

Permit Me 2021

Chapter 2021: You 're the one I like more

“Not yet,” Tang Zong shook his head.

“I’ll go upstairs first.” Liancheng Yazhi directly took the flowers upstairs to deliver them to Rong Yan.

Rong nuo’s face was full of envy. She turned her head and looked at Tang Zong with a complaining look. She pouted her lips and said, look at brother-in-law, and look at yourself. Have you ever given me flowers? ‘

Only then did Tang Zong realize that the number of times he had sent flowers to Rong nuo was indeed very few, and he felt a little guilty.

I’ll send you flowers every day from now on, ” she said, trying to please him. I promise you that you won’t want to see flowers anymore one day.

Rong nuo’s expression became a little better. Humph, it’s useless to say all this now. Wait until I see it.

i promise, really, really, i’ll do better than brother-in-law. ”

liancheng yazhi gently pushed the door open. he wiped the flowers behind him and went in.

in the bedroom, rong yan had already gotten up and was sitting in front of the dressing mirror, gently combing her hair with a comb.

From the mirror, she saw Liancheng Yazhi walking over from behind and asked with a smile, ” “i didn’t see you when i woke up this morning. where did you go?”

Liancheng Yazhi put his arm around Rong Yan’s shoulder from behind. I thought that I could come back before you woke up, but I didn’t expect that something small would happen and I would be delayed.

Rong Yan turned around, “what are you going to do?”

Before she could finish her sentence, the scene in front of her eyes was filled with a bright red lock. the fragrance of the rose lingered at the tip of his nose. on the delicate petals, some of them were still dewdrops. it was obvious that they had just been picked not long ago.

The expression on Rong Yan’s face slowly changed from surprise to a smile.

She really did not expect Liancheng Yazhi to wake up so early in the morning just to go out and buy her a bouquet of flowers.

He also did not expect that Liancheng Yazhi’s promise to give him a better bouquet of roses yesterday would come true so quickly.

Rong Yan’s eyes were a little hot. When Liancheng Yazhi held the bouquet of flowers, she felt that he was holding her heart, making her really feel the feeling of being cared for.

Liancheng Yazhi half-squatted in front of Rong Yan. “Do you like it?”

Rong Yan did not reach out to take the flowers immediately. Instead, she hugged Liancheng Yazhi over the big bouquet and lowered her head to kiss his lips. She nodded with a smile. “I like it, it’s from you, I like everything Yingluo, but Yingluo”

Rong Yan paused for a moment and said, “I like you more.”

Liancheng Yazhi’s good mood was instantly amplified by this sentence. He said, “Of course you have to like me more. It’s fine that MeowMeow is a little girl, but even if you have this kid in the future, the man you like the most has to be me.”

Rong Yan snatched the words from Liancheng Yazhi's hand and smiled awkwardly. "If you get jealous of your son, he'll cry,"

Liancheng Yazhi put his arm around Rong Yan's shoulder. "don't worry, my son doesn't like to cry that much. i'll train him well in the future."

Liancheng Yazhi had thought about it himself. When his son was born and he could walk, he would let winter have time to come back and take care of him when he was almost done with his training. He had been trained to be a man since he was young.

She was surprised to receive flowers from her husband early in the morning. As long as she was a woman, she would be in a good mood. Rong Yan put the flowers from Liancheng Yazhi in a vase, put nine flowers in the bedroom, a few in the living room, MeowMeow's room, Gu Hesheng's room, and Tang Zong and Rong nuo's room.

The 99 roses were placed in many places in the house. They could be seen almost everywhere..

Chapter 2022: He turned around too late

While they were eating, Tang Zong looked at the red roses on the dining table, and his faint eyes kept looking at Liancheng Yazhi.

He really wanted to say, brother-in-law, why didn't you call me when you went to buy roses so early in the morning? I feel like a failure now.

at the dining table, meowmeow asked liancheng yazhi, "Daddy, why did you only give mommy flowers and not me?"

Liancheng Yazhi laughed and pinched MeowMeow's little face. "baby, this is a rose. daddy can only give it to mommy. if you want it, you'll have to wait until you're older and another boy will give it to you. for example, yingluo's winter."

