

## Permit Me 2101

### Chapter 2101: daddy will marry a new mommy

Meowmeowmeow's words instantly pierced the pain in Liancheng Yazhi's heart. He glanced at the child who had just opened his eyes and was only two days old. He was his and Rong Yan's son. He was small and did have some resemblance to Rong Yan.

Looking at this child, Liancheng Yazhi's heart softened, but he also blamed her.

he slowly reached out and touched the child's face.

The baby's face was unbelievably tender. A light touch would leave a red mark on it. The little guy was still crying out, but his mother had not woken up, and no one was comforting him .

mommy, little uncle said that if mommy doesn't wake up, daddy will definitely find us a new mommy in the future. Mommy, Hanhan, I don't want a new mommy. I only want you to be my mommy, Hanhan.

Liancheng Yazhi, "Yingluo. "

mommy, uncle also said that if daddy has a new mother in the future, he won't love us anymore. Little brother and I will be very pitiful. Mommy, I'm very scared, little brother, please don't abandon me and little brother, "MeowMeow, a child who was almost four years old, said a lot. After she finished, she was even more sad and cried loudly.

perhaps the little guy felt his sister's sadness or was infected by the meow meow's cry, but he also started crying. For a moment, the ward was filled with the sad cries of the siblings. Those who did not know would definitely feel sad after hearing it.

liancheng yazhi suddenly had nothing to say.

He was originally extremely sad, but now he was speechless. He really didn't know what Tang Zong had said to Miaomiao just

Liancheng Yazhi smiled bitterly. If Rong Yan didn't wake up, perhaps he wouldn't have enough energy to get a new wife. He wouldn't even be able to wait until then before he could take it.

Without a face, there was nothing in this world that was worth his nostalgia, not even the two children. However, Liancheng Yazhi soon realized that perhaps because Rong Yan had really heard the two children's cries, her eyelashes seemed to tremble.

Liancheng Yazhi's original intention of coaxing the child was immediately put to rest. Perhaps the child's cries would make Rong Yan's heart ache more, and she would wake up.

Hence, Liancheng Yazhi hardened his heart and let the two children continue crying. Seeing the children's faces turn red from crying, he was also very heartbroken. However, it would be worth it if Rong Yan could wake up.

liancheng yazhi held rong yan's hand and suddenly said fiercely, " Rong Yan, I'm telling you, Huahua, if you dare not wake up, I'll throw away this child, Huahua. She's your flesh that fell from your body. You've been pregnant for ten months, and you've worked so hard to love him. You must be reluctant to part with him, right? since you can't bear to part with him, then wake up. Open your

eyes and look at me, MeowMeow, and this newborn child.. Are you willing to let it go if you don't hear him call you 'mother'? “

Chapter 2102: Mother's eyes were smoking

Of course, Rong Yan was not willing to give up. It was not easy for her to give birth to a child. If Liancheng Yazhi wanted him, she would definitely fight him to death.

Rong Yan would never agree to it. How could a woman suddenly come out, sleep with the man she had taught, beat her child, spend the money her man earned, and do whatever she wanted in the house she had decorated herself? if such a woman really appeared, Rong Yan would definitely kill him.

Suddenly, MeowMeow stopped crying and screamed, ” “daddy, daddy, mommy, mommy, mommy is smoking, mommy!”

Liancheng Yazhi also saw it. He was shocked to see a wisp of white smoke slowly rising from Rong Yan's eyes. The two wisps of white smoke had a faint hint of red, as if there was a fire burning in her eyes. It was extremely strange.

Liancheng Yazhi couldn't believe it. Was this cream the effect of the thing that fourth master Xu had asked him to put into Rong Yan's eyes just now? In extreme shock, Liancheng Yazhi cried out, ” “Tang Zong! Tang Zong!”

The door of the ward was pushed open quickly, and Tang Zong rushed in. brother-in-law, what's wrong? ” Just now, Tang Zong had been eavesdropping outside. He had heard

However, Tang Zong was afraid that Liancheng Yazhi would settle the score with him, so he walked away after hearing what he said. However, he did not dare to go too far for fear that something would happen. He rushed in when he heard Liancheng Yazhi's loud shout.

