, ran ran. Liancheng Yazhi's tone was not very good when he spoke.

Jian Jie could hear that Liancheng Yazhi was angry, and he asked unhurriedly, ‘ “Is there something?” nonsense! Liancheng Yazhi said angrily. would I dare to disturb your happy life as a celestial couple? ” jian jie looked at the young girl who was arranging flowers in a small vase not far away, and the corners of his lips curled up. ” “Indeed, I’m quite satisfied with my current life.”

Liancheng Yazhi was even more unhappy when he heard this. you’re satisfied, but I’m not. Let me tell you, your brother-in-law can’t hold it in anymore. He’s causing a ruckus every day and even ran out of the hospital once today. Now that he’s been injected with a tranquilizer, the doctors there suspect that he’s mentally ill. Let me tell you, I can’t cover up your mess anymore. What do you think I should do, Wanwan? ”

After Liancheng Yazhi roared, there was no response from the other end of the phone. He frowned.. Was the signal cut off?

Chapter 1972: Her eyes were filled with complete attachment to him

“hey, jian jie, did you hear what i said?” liancheng yazhi asked.

After a short while, he said, ” ‘Yes, Yingluo is listening, Yingluo.”

When Liancheng Yazhi heard this, he knew that this guy must have been distracted just now. He immediately got angry and scolded, ” “Your father’s hair is turning white from all the anxiety, and you still dare to be absent-minded.”

Hearing Liancheng Yazhi so angry, Jian Jie was in a good mood. really? I’ve been listening. ” liancheng yazhi was so angry that his virtue was childish, and he actually said,

Then what did I just say? repeat it word for word.” simplified: ‘

The other side was silent again. Liancheng Yazhi knew that this bastard must have not heard everything just now and did not know what good things he was doing.

Liancheng Yazhi said, ” see? I told you that you didn’t listen. I don’t care. Tell me what you plan to do now.

he extended his hand to mo xunxun, and she smiled happily. she then jogged over and pounced into his arms like a little bird.

He simply picked her up, turned around, and returned to the bamboo house. He laid down on the bamboo chair with his arms around her, his fingers slowly stroking mo xunxun’s slender waist.

you called me, “he said to Liancheng Yazhi. didn’t you already have an idea?”

Liancheng Yazhi did not say anything else and said directly, ” Yingluo, get mo xunxun to call his family. If she doesn’t want anything to happen to his family, it’s best to convince her brother who has a sister complex to behave himself overseas and stop thinking about returning. If mo zhongkai returns, he will only be dead.

Jian Jie also knew that Liancheng Yazhi probably couldn’t handle mo zhongkai’s disturbance, otherwise, he wouldn’t have come to him.

this was his business. he was not an irresponsible man.

Therefore, he accepted it without much hesitation.

“Okay, I’ll talk to her. Give me mo zhongkai’s contact information,” Jian Yi said.

lian Cheng yazhi nodded. ” alright, i’ll send it to you in a while. i’ll leave mo zhongkai’s matter to you guys. you can settle it yourself. ”

Oh, tell mo xunxun that if she can’t appease her brother, there are only two outcomes for mo zhongkai. First, he didn’t run back to the country and was locked up by the doctor for being mentally ill. Second, he will be arrested when he returns to the country.

He lowered his head to look at mo xunxun. She was lying on his chest, and her eyes were filled with complete attachment to him. Her small face was a little ruddy compared to when she had first arrived. Her eyes were moist, and she looked like a little woman who was immersed in love. She was happy and charming, and she was very dazzling.

In this primitive forest, among this group of Savage mercenaries, she was the most dazzling flower.

fortunately, mo xunxun had been simply picked up in his hand. if it had been anyone else, she would have been crushed into mud by brute force.

He reached out and gently caressed mo xunxun’s cheek. What Lian Cheng Yazhi had said was a little scary. It was not like he would not tell her these things.

However, he said to Lian Cheng Yazhi, ” “Okay, I’ll tell her.”

Lian Cheng Yazhi felt a lot more relaxed now that things had been simplified.

In a good mood, he could not help but tease Jian Jie.

Lian Cheng Yazhi first asked Jian Jie with great concern, ” “How’s your body been recently?”

Jian Jie’s expression darkened, ” “It’s good,”

He already knew what Lian Cheng Yazhi was going to ask next.. This guy snorted!