Meowmeowmeowmeow pouted and said, "why wait until you're all grown up? Can't I have it now?"

Rong Yan bit her chopsticks. it seems that you don't need to grow up. When winter comes back next time, you can ask him when he will send you flowers.

The couple now hoped to be with MeowMeow in the winter. The child they raised would definitely be good to their daughter.

MeowMeow looked at the beautiful flowers and nodded. "En, I'll ask Brother Winter for more next time."

Rong Yan smiled. baby, girls have to be reserved. It's not good to ask others for things. You have to ask winter if Qianqian can give you a bouquet of flowers.

Liancheng Yazhi fed Miaomiao a mouthful of milk. you're still young. You'll understand how different you are when you grow up. Hurry up and eat. Don't be picky with your food. Eat your food honestly. That's the only way you can grow taller and faster.

Finally, meowmeowmeowmeow's problem was solved. Everyone heaved a sigh of relief. If this little princess kept asking, it would be quite unbearable.

Rong Yan remembered something and asked Liancheng Yazhi, "You said that you were delayed by a small matter. What is it?"

"Oh, it's nothing much. I just met Tang han at the door when I came back."

"brother-in-law, you met my brother in front of our house?" tang zong was especially surprised. What is he doing here?"

Liancheng Yazhi casually said, "his boss asked him to be a lobbyist. He wanted to talk to Kang kun. I didn't agree. He also knew that I wouldn't agree, so he just told me and left.

rong yan was a little surprised that tang han had left so easily. " tang han seems to be quite calm now. " liancheng yazhi recalled his conversation with tang han and smiled as he repeated it. " yes, he's much more carefree than before. I asked him if he wanted to come home so early for breakfast, and he actually replied that he was here for breakfast, and he refused to come.

Tang Zong nodded his head. my brother has indeed changed a lot recently. I've met him a few times over the past few days. I can clearly feel that he has become more open-minded about many things. rong yan's interest was piqued and she began to gossip. she asked tang zong, you said last time that he plans to reconcile with youran. How is it going? any progress? "

"I don't think there's a chance for that. My brother came back too late." Tang Zong shrugged.

Oh, that's right. Sister youran's sister, Gu liunian, was released from prison a few days ago. I think she saw my brother in the shop a few days ago and left on the spot. I'm not sure what happened after that, but it seems that sister youran can't find her. Even if sister youran's heart softened one day, with Gu liunian around, sister youran won't get back together with my brother.

After he finished speaking, Tang Zong even sighed.

Rong nuo's expression was a little strange.. She asked Tang Zong, "What did you just say? Gu liunian?"

Chapter 2023: Not a simple character

Tang Zong noticed that the expression on Rong nuo's face seemed to be very strange. He quickly put down his chopsticks and asked her, "yeah, gu liunian." "Just got out of prison?" Rong nuo asked again.

Tang Zong nodded, "it was Yueyue who was released from prison. Why? could it be that Yueyue knows Yueyue?"

Rong nuo nodded. when I was in prison, the first person I was in was called Gu liunian. I don't know if I'm talking to you about the same person? "

"Didn't I tell you before that Gu youran's sister's name is Gu liunian?" Tang Zong scratched his head.

Rong nuo shook her head,"there's no Zhenzhen."

Tang Zong picked up some food for Rong nuo with his chopsticks. that's not a big deal. We're already out anyway. But I think it might be the same person you're talking about. The same name, and the same prison. It can't be so coincidental.

Rong nuo sighed. yes, I don't think it's a coincidence. It's just that Gu liunian, how should I put it Yingluo? he's not a simple character.

Rong Yan was a little interested and asked Rong nuo, " "How is it not simple?"

Rong nuo bit her chopsticks and thought, "didn't I say that the cell I was in before was very strange?" I've barely heard that Gu liunian speak, but every time she goes out for a walk, I can see that many prisoners are quite afraid of her.

At that time, Rong nuo was silent and didn't pay much attention to others, so she had never asked anyone why they were so afraid of Gu liunian.

Tang Zong sighed. it's not hard to understand why we're afraid of him. Gu liunian is quite pitiful.

