

Permit Me 1991

Chapter 1991: Raising a son-in-law

Jian Jie didn't want to talk nonsense with Liancheng Yazhi, and she didn't want to hear his gloating voice.

‘What’s the situation with Kang Yu?’ he asked angrily.

Liancheng Yazhi finally said something to him. good and bad. He’s awake, but he can’t move his body. I think he’ll have to wait for a few more days before he can move freely.

Jian Jie’s brows furrowed even more, ” “Why?”

Liancheng Yazhi sighed and repeated what he had said several times to Jian Jie.

“As for Kang Yu’s condition, that’s the gist of it. You’ll have to ask Natsume about the details, but Natsume said that Kang Yu is fine, but we’ll have to wait until his body awakens before we can decide on the details.”

His heart relaxed. Since Natsume said that he was fine, then he was probably really fine.

Since she already knew about Kang kun’s situation, Jian Jie didn’t plan to continue talking to Liancheng Yazhi. She said, ” “Okay, I got it. Contact me if there’s anything.”

Liancheng Yazhi laughed. of course we have to keep in touch. I’m still waiting to hear about what will happen after mo zhongkai goes there. You have to work hard. Don’t be like Kang Yu and start to regret after losing his wife.

Wife?

This was an extremely unfamiliar term.

“Why do you care so much?” Jian Yi said.

In the end, Liancheng Yazhi replied, ” “I’m very free. If I don’t find something to do, it’ll be boring.”

Liancheng Yazhi’s words really made people jealous after hearing them.

Jian Jie didn’t want to say a word and planned to hang up the phone.

However, Liancheng Yazhi really wanted to know that he was going to hang up, so he quickly said, ” “by the way, dong tian has been training for two months. his results are not bad, and he has improved a lot. it’s time for him to take a small test. since it’s an exam, we should be serious. however, i’m worried about leaving him somewhere else. after thinking about it, i still think it’s better to leave him with you. help me keep an eye on him.”

Jian Jie didn’t think much and agreed, ” “Alright, throw it over.”

He thought that since there was nothing much to do now, it would be good to train for the winter. At the same time, he would see how the kid had grown. [mo zhongkai: f * Ck you, what do you mean by fine? am I not a problem?] [don’t forget that I’m here to settle scores with you.]

Liancheng Yazhi thought for a while and said, "you don't have to care too much about him. Just give him a hand at the critical moment. Don't let him lose his life.

"I understand," Jian Yi replied.

Liancheng Yazhi reminded her again. Oh, don't let anything happen to his hands, feet, and face either. I'm still planning to let that kid marry into our family when he grows up. He'll be my live-in son-in-law.

Jian Jie was stunned for a moment.

a few months ago, when he was at the Lian Cheng's house, although Liancheng Yazhi had made a few jokes, he thought that they were all jokes.

today, Liancheng Yazhi had clearly pointed out that he wanted Dong Tian to be his son-in-law when he grew up.

Liancheng Yazhi laughed. "that's right. he and

After a short while, she replied with four words: "Not much!"

Liancheng Yazhi immediately roared. what do you mean by 'nothing'? I think it's pretty good. I raised this kid myself. Of course, I have to prepare it for my precious daughter..

Chapter 1992: We'd better not talk

"No one is willing to be a live-in son-in-law," Jian Yi said.

Liancheng Yazhi said with certainty, "why not?" i'm sure Dong Tian is willing to do so. don't even mention Dong Tian, your brother-in-law might even let you marry into the Mo family when he sees you."

Jian Jie's face darkened. Marry into their family?

Would these two words appear on him?

What a joke!

let me know when you're going to throw that kid over. It's fine. We'd better not talk on the phone.

Jian Jie felt that he did not want to talk to Liancheng Yazhi for at least a week. No, let's make it two weeks, Yingluo.

Jian Jie thought to himself silently, 'let's make it a month.'

"I'm not the one looking for you. You're the one looking for me," Liancheng Yazhi said disdainfully.

"I'm looking for Kang Yu." Jian Jie gritted his teeth.

