

Permit Me 1981

Chapter 1981: full of charm and murderous aura

liancheng yazhi gritted his teeth. damn it, he wanted to see who dared to come in the middle of the night to court death.

He opened the window, grabbed the top of the bamboo stick, and pulled hard.

He heard a cry of pain from below. liancheng yazhi lowered his head and saw a guy in a white coat lying on the ground in the middle of the night.

Besides Natsume, there was no one else in the Lian family who could dress like this.

“Natsume, are you crazy?” Liancheng Yazhi roared.

Natsume had yet to get up when he heard Liancheng Yazhi’s voice. He immediately looked up and shouted, ” “He’s awake. He’s really awake this time, Yingluo. ”

Liancheng Yazhi didn’t hear what he said and roared, ” What do you mean you’re awake? why are you knocking on the window in the middle of the night?

Natsume got up and massaged her waist. didn’t you say that if Kang Yu woke up in the middle of the night, I should wake you up, Hanhan? ”

Liancheng Yazhi was stunned for a moment, and then he remembered that ran ran seemed to have really said that to Natsume.

“Is Kang Yu awake?” he asked after regaining his senses.

he’s awake. He’s really awake. Hurry up and come down.

This news shook Liancheng Yazhi’s heart and he immediately said, ” “Alright, I’ll go down now.”

As she spoke, she was about to jump down from the window sill when Rong Yan saw her from behind. She was shocked and quickly shouted, ” “Wait a minute, Yingluo.”

Liancheng Yazhi immediately stopped when he heard Rong Yan’s voice. He turned around and said to Rong Yan, ” Rong Yan, I’ll be back soon. I’ll be back soon.

Rong Yan was amused by him. it’s not that I don’t want you to go. I just want you to go through the door and not jump out of the window. This is the second floor.

Only then did Liancheng Yazhi react. He quickly moved his hand away from the window sill, turned around, and walked to the bed to hug Rong Yan and kiss her. “I was too excited and forgot that Yingluo made you worry. It won’t happen again.”

Rong Yan gently pushed Liancheng Yazhi’s chest and said, ” alright, let’s go. I really want to go too, but it’s getting late. Let’s go tomorrow.

Liancheng Yazhi nodded. yes, it’s late. I can’t see the road outside. You can continue to sleep. I’ll be back soon.

Liancheng Yazhi covered Rong Yan with the blanket and then got up to leave.

After leaving the room, he ran downstairs as fast as he could and rushed into the laboratory with Natsume.

Liancheng Yazhi came in front of Kang Yu and saw that he had indeed opened his eyes, but he was still lying there.

Kang Yu saw Liancheng Yazhi giving him a very faint smile and said, " "Good evening. I didn't want to wake you up in the middle of the night."

Kang Xi's spiritual assassin seemed to be in good condition. His eyes were bright. Other than losing some weight from lying down for too long, there was nothing different about him.

Yingying was still as handsome as ever. His eyes seemed to have an additional luster that they didn't have before, and they were even more profound. Under the light and music, a faint red light could be seen, making him look even more devilish.

When his eyes moved, they were full of charm and fierceness, shocking people and making them even more afraid to breathe.

No, there was still a big difference.

Why was Kang Yu still lying down and not standing or sitting up? wasn't this a little abnormal?

Liancheng Yazhi's excitement gradually calmed down after seeing the real Kang Yu wake up. He teased, stop talking nonsense. Why are you still lying down? I'm afraid my wife will be pregnant for ten months.

You only woke up when our son is almost born, why haven't you laid down enough?"

Chapter 1982: Can you bear to kick me out?

"I'd like to do it too," Kang Yu said with some regret.

"What do you mean?" Liancheng Yazhi turned to look at Natsume.

Natsume touched his nose. I guess what I mean is that his brain is awake now, but his body is not fully awake yet. However, his muscles and bones are still in the process of recovery. I still need some more.

Without waiting for him to finish, Liancheng Yazhi interrupted him directly and rudely."Speak clearly."

Natsume shrugged. what I understand is that although Yingluo is awake now, he'll need a few more days to be able to exercise freely.