He was locked up at the age of 19 and only came out now. He was locked up for a total of more than five years. After being locked up for such a long time, he must have been bullied in the beginning. Only by being ruthless and teaching those who bullied her a lesson can she make others fear her.

Tang Zong sighed with emotion. Speaking of which, Gu liunian's imprisonment had something to do with my brother. So, whenever sister youran thinks about it, she'll think about it. He put his only

sister in prison for five years just because of this. It's impossible for him to have anything to do with the Tang family anymore.

Gu Hesheng saw that he had said enough and said, " alright, let's not talk about them anymore. Why are we talking about this during dinner? "

The old man's words made Tang Zong immediately shut his mouth. After that, he no longer mentioned the matter of the sisters, Tang Zhen and Gu youran.

after breakfast, natsume came to look for liancheng yazhi. " "Give me some raw eggs. I want to do an experiment."

what kind of experiment? "Liancheng Yazhi was puzzled. what kind of experiment needs eggs?"

"Just give it to me: " Natsume simply said:

Liancheng Yazhi's mind changed. sure, I can have as many as you want.

However, I'll go with you to take a look. What experiments do you plan to do? "

" no! " natsume immediately refused. " ran ran, i'll let you see it after my experiment is successful. "

Liancheng Yazhi looked at him with a faint smile, which made Natsume's hair stand on end and he almost turned around to run away.

In the end, Liancheng Yazhi smiled and said, "alright, Zhenzhen."

He asked the maid to give Natsume all the eggs that were left in the kitchen.

Natsume said 'thank you' and ran back with the egg.

Liancheng Yazhi looked in the direction Natsume ran off and muttered to himself, " "Eggs!"

Back in the laboratory, Natsume wiped the sweat off his forehead and said to Kang Xi, "oh my god, liancheng yazhi is really an old fox. i feel that he's already suspicious of me asking him for eggs."

Kang Yu, who had been lying there, sat up slowly. it'd be suspicious if he didn't suspect anything..

Chapter 2024: I haven't cared about him for a few days

natsume picked up two eggs and placed one in each of kang kun's hands. " that's true. Here, Momo, you practice with one hand first. How to control your strength to the maximum without crushing this egg.

Kang Zhen nodded. He looked at the weightless egg in his hand and frowned.

Kang Zhen gently closed his palm. He didn't even use any strength, but he heard the sound of an egg shell cracking. Then, his entire palm became wet. The egg white slowly seeped through his fingers.

"do we have to use eggs?" kang yu's face darkened.

Natsume shrugged and quickly placed a trash can under Kang kun's hand. "I don't want to, but if I don't use eggs, do I have to let you pinch my beaker test tube?"

"Just make do with it. Otherwise, I wouldn't dare to let you out like this. I believe you'll learn how to control your strength very soon. Good luck."

Natsume even thoughtfully placed a towel next to Kang Yi after she finished speaking.

Kang Zhen looked at the egg liquid on his palm and his face darkened.

Natsume sat on his experiment table again and muttered to himself, " sigh, I'm really worried. I haven't even fully understood young master ya's precious daughter, and now you're here. If this is the case, I might have to live here for the rest of my life.

Kang Yu's originally gloomy face broke into a smile after hearing his words. He looked at the dozens of eggs left in the box and couldn't help but have a headache.

But in less than ten minutes, Kang Xi's headache disappeared.

That was because all of them had been shattered.

Natsume felt as if he only had the time to turn around, and when he turned around again, the round and lovely Eggs had all turned into broken shells.

“Isn’t your speed a little too fast?” Natsume hesitated for a moment.

Kang Zhen’s eyebrows were furrowed as he wiped his hands with a towel. “I’m already trying my best to control it.”

Natsume sighed. Alright, alright. Yueyue, I’ll go ask young master ya for some more.

“Don’t be too anxious. For such things, you just need to practice more. There are only a few dozen eggs here. When we get a few hundred or a few thousand later, I don’t believe that you can’t control it well.”

Kang zhaozhen

Why didn’t this sound comforting to him?

However, when Natsume went to take out the garbage, she happened to bump into Liancheng Yazhi, who was holding Rong Yan and walking around in the courtyard.

Liancheng Yazhi glanced at the garbage Natsume was throwing out.

