

Permit Me 2091

Chapter 2091: Mom, don't you want to praise me?

natsume slowly closed his eyes and listened to liancheng yazhi's low, hoarse, and extremely gentle voice. his mind was filled with a lot of random things, and then he was distracted. he only completely woke up when kang yu brought gu hesheng and meowmeow over.

Liancheng Yazhi first took MeowMeow from Gu Hesheng's hands. The little girl was still wearing her little white rabbit pajamas and only had socks on her feet. She didn't even put on her shoes. Liancheng Yazhi gently put MeowMeow down beside Rong Yan and lifted the blanket to let her lie down. He said to MeowMeow,"

"Yup, Yingluo, I want to talk to mommy."

After "Mom, I'm here to see you. I'll keep my word. I came early today."

"Mom, it's not even 8 am yet and I'm already up. Did I wake up very early, Hanhan?"

"mom, i didn't laze around in bed. don't you want to praise me, yingluo?" "Mom, can I carry my little brother over? let him lie beside me, we'll be with you."

"Mom, don't worry, little brother is very well-behaved, he doesn't even cry or make a fuss."

Liancheng Yazhi asked MeowMeow to talk to Rong Yan, and the little girl kept talking. Even if she was so sleepy that she kept yawning, she didn't stop in a daze.

this scene made the adults very uncomfortable. "Let's talk outside," Kang Yu said to them.

The few of them walked to the door.

Natsume told Gu Hesheng about Rong Yan's situation, " that's probably what happened. She's been immersed in her own dream and treating it as reality. She hasn't woken up yet, so I think it's you family who woke her up. Her situation is a bit like her soul leaving her body.

"Old Mister, do you know anyone who knows metaphysics? can you find a few?" Kang kun asked Gu Hesheng.

Gu Hesheng immediately understood, "you mean you want to give Rong Yan a Kasaya?

natsume nodded. "that's right. it's what people used to call 'soul'."

Those medical experts really couldn't find a reasonable explanation for Rong Yan's condition, so they couldn't be blamed for being superstitious. It was just that there was no other way at the moment.

Gu Hesheng was a little surprised, because he really did not expect that Rong Yan would actually be in such a situation.

He had wanted to say,"you young people are more superstitious than me."

However, when he thought of Rong Yan's condition, he couldn't say anything. His daughter was lying unconscious and the doctors were at a loss. Now that they had found a solution, it was better than doing nothing.

Gu Hesheng nodded his head. yes, I do. I know many people in this field. I'll make a few calls and go find them.

Many of the old objects that Gu Hesheng had come into contact with were excavated from the ground, and things that had been sealed underground for hundreds or thousands of years would be a little uncomfortable to place them in the house rashly, and some of them might even lead to many strange things.

Therefore, some people took the objects to some people who were good at metaphysics to do a ritual to remove the bad luck and remove the dirty things on them.

Gu Hesheng naturally knew some of the great metaphysics Masters. Hence, he quickly made a call and found an old friend.

After the call, he said to Liancheng Yazhi, "that old friend of mine. His legs are not convenient, so he'll only be here in two hours..

Chapter 2092: In order to live longer

for two hours, everyone was waiting in the ward.

To her, perhaps she could only sleep well by her mother's side ...

However, her brother was pitiful.

From the moment he was born until now, Liancheng Yazhi had not even looked at him.

The little guy had not seen his parents yet. It had been Rong nuo taking care of him every day.

He spent some money to find a healthy young mother who had just given birth to feed him when he was hungry.

After two long hours, Gu Hesheng's phone finally rang. Ten minutes later, a car stopped outside the building.

Gu Hesheng stood up, "we're here, I'll go down and receive them .."

"I'll go down with you." Tang Zong hurriedly lost.

When they reached the ground floor, they saw the car door open and a young man get out. He took a wheelchair first, then carried the person in the back seat down and put him on the wheelchair.

he was a very ordinary old man, dressed in a black tang suit, and seemed to be in his sixties. he was very thin, but he seemed to be in good spirits. when he saw gu hesheng, he laughed heartily, "didn't you say ten years ago that you would never ask me for help?"