Liancheng Yazhi's expression was very ugly. He said to Tang Zong sternly, ‘ quick, go and get fourth master Xu. hurry up, yingluo! ” tang zong had already seen Rong Yan's condition. he was so surprised that his mouth was wide open. he couldn't believe what he had just seen.

Liancheng Yazhi's words finally made him come back to his senses. He nodded repeatedly, turned around, and ran out.

Tang Zong's speed was extremely fast. He didn't take the elevator and directly took the stairs, sliding down the handrail.

He ran outside and didn't see fourth master Xu. He saw Kang Yu and Natsume first and shouted at them across the Green Belt, ” “Where's fourth master Xu?”

Seeing the look of panic on Tang Zong's face, Kang Xin knew that something must have happened. He immediately stood up and pointed in the direction of fourth master Xu and Gu Hesheng. over there! Tang Zong didn't even have the time to thank him. He ran across the Green Belt and rushed to fourth master Xu at a very fast speed. Then, he immediately pushed his wheelchair and ran towards the VIP hospital building.

The road in the hospital was not very smooth. Tang Zong pushed the wheelchair very fast, and fourth master Xu, who was sitting in the wheelchair, felt that it was unusually bumpy. He quickly grabbed the armrests on both sides and asked, "Hey, what are you doing, kid?"

When Gu Hesheng saw Tang Zong's anxious look, he knew that something must have happened. He was getting on in years, and it would be impossible for him to pursue Tang Zong. He asked from behind, "Tang Zong, did something happen to Rong Yan?"

Tang Zong's entire body was covered in sweat. As he ran, he replied, something big has happened, Qianqian. My sister's eyes are starting to smoke. It's too strange, Qianqian. After fourth master Xu heard this, his originally panicked expression instantly turned into a smile. "Oh, is there smoke? That's a good thing!"

Chapter 2103: The more you cry, the more heartache she feels

Kang Zhen had already walked over and snatched the wheelchair from Tang Zong's hands. I'll do it.

Tang Zong was still charging forward. He looked at his own hand.

Damn, he ran so fast. Kang Zhen snatched it away just like that. He didn't even feel his hand move? Tang Zong raised his head and looked forward. Kang Yu had already lifted the wheelchair and fourth master Xu up with ease. It gave people the feeling that he was lifting air. It was not difficult at all.

Kang Zhen wasn't running. He was walking with big steps. It didn't seem like he was taking large steps, but his speed was faster than his running speed. Did he have to be so strong? Tang Zong had always felt that he wasn't a weak man. At the very least, he had some skills. At the very least, ordinary people would definitely not be able to defeat him. But now, he felt like a little chick in front of Kang Zhen.

Tang Zong sighed. Damn it, did the difference between people have to be so great?

Natsume seemed to know what Tang Zong was thinking. Calm down. There's only one person like him in the world. Not to mention you, even your brother-in-law and Jian Yi can't fight back against him. Just think about it and you can calm down.

Tang Zong raised his brows. That's right. He felt much better when he thought about it this way.

"What did you mean when you said that Rong Yan's eyes were smoking?" Natsume asked Tang Zong.

Natsume walked away quickly. He had already thought of the liquid that fourth master Xu had asked Liancheng Yazhi to drip into Rong Yan's eyes. He was very curious. As a medical fanatic, he naturally wanted to know about that unknown substance.

Gu he caught up to him while panting, "That's right, what did you just say?" What happened to Rong Yan?"

I don't know either. My brother-in-law was talking to my sister with the two children. I came out, but not long after, I suddenly heard my brother-in-law shouting. I rushed over to take a look and

saw white smoke coming out from the gap in my sister's eyes. It was as if something was burning inside. It was too strange. I've never seen such a situation before.

