

Permit Me 201

Chapter 201 she doesn't want to see you

He thought to himself, "see, what did young master ya ask you to be so arrogant for? you obviously wanted to die, but you didn't contact her for three days. Now, miss Rong is angry. You want to see her, but she doesn't want to see you."

After Secretary Zhou finished sighing, he suddenly thought, 'damn it, why should I be gloating? If miss Rong didn't come, young master ya's city gate would definitely be on fire, and he would be the one affected.

Secretary Zhou patted his head. How should he inform the boss? What should I say so that young master ya won't burn down Liancheng?

No matter how he thought about it, the result was the same. It was useless. No matter what, he could be burned to death.

Secretary Zhou knocked on the door of the president's office with trepidation. After entering, he stood in front of Liancheng Yazhi uneasily. young master ya, Qianqian, that Qianqian.

Liancheng Yazhi didn't look up. His fingers were flying on the keyboard. speak.

Secretary Zhou swallowed twice and said, "young master ya, that ran ran, that miss Rong, she ran ran."

Liancheng Yazhi's hands that were dancing on the keyboard suddenly stopped and went back to work two seconds later. He seemed to ask nonchalantly, "What happened to her?"

secretary zhou gritted his teeth and said, " I called miss Rong just now, but Qianqian ... She's outside right now. It seems to be an emergency. She said that Qianqian won't be back at 7:30. Secretary Zhou mumbled the last few words, and the pronunciation was almost inaudible.

Very good. After he said this, Liancheng Yazhi's actions stopped completely. He also looked up at Secretary Zhou. His face was expressionless for the time being, and his eyes were quiet. There was no sign of a storm. He only said in a normal voice, "He's outside? Urgent matter? You can't go back?"

secretary zhou shivered violently. boss, you should at least give some signs of getting angry. the more you act like this, the scarier you'll be.

His voice trembled slightly. it's Qianqian. I heard the sound of a car parking over the phone. Miss Rong is indeed outside.

Liancheng Yazhi's fingers tapped on the table lightly, and the crisp sound was like a knock on Secretary Zhou's heart.

the haze in his eyes gradually intensified. with a smile on his lips, he asked, " it's past five in the afternoon. What's she doing outside at this time? "

He had gone shopping during the day and should be back at this time.

Other than being angry with him, Liancheng Yazhi could not think of any other reason.

Secretary Zhou stammered. maybe Yingluo can eat Yingluo. Oh right, I remember now. After the call went through, I heard miss Rong say,'teacher, go to Qiming high school'.

Liancheng Yazhi's brows furrowed,'Qiming high school? What's that?"

Secretary Zhou let out a dry cough. Young master ya was such a jerk.

"young master ya, miss rong's sister, rong nuo, seems to be studying at a famous high school."

Secretary Zhou was familiar with Rong Yan's background and quickly found the reason why she went there.

Liancheng Yazhi's face was unhappy,"looking for Rong nuo at this time?"
Something's not right. He's clearly still angry.

Secretary Zhou comforted him. young master ya, there doesn't seem to be anything wrong with this. Rong nuo is currently in her third year of high school. Miss Rong might not want to delay her class during the day, so she went to see her at this time.

liancheng yazhi pushed the laptop in front of him to the side in frustration and waved his hand to ask secretary zhou to leave.

Chapter 202 Your Grandpa

lian Cheng yazhi pushed the laptop in front of him to the side in frustration and waved his hand to ask secretary Zhou to leave.

Secretary Zhou quickly left. He felt that he was very wise. He didn't say Miss Rong's words about young master Ya finding another woman. Otherwise, he would never have left unscathed.

After secretary Zhou left, Lian Cheng Yazhi stood up and kicked the heavy chair over. He gritted his teeth and said, " " Good, Rong Yan. You still dare to be angry with me. Just you wait, I'll deal with you tonight. "

What the sugar daddy was thinking now was, how many times were they going to do it tonight?

