Chapter 2071: To be loved by him forever

A calm and rational person like Liancheng Yazhi, who had always been unruffled and would not change his expression even if Mount Tai collapsed in front of him, had long been like this when Rong Yan gave birth. If Rong nuo really had a child one day, Tang Zong dared not imagine if he could be like Liancheng Yazhi when the child was born.

He didn't dare to think about what would happen if Rong nuo had an accident during labor one day.

As he looked at the newborn today, Tang Zong thought of many things.

He really wanted to have a child with Rong nuo, but if he wanted this child, the risk was that he might lose Rong nuo or let her suffer such great pain. He would rather not have it.

tang zong had never denied his selfishness. he only wanted rong nuo to live well by his side and be loved by him for a lifetime.

The rest of the Kasaya was not important.

After Rong nuo heard Tang Zong's words, she was stunned. In the past, Tang Zong had said many times that he wanted children. She did not expect him to suddenly say that he did not want children. It seemed that he had been frightened by today.

In fact, Rong nuo was also shocked. The shock she received was probably even greater than Tang Zong's, because she had been looking at Rong Yan the whole time until she gave birth to the child.

However, when she saw the look of satisfaction and happiness on Rong Yan's face after the child was born, it was like all the flowers in spring had bloomed.

It was a warm smile that touched the heart, and she suddenly felt very envious.

A woman would have two great achievements in her life.

First, marry a good husband.

Second, give birth to a child that can extend your life.

rong nuo was also a little conflicted. to be honest, she also wanted a child, but she was afraid that she would not be as determined as rong yan. more than three hours of torture was too terrible.

rong nuo was silent for a while before saying, " actually, i'm quite afraid too, but let's just let nature take its course. maybe we can't force it even if we want it. if we have it, we'll just give birth to it. if we don't, we don't have to force it. " "Alright, let nature take its course," Tang Zong nodded.

It was midnight, and the surroundings were quiet. The two of them sat on the bench, hugging each other.

It was an autumn night, and the temperature was low. Tang Zong found a blanket and wrapped himself and Rong nuo together.

Perhaps it was because what had happened today had a huge impact on them, so the two of them were not sleepy at all. They were in high spirits as they hugged each other and whispered.

“How is brother-in-law?” Tang Zong asked Rong nuo.

Rong nuo sighed. his condition is not very good. Before eldest sister wakes up, I don't think Zhenzhen will be well.

Just now, she had peeked through the crack in the door. Liancheng Yazhi was still doing the same thing. Under the light, his back, which had been straight and relaxed in front of people, bent down. He had been looking at Rong Yan, waiting for her to wake up.

At this time, it was useless for anyone to talk to Liancheng Yazhi unless Rong Yan woke up.

tang zong sighed. this was the first time he had seen liancheng yazhi so flustered and lost since he knew him. if it was any other time, when he finally had the chance to ridicule liancheng yazhi, he would definitely tease him. but now, he really didn't have the mood to tease him.

It was because Tang Zong understood that if it were him, he would not be as good as Liancheng Yazhi.

Perhaps, he had already fainted.

Tang Zong smiled. brother-in-law must be feeling extremely regretful now. If he had known that giving birth would be so painful, he would not have wanted

this child at all.

Chapter 2072: It's destined to be a lively night

“You're right,” Rong nuo smiled.

Today, when Liancheng Yazhi rushed into the delivery room and saw Rong Yan lying on the hospital bed, Rong nuo couldn't help but feel that if something really happened to Rong Yan, he might lose the courage to live.

At that time, Rong nuo had been very envious. The love between Rong Yan and Liancheng Yazhi was enough to make all women envious.

However, when Rong nuo heard President Tang say 'let's not have children', all her envy disappeared in an instant.

That's right, she didn't need to envy Rong Yan, because she had Tang Zong.

Everyone loved each other in a different way. When you're envious of others, you must take a look at your side.

the two of them talked for a while before tang zong said to rong nuo,”you should sleep for a while. it's almost dawn.”

Rong nuo was indeed tired. She yawned. okay, Zhenzhen. If sister wakes up, call me.

tang zong nodded, “good zhenzhen.”

It was even darker outside. The two of them sat on the bench in each other's arms, wrapped in the same blanket, and slowly closed their eyes. When dawn was about to arrive, they finally had a moment of rest.