Liancheng Yazhi's mouth twitched. He looked down at Kang Yu for a while.

even if it's ran ran, she's not much better than before.

Natsume immediately shook his head. no, it's much better. At least I can talk now. Isn't that already a big difference? "

lian Cheng yazhi pulled a chair and sat in front of kang yu. "when i brought you back, my wife was almost four months pregnant. next month, my second son shouldn't run out and call me father. in such a long time, you've caused so much trouble for our family that you can't be described by weight anymore. tell me, what should we do?"

Kang Yu was very surprised. He didn't expect that during his sleep, Lian Cheng Yazhi had already successfully made a baby and his son was about to be born. The gap between the two of them had widened even more.

In the past, it was just a difference of one daughter. Now, it was a difference of 'good'!

Thinking about it, Yingying was really a little jealous.

After some careful consideration, Kang Yu finally said, "I'm sorry about that, but I think I'll have to continue disturbing Yingluo."

Lian Cheng Yazhi's eyelids twitched, "you ..."

Kang Yu said slowly, "I'm like this now, hehe."

He didn't finish his sentence, but his meaning was obvious-as a good brother, can you bear to kick me out like this?

Lian Cheng Yazhi's words were instantly rebuffed by these five words.

That's right, how could he send Kang Yu out like this?

What was the use of a Kang Yu who could move, even if he could speak?

Throwing him out would be the same as letting him run his own course.

Lian Cheng Yazhi gritted his teeth. alright, I'll take you in for a few more days. When you can move, I'll immediately solve your troubles and let me have some peace and quiet for a while.

Kang Yu's lips curled up, "good Zhenzhen."

Lian Cheng Yazhi glared at him and turned to Natsume. "how many days will it take for him to move?"

Natsume glanced at Kang Yu and rubbed her nose. "I'll try my best to let him move as soon as possible."

Lian Cheng Yazhi and Kang Yu exchanged a few more sarcastic words before they decided to go back to sleep.

As soon as he walked out of the door, Lian Cheng Yazhi took a deep breath of the early autumn night air. Yes, it was very refreshing and comfortable.

Although when Kang Yu woke up, they didn't say anything touching, but instead looked at each other with disdain.

However, this made Lian Cheng Yazhi finally feel a sense of relief.

All the danger he'd faced since returning to the country was to protect Kang Xi.

However, no matter what he did before, Kang Yu showed no signs of waking up. That feeling seemed to make Lian Cheng Yazhi unable to see the end.

But now it was different. Kang Yu was awake. Everything he had done before was worth it.

Liancheng Yazhi returned to the bedroom in a good mood and tiptoed into the bed to sleep.. However, as soon as he lay down, he heard Rong Yan ask him, "How is it?"

Chapter 1983: Remember to give my son a red packet

It was only then that Liancheng Yazhi realized that Rong Yan was still awake. He asked her, " 'Why aren't you asleep yet, Yingluo?'"

"I can't sleep." Rong Yan shook her head.

Liancheng Yazhi kissed her eyes apologetically. "Go to sleep. I'm back. Kang Yu is awake. Other than not being able to move, he's fine."

"You can't move?" Rong Yan was surprised.

Liancheng Yazhi nodded. that's right. Natsume said a lot. He said that his brain is awake, but his body is not completely awake.

Rong Yan was confused. It's so weird. Doesn't the brain control all the nerves?"

Liancheng Yazhi covered Rong Yan with the blanket. "But don't forget, Kang Jin was injected with a genetic recombination drug. His nerves are new, so is his body. His brain needs to adapt to the new body, so it needs time to build rapport with the other parts of his body. Kang Jin has trained many new recruits before, but this time, his own body is a new recruit. He needs to train well before he can be used by himself."

Although Rong Yan still didn't quite understand, she roughly understood.

in any case, even though kang yu was awake, he still couldn't move.

what he meant was that kang yu would continue to stay at home.

In that case, it seemed that Liancheng Yazhi's previous words about him not caring about Kang Yu once he woke up were going to fall through.