=====

When Rong Yan rushed to Qiming high school, the sky had already turned dark. Because Rong Nuo was good at her studies and beautiful, she was very famous. The security guards at the school gate all knew her. Rong Yan got out of the car and ran directly to the security room to ask, " " Excuse me, did you see Rong Nuo come out today? "

A dark-faced security guard said, " Oh, I saw Rong Noah today. She was the first one to run out after school this afternoon. However, she was stopped by a woman as soon as she left. She didn't hear what she said and left in a hurry. It seemed like something urgent had happened.

"What kind of woman looks like?" Rong Yan hurriedly asked.

She's very, very skinny, as if she just came back from Africa. Oh, Yingluo, right, she has a black mole on the left side of her mouth.

Rong Yan's mind suddenly felt as if someone had hit her with a hammer. A black mole by the side of her mouth immediately reminded her of a name, Jiang Nuanxia.

Rong Yan looked at the spot about three centimeters above the left corner of her mouth and asked, " " Is it growing here? "

Yes, " the security guard nodded. It's more or less in that position.

Rong Yan's last hope was gone. It was really that b * tch Jiang Nuanxia. She had taken Rong Nuo away. Why was she looking for Rong Nuo?

If Jiang nuanxia and Rong Jia knew each other, did that mean that Rong Jia had something to do with this?

Rong Yan suddenly had a very, very bad feeling.

But now, she didn't know what to do or where to find it. It was the first time Rong Yan felt such a helpless sense of defeat since she was reborn.

She thought of Liancheng Yazhi, but he did not answer her call.

Rong Yan kicked the railing on the side of the road fiercely. "Liancheng Yazhi, you bastard."

when i don't miss you, you come. when i want to find you, you don't pick up the phone. i'm asking about your family's three generations.

she called secretary zhou, but the result was similar to his master's, the line was occupied.

Therefore, Rong Yan also greeted Secretary Zhou's family of three generations.
[Secretary Zhou: I'm innocent. I've been arranging work on the phone just now because young master ya said that he would deal with miss Rong tomorrow. He won't be coming to work.]

Liancheng Yazhi, who was about to go to the banquet, shivered before he got into the car. He looked at the sky outside and frowned, suddenly thinking, 'that woman, Rong Yan, is so afraid of the cold. Maybe she didn't want to come out and get cold, so she deliberately didn't come. Yes, that must be the case.'

Secretary Zhou, who had finally arranged everything, hung up the phone and quickly opened the car door without looking at the caller ID. "Young master ya, please get in the car."

"Did you send all the new winter clothes over?" Liancheng Yazhi suddenly asked.

secretary zhou was stunned for a moment. after he reacted, he quickly said, "I've arranged for all the new styles to be sent over for miss Rong to choose."

Chapter 203 You will regret it

Secretary Zhou was stunned for a moment. After he reacted, he quickly said, "I've arranged for all the new styles to be sent over for miss Rong to choose."

Young master ya was displeased. Hmph! Those clothes are too cool even in summer. How can they be called winter clothes? "i need to keep warm."

"yes, i'll be more careful next time," secretary zhou agreed.

After getting into the car, Secretary Zhou wiped the sweat on his forehead. Boss, what are you doing? He even cared about the thickness of his clothes to keep him warm. That was all a good boyfriend could do.

=====

In the warehouse, Rong Jia was also having a headache over another matter. The strange woman had only given her money and where Rong Yan was staying temporarily, but she had not told her Rong Yan's phone number.

So if she wanted to know, she had to go through Rong nuo.

"What's Rong Yan's phone number?" Rong Jia asked as she took Rong nuo's phone.

In order to prevent Rong Jia from stealing her phone to look for Rong Yan, Rong nuo had not saved Rong Yan's number at all. She had also deleted her previous call records and text messages on the spot.

Rong nuo did not speak. The skinny woman, Jiang nuanxia, said darkly, "It's fine if you don't want to tell me. I'll give you ten minutes to think about it. If you don't tell me, these men are yours now."

Five minutes later, Rong nuo's phone suddenly rang. Rong Jia held the phone and asked, "Who is this?"

Rong nuo looked at the string of flashing numbers, and a plan flashed in her heart. She wanted to save herself and escape before her eldest sister came. Rong Jia had already gone crazy, and she dared to treat her like this, let alone her eldest sister.