Chapter 1973: Scratching in the palm, itching in the heart

Lian Cheng Yazhi sighed. it should be pretty good. Otherwise/you’re really terrible. You don’t have to worry about anything/and you’re having fun again. The key is that you can have/few years of ‘sex’. How good would it be if there weren’t any children disturbing you in these few years/unlike me, our second son will only be born next month. Newborn children are the most difficult to serve. Just thinking about it makes me feel/little pained.

Lian Cheng Yazhi’s words were a little cheap. He kept saying that children were hard to serve and that it was painful just thinking about it.

However, no matter how one looked at it, his tone was telling others that he had a son and that he was very proud. Even if he was in pain, he was very happy.

Simplistically exploded in an instant. He gritted his teeth and said, “Lian Cheng

Yazhi!”

Liancheng Yazhi laughed out loud. haha, Yingluo, don't be angry. Your happiness is something that others can't envy. This is a good thing.

Simplified:

lian Cheng yazhi did not care if jian jie was angry or not and continued, "I'm telling you, Qianqian, there's enough time now. You should touch the gun less. When mo xunxun is really pregnant in the future, you'll have more time to touch the gun than Qianqian.

Jian Jie's face was very dark. He really felt that Liancheng Yazhi was becoming more and more nosy recently and was getting more and more annoying.

"Hey, are you listening to me?" Liancheng Yazhi asked.

MO xunxun saw that Jian Jie's fierce face looked very scary. She asked softly, "Jian Jie, what's wrong with your Kasaya?"

The soft voice made Jian Jie's expression ease. He did not say anything, but lowered his head and gently bit mo xunxun's Red lips.

MO xunxun's face turned red instantly. Although she had already had the most intimate contact with Jian an, he would still blush every time he kissed her. He would feel shy, sweet, and happy.

MO xunxun stretched out her small hand and scratched the palm of her hand. It was like a kitten's paw scratching the palm of her hand, and the itch was in her heart.

Simple is too thin rubbed her soft hair. Ever since he kept such a little fellow, his life had indeed become a lot more fun. At least, when Yingying woke up in the middle of the night every day, she would see her beautiful face in front of her instead of the dark night outside.

even if he heard the cries of wild beasts from afar, he could still face it calmly.

Jian Jie was about to speak to Liancheng Yazhi when she suddenly heard an anxious cry from the other side. "Young master ya, young master ya, wake up, wake up Yingluo!"

Jian Jie frowned. Why did this voice sound like Natsume?

For Natsume to be so anxious and even run out of the laboratory, could it be Yingluo?

"who's awake?" lian Cheng yazhi asked from the other end.

Natsume gasped for breath. young master ya, it's Kang Chen. He's awake. Yingluo, it's Kang Chen. He's awake.

These words were simple and easy to hear. When he heard this, he hugged mo xunxun and sat up.

Just as he was about to ask, Liancheng Yazhi immediately said, "jian jie, i can't talk to you anymore. kang yu has woken up. i'm going to go and take a look."

Before he could ask a simple question, Liancheng Yazhi hung up and ran away.

MO xunxun noticed that Jian Jie's expression did not look too good. She asked in a low voice, "Simple? what's wrong? did yingluo get into trouble?"

"I'm fine." She simply pinched his little face.

he recalled what Liancheng yazhi had said about Mo Zhongkai and said to Mo Xunxun, "You should give Mo Zhongkai a call."

Mo Xunxun was stunned for a moment and said, "ah Yingluo."

"Just now, Liancheng was looking for me because of this." He simply scratched her nose..

Chapter 1974: I don't want to be separated from you

"What's wrong with my brother?" Mo Xunxun asked nervously.

She simply told her, "your brother is being treated in a hospital abroad, but he has been making a fuss about coming back to look for you. He almost ran out today. He has not recovered from his injuries and it is no longer appropriate for him to return to the country. Therefore, Liancheng wants you to call us to let us know that he is safe and to appease your family.

Mo Xunxun suddenly smiled sweetly. She raised her leg and kissed the simple chin.

"This is the first time you've talked to me the most," she said with a smile. A simple hand grabbed Mo Xunxun's waist and said in a low voice, "Is that

the two of them were very close to each other, and they could already feel the heat from each other's bodies. Mo Xunxun blushed and nodded. yup, Yingluo is real. Whenever you talk to me, you always say that Yingluo is very simple. Most of the time, it's just a simple word.