Originally, they could have asked the hospital director to find another room.

However, Rong nuo was afraid that something would happen to Rong Yan in the middle of the night, so she and Tang Zong stood guard outside the ward.

This night was a happy night for everyone in the Liancheng family, but there were also many complicated thoughts in the joy.

Liancheng Yazhi was guarding the unconscious Rong Yan, Tang Zong was guarding the exhausted Rong nuo, and Gu Hesheng was on his way home.

MeowMeow was lying on the bed, sleeping soundly. She did not know that the little brother she had been looking forward to for a long time had finally come to this world.

However, none of them knew that when everyone was not at home, their family had also experienced a crisis that was neither big nor small.

A few hours ago, Gu Hesheng and Tang Zong had left the house for the hospital. There was no one to look after the house. To some people, this was a great opportunity, and they did not have to worry about anyone rushing back halfway.

Hence, an hour after Tang Zong and Gu Hesheng left, a group of people quietly surrounded the Lian family.

Fortunately, on the way home, Tang Zong remembered that there was no one at home, and Kang Yu had no idea. So, he called Natsume to inform her.

When Natsume hung up the phone, he said to Kang Yu, "there's good news for the Lian family. The child is finally about to be born. Everyone in the family has gone to the hospital.

Kang Yu smiled and said, "Then tonight is destined to be a very lively night. I can't sleep even if I want to." there was a deeper meaning to the word 'lively'.

If the hospital was lively, the house would definitely be lively too.

if he gave up at such a good time, he would be a fool.

So, when a pair of well-trained Special Forces soldiers surrounded Lian

Cheng's house, Kang Yu was already prepared.

the soldier who was the first to scout came down from the wall and said in a low voice, "d * mn, squad leader, there's broken glass on the wall, and there's a

power grid on it. F ck, there's a surveillance camera every two meters. Oh, there's also an infrared alarm. If we break through from the wall, the success rate is too low.

Someone next to him said, "they're rich, after all. These measures are even stricter than those in our Army. Why don't we dig a hole in the wall?" alright, "the class monitor nodded. find a guy and make a hole in the wall.

when they got their stuff and drew a rough area on the wall, they were ready to attack..

Chapter 2073: like a ghost

Suddenly, a cold and disdainful voice came from behind them. sneaky in the middle of the night. Which instructor taught you such dirty tricks? ”

The soldiers who were about to dig a hole in the wall were so scared that they immediately turned around. There was a black shadow standing behind them. Under the cold moonlight, his slightly thin figure was projected on the ground, silent like a ghost.

The moonlight was cool, and he stood there alone. His appearance could not be seen clearly, but one could clearly feel the pressure emanating from his body.

These soldiers were all well-trained and had come from the devil Battalion. They were more alert than the others, but when he appeared, they didn't feel anything at all.

If he didn't make a sound, they might not be able to find him.

the leader of the squad stood up with a whoosh and quickly pointed the gun in his hand at the person in front of him. he asked sternly, ” “Who are you?”

The people behind him quickly reacted and stood up one after another, pointing their guns at the person in front of them.

He chuckled and slowly walked closer. aren't you looking for me? Why, now that I've come out on my own, you're not happy?

The moment he said this, the dozen or so soldiers were all dumbfounded.

was this the person yingluo and the others were looking for?

The class monitor said, “we're looking for Yingluo, we're looking for Yingluo.”

The person beside him immediately took out a flashlight. class monitor, hurry up and compare the photos.

yes, photos! the class leader quickly took out the photos and took the flashlight.

Soon, a strong beam of light was emitted from the flashlight and shot directly at the black figure's face.

Kang Yu's handsome and devilish face, filled with infinite enchantment, appeared in front of them.

If an ordinary person were to be shone on their face by such a strong light in the night, they would definitely feel a piercing pain in their eyes and cover them.

but kang Zheng did not. his eyes did not seem to react to the strong light. he walked over step by step and said to the dumbfounded soldiers, ” no one told you that it's very impolite to point a flashlight at someone's eyes.

As soon as he finished speaking, the glass on the flashlight was crushed and the light disappeared.

The class monitor didn't even feel that the flashlight in his hand had been taken away.

kang Zhen threw the deformed flashlight on the ground.