Although the owner of this number is terrifying, his ability is even more terrifying. He still felt a sense of novelty towards her, so Yingluo would probably come to save her.

The phone kept ringing, and Rong nuo finally nodded slowly. "It's Yingluo, it's this Yingluo."

Rong Jia looked at her contemptuously and picked up the phone. Just as she pressed the answer button, Rong nuo rushed to shout before Rong Jia could speak, "big sister, save me, yingluo. i've been kidnapped by second sister."

if she shouted like this, that person would definitely understand.

Rong Jia turned around and glared at Rong nuo. She raised her hand and slapped her hard. did I allow you to speak now? ”

After hitting Rong nuo, Rong Jia found that the other party had already hung up the phone, and when she called again, no one answered.

Jiang nuanxia mumbled to Rong Jia for a while. Rong Jia walked over with a cold smile and slapped Rong nuo three or four times in a row.

The corner of Rong nuo's lips cracked and blood flowed out. Her cheeks were burning with pain, and her ears were ringing.

However, she still smiled. second sister, you will regret it. I may have succeeded in scheming against you today, but you will end up a thousand times worse than me tomorrow.

She had already informed that person, and she had achieved her goal. All that was left was to stall for time and wait for his arrival.

Rong nuo slowly closed her eyes and thought of that person's face. You will come to save me, right?

Rong Jia's sharp fingers ruthlessly cut Rong nuo's face, and blood quickly flowed out. She shook Rong nuo's phone, "do you think your little trick will work? there are so many missed calls from two numbers. if it's not that, then it's this."

With that, he dialed the number under Rong nuo's panicked gaze.

Her phone rang. Rong Yan's heart skipped a beat when she saw the unfamiliar number displayed on her phone.

Chapter 204 Where is Liancheng Yazhi?

Her phone rang. Rong Yan's heart skipped a beat when she saw the unfamiliar number displayed on her phone.

The number of contacts saved on her phone was pitifully few. There were only Liancheng Yazhi, Rong nuo, and Secretary Zhou, a mere three people.

rong yan had already guessed some things. she hesitated for a moment before finally pressing the answer button. "hello, yingluo."

"i don't think i need to introduce myself."

The voice from the phone was familiar and annoying. After listening to it for more than 20 years, Rong Yan could tell who it was with one ear.

Hearing Rong Jia's voice, Rong Yan calmed down. It seemed that she had guessed right. Rong nuo had been tricked away by Jiang nuanxia and Rong Jia.

Rong Yan sneered,"Rong Jia?" I didn't expect Yingluo to have the ability to find my phone number."

"Would you believe me if I said that it was Rong nuo who gave it to me?"

"I don't." Rong Yan said without hesitation.

Rong Jia's ear-piercing laughter came from the phone. you don't believe me? you really have a deep sisterly love.

after laughing, rong jia's voice suddenly changed. Rong Yan, I know that you don't care about my life or death, and you don't care about my mother's life or death, let alone Rong shenghai's. But I know that you treat Rong nuo differently from us. I won't talk nonsense with you. Let's play a game. It's nine O 'clock in the evening now, and before twelve o' clock in the morning. If you can find me, then you can replace Rong nuo.

"if you can't find one, then our good sister will have to suffer. i've prepared four beggars for her, all to serve her. i mean what i say, zhenzhen. those beggars haven't touched a woman for many years. when they see a young and beautiful virgin like rong nuo, they can't hold back, zhenzhen."

"oh, i almost forgot to tell you. you have to do it yourself. if i see another person beside you, the four will become eight, sixteen yingluo. do you think our little sister's weak body can withstand it?"

Rong Yan's fingers dug into her flesh, and her voice was terrifyingly calm."You think you can threaten me like this?"

Rong Yan thought of Rong Jia's madness, but she did not expect her to be so inhumane that she would use such a despicable and inhumane method on Rong nuo, who was still a child.

the two words 'rong jia, rong jia xuanji' became the most hated word in rong yan's heart at this moment. it was nauseating to even mention it, and she really wanted xuanji to kill her.

Rong Jia laughed wildly on the other end. I'm not threatening you. I'm just telling you that it's up to you whether you want to come or not.