Gu Hesheng walked over and looked at his leg. There was a look of pity in his eyes. that was ten years ago. I'm asking you today because it's related to my daughter. You must help me. As long as my daughter can wake up, you can take whatever you want from my collection.

The person was surprised, "Oh, really?" You're so generous, you'll give me anything I want?"

“As long as it’s what I have, anything is fine.” Gu Hesheng nodded his head.

that’s true. You’ve been single for most of your life and finally have a daughter. Naturally, you don’t want anything to happen to her. Let’s go. I’ll go and see what’s going on.

let me push him, ” Gu Hesheng said to the young man. I have a favor to ask of your master today. Of course, I’ll push him to the end.

The man laughed. how rare. I’ve known you for so many years, but I’ve never had a sip of the wine you poured. I didn’t expect that you would personally push my wheelchair today. Not bad, not bad. I didn’t come in vain today. tang zong walked to gu hesheng’s side and said in a low voice,”I’ll do it.”

The person raised his head and looked at Tang Zong. eh, your Junior’s facial features are not bad.

“is that so?” tang zong chuckled. Old Sir, tell me, why do I look good?”

Unexpectedly, ou Dian shook his head regretfully, ” if it was before, I would definitely help you out. But now, I can’t. I stopped reading faces a few years ago. Even if I did, I wouldn’t say it.

“Why?” Tang Zong was puzzled.

The man looked at his leg and smiled bitterly. “So that I can live longer.” the elevator soon reached the second floor, and tang zong pushed him to the ward.

“Stop for a moment, I’ll look around,” the person said.

After walking around the area, he finally allowed Tang Zong to push him into the ward. After entering, the first thing he said was, change to another Ward. Look at how messy your things are. How can the Feng Shui be good? even ordinary people will feel uncomfortable and depressed if they stay here for too long.

Gu Hesheng was in a daze.

He was really speechless. This old quack had started to point fingers as soon as he came in. In the past, when he went to his house, he would always say that there was something wrong with this house. He didn’t find anything wrong with this house.

“My daughter has just given birth, it’s not convenient to move her,” Gu

Hesheng said..

Chapter 2093: Clearly a fate to die young

then change the Maple trees outside to pomegranates or fir trees, ” the man said. move the paintings on the wall here, and raise a pot of goldfish on the window sill. Remember to raise nine.

Tang Zong hurriedly said, “alright, I’ll remember that. Can you see if Yueyue can see the person now?”

That person said, “push me over to take a look.”

Tang Zong pushed him to the front of the bed. this is my sister. She hasn't woken up since she gave birth. However, the doctor said that there was nothing wrong with her body. She just hasn't woken up. It's been two days, and everyone at home is worried to death.

Tang Zong pointed at Liancheng Yazhi and said, "Oh, this is my brother-in-law, Zhenzhen."

[illegible]

He obviously had a lot more to say, but he did not say it. However, he did not know who Liancheng Yazhi was now. With a close look, he could tell that he was indeed a person with some ink when he said that he was rich and beautiful.

The way Tang Zong looked at him had changed.

Liancheng Yazhi bowed to that person very seriously. "Please take a look at my wife. If you can save her, I will definitely thank you."

“Leave the thanks to your father-in-law,” the man laughed.

he shifted his gaze to rong yan's face and stared at it for about five minutes. the more he looked, the more serious his expression became. he was surprised. ' eh. eh. that's not right. she's obviously doing it early. '

He was puzzled. Rong Yan's face clearly showed that she had died young. Logically speaking, she should have died two years ago. How could she still be alive now?

He didn't dare to say this out loud. If he did, he would definitely be beaten up.

Hence, he cautiously asked Liancheng Yazhi, ” “Um, if I may ask, how old is your wife this year?”

"I'm 27 years old now," Liancheng Yazhi said. When he first met Rong Yan, she was not even 22 years old. In the blink of an eye, many years had passed.