"it seems that you still want to continue to manage it?" rong yan smiled.

Liancheng Yazhi pinched Rong Yan's cheek. "You're so happy that your husband needs to take care of Kang Zhen's problems?"

Rong Yan shook her head. no, I'm not. I'm just thinking. When you find out that Kang Yu isn't moving, your expression must be very special.

The corner of Liancheng Yazhi's mouth moved. He lowered his head and bit Rong Yan's lips, muttering to the doctor, " "Little rascal Yingluo"

rong yan giggled and patted liancheng yazhi's chest gently. " "Okay, be good. Go to sleep, go to sleep, Yingying. I'll go see Kang Zhen tomorrow too."

He counted the days in his heart. His son would be born next month. It wasn't safe to spend a month in confinement, so it would be better to wait for two months. He would be free after a few dozen days.

Liancheng Yazhi hugged Rong Yan tightly. He had endured it for so long anyway, so these dozens of days would pass easily.

Liancheng Yazhi comforted himself in his heart for a while and slowly fell asleep with his cheek against Rong Yan's head.

The next day, after breakfast, Liancheng Yazhi helped Rong Yan to see Kang

“my wife is here to see you,” Liancheng yazhi said to kang yu.

Rong Yan saw that Kang Yu seemed to be in good spirits and felt a little more at ease. “You’re finally awake. Yazhi can finally be at ease.”

Kang Yu looked at Rong Yan's protruding lower abdomen and was stunned. After he regained his senses, he said, “Thank you, congratulations.”

Liancheng yazhi gently caressed Rong Yan's stomach and said to Liancheng yazhi, “You’ve been living in my house for so long. When my son is born, you have to give him a big red packet.

“Definitely.” Kang Zhen's lips curved up.

Kang Zhen hadn't slept since he woke up last night. Now that he had finally woken up, he probably wouldn't be able to sleep for a few days.

Natsume told him some things intermittently, mostly about how he was like when he first came back. She also told him more or less so that he could understand Ran Ran a little more..

Chapter 1984: You don't want to go with him?

Natsume told Kang Yu that when Rong Yan was first pregnant, Liancheng Yazhi hadn't returned yet. That period of time was Rong Yan's most difficult time.

Kang Yu felt very guilty about this. When he saw Rong Yan, he felt a little guilty.

Rong Yan said to Kang Yu, “You can't move now. Just stay here and don't worry.”

&Nbsp;

Liancheng Yazhi put his arm around Rong Yan's shoulder and said with a smile, “You don't need to tell him this. This kid won't be polite.”

Rong Yan glanced at Liancheng Yazhi, amused. She then asked Kang Yu, “Do you want me to change your room? You're already awake and living here, isn't it a little inconvenient for you to live here?”

Without waiting for Kang Kun to speak, Natsume said, “There's no need to.”

Oh, I mean, he can't move now. I have to keep an eye on his physical condition. It's not convenient for him to move out of here.

“What do you think?” Liancheng Yazhi asked Kang Yu.

Kang Yu glanced at Natsume and said, “It's good here too, Yingluo.”

Liancheng Yazhi nodded. Alright then. However, you haven't seen the sun for a

long time. You should start to get used to the sunlight outside these few days.

"I'm staying at your place now. You can make the arrangements." Kang Zhen smiled.

The place was filled with the smell of medicine. Liancheng Yazhi didn't want Rong Yan to stay for too long, so he asked her to say a few words to Kang Yu before sending her away.

However, not long after, he came to the laboratory again.

Kang Yu had just woken up, and Liancheng Yazhi had something to tell him.

Liancheng Yazhi briefly explained the troubles from before. The people in your Army haven't given up on you yet and are still waiting for time. If they know that you're awake, they'll probably want to take you back even more. Do you want to go back? "

"Of course I'm going back, but not now." Kang Yu sighed.

"Is there any trouble going back?" Liancheng Yazhi asked. "Yes, and maybe not," said Kang Yu after some thought.

"However, they don't dare to take my life."