Natsume's eyes suddenly lit up, " "let's hurry up, we'll go take a look too."

when they arrived at the ward, fourth master xu was saying to liancheng yazhi, it's fine. There's no need to make a fuss. It's because of the two drops. This is a good thing. I didn't expect it to take effect so quickly. What you two said just happened to hit the nail on the head.

the bigger the smoke, the more she's struggling, and the stronger her desire to wake up. She has already sensed what you're saying and is trying to wake up. If you continue, she might wake up today, Hanhan.

Fourth master Xu's words were like a spring rain that finally fell on everyone's dry hearts, finally giving them a glimmer of hope.

Tang Zong immediately poured a glass of water and placed it in front of the still sobbing MeowMeow. MeowMeow, come and drink some water. Baby, you can continue to bring your brother and talk to your mother. Good luck!

ittle uncle, will mom wake up if I keep crying?

Tang Zong nodded his head repeatedly. yes, I will, baby. Your mother loves you so much. The more you cry, the more her heart aches for you. I'm sure you'll wake up soon..

Chapter 2104: Trapped me in this illusion

As soon as he said that, MeowMeow immediately burst into tears.

Kang Yu looked at Tang Zong unhappily. "Tang Zong, she's still a child. It's too harmful to her body to cry like this."

Tang Zong patted MeowMeow's head. there's no other way now. My sister is most worried about the two children.

Tang Zong said to Rong Yan, " big sister, look at how sad meowmeowmeow is crying. She's only four years old and her health is not good. Can you bear to let her go? What if Yingying really comes home in the future? Yingying will suffer so much, and this little guy has never had a mother's love since he was young. How pitiful would Yingying be?"

If it was in the past, Liancheng Yazhi would have definitely given Tang Zong a good beating. However, he did not move now. He clenched his fists and kept looking at Rong Yan.

At this moment, Rong Yan was still struggling in her dream.

she felt that she had slept for a very long time and had a very long dream. no, it didn't feel like a dream. it felt like a real scene from another world. There, she became smaller and slowly grew up. She experienced a different childhood from before. At first, her memories began to increase with the scenes in her dream, but she had no memory of the real world at all. It was as if she had reincarnated and forgotten all the past events of her previous life.

Yang Yan and Rong Jia were there, but they were very good to her, very good, just like a sister and mother in an ordinary family.

Rong Jia followed behind her and called her sister. Her voice was very sweet, and she stuck to her like a little tail.

She took Rong Jia out to play, and when it was time to eat, Yang Yan would go downstairs to call them for dinner.

in her dream, yang yan was a very good mother. although she would beat and scold her, she was always concerned about her. this was the maternal love she had wanted the most. She slowly grew up in the dream, and her days were warm and plain.

It wasn't until a man's voice and a little girl's tender voice started to ring in Rong Yan's ears. The sound of the child's cries made Rong Yan's heart ache. She kept feeling that she seemed to have forgotten something important.

It was not until the little girl said that her father would marry a new mother that cracks began to appear in Rong Yan's memory. As the baby's cries were heard, the cracks grew bigger and bigger. Then, all the memories of the real world swarmed into her, making her gradually understand that she was just dreaming, a dream that could never be realized. All of this was an illusion, a smokescreen.

However, even though she knew that she was dreaming, Rong Yan still couldn't break free from this dream.

Rong Yan angrily asked Yang Yan and Rong Jia who had appeared in his dream, "Why did you appear in my dream? you didn't let me wake up. What do you want?"

With this question, the warm home instantly turned into endless darkness. The young and beautiful Rong Jia and the still charming Yang Yan suddenly changed their appearance. Both of them were dressed in white, their faces pale and their lips black. They floated in the darkness like ghosts. If they were not ghosts, they would have died long ago.

Rong Jia smiled at Rong Yan. Her smile was sinister and eerie. "Big sister, you remember everything?" Rong Yan sneered. you've made up such a dream.. What do you want to do? do you want me to never wake up? " You trapped me in this illusion, unable to reunite with my husband and children, and want me to sleep like this?"

Chapter 2105: Will he still like you?