He casually asked, “how many people did you bring?”

the squad leader gulped and said, "reporting to youyou, chief. there are three teams here. we're one of them. we're acting separately from the other two. ' he was sure that kang Zhen was the person in the photo that his superior wanted him to find and bring back safely.

"Where are they?" Kang Yu frowned.

No. the class monitor shook his head. I don't know if ran ran could have used some other method to enter the house.

A trace of impatience flashed across Kang Yu's face. "Splitting up?" he really came up with new tricks every time. Did he think that bringing him back was training?

Kang Yu was afraid of the two teams. They had already entered the house And he said to them, "You have failed your mission. You can go back now."

However, the class monitor, slow song, immediately stopped him. "chief, our yingluo hasn't failed yet."

The other soldiers did the same. They silently surrounded Kang Yu.

Even though they respected Kang Yu as their chief, they didn't forget their orders.

"Is that so?" Kang Zhen's lips curved up.

"Then let's go together. Don't waste time." He wriggled his fingers.

The class monitor said, "chief, I've offended ran ran.."

Chapter 2074: can I retreat

After he finished speaking, he looked at the other people and drew a hand gesture that only they could understand.

In the next second, the people surrounding Kang Zhen pounced on him at the same time. Their movements were fast and fierce. Everyone had their own tasks. They hugged his neck, hugged his arms, hugged his legs, hugged his waist.

it always locked down every part of kang zhen's body that could exert force and move.

the higher-ups had said that the chief could not be hurt.

So, they didn't want to fight Kang Zhen physically. They wanted to overpower him and take him away.

Kang Yu stood there unmoving. He sneered, that's all you can do. Don't say that you're a Special Forces soldier when you go out in the future, lest you embarrass yourself.

These soldiers were several ranks lower than the soldiers he had trained. How could they compare to him now?

Kang Zhen's two arms were easily lifted up, and the two strong men holding his arms were lifted up with his arms, their feet off the ground.

Everyone's eyes widened in shock at the scene. They couldn't believe that the two strong men were carrying Kang Yu like they were playing.

But what happened next surprised them even more. Kang Yu casually swung his arm and the two of them were thrown more than ten meters away. They fell to the ground with two thuds and lay there in pain.

Kang Zhen looked at the people still clinging to him. "Do you want me to kick you away, or do you want to let go?"

"Although we know that we can't beat you, we still can't let go of Yingluo," the class monitor said through gritted teeth.

As a true soldier, he could fail his mission, but he could not retreat. Even if he knew he could not win, he could not run away.

Kang Yu's mouth twitched, "very good, ran ran."

The result was obvious. The remaining few people were thrown away one by one and fell to the ground one by one like a fairy scattering flowers.

after kang jin left, the soldiers took a long time to stand up.

One of them bent down and picked up the flashlight that Kang Xi had broken. "Class monitor, class monitor Yingluo, look Yingluo!" He said with a face full of fear.

The class monitor took a look. F * ck, that flashlight had been twisted, and the fingerprints on it were unusually clear.

Seeing this, the class monitor gasped, "sigh, it's not a loss even if we lose. They've been merciful. Otherwise, we'd be the flashlights."

Kang Zhen walked around the Lian family's house. In the end, he stopped a group of people climbing up a drain in the backyard.

This team came in from the sewer Connected to the outside of the Lian family's house. They had perseverance and brains, but Yingying was unfortunately caught.

"Do you all think you're rats on the street?" Kang Yu sneered at them. you actually went down the sewers."

The leader of the team was stinky and his face was pale. He stood in front of Kang Zhen and said, Sir, we have no other choice. There's a power grid on the wall, surveillance cameras, red and infrared alarms, and glass shards. We can't get past them, so this is the only way.

There were seven or eight people standing behind him. Like him, they had come out of the sewer and smelled terrible. However, their eyes were firm and they were not afraid of Kang Xi.

To be able to crawl for dozens of minutes in the stinky sewers, where people could faint at any time, was actually very impressive. At least they had strong willpower and endurance..

Chapter 2075: We're still trash

This team's combat power clearly surpassed that of the previous team.

“Do you think that you’re already very powerful to be able to break into the Lian family?” Kang Yu coldly glanced at them.

The captain puffed out his chest. No, sir. If we can’t complete the mission and take you away, we’ll still be a bunch of useless people.