“Why are you out of eggs? do you want me to get you some more?” he laughed.

Natsume slowly put down the trash can and nodded. hehe, Yingluo, good. Yingluo, this experiment costs a lot of eggs and may require a lot more. Young master ya, I’ll have to trouble you.

Liancheng Yazhi smiled. it’s no trouble. It’s just a few eggs. My family can still afford it for you.

Natsume smiled awkwardly. thank you for that. I’ll go back first. You guys take your time.

liancheng yazhi’s smile deepened as he watched natsume run away. “Hubby, why are you smiling so strangely?” Rong Yan asked him.

“Did I?” Liancheng Yazhi touched his face.

“Yes.” Rong Yan nodded vigorously.

“No, I just feel that today’s days are very comfortable without anyone disturbing me.”

Liancheng Yazhi put his arm around Rong Yan’s shoulder.”Let’s go, honey. Let’s go see Kang Zhen and see how he’s been. I haven’t been concerned about him for a few days.”

“Sure.” Rong Yan nodded.

Liancheng Yazhi came to the laboratory and asked Natsume to open the second door inside..

Chapter 2025: The difference between a wife and an exwife

Natsume heard Liancheng Yazhi’s voice from inside, and his expression was very conflicted.”Young master ya is here. Do you think he suspects you, Yingluo?”

“Open the door,” said Kang Zhen as he turned over and lay down.

Natsume took a deep breath and opened the door. young master ya, young Madam, what are you doing here? ”

Liancheng Yazhi walked in, supporting Rong Yan. “I’m here to see Kang Yu. I want to see how Yingluo is doing and if he can move.”

“You’re in such a hurry to throw me out?” Kang Xi asked.

Liancheng Yazhi walked over and gave Kang Yu a punch. “You’re too heartless. If I was in a hurry to throw you out, I would have gotten Tang Zong to throw you out the day before yesterday.”

“I can move my arm now,” Kang Yu’s lips twitched.

natsume was speechless. they were indeed young master ya’s friends. their expressions did not change at all when they were lying, as if what they said was true.

Liancheng Yazhi helped Rong Yan sit down and said to Kang Yu, “I came to find you to tell you something. I met Tang han this morning.” kang Zhen didn’t have any feelings for tang zhen. the two of them basically didn’t have any interactions, “Him? What’s he doing here?”

Liancheng Yazhi glanced at him and said, “of course, it’s still your business.”

Liancheng Yazhi nodded. of course. What else could he be? ” he said that his superior asked him to be a lobbyist, hoping to see you and talk to you. however, i told him to go back directly. he didn’t plan to see you at all, he was just here for show.”

Kang Yu’s eyebrows twitched. he’s quite clear. I really won’t meet him.

Liancheng Yazhi thought for a moment. Since Tang han asked him to pass on the message, it was better for him to do so. He said, he told me to bring you a message. The earlier you go back, the better. If you go back too late, it will only be bad for you.

“I know,” Kang Yu nodded.

Liancheng Yazhi poked Kang Yu. Hey! When you can move, you’ll have to go through a physical examination.

“That’s normal. I’ll accept it.” Although Kang Xi was a general that the bosses loved and hated when he carried out orders from his superiors and disobeyed them if he felt that they were wrong. Even so, he was still a very serious soldier. He would treat his military uniform with a very serious attitude.

He would not refuse the investigation, nor would he avoid it. It was something he should accept. After going out to carry out such a top-secret mission, it would be suspicious. It would not return after a long time.

Even though he knew that he had not done anything to let the country down, no one else knew.

Liancheng Yazhi nodded. alright. Since you’re so calm, I have nothing else to say. [Search newnovel.org](http://Search.newnovel.org) on google

“I’ve conveyed Tang Han’s words. This is the intention of your superior. You should know the pros and cons.”

“Then you can go,” Kang Zhuo said.

Liancheng Yazhi really wanted to punch him. you’re really better off unconscious than being in a daze. he said.

“I never intended for you to like me,” Kang Zhen said.

liancheng yazhi suddenly laughed and said, ” “You’re right. Just make your wife like it.”

Rong Yan, who had been silent all this while, said, ” “That’s not right. Didn’t you say that his wife has become his ex-wife?”