Yang Yan shook her head and said, "no, Yanyan, mom loves you very much. I regret it very much, I regret not treating you well. I gave birth to you, but I

didn't fulfill my duty as a mother. It's my fault, Yingluo. I just want to make it up to you, to make up for what I owe you for all those years. Can you give me and Jiajia a chance? Yingluo.

Rong Jia reached out her hand to Rong Yan. eldest sister, mom and I will pick you up together. We will make it up to you. Come with us. In the future, we can live together as a family. How nice would that be? " If you like Rong nuo, we can also bring her over, Yingluo."

rong yan sneered, "bring rong nuo here too?" You want to kill her too, don't you?"

“Big sister, I’ve never thought that way,” Rong Jia called out.

Rong Yan smiled. in the past, I really hoped for the warmth of a family. I hoped that you could give me even a little bit of affection, but you don’t have Qianqian. she paused for a moment. I have my own family now. I have a husband, a daughter, a son, a father, a sister, and a brother-in-law. I have so many people who love me. Do you think I still care about you? ”

The voices of Liancheng Yazhi and MeowMeow rang in her ears again, and a

gentle smile appeared on Rong Yan’s face. listen, my husband and daughter are calling me. I should go back. From now on, I have nothing to do with you. Don’t appear in my life again.

After she finished speaking, Rong Jia’s appearance suddenly changed again. Blood was flowing out of her seven orifices and black smoke floated around her body. Rong Yan, do you think that you can live a smooth life after changing your fate and being reborn? I won’t let you have your wish, Yingluo!”

She suddenly turned into a cloud of black smoke and pounced at Rong Yan. However, Rong Yan felt her forehead sink, and two red rays of light shot out from her eyes, piercing Rong Jia’s body. She let out a shrill scream. ah! Rong Yan felt a strong suction force pulling her back quickly. Rong Jia and Yang Yan were getting further and further away from her. behind her was the exit of the light. before she rushed out of the darkness, rong yan heard rong jia’s last cry, Rong Yan, if Liancheng Yazhi knew that you’re just a half-human, half-ghost monster who has been reborn, would he still like you? would he still like you, Zhenzhen? ”

Suddenly, Rong Jia’s voice disappeared, leaving only a familiar man’s voice in her ear. The voice was hoarse and full of hatred,”rong yan, i beg you, please wake up. if you don’t wake up, i’ll really dare to marry a stepmother for meowmeow, huahua.” liancheng yazhi had just finished speaking when he felt a sudden pain in his hand. he had been holding on to it and not moving, but the assassin was pinching him with his nails. an angry voice came from under his head. “Liancheng Yazhi, you dare to tease me?”

It was as if he had finally heard this beautiful voice after a long few centuries. Liancheng Yazhi’s body trembled with excitement. He slowly turned his neck to look at Rong Yan. His wife, who had been sleeping for two days, had opened her eyes and was smiling at him.

Liancheng Yazhi’s eyes suddenly felt sour. It took him a long time to find his voice. He grabbed Rong Yan’s hand and said, ” Rong Yan, you’re awake, Boohoo! the joy in Liancheng Yazhi’s heart could no longer be described with words. He didn’t even know what he should say or do to express the joy and joy in his heart.

He could only hold Rong Yan’s hand tightly, and all his words were contained in his eyes.

Rong Yan smiled at him and said,”I’m just sleeping a little deeper..”

Chapter 2106: all her thoughts seen through

Since Rong Yan had just woken up, her voice sounded as hoarse and low as Liancheng Yazhi’s.

“Mommy, mommy

Yingluo, you’re awake Yingluo!”

She said to Tang Zong, " little uncle, my mother has woken up. You're right. If I cry too much, my mother's heart will ache and she will wake up.

Tang Zong laughed. With Rong Yan awake, the air instantly became fresher. The dark clouds that had been pressing down on his heart instantly dispersed."Big sister, it's so good that you're awake!!!"

Rong Yan had not woken up for the past two days, and everyone's life was simply unbearable.

Suddenly, there was a light touch on her forehead. Rong Yan looked over subconsciously and met with a pair of brown eyes. Those eyes were unusually sharp, as if they could see through all her thoughts.