Rong Jia, I'll make you regret living. Rong Yan's cold voice was heard, and Rong Jia's body trembled.

After saying this, Rong Yan hung up the phone. At this moment, her face was frighteningly gloomy as she gritted her teeth and spat out two words, "Rong ... Jia!"

it was already 9:40 p.m., almost 10 p.m. there were still more than two hours before the midnight that Rong Nuo had said. This grotesque and variegated imperial city was so big, but she had no idea where Rong Jia was hiding. Rong Yan did not even have the time to curse. She immediately called Secretary Zhou. Fortunately, Secretary Zhou finally picked up after three or four consecutive calls.

"Where's Liancheng Yazhi? where is he?" Rong Yan asked.

She knew her own ability. Liancheng Yazhi had to help her with this matter, or else Qianqian would not be able to protect Rong Nuo.

.....

Chapter 205 You're not allowed to move a single step

She knew her own ability. Liancheng Yazhi had to help her with this matter, or else Qianqian would not be able to protect Rong Nuo.

Secretary Zhou was still in the midst of arranging the company's work schedule for the next day. As soon as he hung up, his phone rang again. Seeing that it was Rong Yan, Secretary Zhou was puzzled at that time. Was Miss Rong going to attend a banquet? But it was too late.

"Miss Rong, is there anything I can help you with?" he asked.

Rong Yan's voice was impatient and cold. "I don't have time to talk nonsense with you now. Tell him to do me a favor. My sister, Rong Nuo, has been kidnapped. The other party wants me to go alone, but he doesn't tell me where the location is. I know young master ya's ability. Help me save Rong Nuo. As long as he helps me, I will agree to all his requests."

"What? Your sister has been kidnapped. Don't worry, Miss Rong, I'll tell young master ya." Secretary Zhou shivered. Damn, this is a big deal. If young master ya doesn't know about it, he can't even imagine the consequences. He was about to turn around and look for Liancheng Yazhi.

The phone in his hand was suddenly snatched away, and Secretary Zhou was shocked. When he turned around, he saw that Liancheng Yazhi had already taken his phone and strode out. As he walked, he pulled off his tie and threw it on the ground. He stepped on it and said in a cold voice, "Where are you?"

Under the surprised gazes of everyone at the banquet, Liancheng Yazhi walked out with a terrifying aura, and Secretary Zhou quickly followed.

“I’m Yingying!”

Rong Yan had just said one word when Liancheng Yazhi roared at the phone. “No matter where you are, stand still and don’t move. Before I go, you are not allowed to move a single step. If you dare to go by yourself, I will not let Rong nuo off even if you save her.”

For some reason, hearing Liancheng Yazhi’s roar, Rong Yan’s anxious heart was instantly soothed, like she had grabbed a piece of floating wood when she was drowning.

Rong Yan adjusted her breathing and said in a slightly trembling voice, “The person who kidnapped Rong nuo was Rong Jia. She told me to go by myself. She said that if I brought someone else, or if Qianqian didn’t find her before 12, she, Qianqian, would order someone to rape Rong nuo. Mr. Liancheng, can you help me? Rong nuo is still a child.”

Rong Yan knew very well that she was begging someone now. She wasn’t capable enough and had to ask Liancheng Yazhi for help, and when she was begging someone, she had to have the attitude of begging.

Liancheng Yazhi had not contacted her for three days, so she was not sure if he had the intention to end their relationship again. She had to make him soft-hearted and then help her with all his might.

Rong Yan was even more aware that even if she knew where Rong nuo was, she couldn’t go alone because it was too dangerous. If she went, the people and dirty things that Rong Jia had prepared would definitely fall on her.

And that was the bottom line that she was most resistant to, most disgusted by, and most did not want to be touched.

Rong Yan’s voice trembled with a hint of crying. Liancheng Yazhi immediately thought of how she was so afraid of the cold at this moment, standing alone and helpless on the cold, cold Street, surrounded by fear and panic.

Suddenly, he felt a sharp pain.