Jian Jie slowly curled the corners of his lips. He had never been good with words. If one day he became like Liancheng Yazhi, a person who could use his glib tongue at any time, that would be quite terrifying.

Jian Jie patted Mo Xunxun's back. go and make a call. There's a phone number here.

Mo Xunxun bit her lips and whispered, "Can I call them later? I have to think about how to tell them."

"Don't think about anything else, just tell me the truth," Jian Jie told him.

Mo Xunxun was very surprised. "ah, qianqian, tell me the truth. what if, what if qianqian comes over to me? "

"It's fine. He can come over anytime he wants."

Mo Xunxun's face darkened. She lowered her head and said, "but i don't want to be separated from you!"

He lifted Mo Xunxun's chin with his simple, long, and powerful fingers and lifted her small face. "You think I'll let you leave?"

she knew that Mo Zhongkai would never allow her to be with Jian An. if he knew about it, he would definitely rush over to take her away.

his simple fingers exerted some force and lifted Mo Xunxun's face higher so that she could look into his eyes.

“whether he comes or not, he won’t be able to take you away,” she said to him word by word.

Looking at the simple pair of eyes that could control everything, she instantly smiled and threw herself into his arms, saying happily, ” “En, I believe you.”

“Go, make the call.”

MO xunxun nodded her head hard. yes, Xuxu.

Jian Jie watched as mo xunxun held the phone and called mo zhongkai nervously.

He stood there and watched, taking in mo xunxun’s every expression and every little action.

In her simple mind, she was thinking about what Liancheng Yazhi had said at the end.

now that kang yu had woken up, liancheng yazhi’s life was finally better.

At this time, Liancheng Yazhi had already run to Natsume’s laboratory as fast as he could.

The moment he entered, he shouted, “Kang Congcong! Kang Congcong!” But no one responded to him. He ran to Kang Zhen and found that his eyes were still closed.

Liancheng Yazhi’s excitement and joy instantly disappeared without a trace. He turned to Natsume and shouted, ” “Natsume, didn’t you say you were awake?” Natsume nodded vigorously. he’s really awake. I saw it all. His eyes are open.

Liancheng Yazhi looked at Kang Yu carefully. Damn it, he was still unconscious. He asked Natsume, ” “Are you sure you’re not mistaken?” I’m not mistaken, ” Natsume said, panting. I can use my head to guarantee that he’s awake.

Liancheng Yazhi frowned. is this kid pretending to be unconscious? ” he asked.

As she spoke, she reached out to pry open Kang Yu’s eyes..

Chapter 1975: 1 1 m not going out until Kang Yu wakes up

natsume quickly stopped liancheng yazhi’s hand. ” “Hey, hey, what are you doing?”

“Let me see if he’s pretending to be unconscious,” Liancheng Yazhi said very sternly.

impossible, ” natsume said coldly. ” how can he still have the mood to play this? ”

“didn’t you say he’s awake? Why is this person’s eyes still closed? are your eyes playing tricks on you?” Liancheng Yazhi had already remembered to grab Natsume’s collar, and his actions were very rough.

Natsume spread his hands. no, I’m not seeing things. I really saw it. He’s really awake. He’s really awake.

Liancheng Yazhi shook him off, his face almost touching Kang Xi’s face. then, why don’t you wake him up? ‘

Natsume sighed. it's probably because his body is still extremely weak and hasn't fully adjusted, so he hasn't fully awakened yet. Don't worry. Since he's already opened his eyes, it means that he'll wake up soon.

Liancheng Yazhi looked at Natsume with burning eyes. "How fast?" natsume shook his head. " i don't know. he might wake up in a few minutes. maybe, in two days. "

Liancheng Yazhi looked at him with disdain."Yingluo, you're not reliable at all, Yingluo"

Natsume pursed his lips. I, Hanhan, won't argue with you. Just get out of here. There's no need to come in. I'll let you know when he wakes up.

"No, I can't. I'll sit here and wait for him to wake up." Liancheng Yazhi refused to leave.

no, " Natsume refused to let him stay. I can only continue working if you leave.

Liancheng Yazhi simply sat down. no, I can't. I won't go out until Kang Yu wakes up.

In the end, Natsume was no match for Liancheng's shamelessness. In the end, he swung his arm and said,"

However, in the end, Liancheng Yazhi took the initiative to leave. After waiting for a few hours, he only saw Kang Yu's fingers move a few times, but he still did not wake up.