But very quickly, the fierceness disappeared and was replaced by a gentle look. He asked, " "Girl, what did you dream of just now?"

Tang Zong excitedly explained to Rong Yan, " big sister, this is fourth master Xu. It's all thanks to his help that you were able to wake up today. Just now, the smoke in your eyes suddenly turned black. Fortunately, fourth master Xu placed his hand on your forehead, and you woke up very quickly, awvvv!

Before Rong Yan woke up, the White smoke in her eyes suddenly turned black.

Everyone was shocked. When fourth master Xu saw it, he said in surprise, "The backlash of a nightmare?" no one knew what the 'backlash of a nightmare' was. then, fourth master xu quickly turned his wheelchair to the bedside and placed his hand on rong yan's forehead. Not long after, Rong Yan woke up.

Rong Yan was stunned for a moment. Just now, when Yingying was in her dream, when Rong Jia attacked her, she felt her forehead sink. Then, Rong Jia's dream was stabbed and she was pulled back by a suction force. Did this fourth master Xu help Yingying? Rong Yan suddenly felt very nervous. The way this fourth master Xu looked at her just now made her feel that he seemed to have found out the deepest secret in her heart.

'Rong Yan, if Liancheng Yazhi knows that you're just a half-human, half-ghost monster who has lived a Second Life, will he still like you? will he still like

This was the last cry she heard from Rong Jia, and it had become a knot in Rong Yan's heart.

A half-human, half-ghost monster? Was she really one? If Liancheng Yazhi knew, would he look at her with a strange gaze and leave her?

Rong Yan was so guilty that she did not dare to look fourth master Xu in the eye. She could only nod at him. thank you. I didn't dream of anything just now. I just dreamed of some past events. Rong Yan paused for a moment and continued, " "I don't want to think about the past."

Gu Hesheng was already crying tears of excitement. His eyes were red as he said, " "Daughter, if you don't want to think about it then don't think about it. It's better than anything that you're awake. If something really happened to you, what would we do, Yingluo?"

Gu he had been alone for most of his life and finally had a daughter. Now that he had just had a few days of family reunions, if something were to happen to his daughter, he would probably not want to live anymore.

Rong Yan's eyes were also sore as she said, "daddy, I'm fine." Don't worry."

meowmeow shook rong yan's arm. "mommy, mommy, look at little brother.

look at how obedient he is. he's looking at you."

Meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow meowmeow.

Rong Yan quickly turned her head. She had always wanted to ask her youngest son, but she had just woken up and was talking to everyone, so she didn't have the chance to ask..

Chapter 2107: should be cherished even more

At this moment, the little fellow had already stopped crying and was looking at Rong Yan in a daze with his head tilted. His tender little face was like a bun, and it was suffused with color. His little mouth was open, and there were a few sparse strands of hair on his head. He was extremely cute.

This was the first time Rong Yan had seen her youngest son, and it was also the first time the baby had seen his mother.

Rong Yan's heart instantly melted into a pool of water when she met his dark, gem-like eyes that were clear and full of spirituality. She cried with joy and said, " "My baby Yingluo"

The baby babbled and there were still tears in the corners of his eyes. However, he was obviously very happy after being kissed by his mother.

Rong Yan wanted to sit up and hug him, but Liancheng Yazhi immediately held her down. "Don't move. The doctor said you just gave birth. Don't move." Rong Yan had finally survived a disaster, and Liancheng Yazhi didn't want her to be in any danger.

"I want to hug him." Rong Yan looked at Liancheng Yazhi. As a mother, Rong Yan felt very guilty for not hugging her child two days after he was born. Liancheng Yazhi moved the child closer to Rong Yan. you can hold him like this and hold him when you're better. Are you thirsty? '

Rong Yan wrapped her arms around the little guy and gently touched his cheek. "Yingluo is a little embarrassed." liancheng yazhi poured a glass of warm water, then put a straw into the back of the water for rong yan to drink.

"How's the child's health?" Rong Yan asked after taking a few sips to moisten her throat.