Liancheng Yazhi walked quickly, wanting to rush to Rong Yan’s side immediately. He said, “Wait for me. Don’t move. Even if she calls again, don’t move. Two hours is enough to find someone in the capital. I’m here. I’m here. Do you understand?”

Chapter 206 Alright, I'll wait for you

“Wait for me. Don't move. Even if she calls again, don't move. Two hours is enough to find someone in the capital. I'm here. I'm here. Do you understand?”

rong yan's voice trembled, “alright, i'll wait for you, yingluo.”

lian Cheng yazhi asked where rong yan was, opened the car door, got in, and ordered secretary zhou to drive over at full speed.

Lian Cheng Yazhi sat in the back seat and kept making calls.

“Immediately activate the entire city search and locate Rong nuo's phone. Distribute the photos of Rong nuo and Rong Jia and mobilize everyone to search for her at the same time. Find her within an hour.”

Lian Cheng Yazhi dialed Feng nongtang's phone again. “Do me a favor. Mobilize all your men to find a girl named Rong nuo in the venue under your protection. I will send you her photo later. She has been kidnapped, and I will send you the photo of the person who kidnapped her. You must find a clue within two hours.”

There were all kinds of entertainment venues in the imperial capital, and more than half of them had the surname 'Feng'. These places were the most popular places for fish and Dragons to mingle, and all kinds of news were the fastest to come from.

lian Cheng yazhi did not wait for feng nongtang to speak and pressed the hang up button, continuing to make the call to give the next order.

Feng nongtang was confused after the call was hung up. He scratched his head and said, “another urgent call. Who is this Rong nuo? why are they all looking for her today?”

One of Feng nongtang's underlings asked, “Young master Feng, are we still going to continue searching?”

feng nongtang slammed the table. “we have to find it. work hard for me. if i can't even do this little thing, how can i raise my head in front of young master ya in the future?”

Feng nongtang touched his chin and said, “this is interesting. One or two of them are looking for Rong nuo. I'll go and see what this little girl is made of.

=====

secretary zhou drove the car very fast. his right foot never left the accelerator, so the brakes were useless. along the way, he rushed forward whenever he saw a red, and overtook any car in front of him. he drove the luxury car like a racing car. that fierce speed was completely different from his refined appearance.

When they reached the place Rong Yan mentioned, Secretary Zhou hurriedly said, " "Young master ya is almost here."

At that moment, Liancheng Yazhi was making his last call.

" get the helicopter ready. we'll set off at any time after we lock onto the location."
"

After talking to Xi Yazhi on the phone, Rong Yan began to count the time. One minute, two minutes had passed, and it was more difficult for her to count the time than ever.

When she counted to ten minutes, a black car stopped in front of her like a gust of wind before she could react. The friction between the tires and the ground made an ear-piercing sound, and Rong Yan's ears, which had been frozen and numb, felt a sharp pain.

before the car could even come to a stop, the back door opened and a tall figure got out of the car. rong yan's eyes widened in surprise when she saw him.

"What happened?" Ten minutes?

The first thing Liancheng Yazhi saw was Rong Yan's Red Nose and cheeks from the cold. Her delicate body was trembling in the cold wind, almost unable to bear the cold of the winter. His heart suddenly tightened when he saw this.

Liancheng Yazhi strode over, his body completely covering Rong Yan as he angrily rebuked, " "Are you an idiot? You don't even know where to find a place to sit and wait."

Chapter 207 You told me not to move

Liancheng Yazhi strode over, his body completely covering Rong Yan as he angrily rebuked, " "Are you an idiot? Don't you know how to find a place to sit and wait?"

Rong Yan was shivering from the cold, her hands, feet, and face almost unconscious. She said, " "Yingluo, you, Yingluo, you said not to let my Yingluo move."

During the ten minutes of counting time, Rong Yan's heart felt like it was on fire every second. She didn't have the heart to think about whether she should find a warm place to take shelter from the wind.

However, Liancheng Yazhi's angry roar just now made Rong Yan's mind instantly clear. Her current appearance was beneficial to her. She needed to use this method to show weakness and win his pity.

Forgive her for being calculative all the time. After being betrayed so many times and being killed by the person she trusted the most, Rong Yan really didn't dare to rely on others with all her heart.