The man muttered to himself, "27 years old, Yingluo will be in the third rank soon, Yingluo."

He looked at Rong Yan's face and was rather surprised. He muttered, "This is really strange!"

he was about to enter the third rank. this didn't seem right. generally, people with such looks wouldn't live past the age of 25. he had seen a few people with similar looks in the past many years. they basically didn't live long.

Gu Hesheng was so anxious that he couldn't help but say, "don't talk nonsense. What's so strange about it? hurry up and tell me. Don't be so mysterious."

The man glared at Gu Hesheng and said, "what are you so anxious about? I still don't understand."

“Let me take a look at the palm print on her right hand,” he added.

Gu Hesheng glanced at Liancheng Yazhi. He did not dare to move and called out softly, "Brother-in-law."

Liancheng Yazhi only moved after a while. He bent down and gently took Rong Yan's right hand out from under the blanket. "Please take a look, Sir."

That person lowered his head and squinted at the manifestation of her beauty. The few crisscrossed palm lines on her fair palm could not be any simpler. The man's finger slid across one of the palm prints and said, "Broken palm, hehe."

Whether it was Tang Zong, Kang Yu, or Liancheng Yazhi, they had never believed in metaphysics or superstitions. Therefore, they had never understood what a 'broken palm' was.

"Sir," Liancheng Yazhi asked, "please explain. What's wrong with the broken palm kasaya?"

He looked at Liancheng Yazhi for a while and suddenly asked, "How long have you two known each other?"

Liancheng Yazhi was baffled by this question..

Chapter 2094: extremely close

"My brother-in-law and big sister have known each other for many years. They even have two children and their relationship is extremely good. What do you mean by this, old man? I asked you to help my big sister wake up, not to read her face." Tang Zong quickly interjected.

If it was in the past, Liancheng Yazhi and Gu Hesheng would definitely come out and criticize Tang Zong for being so rude.

But now, neither of them was in the mood to care about this. This was because their thoughts were similar to Tang Zong's.

She had asked him to help wake Rong Yan up, not to investigate how the couple had met.

That person didn't say anything and kept looking at Rong Yan thoughtfully.

After waiting for almost 20 minutes, Gu Hesheng finally could not help but say,

"Xu-si, stop wasting time. If you don't have a solution, just leave. I'll find someone else."

The man that Gu Hesheng had invited was surnamed Xu, and he was the fourth child in his family. Those who knew him would address him as fourth master Xu, and only Gu Hesheng dared to call him fourth master Xu to his face.

Xu Si regained his senses and looked at Gu Hesheng, "What's the hurry? I'm looking at it right now."

He said to Liancheng Yazhi, "Your wife's natal chart is rather strange and her fate is very hard. She shouldn't have been in Xuanji for a long time. Everyone has their own fate. Perhaps under some circumstances, her fate was changed. If that's the case, then it's heaven's will. Her current situation is both easy and difficult to deal with because it seems simple to have left her soul, but it's not quite the same. She's dreaming now, but she doesn't realize it herself. She thinks that what she sees is

reality. If you want to wake her up, you have to think of a way. Use the person or thing that she is most worried about to tell her and call her out of that world.”

His statement was exactly the same as Natsume’s.

“What if Qianqian can’t get it out?” Tang Zong hesitated for a moment.

fourth master xu laughed. “then she’ll be stuck in that world forever. she’ll experience life and death there. maybe she’ll wake up after she’s finished living the life in her dream.”

However, he did not know how long he would have to wait.

Liancheng Yazhi suddenly walked up to fourth master Xu and pleaded, ” “You must have a way. Please help me this time. Please, I can’t live without my wife. My child can’t live without his mother.”

Natsume used various instruments for a few hours to see Rong Yan’s condition, but Xu Si was able to determine it at a glance. It was enough to show that he was capable.

Liancheng Yazhi finally calmed down after experiencing the panic and fear. He wanted Rong Yan to wake up. No matter what method he used, whether it was science or superstition, he had to wake Rong Yan up.