I'm sorry," Liancheng Yazhi said very elegantly. I'm still fully in charge of Kang Kun's Affairs.

The corner of Jian Jie's mouth twitched. He decided not to say anything and directly hung up the phone.

He casually threw his phone away. A gust of cool air blew in from the window, and the temperature in the air dropped a little.

Jian Jie was completely unaware. His upper body was bare, and his lean and strong body was full of strength. The scars on his body made him look dangerous.

He originally felt that it was good to be blown by the cold wind and that it had blown away some of the irritation that Liancheng Yazhi had brought to him. However, when he turned to look at the little guy who was curled up on the bed, he reached out and closed the window.

Two or three days after Kang Yu woke up, he was more or less able to get used to the sun outside.

Taking advantage of the good weather and the September sun, which was neither hot nor cold and quite comfortable, Liancheng Yazhi brought Rong Yan out to bask in the sun and also got Kang Yu out.

kang yu's body was still unable to move, but he could barely move two fingers.

Liancheng Yazhi held up a large parasol on the lawn in the courtyard and lay down on the recliner with his wife.

kang yu lay down beside them.

Liancheng Yazhi asked him. it's fine if your grandfather doesn't tell me that you've woken up. But is it appropriate to keep it a secret from your father? ”

Because Kang Yu had not seen the sun for a long time, his skin was so pale that it was almost transparent. Now, under the sun, it looked even whiter.

However, looking at him this way, his eyes were even deeper, his facial features even more exquisite, and his slightly red lips were particularly attractive. He was lying there lazily, and it really made people want to commit a crime.

“There's no such thing as being suitable or not. This is my business. It has nothing to do with them,” he said indifferently.

you're right, ” Liancheng Yazhi said. this is your business and has nothing to do with me. It's fine if I die, but you can just throw me out.

As soon as he finished speaking, he heard a crack. Kang Yu's fingers, which had only been able to move for a few hours, had pinched off a piece of the recliner he was on.

Note that he used two fingers, his middle finger and index finger. To be exact, he didn't pinch it, but gently pinched it, and a piece of solid wood fell. This scene left everyone speechless. The words that were on the tip of their tongues were all silenced by this scene.

liancheng yazhi frowned for a long time before he said in a very serious tone, “kang Zhen, my wife is still here.. do you think it's a good idea for you to destroy my furniture so cruelly? What if my wife and son are scared? Can you afford it?”

Chapter 1993: An uncontrollable power

Without waiting for Kang kun to speak, Liancheng Yazhi said, besides, you don't have a wife and you haven't lived a proper life with three people. You don't know how hard it is to raise a wife and child. Do you think he doesn't spend money on this recliner? if you keep using force to threaten him, we won't be able to get along well in the future. If you destroy all the furniture in my house, you'll have to compensate me.

Kang Yu's mouth twitched and he glared at Liancheng Yazhi.

Ever since he could move his fingers, Kang Yu realized that his strength was abnormal. He thought that he could just poke a little, but in the end, he could make a hole in something that was originally very hard.

This already showed how much energy he had used after his body had been transformed.

To most people, this might be a wonderful thing.

But this made Kang Yu quite distressed. If he did this, he would not be able to control his strength well, and it would be inevitable that he would accidentally injure someone.

However, he did not injure him by accident. He did it on purpose to threaten Liancheng Yazhi.

Liancheng Yazhi shrugged. don't stare at me. I'm telling you the truth. I remember everything you destroyed in my house. Remember to accompany me when you leave. We have two children to raise at home, so we have to be careful with our expenses.

Kang Yu was annoyed by Liancheng Yazhi's nagging. He gritted his teeth and said, "I will pay for it."

After saying that, there was another crack, and another piece was pinched off. Anyway, he had to pay for it. Pinching one piece was pinching, pinching two times was pinching, so it didn't matter.

Liancheng Yazhi looked on helplessly from the side.

"It's not that I want to criticize you, but you can't do this. If you're in a relationship with a girl in the future and you can't control your strength when you're being intimate with her, won't you kill her?" If being together with you is an injury to the bones, no matter how good you are, which young lady would dare?"