She was afraid that if she completely gave up her own abilities and relied on others, she would end up in the same miserable state.

is your brain frozen? if I don't let you move, you won't tease you. Liancheng Yazhi really felt that he was so angry that he couldn't speak. Looking at Rong Yan trembling in the wind and her aggrieved and frightened eyes, his heart suddenly softened. He pulled her into his arms, opened his clothes, and wrapped her in his arms.

At this moment, more than a dozen cars stopped behind the car that Liancheng Yazhi was in.

In front of them was a white RV. A man wearing headphones got out of the car and quickly walked to Secretary Zhou's side to say a few words.

Secretary Zhou nodded and glanced at the two of them who were hugging each other. Just as he was about to go forward, Liancheng Yazhi had already picked up Rong Yan and quickly got into the car. Secretary Zhou had already turned the air conditioner on high.

Holding Rong Yan was like holding a popsicle. Liancheng Yazhi took off her coat and stuffed her into his arms. He grabbed her cold hands and placed them on his abdomen.

Liancheng Yazhi gritted his teeth in the cold and scolded her, " "Didn't you know to wear thicker clothes before you came out?"

Rong Yan's body temperature was gradually returning. it was noon when I came out. I thought I would be back before five in the afternoon, Yingluo, but I didn't expect this to happen.

With Liancheng Yazhi by her side and feeling the warmth from his body, Rong Yan's panic and uneasiness calmed down a little.

Who was Liancheng Yazhi? he was the most powerful young master in the imperial capital. Even though she had been with him for so long, Rong Yan still

didn't know how powerful he was. The so-called "having eyes and hands everywhere" was probably referring to people like him.

As long as Liancheng Yazhi agreed to help her, it would not be a problem to find Rong nuo.

Rong Yan moved her stiff arms and wrapped them around Liancheng Yazhi's strong waist. She pressed her face against his chest and murmured in a low voice, "Rong Jia kidnapped Rong nuo to force me to show up. She has gone crazy and completely lost her humanity. She said that if I found her location before midnight, I could replace Rong nuo. If she left, I would stay. At that time, the beggars that Rong Jia prepared would be the Hanhan that she left for me."

When Rong Yan said this, Liancheng Yazhi's arm that was holding him suddenly tightened, and the terrifying murderous aura from his body spread in the car. we shouldn't have let that kind of woman jump around until now. Secretary Zhou, have you found a place?"

Hearing Rong Yan's words, Liancheng Yazhi's eyes almost turned red. This b * tch who doesn't know her place doesn't deserve to live at all.

Chapter 208 A good man

Hearing Rong Yan's words, Liancheng Yazhi's eyes almost turned red. This//tch who doesn't know her place doesn't deserve to live at all.

Secretary Zhou had headphones on and was in constant contact with the technical staff in the RV behind. He said to Liancheng Yazhi,"The general direction has been determined, but the precise location still needs time. Miss Rong, why don't you give the kidnappers a call? the cell phone signal is the strongest during the call, so we can capture them faster."

Rong Yan nodded. She quickly took out her phone and dialed Rong nuo's number.

Rong nuo's phone was now in Rong Jia's hands. If she did not answer this call, Rong Yan would then call the unknown number that Rong Jia had just called.

Fortunately, the call went through after ten seconds.

After the call was connected, Rong Yan said directly, "Rong Jia, don't go too far. The capital is so big, how can I look for her alone? I really wonder if you are looking for me or deliberately dealing with Rong nuo."

Rong Jia's ear-piercing laughter could be heard."Big sister, what are you saying? why would I deliberately go against our little sister? my target has always been

you, big sister.”

Rong Yan sneered. are you brainless at all? according to what you said, I can't find you before 12 o'clock. If I can't find you and Rong nuo has already been violated, then I don't have to take the risk and you can forget about finding me in the future.

“You're so silly!”

Rong Yan's hand was pinched by Liancheng Yazhi. Rong Yan looked at him in confusion and continued, ” “Let me remind you, I've tried my best, but if I can't find it, I don't think Xuanji rongruo will blame me.”