Even if she was really dead, he would find a way to summon her soul back.

Fourth master Xu looked at Liancheng Yazhi and sighed. The skill passed down in their family was metaphysics. He had been able to judge people since he was young. The moment he saw Liancheng Yazhi, he concluded that this person was proud and rich. If it was in the past, he would have the fate of a King, a noble, a general, and a Minister. Such a person was usually arrogant, but now he was bowing down for his wife in front of him. It was indeed touching.

Sighing, fourth master Xu reached into his pocket and took out a glass bottle as thin as a finger. The bottle was filled with a blood-red liquid that emitted a faint red light.

He said, “drip this into your wife’s eyes, but don’t drip too much. Liang, you have to control the tears..”

Chapter 2095: when i was young and frivolous

Liancheng Yazhi took it. His hands were trembling slightly, but he still held it firmly.

He removed the wooden stopper from the bottle and gently opened Rong Yan’s eyes. He slowly tilted the bottle, and the Scarlet liquid dripped down.

Liancheng Yazhi quickly kept the bottle, afraid that it would drip too much.

By the time the other eye was done, Liancheng Yazhi was so nervous that his back was covered in sweat.

Liancheng Yazhi stuffed the wooden stopper back in and handed it to fourth master Xu with both hands.

Fourth master Xu took it and sighed. I was just preparing it just in case. I thought I wouldn’t need it. I didn’t expect it to come in handy.

“Can I ask what exactly is this blood-like liquid?” Tang Zong could not help but ask.

“Do you really want to know?” fourth master Xu asked Tang Zong with a smile. Tang Zong nodded his head repeatedly, “of course, of course, Zhenzhen.”

Fourth master Xu laughed. what a pity I can’t tell you. If I did, you probably wouldn’t be able to sleep tonight.

Tang Zong was even more confused, “ah? why can’t i sleep?”

fourth master xu suddenly said in a cold voice, ” “Of course I can’t sleep when I’m scared.”

“Scared? Hehe Yingluo, stop joking.” Tang Zong couldn’t help but take a step back. It wasn’t that fourth master Xu’s words were scary, but that instant change in his expression really made people feel that he was sinister.

“Don’t waste your breath with this brat, what are you going to do next?” Gu Hesheng said impatiently.

Fourth master Xu asked his disciple to come over and say a few words in his ear, and then his disciple left.

I’ll ask my disciple to go home and get something, “fourth master Xu said.

when he comes back, he’ll change the things in this house and decorate it. He’ll also change the Feng Shui.

gu hesheng couldn’t help but ask him,”when did your research reach the level of gege?”

Fourth master Xu looked around and said, “geomancy and metaphysics are actually the same. My ancestors used to tell fortunes and foretold fortunes. They also specialized in geomancy. Didn’t I tell you before?”

Gu Hesheng,”there’s no Qianqian.”

this is your fault, “fourth master Xu joked with Gu Hesheng. if I’m not good at geomancy, how can I determine the location of the tomb?” How did it go so smoothly when you dug up those tombs in the past?”

gu hesheng’s expression changed, and he immediately glared at him. let’s not talk about the past. We’re talking about my daughter now. If you have the time, hurry up and wake my daughter up.

Everyone present was of the younger generation. If his past was brought up in front of these children, wouldn’t he be a joke in the future?

But how could Tang Zong let go of this opportunity? he rushed in front of Gu Hesheng and said, “wow, Mr. Gu, you’re so cool. I didn’t know that you were so frivolous when you were young. You even went to dig graves when you were young. Did you follow the National archeological team or did you follow those grave robbers who specialized in fighting?”

Gu Hesheng could not hold it in anymore. His face darkened and he was about to teach Tang Zong a lesson.

Fourth master Xu laughed and continued to expose his shortcomings. of course he's done everything. As long as there's something he likes, he'll go, whether it's through formal channels or other channels.

Tang Zong looked at Gu Hesheng with admiration, " 'Wow, Yingluo is amazing.' "

In the past, he had always thought that Gu Hesheng was a very refined, very knowledgeable, and very cultured person. His life must have been very dull. He did not expect that he had such a young age. Really, you can't judge a book by its cover..