Kang Yu didn't hesitate to go back or not. He didn't have much fear. With his current position, he didn't make any major mistakes. It wouldn't be easy to topple him.

Moreover, the higher-ups were not going to knock him down.

It was just that he knew too many secrets, so he could not let him fall into the hands of others.

Liancheng Yazhi said to Kang Yu, "Mu Weibai has gone missing and is now under their control. As for where he is, I don't know yet. When you go back in the future, remember to get him out. In order to save you, we spent a lot of effort.

"You don't need to tell me that.

By the way, your grandfather came by a few days ago. Before he left, he said he wanted to take you away, but I didn't agree.

"Thank God you didn't agree," Kang Xi said, glancing at him.

"You don't want to go with your grandfather?" Liancheng Yazhi raised his eyebrows.

Not really. It's just the Wei family, ran ran. Kang Yu smiled and didn't say anything else.

The Wei family was a truly big family. However, such a big family looked bright on the outside, it was complicated on the inside.

Besides, there were many grandchildren in the Wei family, but none of them were truly liked by old man Wei. On the other hand, old man Wei liked his grandson, Kang Xin, that much.

Just this point alone was enough to make Kang Yu a thorn in the side of many people.

Therefore, Kang Xin had always been reluctant to go to the Wei family.

First, he was too lazy to deal with those people..

Chapter 1985: Wife becomes ex-wife

secondly, he earned everything he had today without elder wei's help. he hated it when people said that he relied on house kang and elder wei to get to where he was today.

the old master is quite concerned about you, " Liancheng Yazhi asked. should we tell him that you've woken up? "

Kang Yu shook his head. there's no need. If he finds out, there's no way to hide it. Before I can move, I don't want anyone to know that I've woken up.

Liancheng Yazhi nodded. alright. If there's anything else you want to do, just let me know. I'll see if I can help you.

"There's nothing else to do," Kang Zhen shook his head.

In fact, Wufu's matter was very simple. It was all because he Knew Too Much.

Those secrets were enough to make everyone panic and have nightmares after hearing them.

If the secret in his mind fell into the hands of others, it was likely to bring a great disaster to the country. That was why the Ministry and team were doing everything they could to get him back.

of course, this did not rule out the possibility that someone wanted to take the opportunity to kill him.

liancheng yazhi talked to kang yu for a while and suddenly remembered something. " oh right, i almost forgot. it was especially dangerous when we went to save you this time. we almost couldn't make it back, but in the end, things changed. we saved ran ran, guess who saved us. " when kang yu saw liancheng yazhi's treacherous smile, he was on guard and began to feel a little uneasy. he said, " "I don't know," Liancheng Yazhi laughed. how could you not know? I know you.

"if you don't tell me, how do i know who you are?" kang Xin thought. "Why don't you guess?" Liancheng Yazhi smiled even more.

"I'm not guessing, " Kang Yu said decisively.

Liancheng Yazhi raised his eyebrows, "I really don't want to guess, Zhenzhen."

"It's up to you if you want to tell me. I'm not interested in it anyway." Kang Zhen closed his eyes.

Liancheng Yazhi spread his hands. alright, I'll be generous and tell you. That person said that ran ran is your ex-wife.

Kang Yu, "Yingluo. "

He opened his eyes and looked at Liancheng Yazhi coldly.

Liancheng Yazhi didn't care about Kang Yu's cold eyes at all. He teased, " "Hey, Kang Yu, tell me, when did Yingluo's wife become your ex-wife? At that time, we were all extremely shocked."

"Did she really say that?" Kang Yu asked after a while.

Liancheng Yazhi nodded. of course. At that time, the few of us were like birds startled by the mere twang of a bow. How could we believe someone who suddenly appeared? I asked her why we should believe her, and she said that Wanwan did it just because she was your ex-wife. What she said was really shocking.

Kang Zhen's face instantly turned ugly. Under the light, the dark red color in his dark eyes quickly condensed. The bloodthirsty look on his face was a little scary.

Liancheng Yazhi quickly called Natsume over. Why are your eyes like this?"