Kang zhaozhen

Although he really wanted to say, "I want to strangle you to death right now."

However, on second thought, what Liancheng Yazhi said seemed to be right. Search newnovel. org on google

He could poke a hole in the hard wood with a light poke. If it were a girl with a weak body, wouldn't she be killed?

In that case, even if he managed to capture his wife one day, it would be useless, right?

Kang Yu ignored Liancheng Yazhi and fell into deep thought.

He was seriously considering how to freely control his strength.

Right now, Kang Yu had just regained the ability to move his fingers, but he already had such strength. When he could move freely, his explosive power would be even more shocking.

When interacting with people, he had to strictly control himself in order to avoid accidental injuries.

Kang Yu's head ached. He didn't want this strange power.

After a few days, there was no change in Kang Yu's body. If he continued to hide the news that he had woken up, he probably couldn't hide it any longer. Liancheng Yazhi didn't want to trouble himself to come to his house again.

"Hey, you could move your fingers two days ago. It's been four or five days now. You should be able to move your legs too, right?" he asked.

"You can't move," Kang Yu gave him a sidelong glance.

Natsume, didn't you say that he'll be able to move around freely soon? "

Liancheng Yazhi asked Natsume. why can't he? "

Natsume touched his nose. well, I said it was possible at the beginning, but it depends on his own condition.. His body has too much energy now, so it's a little troublesome if he can't control it, so Hanhan's waking up is a little slow?"

Chapter 1994: He'll take on his own troubles

Liancheng Yazhi's head hurt as he listened. He sized Natsume up."Why do I feel like you're lying?"

natsume immediately shook his head. " no, i'm definitely not. why would i lie? you have to believe in a doctor's professional ethics. "

Liancheng Yazhi pursed his lips and laughed, 'professional ethics? Don't joke around. " since kang yu couldn't be touched, liancheng yazhi could only continue to take him in.

However, that night, Tang Zong and Rong nuo returned from their business venture.

At the dinner table, Tang Zong said to Liancheng Yazhi,"brother-in-law, my brother says he has something to discuss with you."

Liancheng Yazhi was a little surprised, 'Tang han? why is he looking for me?' Tang Zong shook his head. I don't know. He only said that he wants to meet you and asked if you have time.

Tang Zong had just eaten a fish ball and thought that today's dish was not bad. He quickly gave it to Rong nuo.

Liancheng Yazhi thought for a moment. tell him that if there's nothing important, it's fine. I don't have that much time.

Tang Zhen should be on a semi-holiday right now, so he shouldn't be looking for her for personal matters.

Nine out of ten, it was still for Kang Yu.

If that was the case, Liancheng Yazhi didn't really want to see her.

When Kang Yu could move on his own, he would take care of all these troublesome matters.

“Alright, I’ll ask him tomorrow.” Tang Zong nodded.

The next day, after Tang Zong asked Tang Zhen, he called Liancheng Yazhi and told him, brother-in-law, he said it’s important. Do you want to meet him? he seems quite serious.

Liancheng Yazhi thought for a moment. If it was related to Kang kun, it was good to know. After all, that guy was living in his house now.

if there was trouble, it would come to their family.

“Alright, then let’s meet,” Liancheng Yazhi said.

“Alright, I’ll arrange a place for you guys,” Tang Zong said happily.

Tang Zong’s actions were very fast. After confirming the time, he quickly arranged a place for them.

the place that this kid had arranged for the two of them was very creative. it was actually a museum.

When Liancheng Yazhi heard that it was a Museum, he was instantly speechless. He really admired Tang Zong. Was he trying to cultivate his and Tang Han’s artistic sense?

Liancheng Yazhi said to Rong Yan with a conflicted mood before he drove out alone.

When he arrived at the museum and saw the glass window displaying the cultural relics, Liancheng Yazhi sighed. He might as well go to his father-in-law and see his collection.

Tang Zhen had arrived earlier than him and was looking at a few bronze coins.

Liancheng Yazhi walked over. I haven’t seen you in a while. It seems like you’ve been doing well recently. he said.

Tang han didn’t turn his head and said, ” “It’s alright.”