On the other end of the phone, Rong Jia was moved by Rong Yan's words. She looked like she was struggling. Her target was, of course, Rong Yan, but what Rong Yan said was true. With her ability, she could not find the place.

While Rong Jia was struggling in her heart, Rong Yan's voice sounded again. ” on the other hand, qianqian, if you tell me the location, not only will i go there alone, but i will also bring a large sum of money. aren't you jealous that i'm living better than you now? i'm rich and i've found a good man. as long as you have money, you will have everything too. ”

Liancheng Yazhi raised his eyebrows. Good man? Was she talking about him?

Secretary Zhou saw Liancheng Yazhi's expression through the rear mirror and secretly pouted. Young master ya, your mood has improved, but don't you think that it's not the right time for you to be happy?

Miss Rong's heart is still struggling in deep water and hot fire, how can you be happy?

rong yan's words made rong jia excited. money, a lot of money. she really wanted it.

but jiang nuanxia whispered something in her ear and the joy on her face faded. ” sister, i'm stupid, but qianqian, if i tell you the location, you might call the police immediately and come with the police. you can send your mother to prison for such a small matter, and you won't be soft on me. ”

Rong Yan's hands clenched tightly. you really grew a brain for once. That's right, as long as there's a chance, I will never let you go. Sending you to prison is already a light punishment. I will ... Kill you.

This was the third time Rong Yan had the intention to kill after she was reborn, and it was towards her own sister.

Rong Jia laughed sinisterly. you don't even recognize your own family and killed your sister with your own hands. Big sister, your heart is really so soft. Compared to you, I feel that I'm a very kind person. Oh, there's someone who has always wanted to get to know you. She wants you to talk to her.

Chapter 209 change the way of playing

Soon, Rong Yan heard a hoarse female voice.

"Hello, miss Rong. Although you may not know me, I have long heard of you."

her voice was very strange, as if she was sleeping in the middle of the night and suddenly found someone at the head of the bed. it was so shocking that you suddenly felt scared.

That was exactly what Rong Yan was feeling right now. No matter how familiar that voice was, she couldn't hate it more. It was Jiang nuanxia.

"Jiang-Nuan-Xia." Rong Yan's voice was as sharp as a knife as she shouted these three words. Her eyes were mixed with hatred as if she wanted to skin her alive.

Jiang nuanxia was stunned. She did not expect Rong Yan to know who she was, and to be able to recognize her just by her voice. They must be very familiar with each other. However, she had only heard of Rong Yan before and had only seen her twice from afar when she was in miyin. She did not know who Rong Yan was at all.

"How did you know my name?" Jiang nuanxia asked.

"You don't have to care how you know. Since you and Rong Jia have decided to go down the same path, I'll fulfill your wish," Rong Yan said coldly.

Since Rong Jia and Jiang nuanxia were both there, it was a good time to cook them up in one pot.

rong yan's hands were clenched so tightly that her nails dug into her flesh. after liancheng yazhi saw this, he glared at her fiercely, grabbed her hand, and pried open her fingers one by one. seeing the crescent-shaped blood marks on her palm, he really wanted to grab her and beat her up.

Jiang nuanxia laughed out loud. miss Rong, you sound so confident. I know the man behind you is powerful, but we're ready to risk everything. As soon as I see

you with your men, I'll kill Rong nuo immediately. Let's see who's faster, you guys or me.

also, from now on, the game will change. It's 10:20 now. If you're not here by 11:00, we'll pick the first man for your sister. If you're not here by half an hour, we'll pick the second man, and so on. If you don't come, we'll keep playing until your sister dies. If you want to collect her body, we'll be merciful and leave her body to you.

Rong Jia was brainless and easily enticed by others. She was also very jealous, but Jiang nuanxia had a vicious heart. If there was anything similar between the two women, it would be their jealousy!

Jiang nuanxia was jealous of Rong Yan. Miyin had been jealous of Rong Yan since she saw Rong Yan holding Liancheng Yazhi's arm and walking in and out arrogantly. They were both women, but Rong Yan had such a good life, while she had to sleep with different men in exchange for a small income.

after she found out that rong yan was rong jia's sister, her jealousy burst out again. she spared no effort to help rong jia think of all kinds of ways to deal with rong yan.