Natsume took a look and did not have any special reaction. this Yingying is the genetic recombination drug he was injected with. Yingying is not affected.

"Are you sure?" Liancheng Yazhi asked.

Natsume nodded. I'm sure. If you don't believe me, you can ask him how he's feeling. Does he feel irritable? "

Liancheng Yazhi turned to look at Kang Yu. The corner of his mouth twitched and he scolded him."You're talking nonsense. It would be abnormal if he didn't feel irritable and angry now.."

Chapter 1986: I will not let my wife run away

After hearing that his wife was his ex-wife, was it normal for him to not be angry?

Kang Yu's expression was cold. His handsome face was full of anger. The evil aura around him was strong. In the past, when he was wearing his military uniform, he could be suppressed by the righteous aura.

But now, he was no longer in his military uniform and had been injected with genetic recombination drugs. The evil energy in his body was dozens of times stronger than before, making everyone feel like they had to keep an eye on him.

"What else did she say?" Kang Yu asked Liancheng Yazhi.

Liancheng Yazhi shrugged. no, she didn't even get to see my face clearly, and she just left. However, your ex-wife, Huahua, uh, okay, your wife, your wife, doesn't seem to be an ordinary person. At that time, he came directly by helicopter, and everyone on the helicopter listened to him.

liancheng yazhi wanted to say 'ex-wife', but kang yu glared at him coldly, so he had to change the way he addressed her. ""

Kang Yu's expression turned even worse. He said coldly,"You don't need to worry about her."

Liancheng Yazhi spread out his hands. of course, I don't have to care about her. If I did, it would be a big problem. I just have to look after my wife. Anyway, I won't let my wife run away.

Kang Yu gritted his teeth and said, "Liancheng Yazhi

Liancheng Yazhi laughed and said,"are you angry?" If you want to hit me, then you should get up."

natsume leaned in and said, " i think it's best if you don't provoke him now.

when his body wakes up, you'll definitely not be his match. " Kang Zhen's genes had been successfully modified. his body had been completely transformed. a lot of human abilities had been discovered. he was at least many times more powerful than ordinary people.

Although he couldn't detect anything at the moment and could only make a conclusion after Kang Zheng woke up, his sense of smell, hearing, and vision had already far exceeded that of an ordinary person.

therefore, it was not hard to guess that his own energy had reached a level that could be called 'super soldier'.

Liancheng Yazhi was stumped by Natsume's words. That's right, he could still exchange a few moves with Kang Rong in the past, but it would be difficult for him in the future.

"Just you wait," Kang Yu glared at Liancheng Yazhi.

Liancheng Yazhi immediately said, " tsk, you're not being kind if you say that. No matter what, I've braved a hail of bullets and risked my son and daughter not having a father to carry you back from abroad. If you hit me, you're not loyal to me.

Liancheng Yazhi's words made Kang Yu speechless. 'You're so silly!"

liancheng yazhi shrugged his shoulders. that's right, he's bullying me just because he saved my life.

Looking at Kang Yu's angry and annoyed face, but not able to get angry, Liancheng Yazhi's mood instantly improved and he laughed out loud.

Liancheng Yazhi patted Kang Zhen's shoulder. "I say, you don't have to be so angry. Didn't you want a divorce a long time ago? Now that you've finally succeeded, she's already acknowledged you as her ex-wife. Isn't that what you want?"

"Liancheng Yazhi, don't think that I won't beat you up just because you saved me." Kang Yu's face darkened.

Liancheng Yazhi laughed so hard that he was about to bend over. Okay, okay, I won't say it. You can't blame me. I can't keep it from you. If I don't tell you, you won't know. Your wife won't be yours anymore..

Chapter 1987: She is mine

Kang Yu looked into his eyes and said, "She ... Is mine." it had always been, and it would always be.

liancheng yazhi held back his laughter. "but she doesn't want to admit it. you should just accept it."

A look of determination flashed across Kang Yu's eyes, "She said it. It's useless."

liancheng yazhi shrugged. "alright, no matter what you say now, you have to wait until you're better. besides, she's not in the country. if you want to find her, it'll be troublesome. you should get through the crisis in the country first. i don't want to care about you anymore. get well quickly and leave after you're well."