"This little monkey is in good health, even better than you," said Tang Zong.

Rong Yan looked at the child and smiled in satisfaction. In his mother's arms, the little guy yawned delicately. He was tired and was ready to sleep.

Fourth master Xu looked on from the side. This family was indeed very close. Husband and wife, sisters, mother and daughter, mother and son, father and daughter. Their relationship was also very good, which made fourth master

Xu's original concerns dispel a little.

although Gu Hesheng was obviously suspicious, everyone's fate was different. If there were any changes, it would be decided by the heavens. Although Lao Ai was not angry, it would not affect the people around him.

Since their family had such a good relationship, there was no need for him to say such disgusting things.

After a while, fourth master Xu said, "since the girl has woken up, I'll take my leave."

Liancheng Yazhi quickly stood up. Mr. Xu, thank you so much. If you have any requests, I'll do my best to help you achieve them.

Fourth master Xu laughed. I don't have any requests. Just treat me to a wedding when your son is one month old.

Liancheng Yazhi hurriedly nodded. Of course! Of course! "Of course!" I'm more than happy to have you come.

Fourth master Xu said to Rong Yan before he left.

little girl, it's not easy to live one life," he said. It'll be even harder if you live two lives. But Qianqian is just like that, so you have to cherish her even more. Don't you think so?" Rong Yan raised her head and met fourth master Xu's eyes. She said honestly, "yes, you're right. We should cherish it more, because this can be a very lucky way to complete the regret that many people can't. Thank you." "It's great that you're so transparent," fourth master Xu said with a smile. The conversation between the two of them made everyone feel baffled.

What one life? What two lives? Don't people only have one life? Could it be that he could be resurrected?

Chapter 2108: It's good that you're fine

However, fourth master Xu was a charlatan who talked nonsense all day long, so it was not strange for him to say such words.

However, Kang Yu was indeed looking at Rong Yan thoughtfully. He remembered what he had heard fourth master Xu say to Gu Hesheng outside.

Fourth master Xu was saying that Rong Yan was originally a short-lived person. Her fate was that she would not live past the age of 25, but now, some kind of fate had changed her fate, so she survived.

was fourth master Xu saying that Rong Yan had lived for so many years, which was equivalent to a second life?

kang yu looked at rong yan. from her tone, it seemed like yingluo also knew what was going on. How did she know?

Kang Yu glanced at Liancheng Yazhi. He didn't care about Gu Hesheng and Rong Yan's conversation and just kept looking at Rong Yan.

Kang Yu sighed. Forget it. He shouldn't ask about the couple's Affairs. Besides, no one could explain such a mysterious thing. Besides, he had come back from the dead. What reason did he have to lock someone else up?

Fourth master Xu left, leaving only his men in the ward.

Natsume gave Rong Yan a simple examination first. He really wanted to open

Rong Yan's eyelids to see if there was anything left in her body. However, Natsume did not dare to do so at this time. It would be a killjoy if he did so when the family was so happy.

After making sure that his physical condition was basically normal, Natsume left reluctantly.

Kang Yu saw that Rong Yan had finally woken up and that Liancheng Yazhi had finally returned from his hopeless state. He was relieved and said, "I'll be leaving first, you guys have a good rest."

"Thank you for today," Liancheng Yazhi said to Kang Yu with a smile.

If Kang Yu didn't bring Natsume here today, they wouldn't have known that Rong Yan was stunned by a dream and wouldn't have come to fourth master Xu.

"I'm glad you're all fine. I'll head back first." Kang Yu raised an eyebrow.

okay, Wanwan. Liancheng Yazhi wanted to ask Kang Yu how he was doing, but he didn't ask. In his current situation, he didn't want to ask about anything else other than Rong Yan.

Kang Yu's summer eyes left, leaving only the big family in the room.

"Come, Meow Meow, lie down beside mommy." Rong Yan stretched out her other hand, wanting mommy, "meowmeow said, "just hold your little brother. i'm a big sister now. i've grown up.

"our

Rong Yan looked at the child, then at Liancheng Yazhi. She was glad that they had woken her up.