She wanted to see Rong Yan fall into the mud and never get up again. She wanted to see her being defiled by the world's lowest and dirtiest man. She wanted to see how she could still be proud.

For some reason, in Jiang nuanxia's mind, she felt that Rong Yan shouldn't be living such a good life. She should be living a life 10000 times more miserable than her current life.

Rong Yan suppressed the anger in her heart. this is a good way to play with it. However, it's more suitable for/b/tch like you/

" we'll see, " jiang nuanxia said with a sinister smile. " see you again, miss rong. i'm looking forward to our meeting. "

Rong Yan lifted her chin. that's right. You should be very, looking forward to it. because the day we meet will be the day you die!

Chapter 210 your death

Rong Yan lifted her chin. that's right, you should look forward to it.

Because, when we met, it was.

After being reborn, Rong Yan was not going to waste her time. She would make Jiang nuanxia and Rong Jia suffer a fate worse than death.

After hanging up the phone, Liancheng Yazhi realized that Rong Yan was a little dazed. He pulled her into his arms and asked, "What's wrong?"

rong yan grabbed liancheng yazhi's hand helplessly and looked up to ask him, "I'm fine, Yingluo. Have you found their location? They've brought the time forward, they have to find him before 11 O'clock, otherwise, I can't imagine what will happen to Rong nuo ..."

Secretary Zhou hurriedly replied, "miss ya shaorong, the target has been locked on. He is in the old workshop of the east wind weaving branch in the north of the city. We will rush over at full speed now.

Liancheng Yazhi immediately frowned when he heard this. no, it will take 30 minutes to get to the north of the city from here even if we drive at full speed. Get the helicopter over immediately.

Secretary Zhou's eyes widened as he glanced at the cars that passed by from time to time. but ran ran, are you on the road? "

They were on an ordinary Street in the imperial capital. At this time, there were still many cars on both sides of the road, and many of the buildings on both sides were lit up. If the helicopter were to fly over, how big of a commotion would it cause?

Those who didn't know better would think that something terrible had happened.

liancheng yazhi looked at him as if he was looking at an idiot."I know,"

Of course, he knew how big of a commotion it would be. That was why he informed Secretary Zhou and asked him to make arrangements.

Secretary Zhou gulped and slowly stopped the car. yes, young master ya. I'll arrange it immediately.

The boss gave an order, and the Secretary ran until her legs broke.

He quickly got out of the car and informed the few cars behind him. Then, he informed the helicopters that were on standby and ready to set off at any time. He told them the coordinates of Liancheng Yazhi's current location and asked them to come as fast as possible.

after making the arrangements, secretary zhou got into the car. " young master ya, the helicopter will come in six minutes. "

Liancheng Yazhi nodded. go and arrange for the clearance.

secretary zhou was stunned for a moment, but then he quickly understood. the boss said to clear the area so that he could stop all the passing vehicles and use this area as a temporary airport to make room for the helicopter to land.

Secretary Zhou received the order and got the people in the cars behind to get out. After drawing out a boundary, he got them to stop all the cars coming and going.

in just a few minutes, the entire road was blocked, and vehicles were blocked on both sides. many drivers honked their horns, stuck their heads out of the window, and cursed.

Secretary Zhou glanced at his watch. They were almost here. There were only three to four minutes left.

the drivers were so loud that secretary zhou glanced at them in annoyance. then, he turned around and gave a look to the people who were blocking the taxi.

In the next second, those people took out a gun from their waists at the same time and fired into the air. After a few loud clattering sounds, the world fell silent.

At this moment, the roar of a helicopter came from the sky. Secretary Zhou's face lit up and he quickly ran to the car to report.

“Young master ya, the helicopter is here.”

Liancheng Yazhi nodded and let Rong Yan put on her clothes. He pulled her hand and got out of the car.”How many came?”

Secretary Zhou replied, ” two of them came. I’ve sent the rest over. I’ve already sent them the satellite map of the target’s location.

” good, you did well. organize the people to board the plane. the rest of you, get on the bus as soon as possible. ”