“Tell me what you want to talk to me about,” Liancheng Yazhi asked.

Tang han didn’t waste any words this time and directly said, ” “The higher-ups know that Kang Xi has woken up. They might take action soon. You guys should prepare yourselves.” liancheng yazhi was shocked. the news that kang yu had woken up had been leaked.

His first reaction was that the servant must have leaked the news.

They did not dare to tell anyone, not even Tang Zong or their own family, because they knew how important it was.

Only those servants, when there were too many people, there would always be a few who harbored disloyalty.

It seemed that the servants at home needed to be reorganized.

However, Liancheng Yazhi was very surprised. He didn’t expect Tang han to specifically tell him this and reveal such a secret to him.

Could it be because he peeled a banana for Tang han when he was injured?

Chapter 1995: I should go back, I wish you good luck

could it be that tang han wanted to give him a gift in return because of this?

However, this was not in line with Tang Han's usual style. He had always been fair and would rarely play favorites.

It was already unbelievable that Tang Zong had asked Tang Zhen to help him draw out a simplified version of the possible prison locations. Liancheng Yazhi thought for a moment and asked, "What will happen?" "I don't know." Tang han shook his head.

Just when Liancheng Yazhi thought that Tang han would not say anything, he suddenly said, "however, I don't think it's a secret operation. They'll probably come to you directly to ask for her.

Liancheng Yazhi raised his eyebrows and said, "forcefully break in and search?"

Tang Zhen smiled. it's not impossible. You know how important Kang Zhen is to us. We've tried so many ways in the past but none of them worked. If it really doesn't work, we can only snatch him openly.

Liancheng Yazhi, "Yingluo. " since tang han had said so, it seemed that their superiors had such a plan.

If a large group of armed soldiers were to charge at his family, he could not resist openly even if he wanted to. Otherwise, in the past, it would be considered a rebellion.

However, if he didn't resist, he wouldn't be able to tolerate someone breaking into his house for nothing.

However, if they were to move Kang Yu, they would definitely be discovered.

Sigh, this is a little troublesome.

If he went back, he might as well tell Kang Yu to get lost.

"Why are you telling me this?" Liancheng Yazhi asked Tang han. Haven't you always kept your personal interests separate? you don't even mention anything about your Army's secrets. Why are you different today?"

Liancheng Yazhi raised his eyebrows. Perhaps Tang han was trying to change his previous attitude. "How do you feel now?"

"not bad." tang han was silent for a while.

he looked around and said, " i'm in a good mood after seeing these relics today.

i should go back. good luck. "

"Thanks," Liancheng Yazhi said.

"You're welcome. I'll return your banana gift," Tang han said. Liancheng Yazhi was stunned for a moment before he laughed.

Tang Han's change was not bad.

From the time he entered the museum to the time he came out, Liancheng Yazhi only stayed for less than ten minutes.

Liancheng Yazhi went straight to Kang Zhen and said, the Army already knows that you've woken up. They're going to send troops to my house in a few days to snatch you away. What do you think we should do? "

"You already know?" Kang Yu was surprised.

liancheng yazhi put on a serious face and said, " that's right. The news has been leaked. If they really want to snatch you, I don't think I can protect you. Why don't I hand you over now?

"Cut it out," said Kang Yu, casting a glance at him.

I'm telling the truth, " Liancheng Yazhi said. I really think that sending you out is a good choice.

"if you really wanted to send me off, why would you talk so much nonsense?" kang yu gave him a sidelong glance.

"sure, if you don't want me to send you, you can think of a way yourself. i'm already mentally and physically exhausted from worrying about you." After saying that, Liancheng Yazhi even pretended to be tired.

"Get lost." Tang Zong's mouth twitched.

"I'm telling you, this is my house, so don't be too arrogant," Liancheng Yazhi immediately said.

"Give me your phone. I'll read out a number and you can call it." Kang Xi glared at him..

Chapter 1996: actually, there's no need for me to protect you

the corners of liancheng yazhi's lips curled up. he took out his phone and said, "Speak."

See, he knew that this kid still had a way out. He wouldn't really sit still and wait for death.