"Oh right, where's Rong nuo?" Rong Yan asked Tang Zong. If Tang Zong was here, Rong nuo would definitely be here too.

"Her fever has been low since yesterday. The doctor said that she hasn't had a good rest for the past two days, so her immune system is a little weak. I asked the doctor to give her an injection, and she's still sleeping now." Tang Zong scratched his head.

Rong Yan quickly said, "ah?" She must be exhausted from the past two days. You should go and take care of her, I'm fine now."

“Eh, I’ll go then, big sister.” Tang Zong was also worried about Rong nuo, so he left after talking to the two of them.

Gu Hesheng was reinvigorated, he said, ” “I’ll get you guys something to eat. You just woke up, and Liancheng hasn’t eaten anything for two days,”

iM: “I’ll go with Grandpa..”

Chapter 2109: Let me look at you

“Let’s go. I’m going out to buy some things with Grandpa.” Gu Hesheng carried the family of three was left in the ward. the little guy was sleeping soundly in his mother’s arms.

Rong Yan looked at Liancheng Yazhi and couldn’t help but want to cry. It had only been two days, but he had lost so much weight. His clothes were still the same as the clothes she had worn on the day she gave birth. There were many small cracks on his lips, a lot of stubble had grown on his chin, and his eyes were red and bloodshot. It was obvious that he had not rested for the past two days.

How many people had seen young master ya in such a sorry state?

Rong Yan’s and Liancheng Yazhi’s hands were intertwined. why did you lose so much weight? Are you not resting or eating on purpose to make me feel bad for you?” liancheng yazhi held rong yan’s hand and put it against his face. ” that’s right, ran ran just wants you to feel sorry for me. originally, your daughter had distracted so much of your attention, and now, a son has appeared out of nowhere. i have even less place in your heart. of course, i have to find a way to get your attention and make you feel sorry for me. ‘

Rong Yan’s eyes became hot, and tears rolled down from the corners of her eyes.

Liancheng Yazhi quickly reached out to wipe it. don’t cry. The doctor said that you’re still in confinement. You can’t cry.

Rong Yan pushed his hand away. then go wash up and eat. You look so ugly. I don’t like you anymore.

Liancheng Yazhi smiled. I’ll go later. Talk to me for a while.

He waited for two days before Rong Yan finally woke up. He didn’t want to think about anything now. He just wanted to hear her talk and look at her. He was afraid that if he turned around. Rong Yan would fall asleep again

Rong Yan knew what Liancheng Yazhi was afraid of. She wrinkled her nose and said, ” “Don’t worry, I won’t fall asleep again. I’ve slept enough for two days.”

Liancheng Yazhi still did not move, “in a while, Yingluo.”

Rong Yan pushed him. alright, go on. You’ll faint from hunger in a while. I can’t carry you back to bed now.

Liancheng Yazhi turned around and glanced at the bathroom. “Then I’ll take a shower and leave the door open. Let me watch you.” after the bathroom door opened, he could see Rong Yan from inside.

Rong Yan smiled. whatever. If you’re not afraid that someone will suddenly break in and see your naked substitute, I don’t mind.

Liancheng Yazhi smiled naughtily. I don’t mind. Ran ran and the others won’t be afraid even if they see it. It’s because you’re the only one who can be of use.

Rong Yan’s face turned red. alright, hurry up and go.

Liancheng Yazhi stood up. After he stood up, he felt a strong sense of dizziness. His eyes turned dark and he almost fell down. Then, the feeling of thirst and hunger swept over him in an instant, and his stomach made a rumbling sound.

Rong Yan was frightened. hurry up and drink some water, Yingluo.

Liancheng Yazhi picked up the water he had poured for Rong Yan and drank it in one gulp. Only then did he feel a little better. He said, “I’m fine, I’m fine, Yingluo. I’m in good health.”

There was nothing to eat in the ward, only some fruits. Rong Yan said worriedly, “Eat some fruits first before you go take a bath. It’s not good to take a bath when you’re too hungry.”