However, this had already confirmed what Natsume had said. Kang Yu was indeed about to wake up soon, very soon, Xuxu.

Liancheng Yazhi glanced at the time. No, it was almost time for dinner. He had been waiting here for the entire afternoon and had to hurry back.

I'll be leaving first, " Liancheng Yazhi said to Natsume. as long as Kang Rong wakes up, no matter what time it is, you must call me.

Natsume raised his chin. No. Didn't you say you were going to wait here for him to wake up? You can wait on your own."

Liancheng Yazhi shrugged his shoulders. but I'm hungry. Besides, accompanying my wife is more important than accompanying this guy. You can stay here and watch. I'm leaving.

[Natsume yoshinata]

Liancheng Yazhi took one last look at Kang Yu. His eyes were still tightly closed.

As soon as Liancheng Yazhi entered, Rong Yan quickly asked him, " "What's wrong? did kang yu really wake up?"

Liancheng Yazhi's expression was very relaxed. He walked over and sat next to Rong Yan. He directly picked up her teacup and drank all the water in it in one breath.

"He woke up a little, but I didn't see him," she said.

Liancheng Yazhi was in a good mood. He hugged Rong Yan and kissed her cheek. "When Natsume saw that Kang Yu had woken up, she called me over. But when I ran over, Kang Yu had fallen

unconscious again. I stayed there for the entire afternoon and didn't see him wake up. However, during this time, his fingers moved a little. It seems like he will wake up soon." Rong Yan heaved a sigh of relief.. That's good, that's good Yingying!"

Chapter 1976: What have you done to my sister?

Liancheng Yazhi hugged Rong Yan and shook her a few times. I guess he'll be here in the next two days. When he wakes up, I'll throw him out and he'll clean up his own troubles.

"What about mo zhongkai?" Rong Yan smiled.

Liancheng Yazhi touched his chin. this ... It should have been solved. I told Jian an to tell mo xunxun and ask her to call mo zhongkai to comfort him.

He then said, "Yingying should be fine now, right?" Secretary Zhou didn't call me to complain, so I guess mo zhongkai's matter has been resolved." Rong Yan nodded. that's good. It's best if he can settle down.

The two assassins were glad that mo zhongkai had finally been appeased by mo xunxun.

However, they did not know what it was like when mo xunxun told mo zhongkai about it.

When mo zhongkai heard that mo xunxun was with Jian an, he was so agitated that he almost kicked the doctor Who had been in his room down the stairs. he was fuming with anger.

His sister, who had always been obedient, sensible, innocent, and kind, was actually with a mercenary leader who had killed so many people. How could he accept this? no, it should be said that he could not accept it. He could not accept it for the rest of his life.

Even though mo xunxun had told mo zhongkai that she had taken the initiative to go with Jian Yi, mo zhongkai did not believe her.

He felt that his timid little sister had definitely done something like that. It must have been this big Qin beast that had abducted his little sister.

And that bastard, Liancheng Yazhi. He must have brought his sister to Jian Jie. These two people were too despicable and too much.

MO zhongkai's heart was filled with all kinds of anger and hatred.

Especially when mo xunxun said to him, " brother Qianqian, I know that you, father, and mother Love me very much. Please forgive my willfulness. I really like simplicity. I also like the life I have now. So, I beg you to love me one last time. Can you let me be selfish just this once? " Agree with my decision to go out, I want to be with Jian Jie."

Upon hearing this, mo zhongkai thought, " f * ck, that b * stard has brainwashed my sister.

Otherwise, how could xunxun say such words?

she must have been brainwashed. otherwise, xunxun wouldn't have been able to remember at all.

MO zhongkai turned to mo xunxun and said, " xunxun, listen to me. Don't be bewitched by simplicity. You're not suitable for it. Come back and I'll definitely find you a better man, Qianqian.

MO xunxun's eyes turned red. She mustered her courage and said, "Brother, even if it's better, I don't like it! I really like simplicity."

When Jian Jie heard mo xunxun say that she liked him the most, the corners of his lips slowly moved.

He snatched the phone from mo xunxun's hand and said, "go and wipe your tears. I'll talk to him later."

MO xunxun bit her lip and nodded, but she did not move.

He simply picked up the phone and put it to his ear, "Hello, Yingluo."

mo zhongkai was stunned for a moment. when he heard that it was a simple voice, he immediately cursed, "Jian Jie, you still fucking dare to talk to me?"