Kang Yu read out a string of numbers.

liancheng yazhi's fingers moved quickly on the phone screen. after he dialed the number, he put the phone to kang zhen's ear.

About ten seconds later, the call was connected.

"Hello, it's me," Kang Zhen said.

Liancheng Yazhi didn't know what was being said on the other end of the phone, but after a while, Kang Yu frowned and said, "Yes, I'm awake."

"I don't want to go back now. They might make a move in a few days. Maybe they will enter Liancheng Yazhi directly. I'll snatch it back."

After the other party finished, Kang Yu continued, "I don't care. I don't want to move. Do as you see fit."

After a few seconds, the other party said something. Kang Yu laughed coldly. "If you don't want house Kang to have no one to pass on incense to, then you can just sit back and do nothing."

Liancheng Yazhi raised his eyebrows. Oh, even Kang Zheba said such angry words.

He had probably guessed who the other party was.

"I'll decide when I want to go back, you don't have to worry about it," Kang Zhen said.

Then, she looked at Liancheng Yazhi impatiently and asked him to hang up the phone.

However, Liancheng Yazhi did not hang it up and asked, "Who is it?" "You can ask him," Kang Yu said coldly.

Liancheng Yazhi cleared his throat and said, "then forget about it, ran ran."

&Nbsp;

Liancheng Yazhi had already guessed who it was, but he was deliberately teasing Kang Yu.

Didn't he hear Kang Zhen say that if he didn't want house Kang to have no descendants in the future, he could just ignore it? It was obvious that the person was Kang Zhen's father.

Kang Zhen's father was a typical old fox. Before Kang Zhen woke up, he would not ask about anything.

Now that Kang Yu had woken up, with his troublesome son around, he could no longer be a quiet and idle person.

Liancheng Yazhi hung up the phone.

Liancheng Yazhi said, "It's up to your father. I won't ask. If they really come over and take you away, you can just accept your fate."

"Don't give me that," Kang Yu said, giving him a look.

He knew that Liancheng Yazhi would at most say this. When the matter really came to light, would he interfere?

If the Army really blocked Daolian's front door and tried to break in, then it would be his face that they would have to face.

Was Liancheng Yazhi someone who could be easily bullied?

It was good enough that he didn't bully others.

Liancheng Yazhi stood up and said to him in all seriousness, "I'm serious. You can continue lying down. I'm leaving. Anyway, you're so powerful now. If someone wants to catch you, you can crush them with one finger. Actually, there's no need for me to protect you."

Kang Zhaozhen

Liancheng Yazhi smiled at him in a relaxed manner and then left.

Kang Yu had already woken up. Even if he knew that the troops would come to ask for her, Liancheng Yazhi's mood wasn't so heavy. Instead, he felt a little relieved because he had a feeling that the day he had been waiting for was finally coming.

Only when the military pressured them and demanded that Kang Yu return to the Army would the matter be resolved.

Otherwise, there would always be a stone hanging in Liancheng Yazhi's heart that could not be lifted.

He felt that the news that Tang Han brought him was not bad. It was not completely bad news.. He hoped that the problem would not be solved before Rong Yan's delivery time arrived

Chapter 1997: heart palpitating with shock

Otherwise, Liancheng Yazhi would really be a little afraid that someone would do something to Rong Yan when she was giving birth.

Liancheng Yazhi didn't intend to tell Rong Yan about this at first, but he was also worried. What if the troops suddenly came and Rong Yan was frightened without any mental preparation?

after thinking about it, Liancheng Yazhi decided to reveal this to Rong Yan.

At night, Liancheng Yazhi told Rong Yan.

"Today, I went to see Tang Zhen. He told me that in a few days, they might make a new move because they have already heard the news of Kang Zhen's awakening. They want to come and take Kang Zhen away?

Rong Yan was already a little sleepy, but she immediately woke up when she heard the news. How did it leak out so quickly? did someone in our family bribe Yingluo?"

Liancheng Yazhi nodded and gently massaged her head with his fingers. there are so many servants. Who can guarantee that they are all on the Lian family's side? but I don't think it's that dangerous, so don't worry. I'm just afraid that if they suddenly come, you'll be frightened.