Liancheng Yazhi immediately smiled and hugged Rong Yan to kiss her.

As expected, they were husband and wife. Rong Yan had already said what he had just said.

that’s right, my wife, you’re absolutely right. Since she’s already his ex-wife, she definitely doesn’t like him anymore..

Chapter 2026: being treated as a monster

Kang ”

Natsuya noticed that Kang Yu’s eyes were starting to turn red again. She quickly said, “Young master ya, I still have to do my experiment. If there’s nothing else, can you two leave first?”

liancheng yazhi glanced at kang yu’s hand and smiled. alright, take your time to recuperate. I’ll prepare the eggs for you. You don’t have to be too frugal.

Natsume smiled and nodded randomly. hehe, Yingluo, okay. Okay. Thank you.

“You’re welcome,” Liancheng Yazhi smiled.

Natsume heaved a huge sigh of relief when he finally sent Liancheng Yazhi out.

After the door was closed, Natsume clutched his chest. "Oh my God, young master ya's smile is so scary."

The red in Kang Yu's eyes did not fade. "Give me your phone."

"Huh?" Natsume was surprised.

"the phone," kang Zhen repeated.

Natsume took out his phone from a pile of equipment and handed it to Kang kun. "Yingluo, are you okay? you're still in a bad mood, right?" he asked.

Natsume asked carefully. After handing over the phone, he quickly retreated.

He was afraid that Kang Zhen would lose control of his emotions and beat him up.

No, he didn't need to beat him up. Kang Yu only needed one punch to kill him.

Although he already knew about Kang Xi's abilities, he had not tested how strong he was.

However, just the tip of the iceberg that Kang Yu had revealed was enough to shock him. No, it was enough to scare him.

"i'm fine." kang yi picked up his phone.

Natsume looked at Kang Yu's hand that was holding the phone and quickly said, "Hey, be gentle. If you break the phone, you won't be able to use it next time "

Kang Yu glared at Natsume coldly. Natsume was so scared that he immediately shut his mouth and did not dare to say another word.

Kang Xi quickly dialed a number.

"I want to know where she is when I get out of here," Kang Xin said coldly.

She didn't know what the person on the phone was asking, but Kang Yu said angrily, "Who did you say she was?"

"I don't care what method you use, but I must know when I get out. It's up to you how to find it."

Kang Yu hung up the phone after a few words.

Natsume could tell that Kang kun was calling to order the other party to find him a wife.

Natsume thought to herself, "it seems that every time young master ya comes to provoke Kang kun, he can't stay calm anymore."

Natsume was just about to ask Kang kun to pass him the phone.

Unexpectedly, in the next second, Kang Zhao exerted some force and the phone screen broke with a crack.

"You're so silly!"

Natsume wanted to cry but no tears came out. Seeing Kang Zhen's hands that were even slimmer than his, he felt an extreme heartache. However, her strength was countless times greater than his. damn it, did he have to be so brutal?

he really couldn't continue to play like this.

This time, it was his phone. Next time, it would be his babies. Next time, it would be him.

Natsume carefully approached Kang Yu. you broke your phone. What are you going to use next time? " Let me see if that Kasaya of yours can still be used." Kang Yi's hand reached out and the phone fell to the ground.

natsume felt as if his heart, along with his cell phone, had shattered into pieces.

"If you can't control your emotions and strength, even if Yingluo did it, your wife wouldn't dare to get close to you after you found her. You'd better hurry up and practice how to control your strength. Otherwise, you'll be treated as a monster if you go out like this.

Chapter 2027: it's too late to settle scores

Kang Yu lay back down and closed his eyes, leaving Natsume alone in misery.

Natsume pursed his lips and swept the screen clean of the mobile phone on the ground.

he looked at the phone case and thought that if he changed the screen, it should still work, right?

Liancheng Yazhi didn't know that Kang Yu had called someone to look for his ex-wife.

however, he was a little surprised to receive a call from mo zhongkai.

Of course, the phone number was simple. Before picking up the call, Liancheng Yazhi thought that it was simple and wanted to complain to him. He also said to Rong Yan, "look, it's a simple phone call. I guess after mo zhongkai went there, his life wasn't good. He was tortured by my brother-in-law and he wanted to complain to me.