Liancheng Yazhi teased Kang Yu for a while more before he decided to leave.

however, before he left, he said in a particularly annoying way, ” however, even Jian Jie is in a pair now. You’re still single, and your wife has run away. It’s really annoying.

finally, kang yu could no longer hold it in. he shouted angrily, “Get lost!” Liancheng Yazhi laughed and happily ‘rolled’ out the door.

After teasing Kang Yu, Liancheng Yazhi’s mood was really good. He also thought that mo zhongkai would arrive at the border today to cause trouble and his mood was even better.

because in this way, it seemed that he would be the most comfortable in the following days.

As expected, his mood would improve when he saw them in a bad mood.

After so much trouble, they finally welcomed a good day.

Jian Jie, who was far away at the border, sneezed.

He looked at the dark clouds in the sky and thought to himself that Liancheng Yazhi must be gloating over his misfortune.

at this moment, mo zhongkai’s plane would land in an hour. he hoped that it would not rain before landing.

the people who were sent to pick mo zhongkai up from the airport had already set off for a long time.

If it rained, the journey would take even longer, and they might not even reach at night.

The road from the airport to here was usually not easy to walk on. If it rained heavily, it would be even harder to walk and there was a high risk of an accident. He simply told the people who went to pick mo zhongkai up to wait a day if it rained heavily.

He didn’t want his brother-in-law to be in danger.

Look, he’s doing so well.

Although Liancheng Yazhi’s good days of gloating over Jian Jie’s misfortune had come to an end, Jian Jie was not worried at all. He was very calm as if mo zhongkai’s arrival was not to cause trouble at all, but to visit his relatives.

Jian Yi stood under the roof and looked at the sky outside. There was a string of bamboo chimes above his head. A pair of slender and fair arms slowly wrapped around his waist. Her face was pressed against his back, and the slight chill passed through his dark green shirt. Her soft and slender body was pressed against his back, making Jian Yi feel as if he was surrounded by a hot spring. Jian Jie heard mo xunxun whisper behind him, ” “I’m afraid of simple Kasaya.” jian jie did not turn around and looked down at the white and tender arm around her waist. she brushed her fingers lazily and said,”I’m here, what are you afraid of?”

After a while, mo xunxun said, ” my brother, Wanwan, has a really bad temper. When Wanwan was in school, a male classmate of our class, Wanwan, wrote me a letter. After my brother found out, he ran to the door of his class and gave him a good beating.

The corners of Jian Jie’s mouth curled up when she heard that. She grabbed the small hand by her waist, and with a twist of her wrist, she easily pulled her in front of her.. His slender and powerful fingers lifted her chin, and with a slight

Chapter 1988: heart softening

MO xunxun's face slowly turned red from being stared at so simply. He had not done anything, but her heart could not help but beat faster and she would feel shy.

MO xunxun's eyes dodged and she did not dare to meet his eyes. She said softly,

No, I'm afraid of my brother, Yingluo."

A simple hand slowly groped mo xunxun's small chin. are you afraid that I'll hit your brother? "

MO xunxun simply buried her head in his arms and shook her head. "I'm very worried, my brother doesn't agree to let me stay here, Yingluo"

The few days that mo xunxun had spent with Jian an were the most beautiful days she had experienced in her life.

She was afraid that this was just a beautiful dream. She was afraid that mo zhongkai's arrival would break her hard-won dream and destroy it.

MO xunxun had always been most afraid of this elder brother of hers, who was even stricter than her father. This was because mo zhongkai was much older than her. When she was young, mo xunxun had been very afraid of him. The simple hand rubbed mo xunxun's head. "As long as you agree, that's enough."

The others were not important. His ability could end everything, and he could sweep away all obstacles.

There was no need to doubt simple force.

Since he had already gotten his hands on her, there was no such thing as taking her away.

"You won't let me go, will you?" mo xunxun raised her head after a while.