Rong Yan frowned. but what if they suddenly come to snatch her away? it won't be good for us to stop them from the front.

Liancheng Yazhi comforted him. it's okay. I've talked to Kang Kun about this. His father will step in and stop it.

"actually, it's a good thing that they're here so soon. that way, Kang Xi's problem will be completely solved and it won't have anything to do with our family anymore. it's not good to keep dragging things out like this. don't you think so? our son is about to be born. i don't want him to be in danger." "Yes, you're right." Rong Yan nodded.

Liancheng Yazhi gently patted his cheek. "Alright, I'm here. Leave the safety of you and your son to me. Even if Kang Zhen's father can't stop you, I can do something about it. It's not easy for them to bully you."

Rong Yan smiled. that's true. My husband isn't someone who can be easily bullied.

Liancheng Yazhi kissed Rong Yan's cheek. "Be good and sleep."

Rong Yan closed her eyes and quickly opened them again after a while. Oh, you said you were sending wintertime to the training camp. Have you sent him away? "

Liancheng Yazhi shook his head. not yet. We're leaving tomorrow. I plan to meet him tomorrow and give him a few words of advice.

Rong Yan nodded. that's right. Go and tell him that he's nervous and scared.

"Alright, I'll tell him."

That night was unusual. Rong Yan slept very well. However, when the sky was about to turn bright, she had a dream. The scenes in the dream were very clear, making her feel that she couldn't distinguish between reality and the dream.

When he woke up, the sky outside was still a little gray, but it was already bright.

Excluding the few times she had been woken up in the middle of the night, this was the first time Rong Yan had naturally woken up.

She recalled the scene in her dream and couldn't help but laugh.

Rong Yan turned her head to look at Liancheng Yazhi. He was facing her sideways, his right arm under her arm, and his left hand around her waist. Although he was sleeping, he still carefully avoided his stomach and could hold her completely.

This was his fixed position since she and Liancheng Yazhi had shared the same bed.

Chapter 1998: Because my wife is powerful enough

in the past few years, even rong yan felt that the skin on her face seemed to have begun to wrinkle, but liancheng yazhi was still so handsome, without the vicissitudes of life that had been sculpted by time.

rong yan sighed. when her son was born, it seemed that she would have to start taking good care of her skin.

Otherwise, in the future, when he was old and frail, wouldn't those young girls take advantage of him? rong yan wanted to turn over, but her body was very heavy. she only moved a little and couldn't move.

She sighed silently. No wonder pregnant women moved in groups. Indeed, it was too inconvenient to move.

Suddenly, she felt a warmth in her ear as she remembered Liancheng Yazhi's voice. "Why did you wake up so early today? did you not sleep well?"

rong yan looked up and saw that liancheng yazhi had already opened his eyes. his eyes were lazy and sexy, and his gaze was full of warmth and friendship. no, I had a good sleep. I just had a dream. Why are you awake? "

Liancheng Yazhi reached out to help Rong Yan adjust her position so that she could lie down more comfortably. how could I bear to continue sleeping when my wife is looking at me with such a burning gaze? what kind of dream did you have just now? ”

Rong Yan thought of the dream she had and laughed foolishly. “actually, yingluo wasn’t really dreaming. i just dreamed of the time when i first met you.”

Liancheng Yazhi smiled evilly. He reached out and touched Rong Yan’s cheek. Oh, when we first met, that night was quite beautiful. Wife, Wanwan, have you been lonely recently? do you need my help? ‘

Rong Yan blushed and pushed him. “Lonely your sister.”

Now that there was no longer any suspicion and hostility between the two of them, they could face their past calmly.

As Rong Yan’s fingers twisted the buttons on Liancheng Yazhi’s chest, she couldn’t help but say, ” actually, I’ve always wanted to ask you something. That day, Yueyue, I drugged you. Yueyue, you had many people protecting you and you’ve always been very cautious. How did I succeed? ”

Liancheng Yazhi’s fingers hooked a strand of Rong Yan’s hair and gently wrapped it around his fingers. He smiled and said, ” “That’s because my wife is powerful enough to easily win me over.”