Rong Yan smiled and pushed him away. that might not be the case. Is Jian Jie the kind of person who will find someone to complain to? "

I wouldn't in the past, but now, I don't think it's easy to say. I haven't heard from you for a few days. If you're not complaining, what are you calling me for? ?

"Don't guess anymore. We'll talk after you answer the phone," Rong Yan said.

Liancheng Yazhi's finger slid on the answer button. After the call was connected, he said, hey, Jian Jie, have you been having a hard time these past few days? you've been tortured by your brother-in-law, so you want to complain to me? "

I'm sorry to disappoint you, " the simple voice said. I've been doing well recently. I'm not the one looking for you this time.

Liancheng Yazhi raised his eyebrows. if you're not looking for me, it can't be that ran ran is your brother-in-law. He's looking for me, right? " that's right, " Jian Jie said. he's the one looking for you.

Liancheng Yazhi touched Rong Yan's cheek and smiled. "Oh, Yingluo is looking for me? I don't seem to have anything to say to him now."

"I don't know about that. You can tell him." He simply handed his phone to mo zhongkai, who was staring at him like a tiger.

mo xunxun, who was standing at the side, was so anxious that tears were about to come out. big brother, don't be too harsh with your words. I asked for it.

MO zhongkai's face was gloomy as he snatched the phone and said hatefully, " "Liancheng Yazhi, didn't you say that my sister left on her own? why did she say that it was your people who took her to see her?"

liancheng yazhi raised his eyebrows. no wonder he looked like he was watching a joke just now. it turned out that mo zhongkai wanted to settle the score with him?

Really, wasn't it too late to settle scores?

His sister had already become someone else's, and he couldn't even take her back, so what was the point of her coming to him now?

Moreover, he was not the main reason. MO xunxun was willing to follow Jian Yi's lead and accept Jian Yi's help.

This guy must have been unable to take advantage of Jian Yi and couldn't find anyone to vent his anger on, so he wanted to settle the score with him. Liancheng Yazhi pouted. Honestly, did he look easier to bully than Jian Jie?

mo zhongkai, that's not right. Your sister was willing to do it. She begged my wife to help her. My wife was soft-hearted and helped her. However, she was so bold that she wanted to leave with him after seeing Jian Yi. We didn't expect that. You're looking for the wrong person to settle the score with me. If your sister didn't want to, who could force her to follow Jian Yi? "

Liancheng Yazhi told mo zhongkai the truth. However, in mo zhongkai's ears, it sounded like his sister was being indecent and had eloped with someone else.

This made mo zhongkai angry that mo xunxun would do such a thing and also angry that Liancheng Yazhi had lied to him..

Chapter 2028: So what if you regret it?

mo zhongkai was really angry from embarrassment.

he turned around angrily and glared at mo xunxun and the nonchalant jian yi.

Mo zhongkai felt that Liancheng Yazhi and Jian an had worked together to abduct his sister. it was clearly you guys who did it. If I had known that my sister was taken away by Jian an, I would not have left the country.

Liancheng Yazhi laughed and said, 'what can you do if you don't go abroad? Chase after them or wait to be caught and shot to death?'

MO zhongkai was speechless for a moment, 'I'm speechless.'

liancheng yazhi continued unhurriedly, if you can't control your sister's heart, then don't come and take it out on me. You can think whatever you want, or you can't wait to kill me. I've sent your family overseas, so we're even. I don't owe you anything now. If you want to hate me, you might as well spend more time on your sister. Perhaps you can use your emotions and reason to make your sister change her ways and understand that she won't have a good life with you. She might even go back with you.

MO zhongkai finally gritted his teeth and said, "Liancheng Yazhi, I, Xuxu, really regret working with you." liancheng yazhi chuckled. "i'm quite happy. it's a pity that you can't buy the medicine for regret.

He estimated that mo zhongkai was about to give up. Since he couldn't handle the simple task, mo zhongkai wanted to vent his anger on him. However, mo zhongkai wasn't an easy person to deal with. MO zhongkai had suffered a loss at mo zhongkai's hands, so mo zhongkai would have to scratch his ears and cheeks in anger.