MO xunxun's greatest worry came from Jian Jie. She liked him very much, but she did not know if Jian Jie liked her as much as she liked him.

She was the one who took the initiative. At first, she liked simplicity, and she wanted to leave everything behind and leave with him.

Therefore, she didn't dare to ask, because she was afraid that she wouldn't get the answer she wanted to know.

She simply lowered her head and met mo xunxun's clear and bright eyes."Yes, Yingluo."

Was it possible to leave after entering his territory?

MO xunxun felt a burst of joy in her heart. She hugged her simple waist tightly and nodded her head vigorously."Yeah, I'll always be by your side. So, Yueyue, can you not leave me behind?"

"Hello, Zhenzhen." He simply curled the corners of his lips. This simple word was like a promise to mo xunxun.

if he never left her behind, they would be together forever.

MO xunxun was extremely happy. She hugged the simple neck like a child and laughed happily.

After mo xunxun was done being happy, she asked carefully, ” “Then when my brother comes, if Yingluo’s temper isn’t too good, or if he gets physical, can you go easy on him?”

“what do you think?” he simply raised his eyebrows.

MO xunxun bit her lips. you can’t do it, can you? ”

His simple fingers slowly slid down mo xunxun’s face, all the way to her neck, and then continued downward.

He did this, but his face was still expressionless. He said seriously, ” “This will depend on your performance.”

Actually, simplicity really couldn’t be any more right. He had brought her sister here, and it seemed understandable for her to come over and take her away.

MO xunxun’s face turned red, and her body trembled slightly. “How was ran ran’s performance?”

The corners of Jian Jie’s lips moved slightly, but she did not speak.

it was as if she was silently telling him that as for how she would perform, it would be up to her to figure it out.

mo xunxun bit her lip and glared at him coyly. her shy and timid look softened his heart.

His simple hands couldnt help but move, but in the end, he still stopped..

Chapter 1989: You have to work hard to please me

He was waiting to see what mo xunxun would do next.

MO xunxun struggled for a while before she finally mustered her courage. She stood on her tiptoes and gently touched the corner of her simple lips.”Is this okay?”

She wrapped her simple hands around his slender waist and said with a serious expression, ” “It’s not enough,”

MO xunxun’s fingers pinched Jian Yi’s hard arm. She was not weak to begin with, and she did not really use all her strength to pinch him. To Jian Yi, it was just like a light scratch.

MO xunxun blushed and stood on her tiptoes again. She kissed his simple lips and kissed him in a rough manner.

mo xunxun’s face was so red that smoke could be seen. she asked shyly, ” “This should be enough, right?”

How could that be enough for Lian Jian? his expression was still very serious,”It’s not enough,”

MO xunxun bit her lip and looked at him pitifully. ‘You’re being shameless, Yingluo.’

“No!” He immediately denied it.

He said it very decisively. The key point was that his expression was serious and serious. If it was someone who did not know the situation, they would think that mo xunxun was being unreasonable.

MO xunxun bit her lip and retorted in a low voice, "I've obviously had enough of it, Yingluo."

He placed a simple finger on mo xunxun's lips and gently pressed it down. between your brother being safe and sound and you working harder, you can choose one.

MO xunxun's face reddened even more. Jian Jie always liked to tease her with a very serious and serious look, but she always made people feel that he was always right and Xuanji was always the one who was wrong.

MO xunxun had already noticed this problem. However, every time she tried to tell Jian Yi that she wanted to fight for something for herself, she would wither when she saw her serious expression.

as expected, she was born timid and had a good temper. all her courage had been used up in the stormy night.

MO xunxun bit her lip and struggled for a while before she blushed and said, alright, alright, alright, I'll just work harder.

Satisfied, Jian Jie nodded, "yes, continue to work hard."

Then, she continued to look at him. Clothes, hurry up. I'm still waiting.

MO xunxun looked around her. They were standing under the roof. After kissing a few times, she was almost burying her head in the cracks. MO xunxun gently pulled her simple fingers. "Let's not, not here, okay?"