“Not bad,” said Kang Yu, the corner of his eye twitching, “you can admit that you’re a good-for-nothing, but not completely useless.”

then, ” he said coldly, ” now, trash, you can go back together with the group outside.

In the end, the squad leader actually shouted, ” “sir, we’ve only been discovered by you. we haven’t completely failed yet. we’re not useless for the time being.”

“Very well. If you want to fail, I’ll fulfill your wish.” Kang Zhen rolled up his sleeves.

This time, he didn’t want to be hugged by a group of stinky people, nor did he want to touch them with his hands, because Yingying was really too stinky.

Kang Zhen looked at his legs and thought that he could test the strength of his legs this time.

When the first person charged at him with a fist, Kang Yu kicked him before he could even get close. The first person was sent flying.

in the next few seconds, it was as if kang yu was performing a shuttlecock. his speed was so fast that it dazzled the eyes.

He said to the soldiers who were struggling to get up from the ground, ” “You can go now, trash.”

Kang Jin was very satisfied with what he saw. He controlled his power well. At least, these people didn’t die on the spot. This was a big improvement.

Kang Yi had a bad thought at first. He thought that they should crawl back through the sewer. But, he saw the pained expressions on their faces.

He thought, forget it.

kang yu opened the door and let them leave.

The captain clutched his stomach and said,”Thank you, chief Xi Qiao, for showing mercy. ”

Kang Zheng raised his eyebrows. This kid was not bad. If he could still lead troops after he returned, he would bring him over and train him well. “Remember to go back to the hospital for a check-up,” Kang Xi added.

these people were the same as him. they were loyal to the country and they wanted to protect the people of this land. so kang Zhen had no intention of hurting them.

however, no matter how good his control was, he could still hurt people.

“Go back and tell the person who gave you the order not to look for me again. When I’m willing to go back, I’ll go back,” Kang Zhen told them.

“Yes, we’ll definitely pass on your words.”

“also, don’t come to the lian family to cause trouble.”

“It’s Yingluo.”

The people from team one and team two had already found out and chased them away.

However, the location of the third team was still unknown.

Kang Yu looked around the entire Lian family’s house, but he still couldn’t find any traces.

He was puzzled. Was this team too strong, or did they not come at all?

Kang Yu wandered around for a while but found nothing. He returned to the laboratory.

However, as soon as she got closer, she saw that the lights in the house were on.

Kang Yi was puzzled. Natsume’s laboratory had been moved to a dark room inside. The room outside had not been used for a long time, and he basically never came out. Why was the light on?

Kang Yu’s heart skipped a beat. Oh no, it couldn’t be Yingluo.

He quickly rushed over and kicked open the door. Inside the room, he saw seven or eight soldiers in camouflage and oil paint. They were talking and laughing as they held an Apple in their hands..

Chapter 2076: Who would dare to snatch her from him?

When they saw Kang Zhen, they were stunned for a moment. Then, they immediately stood up and greeted him affectionately, “Boss!”

Kang Yu’s brows were tightly knitted together. He closed the door and walked in, looking at them with a little disdain.”you guys are the third team?”

“That’s right, if you didn’t teach us, how could we have come in here?” the soldiers said excitedly.

Kang Yu looked at each of them. Indeed, if he didn’t teach these people, how could they have entered this place without his notice?

Seeing that Kang Zhen didn’t say anything, they thought that he was angry and quickly said, ” “boss, we took the initiative to apply for this mission, but we’re not here to catch you. we’re here to follow you.”

“Yes, yes, we’re here to follow you. We’re not going back, Yingluo!”

The others also said, ” “Boss, we’ll follow you. We won’t go back. We’ll be with you wherever you are.”

Kang Yu’s face darkened and he shouted, nonsense! Do you think you’re bandits? ”

The moment Kang Yu got angry, the soldiers didn’t dare to speak.

“I’m not going back because it’s not the time yet. Who allowed you to mess around like this?”

With Kang Zhen’s anger, the soldiers who were originally in high spirits instantly became like primary school students who had done something wrong. They were so ashamed in front of their teacher that they could not show their faces. They stood in neat rows, waiting to be reprimanded.

boss, I'm sorry. Our Zhenzhen, we thought that Zhenzhen was sorry. We were wrong.

They were all trained by Kang Zhen. Their individual capabilities were unparalleled, but the point was that they all saw Kang Zhen as the role model in their lives. Kang Zhen was the monument they were proud of, the soul of the entire team.