Liancheng Yazhi smiled and said to mo zhongkai, "If you're done with your questions, can you simplify the phone? I want to have a chat with him."

MO zhongkai's heart was filled with anger, but he could not gain any advantage from Liancheng Yazhi. He could only throw the phone to Jian Yi and said to mo xunxun, "Come with me."

unexpectedly, he took the phone with one hand and wrapped his other hand around mo xunxun's shoulder.

He said to mo zhongkai impolitely, "I'm sorry, I don't want my woman to be alone with other men, not even brother Yingluo."

"Easy, don't go overboard," mo zhongkai lectured angrily.

Jian Jie frowned and thought about this sentence. "Too much? Did I? I don't feel anything. "

MO zhongkai was so angry that he vomited blood. This was why he could never gain an advantage in front of simpletons.

Fight? He couldn't win.

scolding?

In some aspects, simplicity was the same as Liancheng Yazhi, and there was no advantage at all.

MO xunxun bit her lip. She looked at mo zhongkai and then at Jian Jie. Between the two of them, she could not help either of them. In the end, she lowered her head and pretended not to see them.

It was a simple and intimate massage. That action was extremely glaring in mo zhongkai's eyes.

however, there was nothing he could do. if it was someone else, he could still go up and snatch mo xunxun back. however, it was very easy for huahua to do so. he was knocked down before he could even get close.

Jian Jie put the phone to her ear and said, "liancheng xuanji"

"You're so simple, repaying kindness with ingratitude. I really regret helping you."

liancheng yazhi opened his mouth and shouted at jian yi.

Jian Jie silently held the phone a little further away and said, "I'm sorry for this. I owe you one.

In front of her brother, mo xunxun could not hide anything at all. Her lies would be exposed in one look.

Therefore, mo zhongkai easily found out how mo xunxun had seen the simplings.

Jian Jie also knew that he had indeed let Liancheng Yazhi down in this matter. However, in the future, if there was a chance, he would repay him once..

Chapter 2029: he didn't really do anything ruthless

When Liancheng Yazhi heard this, he said, "alright, you don't have to return it. I won't help you with this kind of thing in the future. You can think of a way yourself.

Liancheng Yazhi did not forget his gloating words before mo zhongkai picked up the phone. Hmph, I'm not that easy to please.

"we'll talk about future matters in the future," jian jie smiled.

In the future, if he encountered such a situation again, although Liancheng Yazhi would say that he would not help, when the time came, he would still help.

after all, their friendship had been established since they were young. it wasn't something that could be broken up just because of a single matter. Even if it was Xia Xuanmo, Liancheng Yazhi did not really do anything to him.

Just like that time, at Rong nuo and Tang Zong's engagement banquet, when he asked Liancheng Yazhi for help, although he had repeatedly refused, didn't he still help him in the end?

If Xia Xuanmo were to return now, Liancheng Yazhi would still treat him with sincerity even though he would feel a little awkward.

Liancheng Yazhi snorted and asked, "how's winter? you'd better watch him well. If something happens to him at your place, we really can't be friends happily in the future."

Jian Jie chuckled. "don't worry. I know. I have to train him but not let him get hurt. I understand."

Liancheng Yazhi was quite satisfied when he heard this. Fortunately, the kid knew what he meant. "how is he now?"

"it's good," Jian Jie told him. "I threw him deep into the forest and gave him three days. If he can return to me safely, he'll pass. If he doesn't, he'll fail."

Liancheng Yazhi almost jumped up when he heard that and scolded, "f * Ck you, he's only twelve years old today. Throw him into the depths of the forest, where there are many wild beasts and poisonous insects. If he does anything wrong, I'll blow up your base."

"Can you not be so agitated?" Jian Jie held the phone further away.

"I've asked my men to follow him in secret. My men have been lying in ambush all along the way. I will definitely not let anything happen to him."

Liancheng Yazhi relaxed a little and said, "Alright, I'll believe you one more time."

"I'll definitely hand winter over to you in one piece," he simply said.

"you said it yourself. If something happens in the winter, I won't let you off. "I won't let anything happen to your future son-in-law," Jian Yi said.

liancheng yazhi raised his eyebrows. "that's right. he's my future son-in-law. if you want a son-in-law, i don't know how many years it'll be before you have a daughter. "

Simplified:

she used this matter to mock him every time. couldn't she change it to something else?