Liancheng Yazhi shook his head. “It’s nothing. I’ll go take a shower first. Father-in-law and meowmeow will probably be back soon.”

Liancheng Yazhi pulled himself together and walked into the bathroom. The sound of running water could be heard in the ward.

Because Rong Yan was lying flat, her vision was limited, so she couldn’t see the scene in the bathroom. She turned her head and kissed her baby’s little face.

A newborn baby was the most innocent. Rong Yan’s heart softened when she saw him. This was her son. She had a son and a daughter now..

Chapter 2110: Can ‘t live without her

Liancheng Yazhi called out to Rong Yan, “Rong Yan, Zhenzhen!”

Rong Yan responded, “yes, Zhenzhen.”

Liancheng Yazhi heard Rong Yan’s voice. it’s nothing. I just called you.

Rong Yan patted the child gently and said, “I’m fine. I can’t sleep.”

Although she said that, after a while, Liancheng Yazhi called out again, ‘

“Rongyan Zhenzhen”

Rong Yan still smiled and replied, “I’m listening, Yingluo.”

Liancheng Yazhi was scared. He didn’t dare to leave her for even a moment. He cared so much about Rong Yan that she couldn’t help but think of that dream.

This dream was very strange. You said it was a simple dream, but it clearly didn't seem to be just a dream.

If it was a ghost, it didn't make sense.

In fact, no one could say for sure what a ghost was, because no one had ever seen it before. Perhaps the deepest obsession in your heart was a ghost.

Obsession?

What was Rong Yan's obsession?

Rong Yan heard Rong Jia's last sentence again.

She thought that perhaps this dream was a problem that she had been afraid of but had never faced- she was a reincarnated person.

Rong Yan bit her lip. Would a reborn person really be half-human and half-ghost?

rong jia had asked if liancheng yazhi would still like her if he knew.

Perhaps Rong Jia's words were the deepest and greatest fear that Rong Yan had hidden in her heart all these years.

Rong Yan had previously thought about whether she wanted to keep this secret forever, but this dream made her suddenly realize that it was impossible to keep it a secret forever. This incident was just a trigger. If she didn't get rid of this fear, this kind of nightmare might happen again in the future, and it would happen more than once.

Thinking of this, Rong Yan was even more afraid.

She had fourth master Xu's help this time, but what about the next time? would she be able to come over so easily next time? And the next time, Yingluo. Suddenly, Rong Yan's voice rang in his ears. "Rongyan Zhenzhen, rongyan

Zhenzhen"

"ah, yingluo." rong yan came back to her senses and turned to see liancheng yazhi's wet hair. he was looking at her worriedly. "You're done?"

Liancheng Yazhi reached out and touched Rong Yan's forehead."What are you thinking?"

Rong Yan shook her head. it's nothing. I'm just thinking about the dream I had when I was sleeping.

Liancheng Yazhi sat beside Rong Yan and hugged her. He said a little frantically, " "Don't think about it anymore. Don't think about it anymore, Yingluo. Don't think about that dream anymore. It's all a dream, not real."

Rong Yan reached out and patted Liancheng Yazhi's back. it's okay, it's just that the dream was so real. It was as if Hanhan reincarnated in the dream and experienced a new life. If I didn't hear you and the children's voices, I would have been in a deep sleep and lived another life, Hanhan.

Liancheng Yazhi hugged Rong Yan tightly. I don't want to. I will never let you live another life. Your life is mine. You are mine.

Rong Yan smiled. Yes, that's right. I'm awake now. I'm your wife and the child of your son and daughter. What else can I do other than follow you? ”

“I thought that the dream was very strange, so I wanted to tell you.”

lian Cheng yazhi hugged Rong Yan tightly. ” we'll talk about it in a few days. we'll talk about it when you're better, Yingluo. ‘

Rong Yan wanted to call him, but she swallowed her words after hearing what

Lian Cheng Yazhi said. “alright, we'll talk about it in a few days, Yingluo.”

Although she pushed it back again, Rong Yan knew that she had to tell Lian Cheng Yazhi about her rebirth..