"Why wouldn't I dare?" Jian Jie said indifferently.

"You bastard, what did you do to my sister?" mo zhongkai shouted.

He simply raised his rough fingers and touched mo xunxun's soft lips, as if he was caressing a delicate flower.. He said, "It's something a man would do to a woman,"

Chapter 1977: I'll go over and kill him now

He didn't care about simple things like hiding or lying. He didn't even care about mo xunxun begging him in front of mo zhongkai in the most humble way.

Simply put, he had asked mo Xun to talk to mo zhongkai just now because he felt that he needed to let mo Xun tell her family that she was safe. This was the most basic thing.

After mo xunxun's forgiveness, the rest would be his business. He would solve all these problems.

He simply had a woman and he had an intimate relationship with mo xunxun. All of this was true. He was a man, so what he did was done. Why did he have to hide it?

Even though saying this out loud would lead to serious consequences, since he dared to do it, he dared to bear the consequences. Of course, he had the ability to bear the consequences.

So what if mo zhongkai really ran over?

Just like what he had said to Liancheng Yazhi before, he could beat mo zhongkai.

mo zhongkai's injuries were still recovering, and his left arm had been amputated. how could he be a match for him?

After Jian Jie finished his sentence, he could hear mo zhongkai's heavy breathing. Just from the sound, he could tell that mo zhongkai was about to explode.

After a while, mo zhongkai suddenly exploded. He simply heard the sound of something falling and breaking, followed by mo zhongkai's cursing.

"You're a bastard! I won't let you off! I'm telling you, if anything happens to my sister, I'll kill you! Just you wait!"

He simply lowered his head and kissed mo xunxun's lips. Then, he said with a bit of evil intention, " "Sure, I'll be waiting for you here."

What he was actually thinking in his heart was, "come on, it's useless even if you come. It will only make you more exhausted and angry."

Because I've eaten your sister clean, and Yingluo is now my woman, my simple woman.

In mo zhongkai's ears, Jian Jie's short words were already a great provocation. It was like you said I wanted to kill you and the other party said, " okay, let's see if you have the ability.

This was blatant contempt and disdain.

MO zhongkai kicked the table hard and said, " if you are a man, tell me where you are now. I will go over and kill you now.

in the past, mo zhongkai had never spoken so rudely and directly. he was almost driven crazy by the simplicity.

At this moment, mo zhongkai's doctors were going crazy. No one dared to approach him. They all stood outside the door and blocked it with their bodies, afraid that mo zhongkai would run out again. A few doctors even asked the nurses to guard the downstairs. If mo zhongkai dared to jump out of the window, they would take him down.

The doctors had already treated mo zhongkai as someone with mental problems.

however, mo zhongkai's mental state was indeed about to be tortured to the point of having problems. he had always been a standard sister complex. in the past, he had thought about what kind of husband he would find for his sister in the future, but he had never considered a simple one.

In the end, he was suddenly told that the little sister he had always taken care of was with the kind of man he didn't want her to be with the most. How could he still calm down?

His simple fingers slid across mo xunxun's face and he said, " "Alright, I'll tell you."

he simply told mo zhongkai his address and even said very kindly, " take a plane to the airport in country T's capital. I'll send someone to pick you up..

Chapter 1978: Let me out

Look, he was still very good to his brother-in-law. His service was so thoughtful and considerate. He was simply too friendly.

If it was someone else, they wouldn't need to go through so much trouble to find him.

However, when mo xunxun heard that Jian Yi was going to take mo zhongkai over, she became nervous and quickly removed the Jian Yi's hand. She looked at him with her big, watery eyes.

He simply grabbed mo xunxun's small hand and motioned for her not to move.

mo zhongkai wrote down the address and walked around the room a few times.

he said, " "Good, good, you've got balls. I'll go over now."

"Then I'll be waiting here."

MO zhongkai didn't want to talk to him anymore and immediately hung up the phone. The doctor outside saw him hanging up and immediately wanted to come over and give him a tranquilizer.

After mo zhongkai saw the sharp needles in their hands, he slowly calmed down.

He couldn't get out like this. These doctors were all thinking too much. If he forced his way out and was still caught, he had to think of another way.

After mo zhongkai calmed down, he sat down and picked up the things he had dropped with his slightly better right hand.