"Sure." After he finished speaking, he simply picked mo xunxun up with one arm and turned to enter the house. His movements were very relaxed, as if he was carrying someone.

Jian Jie directly placed mo xunxun on the bed and even nimbly took off mo xunxun's shoes by the water. Although he did not say anything, his meaning was obvious enough. If Liancheng Yazhi saw this, he would definitely say that Jian Jie was the most deeply hidden 'human-faced beast'.

Jian Jie looked down at mo xunxun from above and said, " "It's done,"

Although he still had no expression on his face, his posture was clearly saying: Hurry up and send it into my mouth. If I'm happy eating it, I won't beat up your brother.

MO xunxun bit her finger, then knelt on the bed and slowly straightened her body.

She stammered, "Yingluo, you said it. You have to keep your word, Yingluo."

"Of course," Jian Jie nodded.

mo xunxun said, "then i'll start the rustling."

Jian Jie looked at mo xunxun's reckless look and a faint smile flashed in his eyes. let's start..

Chapter 1990: I'll wait to see the sparks you two create

mo xunxun took a deep breath. with a red face and a trembling hand, she slowly unbuttoned her simple shirt.

her hands were very beautiful, and each finger was slender and white, like the softest part of a green onion. against the dark green shirt she was wearing, she looked even more delicate, like a ball of ice and snow that was about to melt on his clothes.

However, mo xunxun's hard work did not count as a pass because her movements were too slow. It took her nearly an hour to unbutton the buttons halfway. She could not help but be impatient.

For the rest of the matter, mo xunxun no longer had the initiative. She also did not have the courage to take the initiative. She could only let them eat her up easily, and no longer had the power to fight back against all kinds of cruelty. mo xunxun's body was a little weak, so it was natural that she would not end up well after dealing with such a ferocious beast.

By the time she was satisfied, mo xunxun no longer had any strength left. She lay down beside him and fell asleep.

He simply picked mo xunxun up and washed her. Then, he roughly wiped both of them clean.

He looked at mo xunxun's sullen little face and felt a little apologetic.

But soon, he frowned.

This kind of physique was too bad. No, he had to train in the future.

It had started to rain outside, and the sound of the rain was very beautiful.

Compared to the shocking night, the sound of the rain now was as beautiful as a lullaby.

After lying down for half an hour with mo xunxun in his arms, he suddenly remembered something.

No matter what, he had to call Liancheng Yazhi and ask.

He got up simply and only put on a pair of military pants. His upper body was bare as he walked to the window. He picked up his custom-made phone and dialed Liancheng Yazhi's number.

Once the call went through, she heard Liancheng Yazhi's teasing laughter. Oh, why are you calling at this time? I thought you were reminiscing with your brother-in-law.[upd@te by new . org](mailto:upd@tebynew.org)

The corners of Jian Jie's lips curled up. I'm sorry for making you do this. It's raining heavily here today. The brother-in-law you're talking about is now trapped on the way and hasn't come over yet.

Liancheng Yazhi said regretfully, "ah, ran ran. That's really not very pleasant news. I'm still waiting to see the sparks after you two meet.

jian jie gritted his teeth. this bastard just loved to see the world in chaos.

He did not want to argue with Liancheng Yazhi and asked directly, "How's Kang Yu?"

Liancheng Yazhi said in a very annoying manner, "Kang Zhen, I woke up last night. I was just talking to him. I forgot to ask you to talk to him on the phone. How about tomorrow? after you meet up with your brother-in-law, we'll talk about your situation. I'll also ask Kang Zhen to talk to you and let him learn from you. How can he let a young girl throw herself into his arms? that kid is

really worried now. His wife has become his ex-wife. It's so frustrating." "Will you die if you say one less word?" Jian Jie gritted his teeth.

Liancheng Yazhi, this bastard, was getting more and more talkative recently. In the past, although he liked to make fun of others and was full of bad ideas, he was cunning and treacherous, but at least he was not gloating like this. Damn it, now he was openly adding insult to injury and always poked at other people's sore spot.

Liancheng Yazhi laughed happily."I won't, but I'll feel uncomfortable."