Liancheng Yazhi did not care about what Jian Jie was thinking. He said, "It seems that mo zhongkai didn't get any advantage from you. Otherwise, he wouldn't have come to me to vent his anger."

"I've already given in to him," Jian Jie said after a while.

If he didn't deliberately give in to mo zhongkai, how could he still have the strength to shout?

He simply thought that he had been especially tolerant with mo zhongkai for the sake of mo xunxun. Moreover, he had indeed been obedient to his sister.

Liancheng Yazhi's mouth twitched.

He was already very accommodating to mo zhongkai, but he still made him so angry that he came to vent his anger on him. Qianqian was really tolerant. MO xunxun looked at Jian Jie anxiously. She also felt that Jian Jie had already tolerated his brother's provocation. Otherwise, his brother would not have been able to eat and sleep well, and he would not have the energy to cause trouble with her..

Chapter 2030: 'Wolf' is a Beauty [1]

she simply lowered her head and met mo xunxun's eyes. her mood suddenly improved, and she lowered her head to kiss him again.

mo zhongkai, who was not far away, happened to see this scene. he gritted his teeth and kicked the tree beside him.

Not far from mo zhongkai, there was a Sentry on duty. He whistled at mo zhongkai and said, look, our boss and miss mo are such a good match. They're a perfect match. Don't break them up. MO zhongkai glared at him. Hmph, a perfect match.

He was indeed a Wolf.

Unfortunately, he couldn't convince xunxun to leave with him, nor did he have the ability to take her away from this bastard.

could it be that he could only watch helplessly?

No, he couldn't just stand by and watch. At most, he wouldn't leave in the future and would just wait here. He would find an opportunity to take xunxun away sooner or later.

Jian Jie didn't know that because of his kiss, mo zhongkai had the idea of waiting for a long time.

"how has kang yu been these days?" he simply asked liancheng yazhi.

"It's not good,"

"What do you mean?"

"I can't say, but it won't be good." liancheng yazhi could basically confirm that kang Zhen could move today. however, kang Zhen would rather risk going back to be investigated than go back now. it must be that his body had not fully recovered.

However, he didn't want her to know. It seemed that his body wasn't particularly ideal.

Kang Yu has been at your house all this time. You must be in a lot of trouble. Do you need me to go back and help you? " Jian Yi asked.

Liancheng Yazhi immediately said, " there's no need. You just stay there obediently. Don't cross the border. Don't let mo zhongkai come back. That's already helping me.

If Jian Yi returned now, it would be equivalent to walking right into a trap, and it would bring him even more trouble. "Alright then. If you need any help, remember to look for me."

"You just have to help me look after winter."

"I know." alright, I'm done talking to you. Tell your brother-in-law that if he comes and yells at me again, don't blame me for being impolite to him.

"there won't be a next time," he simply curled his lips.

after hanging up the phone, mo xunxun asked worriedly, " is Mr. Lian very angry? it's my fault. I shouldn't have told my brother and caused Liancheng Yazhi to be in trouble with my brother.

"It's fine, you don't have to worry about it," he simply pinched her chin.

mo xunxun could not hide this from mo zhongkai, as he already knew this.

The reason why he asked mo zhongkai to call Liancheng Yazhi was to let him vent his anger. However, he did not know if he could take advantage of Liancheng Yazhi.

as for the next time, he would not give mo zhongkai another chance.

it's going to rain soon. Let's go in. she simply pulled mo xunxun's hand.

As soon as she turned around, she heard an urgent shout behind her, "Boss!

Boss!"

He turned around and saw a figure running toward him.

That person came in front of him and frowned. "Didn't I ask you to follow Dong Tian? why did you come back?"

The person was panting, the camouflage on his body was already half-wet, and the military boots on his feet were covered in mud. He said intermittently, 'boss, Oh no, oh no, oh, oh, oh, that kid, oh, oh, that kid, he disappeared in the blink of an eye. I guess that Oh, he took us as his tails and especially followed him around, so he, he threw our Oh, away.