Rong Yan snorted. don’t lie to me. I thought about it later and realized that I wasn’t smart at all when I drugged you. Besides, you’ve always been sensitive to those drugs. Why did I succeed that time, but you could endure it all the time when your maid drugged you? ”

Liancheng Yazhi raised his eyebrows and had an evil smile on his face. His eyes, which were still a little hazy after waking up in the morning, were full of soul-stirring charm. His voice was deep and hoarse. “You want to know?”

Rong Yan nodded, “of course I want to know about Yingluo.”

Liancheng Yazhi let go of Rong Yan’s hair.”okay, yingluo, i’ll tell you. put your ear closer.”

Rong Yan didn’t doubt him and put her ear in front of him.

Liancheng Yazhi lowered his head and gently bit the tip of her ear. He used a voice that only the two of them could hear to say something unhurriedly.

That voice was like a soul-snatching erotic song. Rong Yan’s face instantly turned red when she heard it, and she felt her face burning more and more.

She was no longer an innocent and naive little girl like mo xunxun who would feel embarrassed just from being hugged. But now, because of Liancheng Yazhi’s words, she said,

Rong Yan reached out to pinch Liancheng Yazhi’s waist and said angrily, ‘ “According to what you said, I’m Yingluo, Yingluo..”

Chapter 1999: you’re a woman that the heavens prepared for me

Rong Yan blushed and couldn’t say the rest of the words, although she felt that her skin had already become thick to the point where she had no scruples.

but now, it seemed that Liancheng Yazhi's family was much more powerful than hers.

Rong Yan was really too embarrassed to say what he said. She was afraid that she might teach the little guy in her stomach, who already had his own consciousness, bad things.

Liancheng Yazhi looked at her with an evil smile. He knew what Rong Yan was going to say next.

He nodded and said, "that's right. It's just as you thought. When I first saw you in the lobby of block A of the Empire, I was hooked on you. At that time, I actually wanted to swallow you up, Wanwan, but your husband is a reserved person. Even though he was a little tempted at first, he didn't do anything. I

didn't expect you to drug me later on. I was really angry at that time and was angry for a long time. But after thinking about it, I realized that if I really restrained myself, Wanwan, you wouldn't have gotten away with it. But I don't have Yingluo."

so, I later confirmed that I was actually just going with the flow. Anyway, Yingluo, I want you. By doing this, you can exonerate me from the crime of raping a woman. It's pretty good.

After saying that, Liancheng Yazhi looked at Rong Yan fawningly, hoping that she wouldn't be angry.

Rong Yan blushed and reached out to Pat Liancheng Yazhi. "alright, i can't believe you actually had such thoughts. i always thought that i was a little guilty about what i did back then. i didn't expect you to have such ill intentions from the beginning.

Liancheng Yazhi grabbed her hand and kissed it, trying to please her. honey, I was wrong. You're just too charming. I can't resist you.

Rong Yan glared at him and asked,"then, Huahua, if I hadn't drugged you that time, would you have gone to see Huahua

Rong Yan didn't finish her sentence, but Liancheng Yazhi knew what she wanted to ask. He reached out and pulled her into his arms. "i don't know about this, qianqian. before i tasted you, i had quite a lot of self-control when it came to women. i think if you hadn't drugged me, i definitely wouldn't have made a move on you the first time we met. however, if we were to meet by chance a few more times, i would have made a move on you, because i would have felt that you were a woman that god had prepared for me. '

Liancheng Yazhi lowered his head and kissed Rong Yan. however, I can be sure now that you're really the wife that the heavens have prepared for me.

Rong Yan's heart was filled with sweetness, but she still put on an angry look on her face. She reached out and poked Liancheng Yazhi's chest. "Hmph, Yingluo, don't say it so well. I'm still suspicious of you."

Liancheng Yazhi immediately raised his hand seriously. the real Yingluo is real. Not a single word is fake.

The corners of Rong Yan's mouth couldn't help but curve up.