Kang Zhen didn't go back, so they thought that he was going to take a walk.

That's why she struggled so much and decided to run out and follow ze Kangyu.

Kang Yu looked at the soldiers he had personally trained. They were all very young. The oldest was only 25 or 26 years old. These people had Bright

Futures.

kang zhen's attitude softened a little. " go back and train properly. wait for me to go back. if anyone dares to act on their own, i'll teach you a lesson when i get back. "

His words made the originally listless soldiers suddenly become full of chicken blood. They shouted, " "Yes, boss."

However, one of them quickly said hesitantly, " but, boss Wanwan, a few days ago, there was a rumor that there would be a new officer in Wanwan to take us in.

"Accept?" Kang Yu laughed coldly. What is acceptance? do you think you are a defeated Army? I'm the one who brought you out. If I don't let you go, no one can take you away."

The troops that Kang Xi brought out were the elite of the elite. Their combat power was amazing and they had carried out many secret, important, and dangerous missions. Many people were watching them. Now that he was in this situation, it was normal for someone to want to take over the team.

However, if he wanted to snatch her away from Kang Yu, he had to see if he had the right.

kang zhen's words were like a tranquilizer for these people. their faces were full of joy and they said happily, "Yes, we're relieved to hear you say that."

"All of you, go back and wait obediently. Whoever dares to spread rumors will be beaten up," Kang Yu said sternly.

it's Yingluo! this cry was like a pack of wolves 'howls. Their voices were filled with excitement..

Chapter 2077: I have more important things to do

Kang Yu watched the soldiers leave happily and sighed silently.

Natsume waited until everyone had left before coming out. " hey, i think you're almost done controlling it. why don't you plan on going back? " "I don't want to go back yet." Kang Zhen rubbed his forehead.

"Then what do you want to do?" Natsume was puzzled.

Kang Yu looked at the ring finger on his left hand and slowly said, "There's one more thing I haven't done."

"What's more important than you going back to clear their suspicions?" Natsume didn't understand. Kang Yu's self-control was very good now. At least, Hanhan wouldn't lose control and kill someone. She could go back now.

However, Kang Yu still refused to go back, which made Natsume feel strange.

However, the fact that Kang kun would rather carry the risk of being suspected and even fired from the military to do something like this was really curious.

"I don't know about other things, but this matter is more important than anything else."

Natsume spread out his hands. alright, it's your own business. It's useless for others to talk about it. You can do as you see fit.

"It's already past midnight, right?" Kang Zhen suddenly asked.

Natsume nodded. yes. It's only twelve o'clock.

"At this time, Yingluo"

Kang kun didn't finish his sentence. Natsume smiled and looked at the bright stars in the sky. He continued, the new members of the Liancheng family must have arrived at this time.

"yeah, we're here." kang zhen's lips curved up.

this little guy is so lively since he's born, " Natsume teased with a smile. he'll definitely be as troublesome as his father in the future.

"If she's a child that can make people worry less, then Liancheng will have to worry about her in the future."

If the Lian family's children were well-behaved, sensible, and good-tempered, how could they manage the Lian family's huge family business in the future?

"That's true." "Do you want to go to the hospital tomorrow?" Natsume asked. "i'm not going. we'll see each other sooner or later. i'm going out tomorrow."

"Ah? you're going to do what you need to do."

"Yes, Yingluo." that's good. The house will be quiet for a while, but when they come back with the child, it won't be lively anymore.

"En, Zhenzhen."

By the time Gu Hesheng returned, the house had already regained its peace and everything was as usual. He had no idea what had happened at home.

However, he could smell a faint stench in the courtyard. However, he was in a very good mood and did not care about it at all. Instead, he said to the Butler who had been waiting at home, "Hurry up

and prepare everything for adults and children. Also, make more nourishing soup in the kitchen. Rong Yan has suffered this time and needs to nourish her body.”

Caretaker li replied happily, “hey, I’ve already prepared the buxu blood supplement for health. I’ll go and simmer the steamed buns now.”

After Gu Hesheng returned to his room, he was still excited. He took a bath, laid down, and waited until the sky was slightly bright before he fell asleep.

Although he slept very late, Gu Hesheng was already awake at around 8 am. He felt refreshed the moment he opened his eyes. He had never felt so good before.