This action shocked the doctors and nurses, eh? That's not right. How did the person who was about to go crazy suddenly recover?

The doctors and nurses observed him from outside the door for a while and found that mo zhongkai seemed to have calmed down.

Therefore, they let down their guard a little, which gave mo zhongkai a chance. mo zhongkai took the opportunity to grab a scalpel and pointed it at his neck. then, he suddenly said to the doctors, I'm telling you, if anyone dares to stop me, I won't be polite." the doctors were so scared that they screamed.

"Oh no, don't be like this Mr. MO, put it down. Put the knife down first, Yingluo!"

I won't let you go, " mo zhongkai threatened. let me go, I have something important to do.

"But your injury hasn't recovered yet. Your arm has just started to heal," the doctors advised earnestly.

"I know my own injuries. They've already recovered," mo zhongkai said irritably.

"If you really want to be discharged, you'll have to get your parents 'approval," the doctor said helplessly.

MO zhongkai disagreed. my parents are old. They can't make decisions for me. I'll make my own decisions.

The mo family's parents had gone abroad, but they had been worried about their daughter. Their son was injured and hospitalized. The old couple's health was not very good when they were anxious.

MO zhongkai didn't want them to worry, so he let them rest at home and left him to the nurses in the hospital.

The doctor finally said, "let's give Mr. Zhou a call. If he agrees to let you leave, we'll let you go, okay?" OK?

"Then call him now, hurry up." MO zhongkai nodded.

Hence, Secretary Zhou received a call from the hospital.

secretary Zhou heard the doctor mumbling in a foreign language. although it was very fast and it was difficult to make out the words, he could still guess what he meant.

Secretary Zhou sighed. He knew that mo zhongkai would be hard to deal with. He said, "Pass the phone to him, I'll talk to him."

After the phone was passed to mo zhongkai, Secretary Zhou asked, "Are you sure you want to find master Jian?" nonsense! " mo zhongkai was furious.. " wouldn't you be worried if your sister was raped? "

Chapter 1979: Simple, good days are coming to an end

mo zhongkai had wanted to say, 'if your sister was defiled', but he thought that he couldn't. his sister was always innocent and he couldn't say that.

These were the instructions that Liancheng Yazhi had given him before. If mo zhongkai decided to go to the Jian residence after his conversation with the Jian residence, he had to ask for his permission.

In any case, he was going to the simpler place to cause trouble, not his place, so why not?

Around him, Liancheng Yazhi felt that Jian Yi's life had been so good recently that it made him jealous.

If he didn't find something for him to do, it wouldn't be right.

MO zhongkai:

Why did this Wanwan Secretary Zhou agree so quickly?

Is there another conspiracy?

It was not in line with his and Liancheng Yazhi's style to be so easy to talk to. They had always been very treacherous.

MO zhongkai could not believe it and asked, "Your Yingluo really wants me to

secretary Zhou nodded. "of course. i'll arrange a plane for you. you can take it directly to the airport in the capital of country t."

After a while, mo zhongkai asked carefully, "Is Qianqian really not being plotted against?"

secretary Zhou chuckled. "you're just thinking too much all day long. how can you have so many conspiracy theories? you're already like this. what else can we do to you? "

MO zhongkai thought about it and agreed. He was already like this, what else could he use?

"So I have to be the fastest?" he asked.

The thought of his sister being with Jian Jie made him feel terrible.

secretary Zhou nodded and said, "sure!" i'll book a plane ticket for you and arrange for someone to send you on the plane. everything will be arranged for you."

MO zhongkai was still worried and finally asked, "Are you guys serious?"

Secretary Zhou rubbed his face. I'm really not. Our young master ya doesn't have the time to care about you now.

After hanging up the phone, Secretary Zhou thought that it was better to let young master ya know, so he quickly called his boss.

“young master ya, mo zhongkai is going to settle the accounts with jian yi. i’ve booked the plane ticket for him.”

Liancheng Yazhi laughed when he heard this. you’re really fast. You’ve even booked the plane tickets. What time are you leaving?

“Tonight at 11!” Secretary Zhou chuckled.

Liancheng Yazhi clicked his tongue and sighed. that means that ran ran is going to face his brother-in-law’s anger at this time tomorrow? ” he asked. Secretary Zhou counted the time and nodded,”no, it’s almost time, Yingluo.”