Chapter 2096: It might be difficult to meet again in the future

Kang Yu glanced at Liancheng Yazhi. At this time, he must be feeling very uncomfortable. It was really not good for Tang Zong to be so noisy. So, Kang Yu coldly rebuked, "Tang Zong, will it kill you to speak less?"

This sentence made fourth master Xu look at Kang Yu.

Only then did he realize that he was still in the room. When he saw Kang Yu, fourth master Xu was stunned for a moment. Then, he straightened his body and looked at him in disbelief. you Huahua, you Huahua, you Huahua!

Fourth master Xu's sudden change in expression confused everyone.

"Xu Laosi, what's wrong with you again?" Gu Hesheng asked.

Fourth master Xu ignored Gu Hesheng and turned to Kang Yu, " "Young man, can you let me feel your bones?"

Kang Yu frowned and stood still. He didn't like to be touched.

Gu Hesheng could tell that Xu Si's shock towards Kang Yu was extraordinary. Xu Si must have met many extraordinary people in his life, but it was the first time that he was so surprised.

Gu Hesheng said to Kang Zhen, "Kang Zhen, let him touch you. This old man is the best at touching bones. Although I don't really like him, I used to know him. Everything he said after touching bones came true.

Kang Yu hesitated for a moment before walking over to fourth master Xu.

fourth master xu reached into his bony hands and grabbed kang kun's left hand, carefully touching all the bones.

"Young man, bend over and let me see your skull," he said.

Kang Zhen's frown deepened. But he still bent down and touched Kang Zhen's face with his thin and rough hand. Finally, his hand stopped on his forehead for a long time.

"Young man, you've just survived a disaster," he said.

Kang Yu was stunned for a moment. He nodded. Yes, sir. You're right. It's indeed Xuanji who survived.

Fourth master Xu let go of Kang Yu reluctantly and sighed. "I didn't expect to meet someone like you. I didn't come here in vain. I've already sworn that I won't touch your bones. Today is an exception. There are some things that I can't tell you directly, but you are destined to be extraordinary in your life. It's only a matter of time before you have sex. However, it's lonely at the top, shallow marriage, and you've killed too many people. It's destined that your children can't be wasted."

Fourth master Xu was almost right. The others were quite surprised and wondered if they should really believe in superstitions sometimes.

kang yu's expression changed and his lips curled up."Shallow marriage?"

he paused for a moment and asked, "a shallow marriage doesn't mean that there is no marriage, right?"

Fourth master Xu nodded. that's right. If you can grasp it at a critical moment, you will have it. If you can't, it may be difficult to meet it again in the future.

"Thank you, sir." Kang Zhen lowered his head.

tang zong couldn't help but click his tongue as he looked at fourth master xu with increasing admiration.

Everything he said was right. Every one of them was right. Did he have to be so powerful? he didn't know that there was such a magical person in the world. He was really ignorant.

After waiting for another hour, fourth master Xu's disciple finally brought everything he wanted.

he took a small incense burner and placed it beside rong yan's head. then, he lit up an incense pill. soon, the room was filled with a rich fragrance, which made people feel as if they were instantly awake..

Chapter 2097: Mother, do you not want me anymore?

After his apprentice had left the night before, fourth master Xu picked up a drawing and said, "Okay, that's it for now. I've prepared all the props for you, but they can only be used to support her. The real use is to call out to her. Make sure to use the things she misses the most, the things she's worried about the most, even if you hate them the most. You have to touch her heart."

Liancheng Yazhi bowed to fourth master Xu. "Thank you," she said.

Fourth master Xu waved his hand and said to Gu Hesheng, "let's go out for a

while. We haven't seen each other for so many years. How about we catch up?" gu hesheng looked at his face and did not want to go, "don't worry. The people your daughter misses the most are her son and daughter, and only you can be next.

gu hesheng glared at him and said to liancheng yazhi, "You talk to Rong Yan first, I'll go out and catch up with the old man."