Gu Hesheng met Butler li downstairs. She asked, “old sir, why are you up so early? You came back late last night, why didn’t you sleep more?”

Gu Hesheng swung his arms and smiled, “I’m happy, even if I don’t sleep, I’m still in good spirits. Is the soup ready?” i have to quickly send it to rong yan..

Chapter 2078: My little brother is really good-looking

it’s all done, “Butler Li said hurriedly. I’ve also made a few dishes that young Madam likes to eat.

Gu Hesheng nodded his head and praised, “you’re so thoughtful, Yingluo. Prepare everything. I’ll go and see MeowMeow. I haven’t told the little fellow such good news.

When Gu Hesheng went to call MeowMeow, the little girl was sleeping soundly.

He shook

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
meowmeowmeowmeowmeowmeowmeow,

Meow Meow, wake up. It’s time to wake up.

However, gu hesheng chuckled, “meow meow, wake up. the sun is already up.”

Meowmeowmeowmeow pouted and said in a daze, ” “Grandpa, Yingluo, I want to sleep with Yingluo.”

Looking at MeowMeow’s cute appearance, Gu Hesheng’s heart softened like cotton candy. He said, ” “MeowMeow, didn’t you always say that you wanted to see little brother as soon as possible? If you don’t go, Grandpa will have to go by himself. Don’t you know that little brother is especially cute and very beautiful, Yingluo?”

Gu Hesheng’s call of ‘little brother’ instantly woke MeowMeow up. She sat up and with sleepy eyes, she called out in a daze, “Little brother Ying Ying” gu hesheng laughed out loud.

Gu Hesheng rubbed MeowMeow’s furry little head, ” yes, your brother was born last night. He’s in the hospital now. Do you want to go visit him with me? ”

ãããNNhi*, “Grandpa, was what you said last night true? your brother is born?”

Gu Hesheng pinched meowmeowmeow’s nose, ” that’s right. It’s born. It’s so small and cute. He hasn’t met his big sister yet. Are you going? ‘

MeowMeow nodded repeatedly. I'm going, I'm going, I'm going. Grandpa, why didn't you tell me earlier? ” gu hesheng laughed, “look at you sleeping like a little pig, even grandpa can't wake you up .

“Then I'll get up now,” MeowMeow said as she quickly got up.

In order to save time, meowmeowmeowmeow's clothes were helped by Gu Hesheng.

when he was putting on the socks for meowmeow, he saw the blood-red zhusha mole on the palm of meowmeow's foot and was stunned.

Gu Hesheng's eyes flashed with a trace of doubt, and he reached out to touch the red mole.

“Yingluo's grandfather, don't Tickle Me

Yingluo”

Gu Hesheng asked MeowMeow,”MeowMeow, does it hurt here?”

āāā9k: ‘C E-? it doesn't hurt, yingluo. it's just a little ticklish from grandpa's scratching. ”

Gu Hesheng looked at her carefully a few more times, and the doubt in his eyes deepened. He wanted to look at her for a while longer, but she was in a hurry to go to the hospital to see her brother, so he did not look at her any longer. He gratefully helped her put on her socks and exquisite little princess Shoes. Then, he asked Butler li to give her a whip and took him downstairs to eat.

When MeowMeow saw the little guy sleeping soundly in the infant's chamber, she immediately exclaimed, ” “Wow, Yingluo, my brother is so good-looking,

Yingluo.”

Tang Zong, “Yingluo.”

Good looking? He was clearly still a little monkey.. Could it be that even the Cheng family's aesthetic taste was different from his?

Chapter 2079: The cutest baby

Tang Zong was puzzled. Did he not see clearly last night because it was dark?

He lowered his head and took a closer look. Although Yingying looked a little better than last night, she was still a wrinkly little monkey.

MeowMeow nodded seriously. he's good looking. He's really good looking. Look at his nose, mouth, and eyebrows. They're all very good looking.

Bā5h6: Boohoo, Yingluo is so cute. I really want to kiss him. Can I hug him, little uncle? ”

Once again, Tang Zong was speechless. He rubbed his eyes and looked at the little thing lying inside. There was no change. Although it was not as red as last night, it was still very ugly.

Tang Zong said to yes, I've been looking very carefully. My brother is so good-looking and so cute. Look at how much he looks like me when I was young, Yingluo. My mother said that I was the prettiest little girl. My brother looks so much like me, so my brother is also good-looking, Yingluo.