She still had one last secret in her heart, but she didn't know if she should say it or if she should muster the courage to say it to Liancheng Yazhi because this secret sounded too outrageous.

Rong Yan looked at Liancheng Yazhi and thought to herself, "She would hide it for a while longer. She would tell him when she had the courage to say it."

Rong Yan took a deep breath and suppressed this secret for the time being. She asked, "Didn't you say you were going to see Dong Tian today? when are you going?"

Liancheng Yazhi looked at the time. It was almost six o'clock. He said to Rong Yan, "I'll be there in a while. I might not be able to accompany you for breakfast at home. Dong Tian and the others have to leave by plane early in the morning."

Chapter 2000: Roses are always a woman's favorite

Rong Yan wanted to sit up. then you should eat something before you go. I'll get the kitchen to make breakfast for you.

Liancheng Yazhi reached out and gently pulled him down. no need. After I come back, you have breakfast with me.

Rong Yan nodded, "alright then, Yingluo, Yingluo."

"You sleep a little longer, I'll go wash up."

"En, Zhenzhen."

Liancheng Yazhi kissed Rong Yan's forehead. good girl.

After washing up, Liancheng Yazhi came out and found that Rong Yan had already fallen asleep. He smiled and walked over to cover Rong Yan with the blanket. He put her exposed hand under the blanket.

Liancheng Yazhi lowered his arms and left the house.

After meeting Dong Tian, he said a few words to him and told him not to panic in the face of danger.

In any case, if he could get first place in this assessment, he would be allowed to go home and rest for a week to accompany MeowMeow.

Dong Tian was overjoyed. He nodded his head vigorously. yes, I'll definitely get first place. Please tell MeowMeow to wait for me to go back and play with her.

Liancheng Yazhi rubbed Dong Tian's head. The little boy at this age was still growing, and now Dong Tian had grown a lot taller.

Standing in front of Liancheng Yazhi, she was almost at his chest.

In a few years, he would be able to take charge of a region on his own.

Liancheng Yazhi was very pleased to see winter's growth. The more outstanding this kid was, the more he would be able to protect MeowMeow in the future.

Liancheng Yazhi sent Dong Tian off on the helicopter. After the helicopter was far away, he got on the car and left.

On the way, Liancheng Yazhi saw a flower shop in the car.

He was stunned for a moment and suddenly remembered.

It seemed that Yingluo had never officially sent flowers to Rong Yan.

This made Liancheng Yazhi suddenly feel guilty. He quickly asked the driver to pull over and got out of the car to buy flowers for Rong Yan.

The flower shop was full of dazzling flowers that dazzled people's eyes. Liancheng Yazhi looked around and felt a little embarrassed.

I'll buy roses, but roses seem a little tacky now.

He didn't know what to buy.

in the end, the boss could see Liancheng Yazhi's difficulty and asked, "Sir, may

I ask who you are giving the flowers to?"

"My wife," Liancheng Yazhi replied with a smile. "So red roses are the best choice?"

Liancheng Yazhi frowned and did not say anything.

the owner guessed that he thought red roses were too tacky now, so he smiled and said, " " even though red roses are considered tacky now, as a woman, what I hope to receive the most is a bunch of worthless roses from my husband. this is because to a woman, red roses represent something different from other

flowers. '

"Really?" Liancheng Yazhi raised his eyebrows.

of course. You can buy a bouquet first. If your wife doesn't like it, I can change it for you for free.

Liancheng Yazhi thought for a while and said, 'then pack a bouquet of roses.'

&Nbsp;

"How many flowers do you want?" the boss asked.

Duo Liancheng Yazhi knew a little about this and said, "99 flowers." The boss was especially happy when he heard that. He asked for 99 flowers in one go. He was indeed a rich man. He had just opened the shop early in the morning and he had already welcomed such a rich man. Today's business would definitely not be bad. "Alright, please wait a moment," she quickly said.

The boss moved very quickly. He asked several of the shop assistants to help pick the roses, trim them, and then quickly wrap them into a bouquet.

The boss wrapped the flowers and handed them to Liancheng Yazhi. "Sir, your flowers are ready.."