"don't worry, father-in-law," liancheng yazhi nodded.

Gu Hesheng pushed fourth master Xu away.

As soon as they left, in front of Liancheng Yazhi and Rong Yan, he reached out and carried Liancheng yazhi shook meowmeow and said, "meowmeow, wake up, meowmeow."

"Daddy, Yingluo"

Liancheng Yazhi asked MeowMeow very seriously, " "

do you still want to see mom every day and let mom accompany you every day? Liancheng Yazhi continued to ask.

I miss you, I miss you, Yingying. MeowMeow's sleepiness was all gone.

Liancheng Yazhi said seriously, "then you should talk to your mother now. Tell her that you miss her a lot. Don't stop. Keep talking to her about Hanhan."

-FüâXjGfihiä: "mommy, i'm meowmeow. open your eyes and look at me, okay? you haven't looked at me for two days. i miss you so much. you used to come back every morning to kiss me, say good morning to me, and kiss me at night. you haven't told me a story for a long time. mommy, qianqian, do you not like it anymore? you don't want me anymore, qianqian, mommy qianqian. "

"Mom, there's still little brother. Little aunt said that you haven't seen him since he was born. Mom, you still haven't seen him."

After MeowMeow said that, Liancheng Yazhi suddenly remembered that he had not seen his son since he was born.

At the mention of this son, Liancheng Yazhi's mood was a little complicated.

Although he knew that his son was innocent, he remembered that if he had not given birth to this child, Rong Yan would not have been so tired that she had to leave and sleep all the time. Therefore, he could only kill himself not to like this son before Rong Yan woke up.

however, just because he didn't like it didn't mean that Rong Yan didn't like it.

What was Rong Yan most concerned about? as a mother, the thing she was most worried about was, of course, her child. Her younger daughter was barely four years old, and her son had just been born and had not grown up yet. How could she bear to leave her?

Liancheng Yazhi immediately said to Tang Zong, "Tang Zong, go and take a walk. Quickly go and bring my son over." &Nbsp;

Tang Zong hurriedly said, "eh, alright, Yingluo."

aaa}âÜk, dad, I'm going too. I want to go pick up my brother with my uncle.. Can I? "

Chapter 2098: I still owe you a wedding

Meowmeowmeowmeow's idea was that her father would accompany her mother. Her little brother was so young and needed someone to take care of him. She would go and bring her little brother over so that he could talk to her mother with her.

Liancheng Yazhi reached out and touched MeowMeow's hair. "Alright, you can

Tang Zong carried

Kang Yu patted Liancheng Yazhi's shoulder. "Don't worry, she'll wake up."

As someone who had been asleep for dozens of times longer than Rong Yan, Kang Yu had the right to say that.

"Did you dream when you were asleep?" Liancheng Yazhi asked Kang Yu.

"No," Kang Zhen shook her head, "I was under the control of drugs. My brain stopped working completely."

After he said this, Liancheng Yazhi did not say anything else.

"I'll go out first, you stay with her," Kang Xin said.

He picked up Natsume, who was sleeping on the sofa, and left the ward so that Liancheng Yazhi could have a few words with Rong Yan alone.

the surroundings finally quieted down. liancheng yazhi lowered his head and gently kissed rong yan's lips.

He laughed and said, "what kind of dream are you having?" after you wake up, tell me. ‘

it seems like I haven't had a good conversation with you in a long time. I only talked about the two of us and no one else.

"I've always said that I want to take you out for a walk, to travel, to places that you want to go, but I've never fulfilled my wish. Yingluo is the most narrow-minded. You say you're disobedient, but in your heart, you must be saying, " I won't believe Liancheng Yazhi, this liar, ever again."

Liancheng Yazhi reached out and gently touched Rong Yan's cheek. "Baby, I'm serious this time. I'll take you out after you're done with your confinement. Really." It doesn't matter if you're awake or not.