Meowmeowmeow looked at the other children. look, ” she said. none of these children are as good-looking as my brother.

Q14ä5tß5hä5*äk, tß5häkJ1&b,

Tang Zong’s mouth twitched and he almost burst out laughing.

Just like when she was

But how could she tell that this little thing was good-looking? why couldn’t he tell?

Tang Zong wanted to ask “Little uncle, do you think that my brother is not good-looking? you have to tell me the truth.”

Tang Zong was stunned for a moment and said,”ah!!!”

After he came to his senses, he immediately shook his head. no, no, I wouldn’t dare. I also think it’s very good looking, Yingluo, very, very good looking.

Look, look at him yawning, how cute Yingluo is.

meowmeow quickly turned around and saw the little person inside. he moved his hands, opened his mouth, and yawned.

That action was simply too adorable.

Instantly, MeowMeow’s attention was diverted. She jumped excitedly and said, wow, wow, Yingluo, my little brother is so cute. He’s so cute, Yingluo. Tang Zong heaved a sigh of relief. This little girl,

Even though he believed it to be the truth, he did not dare to say it out loud.

Tang Zong estimated that if he were to say that the little fellow was not good-looking, MeowMeow would definitely get angry at him.

tang zong thought that “Little uncle, tell my little brother that he’s very cute, very pretty, very well-behaved, and the best looking baby, Yingluo.”

Tang Zong, “Yingluo.” could he say that he really wanted to cry?

Was it really good to be forced to tell lies by a little girl?

“Don’t you want to tell me, uncle?”

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow asked..

Chapter 2080: I really like her

Tang Zong hurriedly shook his head,”no, no, there’s definitely no Zhenzhen.”

Even if he really didn’t want to say it, he couldn’t say it!

meowmeow tugged at his sleeve. “hurry up and tell me. my brother is listening.”

Tang Zong sighed. Forget it, I’ll just say it. If I don’t, Miaomiao won’t let me off. ‘Okay, okay, I’ll tell you. I’ll tell you, Yingluo, don’t be anxious. Look, your brother isn’t anxious yet.”

Hence, Tang Zong took a deep breath, lowered his head and said, "Little guy, you're so good-looking. You're so cute and well-behaved. Yingluo is Yingluo's most outstanding baby. "

Tang Zong felt that he had said all this against his will. He turned around and asked MeowMeow, "Will this do?"

Tang Zong wiped the sweat off his forehead. Alright, he could be considered to have passed the test. Kids these days were too smart.

he really didn't know what it would be like if he and Rong nuo had a child in the future.

Tang Zong was a little dazed. It was his and Rong nuo's child. In fact, he was also looking forward to it. However, he did not want Rong nuo to suffer, so he decided not to mention the child for the time being.

Just as Rong nuo had said, let nature take its course. If she was really pregnant, just give birth. If she was not, don't force it.

"Little uncle, take me to see mom. I haven't seen her yet."

Tang Zong opened his mouth. Rong Yan had not woken up since yesterday.

Liancheng Yazhi had been watching over her and had not left. The situation did not look good.

The doctor had also gone to see him and said that there was no problem. His body was recovering.

However, when Tang Zong looked at the time, it was already past nine O'clock. It was almost ten O'clock in the morning. It was a little worrying that Rong Yan was still not awake.

"Ah, Yingluo, okay. Letis go, I'll take you to see morn." Tang Zong carried

goodbye, little brother. I'll come back

to see you after I've seen my mother.

Tang Zong laughed.

However,

He brought MeowMeow to the ward. Rong nuo was talking to Gu Hesheng outside the door.

Gu Heshengs expression was grave and did not look too good. But after seeing

When MeowMeow saw Rong nuo, she immediately reached out for her to hold."Auntie, I'm here to see mom."

Rong nuo smiled and took MeowMeow. MeowMeow, you're so obedient. Have you seen your little brother? "

MeowMeow quickly said, " yes, I have. Little brother is very obedient. He's very good-looking.

Rong nuo pinched MeowMeow's little face. that's right. Our MeowMeow is so good-looking. How can your little brother not be good-looking? "

MeowMeow hugged Rong nuo's neck and looked into the ward. "aunty, i want to go in and see mom."