Liancheng Yazhi was in a good mood. alright, you can go and make the arrangements. Inform Jian Yi not to forget to pick up his brother-in-law. Secretary Zhou replied happily,”alright, yay!”

Rong Yan and Liancheng Yazhi were already lying on the bed. He saw that after

Liancheng Yazhi hung up the phone, he had a smile on his face and asked him,

“Why are you in such a good mood?”

Liancheng Yazhi laughed for a while before saying, ” “Haha, Yingluo, I’m happy. My simple, good days are coming to an end,”

“What’s wrong?” Rong Yan asked, puzzled.

Liancheng Yazhi hugged Rong Yan and kissed her hard on the face. “MO zhongkai is going to bomb him tomorrow.”

Rong Yan’s eyes widened. Jian Jie is in trouble and you’re in such a good mood.

Do you have to be so bad-hearted? ‘

Liancheng Yazhi sighed. that kid has been living too well recently. It’s good to have some trouble. You don’t have to worry about them. MO zhongkai’s matter will have to be solved sooner or later. If it’s delayed, there will be trouble. I don’t have the ability to do so, so I can only leave it to Jian Yi..

Chapter 1980: Who’s going crazy in the middle of the night?

Liancheng Yazhi smiled at Rong Yan. however, think about mo zhongkai. He has a sister complex. Isn’t it very fun to meet such a tough opponent? ”

Rong Yan tilted her head and thought for a while, then laughed out loud.

She grabbed Liancheng Yazhi’s chest and said, ” it seems that Qianqian is really like that. It would be fun to see mo zhongkai and Jian an fight head-on. I really want to see it.

MO zhongkai must be about to go berserk. As for Jian Yi, who didn’t like to talk and only liked to use force to solve everything, sparks would definitely fly when the two of them met.

Just thinking about it made him feel that the scene must be very beautiful.

Liancheng Yazhi looked at Rong Yan's happy expression and couldn't help but kiss her. "Honey, after our son is born and you've recovered, I'll bring you to the simple house to play for a few days."

Rong Yan nodded. sure, Yingluo. I'd like to go out too.

Ever since she returned, she had been busy. Now that she was pregnant, she could not go out for nearly a year.

after being cooped up at home for so long, she really felt like going out.

liancheng yazhi also knew that ever since rong yan came back with

however, even though it had not been very peaceful, it had still been considered safe.

Liancheng Yazhi hugged Rong Yan and kissed her forehead. "baby. You've worked hard during this period."

rong yan shook her head and raised her head a little proudly. these are not considered hard work. The real hard work is during labor. Look at how I gave birth to two children for you. I've done a lot for the Liancheng family. You have to treat me well in the future, Hanhan.

liancheng yazhi smiled, and then the smile on his face faded as he said seriously, " "En, I'll definitely do it."

"A woman who risked losing her figure and beauty to bear your children after ten months of hardship and suffering. If you still want to let her down, you're really heartless."

Liancheng Yazhi patted Rong Yan's back as if he was coaxing his daughter. go to sleep. It's late. Otherwise, you'll obviously have dark circles again.

"Good, let's sleep!" Rong Yan nodded.

she lay down and closed her eyes in liancheng yazhi's arms.

Liancheng Yazhi reached out to turn off the bedside lamp and then gently hugged Rong Yan.

Not long after, the two of them fell asleep.

At four o'clock in the morning, the entire Liancheng family was silent, and Liancheng Yazhi and Rong Yan were sleeping just right.

Suddenly, a series of 'dang dang dang' knocks on the window rang out, and the two people in the bed woke up in a short while.

liancheng yazhi quickly got up and turned on the light. his expression was very ugly when he was woken up by someone. he quickly looked at rong yan, who had already rubbed her eyes and woken up in a daze.

"What's going on?" Rong Yan asked, still suffering from hysteria.

Liancheng Yazhi gently patted Rong Yan's back. "It's fine. I'll see who went crazy in the middle of the night."

Liancheng Yazhi sat up and turned on the small light at the head of the bed. Then, he walked to the window and pulled open the curtains. He saw a slender bamboo stick knocking on the window, making a clanging sound.

Liancheng Yazhi gritted his teeth. Damn it, he wanted to see who dared to come in the middle of the night to court death.

He opened the window, grabbed the top of the bamboo stick, and pulled hard. He heard a cry of pain from below.

Liancheng Yazhi lowered his head and saw a guy in a white coat lying on the ground in the middle of the night..