Liancheng Yazhi suddenly raised his voice. Oh, and most importantly, I still owe you a wedding.

you've never liked to be at a disadvantage. You're married but you don't have a wedding. It's such a big loss. You're definitely not willing to, right? "

Kang Yu carried Natsume out and threw her on a bench in the hospital. Natsume woke up and said, " "Oh, where is this place?"

Kang Yu ignored him. He sat beside him and looked at the Maple tree in front of him.

the maple leaves were already red, and the trees were like fire. it was very beautiful.

but kang Zhen didn't understand why such a beautiful thing had bad feng shui.

Kang Zhen looked around and suddenly saw fourth master Xu and Gu Hesheng talking about 50 meters away.

natsume yawned, and he saw it too. he asked, " "Hey, the two old men are talking. What are they talking about?"

"Reminiscing about the past," Kang Yu replied.

natsume laughed, 'by the way, you can hear me at this distance with your hearing, right? Tell me, what did they say?'

In Kang Zhen's current situation, his five senses had been magnified many times. His eyes could see far, his ears could hear far, and even his sense of smell and taste had improved a lot. He could indeed hear within a distance of 50 meters.

However, there was no need for him to eavesdrop on the two old men reminiscing.

However, after a while, Kang Yu suddenly turned his head to look at the two of them. His face was full of surprise. He was shocked by the words of the two.

After talking to Gu Hesheng for a while, fourth master Xu changed the topic to the velvet color.

Fourth master Xu said, "I'm going to say something inappropriate. Please don't be angry. I've just read your daughter's face. It doesn't look like she has a long life..

Chapter 2099: resurrection

gu hesheng was instantly infuriated, and not only was he infuriated, he even cursed out loud, "Xu Laosi, what the hell do you mean? You're cursing my daughter, right?"

However, fourth master Xu wasn't angry. tsk, Qianqian already said it. Don't be angry. I'm just telling you what I've seen. According to her physiognomy, your daughter's fate should be less than 25 years old. She's short-lived. However, Qianqian is about to be 30 years old now. This is very strange to me.

Gu Hesheng was even angrier, and he punched fourth master Xu in the face, " "What's wrong with my daughter living past 25? Stop cursing her. I'm telling you, if you dare to say anything else, I'll break your arm too."

After scolding him, Gu Hesheng was still angry, so he took off his shoes and threw them at fourth master Xu.

Fourth master Xu quickly reached out his hand and slapped Gu Hesheng's shoe to the side, not angry at all. "Fine, fine, let's not talk about this anymore. Anyway, your daughter is a little strange. Her soul is floating, and the adhesion to her body is very bad. The life force in her body is very weak, but the physical quality of her body is very good. Yingluo shouldn't be like this, unless it's Yingluo."

Fourth master Xu wanted to continue, but he stopped himself. Forget it, he'd better not say it.

If these words were to be said, it would be a little alarmist and inconceivable.

perhaps, he was really wrong.

Gu Hesheng's face was already dark, he gritted his teeth and said, " "what is it now?"

Fourth master Xu initially wanted to say a few more words to Gu Hesheng, but after looking at his face, he thought that it was better to forget about it. If he said anything more, he would really get beaten up.

Fourth master Xu laughed. it's okay, maybe I'm wrong. It's written in my ancestor's books that I've never seen such a strange situation for so many years. However, I think she must have had some strange experience, so she changed her original fate.

Gu Hesheng looked at Xu Si coldly, "do you still have anything else?" Can you leave now? I'm afraid that if you don't leave now, I'll beat you to death."

"Aiya, Yingluo, you're really too much. Why is your temper even more irritable than when you were young? I'm just telling you what I saw. You can just not believe what I said."

Hmph, of course I don't believe what you're saying. Let me tell you, my daughter is living well. She'll definitely live to a hundred years old.

"If you don't believe me, why did you ask me to come here on such a cold day?"

The two old men gradually changed the topic, but what they didn't know was that every single word of their conversation had reached Kang Zhen's ears. Natsume patted Kang Yu's shoulder. what's the matter? what did they say? why

do you look so upset? "

Kang Zhaoze ignored him. He understood what fourth master Xu meant.

To put it bluntly, he meant that Rong Yan should have died a long time ago, but she was still alive. It was incredible.

A person who should have died long ago was still alive?

Although fourth master Xu's words could not be completely trusted, his words could still be trusted to a certain extent. After all, he was not a complete quack, and his words could be trusted to some extent.

"What do you think it means for Qianqian, a person who was about to die, to survive?" Kang Yu said regretfully.

Natsume smiled. Just like you, lying unconscious for a few months.. Everyone thought that you would end up like that for the rest of your life, but I didn't expect you to pull through and come back to life!"

Chapter 2100: I want to return to my mother's embrace

"Come back to life?" Kang Zhuo repeated.

After a while, he laughed.

He was already in this state, so what was there to doubt others about? besides, fourth master Xu wasn't a God, so he couldn't possibly see everything.

Fourth master Xu's words could only be used as a reference, and they couldn't be completely believed.

"What were they talking about just now?" Natsume nudged Kang Yu.

“If you’re so curious, why don’t you go ask?” Kang Yu rolled his eyes.

“Don’t mind me, do I dare to ask? That fourth master Xu is really weird. Also, what was in that small bottle of medicine that he gave young master ya?”

Natsume did not believe in superstitions. He only maintained his attitude that he would not absolutely refute supernatural phenomena.

His explanation for Rong Yan falling into a deep sleep was that she was trapped in her own nightmare and couldn’t come out.

However, this could be explained by almost scientific theories.

however, fourth master xu was able to tell him the results of his research after a long time after just a few casual glances. this really made him curious.

Kang Zhen looked at him. don’t think too much. He’s not on the same path as you. You should focus on your scientific research.

Fourth master Xu’s path wasn’t the right one, and the chances of finding such a person in one’s life were as low as possible.

In the ward, Tang Zong had already carried the nameless baby of the Liancheng family over.

Along the way, Tang Zong was rather surprised. This was because this little fellow was much better looking compared to the ugly appearance it had when it was just born. Its skin had turned white, and its eyes were open. It really did look cuter now, no longer like a little monkey.

When meowmeowmeowmeow saw it, she exclaimed that it was cute and said that her mother would definitely be happy to see her little brother so good-looking.

Along the way, Tang Zong couldn’t stop looking at the soft, little baby in his arms. The little fellow had already woken up. He opened his eyes and looked at Tang Zong curiously, but he didn’t cry or make a fuss. His eyes were still rolling around, and he had a small mouth. He laughed and laughed, looking especially cute.

as he carried the child into the ward, tang zong said, “Brother-in-law, look, this is your and sister’s youngest son. He’s much cuter than two days ago, Yingluo!”

Liancheng Yazhi only looked down at the child and did not reach out to hold him. He said indifferently, ” “Put him next to Rong Yan.”

oh, oh, oh. Tang Zong was a little surprised that Liancheng Yazhi didn’t want to carry the baby, but he also understood the reason. He sighed in his heart and placed the baby beside Rong Yan.

Perhaps every child had stayed in their mother’s body for ten months, so their perception of their mother’s aura had become some kind of gene in their bodies. Not long after they were put down, the baby began to move slightly. His two little hands moved, and he even made ‘ah, ah’ sounds from his mouth. The sounds were not loud, but it was clear that the little guy seemed to be very anxious.

Perhaps it was because she was in a hurry to return to her mother’s arms.

“Brother-in-law, I’ll go out first.” Tang Zong looked at MeowMeow and the child, shook his head, and left.

He had to go and see Rong nuo. Rong nuo had a slight fever since yesterday and had not woken up yet. In the past, she would have woken up early at this time.

JiEiäfi_Ejfi: mommy, look at how pretty little brother is. He's so pretty now. Don't look so good. He doesn't even cry or make a fuss, Yingluo. Look at him. He really looks like you.

meowmeowmeow sniffled. "mommy," she said, "open your eyes and look at your little brother.."
